Parents Class Night At Hicksville JHS

The tenth annual Parents' Class Night of Hicksville Junior High School is scheduled for Thursday evening, November 5th. The Home Room Period will begin at 8 p.m.

This week, Junior High School

students will be given notices with further details, which they are requested to take home to their parents.

All parents are urged to attend this important program, said a spokesman for the school.

Hicksville Library Environmental Series

SO LITTLE TIME...to conserve our vanishing land, it's wildlife and resources. The Hicksville Public Library six part Environmental Series presents the fourth of the series Thursday, November 5th at 8 p.m. with Frank Bear, chairman of the Nassau County Planning Board as the main speaker.

Mr. Bear is a member of the Nassau-Suffolk Regional Planning Board, and is also on the Board of the Mitchell Field Development Corporation. He is a former member of the Baldwin School Board and is president of Bear Films, producers of motion pictures.

The discussion for the evening will be on the proper land use of what little we have left. Planning is the answer at this time to best conserve our natural beauty and resources. We still have enough wilderness to keep our "Island" a pleasure spot for boating, swimming, fishing, and of course suburban living at its best. We all must make sure that industry and greedy builders do not take away our wetlands and our trees and wild life.

The program is held in the Library auditorium and all the public is welcome to come and ask questions and get the right answers.

Caso Campaign Stop At Hicksville

Hempstead Town Presiding Supervisor Ralph G. Caso, Republican candidate for Nassau County Executive, will make one of his last campaign stops in

Hicksville on Election Day eve. Caso will attend the Hicksville GOP Rally which gets underway at 7 p.m. at the Old Country Manor.

Town Board

Lively Hearing On Proposed Budget; Other Local Matters

At a busy public meeting on Tuesday, October 27th, the Town Board of Oyster Bay heard much criticism -- most parties stating they came to "question" not to criticize -- of the preliminary budget for 1971 and settled several matters of interest to residents of Syosset and Woodbury.

Representatives of the incorporated village of Massapequa Park made up a good percentage of the residents who spoke concerning the proposed 1971 budget, which at

\$11,044,520 would increase the general property tax rate from 46.8 cents to 61.6 cents per \$100. of assessed valuation. Expenditures for security, councilmen's salaries, publicity and travel were most frequently questioned at both morning and evening sessions of the budget hearing. The budget calls for a \$2,500 increase in salary for the Town Councilmen.

Oscar Summers of Oyster Bay, a frequent visitor to the Town meetings, said that there should be an across the board cut in

salaries. He was reminded by a member of the Town Board that many salaries are mandated by the Civil Service Association. Leo Prager of Syosset, Democratic candidate for the Town Board, spoke at length, saying among other things that the budget should be written so that the average person could understand it.

At both morning and evening sessions, Councilman Yevoli made the comment that the budget could be cut by \$1 million without any visible bad effects.

The Massapequa Park residents, led by mayor Wayne Sonderland, felt that the proposed budget put undue tax hardships on the Town's incorporated areas, and questioned whether State aid which would come to the Town would be allotted equitably to benefit those in incorporated as well as unincorporated areas.

Mrs. Joyce Rosenblum, of Syosset, President of the Town of Oyster Bay League of Women Voters was present to hear the league budget chairman compliment the board on effecting several changes in method requested by the League at a June meeting with Supervisor Burke. The explanatory message from the Supervisor included at the request of the League, and the availability of the budget to all residents of the Town through the Public libraries were highlighted among modifications. It's availability as of Thursday, October 22, however, was deemed too late for residents to get a thorough look at it.

Others speaking from Syosset, Plainview and environs were: Mrs. Rose Kester, of East Norwich, who questioned councilmen's salaries; Emmanuel Zimmer, of 8 Dorna Drive, Syosset, who brought in some questions about the Town Attorney's office; Leonard Kaplan, of 94 Belmont Circle, Syosset, who questioned security and publicity expense. Seven letters and one telephone call, all from Massapequa Park, were recorded in opposition to the proposed budget.

Mrs. Shirley Lang, of Woodbury, said she would like to see a five-year proposed budget. Mrs. Carol Fishman, of Plainview, wanted to know why the budget wasn't available earlier to afford more study by residents.

Woodbury Buffer Strip
Another matter on the same agenda was the consideration of the sale of property located at Joyce Lane, Woodbury, to the abutting 20 property owners. The property, 50 feet deep and amounting to about 1/4 acre per resident, ranges in price from \$175 to \$250. Councilman Ralph Diamond, of Jericho, after evaluation by property appraisers, said that property appraisers had evaluated each parcel. The property is the 50-foot buffer strip along the boundary of the Crossways Industrial Park.

Mrs. Gerald Luff, of 20 Joyce Lane, said the agenda item was the culmination of four to five years effort on the part of her

Local Citizens Hear Local Citizens

Those attending the Hicksville Community Council meeting will have the opportunity of hearing some very distinguished local citizens this Thursday evening, Nov. 5th starting at 8:15 at the Hicksville Library.

Hicksville Postmaster, Ralph Cascardo will speak about the latest mailing regulations, particularly as they affect the coming Christmas mails.

Fire Commissioner August Jed, chairman of the Board of the Hicksville Fire District, Fire Commissioner John MacDonaid, assistant chairman of the Board of the HFD and Fire Commissioner Glenn Muench plan to be present. They will explain the necessity of additional truck and office space and show slides of plans for these projects. They will also answer questions.

Although the Hicksville Community Council is supported in its activities by its members' dues, which are \$2.00 a year, any interested resident is welcome to come to the meeting. The minutes of each meeting are sent to each member and organization, to be read to all those present at their own organization's meeting. Hopefully, in this way, more of us will understand the workings and problems of our community, and the agencies that serve it, said Mrs. Sheila Noeth, the Council's president. A Board of Directors meeting is scheduled for 7:15 p.m. at the Library, she concluded.

Named Vice President

Patrick E. McGee of Hicksville, has been named group vice president, planning and employee relations, of The Sperry and Hutchinson Company.

While Mr. McGee had been vice president in this area of corporate management, he takes on added responsibilities as a result of a just announced realignment of S&H management structure

into four groups. He will report directly to the firm's new president, Frederick A. Collins, Jr.

Mr. McGee joined S&H in 1961 as director of personnel. He and his wife, the former Patricia Ann Curry of New York City, reside at 63 Raymond Street, Hicksville. They are the parents of nine children.

Students Receive Awards For Fire Prevention Posters

On November 1st, Master Richard Sommers of Grade 4-3 and Miss Cynthia Van Nostrand of Grade 7-1 will receive awards for their Fire Prevention Posters. This contest is sponsored by the Hicksville Fire Department. They and their families are invited to a ceremony at the Hicksville Fire House.

On November 14th at 5:00 P.M., Miss Carol A. Frisino, 5th Grade teacher, will receive the sacrament of Matrimony at Our Lady Queen of Martyrs Roman

Catholic Church in Centerport, New York.

The Primary Grades and the Fourth Grades will see the Nicolo Marionettes in their Exotic production of the Emperors Nightingale. This play will be presented on November 18th.

The school project for the year is the upgrading of the Science Department. We anticipate the purchase of visual aids and other materials. Any field trips will be Science oriented.

Boutique Fair

The Sisterhood of the Hicksville Jewish Center, Jerusalem Avenue and Maglie Drive, Hicksville, will present a Boutique Fair on November 15 from 10 a.m. to 4 p.m. at the Center.

Cake Sale

The Mother's Auxiliary will hold their annual Cake Sale, Sunday, November 1st, after all the masses, in the basement of the old school.

GOP Legislators Oppose Bridge

The 13-man Nassau County Republican State legislative delegation reaffirmed its opposition to a proposal to build a bridge between Oyster Bay and Rye, New York.

The powerful delegation announced its "continued opposition" to the proposed bridge after a meeting at the Garden City Hotel, according to Assemblyman Joseph M. Margiotta, spokesman for the five senators and eight assemblymen.

Margiotta said that residents of the North Shore area which would be affected by the building of this span have asked the Republican legislators to make known their position on the bridge.

Margiotta said that the Republican delegation is "totally opposed to the proposal and is pledged to returning to Albany in the next session and introduce

legislation to halt the State Department of Transportation and the Metropolitan Transportation Authority from proceeding with the plan."

Margiotta said Governor Rockefeller has already directed the State Transportation Department to conduct an all-inclusive study to determine "once and for all the location of the bridge."

He said he was hopeful that the results of the study would demonstrate the priority of moving the span eastward where it properly belongs.

"This delegation, however, is prepared to return to Albany next year and introduce legislation to force the state to move the location of the bridge to Suffolk," he said.

First Voters Ball

All young people in the county who will cast their first vote in this year's election are invited to attend the Annual First Voters Ball sponsored by the Nassau County Republican Committee, Nassau Republican Chairman Joseph M. Margiotta announced today.

The ball will be held on Sunday, November 1 from 4 to 9 P. M. in the Georgian Room of the Garden City Hotel. There will be music for dancing and refreshments. In addition, all the Republican Party's candidates will stop in to meet the first voters.

Announce Marriage

Mrs. Elsie B. Lamb has announced the marriage of her daughter Linda to Mr. John J. Pinner on Sunday, October 4th in Hicksville.

Remember?

We're not sure if it dates us to remember some of Aesop's famous fables we all studied in our high school days and frankly we don't mind if it does...

Remember the overconfident hare who decided to take a short nap before the race was over just because he was so far ahead?

Remember the plodding tortoise who kept going, even though it looked as if he was a loser?

Remember who won the race?

Remember, too, that every election is decided by one thing only...not good intentions...but votes.

We urge you not to become either overconfident or discouraged (whichever it may be in your case) when you read the results of various polls throughout the State.

Remember, your vote IS important, as many overconfident citizens have discovered in the past, when they have awakened on the day after election to discover that their candidates, although predicted as winners, have lost the race because they and many of their fellow citizens neglected to vote.

CAST YOUR VOTE. Never give up this important right, for it is not only a right but a responsibility of each one of us.

We know that there is much more that we may do to help our Country, but on election day this comes first...

Cast Your Vote

John D. Caemmerer

Because he has worked hard and diligently for all his constituency, Senator John D. Caemmerer is our choice in the 5th Senatorial District. As Chairman of the Senate Sub-Committee on Right of Privacy he has been in the forefront of shielding the ordinary citizen from unwanted snooping. In fact, because there are so few statutory safeguards on either a state or federal level, he is now drafting a Privacy Bill of Rights for introduction during the 1971 Legislative Session. In his other role as Chairman of Motor Vehicles he has been crashing down hard on the drunken driver and unsafe motoring. A staunch advocate of the Home Rule concept and help for both Senior Citizen and youth, Caemmerer gets our vote for November 3.

Ralph Marino

Ralph Marino has done a most effective job as New York State Senator. He has brought his expertise, which is so well known to all in the Town of Oyster Bay, to this important position and has served us well. We feel that he merits re-election. We recommend that you cast your vote for Senator Marino.

Martin Ginsberg

Martin Ginsberg, our present assemblyman in the 8th district, is running to succeed himself. We cannot recommend him too highly. Mr. Ginsberg is known to many, both here and in Albany as a proven legislator who does his "homework", both here and in Albany, as the record proves. He is a ranking majority member of the Labor and Industry Committee, and he also serves on the Committee on Governmental Employees, the Committee on Health, he is chairman of the Assembly Sub-Committee on Civil Service, is on the Joint Legislative Committee on Labor and Industrial Affairs, is on the Joint Legislative Committee on Physical and Mental Handicap, is chairman of the Joint Legislative Sub-Committee on Workman's Compensation and Disability Benefits and is chairman of Legislative Sub-Committee on Drug Abuse. We believe and Mr. Ginsberg is doing an outstanding job and deserves your support at the polls next Tuesday.

LETTERS TO THE EDITOR

Dear Editor:

I urge all of the people of the Town of Oyster Bay to join the National Committee for Responsible Patriotism of which a drive is being organized nation wide.

The drive will call for gratitude to show support for all law enforcement officers and fire fighters the first line of defense against terrorists, fanatic radicals, and psychopaths.

Those wishing to participate may contact or call 212 684-6311 Hotel Commodore, New York.

I am sure this will include by far the vast majority of Americans.

Alfred M. Kunze

Dear Sir:

James Buckley, by virtue of his intelligence, character and principles, deserves to be elected United States Senator.

The present candidate of the Republican Party for United States Senator has never on any significant issue, supported the national leader of the Republican Party, President Nixon. He has therefore forfeited any right to the support of enrolled Republicans.

On the other hand, James Buckley is an enrolled Republican and has demonstrated beyond doubt his understanding of the critical issues facing the nation, and has made it abundantly clear that he supports the leadership of the President.

During the years I was Chairman of the Oyster Bay Republican Committee, the idea was engendered that I was a liberal. This was possibly because it was my obligation as a party official to support the

candidates of the Republican Party, some of whom were of liberal persuasion, and possibly because I was continuously attacked by the leaders of the so-called Conservative Party, sued by the John Birch Society for one million dollars, and eventually defeated for Precinct Committeeman by a man who had been a Conservative Party candidate on several occasions. I am now and always have been a moderate conservative, which is and always has been the true stance of the Republican Party.

Any person who considers himself a Republican has no other alternative but to support James Buckley for United States Senator.

Very truly yours,
C. Bruce Pearsall

To The Editor:

Regarding the vacant buildings on Newbridge Road between Nicholas and Marie Streets, mentioned in the appeal from the Hicksville Fire Department in the Mid-Island Herald of October 22nd.

The Hicksville Regional Beautification Committee has been aware of this unsightly hazard for some time. The condition of the buildings, the letter, especially abandoned cars, and the general appearance of the area has been one of our primary concerns. We have had correspondence with the Town of Oyster Bay on this matter and I take this opportunity to urge that action be taken against owners of littered lots, abandoned buildings, etc. who have permitted them to deteriorate or be used as a public dump. We have sent a sizeable list of these lots to

the Town of Oyster Bay some time ago.

The Beautification Committee needs volunteers to serve on the Committee, especially those people who have professional landscaping or gardening skills. If you would like to serve, please call me at PE 1-1027.

Sincerely,

Kenneth S. Barnes, Chairman
Hicksville regional
Beautification committee

Dear Sirs:

There is little time left for those who want to do something about a repeal, or at least a check on the horrible excesses, of the New York State law legalizing abortions. If citizens who are appalled by the 18,000 abortions performed in New York since July 1st want to stop these hideous operations, they must register their opposition at the polls. Regardless of how otherwise satisfactory or commendable a candidate's record has been, if he failed the great moral test of the decade and voted for this most heinous abortion law, he must be replaced in office. Mussolini, Hitler and Stalin all enacted beneficial, material laws but these accomplishments cannot excuse the inhumanity of their policies of genocide.

Let them ponder the enormity of their blunder as we vote them out of office and show we want this abortion law repealed or greatly amended. Cross party lines in voting if necessary.

Sincerely,

Richard E. Evers

Conversation With Irwin Goldman

The score was tied 4-4 as Casey came to bat—No, Goldman Bros. doesn't date back quite that far, but if Casey lived in Hicksville, his Little League uniform would have had the invisible words: "Bought at Goldman Bros."

In 1938, at the age of 12, Irwin Goldman, his brother Howard and their parents emigrated from the Bronx to Hicksville. There they purchased a small going business at 107 Broadway. Irwin, at that time, was in the eighth grade at Hicksville Junior High School and his brother was in the sixth grade at Nicholas Street School. During his high school years, while his father was ill, he helped out in the store. In 1948, when his father passed away, Irwin was teaching mathematics at Columbia University. Not feeling motivated by the teaching profession, and although he was promised a full-time job teaching at \$2800.00 a year, he decided to take a fling at being a businessman. In 1950, they moved the store to 192 Broadway. It was enlarged in 1951, 1956, and again in 1960, until it was three times its original size. Today they occupy two floors of a modern office building at 183 Broadway.

During their early years in Hicksville, the family lived in an apartment above the store. Although the senior Mrs. Goldman was always "around" it wasn't until after the responsibility of raising her children was over and her husband had passed away that she started

IRWIN GOLDMAN

"helping out" in the store to "keep busy". Both boys have remained true to the town that gave them their education and livelihood by remaining in Hicksville. Loyal Long Islanders, they both married girls who were born and grew up in Bayside: Irwin to Esta and Howard to Libbijane.

Despite the influx of shopping centers and large department stores who have contributed to the demise of "independent retailing", the Goldman brothers have struggled to keep it alive. Obviously they have succeeded. They now employ eleven to twelve full-time help and comparable part-time help. Part of their "secret of success" has been both the accessibility and visibility of Irwin and Howard to

their customers. They have maintained their interest in the community by sponsoring Little League teams, contributing to local charities and being active for over twenty-five years in the Chamber of Commerce and local businessmen's groups.

Although they carry the usual merchandise, the primarily do specialize. To quote Irwin, "We are not a swinging establishment, not dowdy either, but kind of squarish, in fact." From the one-piece union suit that your grandfather was worn for 40 or 50 years to a perma-pressed gym suit, if Goldman Bros. doesn't have it, nobody does.

As to the future of downtown Hicksville, Irwin does not feel qualified to make recommendations. However, he does see perhaps "some kind of multiple dwellings, hi-rise, low-rise". He does realize there is quite a problem confronting the various planning commissions.

On the subject of education, he feels his children are receiving a most adequate one. "Education is one of the largest enterprises in Hicksville. I have long thought that local businessmen should be interested in the school system because it is a business enterprise, essentially."

To the future of Goldman Bros., Irwin does not see a chain, rather keeping it the local independent enterprise his father started in 1938.

Warren Doolittle

Warren Doolittle of Hicksville, who was appointed to take the place of the late Carl Gruenwald last year, has done an excellent job of filling the important position of Town Councilman. While we realize that his concerns are those of the entire Town of Oyster Bay, he always has the interests of Hicksville and its surrounding areas at heart and has proven so during the past few months. We heartily endorse his re-election.

James Grover

Mary of you are familiar with the excellent job done by U.S. Congressman James Grover in the past, as his district always covered the Plainview area. Little foreign cars are great for little foreign countries...

where they drive little short distances.

And don't have as many non-stop roads... like the New England Thruway or the Northern State Parkway.

Or high-speed highways where the gas stations are as far apart as the towns.

American driving is as tough on drivers as it is on cars.

Which brings us to Pinto. Ford's new little-economy car that was designed for the heavy American foot and the never-ending American road.

Its solid cast-iron engine, up front for

greater stability, puts out 75 hp. So you can cruise at 60 without wiping out the radio. Or your nerves.

Pinto is built lower and wider than any little economy import and has a rack-and-pinion steering. So you don't get pushed around by the wind.

And, as small as Pinto is, it has parts you'd expect to find in bigger, stronger cars. For a quieter ride. And a longer, happier life over the long run. And the short run.

Its heavy-duty driveshaft, axle, shock absorbers, ball joints, and wheel bearings

can take more punishment.

Its engine has five main bearings (not three or four like on some), so there's less strain and less noise.

And recognizing that Americans usually take less care of their cars, Pinto also helps take care of itself.

It adjusts its own brakes, goes 36,000 miles between lube jobs. Needs oil but twice (not 4 times) a year. And has a paint job that never needs waxing.

So if you're looking for a little car, remember: Little foreign cars are great. If you live in Offenbach and work in Frankfurt.

HERALD REPORT SCHOOL DISTRICT 17 HICKSVILLE

By Shirley Smith

A large portion of Tuesday's School Board meeting was devoted to correspondence. Several letters were comments on the Health Education presentation at the September 29 meeting.

The matter of giving tests, scheduling trips and meetings on religious holidays was brought to the Board's attention by a number of letters. District policy states that no tests nor homework will be given on these days. The Board directed Administration to try and find a feasible method of noting such holidays on the school calendar, so that teachers and individuals involved in scheduling meetings, etc. will be aware of what days should be left open.

The Hicksville Classroom Teachers Association asked for a clarification of the contract on the matter of seniority standing of teachers — whether it should be determined by length of time in a particular school or in the district.

Several of the Hicksville PTA units wrote to the Board, expressing their disappointment in the Board's failure to fill an Assistant Principal's vacancy. Board President, Harry Kershen, said he would respond to the units, individually.

The contents of Old Country Road PTA's letter, regarding an incident at their school with one of the School Board members, were not made public. After a lengthy executive session the Board voted 4-3 (Yes: Muratore, Clark, Zindulka, Kershen; No: McCormack, McManus, O'Donnell) to instruct the attorney to acknowledge acceptance of the letter and categorically deny its

allegations. Following the vote, Mr. McCormack moved that the letter be stricken from the agenda. The motion, seconded by Mr. O'Donnell, was defeated (No: Muratore, Clark, McManus, Zindulka, Kershen; Yes: McCormack, O'Donnell).

The School Board voted unanimously to apply to the Town of Oyster Bay for \$15,000 for recreation. It was with these funds that our district was able to have a recreation program this past summer.

The Board of Education directed the School Board attorney, Harry Goebel, to secure a general release — without qualifications — of all records held by former Board attorney, Joseph Catalano. The fees owed to Mr. Catalano will be paid upon release of these records. Voting yes on this action: Muratore, Clark, Zindulka, Kershen — No: McCormack, McManus, O'Donnell.

William O'Donnell moved to raise the Adult Education Director's annual salary to \$3635, the secretary's salary to \$1129. The motion, seconded by Mr. Zindulka, carried (Mr. Kershen voted no, Mr. Muratore abstained, all others voted yes.)

The district will underwrite, at a cost of \$800, the expenses of Hicksville students attending a music educators' conference in Atlantic City in February. The students plan to hold a fund-raising benefit and monies collected here will go to reduce the \$800 which the Board voted to spend.

The Non-Instructional Administrative & Supervisory Staff Association contract and the Cafeteria contract (interim agreement) were unanimously

approved by the Board of Education.

The Board also voted to approve the Community Relations Advisory Committee's proposed

questionnaire. Mr. Muratore's was the only dissenting vote. The questionnaire, after some minor changes, will be sent to Hicksville residents during the latter part of November.

It was suggested that one Board meeting a month be held in various district schools, to stimulate an increase in attendance. After some discussion, the Board decided to continue holding all meetings in the Administration Building, Division Ave. This is more centrally located for all district residents. Also, changing meeting places

may cause confusion and therefore lower attendance. Board meetings are held the second and last Tuesdays of each month at 8 P.M.

November 16, School Board members will meet with representatives of the Hicksville High School Student Council. The purpose of the meeting will be to exchange ideas and give both groups a chance to share their viewpoints on education. The meeting was requested by the students and Mr. Kershen brought it before the Board.

Ramblin' Rose

By Rosemary Walsh

Although the scoreboard showed a sad defeat—the Homecoming Ceremonies were joyous for two young people, Miss Charlene Keachner who was named Homecoming Queen and Kirk Jurgelevich who received the most valuable player award. As always the donuts and cider were devoured with gusto (would you believe some 700). Oh my middle aged indigestion, really doesn't take that.

I tried to get over to Hofstra Saturday evening to see Brian McAuley play against Nassau Community, but I wasn't feeling too well, however, once again the scoreboard showed disappointment, I understand that our ex-Hicksville High quarterback was superb.

Getting back to the Homecoming again—sat with a couple of our old "grads" ex Administration Building dwellers, now comfortably retired and looking wonderful, I am speaking of you Leon Galloway and Lou Millevolte.

If any of you young twirlers missed Saturday's registration you may call the Recreation Office at extension 200. You can be registered over the phone and will receive details later by mail.

I was happy to hear that Mike Masciello was out of the cast and at least on the sidelines for Saturday's game up at Michie Stadium. A large contingent of local-Grumman employees were there to root for old No. 85, but as long as he is up and about again that's what counts. We are looking forward to his appearance in future games—especially the Army and Navy

classic. Remember how he caught that end zone pass to break Navy open last year.

I had a pleasant experience the other day, I ran into (literally, not figuratively) Dr. Charles Bernsworth from State University at Oneonta. He is head of the Music Department and was here to audition students. You may recall that he was the one who invited and then hosted our Recorder Consort last year. He is still extremely impressed with our group and hopes to have us back.

Well I must really ramble off now
See Ya—

The Long Island Stake, of the Church of Jesus Christ of Latter-day Saints located on Washington Avenue in Plainview, will be dedicated November 1, at 3:00 P.M., by President Harold B. Lee of the First Presidency of the Church.

The building, now being used as a chapel, was originally part of the church pavilion during the

World's Fair. In 1966, the huge concrete panels were transported from the fair site to 160 Washington Avenue in Plainview. The church members themselves contributed approximately 5,000 voluntary manhours toward the completion of this million dollar building. But, before an L.D.S. chapel may be dedicated it must

Library To Show "Over-There"

Cinema 70-71 of the Hicksville Public Library presents "Over There", the second film showing of the year on Wednesday, November 4th at 8 p.m. in the Library auditorium.

This documentary — is of the years between 1914-1917 using footage gleaned from newsreel, propaganda movies, amateur and official army films taken at the front, giving a detailed picture of the "war to end all wars."

There are scenes of the great battles, trench warfare, and the Russian, French, Belgium aspects of the war. This film is of special interest to history students and all history buffs.

The Library is bringing to the community a third of the Twentieth Century on film for the

Fall Film Series. The first offering was the period of 1900-1914, and the last will be the 1920-1929 period, titled "The Jazz Age." The films are the first Wednesday of the month for the months of October, November and December. The Spring series will be held in March, April and May. Come to the Library for films that are not shown anywhere else, and bring your friends.

WISDOM FOR TODAY

ISAIAH Chap. 2
Verses 16-19

"Wash you, make you
clean; put away the evil of
your doings from before mine
eyes; cease to do evil;
Learn to do well; seek judg-
ment, relieve the oppressed,
help the fatherless, plead for

the widow.
Come now, and let us reason
together, saith the Lord:
though your sins be as scarlet,
'they shall be as white as snow';
though they be red like crim-
son, they shall be as wool.
If ye be willing and obedi-
ent, ye shall eat the good of the
land."

Attends Seminar

Bob Chernick of 29 Hollywood Dr., in PLAINVIEW, attended a recent natural history seminar at the Trainside Country School in Killington, Vermont.

Parkway Country Fair

On Sat., Nov. 7, from 11 a. m. until 7 p.m. the Parkway Country Fair will be held at the Parkway Community Church on Stewart Ave., between Carman Ave. and Levittown Pkwy in Hicksville.

This Fair, which is sponsored by the Women's Guild of the Parkway Community Church will feature many interesting booths which will help you to do your Christmas shopping early, according to a spokesman for the organization. There will be aprons, plants, cakes, books, candles, toys, games, handmade articles, as well as Christmas ornaments, gifts and wreaths, white elephants and an "Outgrown Shop", she said.

Also featured will be an all-day county cafeteria. All are welcome.

P.T.A. Cake Sale

The Plainview-Old Bethpage High School and the John F. Kennedy High School P.T.A.'s are running a joint Cake Sale at the American Legion Hall on Southern Parkway in Plainview starting at 9:00 a.m. on Tuesday, November 3rd, Election Day. All proceeds will go to the P.T.A.'s to enable them to support various programs. Readers are urged to come and buy their cakes so the P.T.A.'s can continue to meet the needs of the secondary school community.

Mrs. A. Goldell, President of the Plainview-Old Bethpage High School P.T.A. has announced that tentative plans call for the next meeting of this P.T.A. to be held on November 17th and will involve some aspect of student government and student activities on the secondary level.

Edward Villella Wows Plainview

On Saturday night, October 14th, the Plainview-Old Bethpage Library's Third Annual Performing Arts Series presented the Edward Villella Dance Ensemble at the Plainview-Old Bethpage High School.

The program was a complete sell-out for weeks and after Saturday night's performance, residents of Plainview realized how fortunate they were to have this brilliant performer in their midst. The highly acclaimed Edward Villella is undoubtedly America's greatest ballet dancer and at the top of his form and he and his outstanding company were given a standing ovation by the audience for their grace and artistry. The company included Susan Hendl, Johanna Kirkland, Polly Shelton, James Bogan and Nolan Ti Sani.

Viewers were delighted to hear Mr. Villella himself announce minor changes in the program preceding Curtain Time. The Dance Company performed a program of classical and contemporary selections which were choreographed by both George Balanchine and Edward Villella. Since this program was sold out in advance and many people who had hoped to purchase tickets were disappointed, it would be wise if Plainview residents obtained their tickets for the next two events, Gilbert and Sullivan and Leon Bibb well in advance.

A L Aux. Next Meeting

The American Legion Auxiliary of the Charles Wagner Post No. 421 will have its next meeting on November 6 at 8:15 P.M. The meeting will be held at the Legion Hall at 24 East Nicholas Street, Hicksville. The county will visit us during this meeting.

Shown in photo on left, left to right is, Joseph Carlson, Irwin Enteen, and Grace Bass of the Plainview Old-Bethpage Library Board of Trustees, Edward Villella and Susan Hendl and photo on right shows, left to right, Polly Shelton, Edward Villella and Johanna Kirkland.

TOB Sets Trip Programs For 5th and 6th Graders

A series of educational bus trips has been scheduled by the Town's Department of Recreation and Community Activities for children in the 5th and 6th grades.

The purpose of the program is to provide interesting, educational and entertaining trips under direct supervision of Mr. Leroy Franck, a social studies teacher in the Syosset School District.

The cost of each trip is \$7.00 per child and includes all fees, admissions and adult supervision. Since facilities were limited, each trip is run twice in order to accommodate children from all areas of the Town.

The 1970 Saturday-trip programs:

NOVEMBER 7 -
A visit to the home and library of the late President of the United States, Franklin D. Roosevelt, and the Vanderbilt Mansion at Hyde Park.

NOVEMBER 14

NOVEMBER 21 -

This trip highlights the Sleepy Hollow Restorations - an excellent example of Dutch Colonial life in New York. Sunnyside, the home of the famous American author, Washington Irving, is also included in the tour.

DECEMBER 5 -
DECEMBER 12 -

The itinerary for this trip includes a visit to the United States Naval Base at New London, Connecticut and the United States Coast Guard Academy.

Applications are available by writing to the Department of Recreation and Community Activities, 7800 Jericho Tpke., Woodbury. All trips will leave the Syosset-Woodbury Community Park at 7:30 AM and return to the departure point at approximately 8 PM. The youngsters should be at the park no later than 7:15 AM, it was advised.

Veterans Day Services Hosted By County

The County of Nassau will again host the Veterans Day Services presented by the United Veterans Organization of Nassau at Dwight D. Eisenhower Memorial Park on Sunday, November 8.

Letters have been sent by County Executive Nickerson and Chairman Angelo L. Nicosia of

the U. V. O. to all veterans groups inviting them, their auxiliaries, junior units, Boy Scouts and Girl Scout Units to attend with their colors.

Assembly will be at 10 a.m. at the Veterans Memorial in the park.

In case of rain the service will be conducted in the Salisbury Club.

Neighborhood Security Program

Nassau Police Commissioner Francis B. Looney announced that 75,628 Nassau families, representing 25 per cent of the Nassau Police jurisdiction, have now enrolled in the Department's Neighborhood Security Program.

"The interest and response demonstrated by Nassau residents in this program has been most encouraging," Looney said. "We have cleared 171 burglaries, recovered seven stolen autos, caught three rapists, and made arrests for vandalism and trespass. In each instance the police were alerted by telephone calls from Neighborhood Security members."

Nassau Police have been canvassing entire communities for over a year. Uniformed officers are visiting every resident in their jurisdiction, explaining the program, and asking residents to enroll. The officers ask that participants report any suspicious activity by telephoning the appropriate

police precinct. They explain what type of activity should be reported and the best method of reporting.

The officers are also available to answer any questions or complaints and refer the resident to the proper agencies. If the resident agrees to enroll, and over 99 per cent do, they are asked to display a Neighborhood Security emblem and become additional "eyes and ears" for their police.

"Major crimes," Looney said, "actually decreased in Nassau County in the first six months of 1970, while rising throughout the nation; we attribute much of the reduction to intensified community involvement."

He concluded, "We don't ask the citizen to take direct enforcement action; however, we do request the alert resident to immediately report a crime or any suspicious activity and the police will take the necessary enforcement action."

World Community Day

The Church Women United East Nassau Council will hold their World Community Day at the Levittown Community Church at Azalea and Perriwinkle (off Orchid) on November 6 at 8:15 p.m. The project for their com-

munity effort is making 15 pairs of drapes for the newly acquired buildings at Kings Park, for Nassau's Emotionally Disturbed Children and Adults. Mr. John Cuneo will speak to the Council. Refreshments will be served. Everybody is welcome.

Fork Lane PTA Cake Sale

Fork Lane Parent Teacher Association will have its Annual Cake Fair on Election Day, Tuesday November 3 in the school lobby. Be sure when you come in to vote, stop by our tables

with their delicious assortments of cakes, cookies, cupcakes and brownies baked and brought by Fork Lane mothers, and treat yourself and your family to an especially tasteful and appetizing dessert. Don't forget to Vote!

This is why.

I'm running this time for the same basic reasons I ran the first time.

Because I like to do things for people.

Because I want to see state government continue to be creative in this period of change.

Because I like to think of myself as an optimist, an idealist, an activist and a doer.

An activist in that when I see a problem my immediate reaction is to start work on its solution.

An optimist in that I believe the human spirit can overcome despair, that it can transcend the oppressions and inequities of life.

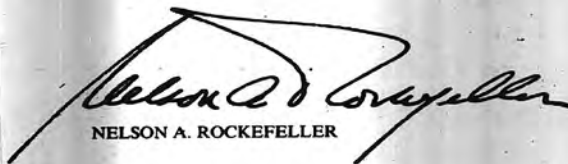

An idealist in that I believe there is an essential goodness in man, a collective conscience in our society, and that we can draw upon them to build a better country for ourselves and our children.

And a doer in that action, and not just talk, is the essence of today's needs.

I recognize that this country has been very good to me and my family. In return, I have always wanted to do something for people.

And so I went into government and then politics. I believed I could best translate my intentions into constructive action in government — where the real action is.

That was my motivation in 1958. It remains my purpose in 1970.

Plainview-Old Bethpage High School SPORTS REPORT

Summary of Plainview Football Team Games:

1. Plainview - 13 - Great Neck South - 0 - Plainview scored its first touchdown on a 15 yard pass from George Keckelsen to Bob Fornaro. Plainview's second score came on a quarterback sneak from Keckelsen and the point after was blocked. (kick) Plainview's first conversion was kicked by Jim Carey.

2. Plainview - 0 - Garden City 14 - Plainview's offensive attack was held to a minimum due to penalties and a tough defense. Garden City's offense scored on a broken play and a long-running play.

3. Plainview - 10 - Bethpage - 24. In the first half of play, the two teams fought to a virtual standstill with Plainview scoring on a safety, and a 47 yard pass to Bob De Simone from George Keckelsen. The point after was another pass to De Simone for 2 points. Both defenses worked extremely well with the halftime

score of 12-10 in favor of Bethpage capitalizing on some costly defensive mistakes by Plainview. The final score was 24-10 with Bethpage the victor.

4. Plainview - 6 Great Neck North 15: Plainview scored on a 17 yard pass from Keckelsen to Nugent. One series of plays Plainview marched down the field with the fine running of Capt. Jack Denker and fine receiving of Bruce Convisar and Bob De Simone. On a pass from Keckelsen to Convisar, Plainview seemed to have scored when Convisar dropped the ball in the end zone. Later, De Simone, after running well after a reception, breezed into the end zone with what appeared to be another Plainview touchdown. However, a holding penalty brought the ball back and, after an interception and runback for a touchdown by North, the final score was Great Neck North 15, Plainview 6.

When Hicksville area voters enter the polling booth on November 3rd they are going to come across a few unfamiliar names. One of those names worth mentioning is Angelo (Al) Mauceri.

Mauceri is one of three candidates proposed by the Republican party for Supreme Court Judge. The other two—incumbent Albert A. Oppido and North Hempstead Town Supervisor Robert C. Meade—are fairly well known. The only reason Oyster Bay and Nassau voters may not be familiar with Mauceri is because he lives in Suffolk County. On the ballot however, Supreme Court Judges are elected by voters of both Nassau and Suffolk.

Mauceri, who lived in Hicksville from 1954 to 1960, now resides in Hauppauge. The public first became aware of his name when he was appointed by former Suffolk District Attorney Bernard C. Smith (now a State Senator) as an Assistant District Attorney. Smith's successor George J. Asplan, then gave

Mauceri the unenviable task of reforming the District Court Bureau, Mauceri did.

From there Mauceri ran for and was elected to the District Court. Recently he was appointed by Governor Rockefeller to the Supreme Court where, at age 41, he is one of the youngest members ever to serve with that body.

Mauceri's career has an amazing parallel with that of late Family Court Judge Michael N. Petito who served the Town of Oyster Bay as its Supervisor for six years. Both were born in Brooklyn, were admitted to the bar in the same year and went to work as insurance adjusters for the Allstate Insurance Companies.

Petito and Mauceri went into public service and both became judges at a young age. Ironically, Mauceri and Petito each had four daughters.

Mauceri said that his relationship with Petito was built on respect developed over a period of years as co-workers, attorneys and friends.

FORMER HICKSVILLE MAN: Former Hicksville resident Angelo (Al) Mauceri, right, chats with State Attorney General Louis J. Lefkowitz following ceremonies swearing Mauceri in as State Supreme Court Judge upon appointment by Governor Rockefeller. Mauceri, a former Assistant District Attorney and District Court Judge is only 41 years of age and one of the youngest judges ever to serve on the State Supreme Court. He is running on the GOP line in a bid for election along with two other Supreme Court candidates, Albert A. Oppido and Robert C. Meade.

'The Wrong Box' At Right Library

The hilarious English comedy "The Wrong Box" will be shown at the Plainview-Old Bethpage Public Library Friday, October 30, at 7:00 P.M. and 9:15 P.M. This wacky mixture of melodrama, Romance and explosive comedy, all done with stylish wit, stars Peter Sellers, John Mills, Ralph Richardson and Michael Caine.

The State Senate Races

Over the years, Nassau has been blessed with strong representation in the State Senate.

This year is no exception.

The Republicans are offering three outstanding legislators, a two-year man who is showing promise, and a replacement with a good background in law.

The outstanding legislators are Sen. Edward J. Speno of East Meadow, John D. Caemmerer of East Williston and John R. Dunne of Garden City. Sen. Ralph J. Marino of East Norwich is seeking a second term and Norman J. Levy of Long Beach is the party's choice to replace Sen. Norman F. Lash of East Rockaway, who is running for Congress.

Mr. Speno has been in the Senate 16 years. Mr. Caemmerer five years and Mr. Dunne four years. There is no more powerful threesome in the Senate.

In mass transportation, aid to education, health, crime and prison reform, safety on the highways, the right of an individual's privacy, the need of medicine, the status of emotionally disturbed children—and financial relief for elderly homeowners—Sens. Speno, Caemmerer and Dunne have been—and are—leaders.

Mr. Speno is one of the ablest—and most productive—legislators in the Senate. He is also one of the most-respected men in state government.

Head of the Joint Legislative Committee on Mass Transportation and the potent Senate Crime Commission, he is also chairman of the Senate Republican committee, the policy-making body of the GOP majority in the Senate.

In his 16 years as a senator, Mr. Speno has sponsored about 250 bills. Every year, he is among the law-making leaders in the Legislature, an indication of both his hard work and the respect his colleagues have for him.

An authority on public safety, he sponsored the bill creating the Safety Car law, and is responsible for the installation of seat belts in automobiles and for the establishment of minimum safety performance standards for auto tires.

We strongly urge Mr. Speno's re-election in the Fourth Senatorial district.

William M. Gouse, Jr. Post No. 3211
By Lou Palladino

Hey! What do you know. Jim Sotille asked for an is getting a tape recorder to take notes of our meetings. Boy, how lazy can you get? Are you telling us in a nice way, we talk too much. Sure is a nice thing to have. This way you get just about everything at a meeting. We're trying to keep up with the times. Please, Jim, don't ask for a mini dressed stenographer with measurements.

Seriously, Harry Wurth is now taking reservations for the Ski party at Jug End in Mass. The party is scheduled for the last week end in Jan. 1971. This includes bus transportation, meals, rooms, and whatever else. Not the drinking. Water is for free. When we get the prices, we'll pass it on to you. Those who went last year had a ball.

We even ordered a new Santa Claus outfit. Claims are made that Bob Williams, our own Kris Kringle has put on a pound or two.

While on long range plans, Frank Litti is taking in reservations for out dinner dance on Feb. 20th 1971. Mustn't forget Mike Zmack is his right arm for this occasion. This is our Charter night, and is usually a gala affair. So if you are interested, get in touch with Frank or Mike.

Once more far off, Lou Klein reported a meeting is scheduled for the Memorial Day Parade Nov. 18th Holy Smokes, that's not until the end of May. Whee! Talk about planning ahead.

We finally got the written okay

from the Bingo Comm. Now we should be getting started pretty soon. I'm getting awfully impatient with all this red tape. Anyway, that order of business is taken care of. Whats next? While on the subject Frank Bleisi is still looking for help on bingo night. So Comrades give a little of your time, and make Frank happy. He's not too hard to please.

We made a resolution, that is to be forwarded to County, and on up the line for better housing program and lower interest rates for the Korean and Vietnam Vets. So much money is proposed to subsidize these apartment programs by the state for these men. They aren't looking so much for space, as much as they are for homes. As Bob Kick, so aptly put it, give them a little of the opportunities that we had.

You won't have much time left for the Costume dance scheduled Halloween night. Don't know if any tickets are available, but Kathleen Kane or Esther Palladino can let you know. This is the time to pull your hair down and have a ball.

Ed Chwalitz says the dues are coming in pretty good. If you haven't already sent in your dues, give Ed a break, so he can relax. We have plenty of other work for him.

Boy, our Cmdr. Frank Aug has his hands full with all these going on. If you get an ulcer Frank, don't worry about it. Just take a glass of milk, and keep going. Easy does it.

Hope to see you at the next meeting.

Singing Boys Hold Auditions

The Singing Boys of Long Island are holding auditions for their preparatory choir, weekday afternoons at the Hicksville Jr. High School. Any boy between the ages of 9-17 interested in singing is qualified to audition. The choir is a non-denominational group that has performed on Long Island, New York City and this past summer in some of the famous cathedrals in England.

The Director of The Singing Boys of Long Island is Mr. Gerald Barker who has studied boy choir techniques extensively both here and abroad. He has also studied in Vienna with Prof. Grossman director of the world renowned Vienna Choir Boys.

Ten Pin Talk

by Henry Dockswell

We, the Sid Sachs' (that's my team), were sandwiched in between 2 guys that bowled some hi-faultin' games.

To our right was Norm Ney who started off the night as though there was no tomorrow. He fired a big 256 to lead the Sid Simons to an 8-3 win over the fading Lou Vladems. In that same game Gil Stein threw a 201 for the Vladems but to no avail. Then, in the last game, Captain Simon tossed a 216 to clinch the series. The Simons remained in 4th place but the Vladems dropped to 9th.

To our left was Lew Marks. For two games the Marks' were chagrined looks as the last place Herb Brodys beat them twice. Captain Herb, who threw a 213 in the first, was so enthusiastically surprised and happy that he actually gave me a dime to call Newsday and give them the big news. Then came the third game and Herb must have thought the roof caved in. Dainty and petite Milt Goldberg woke up and fired a 209. Phil the bearded professor, Roggen rammed a 209 and Captain Lew exploded a 266. That game was good for 5 pts. for the Marks' and they set a new Hi Team Game Scratch mark of 1002.

Buddy Flanders was a busy guy too. He cracked a 245 and a 202 for a 629 series and led his men to an 8-3 victory over the tough 2nd place Sid Holtzmans. "Flanders' Floozies" remained in 3rd place but the Holtzmans moved up into the league lead despite the loss.

The first place Robby Goldsteins ran into shutout trouble when the Sid Sachs' put it all together. The Sachs' came out swinging and they didn't stop. Dick Wolfeld, who has been a delight to Captain Sachs' eyes, hurled a 214 5th Bruckley. A 207 and Sachs put the finishing touch on with an even 200. They hit a new Hi Team Series Hdcp. of 2676, knocked the Goldsteins into 2nd, rose to 5th place themselves and tightened the league so that only 5 points separate the first 5 teams.

Two other teams scored shutouts and brightened their chances in the suddenly tightened up race. The Nat Warrens broke their lethargy as they creamed the unpredictable Leo Geyers. With Ralph Diamond firing a 225 and Captain Warren pitching a 213 they overcame Red Karbel's effort of a 214 and went on to victory land a 5 position jump to 10th. Tenth may not sound like much but they are only 16 points away from the top. The Julie Gershens, with Captain Julie scoring a 209, whitewashed the Murray Sussmans and rose 4 spots to 8th. They are 14½ points out.

Here are the other show-offs of the night: Morris Garelick 215, Elliot Spencer and Horace Bernstein with a 207 apiece, Sid Lang 204 and Milt Hoffman 203.

NO GARBAGE PICK-UP ON ELECTION DAY

Guatemalan Student Hosted By Syosset Hi

Syosset High School is serving as host school to a Guatemalan student spending his "summer vacation" as an exchange student.

Edgar Belletton, the Guatemalan student, is attending classes at Syosset High School through the sponsorship of "The Open Door," a non-profit organization interested in international education. Edgar is living at the home of Mr. and Mrs. George Borden. Their son, Michael, who attends Syosset High School, was an exchange student in Chile last summer.

The ten week "summer vacation" differs in Central and South America, occurring when North American schools resume classes in September.

Social Security

HOW OLD ARE YOU?

Are you one of those who thinks only of age 65 in connection with Social Security? You'll be surprised to know that Social Security can affect you and your family at many other stages of your lives besides 65. Let's take a look at all the important ages in the Social Security program and how each affects rights under Social Security.

AGE 72 Effective with the month that you become 72, you can earn any amount of money and still draw your Social Security benefits.

AGE 65- If you begin drawing your Social Security benefits at age 65 or older, you receive the full amount of the benefit provided for by the Social Security law. If you want to sign up for Medicare, you must enroll in the 3 month period prior to the month you become 65.

AGE 62- This is the earliest age of which workers, self-employed people, wives, widows, dependent husbands and parents can draw a Social Security benefit. If a person elects to draw this benefit at any age between 62 and 65, the benefit is reduced.

AGE 60- This is the earliest that a widow can draw a Social Security benefit because of her

Jericho Youths In L.I. Teen Symphony

In last week's edition of this newspaper, on another page, an article announced the beginning of the Long Island Youth Orchestra's 8th full season. All details of Long Island's teenage symphony appeared in the article except the names of the Jericho members of the orchestra. They are: Joseph Bass, bass; Wendy Foxman, violin; Rita Krausser, cello; Susan Lubow, violin; Ann Roggen, violin; Deborah Schindler, viola; Jill Harmon, cello; Jim Susmor, percussion.

Cancer Care Slates Music Fair Night

The Jericho Chapter of Cancer Care has tickets for Jerry Lewis being presented at Westbury Music Fair on Friday night, November 20th. Also, there are tickets for Harry Belafonte on Friday night, November 27th. The tickets may be obtained by calling Carol Falk at 433-6874.

Jeff Mann Engaged

Mr. and Mrs. Morton H. Mann of 194 Birchwood Park Drive, Jericho, take pleasure in announcing the engagement of their son, Jeffrey, to Nancy Joy Mizrach, daughter of Mr. and Mrs. Marvin Bennett of Massapequa, L.I. After spending two years at Kent State University, Jeff is currently enrolled in the Fine Arts Dept. of New York Institute of Technology. Nancy is a major in Education at C.W. Post College. A wedding date has been set for next fall.

Passes Bar Exam

Mrs. Phyllis Baumann, daughter of Mr. and Mrs. Irving Tropper, 68 Maytime Drive, Jericho, has passed her bar examination and is awaiting admission to the bar in Boston, Massachusetts.

Phyllis is a graduate of Jericho High School and Brandeis University.

husband's work; however, this benefit is reduced because it has been taken prior to age 62.

AGE 50-Benefits are payable to disabled widows, disabled dependent, widowers, and to disabled surviving divorced wives of workers who met the work requirement at the time of their death.

AGE 31 to 65- If you become disabled between these ages, you must be fully insured under Social Security and must have credit for 5 years of work in the 10 years before you become disabled.

AGE 24 to 31- If you become disabled between 24 and 31, you need social security credits for half the time after you are 21 and before you become disabled.

AGE 22- This is the age when student benefits end. They are paid to children of retired or deceased workers between 18 and 22 who are unmarried and attend school regularly.

AGE 18 This is the age at which benefits are terminated for children of retired or deceased workers. If any of these situations apply to you or if you want further information, contact your Social Security Office at 1505 Kellum Place, Mineola, N.Y. 11:01 PJ- 7-5470.

Letters Sent By BCA To Jericho Ed. Board

October 21, 1970

Board of Education
 Jericho Public Schools
 Cedar Swamp Road
 Jericho, New York

Gentlemen:

At our Birchwood Civic Association Board Meeting held on October 20, 1970, several questions were raised regarding the stabbing incident of September 25th, as reported in "Newsday".

We would appreciate a letter from you answering the following questions:

- (1) What are the actual facts of the incident?
- (2) How was this handled by administration?
- (3) How soon after the incident was the child who committed the stabbing returned to school?
- (4) On what basis was the action taken to return the child to school?

We would appreciate your response to this as soon as possible.

Thank you for your cooperation.

Yours truly,

Don Becker
 President

Board of Education

 Jericho, New York
 Gentlemen:

At the meeting of the Birchwood Civic Association Board of Directors on October 20, 1970, the question of security at the Jericho Jr./Sr. High School was raised.

We would like to know what your policy and implementation is regarding access to the doors of the school during school hours, as several members have stated that there seemed to be easy access to the school.

Yours truly,

Don Becker

Jericho's only Boy Scout Troop, 129 meets every Wednesday night from 7:30 to 9:30 P.M. at the George A. Jackson Elementary School. All boys from age 11 are welcome to join.

Student Council Aims Aired BCA Meeting

Steven Spencer, president of the Jericho High School student council, attended the last meeting of the Board of Directors of the Birchwood Civic Association to discuss the students' feelings on the proposed youth council of the Town of Oyster Bay.

Steven indicated that a high school group had already been organized in Jericho and that they preferred to determine for themselves the particular programs to be pursued.

Steven also stated that the formation of a "Jericho" youth council was more in line with the

students' thinking. He proposed that the council consist of one adult member from each civic or similar organization within Jericho plus a matching number of students. He especially requested that the student members of the proposed youth council be elected directly by the student body instead of being chosen by the adult organizations.

The BCA Board voted unanimously to support the idea of the Jericho youth council and the students' request for a Jericho-wide school election to choose the student members.

LIBRARY NOTES

School has started and we realize that all young people are working hard on classroom assignments. However, we should like to suggest that you take a little time out for relaxation that will be instructive and rewarding. If you have children from 5½ to 8 years of age, do have them come and join us for story hour on Tuesday afternoons at 4 o'clock. Children in the pre-school story hour (ages 3½ to 5) on Wednesday mornings at 10:30 are having a ball with the elves, fairies, talking animals, fantasies and occasional filmstrips.

"This Is The Age Of The Book" is this year's "National Children's Book Week" theme. Never before has there been a greater reading populace. Never before has there been a concerted effort to encourage reading among the young, and to give them the best. Librarians, teachers, authors, publishers, parents, schools, artists and booksellers are all involved in making the whole world aware of their interest for better reading for the young.

Flyers describing the activities to take place during National Children's Book Week, November 15-21, will be sent to all local schools for distribution. Do not miss our Fish Bowl Contest starting November 16. Come in and take a guess. Who knows, you may be a lucky winner.

Free tickets to the Puppet Show

on Thursday, November 19, will be ready November 9 in the Children's Room. Due to limited seating capacity, it's first come first served policy. Mr. Schmidt, a professional puppeteer, promises a good time for all.

Friday, November 20 at 4:00 p.m. will be a Sing-Along with Tom McLaughlin and his guitar. Free tickets to this will also be available starting November 9 in the Children's Room. The winners of the Fish Bowl Contest will be announced at the end of the Sing-Along.

A special exhibit on "Art for Children" will be held too during the week. Something to grow about are our books on this subject for the artistically inclined.

A special movie for all children, Saturday, November 21, at 3:00 p.m. will cap the week's activities.

Starting on November 14, films for boys and girls will be shown at 3 o'clock every second and fourth Saturday in our auditorium. Our first offering will be Harold and the Purple Crayon and Three Pirates Bold. For future listings, please pick up our film festival brochure on your next visit to the library.

In keeping with the spirit of the month, witches, black cats and pumpkins have taken over our Children's Room. Drop in and enjoy our decorative contribution that captures the essence of the traditional Halloween-Thanksgiving holiday season.

Lively Town Board Meeting

family and her neighbors, who lacked privacy in their back yards due to the proximity of the Industrial Park.

There was no opposition to the sale of the property expressed at the Town meeting.

Also in Syosset

Four resolutions approving matters in the Syosset area were passed at the meeting. Green Hill Country Day School was given the green light to construct a crafts house on the grounds of the school in Woodbury. The application requesting modification of the school's special permit was heard on July 28, 1970.

Holzapple Enterprises, Ltd., Jackson Avenue, Syosset, was granted its petition for a change of zone from Residence D, to Business F in order to modify its plumbing and electric business. The property had been used commercially for previous businesses, including a florist, although it was in a residence D zone. The Holzapple hearing was held September 15.

The Town Board voted to approve the request of the Diocese of Rockville Centre for the erection of an Education Television Tower at the

southwest corner of South Woods and Convent Rd, in Syosset, and also voted to allow the Kiwanis Club to use part of the north parking field of the railroad station. Town property, in connection with its annual "Ragamuffin" event on Halloween, October 31, from 6 P. M. to 9 P. M.

Set for Nov. 10

The hearing of an application by John Rynsky and Dorothy Rynsky for a special permit use for a parcel on the north side of Walters Avenue west of Jackson Avenue to store building and construction on materials will be held on November 10th. Fronting 35.20 feet on Walters Avenue, the property travels 227 feet deep, adjacent to the applicants' personal residence. The special permit is requested for a limited period of two years by the Tynskys, who are in the business of drainage digging and similar excavations, requiring the use of trench diggers and grading equipment.

Public hearings start at 10 A. M. on Tuesday, November 10th at Town Hall, Audrey Avenue, Oyster Bay.

Holiday Decorations

TO ALL FIRE CHIEFS AND CHIEF ASSISTANT FIRE INSPECTORS: The festive holiday season is fast approaching; namely, Halloween, Thanksgiving, and Christmas. During this season, there is a tendency for stores, restaurants, places of public assembly and schools to use evergreens, corn stalks, leaves, and other similar highly-flammable decorations. This practice is a violation of the NASSAU COUNTY FIRE PREVENTION ORDINANCE (Section 14.6). Only non-combustible decorations are to be used.

Fire prevention codes are written and made into laws as the result of disastrous experiences. As a result of the Coconut Grove fire in Boston, Massachusetts, and other similar fires, the use of flammable decorations has been excluded. It is our goal to prevent destructive fires in Nassau County, and this can be achieved by strict compliance with the NASSAU COUNTY FIRE PREVENTION ORDINANCE. Every effort must be made to inform the people in charge of these occupancies of the hazards flammable decorations create.

Flameproofing of evergreens should be done only by experienced persons, as such flameproofing is practically impossible when attempted by the average, unlicensed person. A false sense of security could be engendered.

Gasoline- Tragic Guest In The Home

Practically everyone is aware of the violent reactions that occur when gasoline is exposed to open flame. But, still people don't realize the actual potential of this extremely hazardous fluid. A few months ago, children playing in a garage tipped over a can of gasoline. In a matter of seconds the fumes traveled across the floor and was ignited by the pilot light of a water heater. It exploded with such violent force that it tore the overhead door from the garage. The four children perished in the inferno. It didn't take much to cause this tragedy. A combination of little things can do it.

- (1) Storage of over 1 gallon should be restricted (a half filled 5 gallon can caused the above inferno)
- (2) Storage should be in approved metal safety cans, with spring tension lids, not in cans easily opened by children.
- (3) The gas should be stored in an area inaccessible to children.
- (4) Lack of proper ventilation where gasoline is can cause a problem. When working with gasoline do it in an open area out of the building.
- (5) Cans should be labeled properly.

properly.

Did the children know the real potential of this flammable liquid? Naturally not. Their ages were 18 months, 3 years and 4 years. The parents had no idea that such an incident could ever occur. Public participation in Fire Department demonstrations and open house programs, instructions from parents, proper storage, all these things are needed to prevent another tragedy. Most incidents occur in and around the home. Smoking, open fires or electrical equipment should not be used where gasoline or gasoline powered tools are being used.

Gasoline is not to be used in the home to clean cloths or furniture. Cleaning fluid is also very dangerous. Tile (floor) cement is also a dangerous item to use in the home. There must be plenty of ventilation and all electrical devices shut down. The fumes from aloof these items are heavier than air. In recent months we have answered alarms where residents have used gasoline to start the barbecue going, while

in turn blew up in their faces. Again, we ask all our residents to make every week Fire Prevention Week. The life you save may be yours or your loved ones. Keep the storage of gasoline and other flammable liquids to a minimum.

Education Week in Plainview

The week of October 25-31 has been proclaimed American Education Week and in Plainview, which has joined its fellow school districts in celebration of this event, the community and the schools have marked this occasion by opening the doors of the schools to all parents and citizens.

Visitors have been welcome to visit the students classrooms to observe the daily educational programs, in accordance with schedules supplied by the teachers. It is hoped that this will further encourage the practice of teachers and parents working together for the benefit of all, particularly the child.

This past week Hicksville Firemen answered 22 alarms. 8 of them false alarms, two of them within 45 minutes coming from the trouble plagued system at the Sr. High School. A fire in a vacant house on the 3rd floor at 87 West Old Country Rd gave firemen a tough battle.

Five pieces of apparatus and 35 men under Chief Voorhies fought the heat and heavy smoke. The fire was brought under control in a half hour.

Hicksville Firemen received a second place award from the N.Y. Daily news vamps award for its work in a recent motel - factory fire.

Hicksville High School lost its fourth straight game of the season, 23-0 - Saturday to MacArthur of North Wantagh. It was the first victory in ten years of trying against Hicksville for the Generals.

A fumble on the 19 gone the visitors their chance in the first to take an 8-0 lead.

The entire game was played within the Hicksville 50 as the Comets only gained one first down. The Comets offense was completely frustrated by the Generals.

With 30 seconds left in the half Charles Induddi intercepted a pass and returned it 59 yards to the MacArthur 17.

However the Comets let the clock run out without calling time.

MacArthur added a touchdown in the third period and place kicked an 18-yard field goal in the fourth.

Without research in depth it appears that it was the first field

goal ever successfully kicked against Hicksville in 46 years.

The Orange and Black has now lost seven of 11 games over a two year period.

This Saturday Hicksville is at Home against winless Clarke.

Our Selection: Hicksville 12 Clarke 8.

Guard Kirk Jurgelovich was awarded the Alumni Association's Louis Milleotte outstanding player award for his overall defensive play against MacArthur.

It was presented by Association President Conrad Weyer at the Annual post game reception in the school Cafeteria.

The Atmosphere was a little glum but Principal Raymond Rusch addressed the 300 odd students and Alumni and lifted some spirits.

Alumnus George Zulkofse owner of the Jericho Cider Mill donated the cider for the students and a very large supply was consumed rapidly.

Each year the Association

invites the Band, twirlers, cheerleaders as well as the Football team to the reception.

Trailing 19-7 at Burlington, Vermont, Hofstra University called on Hicksville's Jeff Doolittle for four touchdown passes to gain a 34-19 victory.

It sprung the Flying Dutchman's record to 5 wins and 1 loss since Doolittle took the Quarterback controls.

Hicksville Junior lead 14-12 with just ten seconds to play when Levittown Division uncorked a 40-yard pass for a touchdown and a 18-14 win.

Quarterback Brian McAuley tried mightily to keep Wesley Junior College from Dover, Delaware undefeated under the Hofstra Keglights but Nassau Community College won a rugged 22-15 struggle.

The 1967 quarterback for the Orange and Black scored two touchdowns himself. It wasn't enough however to save the bowl hopes for Junior College honors for the Delaware school.

Singing Boys of
L.I. Youth Concert

The Singing Boys of Long Island are presenting a Youth Concert Series, which will include one concert a month probably in New York City.

The first concert in the series will be the Folklorico de Mexico, to be held at the New York City Center Auditorium.

This extraordinarily attractive and gifted group of dancers from all corners of Mexico have lured theatergoers to their performances again and again. The brilliant colors and the vivid sound of the Marimba Band together with dazzling dancers make these productions fantastically exciting.

This will be a matinee performance Sunday Nov. 15. Tickets are \$2.00 plus \$1.50 for the bus transportation. Any student and parents are welcome to attend these concerts. In December the group will see the Nutcracker Suite.

For tickets and further information please call: OV.1-8237 or GE.3-1391.

Polo At Bethpage
State Park

The Long Island Industrial Recreational Trophy Match between Brookville and Bethpage closed the polo season at Bethpage State Park in a blaze of glory that matched the surrounding autumnal foliage. The game, five times tied and a sudden death wind-up, had the cheering crowd on edge-the outcome eight to seven for Brookville. Ahead at the outset with a one goal handicap Brookville's line-up, Fred Braunstein, John Gayer, Allen Jerkens and Fred Zeller, was on target throughout. Bethpage's Peter Henderson, Ted Shapiro, Dave Rizzo and Al Bianco never letting go, the pace fast and furious and all hands on both teams playing top polo. Gayer broke the six all tie in the sixth chukker but it was deadlocked by Rizzo with two minutes to play, the decisive goal made by Jerkens from the forty yard line in the sudden death. Silver trophies were presented by the winning and losing teams by Mrs. Eric Siebert, wife of the Superintendent of Bethpage State Park.

Closed for 1970, the polo season at the Bethpage State Park Polo Field will be in full swing again around June 1971. The park, smoothly run by Mr. Eric Siebert, is a fine background for the exciting weekly games.

Plainview-Old Bethpage High School News

By Andy Kagan

On Saturday night, October 17,
the girls brought their favorite
beats to the Sadie Hawkins
dance. They came dressed as
pigs, rabbits, and other earthly
creatures. The girls brought
picnic lunches to feast on. All in
all, it was a very successful
dance.

Recently Plainview High
School sent four representatives
to a taping of "It's Academic."
Andy Borson, Mike Young, and
Jody Simon fought a hard battle
against Fort Lee and Locust
Valley High Schools and came
out victorious. They won by the
slim margin of 5 points. This
show will be aired on November
21st. The next scheduled taping is
set for November 14th and if you
can get tickets, we urge you to go
and support our boys, defeated
Bethpage 7-0 and Great Neck
North 5-2. Starring for Plainview
were Guy Berliner, Doug
Resnick, Rick Gelb, and an up
and coming sophomore, Saul
Kagan. Another sporting victory
goes to the Plainview High girl's
varsity swim team which

defeated Syosset 61-43.
Congratulations, girls!!! Also,
Steve Byers set a course record
of 12 min. 11 sec. for the 2 1/2 mile
Cross Country route as Plain-
view defeated Plainview Ken-
nedy 40-18.

Last week Plainview scored
two important victories in tennis.
Coach Straus and his boys
defeated Bethpage 7-0 and Great
Neck North 5-2. Starring for
Plainview were Guy Berliner,
Doug Resnick, Rick Gelb, and an
up and coming sophomore, Saul
Kagan. Another sporting victory
goes to the Plainview High girl's
varsity swim team which
defeated Syosset 61-43.
Congratulations, girls!!! Also,
Steve Byers set a course record
of 12 min. 11 sec. for the 2 1/2 mile
Cross Country route as Plainview
defeated Plainview Kennedy 40-
18.

The Saturday night Open House
program has been reinstated this
fall. Students have an op-
portunity to swim, play
basketball, and listen to a live
rock band. Hope to see you there.

Open House At Holy Family School

"Open House" Friday evening, October 23, was attended by more than 500 parents of pupils of Holy Family School. At this "School Orientation" event, Monsignor Martin O'Dea introduced the new Principal, Sister Eileen McMahon. After Sister Eileen introduced the Faculty, a very interesting program was presented to the audience.

Sister Patricia Mary, a member of the teaching staff of Holy Family School discussed "Reading and its Importance in the Formative years". Sister also explained that "TV Fans" can be encouraged to read material pertaining to their favorite shows. The "Book Fair" which will be held at "Holy Family School November 14-20 will offer parents and pupils the opportunity to purchase interesting and acceptable reading matter.

Father Patrick Mooney, of St. Rose of Lima Parish,

Massapequa, presented a provocative thought slide program relating to "Brotherhood of Man".

The parents then visited their children's class rooms where they received a brief description of the Curriculum and what the teacher expected of the pupil.

The Special Teachers in the Art, Music, Health and Physical Education Departments, explained their curriculum. It was noted that 10 pupils won awards for their posters regarding "Fire Prevention".

The parents and the teachers had an opportunity to get acquainted when refreshments were served in the Cafeteria by the members of the Rosary Altar Society.

Sister Eileen McMahon stated that a date for "Personal Interview Night" will be announced.

GUEST SPEAKER: Nassau County Comptroller Angelo D. Roncallo addresses recent

meeting of the St. Ignatius Holy Name Society, Hicksville. Listening is Reverend Frederick

Harzer, left, pastor of St. Ignatius Church and August Peragallo, president of the society.

Plainview Chapel and Long Island Stake Center, of the Church of Jesus Christ of Latter-

day Saints to be dedicated Sunday, November 1st by President Harold B. Lee.

be completely paid. Since the ground breaking in October of 1965, the Long Island Stake has been divided from the New York Stake, and Plainview I and Plainview II Wards were organized. The building now serves a two-fold purpose. It is the headquarters for the Long

Island Stake, consisting of Queens, Uniondale, Plainview I, Plainview II, Rego Park, and Terryville Wards. It is in this building that the members of the church within these wards meet for quarterly conference every three months. It is also used as a meeting house for various other ward and stake functions. President Harold B. Lee, from

Salt Lake City, Utah, will offer the dedicatory prayer. The building has been under the jurisdiction of President Lee since the World's Fair. It was he who decided the panels should be used to build a chapel. President Gordon E. Crandall, president of the Long Island Stake, invites all to attend this memorable event.
