## Public Hearing On Funding Of Schools

On November 13, a public hearing will be held by the New York State Commission on the Quality, Cost and Financing of Elementary and Secondary Education at the Hofstra University Playhouse.

The Commission wishes to hear the views of as many persons as possible on topics related to Education - broad questions or policies for specific areas.

Dr. Lee Firester, Assistant Principal of Burns Avenue School, Hicksville, will speak on the question of funding the schools. Mrs. Christine Cahalan, President of the Burns Avenue PTA will also address the Commission on Hicksville's desire for quality education.

The public is invited to attend the hearing which will commence at 9:30 A.M.

## Guest Speaker At SLOP Meeting

**AGENDA FOR TOMORROW**...the time to act is now—before it is too late. On Thursday, November 19 at 8 p.m. the final part of the Hicksville Public Library six week series Smog Litter Overpopulation Pollution—is a 4 Letter Word, proudly presents Mr. Per Moberg as speaker for the evening. Mr. Moberg, a member of the L.I. Environmental Council Board, is on the Board of Governors for the Adirondack Club and also on the Executive Committee of the Sierra Club, will try to sum up the known facts and offer us suggestions to help us solve the problems of the future. There will

be a panel discussion with questions from the floor.

The response for this series was most gratifying. We had standing room only at most of the sessions. The speakers were answering many questions from the audience long after they finished their lectures. The questions were interesting and pertinent and often as stimulating as the talks.

Now is the time to set up the **AGENDA FOR TOMORROW**. Get ready for action at the Hicksville Public Library, Thursday, November 19 at 8 p.m. in the auditorium.

## At The Board Meeting

At a regular business meeting of the Board of Education of Hicksville School District 17, held at the Division Avenue Administration Building on Tuesday, Nov. 10th, the Board decided that, after the eleven band students of Hicksville High School who have been selected to play in the All-State Band Program have received the monies donated for this project from community groups who have volunteered to help in the

necessary fund raising, they will make up any deficit. Expenses to participate in this program usually cost about \$80.00 for each student. It is quite an honor to have so many students selected to participate.

The Board also decided that subject to curriculum approval by the State, they would approve Title One programs for non-English speaking students.

## Rep. Club To Meet, Nov. 13

At the regular meeting of the Ernest F. Francke Republican Club to be held on Friday November 13, awards for "Meritorious Service" will be presented to: Jerry Trotta,

Executive Leader of Hicksville and his Co-Execs. Jay Schwartz and Tom Hogan. Also receiving this award will be Francis "Andy" Anderson, former leader of Hicksville.

## Professor To Address Meeting

On November 18th Dr. William Wakefield, professor of psychology in Staten Island, will address an afternoon meeting of the Burns Avenue School P.T.A. **ON THE SUBJECT "How to Raise Your Child in Today's World - or What's a Parent To Do?"** The problems discussed will cover drugs, discipline, sex

and attitudes toward school. There will be a question and answer period following Dr. Wakefield's speech.

This meeting will be held in the All Purpose Room of Burns Avenue School from 1:15 - 3:00 p.m. on Wednesday, November 18th.

# Gathering Storm Verses Lee Avenue Townhouses

An apparently well organized and populous opposition is gathering in Hicksville against the petition of Jerry Spiegel for a change of zone from Residence D. to E-1 Apartment house District for a 6,952 acre parcel on Lee Avenue, which will be heard at 10 A.M. and 8 P.M. next Tuesday, November 17th, at Town Hall, Oyster Bay.

The organization SPOT headed by Emit T. Immelsberger, of 45 Farm Lane, was formed several months ago when Mr. Spiegel attempted a similar petition. SPOT has maintained its

cohesiveness and has organized car pools and chartered three buses to bring residents to Town Hall. The buses will leave on a first come, first served basis from the A-Mart Shopping Center on South Broadway at 7 P.M. Tuesday, Mr. Immelsberger said.

At a final coordinating meeting of SPOT (Society to Preserve Our Town) at Hicksville Junior High School on November 10th, Mrs. Shirley Lang, of the Joint Civic Council, Woodbury, a frequent protester against downzonings at Town Hall, was the principal

speaker for about 50 of the organization's stalwarts. In her talk, Mrs. Lang said residents should not fear "speaking up" at Town meetings, as councilmen are "elected, not appointed." SPOT sent about a dozen pickets to Town Hall on Tuesday, November 10th, with handbills presaging a stormy session the following Tuesday.

**Townhouses Proposed**  
Differing from Mr. Spiegel's original petition, which was withdrawn without prejudice at the time of its original hearing, the present petition calls for the construction of townhouses, with buildings occupying only 16.5 percent of the plot. Mr. Spiegel, who is the contract vendor of the property owned by Giese Florist, previously proposed garden apartments.

According to the building plan filed with the Oyster Bay Town Clerk, the proposed town house development would include 111 dwelling units. There would be 16 efficiency apartments; 64 1-bedroom; 30 2-bedroom; and 14 bedroom apartments. Total floor space covered is 49,700 square feet.

Mr. Immelsberger points out that the Giese brothers have been excellent neighbors throughout the years. He said SPOT would like to see them get their price for the property, and would not like to hurt them. However, he believes this type of development is incongruous in a residential area. SPOT would not be proposed to golden age housing on the property he said.

## Students Attend Music Academy

On Thursday, November 12th, the students of St. Ignatius School attended the performance of Puccini's Gianni Schicchi at the Brooklyn Academy of Music.

There was 252 boys and girls of the seventh and eighth grades attending, their teachers; Sister Alphonses Louise, Sister Mary James, Sister Mary Warren, Sister Eileen Stattel, Mr. Robert Murphy, Mr. Guy Luciano and Mr. Robert Jones who is the Music Co-ordinator at St. Ignatius School.

## Program Headaches Solved

The problem of presenting your membership with an interesting and exciting program has been solved. Showcase Productions, a group of professional actors have banded to present a number of one act comedies, dramas or readings at your luncheon, dinner or other meeting. Showcase Productions brings the meeting to you, leaving the program chairman free to enjoy the performance with the membership. An organization such as Showcase Productions has long been needed on Long Island. Desire more information? Contact Miss Dumont at WE 5-7780.

## Office Bldg. Permit Re-Issued on Variance

At the close of the regular Oyster Bay Town Board meeting on Tuesday, November 10th, Councilman Louis J. Yevoli made the announcement that a controversial building permit to Hicksville Station Plaza Corporation, which had been revoked by the Town Board, had been re-issued on October 27th by the Town of Oyster Bay Board of Appeals.

Supervisor John Burke suspended the permit last month after having been informed by Councilman Yevoli that it had been erroneously issued by the Building Department. The building, said to be nearly completed at this writing, is the second on an industrially zoned parcel for which the Town Board approved a special permit to erect "an" office building in 1966. According to a spokesman for the Board of Appeals the matter was taken up at a Board of Appeals public hearing on Thursday, October 22nd, which was duly advertised and on which notices were sent by registered mail to property owners within a 300-foot radius of the property. Only one party appeared at the hearing, he said, the adjacent property owner, who did not

object to the application.

The building permit was re-issued on the basis of the Board of Appeals having approved a "use variance to maintain an office building" to the Hicksville Station Plaza Corporation at the corner of Newbridge Road and Duffy Avenue.

The Board of Appeals spokesman said the Town Board was aware of the hearing. He also said that much of the trouble lies in an error in the map which created a small island of industrially zoned property, in the midst of Business G property, rezoned as such by the Town Board of 1969. The property is located at the corner of Duffy Avenue and Newbridge Road.

A Town Board spokesman said that the Town Board was unaware of the hearing or of the re-issuing of the building permit. After the suspension by Supervisor John Burke of the permit last month, two summonses were issued to the owners when construction continued.

The owners have pleaded "not guilty" to the charge of building without a permit. The case will be tried in District Court on December 9th, the Town Board spokesman said.

## Dr. Laffin To Speak

Dr. Charles W. Laffin, President of the State University's Agricultural College at Farmingdale, will address the 116 top Long Island High School students, their parents and principals Saturday, Nov. 14, when the youths are honored at the 13th Annual Paragon Oil Student Incentive Awards ceremonies.

Dr. Laffin, who is also chairman of the Paragon Oil Awards Committee, will be joined in making the presentations by County Executives Eugene H. Nickerson of Nassau, and H. Lee Dennison of Suffolk.

The awards, sponsored by Paragon Oil Company Division of Texaco, Inc. comprise certificates of honor and U.S. Savings Bonds. They have already gone to more than 1,000 Long Island seniors honored for both scholarship and citizenship.

## Fork Lane PTA To Hold Meeting

Fork Lane Parent Teacher Association will hold a general meeting on Tuesday, November 17 in the auditorium at 8:30 p.m. The program for the night will be a "Drug Forum," to help inform parents of just what is going on and how they can help our young people of today. Mr. Nagle, the President of HAD (Hicksville Against Drugs) will be our guest speaker along with some drug addicts and ex-drug users from HAD, who will try to get across to the parents and young people present at the meeting the dangers involved in drugs and how they are being helped at the "Store Front" on Broadway in Hicksville. Also "Store Front" is available for any problems young people have in all other areas besides drugs. We urge "All Parents" to attend this very important meeting and to bring their children of 5th grade level and up. Refreshments will be served following the forum.

- 9:19 PM - Malicious False Alarm - Alpine La (Center)

Last week Hicksville Firemen Received 4 False Alarms Along with a fire at 100 Raymond St. The Homeowner was working in his garage applying contact cement to wood panels. The Garage was not ventilated and the Electric Heater Caused a flash fire. The owner was burnt on the hands, but refused treatment. Once again we wish to stress that when working with anything of this nature, keep the room well ventilated and douse all open flame and electrical appliances. This was a case where everyone was lucky. Next time serious injury could result.

At the Smokey trash can fire at the Sr. High last week, a student and member of the Fire Squad, Jeff Larkin was treated for smoke inhalation. There was no damage reported.

December 6th is the Annual Holiday open house featuring Santa and Fire Prevention Demonstrations and Displays. The Fire Dept. Public Relations team state they have room on their schedule for Fire Prevention talks and demonstrations, Baby Sitter Safety and on Operation Edith - Emergency Drills in the Home. If your group is interested call WE 8-1167 for an appointment.

Some progress has been made on one of the 2 vacant buildings on Newbridge Rd. The Kasten Building at W. Marie St. has been leveled, but still no response from the municipal Gov. who owns the old house on Newbridge and W. Nicholas St. Come on Gentlemen Lets Clean This Mess Up.

## Hicksville Self-Service Postal Unit

The Self-Service Postal Unit, located in the Hicksville Post Office at 185 West John Street, celebrates its first anniversary on November 19.

This unit is open 24 hours a day, 365 days a year. Patrons may purchase stamps, envelopes, postcards and minimum insurance for Domestic Parcel mailings.

Scales are readily available for determining correct postage requirements. Step-by-step instructions are on display at this unit. A telephone, with a direct

line to an information clerk, is easily accessible should anyone require assistance.

The installation of this unit, and others throughout the country is part of the continuing effort of "The United States Postal Service" to improve its service to the public and make convenience part of our modern system.

Postmaster Ralph G. Cascardio said, "We must be doing something right, the revenue of the unit has increased from \$220 per week at its inception to an average of \$500 per week."

## Concerned Parents and Taxpayers Committee Meet School Board

The Concerned Parents and Taxpayers Committee recently met with the School Board and School Administration of Central School District No. 4, Plainview - Old Bethpage.

At that time, the Concerned Parents and Taxpayers Committee established their views and goals as begin: 1.) An educational system which provides for the general welfare of all children by majority rule of taxpayers and parents.

2.) All political activities shall be off school and outside school activities, and payment for these activities shall be borne by the persons involved outside of school. This includes no political indoctrination of students.

3) The right to review the entire curriculum since the students are

dissatisfied with same including reading programs, etc. as they pay the taxes and want to know where the money is going.

4.) A seat on tenure committees, as this is prime factor in teaching children. The Committee also proposed tenure revision on a three-year revolving basis, subject to review.

5.) The Committee as represented on all Board of Education committees.

6.) Pledge of Allegiance according to State Law (No. 11.12.1 - N.Y. State Education Law 1964)

7.) The Committee opposes the smoking lounge. The New York State Education Dept. has just granted \$1,500,00 to disseminate information on non-smoking, drugs, etc. as being harmful to health of students, therefore they believe it

illadvised to permit smoking in school.

8.) Concerned Parents and Taxpayers Committee want adequate protection for students in schools.

9.) Dissemination as much information as possible, along with many other suggestions by the Committee which the School Board has been asked to consider.

The Committee has requested an answer to the above within one month's time.

The Committee, whose membership is growing rapidly, invites all with similar opinions to join. These interested may write to The Concerned Parents and Taxpayers Committee, P.O. Box 163, Plainview, N.Y. 11803, or, for further information, telephone the Committee's Chairman, Mrs. V. McNally, at MY 4-4537.

## TOB High School Student Gov't Held First Conference On Oct. 16

Eleven High School Student Governments from the Town of Oyster Bay were represented at the first Town of Oyster Bay Student Government Conference held at the Plainview-Old Bethpage High School on October 16. Only one public high school out of the twelve in the Town of Oyster Bay was not in attendance, however Plainledge later sup-

ported the outcome of the conference.

In the morning general session, Dr. Jerome Botwinick, Principal of Plainview High School, welcomed the delegates to the conference and Dr. Robert W. Savitt, Superintendent of Schools gave the keynote address. Carry Kessler, President of the Student Association of Plainview-Old

Bethpage High School, delivered the orientation. Delegates were informed of the two purposes of the conference, namely: 1. To analyze the present structure and involvement of the student government. 2. To determine if a permanent Town of Oyster Bay student government organization is necessary.

After the general session, the delegates separated into three workshops by office: Presidents, Vice Presidents, and Advisor. The above two suggested topics were discussed. Each delegate talked about his school in relation to his Student Government. Accomplishments, failures, student grievances, and student government procedures were among the topics of discussion.

In the Afternoon General Session, the chairman of each workshop reported back to all the delegates. Each workshop recommended to form some kind of Town Student Government. No one present disagreed with the proposal to form a Town Student Government. After some discussion, it was decided to name the organization the Town of Oyster Bay Student Government Forum. The next meeting will be held at North Shore Senior High School on November 20. Further details will be forthcoming from North Shore Student Government.

## Program On Consumer Frauds

Consumer beware --The Hicksville Public Library afternoon Ladies Series will present on Thursday, November 19, at 1:30 p.m. a program on Consumer Frauds

This is the time of the year we do most shopping for odd and unusual things, what with the Christmas gifts and Thanksgiving dinner goodies. Do we know what we are purchasing, what the right price should be?? In our every day trips to the Supermarket, is it the king size box of soap a better buy than the super size, or vice-versa??? Is the labeling true, are the ingredients worthy of the ballyho on TV????

The Nassau County Advisory Committee on Consumer Protection, the first of its kind in any County government in New York, was created in 1966. After intensive studies of consumer problems the Committee recommended the creation of an Office of Consumer Affairs to be established. To this office of Nassau County we are grateful for the program. A speaker from the office of the Committee of Consumer Affairs will be on hand to tell us what to look for as we shop. How to read labels and what not to believe in high pressure advertising.

This is the second of the Hicksville Public Library Ladies afternoon programs. We are endeavoring to bring to the community a mixed bag of educational, recreational, cultural, stimulating topics, of

interest to all. The program for Thursday is of interest to everyone. All of us have to buy certain products so let us find out how to get the best value for our money. If we had any misrepresentation we will learn what recourse we have to the manufacturer and/or the seller. We don't have to be cheated. Agencies have been formed that will help us correct our mistakes. There are laws that have been legislated to protect the consumer and to encourage high standards of honesty, fair business practices and public responsibility. After the program we can all go out on a shopping trip assured we know how to buy and what to buy.

# Dear Friends...

WE'RE GIVING YOU A TWO WEEKS WARNING (friendly, of course): But due to a change in press schedules at our printers on Thanksgiving week, ALL copy you wish to submit for the issue of Nov. 28th must be in by Friday, Nov. 20th at 5 p.m. at One Jonathan Avenue (corner of Old Country Road) Hicksville. Then, we're planning to work all weekend, so that the holiday press schedules can be met. Hope you won't be inconvenienced to much by this. We thought that the two-weeks notice would help, though.

As you will realize when you read the story about last week's HICKSVILLE COMMUNITY COUNCIL MEETING, in another part of this issue, it was a really productive and informative meeting. We meet on the first Thursday of every month at 8:15 p.m. at the Library and, of course, you are all invited to attend. Every meeting so far has been helpful on the local level, where it really counts. Also, the Board of Directors decided that, immediately following the program each month, there will be a time for anyone to speak on any subject concerning Hicksville. As you will notice in the excellent story written by our recording secretary Anne Gregory, several Hicksvillians spoke at the last meeting and I feel that all present were pleased with the broad scope of the meeting. It sounds like an old-fashioned town meeting, and that it is, plus the fact that each member organization plans to read the report of each meeting as part of their meeting's agenda and in that way we will all understand the local programs and planning that affect Hicksville better, as well as being able to express our own opinions each month if we so desire. Come on down next month, we'd love to have you join us. Letters have gone out to all local organizations.

Mrs. John McManus, our able corresponding secretary has sent letters out this week to all local organizations explaining what membership involves. Let us hear from you on this also. Until next week, stay well,

Sincerely,  
Sheila H. Noeth.

## A Letter to the Editor

Dear Mrs. Noeth:  
I have been following your reporting on the proposed rezoning of the Giese Lee Avenue property for garden apartments the hearing for which is now scheduled for Nov. 17th.

It is a matter of record that Hicksville has long since reached the stage where young married people (our sons and daughters) and older couples (our mothers and fathers) are being forced to move out of their own community because of the lack of apartments desired by these local people: the young people before they buy a home and the older couple after they have sold their home - but where both age groups want to stay in Hicksville.

It has been said many times that no one is against progress as long as it isn't in their own back yard. Sad but true. But it doesn't solve anything.

Hicksville needs and must have the proper balance of a supply of apartments for the use of those who need them. We have passed through the time period where Hicksville can remain simply a one-family housing area and I suggest that, properly planned, a few well-selected sites should be brought forward and supported for apartment use.

The Giese parcel of approximately 7 acres is one of the few remaining plots of a size suitable for this use. The builder, Jerry Spiegel, has

well demonstrated his product; for instance the Town House apartments on the former Davis farm together with several of his other projects. Attractive appearance, good layout and capable management makes a

garden apartment of this type an asset to the community. The substantial tax benefit of this proposed project to us, the residents of the township, school and special districts is far above that accruing from one-family dwellings and demands, in return, less services from schools, police department, etc.

I urge a thoughtful and intelligent consideration of the above points regarding this proposed project, by all the people of Hicksville and suggest that the support of this addition to the living accommodations in Hicksville will prove to be a great asset to all property owners in terms of increasing their values and by broadening the limited residential base we now have.

Let us take the over-all view of this matter rather than to be influenced by an "instant attitude" of any one group of people no matter how sincere because this same group of people who now object may well be among the first to point with pride at a project such as this one, after it is done. This has been the case more than once.

AN INTERESTED  
HICKSVILLE RESIDENT.

# Hicksville Comm. Council Hears Several Leaders

Members of the Hicksville Community Council met last Thursday, November 5, at the Hicksville Library, after a meeting of its Board of Directors.

Those present heard from several community leaders as follows:

Fire Commissioners Glenn Munch and August Judd presented a program to those present at the council meeting with slides of the planned new addition to be constructed, as well as refurbishing at the East Marie Street location of the Hicksville Fire Department.

Mr. Munch went back in the history of Hicksville over a period of forty years, noting the many changes in the Hicksville Fire Department, from the three model T Fords and hand drawn ladders to the present '85' aerial ladder and four thousand gallon pumps which will be part of the new and more efficient equipment on hand. The '85' aerial ladder can pick up as much as 700 pounds, and will enable us to reach as high as five floors. It can be used not only for fire but also rescue. This aerial ladder can also be used on an ordinary house to let down a water harrier. The demands of the community have become so much greater today, necessitating our bringing in new equipment to replace the very old.

Mr. Munch noted that one of the most important people in Hicksville is the dispatcher. The dispatching desk will also be manned with new radios and electronic equipment. Original radios were purchased 1949. The cost of replacing these radios alone is about \$25,000.00. Electronic sirens will also be used, since they are so much better. The estimated cost for the building program, refurbishing the outside and the inside of the present building, and the cost of new equipment, altogether is about \$35,000.00. Work on this project will start after the first of the year.

Mr. Munch stated they accept volunteers into the Fire Department starting at the age of twenty-one, which is due mainly to the draft situation. In response to a question from the audience "How much paid personnel do you have?" Mr. Munch pointed out the Fire Department has one maintenance man, and also someone to clean. There are also paid dispatchers to control the radio and answer the telephone.

Whenever there is a fire the Auxiliary is alerted, and the women come down to make coffee, sandwiches, etc. Sheila commended these dedicated volunteers of our Fire Department for the fine work they are doing, and how appreciative we are for their services rendered. Councilman Warren Doolittle spoke of his hopes for a Hicksville Youth Bureau which would qualify for funding from the Town of Oyster Bay and comply with all of the requirements of the state. Mr. Murray M. Margolis of 12 Frances Lane, Hicksville is the Chairman of the newly-created Hicksville Youth Bureau. The Town of Oyster Bay the first year would advance \$2,500.00, which would be matched by the youth bureau. On the increment basis, at the end of four years the amount would rise considerably, since the state would reimburse the Town of Oyster Bay for a portion of the money advanced, making more funds available to the youth bureau.

Murray Margolis stated this should be a real community project, and thanked Sheila Noeth and Warren Doolittle for their cooperation. Councilman Doolittle stated he would be happy to sit down and discuss this further with any interested organization.

Sheila spoke of the "Ecology" lecture she attended at the library, and how she was inspired, noting the vast majority of our young are very responsive, and knew about the air, water, etc. Mr. Kenneth Barnes, Director of the library spoke of another very informative program being held at the library, and recommended a committee, as part of the Hicksville Community council on the environment.

Mr. Barnes stated the Beautification Committee have suggested a number of projects for the beautification of Hicksville, to the Town of Oyster Bay. In particular they have recommended the location of Kennedy Memorial be a small formal park, featuring a piece of sculpture symbolizing the community of Hicksville. This park to feature greenery and permanent planting rather than

extensive flower beds. Mr. Barnes would appreciate your expressing your views supporting this project to Councilman Ralph Diamond, Chairman of the Beautification Committee, with a copy of your letter to Councilman Warren Doolittle, suggesting we get this project undertaken for the community.

Briefly discussed was a means by which Hicksville could have some means for disposal of litter. Councilman Doolittle advised this matter was being looked into. It was also noted that for a "special pick up", for old washing machines, refrigerators, etc., could be arranged by phoning the TOB Sanitation Dept.

Mr. Gregory spoke briefly on the progress of The Gregory Museum, and advised that the trees at the old Heitz Place Court House were removed because they were all diseased, and most of them were hollow.

Mr. Emil Immersberger of SPOT stated there would be a meeting at the Junior High School on November 10th, 8:00 P.M. for those concerned with the zoning of the section on Lee (Continued on Page 8)

Mr. Barnes would appreciate your expressing your views supporting this project to Councilman Ralph Diamond, Chairman of the Beautification Committee, with a copy of your letter to Councilman Warren Doolittle, suggesting we get this project undertaken for the community.

Briefly discussed was a means by which Hicksville could have some means for disposal of litter. Councilman Doolittle advised this matter was being looked into. It was also noted that for a "special pick up", for old washing machines, refrigerators, etc., could be arranged by phoning the TOB Sanitation Dept.

Mr. Gregory spoke briefly on the progress of The Gregory Museum, and advised that the trees at the old Heitz Place Court House were removed because they were all diseased, and most of them were hollow.

Mr. Emil Immersberger of SPOT stated there would be a meeting at the Junior High School on November 10th, 8:00 P.M. for those concerned with the zoning of the section on Lee (Continued on Page 8)

# Around Our Towns

By Linda Noeth Scotti 796-1286

Mr. David Cohen, Librarian at the Plainview-Old Bethpage High School, will be one of the Workshop Leaders at the 74 Annual Conference of the New York Library Association to be held Nov. 11-14 at the Americana Hotel in New York City.

Mr. and Mrs. Rune E. Yberg, 29 Linden Blvd., HICKSVILLE, were the guests of honor at a surprise 25th wedding anniversary party held at their home on Saturday evening, Nov. 7. The party, given by their children, Bruce Yberg and Barbara Noeth, was attended by 50 relatives and friends. They received many lovely gifts.

Mr. and Mrs. Martin Band of HICKSVILLE, have announced the engagement of their daughter, Evelyn Susan, to Mark Joel Schwartz of Howard Beach.

Leonard Altshuler, daughter of Mr. and Mrs. Martin Altshuler of Rockville Center, has become engaged to Mark Robinson of PLAINVIEW.

Announcement has been made by Mr. and Mrs. Joseph Cappolla of HICKSVILLE, of the engagement of their daughter, Elaine to Robert Santagata, also of HICKSVILLE.

Mr. and Mrs. James McLaughlin, former HICKSVILLE residents, who lives on Sunset Ave. for many years, are visiting on Long Island. They are staying with their daughter and son-in-law, Dr. and Mrs. Thomas Koenig, of Hauppauge. The McLaughlins presently reside in Anaheim, California.

The Catholic Daughters, Ct. Queen of Angels, No. 889, St. Ignatius, are still selling the fruit cakes and butter pound cakes.

Now that the holidays are coming up - they would make an excellent gift. For information, call Mrs. T. Bergin, WE 5-9850.

The Friendship Club, will meet Monday, Nov. 16, at the United Methodist Church at 11 a.m., at the church, located in Old Country Rd., Hicksville. At this time, they will do sewing for the

blind, and will exchange Christmas decoration ideas.

The United Methodist Church, Old Country Rd., HICKSVILLE, will hold a Bazaar on Nov. 21, from 10 a.m. to 8 p.m. at the church. In the evening a chicken dinner will be served. Tickets are \$1.50 for adults, and \$1.00 for children. To make reservations, phone the church at 931-2626.

## Fire Destroys Doctor's Office

Fire broke out in the office of Drs. Waine and Elliot at 558 Old Country Road, Plainview on November 9th at 1 p.m. destroying waiting room and entire upper floor where fire evidently started. There were no injuries, everyone being safely evacuated.

The office will temporarily be located at 777 Old Country Rd. Plainview until repairs are completed.

## White Elephant & Rummage Sale

The Church of Jesus Christ of Latter Day Saints at 160 Washington Avenue in Plainview will hold a White Elephant and Rummage Sale on November 19th, 20th and 21st. The hours are as follows: Thursday, 9 - 5 p.m., Friday, 9 a.m. to 8:30 p.m., Saturday, 9 a.m. to 12 noon.

Included will be household goods and miscellaneous bric a brac. There will also be Men's Better Suits, Womens Clothing, Formals, Childrens Clothing. There will be something for everyone so come early for the best selection.

## On The Campus

Miss Mary Nosowich, daughter of Mrs. Gloria Nosowich, of 21 Bridge Lane, HICKSVILLE, a sophomore at Rivier College, was formally installed as a member of the academic community during Academic Investiture ceremonies October 25th on the campus.

## H.H.S. PTA To Hold Meeting

Hicksville High School PTA will hold its next regular meeting on Thursday, Nov. 19, 8:30 pm in the auditorium. The program will be a discussion moderated by Mr. Irwin Rozran, Adm. Asst. Pupil Personnel with three parents, Father Dominic Ciannella, Holy Trinity Episcopal Church, Mrs. Chas. Loliacono, and Mr. Harold Satran and three students forming the panel. Parents and students are invited to attend. Refreshments will follow the discussion.

## Nat'l Children's Book Week

Hicksville Public Library celebrates National Children's Book Week with a program of activities sure to please.

Monday, Nov. 16, Opening of Fish Bowl Contest. Come in and take a guess.

Tuesday, Nov. 17, Story Hour for children ages 5-8 at 4 p.m.

Wednesday, Nov. 18, Preschool Story Hour for ages 3½ to 5 at 10:30 a.m.

Thursday, Nov. 19, Puppet

Show at 4 p.m. Pick up free tickets in advance in the Children's Room.

Friday, Nov. 20, Sing along for all children at 4 p.m. Pick up free tickets in advance in the Children's Room. Winner of the fish bowl contest to be announced.

Saturday, Nov. 21, special movie at 3 p.m.

A special exhibit "Art for Children" will also run all week.

THANK YOU!

FOR YOUR

VOTE OF CONFIDENCE

I PLEDGE CONTINUED CONCERN FOR YOUR PROBLEMS AND THOSE OF THE STATE AND NATION.

Senator Ed Spens

If you're over 62 and retired, congratulations!

FREE SENIOR CHECKING

Marine Midland introduces free Senior Checking.

Life begins at 62, if you've just retired. And so does your free Senior Checking Account at Marine Midland.

Marine Midland thinks you've paid enough bills in your lifetime. That's why a Senior Checking Account with us will cost you absolutely nothing.

We'll give you colorful free checks and checkbooks. And free

deposit slips. We'll even give you postage-free mailing envelopes to save you a trip to the bank. And there's no maintenance charge whatsoever.

Where do you sign up? Just come in to any Marine Midland branch in Nassau County and start enjoying the fruits of your retirement. We think you've earned it.

## Ramblin' Rose

By Rosemary Walsh

Hi — last week I was talking about all my losing teams (and I know I've still a few on record)

but over the weekend something came to my attention that made my old heart feel good — I sup-

pose I should first say that Jim and I scored 29-years that's how long it's been 29 years (got to

remember I was the only 10 year old bride around). Now back to our district, I found out that one of the ladies' volley ball groups, more locally known as the "Lags," have started their 11th season, I can recall when Joe Madden and Yours Truly helped them to organize. God all these things make me feel ancient, but apparently not these gals — cause

the new young players coming in can't defeat them. I guess, as with many other things they only improve with age, lots of luck and keep going — by the way that's what we are still here for — to help.

Speaking of help — assist — broadcast — (call it what you will) for another of my giant family out there — the P.T.A. Council is sponsoring a basketball game on Friday, November 20, at 8 P.M. in the Boys Gym of the High School. It will feature Elementary versus Secondary (teachers and I'm sure that if you search elsewhere in this issue you will find out who they are. Get out and cheer for your favorite. All receipts will be used for the Hicksville Council of P.T.A.'s Vocational and Technical awards plus General Funds. The tickets are on sale at your local school and at the door — but don't wait for the last minute, should be too much fun to miss.

Our Recreation Hockey Team is still, as I told you, new and undeveloped so — like lots of others that I support it was Hicksville 1, Carey 2, the single goal was scored by Kevin Sweet. Season is now 0-2.

Back to the Recreation Department, they are on the move in two new areas along with the regular centers etc. The Bowling program at Mid Island is ready, willing and able to accommodate. Every Saturday at 9:30 there will be free instruction, free shoes, trophies for a finale, all at 55 cents per game. Also all you little thespians, attention — the Children's Theatre is readying to do a major production of Peter Pan commencing Saturday, December 5 at 12:30 at the Junior High Auditorium (more on this later). Exciting things are occurring all around so I must ramble. See Ya!

### Hicksville Public Library

A man generally chooses to reveal his life and thoughts these days with the help of a ghost writer and/or extensive documentary aids, newspapers, memos, etc. This type of formal autobiography has the great advantage of hindsight and second or third thoughts and can make the subject appear to be a great statesman in retrospect. This approach can be used to try to justify controversial stands or actions that failed e.g., Anthony Eden's memoirs discussing Suez. These same memoirs were, of course, an invaluable record of the 1930's with all of the lonely struggles of a government official who suffered through the appeasement years in Europe. Casanova's memoirs may be a form of self-aggrandizement in another direction.

Some of the most impressive portraits of people and events have been contributed by diaries or journals. Many have become literary classics and some, such as Boswell's and Pepy's are a basic source of information about the times, in this case, 17th and 18th Century England. Triumph and tragedy are nowhere as current and vivid as in the reactions and emotions of these day to day diarists, some ordinary people living in dramatic times such as Civil War soldiers, some doomed like Anne Frank, some revealing churlishness and ambition along with great accomplishments as in the journal of Harold Ickes.

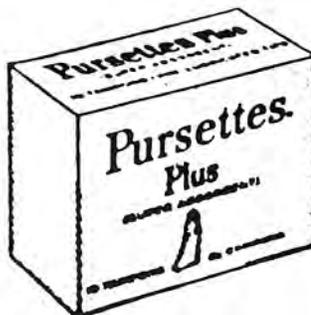

One of the most recent and fascinating autobiography of this type is "THE WARTIME JOURNALS OF CHARLES A LINDBERGH (1938-45)", recently acquired by the library. Lindbergh, who many of the young associate only with his New York to Paris flight, has had a very controversial career. He made some remarks about Jews leading us into the war that has haunted him ever since.

## J.F. Kennedy Sports Report

"We are No. 1". That is what the crowd yelled at the football game on Saturday, November 7th at Plainview High School between Levittown Division and John F. Kennedy High School. Kennedy won its second Fall Division III League Championship.

One week ago, the soccer team captured the league title and on Saturday the Kennedy football team beat Division Avenue High School 30-26 and thus won its first football championship with an unblemished record of 6-0. This was a real fine team effort. Both teams entered this championship game with identical league records of 5-0. Both teams played their hearts out. The lead changed hands several times.

Levittown Division High School was leading with just seconds remaining as Kennedy faked a field goal and scored with the winning touchdown.

In the morning, the Junior Varsity Football Team lost its second game of the season to Levittown Division Junior Varsity. Kennedy's overall League record is 4-2.

Congratulations to two fine football teams for a job well done. John F. Kennedy's Varsity Football Coach is Mr. Bud King. The Junior Varsity Football Coach is Mr. Richard Giampietra. J. F. Kennedy's Athletic Director is Mr. Ralph Dreyer and the Plainview-Old Bethpage Athletic Director is Mr. Michael Bannardo.

## All-Faculty Basketball Game

An All-Faculty Basketball game - Elementary versus Secondary Schools - will be sponsored by the Hicksville Council of P.T.A. This event will take place on Friday, November 20th - 8 P.M. at the Senior High School Gym. "We guarantee a fun filled evening for the entire family!", said Mrs. Lawrence Dagna and Mrs. Gerard Kane, Council's Ways & Means Chairmen. "Parents and students - get your score cards ready, here are your players -

pick out your favorites then come out and root for them." On the Elementary School level, Dutch Lane will be represented by Mr. Marty Cohn. East Street School has strong support with Mr. Steve Tomaini, Mr. Bob Hilsky and Mr. Buddy Tomaini. Fork Lane will come through with Mr. Greg

Pisani. Coach Nick Montefredo and Mr. Howard Schack are the volunteers from Old Country Road with Mr. Pat Quinn signing in for Willet. Mr. I. Rienzo and Mr. D. Skupinsky from Woodland Avenue completes our Elementary Schools. Our Secondary Schools are sending Mr. Buddy Bryan, Mr. Bill Matros, Mr. Don Groening and Mr. Gary Schwartz from the Junior High along with Coach Frank Coletta, Mr. John Poon and Mr. Dave Abt and Mr. Leo Kanawada from the Senior High School. "Tickets will be on sale at all individual schools and the donation is one dollar. The proceeds are for our Vocational and Technical Scholarships", said Mrs. Robert Hughes, President of Hicksville Council, as she asked everyone to support this very worthwhile project.

## Plainview High School Sports News

(Continued from Page 1)  
Game on December 30.

The Plainview Varsity Tennis Team had a mixed year, achieving great things and then being hurt by injuries and illness. Playing in the toughest league on Long Island, which includes the top boy and girl players in the east, the singles players led by Guy Berliner, Ricky Gelb, Doug Resnick, Curt Samuels and Saul Kagan played aggressive tennis to pile up more than a 500 average. Particularly outstanding was Doug Resnick, playing only his second year, who scored victories over Great Neck South, Port Washington, Garden City and Westhpage.

It also marked the first time we scored on the powerful Great Neck teams, taking two points from South and one (the first team not to be shut out) from North.

The doubles players, led by Rick Kronen, Bob Binder, Glenn Skwerer, Paul Basuk, Rick Stein, Mitch Ezrin, Vinnie Pacifico, Ken Epstein, Jim Laleggio and Steve Rubenstein, will have to provide the nucleus for next year's team as all but one of our singles players are seniors.

The fall of 1970 was the second Cross Country season in Plainview High School. Last year Mr. Marcal, the team's coach was told not to play league meets because the team would lose every one and end up last in the division. The truth is, the team has improved greatly since its beginning in 1969 and not only won meets, but also performed respectably in the North Shores and Sectionals. This year Steve Byers, the team's No. 1 runner and last year's Most Valuable Player, came in 8th in the North Shore Meet, and was named to the All-North Shore team. Byers also came in 13th in the Nassau County Coaches Meet. For these efforts he received two medals - the first ever for the Cross Country team. The first five men count in the scoring. Byers is No. 1, and the others are John Molloy, Ed Malloy, Jeff Warren, and Tom Caridi.

In regular meets this year the team beat Mineola, Plainview Kennedy, West Hempstead, Lawrence, Seaford and Kings Park. One meet was lost to Port Washington by one point. The Plainview Girls Varsity Swim Team has a League standing of 2-wins, 2 losses, and 1 tie in the Eastern Section. Their over-all standing is 3-6-1 in both sections. The team is coached by Miss McLaughlin; the captain is Kay Fagan and co-captain is Mary Priestley. The managers are Dianne Weitzenfeld and Valerie Hipple. Members of the team are Cindi Silverman, Mary McDonald, Nancy Peche, Kathy Kiernan, Andrea Gwosdow, Pat Murphy, Allison Granlund, Sue Lurch, Chris Fields, Pat Laleggio, Pam Burchell, Maryann Burchell, Pat Hopper and Marcia Nerenberg. The team will be participating in the Eastern Sectionals at Long Beach on November 10th with the other schools in the division including Uniondale, Wantagh, Farmingdale, Hewlett, and Long Beach. They will also go on to Intersectionals which will be held at Farmingdale High School on November 13th at 4 P.M. All spectators are welcome.

Respectfully submitted, Anne Gregory, Recording Secretary, Hicksville Community Council

## On The Campus

Six PLAINVIEW area residents are among 1,412 freshmen and transfer students enrolled at the State University College at Potsdam. They are:

Elizabeth Burke, 84 Parkview Street, Plainview; Anastasis Ebe, 2 Maxine Avenue, Plainview; Richard Hall, 543 Woodbury Road, Plainview; Charles Levine, 26 Phipps Lane, Plainview; Jeffrey Snow, 16 Oak Drive, Plainview; and Anita Weisberger, 18 Agatha Drive, Plainview.

Miss Marianne Murray, daughter of Mr. and Mrs. George Murray, of 16 Cloister Lane, HICKSVILLE, a sophomore at Rivier College, was formally installed as a member of the academic community.

A new faculty member from Queensborough Community College is James M. Landers, Instructor, Health and Physical Education who lives in HICKSVILLE.

## Hears Leaders

(Continued from Page 4)

Avne from "residential" to an "apartment house district." On November 17th, at the Town Hall, Oyster Bay, this issue will be on the agenda.

An announcement was made that Fire Commissioner elections take place on December 8th,

Wherever you move . . . Call the Welcome Wagon hostess. She will bring her basket of gifts and friendly greetings from civic and business neighbors of the community.

## Begins Career

Miss Christine O'Connell of 31 Gates Ave., Plainview, has begun her secretarial career following completion of her studies at The Berkeley-Clearmont School, Hicksville.

Miss O'Connell has become a secretary with the New York Telephone Co., Hicksville.

# SPORTS

By

Howard J. Finnegan

As a reward for finishing last (seventh) in their respective divisions of the North Shore Athletic League Hicksville and Plainview are scheduled to meet at Hicksville, Saturday, afternoon, in the first phase of the Best of the Worst Bowl.

In this dismal playoff year this spiritless, humiliating arrangement takes the place of a traditional non-league opponent. There used to be a chance for a luckless team to rise up and redeem or console a poor season with a victory over a strong opponent.

The stimulating reward for a victory over Plainview will be to play the seventh place winner from South Shore Section one or two. That playoff is between Berner and Hewlett.

Saturdays North Shore loser meets the South Shore seventh place loser in the eighth game of the season.

That eighth game could have been at Hicksville but local authorities flatly refuse so those Hicksville fans loyal to the end will be forced to make a long cross island trip to see the game.

It should be pointed out that Hicksville players tried manfully against Syosset could not overcome the combination of talent, training and facilities that built the host team. Hicksville lost its sixth straight 28-7.

The last Hicksville winless season was in 1940 when the school was the smallest football playing school in Nassau County. Six straight defeats to Great Neck 20-0, Port Washington 43-0, Chaminade 41-6, Mepham 23-6, Mineola 52-0 and Farmingdale 34-19 completed a cycle of 18

straight defeats in three winless years.

Hicksville opened the 1941 season with an historic 9-9 tie at Chaminade in a night game and followed the next week with its first win - 13-6 over Port.

Hicksville will break the losing streak against Plainview. Our Pick by an 18-13 score.

That Doctor Michael Contant who challenged for the Suffolk County Assembly seat of House majority leader Perry Durea is the same Michael Contant who slammed home the sudden death field goal at Oyster Bay some fifteen years ago.

That dramatic basket gave Hicksville and Chet Jaworski one of the great victories on the Baymen in that once proud and fierce community competition.

The competitive edge of the ex-Comet has not dwindled. He took on the speaker in an absolutely hopeless cause and was defeated 52,000 votes to 13,000.

Do not be surprised however if one day he realizes public office if by will of persistence alone.

The Hicksville Alumni will renew its traditional

Thanksgiving Eve Faculty-Alumni basketball game this year. A dance for students will follow the game. This was an Alumni feature for 18 years before the schedule became crowded and forced it to be dropped.

All proceeds to the Alumni's annual Athletes Dinner which is held in the Spring.

The original 1970-'71 basketball schedule for Hicksville High incorrectly had the Orange playing Uniondale at 4:00 p.m. on Christmas Eve. The correct time

and dates is 4:00 p.m. on Tuesday, December, 29th. The game will be in the Hicksville Gym.

The Jay Vee contest with Plainview will not be played Saturday morning but has been carded for Plainview on Monday after school hours.

## On The Campus

Enrolling as freshmen at the University of Rochester this fall is Alan L. Percher, 70 Forest Drive, JERICHO, Alan J. Kreiger, 113 Bud Lane, Marc. S. Mondschein, 61 Kingfisher Rd., Myra J. Rosenberg, 15 Border Lane, Stephen M. Teich, 4 Horsetoe Lane, all from LEVITTOWN, and Stephen J. Berman, 56 Mitchell Ave., Scott A. Cardiner, 18 Jeremy Ave., Ellen W. Chaplin, 31 Cornet Lane, Martin D. Cohen, 83 Haypath Rd., Gerald S. Ginsberg, 88 Lent Drive, Thomas J. Jansch, 15 Fordham Drive all from PLAINVIEW.

Miss Deborah Ann Competello of 33 Winston Drive, Brentwood, a student at The Berkeley-Clairemont School, HICKSVILLE, is recipient of a Buttonwood Foundation scholarship.

Miss Competello is the daughter of Mr. and Mrs. Victor Competello, formerly of Queens Village. She is a graduate of the Academy of St. Joseph, Brentwood.

# The Villager

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

Organizational, community and general interest news should be submitted typewritten or printed, double-spaced, in duplicate. Either drop off or mail to Editor 13 Millpond Street, Jericho. Deadline for insertion, Monday noon. Telephone WE 8-1965.

## School Superintendent Replies To BCA Letters

The October 29th issue of The Villager contained two letters which were sent on October 21st to the Jericho Board of Education by Don Becker, President of the Birchwood Civic Association, upon the recommendation of the association's Board of Directors. The Board of Education forwarded the letters to David Nydick, Superintendent of Schools, who answered both letters with the following letter dated October 26th.

"As you know the Board of Education has asked me to respond to your two letters of October 21.

Relative to security at the Jericho, Jr./ Sr. High School, it is the intent to provide reasonable protection in relation to the program. By this is meant that we have staff members assigned to hall supervision in strategic positions. Obviously with the flexibility of our program, access to the doors must be available. We have students and staff members entering and leaving the building for a wide variety of reasons at many different times.

Staff members are alert to strangers who may enter the building and are directed to challenge anyone who is unknown. Naturally, there are parents who are known to the staff and would probably not be

stopped. In summary, where possible, doors are locked and halls are supervised. As has been pointed out in the past, it is not practical to have the kind of security which exists in a smaller elementary building.

In relation to your concerns regarding the incident at the Robert Seaman School, I am enclosing a letter which was sent to all parents of children in the school. I believe this gives an appropriate description of the incident.

I am sure you understand that the individual student cannot be discussed in detail. It is necessary that his rights are protected in the same way we would to protect any child.

Rest assured that we have thoroughly analyzed the matter and have taken all appropriate action regarding the child both punitive and rehabilitative. The report in Newsday was erroneous in that the child was not returned to school on the following Monday but more than a full week later following a full evaluation and subsequent determination to take the action. We are sensitive to the concerns of all parents.

Thank you for bringing these questions directly to us. If you have any further questions, please feel free to contact me."

## 19 Student Musicians Picked For Festival

"The accomplishments and the honors which our young musicians have accumulated during recent months result in a record which we point to with genuine pride," stated David Nydick, Superintendent of Jericho Public Schools. Mr. Nydick joined Paul J. McKee, Principal of Jericho Senior High School, and John Norton, Chairman of the Music Department, in announcing the selection of 10 Senior High instrumentalists who will participate in the New York State School Music Association Festival. The outstanding young musicians are:

Joseph Bass-String Bass, Janet Dwoskin-Flute, Carolyn Fialkow-Violin, Laura Herrick-French Horn, Wendy Foxman-Violin, Ross Kaufman-Saxophone, Amy Klinaw-Cello, Barry Kornblum-Saxophone, Rita Krausser-Cello, Susan Lubo-Violin, Elliot Marshall-Saxophone, Glen Metzner-Clarinet, Stephen Molina-String

Bass, George Ploska-String Bass, Ann Roggen-Viola, Deborah Schindler-Viola, Lynn Schwartz-Oboe, Jacalyn Stanger-Violin, Richard Stein-Trumpet.

In addition four students from the Jericho High School have been honored by selection to perform at the New York State School Music Association Concert, to be presented at the Concord Hotel in December. Twelfth graders Ann Roggen (viola) Stephen Molina (bass), and eleventh grader Deborah Schindler (viola) will perform under the baton of conductor Frederic Fennell. The students' performance will be a highlight of the Music Education National Conference.

Alan Arnold, Jericho instrumental music teacher, reflected on the talents of the young musicians and the "Outstanding progress they have made since we began working together at the elementary school."

## Syosset Bd of Ed Meeting Nov. 16

The regular monthly meeting of the Syosset Board of Education has been rescheduled for Monday, November 16, 1970.

The meeting will be held at the Split Rock Elementary School, starting at 8:30 p.m., instead of South Woods Junior High School, the usual site for regular Board of Education meetings.

Simeon A. Wittenberg, President of the Syosset Board of Education, said that the location change to Split Rock Elementary School was made to determine whether rotation of meetings at various schools in the district would increase public attendance and to extend communication within the community. Residents

are invited to participate in a tour of the Split Rock building at 8:00 p.m.

Board of Education members intend to keep the public informed on critical educational matters and hope that the public will take this opportunity to express their concerns about their child's education.

## Generation Gap Talk

At Sabbath Services on Friday night, November 27th, Temple Or Elchim of Jericho will hold a discussion at the Oneg Shabbat on the theme, "Teen Age and Adult Hypocrisies". A panel composed of four members divided equally between adult

## Ten Pin Talk

by Henry Dockswell

When we first entered Syosset Lanes this past Monday night things seemed fairly normal, to the naked eye that is. Off to a side you could see Nat Warren and Mac Cushing standing; and talking very animatedly. Marv Kahn was shaking hands with everybody, Buddy Flanders walked in with another bandage on his right wrist and with still a lighter ball than the previous week and Davey Kaye was lamenting his luck on the 17th hole. On the surface everything seemed to be as we mentioned, fairly normal.

But it wasn't. No sooner did the call "You can now start your league bowling, good luck" ring out then the hex hit. Almost as far as the eye could see, with only a few exceptions, you could see splits showing up as the lead-off men threw their opening shots. Such was the evenings pattern, splits, chops, misses, strike splits and a few more teeth gnashing frustrations that usually attach themselves to league bowlers.

For instance: Buddy Flanders couldn't buy a strike until midway through the second game, in five frames Sid Sachs had a split, two chops and two misses. Irv Herskowitz took a header once as he let the ball go, then Sid Sachs threw a ball which drove the 4 pin against the wall and it bounced back on the alley to stand insolently upright where the 5 pin normally stands. There was more but we don't have that much space to enumerate.

However, there were a few guys that managed to shrug the hex off, for a while anyway. Sam Saitz thumbed his nose at the evil spell for the first two games. He cracked a 232 and a 202 to almost lead the Sid Langs to victory. They lost to Flanders "Floozies" 6-5. Sam succumbed to the hex in the third game. We won't tell you what he bowled in that third game but we can mention that he had a 542 series. The "Floozies" remained in 2nd place.

The Sid Sachs' took a two notch jump up to 3rd place when they just managed to squeeze out an 8-3 victory over the Murray Sussmans. Captain Sachs slammed a 209 in the opener to win that one and Captain Murray came right back to fire a 208 to take the second game. The rubber game went right down to the wire and when Sachs threw a strike in the 10th frame they won it by two pins.

One team did manage to score a shutout. The Nat Warrens whitewashed the 3rd place Robby Goldsteins even though Captain Robby threw a 209. The Goldsteins dropped to 5th and the Warrens jumped 4 places to 8th. We heard one of the fellows comment, "Boy, this has been a long night." And that it was.

Here are some of the other men that ducked that flying witch's brew: Phil Roggen 224, Norm Ney 214, Mel Corwin 210 and Jack Jacobs a 207.

In case you weren't counting, only 9 games of 200 or better were thrown. That's almost an all-time low.

and youth will discuss the theme. The whole program is being offered as an attempt to bridge the generation gap. In this day of the polarization of youth vs the establishment we feel this is a very timely discussion. The public is cordially invited to attend services at 8:45 P.M.

**RAPT ATTENTION** - Eyes and ears of Syosset High School students are glued to fellow student performers presenting a medley of folk songs during a recent library concert performance. Student musicians regularly present a variety of programs, ranging from rock to Bach.

## JERICHO FIRE BELL

WRITTEN MONTHLY BY THE MEMBERS OF THE JERICHO VOLUNTEER FIRE DEPARTMENT IN THE INTEREST OF FURTHERING COMMUNITY RELATIONS.

The first chill of the year is now upon us and outdoor living is a thing of the past. Once again we will be moving indoors for the winter. Now is the time to take a long look at those areas in your home that would prove to be potential fire hazards.

A good place to begin your home fire prevention inspection would be your garage. Discard those old paint cans and rags that you used this summer and get rid of any combustible material that may have accumulated in the past few months. You may even find room for your car now. Check your lawn mower and be sure to drain the gas tank. Discard any gasoline still left in your gas can; we hope that it's an approved type. If you are one of those lucky pool owners, be sure to discard any chlorine left over or make sure it is stored in an air tight metal container. Concentrated chlorine, when exposed to moisture, generates heat and could cause spontaneous combustion.

Once you are sure your garage will pass inspection, move indoors and check your heating system. Your oil burner should be checked for any leaks and accumulated carbon and grime. Have a qualified service man clean and adjust the entire unit for proper operation. Don't neglect your chimney either. Accumulated carbon in your flue could be a potential hazard. If you have gas heat be sure the unit is inspected periodically by

## Anti-War Film Slated

"POWERFUL...INCISIVE" the New Yrk Times calls the famous anti-war movie "The Year of the Pig." To be presented at the Jericho High School on Wednesday, November 18, at 8:30 P.M. Sponsored by Concerned Americans of Jericho For Peace.

LILCO for proper operation. If you detect any odor of gas call LILCO immediately. Any portable electric heaters should also be checked for proper operation and connected to a circuit of ample amperage. Follow the manufacturers instructions at all times.

Examine all electric cords on lamps and appliances for fraying, loose connections, cracking or exposed wires. Replace any damaged cords immediately. If you plan to use your fire place check the damper before you light the fire to be sure it is open. Use a glass or metal screen in front of the fireplace to prevent flying embers from starting a fire in the room. If you have a dry powder or carbon dioxide extinguisher, now is the time to check to see that it is fully charged. If you don't have a fire extinguisher you can purchase one for a nominal sum at most auto or department stores. If you ever have need to use a fire extinguisher, be sure to also call the fire department and have them determine that all the fire has been extinguished.

Fire prevention should not be neglected... it is a full time job. Do it now!

AS ANOTHER COMMUNITY SERVICE THE JERICHO FIRE DEPARTMENT WILL ENDEAVOR TO ANSWER ANY QUESTIONS PERTAINING TO FIRE PREVENTION AND FIRE SAFETY.

Please address your questions by mail to:

The Jericho Fire Department  
 Broadway  
 Jericho, New York 11753  
 Attn: Community Relations Committee

We will publish the answers to those questions of general interest.

## Reminder to BCA Officials

All Birchwood Civic Association Officers and Directors are requested to be at the Town & Country Diner by 8:45 P.M. for the regular monthly meeting scheduled for Tuesday, November 17th. If unable to attend, please notify President Don Becker beforehand (681-3069), or contact any other fellow officer.

# Town Board Schedules Hearing For Rezoning

Town Supervisor John W. Burke said that the Town Board has scheduled an evening public hearing in addition to its regular day hearing for a rezoning request that would permit the construction of 127 apartment units on approximately 8 acres in Woodbury.

He said the Town has received an application from Irwin M. Roberts for a change of zone from Residence B to E-1 Apartment House on a parcel of land south of Jericho Turnpike. The exact location is 750 feet south of Jericho, approximately 1,200 feet east of Southwoods Road and west of lands owned by the Long Island State Park Commission.

"A hearing on the request will be held on Tuesday, November 24th at 10 AM and again at 8 PM at the Oyster Bay Town Hall, Audrey Avenue, and

interested residents will have an opportunity to speak on the matter," Burke said.

## Seeks Election

A local business man with long service in Volunteer Fire Department is seeking election as Fire Commissioner in Hicksville. Sanford (Sam) Weiss, with 42 years of active service and a native of Hicksville, is asking for your support. Sam is an ex-chief and ex-commissioner seeking re-election to this office. He is the son of the late Harry and Hannah Weiss. Hannah Weiss was the organizer and charter member of the Ladies Auxiliary of the Hicksville Fire Department, almost 60 years ago. His wife Kitty is still an active member of the Auxiliary.

Elections take place on Dec. 8 at the Hicksville Fire Dept. Headquarters on Marie Street.

## Correction

In last weeks paper, the Fire Prevention Poster Contest Winner for 1st grade, 1st place winner was Laura Jean Buckenmayer, whose name was incorrectly spelled.
