

## Hicksville • Jericho

Vol. 23 No. 47 November 19, 1970 COPY 10c

### A Letter to the Editor

Dear Mrs. Noeth:

The Hicksville Regional Beautification Committee, created by the Town of Oyster Bay in 1969, has been concerned with improving the appearance of some areas of the community and proposing new projects for the Town and the citizens to consider. The Committee has suggested a number of projects and filed numerous complaints about the condition of abandoned buildings and littered vacant lots. We have also presented a landscaping plan to the Town for the Gregory Museum and hope to have it funded and completed soon.

Represented on the Committee are various service and civic groups such as the Kiwanis Club and the Hicksville Community Council as well as other citizens with the common aim of gaining support to improve the environment of the District.

The Committee has long been aware of the location of the Kennedy Memorial as a natural focal point for a beautification project. To many approaching Hicksville from the north as well as passing through on the Long Island Railroad, this area represents Hicksville. We are seeking support, therefore, from organizations and individuals for a community effort to create a small formal park on this area featuring an outstanding piece of sculpture symbolizing the community. The park would probably feature greenery and permanent plantings rather than extensive flower beds. The design may be made by one of the schools architecture or designed by personnel of the Town of Oyster Bay. The exact details will, of course, depend on the response of the Town and community.

If this suggestion interests you or your organization we hope that you will make your views known to Councilman Ralph Diamond of the Town of Oyster Bay within a week or two. We plan to meet and discuss this project with him this month. Please note this land is the property of New York State and no taxes will be lost.

We hope to have your support. If you do write to Councilman Diamond will you please inform us.

Sincerely,  
Kenneth S. Barnes,  
Chairman  
Hicksville Regional  
Beautification Committee

## Chamber Of Commerce Hears Planning Experts

At a well-attended luncheon meeting last Tuesday, the Hicksville Chamber of Commerce heard two planning experts who both agreed that planning and the execution of acceptable plans for Hicksville should take precedence over other less critical areas of the Town of Oyster Bay. A lively question and answer period followed which covered more than the down-town area rebuilding that is obviously taking a long, long time, while office buildings and other important projects seek other areas.

Mr. Louis Siegler, Chamber member asked "Why a necessity to call in more planners when our own planning committee appointed by the Town Board has already determined what must be done. Hicksville is a graveyard," he said. "And I think we'd better do something about it soon or the patient will surely die on the operating table." Mr. Saunders said, "We are proceeding with all good speed consistent with responsible planning. My grandfather said, 'Measure one hundred times before you cut once'."

Mr. Kingsley Kelley who is first vice-president of the Chamber and for two years was chairman of the Town of Oyster Bay Advisory Planning Committee for Hicksville, stated "It is a good thing that the Town of Oyster Bay elected to use the same firm as used by the Bi-County Planning Commission of Nassau County. However, Mr. Casey of the Long Island Association stated at a recent meeting that applications for new office buildings on Jericho Tpke. should not come before Hicksville's need for office buildings. IT IS NOT SELFISH FOR HICKSVILLE TO INSIST THAT IT BE FIRST...IT IS SURVIVAL FOR HICKSVILLE THAT IT BE FIRST."

Mr. Kelley asked what plans for winter road care in the Hicksville business district had

the Town made. Mr. Saunders answered that trucks will be on the roads within twenty minutes of the beginning of the snowfall and that some new equipment is being readied for this period of the year. He said care of Town Roads would be even better than last year.

Mr. Kelley asked, "What about Broadway?"

Mr. Saunders answered "Conversations with the State on a possible exchange of equipment had been started recently but right now I know of no specific plans for Broadway, which is a State Road, regarding snow removal."

At this point it was suggested that Mr. Emory of the State Dept. of Transportation be sent a resolution from the Chamber requesting more efficient snow removal on Broadway and that individual letters follow this up, even though they might not be answered. This might help to alleviate snow removal problems.

Mr. Irwin Goldman asked "Can the Town of Oyster Bay meet the bill to do a complete job including clearing snow from the parking areas of Broadway?"

Mr. Saunders said, "Not at present."

Mr. Kenneth Barnes chairman of the Hicksville Regional Beautification Committee reported on suggested plans to make a park of the area surrounding the Kennedy Memorial to the Hicksville War Dead, and asked support for these plans from the Chamber of Commerce. (a full report of this suggestion in this issue of THE HERALD).

Mr. John Follis, Jr., Deputy Director of the Nassau Planning Commission also spoke on how important the Hicksville area was to the over-all plans for the development of both Nassau and Suffolk Counties. He complimented the Town Board on employing a fine firm to present a master plan.

## Lee Ave. Apts.

The story of people who love their homes, enjoy their neighbors, and would be happy to "put on a pot of coffee" for visiting Town Councilmen came out at the Oyster Bay Town Hall on Tuesday evening, when about 250 Hicksville residents were present to express opposition to a rezoning petition which, if granted, would put 111 townhouse units on the Giese florist property on Lee Avenue.

The petition of Jerry Spiegel for a change of zone from Residence D to Apartment House E-1 District on the 6.9 acre parcel should be well known to Hicksville residents, largely due to the organization SPOT (Society to Preserve Our Town), which is presided over by Emil T. Immesberger, a resident of Farm Lane, which is perpendicular to Lee Avenue. SPOT

## MEN IN SERVICE

Navy Petty Officer Third Class James R. Paul, son of Mr. and Mrs. Jerome Paul of 450 Division HICKSVILLE, was advanced to his present rate while serving at the Naval Air Station, Albany Ga.,

Airman Lawrence J. Fitzsimmons, son of Mr. and Mrs. James A. Fitzsimmons of 21 Beacon Lane, HICKSVILLE, has graduated at Keesler AFB, Miss., from the U.S. Air Force air traffic controller course.

### Prepare For Winter Driving

Nassau County Police Commissioner Francis B. Looney reminded motorists to prepare for winter driving conditions, and to be aware of their responsibilities in a Snow Emergency. "For safety sake," Looney said, "motorists should have their lights, brakes, tires, windshield wipers and defrosters checked before hazardous winter driving conditions begin."

Cautioning motorists about the dangers of driving in snow, Looney said, "We don't need heavy snow conditions to make driving in snow dangerous. Don't attempt to drive your car unless you have snow tires or reinforced tire chains on your wheels." He concluded: "Whenever snow creates dangerous driving conditions, the County Executive is empowered to declare a state of Snow Emergency. During a snow emergency any vehicle abandoned on snow routes will be deemed a nuisance, and towed away and stored at the owner's expense."

Snow Emergency Routes are designated county roads posted with large red and white signs carrying the legend, "Snow Emergency Route - No Parking During Emergency - Vehicles Towed Away." The Routes have been selected by the County Public Works Department to facilitate snow removal, reduce driving hazards, and insure the unhampered movement of emergency vehicles.

Students who live in Gorham Hall at the University of Rhode Island regard the dormitory as much more than a place to sleep. The 250 young people who have rooms in the new residence hall are participants in Project 70, an attempt to integrate the academic program into their living experience.

Steven A. Semelman of 52 Robin Lane, PLAINVIEW, is participating in the program, which emphasizes academic and cultural activities.

The airman, who was trained in airport traffic control, is being assigned to Selfridge AFB, Mich., for duty with the Air Force Communications Service. He is a 1969 graduate of Hicksville High School.

Two U.S. Air Force F-4 Phantom aircrews from Phu Cat AB, Vietnam, razed an enemy emplacement in the mountains 10 miles east of Dak Pek recently.

Flying the fighter-bomber strike was Captain Carl F. Parlatore, son of Mr. and Mrs. James E. Parlatore, 73 Glenwood Road, PLAINVIEW.

Captain Parlatore, a pilot and his fellow airmen dipped through the clouds and came under enemy fire as they pounded the mountainous target area, knocking out four military structures and a bunker and igniting two fires.

Captain Parlatore flies the high performance Phantom as a member of the 12th Tactical Fighter Wing. It is a unit of the Pacific Air Forces, headquarters for air operations in Southeast Asia, the Far East and the Pacific area.

The captain a 1962 graduate of Plainview High School, received his bachelor of business ad-

ministration in 1966 from Notre Dame (Ind.) University.

Marine Lance Corporal Donald J. Synder Jr., son of Mr. and Mrs. Donald J. Synder of 17 Basket Lane, HICKSVILLE, was promoted to his present rank while serving at Marine Corps Air Station Beaufort, S.C.

Navy Petty Officer Third Class Edward H. Kist Jr., son of Mr. and Mrs. Edward H. Kist of 6 Milton St., HICKSVILLE, is scheduled to return to the United States on Nov. 24 after a six-month tour of duty in the Mediterranean aboard the destroyer tender USS Shenandoah.

In addition to helping repair ships of the U.S. Sixth Fleet, he visited ports in Italy, Malta, Crete, Turkey and Greece.

Joseph P. Masters, son of Mr. and Mrs. Fredrick Masters, 25 Honvop St., HICKSVILLE, has been promoted to sergeant in the U.S. Air Force.

Sergeant Masters is a refrigeration and air conditioning specialist at George AFB, Calif. He is assigned to a unit of the Tactical Air Command.

The sergeant is a 1967 graduate of Hicksville High School.

## LIBRARY NOTES

With time flying a bit faster at this time of year and prices higher than ever, December is too late to regret that you didn't make some of your holiday decorations and gifts.

Now is the time to consult the magazines on display in our Browsing Area - the November issues have easy - to - make gift ideas.

Cute little animals made from felt and kitchen sponges - jewelry from polished stones - are to be found in American Home - Good Housekeeping offers directions for embroidered pillows and pictures - and a spectacular evening cape - (really not too difficult to do) - crocheted ponchos, animal toys and the sweetest yarn and terry cloth

dolls. Good Housekeeping also presents a Holiday Baking Cook Book in the same issue - (does graham cracker fruit cake sound good to you?) House & Garden tells how to find the perfect gift for everyone on your list - there are ideas for the affluent but nevertheless fun to contemplate. House Beautiful has decorations they claim the children can make - so perhaps even the UNHANDY among us can manage them - also House Beautiful shows luscious wrappings for the patient (and handy).

Among our books on Christmas see the New Ideas for Christmas Decorations by Nora Fields - wreaths that are a bit different - and a castle made of those same graham crackers.

## SPORTS

By

Howard J. Finnegan

The Hicksville - Plainview match was a playoff between two seventh and last place division one and two teams.

From the very small crowd - possibly the smallest in Hicksville history - there wasn't much interest in it. A late switch to 11:00 a.m. which came after all newspaper deadlines closed did not help.

The switch was made as a courtesy to Plainview which had its other high school, Kennedy, involved in a first place divisions three and four playoff in the afternoon.

The playoff system cost Hicksville taxpayers in the region of \$2,000.00 since that would have been the gate if a non-league traditional opponent had been played.

As winner of the North Shore seventh place bracket Hicksville faces Hewlett at Hewlett this Saturday in the 1970 season finale. Hewlett won the South Shore Division one and two bracket playoff for seventh place over Berner of Massapequa. Game time is set definitely at 1:30 p.m.

Hewlett had only two games at home this year while Hicksville had four. Playoff rules require the season's eighth contest to be at the field of the team with the fewest home contests. Regardless of the conditions.

For those who are going to make this useless trip Hewlett can be reached by turning south off Sunrise Highway, after passing through Lynbrook, on Peninsula Boulevard. When you reach the third light turn left and after a quarter of a mile or so you should reach the Hewlett High field.

The contest will afford the Hicksville players a chance to enhance their stature. And they are not bad football players. If the Orange scores first it will be HICKSVILLE 21, HEWLETT 14 - if not.

Hicksville evaded the torment

of a winless season Saturday by picking on neighbor Plainview for a 37 - 16 victory.

It was scored with a free hand as quarterback Bill Meddis took to the airways with startling results.

He passed 11 times. Seven were caught. Three went for touchdowns. Passing yardage realized 235 yards for Hicksville.

Talented Clint Brown, whose senior year was lost to constant injury, showed his smart step early on as he flashed in 21 yards for the first Hicksville score.

Tony Di Lorenzo converted from placement to give the Comets a 7 - 0 lead.

It began to look like a day like any other this confounding season as Plainview came right back with a 50 - yard scoring aerial. The Gulls then passed for the two point conversion and were in the vain 8 - 7.

Meddis immediately struck back. He tossed a jump pass to Tony Giacomaggio who went straight down the middle for 76 yards and the lead.

Brad Ernst circled wide for a two point conversion.

Ted Stefaniw kept Hicksville on the road to its first win after six defeats by taking a 56 yard touchdown pass from Meddis to give the Comets a 21 - 8 quarter and halftime lead.

It was Stefaniw again in the third period. This time he hauled in a 63 - yard throw by Meddis.

It was a big win for Hicksville and allowed coach Jim Grantham to flood the game with his long line of subs.

Tony Esposito tallied the last Hicksville TD on a 5 yard determined effort. Di Lorenzo converted.

As the game drew to a close Di Lorenzo kicked a rare field goal for the Orange and Black from the Plainview 38 - yard line.

It was only the fourth field goal in Hicksville football history. It goes back to the Orange's first victory in 1926 when ex - athletic

Director Lou Millevotte, then a student, dropped kicked two in a 6 - 0 victory over Westbury. It was the school's first gridiron victory.

Hicksville Junior High registered two impressive wins over Mattlin of Plainview, 14 - 0, and 36 - 8 over Mill Lane of Farmingdale.

In the strong win over the Farmingdale team, Hicksville scored early for a 14 - 0 lead. Tony Di Lallo ran in for five yards and Glenn Paffie caught a 45 - yard booming pass from Steve Cannone.

Other touchdowns came on a 7 yard run by Paul Curcio, a 38 - yard romp by Ed De Domenico and a three yard rush by Charles Calisto.

Jeff Thrope came up with two extra point conversions worth two points each and Cannone went the ground route for coach Howard Bowers for another two point.

Hicksville's line play contained Farmingdale consistently and was spearheaded by Gene Potenie, Walt Sydney, Vin Miracola, Rich Holly, Glenn Hoffman and John Pedranghulu.

The fired had not banked when the club moved against Mattlin. The Plainview team was determined but the Hicksville running game ground out two first period touchdowns and the Comets dug in to hold all day.

The scores came on a 6 - yard dash by Calisto and a 5 - yard smash by Curcio. He was also responsible for the two point conversion as he bailed over the three needed yards.

Quarterback Cannone used Jeff Thrope and Di Lallo deftly with his two other scoring backs and kept the Hicksville attack balanced.

Ed De Domenico provided the most explosive play of the day with an 80 - yard scoring return of an intercepted pass. It was nullified however by a clipping penalty.

# HAD

**HICKSVILLE AGAINST DRUGS**

BOX 405, HICKSVILLE

Dear Friends of HAD,  
During the last week, we have learned of a rumor circulating around our town.

We at HAD would like to clarify and inform you of the sick "game" that someone is playing on both you and your HAD organization.

HOW: By making telephone calls - telling whoever answers - "that he is from the HAD organization."

WHAT IS SAID: "They have information - by tapping telephone lines and recording the conversation - and that someone in the family is involved with the use of drugs."

WHO DOES IT: Whoever it is, DEFINITELY IS NOT FROM HAD!!! The person making these phone calls is bent on the self-defeating game of lying and misrepresentation. One thing is quite obvious - they would greatly benefit from our problem-solving peer groups.

Well, we realize that ever since the telephone was invented, people have been plagued with malicious phone calls. There will always be people who mistakenly think that lying and evil deception are philosophies to live by. To their warped mode of thinking, any worthwhile program must be destroyed. We at HAD have empathy for these people, for they are misguided in

a very big way. Don't they know that goodness triumphs over evil?

TRUTH, CONFIDENTIALITY & TRUST: Your HAD program is based on these 3 basics. We have never, and never will deviate from them. The people of HAD are volunteering of their time, energy and experience to help young people and adults. We deal with people and their problems; not only drug problems, but with life's difficulties as well.

### RUMORS AND OTHER LIES:

It is a sad, but accepted fact that both rumors and lies will always exist. We have every intention to continue our programs despite distorted information. We must, for we have a job to do; helping people help themselves and others. With our attitude of caring and understanding, we have absolutely no use for "CIA Tactics", such as "tapping telephone lines." Besides that fact, we don't have the money for such elaborate and unconstitutional equipment!

If we can help you, or if you have any questions about our programs, please feel free to call us at WE 5-9858, during these hours: Saturdays - Noon to 5 PM and Mondays - 7:30 to 9:00.

### SCHOOL CHILDREN'S STORY HOUR AT PLAINVIEW

A film, a cartoon and a story highlight the School Children's Story Hour at the Plainview-Old Bethpage Public Library Friday, November 20 at 4:00 P.M. The film is "Blueberries For Sal", Robert McCloskey's touching story of a boy and a bear who pick berries on the same hillside in Maine. The cartoon is "Harold and the Purple Crayon" a fantasy

about a boy who draws himself into wild adventures and then draws himself back into bed again. The program will end with a humorous story of role changing "The King and the Broom Maker".

Friday, November 27's program includes three stories "Pecos Bill and the Mustang", "Pittiee the Color Maker" and "Joe and the Snow".

All Plainview-Old Bethpage 5 to 7 year olds are cordially invited.

## "An Unsolicited Testimonial"

When any firm operates efficiently in every way, it is a credit to its owner. So it is with Hicksville's well-known restaurant, Frank's Alibi, located on Old Country Road just west of Broadway. Under the expert guidance of its owner, Frank Poggiali, Sr., this restaurant has for many years led the field in good food, good service and excellent catering service, as the large number of its patrons continues to prove, for no matter where one goes, its hard to beat, both in food, in service and in fair prices.

Frank's Alibi is always filled with well-pleased patrons, in the luncheon and dinner trade, in the bar service, in the take-out business (for everyone knows how delicious a pizza from Frank's Alibi really is!) and, last but far from least, in its catering to special parties for birthdays, engagement showers and wedding receptions.

The food is really great, and if its many patrons are like us, they probably have a hard time deciding what to order. The veal a la marseilles is really tops, but so is the steak, the pork chops prepared in several different ways, and the seafood and lobsters, straight from Frank's own tank. We've never been disappointed in the lobster tails, either, and, oh yes, every Friday the lobster bisque is something to write home about! So, our compliments go to that part of the Alibi team responsible for such food. To chefs Joseph Haley and Miguel Pacheco, to Jose Golozzo who specializes in pies and desserts, and to Francisco Negrón and Gonzalez Nelson who

complete the kitchen team. What consistently excellent results!

The service at Frank's Alibi is as good as the food...who doesn't know Freddy Miller, who has been at Frank's as long as Frank himself? And pleasant Molly Walker, the hostess, backed up with a really great team of waitresses consisting of Kay Oberg, Victoria McCabe, Clara Paul, Edith Lelina and Carol Ennis during the day and at night waiter Fred Miller and waitresses Minnie Zibelli, Nancy Krug, Lotti Strom and Carol Ray! They are all so efficient and pleasant.

Last but not least of course, is Frank's well-patronized bar, where Frank's two sons, Frank, Jr. and Jay reign with excellent help from Bob Lynch. Together this team mix those excellent drinks that help to make this local spot well-known all over Long Island.

All this may sound just a little over enthusiastic to our readers...but, the proof of the pudding is always in the eating...so, if you are not already among Frank's Alibi's customers...why not put our reporting to the test and stop in and try them. We're sure you'll be more than pleased and will probably become one of their "regulars".

Which brings us back to our beginning point, the efficient teamwork which makes Frank's Alibi so successful is a credit to its owner. So we end by saying to Frank, Sr., "You have a really good restaurant...a great team running it, and we on THE HERALD wish you many more years of well-deserved success!"

## Local Republicans Meet Discuss Election Results

By John Budnick

The post election meeting of the Ernest Franke Republican Club of Hicksville, on Friday, November 13, at the Old Country Manor was a review of the past successes of the Hicksville Republican Organization as well as giving a preview of its future.

At the meeting Jones Fund Trustee Bill Buchanan surveyed the results of the November third returns in Hicksville, concluding that the two-to-one victory of Rockefeller, as well as the victory for all the other Republican candidates argued well for the future and was a result of the hard work of all of the groups that made up the Hicksville Republican organization. Jerry Trotta, Hicksville's Executive Leader spoke also of the hard work put out not only by the club's members, but also those of the Center Island Women's Republican Club, the Hicksville Committeemen's Council; and all the Committeemen, the Young Republicans, and the Teen-Age Republicans, that helped not only to create the great victory for the party, but also helped to collect money for the finance drive. Trotta also noted that with some small continuing effort Hicksville

could surpass Plainview in the amount of funds collected.

Warren Doolittle, Town Councilman, from Hicksville, also thanked the club for the support he received. His 4,000-odd vote victory in Hicksville, as well as his 14,000 vote victory throughout the Town, was the result of the hard work of the organization. Doolittle also especially thanked the Teen-Age Republicans for their efforts.

Charles Lynch, membership chairman, announced that as of that evening there were some 990 paid members in the club, and announced the names of thirty new members of the club.

John Hill presented awards to four distinguished Republicans that evening. Francis "Andy" Anderson, Jay Schwartz, Jerry Trotta, and Tom Hogan were all rewarded for their service to the Club by the presentation of scrolls to them.

Steven Scaring, Program Chairman then introduced Mr. Elliot Zambougia, a Travel agent, who spoke about the problems present in traveling abroad today, as well as its joys. He especially hit home for the need to get a good travel agent to insure that your trip is the best possible - for you.

## Peace Corps Returnee

Last week, Mr. Alan Kneerr, a Peace Corps returnee, spoke to Mr. Sklar's class in American Studies.

It all began when Mr. Sklar mentioned Micronesia in class and sadly reported how little was known about the area.

Paul Kneerr, a student in the class told that his brother had just returned from there. The brother, Alan, a graduate of Hicksville High, agreed to speak. His presentation was on Video tape in order that other classes might see and hear a first hand account of life in the South Seas. Mr. Kneerr spent two years in Micronesia, the Trust Territories of the Pacific, controlled by the United States.

Most of his time was spent on a small island in the Truk Atoll, Pieserach (population 70).

Mr. Kneerr also showed some of the artifacts he brought home as mementos of the two years. These included war clubs, tools of wood and shell, and mar-mar (a term used to describe any decoration worn). There were also shell necklaces and lava-lava (a garment worn around the waist). He reported that in Truk, shirts are out-but skirts are long-to the knee.

Several students asked questions and some stayed after playing Alan with questions. He described how they lived, what they ate and many of their other customs.

Although he was in Truk to teach English as a second

Colleen Fagan, Sophomore, of 114 Knickerbocker Road, PLAINVIEW, is among the models, who are students are the New York Institute of Technology who will show Pappagallos of Manhasset clothes at the "Evening of Fashions" at the student Activity Center on the Old Westbury Campus.

## Ramblin' Rose

By Rosemary Walsh

My but these weeks roll around fast. This week it's good to say all my teams won. I know Army only tied but that I'll accept as a win.

You know in our High School there are many other activities besides sports of course. One that has recently come to my at-

tention is the "Mathletes" or Math Club, the faculty advisor is Mr. Gene Lovette. An unusual meet takes place twice each

year. Schools from city and the county compete on one day, by division or locale at exactly the same hour. It consists of a maximum of 5 men (could be less) and are given 25 problems to complete within a set period of time. Our division is Bethpage, Plainview, John F. Kennedy and Holy Trinity. We are to be represented by Steve Goldberg, President; Barry Dastin, Vice

President; Marc Drier, Varsity Captain; Ira Smilovitz, Student Council Representative. Erik Eriksson, Secretary-Treasurer etc. Ira was our top scorer last year. Sounds very different and interesting doesn't it? When it's over I shall surely bring you the results.

Speaking of results Hicksville's Hockey Team for the first time in its history is tied for last place 0-3. They were beaten by Chaminade 5-2. Kevin Sweet and Bill Alonge scored. Keep the faith, boys, you're new and fresh and it takes time and you do have good old Coach Jurgelevich behind you.

On the Recreation front — we have three ardent film makers, Liz Singer, Geri Lombardi, and Colleen Gallagher making pictures. They are so enthusiastic that it is difficult not to cooperate with them. Last summer the three misses made a film that was most interesting. By the way, program chairmen, note—a film made by students will be ready for distribution. If you are interested call WE 5-0000 ext. 200 and more information will be given.

In another release which you will find elsewhere in this edition please note—an old and dear member of my wide family of youth — Alan Knauer has returned from his Peace Corps Service (for which I'd like to take some measure of pleasure through encouragement and advice (gleaned from my young Jim's experiences.) God Bless this generation and please keep closing that gap it doesn't have to exist—they are the greatest! Must ramble now Loves ya!

### Youth Council To Meet Nov. 24

The next meeting of the Hicksville Youth Council will be held on Nov. 24, at the Hicksville Public Library, at eight o'clock.

Any adult or teen-ager who is a resident of Hicksville is welcome to attend.

If you wish further information regarding this organization call Lucy Lomenzo WE5 - 4141.

### Troop 17 Receives Gold Cord

On November 12, at the Mid-Island Council's Semi-Annual Meeting of Girl Scout adults, Mrs. James Karcher President presented Senior Troop No. 17 with the gold cord for their flag pole because their troop has been continuously registered for 32 years. Present Advisers and girls on hand to receive the award were Mrs. William Willis, Carolanne McVay, Jeanne Willis, President Mrs. James Karcher, Marion Ferchack, Carla Stemmer, and Mrs. Rocco Cannizzaro.

### Annual ORT Sabbath

The Plainview Chapter of Women's American ORT, in conjunction with the Bethview Chapter of ORT will enjoy their annual ORT Sabbath on November 20th at 8:30 p.m. at the Manetto Hill Jewish Center, 244 Manetto Hill Road, Plainview. Mrs. Iris Schumsky will be the Speaker and reflect on the daily lives and future as ORT Members.

On this evening all through the Long Island Region, members and their families will pray and enjoy a warm feeling of togetherness. Please come.

## J.F. Kennedy Sports Report

The John F. Kennedy High School Football Team which won its six league games played against Carle Place High School in the first round under the inter-league playoff system.

The Kennedy Eagles, winner of North Shore III were hampered by injuries to two of its starters, Bill Didio and Ray Maragni who did not see any action. The Kennedy boys tried hard, they played the No. 1 rated team in Nassau County and lost 14-0.

The team would like to thank the Plainview High School Football Team and its coaching staff, Mr. McNamara, Mr. Goldmeier and Mr. Veneziano for the telegram and good wishes.

The John F. Kennedy J.V. Football team beat Carle Place Junior Varsity Football Team 18-16.

The All-Division, All North Shore and All-County Soccer Teams were just announced. The John F. Kennedy High School Soccer team placed four of its players on the All Division Team: Bruce Battaglia, Scott Binder, Barry Lutchen and Scott Peters. Barry Lutchen and Scott Peters were also placed on the All North Shore Team and the 1st All-County Team. The two boys are the first Plainview Boys to receive such an honor in soccer. Congratulations to them!

Fireman David Crosby, Co. No. 3, twisted his ankle while working at a fire in the vacant building on W. Marie St. and Newbridge Rd. He was transported to Syosset Hospital via the Fire Dept. Ambulance. This is the building that was the object of recent articles in this column. Another injured fireman Jack Huttie of Co. No. 4, who was struck by a car last week, has returned to duty.

At the last regular Dept. meeting it was again approved to hold the 43rd Annual Parade & Drill on Labor Day, 1971. Walter Nygren, Lt. of Ladder Co. 1 and the Rescue Squad is the Chairman.

## Special Fire Chiefs Election In December

Hicksville Fire CHIEF Melvin Voorhies, announced at the last department meeting that due to illness, 1st Asst. Chief Marty Donlon of Engine Co. No. 7 has requested to be removed from the active rolls and placed on the honorary rolls.

Chief Donlon, an active member for almost 14 years served as Lieutenant and Captain of Engine Co. Seven. He was elected 3rd Asst. Chief in 1966 and rose through the ranks to 1st Asst. Chief in 1970. Marty was the

Fire Alarm Dispatcher for several years. A member of the Rescue Squad and was Chief in charge of the Fire Prevention Bureau and its inspectors who sponsored the annual poster contests and holiday open house programs. Chief Donlons service to his community will be missed by all.

As a result of Chief Donlons status a special election will be held for all department members on December 14th to elect a new Assistant Chief. 2nd Asst. Chief Lou Mertz is unopposed for 1st Asst. and 3rd Asst. Chief Mario Misturini is unopposed for 2nd Asst. A 3 way race is on for the office of 3rd Asst. chief. chief Voorhies will retain his office.

Ex-Captains William Ferber of Eng. Co. 2, John McMahon of Co. No. 4 and Roy Schaaf of Co. No. 7 are the candidates. Results of the election will appear in the December 18th issue of the Herald

## At Convention

Mrs. Shirley Smith, President of Fork Lane PTA, and Mrs. Barbara Rosman, President of Hicksville High School PTA, were among more than 600 delegates attending the 73rd Annual Convention of the New York State Congress of PTA at Grossinger's, Liberty, New York.

Among the resolutions recommended by the delegates were: an amendment to the present law to require 21 days to intervene between the last day of filing petition and school board election; a constitutional amendment enfranchising 18-year olds coupled with legal responsibility; K-6 text books a contingent budget item; Legislation to place currently tax-exempt commercial properties on the tax-rolls; gun control; and a change in marijuana penalties on youths.

Mrs. Smith and Mrs. Rosman found the two and one half days stimulating and educational. They said the greatest education came at the three meals a day while seated each time with a different group of delegates, they learned of the educational problems all over New York State. How these problems were met and solved in the various school districts was most enlightening.

## Operation VFW

William M. Gough, Jr. Post No. 3211  
By Lou Palladino

The time came when Mike Montelone had to resign his post as Jr. Vice. His reason is his work takes him away so often, he can't do justice to this important office. You just know he did this with regret. Mike is a sincere hard working boy, and none of us like to see this move. However, every cloud has a silver lining. One of our tigers was elected to fill his shoes. Young Rock Parrilla is the boy. The Rock feels he's to inexperienced to do the job, but this youngster is 100 per cent VFW and can't understand other Vietnam vets nor feeling the same way. We all know he'll try his damndest to do well. He also inherited the Americanism chair. Rock, you work at this office, as you have all the other jobs the post asked you to do, and we'll all be the better for it.

Sunday, Nov. 8th, County UVO (United Veterans Organization) had veterans service at Eisenhower Park. Proud to say, out post was the best represented of all the County V.F.W. Our colors and quite a few men besides, were there. Lu Blesi and her Aux. had their colors out in force. On top of all this, our Jr. girls unit headed by Frances Blesi were there. Both are presidents of their respective orders. Our Cmdr. Frank Aug is mighty proud to have such a fine representation. Our Jr. Unit look real nice in their uniforms. Harry Wurth had a crazy hat on, with the word Uassan (Nassau spelled backwards). Its the order of the Cooties. Or could it be lice or vermin. No, cooties sounds better. There was a Spanish American wartime Flag, with 45 stars present that belonged to one of the posts. Mr. Nickerson our County executive was present, and received a plaque, which I can't explain, because I just don't know. Something about his untiring work for the UVO. The O.D. tried so hard to be impressive in his commands, that he pulled a few boo boos. All in all it was quite impressive, and in this humble opinion a small but very nice way to honor all veterans.

We in Hicksville had our own service at the Jr. High School Mall Wednesday, November 11. The American Legion who were the host this year, and our post were the participants. Our town Executive was invited, but the poor guy was laid up, so the newly elected councilman Warren Doolittle represented him. It may be too late but they declared the week of Nov. 9th veterans week in honor of the prisoners of war, and the hardships they are forced to endure.

Again we had a nice turnout, along with our Aux and Jr. Unit. Our girls are really on the ball. Considering that so many people had to work this day, we had a fine turnout. Once again Frank Aug stick out your chest and be proud. In our little way, I find our local ceremony more impressive, and with more feeling. I wonder if

I could be just a little prejudice. Talking to a young G.I. the other day, he told me he was in Vietnam 14 months. Asked if he received any packages from us. The answer was no. So please, we can't do anything without your help. If someone in your family, or even a neighbor is in Korea or Vietnam let us know. Thank you. Lucky winner of our Raffle was Mike Melody. How do you like that, I just back from his honeymoon too. Oh well, maybe he needs the money. Hope to see you at the next meeting.

# The Villager

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

Organizational, community and general interest news should be submitted typewritten or printed, double-spaced, in duplicate. Either drop off or mail to Editor 13 Millpond Street, Jericho. Deadline for insertion - Monday noon. Telephone WE 8-1965.

## Hold On Downzoning Encouraged By BCA

In a letter sent to all members of the Oyster Bay Town Board, the Board of Directors of the Birchwood Civic Association has asked that requests for rezoning in the Jericho area neither be considered nor decided until the pending Nassau County Land Use Plan for the Hicksville-Jericho area can be studied. The Oyster Bay Town Board, it is understood, already holds this viewpoint informally.

Knowledgeable sources report

that Hicksville town center in the vicinity of the railroad station, will be developed with semi-hillside office structures. The plan, it is also reported, will recommend the development of the Jericho Turnpike vicinity between Route 107 and west to the Expressway junction as a mix of office structures, light industry and housing. The Civic Association is attempting to obtain detailed information on the not-yet-released plans.

## School Attempts To Eliminate Pollution

"We are planting bulbs not only to help stop pollution or to beautify our land or to make our school more presentable, but also to 'give back' something to the air and the earth." With these words, Joseph Klinow, sixth grade President of the Student Council of the Robert Seaman Elementary School, described the recent bulb planting ceremonies at Seaman.

Lionel A. Goulet, Principal, addressed the 94 sixth graders, teachers and parents in the assembly which preceded the actual planting of 300 bulbs around the entrance and front of the school. Mr. Goulet stated that he was "very proud of our students, faculty and parents for their mutual concerns in helping to eliminate pollution." The cooperation of the students, continued Mr. Goulet, "will make

our school and the neighborhood a better place, a healthier place."

Mr. Goulet also introduced Thomas Kramer, sixth grade teacher, who spoke of the Seaman School activities on behalf of the Clean Air Bill currently before Congress. Classroom discussions and poster making were among the experiences which took place prior to the culminating activity of planting the flower bulbs. As Mr. Goulet explained in a letter to Seaman parents, "the flowers will represent a positive contribution to the environment in that flowers manufacture oxygen and beautify the land."

Several parents joined the sixth graders and their teachers, Miss Joan O'Brien, Mrs. Carol Pecchione, Philip Turner and Mr. Kramer, at the afternoon "dig and plant" sessions.

## Board Reps Engage In Negotiations Seminar

Mrs. G. Kaplan and Mr. B. W. Cooper, representing the Syosset School Board, attended a two-day school board Negotiations Management Institute last month at the Kings Grant Inn in Plainville, it was announced by Mr. S. Wittenberg, president of the Syosset Board of Education.

The Institutes, under the direction of S.B. Hinman, Jr., director of personnel relations of New York State School Boards Association, provided participating school board representatives with background information on the Public Employees' Fair Employment Act and training in employer-employee negotiations management.

The Public Employees' Fair Employment Act of 1967 (as amended) mandates that the chief school administrator negotiate wages, hours and other terms and conditions of employment with recognized employee organizations. In order that school boards become better able to operate effectively in this

area of employee relations, the Association is sponsoring nine regional Institutes during the months of September and October.

Faculty members were identical for each Institute seminar and included John B. Hogan, school board attorney and negotiator; Arthur F. McGinn, Jr., President, Thealan Associates Inc., negotiations consultants; Dr. Robert Risley, Assistant Dean, New York State School of Industrial and Labor Relations, Cornell University and school board member; Dr. Eric Rhodes, President, Educational Service Bureau, Inc., negotiations consultants; Bernard T. McGivern, Counsel, and Stanley B. Hinman, Jr., Director of Personnel Relations, New York State School Boards Association, Inc.

The New York State School Boards Association, with offices in Albany, represents school boards responsible for the education of over 3,427,000 public school children in the State of New York.

## Ten Pin Talk

by Henry Dockswell

For the second week in a row the production of 200 games by the BCA bowlers has suffered from a bad case of anemia. Last week only 9 such games were thrown and this past Monday night, believe it or not, that 200 gong rang only 8 times. For a league that has been knocking out better than 20 each bowling night our observation last week of a hex hanging over the Lanes takes on a little more credence.

Murray Kowlovitz was the big man of the night. His teammates, the league leading Sid Holtzmanns, were doing battle with the tough 5th place Robby Goldstein's who just three weeks ago were leading the league. They split the first two games and it was in the rubber game that Murray's star shone its brightest. He whacked a mighty 244 to clinch an 8-3 win for the Holtzmanns and increase their 1st place margin to 10 points. Captain Robby Goldstein threw a 203 in that last game but he was out-bombed.

From then on in the standings, the 2nd place through the 7th place teams all lost and the entire league (with the exception of the last place Herb Brodys who suffered another shutout) tightened up.

Four of the eight 200 games that were thrown occurred in the meeting of the Milt Hoffmanns and the Lou Vladems. The Hoffmanns had the heavier artillery as Elliot Spencer rolled a 212, Captain Milt threw a 202 and Bill Kellerman curved a 200 to claim an 8-3 victory. Gil Stein rapped a 204 for the Vladems but it was a case of too little and too late. This timely win jumped the Milt Hoffmanns 4 places up to 5th.

The only other man to puncture the Magic Circle was none other than Sam Springer (who when asked to pick a number out of 1-2-3-4 picked 3 and was inducted into the Order of S—s). Sam threw a 201 to contribute to the 7-4 victory of the Hal Goldenbergs over the Sid Simons.

Next week there will be no Ten Pin Talk because of an early Villager deadline caused by the Thanksgiving holiday. But the week after we'll incorporate the results of both weeks to keep you up to date.

Have a Happy Thanksgiving!

## Salvation Army Christmas Appeal

The Salvation Army's traditional annual campaign for funds, the Christmas Appeal, is now underway. It began, this week, with the mailing of the Christmas Appeal Letter to all former contributors, soliciting their financial support in maintaining the Army's program of services to community members in need. Others wishing to contribute may mail their gifts to The Salvation Army, 111 Willis Avenue, Mineola, N.Y. 11501.

In Nassau County, in addition to its special Thanksgiving and Christmas programs of help to the needy, The Salvation Army also conducts a varied program of service through its two Corps in Hempstead and Freeport, the Men's Social Service Center in Hempstead, the Wayside Home School for Girls in Valley Stream, Booth Memorial Medical Center and 59 Service Units throughout the County. Another service, the Army's Nassau Mobile Emergency Feeding Unit, in responding to calls for help from

## Nydick Chairman of Annual Awards Dinner

David Nydick, Superintendent of the Jericho Schools, was Chairman of the N.Y.U. annual awards dinner held at the NYU Club.

Dr. Kenneth B. Clark, president of the American Psychological Association and a regent of the University of the State of New York, received the School's distinguished Award for Creative Leadership in Education and delivered the main address.

Dr. Paul W. Rossey, president of West Chester (Pa.) State College and an NYU alumnus and trustee, received the Ernest O. Melby Award for "distinguished service in the field of human relations," which was conferred by Dean Emeritus Ernest O. Melby of Lansing,

Michigan. Dr. Samuel Baskin of Antioch College, president of the Union for Experimenting Colleges and Universities received the Distinguished Alumni Achievement Award.

Dr. Clark is professor of psychology at the College of the City University of New York. He is author of "Prejudice and Your Child," "A Relevant War on Poverty" and "Dark Ghetto." In his talk he told social scientists that it is time for them to begin to assume their responsibilities for the human being in our society and become "monitors for social justice." He described the public's concern for environmental conservation, which, he said, we seem to use to avoid "our most important area of conservation - human being."

## Pre-Schoolers Films

The Children's Film Series of the Jericho Public Library has two more Tuesdays remaining in its present schedule. The films scheduled for November 24th are: Madeline's Rescue; Five Chinese Brothers; Harold & the Purple Crayon. On December 1st; Curious George; Andy & the Lion; Snow Man.

The films are presented at 10:30 A.M. sharp downstairs at the Jericho Jewish Center. The series for pre-school children is limited to 3-5 yr. olds, with a parent. Programs end about 11:15 A.M.

Police and firemen, each year serves thousands of sandwiches, bowls of soup, cup of coffee and other beverages to them and many persons displaced by fires and other disasters.

Volunteer women members of The Army's League of Mercy visit thousands of servicemen and other patients in local hospitals and bring gifts to spread Christmas cheer. Hundreds of Nassau youngsters from low-income families spend two weeks each year at Army camps in New Jersey and upstate New York. To the derelict, the unwed mother, the alcoholic, the homeless, the shut-in, the disaster victim and many others, The Salvation Army personifies "Compassion in Action."

## PTSA Movie Nov. 24th

## NOTICE TO BIDDERS

The Board of Education of Union Free School District No. 17 of the Town of Oyster Bay, Hicksville, Nassau County, New York (in accordance with Section 103 of Article 5-A of the General Municipal Law) hereby invites the submission of sealed bids on Tractor Mounted Snow Blower-1970/71:55, Meats for January-1970/71:56, Floor Maintenance Supplies-1970/71:57 for use in the Schools of the District. Bids will be received until 2:00 p.m. on the 1st day of December, 1970, in the Purchasing Office at the Administration Building on Division Avenue at 8th Street, Hicksville, New York, at which time and place all bids will be publicly opened.

Specifications and bid form may be obtained at the Purchasing Office, Administration Building, Division Avenue at 8th Street, Hicksville, New York. The Board of Education

was formed early this year, when Mr. Spiegel submitted a similar application. The application was withdrawn because of opposition of residents, with whom the petitioner hoped to have conciliatory discussions. Only one such discussion came about, according to attorney Charles J. Cronin, of Farmingdale, because SPOT restricted the petitioners as to topics of discussion at the meetings.

## Interesting Hearing

The large crowd brought in three chartered buses Tuesday evening provided quite a few hecklers, some eloquence, wit, humor and petitions containing more than 3,000 names opposing the apartments.

The petitioners showed a three-minute film of townhouses in Jericho, on which the design for the subject townhouses would be based. The film showed two-story attached structures, each with a different facade, the entire atmosphere providing a Colonial or antique Southern quality.

The subject development would have 25-foot roadways, with only one exit and entrance, to eliminate short-cutters through the development. Parking would be provided for 148 cars, as required by the Town of Oyster Bay building department. Garbage removal would be the responsibility of the owners, who would provide Dempsey dumpsters for storage.

An audible expression of disbelief came from the crowd when Mr. Cronin voiced an estimate, based on the Nassau County Planning Commission's report on apartments, that the complex would generate only 11 school children. 63 school children would be generated by one-family homes, he said. Mr. Cronin added that Mr. Spiegel's Jericho complex of 80 units had produced 12 school children, and

his Bethpage complex of over 90 units had produced only 4.

In all, Mr. Cronin said the residents of the Hicksville school might stand to enjoy a great economy, taking into account the higher taxes paid on apartments and the fewer number of school children generated.

The crowd didn't buy it, judging by verbal offerings from the audience.

Apartment rentals would range from \$250, for one of 16 one-bedroom efficiency apartments, to \$380 for 30 two-bedroom units. The complex also calls for 64 standard one-bedroom units which would rent at \$280. Mr. Cronin's suggestion that young marrieds and senior citizens would gravitate to the multiple dwellings brought catcalls from the audience. He added that all prospective tenants would have to undergo both a credit and a neighborhood check before acceptance.

## "HOMES"

A lengthy opposition, winding up about 11 P.M. with Mr. Immesberger reaffirming that the residents wanted "H-O-M-E-S for H-I-C-K-S-V-I-L-L-E," stressed that residents had come to Hicksville to avoid "fun city," and that the suburban, one-family residence character of the neighborhood should be maintained.

Eloquence was supplied in the person of Emil J. Szendy, an architect and former president of the Hicksville School Board, responsible, by his statement, for drafting the New York State building ordinance. Mr. Szendy, in addition to much professional opposition to the petition, supplied a plan of his own which would create thirty building plots for one-family homes.

Thomas Clark, secretary of the Hicksville School Board, read a letter into the record from UFSD No. 17 opposing the petition.

## LEGAL NOTICE

reserves the right to reject all bids and to award the contract to other than the lowest bidder for any reason deemed in the best interest of the District. Any bid submitted will be binding for forty-five (45) days subsequent to the date of bid opening.

## LEGAL NOTICE

Notice of Annual Election  
Hicksville Fire District  
Notice is hereby given that pursuant to the provisions of the Town Law and resolutions of the Board of Fire Commissioners of the Hicksville Fire District, the annual election for the position of Fire District Commissioner of the said Fire District will be held at the firehouse located on East Marie St. between Broadway and the Long Island Railroad overpass, Hicksville, New York in said Fire District on the 8th day of December, 1970 between the hours of 7:00 P.M. and 10:00 P.M. for the purpose of electing a Fire Commissioner for a term of five (5) years commencing January 1, 1971.

The Board of Fire Commissioners has designated that the Fire District shall be divided into (4) four election Districts and the polling place shall be located at the East Marie St. Firehouse, Hicksville, New York where all qualified voters of said Fire District may cast their vote.

The above notice is made pursuant to Section 175 of the Town Law and by resolution of the Board of Fire Commissioners, Hicksville Fire

District.  
A candidate for the office of Fire Commissioner must at the time of his election be a qualified voter of the Fire District.  
Every elector of the Town to qualify to vote for said office must have resided in the District for a period of thirty (30) days next preceding December 8, 1970.

Voting will be held by voting machine and the polls will remain open for voting from 7:00 P.M. to 10:00 P.M. and for such additional time as may be necessary for those present to vote.

Mr. Alfred Hack, of 49 11th Street, had done some fact checking at the corner of 9th street and Lee Avenue, which is a school crossing, and deemed that the traffic generated by the town houses would be hazardous.  
Mrs. George Gross said, "big deal" about the \$25,000 tax figure estimated for the townhouses. The development of one-family homes would still produce 600 percent of the taxes now paid by Glewco, she said.

Mr. John Willy, of 200 Cottage Ave., who called Mr. Cronin's presentation "paradoxical, contrived and fallacious" may have been responsible with his wit for turning the tide of the audience from one of ill-humored opposition to good humor. Supervisor Burke remarked, "Who dares follow Mr. Willy?" when the speaker sat down.

Many others did follow. Joseph Seeger, of 7 North Drive, predicted increase in garbage; John McGovern, of 8th Street, suggested that Mr. Spiegel acquire property in the vicinity of the Long Island Rail Road; Tom Costa, of 4 Brook St. opposed as a person very involved in the well-being of Hicksville; Robert Pardy and Marian Stiehl also opposed.

## LEGAL NOTICE

At the end of the hearing the Town Board reserved decision, and the Hicksville residents re-boarded the three buses which brought them and returned to their homes to await what they hoped would be a speedy decision.

Patricia Malezewski, 12 8th St., protested the ills of the city following those who left it; Lee Dell Hughes, secretary of SPOT, spoke in opposition; as did Anthony Cannizzaro; Herman Schleich, 137 9th St., questioned the type of fuel to be used. (Charles Cronin, asking an authority, said, "Come on, say it - solar rays.")

At the end of the hearing the Town Board reserved decision, and the Hicksville residents re-boarded the three buses which brought them and returned to their homes to await what they hoped would be a speedy decision.

Changes Date  
Of BOCES Meet

The Board of Education of the Nassau Board of Cooperative Educational Services, BOCES, has changed the date of its regular monthly Board meeting for December from the second Thursday of the month to Wednesday, December 9, 1970, at 8:15 P.M. This is being done so that the meeting would not conflict with the biannual meeting of the Nassau-Suffolk School Boards Association.

Those of the community interested in attending the BOCES Board meeting should not this change of date.
