Trinity Receives Recognition

Mr. Endorf shows by the Atlantic District Pastor Stammel the plaque awarded to Trinity Superintendent of Schools.

Dr. Richard H. Engebrecht, Superintendent of Lutheran schools of the Atlantic District, has awarded Trinity Lutheran School a plaque which states that Trinity has been accepted as an approved school in the District. This certificate of approval gives indication that Trinity has completed the necessary requirements and is entitled to the rights and privileges given to recognized schools of the Lutheran Church in the Atlantic District. New

York State Board of Regents granted the Absolute Charter to Trinity in 1960.

This recent award was made possible through the dedicated work of the faculty; parents and students at Trinity. Mr. Endorf, principal, stated "We are proud to be a part of a school system that demands excellence in providing a quality academic program and one that gives emphasis to the importance of God in a child's education."

Christmas Party At Republican Club

The annual Christmas party of the Hicksville Ernest Franke Republican Club, on Wednesday December 9, at the Old Country Manor in Hicksville was a great success. The two hundred odd people in attendance quickly disposed of any business to be transacted before the organization and quickly moved to the evening's MAIN business—the party. A grab bag was held, and refreshments served as in the normal course. Two special

Christmas cakes were sliced up and served, as was liquor. The Teen-Age Republicans and Young Republicans led the party, along with Bill Frecht, in singing Christmas Carols, after which there was dancing to the live music. The club's membership blasted the thousand mark that evening, and plans for the installation of next year's officers and next year's activities were widely discussed.

Construction In Tobay Soars

Applications for permits amounting to more than \$5.6 million worth of construction were applied for in a recent two-month period, according to Oyster Bay Town Councilman Edmund A. Ocker.

Ocker said that in October and November (1970) the Town

Building Department issued 392 permits of various types that will account for \$5,665,771 in estimated construction costs in Oyster Bay. Ocker said that more than \$3.1 million of this figure was accounted for by commercial construction applications.

Hicksville High Top Score New York State

Regent Scholarship winners were announced today by Mr. Raymond L. Rusch, principal of Hicksville High School. He was pleased to advise that of 2,341 scholarships won in Nassau County, 49 were garnered by seniors in his school. Furthermore, of a possible total score of 300, the highest score in the state was 287, achieved by Pamela Lambert of Hicksville.

Erik Erikson was among the top five scorers in the County. Hicksville was the only high school in the county to place more than one student in this elite group.

In addition to our 49 winners, Hicksville had 31 students designated as alternates.

Each Regents Scholarship entitles the recipient to an award

of \$250. to \$1000 a year, depending on family income, for up to five years of study at a college in New York State. Scholarship winners may also receive scholarship incentive assistance of up to \$600 a year.

Names of winners and alternates follow: Bernstein, Peter D.; Burstein, Dina M.; Catanese, Barbara; Drier, Marc S.; Eiting, Helene L.; Eriksson, Erik A.; Famigletti, Michael W.; Frohnhoefer, Raymond W.; Goldmacher, Roslyn; Hafter, Amy E.; Hecht, Judy K.; Jacobson, Robin L.; Kaak, D.C.D.; Katz, Barry S.; Kearney, John D.; Kotlar, Valerie L.; Kreyling, Conrad M.; Lambert, Pamela A.; Liban, Theodore B.; Malasky, Charlotte R.; McEntee, James T.; Meier, Steven E.; Melnitsky, Sheldon D.; Messinger, Paul E.; Morris, Jean; Muller, Susan A.; Palley, Andrew M.; Peltz, Debra; Platt, Neal R.; Fryor, Robert L.; Rakowski, Joseph J.; Ratner, Richard S.; Robey, C.J.; Rozos, John S.; Sarstedt, Frederick W.; Schorr, Aaron; Silverman, Gary M.; Soroko, Richard S.; Sternberger, Ellen C.; Sternberger, Wayne I.; Strehl, Susan M.; Strong, Diane B.; Toth, Raymond J.; Weiner, Deborah; Weinstein, Larry L.; Wheaton, Andrea L.; White, James F.; Wohlfack, Walter G. and Zussman, Ronnie S.

Christmas Tree Displayed At The County Museum

Public Works Commissioner Edward Borysiewicz today announced that the traditional old fashioned Christmas tree will be on display at the County Historical Museum in Eisenhower Park beginning Monday, December 14.

The Museum annually shows a tree decorated as it would have been in the late 1800's, with natural materials and homemade ornaments. This year the tree is bright with cranberry and popcorn strings, various fruits, nuts, pine cones, cornucopias filled with candy.

"Many of the old-fashioned decorations included in the display can still be made today,"

Edward J. Smits, Museum Director, pointed out.

A special free folder is available at the museum providing instructions on how to make Christmas ornaments such as colored paper chains, painted nuts, paper cornucopias filled with hard candy, construction paper snowflakes, decorated eggshells and the very traditional strings of popcorn and cranberries.

A special holiday display of antique train sets, including some by the famous Ives Company depicts the beginning of model trains as toys.

The holiday decorations will be on view until January 11. The museum is open daily from 9 - 5.

Alumni Cake Sale At Braun's Market

The Hicksville High School Alumni Association will hold a cake sale on Saturday, December 19th at Tom Braun's Meat Market, 77 Broadway, starting at 8:00 A. M.

Proceeds of the sale will go toward a scholarship from the Alumni Association.

It is hoped that the many friends of the Alumni will stop by and avail them-

selves of the opportunity to purchase any number of home-made "goodies" for the holidays.

Marge McGuirk, at OV 1-0207, is in charge of the sale.

The drawing for the Alumni's annual "Basket of Cheer" raffle will take place at the conclusion of the cake sale. Robert Paton is chairman of the raffle committee.

Hicksville Fireman Of The Year

Ex-Captain Joseph Eisemann of Engine & Hose Co. No. 2 was designated fireman of the year of the Hicksville Fire Dept. The awards were presented by the owners of the F&M-Schaefer Brewing Co. Each year in Nassau and Suffolk one outstanding fireman is chosen by each department for the award.

Joe has 49 years active service with the Hicksville Fire Department serving as Lieutenant and Capt. of Co. No. 2, Secretary Co. No. 2, Department Secretary, Department Financial Secretary, Exempt Assoc. Financial Secretary and Trustee of the Exempt Firemen's Association.

Previous years firemen of the year awards were awarded to ex-Chief Larry Huttie, Commissioner and Ex-capt. Glen Munch, Lt. Owen Magee, Ex-Chief Henry Gebhardt. The 1970 winners received a plaque and attended a dinner in their honor at the Lindenhurst American

Ex-Captain Joseph Eisemann Legion Hall. The officers and men of the Hicksville Fire Department wish to congratulate Joe on his achievement.

Postal Plea

Hicksville Postmaster Ralph G. Cascardi asked all residents of Hicksville, Plainview and Old Bethpage to keep their sidewalks clear of snow and ice so that postal employees will not be injured or delayed in delivering the large volume of Christmas mail.

Teen Dem Club To Hold Meeting

On Tuesday December 22, the Hicksville Teen Democratic Club will hold its December meeting. It will start at 7:30 P.M. The meeting will be held at the United Methodist Church on Nelson Avenue and Old Country Road.

Mr. Richard V. Mannheim, the Director of Personnel for the Office of Administrative Services, will be the guest speaker. His talk will be highly informative.

All interested citizens are invited to attend.

The emergency dime. It's everything a lost kid needs to get home.

My emergency dime

It's also something a worried parent needs to relax. It's a folder that has a space for a dime on one side. And space for your child's name, address, and phone number on the other side.

So just in case he's late, gets lost, or needs a dime to phone you in an emergency, he can. Or somebody can get in touch with you for him. And we've made it easy

for your child to have one. Because we're supplying it free of charge. To get one for each of your children, write: Child Return Kit, New York Telephone, 140 West Street, Room 1375, New York, N.Y. 10007.

We'll supply the folder. And you supply the dime.

But don't forget to remind your child not to spend his emergency dime on an emergency like soda.

New York Telephone

Around Our Towns

By Linda Noeth Scotti 796-1286

A member of the Long Island Holiday Festival Orchestra who will be presenting its second concert at the Mincola High School, Jan. 2nd, are Jeffrey Schlegel on the French Horn.

Mr. and Mrs. Sanford Block, 26 Julliard Dr., PLAINVIEW, have announced the engagement of their daughter, Susan, to Stephen Peisner, son of Mr. and Mrs. Robert Peisner, of North Bellmore.

Miss Block is a graduate of Plainview High School, Nassau Community College, and C. W. Post. At present she is teaching in one of the elementary schools in Cornwall-On-Hudson, N. Y. Mr. Peisner is attending C. W. Post College, working for his masters degree. He is on the staff of the Y.M.H.A., Wantagh. He plans to do social work.

The couple plan to wed June 13, 1971.

The engagement of their daughter, Patricia Rose, to Peter Lescak, has been announced by Mr. and Mrs. Pasquale F. Mafello of HICKSVILLE. Mr. Lescak is the son of Mr. and Mrs. John Lescak of Glen Head.

Mr. and Mrs. Rosario Sorrentino of New Hyde Park, have announced the engagement of their daughter, Pauline, to Larry Hecht of JERICHO.

Happy Belated Birthday greetings to Fred Maus, 532 Old Country Rd., PLAINVIEW, who celebrated his 89th birthday on Dec. 5.

Happy Birthday to Jimmie Buck who will be 6 (six) years old on Dec. 11. He is the son of Mr. and Mrs. Neafie J. Buck, Jr. of 84 Bay Ave., Hicksville. He is also the brother of Neafie III and Richie.

Happy Birthday to Christopher Froeschl who will be four soon and his sister, Alison, who will be one. Both are the grandchildren of Mr. and Mrs. Richard Moore, 64 Summer Lane, HICKSVILLE. Their parents are Penny and Al Froeschl of Patchogue.

Congratulations to Richard Brennan, John Kyle, and Robert Shugart, who were selected for the Senior League All Star Team in the PLAINVIEW P. B. C. Football League.

An Ecumenical Christmas Service will be held Sat., Dec. 19, at the Mid Island Plaza, Hicksville, at 8 p.m. It will be an evening worship service, followed by carol singing. Participants then go caroling to studios, if they wish.

The United Methodist Church in Plainview will hold their Christmas Family Supper on Sunday, Dec. 20 at 5:45 p.m. Following the supper, they go caroling to their shut-ins and to the residents of the Central General Nursing Home.

Earlier that day, the 9:30 a.m. service will be "Family Sunday Service." The 1st and 2nd grade classes will present their Christmas pageant. There will be a coffee "half-hour" between 10:30 and 11 a.m.

Congratulations to Dennis and Bette Ann Watson of PLAINVIEW, who recently became the proud parents of a son, Christopher Charles, who made his arrival at Syosset Hospital.

Mr. and Mrs. Coningsby E. Burdon, of Syosset, have announced the engagement of their daughter, Elizabeth Iris, to William George Roth of JERICHO.

The Jr. Girl Scout Troop of the United Methodist Church, Hicksville, will visit the Jones Institute on Dec. 22, to have a Christmas party for the residents. The girls have an adopted "grandmother" there and will present her with a gift made by the girls.

Stephanie Dickman, daughter of Roselyn and Eli Katz of HICKSVILLE, and a 1965 graduate of Hicksville High School will make her operatic debut on December 12 as the Queen of the Night in Mozart's Magic Flute at the Manhattan School of Music.

Stephanie started her singing career as a pupil of Miss Harriet Spiok, and a member of the Hicksville High School Chorus, Matrigal Singers and Recreation Dept productions.

She received her degree as a opera major, from the Julliard School of Music in June and spent July in Italy with the Julliard Opera Theater at the Spoleto Arts Festival.

Engaged

The engagement of Carolyn Joan Reiling to Peter Paul Lizza, son of Mr. and Mrs. Americo Lizza of Hicksville, has been announced by Her parents, Mr. and Mrs. Lawrence C. Reiling of Pittsburg, Pa.

The prospective bride is a sophomore at Edinboro State College. Her fiance is a graduate of Alliance College, in Pa.

A July wedding is being planned.

Engagement Announced

Mr. and Mrs. Charles P. Angell wish to announce the engagement of their daughter, Lois to Stephen Phillips of Hicksville, who is presently stationed at Lakhurst New Jersey.

Dear Friends

We hear that Cub Scout Pack 377 of the Burns Avenue School will sing Christmas Carols for the residents of the Jones Institute this Saturday, Dec. 19th at 2 p.m. Nice work, boys.....

With only a few days left to do that all important holiday shopping, the usual last-minute rush is on... and, at least to some degree, all of us participate.

So, knowing that you are all busy with these happy last minute chores, we wish you all a Blessed Christmas, and to our friends of the Jewish Faith, a Happy Chanukah, from all the HERALD Staff.

Sincerely,
Sheila H. Noeth

Get Dogs Licenses

If your dog is licensed before January 1, reminds the New York State Department of Agriculture and Markets, you will avoid the headaches involved in retrieving Fido if he is taken to the pound.

Although the Department is primarily a consumer service agency, supervision of dog licensing (outside of New York City) is one of diverse tasks assigned to it by law. And the law says any dog without a license on January 1 shall be taken by wardens or peace officers, regardless of whether he is on or off his owner's premises.

A veterinarian's certificate of rabies vaccination is required for dogs six months or older to be licensed. An except is made if a

veterinarian determines the dog's health would be jeopardized by vaccine and certifies to this effect.

The dog census was taken in October. Tabulations resulting from the annual count are not complete. 1,088,590 dogs were enumerated in 1970. This was an increase of 91,624, the largest yearly increase ever recorded.

Dogs licensed in the first nine months of 1970 totaled 1,022,938 as compared with the 12 months total of 969,457 in 1969. This is the first time licensed dogs have passed the million mark. License fees through September of the year amounted to \$2,553,111. 90 percent of this money is retained in the localities where it is collected.

"For the good that needs assistance
For the bad that needs resistance
For the future in the distance
And the good that we can do."

LETTERS TO THE EDITOR

Dear Mrs. Noeth:
Thank you for printing our story about "Brute." Thank you for caring enough about a Veteran and his dog. Because of you, we will not have to tell our returning son, that all his efforts to save Brute, were in vain.

Brute was found! But not before he was hit by a car. He spent several days at the Vets and will be confined to a cage for a month, until his bones are healed. We are all confident that he will be at the airport, along with the rest of the Hughes, to welcome his buddy home. Thanks to you, our story did have a happy ending.

I wish each an everyone at the Mid Island Herald a Very Merry Christmas and a happy and prosperous New Year. God be with you.

Sincerely,
Jean M. Hughes

Dear Mrs. Noeth:
On behalf of the Directors and Officers of the Plainview-Old Bethpage Chamber of Commerce, Inc., I wish to extend 'Holiday Greetings' to you and your staff and best wishes for a very 'Happy and Prosperous New Year.

May, we also add our thanks to the Plainview Herald for the cooperation given the Chamber in our publicity program.

Sincerely,
Charles A. Voorhies
Secretary-Manager

Dear Mrs. Noeth:
Another year has gone by and once more I want to extend to you and your staff my best wishes for a joyous holiday season and a happy and successful New Year.

I would be remiss leaving this office if I did not recall the many years of cooperative effort extended by you and your staff. They have been good years; made so in part by your fairness and your professional approach to the needs and problems of police. For all of this, we in law enforcement are grateful. It is my sincere wish that this

relationship will continue in the future.

So, with mixed feelings I say "Good-bye and Good Luck."

Sincerely yours,
Francis B. Looney
Commissioner of Police

Dear Teenager:

I am one of the residents of Hicksville (15 years) who is opposed to the downzoning of the property on Lee Ave. I don't think you fully understand the facts or the reason we oppose the downzoning.

We moved to Hicksville to get our children away from the danger of having to play and walk to school on busy streets. You have grown up in this town and found it wonderful, give my children the same chance you had. My 4 children walk to school across Lee Avenue, do you think I could feel they were safe, with so much traffic on the streets they must cross to schols, library, or the ball fields behind the schools, or to a scout meeting. No sir not the feeling your mother had when you were growing up.

We do not oppose the building of apartments per-se, we do oppose the building of apartments on this site.

I myself had been struck by a car 3 times and my brother and sister once. I didn't live in the city (New York, Brooklyn, Bronx etc.) I lived in Jamaica and in an apartment.

Until I attended the meetings I didn't know the other dangers to having the apartments built on this site. The fire department would be unable to get the trucks into this complex, or even get through the streets when cars are parked on both sides of the street, think of the people in those apartments.

No teenager, we are not trying to stop progress but we are trying to keep the town you grew-up in BEAUTIFUL and SAFE for our children to grow-up too!

A Mother with hope for her Children and Hicksville

Mrs. Lenore Owens

Coaxial Requests Cable TV Franchise

In a protracted two-hour hearing at Town Hall on Tuesday, the Town Board of Oyster Bay heard the petition of Coaxial Communications of Nassau County, Inc. for a permit to "cross over or under the streets sidewalks, public land and highways in the Town of Oyster Bay in connection with a Community Antenna Television (CATV) System."

Actually, the petition requests a franchise to install cable television in the Town, which would cost those who subscribe to it \$10. for its installation fee and \$5. per month. Today would receive 5 per cent of the gross revenue from the enterprise. According to attorney for Coaxial Communications, the installation would provide a choice of 24 channels to subscribers and would give them a chance to see productions made especially for Coaxial on closed circuit TV. Such a franchise has already been granted in the Town of

Oyster Bay to Inter-County Television Enterprises, whose president, Charles Dolan was present at the hearing. It was stated by Coaxial that although this franchise had been granted four years previous, Inter-County had done nothing about installation. Mr. Dolan stated that at the present time, the Federal Communications Commission prohibits cablevision from bringing distant signals - such as those from Philadelphia - into the top 100 major market areas, of which Long Island is one. In view of this law and in view of a fairly satisfactory television reception in the Town of Oyster Bay, the residents have not shown any great desire to have cablevision. Mr. Dolan said. He said the FCC laws are expected to be changed in the near future, which should make a difference in the demand for cablevision in the area.

A representative of the L.I. Education and Communications Council asked whether there would be a provision for CATV in schools. CATV representatives said that schools would receive free service.

Otto Ohland, Director of cable television development for Time & Life Broadcasting, a major stockholder in the parent company of Inter-County, protested additional franchises for cable television in the area.

The Town Board reserved decision.

Spec. 4 Artesani earned the award while assigned in the personnel services division of the Division's 3rd Administration Company.

He entered the Army in March 1969 and was last stationed at Ft. Jackson, S.C. he has also been awarded the Army Commendation Medal.

The 21-year-old specialist is a 1967 graduate of HICKSVILLE high school.

Staff Sergeant Alan E. Schaub, son of Mr. and Mrs. Wilfred Schaub of 182 W. John St., HICKSVILLE has been recognized for helping a unit earn the U.S. Air Force Outstanding Unit Award with the combat "V" device for valor.

Sergeant Schaub is a member of the 99th Bomb Wing, at Westover AFB, Mass., which was on temporary duty in support of the Strategic Air Command's (SAC) 3rd Air Division (now Eighth Air Force) Headquarters at Andersen AFB, Guam.

Sergeant Schaub, a 1963 graduate of Hicksville High School, attended Nassau Community College, Garden City. His wife Janet, is the daughter of Mrs. Mary J. Leonhard of 38 Boulder Lane, Hicksville.

Army Specialist four, Alexander Artesani, son of Mr. and Mrs. Michael J. Artesani, 32-49 68th St., Woodside, recently received a certificate of achievement while serving with the 3rd Infantry division near Wurzburg, Germany.

The award was earned for meritorious service during the present assignment.

From Our Postmaster

By Ralph Cascardo

Hicksville Postmaster Ralph G. Cascardo announced that the Hicksville Main Office and its Branches and Stations will observe the following schedule during the Christmas weekend.

The Main Office Lobby will be open at all times for mail deposit, access to Lock Boxes and purchase of stamps from Self-Service Postal Unit.

Ques: Why is enrollment for supplementary medical insurance under medicare restricted to enrollment periods?

Ans: Social Security places no restriction on the enrollment of ill persons in Medicare as some private insurance companies do. To make the program financially stable and prevent last minute enrollments by people when they become ill, it is necessary to restrict enrollments to certain specific periods. The next general enrollment period begins on 1-1-71 and ends on 3-31-70. For any further information, contact your Social Security Office at 1505 Kellum Place, Mineola, N.Y. P1 7-5470. Office hours are 9:00 a.m. to 5:00 p.m. Monday through Friday.

Caso Appoints New Committee

Nassau County Executive-elect Ralph G. Caso appointed a committee whose job will be to effect the orderly transition of government programs and services during the changeover in administrations.

The committee members are Harold E. Collins, counsel to the Nassau Board of Supervisors and Caso's choice for first deputy county executive; Floral Park Mayor Joseph H. Driscoll, who will be second deputy county executive; Joseph Jaspan, who will serve as county attorney, and Vincent J. Macri, counsel to Caso in Hempstead Town.

The committee will work with a similar committee named by outgoing County Executive Eugene H. Nickerson. Members of his transition committee are Eastman Birkett, first deputy county executive; James Truex, second deputy executive; Morris Schneider, county attorney, and Alfred Moon; commissioner of the Office of Administrative Services.

Social Security

Questions And Answers

Ques: Why is it necessary to also provide for a deductible in Medicare's supplementary medical insurance when the principle of co-insurance applied which guards against abuse?

Ans: Removal of the deductible feature would no doubt require an increase in monthly premiums. In addition, this deductible does serve as a deterrent to abuse of the program.

SPORTS

By

Howard J. Finnegan

Mark Weinreb hit from the corner with 1:13 remaining, Tuesday afternoon, and then added two foul shots to carry Hicksville's beleaguered basketball team to a 54-53 triumph over Great Neck South.

It was the first victory of the season for the Comet Varsity. A 25 point advantage over Plainview and a 16 point fourth quarter lead over 1... East Meadow both evaporated into stinging defeats.

The showing against Great Neck represented a remarkable turnaround for the Orange. Coach Bryan had but two days of practice to adjust from the opening shambles and his team responded with persistent fortitude.

The visitors grabbed a 6-0 lead and it was four minutes before Rich Berg could counter with two fouls to break the ice.

6'5" Paul Krabbler hit from the key. He is a find of coach Bryan who never played one minute of JV or Freshman ball. He is a senior but has already demonstrated his value on a varsity team.

Hicksville trailed 11-9 at the quarter. Joe Anello, Krabbler, Brian Pinelli and Berg divided the second period scoring as the Orange closed the gap to 21-22 at halftime.

The insertion of center Paul Parsons, a sophomore, had a telling effect to start the third period. He popped a long two hander from outside the key as Hicksville started to move the ball.

Joe Moeller sank a field goal and Parsons a foul to tie it 25-25.

Anello then started a string of 11 personal points that was to move Hicksville into a 39-37 three quarter advantage. He had two straight baskets to start the last

period for a 43-39 season. Pinelli canned two foul shots but Great Neck rallied for a 47-45 lead. Pinelli came right back from the foul line with a pair to tie.

There was 3:17 left. Krabbler was successful from the free stripe and Anello hit from the corner. Weinrab then got Hicksville three points (54-51) up with 23 seconds left.

The excitement reached a high point when Great Neck scored with 14 seconds left and then stole the ball with 6 remaining. The final shot hit the front of the rim and bounced back.

Hicksville High School Varsity Basketball Schedule for Holiday Season.

Friday, December 18 Bethpage at Bethpage 8:00 p.m.; Tuesday, December 22 Levittown Division at Hicksville 8:00 p.m.; Tuesday, December 29 Uniondale at Hicksville 4:00 p.m.

Our Selections: Hicksville 65, Bethpage 56; Hicksville 58 Levittown 53; Hicksville 43 Uniondale 57

The Hicksville Junior Varsity court team has wisked off to three straight victories.

Plainview bowed 53-37. East Meadow was beaten 45-37 and Tuesday afternoon the lads of coach Ron Quattrini bombed

Great Neck South 78-50. It was 6'5" Junior John Ebbecke who lead the Orange in the first two wins.

Against Plainview he notched 12 points, 11 rebounds and blocked fire shots.

He received critical aid from Paul Lindbloom who sent in 12 points also while Jim Schumacker was scoring 9. Joe McHale got 5 and Gary Gross 3. Bob Bischoff, Bob Goldmacher, and Don Kopf each registered a basket and Steve Sussman, John Kovah and Bob Tyman sank a foul shot apiece in the 16-point victory.

In a tough battle at East Meadow, Ebbecke hit for a dozen points again and had 13 rebounds. Goldmacher had 9 points, Bischoff 7, Schumacker 6, Lindbloom 5 and Jeff Doolittle had 2.

Great Neck held Hicksville to a 3 point halftime lead. In the third period the Comets put on a blistering drive and poured in 23 points.

Lindbloom was on the point of the attack with 18 points, Bischoff snapped in 15 and the steady Ebbecke had 13. James Schumacher threw up 9.

The Junior Varsity record is 3 wins and 0 losses. In 1969 the team compiled a 17-1 record.

Reminder For Safe Holiday

1. Don't overload your electrical circuits with Christmas lights.
2. For Branch circuits, you should have 15 AMP fuses only.
3. Inspect the wiring for your Christmas decorations to be sure its in Good condition.
4. If you are using a live tree, be sure it has plenty of water to keep it from becoming too dry.
5. Don't Place your Christmas

- tree near an exit, in case of trouble the exit is clear.
6. Keep your tree away from the stairs, a fire in the tree could spread easily upstairs.
7. Turn your tree lights off before you leave.
8. Keep your tree away from heating units.
9. In Event of any trouble know how to call the Fire Dept.

CENTRAL ISLAND STARS: Seen at the scintillating Christmas Party held last Sunday at the Astro Lounge, are, (l to r) Marge Palma of the entertainment committee, Lydia Zebertovich, incoming president of the Central Island Womens Republican Club, Beatrice Jeanssen, Dinner chairlady, Angela Sottaloro, this active Club's outgoing president, and Marge Myerhoff, entertainment committee member. Over a hundred of the members of this Club and their escorts enjoyed a pleasant dinner, complete with hand-made Christmas favors and a Christmas Exchange Grab-Bag. (Photo by Pierre Charbonnet).

Marine Midland presents the 30-second loan.

With our Custom Credit you can write yourself a loan by writing out a check.

It's that simple. When you add Marine Midland's Custom Credit option to your checking account, your checkbook becomes an instant loan book.

We set up a personal line of credit for you (anywhere up to \$5,000). To borrow on this amount, simply write a check for more than your balance, and we'll turn the overdraft into an instant loan.

There's another nice feature to our

Custom Credit Account: your face on the Master Charge-Check Guarantee Card that comes along with it. You can use this card to charge goods and services or to get fast cash advances at any Master Charge bank. And you can use the reverse side to guarantee your checks up to \$100.

Marine Midland's Custom Credit—the checking account that lets you take more out than you put in. Now at all our branches in Nassau County.

Ramblin' Rose

By Rosemary Walsh

This was my week to be a hostess for the school district, which is in keeping with my new title, Coordinator of Community Relations.

The first event was the Project Plan Open House, to which (as I told you before) educators from the Eastern Seaboard were invited. They spent the day visiting our schools to observe this program and later in the day met

with our school family for an exchange of ideas. It required lots of planning, but was most rewarding, especially when they finalized their day with such warm conversation and views. It was also pleasant for many of the Hicksville educators who rarely get to visit with each other socially and also have a warm exchange of views.

On Sunday, my next job as

"Perle Mesta" was at the first Recreation Concert of the season, honoring Beethoven on his 200 birthday. (It also happened to be my Jim's 50th). The concert which also included the Nutcracker Suite by Peter Tchikowsky was superb under the direction of Mr. Valerien Lagueux. I know you'll be sorry

(Continued on Page 23)

Mainard L. Chittenden

Mainard L. Chittenden, Director of Attendance, Registration and Census for the Hicksville Public School System, Dist. No. 17, celebrated 25 years of service to the District in that office on November 30. Mrs. Chittenden, a business graduate of Syracuse University, was employed by the district under the superintendency of Dr. Erie Le Barron and saw the district's enrollment more than double when the building boom of the late 1940's and early 1950's brought great changes to this area.

On December 2nd, Mr. Chittenden was presented with the Legion of Honor Certificate of the Kiwanis International for 25 years of membership and service, at the Hicksville chapter's weekly meeting at the Milleridge Inn. He was also presented with a gold 25 year pin.

Service to his community is a way of life for Mainard Chittenden, who serves on the welfare committee for the Salvation Army, and served Jericho as Fire Chief, and Fire Commissioner, and then served several years as Chairman of the Nassau County Fire Commission.

CYO News

St. Ignatius Loyola "C" Football Team, eleven year old, 90 pound division, won the Long Island Catholic Grammar School Football League Championship with a record of 7 wins, 1 loss and 2 ties.

St. Ignatius "C" led their League for the first six games only to be upset by St. Rose of Lima 6-0 to sustain their only loss of the season. The following week they bounced back to defeat the League leaders, Holy Family, 19-13 to regain the lead. The next game was a repeat with Holy Family ending in a 6-6 tie. The final game of the season saw the "C"s defeat St. Cyrils and Methodius 7-0 behind a brilliant offensive game in which "ball control" gave St. Ignatius command of the field throughout the game.

The offensive team was quarterbacked by Bill Targowski with Joey Johnston and Clint Bergin as running backs. Bill Stepkowski held down the fullback slot. The line, which supplied the muscle for opening up the holes in the oppositions line, deserve much credit for a successful season. The line was made up of John Bardenhagen at center; Paul Rupp and Robert Simonello, guards; Sean Casey and Richard Muller, tackles; Martin Costello and John Poggioli, ends.

The defensive team allowed a season total of only 31 points to be scored against them. They also led the League in giving up the least amount of points. The defensive team was made up of a tough 90 pound line with Paul Rupp and John Poggioli as ends; Martin Costello and Jim Mahoney, tackles; Sean Casey and Jim Hurley, guards. With Scott Cronin, Bill Stepkowski and Jim Santos as linebackers and Joey Johnston and Bill Targowski playing safety the "C"s had a combination of speed and "sure hands" which resulted in converting several in-

terceptions into touchdowns. The team had the good fortune to have the talents of Bill Domaratus, Tim Looney Mark McCoy, Gerard Siry and Nick Tallarico as substitutes, covering various positions.

Coaching honors go to Bill Casey and Ted Siry with able assistance from John Bardenhagen, Sr. and Jim Hurley, Sr. Last, but by no means least, bouquets to our loyal fans and the Cheerleading Squad whose vocalizing and inspiration were needed ingredients for a winning mixture.

"Saints Are Great"
Yes, Saints are great and if you ever doubted it the proof was the St. Ignatius "A" and "B" Cheerleading Squads performance at the Diocesan competition held at Chaminade High School in Mineola on Sunday afternoon, December 6th. Despite freezing weather our "Saints" took the Diocesan title in the "A" Division and second place in the "B" Division. This success came as a result of many hours of hard work and practice under the guidance of Janet Lang, "A" Squad and Paula Atchison "B" Squad.

The "B" squad not only had to

contend with the weather but being made up of 5th and 6th Graders they were competing against parish teams made up of mostly 7th graders. The "B" squad showed that determination to win, not size, were important ingredients in competition. The "A" Squad, spurred on by the "B" Squad win were determined to do even better, which they did by clinching the Championship. There was high drama and almost unbearable tension when the time came to announce the second place winners-St. Joseph followed with the announcement "AND THE NEW, NEVER-BEFORE CHAMPIONS--St. Ignatius Loyola, Hicksville". Needless to say two very tired but happy Squads returned to Hicksville with two well deserved Trophies and Happy memories.

Our seventh and eighth grade Cheerleaders will be moving on to hopefully bigger and better things as they prepare for the Diocesan C.Y.O. competitions to be held at Holy Trinity High School, Hicksville, on Sunday afternoon, January 24th. Let's return the favor by cheering the girls on to victory in return for their efforts on behalf of the Boy's teams since last September.

Robert E. Crites, 35 Cranberry Lane, PLAINVIEW, received his Bachelor of Arts from the Bowling Green State University at their annual winter commencement.

Kathleen M. Anderson and Kevin J. Kreamler, both from HICKSVILLE, were among the Farmingdale inductees into the Phi Theta Kappa.

MEN IN SERVICE

Marine Sgt. Albert J. Petry, son of Mr. and Mrs. Albert A. Petry of 5 Libby Ave., HICKSVILLE, successfully completed Supply Administration Course at the Marine Corps Base, Camp Lejeune, N.C.

U.S. Air Force Sergeant Carl O'Connor, son of Mr. and Mrs.

Thomas Chiantia of 35 Ronald Ave., HICKSVILLE, has arrived for duty at Osan AB, Republic of Korea.

Sergeant O'Connor, a security policeman, is assigned to a unit of the Pacific Air Forces. He previously served at Misawa AB, Japan.

The sergeant attended Dickinson High School, Jersey City, N.J.

Navy Petty Officer Second Class Wayne R. Lyons, son of Mr. and Mrs. Irving Trachtenberg of 68 Spindle Road, HICKSVILLE, returned to Norfolk, Va., after a six-week deployment to the Mediterranean aboard the combat stores ship USS San Diego.

The San Diego, which replenished ships of the U. S. Sixth Fleet during tension in the Middle East, has been designated "Ship of the Year" by Commander, Service Force Atlantic Fleet. The newly commissioned ship was awarded Efficiency "E"'s for superior achievement in

Operation VFW

William M. Gouse, Jr. Post No. 3211

By Lou Palladino

At the particular time, the bond for the building hasn't been acquired, nor have the contracts been signed. This should take place in the very near future. Again the fitness is taking place. When, oh when, is the ground breaking going to take place. You would think, after waiting so long for this momentous moment, that patience would be the thing, but such is not the case. Our own comrade, att. Dominic Rocco is sitting in on the negotiations. Our comrade Mario Tucci has the best bid, and is our builder. So you just feel that the legal part, and the construction being taken care of, by our own should turn out well. Time will tell.

We keep telling you about the new members coming into our post, and proudly. We have neglected to mention new life members. The latest to have earned this title is Caesar Colosonno. Our Sr. Vice Ed Chwalisz has a chart made up on prices for different age groups

for this card. Ed is willing to accept the money on the installment plan from anyone interested in becoming a life member. Caesar earned his, but anyone who can't, this will be a fine opportunity, without hurting your pocketbook.

Did you know that, to put a sign on our property we must put an application in, and receive approval, but if we want to put signs off the property it's not necessary. Inquiries were made about this, because we hope to put signs on roads leading into Hicksville on all sides.

The Jr. Unit to our ladies Aux. have offered to help us, any way they can. These girls are terrific. Really on the ball. Where ever the post goes to display our colors, these kids are there, with their own colors. We are proud of them, and proud of our Ladies Aux for assembling such a fine group of girls.

With all these occasions coming up, everything seems confusing. With Christmas party, New Years Eve, the Ski party, and the ground breaking, all coming so close together, to mention a few, you wonder how they don't clash, but everything seems to come into place at the end. So before getting anymore mixed up, lets put an end to this. Hope to see you at the next meeting.

Seasons Greetings

Residents Oppose Medical Center

A night hearing was held December 15 at Oyster Bay Town Hall regarding the application of Dr. Neil Palladino for a change of zone from residence D to business F.

Dr. Palladino's office is located on Stauber Drive and Old Country Road in a residential area. In an effort to resolve the zoning ordinance of the Town of Oyster Bay, Dr. Palladino has requested this change. He is represented by his Attorney, Mr. John Coffey.

Approximately 70 Plainview residents appeared at the hearing. The attorney for the opposition was Charles Mattingly, Jr. Some of the objections raised by the opposition were excessive traffic in a residential area, the presence of an unoccupied building in the area which has resulted in vandalism to neighbors' property, and there is still professional office space available at the Plainview Medical Arts Building which is located directly across the street from Dr. Palladino's present office.

The Town Board reserved decision on this application.

ON THE CAMPUS

Beverly Jacobs of PLAINVIEW received the All State Foundation Nursing Scholarship award of \$250.

Among the John F. Kennedy Memorial Awards of \$100, one went to Dennis Ventura of HICKSVILLE.

LIBRARY NOTES

The activities staged during National Children's Book Week (November 16-21) were well attended by the young people of Hicksville. On Thursday, November 19th, more than 250 youngsters were held spellbound during the showing of "Cinderella" by Mr. and Mrs. Schmidt. The following day, November 20th, one of our local artists, Tom McLaughlin, had over 125 girls and boys joining him in his Sing-Along. Many favorites were played and sung but two of the most enjoyed were "Put Your Finger In The Air" and "Skip To My Lou, My Darling". At the conclusion of this gay event prizes were awarded to the winners of the Fish Bowl Contest. The winners were Howard Brill, first prize, Paul Cardinal, second prize and John Kramer, third prize.

Many fascinating new books were added to the children's collection during this auspicious week. For example—wouldn't you like to know how to become a puppeteer? Or find out how it feels to go behind the scenes and see an airline crew at work? Also, how about a "book visit" to Mystic Seaport, the quaint, 19th century restored village on the Connecticut coast across Long

Island Sound? All it takes is a few minutes of your time to pick up one of these shiny new books now

waiting for you in the Children's Room.

In keeping with the holiday season we'll move right into another delightful "happening" on Saturday, December 19th, when the Children's Room as a special festive treat for boys and girls. The Hotch Potch Players will present two of Hans Christian Andersen's fairy tales, "The Swineherd" and "The Emperor and the Nightingale".

WISDOM FOR TODAY

CORINTHIANS, 11
Chapter 3
Verses 1 thru 6

Do we begin again to commend ourselves or need we, as some others, epistles of commendation to you, or letters of commendation from you?

Ye are our epistle written in our hearts, known and read of all men:

Forasmuch as ye are manifestly declared to be the epistle of Christ ministered by us, written not with ink but with the Spirit of the living God; not in tables of stone, but in fleshy tables of the heart.

And such trust have we through Christ to God-ward: Not that we are sufficient of ourselves to think anything as of ourselves; but our sufficiency is of God;

Who also hath made us able ministers of the new testament; not of the letter, but of the spirit: for the letter killeth, but the spirit giveth life.

Hicksville's chairman of the Board of Fire Commissioners August JUD (left), congratulates

To Be Ordained

On Sunday, Dec. 27 at 10 a.m. Curate Rev. Ronald Conner, of Holy Trinity Episcopal Church, Jerusalem Ave., Hicksville, will be ordained to the priesthood at the church by Bishop Sherman. A reception will follow in the parish hall.

HICKSVILLE COMMUNITY COUNCIL NEWS LETTER

Minutes Of Dec Meeting

The speakers for our Council meeting were Superintendent Donald Abt, and Assistant Superintendent Dr. Frederick Hill on "A Long - Range Building Program for Hicksville."

Don Abt stated that during the latter part of last year they started to "reexamine the use of our school facilities," and at the present time we "do not have a long range building program to present." Mr. Abt, in discussing the building and financial problems of the district, went as far back as the 50's, when Hicksville went into a frantic building program.

Dr. Felix McCormick had made a survey of Hicksville, and outlined facts projecting the growth of Hicksville and the subsequent problems that would arise because of this. He also projected a possible decline and where the growth would reach a leveling off. Dr. McCormick's projections have proven to be accurate—only minor variations from what he reported have occurred.

Decisions had to be made "What are we going to do?", since it was clear that the enrollment at that time would increase from four or five thousand to as high as 13,000. "Would it meet the immediate needs of the population, or formulate an overall plan to satisfy the overall education program?" "Should we build a high school that large to accommodate as many students as surveys had indicated our enrollment would increase?" In 1955-56 the high school was built—shortly after an addition was made to the junior high school—other additions were added as needed to many of the schools. Emergencies developed whereby Nicholas School was closed and we had to accommodate these students.

The Board of Education thought of establishing another secondary school six years ago—the price of land at \$80,000 per acre was prohibitive. We do keep aware of what the price of land is. This year a twelve-acre site was looked at—\$175,000 per acre.

The following are some of the things we should talk about:

1. Are we going to try to solve some of our immediate problems on a long-range plan?
2. We feel that before we can actually provide a plan to the Board of Education, it would be wise to have Dr. Felix McCormick do a current survey.
3. The ultimate plans of the Nassau-Suffolk Planning Board would have to be taken into consideration in any plan submitted.
4. As educators we are aware of the financial problems to maintain education today.

A. Under our present system the 1971-72 budget calls for an increase of between two and three million dollars, which would mean a tax increase of \$1.80 to \$2.70 per \$100 assessed valuation. (all of this is basically instructional obligation increase which we have to meet)

B. Technological revolution in education

C. State Education Dept. in debt three-quarters of billion dollars and no new money would be coming to us this year

D. Fleischmann Commission established to come up with suggested ways and means, new ideas and approaches to finance education

5. We have examined the capacities of our schools, in-

cluding the temporaries

A. Unusual number of parochial schools in the Hicksville area—but not as many students going into the parochial schools

B. Senior High - capacity is 2,485 (no temporaries, all permanent rooms); enrollment 3,139 (over capacity 654 - but not all students in school at same time due to BOCES, and working students).

C. Junior High - capacity 2,853 (24 temporaries in use); enrollment 2,784 (without use of temps, would be over-capacity 60)

Dr. Frederick Hill was next on the program and pointed out from an aerial map of Hicksville many of the possible long-range plans that could be developed. Although possessing many qualities of the ideal community (schools within easy reach, one family homes, industrial hub, shopping areas, nearby transportation), it has run into some problems:

1. Institutions that want to get out of the city by moving out onto the Island
2. Saturated with one family homes and people want to get into such a community
3. Land usage is going to be under intensive pressure and become more and more valuable
4. To be a success there must be community planning.

A. Appreciation of the dreams of a lot of people

B. What is the population in the government census

C. What is Hicksville's potential growth

D. Nassau-Suffolk Planning Commission

E. What if voucher plan comes to pass in enrolling students in schools?

F. What if parochial schools close

G. What are our present housing needs

H. What specialized facilities are needed in terms of education

I. Should we have a multi-media center between our Junior High and Senior High

J. Can we accomplish what we would like in a school of 3,000 or should we have schools with lesser numbers of students

K. Should the Board of Education ask that we proceed with the acquisition of land now

L. What will be the school year in the future

Dr. Hill noted that of the eleven schools projected in a survey made 20 years ago, nine have been built.

A question and answer period followed:

Question: Is it possible enrollment is on the decrease, and not on the increase?

Answer: The peak year was 1961. We are on the decrease. Long-range planning is based on the leveling off of students.

Question: How have you arrived at the capacity figure?

Answer: Average of 27 per classroom has been used for the elementary and 30 on the secondary level.

Question: If we built a building, what proportion would be paid by the state

Answer: about 52 percent state aid

Question: Of the 8 elementary schools, how many are overpopulated, and how many are underpopulated?

Answer: Burns Avenue enrollment 65 less than capacity

Willett Avenue enrollment 17 less than capacity

By Ann Gregory,
Recording Secretary

Woodland Ave. enrollment

85 less than capacity

Old Country Rd. enrollment

45 more than capacity

Lee Ave. enrollment 84

more than capacity

East St. enrollment 93 more

Dutch Lane enrollment 54

more than capacity

Fork Lane enrollment 76

more than capacity

Question: With the tremendous growth in local business, industry, value of land, office space, money available, how does this relate to our tax methods and tax trends, and tax abatement to industry in Hicksville?

Answer: The residential increase is greater than industry. The school district boundaries aren't always defined. Industry in many cases is located out of the school zone and consequently isn't subject to school tax assessment. This is where a group such as this, could make their feelings known to both the Town Board and our legislatures.

At this point Sheila Noeth asked Mr. Abt how we could help him. Mr. Abt suggested that individual letters would be most helpful if sent to the Fleischmann Commission expressing our views. He stated we have to find better ways for the best possible use of every dollar that is available to us.

Public Portion of Meeting

Next we discussed when the state of New York came here and widened Broadway and Newbridge Road. We were put in a very bad position.

Taxpayers, homeowners, interested citizens can all put ourselves on record—when are we going to get some action to rehabilitate Hicksville? Look at the acreage in the heart of Hicksville with deteriorating property.

Mr. Kingsley Kelly stated that at a meeting held a couple of weeks ago where a Bi-County Plan was discussed, Mr. Moses and Mr. Casey were among those present—they recognized some mistakes had been made in granting variances for buildings on Jericho Turnpike, etc. when Hicksville needed this so desperately.

Mrs. Iris Widder made a motion to write the Town Board of Oyster Bay about the area on Division Avenue, near Old Country Rd., concerning the litter that accumulates and the appearance and condition in which this property is kept. Seconded by Elery Bean. Vote was unanimous. A copy of this letter to go to the Student Council (High School), Board of Education, and Dick Evers, who advocates "A greater appreciation of our community."

Mr. Abt stated that perhaps we can help ourselves by making a section outside of the High School attractive to the students.

Mr. Kingsley Kelly advised there is an ordinance on the books prohibiting littering, which could be enforced.

Mr. Cornelius McCormack brought up the large number of dogs that were out roaming in his neighborhood. People have to be reminded once in a while to keep their dogs on a leash.

There was some further discussion on a receptacle or container for litter in Hicksville, and it was suggested we check into the facilities used in New Rochelle, which seem to be working and adequate for their area.

AT HICKSVILLE COUNCIL MEETING: (l to r.) School Board Member John McManus, Asst. Supt. of Schools Dr. Frederick Hill, Supt. of School Mr. Donald Abt, School Board Member Cornelius McCormack and CCC recording secretary Mrs. Anne Gregory, pictured here at the December 3rd meeting of the Hicksville Community Council, held at the Library. In the background is an aerial map of Hicksville School District 17, which played a prominent part in the discussion "Long Range Planning for District 17", which was led by Mr. Abt and Dr. Hill and followed by a lively question and answer period and a public portion of this Council meeting, which brought several other aspects of community life into the limelight with the possibility of solving some of Hicksville's growth problems. (photo by Pierre Charbonnet.)

From Our Membership Chairman

By Gerry McManus

The purpose of the Council, as stated in our constitution, is "to foster community spirit and activities, to encourage, share and disseminate information for and between the residents, professionals, organizations, schools, churches, synagogues or temples, commerce or industry, government and governmental agencies, located in the area known as Hicksville."

Those organizations interested in furthering this purpose, by joining the Council, are being asked to do five things:

1. Get approval from your general membership.
2. Pay two dollars (\$2) dues, annually.
3. Appoint a delegate and alternate to attend monthly Council meetings.
4. Assign a time on your agenda for your delegate to report back to your group.
5. Participate in program planning.

Any individual may join the Council by paying his \$2 dues and attending meetings.

The Council meets the first Thursday of every month, with the exception of July and August, at 8:15 p.m. in the Hicksville Public Library. The best way to see what this Council can accomplish is by attending, and we extend a cordial invitation to you to join us.

The Council meets the first Thursday of every month, with the exception of July and August, at 8:15 p.m. in the Hicksville Public Library. The best way to see what this Council can accomplish is by attending, and we extend a cordial invitation to you to join us.

BOCES Receives State Aid

The Nassau Board of Cooperative Educational Services (BOCES) has once again distributed a total of \$720,652.18 received as State Aid to the 56 component school districts in the County. This BOCES State Aid represents about 1/12 of the estimated amount due each district as reimbursement for services performed by BOCES during the 1969-70 school year. This third payment, combined with both the first payment made in September and the second payment made in October, totals almost \$2-1/4 million paid during

the current school year for BOCES aid to Nassau's 56 component school districts. The State's policy is to pay an estimated amount until complete financial information is calculated during the 1970-71 school year, at which time payments will be adjusted to an actual basis.

The money paid to the School District of Plainview was \$24,140.95.

The money paid to the School District of Hicksville was \$32,788.46.

ON THE CAMPUS

The Berklee College of Music, the International Educational Institution for the Study of Modern American Music, has enrolled Michael J. Linn, 18, son of Mr. and Mrs. Edward A. Linn of 46 Marilyn Blvd., PLAINVIEW, as a Freshman in its Mid-Year Class which commences on February 1st, '71. Berklee offers a B.M. degree with majors in Music Education, Composition and Applied Music. A Professional Diploma course is also offered which encompasses all music subjects.

forming Arts Center from December 9-12.

Kwiat, a freshman Drama major at Ithaca, is the son of Mr. and Mrs. Harold Kwiat of 20 Charlotte Place in Plainview and is a 1970 graduate of John F. Kennedy High School.

Matthew Kwiat of PLAINVIEW, will have a featured role in the Ithaca College Drama Department's production of "THE INSECT COMEDY" to be presented at the College's Per-

HICKSVILLE resident Miss Josephine A. Volpe, a sophomore at Mount Holyoke College, has been named head of the Belchertown Program at the College. The Belchertown Program involves twenty-five Mount Holyoke students who volunteer to work with the mentally retarded at the state school in Belchertown, Mass. The program is one of thirteen sponsored by the United Action group of Mt. Holyoke's Eliot House, which concerns itself with the social service opportunities surrounding Mount Holyoke. Miss Volpe is the daughter of Mr. and Mrs. Vincent Volpe of 15 Edgewood Drive, Hicksville.

Story Hour

Gutter Ball Gossip

By Herb Mahler

Until Henry can resume writing the column, I will continue striving to maintain the excellent standards that he attained. Two men hit the mark with doubles this week. Lou Viadem hit for a 204 to help win the second game, overcoming Sam Saitz-221, but his 213 in the third for a fine 608 series was not enough as Bernie Lieberman bombed a 223 to help the Langs avoid a shutout 7-4. Bernie Kaplan came to life hitting a 220 to help win the second game. His 209 for a 611 series in the third was in a losing cause as Sid Sachs had one of his rare ones a 214 to take that one although losing the series to the Shapiros 7-4. Henry Dockswell had a 211 in the same series. Nat Warren had a 211 in the first game to lead his team to victory over the Kellersmans 8-3, although Capt. Bill hit for a 221 in the second. The Holtzmans in

their duel with the Murry Sussmans came out second-best, losing 7-4. Murry Kowlowitz' 213 in the last game was enough to overcome Mike Hauptman's 211 to avoid a shut-out for absent Sid. Mickey Luxenberg slowed himself down long enough to throw a 211 which helped the Buddy Flanders rap the Lew Marks 8-3. Maybe now Buddy will listen to Mickey on how to throw a ball. Horace Bernstein had a good 221 as the Rothmans shut out the Goldsteins. Julie Gershen's 205 was enough to trample the last place "piece of you know what" Brodys 7-4. The big jump was the Geyers with a shutout over the Simons, going from 8th to 5th. There is now only nine points separating first from sixth with the Holtzmans clinging to a 2 point lead over the Warrens, followed by the Flanders, Viadems, Geyers and Sachs. Very interesting.

Library Board Seeks Ample Parking Space

To provide safe, off-street parking for patrons, the Jericho Library Board is seeking to acquire part of the undeveloped, land-locked property directly behind the Library site. A public vote will be needed because this particular parcel can be acquired only through a condemnation proceeding. Slightly less than an acre, the 36,500 square feet would provide substantial parking directly accessible from Merry Lane. The parcel is actually an extension of the library site, which is considered by experts to be in the very "hub" of the Jericho district. Vacant property in this area is not readily available. The Library Board wishes to acquire this extremely convenient piece of property for community use before it is developed or turned to a commercial use. It would then become more costly to acquire.

The Library Board has received numerous requests for exactly this kind of parking accommodation. The Board, therefore, urges the community to support its efforts in the near future to acquire this land. A public vote will be held shortly after the new year.

Railroad Station Carpoolers Sought

Two new members are needed for an East Birchwood carpool travelling to the Hicksville Railroad Station each weekday morning. This particular carpool catches the 7:26 A.M. train to New York City and returns on the 5:47 P.M. train.

Each new member will be required to use his car for one round trip per week to and from the Hicksville station.

Interested parties are asked to contact Milton Schwartz at WE 8-9526.

JERICHO FIRE BELL

WRITTEN MONTHLY BY THE MEMBERS OF THE JERICHO VOLUNTEER FIRE DEPARTMENT IN THE INTEREST OF FURTHERING COMMUNITY RELATIONS.

The holidays are once again drawing near and you must consider the increased fire hazards prevalent during this season.

We strongly advise the use of fire resistant artificial trees and decorations. However, if you prefer a natural tree, be sure to treat it with one of the commercial fire retardant chemicals. Keep it well watered and away from radiators or warm air registers so as to prevent premature drying.

If you use lights to decorate your tree or the exterior of your house, be sure they are approved by the Underwriters-Laboratory for their specified use. Before

stringing your lights, be sure to check them for frayed or bare wires, cracked sockets, loose plugs, etc. Too many lights may overload a circuit, so don't take chances...be sure your outlet is adequate. Try to avoid the use of candles wherever possible. If you intend to display decorations on the front of your house, be sure that you have not hidden your house number.

To keep your holiday safe and happy, remember that fire prevention is a never ending responsibility.

The members of the Jericho Volunteer Fire Department would like to take this opportunity to wish all residents a happy and safe holiday season.

In answer to the many inquiries received from our readers regarding "Student Standpoint," the first three columns have been written by Danny Abuhoif, Editor of JER-ECHO, the Jericho High School newspaper. Future columns will continue to be written by Danny, as well as other Editorial staff members of JER-ECHO. However, since approximately 30 percent of our East Birchwood residents are located in the Syosset School District, The Villager would welcome any similar articles written for "Student Standpoint" by area students who attend Syosset High School.

The Editor

BOX SCORE

Your Jericho Volunteer Fire Department answered the following alarms during the month of November. 1970:

	NOV. '70	TOTAL 1970

Injuries to Firemen	1	35
Deaths from Fire	0	1

**This represents an increase of 15 per cent over the same period during 1969.

"Happy Holidays" To Be Broadcast

Approximately 50 students from the Robert Seaman School represented Jericho Public Schools in WNEW Radio's "Holiday Greetings" program. The Seaman youngsters, members of Mrs. Edith Zuaro's second grade and Mrs. Mary Ramsey's third grade classes, were visited by Bob Kivelson and Herb Weinstein, who tape-recorded such greetings as "Merry Christmas," "Happy Chanukah," and "Happy New Year." The children's cheerful wishes for the holiday season will be broadcast, along with similar messages from youngsters throughout the County, over

WNEW - AM (1130) during the week of December 24 - January 1. Parents of the boys and girls received letters from the radio station. The project was coordinated by Lionel Goulet, Principal, and Robert Perna, Administrative Assistant to the Superintendent.

Jericho Library Bd. Meeting Dec. 22nd.

The next regular meeting of the Jericho Public Library Board of Trustees will be on Tuesday, December 22, 1970 at 8:45 P.M. in the Junior High Library.

Kevin Falco Named Student-Of-The-Month

Kevin Falco, a senior at Jericho High School was recently selected by the North Shore Exchange Club as the recipient of its student-of-the-month award. Kevin was the guest of honor at a luncheon given by the Exchange Club on the 25th of November at which time he addressed the membership, with a question and answer period following. Kevin has been active in reorganizing the Varsity Club serving in a dual capacity as secretary and treasurer. Due to

his hard work and concerted effort, the Varsity Club has become one of the outstanding service organizations in the school. Kevin is also in the Senior cast production of My Fair Lady. A fine athlete, he is starting flanker and linebacker on the football team and the right fielder on Jericho's Divisional Championship baseball team.

A certificate was presented to Kevin in recognition of his outstanding achievements in the school.

Life in colonial times became a real experience for hundreds of seventh grade pupils who participated in the South Woods Junior High School Harvest Festival. Pupils in home economic classes prepared foods, art classes made decorations and costumes and the music department provided music, all of which were typical of the early American colonial period. Their culminating activities were the result of learnings in art, home economics, music and social studies classes which dealt with the establishment of the colonies, the colonists early struggle for survival, and the first giving of thanks.

Over 340 seventh grade pupils, twenty teachers and approximately 100 guests participated in the Harvest program which was coordinated by the Social Studies department.

Left to right: Students Nancy Peterson, Almee Lubliner, Stephanie Storer, and Mrs. Ray Leeds, social studies teacher enjoy a colonial Thanksgiving while other students enjoy music of that period.

State Assemblyman Martin Ginsberg (R-Plainview) gets in a few pre-game pointers with (l. to r.) Tommy Renker, Gary Lottis, Tom Schoppmann and Tino

Pattigno of the championship Bethpage Panthers prior to post season tilt with team from Kings Point.

CHARLES WAGNER POST NO. 421 of the American Legion, Hicksville, mailed out packages to the men in the armed forces. Pictured left to right is R. Boerekel, A. Rutz, R. Sherman, J. Carter, R. Gamble, Commander G. Duranle, W. Tietjen and Chairman S. Wladyka.

The Gregory Museum is very lucky in having the very much appreciated help of painting trim by the industrious young people pictured above. They are, starting at the left, Richard Conte, Charles Conover, Edith Harrison and Gina Delvecchio. Hicksville is very proud of the deep interest of these enterprising boys and girls in the Museum.

VFW Crusades

The crusade to obtain freedom and humane treatment for American servicemen held prisoners in Southeast Asia by Communist forces will be continued by VFW Post 3211 of Hicksville, Commander Frank J. Aug Jr., announced.

Commander Aug said a massive letter writing campaign to the North Vietnamese delegation to the Paris Peace Talks was being launched by the VFW.

"All Americans are invited to join in this vital project," he said. "Our men are being subjected to barbaric physical and mental subjugation and we firmly believe that if our country shows it is united over this issue this inhumane treatment will stop and they will be released."

The letters are to be addressed to Xuan Thuy; Delegation of the Democratic Republic of Vietnam; 8, Avenue General Leclerc; 94 Choisey-le-Roi; Paris, France.

Thuy is chief negotiator for North Vietnam, Commander Aug explained. Cost of postage is only 20 cents and the letters should contain the following points:

- (1) The names of all the Americans held (prisoners of war and missing in action) be released.
- (2) Humane treatment of all held.
- (3) The return home of all prisoners starting immediately with the sick and disabled.

The Post and its Ladies Auxiliary recently circulated petitions urging freedom and humane treatment for American POW's held by the North Vietnamese, Viet Cong and other Communists in Southeast Asia.

"More than 2 million signatures were gathered by VFW members throughout the United States," Commander Aug reported. "VFW Commander-in-Chief Herbert R. Rainwater personally sought to deliver them to the North Vietnamese delegation in Paris but they callously refused to see him or to even receive the petitions."

"This rebuff will not halt us," Commander Aug said. "Commander-in-Chief Rainwater firmly believes that a show of concern—that Americans are united over the wellbeing of our POW's—will result in better treatment and eventual freedom for these men."

Fork Lane's Lion "New Mascot" Fork Lane School proudly presents it's school mascot, a lion, given by the Fork Lane P. T. A., to Mrs. Schreck's 1st grade class to keep for the school year in their classroom for having all but 4 parents join the P. T. A. ... Holding the lion, from left to right, is Michael

Calabrese, Maria Sarnicola, Barbara Rogus, bottom row, top row is Mrs. Mary Schreck, teacher, Mrs. Shirley Smith, P. T. A. President, and Mrs. Sara Albertson. Mrs. Schreck plans to share with all Project PLAN students the keeping of the lion, the enjoyment, responsibility and the prestige.

BOCES Graduate Now In Its Accounting Dept.

Miss Linda Nickel, a 1970 graduate of Hicksville High School has recently been employed by the Nassau Board of Cooperative Educational Services, BOCES, in the Accounting Department of the Office of Business Services in Jericho as a bookkeeping machine operator. During her course at Hicksville High, Miss Nickel attended a data processing course at BOCES County Center in Westbury where she was taught her occupational specialty under the BOCES occupational education program

for high school students. During her senior year, Miss Nickel spent her morning at this school and afternoons continued her regular studies at Hicksville High.

Upon graduation, this young lady secured a position as a key punch operator. Since good bookkeeping machine operators are not easy to find, and BOCES needed one they called upon Joseph Fiato, now a teacher of Data Processing at the Northeast Center.

Unusual Gifts For Christmas Shoppers

Christmas shoppers can find unusual gifts and also aid the Old Bethpage village restoration by visiting the village's gift shop, operated by the Friends of the Nassau County Historical Museum, the shop has special Americana products to delight the collector. Musicians and folklorists may choose from a five string banjo of old fashioned design or a three string dulcimer, both made in traditional American folk fashion in North Carolina. Craft hobbyists can take up spinning flax with a

cherrywood spinning wheel, an actual working reproduction.

Children and parents will be interested in a special group of miniature, reproduction and antique stoves from the late 1800's. Antique toys including china sets, tin locomotives and games are also a holiday special in the old country store selection of the gift shop.

All proceeds from the shop are used to purchase interior furnishings for the village. The shop is open seven days a week from 9 to 4:30 P.M.

Richard P. Barry, a Hicksville resident, will direct the 50-voice "Festival Chorus" of The Brooklyn Union Gas Company. In its seventh year, the chorus sings for the public and school groups at the company's general headquarters. This year, the chorus was invited by the City to perform at the tree-lighting ceremony in Brooklyn, Borough President Sebastian Loeane as well as other civic officials will attend.

All members of the chorus are Brooklyn Union employees including Mr. Barry who is a copy supervisor in the advertising department.

Mr. Barry is also choir director of the historic St. George's Episcopal Church in Hempstead and director of the Mineola Choral Society.

Public Notice

The Office of the Hicksville Water District at 4 Dean Street will close at 12:00 Noon on December 24th and on December 31st.

Holiday Party Suggestion : Extra Helpings of Safety

Eat, drink and be merry. But eat more and drink less.

That's the strategy behind the Automobile Club of New York's campaign for holiday parties that end safely for guests who must drive. Aimed at reducing after-party accidents caused by driving under the influence of alcohol, the program is titled "First A Friend, Then A Host."

The slogan serves to remind party-givers that true concern for the safety of guests should rule

out thoughtless hospitality in dispensing alcoholic beverages.

"Dry" parties are no doubt unrealistic, and the greater responsibility for moderation must be borne by the guest himself.

But under the program developed by Teachers College, Columbia University for the AAA Traffic Safety Foundation, the host can plan social controls that will help make for parties that are both merry and safe.

Working on the host's side are food and time. These, the Columbia professors say, are the basics. Hosts should serve good food and plenty of it throughout the evening. Eating before or during the cocktail stage can help the concentration of alcohol from building up in the blood stream and keep guests at an even keel.

And if the driving guest limits himself - with encouragement - to one drink per hour, time will enable the system to absorb the

alcohol at an even rate.

Here are some specific ideas for the part geared to the expressway age:

•After serving the first drink, let guests pace themselves. Don't force additional drinks, nor spend the evening "freshening up" drinks. Never offer "one for the road."

•Have a good selection of non-alcoholic beverages available.

•Begin pushing desserts and coffee at least an hour or more

before your guests will be leaving. Coffee is not a cure for overindulgence - but when drinking coffee, guests are not taking on more alcohol.

•Tactfully arrange transportation for a guest who may get under the weather. It's good planning to make arrangements in advance for a "safety" car driven by a non-imbibor.

Police Dept's New Mobile Office

Nassau Police Commissioner Francis B. Looney dedicated the department's new Community Relations Mobile Office located in a specially designed and modified new bus.

The mobile office will be staffed by a Community Relations Bureau Patrolman, Policewoman, and Police Cadet, who will visit Nassau Communities to familiarize residents with the police department's objectives and operations.

The Bus also is equipped with displays of police equipment and uniforms, as well as, training devices that expose the dangers of illegal narcotics, explosives, fireworks and weapons.

Complete with film and slide projector capabilities, a talk and a question and answer period; the Community Relations officers can present a comprehensive police-community program inside the bus. The various programs include every important police topic such as: drug abuse, auto theft, traffic safety, police careers and many more. The officers also explain the requirements necessary to join the police department.

The climate controlled bus is also equipped with a public address system and a conference room. It can also be used to transport groups, lacking transportation, to Police Headquarters for further orientation of the police operation.

The fully equipped bus cost \$24,568. -- and was purchased through a Federally Funded Program.

Be Sure House Numbers Are Visible

Please, for the sake of your families safety and the protection of your property, be sure that the house numbers of your home are clearly visible from the street - that is the urgent request of Hicksville Fire Chief Mel Voorhies. Frequently valuable time is lost in certain areas where house numbers are not visible and do not run in the normal sequence.

Give your house a Christmas present, a new new bright, shiny set of house numbers. Be sure they can be seen from the street. **HELP US HELP YOU! DO IT NOW!!**

The Nassau County division of Recreation and Parks is sponsoring a Christmas Party, presented by the Cantiague Figure Skating Club. It will feature skatime, Santa Claus and Public Skating. The party is

at the Cantiague Ice Rink, Cantiague Park, Hicksville, on Sunday, Dec. 20, from 10 A.M. to 12 noon. Members of the Cantiague Figure Skating Club in this picture are: L. to R. Back Row: Daryle Clougher, Mary Shea,

Noralee Rock, Anne Mosca, Maryanne Roggenbender, Jan Bass, Nancy Owens, Tracy Hodgson and Lauren Goodstadt. Front Row: Lynn Kruse, Judy Arthur, Sally Arthur.

The Generation Gap

On Thursday evening, November 19, the Hicksville High School PTA held a forum: "The Generation Gap-Does It Exist?" Speaking for the adults were: Father Dominic Ciannella, Mr. Charles Loiacano, and Mr. Harold Satran. On the other side of the "gap," for

the young people were: Miss Patricia Kurtz, Mr. Steven Rosenthal and Mr. Erik Eriksson, all students at Hicksville High. Moderating the panel was Mr. Erwin Rozran, Director of Pupil Personnel Service for the school district.

All participants were

given an opportunity to talk about whether they feel such a gap does exist and what it consists of, after which the audience of over 150 parents and students directed questions at the panel.

The general consensus of opinion was one of almost total agreement: that there is now, always was, and probably always will be a "generation gap" and that it is a healthy and normal thing not only for the generations to be in disagreement but even for those within a generation span not to agree with each other all the time. The discussion was lively and interesting, interspersed with many doses of humor.

After the meeting all were invited to have coffee and cake baked by the "older generation": the board of the High School PTA.

Ramblin' Rose

(Continued from Page 8)

you missed it.

It was delightful to greet former school board members, Mr. & Mrs. Herbert Johnson & Mr. & Mrs. George Jackson also present was our former High School Principal & Administrator Assistant, Leon Goloway. (All by the looking in the best of health.) Our current board was represented by Mr. Neil McCormack and his brother Reverend McCormack of Corpus Christi Parish, Mineola. There were also present graduates in Masse including (skinny) Jeff Schlegel. Families were well represented from all age levels from crawlers to grandparents. Among those I spotted were the cultural Jacobsons, Infantros and numerous others. We look forward to seeing you all at the next concert on January 17 when the Community Chorus and a portion of the orchestra have their performance.

Well, with all of this and the usual wild routine - there is the

jolly season upon me - but where oh where do we get the time to shop, wrap, decorate, write cards, Lord oh Lord, I have about had it. You all keep busy, happy, healthy - Must really ramble off.

Santa To Appear On Ice Skates

That rotund fellow with the white beard and red suit will make an appearance on skates at the Cantiague Park artificial ice rink on Sunday, December 20, it was announced by Public Works Commissioner Edward Borysiewicz.

Santa will be on hand to distribute free candy to youngsters at 10 A.M. and 12 noon. Admission to the rink session will also be free.

Cantiague County Park is located off West John Street in Hicksville.

Pinocchio Comes To Plainview

The Plainview Chapter of the Womens ORT will present the world-famous Nicolo Marionettes in "Pinocchio, a musical adventure story at the Mattlin Junior High School on Saturday afternoon, December 19th at 1:30 p.m. Tickets will be sold at the door and admission is \$1.25 per person.

The production, written, designed and created by the Nicolo staff is a favorite story for children of all ages. The version to be seen at Mattlin Junior High

School will cast Pinocchio in his original form - as a wooden puppet. The marionette performance of the story recaptures all the fantasy and excitement of the beloved folk tale.

Pinocchio is written in verse, designed with fairy-tale charm, with special emphasis on sound and lighting effects. A rollicking musical score adds sparkle to the production during which audience participation is invited. For further information, call 681-7588.
