Rep. Club To Hold Meeting

The Ernest F. Francke Republican Club of Hicksville will hold its regular monthly meeting at 8:30 p.m. on Friday January 8. The meeting will be

held at the Masonic Temple Hall, Nicholas Street, Hicksville. Program: Town Supervisor John Burke will install Club Officers for 1971.

Hicksville Community Council

To Meet Thursday, Jan 7

At the next Community Council meeting - January 7 - Dr. Joseph Madden, Health Education Department Chairman for the Hicksville Schools, will present a program on Health Education.

He will explain the state requirements and what we are currently teaching in the schools. Dr. Madden will also explain some of the curriculum that is being planned for the 1971-72 school year.

We will all have an opportunity to ask questions about the Health Education curriculum in our schools.

There will also be a portion of the meeting for the members to discuss anything they feel should be brought to the Council's attention.

Don't forget - - - Thursday, January 7, at 8:15 p.m. in the Library.

N.Y. Foundling Expands Operations To Hicksville

On January 4, the New York Foundling Hospital's Hicksville Office, located at 76 North Broadway, Hicksville, which was established July 10, 1967 to service its foster children and foster families in Suffolk County, will expand its operations to cover all of Long Island when it moves into the Spiegel Building, 17 West John Street, Hicksville.

The New York Foundling Hospital has four other branch offices located in Staten Island, the Upper Bronx, Rockland and Westchester County. The Foundling Hospital was founded in

1869 by Sister Mary Irene of the Sisters of Charity because infanticide and abandonment of babies almost everywhere were literally common place.

The work that was started by Sister Irene with the avowed intention of providing shelter for unwanted infants expanded in many directions and the agency has grown into one of the largest child caring institutions in the United States; it was the first institution in the United States devoted exclusively to the care of abandoned, neglected or dependent infants.

The Ladies Auxiliary of the Hicksville Fire Department recently concluded the 1970 parade season in New York State

by winning 1st place as best appearing auxiliary, at the State Parade in Watertown, N.Y. During 1970 as in past years they

have won numerous awards for best appearance. Mrs. Nick Brisand is President, Mrs. John Specht is parade director.

Zoning Decisions Clear Town Board Calendar

In an apparent effort to clear up major items on the calendar before the end of 1970, the Oyster Bay Town Board announced several decisions on zoning applications of interest to readers of the MID-ISLAND HERALD.

An early press deadline last week forced by the Christmas holiday prevented the reporting of the denial on December 22nd of the Jerry Spiegel application for 111 apartments units on Lee Avenue and the approval of the senior citizen housing development on the corner of Newbridge Road and Fordham Avenue, both in Hicksville.

Hicksville applications approved by the Board on December 29th were one by Nassau Reliance Fuel Corp. to operate a fuel oil business on Industrial H zoned land on Commercial Street and that of Dr. Michael Zimmer, a dentist whose office is located at 31 Gull Road, to continue the practice of dentistry while living elsewhere. The Nassau Reliance Fuel Corp. petition was heard on October 20th, 1970. Dr. Zimmer's application had its public hearing on August 11th of this year.

In Plainview, the petition of Kwick-Snack Industrial Caterers, Inc., for a special permit use to erect and maintain an industrial catering establishment on premises presently zoned for light industry, heard on August 11th, was approved. The property concerned is on the south side of Dupont Street, east of Farchild Avenue.

The petition of Jerry Spiegel for a rezoning of the 6.9 acre Giese tract of land on the west side of Lee Avenue, south of Ninth Street to provide for 111 apartment units was strongly opposed by a more than capacity crowd at Town Hall at the public hearing on November 17th. The opposition was led by Society to Preserve Our Town (SPOT), under the direction of Emil T.

Immesberger, of Farm Lane, President. The hearing was continued from 10 A.M. that day to 8 P.M. that evening.

The organized opposition picketed town hall one week ahead of the hearing, distributed handbills and telephoned residents notifying of the hearing, and chartered buses to bring protesters to Town Hall.

Seniors Approved

A quieter hearing was held on December 1st on the Town of Oyster Bay Housing Authority for a change of zone from Residence D to S-1 Senior Citizen Housing for the 2.9 acre parcel on the corner of Newbridge Road and Fordham Avenue, where Frank Wettreanu has conducted a florist and greenhouse business for many years. Twenty-four persons over 65 were present at the hearing to show their approval of this petition, which was approved on Tuesday, December 22nd.

The Wettreanu property had previously been the subject of some contention when Agway garden center requested the continuation of the non-conforming use of the parcel to install an Agway operation there. The Parish Council of the adjacent Holy Family Church violently opposed Agway's request, which was heard by the Town of Oyster Bay Zoning Board of Appeals. Agway subsequently withdrew.

Holy Family's Parish Council wrote a letter to the Town Board approving the senior citizen housing petition.

Mid-Island readers might also be interested in the approval by a split vote of the Town Board of a petition to construct a 356 unit garden apartment development on a 29-acre site now owned by the Pine Hollow Sanitarium Co. on Pine Hollow Road, Oyster Bay.

Jerome Jurman of the Civil Defense Auxiliary Police unit in Hicksville-Jericho, second from right, and Walter Kedsierski of the Bethpage-Plainville unit, hold commendation certificates presented them for saving the life of a young girl while on volunteer night patrol at Catiague Park.

Hicksville, John Bennett, chief of Auxiliary Police for Hicksville-Jericho, right, and George Collins, left, CD Auxiliary Police coordinator, made the presentations at Civil Defense ceremonies. Jurman is a resident of Syosset.

YOUR TELEPHONE SERVICE.

I'm Bill Ellinghaus, president of New York Telephone.

I know a number of you in the New York Metropolitan Area haven't been getting the kind of phone service you'd like to have, and you've been telling me so in telephone calls and in letters. We're very concerned about this and I want you to know what the phone company has been doing to correct these conditions.

This year, we've invested one billion dollars in service expansion and improvement throughout the state. Next year, it will be another billion, at least.

This effort may sound incredible since you may not have noticed a great change in your service yet.

The reason is that the job is so big. For example, there are now almost 6 million phones in New York City that originate about 33 million calls a day.

So we have to make a lot of improvements, neighborhood by neighborhood, before they blend into a general improvement.

But we are making the kind of effort that will do it. For example, we're putting most of that billion dollars I just mentioned into New York City and its suburbs.

And we're hiring and training more people, mostly for jobs that are directly related to making your phone work better, such as operators and craftsmen. In fact, in the past two years we've added almost 20,000 people. And, we're training them in our own "university," which offers more than 500

To help make them available where you want to call, telephone men have placed billions of conductor feet of cable throughout New York City and its suburbs.

courses, in everything from speech to pole climbing.

All in all, we now have 61,000 people working just in the city.

What everything adds up to is the greatest effort this or any phone company has ever made.

Because it has to be.

But now I'd like to go into the areas that concern you directly.

INSTALLATION

In the past two years we've expanded the capacity of our central offices in 65 of our 66 buildings in New York City.

Very simply, this means we're getting closer to being able to handle the huge volume of calls generated in New York City without a wait for dial tone even in the busiest hours.

Right now in New York City we can handle 4 million calls during any hour.

And this year alone we have added enough additional telephone capacity in New York City and suburbs to serve a city the size of San Francisco.

But we know it's still not enough and our plans are even bigger in 1971.

OPERATORS

Our directory assistance operators in the city now get about 900,000 calls a day for information.

To handle them, we now have more than 4,000 directory assistance operators. And training classes where they learn everything from local geography to courtesy.

Because each girl handles about 350 calls a day. And we want them to handle them well.

PAW PHONES

The city has about 7,000 outdoor phones. You may have had a problem here also.

To improve them, we've formed a pay-phone patrol of 400 men. They have their own fleet of vehicles and their only job is to make repairs within hours — notwithstanding vandalism which is still a problem.

We've also installed Dial Tone First equipment in virtually all of the city's outdoor and subway phones. So you'll know if the phone is working before you drop in your dime. And so you won't need to search for a dime first in case you want to make a 911 emergency call.

We've formed a pay-phone patrol of 400 men to keep the city's phones working right.

INSTALLATION AND REPAIR

New York City's phones move around a lot.

In fact, so far this year we've installed and removed more than two million phones.

To improve repair service, we've added hundreds of repairmen and put in additional equipment to test customer lines.

All told, the installation, maintenance and repair job in New York City takes about 7,000 trained telephone craftsmen.

STRUGGLE FOR QUALITY

We, like most service businesses, are in a struggle for quality. And there are no instant solutions. It's a daily, persistent effort.

But we are different from other businesses to the extent that people depend on us so often, and there is no place else to go.

We recognize this, and we are determined to win this struggle for quality.

I think the efforts I've talked about here will prove to you we are going to win and give you the service you want and deserve.

Dear Friends

THANKS TO ALL WHO SENT US SO MANY LOVELY HOLIDAY GREETINGS...here is one that the senders would like me to share with you... "Dear Mrs. Noeth: Wishing you and all Hicksville a very happy and enjoyable Christmas season. After a slow start we are just fine now and enjoy living in Florida. However we miss all our friends and the activities in Hicksville. Love, Tony and Mary Raffa." We miss you too, Mary. But we are glad to know that all is going well for you and your fine family. Come home and visit often.

A REALLY WORTHWHILE PROJECT was headed by three Villanova students, one of them was Tom Treacy, of PLAINVIEW. The project was called "Mail Call Vietnam", and as a result more than 250,000 cards, letters and packages were sent to servicemen in Vietnam and to the U.S. prisoners of war in North Vietnam. Even our President gave the boys a letter from him to include in the "Mail Call". Seems that Tom is a "chip off the old block"...for his father is Dr. Edgar A. Treacy, a former president of the Plainview Chamber of Commerce, a Past Grand Knight of the Joseph F. Lamob Council, Knights of Columbus, and active in most of our Plainview community activities. You can be proud of him, Dr. Treacy.

WHETHER A MATTER IS LARGE OR SMALL, isn't it nice to find someone understanding when a mistake is inadvertently made? In the Dec. 17th issue of the HERALD, we inadvertently omitted a very important committee and its chairman...that of the Religious Activities Committee which is headed by Mr. Siegfried Widder. Mr. Widder's friendly note complimenting us on the Community Council page and mentioned this saying, "I'm sure it was an excusable oversight." Yes, it was certainly unintentional, Mr. Widder, and we are glad you are so understanding. Wouldn't it be nice if everyone of us would realize in advance, that almost all errors are inadvertent, and there is almost always some reason, unknown to us, for their occurrence?

AS THIS, THE FIRST YEAR OF THE SEVENTIES, ends, we look back on some mistakes...and yet some progress made. So, we look forward with the hope that together, in areas small and large, (starting with ourselves and our own communities) we may help to build a better world...and we extend sincere best wishes to all our readers, that 1971 will provide us many more opportunities to work together for good.

Question: What do you like to do best with your leisure time?

MRS. M. FIDANZO, 10 Reiter Avenue, Hicksville: "To tell you the truth, I don't have leisure time. I'm busy with working and commuting and back and forth, and there's no leisure time. I love to talk, however, and that's my leisure activity - talking."

JOHN GOEB, 28 Twinlawn Avenue, Hicksville: "What do I like to do with my leisure time? Wow! I like to do a lot of things - have fun, mostly. I like skiing and other active sports, horseback riding, etc. I'm 25 years old and single. I like to do all these things with female companionship."

MRS. WALTER KARL GOEHLER, 122 Seamen Road, Jericho: "I used to write in my leisure time. I haven't done that lately. I guess I like to do mostly anything - go to shows, etc."

MRS. WM. W. GOELZ, 139 Roxington Road, Plainview: "Watch TV"

MRS. FRANCIS J. CARROLL, 8 Link Lane, Hicksville: "Well, I like to be with my grandchildren and go out and have good times with them."

JOHN B. CARROLL, 16 Fairway Drive, Old Bethpage: "With my leisure time? Lately I have had very little of it, but what I do like to do is knit and crochet, make beaded flowers and do handwork. With a house and four kids you don't have much leisure time. And now I work every day. I like to watch TV too, and read. Mostly mystery stories."

MR. DANIEL FRANCE, 70 Cambridge Dr., Hicksville: "Probably read or watch TV. I like bowling too. That's about it."

MRS. WM. RAYMOND FRANCES, 346 Nicholas Ave., Hicksville: "Watch TV."

MRS. ALBERT FRAN CO, 46 Favritt Lane, Jericho: "I'm laughing. Do you want me to answer you insofar as what Nassau County has to offer or going in to New York? We like museums. We tried to go to the Gregory rock and mineral museum in Hicksville and found it was by appointment only. How can anyone make an appointment to go to a museum? In the winter we like ice skating in the Syosset Woodbury Park. Other than that, we like to go into the city to museums, concerts and shows."

JOHN J. GRIMALDI, 22 Kalda Lane, Plainview: "Watch TV, I imagine. I would like to travel if I had more leisure time."

MEN IN SERVICE

John M. Morris, son of Mr. and Mrs. Andrew A. Morris Sr., 25 Nassau Ave., PLAINVIEW, has been promoted to staff sergeant in the U. S. Air Force.

Sergeant Morris, a radio repairman at McClellan AFB, Calif., serves with a unit of the Military Airlift Command.

The sergeant is a 1965 graduate of Plainview Old Bethpage High School. His wife, Barbara is the daughter of Mr. and Mrs. B. Anderson, 12 Knickerbocker Road, Plainview.

Marine Lance Corporal Robert A. Jones, son of Mr. and Mrs. Thomas C. Jones of 49 Gardner Ave., HICKSVILLE, is a member of Battalion Landing Team (BLT) 2/4 participating in training exercises with the U.S. Seventh Fleet.

The battalion landing team is comprised of infantry, artillery, medical and other support units necessary to sustain an infantry battalion in the field.

Operation VFW

William M. Gouse, Jr., Post No. 3211

By Lou Palladino

Our Christmas party was a great success. Don't remember seeing so many people assembled at our Post before. There weren't enough chairs to go around, nor enough space for everyone to be seated. What a wonderful cheery crowd. Lots of children To start the festivities, Gary Wurth played Christmas songs on his accordion, and chairman Jack Mulligan had everybody singing with the music. Next Frank Gennaro had his stereo music for our tap dancers.

Little Kathleen Collins did her dance, and was followed by Karen Gennaro. These kids were very good, and we all enjoyed the entertainment. Finally Gary ushered Santa in with jingle bells, and the kids roared. Just watching the expressions, and reactions of these kids as Mr. Claus came dashing in, was a show in itself. You couldn't get bored with all the warmth excluding from this group. Bob Williams did his usual good job as you know who. As a matter of fact, he gets better as the years go by. After Santa left, Gary again played his squeeze box, while the children went to get refreshments, cookies, and ice cream, for the grand finale. It was a pleasure being a witness to this warm responsive crowd. All is well that ends well. Oh, yes, just a little more proof that we need larger quarters for our festivities. Lets not get on the building kick again.

The Woodbury Nursing Home asked us if we would possibly send our Santa there. So after the party, a group went along with gifts for these poor unfortunates. There's a small body of vets there, and it seems they go unnoticed year after year. Its supposed to be quite a morale booster to be remembered. This is pretty good and considerate

organization don't you think.

At the Legislative breakfast, our housing resolution was brought up again. A group of State politicians didn't think too highly of it, but those of our County were all for it. It seems that addicts, malcontents, and hippies are the more important, than veterans housing. All are important but each in its place.

The Ward party at Northport Hospital went off very well, and was well attended.

Picnic Comm. haven't yet decided whether to change the location as yet. Of course, if there is a change it will be for the better or not at all.

Plenty of donations for worthy causes. For the Lutheran Church on Old Country Road, Operation Outreach, for a needy family. For Newsday, needy family. Our Cndr. Frank Aug will give the donation in person. For the VFW sponsored Hot Operation Help, to help those unfortunate Cambodians who suffered dismemberments or disease in the latest emergency. But not to purchase arms of any kind. Also to tuberculosis charities. We even had a gift for the Jr. Unit girls. Who incidentally went along with the group to the Woodbury Nursing Home, to spread a little cheer to those vets.

For those who have not sent in their Journal applications, Ed Chwalisz is waiting for your returns. Please help Ed do a good job.

Our last note is, may all your troubles for the new year be small.

HONEY SKOLNICK

A Conversation With Rita Greenstein

"If you want something done, ask a busy person to do it"—the only problem is getting Rita Greenstein to stand still long enough to ask her!

From the time she was born in the Bronx, Rita's life was dedicated to music. This dedication was nurtured and encouraged by her parents. She was privileged to attend the High School of Music and Art in Manhattan. From there she went on the NYU as music education major and received her bachelor's degree. The attainment of her master's degree came later after Rita and Eli migrated to Hicksville from Queens Village with their young family.

The move to Hicksville was one of necessity. Their apartment was not large enough to accommodate their three baby girls. On a cold day in January, 1955, the Greensteins took possession of their home in Hicksville. Despite frozen linoleum and many offers that were to come for Eli to change his position as an electrical engineer, they still live in the first house they ever looked at. As you talk to Rita, the feeling you have is that they will always live in Hicksville because their love of home and community has grown so.

Through the influence of Harriet Spink, Director of Music, Rita put in one year of substitute teaching of music in the Hicksville School District. From this "temporary" beginning, she has taught 13 years in Farmingdale. During this time she has taken many courses at Hofstra and NYU, receiving her master's degree at C.W. Post.

Eli Greenstein has been blessed with an all-girl family

Rita Greenstein

plus two poodles—female, of course. Besides Rita, there is 19-year-old Gail, in her second year at Buffalo as a language major; Carol, 17½, a senior at Hicksville High; and lastly, Myra, 16, a junior and a member of the National Music Honor Society. All three girls have inherited their mother's love and talent in music. The girls are as active as their mother, being involved in Theatrics, Madrigals, Interact, art and many school clubs.

Although busy with the raising of three girls, the care and feeding of her husband, and the full-time teaching of music, where Rita has found time for all her outside activities is amazing. Starting with a Brownie troop, before her own children were even eligible to be Brownies, she went on to become both organizer and resource person in the Girl Scouts. A "temporary" job as membership chairman for Sisterhood in the formative days of Midway Jewish Center led to the vice-presidency and eventually to the presidency. Rita was a charter member of the Sagamore Chapter of B'nai B'rith and is now serving as group

advisor to the B'nai B'rith Girls, Four Freedoms Chapter.

Six years ago, after reading an article in the Mid-Island Herald for homes needed for one week during the summer, Rita became involved and is still involved in the American Field Service. The first student who stayed in their home was a 19-year-old boy from Australia with whom the family still corresponds. She is responsible for organizing the Hicksville Chapter of the AFS which is an active part of Hicksville High School's extra-curricular activities. The American Field Service, although accepted by the American Government is a private, non-political, non-sectarian organization supported by private funds. It is a "person-to-person, person-to-home, person-to-community exchange; in the hope that through understanding of other cultures we could have some peace in the world because peace comes through understanding."

Rita feels that she is not teaching music appreciation but how to learn to listen to music and become aware of the textures of music, to make it a part of life. She is proud of her association with Hicksville and the school district. "In Hicksville, the cultural programs of the school system are spectacular. Fortunately, we have an administration that does see the value and necessity of culture in the growth of a human being."

As always, the busy person, Rita dashed off to drive a neighbor's daughter to dancing school, leaving us with the request to "please lock the door on your way out!"

Lynn Egan, Plans Career In Fashion Design

Lynn Egan, a vivacious Hicksville High School sophomore, is planning a career in fashion design. And for one so young, she's already well on the way.

As a part-time student of fashion design at the County Center in Westbury, an occupational education facility operated by the Nassau Board of Cooperative Educational Services (BOCES), Lynn designed a skating costume so fetching that the Cantiague Figure Skating Club adopted it for a public performance.

Ten members of the club fashioned their own costumes according to Miss Egan's design

and wore them in a performance at the Cantiague Park ice rink December 20. The design called for a white leotard with skirt and trim of red and green tinsel garlands.

According to Mrs. Audrey Smith, Lynn's fashion design teacher at the County Center, this is an important achievement for a first-year student in the field. "We are proud of Lynn's work, and we look forward to even more interesting designs as her education advances," says Mrs. Smith.

Miss Egan lives with her parents, Mr. and Mrs. James Egan, at 58 Vassar Lane, Hicksville.

Absentee School Vote Proposed By Caemmerer

A bill calling for the establishment of an absentee balloting system in school district voting was filed by State Senator John D. Caemmerer.

The measure would amend Section 3012 of the Education Law to provide that people who are permitted to vote by absentee ballot in other local elections, and in state and national elections—including servicemen, students away at college and people on

business or vacation trips—would also enjoy the same right in school district voting.

"To deny such qualified people their vote because, through no fault, they cannot be physically present at their respective polling places in a union free school district is a violation of their Constitutional right," Caemmerer said in presenting his bill.

Stabile Appointed New Position

Anthony Stabile, presently Assistant Superintendent of Schools in Roosevelt, was appointed to the new position of Assistant Superintendent for Administration for the Levittown Schools (U.F.S.D. No. 5) effective February 1, 1971, by the Board of Education at its regular meeting on December 14.

Mr. Stabile, 47, will be directly involved in negotiations for professional and non-teaching groups. He will also administer federal programs, serve as liaison with the Board of Cooperative Educational Services and oversee Levittown's Continuing Education program. A former teacher, elementary school principal and administrative assistant, Mr. Stabile served as acting Superintendent of Schools in Roosevelt for one year. A sergeant with the U.S. Signal Corps during World War II, he received his Bachelor of Arts degree from Hofstra and his Master's degree from the State University at New Paltz, New York.

Mr. Stabile lives with his family at 201 Acre Lane, Hicksville. His son is a student at Massachusetts Institute of Technology and his daughter a student at Hicksville High School.

By

Howard J. Finnegan

Coach Wayne Bryan made two moves with 4:32 to go in the second period against Levittown Division that served to encourage Hicksville's basketball fortunes.

Trailing 31-20 he inserted Tony DiLorenzo at the center position and ordered the Comets into a court press.

The reward was almost immediate.

DiLorenzo used muscle and skill to take command and the

press forced many Levittown errors that eventually gained a 72-55 Hicksville victory.

It was Hicksville's second win in five starts. It was the Comets second appearance at home.

An erroneous radio report that the game was postponed cut the crowd to seven hundred. The slight snow dusting did not cause any cancellations in the county.

Hicksville blew to a 34-33 halftime lead.

Guard Rich Berg had his most effective night. He had ten direct assists and most of them were striking.

DiLorenzo wound up with 15 points as Hicksville romped.

One thousand excited fans jammed the Hicksville bleachers for the Comet-Holy Family wrestling match.

Hicksville was sharp and picked up its first win of the season 32-13.

In 1:36 Hicksville's Dan Delia pinned Walsh in the 101 pound division. That started the Hicksville point total rolling.

Mitch Hirsch, at 107, completely controlled Hickey and gained a 9-1 decision.

At 114 Manny Lindo and Ken Sweeney grabbed to a taunt 1-1 draw.

Ed Grams weighing in at 134 scored a 20-5 decision of Robert Sweeney.

Hicksville fans let out a huge roar when Lou Chiodo pinned Quinn at 4:23. That was a 140-lb. match.

At 147 pounds Walter Weller won by a 10-2 decision over Schaber.

It was a contest between the Comets' Don Doherty and Trinity's Demeo but Doherty finally pulled it out 11-5.

Hicksville's final victory came in the heavyweight class where Tom McAllister had an overwhelming 12-1 decision over Curry.

Home for the holidays from Johns Hopkins University is ex-Hicksville Lacrosse star Bill Donovan.

Bill is currently in his Senior year at Hopkins and is looking forward to spring lacrosse.

He is a varsity member and hopes Hopkins can set a claim to a berth in the National Championship game at Hofstra University Stadium.

The big test for Bill and Hopkins will come under the roof of Houston's Astro Dome in Texas.

A big game is slated there with Navy to promote the game in the

Southwest.

Navy is rated even with Army for the National title.

Hicksville had an All-American member of Navy's National Championship team just a few years ago when Dennis Yatra played for the Middies.

Letter to the Editor

Dear Editor:

Words cannot express my thanks for the cooperation you extended to us during the 1970 Holiday Mailing Season.

The publicity emphasizing the need to mail early, enabled us to deliver all Holiday mail on time. In addition your news coverage on our self service unit afforded the public the opportunity to mail in the evening hours and on weekends.

Once again many thanks.

Sincerely yours,
Ralph G. Cascardo

Lincoln's antidote for the current earnings drop

The Federal Reserve's decision to increase the money supply, recent drops in prime lending and discount rates and other factors have sharply reduced yields on bonds, bills and notes. This makes our 6% look better than ever before.

Lincoln Savings Certificates continue to offer the same high 6% interest guaranteed for two to five years if held to the maturity date. They are issued in multiples of \$100, with a \$500 minimum. Interest at the 6% rate credited quarterly. If left with the bank

for compounding, the actual yield will be greater. You may elect to use the income by having interest mailed to you quarterly.

There are no commissions to pay. No charts to consult. No phone calls to make. No salesman will ever call. Lincoln Savings Certificates are just a good, safe, high-yield investment that lets you sleep easy without worry about day-to-day market fluctuations.

And they are easy to buy. Just write a check and mail it in with the attached coupon. Your certificates will be sent by return mail.

5¾% a year Savings Certificates are also available from one up to two years. Interest compounded quarterly. Rate guaranteed if held to the maturity date you select. You may elect to have interest checks mailed quarterly, or interest may be left in for further growth.

5% a year latest dividend on Daily Interest Accounts and Regular Savings Accounts, both compounded quarterly. On Regular Savings Accounts, deposits made before the tenth of the month earn from the first.

Gregory Museum Expresses Appreciation

The Gregory Museum wishes to express sincere appreciation to all the Business Merchants, organizations, Adults, Senior Citizens and Children for all the help and time they gave in 1970 toward the Restoration of the Heitz Place Court House. As you know, the Court House will be the new home of the Gregory Museum, which is mainly a earth

science Museum, but which will house Historical Facts and Items of Hicksville. "We" extend a "Happy New Year" to each and everyone, and hope to have the pleasure of making new friends in 1971 who will lend their support and help in this tremendous undertaking. Again—"THANK YOU!"

Ramblin' Rose

By Rosemary Walsh

My aren't these busy, busy days. I do hope your Christmas was merry and before I go any further may I wish you and yours the very, very, happiest New Year. And even at the risk of repeating myself please let the Lord see fit to make this one "The Year of Peace."

Things are popping round here—our Recreation Elementary Tournament is under way. (Because of our early deadline I can only give you the first day results.) Mr. McGovern, Mr. Mateer, Mr. Maher, and Mr. Fein can all cheer, their schools came through. (Thank heavens for an East Street win or Mr. McGovern would once again be threatening to search for a new coach. Please John relax it is only a game, right? Results for today are Dutch (26) coached by Marty Cohn, Woodland (16) coached by Don Skupinsky, East Street coached by Bob Hilsky squeaked out a (25) over Old Country Road (23) coached by Howie Schack. Willet (18) (playing for the first year in the tournament) coached by Gary Schwartz over Burns (16) coached by Frank Coletta, and Fork (19) coached by Greg Pisani really slid over Lee (18) coached by Joe Solosky. So tomorrow—Dutch will meet East—Willet vs Fork, and Wednesday who knows. 'Twas strange to

HICKSVILLE STUDENTS WIN SWIMMING AWARDS: Certificates and emblems were presented to four Hicksville students who successfully completed their Red Cross Water Safety Aide Course. (L. to R.) Wayne Sternberger, Ellen Jones, Liz Pennisi and Paula Atchison (not pictured) are shown here receiving their awards from

Water Safety Instructor Robert Sklarz.

Besides learning how to instruct beginners, keep records, and other duties involved in teaching, the Aides also had an opportunity to work with students on an individual basis. In addition, Wayne demonstrated the use of mask, fins and snorkel to the Senior Lifesaving class.

listen to John McGovern, Jack Mateer (John) and John Maher all taking bows for their present home schools but claiming them all as Willet students. 'Twill be very interesting to watch John Maher tomorrow as his new home Fork vs his last school Willet. All in all it's heaps of fun for all involved and the audience

was packed from 9:30-1:30.

On Wednesday when the finals take place our skiers will be on the slopes. Yours truly can't be with them (darn it) but they'll be well chaperoned and conditions are forecast as excellent.

Will ramble away now—Have a really, really Happy
Loves ya!

Scout Visit St. Mary's Hospital

On Sunday, December 20, 25 boys from Pack 491 and 5 girl scouts from Troop 515 went to St. Mary's Hospital in Bay Side.

The boys and girls presented the 40 children

at the hospital with gifts and candy canes. They also helped to decorate a tree for the children and played with them for a while.

The trip proved to be most rewarding.

Cub Scout Pack 491, St. Ignatius does a good deed, as they are shown here as they arrived at St. Mary's Hospital

under the Guidance of Sister Mary Gregory. The Lower picture shows the children at St. Mary's decorating the tree.

OBITUARIES

Lowell Dunea Theesfeld, husband of Meryl Widder Theesfeld and father of Bonnie Valentine, died of cancer on December 15, at the age of 29 in

Arlington, Texas. He will be buried at sea after a Memorial Service at Trinity Lutheran Church, Hicksville on Saturday, December 19.

Bob Ullrich, a senior is entering his third season a forward for the Marist College Varsity Basketball team. Last year he averaged 4.5 rebounds and 6.1 points per game. Bob can play either center or forward and he has come off the bench in quite a few games and turned the game completely around with his shooting.

Bob is a math major at Marist and lives with his parents in Hicksville.

LIBRARY NOTES

Santa Claus came early to Hicksville this year. The Hicksville Public Library had FINE FREE WEEK from December 13 through 20. Overdue library materials were accepted all week long, with no questions asked. This was a dual gift giving. The gift for Hicksville borrowers was the ability to return late books and not have to pay fines and the library gift was the returning of the important books that have been missing from the shelves for long periods of time. In this way everyone benefited.

In the last dozen years or so, this was the third FINE FREE WEEK. It was the most successful one to date. At the moment the final count is not complete but it seems that much of the long missing materials were returned.

The Hicksville Library borrower can start the New Year

with a clear conscience, and a fuller pocketbook, and the Library can start the New Year with the shelves almost full once more and everyone is happy.

The real purpose of FINE Free Week is to get back all needed library materials. The only reason for the fines is a penalty to the public for keeping the books more than the loan period. The books at a public library belong to everyone and may be borrowed for a specified time. After that period other people in town have the right to borrow the same materials for their use, be it pleasure reading or research work. Perhaps we should all make a New Year's Resolution to try and bring back all library materials on time so that the Hicksville community will have full use of what the library offers the borrower, who incidentally is also the taxpayer who keeps the library in existence.

Gutter Ball Gossip

By Herb Mahler

Results of Monday night, December 21st.

With the first half now only three weeks away, there was a new leader as the team standing once again went through some drastic revisions.

The big change was the Warrens climbing into first place by 6 points with an 11-0 win over the Sussmans. With Alex "Chuckles" Urbont exploding for a 236 in the first game, Capt. Nat a 231 in the second, and my "132" in the third, we passed the declining Holtzmans.

Irv Simes with a 212 and Lester Schuman, who stayed off vacation long enough to hit a 207, combined to carry their team to an 8-3 win over the Holtzmans who, for the last three weeks, have won only a total of 9 points.

Lou "Ripper" Vladem done did it again, for the second week in a row, hitting for a 210 and 209 with a scorching 610 series. Even with Art Rosenthal's back-up 214, the Vladems still lost to the Gershens 6-5.

Herb Brody, who has a kind word for everyone, left his evening nap over his coffee to hit a remarkable "for him" 224 and 216 for a 610 series. This 11-0 win was over the Hy Shapiros who exchanged places with the

Brodis in the cellar.

The Geysers and Marks met head-on with each captain coming through, Lew a 223 in the first and Lew a 210 in the last, with the Geysers on top 6-5, to take over third place.

The Robby Goldsteins shut out the Buddy Flanders to keep in contention, but knocking Buddy's Boys out of the box.

Three men were last seen leading Dave Kaye to the car still babbling "so many splits." Sam Saitz with a fine 212 helped salvage 4 points as the Langs lost to the now fifth place Sachs 7-4.

Fred Rothman with a 211 in the second game helped his team shut out the Simons.

The League extends congratulations to the Horace Bernsteins on the birth of their grandson.

I wish to thank all you men for your truly constructive criticism about the column. To state, that I have not heard such language in years outside of a stag movie, is the understatement of the Century.

A belated Seasons Greetings and Happy New Year to one and all from a grateful guy who deems it both a pleasure and a privilege to bowl with the greatest bunch of guys I have ever been associated with.

In keeping with the holiday season, Jericho's Senior and Junior High School Future Homemakers of America and Home Economics Department hosted the annual Holiday Tea. The traditional holiday gathering, enjoyed by professional and non-professional staff members, was highlighted by the old-fashioned gingerbread house made by Miss Barbara Furst, Home Economics teachers, Miss Furst, the high school students and Mrs. Bea McHale, Chairman, combined their talents in preparing and serving a vast array of festive desserts. Pictured above are Debbie Kaufman and Toni Molina admiring the gingerbread house.

Board Hears Student Views

Following its regular monthly public meeting on December 14, the Syosset Board of Education conducted its second special meeting of the year with student representatives of Syosset Senior High School.

Designed to open communications between the Board, school administrations and students, the hearing gave students an opportunity to voice opinions on school and educational matters.

During the two hour session, seventeen students representing high school classes, student organizations and activities, voiced their opinions on a variety of subjects to Board members and school officials.

Board of Education President, Simeon A. Wittenberg, told students that the Board would seriously consider the matters presented by the students. No immediate action on student suggestions, which ranged from changes in curriculum and grading systems to the problem of communication, was taken immediately by the Board. Mr. Wittenberg said that any action or changes in current school policy could not be made without a careful study by the School Board.

Mr. Wittenberg and other Board members expressed appreciation to the students for taking the time and interest in expressing their views on school matters. All the Board members made general comments on the student presentation and indicated that they would give careful consideration to matters raised at the meeting.

The Syosset student representatives at the special Board meeting were: Student Union, Marc Jacoby; Newspaper, Robert Zaab; Yearbook, Richard Kantor; Dramatics, Susan Turner; Band, Robert Dietch; Athletics, Roy Ricci; Sr. Class President, Stuart Perlman; Jr. Class President, John Tolins; Sophomore Class President, John Kantor; Health, Dave Shulman; DECA, William Dreitlein; Secretarial Work Study, Jean Metterle; Art, Lisa Feldman; Radio, Scott Tillman; Girls Athletics, Barbara Sepe; Cheerleader, Joan Luxemburg; Exchange Student, Christiana Nguyen; BOCES, Sharon Treadwell.

children, Judith and Allan, who were married on December 19th, at the East Meadow Jewish Center.

Hopace and Doris Bernstein of 38 Forsythia Lane joyfully announce the birth of their grandson, Johnathan David Lerman. The mother, the former Gail Bernstein, is a graduate of Syosset High School '62, and Rider College '66.

Hadassah Happenings

The Jericho Chapter of Hadassah is sponsoring a Fashion-Slide-in Luncheon, which includes a hot buffet luncheon, at B. Altman, Manhasset in the Charleston Gardens, Wednesday Jan. 13th. Donation is \$5.00 per person. Proceeds go to the Hadassah Medical Center.

The Chapter conducts lessons in beaded flower making every Thursday morning from 10 A.M. to 12 noon at the Jericho Jewish Center.

Knights Sponsor Party For Disturbed Children

By Erwin Soroka

The Knights of Pythias are continuing their community service activities. On December 19th, a committee of the Jericho Lodge No. 245 sponsored a party for 104 children at the Nassau Center for Emotionally Disturbed Children.

The Christmas "mitzvah" was chaired by Aaron Mansbach with his co-chairman, Seymour Levy. Other participants of the Lodge included Elliot Struminger, who played Santa Claus; Joe Van

Asco, the Man of Good Will; Harold Steinberg, Chancellor Commander; and the writer.

The children enjoyed candy, doughnuts, ice cream, soda and toys, toys, toys! In addition the Lodge provided musical entertainment through the services of Joan Greenberg. The children and staff of the Nassau Center were thrilled and delighted with the program which rounded out a fine year of fun and service for the Jericho Lodge.

High School Seniors Achieve Top Awards

JERICHO

David Nydick, Superintendent of Jericho Schools, Paul J. McKee, Principal, and Allen Layton, Chairman of the Guidance Department, join with the New York State Education Department in announcing that 59 Jericho High School seniors have been named winners and alternates of Regents College Scholarships this year. These scholarship awards are effective with the 1971-72 academic year.

The excellent result achieved by the seniors represents approximately 20 percent of Jericho's graduating class.

In recognition of academic achievement, 123 Syosset High School seniors were inducted into the National Honor Society on December 15th in a special ceremony at the high school.

Speakers at the installation

were Dr. Norman Schwartz, Assistant Superintendent for Secondary Education and Dr. Walter M. Yannett, principal of Syosset High School. The program, followed by a reception in the student library, included musical selections by the school choir, under the direction of Dr. Leon Gray.

Ensign David Grant

Navy Ensign David H. Grant, son of Mr. and Mrs. Edmond J. Grant of 76 Hodges Lane has completed basic jet flight instruction with Training Squadron Nine at the Naval Air Station, Meridian, Miss.

He has been ordered to report to Training Squadron Four at Naval Air Station, Pensacola, Fla., for further training in air-to-air gunnery and carrier landing qualifications.
