As one can see by the yearly totals this has been a busy year (1970) for Hicksville volunteer firemen. False alarms and rescue calls accounted for a large number of calls. The number of firemen injured in the line of duty was quite high in 1970 also. But we were very fortunate that with a population of nearly 60,000 residents, not one death from fire occurred. Also property damage from fire was very low, thus helping to keep our fire insurance rates down.

We hope that in this past year, that through this column we have been able to let you, the residents, know more about your fire department. The success and problems that the unpaid volunteers face each week. If anyone has any questions please forward them to us at the fire headquarters and we will do our best to answer them. A brief definition of some terms used in this weeks column are as follows:

Malicious False Alarm - sounding or reporting a known false alarm of fire.
Accidental False Alarm - results from malfunction of automatic fire-alarm equipment in buildings, broken sprinkler pipes, smoke or steam scares where no fire is found.
Rescue Calls - requests for ambulance or for emergency oxygen or first aid.
Mutual Aid Calls - requests for assistance from this dept. to another fire dept.
General Alarm - all men and equipment respond.
Silent Alarm - 1 or 2 companies respond with a crew - no alarm sounded.

On many occasions when an alarm is sounded only one or two stations responds. Through our radio alerting system we can select the individual stations to respond thereby cutting down on emergency traffic and saving some tax money.

On Tuesday Dec. 29 a basement fire at 22 Adams St. gave firemen a workout. Self contained air masks were required to gain access to the fire. No injuries were reported. Damage was estimated at

Peter Collins, President; James Hurley, Vice-President; John Warch, Recording Secretary; Quentin Hanna, Treasurer and Michael Caulfield, Corresponding Secretary. Our fifth and sixth grade Basketball Traveling Team under coach Artie Murphy, Jr. revenge an earlier defeat at the hands of Holy family, Hicksville, by downing them 31 to 27 in a recent game. Terry Lyons was high scorer for the "Saints" with 10 points and Bill Targowski was right behind him with 9 points.

As you well know St. Ignatius Soccer teams swept the Diocesan Leagues. The "Apollo's" 7th and 8th grades, who finished with a

record of 10 wins-0 ties-0 losses and the "Hearts" 3rd and 4th grades with an ambitious record of 16 wins-0 losses-0 ties. The "Apollo's" added to their laurels by taking the Garden City, L.I. Invitation Tourney.

It was apparent Tuesday night, as Hicksville's Varsity basketball team rolled over Farmingdale, 75-51, that Coach Wayne Bryan and his assistant Lick Monfredo

used the holiday lay off to good purposes. The Comets foreshook heads down dribbling and were looking up court. Many looking scoring

assists followed as the orange blasted off to a 28-6 lead. On defense Hicksville used a tight man for man press that demonstrated the fruits of many hours of drilling.

The starting five of John Arnelo, Rich Berg, Brian Pinelli, Tony DiLorenzo and Mark Weinrob threw a defensive blanket over the Daler Court that completely blocked the hosts.

While the Dalers were no measure Syosset, defending Division Champion, will be when it visits the Hicksville Court Tuesday night.

Hicksville is not scheduled this Friday night.

The Comets are 3 won and 4 lost on the campaign and Syosset is 2-4. Both are 1-0 in league play.

Syosset is the favorite (strong) to win the title again and is still smarting over the lone loss to Hicksville which denied it an undefeated campaign in 1970.

Our Prediction: Hicksville 60, Syosset 50. It is the reputation of East Street School that it has sent the most outstanding baseball and Football Athletes on to fame for Hicksville High.

However the basketball representation has been short of other accomplishments.

That is why there has been a

Plainview-Old Bethpage High School SPORTS REPORT

Plainview High School and the J. F. Kennedy High School teams fresh off wins in their respective holiday Basketball Tournaments, met for the first time in the school district's history in an intra-district Varsity Basketball game.

More than 1,000 students, alumna and adults came to watch and cheer for these athletes who had played together and against each other many times before in the local parks and schools.

From the playing of the national anthem to the final buzzer, the air was filled with excitement. Many spectators found themselves cheering for

triumph of Portent that has Principal John McGovern, the Hicksville Athletes most consistent supporter, smiling warmly.

In fact the victory of East Street in the recent Elementary School basketball tournament gave most of the community a warm glow.

For Mr. McGovern and his school it was the first win in 13 years of trying.

The coach who held up under it all was our friend Bob Hilsky and everyone is equally glad for him.

The future promise for Hicksville is undeniable.

The East Street attack is centered around 5'7" Peter Sluder who is a great rebounder and shot blocker. He scored 8 points in the two point championship victory over gallant Fork Lane.

Hilsky has a good shooter in starter Frank Principe and ball handling in Chris Phillips. Anthony Colamussi is strong in rebounding and Roger Sakens plays a sound defense.

These first ring men are backed up by Danny Fyle, George Vahamonde, John Murphy, Jim Pakaluk, Tim Brodley, John Bergen, Larry Berman, Gary Holzapfel.

every basket regardless of which team scored.

Coach Jim Amen Jr's Gulls, led by Tom Milone, George Keckeisen and sophomore sensation Vin Aversano, played outstanding defense against Coach Irwin Stewart's agles who boasted all Division selections Brad Greenberg and Bob Dickinson.

The game was close all the way with the lead changing hands several times. Although the J. F. Kennedy team won by a score of 52-49, everything about the game made the Plainview School District the winner.

Mathew Capelli and Mark Polli.

Mr. McGovern, ever working to keep the proper balance between education and athletics, is quick to point that the starting team is comprised of all track one students.

Hicksville's Junior Varsity team went far in front early and beat Farmingdale 49-38.

Bob Goldmacher lead the way with 17 points and Bob Bischoff had 14 points along with 11 rebounds. Gary Gross notched 10 points and Paul Lindbloom swept the boards for 12 rebounds and scored six point. Jim Schumacher had 2 points while feeding off for 8 assists.

The efforts to unretard Hicksville High's interscholastic program are making progress.

For the first time the Comets have an indoor winter track program which will in time put Hicksville on an equal footing with other schools in its league.

Already a striking result has developed.

Sophomore Dan Bell recorded a 6 foot 7 inch high jump in the North Shore Winter Indoor Relays. This jump - which was good for a second place finish - is accepted as the highest pass over the crossbar in Hicksville history.

Dear Friends

AS WE GO TO PRESS this week, the Hicksville Community Council meeting will be held. Then, as soon as possible we'll be bringing you the report of the meeting, which is always divided into two parts . . . the first is arranged for and publicized, and the second is for public participation and is always open to a discussion and possible Council action on any subject which affects Hicksville. We invite you to join us. We always meet on the first Thursday of the month, beginning at 8:30 at the Hicksville Library. Refreshments follow each meeting. The Council itself functions for several good local purposes. Members who are delegates from local organizations, are making arrangements to be placed on the agenda of their organization's meeting so that they in turn can bring back to those present, a report of the Council meeting. It is our hope that through a better understanding of a variety of local affairs which affect us all, we will be able to come up with constructive, informed, action in many areas. We have twelve committees, all of which are open to volunteers who wish to help in a particular area. We hope you put us on your calendar each month (accept July and August) and come on down. More on this next week.

ADULT EDUCATION programs will be conducting registration in all our HERALD areas in the next two weeks. There are so many interesting courses being offered in our local adult ed programs, if you have time, you should really take one. If you haven't received a brochure on the subjects available why not phone your school district, I'm sure they'll be glad to send you one.

CONGRATULATIONS ON A JOB WELL DONE, to those responsible for the "Bulletin Board", a four page brochure put out for the first time by the Hicksville Public Schools in December. This District plans to publish The Bulletin Board periodically during the school year.

Congratulations, too, to Mr. Alfred M. Kunze of Ash Lane, Hicksville who is doing a great job on many levels of our senior citizen programs.

And congratulations for a really beautiful job of decorating their homes at Christmas time go to the Bufalinos on the corner of Jonathan and Arnold, and to the well-known house in Plainview.

Congratulations to our newly appointed chairman of the Board of Fire Commissioners of the Hicksville Fire District John J. Mac Donald, Jr., whom we're sure will do a good job, during his term of office, which is one year. . . and, speaking of appointments, best wishes to Jerry Trotta, "happy D. P. W." to you, Jerry, let us know when it's a fait accompli."

Until next week, stay well,

SHEILA H. NOETH

Open Letter To Hicksville Bd. of Ed.

It has been reliably reported to us that one firm has been, exclusively, receiving all of the district's architectural work for over 10 years without bidding. In addition, it is not clear who recommended this firm in the first instance, and why?

Considering the official projection of \$300,000 for the Jr. High construction costs, it is estimated that a \$20,000 architectural-plum is connected with the Jr. High addition, alone!!

We, therefore, most strongly

recommend that this old-board practice be discontinued by the new Board of Education and a wide-open bidding policy be immediately substituted!

And to emphasize "immediately" - to specifically not sign a contract with said architectural firm for the pending Jr. High addition, unless said firm participates successfully in the bidding!!

Respectfully,
Charles Fetta, President
"LIFE" IN HICKSVILLE

Question: What is your most important New Year's resolution for 1971?

MRS. GERHARDT R. GOECKERITZ, 106 Lanter Road, Hicksville: "Good heavens— give me a chance to think of one. I just resigned from a full time job. My resolution is to keep myself gainfully employed without pay. Seriously, a good resolution would be for me to be a better neighbor than I have been. Not that I shouldn't make any resolutions, because I have as many faults as anybody else, but I really haven't thought about it."

MRS. CHARLES G. GOEDERER, 6 Arcadia Lane, Hicksville: "I really haven't thought about it because I have been so busy with my eight-month old baby. If I listed all the things I haven't been able to get to with the baby around, I could go on and on. I really haven't given resolutions that much thought."

MRS. GERARD CARROL, 17 Cedar Drive, Plainview: "Not to lose my temper. That's it."

MRS. JOHN P. FRAHER, 8 Deer Lane, Jericho: "I really don't have any important resolutions this year."

MRS. IRWIN M. REICH, 40 Pine, Plainview: "I gave up smoking."

MRS. GERALD REICHGOTT, 99 Birchwood Park Drive, Jericho: "That's a good question. And that's my answer."

EMIL P. REICHERT, JR. 124 Grace, Plainview: "Sorry, I haven't made any."

MRS. ANGELA M. MOLESE, 23 Memory Lane, Hicksville: "To keep my head above water— that's about it. To be able to meet everything, all the expenses and everything else that's going on."

MRS. MARTIN J. SANTILLO, 74 Crescent Dr., Old Bethpage: "I really didn't make any— honest and true— and I'm ashamed to say it!"

MRS. JOSEPH SANTINELLI, 36 Bucknell Drive, Plainview: "My most important New Year's resolution— to be more understanding with the children. To try to understand them more, especially the teenagers."

MRS. HENRY MILLER PEDERSEN, 3 Stephen Lane, Hicksville: "That 1971 will be better than 1970."

MRS. ABRAHAM PECK, 114 Dartmouth Drive, Hicksville: "To be a good girl!"

MRS. IRA SASS, 12 Eva Lane, Plainview: "Well, I'll tell you the truth. This year I stopped making them because I break them every year. So I didn't make any this year— I'm ashamed to say."

MRS. EUGENE J. MORGAN, 50 Fordham Road, Hicksville: "They only lasted about five minutes. I think it was not to get mad at anybody any more, to try to keep my composure, which is pretty tough with the kids I've got!"

GREETINGS:

WHEREAS, BURTRESS E. BLESSEE, who is domiciled at 83 W. Nicholas Street, Hicksville, New York, has lately applied to the Surrogate's Court of our County of Nassau, to have a certain instrument in writing bearing date the 7th day of June, 1961, relating to both real and personal property duly proved as the Last Will and Testament of ESLEIE B. TERRILL, deceased who was at the time of his death domiciled at 83 W. Nicholas Street, Hicksville, N.Y. in said County of Nassau.

THEREFORE, you, and each of you, are cited to show cause before the Surrogate's Court of our County of Nassau, at the Surrogate's Court, Nassau County Court House, at Mineola in the County of Nassau, on the 17th day of February 1971, at 9:30 A.M. of that day why the said Will and Testament should not be admitted to probate as a Will of real and personal property. IN TESTIMONY WHEREOF, We have caused the seal of the Surrogate's Court of our said County of Nassau to be hereunto affixed.

We tried to make our meeting of December 28 as brief as possible, so we could have our own Christmas party. The most ridiculous gifts were beautifully wrapped and placed in a line, and numbers were given to everybody. We had a load of laughs. The idea was to bring useless throw away, and some were really that, and more. There was naturally, a fine buffet and refreshments for everybody. The meeting was fairly well attended and was enjoyed by the membership. These little things are always good for a laugh, and humor is an excellent remedy for relaxation.

Just because we made the meeting short, doesn't mean we didn't have any business conducted. All the committees reported progress, and nothing else. However, we did get another new member. A young man by the name of Marcos Duros, who transferred from Post 391 in the Bronx. So we get a tiny bit bigger.

We voted for a new board of directors. This was a must, and had to be ready for 1971. They are as follows: Cmdr. Frank Aug. L.S. WITNESS, HON. JOHN D. BENNETT, Judge of the Surrogate's Court of our said County of Nassau, at the Surrogate's Office, at Mineola, in the said County, the 30th day of December 1970

William M. Rouse, Jr., Post No. 3211

By Lou Palladino

Bob Obermeyer, Frank Bles, Louis Klein, Bob McGovern, Bob Keck, Mike Zaack, Tom McCabe, Stephenson, The Rock Parrella, and Harry Wurth. Now, to them goes the affair and business of our clubhouse, old and new.

We had two members attend that caused a bit of a stir. Jack Aitken attended minus a foot, but with plenty of spirit and lots of courage. Also of interest was the attendance of Bob Matz, recently returned from Vietnam. His return is so recent, that we had a package being prepared to send to him. He fouled up somebody in the package department, eh. So to Bob McGovern, does he get the package or doesn't he, that is the question?

Don't know how many had seen a picture in Newaday of Cmdr.

Frank Aug handing over a check for the needy family. This is an accomplishment. This is one paper that doesn't support the Vet. They also sent us a nice thank you letter. Hey, if we're not careful, we'll be the most famous post in the County.

Received a thank you card from the Jr. Unit for our Christmas present to them. And we expect a visit by Vinnie Esposito, the County Adjutant at our next meeting. Also received a nice letter from this family with the retarded son, explaining the encouraging progress the boy is making. It's nice to know that we are helping people in our own little way.

We tried to get through the meeting as fast as possible, so until the next meeting, that's all.

Gutter Ball Gossip

By Herb Mahler

With two weeks to go for position night, the race for first place broke wide open Monday night, December 28th.

The hotstreaking Warrens with Captain Nat on vacation slumped the sleeping Sachs 11-0. This increased their first place lead to twelve points. This is the same team that 8 weeks ago was bogged down in 15th place. What makes any team suddenly catch fire is still a mystery to most of us but, knowing that fact, then any team can do the same in the second half.

The Vladems and Holtzmans ripped into each other with Lou beating Sid 6-5. Murry Kowolowitz hit a 203 for a win in the first but Mary Kahn shook hands for a 204 to win the second. The Holtzmans still remain in second place with the Vladems 3 points behind them in third.

In fourth place are the Geyers who dropped a spot losing to the Hoffmans 6-5.

Robby Goldstein rolled a 207 in the first game but his team lost the series to the Shapiros 6-5 with Hy's boys getting out of the cellar again.

The Brodys with only 2 man had to forfeit, but all the Goldenbergs could come up with was 9½ pts. Herb threw a futile 216 but Junketeer Hal had a 223 and Al Gurman a 218. Brody's "piece of you know what" resumed their customary spot in the cellar.

Fred Rothman sneaked a 217 as his team nosed out the Simons 8-3.

Bernie Lieberman exploded for a 225 to lead the Langs to an 8-3 win over the Simons.

The other shutout was the Marks over nice guy Julie Gershen that put the winners in a tie for fifth.

With half the league basking in the tropical sun, there were enough free drinks for the remaining men to have two maleds each and plenty of booze.

The subject of trophies has been debated time and time again and I think it warrants a second look. Nat Warren says that he can substitute cups, desk sets, trays and plaques, etc., for the same money we are now spending. If enough people want a change, they should make their opinions known to their captains and it can

be voted on at a special captains' meeting. This is an opportunity to do something about your feeling instead of just griping about one more dust collector on the shelf!

I will be on vacation in Vegas next week and hope I have better luck at the tables than at the alley. See you on position night and good luck to you all.

Don't rush back, Herbie - the Warrens clinched the first half championship on the 4th, without you, by defeating the Brody's 9-3 behind Capt. Nat's 222. Next week's position night, therefore, is meaningless for the winners but is still of interest to the other 17 teams.

Elliott Spencer came in with a tidy 602 series on games of 201, 200 and 201, but it was all in a losing cause as his team, the Hoffmans, suffered through a shutout inflicted by the Flanders team, who, incidentally, bowled without their big gun, Capt. Buddy. The victory boosted the winners into third place.

Sam Saitz had games of 216 and 200 to lead the Langs to an 11-0 pasting of the Lew Marks group. The loss bounced the losers three rungs down to 8th place.

Other 200 games of the night were Jerry Leight 237, Burt Benjamin 220, Hal Goldenberg 212, Bernie Kaplan 210, Irv Simons 209, Dave Dembart 202, Ed Roseman 201 and Sid Lowenthal 200.

Here's how the teams stand, awaiting next week's position night.

Jericho Toy Drive Brightens Holidays

The Toy Drive conducted by students of the Jericho Junior-Senior High School resulted in three large truckloads of toys, games, baby carriages, bicycles, skates and assorted playthings collected for needy children. A committee of students, headed by Ann Raives, Beth Broadwin, Michael Lesko, and Joann Ferrara, joined with Emil Voigt, faculty advisor, and more than three dozen other students who aided in the community-wide collection.

Following a gift wrapping session, the toys were given to underprivileged children within the district and in neighboring areas. Mrs. Stephanie Sorley, School Social Worker, helped select and present toys to underprivileged children. Mrs. Sorley serves as part of the district's Title I "Project Link." Gifts were presented to students residing at the Mid Island Motel at a Holiday Party hosted by Miss Maureen Tracy, Robert Moraghan, Bruce Hamlin, Thomas Kramer and Robert Perna, as part of the ESEA Title I after-school activity program.

Youth Council To Meet January 14

The next meeting of the Jericho Youth Council, in cooperation with the Town of Oyster Bay Youth Bureau, will be held on Thursday, January 14th, at 8 PM, in the Speech and Drama Room of Jericho High School. Projects and nominations for officers will be discussed.

For further information, please call WE 8-1432.

February And March Sessions For Panel

The Board of Education of Union Free School District No. 15, in its continuing program to encourage interested citizens and organizations to participate in the affairs of the Jericho Public Schools, invites you to serve on the BUDGET REVIEW PANEL, for the purpose of assisting in the development of the proposed 1971-72 school budget.

Public study sessions will enable representatives from each community organization, as well as all interested individuals, to review budget proposals prior to Board adoption.

Meetings are tentatively scheduled for Thursday evenings during February and March. The initial Budget Review Panel meeting will be held on Thursday, February 4, 1971 at 8:15 p.m. in the Jericho Senior High School Library.

Upon request to the Superintendent's Office, panel members will receive materials prior to the meetings, and will have opportunity for open discussion with the Board on all budget areas. Members of the Budget Review Panel are thus in a better position to share information with their neighbors and community groups.

If you are interested in assisting in this valuable service to your district, kindly contact Robert Perna, Administrative Assistant to the Superintendent, at 681-4100, Ext. 51, for further details, materials, and schedule of meetings.

total of seven points and making them tied for 46. Also competing for the Syosset team were: Michael Greenwald, David Hutchinson, Bob Raubach, Marty Silverstein, Danny Squire, Mike Roth, Steve Freeman, Carl Frankel, and Stuart Sloane. LIBRARY NOTES

Hicksville Public Library Fine
Arts Committee does it again. On
Sunday, January 10, 1971 at 3
p.m., the Herb Deutsch Jazz
Quintet will present an electronic
jazz concert, as well as
traditional instrumental jazz
renditions.

This jazz group is an annual
event at the Hicksville Public
Library. At last year's concert,
Herb Deutsch, the co-inventor of
the Moog, literally brought down
the house when he performed on
the Moog Synthesizer as a sur-
prise to the audience. The
response was over-whelming, as
few people in this area were ever
at a live performance to the Moog
Synthesizer before. Electronic
music is 'here now' and the
Hicksville Library is very proud
to be able to present this unusual
type of a concert to the com-
munity.

Herb Deutsch is the leader of
the group, and is on the faculty of

Hofstra University Music Dept.
Mr. Deutsch set up the electronic
Music Studio at the University,
and is also lecturing on electronic
music in the public schools this
year. In Sunday's performance
he will play the trumpet as well
as the Moog Synthesizer.

Artie Doolittle, the piano
player, has played in jazz groups
in the New York-Long Island
area for many years. He teaches
music in the Valley Stream
school district, and has appeared
with the Deutsch group at their
concert at the Museum of Modern
Art, "Jazz in the Garden" series
last year. He will also play the
electric piano.

Willie Wayman, who plays the
electric bass, is new to the
Hicksville Library audience. He
is well known jazz musician and
has many recordings and con-
certs to his credit. He teaches in
the West Babylon School district
Music Dept.

Week For Christian Unity

This year's observance of
Christian Unity will begin on Jan.
17 with a service each night that
week at a different church in
Hicksville either or Plainview.
The schedule is as follows:

Hicksville Fire Dept.

(Continued from Page 1)

\$3,000.00.

On Saturday Jan 2nd rescue men worked in vain to save the life of
little 7 year old Joann McKenna of 21 Plover Lane. Joann had suffered
for some time with a heart defect. All efforts to revive her
failed. She was rushed to Central General Hospital in Plainview
where further efforts were futile.

As temperatures dropped over the weekend a few alarms - Ac-
cidental False Alarms - were received when sprinkler pipes in local
factories froze and burst setting off the automatic alarm.

A REMINDER - Excessive overwork in the snow can bring on a
heart attack - Don't over do it.
Please keep the fire hydrant near you clear of snow, and be sure your
house number is visible from the street. These few safety hints can
save time when time really counts.

Jim Pirone, who will play
percussion, is a Juillard graduate
and was a member of the Lionel
Hampton Band. Mr. Pirone is
both an excellent jazz and
classical percussionist.

The flute and saxophone player
is Russ White, who is the
youngest member of the group, is
still in his teens. He has been
playing with jazz groups for some
years and at a recent jazz concert
in New York City, Wilson of the
New York Times said of him "he
is a really outstanding flutist."

This program is being co-
sponsored by the Music Per-
formers Trust Fund Local 802.
We are fortunate to be able to
have the financial support of the

union to help us present high
caliber professional musicians to
the music devotees of the
Hicksville area.
