## Hicksville School Conference Day

Union Free School District No. 17 is holding a district-wide Teachers Conference on Thursday, February 11th. The entire faculty will meet in the Senior High School auditorium at 8:00 A.M. for the opening of the general session.

Invitations have been extended, through the students, to any interested residents of the community, many of whom have made inquiry as to the time and place of various classroom

demonstrations. The theme of the meeting— "Instruction Through the Use of Multi-Media" seems to be particularly appealing to both the professional staff and laymen in the community. Due to the limited elementary classroom space, any resident who is not accommodated is invited to leave his or her name and telephone number in the Woodland Avenue School office. Such people will be contacted with the hope that a future visit can be arranged.

## McGovern To Speak Feb. 7

The Nassau Democratic Committee's Annual Winter Reception on Feb. 7 will feature the appearance of Senator George S. McGovern of South Dakota, who has thrown his hat into the ring for the 1972 presidential nomination.

Nassau Democratic Chairman Marvin D. Cristenfeld announced McGovern has accepted an invitation to speak at the reception, to be held from 4 to 7 p.m. at the Salisbury Restaurant in Eisenhower Park.

Dr. Rita Altobelli, popular French teacher in Hicksville High School was feted at several parties prior to her departure for a half-year sabbatical. Dr. Altobelli plans to spend her time away from school writing a book and studying other areas of

educational instruction. The elaborate cake she and Mr. Rusch, principal of the school, are admiring was decorated with some of her favorite expressions. Aurevoir, for a little while Rita Altobelli.

Hearing on Feb.

## Town Will Propose 900 G Expense for Water Facility

A joint hearing between the Town Boards of Oyster Bay and Hempstead has been set tentatively for Tuesday, February 23rd for the proposed expenditure of \$900,000 in authorized funds for improvement of facilities of the Hicksville Water District, which

lies partly in both towns.

The hearing place will be the Hicksville Annex, 65 Broadway, at 9:00 A.M.

Included in proposed improvements is the construction of two wells at Plant No. 9, Alicia Street, and of one storage tank.

An engineer's report on file with the Town Clerk, drawn up at the request of the Board of Commissioners of the Hicksville Water District, is stated to be a revised and updated study covering the period up 1968 to provide recommendations for (a) immediate and future facilities and (b) necessary land acquisitions for future facilities in advance of land shortage.

The report states that the water district serves an area of approximately 7.67 square miles, primarily in the town of Oyster Bay but partly in the Town of Hempstead, with a population of about 60,150.

The report is based on the projected maximum day and hour flows and the fire flow requirements.

The two wells proposed for Plant No. 9 would be 1400 (g.p.m.) gravel packed wells, 550 feet in depth each with 20" x 12" double casing.

The storage tank, which will rise fifteen feet above the ground and be sunk 10 feet below ground, will be pre-stressed concrete with a 2 million gallon capacity.

The report also recommends a pumping station, and estimates the total cost of the project at \$990,000, including \$800,000 for construction, and \$190,000 for legal, engineering and contingency costs.

**COUNCIL CHAPLAIN:** Reverend William Galloway, receives a warm welcome from Grand Knight Lawrence Trubinski, left, and Past Grand Knight Joseph Kaprinski, as the new chaplain of the Joseph Barry Council No. 2520, Hicksville.

Knights of Columbus. Father Galloway, Pastor of St. Paul The Apostle, Jericho, will succeed the late Right Reverend Monsignor George M. Bitterman, who served the Hicksville Council as Chaplain for more than 40 years.

## No Progress On FD Request For Hydrants

Recently the Fire Department issued an open appeal to help rid Hicksville of some troublesome vacant buildings. We can report progress on this. But we are sorry to say that a recent request for new hydrants has drawn no response from water district officials.

Last year a survey was made by the fire officers on the lack of hydrants in certain areas of Hicksville. Aside from the fact that certain heavy industrial areas needed more hydrants the survey noted that many existing hydrants were inadequate and lacked the larger outlets needed for modern pumps.

Industrial areas on New South Rd., Midland Ave., West John St., Duffy Ave. lack the newer hydrants. A large stretch along Old Country Rd. from Morgan St. to the Old Country Rd. School has no hydrants at all. Repeated

requests for hydrants have failed.

The payoff came recently when reports stated the rental fee the Fire District pays for hydrants will be raised.

Most members don't object to the raise in rental fees, but they do object to the lack of response from the Water District on the request for newer hydrants and additional hydrants. It is a standard procedure in Hicksville, that due to the large amount of stones found in the hydrant system, before a pumper can hook up to a hydrant, the hydrant must first be flushed to

try to get some of the stones out before hooking up.

This practice has been hampering firemen here for years. The recent fire on Charlotte Ave. is an example of how stones hampered firemen by clogging the nozzles. How long must we put up with these problems. As it is now, we have to clear snow and grass that obscure the hydrants. We appeal to Hicksville's Water Commissioners to act now on our requests. We ask our residents to back us on these problems. We can handle the fires, but adequate hydrants, and removal of stones is the responsibility of the Water District.

## Republican Club To Meet

The Ernest F. Francke Republican Club of Hicksville will hold its regular monthly meeting at 8:30 p.m., on Friday February 12.

The meeting will be held at the Masonic Temple Hall, Nicholai Street, in Hicksville.

Program: "Unusual Fashion Show".

**TWO OF HICKSVILLE'S SPELLING CHAMPS:** For the third year in a row, students from the fifth through eighth grades are participating in a national spelling bee. The first step in the competition is to be a building winner. Jodi Ruderman (L.) sixth grader from the Burns Avenue

School and Mary Ann Doering (r.) also sixth grader, from the Woodland Avenue School will represent their buildings in the district-wide contest to be held February 20th. The winner of this match will go on to compete in the Long Island Championship.

## MEN IN SERVICE

Airman First Class Edward J. Good, son of Mr. and Mrs. Robert N. Good of 134 Scooter Lane, HICKSVILLE, is a member of the 71st Missile

Warning Wing that has received the U.S. Air Force Outstanding Unit Award. Airman Good is a security policeman and assigned to a unit

of the wing at Clear Missile Early Warning Station, Alaska. The 71st, which operates from widely scattered locations to maintain a vast missile detection and warning network as a component of the Aerospace Defense Command, was cited for superior performance in enhancing the U.S. military posture during a two year period.

He will wear a distinctive service ribbon to mark his affiliation with the wing. The airman is a 1969 graduate of Hicksville High School.

## Hicksville Parking Complex

Town Councilman Warren Doolittle reported today that the Town Board has set Wednesday, February 17, for the opening of bids on a public works project in Hicksville.

Doolittle said the Hicksville contracts will include bids on construction, electrical work, plumbing, drainage, heating and air - conditioning systems for the proposed multi - level parking facility to be located at the Town's existing parking field on Duffy Avenue and Newbridge Road.

When the lowest qualified bidders are accepted by the Town Board the work will commence.

## BOCES Distributes State Aid Funds

The Nassau Board of Cooperative Educational Services (BOCES) again distributed a total of \$720,652.10 in State Aid funds to the 56 local school districts in Nassau County. This BOCES State Aid represents about 1/12 of the estimated amount due each district as reimbursement for services performed by BOCES during the 1969-70 school year.

This is the fourth such payment made by BOCES to the County's school districts in the 1970-71 school year. The four payments - including the first made in September, the second made in October, and the third made in November - total almost \$3 million.

The State's policy is to pay an estimated amount until complete financial information is calculated during the 1970-71 school year, at which time payments will be adjusted to an actual basis.

State Aid Funds paid in January, to Hicksville, District No. 17 was \$2,788.46 and to Plainview, District No. 4, 10,665.26.

## From Our Postmaster

Ralph Cascardo

The U.S. Postal Service has been cited in a Congressional report for contributing significantly to the accuracy and completeness of the 1970 census survey.

The report was released by the Subcommittee on Census and Statistics of the House Post Office and Civil Service Committee upon completion of an investigation into the accuracy of the 1970 census count.

Report findings described the 1970 census as the "best planned and most thoroughly tested" of any previous survey.

A new method of counting U.S. households, developed by the U.S. Postal Service and the U.S. Census Bureau, was noted as the most significant factor which contributed to the effectiveness of the 1970 enumeration.

The innovative "mailout-mailback" technique was employed in densely populated areas in lieu of the conventional "door-to-door" count system used previously by the Census Bureau on a nation-wide basis.

The key element of the new method was a complete and updated listing of all homes, by designated areas, later reviewed and corrected by letter carriers

who serviced the particular routes.

This address register was used for mailing census forms; personal follow up visits to homes by census personnel, and for identification of all households not returning their questionnaires by mail.

The method was tested on a limited basis from August of 1961 through September 1968 throughout 20 regions of the United States.

Prior to implementation of the new count system for the 1970 census, a comprehensive review of the entire master address register was conducted by the U.S. Postal Service.

Addition of new or missing addresses, as well as deletion and correction of erroneous addresses, were made as appropriate.

The Subcommittee Report said that utilization of the "Post Office, both in the 'mailout-mailback' areas, and as a check on the adequacy of enumeration coverage in the conventional 'door-to-door' enumeration areas, provided better census coverage than a repeat of the 1960 techniques" would have accomplished.

**BRIEFING:** Mrs. Adele Cherry of Plainview, left, chats with guests prior to the start of a recent all-day Symposium for the Recreation and Social Development of the Handicapped sponsored by the Inter-Agency Council of Nassau County Recreation for the Handicapped. Mrs. Cherry was co-chairman of the program, the first of its kind. Joining her are, from left to right, Dr. Morton Thompson of the Town of Hempstead Recreation Program for the Handicapped, Nassau County Commissioner of Parks Richard Fitch and Oyster Bay Town Supervisor John W. Burke. Oyster Bay was the first Nassau municipality to initiate a recreation program for handicapped youngsters.

## LETTERS

TO THE EDITOR

Dear Friend Editor:

I read your paper religiously, each week, and know you people believe in that little poetic caption in your page 4 masthead.

What's this letter all about? This is a small business in Hicksville and one of the policemen assigned to this beat is Roger Villager, who we believe was recently persuaded to resign from the force after a most unfortunate accident involving his police revolver.

This accident was truly regrettable. This police force is suffering from a real loss with the resignation of Patrolman Villager.

This young man has gone out of his way to be of service to all the small business people on his beat, and has been an enthusiastic if

dedicated policeman. They should all be as nice as him.

I don't know what weight a letter such as this can carry, but I and many other store keepers, customers, etc. simply want to express our feelings and hope this young man will be reinstated, we feel it would be in the best interest of the community as a whole.

Most of us are writing to the Police Commissioner Louis Frank. Maybe you look into this you find that a small word from you will really help.

Let's please show this young man that it pays to be good and nice, and that he is appreciated.

Thank you for your courtesy.  
Sincerely,  
Ron Lacoppola from Josef's Ray's T.V. Store

Ruth Frank Costumer, etc, etc, etc.

Dear Mrs. Noeth,

I would like to take the opportunity now to publicly thank Councilman Doolittle for all of the hard work he has done to alleviate a serious traffic problem on Jeanson Place and Nevada Street.

From the time he was told of the problem, through your paper, it took him only five weeks to solve it. Councilman Doolittle is a hard worker and man of his word and Hicksville is fortunate to have him as Councilman and resident.

Sincerely  
Robert J. Fischer

## From Congress

Rep. James R. Grover, Jr.

Because of my duties with the Panama Canal Subcommittee of the House Public Works Committee, I am requested each year to conduct an inspection of the Canal Zone. In previous years, these tours focused on the operations of the canal, the welfare of the many Americans who handle these operations, political unrest in Panama, provisions for security of the canal and the continuing research into the prospect for a sea-level canal which would directly link the Atlantic and Pacific. This year, I will give attention to an important aspect

of such a canal.

Although I am somewhat doubtful that we will rise to the demand and obvious need for a new inter-ocean canal for a number of reasons, fiscal and Central American nationalism in the main, we continue to explore the engineering and scientific aspects

One of the latter considerations causing great concern among ecologists and conservationists is the danger involved in the mixing of two tropical oceans whose marine environments have evolved separately and dif-

ferently over a multi-million year span.

The present elevated lock system of the canal permits minuscule interchange only, but a sea-level canal with tidal changes would freely interchange the waters and sea life.

The Smithsonian Institution operates a Tropical Research Institute on Barro Colorado Island in Golin Lake. I plan to visit the island for an updating on their intensive study of this intriguing problem and will report my findings in a later weekly commentary.

Question: What is the best movie you have seen in the past year? If you haven't been to the movies in the past year, what is the best movie you have seen in recent years?

**LOUIS YASEN**, 77 Haverford Rd., Hicksville: "Well, you know I haven't been to the movies in about 6 years so I don't think I'm qualified to answer that question. Most of the stuff they are showing in the movies Mrs. Yasen and I don't like, so we stay home. We're not television viewers, either, because we can't stand the drive! they are showing. So we read."

**MRS. DAN YANOFSKY**, 205 Sullivan Dr., Jericho: "I just can't think of one. I guess nothing I saw stood out in my mind."

**MRS. NIKOLA YANOPULOS**, 46 Cambridge: "The best one I saw last year - that's 1970 - was that comedy, 'Lovers and Other Strangers.' I thought it was very funny."

**CHUCK YANUCHI**, 16, 65 Twin Lanes Avenue, Hicksville: "Mash."

**MRS. MILTON D. YASS**, 11 Peter Lane, Plainview: "Hm-mm. I can't think. I have seen a movie in the last year, but it has been quite some time and I'm trying to think what has been out this year. I need time to think about it. 'Airport' was outstanding."

**MRS. MILTON YASSER**, 4 Warren Place, Plainview: "Lovers and Other Strangers."

**ANDREW YATRAS**, 39 Twin Lanes Avenue, Hicksville: "The best one? Are there any good ones? I'll tell you - I'm not a regular movie goer, and what I call good, there are not too many around. I would say that 'Tora, Tora, Tora' was the best one I have seen recently. It's about Pearl Harbor and events leading

up to it and the background in Japan about it. The photography was great, and the acting was great, too. Another movie we saw over in a local movie recently was 'Lovers and Other Strangers.' I wouldn't say it's the greatest picture in the world, but the type casting was excellent."

**MRS. DONNA YBERG**, 29 Linden Blvd., Hicksville: "Let me see - I would say 'Mash.'"

**MRS. JUDY HELMAN**, Birchwood Park Drive, Jericho: "The best movie I have seen this year? That's hard to say. There are a few I liked. I liked 'I Never Sang for My Father,' and 'Lovers and Other Strangers.' There was another I saw recently that I liked but I can't think of the name."

**MRS. GEORGE H. YEFCHAK**, 315 W. Nicholas, Hicksville: "Lovers and Other Strangers."

**MRS. RENEE YELLIN**, 55 Maytime Drive, Jericho: "The one I just saw - 'I Never Sang for My Father.'"

**MRS. BURTON YELLIN**, 30 Elnor Lane, Plainview: "You're asking the right person, I'm saying that sarcastically because we haven't seen many movies, but I did enjoy 'Mash' out of about six that I saw."

**MRS. HARRY YELLIN**, 157 Orchard, Plainview: "None. I don't go to the movies. The best picture I have seen in recent years was 'Funny Girl.'"

**J. PAHMER**, 320 Dawson Place, Jericho: "I can't answer that very well. We've missed the latest very good ones like 'Mash' and 'Joe.' My husband is taking me tonight, though. We're going to see 'Lovers and Other Strangers.'"

**J. MOUBER**, 17 Jonas Drive, Plainview: "I haven't been to the movies in such a long time. I can

recall the 'Odd Couple'."

**MRS. HERBERT LEVITT**, 5 Mellow Lane, Jericho: "We were discussing that recently I haven't seen too many good ones. I'll say 'Mash.'"

**MRS. BERT GOLDMAN**, 175 Maytime Drive, Jericho: "Mash."

## Fireman Legislation

Legislation providing insurance coverage for volunteer firemen injured while representing the fire company, either as a coach or participating in athletic endeavors, has been introduced by State Senator Ralph J. Marino.

The legislation which has been filed in the current legislative session will permit the firemen injured while representing the fire company in officially sanctioned athletic activities just as if they were injured while engaged in other departmental activities.

In introducing the legislation Senator Marino said, "These men who give generously of their time and talents for the benefit of their community should be protected if they are injured. In most communities volunteer firemen as an organized group are leaders in innumerable activities for their community."

The legislation is sponsored in the Assembly by Assemblyman Joseph Reilly.

## The Brillboard

JERRY BRILL

The Era of the Computer has arrived with the finality of its precipitate and the temerity of its result. Usage has given these mechanized monsters a new dimension that adumbrates the new life. Not only do they funnel figures, they now come up with the results for things that didn't happen!!

I'm told, for instance, that Marciano beat Clay in the fourteenth by a knockout. And they didn't fight!!

This week, NBC tells us that Yogi Berra's homer in the seventh gave the 1961 Yankees a 9-8 win over the 1929 Athletics. And they didn't play!!

I will tell you in the confidence of a limited circulation, that the potential invasion is of great concern.

Suppose, one of these computers called me on the phone and told me that I did a lousy job of reporting on Dewey's victory at Manila Bay in 1898?

'And Admiral Farragut wasn't happy with your work', it would add.

'I thought he ran about '46', I'd return.

'I'm talking', the computer would continue, 'about the Spanish American War'.

'Who won?' I would ask.

'The Americans, you dig-a-ling', the wise computer would say, 'and you were hungover when you filed the story!!'

I don't really mind if it doesn't like a story I didn't do, but when it doesn't like a hangover I didn't have, it's carrying things a bit too far.

'How many words did I write?' I'd ask.

'About the same amount as the one you did on that sculpture of Larado Tall's the year before'.

'That was one helluva story', adds I with a wink. I had never spoken to anything that was under the influence of ink, her desk.

'Guess I haven't lost the old sense of humor, eh?' I would say.

'Not so funny when the editor had a glass.'

'And that's the reason for the trouble', we would say in unison.

'Before you go, what are you doing now?' it would ask.

'Just going over yesterday's murder of Julius Caesar before I file it', I would muse.

'Dope', the thing would say, 'That's not until tomorrow'.

'So I'll file a little early', I return.

'Well, don't make the same mistake you were gonna make', it would say.

'I haven't', I would answer.

'Speak to you again soon'.

'How you gonna do that?' the

## 'Song Of Norway' To Open At U.A. Cinema

The U A Cinema 150 Theatre in Syosset will open its Box Office on Monday, February 1st, 1971 to accommodate mail orders and advance sales for the reserved seat engagement of "SONG OF NORWAY" which makes its local screen bow on Wednesday evening February 10th, at 8:30 P.M.

Photographed in color for the wide screen in Norway by director Andrew Stone, "SONG OF NORWAY" is based upon the life and music of Norway's greatest composer, Edvard Grieg. Regarded as one of the greatest melodists of all time, his many songs and symphonic themes were first adapted for the stage play, "Song of Norway" by Robert Wright and George Forrest. Their many other successful Broadway and screen musicals include "The Great Waltz" and "Kismet".

A whole new scenario was researched and created for the screenplay by director Andrew Stone. Great effort was made to reconstruct closely as possible the dramatic events of Grieg's life and to photograph them in

Norway and Europe where they actually happened. The spectacular fjord country and many historic sections of Scandinavia's principal cities form the scenic backgrounds.

Florence Henderson heads an international star cast that includes Edward G. Robinson,

Robert Morley, Frank Porretta and Torvald Maurstad, Norway's leading actor, who portrays Grieg. The Andrew and Virginia Stone Production is presented by ABC Pictures Corp. and distributed by Cinema Releasing Corp.

Nina Grieg (FLORENCE HENDERSON) gives the children of Odense a musical lesson called "A Rhyme and a Reason." "SONG OF NORWAY"

is an ANDREW AND VIRGINIA STONE PRODUCTION presented by ABC PICTURES CORP. and distributed by CINERAMA RELEASING.

## Ramblin' Rose

By Rosemary Walsh

Once again, this has been a most interesting, diversified week for yours truly. I am afraid that there never can be a true change of hats, just an adjusting to the season.

The Ski Trip went off on time, without any major crises, but tearfully, I couldn't accompany them—just wave goodbye—be prayerful of no mishaps, and then cheer on the return. Yours truly was attending a most worthwhile conference at Hofstra.

Speaking of other winter sports, this past Friday, the Hicksville North Stars ice hockey team defeated Levittown by the score of 3-0. Bob Bacquet registered his second consecutive shutout, and this was his second of the year. Kevin Sweet took part in all three goals, and the All Star center had two goals and an assist. Phil Klaus accounted for the other tally. Other members who played a fine all around game are Billy Alonge, Dale

Hamilton, Jim Alexander and Skippy Roman. Hicksville now has sole possession of 4th place, and with a victory over arch rival Holy Trinity of Hicksville (who they defeated 4-3 earlier this year on a goal by Billy Alonge, with 10 seconds to play) would move them into third place. (By the way, thanks to Dale Hamilton for his help in this reporting).

Now to our cultural programs. Please don't forget our county-wide Recorder Festival, which is being held at the Burns Avenue School this Saturday. There will be a concert at 4:00 P.M. to which you are all invited. (Also please don't forget, this group needs your support at their February 22nd concert, for that trip to Atlantic City. As I mentioned last week, Adult tickets are \$2.50, and Children's \$1.00).

People out there need our help. Thank heavens—they have a place to call. For example, Mrs. Bloszkowsky, of the Hemophilia

Society has requested our aid in finding volunteer workers for their door-to-door campaign, which commences February 21. We are working on some angles, but if you've a few free hours why not contact her at 735-9706, or me? All the help that anyone can give will be, of course, most graciously appreciated.

The Mid Island Council of Girl Scouts is planning an interesting evening at the Junior High School. A film strip on "Hosting an International Guest" will be shown with discussion to follow. I shall keep posted on this one. It sounds exciting. I'll see you at the Council meeting and ramblin' round.

P.S. Remember—our Project Plan—open house with Westinghouse Learning Corp? Well, read more about this type plan in Sunday February 7 Parade magazine.

## A Conversation With Warren Doolittle

Warren Doolittle

In a small, chilly office in town hall, hampered by the sniffles and desperately trying to ignore our cigarette smoke (he had just given up smoking) Warren Doolittle's charm came through like the sunshine.

On February 11, 1923, Warren Doolittle was born in Flower Hospital, New York City. His formative years were spent in Brooklyn, where he attended public school. His secondary education was at Mt. Herman School in Mt. Herman, Massachusetts. In 1941, with a legal career in mind, he enrolled in St. John's University, Brooklyn. His college education was interrupted by World War II in which he served as a navigator in the Air Corps with the rank of Captain. Warren returned to St. John's in January of 1946. In 1949, he attained his legal degree and was admitted to the bar.

Ten months after being discharged from the service, Warren married Lois, from Lyons, New York, and in February, 1947, settled in Levittown, then a small community of 300 homes.

Warren's first position was as trial lawyer for an insurance company in New York City, at which time he also maintained a small at-home practice. He continued in this fashion for seven years until his appointment by District Attorney Gulotta as one of the 12 Assistant District Attorneys in Nassau County.

In 1950, the Doolittles, with the addition of their son, Jeff, moved to Hicksville. Subsequently, Debbie and Rickie were born. Jeff, now 21, attends Hofstra University and is a star quarterback. Debbie, 18, plans to turn the Doolittles into in-laws in June, when she marries. Ricky, at 15, is following in his brother's footsteps as quarterback of the Hicksville High School Junior Varsity.

After serving as chief trial lawyer for Nassau County and having tried such notorious cases as the Palmer-Farrington case, the barber shop dynamite case (the longest trial in Nassau County history) and the Shiela Pappas murder, in 1969, Warren left the District Attorney's office. He returned to private practice as a criminal lawyer. He was appointed town councilman to finish the term of office left open by the death of A. Carl Grunewald in February, 1970. He was re-elected to this same office this past November. He is grateful to Hicksville, which has been very good to him both politically and as a private citizen. He was instrumental in having the Town Planning Commission give Hicksville top priority. He firmly believes that the triangular area in downtown Hicksville must be developed properly. Perhaps with garden

apartments to enhance the appearance of Hicksville and at the same time provide tax benefits, gearing some of the rentals, if possible, to the young marrieds and senior citizens. He feels strongly that private industry must be urged to financially support housing to take care of veterans and middle-income groups.

Warren's interest in local politics is not of an impersonal nature. In many instances where a letter would suffice, many a taxpayer has been pleased and surprised to find Warren Doolittle knocking at his door to personally answer a question or help solve one of the numerous problems that cross his desk at Town Hall.

## C.Y.O. News

The big news for the next two weeks is our registration for the CYO 1971 season. We had registrations last Sunday after all the Masses and the schedule is the same for this Sunday February 7th and the following Sunday, February 14th. The response has been good and with your (parents) cooperation we will have a record breaking registration for our boys and girls

this year. There is a financial report available to all registrants outlining our receipts and expenditures (which far exceed our income from registrations) for 1970. The 50-50 Club is making the difference to the extent that we can support our expanded program without being a financial burden on the Parish. Last Sunday evening at the Joseph Barry Council Club House

of the K of C, awards were given to the boys and girls who participated in the football and cheerleading programs during 1970. Father Harrer, our Pastor and Father Boyhan our Moderator were in attendance.

Talking about cheerleaders - we do have something to talk about at St. Ignatius. Our girls, the seventh and eighth grade Cheerleading Squad, under the coaching of Janet Lan, placed as one of the five semi-finalist squads in the recent competition held in Nassau County for Diocesan cheerleading squads. They were in competition against 27 other equally loud squads from parishes throughout Nassau County. This Sunday, February 7th, will see (or is it hear) them in the finals at Holy Family High School in Huntington starting at 2 P.M. The five Nassau semis will be joined by the five Suffolk semis for the Diocesan Championship. Lets try to be there Sunday to cheer our girls on.

A few reminders - annual CYO dance, sponsored by the K of C will be held at Joseph Barry Council on Saturday evening March 20th - start your Spring cleaning early mother by getting Johnny and Jill to return ANY CYO UNIFORM they may still have stored away on either of the next two Sundays at CYO registrations - you must fill out an application for each child registered.

Our girls basketball program is going along nicely. Coaches Diane Deacy and Dolly Barone are working very hard with the eighth graders. They recently defeated Holy Redeemer by a score of 13 to 6 only to go down in defeat to St. Aidans, the league leaders, this past week. The seventh graders under guidance of Marge Steinbeck and Mary Schmitt also defeated Holy Redeemer by a score of 16 to 14 only to bow to St. Aidans this past week. All the coaches earnestly trust the girls will redeem themselves by resuming their winning ways.

### Bill Was Introduced

A bill was introduced recently by Senator John D. Caemmerer (R-East Williston) and Assemblyman George Farrell (R-Floral Park) which empowers the State Board of Mediation to obtain an injunction up to 60 days in length in cases where a strike or lock out imperils the general welfare, health, or safety of the public.

## LIBRARY NOTES

In keeping with the Children's Room theme-of-the-month for January, "Time to Read", there are many new and exciting books, including such topics as sports, hobbies and adventure, ready to be checked out. Why not come in, see our display and pick out a few?

We hope that all who attended the children's holiday programs or dropped in to visit the Children's Room during that time enjoyed the Christmas and Hanukkah decorations as much as we of the staff did. The highlights of this festive period were, of course, local author Mrs. Chaya Burstein's delightful narrating of episodes from her book Rifka Bangs the Teakettle on December 15th and the presentation of Hans Christian Andersen's fairy tales, The Swineherd and The Emperor and the Nightingale on December 19th. Both of the performances were well attended by our young group.

Brotherhood Week is observed during the week of February 21 to 27th. Its purpose is to further understanding among people of

all cultures and faiths. During this week, folks are reminded through churches and synagogues as well as by radio and T.V. to live according to the highest ideals of brotherhood and justice. In honor of this occasion the staff of the Children's Room is pleased to announce that on February 20th at 2 o'clock Mrs. Jaye Paro and company will present a program on the North American Indian.

This should be a very enlightening and enjoyable program particularly for children from grades three to six as these young folks have required reading in this area. The program will include slides, music, discussions and craft demonstrations with a question-and-answer period at the conclusion of the program. May we suggest that tickets be picked up as soon as possible after February 16th as this show promises to be a sell-out.

As our international brothers would say "Hasta la vista, arrivederci, au revoir, aloha, aufwiederschen" - in other words, we'll see you then.

## "Magic Lamp" February 6

The Town of Oyster Bay's Teen Repertory Theatre, which has been touring the Town with a live presentation of "Aladdin and the Magic Lamp," will appear locally Saturday, February 6.

Oyster Bay Town Councilman Warren M. Doolittle reminded parents that their youngsters, who have received flyers about the show in school from the Parent-Teacher Association, will have an opportunity to see professionally-staged, live theatre for perhaps the first time.

"Aladdin," which is taken from the Arabian Nights, is a story told by Scheherazade about a simple boy who finds a magic lamp that changes his life.

Show time is 2 PM at the John F. Kennedy Jr. High School, Bethpage. For further information contact Lois Manning, Supervisor of the Cultural and Performing Arts Division of the Town of Oyster Bay's Department of Recreation and Community Activities at 921-5944.

## East St. PTA To Sponsor Sale

The East Street P. T. A. will hold its general meeting on February 18th at 8:15 pm. As a result of a questionnaire that was sent out, we are pleased to have with us, Dr. Joseph Madden, who will speak on teaching children facts about drugs, alcohol, ecology, and hygiene.

We will also have a group of people representing the HAD

Organization. A question and answer period will follow. This should prove to be a most interesting and timely session. Please be sure to mark your calendar and join us - bring a friend or neighbor too.

After our meeting you are all invited for coffee, tea and cake to help celebrate the P. T. A. birthday!

## Long Island Recorder Festival

The third Long Island Recorder Festival will be held this year on Saturday, February 6th, from 9:30 A.M. to 5:00 P.M., at the Burns Avenue Elementary School in Hicksville.

The festival is primarily for recorder students at all levels, and for teachers and adults who are interested in learning more about the instrument and its music. The activities for the day will include:

three levels (advanced, intermediate, and elementary) for performance at a late afternoon concert on the day of the festival.

2) a reading through of recorder music for teachers and other interested adults.

3) an exhibition of materials by dealers of recorder music and recorders.

By

Howard J. Finnegan

The exploits of the Hicksville Junior High 7th and 8th Grade basketball team have provided the best sports news to date in 1971 in this community.

Under the direction of coaches Jay McAuley and Bill Matros the team has compiled a 6 won and 1 lost record to date.

The campaign started confidently with a 37-29 victory over Ames Junior High of Massapequa. It was a flying start for Mike Robilotto who had 20 points in the win. Joe Fanara had 7 points.

The lone setback of the season came in the second contest at Locust Valley. The hosts were defending an undefeated record carried over from all of 1970 and had picked up three more wins in 1971.

Hicksville lead most of the way but the hosts won 41-39 in the final minute.

Locust Valley has been coached during its fine 1970 and '71 season by Bill Luft of Hicksville. Bill learned his high school basketball under coach Ed Petro. He was a member of the great Orange and Black team that had a 17 won and 1 lost record a few years back. That season was also memorable for the heralded upset of undefeated Malverne in the opening round of the Nassau County Playoffs.

Since that loss the Hicksville Junior High has recovered its spirits and spun off five straight victories.

It was 23-14 over McKenna with Pete Pershinsky high with ten points.

Island Trees fell next, 45-29. Pershinsky had 6 points along with Chuck Godsmark with high honors going to Robilotto with 14 points. Fanara had 10.

Ames forced the next contest into overtime but Hicksville used the extra quarter to achieve a 41-36 win. Godsmark topped the list with 14 points. Frank Noble had 11 and Brendan Wallace 9. Wayne McLaughlin added a valuable five in the important victory.

The latest win, and it was the second over the same team, came Friday when Bethpage was outscored 62-31. Robilotto had 11 points. Fanara 15, Pershinsky 7, Danny Newton 5, Gary Goldberg 4 and Wallace 4.

It was a remarkable shooting display by Hicksville. The Junior High teams are allowed to play just six minute quarters and that is quite a point production in that time.

This Friday the team gets a chance to atone for the lone loss of the campaign. Mr. Luft will bring Locust Valley to the Hicksville Junior High court at 4:00 p.m. for the major test.

The seventh victory by a pin in nine defeated 1970 starts by Kirk Jurgelevich highlighted a thumping 32-12 win over Herricks for Hicksville's Orange and Black wrestlers.

Operating in the 157-pound class it took Kuergelevich just 1:27 to dispose of his assignment.

Three other pins were recorded by Hicksville. In the Heavyweight class Tom McAllister got the shoulders to

the mat in 2:53. Mitch Hirsch came in 3:12 with a pin at 107 pounds.

Bob Starke took 4:48 in the 169 pound set to get his pin.

Other wins were impressive. Dan Delia at 100 pounds won a 5-0 decision. Manny Lindo got a 4-1 nod at 114 pounds and Ed Grams was the victor 6-1 in the 134-pound match.

The other win was recorded by Lou Chiodo in the 140 as he outdistanced his opponent 9-1.

Lou is the team captain and is undefeated in league assignments on the year.

The preseason fears that coach Bud Brian would have to produce a miracle to just break even this Varsity basketball year at Hicksville now seem more than justified.

The Comets were stunned at Herricks, 83-69, and did not come out of it any too quick against hapless Farmingdale Tuesday night. The Comets beat the Daters, 73-50, but without distinction.

With the two automacies against Farmingdale in the till already the mark is only 6 wins and 7 losses.

Hicksville is not scheduled this Friday night but has a road trip to Syosset. This is the first of four games on the road with one remaining on the home floor. It is not encouraging.

## Long Island Recorder Festival

(Continued from Page 8)

Music at Trinity College in London, and Music Editor for Schott Publishers, will direct the Advanced Group, consisting of approximately 55 persons. Dr. Maurice Whitney, former NYSSMA President and noted composer, will direct the Intermediate Group of approximately 50 persons. Gerald Burakoff, recorder clinician, and Instrumental Music Teacher at Burns Avenue School, will

direct the Elementary Group of approximately 125 students. Eugene Reichenhal, of the Harborfields Public Schools, is the General Chairman, and William Golecke, Supervisor of Vocal Music in the Hicksville Public Schools, is the Host Chairman.

Approximately 230 students will participate in this festival. Among them will be students from the Hicksville, Jericho, Glen Cove, Harborfields, Nor-

thport, South Huntington, Half Hollow Hills, and Oceanside Schools. An afternoon concert at 4:00 P.M. is open to the public, and there is no charge for admission.

## WISDOM FOR TODAY

JOHN-FIRST EPISTLE

Chapter 4, Verses 20-21

If a man say, I love God, and  
hateth his brother, he is a liar:  
for he that loveth not his  
brother whom he hath seen,  
how can he love God whom he  
hath not seen?

And this commandment  
have we from Him, that he  
who loveth God loveth his  
brother also.

## Palsy Telethon Hits New High

With some \$154,000 pledged to United Cerebral Palsy Association of Nassau County during the 19-hour Telethon, the local, non-profit health agency has reached an all-time pledge plateau from a single - function fund raising event. The previous record Telethon pledge total of \$153,000 was set in 1966.

In making the announcement, Association president Harold Jay Greenberg of Hewlett Harbor thanked the "sympathetic and understanding residents of

Nassau County without whose support our Center for Living could not exist." The Center, located at 380 Washington Ave., Roosevelt, is the world's largest diagnostic, therapeutic, educational and recreational complex serving cerebral palsied youngsters and adults.

Greenberg said monies raised through the recent Telethon will enable UCPA of Nassau County to continue its projected program of additional services and expansion of physical facilities at its 14-acre Roosevelt complex.

## Welfare Bill

Concerned about skyrocketing costs to provide services for welfare recipients in New York State, Assemblyman Martin Ginsberg (R-Plainview) has introduced a bill in the Assembly that directs municipal social services and welfare departments to provide any form of decent services to the welfare recipient that is most economical to the taxpayer.

"We have seen outlandish and foolish expenditures for welfare throughout New York State", Ginsberg charged. Assemblyman Ginsberg spoke about a constituent on relief, who owns an automobile, and must take her husband into New York City for medical treatments. She asked the Welfare Department to pay for gasoline for her car. Welfare officials told her that it was not their practice to put gasoline in people's cars. They told her to take a taxicab and submit a claim to them. Once a week, she submits a claim for forty dollars, where gasoline for her car would cost three dollars.

"Likewise, with the housing situation," Ginsberg continued, "it is the Welfare Department's practice not to spend anything over the one hundred sixty-five dollars per month limit for a permanent dwelling for a relief recipient."

## International Clergy Week February 3 to 10

Town Supervisor John W. Burke issued the following proclamation which has been forwarded to all churches in the Township for display to honor clergymen of all faiths who have made many sacrifices in serving both God and Country, in war and in peace.

WHEREAS: On February 3, 1943, the Troop Transport Dorchester was torpedoed and sunk off the coast of Greenland and among the six hundred and seventy-eight men who died in that disaster were four chaplains - a priest, a rabbi and two ministers, and,

WHEREAS: these men of God had given their life jackets to

soldiers who had lost theirs, and

WHEREAS: the sacrifice of these brave men was great - but their example was even greater, in that they demonstrated that love of God knows no boundary when a fellow man is in need,

NOW, THEREFORE, I, John W. Burke, Supervisor of the Town of Oyster Bay, do hereby proclaim the week of February 3 to February 10 as INTERNATIONAL CLERGY WEEK in the Town of Oyster Bay and call upon all its residents to join in honoring these men in that spirit of international brotherhood and love of God that transcends all denominational and national boundaries.

## Mitzler-Leggio

Mr. and Mrs. Anthony Leggio of Plainview, announces the marriage of their daughter on Dec. 12, to Sgt. Robert Alan Mitzler USAF, son of Mr. and Mrs. William Mitzler. The happy couple will reside in Big Springs, Texas for the remainder of time in service.

## Rosary Society To Hold Auction

The Rosary Altar Society of Holy Family Church, Five Fordham Ave., Hicksville, will hold an Auction Sale on Monday, February 8, at 8:30 P.M. in the School Cafeteria. Mrs. Betty Fox, Chairlady of the event, announced that members were cordially invited to donate articles for this auction sale. A table will also be available with articles placed for sale rather than auction. Guests are welcome to join us for this fun filled evening.

## Engaged

Mr. and Mrs. William Mitzler of Plainview announces the engagement of their daughter, Carol on Christmas Eve, to Donald A. Dunn, son of Mr. and Mrs. Jesse Levy of Plainview. An October wedding is planned.

## Borgman-Ferrara

Announcement has been made of the engagement and forthcoming marriage of Elaine Helena Ferrara by her parents, Mr. and Mrs. Anthony Ferrara of Hicksville, to James Allan Borgman, the son of Mr. and Mrs. Clarence Borgman of Lansing, Illinois. A July 31st wedding is planned.

The future bride and her fiancé are both graduates of Central College at Pella, Iowa.

Miss Ferrara is a teacher in the North Bellmore school system. Mr. Borgman is a candidate for a master's degree at Western Michigan University.

## From the kitchen of JOAN AMUNDSEN

Not too long ago, a newly formed 'Couples Club' at St. Stephen's Lutheran Church on Broadway had a spaghetti dinner for its members. The meal was so delicious that I thought you might be interested in a couple of the recipes. None of us on the committee had ever cooked spaghetti sauce for a large group before, so it was certainly a new experience.

What we did was each of the four women cooked a pot of basic meat sauce which is made with 1 1/2 pounds of ground round, browned in a pan with one small onion chopped and one clove of garlic, minced. Add to this two large cans of tomato puree and two small cans of tomato paste, about two cups of water, salt, pepper, msg, oregano, basil one bay leaf, a sprinkle of sugar, and a splash of red wine. At the church, we just combined all four pots and it was just enough for 40 people and tasted delicious.

We had two huge pots of water for the spaghetti that seemed to take forever to come to a boil. When it did, we added about 1 1/2 ozs. of oil and 4 1/2 pounds of spaghetti to each. The noodles didn't stick together and cooked beautifully.

You see, cooking for a crowd is not too difficult although I would probably cringe in my boots if the crowd numbered 100.

We had four different salad dressings for our tossed salad but I will save those recipes for another time.

Our dessert was two different kinds of cake and snowballs from Carvel's. Monica White made a delicious crumb cake with gigantic crumbs that everyone is still raving about, and she offered to share the recipe.

### Monica's Crumb Cake

1/2 cup shortening  
2 1/4 cup flour  
1 1/2 cup sugar  
3 tbsps. baking powder  
1 tbsps. salt  
1 cup milk  
2 eggs  
1 1/2 tbsps. vanilla  
Cream shortening and sugar and add 2-3 cup of the milk and all the flour. Beat vigorously 2 minutes. Add remaining milk, eggs and vanilla and beat two minutes more. Bake in a 13 x 9 x 2 pan at 350 degrees for twenty minutes. Meanwhile mix:

1/2 lb. margarine  
3 1/2 cups flour  
Mix with a fork till crumbly. Then add:

1 1/2 cups brown sugar  
3 tbsps. cinnamon

After 20 minutes open oven and squeeze mixture to form crumbs, sprinkling them on to cake. Continue baking 25 minutes more. When cool, dust with confectioner's sugar.

## String Players Chosen For Concert

Plainview-Old Bethpage points with pride to the following String Players who were chosen to represent their school, Central Park Road, at the Annual Concert of the Long Island String Festival Association: Elizabeth Johnson - Violin - 6th Grade; Steven Berger - Viola - 6th Grade; Eric Fisherman - Cello - 6th Grade; Beth Lorber - Cello - 6th Grade and Joel Brodsky - Bass Viol - 6th Grade.

The Long Island String Festival Association held its Concert on Sunday afternoon, January 31st at the Uniondale Sr. High School. This Concert affords the more ambitious students an opportunity to perform a more challenging type of music. Central Park Road School is

proud of these children and Mr. Bernard Shaw, their Music Teacher, feels that this is a major step towards greater accomplishments in the field of music.

From Howard B. Mattlin Junior High School, Noreen Spota (Violin) a ninth grader and Estelle Kunoff (Viola) and 8th grader performed at the Junior High Level.

Nassau Music Educator's Association has a similar concert, to be held in April. Charles Schwartz (Viola) and Caron Swift (Violin) were chosen for this honor. Both students are also from Mattlin Junior High. The Concert will be given in the Freeport Sr. High School.

## Health Educator To Hold Discussion

"Why Health Education" will be discussed by Dr. Ronald Fusco, prominent health educator, at the Junior High School P.T.A. meeting on February 8, at 8:30 P.M. Dr. Fusco has a long history in the field of Health Education. He has taught courses in Mental Health, Addictions and Dependencies, and Human Anatomy. He has also conducted research work in the effects of diet and exercise on patients with heart ailments. He is a graduate of Hunter College, received a masters degree from the University of Illinois, and a doctorate from Columbia University. Dr. Fusco is also writing a book entitled, CRITICAL ISSUES IN HEALTH EDUCATION.

Don't miss this important and provocative meeting.

The Date: Monday, February 8 at 8:30 P.M.

The Place: Hicksville Junior High School, Jerusalem Ave., Hicksville

Nancy Owens, left, and Marianne Roggendorf are among the Cantagone Park Figure Skaters performing at the "Fantasia On Ice" show on Tuesday, February 23, 8:30 p.m. at Cantagone Park. Proceeds from the show are for the Gregory Museum. Tickets are available at the Hicksville Public Library, 169 Jerusalem Ave., Hicksville, at \$1.00 per person.

### ON THE CAMPUS

The officers and men of the Hicksville Fire Dept. wish to thank Assemblyman Marty Ginsberg of Plainview, for taking time to offer a rebuttal to ABE-TV's network editorial opinion that paid firemen should not be members of a volunteer fire dept., and that the protection provided by Nassau's volunteers is inadequate. In a time when the rights of others is a major concern, it is good to know that our local elected officials are fighting to set the record straight and keep the suburbs - suburbs, and that our constitutional rights will be upheld. Thanks again Assemblyman Ginsberg.

### SAFETY NOTES

Be sure your heating unit is in good condition  
In case of fire, when leaving, don't leave any doors open, if possible. Leaving doors and windows open to get the smoke out doesn't help. When possible keep them closed and the fire will be confined.

Fire alarm boxes are for fire, not for fun. False alarms can kill.

**YOUTH CHAIRMAN:** Edward J. Morris of Hicksville, the temporary chairman of the Oyster Bay Youth Advisory Board, chats with Town Supervisor John W. Burke, left, and Town Councilman Warren M. Doolittle during the first meeting of the Advisory Board. Burke created the first Town Youth Bureau and bipartisan Youth Advisory Board last year. (Morris is a prominent Democrat). ### Burton Film At Library

The Spy Who Came In From The Cold, starring Richard Burton, Claire Bloom and Oskar Werner, will be shown at the Plainview-Old Bethpage Public Library Friday, February 5, at 7:00 P.M. and 9:15 P.M. The film is a chilling recreation of the John LeCarre novel about an aging British intelligence agent who is sent behind the Iron Curtain for one's last desperate mission. Richard Burton gives a superb performance as a sombre and moody spy.

### Story Hour

The Children's Room at the Hicksville Public Library presents a Story hour for 3 1/2 to 5 year olds on Tuesdays at 4 p.m. Preschool story hour for 3 1/2 to 5 year olds on Wednesdays at 10:30 a.m.

Movies are shown every 2nd and 4th Saturday at 3 p.m.

### East St. PTA To Hold Meet

The East Street School PTA is sponsoring a Candy Sale! There will be an opportunity for the boys and girls of East Street to win prizes for their sales - and your opportunity to help us to continue many of the activities for the children of East Street. The boys and girls will be out with their order forms from February 5th thru February 16th. By ordering a box of candy from them - you will be helping in many ways (incidentally, the candy is good!). With your support we hope to have a very successful sale and some happy children with new prizes. Every child will be eligible for a prize - with the first prize being a bicycle.

### Sculpture Exhibit

The welded sculpture of Tom Rosing is now on display at the Plainview-Old Bethpage Public Library. This remarkable exhibit includes several beautiful sunbursts, metal flowers and a floor piece of cat tails.

Mr. Rosing's sculpture is very different from the massive pieces most people think of as metal sculpture. He uses nails, thin sheets of copper and brass rods to weld exquisitely delicate works of art.

Tom Rosing is a Plainview resident who makes his living in the advertising business. He took up metal sculpturing as an avocation three years ago and has since won many prizes for his work. The exhibit will be at the library until February 11, 1971.

Tom Rosing arranges sculpture now on display at the Plainview-Old Bethpage Public Library.

## Jericho Board of Education Discusses Library Land Vote

On Thursday, Jan. 28th, the regular meeting of the Jericho School District Board of Education was held. Board members present were Messrs. Howard Jankowitz, Harold C. Felcher, Jerold Greenberg and William Mayhew and Samuel Springer.

A resolution to permit the Library Board to call a meeting for the purpose of allowing the community to vote on March 3rd on the acquisition of additional land behind the present library, to be used a parking lot (and if needed in the future, for expansion) was called for a vote of the Board.

During discussion it was pointed out by Ira Hyams, Esq., attorney for the Library Board, that the State Educational Law requires the School Board to call for a vote for the purpose of raising money for the purchase of the land, if the Library Board requests it, Louis Orfan, Esq.,

attorney for the School Board, supported this by reading excerpts from the educational law. A heated discussion followed, when Mr. Mayhew and Mr. Greenberg voted against this resolution. Mr. Mayhew stated that, in his opinion, the acquisition would be a financial burden on the community.

Mr. Jankowitz remarked that it is the school Board's responsibility to allow the members of the community to make the decision for themselves, as the law itself reads. He further noted that Mr. Mayhew was acting in an obstructionist fashion and by attempting to vote, the land would probably increase in value.

Mr. Ben Lang, former School Board member said that he would hate to see the Jericho School Board willfully take an action clearly against the law. He said he saw no sense in setting a precedent for illegal action by the School Board. Many people from

the audience repeatedly asked Mr. Mayhew and Mr. Greenberg to reconsider their votes. They refused.

Mr. Felcher concluded discussion by saying that we must give the Library Board the right to proceed. So, although the vote was not unanimous, the residents of the District will have the right to express their opinion on this library land acquisition. The reading of the minutes was followed by a continued discussion of the adoption of a code of ethics for the Jericho School Board.

There was an announcement of a joint study by the Town of Oyster Bay and the Jericho School District, to survey and report on the recreational and cultural activities and facilities in this area.

Mr. Jankowitz adjourned the meeting and the Board went into executive session.

## Gutter Ball Gossip

By Herb Mahler

The cold weather outside didn't seem to affect the bowlers inside as four teams won by shutouts. With the first half completely forgotten, I can feel the new interest as the men gather at the desk after finishing to find out how they are doing in the standings.

When our astronauts land on the moon, they will be surprised to find the Milt Hoffmans already there because the way they are bowling, they can't be on this earth. For the third week in a row they have shut out their opponents, the victims this time being the Robby Goldsteins. Elliot Spencer with a 205 helped but looking over the scores it was an overall team effort.

In second place, 7 points behind, was Irv Simes crew as they whitewashed the Lew Marks 11-0. Les Schuman's 209, Jerry Leight's 203 and Irv's 203 were enough to nullify a good double by Capt. Lew - 201 and 217.

Tied for second are the Murry Sussmans, who have caught the winning spirit, with an 8-3 victory over the dormant Simons. Murry's 202 and Mike Hauptman's 205 led the attack.

In third place, along with the Warrens & Brody's, are the Sachs, who with Sid hitting for a bring 204, reamed the Rothmans 11-0.

Lew Vladem with a 202 in the second game paced his team to a lacing of the Leo Geyers, 11-0.

The Hal Goldenbergs, still without second banana Sam Springer, managed to take the Julie Gershens 7-4, with Al Gurman contributing a lovely 224.

Former celler dwellers, the Brody's, continued their winning ways flattening the Flanders 8-3.

with Herb blasting a solid 233.

The Warrens outlasted the Shapiros 7-4 with each captain rising to the occasion; Nat with a crushing 237 and Hy with a respectable 218.

There has been some talk in the past about mentioning the men who never get their names printed because of their low averages. The column this week is a tribute to these fellows who, week after week, year after year, show up and literally bowl their arms and hearts out for their respective teams. The results most of the time are far below their expectations but it takes plenty of guts to come back from a 110 game to help their team take the next one. Remember, a 170 game, which is perhaps 40 pins over his average, is as much a thrill to him and team contribution as his Capt.'s 201 with a 180 average. In the last frame when he misses the spare, believe me, he feels far worse than any of his teammates. If the floor could open up and swallow him at that moment, he would consider it an act of mercy. I know I've been there. With us, bowling, vacationing, drinking, and everyday comradery for so long, we are more of a family than a league. With this in mind, I want to pay the leagues respects to some of our long suffering brothers.

Mac Cushing, Mickey Luxenberg, Bernie Spiegel, Bernie Schmieder, Eli Stempler, Mal Ratner, Irv Neidorf, Eli Goldstein, Fred Green, Bernie Grill, Bernie Roth, Hy Roseman, Harry Lemberg, Norm Kowloitz, Jack Jacobs, Ted Freudenthal, Phil Wasserman, and yours truly.

See you at the Nevele!

## Two Jericho Girls One From Birchwood Named Award Winners

Two Jericho girls have been selected Betty Crocker Homemakers of Tomorrow by their respective schools. Syosset High School's Homemaker is senior Meryl Cohen, daughter of Mcand Mrs. Norman Cohen, 22 Flower Lane, while Jericho High School's Homemaker is senior Ellen Vanderslice, daughter of Mr. and Mrs. Ralph Vanderslice of 6 Scott Avenue.

Selected for their performances in a written knowledge and attitude examination administered to senior girls on December 1, Meryl and Ellen will receive specially designed awards from General Mills, sponsor of the annual education program. Additionally, they are now eligible for state and national honors, including one of 102 college scholarships totaling \$110,000.

The national first-place winner-the 1971 Betty Crocker All-American Homemaker of Tomorrow-will receive a \$5,000

educational grant. She will be chosen this spring from 51 Homemakers of Tomorrow representing each state and the District of Columbia at the close of an expense-paid educational tour of Washington, D. C., and Colonial Williamsburg, Virginia. Each of the state winners will be accompanied on this tour by a school advisor. Second, third and fourth place national winners will be awarded \$4,000, \$3,000 and \$2,000 scholarships; the other state Homemakers of Tomorrow will receive \$1,500 grants.

State judging centers on scores of school winners in the December 1 test, with personal observation and interviews during the tour added factors in national selections. Second-ranking Homemakers of Tomorrow in each state receive \$500 educational grants. The school of every \$1,500 scholarship winner receives a set of Encyclopaedia Britannica from Encyclopaedia Britannica, Inc.

## Syosset Ed. Board To Hear SYAC Request

The Syosset Board of Education will review SYAC's request for use of 10 acres of district owned land at a public hearing prior to its next public meeting. The hearing will be held at the South Woods Junior High School auditorium on Monday, February 8th, at 8:30 p.m. The 10 acres owned by Central School District No. 2 is located on the northwest side of Woodbury Road where it intersects with the Long Island Expressway. According to the SYAC proposal, the 10 acres will be used solely for athletic games, practices and

recreational events which will be available to the youth of Syosset and the public in general. All district residents are invited to attend this hearing and all public meetings held by the Syosset Board of Education.

## Jericho Library Bd. Meeting Feb. 9th

The next regular meeting of the Jericho Public Library Board of Trustees will be on Tuesday, February 9th, at 8:45 P.M. in the Junior High Library.

## Cancer Care News

The Jericho Chapter of Cancer Care presents a film entitled "A Special Kind of Care." We know that you will have a special kind of experience discovering how our organization helps in time of need. Join us Thursday, March 4th, at 7:15 P.M. the Syosset Library, 225 So. Oyster Bay Rd., Syosset. All members and friends are welcome. Refreshments will be served.

The Chapter is having a Bowling Party at the Syosset Lanes on March 27th, Saturday, at 8:00 P.M. The \$12 admission per couple includes 3 games of bowling, shoes and a delicious buffet. For tickets, please call Lois Seligman at 433-5169 or Carolyn Brostoff at OV 1-5342.

The Chapter will get you the new Mah Jong cards for \$1.00. Please call Carol Falk at GE 3-6874.

## Jericho Youth Council Meets On Feb 11th

The Jericho Youth Council, in cooperation with the Town of Oyster Bay Youth Bureau, will hold its next meeting on Thursday, February 11th, at 8 P.M. in the Speech and Drama Room of Jericho High School.

Topics to be discussed include a report of the Personnel Committee, which was set up to search for an individual to fill the position of Youth Coordinator; a report of the Fund Raising Committee; as well as a report on the proposal submitted to the Town of Oyster Bay for approval and subsequent grant of funds.

For further information, please call Robert Stevens, President of the Jericho Youth Council, at 681-4100 Ext. 48 during the day, or at 538-8946 in the evening.

## Princeton Top Frosh Is Birchwood Youth

Lawrence Levinson, 1969 graduate of Jericho High School, has been honored by his selection as the top ranking scholar of the Class of 1973 at Princeton University. Lawrence's Freshman First Honor Prize is given annually to the ranking scholar and provides an award of \$50 in books to the student, as well as a \$150 award in books to Jericho High School. Lawrence and his parents, Mr. and Mrs. Emanuel Levinson of Maytime Drive, will

be among the guests of honor at Princeton's Honor Reception on Alumni Day.

A letter from Princeton announcing Lawrence's achievement states: "This is an honor not only for the individual, but as the corresponding award symbolizes, for his high school...warm congratulations to Jericho High School for contributing to the development of such a fine scholar."

## Twelve Jericho Girls In Business Society

Twelve outstanding students were recently inducted to the Business Honor Society at Jericho High School. Sally Abrams, Maria DeSantis, Susan Finch, JoAnne Goldstein, Barbara McDonald, JoAnne Mayz, Connie Migliozi, Gail Murphy, Chris Patellis, Gail Spiegel, Denise Vallar and Ilise Zimmerman were joined by their parents and membership.

Dr. Paul McKee, Principal, was guest speaker. He remarked on the multitude of roles required in participation in the challenging world of business. In recognizing the selection of the students, Dr. McKee stated that "your excellent achievement is proof that, in business and in education, we want good grammar and good taste."

## Appointed To Committee

Simeon A. Wittenberg, president of the Board of Education of Central School District No. 2, Syosset, has been appointed a member of the School Board Employee Relations Committee

of the New York State School Boards Association for the year 1971. It has been announced by Everett R. Dyer, executive director of the Association.

## Operation VFW

William M. Gause, Jr., Past No. 3211

By Lou Palladino

We didn't get any new members for the first meeting of the year, but we did at the second, which is still the first month. We are proud to welcome Alois Staudt a vet of WW 2 and Ed McKenna of the new breed. We are also happy to have Lou Veltre back in fold, after a short absence. It's always a pleasure to welcome members to our post, both new and old.

We had to elect a new board member to our directors - Tom McCabe is to have a back operation, and doesn't feel he can do the job. Tom has been doing a lot of work for our post since he became a member, and we'll sure miss him at our meetings. Get well quick boy. Oh, yes, the new board member elected is Jim Solittle adjutant. Jim too, is very active, no matter how short a time, but Jim will do the job. We also have a new Post photographer... Past Cmdr. Harry Wurth. If you see Harry, smile, and he may take your picture.

Bob Kick, and the Rock Parrella went to Albany for the Legislative dinner, and made their reports. They sat with some V.I.P.'s in the state Assembly. Their comments weren't very flattering. Also the resolution proposed on lower interest for housing for Vietnam vets wasn't even brought up. They say it was a real snow job. These two tigers call a spade a spade.

Anybody with incorrect discharge papers, and want them set right, all you have to do is go to the V.A. building on Old Country Road in Mineola and they will help you take care of it. At least this is what they told us.

Frank Lotti reports our Dinner Dance is moving very nicely. Don't forget the cutoff date for reservations is Feb. 6th. We're all looking forward to this Charter Night again, because this is the main event, of all our events. So come early, and come hungry. The Galaxy notified us that they have motel accommodations for people who come from a long

## Movie At Joyce Road School

The Parkway-Joyce Road School P.T.A. will present another animated movie in its series of presentations. "Gulliver's Travels," a full-length color film will be shown at the Joyce Road School Country Drive, Plainview, on Saturday, February 6th at 12:30 p.m. and 2:30 p.m. The price of admission is \$.35 and refreshments will be available.

At this time when restricted movies are so predominant, the P.T.A. is delighted to offer suitable entertainment for our youth at such a reasonable price. Funds realized from this series of film offerings will be used to finance the new family programs that are being started at Parkway-Joyce Road Schools.

The next movie in this series will take place on March 6th.

### "Who's Who"

Among the 33 outstanding seniors at the New York Institute of Technology to be named to the 1970-71 edition of "Who's Who Among Students in American Universities and Colleges" is Allen Leon, son of Mr. and Mrs. Irving Leon of 5 Vivian Place, PLAINVIEW.

Allen Leon is majoring in Computer Technology and upon graduation in June will be granted a bachelor of science degree. He has served for three years in the U.S. Army.

## Parkway School Held Series

Parkway School in Plainview held another in its series of "Coffee with the Principal," on Tuesday, February 2nd. Parents are invited to attend these sessions and take advantage of the opportunity to ask questions of Mr. M. Zarembo, Principal, or Mr. M. Tanenbaum, Assistant Principal, pertaining to any aspect of the school curriculum. This may range from cafeteria to the library, transportation, report cards, future plans, etc.

These "Coffees" started several years ago and were so highly successful that they have continued to the satisfaction of both parents and administrators.

A meeting of the Workshop Committee took place on Wednesday, February 3rd at the Parkway School to make definite plans concerning the dates and activities for the Creative Workshops, and to determine the guidelines for the Education Committee.

### On Dean's List

Andrea S. Director, graduate of Hicksville High School, majoring in Drama, and a junior at Ithaca College, was named to the Dean's List.

## Discovery Center Spurs Development Of 3-9 Year Olds At Roosevelt Field

A dramatic new approach to pre-school and early childhood education was introduced on Long Island recently with the opening of a Discovery Center at Roosevelt Field Shopping Center. It is one of seven such centers that have opened in New York, New Jersey, Pennsylvania and Connecticut in the past two years.

The Discovery Program offers the public the nation's first early development program designed to cultivate the wide range of mental, physical, and social skills needed for later success — in school, career, and daily living. Basic to the Discovery Center's approach is the principle that children naturally learn best through discovery. It helps them to develop a love of learning so important to achievement.

At the new facility, three-to-nine year old children discover themselves and their environment through a rich variety of learning experiences — involving everything from Multi-Media Audio Visual Centers to multipurpose Learning Corners. The programs include a Pre-school Program, a Supplementary Enrichment and a Reading Improvement Program.

The colorful new Center at Roosevelt Field has been

A sound basis; This symbols-and-words learning game was developed for the Discovery Center. It helps youngsters make the connection between a sound and its visual counterpart — or

specially designed to stimulate and challenge the "discovering" youngster. There is much for him to see, touch, and do. A wide

choice of the latest and most effective learning materials and educational toys is constantly on tap.

## 53rd Annual Meeting Held At Bank Office

The 53rd Annual Meeting of the Shareholders of the Long Island National Bank was held at the bank's Main Office, in Hicksville, New York, on Wednesday, January 27. At the meeting, the Shareholders, elected the following men to serve as the Bank's Board of Directors until the next Annual Meeting in 1972: Mr. Charles R. Carroll, Mr. William E. Koutensky, Mr. Norman C. Godfrey, Mr. James C. Dinkelacker, Mr. Malcolm E. Pierce, Mr. Herbert W. Purick, Mr. Albert L. Schachner, and Mr. Patrick F. Caputo. The Shareholders approved the payment of a 5 percent stock

dividend payable 2½ percent semi-annually for the year 1971, for the seventh consecutive year. Following the Annual Meeting, the Board of Directors met and appointed as officers of Long Island National, Mr. Charles R. Carroll, Chairman, Mr. William E. Koutensky, President, Mr. Norman C. Godfrey, First Vice President, Mr. James C. Dinkelacker, Executive Vice President, Mr. Walter A. Drescher, Vice President and Cashier, Mrs. Gertrude A. Proctor, Vice President, Mr. Raymond J. Beers, Vice President, Mr. Herbert J. Small, Vice President, Mr. Peter J.

Fallow, Vice President, Mr. John J. Rieger, Vice President, Mr. Martin B. Woods, Vice President, Mr. Stephen P. Timoszuk, Vice President, Mr. William T. Conroy, Vice President, Mr. Stephen N. Stowe, Vice President, and Mr. William J. White, Comptroller.

As soon as a child starts taking part in Discovery activities, the Center's staff begins observing what skills and concepts he has developed. Gradually, an individual picture emerges, telling where each child stands in regard to 43 basic groupings of mental, physical, and social skills. These skills are needed to lay a solid foundation for later learning.

In collaboration with parents, the Center's staff suggests individual learning goals for each child.

## 100 G Fire Destroys Offices

A general alarm fire, believed to have started in a storeroom gutted the offices of H. Pollack Fertilizer Co. on Charlotte Ave. early Wednesday January 27. The fire, which was reported at 4:01 a.m. was burning out of control. Temperatures of 9 degrees and winds gusting to 40 miles per hour hampered Hicksville Firemen. The thousands of gallons of water used to control the blaze quickly turned to ice. Hoseslines froze to the ground, nozzles froze up, and one pump was knocked out of service when pump gauges froze up and its throttle became stuck.

Mutual aid assistance was requested from the Plainview Fire Dept., for an aerial ladder and engine co., and from the Westbury Fire Dept. for one engine company. The Plainview Engine Company and Westbury Engine Company stood by to answer any other alarms. The Plainview Engine Co. and crew assisted at the scene. 80 firemen and 12 pieces of apparatus under Asst. Chief Louis Mertz

In the above photo, Patrolman Paul Gaigan and Sister Natalie, a member of the teaching staff at Holy Family School are shown with the following students: Left to right — Mary Freeman, Richard Timpone, Richard Brody, Warren Fanning. The students are holding copies of literature and coloring booklets given to the pupils by the Nassau County Police Department.

Patrolman Paul Gaigan, a member of the Nassau County Accident Prevention Bureau, visited Holy Family School recently. The program which

presented to the students at this time was entitled "Bicycle Safety" and "Bus Safety Rules." This program is the third in a series of Programs presented by the Nassau County Police Officers and School Crossing Guards.

The 2nd, 3rd, and 4th grade pupils viewed a movie and discussed the Safety Rules to be observed while waiting for the School Bus and when riding a School Bus.

Many children told of their personal experiences and volunteered to explain why these rules are necessary.

## Troop 596 Held Investiture

On January 19, Junior Girl Scout Troop No. 596, of Woodland Avenue, held their Investiture and Court of Awards.

Mrs. Barbara Burd invested the following girls by presenting them with Girl Scout pins: Colette Bonnett, Felicia Foglia, Gina Mancini, Tina Martarello, Yvonne Pick, Loretta Puglese, and Patricia Swenson.

Mrs. Ruth Pirrung and Mrs. Honey Skolnick, leader and co-leader of the troop, awarded badges and membership stars to:

Andrea Budzitowski, Laura Clark, Cynthia Connor, Jeanne Dagna, Alice Debbie, Elizabeth Hughes, Rosemary Hughes, Loretta Lynch, Jeanne McCullough, Patricia Pirrung, Donna Schoenacker, Lori Skolnick, and Joanne Totter.

After an impressive candlelighting ceremony conducted by the girls and supervised by co-leader — Jeanne Hughes, refreshments were served to the mothers and all who attended.

KIWANIS MEMBERS vow to help American Prisoners of war in Vietnam: Concerned with the fate of American Prisoners of War in North Vietnam, the Kiwanis Club of Plainview, recently heard Mr. Dick Bifulco, guest speaker, talk on the plight of Americans held by the North Vietnamese. Recognizing that Communist Regimes are sensitive to free-world popular opinion, Mr. Bifulco urged all citizens to write directly to Mr. Tom Due Thang, President, Democratic Republic of Vietnam, Hanoi, North Vietnam.

Standing with Mr. Bifulco (4th from the right) are (left to right), responded. The fire was out of control for about one hour. Last units left the scene at 9 a.m. Wednesday. A squad from the Hicksville Ladies Aux. braved the freezing weather to serve firemen hot coffee and soup. An essential duty that Hicksville's Ladies have been doing for many years.

The fire was stopped before it damaged the Dolno Truck Tire Service. An attack dog locked in the Tire Company garage was released, and to the relief of the firemen concerned, gladly accepted an invitation to take shelter in a police car until the

owner arrived. Only the 2 story office complex was destroyed. Firemen were severely hampered by rocks in the hydrant system on Charlotte Ave. Eight hose lines had to be shut down to remove stones from the nozzles. At present all engine companies are being checked for possible damage to the pumps. A final report is not available at this time. Damage was estimated at \$100,000. The Fire Marshall's office is investigating but listed the cause as probable electrical. Two firemen were treated for possible frostbite and released.
