Hicksville VFW Holds Awards Night

Last Friday evening, March 5th, the William M. Gouse Jr. Post 3211, Veterans of Foreign Wars held their annual "Voice of Democracy" awards night at the post quarters.

Attending were approximately 40-50 people, including Dr. Clancy who was representing Mr. Abt for the Hicksville Board of Education, Sheila Noeth of the Mid-Island Herald, Walter

Borzym, Sr. Vice Commander of the Nassau County Council VFW and Charlotte Lies, President of the Nassau County Council VFW Ladies Auxiliary and her staff. Parents of the contestants were also in attendance as well as the contestants themselves.

Chairman James Sottile opened the program with an

Residents Oppose:

Day Care Center, New Industry on Midland Ave.

Two night hearings regarding Hicksville matters kept Town Hall, Oyster Bay, busy until after eleven P.M. on Tuesday night.

Most heatedly opposed was the petition of Mid-Island Childpark, Inc. for a special permit use to erect and maintain a recreational and educational child care center on the property of the Mid-Island Shopping Plaza. The petition of John Thatcher & Son for a special permit use to use property on Midland Avenue, for his construction business, including the erection of a new building, brought out only a handful of people, although 100 signatures are required to bring about a night hearing.

Opposition to the paintbox-colored Childpark Building, which Supervisor John Burke said looked like a "Playskool toy" came primarily from mothers in the area and from the PTA of the nearby Burns Avenue School, who emphasized the speed at which cars drive through the plaza and the potential hazard to young children attending the day care center.

The nearby sump, in which three brothers, students of the Burns Ave. school, were drowned was also cited.

Present to speak in favor of the petitioner was Dr. Phyllis Katz, Associate Professor at C.C.N.Y. who was presently engaged part time by Melville Shoe Corp. Parent company of Childpark, but who would be employed full-time if the petition is granted as consultant to the enterprise.

Also present to speak in favor of the petitioner were Bruce Graham, architect, Kenneth K. Burland, financial vice president

OPPOSITION EXPRESSED:

Mrs. Raymond Lafferty, above right, and Mrs. Viola Lips, Center, who represented opposition to child care center in Mid-Island Shopping Plaza, discuss it with Dr. Phyllis Katz, right, consultant to the center, after the hearing. Right, Deputy Town Clerk Joseph A. Magee, of Hicksville, stopped for a moment to chat with Thomas A. Cusack, who was present to oppose a petition affecting Midland Ave.

of Melville Shoe Corp., and Bert Johnson, of Mid-Island Shopping Plaza. Childpark has signed a fifteen year lease with the plaza, conditional upon the Town Board's decision. The petition was presented by attorney John Coffey.

The proposed building, as stated by the petitioner, would

include several rooms for activities, including activities room, art room, music room, nap room, and would also have an enclosed "atrium" for outdoor play. Charges would be \$1.50 for the first hour and \$1.25 for each additional hour, with a day rate

Possible Raise Under \$2.00

District Seventeen Budget Time Approaches

By Shirley Smith

The Board of Education unanimously passed a resolution outlining particulars of the bond issue - for the Junior High extension and equipment for all schools - passed by Hicksville voters last August. The resolution, which will be made public, allows the district to try various methods of financing in order to save money, while still fulfilling the stipulations of the bond issue.

Board trustees Thomas Clark and Thomas Muratore asked for a break-down of instructional equipment to be purchased for Hicksville schools - how much for Project PLAN, how much for conventional classes. Superintendent Donald Abt said such a break-down would be difficult, if not impossible. Equipment in the schools is available for all teachers and the equipment used in PLAN classrooms is also used in other classes for other purposes. The Board has been provided with an inventory,

listing equipment in each school. Mr. Clark's concern was that the \$200,000 provided for in the bond issue will not be spent primarily for Project Plan equipment. He stated, further, he was not in favor of any of this money being used for PLAN.

After several months of study and discussion - and a brief executive session at Tuesday's meeting - the School Board voted to raise the salary of the district's lay help. The new starting figure will be \$2.00 per hour (effective March, 1971) with a five-cent increase per hour for each year of employment up to five years (2.20 per hour, the ceiling). Substitutes will receive the current rate of \$1.90 per hour. Lay help employees had made other requests, regarding working conditions and benefits, but this was the only request the Board approved.

Mr. Abt presented a brief resume of the proposed 1971-72 school budget. The net increase will be \$1,600,000, most of which is

due to contractual agreements with district employees. This increase would raise the tax rate \$1.39 per \$100 assessed valuation. The Board is considering a separate referendum for transportation - another \$550,000, which would be an additional 49 1/2 cents per \$100 A.V. Mr. Abt stated that the increases expected in Long Island school districts next year range from \$2.00 to \$6.00 per \$100 assessed valuation.

There is a committee studying the cost of purchasing our own buses - whether this system would be cheaper than renting them as we do now.

These budget figures are not finalized. The Board of Education will continue discussions and deliberations on the proposed budget. One such discussion will be held Tuesday, March 23 at 8 P.M. in the Administration Building. The public is invited to listen in and ask questions. Budget books will be available at that meeting.

The Brillboard

JERRY BRILL

The Maine Maid Inn in Jericho was built in 1789 by railroad man Valentine Hicks and is run by Dave Huschle of Muttontown.

When I heard Huschle's name was being mentioned in political circles, I visited his dining spot and had a brew with him.

'Does it bother you to know that you own a restaurant that can get from Jericho to New York faster than the railroad that a prior owner headed?' I asked.

'You mean because he was the Long Island Railroad's first president?' he laughed.

'Well, you have to admit that the concept is a little testy', I mused.

'We laugh,' he said, 'but public transportation is a major priority in these counties today. I think that that's just one reason why I'd like to have a political say in the problems of the counties,' he said.

Huschle, who spoke recently to the Long Island Association of Commerce and Industry on the theme of the businessman in politics, continued.

'I favor a railroad loop between Syosset and Oyster Bay, for instance. It's less costly than

Dave Huschle

building a highway and you'd be able to get from Oyster Bay to Hicksville without going East!! He greeted a couple at the bar.

'You wouldn't be thinking of the spot on the Town Board which will be open when Ed Ocker resigns, would you?' I asked. He grinned.

'The present Town Board should have businessmen on it to help govern. There have been several people who have suggested that I should head that way,' he said.

wide plank floors were the accoutrements which helped the fireplace create the 18th century scintilla. Dressed as I was, my suit didn't hurt either!!! Huschle, married to a former model and the father of 2 girls, waved to a few friends and waited for me to stop drinking. I can approach this from a positive rather than a political sense. I think businessmen should be more involved in government and are, perhaps, the best suited to know its problems and its needs--and more important, to find the correct solution. Their business training has equipped them naturally.

DEAR FRIENDS:

WELL, NOW IT'S OFFICIAL . . . Bud O'Keefe, our popular TOB Clerk for so many years, announced this week that he will not run for office again. We're sure his many friends and associates wish him well in his plans for the future, as does the staff of THE HERALD . . . and we are all hopeful that Mr. O'Keefe's first assistant, Joe Magee of Hicksville, will be chosen to run in his place. He is certainly highly qualified in this field and well thought of by all who know him.

WE HEAR that a day care center for pre-school children from the Hicksville and Levittown areas is planned in the near future at St. Stephens Lutheran Church on Broadway. We understand that it will be run by the OEA and that the church will be donating the space, but will be recompensed for the use of utilities. More details on this as we can contact church and OEO authorities.

PROBLEMS AT THE JERICHO LIBRARY are ironed out at least to some extent. You will note in our letters to the Editor this week, some explanations by Mr. Mayhew for his reasons for voting negatively on giving the Jericho residents the right to express their wishes on this bond issue, as they should, by law. We have given this letter space because of our own coverage of this matter . . . even though we do not agree with this gentleman. He has the right to his opinion. However, we are glad to see that the decision of the Supreme Court, where the matter was taken by the Jericho Library Board, was "the school board cannot refuse to call the referendum". Now, the date of this vote has been reset for May 5th. We will have more on the referendum itself as May 5th approaches.

AND SPEAKING OF VOTING . . . we hear that over 2,000 Hicksvillians residing in School District 17 will NOT be able to vote in the annual election of school board trustees and on the school budget unless they register once more. State Education Law states that where registration is required, it becomes invalid if one fails to vote in two elections. Better check on this, if you value your right to vote in these local school elections . . . and you should!

SEND GET WELL CARDS to charming Clarisse Johnsen (Mrs. Herbert) of Myers Avenue, Hicksville, (and Montana Agency) who is recuperating from surgery.

THAT'S ALL for this week, except to say that all the features articles we promised you for this week are in, except the one about "The Local Citizen and Local Zoning Matters" and the reason for this delay is that this particular subject is taking much longer to research than we had anticipated. However, we're sure you'll be pleased with it when it runs next week. STAY WELL.

Cordially,
SHEILA NOETH

SOMETIMES IT'S NECESSARY TO READ BETWEEN THE LINES, as in this release from our own Governor:

A bill designed to ease traffic congestion in downtown business districts through construction of state-built parking facilities in outlying areas of urban centers has been submitted to the Legislature by Governor Rockefeller.

The Governor said his proposal is "aimed at reducing traffic congestion and making it easier to get to and from work, shopping and elsewhere in our densely populated urban and suburban areas."

The bill would:

1. Authorize the Department of Transportation to build public parking facilities near public transportation centers or in outlying areas of urban centers and to contract with public or private agencies to operate and maintain such facilities. Motorists could park outside the central business district and use mass transportation to reach their destination.

2. Empower the Commissioner of Transportation to ban on-street parking on State highways in municipalities and to acquire property and construct facilities to replace the lost parking space, subject to approval by the local governing body.

"Providing off-street parking", the Governor said, "would make it possible to increase the effective width of pavement available to moving vehicles. Accordingly, this would eliminate the need for costly and socially damaging infringement on commercial and residential property often resulting from the need to widen streets in developed areas."

The bill would enable the State to participate in a new federal program under which the federal

government will pay 50 per cent of the total cost of acquisition of land adjacent to a highway right-of-way on any federal-aid highway system and construction of publicly owned parking facilities.

Just watch out for Item One. We feel it is undesirable to give away any local zoning powers.

WE AWAIT WITH INTEREST what the latest of our TOB planners will have to recommend as we would have been interested in the results of the Planning Advisory Committee for Hicksville which was not continued, after two years work. We also read with interest the findings of the Nassau-Suffolk Regional Planning Board. Our elected officials tell us that the public will be consulted "all the way". That is good. And, of course, we must all remember that planning can be done by our elected officials and professional planners but implementing these plans must have the approval of the people. That is good, also.

But to get back to the governor's news release . . . we feel that we must watch very carefully for any attempt to change local zoning powers. Especially in the Hicksville area, where so much change is indicated. But more on this later.

WE MUST COMPLIMENT our Town Supervisor on his reactions on the following matters:

Town Supervisor John W. Burke reacted quickly to two proposals made recently that were designed to increase taxes for Long Islanders working in New York City and diminish Town zoning powers.

Burke, forming a unified front with Hempstead Town Presiding Supervisor Francis T. Purcell and North Hempstead Town Supervisor Michael Tully, denounced attempts by New York City Mayor John Lindsay to increase the existing payroll tax

on commuters. The Supervisor said he realized that New York City was in financial difficulty, but he did not feel the burden of bailing New York out should fall on the shoulders of Long Island residents.

"A tax increase of 300 per cent, which is the figure bandied about in the newspapers, is not justified . . . not while New York City continues to ignore the major source of revenue open to it—proper taxation of the real estate base," Burke said.

Burke said that State Senator Ralph J. Marino and Assemblymen Philip B. Healey and Joseph P. Reilly have expressed their intent to fight Lindsay's request for the increased payroll tax in Albany where it must be approved.

The Oyster Bay Supervisor also reacted strongly to proposals by more than 20 New York City legislators to change suburban zoning laws. Burke called their packet of bills, which were introduced in Albany this week, "a usurpation of what I think is properly the function of local government."

Burke said the bills drawing his wrath included another attempt to create a state board of zoning appeals which could override local zoning; establishment of a state body to review local zoning laws in find ways to place more housing in an area, and a statewide code that would allow Albany to standardize the requirements for maximum lot size and regulate the size of a dwelling and its rooms.

Burke said these bills, as well as Lindsay's payroll tax proposal, were designed for publicity purposes as well as an effort to draw attention away from the sorry situation existing in New York City.

No Target Date Yet For Tri-Town Ethics Code

No target date has been set for the completion of the tri-town code of ethics which is currently in the development stage, according to Howard E. Levitt, Attorney for the Town of Hempstead.

Mr. Levitt said that S. Stanley Kreutzer, New York City attorney who had been retained by the three towns of Oyster Bay, Hempstead and North Hempstead to develop the code, had

submitted a "working draft" which would be considered at a meeting of the attorneys for the three towns within the coming week or two.

Land scandals in Suffolk County precipitated the hiring of Mr. Kreutzer in June, 1969 for the development of the code of ethics, which will apply to all town officials, Mr. Levitt said. A fee of \$15,000, was agreed upon by the three towns for his services,

which have also been in demand in an investigating capacity when the possibility of an unethical situation has been suspected in other areas on Long Island.

"We are looking for a definitive code that has both meaning and enforcement," said Mr. Levitt. According to a recent report, the code calls for disclosure of political connections of persons bringing business before the Town Boards.

Ethics And Our School Boards

By Sheila Noeth

Webster's dictionary says, "Ethics: the study of standards of conduct and moral judgment. The system of morals of a particular philosopher, religion, group, etc."

Each week THE HERALD plans to bring you whatever is available in the records of each school district we cover. We start this week with THE CODE OF ETHICS of the Board of Education of Hicksville School District 17.

This particular code of ethics is interesting not only in the light of the coming election of School Board trustees, but also in order to evaluate the conduct of those already serving on this Board.

A School Board Member, operating under the highest ethical standards, should:

1. Observe and enforce state laws and regulations pertaining to education.
2. Accept office as a board member as a means of unselfish service.
3. Transact school business only in regular sessions.
4. Represent the entire community without fear or favor.
5. Remember at all times that he is one of a team.
6. Accept all board decisions once they are made and assist in carrying them out effectively.
7. Delegate action to the chief school administrator as the board

executive and confine board action to policy making, planning, and appraisal.

8. Employ only competent, trained personnel and these only on the recommendation of the chief school administrator.
9. Preserve the right and obligation of teachers to teach controversial issues fairly and without bias.

From Our Postmaster

Ralph Cascardio

Postmaster General Winton M. Blount today announced that more than 2,300 handicapped persons were hired by the U. S. Postal Service during calendar year 1970 - a 13.9 per cent increase over 1969.

The current increase of han-

dicapped persons to the postal rolls brings the total appointment to approximately 19,700 employees since the Postal Service began hiring the handicapped on an accelerated basis in 1962.

Hicksville Concert News

The various musical groups, all sponsored by the Hicksville Public Schools, have announced the following programs for the community's pleasure:

Hicksville High School's Concert Band and Symphonic Wind Ensemble will present their "Early Spring Band Concert" on March 12th at 8:30 P.M. in the auditorium of the Hicksville Senior High. Admission will be free.

The Hicksville Community Orchestra will give its second concert of the season on Sunday, March 14th at 3:00 P.M. in the Senior High School auditorium. This program will be conducted by Peter Horvath, a graduate of the Hicksville Schools' and music teacher in the Jericho Schools. The Program will feature the

"1812 Overture" by Tchaikovsky which calls for a canon to be fired several times near the end of the composition. In keeping with the spirit of the piece, a simulated canon will be used to end this fine program. Also, as part of the concert, guest soloist William Golecke will sing the Mahler "Kindertotenlieder." As always, admission is free.

Student and Faculty Compositions in Contemporary Concert: A concert of music from the 20th century including original compositions by faculty and students of the Hicksville Senior High School will be presented Thursday evening March 18th, at 8:30 P.M. in the senior high school. The first half of the program will include

MADRIGAL SINGERS at a recent concert.

ballads by three members of the Chorale; Tom McLaughlin, Jeanne Greenough, and Steve Suarez. The Gloria of a Wedding Mass, written by the new vocal

teacher at the high school and former Hicksville student, Stephen Goldstein, will be performed during the second half of this contemporary concert.

Mr. Charles Arnold will lead the High School Chorale and Madrigal Singers in this program and will be assisted by the senior accompanist, Miss Susan Muller.

Day Care Center

of \$10, and special rates for families.

P.T.A. Fact finding
Mrs. Raymond Lafferty, representing a "fact-finding" committee of the Burns Ave. P.T.A. suggested that parking would be inadequate during peak hours. She also noted that the child care center had been approved by the Department of Social Services, and inquired whether the center might at some time be used to care for welfare children. Inquiring about kitchen fumes and odors, Mrs. Lafferty was later told that food for all day children would be brought in, not prepared on the premises.

Frank Flynn, of Irving Court, expressed surprise that the Melville Shoe Corp., as stated by Mr. Burland, had not determined how many children it would need to have to cover operating expenses. A capacity crowd of 75 was the only figure given, with more expected on Saturday for special children's activities.

Barbara Cheslak cited the difficulty of nearby residents walking across the plaza to one of the two supermarkets which are

near the site of the proposed Childpark. John Ptacea, 15 York St. mentioned the fact that fences and signs are constantly being broken down by speeding cars in the Plaza.

Emil T. Immesberger, well known to the Town Board as president of "SPOT" (Society to Preserve Our Town) referred to the plaza as "Suicide Lane."

The Town Board closed the hearing after about two hours, and reserved decision.

Thatcher Heard

Five persons, all residents of Twin Lawns Avenue, Hicksville, spoke in opposition to the petition of Thatcher & Son, who, according to Julius Schwartz, attorney, had been in the construction business in Brooklyn for some years.

Thatcher purchased the Midland Avenue property in September of 1970 with the intention of using the existing residence for office purposes and of erecting an additional building for storage of equipment for a construction and contracting business.

Opposition centered upon

deterioration of the area by the increasing number of industries on Midland Ave., some of which dispel odors, dirt and soot. The entire street is zoned Industrial "H".

According to the petitioner, all equipment will be stored inside at all times.

Those who spoke were Mr. and Mrs. Louis D. Raffa, of 43 Twin Lawns Ave., Thomas Cusack, of 49 Twin Lawns, Peter Czeziel, 36 Twin Lawns and William Lind-scott of 69 Twin Lawns. All felt that the industry on the street facing their backyards was obnoxious and was decreasing the value of their property.

At the close of the hearing decision was reserved by the Town Board.

Annual Dinner

The 16th Annual Dinner of the Plainview-Old Bethpage Chamber of Commerce, Inc. will be held on Friday March 19 at The Hedges, 319 Jerusalem Avenue, Hicksville, New York 7:30 P.M. at which time an 'Honorary Membership' of the Chamber of Commerce will be presented to the Hon. John W. Burke, Supervisor of the Town of Oyster Bay.

Hebrew Language Course Will Be Made Available

Students and Parents Council for Hebrew in the Public Schools announced today that the Junior High and High Schools of Plainview - Old Bethpage School District No. 4 will offer Hebrew as part of its foreign language course program if enough students of the District choose Hebrew. The choice of Hebrew as a foreign language will be made available to the students in this year's grades 6, 8, 9, 10 and 11. The courses will commence in September of 1971.

The curriculum will include Hebrew civilization, culture and songs in addition to the regular emphasis on speaking, understanding, reading and writing the language. Hebrew may be offered to next year's 7th, 9th, 10th, 11th and 12th grades. Students must choose Hebrew now.

More than 1,500 colleges and universities accept Hebrew for meeting entrance requirements! College boards are now given in Modern Hebrew.

Mr. Sidney Horn, chairman of

the Students and Parents Council for Hebrew in the Public Schools, stated that the subject matter of the Hebrew language course in the public school will be quite different than that in any religious school. Whereas Hebrew in a religious school is associated with the liturgy of the prayer book, the Hebrew terminology of the rituals and the Hebraic format of the holidays, Hebrew in the public schools is taught as a secular conversational vehicle. It is very possible, he said, that those who have taken Hebrew could be given advanced credit.

Speaking on behalf of the Students and Parents Council for Hebrew in the Public Schools, Mr. Horn wishes to inform the Junior High and High School students of the District that they will be asked to select Hebrew in the very near future. "We urge these students to choose Hebrew for enjoyment, for public school credit, for college entrance credit and for an exciting language experience."

GIRL'S BASKETBALL - "It's My Life," was the reply made by Terry Schumacher, (Top RL) captain of the girls' varsity basketball team of Hicksville H.S. when asked to express the attitude of her squad toward interscholastic basketball. Although the girls have outside interests that range from dancing for the coquettes, to playing jazz sax, to homemaking, when on the court these young ladies think of nothing but basketball. This attitude has led them through an undefeated league season and another AWPENY'S SPORTDAY victory. The reason for their success, as their coach Ethel Altman, sees it is that "the girls are a picture of true team work with each girl contributing to every win. We depended on Peggy's (Top 2nd fr.L.) fine

shooting and ball handling. Terry and Nicki's strong offensive and defensive leadership and Sue, (holding ball) Marianne, (Fr. Rt.) and Laurie's (Fr. L.) rebounding ability. When one girl would be off, someone else would pick up the responsibility of leadership. Stability like this cannot be beaten."

This season's starting five were senior co-captains Nicki Korman and Terry Schumacher (Stretch), juniors Peggy Hoosack (Top L.) and Sue Massey and sophomores Marianne Farrell. The starters frequently depended upon strong support from juniors Laurie Morrison, Debbie Schera and Kris Ingotstein (Top 2nd from rt.) and Senior Marcia Zaker (top left). Scoring honors were shared throughout the season.

"The Meaning of Dance"

The Hicksville Recreation Dept. will sponsor a performance by the "N.Y.U. Dance Players" on Saturday, March 13, at 1:00 PM in the Hicksville High School Auditorium. The company under the direction of Dr. Patricia Rowe, chairman of the New York University Dance Dept., will perform a program entitled "The Meaning of Dance", comprised of works choreographed and danced

by students of the N.Y.U. Dance Dept. These young dancers are kept busy with a demanding schedule of performances out of town as well as in the N.Y. City schools, as part of their professional training. The program is designed to be enjoyed by all ages, dance students as well as the general public. ADMISSION IS FREE.

Annual Spring Fashion Show

"The Annual spring fashion show is coming to the Hicksville Junior High School on March 17, at 8:00 P.M., in the Boy's Gym. (Please use the 4th Street entrance). Tickets are \$1.00 and proceeds will go to the Scholarship Fund. Refreshments will be available; numerous door prizes will go to the lucky ticketstub holders. Parents,

teachers, and students will model the glamorous togs." Fashions shown may be ordered after the show at reasonable prices.

SPORTS

By

Howard J. Finnegan

The final status on Hicksville's 1971 basketball campaign have been released to the Mid Island Herald and they are as deceiving as the entire season itself was.

The figures are very good and indicate a club with a better record than 7 wins and 11 losses. Perhaps that tells just how close many games were during the campaign. However in all the tight going the decision swung the other way.

Rich Berg lead the scoring with 164 and was followed closely by Brian Pinelli's 161. Following in order were: Mark Weinrab, 141, Joe Anello 137, Paul Krabbler 133, Kevin Jenkins 92, Rich Moeller 70, Paul Parson 66, Tony DiLorenzo 62, Pete Gaffney 22, Ed Kahn 18, Charles Westerman 10, Tom Desimone 6 and Robert Weiss 4.

The total of 1083 points averaged out to 60.1 per game and in league play Hicksville averaged 62.1.

Pinelli, Moehler, Parson, Gaffney, Westerman, Desimone and Weiss are eligible to return next season.

Leading rebounder was Pinelli with 115. Krabbler had 108 and Anello 80.

In per centage shooting Berg went 66.5 on 60 for 129. Weinbra had 60 for 141 or 42.5. Pinelli had 56 for 121 or 46.3. Anello had 55 for 120 or 45.8. Krabbler hit with 46 or 87 for 52.8 from the floor and Kevin Jenkin came in sixth 47 per cent on 40 for 85.

Krabbler was edged out for the best shooting percentage by Parsons who had 25 and 47 for 53.2.

Best foul shooting mark was the 75 per cent of Mark Weinrab. That came on 21 for 28. Tony DiLorenzo had 18 for 25 or 72 per cent.

Pinelli won out on the foul line as best of the regulars with 49 of 70 for 70 per cent. Berg had 44 of 63 for 69.5 and Krabbler had 41 of 63 for 65 per cent.

On the whole season the team shot 929 times from the floor hitting on 411 for 44.2 per cent.

In foul shots 261 for 407 produced 64 per cent.

With five men in the semi-finals of the Nassau County championships, Friday night, Hicksville's wrestling fortunes were at their pinnacle.

However lightning struck in the semi-finals and the Orange and Blacks premier grabber, Kirk Jurgelevich was eliminated 5-2. It was his first defeat of the year.

In the major surprise of the tourney Hicksville's Walter Weller reached the finals in the 145-pound class. He was seeded last for the two day event but on the first time out he upset the Number One seeded south shore entry, 12-10.

In the finals he was defeated 12-1 by Jerome Williams from Farmingdale.

138-pound Leo Chiodo also reached the finals of the County championships. He lost on a pin to Harry Cavayero of Bellmore

Chamber Dinner

The 16th Annual Dinner of the Plainview-Old Bethpage Chamber of Commerce, Inc. will be held on Friday March 19 at 7:30 p.m. at the Hedges 319 Jerusalem Avenue, Hicksville, New York, at which time an 'Honorary Membership' of the Chamber will be presented to the Hon. John W. Burke, Supervisor of the Town of Oyster Bay.

Kennedy in 4:58. The high finishes of the Hicksville boys in the tourney which drew from more than sixty Nassau Schools gave the Orange fourth place in the final standings with 33 points.

Bellmore Kennedy was first with 63, Farmingdale second with 61 and Massapequa third with 36.

Encouraged by Parent and Taxpayer reaction, which drew the groups closer to the operations of the school, Jericho High is enlarging its Night baseball program this year.

Jericho played one night contest last season under the lights of Wantagh Town Park. This year the team has a repeat call there as well as two at John

Burns Park in Massapequa.

The Jericho baseball team is coached by Tom Valentine former pitching ace of the Orange and Black during the fifties.

Hicksville fans are urging HHS basketball coach Buddy Bryan to drop Uniondale and Bethpage during the Christmas Holidays and play in the proposed tournament at Clarke High.

Clarke and Hicksville will be in different leagues next year so that very pleasant series is at an end. The afternoon game with Uniondale is just plain druggery. It is figured that considerable more interest in a holiday tourney just three miles away would be generated than is now in evidence.

Two fires in the Hicksville movie theater on Sunday February 28. The first at 4:36 PM and the second at 5:45 PM caused minor damage to some seats. In both cases the fires were not reported by theater personnel. Both alarms were sounded after patrons ran to the fire house across the street to complain of smoke in the building. After the report of the second fire Hicksville Chief Mel Voorhies closed down the theater and patrons were asked to evacuate the building. Second Precinct Police were called for assistance.

The fires were caused by groups of youths running unchecked around the theater dropping lighted matches and cigarettes on the seats. One fire flared up next to the curtains. One young girl was apprehended. The fire marshalls office was called to investigate. A warning was issued to theater personnel by Chief Voorhies not to delay the reporting of any size fire to the fire department immediately.

A house fire at 15 Hastings Lane on March 4th at 4:41 AM caused minor damage to a bedroom. The cause was listed as carelessness smoking. In answer to a recent complaint about the local fire alarm boxes not being clearly visible, the complaint has been forwarded to the Board of Commissioners. The fire alarm system is not controlled by the fire department. The sole purpose of the fire department is fire fighting and rescue and fire prevention. The Fire District and the Board of Fire Commissioners are charged with the maintenance of the alarm system, as the Water District Commissioners are responsible for the hydrant system.

We ask our residents to caution their children on the hazards of removing or tampering with the street name signs. In emergency, fire and police units lose valuable time in finding streets when signs are missing. Do it today and help us to help you. Thank you.

LETTERS TO THE EDITOR

Operation VFW

William A. Gouse, Jr. Post. No. 3211
By Lou Palladino

Dear Editor!
In the interests of a completely informed Community, it is respectfully requested that my understanding of the events, which prompted Mrs. Felsler's letter which was published in the 'Villager' of February 4, be carried at your earliest convenience.

The property sought for acquisition by the Jericho Library Board, at their estimated cost of \$110,000, for parking 85 cars is presently under litigation in the New York State Supreme Court. The present owners are seeking redress from the existing zoning classification. A decision, favorable to the litigants, would probably double or treble the acquisition costs. Prudence would dictate awaiting the Court's ruling. Any other course would be an unconscionable expenditure of Taxpayers' money.

The referendum requested by the Library Board was scheduled for March 3, 1971. Two months later, on May 5, 1971, the Annual Budget referendum for both the Library and School Boards is scheduled. Each referendum costs the School District approximately \$2,000. The President of the Library Board has acknowledged that the outcome of the referendum vote would in no way affect the present schedule for construction of the new Library. Such undue haste is a further unconscionable expenditure of Taxpayers' money.

If I am to be censured for the 'destruction' of the Library Board's interests by attempting to avoid expenditure of the Taxpayers' money, whether it be \$1 or \$100,000, then I shall seek such censure in the full knowledge that I can perform, at least, part of the job for which I sought elective office.

The negative votes by both Mr. Greenberg and myself were not cast to defy the Law but to express our recognition of the intent of the Legislators. When the Laws of this State are so constituted that an Elected Official is given a mandate as to how his official vote is to be cast, then shall we have taken a further step on the road to Totalitarianism. Counsel for both Boards would not state that the Legislature had intended to usurp the exercise of our Constitutional rights. The cost of the Library Board's Court challenge can only be held to be their expenditure in view of the imminence of the Annual referendum date.

Any impedence to the progress of the Library construction that may have occurred in the past, can, only, have emanated from the operations of the Library Board itself. The School Board records are replete with attempts to expedite the progress of the Library while protecting the interests of the Community in the value of the building and the processes to achieve it. When a layman, with respect to the Professions of Law and Architecture, such as myself, can raise questions that result in modifications to the submitted proposals and the predicted excessive Bid Prices are realized, then it is incumbent upon the layman, who is an Elected Official, to raise those questions regardless of the personal interests that may be attenuated.

Since a constructive alternate will often be accepted in lieu of no progress, I moved the School Board to consider the making of an offer to the Library Board to permit the new Library to be constructed on a portion of the property at the Junior-Senior High School site. Our High School site encompasses approximately 53 acres. A multicar parking lot

and contiguous space, for a building several times the size of the proposed new Library, presently exists on this site. The acceptance of such an offer would obviate any purchase, referendum or condemnation proceedings and all their attendant costs. The relocation of the Library to the High School grounds would add relatively little hardship to the Community since the large majority of our people require vehicular mobility for ready access to either site. Thus far, the School Board has been unwilling to accept my motion.

With all of these concerns in mind, I would have been remiss in my responsibility to have voted other than 'Nay' to the Library Board's Proposal to acquire the additional property designated.

Respectfully yours,
William Mayhew
Member, Board of Education
Union Free School District 15,
Jericho

Youth Council Held Meeting

The Plainview-Old Bethpage Youth Activities Council held a Meeting on Tuesday, March 9th at the Pasadena School to discuss the Community Youth Center Program. Committees have been at work finalizing plans and they are currently awaiting word from the Town of Oyster Bay of acceptance of their project.

Also on the agenda was the status of the Little Red Schoolhouse as a meeting place. A Report of the Board of Directors of the Youth Center, a report of the nominating committee for unfilled offices under the new constitution, and a report of the representative of the Town of Oyster Bay.

There was lots of talk on the new building, about prices, things to be taken out, and things to be put back. Finally, after a long discussion, it was left up to the board of directors to decide what action should be taken. With such a large amount of money involved its not an easy decision to make. The unofficial decision by the board, is to go ahead and build. It will be official at the next meeting, which already will be over when you finally get to see this column.

Our ladies are having their St. Patty's Day Dance, Saturday, March 13. A good crowd is expected and those that have been to other of the Ladies affairs, know that a good time is expected. Irish turkey will be served as usual, and that corn beef is always delicious. Looking forward to having myself a good time.

Another Nets game seems to be coming up in the near future. Its scheduled for a Friday evening. The actual date isn't set yet. Arrangements have to be made with the Island Garden. The last game was such a success that an encore was planned. You know that Williams is in charge, and he loves to see the youngsters enjoy themselves. He's also planning some shows. The tickets will be limited. One will be for children between the ages of 6 to 12, and the other ages 8 to 14. Don't know too much about it yet, but you can be sure that as the information a little more of our youth activity.

We have ordered bumper stickers for your cars. You know that kind, and probably have seen it on cars in the past. For those of us who love our country. When we get them, you can have one for the asking.

A flag of our country was crocheted by Jennietta Aeacil, to be hung in our new building in honor of her son. She's an old

standby in our Aux.

How many have heard of Rosemary Gunning. She is one of the prime fighters for the Vets tax exemption. During the discussion, curiosity got the best of one. So I asked, who is she? Answer, State Assemblywomen for Queens. See that, we get a gal fighting for us.

Incidentally, the V.A. in Mineola is now closed Wed. evenings. There's not much call for it, and it might save money. Thought you might like to know another thing, the VA representative will act as an attorney for any claim you may have.

Another visit was made to Northport Hospital and a good report was made by Bob McGovern. Uncle Frank Blesi reported bingo still moving along, and can always use help. A meeting was had by the Memorial Day Committee March 3rd. Lou Klein will give that report at the next meeting.

So until after the next meeting, that's all.

Invited To Participate

The Gregory Museum has been invited to participate in the Annual Rock & Mineral Show of the Long Island Mineral & Geology Society on Saturday, March 20, and Sunday, March 21, at the Mid-Island Shopping Plaza on the Mall. The Museum will feature Educational Displays, exhibits of various Rocks and Minerals, and show Faceting work under the microscope so the amateur can learn how to make jewelry. All in all, it promises to be a very interesting and informative show.

Catholic Charities Progress Report

"The first progress report in the 1971 Bishop's Special Gifts Appeal for Catholic Charities of the Rockville Centre Diocese showed that the encouraging amount of \$84,305 was raised in the first few weeks of the fund drive, it was announced today by the chairman of the Special Gifts Appeal, Gerard A. Neumann. Neumann expressed the hope that the initial figure would more

than double by the time the second progress report is made on March 16th. "The Special Gifts Appeal provides a significant part of our budget and is essential for us to deliver service," Rev. Robert E. Fagan, Executive Director of Catholic Charities, explained. The drive this year is stressing expanded aid to the deaf and to the aged living alone.

Ramblin' Rose

By Rosemary Walsh

In lieu of space, yours truly really rambled off last week, but being timely, I shall resubmit the same copy but just preface a web bit with this week's events.

The Senior High will really be jumping on Saturday morning. We have Hicksville Recreation starting their Baton Twirling Instruction Program at 9:30 A.M. in the New Girl's Gym. Right down the hall, they will feature their annual Elementary Girl's Tournament which goes from 9 A.M. to noon. This event is always a rousing one, spectators are invited. (Mr. McGovern considers this a shoo-in-but, remember John-you've really run the gamut this year). Then, grab a quick bite of lunch, and get back to the Auditorium where Recreation in cooperation with the New York University Dance Assembly, under the direction of Dr. Patricia Rowe, will present "The Meaning of Dance". This is such a rare opportunity for our community, please try not to miss it.

Now you can relax at home until Sunday at 3 P.M. when the Recreation Community Orchestra, directed for this concert by Mr. Peter Horvath with Mr. William Goleeek as soloist, will present "Water Music Suite" by Handel. "Kindertotenlieder" by

Mahler, Overture and Allegro, La Sultana by Couperin and, finally, Tchaikovsky's Overture 1812 - Gonna be kinda busy, aren't we - but see ya all as I ramble round - Now, back to last week's news.

In a hard-fought contest, East Street school won its first district tournament, basketball championship. At last, at last, eh John? The other finalist - Woodland Avenue School stayed in all the way. Proud principals, Mr. John McGovern, and Mr. Herbert Cavanagh were right there cheering on the participants (by the way, this was probably one of the most prominently attended events I've seen in quite a while - for example, besides the aforementioned Principals were Mr. Jennett, Mr. Matier, Mr. Penquay, Mr. Miller, Mr. Fein, Mr. Grazcase, Mr. Prince, Mr. Goldsmith, Mr. Rienzo, Mr. Solosky, Mr. Maerino, Mr. Quinn, Mr. Fournier, Mr. Cohen, Mr. Jurgelevich, all cheering for their respective schools) And of course, Dr. Madden who mentored this event some 14 years ago.

Once that event was completed, we all started to scramble for Atlantic City. Have you ever seen an audience stand in one single movement for an ovation?

Thinking back to the bus trip, there were so many laughs -

one stands out in mind particularly - as a few of us munched

on a tuna and cake enroute (remember we left at lunch time) suddenly the aroma of turkey penetrated the air and, being inquisitive, I inquired. Sure enough, one of our Madrigal, boy's mother, had roasted a 12 lb. 'er, supplied plates, napkins, etc.

for a "snack" on the bus. Well, once they found out "Mother Rec" loved wing tips, I was well supplied, and offered my tuna to our bus driver, generous, eh? So, nearly every one had a little white, a little dark, and a lot of fun.

introduction and Commander Frank Aug made a welcoming address. Each winner then gave their essay and they were as follows: Holy Trinity Diocesan High School: Barbara Alonge (1st), Stephen Ferrante (2nd) and Christine Zeiser (3rd); Hicksville High School: Renee Greenberg (1st), John Kearney (2nd) and Kim Hoberock (3rd).

The awards were \$100.00 U.S. Savings Bond (1st Place), \$50.00 U.S. Savings Bond (Second Place) and a \$25.00 U.S. Savings Bond (3rd Place). Each winner also received \$5.00 from the post Ladies Auxiliary and a book on "Freedom-Our Heritage" (which was the theme for this years program) from the County Ladies Auxiliary. They also received from the post, a medal and a lapel pin.

After the awards and presentations, refreshments were served by the Jr. Girl's Unit of the post. The cakes for the refreshments were made and donated by the post Ladies Auxiliary.

Golf Course Re-Opens

A. Holly Patterson, President of the Long Island State Park Commission, announced that the three 9-hole golf courses at Sunken Meadow State Park will be re-opened for the season on

April 1. The Pitch and Putt courses at Jones Beach and Robert Moses State Parks will be ready for play on April 3. Bethpage State Park's five 18-hole courses are open all year.

Governor Nelson A. Rockefeller has presented a plaque to Hicksville High School which reads: Presented to the Hicksville Senior High School by Governor Nelson A. Rockefeller for the Achievement of Mark Shikowitz at the New York State Fair - 1970.

Mark, a junior in the U.S., has won several awards in County and State competitions for

scientific projects that he has developed. Mr. Louis Schectman, Science Teacher and club advisor, Mark, and Mr. Donald Abt, Superintendent of Hicksville Schools, met recently to discuss the young students accomplishments and to congratulate Mark on the honors he's brought to his family, school and community.

From Our Postmaster

(Continued from Page 4)

Since that time, the Postal Service has continuously been one of the largest employers of handicapped persons among sons among civilian agencies in the Federal Government.

Among the total number of handicapped persons appointed in 1970 were:

- 569 persons who cannot speak or hear.
- 169 persons with controlled diabetes.
- 160 persons with emotional or behavioral problems.
- 51 individuals with adequately controlled epilepsy.
- and
- 16 persons classified as totally blind.

Continued emphasis on the employment of qualified handicapped persons - including disabled veterans - is expected during the coming year, Postmaster General Blount said.

"Our future programs will emphasize a variety of educational and training programs."

Gutter Ball Gossip

By Herb Mahler

The radio in the alley was blasting away with music and the in-between round commentary of the BIG FIGHT at the garden but, at Syosset Lanes, we were having our own version of the BIG FIGHT with the first and second place teams hammering away at each other. The bell was sounded after the final frame, and the referee is totaling the scores, and now the final decision.

The winner, but still in second place by one tiny point, is the Sussmans over the Hoffmans 8-3. In the final round, the Hoffmans were cut by a real professional, Irv Hershkowitz with a 290 followed by the knockout blow of Mike Hauptman's 235. This reporter, in an exclusive interview with Capt. Mill, was assured that his team will be back next week to rally and go on to eventual victory. Some of Mill's words were inaudible, however, because it's difficult to talk when you're on your knees, picking up your teeth one by one.

Lang's Lovers became militant as they obliterated the Goldsteins 11-0, jumping 3 spots into third place. All poor Hobby could do was a 268 and 210 for a 625 series. Did I say 268? His team is going for psychiatric help because of acute inferiority complexes.

Tied for fourth, 8 points behind, are the sexy Sachs who, led by "a man for all seasons" Henry Dockswell with a 222, trampled Mr. Warmth himself, Herb Brody and crew 8-3.

With Capt. Irv still away, the Simes dropped to a tie for fourth despite an 8-3 beating at the hands of the Flanders. Capt. Buddy's fine 227 in the last was all that was needed despite quiet Dave Kaye's absence (watching the Big Fight elsewhere).

Warren's Warriors reverted to first ball bowling and vanquished the Vladems 11-0. Capt. Nat with a 213 was a help but the man of late has been Alex Urbont. This week with a superb 225 and 223 he did it all. Because of his accomplishments, he was unanimously voted team physician. The only question is what the devil are we going to do with a gynecologist?

The Simple Simons are becoming more complex as they continued their new winning ways by smothering Mr. Goodness, Lewis Marks, 11-0. Sid's strong double 204 and 202 started the big push followed by Norman Ney's 212. They really believe they are a team of destiny now asking me how the first place team did. Still a long way to go.

In a close match, the Goldenbergs nudged the Holtzmanns 6-5. The two dentists drilled each other — Sid with a fine double 200 and 217 with Ed Fetsholt's 230 right behind and Hal's 217.

Fred Rothman's aggregation outlasted the Geysers 6-5 despite Red Karbel's 201.

In answer to inquiries, the date for the weekend is June 4-6. Applications will be given out next week, so come prepared to sign.

The Alley lights are all out now and the last team is leaving. It has been a good night with fine bowling and exciting matches. What I like the best is the god-natural kidding in spite of the closeness of the contests. When you have genuine affection for the people you write about, it's that much easier to do a column. Thank you all for helping me in this respect because you are the column, and the column is you! See you at the Nevele, or else!

Deadline April 1st For All Requests For Transportation

Requests for transportation to private and parochial schools for the 1971-1972 year must be submitted in writing and received in the Transportation Office of the Syosset school district no later than Thursday, April 1, it was announced by Dr. Edward J. Murphy, Superintendent of Schools.

This deadline, which is mandated by the state, is required so that necessary funds may be budgeted for the 1971-1972 school year. The district may only waive this deadline where it is

School Musicians In All County Festival

Fifteen Jericho musicians were selected to participate in the 1971 All County Music Festival sponsored by the Nassau Music Educators Association. The honored students who will represent Jericho are: Amy Korsen, Deena Libes, Susan Ragonesi, Susan Roggen, David Roth, orchestra members; Liba Fiedler, Lori Levine, Corey Pepper, Richard Nastasi, Michael Sammis, Glenn Senk, chorus; Matthew Chin, Joseph Constant, Richard Simins, Michael Starobin, band.

Jericho High School's Music Department announced that the All County Music Festival was conducted at Westbury High School on March 12 and 13 and culminated in a concert performance the last evening.

Jericho H.S. Accepts Award From Princeton

An honorary award of \$150 for books for Jericho High School was accepted by Dr. Paul J. McKee, Principal and George Batjaka, Assistant Principal, in a recent ceremony held at Princeton University.

The award was presented to Jericho as the alma mater of Lawrence Levinson, who was honored as the recipient of Princeton's First Honor Prize for the highest academic "straight A" standing. Lawrence's achievements while in Jericho were similarly notable. He was a National Merit Scholar, a Grumman Engineering Scholarship recipient and a Regents Scholarship winner. He was also editor-in-chief of the Jer-Echo, and headed the youth group at Jericho Jewish Center. He presently majors in computer systems engineering.

The award to Jericho High School will include Lawrence Levinson's name on the bookplate of each volume purchased for the school library.

Community Directory

The 1971 issue of the Community Directory which is compiled and published every year by the Plainview-Old Bethpage Public Library is now being distributed by the library.

This year's edition features a new format and cover. In the new format organizations are arranged by category with Community Services listed first. An alphabetical index has been added at the end of the directory to facilitate its use.

ART AUCTION: Mrs. Rinde-Thorsen of Syosset and Mrs. Driekonski of Plainview study program for the upcoming "ART AUCTION" to be held Sunday, March 21 at Long Island Lutheran High School on Brookville Road in Brookville. Spon-

Letter To The Editor

Dear Art:
 Well, here I am at home recuperating slowly from my heart attack. I am feeling great and, in a matter of time, should be perfectly o.k. Just a question of following doctor's orders.

I am wondering if you might put a blurb in The Villager, expressing my sincere thanks to the entire community for the many calls, cards and gifts during my illness. Especially in the first week or two in the hospital. I really loved the "mail call" when the nurse would hand me six or eight cards from many of my friends here. It really buoyed my spirits. And, of course, when

Helen came to visit, she would tell me of the many phone calls to the house.

Now that I am home, I am doing everything according to the doctor's instructions. I will be a good patient and he says before I know it, I will be back trying to bowl my 140 or so.

But, the main thing I would like to stress is that you do not realize how many well-wishers you have until something like this happens. So, please see if you can get a word of thanks to some really wonderful people.

Sincerely yours,
 Sid Lowenthal

Author To Speak At Temple Or Elohim

Devorah Wigoder, author of "Hope Is My House" is to speak at Temple Or Elohim on Friday night, March 19th at 8:45 P.M. Her English name is Jane Francis MacDwyer. Her Hebrew name is Devorah Emmet Jaffe. So reads Devorah Wigoder's certificate of conversion to Judaism. It was not easy for her to become a Jew, for besides learning new doctrine and rituals and an alien language, Jane MacDwyer had to surmount the indignation of her family and the opposition of her friends — especially her Jewish friends! Why then did this spirited young woman leave her Irish Catholic heritage and join history's

"Chosen People"? Concurrently with her own personal history, she will present the emergence of Israel as a modern nation and its most recent role as a practical inspiration for the rising African nations.

Never has the agonizing story of Zionism been told with such sensitivity and candor. Devorah Wigoder weaves a triumphant story of a woman proud of her chosen faith and confident of her nation's hope for tomorrow.

Her topic will be "Love Affair With The Jewish People". Services begin at 8:45 P.M. and the public is cordially invited to attend.

Pioneer Women To Meet Wednesday, Mar. 17

The North Shore Chapter of Pioneer Women will hold its regular meeting on Wednesday, March 17th at 220 Forest Drive, Jericho. Alvin Bahosen, Professor of Political Science at C.W. Post College will speak on "Our World Today."

This year we also have a handsome new cover featuring four distinctive Plainview-Old Bethpage buildings - St. Pius X Church, Mattlin Junior High, Potter Instruments and a house from the Restoration at Old Bethpage.

Plainview-Old Bethpage residents are invited to come in and pick up a copy.

Syosset Ed. Board Meeting, Mar. 15

The regular monthly meeting of the Syosset Board of Education has been rescheduled for Monday, March 15, at the South Woods Junior High School starting at 8:30 p.m. This rescheduling was necessary in order to allow the Board to meet with the Middle Atlantic States High School Accreditation Committee during the week of March 8.

All residents are invited to attend this and other public meetings.

Deborah Chapter To Meet March 16th

A demonstration of gourmet cooking has been scheduled by the Westbury-Jericho Chapter of Deborah Hospital on Tuesday, March 16 at 8:30 P.M. at the Church of the Advent Winthrop Hall, Jericho Turnpike, Westbury. Refreshments will be served. Everyone is welcome.

Reminder To BCA Officials

All Birchwood Civic Associations Officers and Directors are requested to be at the Syosset Public Library by 8:45 P.M. for the regular monthly meeting scheduled for Tuesday, March 16th.

If unable to attend, please notify President Don Becker beforehand (681-3069), or contact any other fellow officer.

Lt. James E. Stolz, Jr USMC Memorial Fund

A Memorial Fund has been established at the Long Island National Bank by the friends and relatives of Lt. James Stolz. Lt. Stolz was the co-pilot of a Marine CH-46 Helicopter and was killed on November 18, 1970 near Da Nang in Vietnam, while on a rescue mission.

The United States Marine Corps has presented posthumously, the Air Medal to his parents, Mr. & Mrs. James Stolz, Sr. of 205 Duffy Avenue, Hicksville, for meritorious achievement in aerial flight during combat missions in support of the Republic of Vietnam while often exposed to hostile fire at close range. His courage and devotion to duty in the face of hazardous flying conditions also secured for Lt. James Stolz, the Purple Heart awarded by the President of the United States.

Anyone interested in this fund may contribute through the Long Island National Bank c/o Mr.

William E. Koutensky, President, Broadway, Hicksville. This fund will be used for scholarship awards to St. Ignatius School 8th Grade Students for their high school education.

H.S.S. Band Concert March 12

The Hicksville High School Concert Band and Symphonic Wind Ensemble will present their 'Spring Concert This Friday night. The concert program includes: The Bolero by Ravel; General H. F. Nichols March by William Neuwirth of West Hempstead and selections from Fiddler on The Roof.

The Wind Ensemble will perform Pictures at an Exhibition by Moussorgsky. This work will be done in its entirety as available for band which is an unusual accomplishment. The concert is at 8:30 P.M. in the high school auditorium and admission is free.

Massive State Aid Campaign Planned

Various school and community organizations of CSD No. 4 have combined their efforts to involve the community in a cooperative State-Wide campaign for Tax Relief. This vital three-part campaign begins with brochures already on their way to the citizens with four card to be signed and returned to the schools for delivery to their state

legislators. High School squads will be distributing handbills and collecting signatures at all Plainview shopping centers during the next three Saturdays. Part two is a March 24 State-Wide Rally for Tax Relief to take place in Albany. The March 24th rally for Plainview-Old Bethpage residents will originate in the parking lot of the library between 7:00 and 8:00 A.M. on March 24th. A bus and as many carpools as can be arranged will leave the Library at 8:00 A.M. The campaign will culminate with a YOUR LEGISLATORS REPORT rally on Sunday, March 28th to take place at 8:00 P.M. at the Mattlin Junior High School.

Assemblyman Martin Ginsberg and Senator Ralph Marino will be invited to report to the community on the State Aid Picture at that time. The community will be informed of the complete program at a later time.
