

## Hicksville • Jericho

VOL. 24 NO. 13 Thursday, March 25, 1971 COPY 10c

# Senior Groups And Organizations Gather

On March 19, fourteen representatives of senior groups and organizations from Hicksville, Levittown, East Meadow, and Uniondale, came together at the Parkway Community Church. They were called together by Amedeo F. Iannucci (Fred), a community service representative for the Economic Opportunity Commission of Nassau County. Mr. Iannucci is attached to the Emergency Food and Medical Service for the forementioned areas. Then why the meeting of seniors? "When I first started this job, Rev. Clive Chilton, the director of Operation Outreach and my advisor, informed me of the immense problems facing the senior community. Upon individual contact with the seniors, I found this to be so," he said.

Since January, Mr. Iannucci has been organizing the seniors in the four areas, in order to establish more services and facilities. The main purpose of the meeting was to discuss the establishment of a multi-service Senior Center which would provide recreation, housing information, counseling, nutrition, and medical facilities, just to mention a few. The Seniors, themselves, would be responsible for the activities and services to be provided. They know what they want.

"Why should we have such a Senior Center?"

Mr. Simon Phillips, Director of Project SCOPE, stated that his office, staffed with only two assistants and himself, has served 7,000 seniors and has delivered 65,000 times. "Imagine what a Senior Center could do, and how many people it could serve," he said.

But how can the senior community get to such a facility?

As Mrs. Dilucente of Uniondale put it, many club members can only get out of the house once a week, "... because their children won't take them out twice."

"A van will be provided for the center, with a ramp so that people can be wheeled in if necessary," said Mr. Phillips. "Transportation is a part of the project."

If a Senior Center is such a good thing, why hasn't one been made available?

Mr. Iannucci documented the fact that funds are available, but as Mr. Phillips stated, "It's there; communities have used it; but Nassau County has been remiss; YOU have been remiss! He also said that "... in effect, you may say that the senior community is being actively discriminated against."

What can the senior com-

munity do? Mr. Iannucci's reply was, "Plenty!" "I have four communities to serve; Hicksville, Levittown, East Meadow, and Uniondale, and I see no reason why the seniors of all four communities can't unite into one powerful activist group in order to obtain services that they justly deserve."

Mr. Cornelius Ryan, First Vice President of the Senior Power group said, "We've got to stick together; we've got to get together; we've got to stay together, because this is the way you do it. Organize and show them that we're not dead; we're able to walk around; we don't need any crutches!"

The group was informed of services already available on a limited scale, which, through strong group participation, could be expanded to meet the needs of the four communities. Rev. MacDonald, Pastor of the Parkway Community Church, has been serving hot lunches and supplying recreational facilities for the seniors in the community. The entire group applauded the wonderful job the Pastor has been doing. Due to the lack of personnel, the church can only operate these services on a part time basis. The Pastor said, "We would be willing to open it the additional days; there would be no reason why we couldn't, except the people to man it."

On March 25 and 26, Mr. Phillips will be meeting with several government agencies in Washington and in his words, "... there's going to be an eyeball confrontation." Moved by the group's overwhelming support for a Senior Center, Mr. Phillips will fight to obtain a demonstration grant to establish the church as a pilot project, the first of its kind in Nassau County.

Mrs. Langmach, representative of a Hicksville group, suggested a luncheon in order to bring more representatives of the community together to discuss further action policies. The suggestion was adopted by the group and the luncheon will be held on April 16 at 1 P.M. at the Parkway Community Church. Again we wish to extend our grateful appreciation to Rev. MacDonald and his congregation.

As to the outcome of our initial meeting, it was summed up quite nicely by Mr. Phillips, "We do have a beginning."

Additional information regarding this project or the County-Wide Emergency Food and Medical Service may be obtained by calling Mr. Iannucci at Operation Outreach. Phone 938-5533.

## School L... Vote Set For Tuesday, June 8

By Shirley Smith

At its first budget meeting, the Board of Education discussed and approved monies for Buildings and Grounds, Unallocated Expenditures (including BOCES expenses), Debt Service and Transfers (including cafeteria subsidy and free lunch program) in the 1971-72 proposed budget.

Superintendent Abt pointed out there may be an additional \$12,000 added to Buildings and Grounds (Code 600) expenses, due to a possible increase in telephone rates. BOCES administrative costs (Code 700) are estimated at a 10 percent increase—this figure, too, may be higher or lower than estimated in the proposed budget.

The bond issue approved by voters last year will be paid for in three years, according to plans in the proposed budget. By using tax anticipation notes rather than selling bonds, Hicksville residents will be saved \$200,000 over a 20-year period.

Most of the evening's discussion centered around cafeteria costs. The School Board budgeted a \$20,000 subsidy for the cafeteria this year, but it is estimated the program will be another \$25,000 in the red at the

end of the present school year. The 5 cent increase in lunch prices was not enough to cover the estimated deficit—an alternate plan of a 10 cent increase was not approved by the School Board last fall. A plan to increase milk prices this year was also discarded.

Board president, Harry Kershner, moved that salaries of cafeteria personnel be transferred to the general fund and then the cafeteria would be "self-sustaining." Several Board members pointed out that the money must be provided—and taxpayers would still pay for costs—regardless of which code it is in. Due to the fact that the costs of heat, light, custodial services and building usage are not paid by the cafeteria, it cannot be considered self-sustaining anyway. Mr. Kershner's motion was defeated. The Board voted to subsidize the cafeteria by \$30,000 next year, subject to voters' approval of the proposed budget. The School Board also voted to raise the milk price to 5 cents next year. Students now pay 3 cents for a half-pint container. Messrs. Muratore, McManus and Kershner voted against William

O'Donnell's motion.

Allegations that stealing of food in the cafeteria is one of the causes for a deficit in the cafeteria budget shocked those present at the meeting. The woman making the charges says she has proof and will present it to Superintendent Abt and the Board.

As only Codes 600, 700, 800 and 900 were discussed at Tuesday's meeting, no mention was made that Code 400 (Recreation) has been deleted from the proposed budget. At this time, there is no provision for a summer or winter recreation program next year.

Another major deletion is Opportunity High School. This program has again been cut out of the budget, having been reinstated this year. THE HERALD will try to get more information on these deletions and report it to you.

Tuesday, June 8 is the voting date on the proposed 1971-72 budget. Dates for registration and the public hearing have not been designated.

The next School Board meeting is Tuesday, March 30. At this time, further budget discussion meetings will be set up.

## Asphalt Plant Sought Near Duffy Ave.

At its regular meeting on Tuesday, March 30th, the Town Board of Oyster Bay will hear the petition of Midhampton Asphalt Co., Inc. for a special permit use to install and maintain a portable asphalt plant on a roughly one-acre parcel set back about 125 feet from Duffy Avenue and on a lower grade than the surrounding land.

The property is subleased by Midhampton from U.S. Steel Corp., who is leasing the land from

James M. O'Connell and June E. O'Connell, of Glen Cove.

The petitioner proposes to use the rectangular parcel for "mixing the components used in the manufacture of asphalt, storage of materials use in connection therewith, and disposition of the finished product." The property is 750 feet east of Charlotte St.

Materials arriving to the proposed asphalt plant would arrive by the Long

Island Rail Road, whose spur abuts the property. Trucks would enter the property via 50-foot wide driveway located about 1,360 feet from Charlotte Street and exit where Henrietta Street joins Duffy Avenue, about 450 feet east of Charlotte Street.

The only personnel employed by the company would occupy an office trailer, which occupies about 350 square feet.

## Community Council To Hear Catalano And Innesburger

On Thursday, April 1st at 8:15 p.m. at the Hicksville Library on Jerusalem Avenue, members of the Hicksville Community Council will hold their regular meeting.

The planned part of this month's program will be the beginning of a citizens study of Hicksville in its entirety, as far as future zoning is concerned.

Messrs. Joseph Catalano and Emil Innesburger who had the Council's Civic Improvement Committee will present facts already established regarding the "business triangle" of Hicksville, and will discuss each residential area and what may happen to it in the future.

Any who are interested in this are cordially invited

to attend and participate.

As usual, the last half of the Council's meeting will be made up of any matters that are brought up from the floor, as long as they pertain to Hicksville. And, as usual, all Hicksville residents, as well as delegates of the member organizations of the Council, are urged to participate.

## Hicksville Community Council Meets Thurs., Apr. 1 at the Library

## Wins Award

The St. Ignatius Girls Cadet Corps has been selected as the best parish musical unit in the recent WPIX St. Patrick's Day Trophy Contest, it was announced by Corp. Director Thomas R. Costa of Hicksville.

"There are 90 girls in the competing Corps," Mr. Costa said, "And they are presently tops in New York State and rank second highest in the nation."

**ELLEN MARIE LEONARD** of Hicksville and **JOHN GRIDLEY** set the date. . . . **ACS Nassau** seeking vol. . . . Some of finest food on LI at MAISON PEPI in W. Hemp.

## IN SERVICE

Navy Lieutenant (junior grade) David H. Grant, son of Mr. and Mrs. Edmond J. Grant of 76 Hedgerow Lane, JERICHO is now serving with Training Squadron 22 at the Naval Air Station, Kingsville, Tex.

# MEN IN SERVICE

Navy Hospitalman Apprentice James J. McAllister, son of Mrs. Concetta McAllister of 28 Genesee St., HICKSVILLE, was graduated from the Naval Hospital Corps School, Great Lakes, Ill.

He has completed the first step toward earning his "Wings of Gold" and becoming a Naval Aviator.

Navy Petty Officer Third Class John A. Barrett, son of Mr. and Mrs. J. Barrett of 115 Nevada St., HICKSVILLE, was awarded the Meritorious Unit Commendation Ribbon while serving aboard the attack aircraft carrier USS Independence at Norfolk, Va.

Navy Airman Richard E. Petersen, son of Mr. and Mrs. Ernest H. Petersen of 83 Princess St., Hicksville, was awarded the Meritorious Unit Commendation Ribbon while serving aboard the attack aircraft carrier USS Independence at Norfolk, Va.

Navy Airman Apprentice Geraro Matzen, son of Mr. and Mrs. Nicholas F. DiMartino of 3 East Park Court, OLD BETHPAGE, was graduated from Aviation Structural Mechanic Hydraulics Course at the Naval Air Technical Training Center, Memphis.

Matzen is a 1970 graduate of J.F. Kennedy High School, Plainview.

Navy Petty Officer Second Class John V. Capazzi, husband of the former Miss Judy A. Stein of 81 Northern Parkway, PLAINVIEW, is now participating in Operation 'ADMIXTURE' aboard the destroyer USS John S. McCain off the Southern California coast.

"ADMIXTURE" is a large scale First Fleet exercise involving 42 U.S. and five Canadian Navy ships and more than 20,000 Navy men and Marines.

As the operation title implies, "ADMIXTURE" will mix together all phases of Naval operations to test the skills of crewmen and the capabilities of their equipment.

Navy Chief Petty Officer Edwin Marciniak, husband of the former Miss Helen W. Weegan of 134 Lee Ave. HICKSVILLE, was graduated from a Computer Operator's School at an Diego.

Navy Ensign William E. Bouwmeester, son of Mr. and Mrs. William Bouwmeester of 5 Juniper St. HICKSVILLE, soloed a Navy T-34B "Mentor" aircraft with Training Squadron One at Pensacola, Fla.

Sergeant John Morris, son of Mr. and Mrs. Andrew A. Morris Sr., 25 Nassau Ave, PLAINVIEW is a member of a unit that has earned the Military Airlift Command (MAC) Blue Pride Award.

Sergeant Morris is an aircraft radio repairman at McClellan AFB, Calif., with the 55th Weather Reconnaissance Squadron. His organization was cited for exceptional operational effectiveness as part of the MAC subcommand, the Air Weather Service which provides weather information for military flight operations.

The sergeant has served a year of duty in Vietnam.

He is a 1965 graduate of Plainview Old Bethpage High School. His wife, Barbara, is the daughter of Mr. and Mrs. B. Anderson of 12 Knickerbocker Road, Plainview.

Army Private Michael T. Tisdell, 23, son of Mr. and Mrs. Michael T. Tisdell, 3 St. John's Ave., HICKSVILLE recently was graduated from an eight-week.

Pvt. Tisdell received his B.A. degree in 1969 from the State University of New York, Stony Brook.

Marine Lance Corporal Toby D. Allen, son of Mr. and Mrs. T. Allen of 4 Sunnyfield Road, HICKSVILLE is now serving at the Marine Corps Base in Camp Lejeune, N.C.

## ON THE CAMPUS

Bruce J. Imhof, 61 Kuhl Avenue, Hicksville, and Anthony DiCroce 1 Rose Place, Plainview, have been enrolled in the Academy of Aeronautics, an independent two year junior college, specializing in the education of aerospace technicians. They will be a candidate for the Associate in Applied Science degree.

Participating in the Eighth North American Invitational Model United Nations (NAIMUN) was the John F. Kennedy High School, Kennedy Drive, PLAINVIEW.

Shelli Nichter of PLAINVIEW, is a member of the C.W. Post College chorus which will tour the Philadelphia area in March.

She is the daughter of Mr. and Mrs. Murray Nichter of 7 Maxine Avenue and a junior at the Greenvale College where she is majoring in Spanish Education.

Barry Schochet of PLAINVIEW was among those named to the academic honors list for the semester at the University of Maine.

Senior Bob Ullrich has completed his career at Marist College with an average of 6.0 points per game on the varsity basketball squad. Although not a starter Bob was an integral part of the "strong" Marist bench which enabled the "Red Foxes" to play in the finals of the NIA District 31 Championship. Playing as the sixth man all year long the 6'4" senior came off the bench and gave Marist the necessary spark resulting in a 21-7 overall record.

Bob, a former St. Dominic's graduate, is the son of Mr. Charles Ullrich, 111 Cambridge Drive, Hicksville, New York.

On the Dean's List for the Fall 1970 semester at Holy Cross College, which was just released are William F. Burgess, 55 Scooter Lane, HICKSVILLE, and Danile P. Gunn, 4 Wilshire Rd., OLD BETHPAGE.

Karen Anne Rasmussen, daughter of Mr. and Mrs. Carl Rasmussen of HICKSVILLE, has been named to the Dean's List for the winter semester at Ball State University, Muncie, Indiana where she is a senior majoring in elementary education.

# County Parks Post For Plainview's Ed Ocker

It was an historic day for Oyster Bay Town Councilman Edmund A. Ocker, a lifelong resident of Plainview, as he expressed his parting thoughts to the Town Board and those present at his last public meeting as a member of the Board on Tuesday Morning, March 23rd, at Town Hall.

There was some nostalgia and a sense of eagerness for the challenge that was to come for the big, friendly Councilman who had spent about a quarter of his life in service to his community as a member of the Board. "The thirteen years and three months that I have served have represented the period of the greatest growth for the Town of Oyster Bay, and I am happy to have been a part of it," he said.

At 52, Councilman Ocker has been appointed Deputy Commissioner of Parks and Recreation for Nassau County, a newly formed body which will have jurisdiction over the 1,000 county park employees and the more than 6,000 acres of parkland which were formerly supervised by the Department of Public Works. His office, along with that of the Commissioner, Richard Fitch, will be at Eisenhower Park in East Meadow, a county park whose area alone is greater than that of Central Park in New York City.

The man everyone calls "Ed" is well qualified for the job. As

NEW JOB AWAITS: Councilman Edmund A. Ocker, lifelong resident of Plainview, is aided by secretary Dorothy MacGregor in clearing the office he has oc-

cupied for over 13 years at Town Hall. Mr. Ocker will become Deputy Commissioner of Parks & Recreation for Nassau County.

Chairman of the Town Standing Committee on Parks and Recreation, he has overseen the development of four major neighborhood parks in the Town and played a leading role in the development of the Town's comprehensive recreation program suited to residents of all ages and interests.

The year-round community park and pool complexes in Massapequa, Syosset-Woodbury, Bethpage and Farmingdale amounted to more than \$12,000,000 in park construction. In addition, he supervised the installation of playground equipment and facilities in the

Town's 170 "parklets" and directed a program of improvement of the Town's eleven beaches on the north and south shores, including the construction of two marinas at waterfront recreation areas.

### NEIGHBORS VISIT

The sight of his neighbors, many of whom he called by their first names, at Town Hall was a familiar and frequent one for Councilman Ocker, whose home community of Plainview, still undeveloped to some extent, came up regularly in petitions and applications for rezonings

## DEAR FRIENDS:

THIS WEEKEND is important both at the Temple Mount Elshim in Jericho, where they will be holding ceremonies dedicating the expansion and renovation of this beautiful Temple, and at the North Shore Synagogue in Syosset, where they will be holding ground-breaking ceremonies for the construction of their new religious school building and youth lounge on Sunday, from 3 to 5. HERE IS A WORTHY CAUSE, and a dedicated fair one... it seems that unlike returning veterans of World War II and Korea, presently there is no incentive for our returning veterans when they need it, to help them buy a home. It is strange that this practice has been discontinued, as hundreds of thousands of veterans in the past were able to avail themselves of the GI mortgages. Anyway, a committee from the William M. Gouse, Jr. Post 3211 VFW, headed by Robert W. Keck, the Post's Legislative Chairman, asked us to bring you the information contained in their Resolution and, if you agree they ask you to write to the Hon. Martin Ginsberg, State Capital, Assembly Chamber, Albany, New York telling him of your support of this resolution.

### RESOLUTION

WHEREAS, Veterans of World War II were able to purchase homes at a low rate of interest, and no down payment, over a maximum of 30 years, and

WHEREAS, under the existing G.I. Home Loan Guarantee Benefits, Viet-Nam veterans, after returning to the mid stream of civilian life, and who become fully employed, married, in an attempt to apply their noted benefits under the Home Loan Guarantee program, the inflated dollar market has increased the cost of a simple family dwellings. The interest rate has risen to 7% making it almost impossible for veterans to take advantage of this,

WHEREAS, Our Government sees fit to subsidize housing for low income groups,

BE IT RESOLVED, that the joint legislative of the State of New York, petition the congress of the United States of America to enact a G.I. Housing bill, that would reduce the mortgage rate to 4 percent, extend the maximum time period to 35 years, and because banks would still be involved, that the Government subsidize the 4 percent interest rate charged to Viet-Nam veterans with funds which would be derived from surplus reserves of the G.I. Insurance Program, or any other type of subsidy, through the congress of the United States.

PETITIONED BY: William M. Gouse Jr. Post 3211 V.F.W., Hicksville, N.Y. Frank Aug Jr., Commander

ENDORSED BY: Nassau County Council, Veterans of Foreign Wars, Earl R. Ellis, Commander

INTRODUCED INTO: Department of N.Y., Veterans of Foreign Wars

## Supv. Burke Advocates Partnership Government

Over 1500 Republicans from the Town of Oyster Bay crowded into the Garden City Hotel last Thursday evening, to show support for their town, which is headed by Supervisor John W. Burke who will be running for reelection in November.

Mr. Burke gave an inspiring speech on the principle of partnership government...that is the partnership of those elected and the people whom they represent.

"We have established several advisory boards," Mr. Burke stated, "Also eleven Youth Council's throughout the Township and have expanded our Senior Citizen Programs."

"We all believe in service," he continued, "in dedication to duty.

The rich natural resources of this town are so well developed now, that we have renewed vigor in our areas of our Town Government.

"As to Republican performance," Mr. Burke continued, "We have made good on all our promises. We have completed unfinished business. We are better than ever before and we are going to be better yet. We will finish the job we started and we will show books of this partnership to the people themselves.

"Those who stand with me in November can expect continuing effort in all areas of endeavor," he concluded.

### NASA Film Was Presented

"Eagle has Landed," a NASA film concerning the first landing on the moon by Apollo 11, was presented at a recent meeting of Nassau Squadron No 4, Civil Air Patrol.

Two more films in this series have been scheduled for April 20th and May 11th. Visitors are welcome at any meeting held on Tuesdays, 7:30 PM, at J.F. Sparke School, Condor Rd., Levittown.

## OUR Elected REPRESENTATIVES

BY SHEILA NOETH

EVEN A CRIMINAL is "innocent until proved guilty". Not so with the way we treat our elected representatives, most of the time. We remember when Ex-County Executive Eugene Nickerson left office, he made several recommendations. Among them was the suggestion that we write our elected officials whenever we have either criticism or approval of their actions, but that we do it courteously. And there's the key word...courteously. We're sure you'll receive an answer in the same vein. We are all probably guilty to some extent of being poor letter writers, anyway. It's so much easier to complain to our friends, neighbors, and acquaintances after community meetings, than it is to sit down and write an intelligent, well-thought-out, courteous letter. But how much more good we might accomplish if we took the latter course. Let's all see if we cannot improve in this direction. I'll start with a brief note as follows:

TO OUR TOWN OFFICIALS: Gentlemen: We know yours is a tough and challenging position, with much work on many levels, and I think you are doing a most effective job, in most instances. Two suggestions...In the Town of Oyster Bay, we really do have enough gasoline stations, and since, they do not produce much, as far as tax income is concerned, and our land at present is at a premium, please do not approve any future requests to build new gas stations. This is also true of drive-in hamburger stands which are also a blight on even the humblest business section of our fair township. Sincerely, Sheila Hoegl Noeth.

ORCHIDS to our County Exec Ralph Case on an earnest effort to get our welfare families out of expensive motels and for his fight against any high-rise projects at Mitchel Field. If anyone has ever visited a project in New York City, they would realize at once what a horrible way of existence they are for our poorer families.

We certainly do NOT want to duplicate such city failures here in Nassau. Scattered sales may be harder to achieve, but they are in keeping with our suburban way of life and certainly fairer to those by our professional planners. We also think Hempstead Pr. Supy. Purcell's plan for new cities is worth looking into. We must come up with new solutions to new problems in this ever-changing life of ours. But we'll do it, with the help of our elected officials and our own constant attention. Whatever the problem it always takes some participation on the part of each individual. Let's not forget this. Even our ecological problems are not entirely the fault of Con-Ed and other plants, as we realize when we see beer cans and other rubbish on our roads...and automobiles and buses whose exhaust can be seen from a distance. It takes a TEAM effort to achieve success. But isn't that really what democracy is all about?

Nassau County Executive Ralph G. Case and Mrs. Michael N. Pettito, wife of the late Family Court Judge Pettito, look over posters for a benefit concert to be

held on April 15 at C.W. Post College on behalf of Topic House, the county's drug treatment center which has been named in honor of Judge Pettito. Sponsored

by Nassau County and the Island Concert Hall, the program will be a performance of Bach's Mass in B minor by the Stuttgart Bach Chorus Orchestra.

## ACCIDENT REPORTS

The following accident reports have been released by the Second Precinct, Woodbury:

March 21-4 p.m.—Automobile accident involving a car driven by Mark Friedman, of Levittown, and one driven by Sophie Demes, 31 Peachtree La., Hicksville. The accident occurred at No. Broadway at Nevada St., Hicksville. The Friedman car was travelling south and the Demes car was travelling east when they were in collision. Injured and taken to Syosset Hospital was Sophie Demes, 37, head injuries; and Katherine Nevenhoff, of 36 Peachtree La., Hicksville, 17, lacerations next to her left eye.

March 20-2:15 p.m.—Automobile accident occurring on Route 106 at Columbia Dr., Jericho, involving a car driven by Andrew J. Basile, 10 Rockland Dr., Jericho, and a car driven by Virginia Stanisci, of Locust Valley. The accident occurred as the Basile car was crossing Route 106, and was struck by the Stanisci car which was travelling

north on Route 106. Injured and taken to Syosset Hospital was Andrew J. Basile, 20, concussion of the right knee and concussion; and Virginia Stanisci, 35, lacerations of the chin and concussion.

March 20-1 p.m.—Automobile accident occurring on Route 106 at the south service road, Jericho, involving cars driven by Lorraine Koryus, of Bayside; Perry Coburn, 179 Maytime Dr., Jericho, and Charles F. Dailey, of Fairport, N.Y. The accident occurred as the Koryus car was travelling east on the south service road, across Route 106, was in collision with the Coburn car, stopped in the middle of the northbound lane of Route 106. The Coburn car was then in collision with Dailey car which was in the right lane of Route 106. Injured and taken to Syosset Hospital were Robert J. Koryus, Jr., 2, injuries unknown; Perry Coburn, 57, pain in the shoulder; and David Coburn, 20, pain in the eye.

March 20-12:15 p.m.—Automobile accident occurring at the entrance to Mid Island Plaza

at Newbridge Rd., and James St., Hicksville, involving cars driven by George R. Barone, 35 Acre Lane, Hicksville, and Stanley Stasiak, 250 Richfield St., Hicksville. The accident occurred as the Barone car was travelling south out of Mid Island Plaza and was in collision with the Stasiak car.

March 19—Automobile accident occurring on Park Ave., 200 feet south of Woodbury Rd., Hicksville, involving a car driven by Francis Fitzpatrick of Bethpage. The accident occurred as the Fitzpatrick car was travelling north on Park Ave., and collided with a two legally parked cars, owned by Frank A. Viola, 171 Park Ave., Hicksville, and Francis C. Rusowicz 14 Flower St., Hicksville. The Fitzpatrick car also struck a pedestrian, Frank A. Viola, as he was removing parcels from the trunk of his car. Frank A. Viola was taken to Central General Hospital and Francis Fitzpatrick was arrested while driving while intoxicated.

# Around Our Towns

By Linda Noeth Scotti 796-1286

An informal coffee hour will be held for the Christ family, John Ingrid, and Ricky, by their friends. They will be moving from the HICKSVILLE area to New Mexico. All friends of the Christ's are invited for coffee and cake at St. Stephen's Lutheran Church on March 27 between 7 and 9 p.m.

Mr. and Mrs. Marvin Sabele of JERICHO have announced the engagement of their daughter, Robin Jill, to Eliot Schuler of Oyster Bay.

Happy Birthday to Lisa Whittinger, of 4 Hunter Pl., HICKSVILLE, who will be 9 on March 28.

We got our saints a little mixed up last week—this Sunday, March 28, the "Passion According to St. Mathew" by Schutz will be presented at 8:15 p.m. at the United Methodist Church, Old Country Rd., HICKSVILLE. Over 100 voices will take part and we understand it will be a really worthwhile evening.

Get well wishes go to Harold Smith of George St., HICKSVILLE, who is home recuperating from surgery.

The next regular meeting of the Catholic Daughters, Court Queen of Angels No. 869, will be held Thursday, April 1 at 8:30 p.m. in the St. Ignatius School, new cafeteria, E. Nicolai St., Hicksville.

Announcement has been made

by Mr. and Mrs. Vincent Leonard of HICKSVILLE, of the engagement of their daughter, Ellen Marie, a nursing student at Villanova, to John David Gridley. Mr. Gridley, a Vietnam veteran is the son of Mr. and Mrs. Vernon Gridley, also of HICKSVILLE. The couple plan a June 1972 wedding. Congratulations!

Announcement has been made by Mr. and Mrs. Arthur Kiesel, of PLAINVIEW, of the engagement of their daughter, Alice Lorraine, to William C. Wagner, also of PLAINVIEW.

Mr. and Mrs. Stephen Chernok of 23 Astor Dr., HICKSVILLE, have announced the engagement of their daughter, Lynn, to John Patric Murphy, on March 10. Mr. Murphy is the son of Majorie Murphy, 2 Center St., HICKSVILLE.

Both are graduates of Hicksville High School.

Lynn is employed as a secretary at Lesser Enterprises in Hicksville while John is serving in the Army in Germany.

A fall wedding is being planned.

Dot Bogart of 30 21st St., JERICHO, has struck again! She bowled 225 in her game last week with the Friendship League at the Syosset Lanes, and won a trophy. Congratulations!

Karen Derkazarian was guest of honor at a Bridal Shower given at the home of her parents, Mr. and Mrs. Charles Derkazarian, in Queens Village on Sunday, March 21. The shower was given by her bridal party. She received many

lovely gifts. Over 75 people attended.

Karen will become the bride of Richard Moore, son of Mr. and Mrs. Richard Moore, of Summer Lane, HICKSVILLE, on April 18 in the Queens Baptist Church.

Happy Birthday to Lawrence Strickland, Jr., who will celebrate his 10th birthday on April 2. Lawrence lives at 88th 14th St., HICKSVILLE.

The "Mr. and Mrs." Club of the United Methodist Church will have a Covered Dish Supper at the Church, Old Country Rd., Hicksville, on Friday, April 2, at 7:45 p.m. Featured will be a Chalk Talk with the Rev. Hansen of the United Methodist Church, Baldwin.

Happy Anniversary to Robert and Theresa Nader, of Grove St., HICKSVILLE, who recently celebrated their 25th wedding anniversary. They were guests of honor at a surprise party given by their children at the V.F.W. Hall, HICKSVILLE. Over 80 relatives and friends were on hand to help them celebrate.

Celebrating their birthdays on April 4 will be Kathy Justus, 88 Plymouth Rd., PLAINVIEW, and Janette Weekman, 5 Hunter Pl., HICKSVILLE. Have a happy!

William L. Solomon of 22 Guild Court, and Julian Leibman of 74 Winthrop Road, both of PLAINVIEW, recently attended (Continued on page 12)

## Engaged

Mr. and Mrs. Fred Don of Hicksville announce the engagement of their daughter, Joanna Patricia to Mathew Scott Kaphan, son of Mrs. Edward B. V. Carter of Huntington and the late Sidney Kaphan. An August wedding is planned.

The future bride, a secretary with Anchor Chemical Co.; is a graduate of Latin-American Institute.

Her fiancé is in his junior year at Hofstra University where he is majoring in Business Administration.

Joanna Patricia Don

## From The Kitchen Of Joan Amundsen

No meal, no matter how elegantly prepared, can be called excellent unless it is topped off by a dazzling desert. My family would feel cheated with anything less. Much has been said for fruits and cheeses as a last course but for my money nothing beats a luscious pie topped off with gobs of whipped cream.

I always used to have troubles with my pie crusts until I learned a tip from an aunt. She told me to mix the dough the day before and leave the pie shell in the refrigerator overnight. The next day you bake the shell. The results should be a perfect pie crust.

### One Crust Pie

1½ cups flour  
¼ tsp. salt  
½ cup crisco  
¾ tbs. cold water  
about 2 Tbsp. sugar.

Add sugar and salt to flour. Cut in crisco with a pastry blender. Take out about ¼ of the mixture and mix well with the cold water then add water to the rest of the flour. Mix with hands. Roll out dough to fit pie tin. Trim

off excess and flute the edges. Bake in 400 degree oven till crust is a light brown.

### Two Crust Pie

2 cups flour  
1 tsp. salt  
¾ cup crisco  
¾ tbs. cold water  
3 tbs. sugar

Follow the same directions as for the one crust pie.

### Mock Pineapple Cheese Pie

2 packages (¾ oz.) vanilla instant pudding  
1 pint sour cream  
1½ cups milk  
1 large can crushed pineapple  
2 tbs. cornstarch

½ pint heavy cream, whipped  
1 large prepared pie crust

Mix cornstarch with some of the juice from the pineapple. Place over heat and cook until thickened. Allow to cool, then pour into pie shell. Prepare instant pudding with the sour cream and milk as directed on the package. Pour over crushed pineapple. Top with whipped cream and garnish with chopped nuts. Will fill a ten to twelve inch pie shell. Serve icy cold.

If any of you readers have a favorite recipe, please send them to me c/o the MID ISLAND HERALD.

**STAR SCOUTS:** Pictured above are some boys from the Fork Lane Boy Scout Troop No. 378. From the left, Jimmy Hughes, 14 years old, achieved the rank of Star Scout; Robert Penta, 15 yr., is a Life Scout and well on his way to Eagle; and Robert Michaels, 15 yr., is also a Life Scout. On February 28, Fork Lane Troop No. 378 combined their Father and Son Dinner and Court of

Honor at the Alibi Restaurant. Honored Guests were: John Maher, Fork Lane Principal, Mr. Robert Hughes, member of the Nassau County Boy Scout Council; Mr. Steven Didier, District Commissioner; Mr. Karl Zofeld, assistant District Commissioner; Mrs. Winnie Hughes, representative of the Fork Lane PTA. Eddie DiAngeli and Robert Huthes, age 12, also achieved the rank of Star Scout.

## Walters Elected To

## VW Advisory Council

Philip F. Walters, president of Walters-Donaldson, Inc., in Hicksville, has been elected to a two year term on the Volkswagen Dealer-Distributor Advisory Council, according to an announcement made here today by

World-Wide Volkswagen Corp., VW distributor for New York, New Jersey and Connecticut.

As a member of the Council, Mr. Walters will work with 18 other VW dealers and the management of the distributorship in developing mutually beneficial programs and services for the 146 authorized VW dealers under World-Wide's aegis in the tri-state area and ways and means for continuing the best possible service to the more than 570,000 people who drive VW's in this part of the country.

## County Parks

and special permit uses. At times he seemed almost to sympathize with those who live near the three story frame dwelling his family has occupied since early in the century as they deplored the development of hamburger stands, gas stations and real estate offices along Old Country Road.

## County Park Post

(Continued from page 3)

Ed's friendliness and approachability, reflected in the attitude of his Plainview constituents, carried over to the members of the Town Board. Councilman Warren Doolittle of Hicksville, said: "Ed Ocker's office was always open and he was never too busy to offer counsel and advice." Councilman Saladino, newly appointed, of Massapequa, said: "As the junior Councilman, I'm the one who is going to miss you the most." Said Councilman Ralph Diamond, of Jericho: "His dedication and devotion as well as his background and knowledge have set an example for all of us." Democratic Councilman Lewis J. evoli said: "As a member of the loyal opposition and as a new councilman I turned to Ed Ocker and found his office always open to me." Supervisor John W. Burke said: "The true beneficiaries of the 12 years of service you have given to the board are not the councilmen, but the 365,000 residents of the Town of Oyster Bay."

On this momentous day, Councilman Ocker said he was experiencing mixed feelings. "This isn't only a Swan song," he said, "but a day when I'm looking forward to the challenge of a job which I know I shall enjoy."

A graduate of Hofstra University, Mr. Ocker was a member of the Flying Dutchmen's Varsity Football Team in 1941-42. In 1964, the Hofstra Alumni Association presented him with the George M. Estabrook Award for outstanding service to the Alumni.

An organizer and former coach of the Little League in Plainview, he has an active record of participating in community service as a former chief of the Plainview Fire Department; past President of the Plainview Kiwanis Club; past President of the Congregation of the Good Shepherd Lutheran Church and a member of the Massapequa Elks and American Legion. He has also served in the Boy Scouts, Red Cross and other community projects and is a member of the Directors of the Sunrise Federal Savings & Loan Bank.

The President of Ocker Electric Co., founded by his father in 1912, Mr. Ocker plans to hire someone to run the business as he assumes his new full-time job. Standing behind him in his new challenge is his wife, the former Ann Posillico, of Farmingdale, and his three children, Glenn 25, married and a student of Pennsylvania college of Podiatric Medicine; Jean, 22, a senior at Adelphi University; and Kevin, 19, a sophomore at Concordia College.

**GROUND BREAKING:** The happy smiles mark the ceremony of the long-awaited Junior high school addition. Helping Mr. Glass, Principal, are Mrs. Raymond Cahalan, past-president of Junior High P.T.A., Mrs. Guy Fessenden, present President of Junior High P.T.A., Sam Lippin, President of the Student Council, Phyllis Koling and Robert Michaels, co-chairmen of the Junior High Building Committee.

## PTA Council To Hold Drug Meeting

The P.T.A. Council of C.S.D. No. 4, Plainview - Old Bethpage, is sponsoring a Drug Meeting on Wednesday, March 31st at 8:30 p.m. at Howard B. Matlin Junior High School. The program is called, "Everything You Always Wanted To Know About Drugs But Were Afraid To Ask." It will consist of a dialogue between teenagers and parents, and time will be allowed for audience participation.

This program will not feature

an expert talking to parents; it will instead give parents and youth an opportunity to talk with each other about one of the more formidable problems facing our society.

Mr. M. Zarembo, Principal of Parkway School is the program coordinator. Mr. Zarembo urges all parents, regardless of the levels their children are presently attending, to come to this important program. The insights that you gain may help you "save" your child.

## Fifth Annual Ice Hockey

Town Supervisor John W. Burke said that the fifth annual Ice Hockey Finale of the Town's various ice hockey leagues will be held Monday, March 29, at 7 P.M.

The site for the series of exhibitions between teams of various age groups and award presentations will be the Can-tiague Ice Arena, Hicksville.

From a modest beginning in 1966, when approximately 200 boys on 18 teams competed, there are now close to 700 boys in four separate programs encompassing more than 30 teams.

Included in the program will be an exhibition by members of the Pee-Wee Hockey School for boys ages six through ten.

## On the Agenda At Town Hall

Two matters of interest to residents of the Plainview-Old Bethpage are scheduled for public hearings at forthcoming regular meetings of the Town Board of Oyster Bay, one on March 30th and the other on April 6th. Town meetings start at 10:00 A. M. each Tuesday.

On March 30th, the Town Board will hear the petition of Meadowlawn Homes for a modification of restrictive covenants to property on the southwest corner of Haypath Road and Old Bethpage Road which were imposed when the Board granted a special use permit in February, 1968 for the erection and maintenance of a medical diagnostic center on the property.

In the present petition, modification to permit more than three offices in the existing building is sought.

On April 6, the petition of Yogi Realty Corp. & Higbie Collision of Nassau, Inc. for a special permit use for an auto body repair shop at 153 Old Country Road (224 feet east of Newtown Road) will be heard.

Yogi Realty, with headquarters in W. Islip, and Higbie are two companies with the same stockholders. According to the Town Clerk's file, Yogi acquired a certificate of occupancy for a 120' x 60' one-story auto repair building and leased this building to Higbie on an oral lease arrangement, month by month. The special permit use to be requested would provide greater inside facilities for storing and parking of autos, according to the petition.

FOR YOUR PROTECTION READ THE LEGALS

**THE SENIOR ACTION COUNCIL** Town of Oyster Bay, traveled to Albany for the purpose of getting legislation out of committee concerning Senior Citizens. Also to submit suggestions for future bills.

Assemblyman Martin Ginsberg from the 8th District introduced the delegation from the floor of the Assembly. They spoke to several representatives from Nassau County on the problems of Senior Citizens such as: Housing, Transportation, Senior Centers, Recreation, Preventative Medicine, Medicaid, and

**Public Assistance.**

"The Senior Action Delegation wishes to express our appreciation to our Assemblyman Martin Ginsberg for the work he is doing in behalf of Senior Citizens," said a Council spokesman.

(From l. to r.) Edward Phalen, Action Council's Advisory Chairman, Fred Lazar, treasurer, Assemblyman Ginsberg, Council's President Cornelius F. Ryan, Speaker of the Assembly Perry Duryea and Council First VP James Francis.

## Red Letter Day

The Nassau Long Island District of PTA has designated Saturday, March 27, "RED LETTER DAY".

PTA units through out Nassau County are organizing MOTOR-CADES, WITH Red Balloons marked \$1050 tied to the antennas of the cars, to their local legislators homes. Some PTA units are sponsoring letter writing campaigns at shopping centers all over the county. The purpose is to get widespread support for the Educational Conference Board Bill which urges raising the state aid from \$860 to \$1050 per pupil. Passage of the Bill will ease the burden to the property owner.

The Hicksville Council of PTA Units is sponsoring a letter writing campaign on RED LETTER DAY.

"Please stop at the Mid Island Plaza Mall. Our table will be set up near the information booth. The purpose is to get as many people as possible to sign letters to Governor Rockefeller, Speaker Perry Duryea and Senator Earl Bridges in support of bill numbers A1782 and S1785," said a PTA spokesman.

"Make your voice heard! Visit the PTA table at the Mid Island Plaza Mall Saturday, March 27, between 10 am and 6 p.m.," she concluded.

# You don't have to be rich to get help from our Family Bankers.

Florence Bothe is a Family Banker at Marine Midland.

She helps families when they need advice on money matters. Families like yours.

Florence can tell you what kind of loan to get for a new car. Or what kind of mortgage to get for a new house. She can tell you which loan will save you money. What you'll need to get it. And who to see about getting it.

Florence can also tell you which savings plan will give you the best return for your money. How to use travelers checks and credit cards. And what records you'll need for your tax return.

Drop by any Marine Midland branch in Nassau County and see Florence Bothe or any of our other Family Bankers.

Whatever kind of help you need, they'll make you feel like a million dollars.

## Plainview - Old Bethpage Chamber of Commerce, Inc.

No Alternative to Profit

"Those who decry major concern with profit should recognize that, in a free society, no alternative to profit has yet been devised by which business can be successful. Furthermore, an unsuccessful business is in no position to help either itself or

society." - Robert W. Saroff, chairman and president RCA Corp.

**How Built-In Spending Has Grown**  
So much federal spending is tied to built-in features that only one-third of the proposed 1972 budget requires Congressional approval. The remainder is automatically allocated for

programs or commitments from previous years, or to pay the interest on the nearly \$400 billion debt.

**The Energy Crisis: What's Needed**  
"What is needed to solve the energy shortage is a calm, realistic understanding of the situation, an acceptance of the price that will have to be paid, and a sensible and practical balance between our desire to preserve our ecology and improve our environment on the one hand, and the human needs of our people on the other." F. Ritter Shumway, president Chamber of the United States.

**Taxes Average Almost \$100 a Month**  
Taxes this year will average almost \$100 a month per person in the United States - nearly \$3.25 a day - the Chamber of Commerce of the United States reveals. The \$1.75 per capita tax levied by federal, state and local governments is almost double the 1960 average and more than three times what was paid in 1950.

**Moralizing Won't Solve Our Problems**  
"Moralizing will not produce solutions to problems. It will not eliminate poverty; nor cure urban congestion; nor clean up rivers; nor control contaminants in the air. Only enterprise, hard headed and creative, can accomplish these things." - Roy D. Chapin, chairman, American

**Motor Corp. Ballooning Welfare Costs**  
Welfare payments under the present program of Aid to Families with Dependent Children (AFDC) will almost triple in five years, the Office of Management and Budget forecasts. The \$4.1 billion in payments last year is expected to rise to \$12 billion by 1975.

**Citizen Power Can Improve Education**  
"A working partnership between business and education cannot only make the operation of the system of education more effective, but it can also bring about needed changes in school curriculums to make them fit the needs of the times. A partnership of this sort represents citizen power in action." - Arch N. Booth, executive vice president, Chamber of Commerce of the United States.

**Who Said a "Sick" Economy?**  
Our economic system produced as much in goods and services last year as the combined output of Russia, Japan, West Germany, France and the United Kingdom, the U. S. Commerce Department reports.

**Nationalized Geese Don't Lay Golden Eggs**  
"I can't imagine why some leaders of organized labor in this country would seriously consider

government ownership of the railroads, or of any other part of transportation, or of industry generally. American labor has been the greatest beneficiary of the American free enterprise system." - B. F. Biaggini, president, Southern Pacific Co.

The "personal savings" figure that is shown in the national income accounts is not at all what it is generally believed to be. Essentially, so-called personal savings is a balancing item. It is derived by subtracting estimated personal outlays from estimated disposable income.

And even if it were possible to estimate disposable income and personal outlays with 100 percent exactness, so-called personal savings still would not be a reliable measure of the true state of consumer savings.

### PERMIT Granted

At its regular meeting on Tuesday, the Town Board approved the petition of G.G.G. Construction Corp. for a special permit use to erect and maintain a building for the storage of trucks on a 80 ft. by 150 ft. parcel of land on Midland Ave. Hicksville. There was opposition from the residents at the Sept. 13 hearing.

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

Organizational, community and general interest news should be submitted typewritten or printed, double-spaced, in duplicate. Either drop off or mail to Editor, 13 Millpond Street, Jericho. Deadline for insertion - Monday noon. Telephone WE 4-1865.

## Gutter Ball Gossip

By Herb Mahler

There was a feeling of tension in the air with a quiet that was due to erupt at any moment. In the distance figures were approaching. They're coming! was the shout. For Syosset Lanes was under attack by the Shlamieles Indians of Birchwood Park and what a bunch of Shlamieles they turned out to be. Defending the wall was Milt Hoffman who repelled the invaders, the tribe of Chief Viadem, 11-0 to increase his first place lead by six points. Lieutenant Elliot Spencer hit his mark with a 204 in the first. Capt. Milt is a graduate of West Point, or is it Green? No matter.

In second place was Col. Simes as he fought a do or die battle with Chief Wisdom Tooth Sachs, eventually beating them 4-3. Chief Sid, a true leader, hit with a 237 but Sgt. Larry Schwartz, 202 bailed the Col. out. Helen Simes and Ray Schuman were busy making bandages out of their petticoats and rendering first aid to the troops. Gen. Simes, who received a battlefield promotion, had an arrow through the heart - just a scratch, he said. "That's class!"

Major Sussman, with his new replacement, an old friend of the League, Larry Goldenberg, couldn't overcome the assault of Mr. Warmth, PVT Herb Brody, losing 8-3. Lt. Larry struck with a 214 but PVT Herb's 230 was a little better.

Capt. Lang, with a charge of desertion to Hong Kong hanging over him, was not there to see his troops fall to the superior marksmen of Chief Geyer's Braves 8-3. Lt. Bernie Lieberman fought valiantly with a 203 in the first but Chief Leo's double 203

was all the inspiration the Braves needed.

The noisiest skirmish was between Major Simon's Lancers and Chief Blucupid Goldenberg with the Major beating the Chief 7-4. First Sgt. Norman Ney was dead with a 202, with Al Gorman's fine 213 for the defeated ones.

Defending the Mess Hall was some mess, Sub Pvt. Mr. Goodness Lewis Marks as they lost to the Warrens 6 1/2-4 1/2.

Without Capt. Hy Shapiro, who is away on a scouting mission, his troop struck back the attackers of Chief Legal Eagle Rothman 11-0.

Dressed in all his plumage the "Really Big Chief" Buddy Flanders showed what it means to be a leader. All he did was a puny 215, 204 and 207 for a 626 series to defeat Sgt. Major Julie Gershen's 7-4.

Listen everyone; help is on the way, the runner got through. I hear a bugle of the cavalry coming to rescue us. What! Just a small boy on the way to school, practicing the trumpet he plays in the orchestra? What a blast! Anyway, it's time the Indians won something; it was not fun beating them all the time. Maybe next week we'll hit Fort Jericho Lanes. Our Medicine Man, Alex Urbont, will tell us if the moon is right.

See you at my teepee at the Nevele!

(Editor's Note: Our bowling columnist and his wife, Hannah, are looking for a couple to join them in the Winter Mixed Bowling League. About four more nights remain and interested persons are requested to contact Herb or go down to Syosset Lanes on Sunday, April 4th, 8:30 p.m.

## S.A. Wittenberg To Leave Syosset School Board

Syosset Board of Education President, Simeon A. Wittenberg, announced that he will not seek reelection to the school board post he has held for the past twelve years.

Mr. Wittenberg's decision was a surprise announcement at the regular monthly meeting of the Board of Education held at South Woods Junior High School.

In announcing his decision not to run for a fifth term, Mr. Wittenberg noted that he had missed only two meetings in twelve years, and estimated that he has devoted the last five working years to Board of Education affairs.

"I hope that I have had some impact during the past dozen years," said Mr. Wittenberg, "and in reaching a decision on whether or not to seek reelection, I had to weigh any future impact I might have against the cost in time to my family and business commitments."

Members of the audience, board members and school administration officials present at the meeting expressed regret at Mr. Wittenberg's decision and afforded him a standing ovation. Mr. Wittenberg, who has been board president for the past two years, said his announcement

was made at this time in order that residents of the community will have time to consider possible candidates before the filing deadline on April 21. Mr. Wittenberg's three year term expires on June 30, together with those of two other Board of Education members, Mrs. Elisabeth Babcock and Vice President, C. Nicholas Penna.

In addition to service on the Syosset Board of Education, Mr. Wittenberg has served on the Nassau-Suffolk School Board Association, has been active in school affairs on a statewide level and was recently appointed a member of the School Board - Employee Relations Committee of the New York State School Boards Association.

## Student Loans

Charles F. Kenny, president of Island Federal Savings and Loan Association, today announced that his association is third in New York State in dollar amount of student loans outstanding, according to the records of the New York Higher Education Assistance Corporation.

## Slate Presented To Birchwood Board By Nominating Committee

The Nominating Committee of the Birchwood Civic Association presented its slate of officers and directors, for the coming year, to the Board of Directors at its regular monthly meeting held last week at the Syosset Public Library. The slate will become effective at the B.C.A.'s Annual Installation Night Dinner Dance on Saturday, May 8th.

The officer nominees are, as follows (one year term): President Sam Saitz; 1st Vice President Art Rosenthal; 2nd Vice President Harry Seaton; Financial Secretary William Siegel; Treasurer Mike Hauptman; Recording Secretary Annette Grill; Corresponding Secretary Dr. Lester Goldstein.

For members of the Board of Directors to fill the existing vacancies (two year term): Don Becker, Jerry Gold, Irv Herskowitz, Arline Locker, Milton Mensch, Ed Petsholt, Philip Reine, Bernyce Shimborg and

Erwin Soroka. The B.C.A.'s Constitution requires that the Nominating Committee meet and select members to run, without spelling out how many should be selected to run for the existing vacancies. Therefore, the Nominating Committee felt that only the exact amount of candidates should be selected for the amount of vacancies available.

The Constitution does provide for other means for any member resident of the community who desires to declare himself (or herself) a candidate. Any resident wishing to run for office needs only to file a petition with 25 names of B.C.A. members in good standing, expressing that desire and designating the particular office sought. Interested members can get the necessary information and assistance by contacting the Editor of The Villager or any Board member.

## Library Referendum: Exchange Of Letters

March, 1971  
 Jericho Board of Education  
 Mr. H. Jankowitz, President  
 Gentlemen:

The Board members of the Birchwood Civic Association at Jericho would like to call to your attention their displeasure at the recent action of the Jericho Board of Education in voting against a referendum to be held at the request of the Library Board on the matter of acquisition through condemnation of land for additional parking. We feel that this action resulted in specifically denying to the residents of the Jericho Library District the opportunity of expressing their views, a right which is granted by New York State Law.

Yours truly,  
 Donald Becker, President  
 cc President, Jericho Library Board of Trustees

March 15, 1971  
 Mr. Donald Becker, President  
 Birchwood Civic Association  
 29 Sagamore Way North  
 Jericho, New York 11753

Dear Mr. Becker:  
 Your letter has been brought to the attention of the Board of Education. They asked me to acknowledge your comments and to point out that the specifics of the vote are included in the official records.

For your information, the vote was 2-2, which in practice causes a "no" vote because it takes 3 votes by a 5-man board, regardless of the number present.

Thank you for bringing your concerns to our attention. If I can be of any assistance, please feel free to contact me.

Very truly yours,  
 David Nydick  
 Superintendent of Schools

## Lee Batterman Will Present Art Exhibit

Lee Batterman, wife of Dave Batterman of 19 Flower Lane, Jericho, will be having a "one-man" art exhibition at the Syosset Public Library, commencing March 31 through April 30.

A native New Yorker, Lee studied art at Brooklyn College. She developed her talents in various art schools and under the auspices of prominent artists.

Since moving to Jericho, her art has received recognition throughout the United States. Her work has been shown in the House Of Representatives' Congressional Offices in Washington, D.C., Knickerbocker Artists, National Art Club, Audubon Artists, the Abraham and Strauss stores, Heckshere Museum, Chase Manhattan Bank, as well as galleries, Museums and private collections. She is a participating member

of various art institutions on Long Island, as well as the Congressional Art Committee and is also the recipient of many awards and prizes.

One of the original founders of the Jericho Art League when it was under the auspices of the Birchwood Park Civic Association, Lee was instrumental in creating an art school which then moved on to become the Mid Island Plaza Art League.

**CANCER CRUSADE.**  
 With a goal of \$501,000 for its annual Educational Fund Raising Crusade, the American Cancer Society, Nassau Division issued an urgent plea for volunteers to stuff kits at home or at Division Headquarters.

Those wishing to help save a life from cancer are urged to contact the Division at 1551 Kellum Place, Mineola...phone 248-4633 or 746-7530.

## Appeal In Verse For Youth Council Funds

'Twas the month of April in '71 When the Jericho Youth Council had just begun To solicit funds and ask for aid, To hire a counselor, who would be paid, To work with our youth in every phase. Be it drugs, or draft, or teenage craze. To establish a coffeehouse where kids could meet, And discuss their problems, or rap and eat, To channel their efforts in their everyday life. In plain, just to help youths conquer their strife. So when You are asked for a contribution Contribute generously and help the solution. So please give one dollar, three dollars or five - For there's hardly a person who's now alive - Who cannot send some money by mail. And also, on May 5th, Budget Day, there will be a cake sale. So, be it a car wash in April, or cake sale in May, Get involved, and be generous, help youth have their say. The next meeting of the Jericho Youth Council will be held at the Jericho High School Little Theatre on Wednesday, April 7th, at 8 P.M. Please plan to attend. Elaine Hauptman

## Book Sale In June

The Friends of the Jericho Library is having a Book Sale on June 12th; raindate will be June 19th.

Books may be left, any weekday, in the garages of Mrs. B. Felsner, 114 Boutiny Lane or Mrs. S. Constant, 9 Otsego Place.

In view of the rash of house burglaries in the Jericho community within the past few weeks, the Health, Welfare & Safety Committee of the Birchwood Civic Association is seeking home protection suggestions. Residents are urged to forward such suggestions to Jerry Gold, Committee Chairman, at 127 Birchwood Park Drive, or to The Villager Editor.

Chairman Gold revealed that his committee will meet with police officials of the 2nd Precinct to discuss the current situation and will present protective measures devised by the B.C.A. as well as constructive suggestions sent in by area residents.

# Ramblin' Rose

By Rosemary Walsh

How's everyone these days? Spring has sprung and yet I look out at frost covered trees - well it still is the idea of March upon us and what can one expect? I find out that I do have some followers for I have been requested by some to mention their activities in my little spot here.

This Saturday, at our Boy's Gym in the Senior High, St. Ignace's C. Y. O. will be hosting indoor soccer tournament for Midget teams (ages 8 - 10) and boys teams (ages 11 - 13). The first game will start at 10 A. M. and they expect representation

from Bayside, Deer Park, Garden City, Glen Cove, Bohemia, Roslyn and, of course, their own parish. Later that night, the Senior Girl Scouts are holding a rather unique Father-Daughter Square Dance (who says there's a generation gap.)

Now to rap up with a wee bit of sports - (you know I can never resist that temptation). This past Friday evening, the Hicksville North Stars ice hockey team extended their winning streak to 10 games with a 2-0 victory over Levittown. The North Stars now have sole

possession of second place with a 13-1 record. Bob Felice and Bill Alouge accounted for the two goals and Phil Klaus picked up an assist. Mickey Bakel chalked up his 8th shutout breaking the old record of 7 by Bob Lewis and Doug Abrams. Mike Fowler, Skippy Roman, Dale Hamilton and Gary Uhlend played well. Hicksville takes on Holy Trinity at Catiague Park this Saturday night at 11 P. M.

I'll ramble away now - See ya!

## Around Our Towns

(Continued from page 5)  
a special convention of the ITT Life Insurance Company of New York. A three day meeting was held at the Nevele Country Club in Ellenville.

Mr. and Mrs. Charles V. Robb of Meadow Lane have a new daughter KIMBERLY ANNE, born March 4. Kimberly is the first grandchild born to Mr. and Mrs. Louis Kappattatter, also of Meadow Lane.

Mr. and Mrs. William A. Combe of Hicksville are celebrating their 25th anniversary on March 24th. A European tour in the fall is in their plans.

## LIBRARY NOTES

In recognition of National Library Week (April 16-24) the Children's Room of the Hicksville Public Library is planning a full program. On Tuesday afternoon at 4:00 p.m. there will be a showing of Disney's full-length movie Yellowstone Cubs. This is a most delightful escapade of a mother bear and her two entertaining cubs - we guarantee it will draw many a laugh from both our younger and adult audience. On Wednesday morning at 10:30 a.m. our regular Pre-School Story Hour will be presented. As a special feature of the week, we will offer "Foilercraft" with Jack Lerner on Friday afternoon from 3:30 to 4:30 p.m. for grades 4, 5 and 6. There will be a half-hour demonstration, followed by another half-hour during which Mr. Lerner will actually work on projects with the children. This is an opportunity to see the beautiful animals and figures that can be made from aluminum-foil. Tickets, which are limited, may be picked up in the Children's Room after April 13.

Are you a frustrated poet or poetress? If so, here's your chance to express yourself. During National Library Week the young people from grades 4, 5 and 6 are being asked to contribute their thoughts in poetry form on the subject of Ecology (wildlife protection, preservation of the environment, anti-pollution of air and water, Keep - America - Beautiful, etc.) Application forms and a listing of rules may be picked up either at the Public Library or from your home room teacher in your school. The pupil who submits the best poem will win the grand prize - a \$25 savings bond. Three other prizes will be awarded for each grade, making a total of ten prizes. Best of luck to you all.

Our Bulletin Board this month was decorated courtesy of the fourth graders of Dutch Lane School. The theme is "Fourth Graders Explore Colonial Days." Do come in and see the lovely quilt, plaques and scrapbooks which the children made themselves.

## Library Offers Exciting Series

The Cultural and Performing Arts Division of the Town of Oyster Bay, Department of Recreation and Community Activities, is offering an exciting enrichment series of two free lecture-demonstration-workshops at the Hicksville Public Library on two consecutive Monday afternoons, April 19 and 26, from 1 - 3 p.m. in the auditorium. The lectures "How to Succeed in Crafts Without Really Trying" will be conducted by Irene Frank, an outstanding craftsman and teacher. The two projects are eye glass cameos

and a 3-dimensional tissue paper college kitchen plaque.

The classes will consist of 20 people, therefore we will have to have a first-come first-serve registration. Forms will be available at the desk in the library.

Certain materials will be required for the participants to provide for their use in the course. 1. Small art print eye-glass lens. 2. Transparent glue (Elmer's Glue) 3. Piece of wood approx. 8" x 10" and 4. 3/4" paint brush.

## Photo Contest

A Photography Contest will be held at Catiague Park between April 1 and May 1.

The contest is open to all of Nassau's amateur shutterbugs and rules require that pictures must reflect the mood of Catiague Park in the Spring. Separate awards for black and white and color will be presented in two age categories.

Photos must be no smaller than 2 1/4 inches by 3 1/4 inches and no larger than 4 by 5 inches. Pictures must be submitted along with an entry blank no later than May 1.

All photographs will become the property of Nassau County and the winning shots will go on display at the park on Wednesday, May 5.

Catiague Park is located off West John Street in Hicksville.

## SPORTS

By

Howard J. Finnegan

The fine success of the Jericho High School varsity basketball team this year overshadowed an equally fine mark by the school's Junior Varsity performers.

The Junior Varsity completed the season undefeated, 14-0, in league play and compiled an overall record of 17-1. That constitutes the best mark in the school's history surpassing the previous record of 14-4, set during the 1966-67 school year.

The lone defeat on this year's record came during the Christmas Tournament at Holy Family. It was a two point defeat.

Averaging 60 points a game the team had a season total of 1086 points while allowing the opposition an average of 42 points per game. This solid 18 point difference was due mainly to the philosophy that coach Tom Valentine stressed defense all season.

He believes fully that defense wins ballgames, particularly on the JV level. The pressure man to man and half-court zone presses that Jericho employed forced the opposition to resort to patterns that they were not accustomed to. This caused steals and costly turnovers that Jericho exploited.

"We stressed an aggressive team defense, with constant help from the weak side forward and

guard," explained coach Valentine.

On offense the team played a deliberate, disciplined style, working for the percentage shot, utilizing the fast break whenever possible. It was a well balanced attack with six players scoring 100 points or more. The 88 tallied against Wheatley rang the bell for highest of the season.

John Santa was the quarterback of the team, bringing the ball upcourt and directing the plays. Hicksville fans will remember him as Jericho's freshman shortstop who smacked out two hits of ace Gary Jackson in that spring playoff game last year.

John set two records for Jericho this season. He had 91 total assists and most steals in one game with eight. That swelled his record total of steals in one season to 56.

Peter Madelkern was the high scorer for the season with 223 points for an average of 12.7. He was also the leading rebounder with 202. Andy Greenberg was the second leading scorer averaging 10.1 points a game and he led the team in blocking shots at 29.

Greenberg was also the best per centage shooter on the team hitting away at 55 per cent.

Fourth starter Marc Osit combined strong rebounding with a good, soft, outside shot. Alternating at the fifth starter spot was Alan Lebowitz or Scott Meyers, two good ball-handlers or Lloyd Silverstein, and aggressive, defensive standout.

Silverstein prided himself on his ability to get the defensive position and force the opposition into charging him.

The other ballplayers who worked hard all season without being the main spotlight were Ricky Baiman, Mark Friedman, Mike Sausmer, Richie Flynn, Larry Klein, Seth Lerner and Robert Foster.

The industrious work of the Junior Varsity indicates that basketball at Jericho will not be a one shot affair.

Hicksville High is scheduled to play its second Lacrosse game of the season Saturday Morning at East Meadow. Game time is 10:30 a.m. At the same hour the Jay Vee's of the two school's will be meeting on the Hicksville Field.

Next Wednesday at 4:00 p.m. the annual spring tournament at Bethpage High gets underway. Hicksville has drawn Levittown Memorial in the first contest. The finals are carded for the following Friday.

Robert C. Gottlieb

Robert C. Gottlieb, 1968 Hicksville High School graduate has become one of the first four students to win a seat on the board of trustees of the 106-year-old Cornell University.

Bobby was elected to the seat by the University Senate, a body made up of the faculty, students, administrators and university employees. Cornell agreed to create student trustee seats after two years of pressure from the University Senate.

The young student campaigned for the post on the platform that the university senate should have more influence in university policy. Bob, no stranger to student government hold many offices here in Hicksville: President of Student Council in both Junior and Senior High School; Chief Justice on the Student Court, H.H.S. and Editor-in-Chief of the Comet, H.H.S. student Newspaper; among others.

Son of Mr. and Mrs. Harold Gottlieb, 4 Boulevard Drive, Hicksville, he is presently enrolled as a junior in the School of Industrial and Labor Relations at Cornell.

## LEGAL NOTICE

"NOTICE TO TAXPAYERS"  
RE: SUPPLEMENTAL SECOND HALF 1970-71 SCHOOL TAXES

The undersigned Receiver of Taxes for the Town of Oyster Bay, County of Nassau, State of New York, hereby gives notice that he has received the Supplemental Second Half School Tax Roll and Warrant attached thereto and will be in attendance to receive taxes at

TOWN HALL, AUDREY AVE., OYSTER BAY, N.Y. 11771, APRIL 1, 1971 and each weekday from 9 A.M. to 4:45 P.M. (Saturdays, Sundays and Holidays excepted.)

**BRIEFING SESSION:** Oyster Bay Town Supervisor John W. Burke, center, discusses plans with David Matrici, at left, who is expected to be named head of the Town's Division of Environmental Control, as Department of Public Works

Commissioner Gerard Trotta, of Hicksville, looks on. Matrici, a Farmingdale resident, and top professional public health engineer will head up the first Division of Environmental Control in the 218-year history of the Town.

At Joyce Road: District Attorney William Cahn spoke about the problems of narcotics and drug abuse at an assembly of the 5th and 6th grade students Wednesday morning, March 3. Mr. Cahn told the 400 students gathered in the Joyce Road school gym, that in spite of anything they might have heard,

Marijuana was a dangerous drug that should be avoided. A lively question and answer period followed.

Photo shows D.A. Cahn, left, as he discussed the drug problem with Andrew Richlin, president of the student council; Barbara Levy, vice-president; Robert Goldstein, second from left, assistant principal.

## MEET YOUR NEIGHBOR

BY

HONEY SKOLNICK

# A CONVERSATION: HARRY KERSHEN

It may not have been breakfast at Tiffany's, but coffee at the Kershens'. We sat around the kitchen table with Harry and his charming wife, Rhoda, who served double duty that morning as hostess and switchboard operator. With the strains of the stereo serving as background, the barking dog at our feet, and the constant ringing of the telephone, we tried, through the medium of conversation, to find out "what makes Harry run!"

Harry Kershens was born on June 27, 1929, in Brooklyn. Upon graduation from Strubenmuller Textile High School, he received his Bachelor of Arts degree in education at the State University in Oswego. He went on to attain his Master's at Long Island University and is now working on his doctorate at Laurence University in Florida.

Harry and Rhoda were married in April of 1951, while Harry was teaching in New

Harry Kershens

York City. In September of 1961, because of the difficulty of finding apartments, they purchased a Levitt house and moved to Hicksville. One year later, he started teaching in the Levittown School District as an elementary school teacher, where he taught for approximately 17 years. The Kershens have three children: Cheryl, 18, a freshman at State

University in Albany; Stuart, 16½, a junior in Hicksville High School; and Edward, 12, a 6th-grader at the Old Country Road School.

Back in the days when Szendy and Brengel were presidents of the school board, Harry attended meetings. He always had an interest in "school politics". At that time, he never saw himself as a board member. He was busy with Boy Scouts, Little League and earning a living for his family. In the ensuing years, he became a member of TEACH, an organization with a "philosophy most akin to mine". In the early part of 1966, Harry made himself available and was recommended to TEACH as a candidate for the school board. He was elected and has served five years on the board, with one more year to run of his second term.

When asked if he would run again for this thankless, time-consuming, non-profit position,

he said "Right now if you were to ask me would I run tomorrow the answer would be 'no'; in two years, who knows?"

Harry is now employed as Director of the New York State Education Department Office of School District Employer-Employee Relations. This is a state-wide position dealing in negotiations and involving a great deal of travel. To quote Harry, "I seem to always be running out of time." This past year alone he was involved in the labor problems of 33 districts. He would disqualify himself, because of his position on the school board and as a resident, if Hicksville had need of this service. In his opinion, Hicksville has a good competitive schedule and is around median in contract benefits. He feels that school districts need a regular staff member to handle grievances, create and negotiate contracts as a year-round position.

Harry realizes that school board meetings are frustrating to the general public because the agenda is well-digested and discussed and the background work done with the public getting only the conclusions. When anything comes up that smacks of controversy, the board goes into executive session and there they can "let their hair down, not be quoted and hammer things out". He feels that the board must be "responsive and responsible to the community at large and not to vested interests."

Harry has the title of Associate Professor and Assistant to the Director of Police Science at Hudson Valley Community College, where he taught for one year. He also holds a professorship at Laurence University in Florida. Though busy travelling state-wide in his own job, giving time to the school board, which he serves as president, and commuting to Laurence University, Harry still finds time to write. He has published several papers, booklets and articles for professional journals. He has also recently co-edited a new book relating to collective negotiations
