Second Showing At Library

On Wednesday, April 7, the
Hicksville Public Library is
showing the second film of the
Bergman Trilogy, "Winter
Light". The trilogy is the
Bergman interpretation of
religion and man's faith in
himself and God.

When this film was released in
the United States in 1962, the
reviews were all superlative. The
New York Times critic said
"Ingmar Bergman has made a
thoughtful, engrossing, shocking
film... piercing, stark and un-
settling." The critic for Com-
monweal wrote "One of the most
moving films I have ever seen."
The total effect is shattering.
The Herald Tribune's critic said
"A taut film, its final message

lies in the heart of the beholder."

To those who saw the first of
the trilogy, "Through a Glass
Darkly", viewing "Winter Light"
will only heighten their ap-
preciation of Bergman's genius.
However, one does not have to
see all the films to enjoy the rest.
Each part of the trilogy is a
separate film, with no depen-
dence on the preceding or con-
cluding film for understanding of
what Bergman is trying to tell of
his beliefs. The last film of the
trilogy "The Silence" will be
shown on Wednesday, May 5.

The performances start at 8
p.m. in the Library auditorium.
There is no admission charge and
all programs are open to the
public.

The Space Problem

We know that the space
problem, as it is understood
today, undoubtedly pertains to
the magnificent strides to be
made into space by our famed
astronauts. However, back at the
mundane HERALD, the space
problems come up, with great
regularity, every week with our
only wish that more local readers
would mention to more local
merchants, their reader interest

in their local weekly newspaper.
... then we would be more pages,
and be able to carry more news.

However, until that day comes
we squeeze in as much important
local news of our communities as
space permits.

You could help if you wanted.
In the meantime, we'll keep on
doing our very best.

Asphalt Plant May Cause Pollution, Say Residents

Pollution, traffic, dust and dirt
were the prime objections of
residents who spoke in opposition
to the petition of Midhampton
Asphalt Co. Inc. for a special
permit use to install and main-
tain a portable asphalt plant on a
parcel land about 125 feet in from
Duffy Avenue near Charlotte
Street, Hicksville.

In presenting the petition,
attorney Edward T. Robinson III,
of the firm of Robinson and
Cincotta, Oyster Bay, pointed out
that special precautions against
pollution were being taken
through the use of Dustex, an
anti pollution to be installed at
some cost, from such operations.
James Kelly, sales engineer for
Dustex, (Buffalo) was present to
speak about the anti-pollutant
procedure.

According to the petitioner,
employees would be limited to
four or five in number. In-
stallations, all towable but not
planned for moving, would in-
clude a dust collector, plant
tower, and dryer.

J. Bernard Boyle, general
manager of Midhampton brought
a laugh in response to Coun-
cilman Ralph Diamond's query
on the noise factor. "What does it
sound like?" said Diamond. "It
sounds like music to me,"
responded Mr. Boyle.

Two letters were read into the
record in opposition. One, from
the school board, expressed
concern for pollutants in the air,
in view of the fact that much of
the activity of the Old Country
Road school, 1/4 mile distant, is
carried out of doors. A letter from
Mrs. Sonia Leitman, 32 Boulder
Lane, also expressed concern
over pollution.

Several residents of Benjamin
Avenue were present in op-

POLLUTION possibility was
the principal objection of
residents in the vicinity of Duffy

public hearing of a petition to
install a portable asphalt plant in
the area. From left are Medard

will be in kindergarten at nearby

position, stating that they had
learned the details of the petition
in the MID-ISLAND HERALD.
Included were Medard Ofenloch
of 80 Benjamin, and Peter Collins
of 85 Benjamin. Rudy Bause,
owner of Rudy's Restaurant and
Bar, at 360 Duffy Avenue, op-
posed, as did Mrs. Marilyn Leon,
of 20 Monroe Avenue.

Mrs. Margaret Marcus, of 8
Hudson Street, asked the Board if
the tax structure was any dif-
ferent, in view of the portability
of the equipment. Councilman
Warren Doolittle said that he
would investigate the matter.

At the end of the hearing, the
Town Board reserved decision.

TOB Planning Advisory Board And Professional Planner To Meet With Community Leaders

Town Supervisor John W.
Burke reported that the
Town Planning Advisory
Board and its professional
planning consultant, the
firm of Raymond, Parish
& Pine, has scheduled a
meeting for Thursday,
April 8, to listen to com-
munity leaders of the
Hicksville area.

Burke said Dr.
Lawrence Ravich,
chairman of the Advisory
Board, has advised him
that the meeting will begin
at 8 p.m. in the Hicksville
Library, 169 Jerusalem
Avenue.

The Planning Advisory
Board has already met
with the Hicksville

Community Council, the
local Chamber of Com-
merce and the Hicksville
Citizens Advisory Com-
mittee on Transportation
and Development.

Burke said, "However,
the purpose of these
meetings is to get the
views of all leaders of
groups and civic
associations in the area so
we may have the benefit of
their thinking on the
problems and future
direction of their com-
munity."

Dr. Ravich said there
will be a presentation,
including an inventory of
the resources and
characteristics of the area

and invitations to most of
the community and civic
organizations have already
been sent. However, Dr.
Ravich extended a further
invitation for any in-
terested organizations that
might have been missed to
contact the Supervisor's
office (WA 2-5800) to be put
on the appropriate mailing
list.

Burke emphasized that
this would be only the first
in a series of meetings,
including public hearings,
which the Advisory Board
will conduct in Hicksville
and surrounding com-
munities as it works
towards preparation of a
master plan.

Top Counsel Sought In NAACP Suit Against Town

The legal complaint, and formal notice of initiation of suit against the Town of Oyster Bay by several individuals, coordinated by the National Association for the Advancement of Colored People was served to the Town Board on Tuesday, March 30. The formal summons arrived after almost a week of widespread press notices of the service of the suit. In a statement issued Tuesday, Supervisor John Burke announced that top legal counsel would be sought in combating the suit.

The NAACP contends that the local zoning ordinances of the Town of Oyster Bay are so constructed as to exclude blacks and underprivileged non-whites from the Town.

The suit does not detail the extent to which the Town should downzone land or provide housing for blacks. It is rather an attempt to have the Town begin such downzoning procedures.

Supervisor John W. Burke issued a statement on March 25th in response to the "reportedly instituted" suit, which had not at that time been reported to the Town Board, saying:

"I want to point out it is my sworn duty to uphold the laws of the Town and I would like to assure the people who live here, as well as the people who do not, that this will be done. These laws have been challenged time and time again and their legality has been sustained by the courts."

"I have no intention, nor does the Town Board, of abdicating responsibility because of pressure from people or organizations who care little about the future of this Town."

Best in Counsel

At the regular meeting of the Town Board on Tuesday, March 20th, Mrs. Shirley Lang, co-chairman of the zoning committee of the Greater Woodbury Citizens Association, read a letter which stated in part: "Local government's right to zone must be upheld. This issue is of such major significance that we insist

that the Board retain the services of the most qualified, experienced and capable legal counsel available."

Supervisor Burke later announced that the Town would seek a specialist in legal matters such as are involved in the NAACP suit to affirm that the Town has the right to control its own zoning regulations without pressure from outside agencies.

The appearance that the NAACP was not quite aware of actual conditions in the Town of Oyster Bay was behind comments heard in regard to the suit at Town Hall. Most of the comments were not for publication, in view of the Town's position as defendant in the suit.

Councilman Lewis J. Yevoli issued a statement, pointing out that about 75 per cent of Oyster Bay Town residents live on comparatively small parcels of land. Many families have two adults working to make ends meet, and, in many cases, are suffering under the high rate of unemployment on Long Island today.

Anomalies

In the report detailing what the NAACP would like done with vacant land in the town of Oyster Bay issued by the negro rights association last year, several anomalies were pointed out in regard to taxation benefits of such disposition based on actual rather than assessed value of properties.

Gutter Ball Gossip

By Herb Mahler

Above the deafening noise of the pounding typewriters in the newsroom, the Editor was heard calling CUB Reporter "SCOOP WILSON". Investigate the reports of murder and robbery at Syosset Lanes. Rushing out to the scene of the alleged crime, our hero was taken aback as he entered the well-lit building, confronting 90 suspicious characters, any of whom could be the guilty parties.

"I've been robbed," said this group leader Irv Simes. Although his team beat the opposition, Brody's 8-3 to go into first place by 2 points. Mr. Brody grabbed Mr. Simes' ball and took off. He sent his aide, Jerry Leight, who rapped a 233 after him but alas he was gone. Mr. Brody left his 9 pound ball behind.

In the next alley, a torn and mutilated group led by Mill Hoffman filed a murder charge against Sid Sachs' gang as they were leveled 11-0, dropping them to second place 2 points behind. Wild Bill Kellerman put up a struggle with a 243 with no support from his bunch. The Sachs' climbed to third with the win, six points behind.

"In this place, you can't turn your back for a minute." This was the sad voice of Lou Vlodem as he bowled a 225 and 215 for a 448 series only to lose to the Sussmans, 8-3. Larry Goldenberg, the Sussmans new hatchet man, hit with a 203, Mike Hauptman a 206, and Irv Herzkowitz from Detroit, known as the "butcher", a 205. Murry's gang dropped to fourth, despite the heroics.

The Warren gang, running the West Side of town, slapped down the Simons who tried to muscle in 11-0. Our Sawbones, Alex Urbont, with a fine 236 and "Smiley" Diamond's 215 were the chief conviners. The height of frustration was "Lefty" Sid

whose 221 and 204 just bounced off our chests. The Warrens climbed to 5th.

"What do you have to do to win?" This was the agonizing voice of "Blinky" Buddy Flanders and "SILENT" Dave Kaye as they smashed doubles only to lose to the Shapiro's 7-4. Buddy's 236 and 215 for a beautiful 531 series and "putting" Dave Kaye's 211 and 206 were negated by Capt. Hy's 213. They'll have to get a paper route in another part of town.

In a rough and tumble clash, Hal "Jet Drill" Goldenberg's crew mowed down Robby Goldstein's "Raiders" 8-3. Capt. Robby's 215 was on the mark but Sam "The man" Springer's 201 in the last was good for the mop-up. In the battle for the South Side, the mob of "Mr. Goodness" Lewis Marks, leveled the Holtman bunch 7-4. Al Koenigsberg's sharp 203 for Mr. G. was a factor in the win with Murry Kowlowitz' 224 for Mr. Sid.

Last, but certainly not least, was a rumble between "Terrible Big Julie" Gershen and "Monkey Bar" Leo Geyer, with Big Julie's boys on top 8-3. With a 207 in the last, Big J. held off the oncoming Red Karbel's 210 and the defeated Leo's 223. I must get back as they are holding the presses for the last edition and my story. To me, the guilty parties are a few dentists, doctors, shrimp boat captains, a councilman, accountants, bar and grill tycoon, slum lord, and dozens of others. The police have arrived and are rounding them up now. I'll be covering the trial.

In a Captain's meeting, it was decided to hold the trophy night at Syosset Lanes on a night after the season is ended with the food and cocktail lounge donated by our extravagant proprietor.

See you at the Nevele!

Panel Helps Develop Coming School Budget

Thirty four Jericho residents, representing the district's PTAs, civic groups and individuals, have participated in the development of the 1971 - 72 school budget. Serving as members of the Budget Review Panel, these citizens joined the Board of Education in receiving a proposed budget for the coming school year from the Superintendent.

David Nydick, Superintendent, stated: "Budget preparation actually begins in October, when every staff member is involved in determining educational needs for the following year. This year's approach to the budget reflects our unusually deep consideration of both quality education and the financial situation. In preparing this budget, we have limited all non-negotiable items to a 7.6 percent cost of living increase. This includes mandated increases such as debt service." Mr. Nydick further summarized the design of the 1971-72 school budget: "Our goal is to present a budget which recognizes the economic problems, but which also permits continuance of our high quality services and programs so that Jericho will continue to move forward."

The preliminary budget would require a proposed tax rate of \$12.787 per \$100 of assessed valuation for 1971-72, as compared with the 1970-71 tax rate of \$10.329 per \$100 of assessed valuation. This increase of \$2.458 is the entire budget including an estimate for negotiations.

Meeting in public sessions since February 4, the Board and the Review Panel have reviewed all specific needs in the areas of Board of Education, Central Administration, Community Services, Transportation, Operation of Plant, Debt Service, Non-Instructional Staff, and Instruction. In addition, the Superintendent presented and described almost twenty proposals for new learning programs and educational improvements, most of which could be accomplished at no additional cost.

Prior to the adoption of a proposed budget, the Board, both individually and collectively, will review and revise the preliminary costs. The comments and suggestions made by the citizens on the Budget Review Panel will be carefully considered by the Board in its efforts to finalize a reasonable financial plan for Jericho's needs.

Birchwoods Greatest Social Fun Event Is Scheduled For May 8

Yep, you're a year older, taxes are higher, problems are bigger. There is just one thing which is better...it's your Birchwood Civic Association Annual Election Dinner Dance and Good Time Jamboree — the liveliest, most stupendously enjoyable event of the year!

Again, Jericho's largest ballroom, the Jericho Jewish Center, will be the place Saturday evening, May 8th, will be the date, at 8:45 P.M. There will be scrumptious hors

d'oeuvres (and an excellent dinner) for the nibblers; voting for your candidates for the quibblers; and that fantastic Marty Sloane and his Gang for the Dribblers. Oh Yes, Marty himself, no substitute...a large orchestra will again play and entertain. A sellout is just about as sure as the fact that you will have to be a member in good standing of the Civics to be able to come.

To the girls we say: "Let's see those hot pants." To the fellows

we recommend: "Bring a bottle for medicinal purposes." To all of you, oh well, you'll have a great time. Hardly any speeches, all fun, food and games. Send (or bring) your check or money order made out to the Birchwood Park at Jericho Civic Association, Inc. in the amount of \$15.00 per couple (cash is acceptable, if you so prefer) to: Lotte Stein, 182 Birchwood park Drive (OV 1-0337) or Arline Locker, 120 Hazelwood Drive (WE 8-7236).

For that reason no one really knows but the County Park has lost the three best softball teams in New York to the Town Park in Baldwin Harbor.

LETTERS TO THE EDITOR

Dear Editor:

I couldn't agree more with your Guest Editorial "J'Accuse!" of March 18. I left Hicksville in 1964 on a business assignment and returned in 1969. Upon my return I was shocked to see the condition of our once Active Broadway. What happened, did we suffer a bombing? a disaster of some magnitude? It looks as though someone ordered Broadway and many of it's stores destroyed to make a super highway leading to the Mid Island Plaza.

What happened to our small town Merchants, the Merchants who for years paid his taxes and supported this town? The Merchants, who for years serviced us well, knew our families and our problems? The Merchants who for generations sent his children who later continued to serve our needs when his father retired.

I'm a fourth generation Hicksville resident, and believe me I can remember when Hicksville was a beautiful place to live and raise our families. Not so today, today it is a dump, one of the worst eye sores on Long Island. We once had a beautiful Bank on Main and Heroz place. Now its a parking lot for wrecked cars. We once had many stores

where people especially older folks, could walk to.. They could purchase their daily needs, pick up the paper, meet and chat with their old friends and stop in for a soda. Hicksville was a Hub of activity - now it is a disaster Area.

When I was in High School in the early 40's all the politicians had one thought on their minds, they screamed and hollered bring Industry to town and lower our taxes. By hook or crook they brought Industry out here, along with the building boom after the war. Our once prosperous farms are now sprawling factories and houses by the hundreds. This called for more schools, more roads, more facilities, and higher and higher taxes; the like of which has never stopped rising. Who said Industry would lower our taxes? Our Town Fathers? Somebody sold us short. They destroyed our quaint little town that took our family and ancestors 324 years to build. Oh yes, in 1947 we celebrated our 300th anniversary. It seems since we celebrated this occasion our town has gone down hill (in the name of progress).

No one seems to know who to blame for our sorry plight. It just

happened that way, but someone must have given the orders to destroy Broadway. Who may I ask is the MTA to determine our destiny? I've asked for two years why did it happen, when will they rebuild our stores. No one has given me an answer yet.

We elect representatives to carry out our desires and plans for a better community, but once elected what happens?

Lets get a movement going to restore Broadway, Hicksville. We want our stores in town. We want a place to shop within a walking distance. Not all of us drive or have a car and taxes are expensive. Give us back Broadway where a mother can stroll with her baby and pick up a few necessities. Give us Broadway where the older citizens can walk down town and meet old timers and pass a few lonely hours. We need stores with a small park in between from Herzog Place to Old Country Road Hicksville is the only Long

Rev. Frederick J. Harter

Ecumenism On A Local Level

The pastor in my home parish died when I was a young boy. And the minister at the local Presbyterian Church came to the funeral Mass. These two things are linked in my mind, and I would guess that the presence of Pastor Rhew at the ceremony was as much a topic of discussion among us Catholics as was the death of Monsignor Wagner itself.

Have we come any further along the road to ecumenism in the forty years since then? It all depends, I think, on what criterion we use, and on the individuals we are comparing. Officially, the Catholic Church and the Protestant Churches and the Jewish communities have expressed themselves admirably on the subject. Theologians, administrators, teachers, religious leaders of all faiths are getting to know one another much better, and appreciate the work of the others. Among them the spirit of triumphalism has been laid to rest: they are not out to convert the other, but to allow themselves to be led by the grace of God and the power of truth.

But what about us, at the grass roots level? Are we keeping pace with our leaders? It seems to me

Rev. Frederick J. Harter

that here is where the challenge to us lies. If the ecumenical spirit does not pervade every level of every church, it is not going to succeed.

History supplies us with an example of an aborted attempt to achieve unity, in the Council of Florence, which was held five hundred years ago. The issue to be resolved was the schism that existed between the Eastern (Orthodox) and Western (Catholic) parts of the Christian Church. Common declarations of belief were issued by the Council, and the break was declared to be healed. But underneath, the division remained. The average person on either side was

unreconciled. So much so that when in 1453 the Turks made their final assault upon the Eastern capital of Constantinople, it is said that many Orthodox preferred the Moslems to their fellow - Christians.

Here in Hicksville, many of the priests and ministers are joined with one another in the Hicksville - Plainview Ecumenical Council. Many of our congregations are working together in such community projects as FISH, HAD, or the Vacation Bible School. But we are far from doing as much as we can, or as much as needs doing. By and large, the average member of our congregations has remained untouched by the winds of ecumenism that have been blowing these past ten years or so. He knows something is happening around him, things are not the same as they used to be. But it hasn't yet dawned on him that it should be part of the action. And as someone wisely remarked, if you aren't part of the action, you could be part of the problem.

We have a good base to build upon, in the declarations of our religious leaders, in the close ties of friendship that have developed among the clergymen of Hicksville, in the good neighborliness that characterizes our community. We are not strangers to one another, but neighbors and friends.

Cub Scout Pack 591- Blue and Gold Breakfast

On Sunday March 7th, the Cub Scouts of Pack 591, of the Hicksville Jewish Center, had their 2nd Annual Blue and Gold Breakfast. Outside it was a dreary, rainy morning, but inside all the faces were aglow with anticipation and joy. Fathers and sons alike shone with pride as they displayed their genius kits, which were a culmination of many hours of Father and Son creativity.

Over 90 people, including Rabbi Joseph Grossman, Hap Levy, President of the Hicksville Jewish Center's Men's Club, Marty Solomon, President of the Congregation, Manny Greenblatt, Scoutmaster of Troop 591, and Sam Mandelbaum, Chairman of Troop 591, and their sons, and Bill Ennis and George Bands the Cubmaster and Chairman of Pack 158 of Hicksville and their sons, were on hand to see our boys from Dens 1, 2, 3, and the Weblo Den receive their awards, arrows, and badges.

The high point of the award ceremonies came when two of our original Cub Scouts were advanced to the Boy Scout Troop. Weblo leaders, Mike Fisher and Art Green led the Weblos into the final salute, as Steven Wile and Michael Teplin left their ranks. In a very impressive ceremony,

Hazards

The odor is strange, it doesn't belong in the house. WHAT IS IT? Lying half awake now. WHAT IS IT? It's smoke, and the house is on fire. Where are the children? Can we get to them? Can we get out? Where is the fire?

In 1970 there were over 15,000 fires in family dwellings in Nassau County. 12,000 or more people die each year in this country from fires, most of them in their own homes.

Firemen can put out your fires but you can prevent disaster through good planning, good housekeeping and safe habits.

Your schools and hospitals require fire drills. Shouldn't you

do as much at home? Start now. Plan now. Train your family how to get out of the house in case of fire, then practice that plan to be certain that everyone remembers his or her emergency route.

Start now. Clean up and get rid of that rubbish, remove flammable liquids, check electric appliances. Make fire safety a foremost thought in your mind and remember what we said before: Firemen can put out your fires, only you can prevent them.

The Plainview Fire Department in future articles will follow-up with material pertaining to "Exit Drills in the Home," "Home Fire Inspection," and "Your Fire Safe Home."

"Costume Call"

Springtime means a robin outside your window, blossoms, sunshine and the perennial spring cleaning. Time to look through the old trunk in the attic or storage closet. Do you really need it, or is it just collecting dust. Chances are if you can't use it, the Town of Oyster Bay Teen Repertory Theatre can.

The Teen Repertory Theatre is anxious to expand its costume wardrobe. If you have costumes, gowns, formals in good condition, they are interested. You can send donations to the Cultural and Performing Arts Division, Department of Recreation, 7800 Jericho Turnpike, Woodbury, or call Mrs. Marilyn Rosen at 921-5944.

Scoutmaster Greenblatt and Chairman Mandelbaum, along with a platoon of Boy Scouts swore Michael and Steven and their fathers into the Troop. Cubmaster Dave Auerbach then presented the two new Boy Scouts with knapsacks as a parting gift.

After being entertained by each of the Dens, we all witnessed the presentations of various plaques, and presents which were given to Cubmaster Dave Auerbach, Chairman Lee Teplin, Assistant Cubmaster Bob Jackson, Weblo leaders, Mike Fisher and Art Green, and last but by no means least, the backbones of any Pack—the Den Mothers; Carol Teplin, Phyllis Cohen and June Keplinger. Special thanks to Gaby Miller for her many hours of planning, shopping etc. to make our day just great.

SPORTS

(Continued from page 5)

This cuts the heart out of softball in this era and gives the distant south shore three major attractions.

If the fans are saddened think of the restaurants and after game haunts in the Hicksville vicinity. Over a four month period the teams and their fans spent an estimated \$25,000 annually in retrenching after the games.

Quietly and hopefully they are looking to the Junior Varsity baseball team at Hicksville high. The team is comprised of boys who may have the spark and drive to life Hicksville out of the dreadful mire it has been in this year.

Coach Bob Hilsky has used his skillful eye to screen the more than 100 candidates and has selected the following team.

In the pitching ranks are Richard Kevass, Robert Mackey, Bill Gucker, Bill Gluckert, Paul Parsons and John Portschy.

An infield of unique promise has Tom Bergen, Rick Doolittle, Julio Gidelamadrid, Paul Huckestein, Don Koph, Joe McHale and Glen Wolfson as prospective varsity players next season.

Patrolling the outfield will be Carmine Costellano, Robert DeVito, Larry Haas, John Hupfer and John Vrona.

Jim Deschent and Tom Desimone will share the catching assignments.

Donald Rowan has the responsible task of manager of the team.

The Saturday morning date (10:00 a.m.) with Jericho on the Hicksville baseball diamond looks to be the best offering on the schedule.

The league diamond schedule opens Tuesday and Wednesday with games against MacArthur. Tuesday is away and Wednesday is at home.

After being routed 8-5 by Seaford and 14-0 by East Meadow the Varsity Lacrosse team plays in the Bethpage Tournay today (Friday) and has a non-leaguer with JFK Plainview next Thursday.

A game that will spin off a lot of interest will be today's (Friday) meeting of the Hicksville Junior Varsity Lacrosse team and Holy Trinity at Hicksville. 4:00 p.m.

The JV baseball team is at home today against Levittown Division (Friday).

"Hicksville Oldest Active Fireman"

The officers and men of the Hicksville Fire Dept. wish to congratulate Henry Gebhardt ex-chief of Ladder Co. No. 1 on the completion of his 60th year as an active fireman. Henry, who just turned 80 late last year, is still active in many firemanic functions. Henry's unselfish devotion to duty and his leadership has been an inspiration to us all. The next regular department meeting on April 12 will be held in honor of him. Best wishes Henry. The members of the Department, wish a speedy recovery to Mrs. Louis Mertz wife of 1st Ast. Chief Lou Mertz. Get well Quick - The Henniker trip is coming up!

Aerosol Spray Can Hazard

A recent warning from the burn control center at the Nassau County Medical Center in East Meadow has prompted Hicksville Chief Mel Voorhies to echo that warning. In recent months the accident rate of people injured as a result of the contents from Aerosol spray cans igniting has been alarming. The propellant in most of the Hair Sprays as well as other aerosol products consists of Propane Gas or something similar. The gas, which is used to force out the finished product is highly flammable. Although the fine print on the cans, often overlooked, instructs the user to keep spray from an open flame, any source of heat could ignite the spray if conditions are right. Recently, a woman suffered 3rd degree burns over her head and face, when the hair spray she was using was ignited by the heat from the Bathroom light Bulb. Please use caution when using and store in a cool place, do not puncture or burn the cans. Fire will not Recognize Poverty or wealth, Race, Color or Creed. Prevent Fires - Before they Start.

Field Trip For Civil Air Patrol

Five cadets of Nassau Squadron No. 4, Civil Air Patrol, from the Hicksville-Bethpage area, James Knight, 76 Vincent Road, Paul Wohrab, 81 Moeller Street, both Hicksville, David Coles, 3592 Martha Blvd., James McLean, 3598 Martha Blvd., and Paul Moongelli, 3610 Martha Blvd., all Bethpage, recently went on a field trip to the FAA Radar Air Traffic Control Center at MacArthur Airport, which controls in-flight traffic as far west as Cleveland. Most of these cadets went with Capt. Nitch, who drove one of the three cars transporting cadets to this facility. Nassau Squadron No. 4 meets every Tuesday, 7:30 PM, at the J.F. Sparke School, Levittown. Visitors are welcome, especially on nights films are being presented.

A Letter To The Editor

(Continued from page 5)

Island town that never had a park or square within the town. Sure we have parks on the outskirts of town, but young mothers or Seniors Citizens can't walk that far. Give us back our town and our local Merchants. Stop listening to the Politicians and their Master Plans. They have only destroyed our town.

Wouldn't it be possible for the local residents to vote in November for the kind of town they want? Don't we have any say in the manner in which our tax money is spent? Can't we demand our town be rebuilt and cleaned up? Maybe through your local paper something can be done. I hope so.

A Fourth Generation Resident

Dear Editor:

On April 12, I will attend the Stockholder Meeting of the National Telefilm Associated, Inc. at the Hotel Lombardy III, 56th Street, N.Y.

On June 9 to 12, I will attend the National Council of Senior Citizens Convention in Washington D.C. as a delegate from the Nassau County Gold Card Senior Citizens Unit and member of the Committees on Social Security and Public Assistant now for five times.

On Sept. 18, I will attend the Steuben Day Parade in New York City with the General Louis Blenker Unit 125, New Rochelle, in which I am a member.

On October 28, I will display the picture of my home in Hicksville for Pioneer Day. Telephone Pioneers of America of which I am a member in the Bronx and Westchester Pioneers.

I am a member of the National Council of Senior Citizens Organizing Committee for Nassau County.

Alfred M. Kunze

To the Editor:

The residents of Old Bethpage have been choking for years because of the nearby town incinerator. Every day the "mountain" of garbage and the dirty air become more and more unbearable.

Thank goodness, relief now seems on the way. Assemblyman Martin Ginsburg has kept his campaign pledge to help correct this problem. Letters and personal contacts have not moved the town in the direction of cleaning up the air and the incinerator grounds. It is for this reason, I'm sure, that Assem-

blyman Ginsburg demanded on radio that the State investigate the Town of Oyster Bay incinerator. And already 100 town workers have been working feverishly to "clean up" the mess.

It is a shame that our own local government refused to hear our cries for help. But as long as we have Assemblyman Ginsburg to speak up for us maybe there is still hope.

Yours truly,

We can help you out.

On April 15th, if you owe Uncle Sam more money than you have, you have yourself a problem.

We can't cure it. But we can offer you a few ways to get Uncle Sam off your back.

For example, if you have Chemical's Privilege Checking, you can write a check on your cash reserve.

Or if you have a Chemical Bank Master Charge card, you can get a cash advance at any of our offices.

Or, you can let us write you a Chem Loan for your income tax.

We make it as painless as possible.

Just come into any Chemical Bank. Tell us how much you need. And chances are you can have your money within minutes.

We'll make it as easy as we can for you to pay us back. And even though you have to pay us interest, there is one consolation.

You can deduct this year's interest from next year's income tax.

CHEMICAL BANK

We do more for your money.
