Kiwanis Clean-up Drive Week

Mr. Robert Stackler, president of Hicksville Kiwanis, requests the cooperation of Hicksville residents in this state-wide campaign to tidy up our villages. He asks that during the week home owners beautify the property around their homes. On Saturday, April 24th, cooperating organizations will remove the debris from littered areas in

Hicksville. The Town Sanitation department will have men and facilities on hand to cart the material away.

Mr. Stackler urges any group interested in participating in the project to call Dr. Walter Dunbar, WE 1-0228, or Dr. Lawrence Goodman, OV 1-1510, to be assigned an area.

BILL O'DONNELL: announced that he be a candidate for reelection to the Hicksville Board of Education. He has been a Hicksville resident - Since 1953 and has 5 children.

An active Community Worker in Boy Scouts, Girl Scouts, C.Y.O., Little League, Budget Information Committees and an Active Member of P.T.A. for 18 years.

PRIZE ADULT ED. PHOTOS SELECTED: Mr. William Spettman, a member of the Hicksville Citizen's Advisory Council, offered \$25.00 in prizes for the best photos of Adult Education. The contest, open to all interested amateur photographers in the beginning of February, drew to a close March 24th with seventeen excellent photos having been submitted for consideration.

Mr. Pierre Charbonnet, professional local photographer, Mrs. Audrey Moia, Advisory Council member and Mr. John E. Thorsen also of the council, along with Mr. John Ash, Director of the Adult Ed. program, all served

as judges. After careful scrutiny, and evaluation by points in four categories for each entry, the judges narrowed the field to three pictures and announced the winners.

RICHARD JENNETT and MARK SHIKOWITZ, both Hicksville Senior High School juniors, were the successful competitors. They are seen here with Mr. Spettman and Mr. Ash, being congratulated and receiving their prize money.

Mrs. Sheila Noeth, Editor of the Mid-Island Herald, and Mrs. Claire Levandov, Public Information Assistant for the Hicksville School District were

both present at the judging and were both impressed with the quality and variety of the pictures entered.

All of the pictures will be displayed as part of an Adult Education exhibit in the Hicksville Public Library.

Left to right: Andrew Churak, honorable mention, Mr. John M. Ash, Director, Adult Education Continuing Education, Richard Jennett, first place winner, Mr. William Spettman, Adult Education Advisory Council Member who generously donated the prizes, and Mark Shikowitz, second place winner.

Tobay Advisory Board On Planning To Meet In Hicksville and Jericho

The Town of Oyster Bay Planning Advisory Board and representatives of the firm of Raymond, Parish & Pine, professional planning consultants

hired by the Town Board to assist in development of a master plan, will meet with civic and community leaders of Hicksville and Jericho in the next two

weeks. Dr. Lawrence Ravich, Chairman of the Advisory Board, said the Hicksville meeting, which was rescheduled from

April 8 to Tuesday, April 13, will be conducted at the Hicksville Library, 169 Jerusalem Avenue, at 8 PM. The Jericho meeting will be held at Jericho High School, Cedar Swamp Road, on Tuesday, April 20 at 8 PM.

Invitations have been sent to leaders of various community organizations requesting their presence to help the Advisory Board by making known their ideas on the direction which they feel their respective community should take. Dr. Ravich added that the Advisory Board would be pleased to include any responsible organization on its mailing list and asked that such a group contact Town Supervisor John W. Burke's office (WA 2-5800) for inclusion in future mailings.

Ravich stressed that these meetings, which will include a presentation of maps and an inventory of the area, were being held to develop input from the citizens. "Public hearings will be held throughout the Town at a later date," Ravich said.

The JEANNIE McKENNA Heart Fund, started by Mr. and Mrs. Philip Sym (Left), Hicksville are seen turning in checks totalling \$1300 to Sr. Ann Foster, F.M.M., Administrator,

St. Francis Hospital, Roslyn, New York. Looking on, the parents of Jeannie McKenna, Mr. and Mrs. John McKenna, Hicksville.

HERALD REPORT SCHOOL DISTRICT 17 HICKSVILLE

By Shirley Smith

There is no truth to charges of stealing in district cafeterias. Upon investigation of these allegations the School Board and Administration learned the information pertained to a neighboring school district.

The School Board announced registration and budget hearing dates. Residents will have two days in which to register: Wednesday, May 19 from 12 to 8 p.m. and Saturday, May 29 from 10 a.m. to 5 p.m. Registration will be held in the Administration Building on Division Avenue. The date for the public budget hearing will be Tuesday, May 25-time and place not yet determined.

A request by St. Ignatius School for a loan of audio visual material was denied. Trustees Clark and Muratore voted for approval; McManus, O'Donnell, Zindulka and Kershen voted against. The Board wants to check into the legality of sharing equipment with a non-public school before approving such a request. The district attorney will report to the Board on this matter.

CORRESPONDENCE

The Board of Education received a number of letters in support of HAD and its request for use of school facilities and district cooperation with HAD's programs for drug education.

Also received were letters in support of Opportunity High School, many from students now in the program. They thanked the Board for making it possible for them to continue their education and requested that Opportunity High School be offered next year.

There was a letter requesting reinstatement of the district recreation program in the 1971-72 budget.

No action was taken on these three items at Tuesday's meeting. They will be handled at a later date, the latter during budget discussions.

A letter from L.I.F.E. offering volunteers to monitor school buses for smoking violations will

be investigated further by the Board. Superintendent Abt said the district's insurance would cover this and he was willing to accept the offer. Dr. Fred Hill added that similar groups have been effective in other areas. He will meet with the volunteers and report to the School Board.

Administration will provide Board members with a list comparing equipment in Project PLAN classrooms with that in traditional classes. Trustees Clark and Zindulka for some basis of cost comparison so they could ascertain expenses incurred by PLAN.

The Board of Education unanimously approved a study of long-range planning for the Hicksville School District. The study will be conducted by Hofstra University, at a cost not to exceed \$12,000.

The Board approved the contract for School Board attorney for 1971-72.

Approval was also given to apply for Title I federal funds for a summer program for 6th, 7th and 8th graders. This district program was federally funded last year and will be offered again if federal funds are provided.

District Insurance was again placed with Seaman-Eiseman, following bidding procedures. The twelve bid invitations sent out brought only two replies, even though Administration encouraged additional bids.

The School Board gave approval to the Hicksville Lions Club to use the High school for their presentation of "Star-Spangled Girl" in June.

Permission was given to St. Ignatius Cadet Corp. to use the High School football field in July for a drum and bugle competition.

The next public budget discussion will be April 13 at 8 P.M. in the Administration Building.

"Fun Night"

"Fun Night" is the program scheduled for the Central Island Women's Republican Club at their monthly meeting at the Old Country Manor, on Old Country Rd. on Thursday, April 15, at 8:30 P. M.

"Bring A Friend. New Members are always Welcome," suggested a spokesman for this active club.

Greeley Choir Here

Once again the John F. Kennedy High School Choir of Plainview has presented the Horace Greeley High School Concert Choir and Chorus in its most recent performance. March 30th, was well spent by visitors who saw and heard the 200 voice Greeley Choir from Chappaqua, New York.

While the Kennedy group is composed of selected students, the Greeley Choir is made up of interested volunteers. The result of such a volunteer atmosphere is one of natural music appreciation. In the Greeley group, the love for singing is stressed which was plainly evident at this concert. Although it was difficult for the Kennedy stage to accommodate the entire Greeley group, this technical obstacle was more than compensated for by the Choir's wonderful renditions of, "Oh Lawd, I'm on My Way," by Gershwin, and Hassler's "Oh Sing Unto the Lord." Also under the direction of Mr. Ronald Dunn and accompanied by Mrs. Virgil Day was the Greeley Concert Choir who sang, "Lamb of God," by Gabrieli and "Oh, Let Me Look On Thee," by di Lasso. Both the Greeley Chorus and the Concert Choir then heard the Kennedy Choir perform two new selections which were, "Sing Unto God," and "Motel," by Brahms.

Finally the two Greeley groups and the Kennedy Choir combined to sing, "Hallelujah, Amen" by Handel, to end their yearly exchange program for 1971. The Kennedy Choir is under the direction of Mr. Ronald H. Cohen.

Kindergarten Registration

Kindergarten registration will be held in the primary schools of Central School District No. 4 to April 28th. To insure that every child begins school in sound physical health, every Kindergarten is required to have a physical exam. The Plainview - Old Bethpage School District advises having this done prior to Kindergarten registration.

The following is the schedule for the individual primary schools:

Fern Place	March 29 - April 8
Jamaica Avenue	April 5 - April 28
Old Bethpage	April 1 - April 23
Parkway	April 5 - April 27

On The Campus

Miss Judy Lilienthal of 18 Belfry Lane, HICKSVILLE, a senior at State University College at Fredonia, played her graduation recital on Sunday, March 28. Miss Lilienthal, a music major at Fredonia and a former student of BHS, Class of '67, played the Clarinet Sonata No. 1 in F Minor, Opus 120 by Johannes Brahms. Mr. and Mrs. Lea Lilienthal, her parents, attended the recital.

DEAR FRIENDS:

IT WAS OUR PLEASURE, last week, to participate in the Career Conference Night, put on jointly by the Hicksville High School PTA and B'nai B'rith. Each career category spoke with two "classes". The journalism students, who represented seniors, juniors and sophomores, were both interested and interesting.

YOU REALLY MISSED AN MOST INFORMATIVE HCC (Hicksville Community Council) meeting, on April 1st. It was well attended by representatives of over 30 local organizations, plus many interested Hicksvillians, who had many pertinent questions to ask, on the matters of local zoning and planning. Our Councilman Warren Doolittle was also present and we must thank him for answering so many of these questions. Thanks also to Messrs. Joseph Catalano and Emil Immesberger, Jr. who made a presentation on how planning may affect Hicksville. There is an important meeting set up for April 13th at the Library (one which was scheduled for April 8th had to be postponed)...and another also in the near future. So come on down to these meetings and make your wishes known. Certainly everyone's opinions are valued, before conclusions are reached.

We extend best wishes for a speedy recovery to Hicksville's Herbie Johnsen of Myers Avenue.

IF YOU PLAN TO RUN FOR THE BOARD OF EDUCATION, may we remind you to send in your resume and picture. We'd be more than glad to see that this information runs before the local voting date.

WE'D LIKE TO REMIND ALL OF YOU that LETTERS TO THE EDITOR are open to anyone interested enough to write us. Letters must be signed, even though we will omit your name if you request us to do so. Also, we'd like to remind all of you that the opinions in LETTERS TO THE EDITOR, are, of course, those of the writer and not necessarily those of the HERALD.

A HAPPY EASTER OR PASSOVER, whichever the case may be. And we wish to everyone, greater spiritual strength so that their religions may become not only a creed, but a way of life. Love,

Sheila H. Noeth

Exit Drills in the Home

Somebody's home catches fire in this country every 57 seconds of the day and night, which adds up to over 1500 residential outbreaks a day.

Every family should practice a pre-planned emergency escape from the home. The Plainview Fire Department offers the following information from your Nassau County Fire Marshal: Have a family conference and study these escape rules:

1. Keep calm-do not panic.
2. If you smell smoke, arouse the family.
3. Call the fire department, if possible.
4. Close doors against smoke and heat. If the door is closed, test it

by feeling the top of the door. If the door is hot, seek another way of escape. DO NOT OPEN THE DOOR.

5. If the room is filled with smoke, keep down close to the floor where you can breathe better.
6. Remember that a porch roof can provide temporary safety.
7. NEVER re-enter a burning building.
8. Plan now where the family will assemble after evacuating the home.

9. Notify the fireman when everybody is safe.

Plan escape routes from each room in your home, particularly the bedrooms. The following questions will help you plan.

1. Are there two ways to escape

The Costs Of Vandalism

By Dr. F. Hill, Dist. 17 Asst. Supt.

In its efforts to decrease operating costs and to improve the learning environment for children, the Hicksville Public School System desires to enlist the cooperation of students, young people, parents, taxpayers and community organizations in developing an understanding of the problems and costs related to vandalism in the public schools.

In recent years, public buildings of all kinds throughout the country have been made the target of malcontents, crackpots, and just plain sloppy citizens of all age groups, who commit many thoughtless acts having serious economic consequences. Thus, litter on a school lawn or along a public highway not only reflects on the ecological environment and on the citizenship attitudes of residents, but also costs taxpayers thousands of dollars each year for its removal.

Trying to determine the actual over-all costs of vandalism in schools is extremely difficult, but there are many particular cost aspects of the problem which can be identified. For example, in the period July 1, 1970 to March 1, 1971, our local school system required the installation of approximately 1,100 panes of glass, which cost almost \$4,000 for the glass itself, and an average of about one hour of labor for each pane replacement. Thus, the price tag for this one item alone is approximately \$10,000 per year. Some other common kinds of vandalism are as follows:

Each year about twenty light fixtures are ripped from the ceilings at a cost of \$10 - \$50 each for replacement labor and parts. It takes two men, plus materials, at a cost of about \$15,000 a year to constantly repaint defaced walls, partitions in toilet rooms, and other internal areas.

It takes one plumber, full time, to keep repairing and replacing urinals which are pulled from walls, toilet stalls which are cracked and broken, sinks which are destroyed, and plumbing which is ripped apart. About 75 bathroom stools are plugged up, with extensive water damage. Many other cause no extensive damage, but require added custodial time to unplug them. All of this plumbing repair work can run to a cost of about \$10,000 a year.

Thus far this year, it has been necessary to replace 47 thermostats which have been destroyed in corridors, and the yearly cost for such repairs in corridors and elsewhere runs in excess of \$5,000.

This year, as a result of accumulated damage, smashed lockers and locker hardware must be replaced in the Senior High School at a cost of about \$4,000 and at a cost of about \$1,000 in the Junior High. Vandalism of this nature frequently occurs during evening use of facilities. Door closers are constantly being ripped off, and this year five exterior door sets have had to be replaced at a cost of over \$500 per set. The repair cost due to dismantling of door closers, the removal of hinge pins, and the destruction of locks runs close to \$1,000 or more per year.

Defacing of exterior brick walls and masonry involves repairs requiring about the half time labor of one man, at a clean-up cost of approximately \$3,000. Another \$3,000 is required for the replacement of destroyed venetian blinds and shades. Smashed exterior lights and wiring required the replacement of 40 cases of 12 bulbs each, this past year, and the aggregate cost for such repair work is close to

\$5,000. In recent years, so many univert controls have been destroyed that it was decided to weld all univert cabinets shut. The cost of replacing ceiling tile which has been punched out is hard to isolate, but it could run very close to \$1,000 per year.

Vandalism to desk tops and premature replacement of destroyed furniture still having useful life, could be estimated at around \$5,000 to \$8,000 per year. The stealing of knobs and switches and the malicious destruction of electronic audio-visual equipment, typewriters, duplicating machines, etc., costs in excess of \$2,500 per year.

In addition to these direct costs of vandalism, parents, citizens and taxpayers definitely spend additional monies for several sorts of preventive activities designed to keep down these wasteful charges. For example, a monitoring around-the-clock electronic sound detection system has been installed to monitor certain vital areas in every building, and manning this equipment costs approximately \$10,000 per year. To cut down damage losses, electric lighting is maintained all night in certain high surveillance areas, and the additional energy for electric power consumed amounts to about 10 percent of our total light bill, or a cost of about \$10,000. The use of two full-time grounds-men for glass and can pick up on playgrounds, and repair to playground equipment costs approximately \$12,000. This may seem like small cost compared to possible injury to small children. Unfortunately, much of the bottles and litter get on the grounds through the thoughtless acts of adults, and NOT of children. Additional hundreds of hours are required to be spent by custodians to remove dog litter from school yards. Despite the obvious danger to children's health, many thoughtless persons walk their dogs on school grounds every day. The cumulative consequences of all these thoughtless acts is very grave. Just as "good schools make good communities," so too do poorly maintained and damaged public buildings adversely affect property values, and a community's attitude about itself.

These are the types of costs which may be directly ascertained. No one really has any way of estimating the lost time involved when routine maintenance is disrupted in order that

vandalism effects may be remedied. No one really knows how much insurance cost could be saved if vandalism was less. No one has any reasonable way of estimating the amount of administrative and employee time involved in attempting to track down perpetrators of vandalism, and there is absolutely no way of estimating the lost time value which accrues to hundreds of pupils denied use of facilities which are destroyed. Obviously a child can't learn from a piece of equipment which has been stolen or made ineffective. Typing students cannot type on a typewriter which has been immobilized or removed, etc. The impact of this direct kind of poor citizenship behavior has ramifications throughout the lives of individuals. The unkempt, or poorly maintained, or partially destroyed piece of equipment has educational and good citizenship implications for many years, and has a marked impact on community pride and property values. Thus, it is impossible to put a real dollar tag on the ultimate costs of vandalism, but certainly it is a problem which demands the constant attention of every interested citizen.

Even though Hicksville spends large sums such as these, its taxpayers are fortunate that our school district record is much better than many surrounding communities. In some neighboring Long Island districts, insurance premiums have doubled and tripled, and some districts have been refused insurance coverage altogether. Recently, for example, Manhasset's insurance was cancelled, and Hempstead's insurance premiums jumped from about \$60,000 to over \$100,000. The increased cost of insurance premiums is, in large measure, a direct reflection of the insurance company's estimate of vandalism risks. Our loss ratio in Hicksville has been far more favorable than some. Nevertheless, so long as even one pane of glass or one piece of equipment is senselessly destroyed or damaged, its cost is a waste of taxpayers' money, and the expenditure of funds for replacement denies the use of such monies for improved opportunities for boys and girls.

In a recent action, the Board of Education legally resolved that it would seek restitution through

secondary school redesign for the future."

Jack Shuel, Guidance Chairman of Plainview-Old Bethpage High School and Coordinator of the Independent Study Program, expressed admiration for the exciting projects developed by the students and indicated that he felt this type of program should be expanded to provide opportunities for all students to participate in such programs.

The program is similar to one developed and in existence at Syosset High School for several years, under the direction of Mr. William Plunkett, Guidance Counselor. The initial idea for the

I.S.P. Program at Plainview-Old Bethpage High School came from two Social Studies faculty members at Plainview-Old Bethpage High School, Mrs. Eleanor Carlson and Miss Jeanne Pascal.

Seniors participating in the Independent Study Program at this time include: Bruce Baretz, Stuart Bender, Anne Bukberg, Mark Conditte, Rae Ellis, Richard Granofsky, Jeffrey Greenwald, Keyan Kaplan, Alan Kashdan, Barbara Nadel, Robert Rockefeller, Alan Rosenfeld, Emily Schuster, Peter Scotto, Hal Siegel, Jody Simon, Lori Valburn, Robert Weinberg and Michael Young.

Varsity Baseball

Dave Skowronski, former standout at Hicksville High, is playing varsity baseball for Coach Bill Livesey's Brown University squad. In the first division of the Eastern Intercollegiate Baseball League for the last two seasons, Brown could make a strong run at the championship this season.

A compactly built workhorse on the mound, "Little Moose" could move into a starting role in this, his sophomore, season. After a fine freshman season, the

5'8, 190 pounder, he will receive his varsity baptism on an early April Florida trip. An All-League selection in high school, he compiled an overall 13-2 record. Majoring in psychology, Dave is the son of Mr. and Mrs. Adam Skowronski of 147 Cottage Blvd., Hicksville.

New Arrival

Congratulations to Mr. and Mrs. Aurie McCabe of Woodbury Road, HICKSVILLE upon the birth of their daughter, Susanne Eliza, on March 12th at Mercy Hospital.

LETTERS TO THE EDITOR

Dear Mrs. Noeth:

Word reached me this week of the passing of William L. Carter of Tampa, Florida, who was principal of the old Jericho School and Cedar Swamp School when it was built.

Your late husband covered the dedication of that school for the HERALD. Winthrop Aldrich (then Chairman of the Board of Chase Bank) was guest speaker and I played some piano selections on the then new Steinway piano.

At that time there were very few teachers - about 8 or 10. I came in on Music one day a week later 3 days.

Thought you might want to insert a small paragraph for the people still in the area who remember him with great warmth and affection. A finer man never crossed the threshold of Jericho School. We all loved him as a great humanitarian and superb principal.

With warm personal regards,
Alice Wells
(Mrs. LeRoy S. Wells)

Dear Editor:

A serious omission in the culture of the American children has been the withdrawal of religion from our public schools. Taught is the ancient history of many nations, so why has the history of Israel, the Bible, no place in American schools?

Our forefathers had suffered from religious persecution in countries that tried to restrict their specific beliefs. However, our forefathers realized that religion is a vital part of education. That is why Bible readings, prayers, and many other expressions of honoring our Creator, was allowed and encouraged. Even as a good parent divides his fortune equally

among his children, likewise, a good democratic nation does not show favoritism towards one religion but aids all. Ignorance is certainly not religious liberty. Of all the history that every child should learn about in our public schools, the Bible should come first.

According to the recent magazine articles, several schools in various states have adopted the study of religious literature. I hope more schools

will follow. But I feel that religious worship is the best "medicine" that we can give our children.

I hope that religious verses, perhaps dedicated to someone, be placed in our children's yearbooks. Perhaps Psalms of David, for are not the Psalms loved by all religious people? Unfortunately, since religious worship is denied in our public

Marine Midland presents the 30-second loan.

With our Custom Credit you can write yourself a loan by writing out a check.

It's that simple.

When you add Marine Midland's Custom Credit option to your checking account, your checkbook becomes an instant loan book.

We set up a personal line of credit for you (anywhere up to \$5,000). To borrow on this amount, simply write a check for more than your balance, and we'll turn the overdraft into an instant loan.

There's another nice feature to our

Custom Credit Account: your face on the Master Charge-Check Guarantee Card that comes along with it. You can use this card to charge goods and services or to get fast cash advances at any Master Charge bank. And you can use the reverse side to guarantee your checks up to \$100. Head Start Program At St. Stephen's

By Joan Amundsen

There was a need in the community and St. Stephen's Lutheran Church in Hicksville was there to offer its facilities. So on April 12th, thirty-two children from economically disadvantaged families in the Hicksville-Levittown area will begin a full, five day week Head Start Program. It is the twelfth program in Nassau County but the very first in the town of Oyster Bay.

Mrs. Sonia Turkin, director of the school, had been searching from last September to December looking for a suitable dwelling for the program. The building codes of Nassau County require a structure of fire resistant materials. The Levittown area has mostly frame dwellings. Ten years ago, St. Stephen's built a new educational

wing to accommodate the fast growing four hundred family congregation. The building is big, beautiful and empty during school hours.

"It was as if God had sent you to us," said Rev. Roland J. Perez to Mrs. Turkin's request for the building's use. A resolution had been put through the church council just the previous month to offer the church facilities for a program for the handicapped. In January, the Head Start Program was brought before the congregation and unanimously approved.

The program is offered to youngsters from three to five years of age who meet the poverty guidelines as set up by the Office of Economic Opportunity and is federally funded by the Department of Health,

Education, and Welfare. It is operated by the Nassau County Economic Opportunity Commission.

It offers a year round program whose components include Health, Nutrition, Education, Parent Involvement, and Social Services. It readies the child for an elementary school education, putting him on the same level as his more fortunate classmates.

Is there a need for this type of program in the area? Over seventy children are listed as waiting for September vacancies. A tremendous feeling of gratitude has been expressed by the parents in the program towards St. Stephen's Lutheran Church.

"Suffer the little children to come unto me, and forbid them not, for of such is the kingdom of God!"

Workshop For Parents

The Plainview-Old Bethpage C.S.D. No 4 will be offering a Workshop for Parents of elementary school children in the area of family living. This will be a three-session program and will include the consultant services of Mrs. Sadie Hofstein, Coordinator, Human Relations Center for Child Development and Parent Education. Mrs. Hofstein's program, "Sex Education...The Parents Role," will take place on Wednesday evening, April 21 at 8:15 p.m. at the Parkway School.

The second program, "The Way Humans Grow," will present Dr. Albert Beckmann, Adjunct Associate Professor of

Public Health Columbia University, Chief of Pediatrics Franklin General Hospital; Attending Pediatrician Meadowbrook Hospital; School Physician Lynbrook Public School District on Tuesday evening, April 27 at 8:15 p.m. at the Parkway School.

A third question and answer seminar: What is Being Taught? will take place with the Assistant Superintendent for Instruction, Mr. Leonard Kramer, and Dr. John Gawrys, Director of Pupil Personnel Services, who will be available to explain how the curriculum will be implemented in our schools.

This program will take place on Tuesday, May 4 at 8:15 p.m. at the Parkway School which is located on Manetto Hill Road, just before Northern State Parkway, in Plainview.

In the upper picture, the first group of 16 children began at the end of March. Each group is staffed by one teacher, one aide and volunteers.

In the lower picture, the

children are transported to the church by a 10 seat mini-bus. On arrival these 3 and 4 year olds are taught to walk tow by two, hand in hand, into their classrooms.

Obituaries

JOSEPH RIVELLINI, of Hicksville, on April 1, a resident for 15 years, after a serious illness for seven months. He was the husband of Esther, father of Rosemarie Tully and Josephine Battiloro, and also survived by seven grandchildren and one great-grandchild. Services were held at the Thomas F. Dalton Funeral Home, Hicksville Chapter, interment was at Holy Rood Cemetery.

JOHN HENRY CHRIST, 63, a resident of Hicksville since 1949 succumbed to a heart condition on Saturday, March 27th, 1971. He had been conducting a small printing business from his home under the name of Mid-Island Offset, following his retirement from Sperry in July 1969. He was an active "ham" (W21DL), an amateur radio operator; a member of NASTAR, Nassau College Amateur Satellite Tracking and a member of the Lake Success Radio Club. John, a dedicated Christian and an active member of Saint Stephen's Lutheran Church of Hicksville, served in several capacities. The printing of the church's monthly publication,

Newsletter, was a service of which he was justly proud.

The final preparations for a move to Albuquerque, New Mexico had been completed just two days prior to his death. Officiating at the funeral service at Saint Stephen's on Monday, March 29th were the Reverend Roland J. Perez and the Reverend Dr. Paul C. White.

He is survived by his wife, Ingrid (nee Berndt); his daughters, Dorothy Lagerroos, Jeanette Loken and Susan Brown; and his sister, Margaret Middleton.

CHARLES BRAUN, of Hicksville, on Sunday, March 28. Beloved husband of Mary, and devoted father of Lawrence, Christopher, Margaret Braun, Rosemary Ford. Dearest brother of Louis, May Braun, Marjorie Ludlam, and devoted grandfather of Brendan Charles Ford. Reposed at the Henry J. Stock Funeral Home, Hicksville, and mass at St. Ignatius Loyola Church. Braun had retired in December 1969 as an oiler and heavy construction equipment, and he was a parishioner of St.

Ignatius R.C. Church, a member of the Holy Name and Nocturnal Adoration Societies. He was also a member of the Knight of Columbus.

Interment was at the L.I. National Cemetery.

LOTT J. O'HALLORAN, of Hicksville, on Wednesday, March 24. He was the devoted husband of Helen (nee Curley), loving father of Eileen Holmes, Lott Michael Kevin and Brian. Dear brother of Mary Learned, and also survived by three grandchildren. Services were held at the Orlando Funeral Home, Oyster Bay, and mass of the Resurrection at Holy Family R.C. Church, Hicksville. Interment was at the Holy Rood Cemetery, in Westbury.

DALE CANNISTRA, of Levittown, on Wednesday, March 24. He was the beloved husband of Raffaella, dearest father of Robert, Frank and Guy Cannistra, and dear brother of Ted Marino. Services were held at the Thomas F. Dalton Funeral Home, Levittown, Mass of the Resurrection was at St. Bernard's R.C. Church, interment was at L.I. National Cemetery.

THOMAS P. MISKEL, of Hicksville, on Wednesday, March

24. (Longtime employee of Plain Lawn Cemetery, Hicksville) Devoted husband of the late Sophie, Reposed at the Henry J. Stock Funeral Home, Hicksville,

mass of the Resurrection at St. Ignatius Church, and interment was at Plain Lawn Cemetery, in Hicksville.

Pl-Old Beth. Rep. Comm. Announces Its Support

The Plainview-Old Bethpage Republican Committee this week announced its unanimous support for Dr. Charles R. Artale in his bid for the position of councilman in the Town of Oyster Bay. The post is vacant as a result of the appointment of Edmund A. Ocker as Nassau County Deputy Commissioner of Parks and Recreation.

Dr. Artale, a member of the Plainview-Old Bethpage

Republican Committee for a number of years, served as president of the Kiwanis Club, as a member of the American Legion, Veterans of Foreign Wars and the Holy Name Society, and served on numerous fundraising drives, including committee chairman of the Plainview Salvation Army Advisory Group. At the present time, he is serving as president of the Plainview-Old Bethpage Republican Club. Artale is a graduate of the

Palmer College of Chiropractic of Davenport, Iowa. He is actively seeking the support of other Republican committees in the Town of Oyster Bay in his bid for appointment to the vacant seat on the Town Board, and subsequent nomination to make the race for the office.

He resides at 23 Cynthia Drive, Plainview, with his wife and one daughter. Another daughter is married.

HICKSVILLE FIRE DEPT. News

Lt. Owen W. Magee

Fire Report March 21 thru April 3

Hicksville Firemen had a busy month. 13 false alarms were received bringing the total malicious false alarms to 50. There were 24 rescue calls answered. Total alarms received in March was 71.

An alarm for a house fire at 190 Tenth St. was received on March 24th at 2:47 a.m. Upon arrival, firemen found flames leaping from the front and side of the dwelling. The occupants escaped with minor injuries. Firemen also had to cope with burning over head electrical lines the full length of the street. One wire fell, but the situation was under control within minutes. The living room was gutted and the rest of the dwelling received heavy smoke damage. Firemen removed a cat and several small kittens from the inferno and successfully revived them. Chief Voorhies was chief in charge, 80 men and 9 pieces of apparatus responded.

The Hicksville Movie Theater

was hit with fire again when the popcorn machine in the lobby caught fire. There was no damage to the theater, but the machine was destroyed. Hicksville Firemen were called to assist the Farmingdale Fire Dept. on March 27th at 6:48 P.M. one pumper and a crew responded to cover for the Farmingdale Vamps while they battled a blaze in the Jr. High School there.

A barn fire at 205 Duffy Ave. on Sunday March 28th caused slight damage to the structure. The horses in the barn were led to safety.

If fire strikes - Do you know what to do?

1. Have an alternate means of escape.

2. Know how to call the Fire Dept.

3. Do not hang up the phone until your message has been acknowledged by the dispatcher.

Stand-By to direct firemen to the correct location.

Hearing on Office Bldg.

At its regular meeting on Tuesday, April 13th, the Town Board of Oyster Bay will hear the petition of Carnation Property Inc. for a change of zone from Residence D to Business G. District for a parcel on the northeast corner of Burke Ave. and Broadway, Jericho.

It is the intention of the petitioning firm, which is the fee owner of the property, to erect an office building on it. The zoning presently is partly business and partly Residence D, the latter, according to the petitioner, having been declared "un-constitutional" as the result of a lawsuit.

The property fronts 200 feet on Broadway. The president of Carnation Property is Myron Nelkin.

Town meetings start at 10:00 AM at Town Hall, Audrey Ave., Oyster Bay.

Story Hour

A story hour for 5½ to 8 year olds on Tuesday at 4 p.m. Preschool story hour for 3½ to 5 year olds on Wednesdays at 10:30 a.m.

Movies are shown every 2nd and 4th Saturday at 3 p.m.

Both cars were travelling east on Woodbury Rd., when they were in collision. Injured and taken to Central General Hospital was Tina Lanyan of No. Babylon, a bump on the head.

GUEST SPEAKER: Continuing in his efforts to make Oyster Bay Town a better place to live and work, Jericho businessman David Huschle helped the Hicksville Lions Club in funding their essay contest that will be open to Oyster Bay Township residents.

At a meeting at the Maine Maid Inn, Huschle made his contribution to Lion President Walter Allen after having been their guest speaker on why Long Island Businessmen must become involved in local government.

The contest, of from 2,000 to 10,000 words will deal with the Environmental and Ecological problems and solutions as related to our community. In sponsoring the contest, President Allen quoted from Oyster Bay Supervisor John Burke applauding the Hicksville club's interest in the Town and its environmental problems. The contest will be open to three strata of citizens; high school students, college students and those interested citizens who would like to enter. (Photo by Charbonnet)

Hicksville Library Column

The Hicksville Public Library is surpassing its past programming efforts on April 20 and 22. To celebrate National Library Week, we are showing two classic Chaplin films that are not seen anywhere other than at private Cinema Society showings or at Museums. On Tuesday, April 20 "Modern Times" will be shown and on Thursday, April 22 "The Great Dictator".

Through the efforts of Elery Bean, Hicksville Library Board President, Mrs. Nancy Zwerling of the Brentwood News has very graciously loaned the Hicksville Public Library these two rare film classics. All of Hicksville should be very honored that Mrs. Zwerling offered us the use of these precious masterpieces of cinema art. Mrs. Zwerling, we thank you.

The performances are at 8 p.m. and free tickets will be available on April 6 at the main desk of the library. The seating capacity is limited, so please pick up your tickets early if you want to see either of these films.

Saving is Safest. Save.

Miss Roslyn Goldmacher

Citizenship Award To H.H.S. Girl. Miss Roslyn Goldmacher, a senior in Hicksville High School has been awarded the \$50.00 prize presented by the Soroptimist Club of East Nassau to an outstanding student. Roslyn, active in many Hicksville organizations, winner of a N. Y. State Regents Scholarship, an editor of the H. S. yearbook, and candidate for entrance into New York University's Metropolitan Leadership Program has been notified that she is one of 50 semi-finalists in Newsday's annual Alicia Paterson Memorial scholarship program. She has been accepted in five universities and has not yet made her decision as to where she will attend school next year. Roslyn's family, school and community can certainly be proud of her outstanding achievements.

Dear Sheila,

Three years may seem like a long time, but I guess it depends on when you look at it, at the beginning or at the end. Well, my three years have flown by, and it's election time again.

I have given many hours of serious thought to what I could do for Hicksville in the next three years. Unfortunately I find that both personal and business pressures will not permit me to devote the time I feel is needed to best serve our community, so I must reluctantly tell you and all my other friends and supporters that I will not seek reelection for my seat on the School Board.

I wish to express my sincere thanks to all my friends for their kindness and understanding during these past years.

Yours truly,
John McManus

Gutter Ball Gossip

By Herb Mahler

The sun is beating down and I can't last much longer. I have been separated from my safari and my mind is starting to go. There's a clearing up ahead. Is my imagination playing tricks or do I see beautiful houses with green lawns surrounded by marble? The sign says "BIRCHWOOD PARK". The men are all dressed the same, with names on their shirts playing this game. I'll watch and get a cup of coffee. One of them speaks.

"Up and down like a yo-yo," that's the comment of Milt Hoffman as his team was "UP" with a 11-0 blast over the Rothmans, climbing to first place again. Bernie Roth was there with a 201 for Milt's Maulers.

In a fierce battle, the Simes salvaged the Last Game, but lost the series to the determined Sussmans 8-5. Capt. Fry with a fine double 201 and 222, backed up by Jerry Leight's 207, set the pace but Larry Goldenberg's 222 was overpowering. The Simes dropped to second by four points, with the Sussmans in third by six.

Getting up one spot to fourth the Warrens outfoxed the Goldenbergs 8-3. "Charlie the Flipper" Smith's 202 in the last was a big help but all Capt. Hal's 210 did for him was 3 points and my thirty cents.

In an incredible match, the Sad Sach's lost them all to two men of the Vladems. Although they couldn't take any points themselves, Gil Stein and Art Rosenthal beat Sid's Sad ones to drop them down to fifth place.

Mr. Warmth's aggregation the Brody's lost to the Holtzmans 7-4. Ed Peltzolt's 201 and Murry Kowolowitz' 201 led the attack with

Capt. Herb's 200 salvaging the only win.

Still in there screaming are Buddy's Boys as they trampled the Gevers 11-0. Buddy decided to take things into his own hands as he rolled a 212 and 222 for a 614 series. Leo's 224 was good, but as it turned out, not good enough.

The Simple Simons are on the march again as they edged the Gershen's 8-3.

Robby Goldstein who threw a lovely 225, backed up by Sam Briendel's 203, still lost to Mr. Goodness Lewis Marks 8-3. Phil Roggen exploded with a 207 and 216 with Lew's 212 right behind.

Speaking of Power, the Shapiro's romped over the Lang's 8-3 with two doubles. Bernie Kaplan's 213 and 221 and Apice's Art Meadows 205 and 201, with Capt. Hy's 213 for good measure. Dave Demhart's 219 was the savor of one game.

It's a miracle finding you after all this time; we've just about given you up for lost. Poor chap, he's suffering from hallucinations, keeps raving about some lost village in the middle of the jungle, where everyone loves each other and lives together in harmonious tranquility. Can there really be such a place? He's gone! Climbed out of the hospital window, vowing to return there before the fourth frame is over. I hope he makes it poor devil. If this place really exists and people are this way, then perhaps there is hope for the rest of us in this hectic war-torn world.

This column wishes to extend the most happiest of holidays to one and all with a wish for good health and peace.

See you at the Nevele!

Jericho FD Auxiliary

By Mark Saunders

It is at this time that the J. F. D. Aux. would like to extend its thanks to Mr. John Stahl a member of the Jericho Volunteer Fire Dept., who has given of time and personal knowledge in making the J. F. D. Aux. a reality. Mr. Stahl has attended all of the Aux. meetings as of this date and has familiarized each member with the internal and external workings of the Fire Dept.

I would also like to express my

thanks to a man without whose assistance the Aux. might never have come into being. This man is Joseph Grillo, Chief of the Jericho Volunteer Fire Dept. Chief Grillo spent many hours preparing the guidelines for a successful operation of an Auxiliary Fire Dept in Jericho.

Two other names I would like to mention: Mr. William Mansberger, and Mr. Bob Benowitz for their time spent in training the Auxiliary.

Syosset Youth Council Offers Emergency Counseling Service

By Art Rosenthal

Members of the Emergency Counseling Service, a committee of the Syosset Youth Council, are currently passing out cards reading "Have a problem? Want to Talk," dial 681-4500. This is part of the publicity program to inform teenagers, as well as the other members of the Syosset School District community, that a service is available to help solve their problems.

The Emergency Counseling Service is the brainchild of Walter Bresnan, Guidance Counselor at Syosset High School, and began operating this past February. It is composed of fifty volunteers, boys and girls, who devote time to manning telephones to answer queries and

help solve problems presented by their peers. There are also twelve adults presently involved in the program who comprise the "back-up list" to assist when an extremely difficult problem presents itself or when the caller expresses a preference to speak with an adult.

The E.C.S. was brought to our attention by one of its volunteer members, Steve Kaye of 62 Forsythia Lane, Jericho, son of Dave and Lila Kaye. In conversations with Steve and then with Mr. Bresnan, it was brought out that "girl-boy" relations heads the list of those requesting help, with problems about drugs, parents and school also getting a big play. During February, 45 calls came in; the same number is estimated for March. Many more are expected for this month and afterward.

When a teenager dials 681-4500 (the service is available 4-12 P.M. daily) his or her telephone number is taken by an answering service employee who relays the message to the E. C. S. member on duty that particular shift. The person seeking assistance is then called back and a sincere attempt

is made to iron out the particular problem.

On weekdays, there is either one or two members on duty each night, with a man and a woman of the "back-up list" also on tap. Weekends find two E. C. S. personnel on hand backed up by two adults.

The Emergency Counseling Service is now searching for a central location for its telephones which will eliminate the need for calls to go through an answering service and then its counselors.

The assistance provided by the E. C. S. is clearly pointed out on the reverse side of its card, as follows:

"Are you worried about something and don't know what to do or who to turn to?"

"Is there a problem you need help with?"

"Are you hung up with someone or something?"

"Do you just want to talk?"

If you need help, if you want to join the volunteers, or if you can provide information of a place which might fill the need for a central location for the Emergency Counseling Service, DIAL 681-4500.

Fire Flow Tests

The Board of Commissioners of the Jericho Water District wishes to inform the consumers of the Jericho Water District that fire flow tests will be conducted in the Jericho-Brookville area under the supervision of the New York Fire Insurance Rating Organization on Monday, Tuesday and Wednesday, April 12th, 13th, and 14th.

During this testing period our distribution system will be disrupted and this may cause discolored water which will, of course, be objectionable to you, the consumers. We therefore urge all consumers, especially the housewives, to adjust laundry schedules accordingly.

U.J.A. Breakfast To Honor Edward Forer

The Plainview-Bethpage Division of the United Jewish Appeal of Greater New York has selected one of our residents as Guest of Honor at a U.J.A. function.

A testimonial breakfast honoring Edward Forer of 78 Forsythia Lane, Jericho is scheduled for Sunday, May 2, 9:30 A.M. at the Plainview Jewish Center, 95 Floral Drive, Plainview.

All of Mr. Forer's friends and neighbors are invited to attend.

Hadassah Luncheon For Adle Lubitz

The Jericho Chapter of Hadassah has planned its yearly "Youth Aliyah Chai" Luncheon honoring a dedicated member of Hadassah and the community, Adele Lubitz, on Wednesday, April 21st. The time is 12 noon and the place is the Fox Hollow Inn, Woodbury. For information, please call WE 5-5871 or WE 8-9063.

Jericho Little League Still Seeking Pony Leaguers and Sponsors

The managers and coaches of the Jericho Little League are putting their young charges through practice sessions in preparation for opening day, April 24th. Meanwhile, back in the front office, league officials still have a few loose ends to nail down.

President Gene Singer and Pony League Representative Marv Gottlieb are trying to conclude arrangements to combine the Jericho Pony League with Hicksville's as neither league has enough players of its own to field sufficient teams. As of now, Jericho can staff two teams but Singer would like to get more boys registered and come up with at least three teams to go with Hicksville's three.

Applicants are requested to contact President Singer at WE 5-2438 if they are in the 13-14 year

old class and will not reach their 15th birthday until after August 31st.

Vice President Murray Rosenthal is still making the rounds in an attempt to get final sponsor commitments from business establishments in the area. Up to now, checks have been received from the following: Ernie's Barbershop, Long Island National Bank, Townsend Realty, Host Deli, Udell's Pharmacy, Bankers Trust Company, Flakowitz Bakery, Marine-Midland Trust Company and Texaco Circle Service Station.

Rosenthal revealed he has ten, possibly eleven, more firms that have indicated a good interest in sponsoring a team in the Jericho Little League this season. He has hopes of lining up all of them before opening day.

MAGIC FLUTES. Student musicians from three Syosset elementary schools follow the notes as district elementary music chairman Joseph Cascone rehearses them for the recent third annual district elementary band concert, presented by the

top 75 elementary musicians in the district. Featured in the flute section were Joann Kipnis, of Baylis School, Joan Hershey, of Robbins Lane School, and Leslie Klein, of South Grove Elementary School.

Local Resident Awarded Congressional Medal of Honor

The nation's highest award for valor was awarded recently to George Lang, a long time resident of Hicksville until his entry into the Army in 1968.

He was sent to Vietnam in August of 1968 and on February 22, 1969 he was seriously wounded. On that day, he alone destroyed three enemy bunkers during a reconnaissance maneuver that he lead. He destroyed one bunker and threw a grenade into another. After hitting the third bunker, Lang himself was downed and wounded by a grenade and rifle fire.

He was taken to a hospital in Japan where he spent a month and then was sent to the St. Albans Naval Hospital where he spent several months. Today George is confined to a wheelchair, paralyzed from the waist down. He drives a car with special controls and owns a television repair shop in Far Rockaway, Queens. Although a resident of Hicksville all of his life, he now resides in Levittown and has recently purchased a

George Lang

house here. He also attended school here until his joining the Army.

While in Vietnam, his name was given to the local Veterans of Foreign Wars Post 3211, Hicksville, in order to send him a monthly package. Later, he joined the post and recently they voted to award him a Life Membership.

In February of this year he was notified that he was being awarded the Congressional Medal of Honor by President Nixon. His trip to Washington, D.C. and the White House was an eventful one. The citation reads: "Although immobilized and in great pain he continued to direct his men until his evacuation was ordered over his protests."

NEWS from Your Congressman JAMES R. GROVER, JR.

2nd CONGRESSIONAL Dist.

A great many items cross a Congressman's desk in the course of a typical Washington day. There are many claims for attention, many demands for action, many heart-rending appeals. Congress isn't just a machine that grinds through a year's business on a predetermined course, although sometimes it seems so.

Just the other day, for example, two particularly memorable appeals turned up in my mail. One was in behalf of the wild mustangs that roam 11 western states. These animals roam at large on vast government grazing lands and are being systematically destroyed by

man, principally to provide dog food. I agree that the wild mustang, a splendid link with our American heritage, should be preserved and I'll cooperate.

Another appeal dealt with the baby seals which are clubbed to death annually. You can hardly have escaped the pictures of these highly intelligent yet helpless animals as the hunters move among them. It's a tragic picture and I agree that the seals should be preserved and conserved and I'll cooperate in legislation aimed at that purpose.

But there wasn't any material on that particular day on another endangered species and I'd like to speak up for him. It's the Long Island aerospace and defense

worker, who was dealt a tragic blow in the House of Representatives and Senate last week when funds were denied for continued development of the supersonic transport plane. I'm the only Long Island Congressman who voted to continue the program, having weighed all of the arguments, economic and ecological.

There is now little hope that the project will be continued. I like to hear from residents of the Second District about our endangered flora and fauna. We agree. But how about it—aren't people, their dignity, their livelihood and their futures—important too?

Family Living Project

"Cluck, Cluck" and "Cheep, Cheep" are sounds that have provoked "Hoorays" and "Yipes" at the Parkway School as children and staff greeted the emergence of developing baby chicks from their shell-cells on April 5 and 6th. A total of 28 curious chicks pecked their way to freedom to the cheers and applause of all Parkway School.

To launch the Family Living project for the Plainview-Old Bethpage primary schools, Mr. Mel Tanenbaum, Assistant Principal, considered a most topical and motivational unit to introduce the program to children and staff. What could be more dramatic and wonderful than the very beginnings of life itself? With the approaching Easter-Passover Holidays another appealing dimension unfolded at Parkway. The beginning of a new life—whether tadpoles or chicks, insects or humans, reptiles or elephants—is a matter of wonder and fascination.

Initially, fertile eggs were secured by Mr. Tanenbaum from the Rockefeller University, in New York City. Incubators were

Mr. Tanenbaum and curious Parkway-People following the day by day development of embryo chicks in the Eggway

borrowed from various sources, including the 4H Club of Nassau County, as Mr. McGunnigle, Director, donated a home-made "Mother-Hen", and his expertise to the project.

As the 21 days of full development of the embryos progressed, the children were permitted not only to peek into the incubators, but to rotate and candle the fertile eggs and to

(main corridor) of the Parkway School. April 5th is "H" (Hatch) Day at Parkway and we await the "blessed event" with fascination.

follow the dramatic day-to-day growth of cells, tissues, organs and systems, by seeing for themselves. From the pulsations of the heart through the development of blood system, the appearance of the eyes, beak, wings, etc., was quite evident to all—as we gently handled and candled—and observed the "greatest show on earth..." right here at Parkway.

Operation VFW

William M. Gouse, Jr., Post No. 3211

By Lou Palladino

Again we were fortunate to enlarge our membership by three more. The new additions are Pat Mascali, and another father and son combination Fred and Mike Hermanek. Mike is still in Vietnam. Fred and Pat at WW 2 vets. And so we continue to grow. As a matter of fact Ed Chwalisz reported, we are over 300 strong now.

Letters have been sent to every port in our state in an effort to promote the new resolution. Bruce Mass made this report, of course he went into explanation. As said before, it's a resolution to give Vietnam Vets the opportunity to buy homes at 4 percent interest, with the government subsidizing the rest of the interest. Our young men are working hard at this program, and Cmdr. Frank Aug is helping them, and trying to guide them. Every young vet should be interested in this program. Married or not.

Don't forget the cocktail party scheduled for April 25th. Its a Sunday afternoon from 2 to 6 p.m. Those who attended the last one will tell you what a fine afternoon was spent. For tickets, get in touch with Harry Wurth or Bob Keck, or even the Rock Parrella. A good time can be assured to you!

Recently you were told, the VA in Mineola was closed Wed.

evening, but they have again reopened on that night. As a matter of fact, the new VA director is trying his best, not to have the staff cut. With all the returning Vets, there will be an even greater need for this organization. Just though you might like to know. Oh yes, the new director is John Ray former County Cmdr.

Frank Aug picked his nominating Comm. The month of April will be our elections for the coming year. Boy this went fast. The new slate of officers will be presented at our next meeting. Recently mentioned Bob McGovern missed last meeting because he wasn't well. Instead his wife Marilyn was in the hospital. We were all happy to hear she is home and doing well. Our old photographer and comrade Frank Mallet is in Central General Hosp. Don't know what for, but he'll be glad to hear from you.

More donations, on to Salvation Army, to send kids to summer camp, for two weeks. A donation to Civil Air Patrol, and last to Lt. John Stolz Scholarship Fund.

How do you like that, we get a brand new member coming to his first meeting, and sure enough Pat Mascali won the raffle. Hey, Pat, let not make a habit of it. Hoping you'll show at the next meeting.

Women's Liberation Lecture At Library

"What do women want? Dear God! What do they want?" Sigmund Freud never did find out but you can at the Plainview - Old Bethpage Public Library April 22 and April 29 where two lectures will be given on "Women's Liberation".

The first lecture, which will start promptly at 8:00 P.M. will be given by Eve Merriam, the witty and provocative author of "After Nora Slammed the Door" and the new book of satiric poetry "The Nixon Poems".

Miss Merriam, a poet, biographer, college lecturer and contributor of revue sketches and

political satire to cabaret shows and off - Broadway productions has some startling ideas on where women's place is.

A follow up lecture will be given on April 29 at 8:30 P.M. when Hofstra's Dr. Michael D'Innocenzo will answer Miss Merriam with "Women's Liberation, From the Viewpoint of a Sympathetic Man".

The better - half, the little woman, the "boss" and the little helpmate as well as all other interested parties are cordially invited. Both lectures are free and no tickets are necessary.

Two Hicksville High School girls returned home last week, savoring the victories they had achieved at the Student Leadership Conference held at the Concord Hotel, Kiamasha Lake, New York. Nancy Meier and Pamela Cerlini, (l. to r. on either side of Mr. Rusch, Princ.) members of the High School's retailing club, DECA, represented the school, and the county in statewide competition

in selected fields of endeavor. When the contests were concluded, Miss Meier had attained second place for her Public Speaking effort, and Miss Cerlini, second place in the Advertising Contest. The victories, against a field of top students in New York State, entitles each of these young ladies to serve as alternate State representatives in the nationwide contest to be held in San Antonio, Texas, later this year.

Youth Council Presents Comedy

The St. Ignatius Loyola Youth Council is presenting a production of the comedy, "My Three Angels" by B. & S. Spewack on Thursday, Friday, and Saturday (April 15, 16, 17). Curtain time is 8:30 in the St. Ignatius School Auditorium on E. Nicholas St.

The setting is an island in the Tropics and the plot is a humorous story of the antics of three prison inmates who decide

to spend Christmas at the home of a shopkeeper on the island. The shopkeepers less than business-like approach has his very business-like, practical and grumpy uncle in an uproar. How the three "angels" solve this and other matters is both surprising and amusing.

Tickets are \$1.50 for adults and \$.75 for children under 12 and may be purchased at the door or in advance by phone (WE 5-2753)

The Costs Of Vandalism

(Continued from Page 4)

court action of damages up to \$500 from the parents of minors who committed deliberate and destructive acts of vandalism. Because a child's action is a direct reflection upon the child's upbringing, the Board wishes to work closely with parents, the churches, and the community groups to improve the situation in our community.

At a time when all people are caught in the declining economic "crunch," and every effort must be expended to get maximum return for the school dollar, one very real source of savings could be the reduction of vandalism costs. Let us hope that Hicksville

citizens will work together to eliminate this waste of hard-earned dollars, and the continuing loss of learning opportunities for its children.

OBITUARIES

(Continued from Page 5)

RICHARD T. MOORE, of Hicksville on Tuesday, March 23. Moore was a postal clerk at the Hicksville Post Office, he was 60 years old, and a resident of Hicksville for 18 years. Services were at the Syosset Funeral Home and mass at St. Pius Catholic Church, Plainview.

Engaged

Mr. and Mrs. Francis J. Anderson of Hicksville have announced the engagement of their daughter, Joyce Eileen, to Richard Warren Merzbacher, also of Hicksville. A summer 1972 wedding is planned.

The future bride is in her Junior year at Marymount College, Tarrytown, N.Y. Her father, former Nassau County Clerk, is presently a Vice-President of Franklin National Bank.

Richard Merzbacher is the son of Mr. Warren Merzbacher, a retired Nassau County Police Captain, and the late Mrs. Mary Merzbacher. He is an alumnus of St. Francis College, Brooklyn, and is now an executive development trainee with Franklin National Bank.

More Men In Service

Army First Lieutenant Paul Coburn Sawtelle, 24, son of Mr. and Mrs. George C. Sawtelle, 76 Arrow Lane, HICKSVILLE, recently received the army commendation medal while serving with the 101st Airborne Division (Airmobile) in Vietnam.

The medal was awarded for meritorious service. Such service can be over an extended period of time or for outstanding achievement in a single situation. In either case, the recipient must have demonstrated skills and dedication far above the average.

Lt. Sawtelle received the award while assigned as a platoon leader in Company D, 1st

Battalion of the division's 327th Infantry.

He was last stationed at Ft. Bragg, N. C.

Lt. Sawtelle received his B. S. degree in 1969 from the U. S. Military Academy at West Point.

Marine Pvt. Peter W. McMahon, son of Mr. and Mrs. Peter McMahon of 42 Picture Lane, HICKSVILLE, was graduated from recruit training at the Marine Corps Recruit Depot, Parris Island, S. C.

McMahon attended the University of St. Thomas, Houston.

MOST VALUABLE PLAYERS: Peter Collins, Jr., left, and Richard Fremgen, right, hold trophies presented by Oyster Bay Town Councilman Warren M. Doolittle, second from right, as Peter Collins, Sr., President of the St. Ignatius Catholic Youth Organization (CYO) looks on.

The youngsters attained high averages in offensive and defensive action, giving St. Ignatius six consecutive wins during the first indoor soccer invitational tourney held recently at the Hicksville Senior High School gym.

Coach Buddy Bryan has the Hicksville Junior Varsity Lacrosse team on the winning beam.

The club upset undefeated Elmont, Saturday, at Hicksville 8-2 for its third win in a row. Previous victories were 5-3 over Bethpage and 13-3 over Holy Trinity.

Steve Meier lead the Orange and Black attack against Elmont as he sizzled in four goals. Steve Cannone had two goals and three direct assists.

The other net catchers were recorded by Wayne Magavero and Mike Cerini.

Paul Kamen was excellent in the goal mouth having to turn back 16 shots by Elmont.

The Holiday Basketball Tourney is set with Clarke, Hicksville, Great Neck South and Holy Trinity in the lineup. This will catch everyone's fancy and from the crowds it will attract there will be a good penny to help underwrite the cost of the basketball program for the taxpayer.

Another gate spinner has been announced for the 1972 basketball season. It is a date on a non-league basis with Jericho.

The Hicksville High baseball team got its first win of the season by beating Jericho, 2-0, at home Saturday. The Varsity Lacrosse team seemed to find the combination as it beat host Bethpage in the Holiday tourney

opener, 8-5, but was routed in the finals 11-5. Levittown Division continued its mastery over all Hicksville teams as its baseball team defeated Hicksville 3-2.

Bill Whiffen, Hicksville court star for coach Buddy Bryan a few years back, scored on a twelve foot jump shot to break a 65-65 deadlock for North Country Community College. It came with just 27 seconds and was enough to give NCCC a 69-65 victory and its first winning season in its short shiltry.

In moving NCCC's mark to 13 wins and 11 losses Whiffen won the Athlete of the Week Honors at the school.

During the season he had a total of 340 points for a 15 point average.

With 155 assists he recorded the school's finest mark ever in that department.

From the free throw line, Bill Chipped in 70 of the 101 attempts awarded him during the season.

As captain on the 1970 Bill demonstrated his leadership as the schedule got thornier. Against Genesee Community College he fired away for 29 points in a tough 84-73 victory.

He came back in the final contest with 26 points.

Bill is the son of Mrs. Eleanor Whiffen of Hicksville. He is a 1969 graduate of Hicksville High School. He is enrolled in a Liberal Arts Physical Education program and will transfer this

fall to the State University College at Cortland.

Our lead last week that County Sports, Hicksville Astros and Wantagh Hotel would not be in the Cantiaque Park League this summer aroused some partisan Hicksville response.

We have been told that Hicksville has something to look forward too since Hicksville Fred's Inn is about to surface as a major softball power and will compete in the A Division at the County Park this season.

This is great news for local Hicksville fans.

Fred's has had an outstanding record in lesser circles. Last Year it won 43 games and lost 5 and was champion of the powerful Levittown Sunday League and the Huntington YMCA loop.

In Fred's camp for 1971 are Ron Bailey, Bruce Cerone, Bill Luft, Ed Bernauer, Bob Mercer, George Fillipone, Paul Alisio, Bob Moore, Bob Smith, Ron Ziejer, Tom O'Neill, Pete Schaaf, Jim McGin, Charlie Sanzano, George Toicce, Don Otten and Vince Christiano.

JFK Varsity Lacrosse Report

John F. Kennedy Stickmen opened up their season with a 4-2 win over visiting Elmont High School.

Elmont High School was the 1970 Long Island Lacrosse Champion. This was the first time a Kennedy - Lacrosse Team has beaten an Elmont Lacrosse Team since Kennedy started Lacrosse in 1967.

Kennedy scoring was done by Larry Donato, (1 goal) Richie Hirsch (1 goal) Rick Kramer (1 goal, 1 assist) Ralph McGee (1 goal, 1 assist).

On Saturday, March 27th, John F. Kennedy defeated Plainview High School 8-6 at Kennedy's field. This evens the series between Kennedy and Plainview High School which started last year at 1-1.

Scoring for Kennedy: Larry Donato, (2 goals) Billy DiDio (1 goal) Keith Woll (1 goal) Ralph McGee (2 goals, 2 assists) Richie Hirsch (2 goals, 1 assist) Bob DeSimone and Jack Danker were outstanding for Plainview.

On Tuesday, March 30th, Kennedy visited Massapequa High School and defeated them 9-6 for their third straight win. They were led by Rich Hirsch (1 goal 3 assists) Ralph McGee (3 goals) Rick Kramer (2 goals 2 assists) Keith Woll (1 goal) Bill

Di Dio (1 goal, 1 assist) Bruce Battaglia (1 goal)

Also Counting heavily on Kennedy's first three wins are Bill Blaustein, Stan Rashkin, and Ira Bart at defense. Kevin Gray, a sophomore starting goalie has been doing a fine job in the nets.

Kennedy beat Garden City 7-6 in overtime on Friday, April 2nd.

Once again, Kennedy beat Hericks High School 4-3 on Tuesday, April 6th. Both games were home. Next game is against Hicksville on April 8th at Home at 4 p.m. Coach is Jim Amen, Jr., Ass't. Coach is Bob Sussi.

More Around Town

It's been pretty busy at the home of Tom and Leona Bergin, 111 Park Ave., HICKSVILLE. Their son Bob and his wife, Gail, and their son, Robert Owen Bergin, were down for a visit over the weekend from their home in Buffalo. The "Maryland Branch" of the Bergins, Tim and Diane, presented Tom and Leona with another grandson, Michael Joseph, who weighed in at 8 lb. 3 oz. Congratulations!

Mr. and Mrs. Al Giametta of PLAINVIEW, have announced the engagement of their daughter Jacqueline to Dale Lanning also of PLAINVIEW.

Mr. Roseann McHale, principal of St. Ignatius Loyola School, E. Nicholas St., HICKSVILLE, left on Wednesday, April 7, for a trip to Portugal.

Mr. and Mrs. Herb Johnsen wish to thank all their kind friends for their help and thoughtfulness during their respective confinement in Mercy and Massapequa General Hospital. It was much appreciated.

Congratulations to Mr. and Mrs. Bruce Lane of Arbor Lane, HICKSVILLE upon the birth of their son, Christopher William, on March 2nd at Mercy Hospital.

Congratulations to Mr. and Mrs. Daniel Holland of April Lane, HICKSVILLE upon the birth of their son, David Robert on March 5th at Mercy Hospital.
