

# HICKSVILLE AMERICAN LITTLE LEAGUE INC.

## A Message From The President

Bob Willis  
President  
Spring is here, the weather is getting warmer, the days longer, and within a few days we will be starting our 1971 Little League

baseball season. Thanks to a very successful registration drive, we have close to fifty percent of our boys playing little league ball for the first time.

We experienced some difficulty in recruiting managers in our "A" League. We hope this is not an indication of things to come. We feel it is very important for the parents to attend their sons' games. It means a lot to the boys.

Handling our sportswriting department will be Mr. Charles Rollins and his two able assistants, Mike Pakaluk and Bob Cassagno, Mike and Bob are two former little leaguers. Mike will cover the Majors. Bob the "A" league and Charlie Rollins the "AA" League. Mr. Rollins will also edit the sports column written by Bob and Mike. Mr. Rollins wrote a column for Grumman Air Craft, so we feel we are very fortunate in obtaining his services and that of his two young assistants. Who knows, maybe we have two future sportswriters in our midst.

At this time, we wish to thank all of the managers and coaches for giving up their time and making it possible for our boys to enjoy two months of fun-packed exciting little league baseball. We also would like to express our thanks and gratitude to our sponsors who have taken a genuine interest in the welfare of the children of our community. Without their help, it would be very difficult to operate.

In closing, we would like to take this opportunity to thank Mrs. Noeth, editor and publisher of the Mid-Island Herald, for making it possible for us to publish the standings of the teams and the highlights of our games. We feel it will generate more interest, and hope all of you will follow our column each week.

### "A" League

by Bob Cassagno

The Hicksville American Little League "A" League will open its season very soon. With the expansion of the league to six teams this season it should be the most exciting season ever. Each team will be more than excellently managed. MID ISLAND PLAZA ASSOCIATION will have Mr. Harris as their "SKIPPER" this season. INTERNATIONAL PANCAKE HOUSE will be managed by Mr. Virga. Mr. Demas will take care of NEWBERRYS, MALVESE will be in the able hands of Mr. Orr. Dodge Charger will have Mr. Lederer and Mr. Pampolino will take care of CIRCLE TEXACO. As you know, the "A" league is made up of mostly the younger boys in the Little League, and this is where they learn the fundamentals of the game. However, this league also continually provides some of our most exciting games, so stay tuned for the action.

### The Major League

by Mike Pakaluk

Its Little League season again and this year it looks like a close race and a fun-filled, action-packed season. In his first year at managing, Mr. Poggoli hopes to bring L.I.N.B. to a pennant if pitching comes out! L.I.N.B. has a strong infield with T. Sloan, G. Cassagne, A. Kappel, and B. Poggoli. . . . Up there in the competition is V.F.W., coached by Mr. Brahmam, whose team is shaping up led by a strong pitching staff with J. Pakaluk, K. Brahmam, and M. Byrnes. . . . Mr. Curley, the skipper of Gilson, thinks he can "definitely take it all". He has strong hitting behind him via C. Coletta, T. Curley, R. Flannigan, and R. Moore. . . . Nathan's famous, the first year as sponsor in the Majors, has Mr. Greiner as manager. Mr. Greiner "expects to win" with exceptional infielders T. Hogan and B. Speckman and a very good pitching staff headed by S. Greiner, B. Tantore, and M. Diez, rated as "tops" in the league by Mr. Greiner.

### "AA" League

by Charlie V. Rollins

Once again the familiar cry "Play Ball" will echo in another season of Little League Baseball. In the "AA" League the teams are very evenly matched with Shawn Sunoco being exceptionally managed by Dick Eaton. Hicksville Firestone in the capable hands of Bob Moriale. Vincent Anzalone is taking care of Agway and Frank Humphreys is in the drivers seat of Gertz. "AA" League is where the boys start straightening out and settling down to some honest to goodness baseball playing. The seed is sown, now we have to help it bloom.

# Dear Friends ...

WE HEAR, from a very reliable local source, that since the Center Shops Bohack's store is temporarily closed, a great hardship is being imposed upon many older residents of that area, who usually shop there. Not everyone has a car for shopping purposes, and those who usually take a short walk with their own shopping cart, find it extremely difficult, with Bhack's closed, to do their weekly shopping. Hopefully, by this weekend Bohack's may have reopened. However, if such is not the case, there is a wonderful Hicksville organization called FISH, that is dedicated to helping in many ways. If you are in need of transportation for the weekend's shopping because this store is temporarily closed, you may phone them for help. Their telephone number is WE 8-NEED. If you are not successful in reaching this number, for whatever reason, call us at WE 1-1400 and we will do our best to help.

AND SPEAKING OF HELP, we hear that the Hicksville Drug Prevention Council HAD is appealing to the community to help them continue their programs. Contributions may be sent to HAD at 75 Broadway, Hicksville.

AS WE GO TO PRESS, the TOB meeting of their planning experts and their local advisory committee on planning for Hicksville, will have met at HHS. We'll bring a full report of this meeting in next week's issue of THE HERALD.

In the meantime, may we remind you that your HICKSVILLE COMMUNITY COUNCIL will meet on Thursday, May 6th at 8:30 p.m. at the Hicksville Library. We hope you will be present. This Council which already has over 30 organizations and another 30 local citizens as active members, is constantly growing. Come and join us. On the first Thursday of each month (with the exception of July and August) this your local Council meets. Representatives of member organizations take back their report of the program to read at their own meetings. Then each member organization is invited to be a part of the Council program itself, when it is best for their program. Most important of all, the Board of Directors of our Council voted that at every meeting, half of the meeting should be devoted to discussions of any type (providing it is about Hicksville) from the floor. This had proved to be not only interesting but informative and much good has come as a result of this "town hall" part of your Council meetings. Remember, the first Thursday of each month...you're always welcome...so, come on down and help us work toward making our motto a day-to-day reality. Our motto is "For a Better Hicksville". It's up to all of us.

# Guest Editorial

## Je Responds

By John W. Burke, Supervisor Town of Oyster Bay

Before Emil Zola was moved to write his immortal "J'Accuse!" in defense of Captain Alfred Dreyfus, he studied the record of Dreyfus' trials for months, and refused to take a public stand until he had all the facts on what is still known in France as "L'affair."

After exhaustive research, Zola penned his famous article, which was published in a Paris newspaper in the form of a letter to the President of the Republic. Zola did not act until he was certain of the facts.

I wish the Rev. Perez, author of the guest editorial entitled "J'accuse!" (Thursday, March 18) had followed Zola's method as well as his format. It is for this reason - to correct some of the glaring misrepresentations and inaccuracies contained in that guest editorial - that I am grateful for this opportunity to reply.

The facts plainly contradict the sweeping accusations made by the latter-day author of "J'accuse," who alleges that the Town of Oyster Bay has failed "miserably to in any way meaningfully involve its constituents in the planning of their future."

This is simply untrue. The Planning Advisory Board was created, and the nationally-known firm of Raymond, Parish and Pine, Inc., retained as their planning consultants, in June 1970. One of their first meetings was with the Hicksville Citizens Advisory Committee for Transportation and Development. Since then, the PAB has met with the Hicksville Community Council, and the Hicksville Chamber of Commerce.

Last week, on Tuesday, April 13, the Board met with representatives of community organizations to discuss planning problems and to solicit their ideas on the future of their community.

Tonight, April 22 the Board is holding a public meeting to discuss planning objectives in Hicksville and to obtain the reactions of Hicksville residents to their preliminary plans. A series of additional public hearings will be held in other areas of the Town later this spring. And before the Planning Advisory Board finalizes any recommendations to the Town Board on the future of Hicksville, the local residents will have

Supr. John W. Burke

another opportunity to express their views.

This array of public contacts on planning is not the record of an administration that has "failed miserably" in involving the people in the business of determining the future of their community. To the contrary, it represents a sincere effort to maximize citizen participation.

Public participation has been the main theme of our planning efforts, as demonstrated in Hicksville and the rest of our Town. The Planning Advisory Board has conducted seven meetings with community leaders in the unincorporated

areas of the Town, in addition to dozens of other meetings with Chambers of Commerce, regional planning bodies, educators, school boards, and other groups.

The Planning Advisory Board has just completed its survey and analysis phase of the Master Plan preparation, which was primarily a data-gathering. Substantive proposals and planning objectives can now be developed based on the carefully assembled bank of information and the advice of community leaders already obtained. And the people of our Town will continue to play a central role in the planning process.

We are planning with and for the people. Gratuitous rhetoric and critical broadsides may make exciting reading, but it certainly does not serve the truth. I am frankly surprised that such a statement could be made seriously by a Hicksville resident especially since the Herald has regularly carried full and thorough reports on the activities of the Planning Advisory Board for the past nine months.

The Rev. Perez quotes Ecclesiastes in reminding us that for every purpose under heaven, there is a time and a season. I agree. But this is not the time for charges and denunciations. It is rather the time and season for us to come together and work closely for a better Hicksville and a better Town of Oyster Bay.

## OUR ELECTED REPRESENTATIVES

— BY SHEILA NOETH —

PARTICIPATION IN the Federal Food Stamp Program in our State during Feb. increased by 80,262, as 1,291,870 low income persons benefited from the U.S. Dept. of Agriculture's food assistance program. A "bonus" value of \$9,565,646 represents USDA's contribution to this program and is designed to provide participants with more and better food.

ORCHIDS to State Senator Norman J. Levy who is co-sponsoring legislation with Senator Donald M. Halperin to insure that the proceeds from the NY State Lottery become the reality of its motto, "Net proceeds for Education...a Dollar for Education is a Dollar for All of Us." This was the

arrangement from the beginning and net proceeds of our state lotteries must not go for any other purpose or we will be in the peculiar position of breaking our own laws.

NASSAU COUNTY COMPTROLLER Angelo D. Roncallo tells us that he has ordered an audit of the Hempstead Bus Company's books and the inspection will begin immediately. This audit is being conducted in conjunction with the Dept. of Transportation pursuant to a letter submitted by the Hempstead Bus Company to our County Exec, Ralph G. Caso. "My only purpose is to protect the public interest in this matter," Mr. Roncallo said. "I recognize that the bus traveling public depends

upon this service and we must take steps to insure its continuation. However, it is also essential that the alleged deficit of the bus companies be established as factual before public funds are used to prevent curtailment of services."

ACCORDING TO AN OFFICIAL Town of Oyster Bay news release, Salvatore Mosca, a Bethpage attorney-engineer "is expected" to join our TOB Board to take the position as Deputy Commissioner of the Nassau County Dept. of Recreation and Parks. This will probably be finalized at the Board's public hearings on Tuesday, April 27th.

The other grandparents, the parents of Daniel Leibowitz, are Jack and Yetta Leibowitz, residents of Plainview for the past 14 years. Congratulations to all.

Happy Birthday to Julie Hazell, 2 Balsam Drive HICKSVILLE, who will be 9 years old on April 27th.

It would be a good idea to have a real lively election.

The resolution you heard about is getting a terrific response throughout the state. The committee sent letters to every post in the state and other organizations. Cmdr. Frank Aug has been answering so many letters, we don't know how he finds the time. Our Assemblyman Marty Ginsberg plans to bring it before the legislative body of the State, we hope. Everything seems to be rolling along in pretty good shape. Now, looking at the dark side, even if this Resolution is not accepted, Frank Aug, and his young tigers deserve a lot of credit for the time and effort they put in. You can help a little by writing a letter to Mr. Ginsberg.

Don't forget the cocktail party for April 25th, Sunday afternoon from 2 to 6 p.m. This is one you shouldn't miss. If the last one is any indication then it should be just great. You don't have much time left, and if you are interested, get in touch with Bob Keck, Harry Wurth, or Rock Parrella.

Memorial Day meeting will be held at the Elks Club, May 4th, Tuesday evening. Lou Klein wants all organization who wish to participate in the parade to attend this meeting.

Mike Kennedy is out of the hospital. This tiger was even at the meeting. Frank Mallett is out too, but will return. It's not his heart as first feared, but gall bladder problem. Owen Buckholtz who had a serious heart attack some weeks back, now has a pacemaker and seems to be doing much better.

Saw Jim Sotille at the last meeting bent over like he was ready to sit down, and without a chair. Says he was doing some garden work, and his back went on the fritz. Now, Mary Ann, you're just working that fellow too hard. Ease up, we need him.

Back to packages to our men. We send them and happily, but you must supply the names, and addresses. Bob McGovern will be pleased to do the sending.

The lucky winner of the raffle was Joe Adessoio. Hey, how come my name never comes out! Oh well, hope you fellas come out for our meeting, and participate in the nominations and elections.

## VOTE FOR SOL DAVIS FOR SCHOOL BOARD MEMBER CENTRAL SCHOOL DISTRICT NO. 4

### HIS POSITION ON STUDENT RIGHTS AND RESPONSIBILITIES

The following are excerpts from a letter sent to Dr. Savitt in response to the current board's policy on student's rights and responsibilities which appeared in the April issue of "School News."

#### I. STUDENTS' RIGHTS

##### 1. DUE PROCESS FOR STUDENTS

No student should be deprived by a teacher, administrator, other school official or fellow student, of his right to an education or to his liberty without due process. YES, BUT:

- A teacher should retain the discretionary authority to eject a disruptive student from his classroom.
- Under any due process proceedings, the school district should not be required to supply free lawyers during such proceedings or subsequent appeals.

##### 3. APPEALS OF STUDENT GOVERNMENT ORGANIZATION

Students are entitled to urge acceptance of their proposals, successively, through every level of administration of the school system. YES, BUT:

- The principal or Superintendent shall not be required to act on more than one recommendation per week.
- Appeals to the Board of Education should be by petitions for certiorari so that the Board may decline to review cases, that by their triviality, do not qualify for review.

## Postal Rate Increase Scheduled For May 16

A report that the Postal Rate Commission does not believe it can complete the rate case within the statutory 90-day period indicates that the Postal Service may need to place temporary rates into effect in mid-May pursuant to the new Postal Reorganization Act. The Service on February 2 had announced the possibility that temporary rates might be needed.

Postmaster General Winton M. Blount said recently the temporary rates will become effective May 16 if the Rate Commission is not able to present rate recommendations within the 90-day period.

William J. Crowley, chairman of the Postal Rate Commission, said recently that he cannot

predict how long it will take to complete the proceedings and to issue a decision in this rate case.

The Rate Commission has received more than 50 petitions, representing nearly 200 parties, to present views on the postal rate proposal at the prehearing conference to begin March 29.

## Spectacular "Moon Rock" Exhibit At Town Hall

Town Supervisor John W. Burke announced that Town residents may view one of the "greatest shows on earth" during a spectacular "Moon Rock" exhibit at Town Hall, Main Lobby, Audrey Ave., Oyster Bay, commencing Saturday May 8 through May 15 from 10 A.M. to 4 P.M. (exclusive of Sunday, May 9).

Burke said the impressive display, provided in cooperation with NASA (National Aeronautics and Space Administration) will arrive under Town security escort from Washington, D.C., on Friday, May 7, for the week-long special showing.

In addition to the "Moon Rocks", a 1/6 scale model (4' x 4') of the Lunar Module will be on display in the Main Lobby at Town Hall. The LM was responsible for the safe moon landings of Apollo 11, 12 and 14 astronauts and spectacular lift-off and hook-up with command ships for safe return to earth.

On Friday afternoon, May 14, a special 28-minute color film of the Apollo 12 voyage to the moon will be shown in the Hearing Room, (second floor), at Town Hall. Bill Eveland, Apollo suit technician with Grumman, will demonstrate and lecture on "Man In A Spacesuit."

## Construction Underway On New LI. Office Building

Construction of a three-story office building has begun at one of Nassau County's most desirable commercial sites—a 2-acre parcel fronting on North Broadway, adjacent to the Northern State Parkway and overlooking the Long Island Expressway, in Hicksville.

The building, which is rising at 375 North Broadway, is being erected by Jerry Spiegel Associates, of Hicksville, owner-builder, at an estimated development cost of \$1.5 million. It is scheduled for completion in late Fall.

Containing over 50,000 square feet of rentable space, the building will offer floor areas of 13,260 square feet, in addition to a full basement.

Other features of the building, include two high-speed automatic

elevators, free wall-to-wall carpeting, venetian blinds and preliminary office planning services. Ample parking will be provided.

Designed by the Spiegel firm, 375 North Broadway will feature an exterior of glazed brick contrasted against bronze spandrels. It is located within walking distance of the Long Island Railroad Station and within three blocks of the Mid-Island Shopping Center. A host of commercial buildings and small shopping plazas are also in close proximity.

375 North Broadway is the sixth office building to be erected in the mid-island region by the Spiegel firm, which has also developed major industrial and residential communities throughout Long Island.

## HICKSVILLE FIRE DEPT News

L.L. Owen W. Magee

Fire Report April 11 thru 17

Last week Hicksville Volunteers were kept busy answering a total of 27 alarms. 6 of these alarms were rescue calls and 3 were malicious false alarms. On Wednesday, April 14, 8 Alarms kept firemen moving. All alarms were of a minor nature. Hicksville Firemen were called in to assist the Plainview Fire Dept. when fire swept through a row of stores on Manet to Hill Rd. at 1:19 A.M. April 17. Ladder Co. No. one responded. The Bethpage Fire Department sent a pumper to the scene.

### "Unattended Children and Fires"

Almost one-third of all fire victims are children. In many cases the youngster was unattended while the parent stepped out for a minute. The tragedy does not end there because the parents cannot forget the shocking sight of the burnt child and usually develop a deep sense of guilt.

Mans ignorance concerning fire is rivaled only by the obvious carelessness which causes the accident. Much has been written about fires from electrical equipment and flammable fabrics. But most fire fatalities involve children who were alone in the home.

Always leave a responsible teenager or adult in charge when there are young children. This plan helps but is not foolproof, as anything can happen when your head is turned. Some people are tempted to go out for a moment after the children are asleep. Don't Do It, as this is usually when the unexpected happens. Fire fascinates children. Keep matches in a metal container out of reach.

A home in which a parent smokes is most vulnerable. It means that matches and / or lighters are conveniently placed. Cigarette butts smolder and all too often the smoker may fall asleep on the bed or sofa with his last, and we do mean last, Cigarette. Be Careful.

Give the Sitter specific instructions on what to do in case of fire or emergency.

Turn pot handles so they don't stick out beyond the edge of the stove where children can reach them.

When buying or making childrens clothing, avoid flimsy, fast-burning materials.

Be sure the sitter knows where the exits are.

Check children periodically whether asleep or at play.

If fire strikes regardless of size remove children from the house and be sure all are accounted for, then and only then - Call the Fire Department.

"Remember - Alertness - Can Prevent Fires and Injuries"

The Hicksville Fire Dept. has speakers available to give talks on fire safety to groups. Call WE 8-1167 and give the dispatcher the necessary information.

The Nassau County Fire Marshals office also gives lectures. They have a fine program for babysitters and also a program for our Senior Citizens entitled - "How to Live Alone and Live". The Marshals office also has a lecture on exit drills in the home. We will be glad to forward your request to the Marshals office.

## Pamphlet Offered

Now that winter's show has given way to the warmth of spring rains, many people celebrate the changing season by planting trees. A free pamphlet entitled "Recipe for Tree Planting", has been prepared by the State University College of Forestry at Syracuse, to help homeowners get spring off to a good start.

The pamphlet is authored by Arthur T. Viertel, Associate

Professor of Landscape Architecture at the College, who covers seasons for transplanting, choice of trees, soil, pruning, staking, care after planting, plus other problems occurring during tree transplanting.

The best time to transplant trees, explains Viertel, is in the spring, just after the ground has dried enough to be workable, and in the fall, after trees lose their foliage.

# LIBRARY NOTES

"Art for the Hanging" is the newest service available to Hicksville borrowers. Through the courtesy of the Hewlett - Woodmere Public Library - the state - grant supported music and art center for all Nassau County residents - a part of their extensive collection of 655 framed prints of famous paintings is currently on loan to your Library.

and may be borrowed by all adult cardholders.

Suitable for the walls of playroom, living room, den, or office - to be used by art lovers as well as art students - the prints are mounted on coated cardboard and have black plastic frames, with picture hangers on the back for ease in hanging.

A changing display of a

selection of the thirty prints now at the Hicksville Public Library may be seen at either side of the Main Desk, and a complete list of the prints may be seen at the Charge-Out Desk.

Prints available range from still-lives by Bonnard, McFee, and Wyeth, to "Joy Ride" by Grandma Moses, "Rabbi With Book" by Chagall, and Rembrandt's famous painting of "Christ" - and range in style from the old Masters to the works of the Impressionists and a little beyond.

Borrowers may keep the prints for a 28-day period, no renewals, and may borrow two prints on a card.

After selecting a print or two, borrowers are invited to browse

through the Library's collection of art books (700-750), both regular and oversize, for more information on the artists of their choice, as well as for additional material on all manner of art forms, schools, and practitioners.

The Young Adult Department of the Hicksville Public Library will present a program for the college bound people who are not placed in the college of their choice. To help these students choose a school, Mr. Edward Jones of the Admissions Department of the Nassau Community College and Mr. Robert French, chairman of the Guidance Department of the Hicksville High School will tell of colleges that still have openings and how to apply for them.

Students from all of the local high schools are invited to attend the program to be held in the Library Auditorium.

# SPORTS

By

Howard J. Finnegan

Hicksville's Freshman Lacrosse team turned in the most startling, encouraging victory of the sporting year with a 5-4 upset of McLeary of East Meadow, Monday.

It was a thrilling contest and the Orange and Black snatched the victory from the undefeated hosts on a late goal by Vinnie Mircola. It came with less than two minutes left in the game.

It was the first time a Hicksville Freshman team was able to defeat McLeary in the sport. The East Meadow athletic program is so far advanced of Hicksville that people are still reeling from the Comet win.

It was mounted on a supreme team effort by coach Howard Schaak's lads.

In the scoring Ed DeDomenico had two goals as he excelled from his mid-field position.

Larry Riscia also notched a pair of goals. He is an attack man.

Much credit must go to the Hicksville goalie Paul Curcio. He stood up against the storming East Meadow attack and turned back 15 hard shots on the goal.

His defense of the nets was greatly aided by the fine defense work around the cage by Ray Schoenig, John Pedragheli and Brian McGowan.

Central man in Hicksville's drive on the East Meadow goal, as he set up three scores, with direct assists, was Jim DeNicola. Mike Shalley had one assist vital in the Hicksville win.

Singled out for praise for their work at mid-field were Charlie Calisto, Rob Schoenig and Melty Toich.

More than any other this victory lifted Hicksville hopes out of the almost total gloom of the 1970-'71 year.

Hicksville's Varsity Lacrosse coach Bill Meyers has aptly

designated this year as a building one. He refers to his crew as the "Baby Brigade because of the number of young players. But he does so affectionately and respectfully.

For the eager young Hicksville team is astride first place in Division One with two straight victories and is the only undefeated team in league play.

Tuesday afternoon the Hicksville team defeated Farmingdale 6-2 with a controlled game.

Junior Ted Stefaniv lead the Hicksville attack with 4 goals and Kirk Jurgelevich tallied the other two.

It was another Junior in the person of Richard Leary who assisted with three of the goals.

Freshman Steve Cannone is a member of the Hicksville attack team.

Tony Giacomaggio on defense and Clint Brown at mid-field enables the Seniors to boast of a sustaining influence.

Dennis Swanson and Chuck Induddi have both put to good games together and are the subject of Meyer's pleasure.

Meyer's second mid-field team is replete with underclassmen. They are Jim Hugger, Dave Jones and Brad Ernst.

In the first victory of the league campaign Clarke fell before the Orange. It was by a 8-5 count and was regarded as a mild surprise.

Leary wished home three goals in that one and Stefaniv registered two. Jurgelevich, Swanson and Brown varied the attack by scoring one apiece.

In that one Junior Pete Humann, a sophomore, and Junior Al Price played outstanding games. Larry Genna has been the Hicksville goalie. Against Farmingdale he repulsed 15 shots on goal.

The coming schedule for Hicksville High Sports teams fins the baseball team away Saturday 11:00 a.m., at Massapequa. The diamond team is at Clarke Tuesday and at home against the same club Wednesday afternoon.

The Lacrosse team has Herricks home in a major issue today (Friday) and then travels to MacArthur on Tuesday. The Junior Varsity Lacrosse plays the same schedule with only the sites reversed.

The Junior Varsity baseball team is at home Saturday against Massapequa.

That inspired Junior High Lacrosse team is away at Salk on Monday but returns home (Lee Avenue field) on Thursday against Levittown Division.

Friends of Hicksville High school as well as all Alumni are welcome to purchase tickets for the Alumni Association's Thirteenth Annual Spring Dance at the Bethpage County Club, Saturday, May 15th.

Cost for an open bar from 9 to 1 and a mid-night buffet is ten dollars per person.

(Continued on page 13)

**CLEAN-UP PROJECT:** Oyster Bay Town Supervisor John W. Burke, right, presents Town proclamation to Frank Chumsky, left, past lieutenant governor of Kiwanis, as Robert Warner, vice-president of the Hicksville Club looks on. The Kiwanians are conducting a

community drive on Saturday, April 24, with a parade to point up the continuing need for an improved environment. Led by the St. Ignatius All-Girl Cadet Corps, the parade will leave from the Hicksville Junior High School on Jerusalem Ave. at 10 A.M. for a community tour.

## Dutch Lane PTA Meet, Apr. 20

The Dutch Lane PTA had a General Meeting on April 20th at 8:15 p.m.

Mr. Donald Apt, Superintendent of Schools; Mr. Neil McCormack, Member of the School Board and Mr. K. Barnes, Library Director were present to present the budgets. A question and answer period followed.

The topic was "Do you want to know where your tax dollars are going?"

## Plainview High School News

By Andy Kagan and Jeff Grinspan

The first organized alumni reunion from the Plainview-Old Bethpage High School was held by the Class of 1961, on Saturday, March 27, 1971. Over 100 people attended the dinner dance at the Four Seasons Country Club in Woodbury. The Alumni committee, led by Gail Mannkopf Lewis, included the following class members: Jean Iverson Colwell, Fay Fricke Henry, Marjorie Tate LaMantia and Jane Winhardt Leace.

A class directory, including general information on the individual graduates (those who responded to the questionnaire) was distributed at the dance. Those who did not attend will receive a directory by mail.

Awards were presented to different class members for various recognitions. Longest married: Jane Winhardt Leace (9 1/2 yrs.); most children: Nancy Reed D'Auria (4); longest hair:

Bill Marx; most pregnant: Pat Shumski Hyland; and most sparkling: Lois Boriskin Fricke.

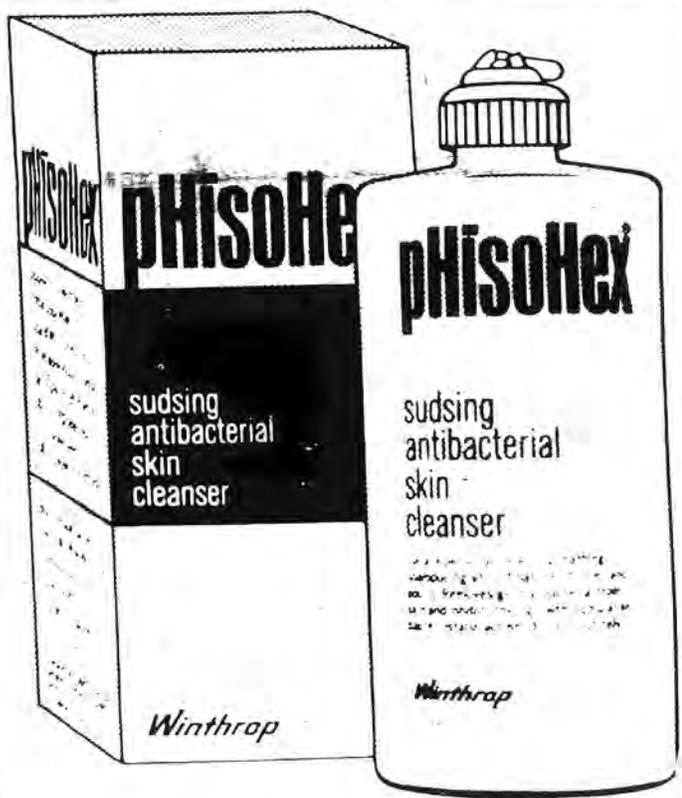

The following is a quote from a letter received from James D. Rice, Executive Director of the Nassau County Commission on Human Rights, which was sent to Jack Shuel, Coordinator of the Independent Study Program at Plainview-Old Bethpage High School: "On behalf of the Nassau County Commission on Human Rights, I wish to take this opportunity to express our thanks for allowing Bruce Baretz and Michael Young to work with the Commission in gathering data for the Motel Survey during the past few weeks. We certainly hope that this experience has been a meaningful one for them. They are to be commended for a job well done and also for the hard work and cooperative spirit displayed by both young men."

## Holy Family Players Show

Holy Family Players will be celebrating their 15th birthday this year with a show entitled THE FIFTY FIFTY, to be presented on May 1st and 8th at 8:30 p.m., and May 2nd at 3:30 p.m. in Holy Trinity H.S. in Hicksville.

This group of 51 businessmen, teachers, nurses, homemakers, blue-collar workers, work from September of each year, under

the capable direction of Tom and Pegge O'Connor. These two energetic people put the show together from scratch, keeping tabs of the myriad details involving music, singing, dancing, costuming, staging, working out skits, and never losing their cool. This in addition to running their own dance studio, and Tom's own occupation in the business world. They are truly an amazing couple who work together beautifully.

## Local Youth To Aid Retarded Drive

Over five hundred local youngsters of junior and senior high school age have volunteered to participate in a door-to-door fund-raising drive in the Wantagh-Levittown-Hicksville area during the week of April 25 to May 1, in an effort to raise funds for the Nassau County Chapter of the Association for the Help of Retarded Children (AHRC).

These children are participating for the third year in AHRC's county-wide drive, involving thousands of children. Over \$4,200 was raised in our local communities last year by teen-age volunteers.

Church of St. Jude Episcopal will, once again, serve as headquarters for the Wantagh drive on Saturday, May 1, where money will be turned in and

## Singing Boys And L.I. Youth Orchestra Opens In Plainview

Town Councilman Ralph Diamond reminded local residents that the Cultural and Performing Arts Division of the Town Department of Recreation and Community Activities has arranged to have the famous Singing Boys of Long Island and the Long Island Youth Orchestra available for a concert this Saturday (April 24).

The joint concert will be conducted at Mattlin Jr. High School, Plainview, at 2 P.M. The local Parent Teacher Association, which is co-sponsoring the

event, will charge a fee of \$1.00. The Singing Boys of Long Island is a non-denominational choral group whose ages range from 10 to 18 years. The youngsters made a two-week tour of England last year and plan a three-week excursion to Italy this summer.

The Long Island Youth Orchestra is in its 8th season and has expanded from an ensemble of less than 20 players to its present complement of nearly 1000 members.

## Gutter Ball Gossip

By Herb Mahler

With the season fast coming to a close with four more weeks remaining after last night, the leaders turned on the gas and widened the gap. With eleven points, however, this could change in one night so here is how it stands now.

Bowling with only three men, the YO-YO Hoffmanns were up this time erasing the sparkless Warrens 11-0 to remain in first place. Bill Kellerman's 204 in the first, Capt. Milt's 201 in the second and good throwing by Bernie Roth was enough to drop Nat's Nasties to fifth.

Moving up two spots to second, seven points behind were the Simes as they triumphed over the Goldenbergs 8-3. Sam "the Man" Springer tried to stem the tide with a 211 but Capt. Irv's 222 and fine 605 series put an end to the uprising.

Tied for second with a big 11-0 shutout over the Shapros are the Sachs who were led by anchor man Dockswell in the absence of Capt. Sid. Phil Wasserman's 203 in the last was in vain for Y's Boys.

Dropping to fourth spot 11 points out were the Sussmans who lost their pants to the hammering Holtzmanns 8-3. Larry Goldenberg's great 225 helped win the only game for Murry's men but Sid's 214 and bombastic 234 for a 602 series was much too much.

Remaining in sixth spot as a result of a 8-3 win over the Vladems were Lang's Lovers. Sid made his presence known with a masterful double 205 and 213 for a 610 series backed up by Bernie Leiberman's 201 and Joe Jacob's 223. Art Rosenthal edited a 213 but it was not to be.

In a dogfight to the finish the

Brody's topped the Gershens 8-3. Lou "the Pill" Truchil hit with a 200 to help win the second but Capt. Herb's 202 was still the topper. The big factor however was the fine 504 series his first this year of "the Doctor's doctor" Bernie Schmierer "Are you listening Alex?"

It had to come in the end. Robby Goldstein only had a 222 and 226 for a 624 series and took all eleven from the Rothmans. I don't know what else he must do but this time Fred Switzman's 217 was a big help.

The Simple Simon's with only three men still managed to take the Geyers 8-3. Merry Jerry Gold's 216 and nice 517 series backed Sid up.

Closing the lanes this week were The Flanders and the Marks with Buddy's boys the final victors 7-4. Buddy hit for anemic 201 but it was Lefty Burt Benjamin who had the big game of the night a sparkling 246.

I have been asked by some of our bowlers to bring up an issue for discussion at our general meeting. The continued absence of some members for weeks at a time results in the team bowling not only with less men but in many instances coming up with a forfeit. They maintain there should be a minimum attendance based on the previous season or that the bowler be placed at the bottom of the waiting list. They are not referring to business trips from time to time but other reasons that may keep a player away for as much as 6 to 8 weeks. This is all being stated in the continued effort of this column to be the sounding board of the League bringing forth any and all opinions.

See you at the Nevele!

## Jericho Youth Council Notes

At the Jericho Youth Council meeting held on April 7, Mr. Robert Stevens, President of the Council, announced that permission was granted for the use of the former Civil Defense room in the Jackson School basement, as a Jericho Teenage Coffee-House. Youth Council members and friends will paint, polish, and furnish the room to ready it for use. If anyone has any furniture or equipment suitable for a Teen Coffee-House, and would like to make a tax-deductible contribution, please call Mr. Stevens at 538-8946 in the evening. Come to the next Jericho Youth Council Meeting on Thursday, May 13, 8 P.M., in the Speech and Drama Room of Jericho High School for further reports on the progress of this project.

### Calling All Dirty Cars

Calling all dirty cars - have your car thoroughly and lovingly washed by members of the Jericho Youth Council on Saturday, May 1st, between 10 A.M. and 4 P.M., Jericho teenagers will be washing cars in the rear of the Birchwood Shopping Center parking lot, near Broadway-Jericho Road. A donation of \$1.00 per car will not only give you a clean car, but the satisfaction of contribution to the Jericho Youth Council's pet

project; a Jericho Teenage Coffee-House!

### Cake Sale on May 5

When you come to the gym at Jericho High School on Wednesday, May 5, between 2 and 10 P.M., you will not only have the opportunity to vote in the annual school election, but to buy cake from the members of the Jericho Youth Council.

In addition to ringing doorbells in April to solicit contributions, the Jericho Youth Council is planning a Car Wash on May 1 in the Birchwood Shopping Center from 10 A.M. to 4 P.M., as well as this Cake Sale on May 5; all in an effort to raise funds (which will be matched by the Town of Oyster Bay) to support their various projects.

Come to the next meeting on May 13, 8 P.M., in the Speech and Drama Room of the Jericho High School, and get involved.

### Book Sale in June

The Friends of the Jericho Library is having a Book Sale on June 12th; raindate will be June 19th.

Books may be left, any weekday, in the garages of Mrs. B. Felsler, 114 Bounty Lane or Mrs. S. Constant, 9 Otsego Place.

## Pony League Will Begin In May Saturday, April 24th, Opens Slate For 28 Jericho Little League Teams

Supported by nineteen area sponsors, with three more "probables" in the offing, the Jericho Little League is primed to open its 1971 schedule on Saturday, April 24th, with play in the Major League, Minor Leagues and Farms.

The opening day slate, involving a total of 28 teams, will have as its feature special ceremonies at Merry Lane Field, starting at 1:15 P.M. An official of the Town of Oyster Bay is to be on hand to throw out the first ball.

Then, sometime in May, the Pony League will get underway in conjunction with the Pony Leaguers from Hicksville. Present plans call for three teams from Hicksville and two from Jericho. President Gene Singer announced that Herb Hirschhorn, who will manage one of the Jericho teams, will act as director of that league in the meantime. There are 25 boys who have signed so far and, if more register, three teams will be fielded by Jericho.

Vice President Murray Rosenthal revealed that the

following business establishments have joined those previously listed as Little League Sponsors: Birch Drug, Berlap Realty, Bridal Shop, Great Bear Tire, Sandy's Restaurant, Dario's, National Bank of North America, Franklin National Bank, Syosset Lanes and Milleridge Inn. Previous sponsors are: Ernie's Barbershop, Long Island National Bank, Towns and Realty, Host Dell, Udell's Pharmacy, Bankers Trust Company, Flakowitz Bakery, Marine Midland Trust Company and Texaco Circle Service Station.

The current nineteen sponsors, plus the signing of the three "probables", would result in the largest number of sponsors (22) ever attained by the Jericho Little League.

The number of players registered, well over 400, represents the most boys ever to play in the League's various divisions.

A 14-game schedule will be played by each of the eight Major League teams; the Minor

Leagues, with three divisions of 4 teams each, will also play a 14-game slate in an interlocking schedule; present plans call for the two Jericho Pony League teams and Hicksville's three to play a 16-game schedule, with each team meeting every other team four times each; the eight teams in the Farms will face each other once for a 7-game schedule.

The Major League, Minors and Farms will utilize ballfields at Cantiague Park, Merry Lane and the local schools. The Pony Leaguers will play at fields in Hicksville, with the possibility of using the big field at Cantiague Park on Monday nights. Officials are also trying to secure the Jericho High School ballfield inasmuch as the Pony Leaguers will use fields with a distance of 90 feet between each base as compared, for instance, with the Major League's distance of 60 feet. The distance from the pitcher's mound to home plate is 60 feet 8 inches compared to 46 feet.

## Syosset District To Vote On Budget May 5

Residents of the Syosset School District will vote on a budget of \$18,685,330 proposed by the Board of Education to operate the district's thirteen elementary and secondary facilities for the 1971-72 school year.

Rising costs in mandated areas of professional salaries, social security, retirement, benefits, utilities and operating expenses reflect budget increases, but are not as substantial as the increase last year.

The proposed 1971-72 budget represents an increase of \$1,447,197, which is \$473,730 less than the increase in last year's budget.

State aid and other revenue, amounting to \$5,691,320, will reduce the amount to be raised by local tax levy to \$12,944,010, or an estimated \$12.154 per \$100 of assessed valuation. The tax in-

crease is \$1.20 over the current levy of \$10.954 per \$100 of assessed valuation.

The board is presenting the proposed budget after months of study and review of all programs with the school administration. The amounts allocated in each area represent the minimum needed to maintain the caliber and quality of the educational standards of the school district.

The most significant increases

are in the areas of personal services, employee benefits, utilities and tuition fees to BOCES which amount to \$1,106,571.

The remaining increases are the result of rising costs in all areas of operating expenses, services and materials.

An extension of the current contract has enabled the district to provide transportation service at no increased cost.

## Get Your Tickets Now For BCA Annual Dance May 8th

## The End of Rand Cashmeres

For 25 years the Rand Cashmere store was located on Birch Hill Road, Locust Valley. After next month the store will no longer be in existence. The owner, Emmy Guddat has decided to go into retirement. It will be a loss to the Locust Valley community not to have this exclusive store with all its hand decorated sweaters, dresses etc. A number of Emmy's customers wrote and told her, that they feel disappointed not to have the services any longer. Rand Cashmeres is well known for its superior quality. It's reputation is known not only in the North Shore Area, but also in New York City, New Jersey, Connecticut, Florida and California. Rand Cashmeres Sweaters, dresses etc. are also worn in foreign countries such as France, Germany, Switzerland, Denmark. Emmy Guddat would like to thank all of her many customers for the years of friendship and patronage.

## Religious Program For Exceptional Children

Our Lady of Mercy Church  
Hicksville  
At a Religious Program at Our  
Lady of Mercy Parish in  
Hicksville mention was made of  
the need for a Religious Program  
for Exceptional Children. We felt  
there was a need for such a  
program in this parish because  
our children were traveling to  
other parishes for their religious  
training, or not receiving any at  
all.  
Our Pastor Father John Casey  
and our Moderator Father  
Richard Delaney and our

Chairman Ken Koneck thought  
this was a much needed program.  
Sister Mary Roger from Our  
Lady of Mercy School, Joan  
Shapiro and Eileen Nalepa met  
and decided to organize a  
program. Our ideas were  
presented at the next Religious  
Education meeting and we were  
given the go ahead to start.  
Father Casey gave us a house  
next to the Rectory which the  
priests were no longer using, to  
use for classrooms. After con-  
tacting other parishes and  
inquiring about their programs,

we started. Next we started  
working on a curriculum for the  
year. Sister Mary Roger, who has  
a great interest and love for these  
special children, knew Father  
Cronin from Cardinal Cushing's  
School for Exceptional Children  
in Boston, Mass. She asked him  
for help and he was so kind as to  
send us a full curriculum to  
follow. Two years work was sent  
and this is what we are following  
now. Also included in this is a  
Liturgy for our special children.  
It is quite beautiful and we have  
had a Mass which was quite  
meaningful to our children and  
their families. When we were set  
up we then asked for help from  
the parish. We were overwhelmed  
with the response. Forty-five  
people signed up to help as  
teachers and aides. Half of the  
people signed up were teenagers.  
We then started training these  
people. Sister Mary Roger  
started a ten week training  
course on Helping the Retarded  
to Know God. We had a speaker  
and film in addition to Sister  
Mary Roger's informative in-  
struction. Now our teachers were  
trained and we had to think of  
setting up classrooms for our  
special children. They are also  
taking care of the arts and crafts  
and also the music. We are  
teaching on a one-to-one

ones to America's teenage set. The purpose? To give our youth new directions in a design for living!

It seems that no teen room - whether at home or in the dorm - can reach fashion's heights without at least one road sign to give a wall decorative direction. Now, the "real thing" in road signs is available at department, variety, hardware, drug and discount stores everywhere - to suit the decorative taste (and budget) of our most discriminating young.

Six road signs in real-life dimensions and official colors are being offered by Monsanto as part of its new Dimensionals line of wall hangings. These "hangups" are distinctively embossed and styled with a silk-screen process for a true three dimensional effect and can be used as bulletin boards for notes and memorabilia as well as for decoration. Made of exclusive Monsanto Form-Cor (a display and graphic arts material), these lightweight "Stop," "Dead End," "One Way," "R," "No Parking," and "Yield" signs are easily hung with a self-mounting wall hanger which is included with each sign. So - who says hangups can't be groovy!

## Nominations Will Be Accepted

Nominations for the five vacant seats on the Parish Council will be accepted from the floor at the Open Meeting of the Holy Family Parish Council, Hicksville, on Monday, April 28th, 8:30 P.M. in the School Cafeteria.

All interested parishoners are urged to run for the Council seats. The term of office will be three years. You must meet the following qualifications; be a Roman Catholic; live within the Parish Boundaries, and be over twenty one years of age.

Our Parish-wide elections will be held in June of this year. Kindly attend our open meeting on April 28th for further details.

relationship with our children which has been most successful. We also started a Home Tutoring Program for children who for one reason or another are unable to attend the Saturday program. Because of all the wonderful people in this parish, our program has been very successful. I would like to close by mentioning a Diocesan Workshop which will be given in Our Lady of Mercy Parish, Hicksville on June 6, 1971 at 2 P.M. This will be a workshop of practical teaching methods. All are invited. Anyone interested in our school may call 681-1228 weekdays from 9-3 p.m. Listed below are the names of people involved in our program: Eileen Nalepa, Principal; Sister Mary

Roger, Advisor; Sister Franzet, Sister Immaculate Marie, Maryanne Hoops, Chairman of Art; Eileen Trenkle, Chairman of Music; Kathy Gallagher, Barbara Palmiter, Pat Halpin, Elizabeth Stumpf, Janet Reibling, Catherine Sheedy, Cathleen Deutsch, Marge Siehle, Kathy Di Martino, Marge Miklas, Maureen O'Leary, Nina Laws, Carol Stuyvesant, Jane Urbach, Susan Tramosch, Joanne Griener, Catherine McCartan, Maria Marinaro, Juliette Giner, Janet Rheume, Robert Giannuzzi, Josephine Heineman, Diane Dauscher, Linda Gavin.

- The original motion (made by Mr. Muratore) to place the \$550,000 on a separate referendum was defeated. Voting yes: McManus, Muratore, Kershen. Voting no: O'Donnell, McCormack.

Mr. O'Donnell then moved to put all the money (\$1,186,900) in the budget and vote only on the mileage - state mandates versus our present policy. The State Education Department says we must vote on transportation each time the contract is renewed - our contract expires July 1, 1971.

Mr. O'Donnell's motion was defeated. Voting no: Muratore, Kershen. Voting yes: McCormack, McManus, O'Donnell. After an executive session, the Board of Education reversed their first motion and decided to have a separate referendum for \$500,000 for the transportation we provide beyond the state mandates. The 71-72 proposed budget includes state minimums.

Mr. O'Donnell announced the questionnaires prepared by the Community Relations Advisory Committee have been returned and tabulated. A final report will be sent to the Board and the public during May.

California produced 8.5 million tons of melons and strawberries last year. The crop, 2 percent greater than in 1969, was valued at \$736,486,000.
