VOL. 24 No. 18 Thursday, April 29, 1971 COPY 10c

# Jericho School Election May 5th

Residents of the Jericho School district will be called upon to vote for one of two candidates for the Board of Education at the election on May 5. Here are the two candidates, and their backgrounds. Candidate Stephen Levine is running uncontested for the Library board.

At the election, residents will

also vote on the \$8,615,359. school budget which is expected to bring the tax rate to 11.5¢ over 10.25 for the \$7,900,000. budget for the 1970-71 school year, and the \$103,322. library budget (tax rate 17.9). Voting will also be held on a proposition to acquire additional property for parking at the library.

**William Mayhew**

A veteran of 15 years service on the Jericho School Board, Mr. Mayhew is a civil engineer and a professional engineer in New York State. He was awarded bachelor's and Master's degrees in civil engineering from City College of New York.

He is the father of four children, two who have graduated from Jericho School, and two presently attending Jericho schools.

His platform states that he supports: "quality education, efficiently and economically provided; controlled experimentation in education; constructive evaluation of Staff and Administration; extension of educational facilities through a functional library; negotiations under the Taylor Law, as chairman of the Board Team, to develop agreements that are fair and equitable to both employees and the community."

**Bernice Baiman**

An active member for four years of the Jericho School's Budget Review Panel, Bernice Baiman has been a vital participant in the field of education since moving into the Jericho district 9 years ago. She has also served as a member of the Education Committee of the Birchwood Park at Jericho Civic Association, a member of the Jericho Youth Council and an organizer of the Girl Scouts. During the past five years she has been in regular attendance at school board meetings.

A former professional statistician, Mrs. Baiman was awarded a B.B.A. degree by City College of New York. She is mother of two children attending Jericho schools.

She states as her motivation for running for office her dedication to good education and interest in the problems facing the youth of today.

## Hicksville Community Council

Experts on our local school and library budgets will be on hand to explain their budgets and to answer questions, at the regular May meeting of the Hicksville Community Council, which is set for this Thursday, May 6th 8:30 p.m. at the library.

Candidates for the Board of Education of School District 17 are also invited to be present and will be introduced and given an opportunity to speak to those present. Over 30 local organizations are members of this council. Delegates take back reports to their own meetings.

All residents of the District are invited to attend. One does not have to be a member of the HCC to attend.

# Board of Education Approves Budget

by Shirley Smith

The Board of Education concluded its budget deliberations Tuesday night after discussing and approving Code 400 (Instructional and supervisory personnel, equipment and supplies). This code accounts for about 60 per cent of the total school budget.

The total budget figure for 1971-72 was set at \$22,245,329. This is a net increase of \$1,342,324 over the 1970-71 budget, and will increase our tax rate by \$1.18 per \$100 assessed valuation.

During the discussion on Code 200, Superintendent Abt stated we would not be involved with Westinghouse Corporation on Project Plan next year, nor will we use the computer services. The revision of curriculum for grades 1 through 6 incorporates many aspects of individualized instruction which are part of PLAN. The new curriculum will be introduced to all elementary classes next fall.

Board trustee John McManus moved the Board place \$51,000 in the proposed 71-72 budget for recreation. This motion was defeated. Voting no: Muratore, McCormack, Zindulka. Voting yes: McManus, O'Donnell.

Kerhen, Mr. Clark was unable to attend the meeting and according to School Board policy, a motion must receive four yes votes to pass.

Mr. Abt pointed out to the Board that we may not receive \$15,000 from the Town of Oyster Bay for summer recreation. The reasons given were:

(1) This money was originally offered as an incentive to expand recreational programs within the district. If we have no winter recreation, there is no expansion and no need for incentive.

(2) Recent legislation regarding revenue sharing with local communities is not clear, so the Town cannot commit funds at this time.

Mr. Kerhen moved that recreation (Code 400) be put on a separate referendum. There was no second to this motion. He then moved that a referendum for \$51,000 for recreation be presented to the voters. This motion passed. Voting yes: Muratore, McManus, O'Donnell, Kerhen. Voting No: McCormack, Zindulka. This referendum will add 4 1/4 cents to the tax rate if approved.

The transportation referendum will add 49 1/2 cents to the tax rate if it is approved. By law, The Board of Education must present a referendum for any transportation above the state mandates.

The state-mandated limits are: kindergarten through 8th grade: 2 miles out-of-district; 10 miles handicapped; 20 miles.

Our district now offers: kindergarten through 3rd: 1/2 mile 4th through 6th: 3/4 mile 7th through 8th: 1 mile 10th through 12th: 1 1/4 miles out of district: 22 miles handicapped: 22 miles.

The state limits are included in the base budget; the referendum is for those distances beyond the required minimums.

Voting on the school budget and for School Board trustees is scheduled for June 8, 10 a.m. to 10 p.m. in local schools. The budget hearing is May 25 at 8 p.m. in the High School. Registration is set for two days: Wednesday, May 19 from 2 p.m. to 8 p.m. and Saturday, May 29 from 10 a.m. to 5 p.m. Registration will be at the Administration Building on Division Avenue.

## Community Clean-Up Campaign

Mr. Robert Stackler, president of the Kiwanis Club, which organized the Community Clean-Up Campaign on Saturday, April 24th, announced that the drive was very successful. An estimated 200 persons, representing thirteen groups, participated.

Led by the St. Ignatius Cadet Corps the main body paraded from the Jr. High

School north on Jerusalem, east on Old Country Road, and south on Broadway to Rave Street. Groups were dropped off en route to clean up littered areas. The debris which was removed from five different areas totaled more than four truck loads. The truck was supplied and manned by the Town Sanitation Department.

Participating organizations were the St. Ignatius Cadet Corps, the Kiwanis Club, the Hicksville High Ecology Club, St. Ignatius Loyola, Boy Scout Troop 375, Post 375, Girl Scout Troops, 401, 515, 520, 549 and Brownie Troops 85, 181, and 599.

The Kiwanis Club and the community deeply appreciate their cooperation.

### Trustees To Meet

The Gregory Museum will hold its Board of Trustees Meeting on Friday, May 7, at 8:00 pm in the Board Room of the Administration Building, Division Ave., Hicksville. The public is cordially invited to attend all trustee meetings.

### Muratore To Speak

Mr. G. Thomas Muratore, distinguished member of the Hicksville School District 17 Board of Education will be the guest speaker at the regular meeting of the Lee Avenue Parent Teacher Association which is scheduled for Thursday, May 6 at 8:15 p.m. at the Lee Avenue School.

Mrs. Mary Carton, president of this active local organization urged all members to attend. "We are sure you will benefit by hearing Mr. Muratore's explanation of our school budget," she stated. "And, of course, there will be a question and answer period."

## Harold Satran Candidate For Trustee

Harold Satran, candidate for Trustee of the Hicksville Board of Education, is a resident of Hicksville for 14 years. He has two children, and has worked for 10 years for the Community as a Little League Manager and a Coach.

For 14 years he has been an active participant and Officer of both Congregation Shaarei Zedek and Midway Jewish Center.

He believes that "Hicksville Schools are among the finest on Long Island, and that we must continue to build on this base." He pledges to "Work with our School Administration to improve both the General School Program and the BOCES School Programs in Hicksville. Open wide the lines of communication between the taxpayers and the school authorities so that the lay people feel that they can and should ask the questions on their minds, and the Administration feels secure enough to answer forthrightly. Make sure our tax dollars are used to provide the complete education that we

**Harold Satran**

expect for all our children. Act independently of all pressure groups, and not to con the interested taxpayers who attend Board Meetings."

Remember: Tuesday, June 8 - 10 A.M. to 10 P.M. Vote At Your local Elementary School.

## "Hello Dolly" Is A Super Success

Plainview High School Drama Cadets received standing ovations last Friday and Saturday nights after each fantastic performance of "Hello Dolly."

A performance such as this will not soon be forgotten by the community, as the degree of professionalism was outstanding for a high school company. There will be two more performances this weekend (April 30th and May 1st) at 8:15 P.M. at the Plainview-Old Bethpage High School (Southern Parkway and Central Park Road in Plainview).

The show is equally exciting for children, teenagers, and adults. For a low, low \$2.00 per ticket be sure to come for an evening of side-splitting fun and entertainment.

Produced and directed by Mr. E. Arrigo, Mrs. T. Arrigo, Mr. U. DiDio, Mr. G. DeFina, and Miss A. Masciarelli. Principal performers are Joann Di Mari, Frank Schiralli, Gail Klein Steiner, Jay Leistner, Ralph Potente, Jane Margolies, Gary Kaplan, Harriet Parness and Barbara Dugatin.

## Joint Concert

The singing boys of Long Island the Long Island Youth Orchestra will present a joint concert for children at the Hicksville Jr. High School this Sat. May 1 at 2:00. These concerts are sponsored by the Cultural and Performing Arts Division of the Township of Oyster Bay to expose school age children to programs that are not only delightfully entertaining, but also culturally enriching. Tickets may be purchased at the door for 50 cents.

## Clifford Elected To Board

Patrick J. Clifford, Chairman and Chief Executive Officer of Security National Bank, has been elected a Director of Utilities and Industries Corporation, New York. Utilities & Industries Corporation is a merchant banking company primarily engaged in the water utility and real estate fields.

Mr. Clifford, who has been in the banking business for over 40 years, began his career as a 16-year-old page in New York bank. He served as an Air Force officer during World War II.

## MEN IN SERVICE

Airman Raymond V. Tobia, son of Mr. and Mrs. Vincent V. Tobia of 11 Chain La., HICKSVILLE, has received his first U.S. Air Force duty assignment after completing basic training at Lackland AFB, Tex. ### A.L. Auxiliary

The American Legion Auxiliary of the Charles Wagner Post No. 421 will have its next meeting on May 7 at 8:15 p.m. The meeting will be held at the Legion Hall at 24 East Nicholas Street, Hicksville. They will have nominations and elections of officers at this meeting.

### Motel Addition

No one was present at the regular meeting of the Town of Oyster Bay on Tuesday to oppose the petition of 828 Astro Crop for a special permit use to construct an additional 32 motel units on its existing motel opposite Grumman on South Oyster Bay Road, Hicksville. The exact location of the motel is the corner of Meadow Lane.

The motel, now including 68 units, coffee shop, swimming pool and other appurtenances, serves primarily engineers and businessmen visiting Grumman, and Grumman families who have relocated to New York who are seeking permanent housing. Weekdays are busy, weekends slow at the enterprise, said attorney Paul V. Rudden, of 290 Old Country Road, who presented the application.

### Tour of Churches

Churches in the Mid-Island area, noted for historical and architectural significance, will be the focus of a "Tour of Churches", sponsored by Valparaiso University Guild on May 5. The tour will leave by bus from Trinity Lutheran Church, Hicksville, at 9:30 A.M., and visit such sites as St. Paul the Apostle, Jericho, Old First Church, Huntington, St. Sergius Russian Orthodox, Syosset, and Church of Jesus Christ of the Latter-Day Saints, Plainview. Donation is \$2.50. Contact Mrs. William Forsberg, Hicksville, for reservations.

### May Fellowship Day

The East Nassau Council of Church Women United will observe May Fellowship Day at the Bethpage United Methodist Church, 192 Broadway, Bethpage, Friday, May 7, at 11:30 A.M. They will also have "Operation Outreach" (non-perishable food shower). The theme of the meeting will be "Focus on the Family in a New Era." Luncheon will be held after the meeting and baby-sitting will be provided.

### Coming Up At Town Meetings

Two hearings of interest to Hicksville and Plainview residents are on the agenda for the Oyster Bay Town Meeting beginning at 10 A.M. on Tuesday, May 4th at Town Hall, Oyster Bay.

During the course of the meeting, residents will have the opportunity to hear about and speak in connection with the application of A. Schnette for a special permit use to use an interior parcel south of Old Country Road and west of Plainview Road for additional parking for the Old Country Theatre, Plainview. The parcel is an irregular parcel averaging in width about 110 feet east-west, and 200 feet north-south. The property is owned by the estates of several people whose address is care of a New York lawyer, Bernard Gartler, and by a Michael Forte.

In addition, Hicksville residents will have opportunity to speak regarding the proposal to extend the moratorium on issuance of building permits and rezonings in the downtown area of their community pending the completion of a master plan for the area.

May 11th hearing  
Another date to note for Hicksville residents is Tuesday, May 11th, when the Town Board will hear the application of John W. Merenda for a change of zone from E residence to Business F District for a 8,806 square foot parcel of land on the northwest corner of Old Country Road and Underhill Ave., fronting about 88 feet on Old Country Road and 75 feet on Underhill. Applicant, fee owner of the property, proposed to construct a two-story office building on the parcel, providing 5,000 square feet of office space.

# Dear Friends:

Over 200 Hicksvillians attended a meeting last Thursday night at the Hicksville High School. At least 195 came out of this meeting, knowing no more than when they went in. This is no reflection upon their intelligence. It is not a reflection upon the intelligence of the firm of professional planners employed at present by the Town Board of Oyster Bay. It is not even a reflection upon the intelligence of this august body of our elected representatives. In a nutshell, the meeting was poorly prepared and poorly run. From a late start which we are sure was unavoidable, it went steadily downhill. Those present were handed no prepared material by the planning firm, nor were they handed maps so that they could study the recommendations of this firm and ask intelligent questions. They were shown slides of Hicksville (we know what it looks like, only too well). And for the entire evening, questions came from the audience based on ONE SLIDE prepared apparently by the planning firm and, blurry as it was, it remained throughout the meeting as the only guide to those in the audience who were there to hear what this planning firm is recommending for the Hicksville area. It simply wasn't enough. As a result the meeting was a complete waste and, going full circle, we reiterate, those present could learn nothing of value, nor could they base their questions on specific recommendations.

We suggest that the Town Board send a properly prepared map of the area, with specific suggestions of their planning firm, to all newspapers covering this important area, for publication BEFORE they call the next meeting, which will then be a meeting which might be meaningful. Also we suggest that this happen soon. The residents and the business people of Hicksville do have patience...there is no question of that....but, FOR HOW LONG?

## Guest Editorial

Rabbi Julius Goldberg

The protest movement for Soviet Jewry has received a lot of publicity in the media. However, few people know the reason for these demonstrations and why Jews demand the right to emigrate. The following facts constitute Soviet Communist Anti-Semitism:

1. There are no schools, classes or courses in any language to enable Jews to learn Jewish history, culture, literature or even their recent awful losses during World War II. The martyrdom of Soviet Jews during the Nazi holocaust has been constantly downgraded by Soviet authorities and press. There is no Jewish publishing house or Jewish book distributing agency.

2. The principle of equality in Communism has been observed in the breach, insofar as Judaism is concerned. In Soviet society religious centers for various faiths are vital to meeting the various needs of religious groups. Unlike other recognized religious bodies, Judaism is not permitted any central or coordinated structure; each congregation must function in isolation.

3. Accordingly, Judaism, unlike other faiths cannot publish periodicals and devotional literature, including journals, prayer books and Bibles. After years of world protest, 10,000 prayer books were permitted in 1968 and hundreds were actually distributed.

4. In contrast to other recognized religions, there are no

Yeshivot, rabbinical schools or seminars functioning at all because of bureaucratic maneuvers such as a denial of housing permits to students. Thus, there are no replacements for the few aging rabbis. The Soviet government allows theological students of many other faiths to study in their own institutions, and in foreign seminaries or religious educational institutions. Judaism is an exception.

5. Synagogues have been closed in almost systematic fashion as a result of both direct and indirect government action. In 1966, there were 450 synagogues in the Soviet Union. In April of 1963, there were under 100; according to non-Soviet sources there are

now about 65 synagogues.

6. Discrimination against Jews does exist in vital, decision-making sectors of Soviet society, particularly government, political life and in fields involving foreign contact. The quota system at universities, the key to advancement in Soviet society, operates, according to one study, "to the particularly severe disadvantage of the Jewish population."

I could go into much more detail but these facts are ample to demonstrate that the Soviet Union wishes to spiritually and culturally annihilate 3,500,000 Jews in Russia. As a result of the protest demonstrations made by Jews and Christians alike, the Russian government has granted exit permits to a few more Jewish residents. However, the real heroes of this entire movement are those Russian Jews who have risked their lives to petition their government for the right to emigrate. Public protests in the Soviet Union are tantamount to expulsion to a Siberian labor camp or death. When questioned by newsmen as to why they are risking their lives, they respond by saying that they would rather take the chance getting the treasured exit permit to Israel than continuing a living death in the Soviet Union.

Their cry is our cry. We join with them and with all freedom loving people as they sing out in the halls of the Kremlin, "Let my people go!"

## Letter To The Editor

An open letter to Supervisor John Burke.

As of late, every time I read the newspaper you are defending an indefensible position of making personal retorts and remarks regarding persons who criticize you, and your town's administration. Your retorts only cloud the complaint, and never rectify or solve the problem.

Rev. Perez was right in his criticism of your administration methods regarding future planning in communities, and your retort does not deter from the credibility of his criticism.

Assemblyman Martin Ginsberg, in his criticism of the Old Bethpage incinerator, and the Hicksville escalator is another example. The Old Bethpage incinerator is not operating properly and has never operated effectively since its installation. It has been, and is, the subject of complaints by almost every resident of the Old Bethpage area. The Hicksville escalator is inoperable most of the time, and any commuter who uses the station can verify this.

Again, your retorts only cloud the issue; but does not deter from the credibility of these criticisms. Mr. Burke, "Thou protestesth too much!"

Yours Truly,

Dear Editor:

Spring is the time of the year when most homeowners receive the "bad news" about increases in their monthly mortgage payments. This year the increases have been particularly startling and seem to range anywhere from \$15 to \$20 a month as an average.

It is unfortunate that at this time every year your School Board is also agonizing over new budgets and thereby becomes "guilty by association" with the entire increase in mortgage payments.

I would respectfully suggest that we all look carefully at the items which make up our monthly increases. I think you will be startled to find that the "Town & County" tax actually is responsible for two thirds of the increase while the "School Tax" accounts for the other one third. Putting it another way - the average increase due to school taxes is somewhere in the neighborhood of \$6 per month or \$72 per year, while the Town Tax has increased at the rate of \$12 a month or \$144 per year.

It is fairly obvious that the cost of all services provided through our tax dollars is increasing at a rapid pace. We should not be misled, however, into thinking that all or most of these increases are due to School taxes, since in the example given it is clear that the cost of Town & County services is increasing twice as fast as the cost of operating our schools.

Dear Editor:

The New York State Legislature has just passed repeat PASSED (131 to 8 in the Assembly and 49 to 4 in the Senate), the Reilly-Marino bills to repeal the authorization for the Rye/Oyster Bay causeway bridge.

This is an overwhelming victory for all who have opposed the construction of this ill advised project. Through this repeal action, the members of the New York State Assembly and the New York State Senate have responded to the will of the people.

BUT THE FIGHT IS NOT YET OVER.

THE REST IS UP TO GOVERNOR ROCKEFELLER. He has two choices: He can sign the repeal bill and once and for all end the bridge threat to Long Island Sound. By so doing he too can show that he heeds the voice of the people.

Or he can veto the repeal bill and stubbornly attempt to go

forward with the Rye/Oyster Bay project in total disregard of the desires of the people of New York State.

We must let the Governor know how we feel.

We must urge him to sign the repeal bill. (In the Assembly No. 945; in the Senate No. 2118.) Everyone of us should now write or telegraph Governor Nelson Rockefeller, Executive Mansion, Albany, New York, urging him to sign the Reilly-Marino repeal bills and erase the threat to Long Island Sound and communities around it.

Write or telegraph now! Let the Governor know how many of us demand that he sign the repeal bill into law.

### Final Film Of Series

The final film of the Hicksville Public Library Cinema 1970-71 series will be shown on Wednesday, May 5, at 8 p.m. in the Library auditorium.

The third of the Bergman religious trilogy "The Silence" depicts a world in which God is silent, a world of despair. The reviews in the New York papers when it opened in the United States were all superlative. We are proud to have this film masterpiece as the last of our cinema series of the season.

Next year's film program is now in the planning stage. It promises to be as exciting and stimulating as this year's series was. In September the full program will be announced, so be sure to put your name on the library mailing list.

## Singing Boys And Youth Orchestra In Joint Concert

Town Councilman Ralph Diamond reminded local residents that the Singing Boys of Long Island the Long Island Youth Orchestra will be appearing in Hicksville this Saturday, May 1.

Diamond said the joint concert, which is co-sponsored by the Cultural and Performing Arts Division of the Town's Department of Recreation and Community Activities and the local Parent Teacher Association, will be offered at 2 PM at Hicksville Junior High School. A fee of 50

cents will be charged by the PTA. The Singing Boys of Long Island is a non-denominational choral group whose ages range from 10 to 18 years. The youngsters made a two-week tour of England last year and plan a three-week excursion to Italy this summer.

The Long Island Youth Orchestra is in its 8th season and has expanded from an ensemble of less than 20 players to its present complement of nearly 1000 members.

# Webelos Scouts Visit Gettysburg

By Charles Klein

At 5:30 AM on Friday morning, April 16th, twelve Webelos Scouts of Cub Pack 172 prepared to begin a 3-day trip to the famous Civil War battleground of Gettysburg, Pennsylvania. This trip was made in connection with the theme of "Our American Heritage", and was planned to give our Scouts an insight to one of our country's most crucial and important periods - The War Between the States.

The Webelos Scouts who attended this trip were: Jack Feeley, Kevin Way, Glen Walker, Robert Woodcheke, James Mulligan, Michael Hodgkinson, Andrew Goerke, Edward Gargan, Stephen Zorovich, Charles Brietin, and Christopher Greene, all of Hicksville. The leaders included our two Den Chiefs, Charles Fetta and Dan Curley, and Den Leaders Charles Klein, Tom Zorovich, and Howard Greene, all of Hicksville

and who also provided transportation for the group.

This trip was carefully laid out and planned for several months before the actual departure. In order to keep costs down it was decided to make this a camping trip, and an approved tourist camp - "Battlefield Campground" - which is located just off the Government grounds, was contacted in order to make necessary arrangements. It was decided to cook only one meal a day, supper, and to eat breakfast and lunch in the town, in order to save our time for more important things.

It was a fair and bright spring morning when the group departed from Hicksville, and at 11 AM we pulled into Gettysburg. Immediately we set up camp, had a quick lunch-break, and then prepared to begin our tour of this historic area.

First stop on our agenda was

the National Museum and Electric Map, where the Scouts received a clear understanding of how the battle was fought. Following this a visit was made to the "Cyclorama", a huge painting which depicts in vivid detail the climax of the struggle. Viewing the painting enabled the Scouts to see what Civil War fighting was like. Next came a walk through the National Cemetery, where many of the battle's fallen lay in final rest, and site of Lincoln's "Gettysburg Address". Then a "raid" was made on the local souvenir shops. With evening coming on, the group returned to camp, fixed supper, and later turned in for a night's rest.

The following morning the boys and leaders awoke early, went to town for breakfast, and began a complete tour of the battlefield. One of the adult leaders is an avid Civil War buff, and has a com-

plete knowledge of this battleground, and he conducted the Scouts on a personal guided tour of the area. Beginning at the point where the fighting first began, the group followed the old battle-lines, viewing and inspecting the many monuments and cannon that spread over the fields. At the "High-Water Mark" the boys made their own "re-enactment" of Pickett's Charge. They also "attacked" Little Round Top, and then descended its slopes into the Valley of Death, and climbed amidst the rocks of Devils Den. By late afternoon all the important points of interest had been covered and the group returned to camp once again for the evening.

On Sunday the Scouts attended Church services in the town, and then proceeded to take down their campsite. The travelers arrived home at 5:30 PM to waiting parents and friends.

The Webelos Scouts, aged 10 to 11, had conducted themselves throughout the trip in an excellent manner. More than once they were complimented on their behavior and orderliness. By their own performance they proved that trips such as this can be successfully undertaken. Upon their return the boys themselves exclaimed that this was the best trip they had ever been on, and had learned some things on it. A leader can ask for no greater satisfaction than that kind of a statement.

Cub Scout Pack 172 is sponsored by Redeemer Lutheran Church, Hicksville, and welcomes any boy between the ages of 8 to 10 to join us and share in the fun and adventure of "Cubbing". For further information please contact our Cubmaster, Mr. Ken Haller, at WE 8-5538.

## Civil Air Patrol News

"Apollo 12: Pinpoint for Science" was presented at a recent meeting of Nassau Squadron No. 4, Civil Air Patrol.

Both cadets and visitors reported that this was an excellent film particularly emphasizing the scientific aspects of the lunar walk of Pete Conrad and Al Bean and the lonely vigil in lunar orbit of Dick Gordon.

On Tuesday, May 11th, the next film in this series - the story of the first major crisis in deep space - "Apollo 13: Houston, We've Got a Problem" - will be presented. Visitors are welcome.

Nassau Squadron No. 4 meets at the J.F. Sparke School, Condor Rd., Levittown, every Tuesday at 7:30 p.m.

## Bangali Film At Library

"The Music Room" by famed Indian director Satyajit Ray will be shown at the Plainview-Old Bethpage Public Library Friday, May 14, at 7:00 P.M. and 9:15 P.M. It is the touching story of an extravagant land-owner who is passionately addicted to giving sumptuous festivals and musical soirees. The film is in Bengali with English sub-titles.

## Student Trustee Elected

Robert C. Gottlieb of 4 Boulevard Drive, Hicksville, was elected by the Cornell University Senate to serve as a student member of the Board of Trustees.

This year will be the first time students will hold seats on the Board of Trustees. Mr. Gottlieb was one of two students elected by the Senate to serve a one-year term on the Board.

Mr. Gottlieb is concerned with keeping communications open between the Board and the community. He is a junior in the School of Industrial and Labor Relations.

## "A" League

by Bob Cassagno

**"BRING ON THE SEASON"**  
The "A" League opens its season this week and it should be real interesting to watch these opening games, where most of the youngsters will be getting their first taste of Little League action. After having seen all the teams in pre-league action; they

seem pretty evenly matched, so it should be a very close race. I would like to, at this time, wish all the managers, coaches, and players, the best of luck in the coming season. And let's always remember to support our sponsors. **BRING ON THE SEASON.**

## "AA" League

by Charlie V. Rollins

We sometimes overlook the fact of the importance of our managers & coaches. It takes a certain quality in an individual to come out year after year to help these boys. They give their time, patience & leadership; teaches them sportmanship. They create an image, something your son & mine can look up to & copy. Who knows they may be molding the future Roy Whites, Bobby Murcers, Curt Floods or my favorite Phil Rizzuto. Our managers & coaches are

dedicated persons & we in our community should feel a sense of pride. And what about the dedicated wives (God Bless Them) who have helped in a thousand ways. In the words of that famous Bus driver Ralph Kramden (Jackie Gleason) ("Your the greatest").

Feel how it feels to be an addict.

Drugs are killing our young people. And we must be made aware of it.

"11:59—Last Minute to Choose" will do just that. Because it deals with the hard and cold realities of the drug scene.

Chemical Bank promises you won't leave this film feeling sympathy, but rather, all the pain and fears of an addict. It's certainly something you should watch, and more important that your children should watch, too.

Chemical Bank presents the real and frightening drug scene.

"11:59—Last Minute to Choose" Tuesday, May 4, 10P.M. Channel 2.

## Latin Students Wash Roman Eagle

The annual washing of the Roman eagle, perched at the Hicksville Rail-Road station of the L. I. R. R., was performed this week by members of the Hicksville Senior High School Latin Club. This sixth washing commemorated the 2723rd anniversary of the founding of Rome (April 21, 753 B. C.) and coincided appropriately with Earth Week. The students are doing their best to make sure that the eagle never becomes a dirty bird.

Rescued from the reconstruction of that former replica of

a Roman bath, Pennsylvania Station, in New York City, the eagle was cleaned of fifty years of city dirt and smog by the railroad and set up on its concrete pedestal. A local contractor dedicated the bronze plaque and the Town of Oyster Bay furnished the space in the north parking lot of the R. R. station. The dedication on the Ides of May, MCMLXV (May 15, 1965) featured the high school band dressed in togas, a Latin community sing led by Samuel A. Goldberg, Latin teacher, and honored guests.

MEMBERS OF THE CLUB seen here who participated in the "Roman Eagle Bath", are Mark

Landress, (Perched on top) Melissa Steuer, Marc Drier, Alise Kreditor, and Leon Fonfa.

## Gutter Ball Gossip

By Herb Mahler

As the time is running out with only three more weeks to go, every point becomes precious and even one for high game or total wood is like a diamond. This was the case this week with the YO-YO Hoffmans. After losing the first two games, they rallied in the last to roll a 934 for 5 points, still losing to the Goldenbergs, but hanging on to first place. Wild Bill Kellerman blasted a 233 to help win the last. Morris 'Oops I slipped' Garelick did for a large 221.

The most improved, team that has been winning consistently, did it again as the Sachs trampled the Langs 11-0 to remain in second only one point behind. Dick Wolfeld was the big gun for the Sachs with his 213 in the last for a sweet 571 series. Dave Dembart's 200 was not enough for the Langs.

Still very much in contention were the Simes as they took the Helpless Holtzmans 8-3 to remain in third but only 4 points out.

Moving up one spot to fourth were the Warrens as they topped the Sussmans 8-3 with Murry laughing all the way. It was the "Flipper" Charlie Smith with an exciting 221 to provide the Warrens with the spark as Larry Goldenberg's 208 couldn't help Murry's Moppets. The Sussmans dropped one to fifth.

Jumping two spots to sixth were the Flanders as they rolled over the Goldsteins 11-0. Burt "How do I make this spare" Benjamin hit with a 201 but it was Buddy's big 211 and 201 that did the job.

In a tight battle the Vladems were victorious over the Ger-

shens 7-4. Capt. Lou's 200 and our crusading Editor Art Rosenthal's 207 were the big blows with Julie's 213 for the losers.

Still tanned from his vacation under the sun lamp, Lewis Marks was a real inspiration with his 211, leading his men to a 7-4 victory over the Geyers.

In the only other shutout, the Simple Simons did it to the Rothmans with Capt. Fred away.

Still another point that some members want brought up at the forthcoming annual meeting is the voting for President. With our present system of Vice-President moving up to Pres., this has worked out well. This year, we have had a good man in Hy Shapiro with another one in Sid Lang soon to take his place. Their point is that all through the years, no one can remember when the President was not a Captain. The question is, is the major qualification to office the ability to throw strikes and make a ten pin? In our league, we have many men who are qualified, run large organizations, have the time, show a marked interest in the League, but are disqualified because they are lousy bowlers.

At the meeting this year, let's think about electing a Vice-President from a pool of 90 men instead of just 16 as in the past. P. S. I decline the nomination.

Our Pres. Hy Shapiro has informed me we have now 69 couples committed to the weekend; our largest turnout since its inception the first year. This promises to be the best yet and the Champagne should flow Friday night, right Mr. Simes? See you at the Nevele!

## Mrs. Baiman Receives Civic Endorsement

At its April 20 meeting, the B.C.A. Board of Directors voted to endorse Mrs. Bernice Baiman for the Jericho School Board. She is running for the seat currently held by Mr. William Mayhew.

Bernice has been on the Board of Directors of the Birchwood Civic Association for seven years and has served as Chairman of the Jericho Library Committee, Chairman of the Election Dinner Dance Committee, and member of the Jericho Education Committee. She has regularly attended Board of Education meetings and has been a member of the Budget Review Panel for five years. She can bring to the Board a business background as an economist; a true desire for superior education for our children at minimal cost; as well

as the invaluable asset of a mother's point of view as to what is best for the children.

## Anticipated Jericho Budgets OK'd by BCA

The Jericho School Budget, as presented by the Board of Education, was endorsed by the Birchwood Civic Association Board of Directors, at its meeting on April 20.

Also endorsed were the Jericho Library Budget and Stephen H. Levine who is running unopposed for re-election to the Library Board.

Voting will take place on Wednesday, May 5, from 2 - 10 PM in the Jericho High School gymnasium, and the BCA urges everyone to exercise his right to VOTE!!!

## Police Officials Speak At BCA Directors' Meeting

By Art Rosenthal

Lieutenant John Blankenhorn, Commander of the 2nd Police Precinct, and Inspector John W. Connell, were guest speakers at last week's meeting of the Board of Directors of the Birchwood Civic Association. The monthly meeting was held at the Syosset Public Library.

Lt. Blankenhorn and Insp. Connell both discussed the Nassau County Police Department's Neighborhood Security Program, which is designed to make neighbors aware of the need to protect each other. Those who participate in this program are asked to be alert for any hazard affecting a neighbor's home and report suspected trouble to the police. Participating residents are not to take any action but simply report suspicious persons, automobiles or circumstances.

The police officials also pointed out that the department has Crime Prevention Units and, in the 2nd Precinct area, sixteen men in all kinds of attire cover the neighborhoods, generally on foot and not dressed as policemen.

They stressed the fact that if any resident does not want the police to come to his home during the investigation of a suspicious activity report, merely give your name and telephone number when making the call.

Displaying the red, white and blue identifying emblem of the Neighborhood Security Program was named as a good crime deterrent. These emblems, as

Inspector John W. Connell and Lieutenant John Blankenhorn of the 2nd Police Precinct show the identifying emblem of the Neighborhood Security Program to

Jerry Gold, Chairman of the Health, Safety and Welfare Committee of the Birchwood Civic Association at last week's Board of Director's meeting.

well as small stickers for telephones bearing the 2nd Precinct's telephone number, are available upon request to the precinct headquarters.

Insp. Connell brought out that, since January 1st, there have been eleven burglaries in East Birchwood. While these burglaries took place during different hours of the day and night, all entries were made through the rear of the houses - either through the back door, back window or sliding patio door. The Inspector stated that most burglars are not

professional and are in the 16-25 year old age bracket and are involved with narcotics.

Listed below are the East Birchwood burglaries which occurred from the beginning of this year through Tuesday, April 20th, the night of the meeting:

January 7 - Forest Drive; 12 - Forest Drive.  
 February 6 - Hightop Lane; 7 - Hazelwood Drive; 7 - Forest Drive; 22 - Oakwood Street.  
 March 5 - Favorite Lane; 6 - Mellow Lane; 7 - Middle Lane; April 4 - Middle Lane; 18 - Bounty Lane.

## Music Sabbath Temple Or Elohim

There will be a Jewish Music Sabbath at Temple Or Elohim on Friday night, April 30th. This year Temple Or Elohim will devote this music Sabbath to a tribute to our Chassidic heritage. One of the most creative periods in Jewish music occurred in eastern Europe during the 18th century with the rise of hassidism. The Chassidic rebbes created many beautiful melodies and songs and endowed them with deep religious significance. This creativity has continued into our times and one of the well-known interpreters of this tradition is the famous folk singer - Shalom Carlbac.

Cantor David Gaber will sing a "sermon in song" by picking a few selections from this vast treasure house.

## Adult Film Series To Begin May 10th

The Spring 1971 adult film series sponsored by the Jericho Public Library will begin Monday, May 10th with the award-winning film THE BATTLE OF ALGIERS. Prior to the feature film three short subjects will be shown: CLAY, DRAGON'S TEARS, and THE CRITIC. On the following Monday, May 17th, Luis Bunuel's VIRIDIANA will be shown. The short subjects shown on the 17th will be THE AMERICAN TIME CAPSULE and ALPHABET. On May 24th the short subjects will be PAS DE

DEUX and HYPOTHESE BETA followed by Antonioni's RED DESERT.

The Spring adult film series is offered as a public service to the community and is therefore free to all who wish to attend. The film programs are held in the auditorium of the Jackson School on Maytime Drive in Jericho. Coffee and cake will be served in the lobby of the school courtesy of The Friends of the Jericho Public Library from eight to eight-thirty. Film programs begin at 8:30 P.M. sharp.

## Interfaith Council Supper Slated May 16

Jericho-Brookville Interfaith Council, in celebrating its third year of active existence, is inviting the members of the community to sit down together and break bread on Sunday evening May 16th. The ballroom of the Jericho Jewish Center where the affair will be held will accommodate only 400 persons for this sitdown supper and, since the combined membership of the member / congregations is close to 3000 families, unfortunately, only the first 400 can be accommodated on the basis of receiving payment. The normal cost of \$4.00 per person will include tasty southern fried chicken, salads, desserts, etc.

Each table will find members of St. Paul's, All Saints, Jericho Jewish Center and Temple Or Elohim sharing in this brotherhood experience. It is hoped that many teenagers will accompany their parents on this memorable occasion.

Guest speaker of the evening will be the Hon. Lester Wolff, the Congressman representing this district, who will speak on a topic which is of the greatest concern to every member of the community. The subject is welfare reform.

Members of the audience will be able to direct questions to Congressman Wolff after he has delivered his talk.

# CD Auxiliary Police Mark 10 Years of Service

One of the complaints heard in America today is that people are apathetic toward their fellow man and refuse to "get involved" to help neighbors who are being mistreated or are in some kind of danger. This is a complaint that can never be voiced about the Civil Defense Auxiliary Police Unit of Plainview - Old Bethpage. The unit, which is marking its 10th anniversary this year, is made up of dedicated volunteers who "get involved" all the time by providing a free year-round service of protection for the thousands of families who live in Plainview and Old Bethpage.

Members of the Auxiliary Police work full time as salesmen, engineers, teachers, electricians, lawyers, carpenters, artists, etc. When they don their uniforms on behalf of the community, they do it strictly on their own time. Each man puts in at least 5 hours a week and many put in 10 to 15 hours. In addition, the Auxiliaries attend monthly meetings. Since they work under the direction of the Nassau County Police Depart-

ment, they take a 23-week training course conducted by the Department.

The Auxiliary Policemen participate in training drills conducted by the County Civil Defense Office for in the event of a national emergency, they would be mobilized for police service. In addition, they have a regular peacetime function of conducting patrols of the 14 schools in the local district along with patrols of parks and recreational areas and church and synagogue buildings. "They have provided an exemplary service in reducing the rate of vandalism and malicious mischief and in apprehending burglars, molesters, prowlers and other criminal types who they turn over to the police," points out Edward R. Callahan, director of the Plainview - Old Bethpage CD unit. "They have been praised repeatedly not only by school officials, but by town, county, and state officials as well."

According to Auxiliary Police chief Othello Pedersen and

deputy chief E.J. Rago, the Plainview - Old Bethpage unit has four marked cars with two-way radios for their patrol activities. In addition, there are 2-way radios in 21 of their personal cars which they often utilize for Auxiliary Police work. (paying for the gas and oil out of their own pockets)

The Auxiliary Police have been called out to assist the police in handling "rumble" in the parks as well as to maintain safety during railroad and other strikes. They also were active in the "blackout" emergency and were on the job during hurricane and snow alerts. Even when they are going about their normal civilian pursuits, they regard themselves as duty bound to help in an emergency.

Recently, Patrolman Frank Lutz was honored for saving the life of a woman motorist. While driving on Jericho Turnpike, he noticed her car was on fire and made a U-turn to catch up to her. He waved her off the road and got her out of the car seconds before it blew up.

## Kennedy Players Present "Mame"

The Plainview-Old Bethpage area will once again receive a Broadway extravaganza, local style, when the Kennedy Players present "Mame".

The Players, who will present the musical on May 7, 8, 14, and 15 at John F. Kennedy High School in Plainview, are directed by Mr. George R. Blouin, an English teacher at Kennedy. Mr. Ronald Cohen will handle vocal direction and Mr. Kirby Jolly will lead the accompanying orchestra.

"Mame" is their fourth show - in previous years, the Players have successfully presented "Bye, Bye, Birdie", "The Sound of Music", and "Guys and Dolls". This year's musical, "Mame", was written by Jerome

Lawrence, with music and lyrics by Jerry Herman. With Angela Lansbury in the title role, it first opened in New York on May 24, 1966, and thereafter enjoyed a long Broadway run. "Mame" is the story of a truly liberated lady whose philosophy is, in a word, LIVE!

Debbie Leary is Mame, playing opposite Ray Walicki's Patrick Dennis. Other featured players include Lorraine Masone as Gooch, Alice Jacobson as Vera Charles, Larry Fuchsberg as Beauregard, and Paul Deckleman as Mr. Babcock. Tickets are now on sale by mail, and at the Kennedy box office.

H.S. MATH TEAM PLACES HIGH: and finished fifth in County Wide competition; and will compete in the County wide play-offs. In addition to the team honors, Hicksville is the only school in Nassau County to place more than one player on the

Nassau County Math team all-stars. Team Captain Marc Drier, left, and team member Ira Smilowits, right, accumulated individual high scores to qualify for the all star play-off honors. Hicksville placed 5th among some 60 competing schools.

## Awarded Contract

A \$246,712 contract for the expansion and improvement of training facilities of volunteer firemen has been awarded by County Executive Ralph G. Case. The contract calls for construction of a 4-story drill tower, an equipment storage garage and additions to existing office space at the Fireman's Training Center on Winding Road in Old Bethpage.

The 4-story drill tower will permit training of firemen in both entry and directing of hose streams into buildings of this height. The tower includes an underground cistern permitting re-use of water used in training exercises.

Work is expected to begin in May and be completed by August.

# SPORTS

By

Howard J. Finnegan

The resurgence of Hicksville track swept over unsuspecting Clarke, Tuesday, 75-66, to keep the Orange and Black undefeated in league meets.

This win followed a complete 125-18 blanket thrown over MacArthur three days before.

The Clarke came was very cocky and confident that it could keep reign over the Comets as it had the previous five years.

It remained for some adroit use of his men in various events by coach Jay McAuley to gain the narrow but solid victory. He made two changes in his distance personnel and their events and it proved the winning margin.

A record shattering performance for Hicksville in the high jump by Dan Bell started the Comets to victory. The sophomore cleared the bar at 6 feet 4 inches and stunned everyone.

Walt Staehle scored a double victory in the 880 yard dash and the Discus. The time was 2:03.6 and the distance for the discus was 120 feet, 1 inch.

A 10.4 win by Jim Ajello gave the Comets the 100-yard dash.

Bob Scanzillo won the 220 yard dash in :22.8.

Larry Blavett came in with a fine :51.5 in the 400 and was an easy winner in that quarter mile event.

The long, demanding two mile

run was won by John Kearney in 10:19.6.

In the 880-yard relay, the clinching event, Jim Ajello, Bob Sofia, Vic Gildamadr and Bob Scanzillo carried the Hicksville colors home in 1:37.2.

Just before that the points from Gary Pfaffle in the Broad Jump put Hicksville ahead. Gary won the event with jump of 18 feet, 5 inches.

The final Hicksville victory was credited to Robert Schrieber in the Triple Jump. He skipped over 37 feet, 9 1/2 inches.

Hicksville's Lacrosse team scored a tremendous victory over hairy Herricks, Friday, 7-6, on a goal by Dennis Swanson with just 1:33 left to go in the game.

Herricks is the defending divisional champion and did not take kindly to the unexpected cuffing.

The visitors had built a 4-2 lead in the third period before the coaching mind of Bill Meyers had to go to work.

An injury forced Tony Giacomaggio to the sidelines and Tom McAllister was asked to leave the game which weakened Hicksville's Defense.

Meyer removed Larry Genna as goalie and placed him on defense and put George Psillos in the net. The move paid off as the Hicksville defense lightened and Psillos made two excellent fourth

quarter saves.

Kirk Jurgelevich and Richard Leary each stored two goals for the Comets.

Clint Brown got the other goal. Before he left the goal, Genna had a handsome 12 saves for the Orange.

Swanson's winning goal culminated from a pass from Steve Picannone which goes down as so far as the most valuable assist of the season.

Hicksville toppled from first place on Tuesday afternoon at MacArthur as the host school scored five early goals for a commanding lead. The Comets fought back to lose 8-7. Hicksville and MacArthur are now 3-1 in League play.

Alumni and Parents are reminded that Hicksville High will engage Farmingdale under the archlights of Hofstra Stadium, Friday, May 7, at 8:00 p.m. in a lacrosse contest.

This is the most colorful and outstanding event of the year. It is well worth supporting just from the standpoint that it affords a showcase for possible scholarships for our athletes.

The overall presentation is impressive. Tickets at a dollar each may be purchased from Mr. Meyer's in the Boy's High Gym.

## Sponsors Wanted

The Hicksville Baseball Association is in urgent need of sponsors to help the boys in Hicksville to play organized baseball this coming season. At present there are 18 teams that do not have anyone to sponsor them this year.

The Hicksville Baseball Association has an organization of 50 teams in all leagues, Little League, Pony, Colt and Connie

Mack Leagues. We keep approximately 600 Hicksville boys from age 8 to age 19 active in playing or organized baseball during the spring and summer. Any business that would like to help these boys can have a team named after their organization for a tax deductible contribution.

Please contact Mr. Howard Taylor, 29 Arbor Lane, Hicksville, N.Y. 11801 Phone 433-7839.

## Hicksville Baseball Association Opened 1971 Season

The Hicksville Baseball Association opened its 1971 season last Saturday, April 24. We were fortunate to have a beautiful day and there was a large turnout of parents and friends at the ceremonies, held at Abe Levitt Field at Stewart Ave. and Levittown Parkway. Mrs. Dolores Gubernot and her 40 lovely twirlers led the parade of all the National Little League teams prior to the ceremonies. Howie Taylor President of the Hicksville Baseball Association gave the assembled teams the first pep talk of the season and introduced the guests and speakers. Among those present were Oyster Bay Town Councilman Warren Doolittle, Hicksville Board of Education President Harry Kershen and Vice President G. Thomas Muratore, Director of Recreation for Hicksville Schools Joe Madden and his assistant Rosemary Walsh. Reverend James Benson of the United Methodist Church concluded the ceremonies with a prayer and the pledge of allegiance.

After the ceremonies all the Little Leaguers had their team pictures taken by Steven's Studios of Hicksville. Our sports loving Councilman Warren Doolittle had the honor of throwing out the first ball and the 1971 National Little League season was officially on. Anyone interested in watching some good Little League ballgames can see the Farm Leagues playing on Saturdays at Fork Lane and Old Country Road School fields. The Minor A and Minor B Leagues will play on the Dutch Lane School fields, and the Major League at Abe Levitt Field. Saturday games are at 9:00 A.M., 10:00 a.m., and 12:00 Noon. Weekday games will start not later than 6:15 P.M.

# HICKSVILLE FIRE DEPT. News

Lt. Owen W. Magee

**Fire Report April 18 thru 24**  
17 Calls for Assistance were received by Hicksville Vamps this past week. There were 6 rescue calls and one malicious false alarm received. A house fire on Sunday April 18 at 5:17 PM at 23 August La. caused considerable damage to a bedroom. There were no injuries and firemen had the fire out in fast order.

A fast moving brush fire on Duffy Ave. and the Wantagh Parkway kept Hicksville firemen busy for over 2 hours. The alarm was received on April 20 at 5:38 PM and required four engine companies to bring it under control. A storage building owned by the Davis Construction Co. sustained slight damage as wind swept flames burned along the buildings walls. The fire was caused by a carelessly tossed cigarette from a moving train.

## "BRUSH FIRE HAZARD"

We wish to caution our residents due to the dry spell we have had in the past few weeks. Brush and woodland areas are very dry. While Hicksville doesn't have much open area left, there are still quite a few lots, that if a fire, could cause a threat to nearby homes.

To begin with, there is a county air pollution law in effect which forbids open burning of anything, Bar-B-Ques excluded. Yet in recent weeks many people have been disregarding the law and burning brush, rubbish or leaves. The Police Department is enforcing the law. Let it be known that any damage done to property due to open burning - the person doing the burning, is liable for the damage he causes.

So to protect our environment and prevent fires please be sure to:  
•Discard your cigarette in the ashtray not out the window of your auto or train. Protect what little woodlands we have left.

•When you have an accumulation of brush or trash, Don't Burn It. Use the handy trash bags. Save yourself time and maybe a stiff fine.

•Keep large accumulations of brush away from your home or garage. Keep grass low.

•If there is property adjacent to yours that may cause a dangerous situation call the town of Oyster Bay. Property owners are required to keep their lots clean.

•In event of a fire, call in the alarm first, before trying to fight the fire. Many times the fire gets out of control without warning. Play it safe - You pay taxes to maintain a fire department. Let the firemen do the job.

The Explorer Club, sponsored by the Hicksville F.D. is moving along. The boys ages 14 thru 20 are attending a first aid class at the High School. There are still a few openings. If interested call WE 8-1167 and give your name and phone number.

An interesting article on the equipment of the Hicksville F.D. Drill Team "Hicks" appears in the June issue of Hi-Performance Cars. Pick up a copy on your news stand now.

## AUXILIARY POLICE

(Continued from page 14)

Chief Pedersen was driving home one night when he noticed two men had broken into an unoccupied house and were making off with their loot. He radioed the police, then jumped out, collared the two and held them until the police arrived.

The Auxiliary Policemen, who are trained in first aid, have

helped save the lives of youngsters found drowning in backyard pools. They've helped in flash fires and aided motorists trapped by fallen trees and wires. Most of the Auxiliary Policemen are members of gun clubs and maintain their proficiency in arms.

Some Auxiliary Policemen make good use of their civilian specialties in their volunteer work. Lt. William Nehlsen is an expert electrician and is in charge of maintaining the communications for the Auxiliary Policemen -- not only their two-way radios but also their six, high-powered walkie-talkies. Capt. Sheldon Kleinfeld, an attorney by profession, is administrative officer of the unit and handles legal matters.

The local Auxiliary Police unit receives no funds from state, county, or town sources. The school district makes a small contribution to the expenses of the unit. Expenses are kept at a minimum because four wives of unit members handle the unit's secretarial and clerical chores on a volunteer basis.

## Operation VFW

William M. Gouze, Jr.  
Post No. 3211  
By Lou Palladino

Until I see ground breaking, am not going to believe that our building will be under way. We agreed at the last meeting to go ahead, price be hanged. But after such a long time, and so many drawbacks, all that can be said is seeing is believing. Not more will be said on the building until the groundbreaking. You will be notified when contracts are signed and whatever happens, that you may wish to know, but that's all.

Most of you must have already booked for the picnic. If you were there last year you know what a crowd they had and the work this group put in. So you should have an idea of what to expect this time. So please try and cooperate with your committee and send the books in as soon as you can.

Our scholarship fund received quite a few applicants reports Harry Wurth. Each year we pick a deserving youngster to help. This year is no different. As long as we have the means our youngsters will benefit by it.

Bingo is still going on, and Uncle Frank Blei is always ready to receive more help. Make him happy and offer yourself available to him when you can. With the coming of the new building (what building) bingo is a very important money maker for the Post. And Uncle Frank Blei knows it.

Our Ladies Aux had their nominations and elections for the coming year. Most of the officers took a second term. Lu Blei will be going again as president. Sr. vice, Kathleen Kane, Jr. Vice, Virginia Burns, Chaplain, Marion Wurth, Conductress Jean McGinley Tres, Pat Williams, Sec. Rita Aug, and young Carol Ann Chwalisz is the Guard. Patriotic First. Louise Pisani, and my war Dept. will be Historian. So Girls, here's wishing you another successful year. If you do as well as the past year, you'll be doing fine.

We took an ad in the Dept. Convention Journal to advertise our resolution. By the time you should already know all about our proposed idea, so not sense going into it again.

We made a donation to the March of Dimes, who in turn will send us dolls, which we will turn over to our Jr. Unit to dispose as they see fit. Sounds like a big circle.

Also, a donation to Prisoner of War Comm. and especially a donation to our own Northport Hospital. We also make a visit this month, and will hear more about it at the next meeting. While on hospitals, we will be visiting St. Albans May 18th. Usually a nice program is planned, and those boys seem to enjoy it.

Packages are still going to Vietnam. You hear so much about Vietnamization, or whatever they call it. But we will still be sending out little tokens of remembrance, until all our boys are back again. So its still up to you to see that none of our boys are neglected.

Hope to see you at our next meeting.

## Youth Trailer

Nassau Police Commissioner Louis J. Frank announced the Department's "Youth Express" trailer will begin touring the County and will appear at various scheduled locations starting April 12.

Youngsters are invited to tour the trailer, ask questions and discuss police work with the young officers who staff the trailer.

"The Youth Express is aimed at bringing the police closer to Nassau's young people," Frank said. "We want the youngsters to meet the police in an informal setting which encourages a free exchange of ideas."

In 1970 the "Truth Express" toured 59 parks, 13 churches, and 71 schools and hosted 4,273 visitors. The 46 foot trailer is equipped with displays which depict the dangers of drug abuse, explosives, and illegal weapons and describe the negative impact of unlawful conduct upon the community.

The trailer also features a complete set of police equipment and photographs that describe the many aspects of police work.

The "Youth Express" trailer will be at the Fork Lane School in Hicksville on Friday, April 30.

**PLAINVIEW VOLUNTEER FIRE DEPARTMENT, INC.**  
OLD COUNTRY ROAD, PLAINVIEW, N. Y. 11803

Volunteer means free will - and that is exactly what is behind one of the best fire fighting organizations to be found anywhere in the world. Nassau County residents, their homes and businesses receive the best in fire protection because of the free will of some 10,000 men, directed to manning more than 600 pieces of fire fighting equipment every hour of every day of every year.

Volunteer means working without pay - but financial gain has never been a part of the volunteer fireman's intent. Public service and protecting the lives and property of his neighbors is his main concern.

Training is an every present part of the fireman's life, so much so that a volunteer fireman in Nassau County gives an average of 30 hours of his time each month just in training. Under the direction of the Nassau County Board of Vocational Education and Extension, training covers all phases of fire fighting.

The Nassau County Firemen's Training Center at Old Bethpage, N.Y. is one of the best facilities of its kind to be found anywhere. Here firemen complete courses

in fighting all types of fires at the Center's training tower, oil pits and a drafting pool facilities. Firemen who have completed the training offered at the Center are among the best trained firemen in the country. The public is invited to attend the regular outdoor training sessions from May 1st to October 30th to see our firemen in action.

The men in the Plainview Fire Department besides the schooling from the Nassau County Center also train on Sundays at their own Fire House. Some of these trainings are drills at the Schools and shopping Centers in the Plainview District. This is done so the men will be familiar with the buildings involved and the best method of fighting that particular fire.

First Aid is also a large part of his training, from putting on a bandage, to using equipment to get someone out of an auto wreck.

If you combine the hours he trains and the hours he spends fighting fires, you can see that your Volunteer Fireman puts a lot of time and effort in behalf of his Community. All he asks is that you help him by making your home fire safe - give him the right of way on the road and your support in his fund drive.

## From Your Congressman

James R. Grover, Jr.

Isn't it interesting that it took a ping pong - pardon me - table tennis team to thaw relations between mainland China and the United States? All the hoopla concerning the surprise tour leaves some fascinating questions unanswered.

For example, who put the team together? And how did it turn out that three members of the squad came back saying that they now believed in Maoist philosophy?

The one lady member and the Black member of the team, spoke up for the United States and indicated that life in Red China didn't look too attractive. With these and several exceptions, the team - in appearance and by many of the views expressed - could hardly be termed All American.

While the bouncing ball clacked off paddles, President Nixon took some initiatives toward relaxing our 21 - year - old embargo on trade with Red China. I find this interesting, since some five years ago, before he became President, he told a number of us over breakfast in Washington that he felt that the Johnson administration had not done all that could be done toward easing

tensions with the Chinese mainland.

Although we will approach this report carefully, we should remember that this nation has had a long history of friendship with the Chinese, going back two centuries. And despite their similar ideologies, Red China is the natural geographical competitor of Soviet Russia.

So we have seen a Trojan Horse gambit in reverse. And perhaps a ping pong team may have been the instrument chosen by the Chinese to pierce the bamboo curtain. Darned clever, these Chinese!

## Certificate of Commendation

The National Alliance of Businessmen, a voluntary organization that finds jobs for the hard-core unemployed, has cited the efforts of Joseph A. Walsh, New York Telephone's Nassau general manager.

Mr. Walsh was presented with a certificate of commendation for his service on the NAB's Nassau-Suffolk regional advisory board. He provided "an exemplary service to the nation," said the commendation.

Marie St., Hicksville. He was taken to Central General Hospital where he was pronounced dead at 7:50 p.m. by Dr. Shetley of the hospital staff.

THE STUDENTS of East Street School were visited by Chief Red Thundercloud, of the Catawaba Tribe, and his wife, Pretty Pony. He instructed the children on the languages of the American Indian, taught them Indian dances and invited them to join in playing Indian games.

"In the above picture, the Chief is showing the students how 'unwilling' Indian boys get bathed", stated Jane Betta, Cultural Arts Chairman for the East Street PTA, who made it possible to bring this fine program to our children.

## Operation Eye Opener

Several young people from St. Stephen's Lutheran Church in Hicksville participated in 'Operation Eye Opener' conducted at St. John's Lutheran Church in Greenwich Village from Friday April 16 to Sunday April 18. The purpose of the program was to enlighten the teenagers as to what life is really like in the village.

"If we can save one youth from turning on with drugs then our purpose has been met" said Pastor Perez from St. Stephen's.

The weekends activities included a pizza party on Friday night and a visit to the Phase III discotheque where Tim Hardin was appearing. On Saturday the group toured the West Village area and Horizon House, a drug

rehabilitation center. Saturday night found them in China Town for an 8 course dinner. After dinner they visited N.Y. Criminal Court and toured the Bowery and the East Village, the most enlightening experience of the whole weekend. Their eyes were really opened to a life of drug addiction. Back at the church they held a rap session.

The weekends activities were conducted by youth from St. John's who each weekend host visiting groups from various parts of the country. These young people also help locate run-aways.

The Youth Ministry Committee of St. Stephen's plan to invite the young people from St. John's for a weekend this summer.

## Urged To Vote

three School Board seats, at Jamaica Avenue, Joyce Road, or Old Bethpage Grade School. Please check your district voting map for your voting area.

## Plainview Candidates

(Continued from page 1)

Kennelly is the father of three children - Karen and Christy, pre-school, and Kathy, a student at St. Pius X parochial school. A graduate of Fordham University with a B.S., he is now working on an M.B.A. at City College of New York.

He is the chairman of the Mid-Island Conservative Club, a third degree Knight of Columbus, a member of the Ancient Order of Hibernians, a member of the executive committee of Concerned Parents and Taxpayers, a member of the St. Pius X Holy Name Society.

The spur to his seeking a seat on the school board is his belief that the "school board has allowed the teachers and administrators to propagandize and politicize the students" leading them to believe that inappropriate forms of social protest are permissible. He mentions in particular an advertisement for contraceptives in the Kennedy High School underground newspaper a month ago; the detonation of bombs in the school; the moratorium and student demonstrations in which teachers as well as students participated. "To my knowledge," he said, "The Board has never docked any teachers for any time in which they participated in demonstrations during regular school time."

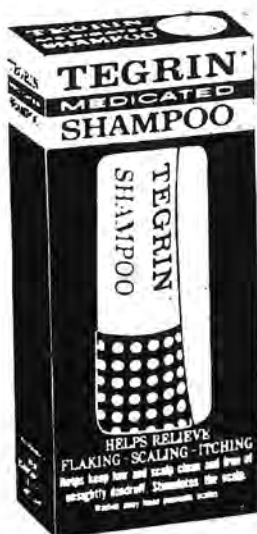

## Sol Davis

As reported in the Mid-Island Herald, April 22, Sol Davis, father of two children attending Plainview Schools, is a senior engineer at Fairchild Hiller's Republic Division in Farmingdale. He was graduated, cum laude, with a B.S. in Mathematics from Brooklyn College and was awarded a master's degree by Carnegie Institute of Technology, after having served as an instructor of freshman subjects under a half-time teaching assistantship. He has held notable engineering positions in locations out of the area, and returned to Long Island in 1963 to join Republic. He has been committeeman for the 28th Election District (8th A.D.). His wife, Beverly, taught for six years in Philadelphia schools and is active in the Fern Place and Pasadena PTA units.

Mr. Davis considers himself an independent moderate candidate who questions the current board's position on student's rights, budget and curriculum. He has many reservations about the proposed students rights policy. He commends the citizen's budget advisory committee for not supporting the current budget and personally questions the continuous introduction of innovative programs. He believes the curriculum should emphasize "education for living".
