HERALD REPORT SCHOOL DISTRICT 17 HICKSVILLE

By Shirley Smith

The School Board has made
further cuts (amounting to
\$100,000) in the proposed 1971-2
budget and the new figure
adopted Tuesday night is
\$22,145,329. This will raise the
current tax rate by 87c - rather
than \$1.18. This latest decrease in
the proposed budget is due to
some personnel cuts and a raise
of \$2,000,000 in the assessed
valuation of Hicksville. The tax
rate on the transportation
referendum was set at 48.8c and
the rate for the recreation
referendum at 4.5cents.

Voting to accept the new
budget figure were trustees
Muratore, McCormack, Mc-
Manus, O'Donnell and Kershen.
Mr. Clark abstained and Mr.
Zindulka was not at Tuesday's
Board meeting.

Superintendent Abt explained
some changes which will take
place in summer school this year.
Rather than all elementary
children attending classes at Lee
Avenue School, as in the past, the
present kindergarten, first and
second graders who will attend
school this summer will remain
in their own neighborhood
schools. Those now in sixth grade
who will attend summer school
will go to the Junior High. All
others will go to Lee Avenue.
This method will enable school

officials to better help those
children in need of it and allow
more concentration on remedial
reading. A team of teachers,
including psychologist and
guidance personnel, will help
diagnose students' problems.
These changes will not increase
the budget figures - this year's
summer school budget is the
same as last year.

The School Board voted to
adjust salary schedules in ac-
cordance with contractual
obligations to a 6.3 per cent cost
of living increase. Current
contracts call for a cost of living
raise using the Bureau of Labor
Statistics index as the controlling
percentage. This action excludes
the clerical and administrative
staff who have not yet signed
contracts.

A motion to extend the hours of
filing for School Board candi-
dates was defeated. Mr.
Muratore and Mr. Clark, who
were in favor of the motion,
wanted to extend the cut-off time
for filing to midnight on the final
day. The other Board members
felt this was not necessary and
voted against the motion. The
hours for submitting petitions
will remain 9:30 a.m. to 5:30 p.m.
The last day for filing candidacy
is Tuesday, May 25.

There was a small, but staunch
opposition to the petition of John
W. Merenda for a change of zone
from Residence E to Business F
District for a corner parcel on
Old Country Road and Underhill
Avenue, Hicksville, for the
purpose of constructing a two-
story office building.

The petition was presented by
attorney John Bogart, of 150 Old
Country Road, Hicksville. He
showed an architect's rendering
of the proposed building, which,
he said would be an elevator
building with 5,000 square feet of
office space. Parking would be
provided for 22 cars.

As the hearing progressed,
Councilmen pointed out that the
square footage of the parcel did
not meet the 10,000 square foot
requirement needed for Business
F zoning, and that parking for 25
cars would be required, in any
case. Attorney Bogart said that
these matters would require the
petition to go before the Board of
Zoning Appeals as well as the
Town Board.

The attorney said that entrance
to and egress from the premises

had not yet been decided upon,
but that the entrance would
probably be on Old Country Road
on the west side of the premises,
and the exit on Underhill Avenue
behind the building.

Mr. Bogart went into the
history of the property
somewhat, stating that there had
once been a residence on the
property which had been rented
but which had deteriorated so
badly that it was boarded up. It
was subsequently the subject of
complaints by neighbors who
said it was a congregating spot
for ne'er do wells, and it was
therefore torn down by the
owner.

Mr. Bogart said the property
was unfeasible for a residence
and that business was its
"highest and best" use. A real
estate expert, Meyer D. Baker,
who testified in behalf of the
petitioner, agreed.

Residents Protest

Three residents spoke strongly
against the petition, saying that
business use would deteriorate
the area, which was already
suffering from garbage disposal
and overflowing cesspool
problems from restaurants.

William H. Sackman, of 22
Cornwall Lane, said, "We bought
our home for life in a residential
area," also stating that he was
opposed to changing the nature of
the neighborhood, and submitted
a petitioned with 15 names in
opposition. He later stated that
the parcel was too small for an
office building, and suggested it
be a "vest pocket park."

Dorothy Fiore, of 29 Underhill
Ave. said that Underhill Avenue
is the only through street between
Old Country Road and Duffy
Avenue, and that the traffic is
confusing and heavy. She said
that her son had been struck by a
car leaving a driveway onto Old
Country Road because the driver
was so intent on the traffic that he
did not see the boy. Emma
Conklin, of 247 W. Nicholai Street,
pointed out that it is a congested
area, and that all children must
cross Old Country Road to reach
a play area. Mrs. Fiore also noted
that there are 40 children in the
immediate block.

At the close of the hearing, the
Town Board reserved decision on
the matter on a motion by
Councilman Warren Doolittle of
Hicksville.

To Run For Board

Mr. Omy Maers, candidate for
trustee of the Hicksville Board of
Education has been a resident of
Hicksville for 9 years.
Mr. Maers three children
attend Burns Ave. Jr. and Sr.
High Schools.

Awarded a B.B.A. degree by
City College of New York, Mr.
Maers served in the U.S. Army,
Special Service branch, Far East
Command during the Korea
Conflict. He is now employed as a
manufacturers representative.

Mr. Maers states that he
supports: Formation of school
budgets that project long range
planning so that economy and
education go hand in hand.
Establishment of a student
faculty, parent council to meet
with administration and/or
Board of Education on a regular
basis.
Alleviating the over-
crowded conditions of our Jr & Sr
High Schools. Continuing
academic reforms with con-
structive evaluation of ex-
periments carried out by the
school district.

Mr. Maers has received the
official endorsement of
P.R.I.D.E.

Bid Date Set For Highway Project

Town Councilman Warren M.
Doolittle said that the Town
Board has set Wednesday, June 2
for the opening of bids on a
Department of Public Works
highway project in Hicksville.

Doolittle noted the Hicksville
project will include the im-

provement of West Barclay
Street from West John Street to
Marion Street, and the con-
struction of pavement and cur-
bing at Cherry Street in the
community.

When the lowest, qualified
bidder is accepted by the Town
Board, the work will start.

District Of PTA's 39th Spring Conference

Hicksville Council of PTA and
Hicksville PTA's are honored to
host the 39th Spring Conference
of Nassau Long Island District of
PTA on Thursday, May 20, at the
Hicksville High School.

The theme of the Conference is
"School Budgets Circa 1971." Not
only in Nassau County, but
throughout New York State, the
anatomy of a school budget has
undergone many structural
changes. Inflation, Taylor Law,
Legislative mandates and pen-
sion benefits are some of the
parts that interlock into the
making of a school budget. Our
guests, Dr. Frederick Shore,
Superintendent of the Baldwin
Schools, and Mrs. Henry
Lehman, PTA Professional
Consultant, will discuss school

budget situations in Nassau
County.

Also on the agenda will be
greetings to the delegates from
Mr. Donald F. Abt, Hicksville
Superintendent of Schools, and
Mr. Raymond Rusch, Principal
of Hicksville High School, and the
Installation of Officers by the
President of New York State
Congress of Parents and
Teachers, Alice Willet.

Leadership Workshops in the
morning and the afternoon will
follow the program in the High
School Auditorium.

Many of our local PTA
members are working diligently
to make this Conference a suc-
cess and are urging all PTA
members to attend the session in
the Auditorium and at least one of
the workshops.

Teacher's Recognition

Gov. Nelson Rockefeller has
declared Tuesday, May 18th as
Teachers' Recognition Day. On
that day, the Parent-Teacher
Association of Hicksville High

School will serve coffee and cake
to all the teachers at the High
School from 9 a.m. to 2:30 p.m., it
was reported by an officer of this
active organization.

How about your end??
'Tacky around Tay Ninh, but otherwise we showed an improvement over last April' says Abrams.

'Listen' says Bad, 'Saturday is Buddha's birthday'.

'I didn't even get a Christmas card from him. You certainly don't expect me to send anything,' says Abrams.

'Actually, my enemy, what I would honorably suggest is a one day truce to honor him. It is the religion of most of the people of Viet Nam'.

'Another truce, eh?? I like it,' says Abrams.

'Except for sneak attacks,' says Bad.

'How about mines??' asks Abrams.

'I would throw in some mines, yes,' says Bad.

'Well, fine,' says Abrams, 'then at 12:01 on Saturday, we begin a 24 hour amnesty period for Viet Nam'.

'Not including sneak attacks or mines,' says Bad.

'Look Bad, we don't have to have the troops of both sides stand up and sing Happy Birthday, do we??' asks Abrams.

'No, but I think it not inappropriate to pass a card around for all troops to sign and send to Nirvana'.

'We can certainly do that'.

'Then it is done,' says Bad.

'Right,' says Abrams, 'Look Bad,' he continued, 'we've now had about 7 of these and they really don't work out at all'.

'True, my enemy, but Buddha is Buddha'.

'I had a dumb idea that I'd like to knock around with you more fully over lunch one day next week-but what do you say to the idea-and it's abstract-that we make peace all year long and only make war on these couple of days from now on!!'

'Idea way out,' says Bad, 'like 3 days of fighting in whole year?'

'Right. What do you think?'

Town On Austerity:

Job Freeze And Services Cut Back To Offset Loss In State Aid

Supervisor John W. Burke today took steps to prevent a major 1971 Town budgetary crisis as a result of state aid reductions by ordering the Town Comptroller to place a freeze on all unencumbered funds and to recommend areas where cut-backs can be effected.

Burke's announcement came after a meeting this afternoon (May 10, 1971) with Department heads and Town Board members in which he explained that losses in state aid make program reductions essential.

"We must move now," Burke said, "to prevent a fiscal crisis in the ensuing months of 1971. Some of our plans were developed on the fact that we would be in receipt of substantial state aid. The legislature voted a cut in aid and this has set off a chain reaction. We also have contractual obligations based on agreements with the Civil Service Employees Association which have a direct bearing on

budgetary requirements and the state aid loss."

Burke outlined the areas where he said the Town would tighten its fiscal belt to offset the approximately \$1 million dollar loss in state aid without reducing essential services or laying off present employees.

He said (A) Town beaches would operate on the basis of a reduced season. (B) A job freeze has been instituted with no new personnel to be hired or existing vacancies to be filled except where absolutely necessary. (C) A major reduction in the budgeted cost of seasonal personnel. (D) A sharp reduction in the previously planned Town Security program. (E) Curtailment of the Town Beautification program. (F) A freeze on unencumbered funds which will eliminate planned equipment purchases and all types of supplies including typewriters, desks, etc.

The Supervisor said these

measures "would not reduce essential services and would enable us to minimize the effect of the loss of state funds."

"The alternative," Burke said, "is deficit financing of the operating budget and that would lead us to eventual fiscal disaster."

Conference, held at the Plainview Jewish Center, Youth Employment Service, Town of Oyster Bay Coordinating Committee Meeting and Meeting with Director of the Nassau County Youth Board, Mr.

The Plainview O.R.T. announced its Open Meeting on May 18, at 8:30 P.M., at the Plainview Jewish Center, for the installation of officers: Mrs. Judy Cohen, President, Mrs. Susan Polansky, V.P., Mrs. Joyce Guttmanstein, V.P. New Postal Rates

Hicksville Postmaster Ralph G. Cascardo said today that increases in most postage rates will take effect May 16 as the new United States Postal Service begins its task of achieving self sufficiency as required by the Postal Reorganization Act.

Mr. Cascardo noted that general postage rates have not been increased since 1967 when Congress passed what was to become its final legislative act in this respect.

Mr. Cascardo explained that the new increases—authorized on a temporary basis until the newly created Postal Rate Commission can make recommendations to the Governors of the Postal Service on permanent changes—

will raise first-class letter rates from 6 to 8 cents an ounce, and airmail letter rates from 10 to 11 cents an ounce. Post cards will go from 5 to 6 cents each and airmail post cards will go from 8 to 9 cents each.

In addition to increases in first-class rates, second and third class will also go up on May 16.

No changes are made in the rates for parcel post, which is the principal component of fourth-class mail. However, initial increases will be made in the "book rate" which is classified as fourth class.

When the domestic changes go into effect, there will be conforming increases in letter rates to Canada and Mexico.

Battles To Maintain State School Aid

Assemblyman Martin Ginsberg (R-Nassau County) together with other suburban Republican legislators is waging a hard battle to maintain state school aid for transportation. Boards of Cooperative Educational Services and other formula aid.

A strong bid is being made to cut transportation aid from its present 90 percent of approved transportation formula to a new formula which could cause schools in suburban Assembly districts an additional million dollars in local real estate taxes.

Assemblyman Ginsberg said, "This is a classic example of the cities versus suburban. In cities transportation for school children

is less expensive due to shorter distances traveled and the availability of some public transportation. The Department of Education pushed suburban areas to centralize and consolidate school districts, which makes our children ride long distances to get to the central school facilities. Now, attempts are being made to take away the transportation aid. This is not fair or equitable."

Assemblyman Ginsberg said he has met with the leadership on this important item which is still open and hopes that it will be favorably resolved along with desires on high tax aid, size correction aid and BOCES aid within the next 10 days.

Open Meeting

The Holy Family School Board will hold an Open Meeting in the school cafeteria Thursday, May 13 at 8:30 p.m.

Candidates for election to the Holy Family School Board will be introduced to the public. All interested parents of students attending Holy Family School are urged to attend this meeting. The Board will vote on the Budget, classes the estimated enrollment, size of classes and cost of educating a child in parochial school. Tuition rates will be

discussed.

A portion of the meeting is set aside for the General Public. The Board will entertain suggestions and answer questions presented to them by the parents of pupils of Holy Family School.

DEAR FRIENDS:

NEW POSTAL RATES...go into effect in the next few days. You will find the new rates in this issue on another page, as our Postmaster, Ralph Cascardo, was kind enough to summarize them for us.

COMMUTERS WILL BE HAPPY to hear that the parts necessary to repair the Hicksville LIRR Escalator are now officially completed (they had to be made out in Indiana) and en route to their destination. Early next week the Horton Elevator Company, the firm who will be making the repairs, plans to start work on this project. Not only will the commuters be glad, but also, we're sure will the LIRR officials and our elected representatives both on a Town and State level, for certainly no one, and I mean no one, is deliberately holding up these necessary repairs. So we can all be happy that relief is just around the corner.

SCHOOL BOARD CANDIDATES, who haven't already done so, are invited to send THE HERALD, an article containing their background, qualifications and reasons why they wish to be elected to perform this community service, plus a picture, if they so desire.

THE OFFICIAL DIST 17 BUDGET BROCHURE appears this week starting on page 9. We trust you will study this carefully and, if you have any questions, do not hesitate to phone the schools at WE 5-9000. You will have received the Hicksville Library Budget by now and we hope you will give this your consideration, also.

Until next week, stay well,

Sheila

Guest Editorial The Role of Religion Today

By Rabbi Herbert H. Rose

Rabbi Herbert H. Rose

These are trying and tumultuous times. We find nothing and no one who isn't challenged. Why not bring religion, yes even God himself into question? The all too hasty proclamation of the Death of God has come and gone but for most of us our faith has not vanished. Why do we need organized religion, the church and synagogue today? What role can we play? These are legitimate issues which should be met head on and not evaded.

I would like to suggest three basic functions. First of all, men need spiritual roots and a sense of community. John Gardener, former Secretary of Health and Welfare, has written recently, "The significant question is not whether the individual should be completely free of his society or completely subjugated. It is a question of what are the ties and what are the freedoms. The ties must be the life giving ties of shared values, a sense of community, a concern for the total enterprise, a sense of identity and belonging and the opportunity to serve." Much of the problem with modern man is his loss of identity and lack of roots. Many things have changed but the enduring human situation, the choice between good and evil, has not changed. By linking oneself with a historic faith such as that represented by the church and synagogue one stands on firm foundations, one finds one's place

in a community and one finds a role unique to each individual in accord with his own character and talents where he can serve as a child of God.

Secondly each and everyone of us must celebrate life and lift it above the pedestrian and routine. For the Jew we have our Sabbath and holidays which assert that man is more than a machine, a highly complex computer, but nevertheless a machine. The danger of technological materialism is that it would destroy the mysterious springs of love and wonder of reverence and enthusiasm of poetry and above all religion.

The chief force which prevents

man from reducing himself to a machine is faith and religion. Much of what our youth are rebelling against is the emptiness of materialism - a life without mystery, aspiration of idealism. If they can't find the spiritual values in their homes, they will try to find substitutes for them in Buddhism, Marijuana and LSD and other forms of exotic often dangerously tragic behavior.

Finally, the historic religions can bring with them wisdom, a sense of perspective. As a liberal Rabbi I always prided myself on being open to the new, to fresh ideas. But in an age where fads change come with such rapidity, an age of the new morality with its obscenity for the sake of obscenity, where the old paganism is saluted as progress, I find that a historic religious tradition is needed to save us from the excesses of the present. Those who do not learn from the past are condemned to repeat its errors. Surely we must respond to the current cheapening of life, the fallacy of reduction, that man is nothing but a machine, by reasserting that man is a vital partner with God, born into a covenant relationship, that he enjoys freedom, is responsible for his actions and can contribute to the establishing of God's kingdom here on earth.

To my mind these functions attest to the enduring necessity for a vital religious presence in our communities.

Letter To The Editor

Dear Mr. Burke:

I understand the question of an Extension of the Moratorium affecting the center of Hicksville is to be discussed at the May 11th board meeting and I ask that this letter be read into the record of same.

My position and that of many of my fellow business people, property owners and taxpayers directly involved in the particular area, is strongly in opposition to this so-called Moratorium from its inception. As a matter of record, we believe it has already been broken by construction which is underway on Newbridge Road near Cherry Street.

We in Hicksville are disappointed, discouraged and rapidly becoming disenchanted with the snail-like pace of our town government in helping to resolve

the problems of Hicksville caused in part by the Broadway road widening several years ago.

The advisory committee headed by Mr. Kingsley Kelly which was genuinely representative of the people who own and work on Broadway has been sidelined by the Town Board and their report has not been made known to the public.

The recent meeting with your Professional planner was the greatest exercise in futility I have ever seen. If this is a sample of what we are paying for in the forthcoming master plan, then I

have serious misgivings as to the mature judgment of the Town Board in awarding said contract.

We need an want definitive action now. The wasteland on the west side of Broadway has been there for several years - not just for days and if some meaningful dialog between what the town government can or will do and what the property owners should do is not established immediately - I say that our confidence in your administration will be severely shaken if not lost completely.

Very truly yours,
Charles J. Montana

"AA" League

by Charlie V. Rollins

Batter up, and here we go again. Wed. May 5 - The place Burns Ave and Firestone did it again beating Gertz 2-0. This was probably one of the best games that you will see all season. The combined shutout pitching of Bill Meslin and David Knight was a big factor in the win. Jack Somers was just great at short stop playing flawlessly he also drove in a run with a single and Andy Klaffer drove in the other run with a well hit double. As for Gertz, Richard Rath pitched 6 good innings giving up only 2 runs and striking out 9 batters. They are not hitting. They have only 10 hits in two games. They have 24 strikeouts in 36 at bats. Also on Wed. May 5 - at Cantiague Park, Sunoco vs Agway. In a duel with Agway winning 9-5. Behind the great pitching of Jim Lohsen and Kenny Hammervick followed by the hits of Larry Bianculi, Vincent Anzalone, Joe Pizzo and the defensive plays by Tom Viseglie and James Holohan it made for an eventful game. For Sunoco M. Giummule pitched a good game in relief of J. Eaton. Too many errors cost Sunoco the game.

Thurs May 6 - the place Burns Ave. where Agway trounced Sunoco by a score of 28-1. For Sunoco mental and physical errors made the game a catastrophe. But it had its bright spots behind the relief pitching of F. Andersen and the good catching of M. Roethel. But for Agway a little sadness when Larry Bianculi was hit by a pitched ball on the cheek. He came back later to see how his team mates were doing and we were all happy that he was fine. The 2nd, 5th and 6th inning was where most of the action took place. 2nd. Inning with bases loaded JIM Saporito hit a triple. 5th Inning again with bases loaded there were back to back double made by James Holohan and Kenny Hammervick. Then in the 6th inning Kenny Hammervick did it again with bases loaded. Belted a triple then stole home. It was a very exciting game.

Fri. May 7 - The scene is set at Cantiague Park where Firestone overcome a 9-3 deficit by scoring seven (7) runs in the bottom of the fifth inning. Bill Meslin led the way with a home run and a triple to knock in four (4) runs. David Knight and Andy Klaffer each had two (2) runs battered in. Bill Vining (keep your eye on this boy) had two (2) hits and is a great lead off man. Jack Somers made an unbelievable diving catch of a line drive in the first inning. There was two runners on and this kept Gertz from having a big inning. For GERTZ Gary Madine went 3 for 3 with 4 R.B.I. All his hits drove in runs. This is what the team needs. Jim obrein 2 for 2 with 1 R.B.I. Banno Kreisher pitched four (4) good innings but the game was lost by two (2) errors in the fifth inning that let in five (5) runs. P.S. Roethel and Kreisher got a hit each.

The Major League

by Mike Pakuluk

This week Little League opened up with a 4-way tie for first and ended with two teams on top after hard fought games, pitching duels, and out of sight home runs.

On Tuesday May 4-L.I.N.B. met Gilson at Cantiague Park with Gilson coming up victorious 10-8. S. Pisani and R. Flanagan shared pitching chores and were supported by C. Coletta's timely hitting. T. Sloame went 3-3 with a grand slam H.R. for L.I.N.B.

On that same day at Burns Ave V.F.W. downed Nathan's Famous impressively 23-7. Pitching by D. Mazzapaso and K. Brahnam was protected by strong hitting. R. Famigletti homered for Nathans May 6 brought these two teams together with M. Diez and J. Pakaluk the top aces in the league, facing each other. Both pitchers went the distance but J. Pakaluk put in the stronger effort winning 7-2

and whiffing 12. D. Messapaso homered for V.F.W. AND C. Bergin of Nathan's showed off his golden glove by making two fabulous plays...

On May 7-Gilson and L.I.N.B. saw action with Gilson winning again 8-3. The game was close all the way until the 6th inning where Gilson erupted for 5 runs. C. Coletta homered for Gilson and DiAngelo tripled. Great fielding in the out field by J. Seery, M. Corrigan and J. Goldstein of L.I.N.B. kept the game close.

Be sure to attend this week's games on 5/11 at Burns and 5/20 at Cantiague when the league leaders square off...

Annual Dinner Dance Draws Another Sellout Attendance

Year after year, the annual get-together of the Birchwood Civic Association gets better and better. Officially known as the Installation Night Dinner Dance, last Saturday's affair at the Jericho Jewish Center was the "greatest" as 228 happily-satisfied participants will attest. Sam Saltz, newly installed president, presented plaques to Sy Bruckner and Leo Geyer, both of whom have retired from the Board of Directors. Saltz made particular note of Geyer's many years of service as Director, President and Board Chairman. As is customary, a plaque was presented to Don Becker outgoing president who had served two years. Becker, however, will continue as a director of the Board.

Marty Sloane and The Noblemen, rapidly becoming a fixture at the BCA annual dance, once again provided outstanding music and supervised novelty entertainment by the crowd. Marty's music made it a lively evening and kept the attendees in a party mood throughout. The Dinner Dance Committee - Chairman Lotte Stein and Arline Locker - certainly deserves everyone's wholehearted thanks and appreciation for providing the groundwork for a truly memorable night. Also installed during the proceedings were the following: Officers: 1st Vice President Art Rosenthal; 2nd Vice President Harry Seaton; Financial Secretary William Siegel; Treasurer Mike Hauptman;

Recording Secretary Annette Grill; Corresponding Secretary Dr. Lester Goldstein. Members of the Board: Don Becker, Jerry Gold, Irv Herskowitz, Arline Locker, Milton Mensch, Ed Petzholt, Philip Reine, Bernyce Shimborg and Erwin Soroka. If you missed last Saturday's affair, make a reminder right now to attend next year's. It is not too early; the Dinner Dance Committee revealed that at least three couples had to be turned down when they telephoned during the day of the dinner for reservations and tickets. This annual event has become so popular that officials of Gerson Caterers shake their heads in wonderment and are amazed at the dance's continued drawing power each year.

Gutter Ball Gossip

By Herb Mahler

After all the weeks and months of bowling, it all comes down to the final week for four teams and going through the motions for the rest. Here is how we are as we enter position night. We have a new leader as the Sexy Sachs hammered the Holtzmans 9 1/2 to 1-1/2. Sy Bruckner with a 204 in the first was a big lift for Sid, with Murry Kowlowitz, 206 and Eddie Roseman's 213 in the same game for the losers. The YO-YO Hoffmans were down again losing to the Flanders 7-4. Bill Kellerman's 216 and Milt's 204 were the bombs that won the only game and high game. They now are in second by 1/2 points.

Jumping two spots to third are the Sussmans who won 7-1/2 points from the Rothmans to go 10 points behind. It was Larry "Golden Arm" Goldenberg again with a 226 for Murry's Men with opposing Capt. Fred's 204 trailing far behind. Remaining in fourth by 10-1/2 points were the Warrens as they topped "Mr. Warmth" Herb Brody 6-1/2 to 4-1/2. Again it was Bernie Schmierer with a 210 and a 503 series. Bernie stated he has given up medicine to go on the tour. He is opening a clinic where he will instruct anything from making the 10-9-7 split to relieving diaper rash. The Shapiros shut out the Simons despite Sid throwing a

209. The crew of "Mr. Goodness" Lewis Marks leveled the Langs 11-0. Big Julie Gershen's bunch swamped the Goldsteins 11-0. Lew Truchil's fine 224 in the first was a help with Robby's 202 far behind. With his ship going down in flames, the Frantic Furrier Irv Simes' last words were "Wait till next year." In this, he had no choice as the Geyers took his measure 11-0, knocking him out of any contention. It was Leo, himself, who did the job with a 222 in the first. In their 8-3 victory over the Vladems, Hal Goldenberg exploded for a sparkling 234. Next week is position night and, remember, after the scheduled three games, the winners of the first half, the Warrens, will bowl the second half winners for the overall championship.

Your President has asked me to announce the program for Monday Eve., the 24th of this month. Starting at 8:30 there will be two games of bowling with prizes given out. Then, our buffet and trophies, followed by our general meeting and elections. This will all take place at Syosset Lanes and I'm sure you will not want to miss any of the festivities. I might add it's all FREE so that should bring out some more of the heavy spenders (me included).

Clean-Up Campaign At Shopping Center

"This shopping center never looked so clean before," commented a Jericho housewife who proudly wore a "Save Our Earth" button pinned on by a sixth grader from the Robert Seaman Elementary School. A clean-up campaign, petitions, signs and person-to-person contacts at Jericho's Birchwood shopping center were part of a total action program by Seaman students to help improve local environmental conditions.

The concerned students met with residents in and around local stores. While some members of Miss Joan O'Brien's sixth grade class distributed leaflets and urged citizens to be more aware of local pollution problems, other pupils bent to the task of clearing sidewalks and curbs of litter. Lionel A. Goulet, Principal, accompanied the group of approximately 25 children on the "let's get something done" project.

A supermarket cashier remarked: "These kids are terrific! Look what they have done in less than an hour. Now if they could get somebody to fix all the potholes in the parking lots."

East Birchwood --- "The Community With A Split Personality"

By Erwin Soroka

Our community is not one community, it is two communities. Zoning laws which were in effect long before our community was built weave through our streets to form a Jericho section and a Syosset or "F" section.

Our children attend Syosset schools or Jericho schools. Our people pay taxes to the Jericho library or to the Syosset library. We are protected by one fire department or the other. Our efforts for a better community are sometimes divided depending on where we live. Tax rates differ for each section as well.

This problem also exists within our own Civic Association. The majority of the Board of Directors reside in the Jericho section. Most of the business of the Board of Directors, therefore, is heavily weighted in this direction. How can we have an effective Syosset Education Committee, a Syosset Library Committee, and so forth with a mere three or four really "active" members from this section?

On the Board? While it is true that most homes are in the Jericho district, if 25 or 40 per cent of our people reside in the Syosset district, they should have that same percentage representation on the Board. The former President often stated the difficulty of administratively staffing committees on our Board concerned with our residents in the "F" section.

It seems to me that no matter how well intentioned, not all B.C.A. Board members can bring the same sense of interest, dedication, and energy to an issue when they are not personally affected. How could you expect a Jericho resident to serve on a Syosset Youth Committee? What contribution would that same person bring to a Syosset Library committee let alone serve as a member? This leads to poor representation of the minority section.

It is indeed unfortunate to have these arbitrary lines cross our yards. Let's hear the views on this subject from the people in the "F" section.

Reminder To BCA Officials

All Birchwood Civic Association Officers and Directors are requested to be at the Syosset Public Library by 8:45 P.M. for the regular monthly meeting scheduled for Tuesday, May 18th. If unable to attend, please notify President Sam Saltz beforehand (GE 3-7085), or contact any other fellow officer.

Jericho Little League Now Has 22 Sponsors

Three more local business establishments have been added to the roster of sponsors of the Jericho Little League to swell the number to 22 - a league record. Waldbaum's, Long Island Stove and Birchwood Bedding are the newest signers and join the following previously listed backers: Ernie's Barbershop, Long Island National Bank, Towns and Realty, Host Deli, Udell's Pharmacy, Bankers Trust Company, Flakowitz Bakery, Marine - Midland Trust Company, Texaco Circle Service Station, Birch Drug, Berkap Realty, Bridal Shop, Great Bear Tire, Sandy's Restaurant, Dario's, National Bank of North America, Franklin National Bank, Syosset Lanes and

Milleridge Inn. Ever - optimistic, Vice President Murray Rosenthal announced that he has one more probable sponsor "up his sleeve." He stated, "I don't mind going back and making repeat calls, sometimes as many as ten or fifteen, if I think there is the slightest chance of signing up a new sponsor. That's how we secured the record number of 22 which we now have."

The Jericho Little League can certainly use the resources of the bumper crop of backers as there are 8 Major League teams, 12 Minor League teams, 8 Farms and, most recently, 2 Pony League teams that will shortly open a 16-game schedule in conjunction with three Hicksville teams.

Diamond has extended a cordial invitation for all to attend this meeting. For reservations call Grace Jakobiak, OV 1-4143 or Kenneth Diamond, OV 1-1283.

Syosset Bd.

The Syosset Board of Education has scheduled a special meeting on Monday, May 17th, to consider whether to re-submit the budget to the community. The meeting will be held in the auditorium at South Woods Junior High School at 8:30 p.m. and the public is invited.

SPORTS

By

Howard J. Finnegan

Hicksville's Track Team was trampled 36-32 in the field events, Tuesday, at Syosset and lost its first dual meet of the season, 93-48.

It was just another championship in a long cycle for Syosset and ended a long range, game but undermanned try for coach Jay McAuley's Comets.

Hicksville's 1970 record dropped to a very presentable 4 won and 1 lost mark.

Hicksville got beat where it was known to be desperately short but its sprinters upheld their end with distinction.

Jim Ajello won the 100-yard

dash in: 10.4

Larry Blauvelt had a stylish 0:51.6 in the 440-yard dash.

Stable of Hicksville won the 880. The time was 2:00.8

John Kearney was the only double winner for the Orange and Black as he took the mile in 4:41 and the two mile in 10:20.0

The lone points in Field events come on high jumper Dan Bell's 6 foot effort. It was a very good showing but only gained him a tie in the event.

Bell had extreme difficulty with the haphazard take off approach to the Syosset.

Hicksville defeated Farmingdale 7-5 in the ideal setting

under the lights of Hofstra Stadium before 1,000 fans.

Kirk Jurgelevich scored four goals to apparently reverse the down hill Lacrosse fortunes of the Orange.

However Herricks romped off 8-2 and held on for a 10-5 win, Tuesday, thus ending Hicksville's playoff hopes.

Jurgelevich knocked home three goals in a fruitless cause.

Tuesday was a black day all round for the Comets. The baseball team dropped a 3-1 decision to Plainedge. 1970 record reads 3 wins, 13 defeats.

Polo Season At Park

The 1971 Polo Season at Bethpage State Park will open Sunday, May 30, with the Oyster Bay Team, consisting of Bob Lubash, Ted Shapiro, Fred Guest and Allen Jenkins competing against the Bethpage Four, featuring John Whittemore, John Gayer, Dave Rizzo and Fred

Braunstein. The 1971 season heralds the return of long-time polo great Pete Bostwick to the Long Island polo scene. Bostwick will play on the Aiden Team during the Metropolitan League games. The top polo teams in the Northeast are scheduled to complete every Sunday afternoon at 3:30 at Bethpage State Park through October 3. Admission to the games is \$1.50 per person with children under 12 admitted free. Polo is for everyone and a visit to the Polo Field at Bethpage State Park will result in an exciting Sunday afternoon.

Plainview Girl In College Production

Miss Judith Mrozowski, daughter of Mr. and Mrs. Joseph T. Mrozowski, 38 Floral Drive, will appear in the Saint Mary-of-The-Woods College production of "The Children's Hour."

The play will be presented May 14 and 15 at 8:30 p.m. at the all-female liberal arts college located near Terre Haute, Indiana.

Film To Be Shown

The Adoptive Parents Committee - Long Island Chapter - proudly presents "The Twins Who Found Each Other." These brothers, of literary fame, separated at birth and reunited as adults, will appear in person on Saturday, May 15, at 8:15 P.M. at the Plainview-Old Bethpage Library, 999 Old Country Road, Plainview. Join us for a fascinating and informative evening. Refreshments will be served. For further information call, in Nassau, 822-2436 or 796-4087.

Hicksville Fire Dept. News

Lt. Owen W. Magee

Fire Report May 2nd to May 8th

A total of 11 alarms were received last week. A rather quiet week. Maybe our fire prevention lectures are paying off. There were 3 rescue calls plus 2 malicious false alarms.

A fire of suspicious origin occurred at the Steak-Pub Restaurant in the Hills Shopping Center, Old Country Rd. and South Oyster Bay Road Wednesday May 5th at 9:01 P.M. The damage was slight and the fires were confined to the rest rooms. 60 men and 5 pieces of apparatus responded under Asst. Chief Roy Schaaf.

A fire in a vacant garage on Hanover Place off Broadway kept firemen busy for an hour on Friday May 7th at 1:42 P.M. 35 men and 5 pieces of apparatus responded under Asst. Chief Misturini.

We would like to inform any new residents or readers that the Hicksville Fire Department is all volunteer. 210 men - 3 fire stations - 11 pieces of apparatus consisting of 6 1,000 gallon per minute pumps, 2 85' ladder trucks, a flood light truck; a rescue truck and an ambulance and a chiefs car. There are full time dispatchers on duty around the clock 7 days a week. The district also has 283 fire alarm boxes.

You can depend on the volunteers to serve you around the clock whether it be, for fire, rescue, oxygen or a major disaster. The volunteers are your neighbors, your friend or your relative. He is unpaid. With his devotion and willingness, he keeps your cost of fire protection to a minimum. Only the dispatchers are paid. A board of fire commissioners, whose job it is to see that the fire tax money is used properly are elected annually by the taxpayers.

Your volunteers invest hours weekly all year round in training. He attends special classes to keep abreast of latest developments - on his own free time. Remember your firemen are volunteers who have chosen this work. He receives no compensation, no tax exemption. Once during the course of the year he asks you for a donation of what ever your means allows for the welfare fund to cover certain items - that are not covered by tax money but which are necessary to run a fire department.

There is absolutely no cost to you when you call your fire department for any emergency. In Hicksville dial "0" for operator and ask for the Hicksville Fire Dept. telling her an emergency exists. Or dial WE 1-0026.

LIBRARY NOTES

The proposed budget of the Hicksville Public Library for 1971-72 totals \$399,963.19, an increase of \$26,324.91, a tax increase of 3 cents per \$100.00 of assessed valuation. The Board of Trustees of the library wishes to remind the taxpayers that the actual amount of tax money raised is \$12,000.00 less since that much in fines and fees is being used to offset the budget, about 4 per cent of the total.

Basically the proposed budget is a conservative one which will enable the library to carry on its function of purchasing materials, providing special programs and services for adults and children and introduce special services for the homebound and handicapped in the community. The Hicksville Library is well equipped, containing over 160,000 books. The library has as its primary objective the acquisition of sufficient materials to provide information, recreation, and to serve the creative and spiritual capacities of citizens of all ages. The cost of maintaining and equipping this institution is scarcely \$20.00 a year for the most expensive home with the cost to the average homeowner

only \$16.00 - \$18.00 a year. Budget deficits, since they always damage the collection the most, create a stagnant condition that serves no one very well and saves very little money. Therefore we urge everyone to support their library budget and preserve the quality of their library, one of the best in Nassau County.

Morton Estrin will present a piano recital for the final program of the Hicksville Public Library Fine Arts Committee 1970-1971 Music Series on Sunday, May 16 at 3 p.m.

Mr. Estrin, a Hicksville resident for many years, is an internationally recognized pianist, recording soloist and teacher. He records under the "Connoisseur Society Records" label. Mr. Estrin has performed at the Hicksville Public Library in previous Music Series. It is always a great honor for the library to have him appear on our programs.

The concert on Sunday will include compositions by Bach, Busoni, Bach-Liszt, and Liszt. All music programs are held in the Library auditorium. Admission is free to the community.

Conference on Youth
1971

President Roosevelt in 1910 set a tradition of convening a conference on children and youth once in a decade. President Nixon is the first president to separate the Children's Conference from the Youth's Conference.

I was privileged to attend the White House Conference on Youth held April 18-22, in Estes Park, Colorado.

The most outstanding feature of the conference was the participants themselves. Coming from all over the nation, we all sat down and developed scores of recommendations for government, schools, and Americans in general. Each delegate had deep concern for the issues facing us today.

I was directly involved in the Task Force that dealt with student participation in our secondary schools. We felt that as members of the school community, students must be involved. Participator democracy must be practiced in our schools just as it is taught in social studies classes.

The success of the Conference will depend upon whether or not the government responds to the recommendations put forth during our meeting. However, my five days in Colorado were most rewarding because of the many new ideas and experience gained.
