JERRY BRILL

I've come to the conclusion that the general practitioner is a thing of the past.

I called one when I fractured my finger recently and this is probably what confirmed my belief.

'Hello, Dr. Drake,' I said, 'I fractured my finger. When can I come over?'

'Actually,' he said, 'I am no longer a GP. I'm an internist!'

'Well,' I told him, 'it hurts on the inside, too.'

'Better see a GP with that. I'll recommend someone,' and he

did.

I called the second man. 'Hi, Dr. Pflug, Dr. Drake suggested I see you. I fractured my finger.'

'That's too bad,' he told me, 'but I don't handle fractures. You should see an orthoped. I'll recommend someone.'

I dialed the pulsating rhythm of the digit.

'Say,' I said, 'Dr. Martin, Dr. Pflug who was recommended by Dr. Drake suggested I call. I fractured my finger.'

'Shame,' he said, 'which finger?'

'Well, it's the middle one actually but they're all sort of blended in with one another, now.'

'I don't handle middle fingers,' he told me. 'I would suggest Dr. Elton. Best one in the business.'

I continued because actually it

'Dr. Elton, a group of local physicians suggested I call about my middle finger which is fractured.'

'How did you do it?' he asked.

'Well, I was lifting this out of tune piano in the basement-' I answered.

'Actually,' he said, 'I don't handle piano breaks. I'd recommend Dr. Blume. Best middle finger piano break man around.'

We moved to his inner office. 'Well, I think you've broken your finger,' he told me.

'Astounding,' I said!

He wrote on his prescription pad and I left.

I read my instructions which were to go to a radiological lab and have it x-rayed.

I went home instead, took 2 aspirins, and called my piano tuner in the morning.

## Board Will Consider New Hall for VFW

The hearing of 5942 Corporation for consideration of the erection of a new meeting hall for the Veterans of Foreign Wars Post No. 5942 on Old Country Road, Plainview is scheduled for public hearing at the Oyster Bay Town Meeting on Tuesday, May 5th, at Town Hall. Hearings start at 10 A.M.

The new 43' x 46'6" building would be constructed behind the present meeting hall, which is a former residence. The VFW needs a special permit use to construct the building, which is considered a private club, on the Residence D and C zoned property.

The property, fronting 100 feet on Old Country Road with a depth from 500 to 600 feet, is situated on the southside of the artery about 110 feet west of the Bethpage Parkway property. The property on the east and west is vacant; a one-family home is on the abutting property to the south.

According to the building plan submitted by Martin Goodman, Architects & Planners, the new meeting hall consists primarily of one large hall with small kitchen, bathroom and cloakroom facilities. The new building would be used for meetings of organizations other than the VFW, of the "fraternal, religious or non-profit" type.

William M. Gouse, Jr. Post No. 3211  
By Lou Palladino

After the last meeting, its going to be hard trying to match it with a follow up. Maybe it can be done, who knows. Only you members can come and accomplish it. Remember you can only get pleasure in an organization when you put some effort into it. As a matter of fact Our Cmdr. Frank Aug received a citation for the received a citation for the Post second in the entire state in Community activity. If there are 44 posts in Nassau Alone, imagine how many of the whole state of N.Y. This is quite an accomplishment. This may just be one of the last honors Frank will get in the wonderful effort he gave this year.

We had two fellas from County running for the same position looking for our votes. The job is Jr Vice in County Council First was Tom Bauckbaum and Jerry Kikullen.

Understand that County is giving trophies each year for hospital work. Whether we get one or not isn't important, what is important is the effort we try putting into it for the more unfortunate guys.

The cocktail party was a success while not as crowded as the last one, it still turned out well. It conflicted with the Loyalty day parade, and our Colors were represented. So this had to cut down the attendance. Somebody got their signals, crossed somewhere along the line.

As you may already know, we are having a joint installation with the Aux. May 15 at 8 P.M. Harry Wurth will be charge, George Walders will be installing

JR. UNIT OF THE V.F.W. held their installation and their new officers are: Eileen Aug, Pres., Cheryl Wurth, Sr. Vice, Susan Posillco Jr. Vice, Frances Blesi, Tres., Jackie Mulligan, Chaplain, Patricia Mulligan Conductress, Guard Theresa

McGinley, Historian Carol Ann Chwalisz, Secretary Patricia Williams, Patriotic Instructor, Connie Blesi, Color Bearers Lorraine McGinley Lisa Pisani, Kathleen Collins, and Carol Ann. Good luck girls, and keep us proud of you, and your good work.

officer for us, and Dotty Mulligan for our Ladies. It should be a very interesting and pleasant evening. Our ladies will furnish all the salads too.

Ailing with a blood clot is our good friend and comrade Angelo Divito. He has improved since being hospitalized, so come on boy get well quick, and be your old self again, but don't overdo it. Also old time Aux member Annie had her second leg amputated. She is down south with her

daughter, and resting comfortably. Nothing new to be said about the building. That's all for now.

## From Your Congressman

James R. Grover, Jr.

Some weeks ago, an anti-war parade was performed in our nation's capital without disturbance or undue incident. It was orderly and it was impressive in size. After the parade, the vast majority of non-violent protestors went home and the trouble-bent, government-hating Mayday Tribe arrived to do their bit.

Now, several weeks after the radical "peace" operation here in Washington, complaints are heard concerning violations of the rights of demonstrators. From one point of view, these complaints are valid.

Washington police declared their own martial law during the worst of the demonstrations. They swept up thousands, many of whom were only standing on the sidelines and watching the "fun." These thousands were put into an enclosed athletic field and held without the filling out of necessary reports and without being photographed as required. The rights of due process for demonstrators and a few non-demonstrators were indeed violated. The non-demonstrators have a valid complaint, although prudence should have dictated that they stay as far away as possible from disturbance areas. As for the violent demonstrators, they came to Washington with the avowed intention of closing down the government and their complaints find few sympathetic ears.

The worst of the demonstrators have been called Brown Shirts and Fascists and, believe me, they are. A Fascist of the Left has no more claim to virtue than a Fascist of the Right.

To those of you concerned with ill-treatment of those demonstrators, let me assure you that they asked for it. They blocked traffic and they had no right to do it. They slashed tires on cars and they had no right to do that. They smashed car windows. They stuffed ignited rags into gas tanks. These wavers of the Viet Cong flag and troops of the clenched fist were ludicrous in their demands for their Constitutional rights, for it is our very Constitutional government which they have vowed to overthrow.

Anyone who engages in violence while calling for peace has got to be very confused. Those who live in the District of Columbia and environs weren't confused. The assailed citizenry armed itself and many a "peace-loving" demonstrator found himself being clubbed and stoned when he expressed his love for peace by gently pushing a car into the path of traffic, by lovingly smashing a windshield, or in brotherly fashion, dumping garbage into the streets.

Rights are indeed precious but these fascists would take away our rights while at the same time screaming that they are being deprived of their's.

## Letter To The Editor

Dear Editor:  
School Budget time is here again and we are about to witness another taxpayers revolt.

Let's analyze the situation for one minute. Costs are spiraling, taxpayers are being squeezed to death with new increases and people are finding it very difficult to meet these demands.

Cigarettes are going up, liquor is going up, are we going to stop using these products? I would doubt it, we will find some way to work them into our social life.

When you go to the supermarket you spend X amount of dollars and what do you receive for your money?

The most important and foremost interest of every parent should be the education of their children.

What makes us think education costs are going to stay the same.

The think the budget being presented at 87 cents base budget is a trim budget. You have the prerogative of voting in transportation for 49 cents and recreation for or an additional 4 cents.

If I can run a household, I can afford to support my school budget.

Therefore I urge a YES vote on this year's school budget.

Mr. Fredrick Paparcuri

**TO HICKSVILLE FIRE DEPT.:**  
We would like to take this opportunity to express our very deep and sincere thanks for your prompt response and excellent manner in which you of the Fire Dept. conducted the fire fighting and stopping further damage to our home at 190 Tenth St. Hicksville on the morning of March 24, 1971.

We were informed that one of the men was injured and sincerely hope it was not of a serious nature.

Thanks seem to be so little to express how we feel for such a commendably performed task, but it comes from our hearts with extreme gratitude. We extend our warmest sincerity and much respect to those who give so much of themselves so freely and ask for nothing in return.

Respectfully yours,  
Mr. and Mrs. Joseph DaCosta

Dear Editor:

The days in which education consisted of just the three "Rs" have long since passed. Today's educational revolution has taken on many of the features of a growth industry, and we can reasonably assume that the process of educating the people will become the most important ingredient in our democratic society as we approach the 21st century. Our recent view of education has been to prepare the individual for work for economic gain in an industrial and post industrial society. The tradition is rapidly losing ground to one in which education of the individual is a multi-purpose task which deals with the whole child in the context of our whole society, yielding other benefits over and above and quite independent of the economic motive." (Harold K. Sternberger-1968)

In order for our schools to meet the needs of modern man, they must be capable of offering the student a myriad of opportunities to aid in his development. No longer are the "basics" enough, the modern school must make available every avenue for

social, cultural, and intellectual development. If our schools are to be an aid in preparing our people for this society, they must be given the means by which they will be able to yield intelligent, well rounded, and vocationally trained individuals. The need for art, music, drama, sports, clubs, student publications, etc. goes beyond affording our students with "entertainment." I would venture to say that the majority of education happens outside the classroom, where the activities of life play their hand.

There are those who feel that all of these "extras" are the frills of education, stating that they are not important. It might be interesting to know that all of the colleges of today place a great deal of importance on the "frills" that secondary education provides. Many high school seniors gain admittance to, and scholarships to the colleges of our land, due to the "frills of education" that they have received. The colleges of today want well rounded well educated students... our schools bear the burden of providing such students.

On June 8th, the people of this district will be asked to stand behind, and give support to, their schools. They will be asked to "invest" in their children's future and education. Quality education v.s. inferior education is the issue. They can vote Yes, opening the door for their children and the youth of this area, or they can vote No - save a small amount of money - and greatly hinder the ability of our school system to do its job.

## ABORTION IS MURDER

Senator Donovan and Assemblyman Crawford of our State Legislature have proposed bills which will restore the provisions of the former law of New York State on Abortion.

Their bills abolish the legalized murder permitted under the present law of this State. It is our belief that the Donovan Crawford bills will pass both houses of the legislature if permitted to come out of the committees of the respective legislatures. Our council, therefore, urges all persons of the Community of Hicksville who are interested in preventing the wholesale slaughter of unborn children to write to:

Senator Earl Brydges  
The State Senate  
Albany, New York

Assemblyman Perry B. Duryea  
The State Assembly  
Albany, New York

Urge them to use their power to place these bills before the legislature.

## LIBRARY NOTES

On Sunday, May 16 the last of the Hicksville Public Library Fine Arts Committee Music Series 1970-71 too place. Morton Estrin, a Hicksville resident who is an internationally known pianist, performed to a "standing room only" audience. The program was superb, and was a marvelous finale to our successful concert series to date.

The Hicksville Library has been presenting Sunday musicals since 1957. We are one of the innovators of music programs at public libraries in Nassau County. The library has a won-

derful piano and a large acoustically perfect auditorium. (The perfect acoustics was a pure accident. Since the room needed a high ceiling for the construction plans of building, music just floats up and down to the delight of professional musicians. Probably if we had tried to make an auditorium as fine acoustically, we may have had the same problem as Philharmonic Hall did).

We realize that everyone in Hicksville is not a devotee of the type of musicals that we present,

# The Villager

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

## East Birchwood Divided?? An Answer

By Lotte Stein

The Villager of Thursday May 13 contained an interesting article by my fellow member of the Board of Directors of the Birchwood at Jericho Civic Association, our good friend and neighbor Erwin Soroka. He implied that residents of our "F" section are denied full citizenship, equal representation and community action by a majority of the officers and board members of our Civic Association. He maintains that our community has a split personality.

True, the F section belongs to the Syosset school and fire districts. This is not necessarily a disadvantage according to many of our residents. What all of us have in common is, of course, our municipality, the Township of Oyster Bay. We have the same postal and water districts. The 2nd precinct Nassau County Police serves F as well as other residents.

Now let us take a look at the record as far as leadership of our Civic Association is concerned. Of eight Past Presidents, five were "F" residents. They were Messrs. Baume, Bernstein, Diamond, Becker and Frankel. The larger (60 percent) non-F residents supplied three past presidents Messrs. Abrams, Geyer, and Fetzhold. That's what I call real "F" leadership in our community. On our present board of Directors we have Ralph Diamond, Councilman Town of Oyster Bay and...you said it...an F resident. Does that mean Mr. Soroka, that the majority of Birchwood is being discriminated against for not being represented by a councilman on our Civic Board?

Let us look at our various Civic Assn. Committees. Town Planning, Membership, The Villager, Health, Safety and Welfare and Youth and Recreation all serve everyone of our neighbors. As to the Syosset Library and School committees,

there is a simple explanation why they did not function actively during the past year while their counterpart in the Jericho district did. Most of the male members of the B.C.A. Board bowl on Monday nights. The Syosset School and Library Boards meet on Monday nights. The Civics, while asking for chairmen to serve on both committees, found itself stymied by our strong and popular bowling enthusiasts.

One more item of interest, Mr. Soroka. Our so very successful annual dinner dance attended by 228 of our members on May 8 showed neither F nor other tables. Everyone mixed and socialized pretty well, regardless of residence.

If we still have not convinced Mr. Soroka by this time, that his assertion of a split Birchwood is nonsense, here is a suggestion on how we can even get a larger representation of F members elected to leadership positions on our Board. There are nine months left for him to seek out volunteer candidates representing his imagined geographical community, who will serve and work as officers, directors and committee chairmen next year. No one, regardless of geographical residence or sex, who wanted to run for our Civics Board has ever been turned down in the long and glorious history of our Civic Assn. Perhaps, he can even find someone who will not bowl on Monday nights so he or she can attend Syosset School Board and Library Board meetings on behalf of our Civics.

I should like to conclude by saluting my fellow board member, Erwin Soroka, for his fine service on our board on behalf of all our residents. He may perhaps, be subject to some alphabetical sufferings (F personality) but he is a worker and a doer and we are glad to have him on our Board.

## Potholes: Disgraceful Public Menace

By Gilbert B. Stein

Floyd's will proceed to patch up the 117 large holes and let it be at that. Of course, after the first heavy rainfall and certainly by fall and winter due to cold and ice, this same old mess will be there, only worse.

During the past years, Floyd's have upgraded their operations and appeal. Perhaps pressure by all residents through our various civic associations might persuade Floyd's that only major surgery can correct an impossible situation. And if enough people shout loudly enough and

perhaps shop elsewhere, there is a good chance that a new parking lot may be laid down.

One other eyesore is the small portion of this lot leading towards the dead-ended Merry Lane exit. This is an ecologist's nightmare, a dumping ground of refuse and a civic shame.

With apologies to the management of Floyd's, the above is stated in the public interest. But someone had to say something publicly and I hope my fellow residents will agree with me and take action on this matter.

## The Major League

by Mike Pakaluk

This week of action opened with a tie for first, and a tie for second, and closed with two teams still on top, one in second, and one in the cellar. Here's how it happened...

V.F.W. met Gilson at Burns Ave but this time under a blanket of rain and the teams walked away with a postponed game and awfully wet... At Cantigue on May 11, second place L.I.N.B. beat second place Nathans 8-4... J. Foggoli and A. Kappel homered for L.I.N.B. with R. Barth helping the attack. Honors went to B. Spettman, C. Bergin and T. Hogan of Nathans... On Thurs. V.F.W. and Gilson played and played and at dusk the score was 7-7 with the game being

called... Nathans was beaten by a strong 21 hit L.I.N.B. attack 21-4... J. Foggoli and A. Kappel shared pitching chores with T. Koppas and J. Goldstein hitting exceptionally. Again it was C. Bergin and S. Greiner hitting for Nathans with J. Gilchrist giving a hand...

## "A" League

by Bob Cassano

After a week full of action in the "A" League, the red-hot Mid Island Plaza team rose to first place in a tie with the Dodge Charger team. "We started out slow but we're coming on strong," said manager Mel Harris. With two wins this week Mid Island has now won three in a row, and have the highest percentage in the league. On Monday May 10th, they romped Malvese 16-8. Pitching like Seaver and Kosman, Greg Knight and Tony Severino did a fantastic job on the mound. Ed Babquet contributed a double. Mark Bliss had two ribbys, while "Tom and Jerry" had seven ribbys between them to aid their own cause. Mr. Orr, Malvese's manager is still looking for the right pitching combination. He did get some strong hitting from M. Marchetti, who had a triple. Mid Island's other win was over INT'L

PANCAKE HOUSE. "Tom and Jerry" did it again on the mound; Jim Tanora was the fielding hero in this one and Tommy Christie took the batting honors. Dodge Charger. Starting this week undefeated, was able to hang onto a first place tie despite two losses, both times to INT'L PANCAKE HOUSE. The first game, an 8-7 squeaker had Bill Castellano as the winning pitcher. Donald Glueckert, Richard Moorehead and Leroy Mehan shared the hitting honors. In the second game between the two, T. Rath was the winning pitcher, allowing only four runs. Steve Jankowski, Charlie Virga and Bill Castellano helped Tom with their hitting.

In their next game, the Dodge Boys started to look like Chargers as they beat Circle Texaco 21-2. Corrigan had four hits and seven ribbys; Hellinger had six ribbys and Cassin pitched a two hitter and helped his own cause with a home run. The week wasn't a total loss, however for CIRCLE TEXACO: they beat NEWBERRY 2-0. Flanagan and Nadelman combined to pitch a no hitter with only two men reaching on errors. NEWBERRY's downfall came in the third inning when they allowed four walks. CIRCLE would have won by a higher score were it not for the fine defensive plays by M. Babat and F. Behr. NEWBERRY's continued to slide as they lost to MALVESE by 4-1. This was MALVESE's first win of the season. Mr. Orr found his pitching combination in R. Kaufman and G. Ober. They allowed only one hit to the NEWBERRY squad.

## "AA" League

by Charlie V. Rollins

Three strikes and your out, a familiar call around baseball circuits, and applies to little league also. So here is the action as it happened this week:

The place Burns Ave & Firestone's winning streak still goes on, as Firestone beat Agway 3-1. The pitching combination of Bill Meslin & David Knight proved too much for Agway to handle as they collected no hits and no balls, but to the outfield. Their lone run came on a lapse of control by David Knight who walked four batters in the last inning. He then proceeded to fan the side to put out the fire. David Knight knocked in 1 run and Andy Lopodote had 2 R.B.I. for Firestone.

Also on the same day Gertz jumped on Firestone to beat them by a score of 12-10. The scene provided a see-saw battle from the beginning with the lead going back and forth. Great hitting for Sunoco by R. Willis, J. Eaton, and M. Tucker and very timely base hits by B. Mackin and John Sweeney. But alas Sunoco lost the game due to fielding errors. But for Gertz after trying to give the game away with 6 errors, Gertz defeated Sunoco. Jim O'Brien Mark Anastasia, Mike Humphreys had two hits each, Jim O'Brien knocked in the winning run in the bottom of the 5th inning. Richard Rath was the winning pitcher allowing 10 hits, 10 runs and striking out 7 with 2 walks. Catcher Mike Humphreys cut Sunoco off in the last inning by starting a double play on a difficult pop up.

On Thurs. GERTZ vs Sunoco Rained Out.

Friday was different in many ways, one being Firestone remained the only unbeaten team by beating Agway 5-2... Bill Meslin picked up the win with three fine innings of pitching. Bill Vining sparkling at 2nd base and drove in 1 run. Jack Somer went 2 for 3 with 2 R.B.I. David Knight knocked in 2 runs with a single and leads the club with 7 R.B.I. Alan Roberts broke out of his slump with a solid line drive single to center that touched off a 3 run 3rd inning. The outfield of Brett Kludney, Andy Lopodote, Mike Staub, Alan Roberts, John Carr and John Williams have been doing a great job of cutting off hits through the infield and getting the ball back to the infielders to keep those damaging long hits away from opposing hitters. It's a real lift for the team to know that the outfield will smother those possible doubles and triples. This is a real hard working team (Sportswriters note:) A team that works together like this one, must have one heck of a good manager.

### Standings of the "AA" League

### Section 8 Tennis Tournament

When Nassau County captured the New York Regional High School Tennis Championship last June, its singles players were 12-0 in competition with the rest of the state. This year, these same four players: Gary Reiner of Hericks, Mike Fishbak of Great Neck North, Neal Edwab of Wheatley and Jim Lanes of Great Neck South are back to defend their titles and are the first four seeded singles players in that order. The Section 8 Nassau County Interscholastic Tennis Tournament, beginning on Monday, May 24, once again will provide the high light of the school tennis year, as well as supply the four singles and three doubles players who will go on to play against the rest of the state in the Regional Championships. The scene of the tournament this year will shift to Woodbury Country Club in Woodbury which, in the interests of furthering junior development, has donated the use of their courts. Woodbury Country Club will also stage a tennis clinic by their teaching professional, Reynaldo Garrido. Following the four returnees in the seeding will be Steve Knittle of Hewlett who went undefeated in South Shore play this year. Dan Small of Westbury, and Dan Norris of East Meadow.

The doubles competition in the tournament is expected to be even more closely contested, with no clearly established favorite and many unknown quantities. The Meyers brothers are top-seeded and are the only returning team to place in last year's tournament. Wheatley's Sammy Schwartz and John Kay are seeded second, while Westbury's tandem of Heckler and Gibralter, fourth last year, are third seeded. Kennedy High School of Plainview, which will provide student personnel for the tournament, has the sixth seeded team, consisting of Keith Peckler and Rory Singer. Other ranked teams include Hericks, Hewlett, Baldwin, and East Meadow.

Play will begin each day of the tournament at 3:30 p.m. at Woodbury and spectators are invited to see the top high school players in the country in action. Tournament Directors are Martin Vinokur from Kennedy High School in Plainview and Kenneth Pine from Plainedge High School.

## Retire Men's Club To Meet

## Plainview High School News

The National Leadership Conference of DECA (Distributive Education Clubs of America) which was held in San Antonio, Texas April 16 - is past, but the memories of it will linger with one of the New York State delegates for many years.

Dorothy Shumelda President of the Plainview-Old Bethpage High School chapter of DECA and also vice-president of the Senior Class, represented New York State in the Job Interview Contest. Although she was not one of the finalists, Dorothy felt that this was a most rewarding experience. 4,500 Distributive Education students from 50 States attended the conference. The opportunities for forming new and lasting friendships were numerous. Dorothy had the opportunity of becoming close friends with a girl from Arizona who became DE student of the Year, the highest award that can be given to any student.

Political campaigning for National Office is one of the major activities of the National Leadership Conference. Dorothy was most active in the campaign of Rosetta Savine, from Lawrence High School, who was nominated for the office of North Atlantic Vice President. Even though Rosetta lost, Dorothy felt that the opportunity to be of service in helping others to achieve was one of the high spots in the entire conference.

The opportunity for achievement and recognition is open to any student in the Distributive Education program. Dorothy was particularly impressed with David Colburn, National President, and Craig Wilson, Junior Collegiate President, whose stage presence and public speaking abilities attested to the type of training that Distributive Education gives both the high school and post high school student.

school student.

New York State had 9 finalists. Perhaps the greatest achievement in the mind of Dorothy was the unification of all those representing New York State into a feeling of a family with concern and love for each other.

## Hicksville International Little League

The Major League teams were idle this week due to rainy weather. The wet weather this Spring has plagued the major schedule and additional games will be scheduled in the ensuing weeks to make-up for the rained-out games.

The Minor Division was able to get its games in this week despite the poor weather. Paragon Oil claimed their first win this week defeating Hills Supermarkets 7-2. Timmy Zorzo and Bob Targowski turned in strong pitching performances and Mike Teplin provided the power with a homerun. Hicksville Pennysaver continues to have problems after a strong season start. H.P. was trounced by Hills Supermarkets 17-7 and lost a tough extra inning game to Long Island Nat'l Bank 10-9. Hills Supermarkets has jumped into the Division lead with impressive 4 and 2 record.

In the Farm Division, Ancient Order of Hibernians has maintained its perfect record defeating So. B'Way Carvel 3-2. Hicksville Dairy also maintained their perfect record squeaking by Marder Shell 2-1. Shell is still trying to get in the winning column. The Yanks came from behind in a thriller to defeat Carvel 4-3.

The Senior Division will kick-off its Season next week and it promises to provide some exciting Base Ball. This Division under Jim White will play a home and away schedule with the Jericho Senior League.

## Councilman Mosca Guest Speaker At Republican Club

Town Councilman Salvatore Mosca Republican from North Bethpage spoke at the Friday May 14 meeting of the Ernest Franks, Hicksville Republican Club, held at the Hicksville Masonic Temple, who was introduced by Jerry Trotta, Hicksville Republican Leader.

The newest member of the Town Board's replacing Ed Ocker from Plainview, who is now with the Nassau County Department of Parks. Sal has a high degree of qualification to serve on the Town Board. He holds both degrees in law and engineering, and has served in the Town's Attorney's office. His main theme was the duties

that the Town Board must endeavor to fulfill in these times of grave problems for the Town. The quality of life in the Town, its preservation and enrichment must be the Town's real purpose, Mosca noted.

The power to come is perhaps one of the most important tools in the Town's function of preserving the quality of life. Now it is being challenged by a bill in the State Assembly and Senate. This bill would remove zoning powers from the town and remove it to a higher level of government.

Mosca pointed out that an additional problem is that of solid waste disposal. The Town's efforts at recycling must be ex-

panded, he noted, because soon no place will exist, in terms of land fill, to place refuse.

Pollution, by air and water is being combatted by the Town's and other efforts. Noise pollution for all of us must also be combatted. Mosca noted that this form of pollution was perhaps most dangerous, in that it even affected the mental health of people.

The cycle of life must be maintained, as well as its balance, Mosca said. To preserve our suburban way of life, the proper balance and cycle must be created and maintained. This was local governments highest task to maintain the total ecology of our life style.

In answer to a question Mosca said that the triangle between Old Country Road, New South Road, and Plainview Road had been vested title to and was now in the courts. The use of the land is

awaiting the recommendations of the Town's master planners. It was also noted that to make ecology programs work en-

forcement procedures will have to be instituted - otherwise recycling will never be practicable.

It was reported at the club's meeting that the cocktail party had been a huge success netting thousands of dollars. Club dues will rise to three dollars a person, and five per couple within the next few months, President Bill Buchman announced.

At the next meeting June 11, the Glen Airs of the S.P.E. B.S.Q.S.I.A. will sing, as the evening program, Steve Saring, program chairman announced.

# SPORTS

By

Howard J. Finnegan

Appreciating from the start that they could not overturn Syosset and Farmingdale, Hicksville's track and field men concluded the 1970 dual meet season with a 96-45 loss on the Daler Cinders but returned home in good spirits.

They were fortified that their 4 won, 2 lost season was the best for Hicksville in decades.

Coupled with that were outstanding individual performances. Two Hicksville records were established in this final outing to bring the campaign's mark to four.

Larry Blauvelt ran a splendid 440-yard dash in the excellent time of :49.7 to get his name on the record board. Walt Staehle won the 880-yard dash in 1:57.1 to register the other record.

Previously this season Bob Scanzillo came in with a record 220-yard dash in :22.2 and Dan Bell cleared the high jump cross bar at 6 feet 4 inches.

Both wrote new marks in the Hicksville record books.

Scanzillo maintained his

winning pace against Farmingdale in 23.2 and John Kearney also was victorious in the mile run. His time was 4:38.

The final Hicksville win came in the two-mile relay run. Vinnie Luisi, Sheldon Melnitsky, Larry Losassa and Gary VanHouten turned the course in 8:48.

Jim Ajello was left in the starting block but recovered and lost the 100-yard dash by half a step.

Bill had a commendable 6 foot clearance in the high jump but was eclipsed by a 6 foot, 5 inch water soar.

The track story was the happiest of the year for Hicksville Daler Sports.

Coach Jay McAuley's well-organized team executed on the highest level and returned the sport to major status for the Orange and Black.

The individual first place winners have been gaining the attention but backing them up was a contingent of hard working point placers.

Those lettermen were: Kurt

Spielmann, Gary Pfaffle, Ken Meyer, Ray Walkowiak, Matt Gaudioso, Jon Spodaro, John Fitzpatrick, Bob Sofia, Bob Schreiber, Kevin Kutner, Kevin Watson, Edward Pound, Tom Maier, Vic Gildmadrin, Vic DiMarzi, Glenn Williams, Paul Strick, Paul Martin, Don Dougherty, Steve Sulzinski, Brian Austin, Tom Lawlor and Kerry Coburn.

These Varsity Letter winners as well as All Boys Varsity Letter winners for the year will be honored at a sports dinner in the Old Country Manor, Wednesday night, June 2.

The Hicksville Alumni Association is the major sponsor. Space requirements have left limited openings for parents and alumni. Tickets are Five Dollars apiece and can be secured from r. Richard Hogan, Boys High Jam, until Thursday, May 27th.

Athletic Director Army Tomaini will distribute the invitation tickets to the letter winners through their respective coaches.

READY, SET - Oyster Bay Town Councilman Ralph Diamond, front row center, is joined by members of the Jericho Volunteer Fire Department for dart

practice at recent carnival sponsored by the Department, held adjacent to Floyds shopping area, Jericho.

# HICKSVILLE FIRE DEPT News

Lt. Owen W. Magee

**Fire Report May 9 thru 15**  
Thirteen alarms were received during the last week. Four rescue calls and one malicious false alarm were among the thirteen.

A general alarm fire raced through several stores in a shopping center in Plainview late Saturday, May 15. The fire was at Woodbury Rd. and South Oyster Bay Rd. The Hicksville Fire Dept. was asked to send their high expansion foam unit and the tower ladder to the scene. 30 men under Chief Voorhies and Asst. Chief Mertz were on the scene until 6:30 AM Sunday. The special foam was used to quench the fires in the basement. Also at the scene was the Bethpage and Farmingdale fire depts. The J. D. Bakery and Williams Discount Store were involved. The fire attracted a large crowd throughout the night.

## Annual Fund Drive

In the next few weeks the Hicksville Fire Dept. will kick off its annual Welfare Fund Drive. Chairman Ex-Chief Larry Huttie and his committee work hard at this project 12 months a year. As in the past year, the fund drive will be conducted through the postal service. In past years the drive was made only at our convenience and not ours, that is to say, we expected you to be at home when we called, and not when you felt we should come. By conducting the drive through the mail you may contribute to the Hicksville Volunteer Fire Dept. at your convenience and not ours.

Why do we conduct this Drive? Your contribution will provide

funds for athletic equipment, benevolent funds, insurance, welfare projects, and other accountable items not included in your fire tax dollar. The residents of Hicksville enjoy one of the lowest fire tax and fire insurance costs in Nassau County.

Last year 895 calls for assistance were received. The trained and experienced fire officers and men answered the call regardless of personal inconvenience to themselves.

How well they did the job can be attested to by the fact that the total fire loss showed a decrease in dollar loss.

## Field Day, June 6

Come out and see your volunteers in action, come see the latest in apparatus on June 6 at the Nassau County Firemen's training center on Winding Road in Old Bethpage. 1-5 PM \$1.00. DOLLAR DONATION. There will be fire suppression demonstrations of all kinds along with rescue operations. Come on out - Bring the family.

## SAFETY TIPS

0 Yield the right of way to all emergency vehicles.  
0 Be sure your house number is visible at all times.  
0 Do not park in front of fire hydrants.

0 Keep drugs and poisons out of reach of children.  
0 Be careful of smoking and matches.

0 A flashing blue light on a vehicle indicates a volunteer responding to an emergency, please give him the courtesy of the road.

The Fire Chiefs Council of Nassau County will sponsor the Fifth Annual Firemen's Field Day at the Nassau County Firemen's Training Center, Winding Road, Old Bethpage, on Sunday, June 6, between 1:00 P.M. and 5:00 P.M.

A wide range of fire fighting appliances will be on display, expertly demonstrated by factory representatives, using the latest, approved techniques.

Registration fee of \$1.00 admits the family. Refreshments available at moderate prices.

## LETTERS

(Continued from Page 4)

I ask that the people of Hicksville register this Saturday, May 29; otherwise you lose your ability to speak for your children and school. If you are 21 years old, residing in Hicksville (not necessarily owning land) you are eligible to vote for this budget, providing you are registered.

Please Vote on June 8th, its the only way your voice will be heard. Please consider what you want for your child, the best or a short changed education. It's a big decision. I pray you make the right one.

Sincerely  
Gary Enos
