HERALD REPORT SCHOOL DISTRICT 17 HICKSVILLE

By Shirley Smith

At last Tuesday's meeting, the Board of Education unanimously approved a 2-year contract effective July, 1970, with the district's secretarial staff.

A dental insurance plan for the teaching staff - approved in last year's contract negotiations - was placed with Connecticut General.

The Board approved the hiring of one psychologist for June and July to follow up on any unfinished case work. This has been done for the past two summers.

Superintendent Abt announced our district would receive only \$7500 from the Town of Oyster Bay for a summer recreation program. The Board will decide later what action will be taken in setting up a summer program. Last year, Hicksville received \$15,000 from the Town.

The Board received a letter from Charles Fetta asking for action on two dances at the Junior High, held in February and March. At the former, some of the Woodstock music was played. At the latter, a dance sponsored by HAD, Mr. Fetta was questioning the publicity that went out and behavior of those at the dance. Mr. Abt reported that Administration had taken three steps, in reference to music at school-sponsored dances:

- (1) Stipulate type of music desired in contract
 - (2) Have "canned" music available if it becomes necessary to stop the band from playing undesirable music
 - (3) Withhold pay from the band if the contract is broken
- Mr. Abt added that the school is not responsible for dances

sponsored by outside groups - the School Board gives permission to these groups to use the schools. Mrs. Walsh, Public Information Coordinator for the district, will check all organizations and their events more closely and report to the Board. Harry Kershen, Board president, stated that the School Board wants to make sure nothing controversial happens at school events.

Neil McCormack, Board trustee, took exception to Mr. Fetta's charges regarding the HAD dance. He said it was well chaperoned and there were no reports of incidents.

In response to a letter from Weldon Endorf, Chairman of the Health Education Curriculum Committee, the Board of Education agreed to let the committee use a tape recorder at their meetings and to review the material planned for use in the Health Education classes. A request to enlarge the committee was denied.

The Board did not act on a request from HAD for a meeting with Board members. Mr. Kershen requested an agenda from HAD before setting any meeting.

Supervisor Burke, Town of Oyster Bay, will set up a meeting with the Board of Education to discuss parts of the Town's Master Plan dealing with Hicksville.

The Board approved a three-year contract, beginning July 1, 1971, with the principals and supervisors' association. Mr. Muratore abstained on the vote, all others voted yes. Mr. Zindulka was unable to attend last week's meeting.

Town Board Places 18 Restrictions On Hicksville Asphalt Operation

The Oyster Bay Town Board recently approved an application to allow an asphalt plant to operate in Hicksville, but placed 18 restrictions on the special use permit to ensure that the approval will not have any adverse effects on the surrounding area.

The Board acted on the application by the Midhampton Asphalt Company, Inc., following a hearing conducted on March 30. The property, located about 125 feet from Duffy Avenue, near Charlotte, Street, will house a portable asphalt plant.

Town Councilman Warren M. Doolittle said that the granting of the application with its 18 restrictions and conditions is designed to eliminate the collection of dust, visible smoke and unnecessary noise so as not to cause any nuisance and the requested use will not produce increased traffic or additional parking in the area.

The special permission granted is conditioned upon the compliance of the following conditions and restrictions:

1. Raw material to be used in the processing operation shall be delivered by rail only, except for the use of sand and liquid asphalt which shall be delivered by truck.
2. The entire processing plant shall be totally self-contained.
3. The dust collection device to be used in conjunction with the

processing plant shall be the "DUSTEX COLLECTOR" described in the hearing or its equivalent, meeting the same standards of performance.

4. The processing method to be used in the manufacture of the asphalt shall be limited to a "dry operation".

5. Only No. 2 diesel fuel shall be used in the processing and if stored may only be stored in closed containers.

6. The processing shall be controlled so that it will not result in any smoke, odors or steam and the noise level shall conform to our anti-noise ordinance.

7. No sand, gravel or other raw material shall be trucked by applicant from the premises.

8. The use permit shall be subject to the Town Board's approval of a plot plan to be submitted by the applicant. Said plot plan shall set forth the location of each piece of equipment involved in the processing operation. The plot plan shall contain a description of the entrances and exits, including a traffic pattern. The location of any trailer or similar equipment shall be included on the plot plan together with all lighting plans.

9. All equipment, including a trailer, shall conform to our Town ordinances and to the requirements set forth by the Town of Oyster Bay Building

Department and Nassau

County Health Department.

10. The start of the processing operation shall not commence before 7 A.M. and terminate at 5 P.M. The plant shall not be operated on Sundays.

11. The processing shall be controlled so that it will discharge dust, etc. or other material into the atmosphere at not more than five pounds (5 lbs.) per hour.

12. Cleaning of the processing equipment shall be accomplished automatically as the unit is operated and under the same restrictions as to smoke, odors, steam and noise.

13. There shall be no screening of sand or other materials.

14. All vehicles leaving the premises containing asphalt shall be covered by a canvas cover or the equivalent.

15. There shall be no storage of mixed material on the premises.

16. No gravel shall be used in its operation.

17. The processing shall be limited to the production of asphalt and no other product.

18. The use permit is limited to a period of eighteen (18) months or the expiration of their lease, or renewal thereof, whichever occurs first. Any possible extension of this period shall be subject to the Town Board's approval after a public hearing.

When You're Just Not Yourself Because of Simple Nervous Tension

Try This:

Millions of men and women who are bothered by simple nervous tension occasionally, have found a simple answer—Compoz. Compoz was specifically formulated to help calm you down and feel more like yourself again when you need relief from that nervous, upset, jittery feeling that everybody gets once in a while.

Compoz is a mild sedative. Not made to relieve headache—not made to relieve pain—but simply to

help you when you've had an unusually rough day—when you feel yourself snapping at your children and friends or just beginning to feel yourself getting uncomfortably taut and tense. That's the time to take Compoz, to help calm you down so you feel more like yourself again.

Headache? Take aspirin. But for temporary relief from simple nervous tension, try Compoz—specifically made to help relieve tension and only tension.

Why This Gray Lather Washes Away Dandruff Scales So Effectively

If you've been really bothered by dandruff scales and itching, take a close look at this lather. It's gray, and comes from a shampoo that's so unusual you can actually see the difference. This is the rich gray lather of Psorex Medicated Shampoo. Psorex suds are gray because they contain the same ingredients, in milder form, found in Psorex Cream—a cream made specifically to relieve the more stubborn scales and itching of psoriasis.

Of course, Psorex Medicated Shampoo is milder—a special formula for cleaning hair and scalp when dandruff scales or symptoms of psoriasis appear. No lily white suds... but good gray medicated lather is the Psorex secret. It helps remove dandruff scales and relieve itch—effectively and fast.

Try Psorex Medicated Shampoo. It's a superlative shampoo for combating these troublesome dandruff symptoms.

known the test they were about to undergo that night this week?? Hardly.

The cunning invested in Quarto 40-was semi private at it's finest. For there on the left day bed was your reporter recovering from an overdose of one of his stories. Maybe even a series. But recovering. On little green pills in whiskey glasses!!

The old irresistible force against the immovable object. Armed with the courage of weakened potatoes and unidentified meat.

Building toward the test. Of leaving for the office—the night before discharge.

The medical men went about their duties. The medical ladies, too.

The ecclesiastical ladies pursued their courses. An occasional cleric on his.

Through it all, your embattled reporter recovering from an unidentified illness whose basis was an unimpeachable source.

The stage was set. It would have to be done at supper time. 3:30!! At that exact hour, the guard would be changing. Dinner would be served in the room usually reserved for ping pong. Pills would be distributed at the front desk. Typewriters covered at the rear. At 3:35 confusion would be at the point of no entanglement. At that precise time your reporter would push through the double doors to the elevators and down to the lobby. Just like that, one J. Gerson Brill would etch his name in the Intravenous Hall of Fame for getting lost for one hour to go the Hempstead office to sign some awaited checks.

At 3:30, I broke into the shuffle board game outside my room in the Hall. A gutsy move since there was no shuffleboard course. I gathered the assorted playing pulses for a last minute battle plan. Those that could yawn, did. I then made my way through the little room connecting the

hallways and, like I had done this each day of my life, helped cover a typewriter at the back desk, then slipped out the double doors and rang for the elevator.

How many expired over the years waiting for this elevator I'll never know and when I got on and saw a guy with his collar turned around and a prayer book under his arm, I wondered how long I had been waiting.

I coolly pressed "G" and got off at the X-ray dept in the basement, smiled weakly and repressed "I", not a bad fake were I being watched...

I got off as two doctors and a candy stripper got on. I smiled, hoping they would think me a doctor also, though my dungarees muddled this thought considerably.

I moved past the cashier on the first floor...I was used to that part...and out smartly to the parking lot under the watchful windows of my fellow patients.

I found my car by the lack of its red cross insignia...until I turned on my lights which are slightly crossed. The kid made it again.

I threw it into reverse gear and looked straight into the side of the car of the nurse lady who heads my floor.

"Hi", said she in her best gotchcha.

"Hi", said I in my best mustn't it be getting kinda late??

I honked my horn in hesitation.

She engaged her emergency brake in response. And I still had 2 miles to go to the office.

"What are you doing here, Jerry?" she asked.

I had her now. I was stuck for

Tobay Offers School Districts Support In Equalization Issue

The Oyster Bay Town Board has lodged an official protest with the New York State Board of Equalization and Assessment because a tentative equalization rate, if approved, would have a detrimental financial impact upon the school districts in the Town.

Town Supervisor John W. Burke said the Town Board has approved a resolution and filed a formal complaint with the State

because the tentative equalization rate represents a drop of more than 10 percent down to 28 percent from the 38 percent now in use. The equalization rate is a complex formula employed by the State in an attempt to compensate for varying yardsticks used by local tax assessors in measuring the values of real property in their respective communities.

"The net result to school

districts in Oyster Bay cannot be immediately calculated," Burke said. "However, two immediate examples are, in Massapequa where Donald Stayne, business manager for the Massapequa School District, has estimated a monetary loss of slightly over one million (\$1,000,000) dollars in reduced State Aid; Dr. Edward J. Murphy, Superintendent of Schools for Syosset, said the proposed equalization rate will mean an estimated reduction of \$475,000 to his district.

School districts have no legal standing before the State Board of Equalization and Assessment on this matter, so the Town Board is taking on their behalf. In an effort to have an orderly and uniform approach to the protest, Burke said he would work with Dr. Murphy to collate an effective data-gathering base.

Burke added that, based on prior years, the tentative reduction in the rate appears quite precipitous and will be extremely difficult to absorb.

"I have announced austerity measures applicable to the Town's budgeted expenditures for the current year because of a loss of \$1,100,000 in State assistance," Burke said. "We are therefore extremely sensitive to any formula reduction which will have a telling effect on available aid and, especially, the financial assistance applicable to the school districts.

Dear Friends.

SEVERAL LOCAL AFFAIRS THIS WEEK, ALL MADE US PROUD TO BE A RESIDENT OF HICKSVILLE....on Sunday the Second Annual Flag Day Program, was held at the Kennedy War Memorial on Broadway. This inspiring event which was sponsored by the Ernest F. Francke Republican Club of Hicksville under the chairmanship of William Gaborow, was well attended. Winners in all grades and categories received a government bond, runners-up received beautiful plaques and certificates were given to those contestants who received honorable mention. Contest judges were William E. Koutensky, Michael M. D'Auria, Murray Ducan, John Maher, Frank Burke, Weldon W. Endorf and Rev. Patrick J. Young. As we went to press, the list of winners of these Essay, Slogan and Poster contests, was missing, but we are sure that it will be available and we will bring you the names of these fine young people next week. They all did a beautiful job and certainly deserve recognition.

AFTER THESE CEREMONIES, everyone was invited over to the future site of our own Gregory Museum for "coffee and cake"....and, when we all arrived, not only was it great to see the progress being made in the interior work for this fine museum, but Mr. Richard Evers had placed up on the walls, many old newspapers about old times in Hicksville (most of them written by Fred)....and we were all reminded that Hicksville had a proud past, as we are sure that it will have a great future.

IN PLAINVIEW TODAY, all registered voters have another opportunity to vote on their school budget, which has been reduced considerably. At this point all we can do is say a prayer that this budget vote is successful. What is more important than the education of our young people? Of course, it is also our belief that school taxes should be placed on individual incomes, not a 11 on the homeowner who is so hard pressed at this time. But we must all work toward this aim with our legislators next year.

THE HICKSVILLE FIRE DEPARTMENT is presently conducting their annual fund drive which is done by mail. May we urge you to mail in your check if you haven't already done so? We save a tremendous amount of money in taxes due to the fact that we have volunteers so willing to serve, 24 hours a day, throughout the year. We are sure that you all feel proud of these, your neighbors, who serve us in times of emergency, so well, so, this is just a reminder, in case it has slipped your mind.

HERE AND THERE....our fellow Hicksvillian, Mr. Alfred Kunze of Ash Lane, writes that he was in Washington, DC June 10 through 12 attending the National Council of Senior Citizens Convention. He is active on many committees....and this is not new to him, for Mr. Kunze has always been active in community work of one kind or another for many years. We are always glad to hear from you, Mr. K....our neighbor to the south (Massapequa) and Nassau County Comptroller, Angelo Roncallo, has demanded that his

Tobay Announces:

\$2.9 M Public Works Drainage Project

Town Supervisor John W. Burke recently announced that work will commence early in July on the largest highway and drainage improvement project undertaken by the Town in recent years.

"This capital program is part of planned, comprehensive drainage and highway im-

provement projects underway since early 1970," Burke said.

The work calls for the construction of storm drains, curbs, gutters and pavement base in the communities of Hicksville, Bathpage, Farmingdale, Syosset, and Massapequa at a total cost of \$2.9 million.

The recommendations to award the various contracts to

low bidders was made by Gerard P. Trotta, Commissioner of Public Works and Harold R. Kraft, Superintendent of the Drainage Bureau.

Among the communities, low bidders and contracts awarded to were Bathpage Pratt & Pratt award of \$394,170.00; and Hicksville Ralph Jannotta, Inc. award of \$194,537.35.

From Congress

Rep. James R. Grover, Jr.

Sen. Mansfield's ill-timed effort to cut in half our commitment to European defense was beaten down, but it underlined a military and economic problem which this nation must solve--and solve soon. Our balance of payments in the world's markets has continued unfavorable, not only because of competition from foreign manufacturers, but because we are maintaining hundreds of thousands of troops and dependents abroad.

Mansfield's mistake was, of course, that he was attempting to legislate decisions which must be made through treaty, diplomacy, hard bargaining, and through judgment of the Soviet Union's stance and true intentions. What is needed to reduce our European forces in negotiation, not only with the Soviets but with our NATO allies and other friends.

With the bulk of our forces being withdrawn from Southeast Asia, it is long overdue for us to reach some sort of decision concerning the hundreds of thousands of troops we still maintain in Europe and other countries in Western Europe. Japan and Korea should long since have undertaken its own defense with its own troops, with, perhaps, a token representation of American troops to symbolize our commitment. And we cannot get our own financial house in order until we require NATO nations to pick up the 80 per cent of NATO's cost that we've been bearing. If we have a stake in containing Russian expansion, Germany, France and Britain have a more immediate interest.

There are hopeful signs that the State and Defense Departments are busy with a program for cutting our costs and obligations around the globe so that we can re-order our priorities and do the job at home.

School Superintendent Awarded Medal

The Italian Government through the offices of the American Association of Teachers of Italian, awarded the DANTE MEDAL to Mr. Donald F. Abt, Hicksville Superintendent of Schools. The presentation was made on Saturday, June 5th at a luncheon held at the Roman Gardens in Hicksville.

Superintendent Abt was lauded for his leadership in the promulgation of the Italian language. The study of Italian is begun in the first grade in Hicksville. The school district is unique for its offering 12 years of foreign language study.

The very classy Nassau County Police Club laced out ten runs in the fourth inning at Canteague Park to rebuff Hicksville Fred's Inn, 19-12.

This stalling of the Fred's Inn express disappointed a large Hicksville following which never quite urging a winning rally.

The cheering section will get another chance Monday night when the club, which is very good, makes its next Nassau slow pitch appearance. Admission is free to all Canteague Park games.

Hicksville's Bill Luft is hitting them out for Nassau County Sports this softball season.

For 1971 Nassau, which seeks to regain the world's championship it won in 1969, is based at the Huntington Y.M.C.A. this year.

The Blue competes in a struggling National League whose fate is still in the balance. Already it is reported that the major promoter has withdrawn

his backing.

Saturday night the team swept Pittsburg in a doubleheader at Huntington before more than 300 paying customers.

Brian McAuley of Hicksville made an impressive show for himself in the Post College Spring Football game. The intra-squad meeting ended spring practice on the Greenvale campus.

McAuley who quarterbacked Hicksville's 1967 7 won 1 lost campaign has made a last minute switch from William and Mary to Post. He comes to the Northern Boulevard school after completing two years of Junior College at Wesley, Delaware.

The starting quarterback seat at Post is locked up by a veteran but McAuley is counted on for considerable backup insurance.

Note to Hicksville and Mid-Island fans. Although it seems a long way off the opening of the Nassau Coliseum is not. Our information is that the New York Nets have already sold 1200 of

3,000 courtside season seats without extended promotion.

Once the doors open the new sporting place is bound to catch on. Those who don't act first will be on the outside looking in. This is the present case with the sold out New York Knicks in Madison Square Garden.

We urge you to get a look at a copy of the 1971 Hicksville senior yearbook.

It has some of the best sports action photography we have ever seen.

Credit goes to Faculty member (Junior High) Fred Healey who helps support Hicksville athletics with his great camera talent.

We understand that the Joseph Barry Knights of Columbus and Hicksville Fire Department softball teams are having successful seasons.

The Herald will be glad to publish their achievements and progress if the managers will forward their scores and lineups.

Polo At Bethpage

It's a Metropolitan League game at the polo field at Bethpage State Park on Sunday June 20th. Westbury and Bethpage lining up with their League regulars- John Whittemore, Russell Corey, Alan Corey III and Allen Jenkins for Westbury and Bob Lubash, John Gayer, Dave Rizzo and Fred Guest for Bethpage. The three competitive teams in the League- Aiken, Bethpage and Westbury- are out to get the highest total of wins for the season and the Bethpage four, now ahead in their first bout with Aiken on the 6th, are tuned up to add another notch in their victory belt- Westbury sure to try to turn the tables.

Rain that had started at half time in the Bethpage versus Oyster Bay benefit polo game on Sunday June 13th turned into a downpour in the fourth chukker and forced the winding up of the match in the fifth, the decision going to Bethpage when Paul Rizzo's marker put Bethpage in the lead, six to five, after his dad, Dave Rizzo, had knotted it up for the team. Oyster Bay's Mike Gerard, Ted Shapiro, Russell Corey and Fred Guest were going strong. Russell Corey's three goals putting them ahead, when Bethpage's Peter Daly, Paul Rizzo, Dave Rizzo and Fred Braunstein caught up to them in the fifth. Paul Rizzo subbed for John Gayer scheduled to play for Bethpage.

HICKSVILLE HIGH SCHOOL- INTRA MURAL SOFT BALL LEAGUE: Winners presented with trophies. Mr. Raymond Rusch, principal of H.H.S. presented the captions of the 4 top teams in the intra-mural competitions with trophies this week.

In his brief remarks at the presentation he told the boys of how proud he was of this particular program and of the 225

students who participated. He felt such a program does much to foster school spirit, and to encourage the boys to compete and enter other school events. The captains, holding their trophies are (after Mr. Rusch) Joe Scully, Tony Esposito, Craig Mehler and Scott Wohl. Mr. Frank Brown, H.H.S. teacher who is the coach / advisor for the program, is also seen here.

Explorers Strike Again!

On June 12, several Explorers were working at the Gregory Museum when a fire Alarm was sounded. They responded to the Scene of the House Fire on W. Cherry St under President Jeff Larkin. Inside of three minutes the Hicksville Fire Department responded with seven pieces of apparatus and fifty men. Seventeen Explorers showed up, and the members of post 778 helped set up fire lines and direct traffic. The Fire Dept., under the direction of Chief Mel Voorhies had the fire under control very quickly.

On June 13, the Hicksville Fire Department meet the Hicksville Explorers Club in a game of softball. As the game progressed,

the Fire Dept. proceeded to slaughter the Explorers Club. It wasn't until the eight inning that the Explorers scored their first and only run, when Jeff Larkin knocked home Bill Biggs with a single. The only argument of the game was when Explorer left fielder Bob Hammond made a perfect peg to Jack Harford at third, who then tagged the runner on the arm. Umpire Misturini called the runner safe. Umpire Chief "Red" Mertz calmed the argument immediately. The final score was 16:1 in favor of the Fire Department. You win some, you lose some. On June 27, the Explorers play at Valley Stream.

ON YOUR MARK. GET READY. GET SET. GO. Woodland Avenue Elementary School in Hicksville held its 14th annual Field Day last week. The fifth and sixth grade boys and

girls participated in: Sack races, Tug-O-War, Relay Races, Fifty yard dashes, Peanut Hunts and other games in this eagerly-looked-forward-to school event.

a Sunday afternoon regular, the games starting at 3:30 P.M., admission to adults \$1.50 and free to young people under twelve accompanied by an adult. Rain or shine, the exciting plays of a polo game make for an afternoon of

fun for all, the under thirty and over. The park is lovely, the seating comfortable, plenty of space to roam about, youngsters enjoying every minute of it, everyone relaxing with one of the world's most colorful sports!

New Teenage Coffeehouse Has Opening In Jericho

By Elaine Hauptman

On Friday night, June 11 at 7:30, the doors of the new Jericho Youth Council Coffeehouse were opened. Optimism ran high that the new teenage venture would be a huge success. Students were milling about, strumming guitars, rapping, and tentuously approaching the grounds of Jackson School where the Coffeehouse has its home. Excitement ran high as reporters from Newsday and the Long Island Daily Press took pictures and asked questions. By 8:30, the place was packed and the overflow oozed out to the parking field. Dick Fink, the new student counselor, and Robert Stevens, the student advisor, were on hand for the exciting event. Let me introduce you to Dick Fink.

Dick Fink is a man who recently received a \$100,000 grant from the Drug Abuse Commission to establish drop-in centers for adolescents in four North Shore Communities—Roslyn, East Williston, Manhasset, and Herricks. Dick is the director of youth services at the North Shore Child Guidance Center. He is a psychiatric Social Worker, who has a fantastic

background in working with teenagers. He is a community organizer—a specialist in community participation and a leader in helping communities in terms of needs for Social action. Dick Fink has an impressive resume of colleges, degrees, fellowships, and professional experience. But most of all, Dick is a person who cares. He cares deeply about the youth of today. He has spent an extraordinary amount of hours with teenagers in Rap sessions, individual counseling, referrals to specialized personnel, and working out individual or group problems. Any teenager who has come down to the new coffeehouse at Jackson School can tell you about Dick Fink. He's the kind of man who's always there when you need him, always ready to listen to anybody who'll drop in, with no red tape involved, no parent involvement if not wanted, and no limit as to time spent with the individual in need.

Dick Fink is a specialist in the field of drug abuse. He has also set up a hotline in the town of North Hempstead. He has worked with the handicapped children, done marriage counseling, worked with two experimental groups in Great Neck High School for potential drop-

outs. He has served in low-income and minority communities as well as middle-income oriented and, therefore, has the professional know-how in dealing with all teenagers regardless of socio-economic background.

The basic philosophy of the new coffeehouse is to have youth oriented programs not adult run. Mr. Stevens, the youth advisors, wants the projects to be completely initiated by the students and stated that there are no predetermined goals. The coffeehouse is there to serve the youth of Jericho and meet the needs of the students.

Come down to the coffeehouse and meet Dick Fink, Robert Stevens and The Youth of Jericho. Rap with other teenagers. Decorations, posters, records, etc will be happily received. The coffeehouse at Jackson School will be open every Friday evening from 8 P.M. - 12 midnight and on Saturday evening from 8:30 P.M. - 1 A.M. The hours will be expanded to meet the needs of Jericho Youth. It may even be open every night! It's up to you to make this exciting new venture a success!

Jericho Engineering Course Streamlined

A change in syllabus proposed by Jericho Senior High School teacher David Martin will permit three courses to utilize apparatus originally intended for only one course.

The ECCP (Engineering Concepts Curriculum Project) course is designed to introduce students to technological solutions to technological and social problems. ECCP students study the behavior of systems as part of the course. Simulations are conducted on computers and oscilloscopes (instruments which show fluctuating electrical waves).

Some of the ECCP simulations required that the oscilloscopes be able to operate at very slow scan rates. Oscilloscopes used in physics must be quite sensitive.

Scopes having both of these features sell for \$400 and up. However, by making some changes in the ECCP course, Mr. Martin has made it possible to use \$150 scopes for ECCP, physics, and advanced placement physics.

The changes will allow more students to take a more interesting course in ECCP. In Regents physics, the scopes will be used during the fourth quarter, when students try their hands at college-level laboratory experiments. The availability of the scopes will allow the offering of advanced placement physics for the first time as a regularly scheduled course. For the past two years, Mr. Martin has helped students preparing for the advanced placement exam on an independent basis.

College Board Picks Richard Benjamin

Richard Benjamin, son of Burton and Gladys Benjamin of 157 Forest Drive, who is studying Veterinary Medicine at the School of Agriculture, has been selected to serve on the Judicial Board at the University of Maryland.

He is the first freshman in the last ten years to be so honored to this esteemed position.

It is the Board's responsibility to assist and advise in student self-government and to help resolve problems of the student body.

Stephen Goldenberg Graduates Law School

Stephen Goldenberg, son of Dr. and Mrs. Harold Goldenberg of 46 Haselwood Drive, is being graduated today (June 17th) from Brooklyn Law School. He is a graduate of Jericho High School

(1964) and of Boston University (1968).

Stephen resides in Williston Park with his wife, the former Karen Manus.

Michael A. Evanchik, son of Mr. and Mrs. Anton Evanchik, 28 Amby Ave., PLAINVIEW, has been recognized as an outstanding U.S. Air Force Reserve Officers Training Corps (AFROTC) cadet at Rensselaer Polytechnic Institute. The cadet received the Reserve Officers Association Award. Cadet Evanchik, who is working toward a degree in

aeronautical engineering, will be eligible for a commission as an Air Force second lieutenant upon completion of his AFROTC requirements and graduation from college. He is a 1967 graduate of Plainview-Old Bethpage High School.

Navy Petty Officer Third Class Robert M. Shields, son of Mr. and Mrs. Robert Shields of 40 Seymour Cane, HICKSVILLE, has reported for duty with Helicopter Combat Support Squadron Three, Naval Air Station, Imperial Beach, Calif.

Airman Edward J. Davis, son of Mr. and Mrs. Clifford G. Davis of 82 Bethpage Road, HICKSVILLE, has graduated at Sheppard AFB, Tex., from the U. S. Air Force communications specialist course. The airman, who learned to operate teletypewriter equipment used in the world-wide Air Force communications system, is being assigned to Patrick AFB, Fla., for duty with a unit of the Air Force Communications Service which provides global communications and air traffic control for the USAF. Airman Davis is a 1970 graduate of Hicksville Senior High School.

Navy Airman Apprentice John J. White, son of Mr. and Mrs. Patrick J. White of 22 Academy Lane, LEVITTOWN, was graduated from the Aviation Structural Mechanic Safety Equipment Course at the Naval Air Technical Training Center, Millington, Tenn.

Airman John F. Tritto, son of Mr. and Mrs. Frank Tritto of 47 Strong St., HICKSVILLE, N.Y., has graduated at Sheppard AFB, Tex., from the technical training course for U. S. Air Force electricians.

Airman Tritto, now skilled in the repair of both interior and exterior wiring systems, is being assigned to Charleston AFB, S. C., for duty with a unit of the Military Airlift Command which provides global airlift for U. S. military forces. The airman, a 1970 graduate of Hicksville Senior High School, attended Nassau Community College, Garden City, N.J.

Navy Petty Officer Second Class Robert G. Marcus, son of Mr. and Mrs. Bernard Marcus of 207 Springtime Lane, LEVITTOWN, has returned to the Naval Air Station, Willow Grove, Pa., with Patrol Squadron 66 after completing two weeks active duty for training at Rota, Spain.

Coast Guard Ensign Richard V. Harding, son of Mr. and Mrs. Edward C. Harding of 109 Azalea Road, LEVITTOWN, was commissioned to his present rank and received a bachelor of science degree upon graduating from the U. S. Coast Guard Academy today (June 9) at New London, Conn.

His class was the second largest in the Academy's history, totalling 139. The new Coast Guard ensigns represents 34 states and the class is only exceeded in count by a 1968 total of 155. He is a 1967 graduate of Levittown Division High School.

Marine Lance Corporal James F. Lien, son of Mr. and Mrs. Gustave J. Lien of 31 Ash Lane, and husband of the former Miss Irene A. Doimo of 7 Valley Court, all of HICKSVILLE, participated in the major joint service exercise Exotic Dancer IV with the Second Marine Division off the North Carolina coast. The three week training exercise involved some 50,000 Army, Navy, Air Force and Marine Corps personnel divided into opposing forces. Large scale assault operations took place in the Camp Lejeune area. They included air-dropped Army airborne units, Navy-Marine amphibious operations, using helicopters, landing craft and close air support.

By Linda Noeth Scott 796-1286

Deborah Bischoff, daughter of Mr. and Mrs. Robert Bischoff of HICKSVILLE, became the bride of Edmond Cochran, son of Mr. and Mrs. Frank Cochran, also of HICKSVILLE, at a ceremony held at Trinity Lutheran Church on June 13 at 5:30 p.m.

Both the bride and groom have graduated from Hicksville High School. Mr. Cochran also attended Fordham University.

Following the wedding, a reception was held at Leonard's. After a honeymoon trip to the Bahamas, the couple will make their home in the Bronx.

Mr. and Mrs. Arnold Frankel of JERICHO have announced the engagement of their son, Rand, to Deborah Loevner, daughter of Mr. and Mrs. Robert Loevner of Pittsburg, Pa.

Miss Loevner attends the University of Miami, from which

Youth In TOB Planning

Dr. Lawrence Ravich, Chairman of the Town of Oyster Bay Planning Advisory Board, has announced that the Advisory Board has scheduled a meeting for Tuesday, June 22, to hear what youth-oriented groups in the Town have to say about defining the recreation needs in their communities.

The meeting will be held at 8 PM in the Syosset-Woodbury Community Center at the Town park at 7800 Jericho Tpk., Woodbury.

Members of the various Town Youth Councils, both the youths and adults, have been extended an invitation to participate.

Ravich said it was felt that the people actively involved in our youth councils could be helpful in defining the recreation needs of their communities. "The meeting has been scheduled for the primary purpose of listening to what these community leaders, particularly the youngsters, have to say before solutions are considered," Ravich said.

Representatives of Planning Associates, a consulting firm specializing in the field of recreation planning, will be present at the meeting.

On The Campus

Linda Judith Baden, daughter of Mr. and Mrs. Isidore Baden, 46 Beatrice Lane, OLD BETHPAGE, graduated with honors from Vassar College with a B. A. Her major field was history.

Mr. Frankel has just graduated. The couple plan a June 1972 wedding.

Happy belated birthday to Lauri Soroka, who celebrated her 9th birthday on June 15. Lauri, the daughter of Mr. and Mrs. Erwin Soroka, 208 Forest Dr., JERICHO, is in the 3rd grade at the Robbins Lane School.

Lauri celebrated at home with a party for her friends.

Happy Birthday to George Trapp, 131 Scooter Lane, HICKSVILLE, who will celebrate his birthday on June 21.

Dorinda Weaver, 6 Jolan Ave., HICKSVILLE, will celebrate her birthday on June 22. Have a happy, Dorinda.

The next regular meeting of the Friendship Club will be held on Monday, June 21, at 11 a.m. at the United Methodist Church, Old Country Rd., Hicksville. At this time they will take a tour of the Restored Village in Old Bethpage.

Happy Birthday to Jennifer Cheslock, daughter of Mr. and Mrs. William Cheslock, 7 Irving St., HICKSVILLE, who will be 8 years old on June 22. Jennifer is in the 2nd grade at the Burns Ave. School.

We hear that there is a brand new pool in her yard that all her friends will enjoy at her birthday party.

Have fun!

Happy Birthday to Nissa Lee Tajonk, of 208 Dawson Dr., JERICHO, who will be 2 years old on June 23.

Irene Moskowitz, daughter of Mr. and Mrs. Jack Moskowitz, of 271 Birchwood Park Dr., JERICHO, has been awarded a \$1,000 scholarship by the Assoc. for the Help of Retarded Children (A.H.R.C.) for the work she has done with retarded children. Miss Moskowitz will graduate from Syosset High School.

The Hicksville Jr. Star Strutters Twirlers wish to thank Denise Zahn, 31 Grape Lane, HICKSVILLE, for all her patience and excellent teaching ability in helping them achieve top honors through the year and enabling them to win 2nd place in the Junior Small Division at the N.Y. State Championship Convention held on June 6 at the Plainview, Old Bethpage High School.

Happy Birthday to Margaret Osbahr, 32 Maglee Dr., HICKSVILLE, who will celebrate her birthday on June 25.

LIFE'S UPS AND DOWNS: Employees of the Haughton Elevator Corporation are hard at work installing new machinery and parts for the escalator provided by the Town of Oyster Bay at the Long Island Railroad Station in Hicksville. A Town spokesman said strikes by the elevator company employees and the lack of parts have knocked the escalator out of condition frequently forcing commuters to utilize the stairs at this heavily-used station. The spokesman said the service crew would continue repairs until the escalator runs smoothly.

Special Invitation

Recreation and parks commissioner Richard A. Fitch extended a special invitation to golden agers who are not members of senior citizens clubs to attend the annual Eisenhower Park Senior Citizens Picnic which will be held on Wednesday, June 23.

"Most of the organized clubs have been invited and will attend," Fitch said, "but we want

to make certain that all our residents over 60 are aware that they are welcome."

Various forms of entertainment, including fortune telling, bongo playing and accordion music will be provided.

The picnic, beginning at 10:00 am, will be an all day affair and it is suggested that those attending bring their lunches.

HICKSVILLE AMERICAN LITTLE LEAGUE INC.

The Major League

by Mike Pakaluk

Red-hot Nathan's continued its ways by opening up this week with a 5-4 victory over Gilson. C. Bergin boasted 3 hits and scored 2 runs. S. Greiner scored the winning run in the sixth. Mr. Curley, continues to show that pride is one of the seven deadly sins by not handing in game reports and keeping this 'evil' away from the stars of Gilson. These stars cannot have pride, and their efforts are in vain, for their names will never be heard. On the same date, L.I.N.B. won by doubling VFW's run output of 6. J. Poggiali and C. Roberts each homered. B. Damm pitched excellently with T. Slome catching a great game. J. Pakaluk and T. Segreto homered for V.F.W.

On June 10, V.F.W. beat L.I.N.B. 9 - 8 with J. Pakaluk going the distance. J. Pakaluk went 3 - 4 with D. Mezzapapa, M. O'Connor and K. Lohsen hitting homers. T. Slome went 3 - 3 with 3 R.B.I's.

The final game was played on the 11th with Gilson dealing Nathan's their first defeat of the second half, 4 - 2. L. Lederer and J. Gilchrist scored the only runs. No word from Mr. Curley.

Agway vs Gertz-Gertz won it by a score of 2-1. This was a well pitched game by both sides, only 1 hit for 5 innings, no score top of the 6th inning. Agway scored 1 run on two hits, the big hit a triple. In the bottom of the 6th inning Bob Clark got hit by the pitcher. Our first hit came as Mike Humphreys singled to center tying the game. Mark Anastasio walked and Gary Madine got our second hit, a long drive to win the game. Binnio Kreisher pitched his strongest game this year, giving up 3 hits and 1 run striking out 5 and walking only 2 in 6 full innings. The fielding play of the game was Ken Leone making a one hand diving catch of a sure hit. This game was played without no errors on either team...

Firestone vs Sunoco Firestone revenge its loss to Shawn Sunoco last week by bombing them 19-4. Andy Klaffer pitched a complete game, striking out 10 batters. He did an even better job with his bat, collecting 3 hits in 4 times at bat with 7 R.B.I.'s. Bill Meslin had 3 R.B.I.'s. Bill Vining had 3 bunt hits and started off 3 big run scoring innings. Andy Lopedote did a 'great job catching' and had 2 hits. John Williams was superb in center field Jack Somer scooped up every ball hit to him at short stop. Jack is the best short stop in the league and should be playing in the Majors next year. Firestone has four fine representative for the All Star Team. They are: David Knight, Bill Meslin, Andy Klaffer, Jack Somer and Bill Vining (substitute). Today all the players were All Stars and the choice of five players was a difficult one. Shawn Sunoco team was

decisively beaten by a Great Firestone Team. Outstanding player for Sunoco was W. Barone who played a tremendous right field. He was a good hustler...

Firestone vs Sunoco Firestone again by a score of 17-3. After two games back to back like this, the Shawn Sunoco team is more or less shell-shocked. John Marrone pitched another good game, but 15 errors did not help him...

Firestone defeated Shawn Sunoco again by a score of 17-3. The hitting stars were Bill Meslin, Andy Lopedote, John Rollins and David Knight. Each had at least 2 R.B.I.'s each.

THE BIG SURPRISE was the hitting and fielding of John Carr. He came on like a tiger in this game going 2 for 4 with two runs batted in, and played a great centerfield. Steve Cosentino was flawless at second base. Firestone surprised Sunoco by having the first 4 batters in the first inning bunt safely, thus starting a 5 run rally that just about clinched the game.

Firestone now has undisputed possession of 1st Place for the second half, and all the boys are trying hard to stay on top...

A word from your Sportswriter-

Mom and Dad-There are only a few games left, so how about coming out and watch us display our talents on the ball field. We sure would appreciate it, maybe you would enjoy it...

by Bob Camargo

With the "A" League coming to an end in a couple of weeks all the teams are making their last bid for the first place position in the second half.

International Pancake House beat Mid Island Plaza 3-1 A. Harris got the only hit for Mid Island Plaza to break up Intl. no hitter. M.I.P. CAME BACK to beat Malverse 4-0 in their second game of the week. Tony Severino and Greg Knight pitched a 1 hit shutout. A. Harris collected 3 hits while M. Bliss, J. Tancora, and T. Severino knocked in the runs.

Newberrys won their first game of the week 5-3 over Malverse. M. Davis and H. Mann accounted for most of Newberrys runs. Both of them going 2-2. Playing outstanding in the field were R. Bodony and R. Stack. But Newberrys couldn't keep it going as they lost to Circle Texaco 4-1. J. Flanagan and R. Nadleman pitched a no hitter. R. Kloss, A. Lubash and R. Nadleman all hit well while M. Kornhaber was fantastic in the field.

Circle then lost to Dodge 7-5. R. Kloss and R. Flanagan hit well despite their loss. R. Pampolino made some fine plays in the field.

ON THE CAMPUS

Bruce Goldmacher, a graduate of Hicksville High School, has won his third varsity golf letter at State University College at Cortland. He has played number one man for the past two years.

A senior, Goldmacher averaged 60.1 strokes per round for coach Larry Martin's Red Dragons this spring, as the squad finished third in State University of New York Athletic Conference play among the ten competing schools.

Goldmacher played his best round of the season against Hamilton, defeating last year's State Amateur runner-up by two strokes. As a prep Goldmacher played both golf and soccer and he was a student coach for the Cortland freshman basketball team the past two years.

A physical education major, Goldmacher is the son of Mr. and Mrs. Sylvan Goldmacher of 38 Apollo Lane, HICKSVILLE.

Gary Wayne Kanew and Bruce R. Fischer of Plainview have been awarded the degree of Bachelor of Arts, General Studies by Ithaca College at the School's 76th Commencement Exercises which were held on May 15.

Mr. Kanew is the son of Mr. and Mrs. Ferlin H. Husky, 201 Floral Ave., Plainview.

Mr. Fischer is the son of Mr. and Mrs. Robert R. Fischer, 9 Thorpe Lane, Plainview.

Miss Sydney Firestone of PLAINVIEW was among the 900 seniors who graduated from Tufts University at its 115th annual commencement on June 6.

Miss Firestone, a mathematics major, received a Bachelor of Science degree magna cum laude. She is the daughter of Mr. and Mrs. Raymond Firestone of 18 Devonshire Court, Plainview. While at Jackson, she was a member of the Leonard Carmichael Society, a member of the Chironian Society, and a dean's list student. She will attend graduate school at Columbia University.

Rochelle B. Peck, 12 Salena Court, PLAINVIEW, was among 1,791 students, faculty and staff members of the University of Wisconsin at Madison who gave a pint of blood during this spring's All-Campus blood donation on the University's Madison campus.

Steve Sholkoff, a graduate of J.F. Kennedy High School and Nassau Community College, has been named winner of the State University College at Cortland's "Red Letter Award" in golf. The awards are presented by the coaches to the outstanding performer of each of the respective Red Dragon teams.

A junior, Sholkoff averaged 80 strokes per round playing in the number two position and had the team's best individual record at 5-2. His best day came in a win over Hamilton when he fired a 73, which was the low score on the team over the year. The Dragons, under coach Larry Martin, finished third in State University of New York Athletic Conference competition among ten schools.

Cary Kornreich, a graduate of J. F. Kennedy High School has won a freshman lacrosse letter at State University College at Cortland.

Cortland beat Siena, RPI, Hobart, Union, Colgate and Syracuse, while both losses came at the hands of Cornell.

Kornreich, a 5-11, 200 pound attackman, will be a candidate next spring for the Cortland varsity team, a squad that this year was the top ranked small college team in the country and rated eighth overall.

Bob Otto, a graduate of Hicksville High School, has won a

freshman lacrosse letter at State University College at Cortland.

Otto, a 5-8, 170 pound midfielder, will be a candidate next spring for the Cortland varsity

team, a squad that this year was the top ranked small college team in the country and rated eighth overall.

Dennis McLaughlin was

initiated into the Beta Gamma Sigma, the national scholastic honor society for college business students at Boston College.

Theodore David Kaufman, son of Mr. and Mrs. Louis C. Kaufman of Briar Lane, cum Laude, (Jericho High School) was among NY residents who received Bachelor of Arts degrees at Wesleyan University's.

Miss Rosalind F. Ruderman, daughter of Mr. and Mrs. Stanley Ruderman, senior at Plainview-Old Bethpage High School, where she has been active in intramurals, swim team, Gymnastics Club and Chorus, will be among those students selected to spend their entire college career on Thomas' College all-new West River Road campus in Waterville.

Hicksville International Little League

In the Senior Division this week, the Hicksville "A" Team continues to remain undefeated with a 9 and 0 record. Gordon Farrell, Pete Sharkey and John White have provided very effective pitching for Hicksville.

The Major Division race is extremely close with Goldman Bros. and Carter / MacKay now tied for first. Goldman trounced Perkins this week 11-6 behind the strong pitching of Jack Sommers. With two weeks remaining in the race 1st place is very much in doubt.

In the Minors, Pennysaver leads that tight race to see who is going to face LI Nat'l Bank for the title.

In Farm activity, Marder Shell after seven straight losses put it all together and defeated Carvel 6-3 in extra innings. Eric Ruschmeyer and Jim Massaro provided the strong pitching and Barry Goldberg provided the game winning homerun.

MAJOR LEAGUE HILITES

By Wally Collins
National Bank of North America beat Old Country Deli 2-1 behind the 3 hit pitching of Bill Bailey. Cliff Ostrander homerun over the center field fence was the only run for Old Country Deli. Bailey has allowed only one run from the mound in his last eighteen innings.

Roberts Chevrolet trounced Northern Stores 10-0 behind the one hit pitching of Elliot Ross. Elliot registered 12 strikeouts from the mound, as well as leading his team in hitting with 2 singles and a double.

Herricks Oilers beat Cornwell Gulf 6-2 as Tom Daly went all the way for the win.

Old Country Deli sneaked past Herricks Oilers 6-5. Neil Chianesse's homerun over the center field fence for Old Country Deli proved to be the deciding run.

Cornwell Gulf out slugged Northern Stores for a 17-6 victory. Jim Bruckner and Tom Pound hit homeruns for Northern Stores. Gerald Skaee had two hits for Cornwell.

National Bank of North America edged Roberts Chevrolet 4-3. Steve Dilorenzo went all the way for National Bank on the mound.

BUSINESS OPPORTUNITY.

UNUSUAL BUSINESS OPPORTUNITY: Openings available for those ambitious enough to want their own business. This is an opportunity where:

- You can build a business without leaving your present work.
- You do not have to risk capital.
- You can build a sizeable royalty income in a FEW years which will stay with you indefinitely.
- You can relocate and your business will follow you.
- You can be your own boss and set your own hours.

INCOME figures are high... be they part-time or, if you so desire, on a full-time basis. But they are more than adequate to keep up with today's inflationary cost of living and then some. There is no other business like this in America today.

IF YOU WOULD LIKE TO try your hand at building a business and are willing to set aside at least one evening a week that would insure financial independence, phone IV 3-4100 on any Friday, between 9 and 4:30 for time and place of next meeting.

an answer!!

'Are you checked out of the hospital?'' prodded she.

'Just my car,' answered I rather smartly. She stopped where she was, which was certainly no place to park, and suggested that I accompany her back to my floor.

If, after working at Mercy all those years, she couldn't find it alone, I felt it almost incumbent upon my single side to guide her back to her rightful place—with as little confusion as possible.

Which I did.

And you know what?? I never even told that nice lady that all that X Ray equipment was on floor 'G'.

And how many patients do you suppose ever had the temerity to keep something like that to themselves.

None but your reporter. And you alone share it like it was cause that little timid lady will, after her promotion, probably never find out.

And my foxy checks have another day to clear the bank!!!

Mrs. Schultz also presented Mrs. Ann Brennan, Cadette Consultant, Mrs. Tina Inocco, Consultant, and Mrs. Ruth Erickson Field Advisor with gifts for their accomplishments to Girl Scouting in Hicksville.

Mrs. Schultz was then presented with "The Thanks Badge" by the members of Neighborhood 3, who wanted to show their appreciation to Jeanne, who we come to think of as "Jeanne on the Spot". All you had to do was turn around and there she was ready to assist you in any way. This took some doing for 54 Girl Scout troops and 13 members of a service team, as well as her work at the Mid-Island Council Office, as a member of the Day Camp Committee, Resident Camp Committee to name a few.

From Our Postmaster

The U.S. Postal Service announced today international postage rate revisions which will net \$20.6 million annually. The new rates, effective July 1, will help offset increased service costs since these rates were last revised in May 1967.

As part of the overall adjustment, airmail letter rates to many countries will be reduced.

International rates are set administratively by the Postal Service and are not subject to approval by the Postal Rate Commission. The new international rates do not affect first class airmail letters to Canada and Mexico, which are the same as the U.S. domestic rates. Major provisions of the new international rates are:

1. Airmail letters to Central and South America, the Caribbean, Bahamas, Bermuda and St. Pierre and Miquelon go from 15 cents to 17 cents a half ounce.

2. Airmail letters to other countries will be 21 cents a half ounce. This flat 21 cents rate is a 1 cent increase over the present

rate for airmail letters to Europe and North Africa, but 4 cents decrease for other countries, including most of Africa, Asia, Australia and the Pacific area, for which a 25 cent half ounce airmail letter rate has applied.

3. Rates on surface letters to all countries (except Canada and Mexico) go from 13 cents to 15 cents for the first ounce.

4. Rates on air parcel post to all countries except Canada and Mexico go up a flat 10 percent over present rate schedules.

5. Rates on surface parcel post to Canada, Mexico, Central America and the Caribbean go from the present \$1 to \$1.20 for the first two pounds, and from 30 cents to 35 cents for each additional pound or fraction of a pound.

6. Rates on surface parcel post to other countries go from \$1.10 to \$1.30 for the first two pounds and from 35 cents to 40 cents for each additional pound or fraction of a pound.

7. Numerous changes in other rates will be made. These vary widely and should be checked

with local post offices. Typically, they include a new rate of 8 cents for the first two ounces of printed matter, compared with the present 6 cents, and an increase from 13 cents to 15 cents each in the cost of international aerogrammes and airmail post cards used for countries other than Canada and Mexico.

The international rate changes do not affect mailings to servicemen overseas. Domestic U.S. rates apply to such mailings.

In implementing the international postage increases, the Postal Service pointed out that, since the last general increase in these rates in 1967, its salary costs have risen 36 percent.

It noted also that a new UPU "convention", which establishes the general framework within which all member countries establish their international rates, becomes effective July 1, and the planned increases are within convention agreements.

The airmail and first class letter rates for Canada and Mexico from the U.S. went up May 16 to 11 cents and parties ounce, respectively, at the same time the domestic U.S. rates increased. Airmail cards to Canada and Mexico went up at the same time to 9 cents each and first class cards rose to 6 cents each.
