At School Board Meeting

Public Refused The Right To Speak

By Shirley Smith

Approximately 250 people tried to wedge their way into the conference room of the Administration Building last Thursday to attend a special meeting of the Board of Education. Sitting in extra chairs which had been brought in and on the floor, standing along the walls and out in the hall, they listened to Board president, Thomas Muratore, state that according to rules governing special meetings, only those items already on the agenda would be discussed. There was no provision for any other items. Mr. Muratore then asked for the public's cooperation and Board trustee, George Pappas, read from the 1970 Revised Edition of the New York State Education Law Handbook for School Boards: "There is no

requirement that a Board of Education conduct a hearing on any subject."

The special meeting had been called Wednesday, public notice appearing in Thursday's edition of Newsday. At Tuesday's public budget hearing, the School Board had made no comment when asked about rumors regarding the superintendent's contract. This contract was one of the two agenda items Thursday night — the other item was the supplemental tax role.

Thomas Clark moved that the district apply for the supplemental tax role in order to meet the August 1 deadline. Superintendent Abt explained that this would mean two assessments for Hicksville and there is additional cost attached (Town of Oyster Bay, \$3200; Nassau County, \$575.) He stated

further that it is possible for the assessed valuation of the community to go up at this mid-year assessment and this would mean a loss in state aid next year (as our assessed valuation goes up our state aid ratio declines.)

Board trustee, Neil McCormack, pointed out that the supplemental tax role had cost the district more money when it had been used before — it had not been a tax savings. He moved that the motion be tabled until the Board could get more information from Administration. However, there was no second to his motion.

At this point in the discussion and before the Board could vote on the motion (seconded by Mr. Zindulka), they were interrupted by a request to move the meeting to a larger room. Because so

TOB Sets Day And Night Hearing For Zone Change

The Town Board has scheduled a public hearing for Tuesday, August 10th at 10 A.M. and will continue it at 8 p.m. to consider an amendment to the Town Building Zone Ordinance that would call for creation of a new G-1 Business District (also known as Central Business area) to be implemented in the Hicksville Triangle area, Supervisor John W. Burke announced.

"We are continuing the hearing in the evening to afford everyone in the community an opportunity to be heard on this matter," Burke said.

Burke said the Board had a number of major objectives it hoped to achieve by the establishment of a G-1 District.

- 1) Encouraging an orderly development of downtown Hicksville.
- 2) Broaden the community's tax base and provide greater job opportunities.
- 3) Maximize use of transportation facilities.
- 4) Preserve open spaces
- 5) Reduce congestion in streets while at the same time promoting necessary traffic flow and business growth in the Hicksville Triangle areas.

Burke pointed out that the area in the Hicksville Triangle is currently zoned business and establishment of a G-1 District would be the first step toward adoption and implementation of a master plan for Hicksville. "All land falling within the Triangle will be classified as G-1 with a five-story limit placed on office buildings. There would be no apartment construction," he said.

Supervisor Burke pointed out that the G-1 District was established as a result of information derived from the two well attended meetings held in Hicksville to consider planning

proposals.

He praised the consultants and the Planning Advisory Board for adapting the plan to the wishes and desires of the residents of the community.

The G-1 portion of the Hicksville plan would be restricted to the entire area bounded by Newbridge Road, Old Country Road and Broadway.

Hicksville, because of its unique rail transportation facilities, is the only area in the Town which would be eligible for G-1 zoning under the criteria called for in the Board's proposal. Permitted uses would include offices (public and private) as well as banks, theaters and auditoriums and places of worship.

"In order to prevent a honky-tonk atmosphere certain incidental uses will be allowed in the permitted uses," Burke said.

"But, such incidental uses shall not occupy more than 10 per cent of the total floor area of a structure. Examples would be retail shops and stores, personal service shops and restaurants with specific exclusions for drive-in types.

No buildings will be permitted to cover more than 60 per cent of the lot area and no building shall have a plot less than 20,000 feet.

Burke said that in order to preserve an open-space, suburban atmosphere, reduced lot coverage will be encouraged and all open space shall be occupied by lawns, walks, decorative plazas, sitting areas and similar features.

Councilman Warren M. Doolittle of Hicksville said the proposal would insure a fine climate for the future proper economic growth of Hicksville and improve the esthetic appearance of the area.

WINNERS: Mr. Robert Stackler, president of the Kiwanis Club of Hicksville presents scholarship awards to Sharon Schmetzler and Kevin Smith, while Kingsley

Kelley, chairman of the Kiwanis Scholarship Awards Committee looks on approvingly. (Photo by Pierre Charbonnet).

Around Our Towns

By Linda Noeth Scotti 796-1286

Belated Happy Birthday wishes to Rosanne Botto, daughter of Mr. & Mrs. Richard C. Botto, HICKSVILLE.

Mrs. Donald (Millie) Davidson was feted by a group of her friends at a supper party held at the home of Mrs. Daniel Davidson, 49 Picture Lane, HICKSVILLE. On Thursday evening the 28th, Millie and Don, along with their sons, Larry and Paul, will be moving from HICKSVILLE to Tulsa, Oklahoma where Don's company has transferred him. The ladies present at the party signed their names to a tablecloth which the hostess embroidered as a memento for Millie. Goodluck to all of you in your new home.

Birthday greeting to Janet Webster, 12 Holly Lane.

JERICHO, who will be sweet 16 on August 6th.

Mrs. E. H. LeBarron has sold her Hicksville Home and will be moving to St. Petersburg, Florida. We'll miss you.

Happy Birthday to Cornelia Ullman, 3 Switerland Rd, Thomas Viscoglie, 65 Moeller St, both HICKSVILLE, and Ronald Calboun, 2 Madison Place, JERICHO, who all share an August 7th birthday.

Troop 233, B.S.A. are now at Onteona Scout Reservation in Livingston Manor, N.Y. This group is participating in Wilderness Camping—a new facet for Nassau County scouts.

August 11th brings Birthday greeting to Carolyn Massey 25

Gardenic Lane, Dawn Boylan, 258 Woodbury Rd, and Jerry Lam, 23 Monroe Ave, all HICKSVILLE.

Happy Birthday to Edward Lynch, 79 Vincent Rd, HICKSVILLE, who will be six on Aug. 10

Friends and neighbors are happy to hear that Bob De Rosa of Robert St., HICKSVILLE, is home from Central General, and well on his way to recovery. Get well soon, Bob.

It was an eight pound two ounce girl, Maureen Ann, born on July 19th to Kathy & Gary Crosby (nee Crimmins). Proud grandparents are Mr. & Mrs. Jimmy Crimmins, Hicksville.

Dear Friends ...

Can We Learn By Our Mistakes?

I think the answer is a resounding YES! That is, of course, if we remember where in the past we have erred and do all that we can to see that we do not repeat past mistakes. Whether it is the Hicksville Triangle Plan or the actions of the present Board of Education...to some extent, we are all responsible for what is now happening. That's what democracy is all about...and thank God that we still have the freedom to correct these mistakes, whenever they occur.

On the Hicksville Triangle Plan, in our opinion, we may not have listened enough. Planning is a difficult process, to say the least, but lack of it is even worse because it leads to more gas stations, more hamburger stands and future disaster areas. Remember our elected representatives on the Town Board are just as anxious as we are to do the right thing, so why not listen, at the August 10 hearing. Of course we should express ourselves where constructive suggestions can be made. Then let us take this planning process step by step, together with our Town Board. These zoning changes are meant to head us in the right direction and there is still much more to be done and settled before Hicksville's business area is properly developed. Don't forget to let your Town Board know what specific suggestions you have. By the way, the map and ordinance concerning the proposed zoning change is now available for you to see at the Hicksville Annex of the Town of Oyster Bay. This may help you to see just what and where this new business zone covers.

As to the actions of the Hicksville School Board, we will bring you a factual account of them as we have always done in the past. Unfortunately, our actions, brought this Board into existence, either by voting for people we did not know at all or did not have even the faintest idea of what they stand for, or the methods they would use to accomplish their purposes, or else, we didn't vote at all...and that makes us equally responsible for what our school district is now going through. There is much rumor at present as to what various groups of residents are planning...we do not report rumor...when these plans become reality, if they do, we will let you know. We do say quite definitely, however, that to deny the people their right to speak their opinion at a so-called public meeting is an American. Also, to do what apparently has been done to our Superintendent is not only extremely bad for our educational system, but expensive to the district. Both of these acts in our opinion are very wrong morally...no matter what this Board tells us the State Law permits them to do. If five laymen have the qualifications to judge a dedicated educator with 22 years experience in the field then our State Education Law should be changed. Judges should have some qualifications to be judges. The very fact that no reasons have been given says clearly to me that the only reason is that our present Superintendent simply will not be under their thumbs...he couldn't and still be an educator. Thank God we had him all these years. The immediate future may be rough, but it can be corrected.

Until next week, stay well,

Sincerely,
SHEILA H. NOETH

Dear Sirs:

I am the Business Representative of the United Brotherhood of Carpenters and Joiners of America, Local Union No. 1772, Hicksville N.Y. and I would like to point out several facts to the residents of Hicksville concerning the Hicksville Triangle Plan.

Hicksville is THE TRANSPORTATION HUB OF NASSAU COUNTY and as such should be developed in the best possible way. You are not going to hold out Business or Office Buildings why not do it in an orderly and efficient manner. It will make your community one to be proud of. Some residents say that they don't want another "Jamaica". Right now you have a business area that is a disgrace and looks worse than any Jamaica or Brooklyn area. (In the last 56 years only 2 new buildings have been erected on the East side of Broadway) also producing nothing in the way of increased assessed valuation or job opportunities for countless local residents who would not have to commute to Jamaica-Brooklyn or N.Y.C. for jobs if the Plan was consummated.

I would like to point out the one of the reasons for serious unemployment in the 32 "Craft Unions" in the local area has been due to the 9 month moratorium on the Building Construction in the Hicksville Area.

I believe that most people want a productive, prospering town that you would be proud of.

Supervisor John Burke has proposed modifications to the Plan. Lets get together and get the job done.

Sincerely,
Glenn Kerbs, B.R.

Dear Mrs. Noeth:

It seems as though the taxpayers of Hicksville are finally getting what they deserve...a FRIGHTENING group of men, duly elected by the taxpayers to serve as absolute judge and jury over a plant worth more than \$100,000,000.00... The Hicksville School Board.

Wasn't it only last year that two of the members, including the president wanted to ban three books from the schoolchildren of Hicksville? A book about FDR, one concerning Negroes, and the last, a history of U.S. wars. Their reasons...one member hadn't had a chance to read them and besides, there are enough books about these subjects in the library and the other member when asked, just shrugged his shoulders.

Why did they have a separate referendum for transportation? Since they did, why didn't they break it down and let the taxpayers decide whether it should be 1/2 mile or 3/4 or 1 mile. Inform them of the tremendous savings involved...from two to three hundred thousand dollars by having their children walk a few extra blocks. By doing this, Recreation and other items, items necessary for a well rounded education could be kept. But no, our School Board must have read Orwell's "1984". (I'm surprised that they left it in the library). These Puritanical pillars of our society are keeping everyone guessing...Who will be next? "Big Brother is watching you!" And now, their newest attempt to subjugate the taxpayers... "Do not question us!" If you do, "Mum's The Word". (their new slogan).

Very truly yours,
Saul Meltzer

The extremes to which an over zealous interest group can go in organized aggression has been demonstrated within the school the way the community historical past. The personalities of the leaders, like most other human beings, are essentially the result of their cultural mores and social tensions, and they achieve leadership only if they effectively express the sentiments of the vocal segment of their contemporary community. Authoritarian leadership like any other, reflects the nature of the social climate in which it emerges. Such an ideology provides outlets for despotic tendencies that are rooted in personality development. These individuals obtain gratification from manipulating the environment for the feeling of power it provides. They seek to act the part of the aggressive hero, for the sheer narcissistic pleasure which the act provides. All too frequently, they delude the unsuspecting public by employing lofty platitudes. They cloak their ulterior motives in a masquerade of plausible realities. Once such a select interest group gains power, they gravitate towards rigid authoritarianism, forcible suppression of the opposition, and the belligerent use of precedents in their irrational use of rationality.

Are we bearing witness to the emergence of such a group under the guise of duly constituted Board of Education? If we are, the children will pay the costly and ultimate price for the apparent apathy of the major segment of Hicksville's residents.

A Concerned Observer

Dear Editor:

The new Hicksville School Board has made quite a controversial move in reassigning Mr. Abt. The cost of hiring a new superintendent will run roughly in the neighborhood of forty thousand dollars per year, in addition to Mr. Abt's current salary. If they suddenly have money for this, why can't they find the funds to run a winter recreation program? This action certainly contradicts their promise to "trim the fat off the budget".

This Board, so far, has performed in very mysterious ways. Why didn't they announce Thursday's meeting on Tuesday night at the regularly scheduled Board meeting? Could it possibly be they didn't want anyone to attend? How can a Board even think of pulling such a stunt! Whenever a drastic move is made it must be justified. Doesn't the community deserve an explanation for the removal of Mr. Abt as superintendent? How can the Board expect to run the school the way the community wants them to if they don't allow the public to question their actions at their meetings?

I expect a letter of explanation from any member of the Board because as President of the Student Government of HHS I will be expected to have some pertinent answers. Perhaps then I can believe that the Board is truly working for the benefit of the Hicksville School District.

Alise Kraditor,
Student Gov't. Pres.

Dear Sir:

Some questions for the Hicksville School Board.

At your Board meeting and open budget hearing on July 27, several questions were asked of you and no answers were given.

Will there be curriculum for our teachers to work from in September? The answers were a "yes", a "no" and a "maybe". Just which is it?

Can or will the Board use the \$50,000 of surplus to re-submit or re-institute a winter recreation program? No answers....

Will the public be advised of any changes in the budget 10 days before the vote? No answer....

Are the rumors about the firing of Superintendent of Schools, Donald Abt, true or false? No answer....

This is no way to keep public informed. If you are truly our representatives, we are entitled to the answers to these and many other questions which went unanswered that night. Personally, I resent a Board of Education whose intent seems to be to keep voters of the district ignorant of things which effect our children's education.

Very truly yours,
Mrs. Nathan Moser

Summer Lacrosse League

This summer the Town of Oyster Bay Recreation Dept. supported a summer Lacrosse League. High school teams from Hicksville, Massapequa, Plainview, Kennedy, Plainview-Old Bethpage, Syosset, Bethpage, Berner and Farmingdale were entered. Only high school and junior high school students were allowed to participate. Games were played at John J. Burns Park in Massapequa Park. The first place team was Hicksville, with a perfect record of 7 wins and no losses. The Hicksville team was coached by former Hicksville High School student, and now high school teacher, Peter Ditzmo. He was ably assisted by Terrence Wallace, former HHS student and presently one of Adelphi University's outstanding lacrosse players.

Captains of the Hicksville team were Theodore Stephinew and Richard Leary. The highlights of the season came in the last three games, in which the Hicksville team responded by scoring the winning goal in each game in the final seconds. Other players were: James Hoover, David Jones, Bradley Ernst, Robert Guisada, Stephen Canone, Glen Skrynecki, Alan Price, Stewart Bistany, Peter Humann, Paul Kamin, Ed DeDeminico, James DiNicola, Wayne Mogaverno, Stephen Meyer, Nicholas Pagano, Joseph Scully, Mike Cerlini, Vincent Chiodo, George Gramalia and Walter Sygney. "Without doubt, Hicksville High Varsity Lacrosse Coach Bill Meyer has quite a lot to look forward to for next season," said a spokesman for this League.

Friday night was a scary night. I went to Enrico's Greentree Restaurant in Westbury where the folks sing opera while you have your dinner!

Before Friday, 'Calvalleria Rusticana' was always an old cave to me. But I was game. So I went, asked for a table and would let them know that indeed, they had a guy in the audience that knew.

'Hi,' said the nice waitress lady, 'something to drink?'

'No,' said I, 'Aida!'

She smiled politely. I understood. Not used to the Continental type.

The place was packed. I'd dazed them with my footwork. I'll have - if I may, Canon La Gaffeliere wine. Light, to begin. If they didn't know now, they never would.

'Before dinner?' she asked. I smiled weakly, and nodded. They were obviously conditioned to the conformists.

The singing was beautiful. Norma Sira, a Mezzo soprano, Philip Parisi, a baritone, Albert Ryden, a basso, Jerry Parisi, the MC, and guest singers like Dorothy Zuckerman who did a couple of fast turns. They sang stuff from Carmen, then Rigoletto, 'Il Traviatore. All this under the watchful eye of Paintings by Sirena which were displayed all around the room.

The place was a regular cultural center. If they could see me now, I thought.

As the evening wore on, I kinda got in the mood. They walked around the room and sang between tables. And the audience doesn't play around. They request. One 'La Boheme', another 'Figaro'. Then 'Faust'. They approached my table.

I didn't want to louse up the mood. I asked the tall guy that was singing, 'Do you know, 'If I Was a Rich Man'?

I could have kicked myself in the pants afterward because I forgot that this night I was passing. But you know something? They played it and sang an entire segment from 'Fiddler' with the audience enthusiasm as resounding as ever.

It was meal time. The waitress lady helped me.

'Anipasso?' she asked. 'How does it go???' I asked. She said, 'That's one of our appetizers'.

'Oh,' said I, 'I'll try it'.

I ordered lobster tails, a little fat spaghetti and I wondered about

vegetables. 'Broccoli?' asked she 'It's not amondine'.

'Sure,' I said, 'I'd like it when it's fresh, anyway'.

I completed the ordering. The meal came and right in the middle between the leria and the Rusticana, came the cheese cake. Look, I used to be a Jewish guy and I had cheese cake-but this was cheese cake. Chef Eugene Parisi, brother of Ted, the owner, he could cheese a cake, for my money. And I wasn't gaffed.

The meal was over. The entertainment wasn't. Nobody left. Everyone arrived at about 8:30 and it was now 1 A.M. Nobody moved. One seating. Open to close.

A bit of Galleano after dinner. I complained because mine was yellow, but they only smiled. In Westbury, they're not used to that sort of brights.

Now, they passed out singing sheets and the audience sang show tunes. I was a bit lost without the bouncing ball, but I reached great heights during the 'Funiculi Funicula' number, which at this point I tried to order for my second dessert.

Hicksville Colt Tournament Team

Hicksville Colt Tournament was eliminated last weekend when they lost two games and winning one. The tournament was held at Newburgh New York commencing Friday July 30. Hicksville was scheduled to play Friday but due to the rain in the metropolitan area some of the cars could not get through the flooded areas and were forced to

return home. Only one game was played Friday due to rain in Newburgh, Carnarsie defeating Stratford Connecticut.

Hicksville's first game Saturday July 31 at 9:30 A.M. was a win over Cinnamissen Township, New Jersey. John Pertschy hurled a sparkling one hitter and driving in two runs with two out of three at bats. Frank Pace got

two for two and driving in one run. Charles Broussard drove in two runs with a single. Hicksville scored five runs with eight hits to win 5-0.

Hicksville lost the second game at 3:30 P.M. to Stratford, Connecticut. Richie Gluckert started for Hicksville. After playing a superb first game with only one error Hicksville made three misplays in the first inning to give Stratford a three run lead. Stratford scored two runs in the third to make it five. Frank Pace relieved in the sixth and gave up two more runs. Hicksville's lone run came in the second inning when Tom Bergin's single drove in Steve Tedesco who had got on with a single. Final score Stratford 7 runs 7 hits 3 errors Hicksville 1 run 3 hits 6 errors.

Hicksville third game was with Newburgh, New York. Hicksville got the lead in the second inning. Don Kopf singled and Steve Notskas hit a long single that brought Kopf all the way around. In the fourth Steve Tedesco singled and advanced to second base. Don Kopf singled him home

and scoring later when Carmine Castellano was hit by a pitched ball with the bases loaded. Steve Conte had been pitching a two hitter up to the sixth when Newburgh scored a run with one hit and three Hicksville errors. Newburgh tied the game in the seventh with two more runs off Conte and he was relieved by Frank Pace. Newburgh came up with another hit to bring in the go ahead run before making out. Hicksville got the first man on in the bottom of the seventh, via base on balls but could not get him around. For Hicksville Don Kopf got two for three and scored twice. Final Score Newburgh 4 runs 6 hits 0 errors, Hicksville 3 runs 6 hits 5 errors.

The Hicksville Pony Tournament team is still going strong. Eastern regional competition starts Friday August 6 at Hamden, Mass. which is just south-east of Springfield Massachusetts. Good luck boys and keep going.

Hicksville Colt League resumes play this week with one more week to go for the season and then the play-offs to decide first and second place.

Kiwanians Hear HAD

The Kiwanis Club of Hicksville, at its July meeting, had as guest speaker Terry Pepples, a representative from H.A.D. (Help, Aid and Direction).

Mr. Pepples informed the group of some activities taking place to aid our local children. H.A.D. is almost bulging at the seams and will be needing expanded facilities and funds. H.A.D. helps those in need, with many diversified problems in drugs or of a personal nature. H.A.D. has helped 20 to 30 people in the past five months and now currently aids in the area of 100 people.

Mr. Pepples answered many questions about the H.A.D. organization.

Attends Boys' State Convention

Congratulating Richard Wayne of Hicksville upon his return from the Boys' State Program are Commander Wesley Tietjen and Richard Evers, Americanism Chairman of the Charles Wagner American Legion Post.

Richard Wayne of Hicksville recently returned from the American Legion's annual Boys' State Convention at the State University, Morrisville, N.Y. The son of Mr. and Mrs. Allen Wayne, Richard was sponsored at the Legion's outstanding mock government session by the Charles Wagner Post.

Over 600 outstanding high school juniors from Empire State communities took part in the week-long role playing and practical exercises in government which are the chief activity of the nationally honored Boys' State program sponsored annually by the American Legion.

Assigned to a political party, Richard and the other post representatives were led to participate in the full range of political experience common to the democratic system: rallies, caucuses, nominating conventions, campaign oratory and the electoral process.

The Legion program is designed to prepare already active high school juniors for a senior year of leadership and participation in the political life of their schools and for the larger civic functions of adult life. The Boys' State representatives are widely sought as scholarship material for the United States service academies and for enrollment in leading university programs.

many people had turned out for the meeting and were concerned about the action the Board would take. Bob Essex appealed to the Board president to allow those who had come to hear what was going on — those in the halls could neither see nor hear what was taking place in the conference room.

This request received cheers and applause from those inside the room and Mr. Muratore admonished the crowd to control themselves or he would declare the meeting closed to the public. This generated additional outbursts. Mr. Muratore seemed about to remove the Board from the meeting place, when Board vice-president, Thomas Clark, spoke to him and Mr. Muratore, having ascertained that the High School Auditorium had been set

The Villager

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

Organizational, community and general interest news should be submitted typewritten or printed, double-spaced, in duplicate. Either drop off or mail to Editor 13 Millpond Street, Jericho. Deadline for insertion - Monday noon. Telephone WE 6-1866.

FROM THE EDITOR:

Retain Your BCA Membership

Once again, delinquent members of the Birchwood Civic Association are requested to send their \$5.00 annual dues for this year to the Financial Secretary, Bill Siegel, 38 Magnolia Lane. Or, perhaps you would prefer handing a check directly to one of the officers or directors of the association with whom you are familiar.

The BCA is continually striving to maintain its regular membership while bringing new members into the fold. It is true that "new blood" is needed in any organization but we must rely on the "old timers" as the backbone of our association.

In the beginning, practically every family in the community was a member...the community was new and the builder was the prime target. Roads and schools had to be built; street lights were yet to be installed; there was no home mail delivery. These were but a few of the problems of that period.

Some people believe everything that can be done for them, as individuals, has been done, and that there is nothing left to be accomplished and that the Birchwood Civic Association has had its day. Nothing could be further from the truth - there are many civic problems facing us today. Proposed zoning changes must be continually reviewed; proposed tax increases have to be studied carefully; garbage collection and disposal still requires attention; there is now a petition for a gigantic apartment complex that has to be studied carefully and a decision rendered for the good of the community.

The Birchwood Civic Association can and will help us with these and other problems. Therefore, the continued cooperation of our membership is needed and earnestly requested, paramount of which is that you retain your membership by sending in your dues now!

Rundown On Villager For Newer Members

This is for the information of those new members of the Birchwood Civic Association who have inquired about our newspaper, and also to refresh the memories of our older members.

The Villager is the official publication of the B.C.A. and its purpose is to provide news and information to the residents of the Village of Birchwood Park which is of special interest to them. The Editorial Board of The Villager (which is comprised of the individuals whose names appear on the masthead) is a committee of the Civic Association. The Editor is the chairman of the committee. The staff of The Villager consists of the Editorial Board plus all other regular contributors to the paper.

In addition to news items, The Villager carries articles concerning the various activities of the Civic Association, its committees and its Board of Directors.

The Editor and the Editorial Board take no pride of authorship and welcome articles contributed by any resident of Birchwood Park. You may have something of interest, so please let us hear from you.

Publicity Chairmen of community organizations are reminded that photos are especially welcomed with releases. Polaroid shots, snapshots from any everyday camera, or even a shot taken by the old "brownie" - in other words, it does not necessarily have to be a professional photograph.

Jericho Hadassah To See Play By O'Neill

The "special" event for the Jericho Chapter of Hadassah will take place on Thursday, August 19th, at the Shakespearean Theatre. The Chapter will see Eugene O'Neill's "Mourning Becomes Electra" starring award-winning Jane Alexander. Transportation will be provided by a bus which will leave from in front of Waldbaum's in the Birchwood Shopping Center at 9:30 A.M. For information, call OV1-0124 or WE6-9083.

Proceeds go towards Hadassah Medical Center.

What Was That Again, Please?

When we first read of the petition of Myron Nelkin for an apartment complex on the 68-acre Lehman estate in Jericho, it concerned 900 apartments. Two following articles mentioned "900 plus" apartments. By the time the fourth article appeared in this paper, it was up to

970; then, the next report had it as 980. To top it off, last week's report on the hearing at Town Hall listed a "1088 Quaker Village complex". We trust that by September 14th, when the hearing is to be continued at Town Hall, the actual apartment total will be revealed.

Villager Public Service Feature

Evaluating Parents Of Little Leagueers in Our Area Little League play in our area has been concluded for this year and champions and final standings have been established to the satisfaction of some of the players, to the chagrin of others. ut, what about the parents of the players? How did they rate in comportment insofar as the Little League is concerned?

We have selected the following passages from the booklet "Role of the Parent in Little League" and each Birchwood Park parent can judge his or her performance or non-performance accordingly. "As a public image Little League Baseball has become synonymous with the high standards of beneficial discipline, training, integrity, physical fitness and will to win that every parent hopefully desires to ingrain in the growing up period of youth.

"The wholesome aspects of a million youngsters taking part in a program that cultivates beneficial experiences of coordinated teamwork and good sportsmanship is a highly complimentary reflection on the spirit and contagious enthusiasm of the parent.

"Every parent of the boy who plays Little League Baseball has a responsibility to do his or her part. Ideally, who but the parent has more at stake and is more acutely motivated?

"Primarily, the parents should know Little League Baseball well and be fully aware of what exposure to Little League means to the boy. They should take an active and discerning interest in the unique appeal of Little League which sets it apart from all other youth programs of its kind, and be knowledgeable of the potential beneficial experience to the boy. It is essential to become informed

and learn about the policies, practices and the rules by which Little League functions.

"The challenge of the future is directed to the parent; his or her willingness to exchange time and effort helpfully and correctly for the benefits of Little League to their child.

"Too few parents avail themselves of literature and material about Little League which can be obtained through local league sources or directly from Little League Headquarters. Regular meetings of the local league are important sources of information. It is always a satisfaction for the active personnel of the league to occasion get-togethers with parents, who should make a point of attending meetings.

"Parents should turn out for Little League games and support the league's activities. Youngsters who play Little League are at an impressionable age and sensitive to parental reaction.

"Some parents find it easy to excuse non-participation. It is an erroneous notion that unless a parent has qualifications as a coach, a manager, an umpire or for some kind of administrative capacity, he cannot be accommodated in the constructed membership of the league.

"For every new Little Leaguer there must be resources and volunteer help to carry him forward Little League offers a beneficial climate that extends not only to the children, but to parents, families and communities as well.

"Little League should be a happy family experience. Making it that way, through intelligent and unselfish participation, best defines the role of the parent.

"In the broad sense Little League is a training activity for adults, as well as for boys, and it can not be emphasized too strongly that parents who usually comprise a majority of spectators, have a responsibility to respect the volunteer status of other adults whose willingness to help makes Little League possible. It is always in order to applaud a good player or an outstanding feat of baseball skills. But it is a deplorable exhibition of incivility or plain ignorance to boo a youngster who is learning to play the game or his league leaders who are trying to help him."

Isabel Dodd Guest Speaker

The regular monthly meeting of the Nassau County Federation of Republican Women will be held Thursday, August 26th, 1:00 P.M., at Holiday Manor, Hicksville Road, Bethpage.

Mrs. C. Robert Allen, Port Washington, Federation President, has announced that Isabel Dodd, Republican candidate for Oyster Bay Town Clerk, and the only woman on the Republican Oyster Bay Town Ticket, will be the guest speaker.

Isabel Dodd, a long-time resident of Sea Cliff, attended the local Sea Cliff schools and remained in the village after her marriage to Duncan Dodd, a commercial artist. She has served as chairman of numerous charitable causes; is a member of the Sea Cliff Civic Association; and a member of The Good of the Village Association, the oldest known organization in the village. Her 20 years of professional experience make her a highly qualified candidate

for public office. She served for fourteen years as a legislative aide in Albany, and since 1969 has been Deputy Commissioner of the Nassau County Board of Elections.

Special event Chairman, Mrs. Alfred H. VonKlempner, Mill Neck, will be assisted in the preparations for this meeting by: Mrs. Ann Reich, Bethpage, President Women's Division of the Bethpage Republican Club; Mrs. Marjorie Post, Massapequa, former Oyster Bay Councilwoman; Mrs. Janet Griffen, Massapequa; Mrs. Vincent Hannemann, Hicksville; Mrs. Edward Margolin, Woodbury; Mrs. Joseph Branca, and Mrs. Edmund Ocker, Plainview; Mrs. Francis Corcoran, Locust Valley; Mrs. Kenneth Smith, Glen Head; Mrs. Joseph Correntino, and Mrs. Michael D'Auria of Brookville.

Refreshments will be served, and the public is cordially invited to attend.

County Fair At Library

Remember the old time Country Fair? The candy and jams and jellies. The wonderful aroma of the fresh baked breads. The cookies and cakes and pies and tarts. The lovely crocheted lace. The shawls and afghans to be used on chilly nights. The woodworking, the jewelry made by craftsmen highly skilled in handling semi-precious stones and valuable metals. The huge dahlias and colorful "mums". The fragile African Violets grown with TLC (tender loving care)? Well — for those of you who remember these "good old times" and for the many who have only read or heard of these

beautifully nostalgic by-gone days, the Hicksville Public Library will bring it all to the community on Friday and Saturday, September 24th and 25th. The library is very pleased to announce "An Old Time Country Fair" to be held in the lower level of the library from 10:00 a.m. to 9:00 p.m. on Friday and from 10:00 a.m. to 5:00 p.m. on Saturday.

The exhibits will be in 8 categories from arts and crafts to flower arrangements. Entry blanks are available at the main desk of the library and also at the bookmobile. All entry blanks must be in by August 27th. All

Help Beautify Hicksville

In conjunction with the Clean Community Campaign Robert Stackler, president of Hicksville Kiwanis, asks property owners to trim the grass and remove the litter in the area along their property between the sidewalk and the curb. This is the property owner's responsibility.

"Many business and commercial establishments neglect these areas and it seriously detracts from the appearance of the community," he said.

Mr. Stackler urges everyone to make this added effort to beautify Hicksville.

Items to be judged have to be at the library the week of September 20th.

The judges for the growing things will be from the Department of Agriculture of New York State. The judges in all other categories will be local people who are experts in their fields. Naturally the judges will not enter any items in the category they are to judge. The complete list of judges will be announced at a later date. The prizes will be Blue ribbons, Red ribbons, and honorable mention.

The library will make further announcements as plans progress. Through the graciousness of the Nassau County Homemakers Council, Hicksville Chapter and the Fine Arts Committee of the Hicksville Public Library, the jams, jellies, candies and all baked goods will be sold after the judging. The proceeds will be donated to the library.

Republican Club To Meet

The Ernest F. Francke Republican Club of Hicksville will hold its regular monthly meeting at 9:00 p.m., on Friday August 13. The meeting

will be held at the Masonic Temple Hall, Nicholas Street, Hicksville.

The guest speaker will be Councilman Joseph Saladino.

VOLUNTEERS WHO SERVE US: On Sat., July 24, around 6 p.m., fire broke out at Heads and Threads store on South Oyster Bay and Woodbury Roads, in

Hicksville. The Hicksville Fire Dept. along with members of their Explorer Post 778 answered the call as well as the Plainview Fire Dept.

After a battle to extinguish this fire, which took about one and a half hours, these dedicated volunteers met with success. (pictures by Alfred LaVeraa).

up for a meeting, then agreed to move to larger quarters.

Immediately after getting settled in the High School, the Board voted 5 - 1 to apply for the supplemental tax role. Mr. McCormack was the only dissenting vote. Board trustee, Harry Kershen, was out of town and unable to attend this special meeting.

Before taking up the matter of the superintendent's contract,

Mr. McCormack tried to add another item to the night's agenda. He was ruled out of order by Mr. Muratore, but persisted. He said it was customary to call all Board members twenty - four hours prior to a special meeting to ask if they had any items to be placed on the agenda and he had not been called. He moved to challenge the chair, but was voted down 5 - 1.

Asked by Mr. Muratore if he had a statement to make, Mr. Abt responded that he had understood from his attorney (after

meetings with School Board attorney, Harry Goebel) that the matter of his contract was not to be handled in this manner. He asked for an executive session and after Mr. Goebel agreed there should be one and the Board voted 5 - 1 (Mr. McCormack voting no), they left the auditorium.

On returning, Mr. Clark moved that the School Board give the power to the Board president to enter into a contract with Mr. Abt. His motion (seconded by Mr. Zindulka) passed, 5 - 1.

VOTING ON SCHOOL DISTRICT 17 BUDGET is scheduled for Tuesday, Aug. 10, at your regular voting place, from 10 a.m. to 10 p.m. All details of this budget have been brought to you in previous copies of THE HERALD. If you have further questions, why not phone the school district at WES-8000? As it should be, your vote is up to you.

"This is the worst motion I have had to act upon in all my time on the Board," began Neil McCormack, who was the only Board member to speak on the motion and who cast the one "no" vote. He said we had a good man at the helm, through good and bad times. "He really guided the district with innovations in education." This is a "slap in the face to anyone in his position." McCormack asked that the new contract be read publicly so the people would know what was happening but the rest of the Board did not agree.

Mr. Goebel, Board attorney, did read the resolution suggested for the Board's adoption and he offered some statements "in the interest of clearing the air." He said certain discussions had been held with the Board and Mr. Abt relative to the termination of his services as superintendent. An agreement had been mutually agreed to that Mr. Abt would continue in the district's employment, in the capacity of a professional educational consultant, until his contract expires June 30, 1973. For these services he would be paid the same salary agreed to by the previous Board, \$30,000 per year plus benefits. Mr. Goebel added that it was not in his function to explain any further why the termination had been made. He said everything in the change of contract had been agreed to by the attorneys on behalf of both parties.

In the resolution, it was brought out that Mr. Abt would continue as superintendent of the district until such time as a replacement could be found and an orderly transition effected.

Mr. McCormack tried again to have the contract read, stating that the Board's action would result in the spending of approximately \$100,000 additional dollars, due to the creation of a new administrative position.

"Is this an economy measure?" he asked.

The contract was not read but Mr. Muratore said a copy would be attached to the minutes and anyone could go to the Administration Building and read it.

In response to Mr. Muratore's third request that he make a statement, Mr. Abt said that he had "no immediate impulse to make a statement." He said that he and the Board "don't seem to get along. There was only one recourse. They are the community's elected representatives."

Mr. Clark moved the resolution be adopted and the new contract executed. This passed over Mr. McCormack's one "no" vote.

The meeting was adjourned, and consistent with what Mr. Muratore had announced at the beginning, the public was given no chance to speak or ask questions. The Board of Education, with the exception of Mr. McCormack, left the auditorium immediately.
