

Hicksville • Jericho

Vol. 24 No. 33 Thursday, August 26, 1971 COPY 10c

School Re-Opens On Wed., Sept. 8

The first day of school, in Hicksville, for the 1971 - 72 school year is Wednesday, September 8th.

BUS TRANSPORTATION for all eligible students - attending **PUBLIC, PAROCHIAL, and PRIVATE** schools - will be provided each school day starting **SEPTEMBER 8th**.

Bus passes are being processed and should be received in the mail before **SEPTEMBER 8th**.

Center Project To Hold Grand Opening

The Center Project, presently sponsored by the Hicksville Youth Council which operates as one of eleven youth councils throughout the Town of Oyster Bay, sponsored by the Town itself, is planning its Grand Opening on Saturday, August 28th at the Center, 22 West Nicholas Street, in Hicksville.

Coffee and refreshments will be served between the hours of 10 a.m. and 12 p.m. and many special events are planned throughout the day and evening. A spokesman for the Center said

that all Hicksville teenagers are invited. "This is their Youth Center," she explained.

Classes are being held in painting, poetry, exercise, leather crafts, Japanese brush painting and photography and other classes will be formed if enough show an interest, she said.

The Hicksville Youth Council is made up of both adults and young people. Their next meeting is scheduled for 8 p.m. on Sept. 15 at the Hicksville Library on Jerusalem Avenue.

A plan that forestalls the imminent curtailment of weekend service and increased fares on bus routes in North Hempstead Town and provides for continued bus service on four routes in Oyster Bay and Hempstead Town was announced today by County Executive Ralph G. Caso and State Sen. John D. Caemmerer, chairman of the Joint Legislative Committee on Transportation. Caso and Caemmerer, in a joint news conference, disclosed that as a result of an agreement worked out with the Metropolitan Transportation Authority the Schenck Transportation Co. will take over four routes being abandoned by the Stage Coach Line and will cancel a plan to reduce its weekend and night bus service that would have affected more than 2,500 riders.

The agreement extends the MTA's Emergency Betterment Program contract with Schenck. The contract, originally scheduled to run out Sept. 1, provides money for refurbishing and re-building buses. It was reached following meetings with MTA chairman William Ronan, Schenck officials and town supervisors Francis T. Purcell and Alfonso M. D'Amato of Hempstead, John W. Burke of Oyster Bay and Michael J. Tully Jr. of North Hempstead.

"This is a stopgap solution to an immediate public transportation problem," Caso stated. "It does not deter our goal of finding a permanent, long-range solution to the financial problems the bus companies face."

"Sen. Caemmerer has assured us he will press for any legislation necessary to insure that the 80,000 Nassau residents who use buses daily are not abandoned," Caso added.

Bus Agreement Worked Out With MTS And Schenck

AGREEMENT ANNOUNCED: Nassau County Executive Ralph G. Caso, center, joins State Sen. John D. Caemmerer of East Williston, right, chairman of the Joint Legislative Committee on Transportation and Oyster Bay Town Supervisor John W. Burke to announce an agreement worked out with the Metropolitan Transportation Authority that allows the Schenck Transportation Co. to take over bus routes in Massapequa, Bethpage, Hicksville and Farmingdale that were being abandoned by the Stage Coach Line.

Last June, Caso disclosed details of a comprehensive plan prepared by Nassau Transportation Commissioner Andrew G. Schiavone which is aimed at determining the best available permanent arrangement for the beleaguered transit system.

"By the end of 1972 we expect to be in a better position to take a firm position on the nature and extent of public support required to operate a bus system, whether it be government subsidies or complete public ownership," Caso stated. "While I feel the system should be under private ownership, my paramount objective is that the buses continue to run."

"We have been in touch with the State Department of Transportation and a Schenck official is on his way to Albany today to obtain the emergency authority to operate the four Stage Coach routes," Caso said. Stage Coach took over the routes which serve 500 riders daily on a temporary basis when the Mid-Island Transit Co. went bankrupt. The routes serve Massapequa, Bethpage, Hicksville and Farmingdale in Oyster Bay Town and Bellmore and Levittown in Hempstead Town.

The county also is moving today to take back from Stage Coach four buses it had leased to the company on grounds that terms of the lease have been violated by the announcement to discontinue service. The buses involved will be leased to Schenck, Caso said.

Supervisor
JOHN W. BURKE

REPORTS

In this column several weeks ago in a discussion of the Hicksville Triangle Plan, it was noted that one of the most essential elements in the planning process is the maximum participation of the citizens involved. Significant changes were made in the Hicksville Triangle Plan as a result of suggestions made by residents at the various meetings. This was a good example of democracy in action.

However, there is one disquieting fact that bears consideration: About 600 people participated in one of these meetings. Based

on the current estimated population of 48,000 for Hicksville, only about one percent of the community, then, took the time and effort to comment on a plan for their own community.

Recently, the Oyster Bay Town Planning Advisory Board sent letters to some 100 civic, business and professional organizations requesting appointments to discuss the planning process. This was over one month ago, and to date only three of the organizations have contacted the Board.

Good citizenship does not end with the election of

your local, state and federal representatives. Everyone should take advantage of the opportunity to actively participate in the day-to-day functions of the government. Only then can your elected officials be sure that their decisions reflect the desires and opinions of those they represent.

TOWN NOTES: A concern for social problems in our community often has been expressed by the youth of our Town. We are attempting to channel this concern into effective action through the hiring

YOUTH ACHIEVEMENT: At the recent Court of Honor Troop 293 of Hicksville, the Hicksville Lions Club presented Eagle Award Scout Lance LaMagdelaine an Eagle Scout ring, in recognition of youth achievement. In the photograph (l to r)

Scoutmaster Sevald Knudsen, Assistant Scoutmaster Robert LaMagdelaine, Lance's father and Mrs. LaMagdelaine watch as Lion Pierre Charbonnet present the ring award to Eagle Scout Lance. (Photo by remote control, Lion Pierre Charbonnet!)

From Board Attorney

School Board Memorandum On Pres. Nixon's Order

QUESTIONS: 1. Is the Order, issued by the President of the United States, providing for the stabilization of prices, rents, wages and salaries, applicable to School Districts, particularly Hicksville and 2. If Applicable, how is such order to be applied?

TO: Board of Education, Superintendent, Administrative Staff, District Clerk
FROM: Harry H. Goebel, School Attorney

STATEMENT: On August 16, 1971, the President of the United States promulgated an Order as follows: "Whereas, in order to stabilize the economy, reduce inflation, and minimize unemployment, it is necessary to stabilize prices, rents, wages and salaries; and

Whereas, the present balance-of-payments situation makes it especially urgent to stabilize prices, rents, wages and salaries in order to improve our competitive position in world trade and to protect the purchasing power of the dollar:

"Now, therefore, by virtue of the authority vested in me by the Constitution and statutes of the United States, including the Economic Stabilization Act of 1970 (P.L. 91-379, 84 Stat. 799), as amended, it is hereby ordered as follows:

SECTION 1. (A) Prices, rents, wages and salaries shall be stabilized for a period of 90 days from the date hereof at levels not greater than the highest of those pertaining to a substantial volume of actual transactions by each individual, business, firm or other entity of any kind during the 30-day period ending August 14, 1971, for like or similar commodities or services."

"No person shall charge, assess, or receive, directly or indirectly in any transaction, prices or rents in any form higher than those permitted hereunder, and no person shall, directly or indirectly, pay or agree to pay in any transaction wages or salaries in any form, or to use any means to obtain payment of wages and salaries in any form, higher than those permitted hereunder, whether by retroactive increase or otherwise."

The Order proceeds thereafter to indicate the penalties which may be imposed for violations.

OPINION: It does not necessarily follow that the Order has the force of law.

Basically, the preliminary determination must be made that the Order has that force.

The Order is predicated upon a Statute passed by Congress - Public Law 91-379, 84 Stat. 799 (S. 3302) - adopted by the 91st Congress, 2nd Session, 1970 (U.S. Code; Congressional and Administrative News, P. 937). It is entitled "To Amend the Defense Production Act of 1950, and for other purposes." Title I of the law refers to "Defense Production Act Amendments." "Title II - Cost of Living Stabilization, Sec. 201. Short Title. This title may be cited as the 'Economic Stabilization Act of 1970'."

Sec. 202. PRESIDENTIAL AUTHORITY: The President is authorized to issue such orders and regulations as he may deem appropriate to stabilize prices, rents, wages, and salaries not less than those prevailing on May 25th, 1970. Such orders and regulations may provide for the making of such adjustments as may be necessary to prevent

gross inequities."

Sec. 203 provides for the delegation of authority:

Sec. 204 for fines for violations up to \$5,000.

Sec. 205 provides for the bringing of actions to enjoin violations of orders or regulations.

"Sec. 206. EXPIRATION: The authority to issue and enforce orders and regulations under this title expires at midnight February 28th, 1971, but such expiration shall not affect any proceeding under Section 204 for a violation... committed prior to March 1st, 1971." The Law was approved August 15th, 1970. There were two extensions of Section 206. The first, Public L. 92-8, 85 Stat. 13, extended the Law to June 1st, 1971. The second, Public L. 92-15, 85 Stat. 38, extended it to May 1st, 1971.

The President acted under the last extension granted to him, as indicated.

The format of the subject legislation does not follow the generally accepted practice, and, therefore, the legislation and the Order is subject to special attack. Ordinarily, the investiture of "emergency" powers, by statute, follows the recital of the emergency which necessitates the grant of the powers.

In the present instance, the statute referred to - "The Economic Stabilization Act of 1970", is not a separate act, with a separate declaration of emergency conditions. It is "Title II" of a statute entitled: "To Amend the Defense Production Act of 1950, and for other purposes." As such, reliance may be

(Continued on Page 9)

MR. WILLIAM E. KOUTENSKY, president of the Long Island National Bank, succumbed on August 25th, following a protracted illness at his home in Hicksville, New York.

Mr. Koutensky, a product of the Hicksville School System was honored by the bank in July of 1970 for 50 years of devoted service, with the establishment of the William E. Koutensky Scholarship Award. His association with the Long Island National Bank began in 1920 as an Assistant Cashier. He attended the American Institute of Banking, rose through the ranks to Cashier in 1933, became a director of the bank in 1939, Executive Vice President in 1951, and three months later was elected president; serving in that capacity until his death.

Always active in banking circles, Mr. Koutensky was a member of the Nassau Chapter of the American Institute of Banking, and served as Chairman of the Long Island Bankers Association.

Mr. Koutensky's devotion and service to the community was succinctly summed up by a close associate, who described him as a "man for all seasons." He served as Honorary Fire Chief in the Hicksville Fire Department, President of the Hicksville Chamber of Commerce, President of the Hicksville Kiwanis Club and was a much honored community leader. He received awards from a diversity of organizations including a Gold Medal for Citizenship from the American Legion, a B'nai Brith Award from the Anti-Defamation League, and an award from the Congregation Shaarei Zedek, etc.

In addition to his activities in community affairs, Mr. Koutensky was also active in fund raising for the March of Dimes, Nassau County Boy Scouts and Catholic Charities. He found time to become an active member of the Joseph Barry Council of the Knights of Columbus, where he received his Fourth Degree, and later became both Grand Knight and District Deputy of the Long Island Chapter.

He also participated actively as a member of the Holy Name Society of Saint Ignatius Loyola Roman Catholic Church. His strength of character was epitomized in the criteria which he established for the Scholarship Award given in his name. They included community citizenship, perseverance, and application.

From Board Attorney

School Board Memorandum On Fork Lane Vandalism

SUBJECT: VANDALISM - Fork Lane School - August 23rd, 1971

TO: Board of Education, Superintendent, Administrative Staff, District Clerk, and Frank Rizzo

FROM: Harry H. Goebel, School Attorney

STATEMENT: Mr. Frank Rizzo heretofore reported to Mr. William A. Becker, Superintendent of Buildings and Grounds, that three boys had been apprehended by the police, Eighth Precinct, Nassau County Police Department, and brought to the station house, for breaking windows in the Fork Lane School.

A report by the Office of the Superintendent of Schools (Dr. Cadden, then in charge) dated August 4th, 1971, to the Board contained a copy of Mr. Rizzo's report and referred to the fact that the School Attorney was following up the matter for the recovery of damages.

Initially, it is to be pointed out that in discussions had with Detective Flamm, Juvenile Aid Bureau, and Detective Santamaria, the police were assured that all necessary cooperation would be extended by the Administrative Staff, in keeping with Board policy, to the police, in the matter.

I was assured by the police that because of the ages of the children, two of whom were 12 years of age, and one 11, that the

police were not interested in prosecuting the children but that they would press charges, if the District would cooperate, and if restitution was not made. The parents were to be given my name and telephone number to make appropriate arrangements.

One parent, no longer a Hicksville resident contacted me and assured me of his willingness to cooperate upon being advised of the extent of damage. Mr. Rizzo informed me that the damages were fixed at \$90.00. This was based upon 18 windows having been freshly broken windows out of a total of 184 damaged. The 18 had fresh glass fragments on the floor in the immediate vicinity of the 18 windows. This fact was conveyed to the inquiring parent who stated that he was satisfied with the manner of computation and the allocation of one-third of the damage to each child, his included. A check for \$30.00 was received from him in due course.

As to the other parents: it was necessary to contact Detective Flamm to alert them to the necessity to contact me. This he did. A number of follow-up telephone calls were required before all three checks were received.

Such checks have been received and submitted to the District office for clearance and receipt to the parents.

NATURE OF THE DISCUSSIONS

WITH PARENTS:

It was pointed out to the parents that in addition to the matter of limiting the loss to the District being sustained by reason of the vandalism, the Board considered it imperative that their respective children be alerted to the complete waste that acts of their children caused and that such steps should be taken by them to avoid future recurrences.

While one parent of one of the boys sought to settle for one window (which was refused) his wife and the parents of the other boys were relieved to be able to settle on the monetary damages as fixed, and to have their respective children removed from the danger of court disciplinary action.

They respectively were made aware of the fact that the procedure taken by and on behalf of the District, was to avoid possible future involvement by their sons in more serious situations in the future.

OBSERVATION: It is my belief that the respective parents, as indicated, sincerely believe that the procedure taken, may result in the avoidance of more serious involvements in the future by their children with the need for respect for government and private property.

LETTERS TO THE EDITOR

Dear Editor:

I would be in favor of the Hicksville downtown improvements if a sewer system was put in first and a referendum given to vote on it.

This is too big for the town of Oyster Bay to handle alone.

Some day I hope to see Hicksville City, the time to start is today to plan for the future of Hicksville.

Sincerely,
Alfred M. Kunze
P.S. I was a member of the New Rochelle Charter League for City Manager form for New Rochelle. I have sixty years of experience in working for the interest of the whole of the people.

Dear Mrs. Noeth:

It is sad and self defeating to see the continuation of derisive name calling that seems to persist in our school district. Many years ago when I had the privilege of serving with wonderful people on the school board this bitterness raised its ugly head for all to see. At that time, as now, any person or group exercising the democratic right of dissent with the school administration or accepted school policies was branded "extremist" and of trying to destroy the system. Stacking meetings with "foes", letter-writing campaigns, harassment by phone, petitions etc. were all employed as part of a well calculated plan to owt the "rascals." No lie or rumor was spared in order to achieve this goal.

In this last school board election we witnessed once again the cry that only one group had the wisdom of proper selection, the other groups were, of course, publicly branded "extremists." It is ironic indeed to see some of the very same people associated with these tactics then and now, calling for coalitions in order to assist in removing the present "enemy" from duly elected office.

As one who did not support the present Board majority, but who worked constructively for those I considered the most qualified, I must point out that distortions, scare tactics, callous epithets, and derisive community undertakings were wrong then and equally wrong now. Decency and democracy are no less important without one's cronies on the Board.

Sincerely,
Marvin Goldberg

Dear Editor:

I was somewhat dismayed to read the statement that the Hicksville Citizen's Advisory Committee for Transportation and Development directed to the Oyster Bay Town Board regarding the compromise on the "Hicksville Triangle".

First, let me say I believe these gentlemen put a great deal of tireless effort into their study. It is unfortunate that the Board, at

Decision Tabled

The matter of deciding on the approval or denial of the establishment of a G-1 (central business) zone for downtown Hicksville was on the calendar on Tuesday at Town Hall, but was tabled for lack of response from the Nassau County Planning Commission.

The new zoning category, designed specifically for Hicksville as a central transportation center, would permit buildings to five stories or 60 feet in height, with stringent requirements as to lot coverage, landscaping and beautification. It is presumed that a decision on the zoning will be made when the feelings of the Nassau County Planning Commission are made known.

that time, saw fit to lock up their recommendations like the Pentagon Papers and muzzle members of the Committee. I have no doubt that their suggestions were not all bad.

However, now that the Town Board has decided on a course of action which they believe satisfactory for Hicksville and their constituents let's not knock them. Undoubtedly, they too have some familiarity with economics, land use and transportation.

Very truly yours,
Emil T. Immesberger
Chairman SPOT

Dear Editor:

A small group of young people with very little money but a lot of incentive are coming together in a large loft at 22 W. Nicholas St., Hicksville Long in the planning stages, this Hicksville Youth Council Project has received a small starting grant from the Town of Oyster Bay Youth Bureau and through the generation of additional funds hopes to become a Center for creative youth activities in Hicksville.

Present direction of the Center is towards coffee house style entertainment, music, poetry, films, to be held several nights each week. Workshops in leather, batik, photography, have begun and the newspaper SOIL has its office at the center. Operation of the center is worked out at weekly general meetings of the youth Wednesday, 1:00 p.m. at the Center. All youth are invited and the future direction of the Center will be formed by those involved in it.

Right now we're open from 10:00 a.m. - 12:00 midnight daily to plan for our grand opening, Saturday, August 28. A free

concert will be held from 10:00 a.m. till 3:30 p.m. in the field across the street from the loft. A great Bicycle Race will be held at 12:00 Noon and in the late afternoon and evening softer music and films will be happening in the loft. Refreshments will be available.

All youth are invited to the Grand Opening.

Lee Milman, Youth Advisor
Project of Hicksville Youth Council

Mr. William J. Ronan,
Chairman of Metropolitan
Transit Authority
Long Island Railroad
Sutphin Boulevard
Jamaica, New York

Dear Mr. Ronan:

The members of the Kiwanis Club of Hicksville are keenly annoyed by the recently adopted policy of the Long Island Railroad of erecting billboards on railroad property at locations that can be readily seen from our busy thoroughfares.

These signs detract from the appearance of our community and are completely incongruous with the national campaign to "BEAUTIFY AMERICA".

The state does not permit billboards on the Parkways or Thruways. Is it fitting for the MTA to act in opposition to this policy?

We respectfully request that all such signs in Hicksville be removed as soon as possible.

Yours truly,
Robert Stackler
President

P.S. The LIRR freight station on John Street is a disgrace to the community and the LIRR. It is filled with debris and litter. We ask that you have it cleaned up and that steps are taken to keep it clean.

Dear Friends ...

IT IS WITH DEEP REGRET that we report the passing this week of Mr. William E. Koutensky and we join his many friends, business associates and neighbors, in extending our sympathy to Mrs. Koutensky.

WE WERE PLEASED that the Board of Education of Hicksville School District 17, through their attorney, Mr. Goebel, sent us two important memoranda, one on the Fork Lane School Vandalism and the other on President Nixon's New Order and some legal conclusions as to how this may affect this district. You will find these on page 3 of this issue. We know that all district residents will study these carefully. We would also like any findings that this board and their attorney may have as to how the new State Equalization Rate will affect Hicksville, as we understand that school taxes will definitely go up, under this Rate.

We compliment the Hicksville Kiwanis Club on their efforts to beautify Hicksville, as you will note in the "Letters To The Editor" column, and the pictures they sent which so graphically illustrate the points they make. We couldn't agree more. If the State does not permit this type of desecration of our highways, why should the MTA, a State Agency, be permitted to do so?

AS YOU WILL SEE in another part of THE HERALD, The Town Board of Oyster Bay has tabled the G-1 Zone proposition. This is something else we are very glad to see. As we've mentioned once before, there is much more about the planning for our Hicksville Triangle area, which we must think over. We really should do more listening to the planners, who, while they may not be all right, have a lot to study to back up their conclusions. It would be bad for Hicksville if we came to unchangeable conclusions about the zoning of this important area of our town, without enough thought. We brought you some of the opinions of both planning committees on page one last week and some of them make sense to us. We are going to ask our local planners and our Town Board, to express themselves in more details for you, in the near future. And we hope that if you have definite, constructive suggestions on this important matter, you drop us a "Letter To The Editor." I'm sure if we "reason together" enough, we'll come up with the right move.

ASIDE TO SUPV. BURKE, "Don't be discouraged when your answers from local organizations take awhile to reach you, as most groups do not meet during the summer."

UNTIL NEXT WEEK, stay well, and enjoy these last beautiful days of the summer of '71, because when Labor Day has past, we'll all want to start working together for a better ... more beautiful ... and useful Town in which we live.

Sincerely,
Sheila Noeth

Around Our Towns

By Linda Noeth Scott 796-1286

Mr. and Mrs. Selma E. Lane, of 22 Devonshire Ct. Plainview, are participating in a unique summer study program being offered to teachers in the New York area by Bar-Ilan University in Ramat Gan, Israel.

The course work emphasizes study of the past history and background of Israel, and the interworkings of Israeli society today. The Board of Examiners of the New York City Board of Education has approved for full credit the courses completed by the teachers at Bar-Ilan.

It's a boy, for Lynn and Terry Waters. On August 14 at Saint John's Hospital in Smithtown, Mark Jeffrey arrived on the scene at 9:44 p.m., weighing in at 8 lbs and 13 ozs. and 20 inches in length. Proud grandparents are Mr. and Mrs. Murray Margoles of Hicksville. Congratulations to all.

The Sperry and Hutchinson Company announced the appointment of Ralph A. Keppler as vice president and corporate controller. He has been assistant vice president, taxes.

Mr. and Mrs. Leo Kloor of PLAINVIEW are proud to announce the birth of their first grandson, Evan Scott, born on July 31. The baby's parents are Lt. and Mrs. Richard Zettwoch, formerly of Long Island, now stationed at Fort Sam Houston, San Antonio, Texas.

Sincere condolences to Leona Bergin, of 111 Park Ave., HICKSVILLE, and her family, on the recent loss of her mother.

Glad to see Stella and Charlie Morris, of 37 Chestnut St., HICKSVILLE, are both feeling better. Charlie had surgery a while back in Syosset Hospital, and Stella has been home recuperating after having surgery in Mid Island Hospital.

Bill Katala of 142 Dartmouth Dr., HICKSVILLE, a Navy mine man has returned from the Far East and Europe after a five year enlistment and is awaiting discharge.

He is married to the former Judy Fox who was with him in the Far East. He saw his new daughter for the first time on arrival at J.F.K. airport.

Happy Birthday to Jeff Laundis, of 186 Dastmouth Dr., HICKSVILLE, who will celebrate his birthday on Sept. 1.

Glen Manke and Donald Hauk both of HICKSVILLE share a Sept. 3 birthday. Have a happy birthday!

Kathy Moorehead, of 30 Pickwick Ct., HICKSVILLE, will have a Sept. 2 birthday. Happy Birthday!

Congratulations to Mr. and Mrs. David Fusaro of HICKSVILLE, upon the birth of their son, David Jason, on August 16th at the Huntington Hospital.

CORRECTION of an error...Barry Schwartz was mentioned as one of the participants in the Waldemar Summer Research Program...instead of Richard Rothenberg, who took Barry's place, when he found it impossible to participate. We are pleased to note that Richard enjoyed this hard but worthwhile summer endeavor and congratulate him upon his spending his summer at such rewarding work.

Long Island Fair Oct 1-3

County Executive Ralph G. Caso announced today that the Long Island Fair will be held Oct. 1 through 3 at the Old Bethpage Restoration Village.

The fair, being held in cooperation with the Agricultural Society of Queens, Nassau and Suffolk, will place emphasis on agricultural and handicraft displays.

Long Island farmers will have a chance to compete for a total of \$5,000 in prizes and residents of Queens, Nassau or Suffolk may enter any of the several hundred contests.

Pre-registration is necessary and applications along with contest categories may be obtained by writing Long Island Fair, Nassau County Museum, Muttontown Road, Syosset, N.Y. 11791 or calling 364-1050.

The fair will feature the complete range of Long Island-grown food products from fruits and vegetables to giant pumpkins. Craftsmen may compete in culinary, needlework, hobby and floral departments. A special hobby contest will determine the best Long Island macrame work, a recently revived craft of knot tying from the early 1800's. Hobbyists may compete in all types of contests including actually demonstrating their craft techniques.

Friday, October 1 will be children's day at the fair with

special athletic and children's contests in the afternoon. Since entries for some categories are limited, early registration is urged.

MRS. RICHARD FUCHS: Miss Maureen Kudrewicz, daughter of Mr. and Mrs. Joseph Kudrewicz of Piscataway, N.J., was married on August 14th to Richard J. Fuchs, son of Mr. and Mrs. Arthur Fuchs of 154 Blueberry Lane in Hicksville.

The ceremony at St. Matthew's Church in Edison, N.J. was followed by a reception at the Flagpost Inn, South Brunswick for 125 guests.

Maid of honor was Miss Maryann Kudrewicz, sister of the bride. Bridesmaids were Miss Dorothy Karb of Garden City and Miss Barbara Cornman of Kearney, N.J.

Best man was Arthur W. Lowe, Jr., of New Carrollton, Md. Ushers were Raymond A. Fuchs, brother of the bridegroom and Kevin Maggs of Wilmington, Del.

Following a wedding trip to Bermuda, the couple will reside in Ardmore, Pa.

The bride is a senior at Villanova University where she is majoring in nursing. Her husband is a graduate of Chaminade High School, Mineola and a senior civil engineering student at Villanova University.

Accident Reports

The following accident reports for the local area have been released by the Second Precinct, Woodbury:

Aug. 17-1:05 p.m.—Automobile-bike accident occurring on Newbridge Rd., 100 feet north of Duffy Ave., Hicksville, involving a car driven by Thomas J. Murta, 31 Summeret Lane, Hicksville, and a bike operated by Debra YeSersa, 34 Rover Lane, Hicksville. The accident occurred as the Murta car was making a right turn onto Newbridge Rd., from a private parking field, and the bike was travelling south on Newbridge Rd., when they were in collision. The YeSersa girl was taken to Central General Hospital with abrasion of the right and left arm, and possible back injuries.

Aug. 19-11:30 a.m.—Fatality. Joseph McDonald, 71 16th St., Jericho. Date of birth, 4 18 1900. He suffered difficulty with breathing and was taken to Syosset Hospital where he was pronounced dead at 2:45 on Aug. 20 by Dr. H. Homigton of the staff.

Aug. 21-4:20 p.m.—Automobile-bike accident occurring on Wallace Dr., 20 feet south of Main Parkway, W., Plainview, involving a car driven by Lee Taylor, 2 Glenwood Rd., Plainview, and a bike operated by Evan Tempkin, of Old Bethpage. The Taylor car was southbound on Wallace Dr., and the bike was travelling from east to west on Wallace Dr., when they were in collision. The Tempkin boy was

taken to Central General Hospital with lacerations of the left ankle and left knee.

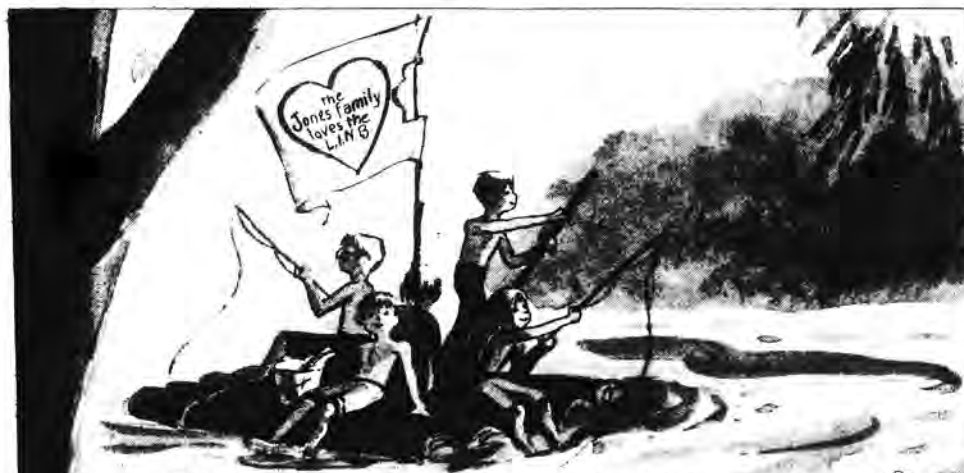

Aug. 22-8:15 p.m.—Automobile accident occurring on South Oyster Bay Rd. at Terehans Lane, Syosset, involving cars driven by George Van Praag, 50 Gary Rd., Syosset, and Joseph A. Richards, 43 Cherry Lane, Hicksville. The accident occurred as the Van Praag car was making a left turn from South

Oyster Bay Rd. onto Terehans Lane, and was struck by the Richards car that was travelling north on South Oyster Bay Rd. Joseph Richards was taken to Syosset Hospital with a compound fracture of his left leg.

Aug. 23-6:10 p.m.—Automobile-bike accident occurring on Princess St., 20 feet west of Kolma Ave., Hicksville, involving a car driven by William

The Villager

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

Organizational, community and general interest news should be submitted typewritten or printed, double-spaced, in duplicate. Either drop off or mail to Editor 13 Millpond Street, Jericho. Deadline for insertion - Monday noon. Telephone WE 8-1965.

BEING INSTALLED: as leaders of the North Shore Long Island Region of Women's American ORT (Organization for Rehabilitation through Training) at recent installation ceremonies at the Westbury Manor are Mrs. Murray Rosenthal from Jericho and Mrs. George Turner of Great

Neck. Mrs. Rosenthal and Mrs. Turner were installed for a second term as Chairman of the Region Executive Committee and Region President, respectively. Mrs. Rosenthal (Lola), before becoming an officer of the North Shore Long Island Region,

served for two years as President of the Jericho Chapter of ORT.

The North Shore Long Island Region is made up of 37 ORT chapters from Great Neck to Brookhaven, committed to the support of ORT's 650 vocational training schools on 5 continents.

Bids Are Awarded For Library Building

Last Thursday night, at a meeting of the Jericho School Board, building contracts were awarded for Jericho's long-awaited, proposed half-million dollar library.

According to School Superintendent David C. Nydick, construction will now begin as soon as possible after the contractors meet with the architect. A target date for completion has been set

for the fall of 1972.

The contracts, totalling \$503,773, were awarded, as follows:

Ross-Wein, Inc. of Rockville Center, general contractor, \$367,200.

Anron Air Systems of North Babylon, heating and ventilating, \$46,490.

C.F. Mentzinger's Sons of Plainview, plumbing, \$24,773.

H.J. Duprey Electric, Inc. of Oyster Bay, electrical, \$65,310.

Mens Winter League Opens September 13

Last week, the Men's Winter Bowling League, sponsored by the Birchwood Civic Association, held an organization meeting which featured the distribution of basic rosters for the coming season and discussion of the new Match Point System for league play.

Sid Lang, this year's President, conducted the meeting at Syosset Lanes, assisted by Vice President Bill Sussman, Treasurer Lew Marks and Secretary Sy Strudler. Buddy Flanders acted as the moderator for the explanation and discussion of the new scoring method.

Previously, the league operated under an 11 point scoring system. The new method provides for a total of 30 points for a 3-game set; 4 points are awarded to a team for winning a game, 3 points for total wood and 1 point in each game for each of the five individual bowlers finishing with a higher game score (handicap included) than their opposite numbers in the other team's lineup.

The team in higher position in league standings puts its lineup

down first, the other team then enters its lineup. Lineups remain constant for the entire 3-game set. Provision is made for one team at full strength while the other team is short one or more members. A player who is present and is matched against an absentee bowler shall bowl for team score only and not for individual match point. This individual point shall be awarded to the team winning the game. If both teams have a legal lineup but one or more men are absent on each team, absentee will be matched with absentee on other team. Individual match point for such pairing shall be awarded to the team winning the game.

The league will begin the forthcoming season on Monday, September 13; there will be no bowling on September 20 but the league will then continue for 36 weeks to a final night of bowling on Monday, May 22nd. Then, the league's annual weekend will be held in June at the Nevele.

The Villager will print the team rosters as soon as the inter-team trading is completed and the official rosters are given out for publication.

Temple Or Elohim Religious School

The Temple Or Elohim Religious School will hold its opening classes and registration on Tuesday, September 14th, 4:30 - 6:30 P.M., and on Thursday, September 16th, 4:30 - 6:30 P.M. The Religious School offers classes from kindergarten through 12th grade. Bar and Bas Mitzvah and Confirmation programs are provided. Confirmation is held in the 10th grade. Also a Post Confirmation High School graduation in the 12th grade. In addition, the Temple offers a full-time Youth Program in conjunction with the Long Island Federation of Temple Youth.

The Temple provides a varied adult education department, including participation in the Community Adult Education Lecture Series and classes in Hebrew, History, Jewish Religious Thought, etc. Home study groups and weekend

retreats are also scheduled during the year.

Those interested in joining should contact the Temple Office, 433-9888, or Mal Ratner, Chairman of the Membership Committee, WE 8-9679.

Friends Of JPL Start Community Drive

The Friends of the Jericho Public Library are in the process of compiling a Jericho Community Directory for the 1971-72 season. We need your HELP! If you are the President, Secretary, or just a plain member of a Jericho organization, chapter, lodge, troop, or group, please send its name and the name, address, and telephone number of its 1971-72 President, Chairman, Leader, Main Officer, or what-have-you, to: The Friends of the Jericho Public Library, Merry Lane, Jericho, NY 11753.

SPORTS

By

Howard J. Finnegan

The Cantiaque Park open Slo Pitch Softball league draws to a conclusion this week-end with the championship hopes of Hicksville Fred's Inn running high.

One game out of first place with four to go doubleheaders Friday and Monday night's - Fred's can overtake Pepsi Cola while holding off the Nassau County Police and New York Life.

The last outing for Fred's proved to be a bombardment. In the opener it was a savage attack over and at the fences resulting in a 28-22 win over New York Life.

Life came back in the second contest to upset Fred's 13-12 in an exciting finish.

Fred's has had an outstanding year. It has dominated the Levittown morning league and now hopes to cop the season with the Cantiaque Nassau County Open Championship.

Such an eventuality would further spur plans for Fred's in 1972. We hear tell that Fred's will be after major status next year!

The club is not so short of that now so just a few personnel improvements will be needed.

Hicksville's Bruce Cerone is the center of a controversy wherein the National A.S.A. has barred the local champion -

County Sports - From the World's Championship Tournament.

Bruce played football with the Long Island Bulls Professional team last year. That makes him a pro in the eyes of the softball magnets and he was not cleared from A.S.A. softball play by the National organization.

County's victory in the Metropolitan A.S.A. Series has been voided because Cerone was used in the games.

Those who want to see Hicksville quarterback Jeff Doolittle guide Hofstra's 1971 grid fortunes should mark these schedule dates on the Fall calendar.

Friday night September 17 - Northern Michigan.

Saturday afternoon, September 25 - Maine.

Saturday night, October 23 - Vermont.

Friday night - October 29 - Bridgeport.

Thanksgiving Day - C.W. Post.

Those are the home games of the Flying Dutchmen in their final year of top-flight competition. In 1972 the blue withdraws to a strictly local small schedule.

The Hicksville Alumni Association has announced that it

will honor Chester Jowarski at its annual homecoming dance and buffet Saturday night October 16, at the Bethpage Country Club.

Currently Assistant Principal he was Athletic Director when the Alumni was first organized in 1958. Jowarski was a strong supporter of the association and its work in behalf of the students of HHS.

With his help the Alumni Association started slowly and worked towards a consistent level of service to the school's students.

Jowarski will be honored for a long list of service to the school and community.

The 1971-72 Hicksville High Cheerleading squads have been selected.

Under a new policy the tryouts are held before school closes in June so that the young ladies selected have the entire summer to practice and coordinate their routines.

The names of the cheerleaders will be officially announced when school opens in September.

YANKEE MEETING :- Robert Foti, 10, and Marc Feldman, 9, both from Plainview, got a chance to meet their newest Yankee star, Rob Blomberg, during the Getty Oil Company - Long Island Railroad baseball party. Robert and Marc climbed aboard at Hicksville to

speak with Ron. The train, which also stopped at Ronkonkoma, Farmingdale, and Mineola, entertained fans at each station with John Ellis, Lindy McDaniel, and broadcaster Frank Messer giving instruction and answering questions.

SWIMMING CHAMPS: Oyster Bay Town Councilman Sal Mosca, left, presents championship trophy to Plainview - Old Bethpage swimming team, winner of this year's Town Championship Meet. From left to right, co-

captains Sue Kushy with plaque and Mary Priestly, and coaches Charles Schlegel and Betsy Deir. This marks fifth year in a row that Plainview - Old Bethpage team has won the championship.

Named To Run

The Oyster Bay Town Republican Committee today announced that Deputy Town Supervisor Carmelo Tese of Farmingdale has been chosen to run as the write-in candidate for District Court Judge in the Republican Primary in Oyster Bay Town on September 14th.

In announcing the candidacy, Oyster Bay Town Republican Chairman Angelo D. Roncallo called Mr. Tese "a perfect candidate" for District Court, noting that he is "extremely well qualified by more than 13 years of service to the Town."

Prior to being appointed Deputy Supervisor last January, Mr. Tese served as Executive Assistant to the Supervisor for a year and Executive Assistant to the Town Board since 1966. He also served as Chief Trial Attorney for the Town from 1959, just one year after joining the Town staff as Deputy Town Attorney.

Long Island Jobs Go Begging

More than 175 jobs in the \$10,000 to \$17,000 income category in Nassau and Suffolk counties are unfilled. This information was developed by the Long Island Professionals during the less than eight weeks that the self-help volunteer group has been in

existence. LIP said their solicitation of Long Island industry has developed hundreds of requests they are unable to fill. Included are jobs for middle and top management executives; mechanical, electrical, chemical,

cryogenic, safety and reliability engineers; sales engineers; purchasing agents; shop foremen; manufacturing engineers and marketing managers.

"While some employers establish unnecessary job qualification requirements," Vincent V. Oliva, Director of LIP said, "most of our problem is just round holes and square pegs. We need more members. More members will generate more job vacancies for our pool. An expanded membership will provide us with a greater diversification of personnel from which to fill industry requests."

The group is an organization of professionals displaced by the current recession and particularly by cut-backs in Long Island's aerospace industry. All unemployed professional, semi-

"Attic To Cellar" Sale Set For Sept. 12

The Second Annual Attic to Cellar Sale and Country Fair will be held on the grounds of the Muttontown Unitarian Fellowship, 1 mile west of East Norwich, Rite, 25A, (Northern Boulevard), from 11 a. m. to 4 p. m., Sunday, September 12, "rain or shine."

Proud of its slight antiquity among antique sales, flea circuses, and fun days, the Fellowship recalls the great community interest and financial success of last year's October sale. Mrs. George Cleaver, chairing this year's sale committee, is completing summer-long preparations to "break all (last year's) records."

Weekly workshops have prepared hand-sewn aprons, pot

holders, bedspreads, pillowcovers; "craftier" members have made macramé pieces and enamelled costume jewelry. Polished rocks and raw materials will be on sale amidst avenues of booths featuring rare books, early phonograph records, used furniture, garden tools, plumbing fixtures, and sundries.

Among the sunny meadows and ample parking, visitors will find cool shade for lunching on gourmet foods as well as "dogs and burgers" with refreshing cider dispensed by Ben Lenz and many helpers. There's room for kids to play ball, croquet, and horseshoes. A tour of the old farmhouse will interest antiquarians of all ages.

professional and technical personnel from all segments of industry are admitted to membership without charge. Calling themselves "The Long Island Professionals", their only requirements for membership are that applicants formerly worked in Nassau or Suffolk County, or live in either of those two counties. They must agree to volunteer four hours per week to the work of the organization. Their office space and telephone service has been allocated by the New York State Employment Service at 303 Old Country Road in Hicksville.

Organized as one would expect of people at the management level, industry is solicited by telephone and personal contact for job vacancies by one group. Another interviews applicants to establish job qualifications. A third group makes personnel and

job evaluations, matching people to job requests. Special projects are assigned on the basis of experience and ability. For example, the organization's public relations is being handled by an unemployed Suffolk County resident who is the former vice president of a New York public relations firm. No charge is made to employer or employee for the service.

Federal grants to members for travel to out-of-town interviews, for job relocation and for employer reimbursement of on-the-job training costs can be arranged through the organization.

In the eight weeks since the group banded together, its ranks have grown to a volunteer working membership of 250 men and women. During that time LIP has placed 28 of its members in jobs.

Water Commissioner Harry Borley To Run For Re-Election

Commissioner Harry Borley, a long time resident of Hicksville and a Water Commissioner for many years, is seeking re-election to another three year term on August 30, 1971. The election will be held at the Main Fire House between the hours of 7 P.M. to 9 P.M.

During his tenure as a Water Commissioner, he has planned and supervised a tremendous expansion of the Hicksville Water District.

Commissioner Borley states that the water rates have been reduced 33.1 percent, being reduced from 45 cents per 1,000 gallons to 30 cents to 1,000 gallons.

The tax rate has been reduced 28 percent from 28 cents to 20 cents.

The older, shallow wells have been replaced by new wells and pump houses.

The latest improvement consisting of a 2,000,000 gallon storage tank and two deep wells, presently being constructed at Alicia Street, is being constructed without a bond issue or bond anticipation notes and no increases in taxes.

"There is and has not been for many years, any water restrictions in the Hicksville Water District," Commissioner

Harry Borley

Borley declared. Through the projected twenty year improvement plan, the District is able to keep abreast of the many changes in the Hicksville area. Despite a period of rising costs for materials and labor, the Hicksville Water District has been able to "hold the line on costs and taxes."

Commissioner Borley is an ex-Chief of the Hicksville Fire Department and an ex-Captain of the Emergency Company Number 5.

School For Deaf

Mill Neck Manor Lutheran School for the Deaf is located on eighty-six acres on the north shore of Long Island. A specialized educational program is provided at Mill Neck Manor. Starting at age three, students attend Mill Neck Manor for a five-day school week from 9:00

A.M. until 3:00 P.M. Mill Neck Manor has no facilities for residential students.

For further information on enrolling a child at Mill Neck Manor, please call Headmaster Melvin W. Luebke at the following telephone number: 516-922-4100.

LEARNING ABOUT GOVERNMENT - These eager youngsters of the Howard B. Mattlin Junior High School in Plainview swarm around Assemblyman Martin Ginsberg

of Plainview as he autographs copies of "The Legislative Process" brochure. Assemblyman Ginsberg spoke recently to students enrolled in the Summer Enrichment

Program at the school. His topic was "Political Campaigning."

Parent Boom Coming

The period following World War II saw the introduction of a new phrase into the vocabulary of the American public - BABY BOOM. As these post war babies come of age and begin having their families, the 70's will see another new term - PARENT BOOM. This prediction was made today by spokesmen for the North Shore Chapter of Zero Population Growth, a nationwide organization working to stabilize the population of the United States.

According to ZPG spokesmen, we are already seeing signs of the coming Parent Boom. In 1968, the birth rate which had declined steadily since the late 1950's, reversed directions and began rising. Since that time the birth rate has continued to rise, and this upward trend is expected to continue in the coming decades. In 1960 there were 20 million young parents. Today this number has risen to nearly 30 million. By the year 1980 it is projected that there will be more than 40 million young parents.

The implications of the Parent Boom on the size of the U.S. population have caused concern. U.S. Census Bureau figures indicate that the Baby Boom was largely responsible for the phenomenal growth of the U.S. population that has taken place since W.W.II. Since 1945 the U.S. population has increased from 140 to 204 million.

Census Bureau projections indicate that the babies produced by the coming Parent Boom will have an even greater impact on the size of the U.S. population, adding an additional 100 million more American in the next 35 years.

Calling attention to these

trends, a recent statement by the President's Commission on Population has stressed that "There is little reason to believe that population growth will cause food shortages in the United States, but serious questions have been raised about the effects of continued population growth on our own and the world's resources, and on the population of our land, air and water. Even though population growth is not the primary cause of environmental deterioration, it may well magnify problems arising from the way we use our resources and technology."

The Commission emphasized that the impact of the Parent Boom will depend largely on the number of children had by these young families. If they average 3 children, the U.S. population will reach 320 million by the year 2000. However, if these families

The Brillboard

JERRY BRILL

Look, names are strange and I'm not claiming that mine is good. But some exist in error. With perpetual wrongness inspiring categorical doubt!

For instance, Tricia Nixon. She spells her name wrong. Did anyone ever tell her??? Nah: It's supposed to be spelled Trisha. But I'm not the one to mention it. It's her name. If she wants to continue with CIA in her name, it's her father's store!!!

Or Cab Calloway. His name should be Car-for-Hire. For years now, anyone in the music business who wanted to get in touch with him, said call Cab. You know what happened. It's not fair. But I'm not the one to say anything. I'm in enough trouble now.

Or Duke Ellington. It's about time he became a Count. He's been Duke long enough. He has time in grade.

Names have become accepted. That's wrong. Did you ever go in and look at an Oldsmobile??? A 1971 Oldsmobile??? Wrong. It should be a Newsmobile. Before 1968, should be an Oldsmobile.

The name doesn't fit the concept.

How simple this life would be if the names conformed to the pattern. Did you ever say hello to a television set? Hold a conversation with one?? Never. Then why television?? Hearovision, yes. Seeovision, yes. But television?? NOOO.

I understand denotative and connotative meanings. I even understand some homonyms. But names, are just plain mistakes. And I'd like to see them corrected.

Take the Supreme Court of New York State. Ridiculous. If that's the Supreme Court, why is there a Court of Appeals?? The Supreme Court should be the Court of Appeals and the Court of Appeals should be Supreme. Tell me if I'm wrong. I hardly think so. But we accept. No reason for that.

I mean, even the weather. What's it like in New York today?? Overcast, they say. Wrong again. For you and me, it's undercast. But we never question it.

Or a lottery. How many winners are there altogether?? Not many, right?? Should be a Fewery.

And Baron Rothschild, one of the wealthiest men that ever lived? Wrong. Should be Plenty Rothschild!

The names are not where it's at. And I think it's up to you and me to see that there's a change.

Well, not a change. A buck, really. Cause this is big, gang. Really big!!!

On The Campus

Richard J. Cohen, son of Mr. and Mrs. Abraham Cohen, 43 Sheirman Avenue, PLAINVIEW, has been named to the Dean's List at Clarkson College of Technology for the spring semester of 1971. To achieve Dean's List standing a student must attain a quality point ration of at least 3.25.

Miss Bridget A. Minogue of PLAINVIEW, is one of about 530 freshmen expected to arrive Sunday, Sept. 12, to begin their studies at Skidmore College. Miss Minogue is a daughter of Mr. and Mrs. James Minogue of 17 Harcourt Road, Plainview. She is a graduate of Bethpage High School.

Some 413 persons are candidates for undergraduate and graduate degrees as well as certificates of advanced study and fifth year pulp and paper at the 143rd Commencement Exercises of the University of Maine at Orono Friday (Aug. 20). The total includes 205 master's degrees, 163 bachelor degrees, six associate degrees from the University of Maine at Bangor, and 20 candidates for Ph.D.'s. Among the candidates are Margaret Ann Bradley of PLAINVIEW.

Norman Hollander, son of Mr.

and Mrs. Martin Hollander of 26 Barry Drive, Westbury, is one of thirty students elected representatives in the undergraduate student government of the College of Administrative Science at The Ohio State University. He will serve for the 1971-72 school year.

Hollander, a senior in marketing, is also a member of Alpha Kappa Psi business fraternity, the Marketing Club, The OSU Choir, and he was in the University production of Verdi's opera "Falstaff".

He is a 1968 graduate of Hicksville High School.

Obituaries

Robert E. Gurvitz, 44, public relations agency head and formerly manager of radio, television and film information services for the New York Stock Exchange, died suddenly on Friday, August 20. He was stricken in his office in mid-town Manhattan and failed to respond to emergency treatment at Bellevue Hospital.

Mr. Gurvitz resided at 20 Robin Court, PLAINVIEW. He was born in Brooklyn, attended Boys High School, and was an honors graduate in 1950 from the Utica College branch of Syracuse University. He served in the U.S.

Navy on P-T boats during World War II. He worked in public relations and advertising with several New York City agencies prior to joining the New York Stock Exchange in 1955. He was a member of the Public Relations Society of America. He founded his own firm, now The Forum Group, Ltd., in 1966.

Surviving are his widow, Elaine, two sons, Ian and Marc, a daughter, Lisa, and his mother, Mrs. Martha Gurvitz of Forest Hills.

Mr. James K. Hogan of PLAINVIEW died suddenly on August 23. He is survived by his

The Central Long Island Chapter of The Full Gospel Businessmen Fellowship International will hold its first Breakfast Meeting of the Fall on September 11, 1971.

The meeting will start at 8:30 A.M. at the Holiday Manor, 345 Hicksville Road, Bethpage, N.Y. The speaker will be Father Carl Pasquale a Roman Catholic Priest.

Father Carl was ordained to

father and mother, Antoinette and James Hogan, his brother and sister, Wayne F. and Denise Hogan, and his grandmother, Mrs. Minnie Hogan. He resided at the Vernon C. Wagner Funeral Home and will be buried at the Long Island National Cemetery after a Resurrection Mass at 9:30 a.m. in St. Pius X R.C. Church on Friday, August 27th.

Mrs. Mable B. Brouillet of HICKSVILLE passed away on August 18th. She is survived by her husband, Philip, her son, Philip E., Jr., her sister, Lillian Trapp, six grandchildren and one great grandchild. She resided at the Dalton Funeral Home in Levittown. After Funeral Services on Friday, August 27th, burial will take place in the Long Island National Cemetery.

the Priesthood in May, 1961 and has received the Baptism of the Holy Spirit and says: "Since the Baptism, the Holy Spirit has taught me the meaning of 'Wow, Jesus' as the basic response to fantastic deeds God is working in our midst."

Also at this meeting Gordon Tweten, son of a Baptist Minister will testify.

Gordon, a former associate professor of Greek has been a production manager in one of its largest agencies and will testify to how the Spirit of Jesus Christ has quickened his life.

Ross Davi, Pastor of the Full Gospel Christian Church of Copiague will be the soloist. Pastor Davi is a man who relates to the young people of today because of his background and pleasant manner.

He came up from the sidewalks of New York, served in the U.S. Marines and is no stranger to the rough and tumble of life.

Now he's serving God in a great way. He has made a record of very

unusual songs.

John Olsen says: "If you are curious as to why a lot of busy people will take a couple of hours of their valuable time on a Saturday morning to hear a Catholic Priest, an advertising executive who is the son of a Baptist Minister, the Pastor of an Assembly of God Church, you may come to the Holiday Manor. The meetings are open to the public and the breakfast costs \$3.25. Stop in and say 'Hello.'"

Clergy are admitted free.

The F.G.B.M.F.I. will hold its Breakfast Meetings at the Holiday Manor, the second Saturday of every month with the exception of October.

The October Meeting will be held in New York City at the Statler Hilton Hotel on 7th Ave. and 33rd Street in conjunction with the Regional Convention.

Anyone desiring more information call John Olsen or write P.O. Box 176, Bethpage, N.Y. 11714.

From Our Postmaster

Ralph Cascardi

Postmaster General Winton M. Blount said today the Postal Service in compliance with President Nixon's order freezing wages and prices, will not implement an increase in third-class mail rates which had been announced for September 15.

The increase in rates for third-class mail, which includes advertising circulars and catalogs, will be put into effect after the wage-price freeze has been lifted.

Mr. Blount said the Postal Service is in the process of rescinding a notice in the Federal

Register which stated on August 10 the service's intention to raise third-class rates.

That increase had been intended to bring third-class rates up to the limit of authority for temporary rate-making under the Postal Reorganization Act of 1970.

Originally the Postal Service sought to phase-in the proposed permanent rate over a five-year period, but a lack of Congressional appropriations for the phasing-in made this impossible.

From Your Congressman

James R. Grover, Jr.

When even Mayor Lindsay finds that the flesh peddlers have gone too far in Fun City, there is some hope that standards of decency in this nation can be upheld. My mail indicates continuing concern by parents over the flood of filth in the mail, in literature and on the screen and the overwhelming mandate from my constituents is that Congress do something about it.

But what can lawmakers do in the face of an ambiguous Supreme Court definition of obscenity as material which has "no redeeming social value?" Our answer has been the passage of a bill in the House which wipes out that Supreme Court ruling and which defines as obscenity matter which "has its predominant appeal to the prurient interest when considered as a whole by contemporary community standards." This bill is now awaiting action in the Senate and I urge all persons interested in stemming the current plague of pornography to indicate their support of this measure to the Senate Judiciary Committee.

With regard to complaints that I have had from parents con-

cerning nudity and the depiction of intimacy in GP rated movies or the showing of trailers advertising "skin flicks" during a program of movies designed for youngsters, there is really only one way to avoid exposing your child to this. Ask the theatre manager to guarantee that there is no objectionable matter to be shown before you send your child to the theatre.

We have already taken action in Congress to halt the flow of filth in the mails. You have the right to ask publishers to stop sending you such stuff and the law provides penalties for those who ignore your request. The new bill already passed by the House would require envelopes containing sexually-oriented material to be so labeled, which would avoid embarrassment to someone inadvertently opening such mail.

Our best protection, of course, is two fold, to set a good example to raise our children with the proper moral standards and ethical values. Legislation can go only so far. We do, however, welcome allies of all stripes, including the late-awakening Mayor of Fun City.

MEN IN SERVICE

Navy Seaman Apprentice Charles T. Levi, son of Mr. and Mrs. Dominick T. Levi of 111 Stone cutter Road, LEVITTOWN, is now deployed to the Mediterranean aboard the guided missile destroyer USS Mitscher.

His ship recently visited Naples, Italy, after two weeks of operations with the U.S. Sixth Fleet. During his stay at Naples, the destroyer sponsored guided tours to Rome, Mt. Vesuvius and the Island of Capri.

The Mitscher is home ported at Norfolk, Va.

Navy Ensign Charles W. Smith, son of Mr. and Mrs. Wallace C. Smith of 8 Po Lane, HICKSVILLE, received his commission in the Naval Reserve

upon graduation from the Naval Officer Candidate School at Newport, R.I.

His achievement represents 19 weeks of intensive training in tactics, engineering, navigation and seamanship.

He is a 1970 graduate of the University of Alabama in Tuscaloosa.

Navy Seaman Apprentice Thomas K. Korb, son of Mr. and Mrs. Arthur A. Korb of 16 Park Drive, OLD BETHPAGE, was graduated from Radarmen "A" School at Service School Command, Great Lakes, Ill.

Korb is a graduate of J.F. Kennedy Senior High School, Plainview, N.Y.

The Sound Of Music

The greatest of all the Rodgers-Hammerstein musical shows - is the attraction this summer at the 8,200-seat Jones Beach marine theater.

Guy Lombardo produces, Constance Towers stars, and most critics have saluted this as one of the most beautiful and stirring spectacles ever staged at the unique Jones Beach theater, one of Robert Moses' master creations.

It runs through Labor Day, Sept. 6.

Parent Boom Coming

(Continued from Page 9)

limit themselves to an average of 2 children, the U.S. population will only reach 265 million by that date. U.S. families currently average about 2.5 children.

Copies of the "Population

Commission's report (official title "Population Growth and America's Future") can be obtained for 40 cents each from the Superintendent of Documents, U.S. Government Printing Office Washington D.C. 20402.

To Be Honored

Nassau County Comptroller Angelo Roncallo will be honored by the Italian Historical Society of America as "Man of the Year" for 1971. The highly esteemed award which dates back to 1948 will be presented to the 43-year-old Long Island Public official on Friday evening, September 17th in a dinner-dance at the Four Seasons Country Club on Jericho

Turnpike, Woodbury. Approximately five hundred people are expected to attend. Among the notables who will be present include New York Mets baseball manager Gil Hodges, opera singer Robert Merrill, and Broadway star Pearl Bailey.

Society President Mrs. Stella Pergola of Williston Park, and

Dinner Chairman, Dr. Bernard Ficarra of Greenvale announced that this honor would go to Comptroller Roncallo "because he has had a fine and honorable career as a public official, which has made him a distinguished American of Italian heritage, which Long Island's Afro-American population can take pride in."

BUSINESS OPPORTUNITIES

UNUSUAL BUSINESS OPPORTUNITY: Openings available for those ambitious enough to want their own business. This is an opportunity where:

- You can build a business without leaving your present work.
- You do not have to risk capital.
- You can build a sizeable royalty income in a FEW years which will stay with you indefinitely.
- You can relocate and your business will follow you.
- You can be your own boss and set your own hours.

INCOME figures are high... they part-time or, if you so desire on a full-time basis. But they are more than adequate to keep up with today's inflationary cost of living and then some. There is no other business like this in America today.

IF YOU WOULD LIKE TO try your hand at building a business and are willing to set aside at least one evening a week that would insure financial independence, phone IV 3-4100 on any Friday, between 9 and 4:30 for time and place of next meeting.

Jazz Festival, August 29

The great Duke Ellington and his orchestra will highlight Nassau's first annual jazz festival August 29 at 6 p.m. at the Lakeside Theater in Eisenhower Park. County Executive Ralph G. Caso announced today.

Outstanding groups representing the modern, progressive and big band forms of jazz will appear on the program. They include the Festival All Star Band featuring Billy Mitchell, Rusty Dedrick, Ernie Wilkins and Hank Freeman; the Free Design vocal

group, the Docots' Jazz Sextet, the Lee Konitz Quartet and the World's Greatest Jazz Band with Yark Lawson and Bob Haggart. Maxine Sullivan also will be with the band as the vocal soloist.

A public rehearsal will be held at the theater starting at 4:30 p.m. Residents are asked to bring their own lawn chairs or blankets. Admission is free.

Additional information may be obtained by calling the Office of Cultural Development at 535-4044.

President's Nixon Order (Continued from Page 3)

made upon the subject act as being within the power of Congress to "provide for the common Defense and general Welfare of the United States."

The subject Act constituted "stand-by" legislation which laid for a year unused.

When the country was being faced with fiscal attack from abroad, and difficulty at home just before the promulgation of the subject Order, the recognition of the emergency, and its recital, was proper by the President. The exercise by him of the authorization contained in that "stand-by" legislation, was within the authorization granted to him by that legislation and the authorization itself was within the powers of Congress.

While the Order may be considered as impairing contracts, particularly here the contracts

made by the District with its various employees, the federal constitution does not prohibit the action taken by Congress, Article 1, Section 10, dealing with "Restrictions upon powers of states," which refers to the non-impairment of contracts, applies only to states.

AS REGARDS THE MATTER OF THE APPLICATION OF THE ORDER: Once we accept the foregoing reasoning, we must necessarily conclude that all salaries paid by the District, as well as purchases made by the District, are limited to the highest rate payable within the thirty day period preceding August 14th, 1971. Any increase not put into effect by that date, or within the thirty day period preceding, must be deferred until after the freeze is lifted or modified.

Commendation For Explorers

By Reeve Conover

Special commendation to the following members of the Hicksville Explorers Club, Post 778, who turned out to a fire call at 12:15 in the morning of August 6 at the Mid Island Plaza: Bill Biggs, Tom Busse, Reeve Conover, Chris Hawkins, Greg Hudson, Charlie Voorhies, Steve

Hieldenfelder, and Pat Scanlon. Those members worked there from the receipt of the first alarm to approximately 11:00 o'clock in the morning with no breaks, assisting the Hicksville, Plainview, Westbury, and Jericho Fire Depts.

The Hicksville Explorers have started their

Junior racing tournament team, the "Hicks Jrs." They will be competing in Junior drills around the Island next year.

Don't forget to attend the Labor Day Ceremonies, Sept. 6. The Parade starts at 9:30, with the drill in the Mid Island Plaza Parking Field starting at 1:00.

Endorses Gutheil

Howard Samuels, OTE Chief, visited the Town of Oyster Bay Sunday to ask for support for Bob Gutheil who is seeking the Democratic nomination for Town Supervisor. Gutheil is Pastor of All Saints' Lutheran Church in Brookville.

Samuels addressed some 200 Gutheil supporters gathered at the home of Lee Blatt in Muttontown and called for "a new kind of political action for the Democratic party."

"The Democrats must stop trying to be everything to everybody because we'll end up being nothing to nobody," Samuels said.

He called for a new foreign policy, a change from militarism to humanitarianism, and said the change must begin on the local level. Samuels cited Bob Gutheil as a "great candidate who can help American begin to make the change" and urged the voters of Oyster Bay to "change Bob Gutheil from a 'Reverend' to a 'Mister'."

ISABEL DODD the Republican Candidate running for Town Clerk of Oyster Bay; will be honored at a desert fashion show, Tuesday September 21, at the Holiday Manor, Hicksville Rd., Bethpage. Donation is \$2.50. There will be a door prize and refreshments.

"Men are also invited. They, too, will enjoy the 'FASHIONS OF THE TIME' from well-edited collections," said a spokesman for the committee.

Committee Chairladies for this event are: Bea Jeanson, of Hicksville and Margie Palma of Farmingdale.

Used Book Sale

On Wednesday morning, September 1 at 10:00 a.m. the annual Hicksville Public Library used book sale will begin. There are thousands of books that are no longer useful to a library collection in the sale.

A library has to grow constantly, therefore the shelves have to be weeded out periodically for materials that are too out-dated for answering reference questions correctly. Also included in the sale are books that have been donated during the year to the library, for one reason or another, the library cannot use. All these books are good books and very useful for home reading. There are many children's books, fiction, non-fiction, scientific data, how-to-do-it books, art books etc.

Each book is priced at 10 cents.

BURKE REPORTS

(Continued from Page 1)

of 11 Action Project Coordinators who will be trained to organize the youths in their communities to work on projects that will alleviate these social problems.

Another item of interest to the younger generation: Oyster Bay Town is sponsoring two seminars on careers in law. Lawyers from County and Town departments will discuss their specialties at Syosset-Woodbury Community Center on Wednesday, August 25, and at Marjorie R. Post Community Center on Thursday, August 26, starting at 8:00 P.M.

The deadline for entries in the Environmental Control Essay Contest has been extended to September 20, and three experts in the field have been selected as judges. They are Richard D. Maggi, director of oceanography for Conrac Corporation; Robert W. Johnson, associate professor of biology at Hofstra University and Anthony S. Taormina, principal fish and wildlife biologist of the New York State Department of Environmental Conservation.
