BANKERS' HOUR: The newly installed president of the Long Island National Bank, James C. Dinkelacker (right) of Cold Spring Harbor, is congratulated by William A. Kielmann, the only living original staff member of the bank when it was established in Hicksville, in 1917. Mr. Kielmann, who has been a prominent figure in the banking business the headed several banks on Long Island, and was president of the N. Y. Bankers' Association, came from Europe, where he is now an industrialist.

to be at Mr. Dinkelacker's installation. The new L.I.N.B. prexy, who started his career on Wall Street 35 years ago, and later served as a National Banks examiner, succeeds the late William E. Koutensky whom he joined as Executive Vice President in 1960. Mr. Dinkelacker, one of the best known bankers on Long Island, was the Administrative Vice President of Security National Bank before coming to Long Island National Bank.

New Meeting Hall Sought By VFW

A petition for a special permit use to construct a new 5,000 square foot meeting hall on a parcel running between Broadway and Grand Avenue about four blocks south of Old Country Road was presented at Town Hall on Tuesday by Kicksville Dominick Rocco in behalf of the Hicksville Veterans Association, Inc.

While one neighbor, Rose Zeppieri, of 43 Felice Crescent spoke in relation to the petition, Post 3211 of the VFW had no real opposition to this improvement of property it has owned for over 20 years.

To be used in addition to the present meeting hall, the 62' x 88' building, with a stucco facade, will be located close to Broadway and will face north onto its parking lot which provides parking for 40 cars. There will be a curb cut for an entrance on Broadway. Egress onto Grand Avenue will also be maintained.

The building, which will eventually contain a large

A NEW MEETING HALL for the Hicksville VFW Post 3211 was on the agenda at Town Hall on Tuesday. Snapped after the hearing were, from left, Hicksville attorney Dominick Rocco; VFW President Robert Obermeyer; Mrs. Rose Zeppieri, a neighbor; and Frank Blesi, Post treasurer.

meeting hall, a lounge area, a kitchen and small utility rooms, will be used primarily for meetings and social functions of the VFW as well as for meetings of other community groups, such as the boy and girl scouts.

Speaking in behalf of the petitioner were Robert Obermeyer, president of the Hicksville Veterans Association; Frank Blesi,

post treasurer, and Joseph Mayer, of DeNegris & Mayer, Hicksville architects in charge of the building.

Mrs. Zeppieri's property has its back yard on Grand Avenue opposite the present VFW meeting hall. She said that on one occasion she had been disturbed by noise of people leaving the VFW.

JHS Addition Nears Completion

By Shirley Smith

William Becker, Supervisor of Buildings and Grounds, announced that 95 percent of the construction at the Junior High was finished. Students are occupying the new cafeteria, but there is no lunch line yet. The choral room is complete and the corridor will be finished the end of this week. Mr. Becker stated all work will be done by Friday.

The Board received a letter from St. Ignatius Loyola School commending Dr. Manus Clancy, coordinator of federally-funded projects, for his work on the Title I remedial reading program. Letters from Lee Avenue School parents, thanking the Board and Administration for prompt attention to removal of walls in individualized in-

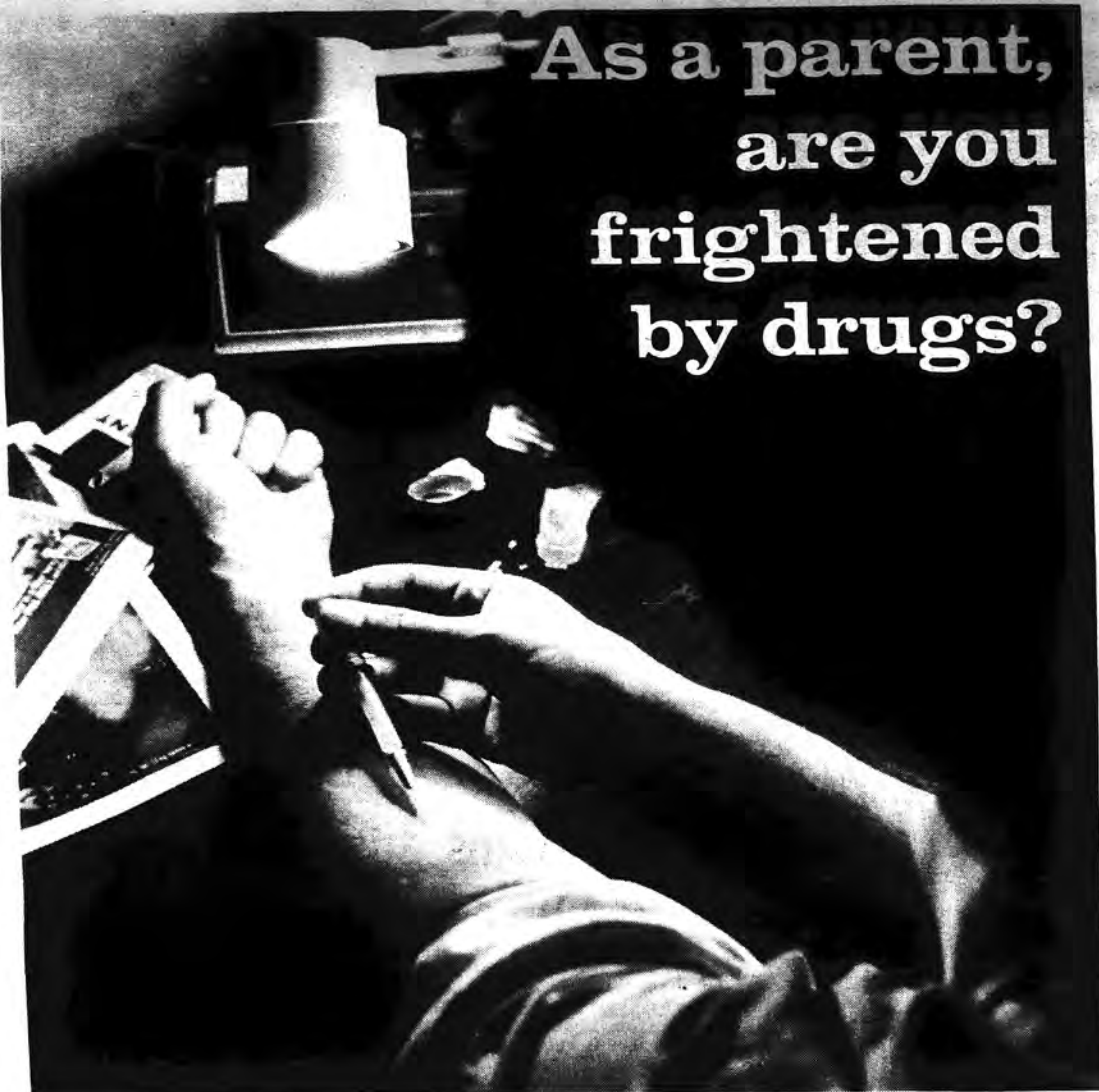

struction classrooms, were read at Tuesday's School Board meeting. Complaints had been made to the Board at the October 12 meeting and removal of the walls began October 13.

Mrs. Gilda Shapiro asked the School Board about the possibility of re-sponsoring of the recreation program, specifically the Recorder Concert, Community Chorus and Orchestra. Dr. Niosi, Superintendent of Schools, said a recommendation will be made to the Board at the next meeting to include these activities in the extracurricular music program and Adult Education. Mrs. Shapiro then asked what could be done about the sports activities which were part of recreation

Dr. Niosi said he planned to ask the Board to include this in an expanded intramural program. The School Board will discuss these proposals at the November 9 meeting.

Mr. Becker reported that the District has received over \$2000 on its "garage sale" of obsolete furniture. There is more to dispose of and those interested may still purchase student desks, teacher desks and other items. The Board voted to give obsolete textbooks to various organizations who can put them to use through such means as the Peace Corps. Dr. Harry Kershen abstained on the vote because he felt the Board cannot give away these materials—state law forbids (Continued on page 20)

V.F.S. SPONSORS BUS TRIP: On October 17, the Wm. M. Gouse Jr. Post No. 3211 sponsored a bus trip to the Hayden Planetarium and the Museum of Natural History. The trip was enjoyed by thirty-three children from the Hicksville area. The bus left the clubhouse on Grand Ave. at 11:00 a.m. They stopped for lunch at the Flushing Meadow Park and then continued into New York

City for a most enjoyable show at the Planetarium after returning they toured the Museum, returning to Hicksville at 6:00 P.M.

Accompanying the bus as chaperones were the Commander Edmund Chwalisz, Chairman of the trip Michael Montellone, Harry Wurth, Clyde Stevenson, Marion Wurth, Carolann Chwalisz and Joan Chwalisz.

New C.D. Auxiliary Police Unit Formed In Oyster Bay

Henry A. Shafer, Deputy Civil Defense Director for the Town of Oyster Bay, today announced the formation of a town-wide C.D. Auxiliary Police Unit.

Shafer said that an Organizational Meeting was held last week at Zone 111 Headquarters in the Town of Oyster Bay Town Hall. Mr. Emanuel Weinstein, a resident of Hicksville, was selected to be the Chief of the new C.D. Auxiliary Police Unit. "None of the Civil Defense Auxiliary Police Units now located in communities in the Town of Oyster Bay will be disrupted or infringed on by this new unit," according to Mr. Shafer.

The new town wide unit will train under the direction of the Nassau County Police Department, and will be given duties throughout the township or county in the event of an emergency.

Shafer said he is anxious to secure new members for the unit, particularly from the northern section of the town, and requests interested volunteers to call WA 2-5200, Monday through Friday from 9:00 a.m. to 4:30 p.m. In the evenings, they may call Chief Emanuel Weinstein at WE 1-3740 after 7:00 p.m. They may also write to the Town of Oyster Bay Civil Defense Office at Audrey Avenue Oyster Bay, New York, 11771.

Bernard F. McCaffrey, Candidate For Supreme Court

Of all the candidates on the ballot in Nassau and Suffolk Counties for the State Supreme Court—and there are 15 campaigning for four seats—one, Bernard F. McCaffrey, stands out as having been a consistent defender of the right of local governments to exercise zoning powers.

"It is perhaps for this reason, above all other, that voters of this area should elect McCaffrey to the Supreme Court bench," a prominent GOP leader said in a recent introduction of McCaffrey at one of his many stops on the campaign trail.

McCaffrey, in his capacity as Attorney for the Town of Oyster Bay, has had an exceptional record in upholding the right of local communities to plan for their future by proper zoning. The most heavily publicized case is, of course, the pending suit by the National Association for the Advancement of Colored People (NAACP) which seeks to force the Town to develop a plan permitting high density residential construction.

Oyster Bay residents, who are no different from residents in most other areas of Long Island, have let McCaffrey know they feel he is doing what they want him to do—protect their homes and the suburban mode of life they have chosen.

McCaffrey first came to the public's attention as a defender of home rule when, in his first year as Town Attorney in 1967 he won a Supreme Court Case (Gates of Woodbury) that found the Town

had acted in the best interests of its residents in retaining its zoning classification. "That case," McCaffrey said, "established that a Town has the right to plan and control zoning to such a degree that the orderly growth would be in the best interests of all Town residents. I believe in that decision and always will."

McCaffrey's first year as Town Attorney was a very good one—he never lost a case. He represented Oyster Bay and its 360,000 residents in the courts in opposition to attempts by land developers, speculators and outside agencies to break down the zoning code established by Oyster Bay in 1927 with great success and has continued to do so. The fact that Oyster Bay has more open space and recreation areas than any Town in Nassau County attests to his ability.

But, there is more to this Republican choice for the State Supreme Court—more to his background which makes him one of the best qualified of the four candidates who will eventually be elected.

The 45-year-old father of eight revamped the Town Attorney's office when he took over. Staffing it with proven qualified lawyers and instituting staff meetings, including law seminars, and participation in programs sponsored by the Practising Law Institute and the State and Local Bar Associations he was soon recognized by his peers and now serves as Chairman of the Committee on Municipal Law for

Town Of Oyster Bay Plan Newspaper Recycling

Town Supervisor John W. Burke announced yesterday that the Town is planning to expand its recycling efforts to include a pilot newspaper collection program in ten collection districts serving 7,000 homes within the unincorporated areas of the Town.

Burke said that he hoped this program would not only aid in the preservation of natural resources, but would also extend the life span of the existing landfill operation and decrease the quantity of refuse requiring burning at the Town's two incinerators. The Town has already established three collection centers for the recycling of glass and aluminum cans.

"We are shooting for full cooperation from our residents," Burke said. "If we get it, we anticipate that monies collected from the sale of the recycled newspapers and the savings incurred in the treatment and disposal by incineration and landfilling would cover the operational costs for the newspaper collection program."

The Supervisor said the Town hoped to get its program underway in late November utilizing existing sanitation district service routes in the participating communities. He emphasized that only those residents individually notified by the Town and asked to par-

ticipate in the program should place their newspapers at curbside on the collection days scheduled for their respective areas.

The pilot programs include 1,418 homes in Old Bethpage, 1,419 in Bethpage, 1,352 in Syosset, 1,304 in West Amityville, Massapequa and 1,326 in Hicksville-Levittown.

Gerard Trotta, Commissioner of Public Works, said the newspapers will be picked up by a special collection team for the Division of Sanitation. Only newspapers will be accepted; magazines, telephone books and other paper products will be excluded in the pilot program.

Ten DPW Highway Projects Approved By Town Board

Town Supervisor John W. Burke has announced Town Board approval of ten highway improvements in Bethpage, Massapequa, Farmingdale, Locust Valley and Hicksville.

In East Farmingdale resurfacing work will be completed on Beechwood Street, Hawthorne Street, Jarvis Avenue and adjacent areas by Lizza & Sons, lowest of six bidders in the

amount of \$21,745.00.

Construction of an underdrain system on Allen Drive and Meleny Road in Locust Valley was awarded to low bidder, H. T. Schneider, Inc. of 96 Rome Street, Farmingdale in the amount of \$27,111.

Burke noted that November 3 had been set for the reception of bids on three DPW road projects in Jericho on Seaman Road and

Halsey Avenue; in Bethpage on Henley Road and Miller Road, and the Southwood Circle area of Locust Grove.

In addition, the consulting engineers have been advised to proceed with the design phase of resurfacing Powell Avenue area in Bethpage; Boston Avenue in Massapequa and Lawnview Avenue and adjacent areas in Hicksville.

Morris Suggests Change In School Bus System

Transfer of responsibility for school bus service for physically handicapped children to the County Department of Transportation was urged today by Edward J. Morris, Democratic candidate for judge of the Nassau Family Court.

The present system is unresponsive to the needs of children and parents, costly and wasteful," the 38-year-old Hicksville lawyer charged.

The Family Court hears and rules on petitions to aid physically handicapped children with their education, including transportation, he explained.

"Once a petition for transportation is approved the local school district puts the contract up for bid," Morris said. "Bus companies then bid as if they carried only one child, instead of many from a number of school districts."

"Companies are free to set up their own routes, devised for the convenience of the company, not the child, and children often must travel for longer periods of time than necessary."

Morris recommended that the County Department of Transportation, in cooperation with the County Purchasing Depart-

ment, assume the duties of establishing bus routes to minimize travel time for physically handicapped children, request bids on routes (instead of for each child to be served), police the bus companies for performance of service, investigate complaints of parents, and prohibit further bids by bus operators who fail to provide adequate service.

A former director of the County Department of Transportation and Franchises, Morris currently is law assistant to Supreme Court Justice Joseph A. Suozzi.

NEW CODE: William B. Hoffman, left, Director of the Nassau County Law Library, accepts a complimentary copy of the Town of Oyster Bay's recently compiled code of ordinances, on behalf of the library, from Oyster Bay Town Attorney Bernard F.

McCaffrey. McCaffrey, who directed the first codification of the Town's laws and ordinances since the Town was founded in 1653, said copies of the code would soon be placed on sale to the general public.

Vote No

We are strongly opposed to Amendment 1 on the statewide ballot at the November 2, 1971, General Election.

It's approval would threaten the power of local governmental officials and citizens in every community of our State to decide local affairs.

The amendment would further strengthen the already powerful state Urban Development Corporation, an organization not directly responsible to the people.

The proposed 'community development' article would grant sweeping powers to the State to be exercised by the Urban Development Corporation in any community of the State for a broad range of programs.

The amendment would strengthen the powers of the UDC by permitting it to give or loan moneys to private developers which would by-pass the already limited powers of municipal officials to present arguments against a proposed project.

Despite five successive defeats of public housing proposals by the voters of New York State the proposed amendment would further public housing in this State and would also involve the State in all sorts of heretofore local affairs.

The voters in 1962, 1964, 1965, 1966 and in the November election last year voted NO on further expansion of the State's public housing programs.

The proposed amendment goes far beyond what taxpayers now know as public housing programs in this State.

We urge the voters to vote NO on Constitutional Amendment No. One.

Vote Yes

We urge a yes vote on Amendment No. 2, INDEBTEDNESS FOR SEWAGE FACILITIES. In 1963 as part of the Pure Waters Program, local governments were allowed to exclude from their debt limits their share of the cost of sewage treatment plants and other facilities contracted for by Jan. 1, 1973. This Amendment would continue this exclusion through Jan. 1, 1983. This Amendment permits local governments to finance sewers, pumping stations treatment plants, etc., outside the limits set by the Constitution on the amounts they may borrow. Our ecological problems are increasing at an alarming rate, making this Amendment necessary in order to solve them in this highly important area. We urge a YES VOTE on this, Amendment No. 2, INDEBTEDNESS FOR SEWAGE FACILITIES.

Vote Yes

Proposition No. 1, the Transportation Bond Issue, is astronomical in the amounts of money needed...but is it also astronomical in the problem areas which it is to cover, and, of course, in the jobs that it will provide and the transportation problems that it will help to solve. We believe it is necessary at this time and in this economy. So we urge a YES VOTE on this Proposition...the Transportation Bond Issue.

Why Vote Republican?

The two-party system has been effective in our form of government for many years. Here in Nassau County these two major parties are fairly well matched. What each party stands for, while it is generally understood, seems to change, albeit imperceptibly, year by year. This is not unusual...so does everything else. Those of us who have been members of the Republican Party for many years are well pleased with these changes in our Party. In our opinion, and in fact, the Republican Party now stands firmly and unequivocally for THE WORKING MAN, while, generally speaking, the Democratic Party stands for great public housing...great government spending...greater bureaucracy...in fact, we feel that this Party is steadily marching down the road to socialism, if one analyzes what the major portion of its membership advocates. We stand firmly...more firmly than ever, for the Republican Party...we believe that we must all work for what we want...in our own lives and in our government. That is not to say that our government does not ever have to spend money. We all know that it does. But the general direction of the Republican Party especially in Nassau County, has been to keep expenses to a realistic minimum as much as possible. Why? Because the Republican Party is made up, to a large extent, of working people, who must watch what is spent, to

balance their budgets...and we working people want our government to do this too. This Country was made great by workers, not give-aways...and we want it to stay that way. Naturally in groups as large as both of these parties, there are differences of opinion...there always will be...but today, more than ever before, we are for the working Americans...and to us that means for Republicans.

We also urge our friends in the Democratic Party to think seriously of the direction in which this Party is drifting. Do you really want to go in this direction? Look at England...she did this not too many years ago. Enough said. We'd also like those of Democratic persuasion to consider the fact that, even at the risk of alienating some of their friends and neighbors, the Republican Party has stood firmly for Home Rule, and fought consistently against the forces that would change our County into a series of City-type projects, with all their accompanying ills. They have fought for the rights of all our residents...and considered them equally important, whether they live in Muttontown or Uniondale, Great Neck or East Meadow, Roosevelt or Bayville. I am proud of all they are trying to do as our elected representatives and without hesitation urge - LET'S KEEP NASSAU REPUBLICAN! Won't you join us?

Letter To The Editor Cocktail Party Endorse Rep. Candidates to Honor Newborn

Open letter to G. Thomas Muratore
Dear Mr. Muratore:

First, I would like to thank you for taking the time to read my reports on School Board meetings. I realize you are a busy man and I am flattered that you take the time to read my articles—especially since they do not appear in the official and exclusive paper of the school district.

However, I must take exception to some of your remarks in a recent letter to Mrs. Sheila Noeth. I have regularly attended Board of Education meetings for four years (missing no more than six or seven a year) and have written reports on those meetings for two and a half years. During that time I have always strived for accuracy and objectivity and I feel I have been successful in my attempts. I am human and as such, subject to errors along with my fellows of the species.

There was not "inaccurate reporting" on the meeting of October 12. I did paraphrase your

remarks: "Mr. Muratore said the Board had not been able to answer all the questions from the public because the previous Administration had not kept them informed." This is what Mrs. Noeth deleted, as is her right as an editor of the Herald. Were you not "intemperate" in failing to find out what the deletion was before you wrote your letter? Shouldn't you, too, "put ill conceived partisan differences to rest?" And, Mr. Muratore, how many Board meetings did you, personally, take the time to attend? before you were elected a trustee?

You were correct in saying, "There is much real work to be done." Through my column, I am trying to inform those residents of Hicksville who do not take (or have) the time to attend meetings the work their Board of Education is doing. I seldom criticize without justification. Perhaps you would like to borrow my moccasins.

Sincerely,
Shirley R. Smith

A cocktail party honoring Oyster Bay Town Receiver of Taxes Sol Newborn will be held at the Holiday Manor, Bethpage, on Sunday, October 31, from 3 PM until 5 PM.

An astute student of finance and tax problems, Solomon Newborn has an impressive record of twenty-five years in corporate and municipal fiscal affairs.

As Receiver of Taxes in the Town of Oyster Bay, Newborn supervises 30 people, and his department collects more than \$160 million annually. This tax money is immediately forwarded to the County, Town and School Districts for disbursement to pay for municipal and educational services.

His professional associations include membership in the American Institute of Certified Public Accountants and past Chairman of its Governmental Accounting Committee. He is also an author on taxation and municipal accounting.

A resident of Plainview for the past 19 years, Newborn has been active in community affairs over this period.

Alexandra B. Stim, 4 Cynthia Lane, PLAINVIEW, was among the students who have been granted their degrees by the University of Wisconsin at Madison. The degrees were awarded on recommendation of the University faculty upon completion of their scholastic work by the students.

Alexandra has been granted the Bachelor of Arts degree.

The 5,500-member Nassau District Council of Carpenters and Joiners of America has endorsed Nassau County District Attorney William Cahn, Hempstead Town Presiding Supervisor Francis T. Purcell and Supervisor Alfonse D'Amato in the upcoming election, it was announced last week by Nassau Republican Chairman Joseph M. Margiotta.

Margiotta said Eugene Hartigan, who heads the Council, had informed him that in addition to

Cahn, Purcell, and D'Amato, the Council has endorsed the election bids of Councilman Joseph uscarella, Town Clerk Nathan L.H. Bennett, Receiver of Taxes Robert D. Livingston Jr. and Councilman George Murphy, who is seeking election to the state senate.

Benjamin Edwards is chairman of the Council's Political Action Committee and John Rosenstrom is its business manager.

"Willy Remembers" at Hicksville Library

On Friday evening, November 5th, Irvin Faust author of "Willy Remembers" and other well-known books will be at the Hicksville Public Library to discuss the craft of writing fiction and his book "Willy Remembers" published in August 1971. Seldom has a book received more favorable reviews, beginning with the Sunday New York Times of August 29, 1971. "Willy Remembers" is a marvelous novel of Americana told through

the eyes of a 92 year-old (somewhat forgetful) man. Mr. Faust who has discussed his book on the Dick Cavett Show, is a Guidance Counselor at the Garden City High School and has written several other books including "The Steagle", now a motion picture, "The File on Stanley Patton Buchta" and "Roar Lion Roar" a book of short stories. The program will begin at 8 p.m.

Purcell New Head of Nassau CP Assn.

Hempstead Town Presiding Supervisor Francis T. Purcell is the new chairman of the board of Directors of United Cerebral Palsy Association of Nassau County, Inc. He replaces Nassau County Executive Ralph G. Case who has been elevated to Honorary Board Chairman. In making the announcement, association president Harold Jay

Sabrina Dettloff of HICKSVILLE, died on October 22. She is survived by her parents Villet and Louis, sister Melissa and grandparents Lina L. and Jerry W. Becan.

She reposed at the Vernon C. Wagner Funeral Home and entombment was at Pinelawn Memorial Park.

Greenberg (Hewlett Harbor) said the moves were with "total support and confidence" of the 40-member governing body voting at a recent board meeting at the Center for Living, Roosevelt.

At the same time, Greenberg announced the election of Harvey Granat of Hewlett to the board seat held by Purcell. The new board member is chairman of the board and chief executive officer of Granite Management Services, Inc.

Ecology Action Program Schedules Cleanup

Town Supervisor John W. Burke announced that the Youth Group workers from each of the eleven Youth Councils in the Town of Oyster Bay will inaugurate an important project next Saturday (October 30) in the expanding Ecology Action Program. It will include a volunteer cleanup of shopping areas in the Town's eleven school districts and distribution of ecology information to the residents.

Along with the Youth Council members, others participating include parents of the student groups represented and the Town's Department of Public Works.

"Commissioner Gerard Trotta will have key D.P.W. staff members supervising the operation and Town trucking equipment working in cooperation with the cleanup committee," Burke said.

"Adeline Pevito, coordinator of our Drug Abuse Control Agency will also be present throughout the day in various areas. The youngsters working in this project are part of the plan Mrs. Pevito had in mind when she selected eleven of the Youth Council members for a fee of \$1,000 a year," Burke said.

This marks the first time in the history of the Town of Oyster Bay that youth groups and other organizations have joined forces with Town agencies and outlined a program of eight hours' duration to insure cleaner conditions in vital areas in the eleven school districts.

"The program gives the young people an opportunity to serve the social issues of their concern. The residents can also be made aware of the importance of ecological issues as well as the industrial potential of the youth of our town," Burke said.

The areas and groups that will participate in the program include:

SYOSSET: The Syosset Community Service and the Syosset Environment Club of Syosset High School; and Syosset AZA, a Jewish Youth Group; and Four Freedoms B'nai B'rith Girls.

BETHPAGE: Student Council of Bethpage High School; The Students Against Violence to the Environment (SAVE); Bethpage

Team Dispatch; Political Activities Club of Bethpage High School and the Youth Organization Unlimited (YOU).

PLAINVIEW: Plainview Junior High School Ecology Club; Girl Scouts; Kennedy High School Ecology Club; Plainview-Old Bethpage Youth Council.

FARMINGDALE: The Key Club, SAVE and the Youth Council - all three groups from the Farmingdale High School.

JERICO: The Junior and Senior student body of Jericho High School; Student Action Movement (SAM); The Ecology Club and the Blue Key Club.

BAYVILLE: Give a Damn (GAD) club of Bayville High School; the High School Health Classes and the Bayville-Locust Valley Youth Councils.

HICKSVILLE: The Ecology Club and the Hicksville Youth Council.

PLAINEDGE: NO. MASSAPEQUA: The Plainedge - No. Massapequa Youth Council; The PNM High School Ecology Club; The Devil's Tail, a student newspaper group; the Student GO and the High School health classes.

NORTH SHORE: The North Shore Youth Council; the North Shore Ecology Movement.

OYSTER BAY - E. NORWICH: The Oyster Bay - East Norwich Youth Council, the Oyster Bay High School Ecology Club and The Deacons.

MASSAPEQUA: The Massapequa Youth Council.

Hicksville, New York 11801

Dear Ed:

On behalf of the Metropolitan Police Conference, comprising over fifty thousand police officers in the Metropolitan area, I am pleased to inform you that our organization fully supports your election as a Family Court Judge in Nassau County. We are pleased that there are two vacancies on the Family Court and we are hopeful that you will be elected to one of them.

Through the many years during which you engaged in public service, you have always shown a deep respect and concern for the difficult task a police officer faces both on and off duty. You have proven yourself to be a true friend of our association. I am certain that the Family Court can only benefit by the many contributions which we know you will make.

One More Win to Clinch Soccer Title for St. Ignatius

By Richard Fremgen

In the Teen Division the Appollos boosted their record up to twins when they defeated St. Patrick's of Glen Cove 2-0. Joe Gallant scored number 9 and 10 of the season to give the Appollos a 2-0 win. Helping Joe to score his two goals were Duke Daly, Danny Newton and Tom Denien. Superb on defense was Ernie Hupper and Joseph Murphy to help give St. Ignatius win. The Appollos can wrap up the Nassau County championship next Saturday when they meet St. Raymond's of Rockaway at 10:00 at Canteague Park.

The General's of the Junior Division blanded St. Patrick's of Glen Cove 2-0. Kevin Anglin and Ray Cesare gave the Generals its win when they both scored. The strong defense of the Generals consisted of Charlie Wayte, Bobby Cochrane and George Fitzgibbons.

The Santos in the Midget Division were idle last Saturday. They play for their Nassau title this Saturday.

SPORTS

By

Howard J. Finnegan

A furious defense gave Hicksville High Football its finest hour in years, Saturday, as the Orange & Black fought mightily to upset Port Washington. The bid failed 18-6 but when the Cornets left the field Port was jarred out of its lofty ranking as number one team in the County and second in New York State.

Kim Torellas returned a second period interception 63 yards for a touchdown to tie the game 6-6.

Port matched another on a long quick pass for a 12-6 advantage. Hicksville clamped down and the Port offense really stalled.

As the clock drew to the final minute of the half a lateral play that backfired on Hicksville's own 14. Port immediately recovered the loose lateral and scored with 1:14 left.

The Hicksville players still would not give up. The unyielding efforts of Kevin Sheehan, Richard Leary, George Gramaglia, Walt Signey and Tony Giacomaggio highlighted the defense.

The worried hosts only registered one first down in the second half, Hicksville got but two.

This Saturday is homecoming Day at Hicksville. Syosset is the opponent. This year the School System has decided to expand the Homecoming activities with a big parade featuring twelve bands, floats and fancy cars.

The parade will assemble behind Nathan's at Mid Island Plaza. The march will go down Broadway to Old Country Road, west to Newbridge and South

into the High School Athletic Field.

The Hicksville High Alumni which originated a modest Homecoming fifteen years ago will do its usual part.

There will be a refreshment reception for Alumni Ticket holders, the High School Band and the Football team following the game. The Most Valuable Player Trophy will be awarded in the Cafeteria reception.

As third string quarterback Glenn Paeffle was getting too much work on the varsity so Coach Jim Grontham dropped him down to the Jay Vee squad. Glenn responded with a sturdy running and passing game to carry the young Cornets to a 27-0 win over Port.

Hicksville Junior High posted an 8-0 win over McCleary of East Meadow on the high school gridiron Friday. It was the second straight win over the East Meadow powerhouse after some 13 straight losses.

For Homecoming Day Hicksville will beat Syosset 24-7.

Town Hockey League Face Off Nov. 15

With more than 700 boys registered to play in various leagues, the Town of Oyster Bay's Ice Hockey season will get underway Nov. 15.

"The accent is on the junior hockey leagues in the search for future talent," Burke said. "Our young men have excellent opportunities to develop into possible Olympic and college prospects through our program - the largest of its kind on Long Island."

League Commissioner Charles Muller of Plainview directs a staff of more than 30 coaches, referees and league officials. The teams compete on the Town's three hockey rinks located in Syosset, Bethpage and Massapequa.

Founded in 1966 with about 250 players and 18 teams, the Town of Oyster Bay now has 42 teams with the membership more than triple the original turnout.

The league is conducted under four separate programs:

(1) The Tobay Ice Hockey School is an instructional and development program for boys ages 6 to 10. The boys are coached in basic hockey fundamentals, skating drills and hockey scrimmages in preparation for future competition.

(2) The Tobay Ice Hockey is for boys from ages 10 to 18. The league is divided into three associations - The Massapequa Association, the Bethpage Association and the Syosset Association. The boys are assigned to teams on the basis of age and ability. Seniors are from age 15 to 18 and Juniors are 10 to 14. The boys are classified as "A" or "B" players based on their respective ability. This system insures that a boy is in competition with another of his own age and talent.

(3) The Town of Oyster Bay High School league is comprised of boys from eight of the Town's high schools including Locust Valley, Syosset, John F. Kennedy, Plainview, Bethpage, Plainedge, Berner, Massapequa Park and Massapequa. Founded in 1969, this program is unique in that the players themselves organized it, administer and participate in it. It is the only high school ice hockey league on Long Island. Many of the players who finish high school are fully prepared to play on college squads.

(4) The fourth program involves the Town's All-Star teams. The Tobay Gulls now compete in the Metropolitan Hockey League which is sponsored by the New York Rangers. This senior All-Star team is coached by Robert Senese and Sam Muskin. In 1969-70 the Gulls won the Queens-Nassau league championship and went undefeated. The other All-Star teams are competing in the Long Island Hockey League. They include: The Tobay Mariners (up to 17 years), Tobay Americans (up to 14 years), Tobay Nationals (up to 12 years), and the Tobay Dolphins (up to 10 years). The latter team is newly

formed and will play in the Squirt Division.

Each hockey season begins with a "Face Off Night" (Monday, Nov. 1 at Plainview, Old Bethpage High School Auditorium, 8 p.m.) where Ranger players Vic Hadfield and Rod Seiling will meet the players and their families. Last season's Stanley Cup Playoff films will be shown and the professional players will answer hockey queries.

The climax of the season is the annual "Hockey Finale" in which exhibition games between the various division champions and

Happy Birthday to Kathleen Cheslock, of 7 Irving St., HICKSVILLE, who will celebrate her 7th birthday on Nov. 3. Kathleen, the daughter of Mr. and Mrs. William A. Cheslock, is a 2nd grade student at the Burns Avenue School. She will be the guest of honor at a small birthday party for her friends.

Welcome home to Dot and Bob Bogart of JERICHO, who recently returned home after a two week vacation in Florida.

Announcement has been made of the marriage of Nancy Marie Blattner, daughter of Mr. and Mrs. Joseph Blattner of PLAINVIEW, to James John Mangan, son of Mr. and Mrs.

Married

MISS LINDA ANN HANAUZ, daughter of Mr. and Mrs. Walter J. Hanauz, and Roger Allen Pfeiffer, son of Mr. and Mrs. Robert Pfeiffer, were married at the United Methodist Church of Hicksville on Sept. 18. Both are graduates of Hicksville High School. Mrs. Pfeiffer graduated from the University of Connecticut in 1971. Mr. Pfeiffer, who graduated from the State University at New Paltz in 1970, is a teacher of Mathematics in the Newburgh School District.

Frank Mangan of HICKSVILLE. The couple were wed in Our Lady of Mercy R.C. Church. Following a honeymoon to Canada, the couple will live in Bayville. Congratulations.

Happy Birthday to Cindy Sonneborn of 3 High St., HICKSVILLE who will celebrate her 15th on Nov. 2.

At the next regular meeting of the Friendship Club, on Monday, Nov. 1 at 11 a.m., Betty O'Neil will present a arts and crafts project.

Happy Birthday to John Hoffman of 41 Atlas Lane, HICKSVILLE who will celebrate on Nov. 4.

Welcome home to the McMunn's who recently returned from spending a weekend in Maine. Mrs. McMunn (Marian) is the pleasant lady who answered the phone at the United Methodist Church, HICKSVILLE.

Robert Weinecki, of 2 Bridge Lane, HICKSVILLE, and John Tratt, of 131 Scooter Lane, HICKSVILLE, share the same birthday, Nov. 1. Have a happy!

Happy Birthday to Jeanne Bennett of 11 Fairview Court, HICKSVILLE, who will be 12 years old on October 25th.

Best Wishes and a speedy recovery to Eugene C. Salerno of HICKSVILLE, who has been a patient in Central General Hospital since October 8th with a back injury.

Mr. and Mrs. John Willford of HICKSVILLE wish to announce the engagement of their daughter Pamela Lyn to Thomas Jones son of Mr. and Mrs. Howard John of Bethpage. The couple plan a spring wedding.

Ten area residents are among

students beginning their studies this fall at The Berkeley - Claremont School of Hicksville.

The students have planned an extensive extra - curricular program for this term. A dude ranch weekend will take place Nov. 12 through 14 at the Rocking Horse Ranch, Highland. Other fall plans include a trip to United States Military Academy at West Point to attend a football game and a visit to the Merchant Marine Academy, Kings Point. Also planned is a Christmas luncheon.

Area residents are the Misses Patti Haggerty of 99 Nevada St., Carol Lambert of 92 West Ave., Melanie Ordemann of 65 Deer Lane, Diana Lang of 46 Woodbine Drive East, all HICKSVILLE; Margaret Faeth of 7 Clearwater Drive, Maureen Harrington of 67 Grohmanns Lane, Rosemary Steffanie of 22 Garnet Lane, all of PLAINVIEW; Gail Einziger of 11 Spencer Drive, Lynne Degulis of 8 Reading Lane, both BETHPAGE, and Julia Rosica of 5 Rockland Drive, JERICHO.

Michael Joseph Fischetti, 10 Georgia Lane, PLAINVIEW, was recently elected to membership in the New York State Society of Certified Public Accountants, according to the Society.

Mr. Fischetti works for Arthur Young & Co., New York.

Among the new faculty appointments have been announced in the College of Medicine at Downstate Medical Center (State University of New York), Brooklyn, was Dr. Benon H.J. Bielski, Meadow Lane.

BAND FESTIVAL AT HOFSTRA

by June Bleich
On Thursday and Friday, October 21 and 22, high school bands from all over Long Island participated in the 9th Annual Band Festival at Hofstra

University. Large crowds numbered at about 7,000 flocked to the stadium both nights to see their home town bands perform.

John F. Kennedy High School from Plainview performed Friday night. They came onto the field sixth in the presentation and exhibited a fine, colorful performance. Included in the Kennedy Marching Corps were the Band Twirlers, Eagles, color guard and band leader, Mike Mazel. The band which is under the direction of Dr. Kirby Jolly had been practicing extremely hard for three weeks on the show. They also presented it on Saturday, October 23, on the Kennedy High School football field.

SOCCER

by Wayne George and Alan Weitz
The Kennedy Eagle Soccer team is nearing the end of another successful season. With one game remaining they are in second place in the Division II having compiled a fine 5-3 record. The Eagle's last game was

against Garden City where they were defeated 5-2. The final game of the season will be played Wednesday, October 27, against Island Trees.

FOOTBALL

by Wayne George

The Kennedy Eagle's 1971 team has been less than ideal. After Saturday's 18-8 loss to Garden City the Eagle's record stands at 1-3 placing them in 8th place in North Shore's Division II. In their previous games they lost to Clarke and Mineola and defeated Bethpage by a score of 22-8. The Eagles have two more league games before entering the 1971 playoffs. The remaining games are against Island Trees, away, on Saturday, October 30, and against their arch rival, Plainview, away, on Saturday November 6.

IT'S ACADEMIC

by Kenny Slade

On Saturday, October 16, the Kennedy It's Academic team soundly thrashed all its opponents and won its first game of the year by 120 points. The team consists of seniors Mark Kantrowitz, Arthur Levey and Howard Tanzman. Howard Telson is the alternate. Saturday's game will be televised Thanksgiving weekend. The team will play the next round November 13.

SUPERINTENDENT MEETS STUDENT COUNCIL

Dr. Jerome J. Niosi, Hicksville School Superintendent and Miss Alise Kreitor, Hicksville High School Senior, and President of the All Student Council, met in Dr. Niosi's office before and after his introduction and talk to the over 100 member council last week.

The students came prepared with questions which the new school administrator answered. In addition to the question and answer period, Dr. Niosi urged the students to take an active part in school and community affairs.

Plainview-Old Bethpage High School SPORTS REPORT

By Steve Sadetsky

The Plainview High School Band and Musical Corps made their second consecutive year's appearance at the Hofstra-Nassau Band Festival last Friday night, October 22nd. The show was presented under the lights to a large audience at the Hofstra stadium by 16 high school bands from Nassau and Suffolk counties.

The Musical Corps was organized in 1969 to include teams of twirlers, dancers, and flag. The Corps placed second in their class in the New York State Twirling Association contest that year, and they hope to challenge for a place again this year.

Instructor of the group is Miss Denise Zahn, who is new to the group this year. Miss Zahn and the band director, Howard

Captains are Pam Ramotnik and Debby Federgreen; co-captains are Alison Granlund and Carole Schwartz; and Michele Taussig is the Majorette.

The Band and Corps will present the "Band Queen's Band and Corps will present the 'Band Queen's Show' this Saturday afternoon, October 30th, at the half-time of the football game between Plainview and Mineola, to be played Plainview.

The Foreign Language Department of Plainview-Old Bethpage High School instituted a Conversational French Course this year. It is the first time in history of Plainview-Old Bethpage High School that a conversation course has been offered.

The aim of this course is to develop speaking skills. Pupils are exposed to everyday vocabulary and sentence pattern that will enable them to communicate in the foreign language if they were to travel abroad. Some of the topics to be covered are: going shopping, at the postoffice, at the hotel, etc.

The students are very enthused about the new offering. It is hoped that conversation courses will be offered in German, Russian and Spanish next year.

The Social Studies and the Foreign Language Departments are currently engaged in an interdisciplinary approach. Miss Jeanne Pascal, who teaches Latin American Studies, and Mrs. Ingrid Ros, Spanish teacher, who is a native of Argentina and has travelled extensively throughout South America, are complementing each other's course.

Students enrolled in Spanish V do research about "trouble spots" in South America under Mrs. Ros' guidance. They report to the Spanish and Latin American Studies classes. Miss Pascal clarifies the political aspects and the underlying reasons that cause the unrest in the various countries.

Plainview registered its fourth consecutive football victory last week by defeating Clarke 22 to 6. Scoring for Plainview were Bob DeSimone- two touchdowns, Bob Mastronardi- one touchdown, and Neil Sheehan- two pass conversions following the touchdowns. Plainview was led by Bob DeSimone, who gained a total of 119 yard (34 rushing, 85 passing) and Bob Mastronardi, 56 rushing yards. Quarterback George Keckeisen passed seventeen time, completed 11 passes for 144 yards. Keckeisen also scrambled twice for 24 yards. The Gulls defense allowed only one touchdown, for the lone Clarke score. Good performances on defense were made by Mark Liguori (15 tackles) and George Fortmuller (11 tackles). Bruce Convisar recovered a fumble and ran 63 yards with an interception. A fine game offensively and defensively, the Gulls are looking toward their next games: Mineola on Saturday, October 30th, and our own rivals- Plainview Kennedy, on Saturday, November 6th. Both home games start at 1:30. PLAINVIEW REMAINS No. 1.

On Friday, October 22nd, the varsity Soccer team defeated Island Trees by a score of 3-1. Blaise Gemellaro scored 3 goals on assists by Al Trampusch and Wayne Novick. On the same day the junior varsity Soccer team defeated Island Trees 1-0. This is the 3rd shut-out for the J.V.

CDA To Meet

The next regular meeting of the Catholic Daughters, Court Queen of Angels No. 869, will be on Thursday, Nov. 4 at 8:30 p.m., in the new cafeteria of St. Ignatius school, E. Nicholas St., Hicksville.

Christian Science

Like the Halloween mask that hides one's face, sin obscures one's true identity.

"But now being made free from sin, and become servants to God, ye have your fruit unto holiness, and the end everlasting life," a Bible selection states.

All are welcome at services at First Church of Christ, Scientist, Levittown, 80 North Bellmore Road, which begin at 11:00 AM.

Seeking New Members

Nassau Squadron No. 4, Civil Air Patrol, is reorganizing and seeking prospective new cadets and senior members for expansion of their program.

Both boys and girls between the ages of 13 and 18 who are interested in community service and subscribe to the basic purpose of CAP - the development of dynamic Americans and aerospace leaders - are invited to join the cadet program. This program consists of basic aerospace education and pre-flight training in such subjects as navigation, meteorology, communications, principles of flight, etc. Cadets take trips to FAA, Air Force and other aerospace facilities as part of their training. Also they have the opportunity to take orientation flights from CAP Hq. at Zahn's Airport, Amityville, on weekends.

Last year, films on aviation or space were presented at least once a month. Also several cadets participated in the taped narration of a slide show, "Men in Space." The final version of this show will be presented to any interested organization on request by the producer, Lt. Joan Flower, with the assistance of interested cadets.

Adults over 18 interested in working with teenagers in any phase of the cadet program or general administration are welcome as Senior Members.

Nassau Squadron No. 4 meets every Tuesday at 7:30 p.m. at the J.F. Sparke School, Condor Road, Levittown. For further information write to P.O. Box 124, East Meadow, N.Y. 11554.

The Villager

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

Organizational, community and general interest news should be submitted typewritten or printed, double-spaced, in duplicate. Editor drop off or mail to Editor, 12 Millpond Street, Jericho. Deadline for insertion - Monday noon. Telephone WE 8-2222.

Villager to Move to Jericho Tribune

At a special meeting of the Editorial Board of The Villager on October 19, a vote was taken to move The Villager page from the Hicksville Mid-Island, into the new Jericho Tribune. Both are issued by the same publisher, Mrs. Shela Noeth.

At the meeting, which was held just prior to the regular monthly meeting of the B.C.A. Board of Directors, the pros and cons of affiliation with various local publications were discussed. The

unanimous vote reflected the hope of the Editorial Board that all residents of Jericho will benefit from this new community newspaper.

The Board felt the Jericho Tribune would more adequately fill the need for a community newspaper. An editorial in the October 14 the Jericho Tribune indicated its intention "to cover all the local news in the Jericho Syosset area, and in the Town and County too, where it concerns all of

us." Since half of our members reside in the Syosset School District of East Birchwood, we are pleased that some Syosset news will be included in the Jericho Tribune as well. In addition, the West Birchwood Civic Association has also made the Jericho Tribune its official newspaper.

We are pleased to be affiliated with the new Jericho Tribune. At last, Jericho has a newspaper about Jericho.

GUTTERBALL GOSSIP

By Herb Mahler

The mystery of the low averages and few 200's has been solved. After taking samples of wax checking the pins for dead wood, investigating the brand of coffee being served, it is the conclusion of Detective Flanders that we, as a group, are just lousy bowlers. With this startling fact in mind, let's see how the ex-stars fared this week.

Who can keep that man down? In a great spurge of strength, Rapid Robbie's Raiders rode rampant over the YO-YO HOFFMANS 26-4 to regain first place. The highlight of that session was the 207 by Mel Ratner.

In second place, 10 points behind, were Bombing Bernie Kaplan's Krenks as they lost to the Warrens 19-11. It was Nat again this week as he gave himself a trophy by hitting for a 211.

The big jump of the evening was by the Rothmans as they climbed two spots to go into third with a popular victory over the Springers 19-11. In what seems to be a habit, it was Dick Chalkin winning his three games. The big gun was Julie Gershen, the best 155 I have ever seen as he won his three by hitting a 254 and 223 for a 631. This is a new hi game and series.

Remaining in fourth place were the Sussmans with a well-deserved win over the ever popular Lewis Mark's. It was Bumbling Bert Benjamin again who took his three games for Murry's Men. All I saw all evening was Lewis with his borrowed cigar going from alley to alley checking on his quarter investments.

It was the Kolowitz boys who made like villains to the Vladerns

this week by devastating them 21-9 dropping Lou's Lemon's to fourth place. It was the man himself, our own body beautiful, Milt Goldberg who hit for a fine 205 for the winners who moved up two to sixth.

Remaining in seventh place was Killer Kellerman as he flunked the Flanders 19-11. It was the quiet one again this week as Silent Dave Kaye won his three games. Buddy's captaincy is now on shaky grounds according to those in the know.

You will never guess who is right up there. It's Mr. Warmth himself, Herb Brody, who with his over-whelming enthusiasm has become a true leader of men as he inspired his team to a 19-11 win over the Sad Sach's. Herb with a fine catch in the end zone hit for a 214. It was the former great, Henry Dockswell, who salvaged the day for the losers by winning his three games.

The Lieberman's took the measure over the Simple Simon's 20-10. It was Hy Shapiro who kept the losers from drowning with a smart 210.

Leo's Lions are becoming pussycats as they again were tamed, this time by the Karbel's 19-11. The Geyers all must report tomorrow morning at six for calisthenics. Perhaps our frantic furrier will show his teeth again.

Remember, if I don't see a circle with a three next to the name, I have no way of knowing if a man won all of his games. How else can you become a big man for a day in your house?

We need two more bowlers and if they are hard to come by, I suggest going out of the B. C. A. membership to find them. See you at the Nevele!

Gleicher Cited For Mission to Haiti

Arthur Gleicher of 27 Friendly Lane, Jericho has been cited by Clinton E. Knox, United States Ambassador to the Republic of Haiti upon completion of a four-week technical mission to that country during the month of September.

The services of Mr. Gleicher who is Director of Administrative Services in the Flushing, New York Post Office and of Mr. John Mayer of Des Plaines, Illinois, former Deputy Postmaster General of the United States, were obtained through the Department of State. This came in response to a request by the Haitian Government for technical assistance in surveying and reorganizing their postal system.

Both men were selected because of their wide experience in postal administration and operations. Since French is the native language of Haiti, Mr. Gleicher's knowledge and fluency in that language were essential. Discussions were held with most top officers of the country. These included the Haitian Secretary of State, the Mayor of the capital city of Port au Prince, Provincial

Prefect, and others.

The mission required a detailed study of the organization of the central postal administration and selected cities both as to domestic and international operations. Numerous changes were recommended and put into effect at once so that immediate improvements in every aspect of the country's postal service resulted. Detailed written reports which included further recommendations requiring additional times and expenditures for implementation were submitted to the Secretary of State for Commerce and Industry, who is in charge of Haiti's postal administration. In addition, recommendations were submitted to the Mayor of Port au Prince for re-numbering the streets and homes of the capital city which has a population of more than a quarter million. These are to be taken up for consideration by the City Council of that city.

Haitian officials and the American Embassy were most complimentary in their evaluation of the team's assistance.

Joint Jericho Civics Study Master Plan Alternatives

Representatives of the East Birchwood, West Birchwood, Princeton Park, Oakwood Civic Associations and other interested community groups met on October 14 to review the preliminary report on the master plan for the Jericho Area. This followed a community meeting the previous evening at which nine alternative plans were offered to a small audience at Jericho High School.

At the meeting of the Jericho Joint Civic Associations, it was agreed that any one of the nine plans will have major impact on the community and that community involvement and attention is imperative. The JICA will attempt to act as a study board for the individual civic associations.

The presenters of the report at the high school were Robert Geneslaw, representing Raymond, Parish & Pine, TOB's planning consultants; Fred Benett of Locust Valley, of the TOB Planning Advisory Board; and Steven Saunders, Executive Secretary to the Town Board.

PLANS FOR 627 ACRES

The master plan for the Jericho Area concerns itself primarily with the open space along Jericho Turnpike and North Marginal Road going west from Route 107 all the way to the State University property. To the north, it extends along the West Side of Route 107, past Jericho High to just beyond St. Paul's Church.

One portion of property south of the Turnpike is included in the plan, the Wicks Farm, also known as the sod farm. The open area involved in the plan adds up to 627 acres, or about one square mile.

WICKS FARM FOR OFFICES

The Wicks Farm and the Meadowbrook Country Club are the only units of land in all nine plans that remain constant. The Wicks Farm (53 acres) appears in all plans as office development, so designated because of its locations between the Expressway and Jericho Turnpike. The Country Club (278 acres) is shown as recreational space, its current use.

NINE PLANS

The remaining acreage is shown in nine variations in a range of uses from 2-acre residential (its current zoning) to 16-unit-per-acre garden apartments, all in various combinations with office buildings. Six plans include "open space development" at various residential unit densities from five-per-acre to ten-per-acre. "Open space development" allows the developer a certain amount of flexibility in arranging housing on the land as long as the average density does not exceed the permissible level. All plans reflect the F-Zone classification (office development) of the property owned by the First National City Bank. This

property is directly opposite the Wicks Farm, and its zoning contains unusually stringent restrictive covenants.

The plans that were presented range from a minimum of 132 dwelling units to a maximum of 3,990 dwelling units, and a number of office jobs ranging from 5,800 at minimum to 31,100 at the highest.

ROAD DEVELOPMENT IS KEY

According to the planners, any major changes from current zoning should be predicted on extensive highway improvements in the area. The planner's recommendations include extension of the Wantagh Parkway to the LIE where it would link with a State University road that would swing through the campus and around the back of the development area to Route 107, terminating north of Jericho High School. Also, an untangling of the "weaves" at the juncture of Jericho Turnpike and the LIE was recommended, with an underpass that would permit a continuous flow of through-traffic on Jericho Turnpike.

(NOTE: The above information is not intended as a complete review of the nine preliminary plans. There are too many variants, and it would take The New York Times to supply the space to convey them. The Joint Jericho Civic Associations has placed copies of the full report in the Jericho Public Library where they are available for reading.)

representatives of the following establishments: Bankers Trust Company, Berkap Realty, Birch Drug, Birchwood Bedding, Bridal Shop, Dario's Restaurant, Ernie's Barbershop, Flakowitz Bakery, Great Bear Fire Co., Host Deli, Long Island Store Company, Long Island National Bank, Marine Midland Bank, Millridge Inn, National Bank of North America, Sandy's Restaurant, Syosset Lanes, Texaco Circle Service Station, Franklin National Bank, Townsand Realty, Udell Pharmacy and Waldbaum's.

Long Lines of eager boys waited patiently for Ed Kranepool's autograph and upon completion of that task, the highlight of the evening, as far as the Little League were concerned, took place and a large number of door prizes were awarded to the holders of the lucky numbers.

650 Attend Jericho Little League Dinner

The 1971 Annual Awards Dinner of the Jericho Athletic Association attracted a throng of 650 last Monday night, October 25, at the Four Seasons Country Club.

Jericho's Little Leaguers, parents, brothers and sisters, friends and sponsors were welcomed by Gene Singer, President.

After the dinner, Ed Kranepool, New York Mets first baseman, was introduced as guest speaker by Hal Marlow, player agent of the Little League. Kranepool discussed his career since its organization as a National League team.

Kranepool, incidentally, is the only player who has been with the Mets since its inception, he just finished ten years service with the team. A question and answer period after the big first-baseman's speech was enthusiastically entered by the Little Leaguers.

Then followed the presentation of trophies by Herb Hirschorn, League by Phil Wasserman, Minor Leagues by Saul Friedland, Herb Nussbaum, Farm League by Leo Geyer.

Vice-President Murray Rosenthal introduced the sponsors to the audience which included proprietors or

High School Seniors Invited To Attend College Recruiting Program

College Day on Long Island—a new concept in college recruiting—will be held November 9 and 10, at Roosevelt Raceway, Westbury.

The two-day program is a community effort to give young people an opportunity to speak with representatives of colleges throughout the country, thereby enabling them to make better informed decisions on college selection. More than 150 public and private high schools in Nassau, Suffolk and Queens Counties, with a total senior student body of approximately 75,000, have been invited to attend.

Guidance Counselors and students from participating high schools will be assigned a specific time and day to attend, between 8:30 A.M. and 4:00 P.M. on November 9 or 10. At this time, college-bound seniors will have an opportunity to talk with

representatives of more than 100 four-year and two-year colleges, and other post-secondary schools.

Private appointments for students and parents to meet with a college representative on November 9 or 10 between 7:00 P.M. and 10:00 P.M. may be scheduled in advance by calling the College Day Clearing-house (516) 742-1366. High School juniors are especially encouraged to visit College Day on Long Island with their parents in the evening from 7:00 P.M. to 10:00 P.M. on November 9th and 10th.

Two-year college students who are interested in talking with representatives of four-year colleges are invited to attend the P.M. session on November 9 or 10.

College Day on Long Island was planned in response to community enthusiasm following Employment Day on Long Island, held a few months ago at the Raceway.

Holy Trinity H.S., Hicksville, with Irene Pedersen, Liaison Counselor, will be participating in the program.

The Board of Education voted unanimously to reappoint Solomon Newborn as district auditor. Unanimous approval was also given to purchase some new foreign language textbooks for the district. After being assured by Dr. Niosi that the district would be responsible for supervision, the Board approved a request by the Hicksville High School Alumni Association to use the High School gym for a basketball game. The game is a fund-raiser for the Association's scholarship fund.

Dr. Niosi announced there will be a Homecoming Parade before the High School football game this Saturday. The High School and Junior High bands will march, as will all elementary school bands. Candidates for Homecoming Queen will ride in the parade along with the Superintendent, the School Board president, the High School principal and Hicksville's "Honorary Mayor-for-the-Day." The parade will begin at 12:30 at Mid-Island Plaza and will proceed to the High School football field.

Questions were raised about transportation of the elementary bands to the parade. The district has arranged for buses to pick them up at their respective schools, take them to Mid-Island Plaza and return them to their schools after the football game. In answer to further questions, Dr. Niosi said band instruments will be kept in the buses during the game and supervision will be provided for the elementary students at the game.

The next School Board meeting is November 9 at 8 P.M. in the Conference Room of the Administration Building.
