Accident Reports

Dec. 22 - 4 p.m. - Automobile accident on Vernon St. at Universal Blvd., Plainview, involving cars driven by Raymond Futo of Levittown and Richard Migliorisi of 579 Plainview Rd., Plainview. At the time of collision, the Futo car was going north on Universal Blvd. and the Migliorisi car was going east on Vernon St. Richard Migliorisi was taken to Central General Hospital with lacerations of the head and possible internal injuries.

Dec. 30 - 8:15 a.m. - Automobile accident on Broadway at Bethpage Rd., Hicksville, involving a car driven by Arthur Richards of Glen Head and Richard Sosia, of 10 Prince St., Hicksville. At the time of collision, both cars were going south on Broadway. Richard Sosia was taken to Syosset Hospital with contusions and lacerations of the mouth.

Dec. 27 - 9:20 a.m. - Fatality. Richard J. Davis, 19 No. Broadway, Hicksville. Date of birth, 4/9/20. Suffering from chest pains, he was taken to the Nassau County Medical Center, where he was pronounced dead on Dec. 28.

Dec. 29 - 7 a.m. - Fatality. Rose Catone, 7 Westbury Ave., Plainview. Date of birth, 2/12/95. Pronounced dead at 8:30 a.m. by Dr. S. Ritter of Jericho.

Jan. 1 - 2:50 p.m. - Automobile accident on N. Broadway at E. Marie St., Hicksville, involving cars driven by Florence Gargano, 17 Charles St., Hicksville and Emmanuel Caravas of 281 Broadway, Bethpage. At the time of collision, the Gargano car was going east on E. Marie St. and the Caravas car was going south on N. Broadway. Injured and taken to Syosset Hospital was Diane Russell, 3, of 17 Charles St., Hicksville, a passenger in the Gargano car.

Jan. 8 - 4:45 p.m. - Automobile accident on Manor St. at Audrey Ave., Plainview, involving cars driven by Josephine Buscarino, of 79 Audrey Ave., Plainview, and Raymond Coxon of 58 Nassau Ave., Plainview. At the time of collision, the Buscarino car was going east on Audrey Ave. and the Coxon car was going south on Manor St. Injured and taken to Central General Hospital was Gertrude Coxon, injury to shoulder and neck.

Jan. 5 - 2 p.m. - Automobile accident in a private parking field, 150 feet east of Underhill Blvd., Syosset, involving a car driven by Thomas W. Henn, 36 Cambria Rd. Syosset and a parked car owned by Richard Larsen of Farmingdale. At the time of collision the Henn car was going east in the parking field and the Larsen car was parked, facing west. Harold I. Caemaer, of 113 Spindle Rd., Hicksville, a passenger in the Henn car, was taken to Syosset Hospital with a possible neck injury.

Tempers Flare

School Board Meeting Short But Explosive

By Shirley Smith

The meeting was brief but probably the most explosive in the Hicksville Board of Education's history. Tempers flared in the hot, smoky and overcrowded room where over 150 people gathered. For one hour and fifteen minutes they sat in chairs and on the floor, stood in any available spot or spilled out into the hall, already bulging with people. They had heard that two teachers were leaving the High School at the end of this term and were not being replaced. They came to find out why.

Dr. Harry Kershen set the tone of the evening when he demanded to know why he had not heard about this situation until he came to the Board meeting. He resented the lack of communication.

Mrs. Rita Greenstein was the first to bring up the subject of rehiring teachers during the twenty-minute public portion of the meeting—twenty minutes which Board president, Thomas Muratore, said would not be extended. Mrs. Greenstein explained that most of the people had come to the Board meeting because they understood an English and a Science teacher, leaving the High School January 31, were not to be replaced. Both teachers are instructing regents courses, the English teacher having advanced placement classes. Mrs. Greenstein asked the Board its policy regarding replacement of teachers at mid-term.

Mr. Muratore did not answer her question directly, but wanted to know where she had heard that the teachers are not being replaced. He reminded the audience of the "chain of command" in getting information about the schools: first, contact the building principal; if you do not get satisfaction, contact the Superintendent; if you still are not satisfied, come to the School Board. Mr. Muratore asked Mrs. Greenstein if she had done this—she had contacted Mr. Rusch, High School principal. Mr. Muratore then wanted to know why Mr. Rusch had not come to the Board with this problem—if he felt it was a problem.

Mr. Muratore said he had received only one letter, which seemed to be "written by a student." Other Board members had not been contacted. Dr. Niosi said only one parent had seen him about the teachers. The School Board president stated that the people should call the Board members if they have questions.

He also stated that it is the building principal's responsibility to handle the situation of teachers leaving at mid-term.

Dr. Kershen reminded the Board that it is not at a principal's discretion to replace or not replace. This must be done by the School Board, at the recommendation of the Superintendent. "I am incensed at the lack of communication," Dr. Kershen stated and added that he "did not know about this until tonight."

Mr. Muratore announced that the Board would not answer Mrs. Greenstein's question yet since they were unprepared and needed to get more information.

At this point came the explosion. The people had come with questions and were not willing to go away without the answers. Everyone became loud and discourteous—the public to the board, the Board members to the public, the Board members to each other, members of the public to each other.

Mr. Muratore reminded the people that "we are dangerously close to violating the first school's regulations on the number of occupants in the room." He said unless the crowd was quiet and calm, he would clear the room. There were requests to move to the High School Auditorium, but the Board decided against it. Then came a ten-minute recess. During this time, no one was calm and quiet.

After the recess, Dr. Niosi said there is continuing review of staff needs and Administration must evaluate needs in proportion to the number of students. This is being done in Hicksville and the Board will have a report before the end of the term. He stated that our school population is 300 less than was estimated in the fall—he did not clarify whether this is at the High School or district-wide. Dr. Niosi also stated that it is not necessary to replace each teacher on a one to one level.

Mr. McCormack asked what is to be done with the students whose teachers are leaving and what would be the load for the teachers taking over extra students. He did not receive an answer.

Dr. Kershen said questions can't be answered at this time, until the Board gets information from Administration. He said the School Board assumes a teacher will be replaced unless otherwise recommended.

Alise Kreditor, president of the

High School Student Council, asked for the opportunity to speak for the students. During her allotted five minutes she explained some of the difficulties for students in not replacing the teachers (especially the English teacher); possibility of repetition of books, overcrowding, disruption of friendships of students who have been in the same class together, having to get used to a different teacher and different teaching methods. "Don't throw us around like insignificant things," she pleaded. "We are the reason the school is here." She asked the Board if a full year's salary was budgeted, and when answered affirmatively, suggested the Board use this to hire replacements for the remainder of the school year.

Mr. Muratore said he "appreciates all the public statements, but the Board will not be pressured into answering this question tonight." They will have a study session and let the public know their decision about hiring replacements at the next meeting.

The public was not happy about this decision, but the Board moved on to the rest of its business. They approved bills for routine expenses of the district and the replacement of an Opportunity High School teacher who is resigning. A request from Administration to "approve personnel for writing of curriculum materials for the Junior High was tabled until the next meeting. Also tabled was a reassignment of district supervisors as of February 1. The Board will study this in executive session before taking action.

In answer to a question from Mrs. Barbara Rosman, Dr. Niosi stated that he had received a "minority report" from members of the Health Education Curriculum Committee regarding their objections to certain parts of Strands 1 and 5 of the Health Curriculum, which the Board approved in November. Dr. Niosi said the Board and other members of the Health Committee will receive copies of the report.

The Board adjourned at 9:15 and began a study session on the problems which had come up during the meeting. Many of the people stood around and discussed the situation among themselves, but they will have to wait until the next meeting - Tuesday, January 25 at 8 P.M. in the Conference Room.

Hearing Jan. 18 On Zone Change

The petition of Birse Corp. for a change of zone from Residence D to Business G for an irregular, almost entirely interior parcel on the west side of Grand Avenue, 200 feet north of Park will be heard by the Town Board of Oyster Bay at Town Hall next Tuesday, January 18th.

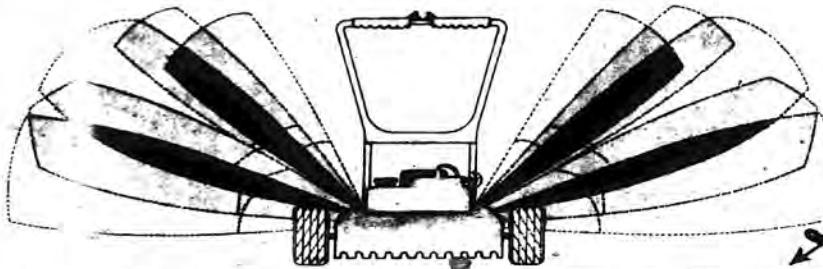

The subject parcel, which is 337 feet long on its westerly border, abutting property of School District 17, is adjacent to property owned by the petitioner on the north and east of it, and is proposed to be used in conjunction with the present operation of Roberts Chevrolet, South

of the subject parcel and on the east side of Grand Avenue is property owned by St. Stephen's Lutheran Church.

All who are interested in the petition will be invited to speak at the public hearing, which will begin at 10:00 A.M. at Town Hall, Audrey Avenue, Oyster Bay.

ON TARGET!

If you were going to design a lawn mower, where would you put the grass catcher?

On the right side, so it goes into whatever's up on your right? Or the left side, so it does the same there? The fact is, most grass bags are on one side. They simply weren't designed to be a part of the mower.

The Snapper V21 or 18 has its grass bag between the handlebars. You get a close trim on both sides

and vacuum your lawn of pine straw, leaves and light litter while you're mowing. We made the grass bag extra large, too. For less emptying. In fact, all the good things about Snapper V21 or 18 are logical. The result of sound design and planning by people who make lawn equipment and only lawn equipment. Not afterthoughts.

SNAPPER

Snapper has developed a great attachment for vacuuming grass, leaves, pine needles and light litter.

We call it the grass catcher attachment. But it takes care of a lot more than just grass clippings.

And it's mounted in the back, to offer easier handling and greater maneuverability as you vacuum clean your lawn.

- Optional grass catcher fits all 26" or 30" Comets.
- Holds six bushels. • Unloads in seconds.

SNAPPER McDonough Power Equipment, Inc. A subsidiary of Fuqua Industries, Inc.

NO OTHER RIDERS HAVE ALL THESE FEATURES:

- 1-Five Forward Speeds-Reverse
- 2-Instant Fingertip Cutting Height
- 3-Seven Cutting Heights 1" to 4"
- 4-Uses Only One Virtually Indestructible Belt
- 5-Sealed Chain & Gear Transmission
- 6-Heavy Duty All Steel Construction
- 7-Outperforms Most Riders With Same H.P.
- 8-Stands On End For Storage
- 9-Vacuum Action Cutting Efficiency

- 10-Patented Cutter Suspension
- 11-Six Bushel Catcher, empties in Seconds
- 12-Optional Mowing, Daring, Aerology, Fertilizing
- 13-Five and 8 H.P. 4-Cycle Engines
- 14-Pneumatic Tires All Around
- 15-Interlocked Drive Clutch & Brakes
- 16-Unique Steering System
- 17-Adjustable Padded Seat
- 18-Parking Brakes Standard

Charles Mangano Opens Shell Diagnostic Center in Plainview

Shell Oil Company is introducing one of its new nationwide network of Shellshape service stations in the Plainview area. This service station offers complete care car service once attainable only at large auto repair centers. Motorists can now drive their cars into the service at Old Country Road and Manetto Hill Road, Plainview and within one hour get a detailed analysis of its condition.

Charles Mangano, the Shell Dealer at this location, is a professional. Both he and his staff have had eight weeks of intensified training in scientific car care service. Mr. Mangano has been a professional throughout his varied career. Prior to coming with Shell, he spent 20 years in the U.S. Army, retiring as a major. For almost 5 years, his service station has been one of the most popular in this rapidly growing area.

Charles Mangano

"Charlie" as he is known to his friends and customers, is the father of four children and has recently won the New York State Petroleum Community Award. Since becoming a Shell Dealer, he has consistently won Shell's

Top Performer award. This is given yearly by Shell Oil Companies to its Dealers who excel in customer service and retail operations.

Shellshape, says Charlie "takes the guesswork out of auto repairs," and includes the full cycle of diagnosis and analysis. The latest of automotive equipment is used including a dynamometer, and an engine analyzer. A special feature of Shellshape is a full guarantee for all repairs performed by the station for 4,000 miles or 90 days (see the Shellshape ad in this issue for details).

Mr. Mangano believes Shellshape to be the ultimate in diagnosing difficult automotive problems and feels that his background in automotive repairs as applied to the new Shellshape equipment will greatly enhance his service station operation.

MEN IN SERVICE

Coast Guard Cadet Robert F. Rzemieniewski, son of Mr. and Mrs. Edward Rzemieniewski of 41 Andrew Lane, LEVITTOWN, is on Christmas leave from the Coast Guard Academy, New London, Conn.

Upon graduation he will be commissioned an Ensign in the Coast Guard and receive a Bachelor of Science Degree.

Coast Guard Cadet Robert W. Bruce Jr., son of Mr. and Mrs. Robert W. Bruce of 164 Saddle Lane, LEVITTOWN, is on Christmas leave from the Coast Guard Academy, New London, Conn.

Upon graduation he will be commissioned an Ensign in the Coast Guard and receive a Bachelor of Science Degree.

Coast Guard Cadet Deryck G.

Bratton, son of Mr. and Mrs. Marshall F. Bratton of 93 Prairie Lane, LEVITTOWN, is on Christmas leave from the Coast Guard Academy, New London, Conn.

Upon graduation he will be commissioned an Ensign in the Coast Guard and receive a Bachelor of Science Degree.

Navy Petty Officer Third Class Michael P. Campagno, son of Mr. and Mrs. David P. Ravizza of 5 Drake Lane, LEVITTOWN, has returned to homeport at Little Creek, Va., after more than two months in the Mediterranean aboard the tank landing ship USS Lorain County.

"For the good that needs assistance -
For the bad that needs resistance
For the future in the distance
And the good that we can do."

Dear Editor,
The New Year brought to Nassau residents a jolting, dramatic increase in their monthly bank mortgage payments. No doubt, most tend to sigh and be resigned thinking, "It must be valid for the taxes have risen astronomically." A monthly revision of \$4.68 upward prompted me to check.

I discovered that despite the tax increases, there was a surplus of \$404.52 as of Dec. 31st 1971 after all obligations of the year had been paid out. Furthermore, I noted that there was no shortage in the escrow accumulation necessary to meet any bill when it fell due (see attached schedule).

On Dec. 1st, I wrote to the bank asking for an explanation of claimed shortages which, they say, accounts for the increase. I

was contacted on the telephone and told that it was difficult to explain this in writing. Escrow monies, he explained, are divided into three accounts: (1) Insurance (2) Town Tax (3) School Tax. He went on to say that a shortage exists, for example, if, when the Town Tax, is due there is insufficient funds in THAT ACCOUNT regardless of the fact that there are sufficient funds in the Escrow Balance at that time. I checked very carefully to make sure that the Escrow Balance was sufficient each month to cover the current obligation and found it to be so.

This is just a bookkeeping gimmick to collect more than is needed and has no legal justification (upon the advice of attorney). I am, therefore, refusing to pay any increase unless I receive justification. I believe an investigation of

escrow practices is due. So, residents, unite! Fight this justice! In unity, there is strength!

Respectfully submitted,
Sarah G. Weiss

Dear Mrs. Noeth
The officers and members of the Nassau Chapter of the NFIC would like to publicly thank the officers and members of the William M. Gouse Jr. Post 3211 of the Veterans of Foreign Wars for their generous contribution. It will help make it possible for scientists to carry out vital research programs designed to find the cause, treatment and cure of Jettis and Collitis.

Sincerely,
Mrs. Norbert J. Hengery
Chairman - Nassau Chapter
28 Larch Street
Hickville, N.Y.

Dear Friends . . .

AS WE GO TO PRESS, it is encouraging to note that TOB trucks of all shapes and sizes are busy leveling the town property right across from ONE JONATHAN and Old Country Road. . . and in back of the Lutheran Church of the Redeemer. This was a suggestion of one of our local residents who attended last Thursday's HICKSVILLE COMMUNITY COUNCIL meeting. The idea was expressed to our Councilman, Warren Doolittle. Many present agreed that, whatever the final disposition of this Town acreage, it would be sensible to level, grade and seed it, right away, thus making this area available for all residents to use almost immediately. We don't know whether seeding can take place until the Spring . . . but it surely is good to see such quick action on a sensible idea.

NEXT WEEK the Hicksville Community Council minutes will be printed. It was an excellent meeting, as they always are. Our suggestion is to circle the FIRST THURSDAY EVENING, of every month (except July, August and Sept.) and attend this meeting. You will learn a lot about Hicksville, and, by your presence and your opinions expressed at a level where they are closest to home, you will also help to build a better Hicksville. This Council, which is now in its second year, is made up not only of delegates of every member organization in Hicksville, but also, any "interested citizen" of Hicksville, who cares to accept our invitation to join us each "first Thursday of the month." Come on down.

WHEN MEETINGS such as the Hicksville Board of Education Meeting held on Tuesday, reach such a pitch and become more or less out of hand, it might be well for this School Board and all those whom they employ, to ask themselves, "Why?" There are a great many people genuinely concerned about the quality of the education being received by our young people. These people deserve straight answers. . . not evasions. We are not judging this particular case. More information must be made available for anyone to know whether it is a wise move or not. However, these wild meetings would not have to occur if those who have been elected BY A MAJORITY OF RESIDENTS IN OUR SCHOOL DISTRICT. . . did their homework, and followed this by leveling with the people in all cases.

THAT'S ALL for now, stay well,

Cordially,
SHEILA H. NOETH

Physical Education Elective Program

Over the past several years, the students and staff of the John F. Kennedy High School have felt a strong need for changes in the physical education program. Members of the teaching staff, under the direction of Mr. Daniel Martinsen, Department Chairman, and Mr. Michael Bennardo, District Director of Physical Education, developed an elective program in physical education.

In September 1970 an elective program for seniors was instituted on a trial basis. The program met with such success that it was expanded to include grades 10 and 11. The program was also expanded beyond the confines of the school. To this end horseback riding, golf and bowling were included in the elective program. There is a possibility that ice skating and skiing will also be added. Several areas of the elective program include archery, tennis, softball, basketball, volleyball, badminton, football (boys and girls), baseball, gymnastics and slimnastics (weight control). Every effort was made to allow students to choose those electives in which they were most interested in participating. The major limitation in allowing the students totally free selection of electives were availability of staff and/or facilities.

As a result of this curriculum change the complexion of many of our physical education classes changed. Every Friday, during the fall semester, all students went to Plainview Bowl to participate in student bowling leagues. Several classes attended horseback riding School at the Bethpage Stables. During the last

three weeks of the golf season, students attended the Huntington Golf and Pull Range. Those classes which did not choose out of the building activities participated in an in-school elective program. In addition all 10th grade students participated in a ten-week unit in swimming. The unit in slimnastics was most successful. Mrs. Karen Baker led students in running and jump rope exercises which benefitted the entire body make-up of the students. In addition, Mrs. Genevieve Eaton, school nurse, worked with the students on proper nutrition.

Future plans for the program involve the teaching of elementary games. In this program students will teach elementary games in physical education to their peer groups. As a culmination of this unit it is hoped that our students can work in the elementary schools and instruct these students on how to play various games. The entire program has been most successful to date. Our student body is now highly motivated and interested in our physical education program. The department received a high degree of cooperation from the John F. Kennedy High School administration in developing this program. The physical education staff has demonstrated a realization of the need to change in order to meet the needs of our students. Department members are: Mr. Daniel Martinsen, Chairman; Mrs. Florence Saunders; Mrs. Karen Baker; Mrs. Ruth Jose; Mr. John Simmons; Mr. Ralph Dreyer; Mr. Michael Cohen.

Attention! Small Boat Skippers

Remember the three R's of safe boating: Red, right, return. Always keep the red buoys to starboard when returning to harbor. Educate yourself for safe boating by taking one of the free boating classes sponsored by the SOUTH SHORE POWER

SQUADRON this spring. Classes will begin as follows: East Meadow High School - January 19, Hicksville High School - January 25, and Freeport High School - February 23. All classes start at 8:00 P.M.

FIRST OF ALL: Newly installed Oyster Bay Town Clerk Isabel Dodd, right, issues her first

marringe license -- and the first in the town for the new year -- to Stuart Levine of Bethpage and his fiance, Laura Gickel.

Bagels and Books

The Friends of the Jericho Public Library are taking this occasion to offer its members a special event at which they will be "wined and dined" and introduced to the machinations of the Friends organization.

Place: Jericho Jewish Center
Time: Monday Jan. 24 10 A.M. - 12 Noon. Bagels 'n Lox, cream cheese, tea, coffee.

Initial Discussion of West's Miss Lonely-Hearts, and the Day of the Locusts will be given by Dottie Mills, Library Director. A free-wheeling discussion will follow.

Everyone is welcome to become acquainted with one of the most active organizations in Jericho. Become a part, an Active Part, in a group that welcomes new blood and new ideas. (Family Membership \$3.50)

Engaged

Mr. and Mrs. Joseph Rakowski of Hicksville announce the engagement of their daughter, Vikki Ann, to Mark E. Wilkenshoff, son of Mr. and Mrs. Edward Wilkenshoff of Hicksville. The couple are planning an August wedding.

Petitions Withdrawn

Ruling on two matters of interest to residents of Hicksville and Plainview, the Town Board of Oyster Bay approved Tuesday the withdrawal without prejudice of the petition of Mobil Oil Corp. for a special permit use for a gas station/car wash on Broadway, Hicksville, and of Milton Levin and Maurice Gruber for a special permit use to construct a major office building complex on Round Swamp Road, Plainview.

When a petition is withdrawn without prejudice, the petitioner may resubmit his petition at any time. If, however, a petition is denied, the petitioner must wait one year before resubmitting it.

Some question arose at the public hearing on the gas station/car wash,

held January 19, 1971, as to the traffic flow through the operation for cars wanting only gas. The subject parcel, which is zoned Business G, is located 151 feet south of the junction of Broadway and Bethpage Road, and is accessible from both.

Strong opposition was expressed to the petition of Milton Levin & Maurice Gruber for the office complex at its hearing on October 20th. Two representatives of the Town of Huntington spoke out against it, with the forecast that Huntington would get the traffic from the development while Tobay was collecting the taxes. Representatives of the Greater Plainview Community Association also spoke. The petition proposed the construction of eight office buildings on a parcel of about 41 acres.

John F. Kennedy High School Sport News

by Steven Gabelman

The Kennedy basketball team lost its third game of the year to Syosset 61-60 with senior, all-county guard Brad Greenberg again leading the ball club in scoring with 18 points. The next game was a disappointing 89-75 loss to a taller Lynbrook team.

During the Christmas vacation the Eagles traveled to St. Anthony's of Smithtown to play St. John the Baptist in the first round of the St. Anthony's tournament. The trip was for nought with St. John winning 65-44. The Eagles finally got back on the winning track when Brad Greenberg hit a shot with 6 seconds left to down Commack North 68-65 for third place in the tournament.

When school resumed the Eagles started their league season with 61-58 overtime win over Garden City. The Eagles started off slow and were down by 12 at halftime. Things went from bad to worse when Brad Greenberg picked up his fourth foul early in the third quarter. Coach Steward, using his bench wisely, sent Arther Moosemann, Roger Jonas and Wayne Feldman who led the Eagles to a 39-39 tie after three quarters. With the score still tied with 10 seconds left Garden City missed a shot which sent the game into overtime. In the overtime period Kennedy established a point lead with 26 seconds left when captain Scott Binder was fouled. Scott iced the game by making both shots. With Kennedy scoring 2 more points, the final score was 61-56.

Epiphany
The Liturgy and Solemn Blessing of the Water, will be held to celebrate the Feast of Epiphany, on Wednesday, Jan. 19th at 10 a.m. at St. Mary's Ukrainian Orthodox Church on West Carl Street in Hicksville.

St. Ignatius To Host Indoor Soccer Tournament

Saint Ignatius C.Y.O. of Hicksville is hosting its second annual boys' indoor soccer tournament. This year's event has been enlarged to a two day affair and sixteen teams are entering into competition. The tournament is open to teams in both the Midget and Boys' Divisions.

Kick off is scheduled for 10 a.m., Saturday, January 22 at the Hicksville Senior High School. Games will be played throughout the day and six semi-finalists from each division will be invited back for continuation of play at 10 a.m. on Sunday, January 23.

To date, teams from five counties representing the League

Happy Birthday! Billy

Happy Birthday Billy Quinn who will be 9 years old Jan. 17th. Billy lives with his parents at 3 Plover Lane, Hicksville.

Island, German American and Catholic Youth Soccer Leagues have accepted invitations to compete in this indoor tournament.

Special Programs at St. Stephens

The Social Ministry Committee of St. Stephen's Lutheran Church in Hicksville is sponsoring a three part program on Marriage, Sex and the Family. The program

will be conducted by Pastor Perez on three consecutive Tuesday evenings beginning with January 25 and continuing on February 1 and February 8. The

group will meet in the lounge of the church promptly at 8 P.M. Each week another aspect will be covered.

A spokesman for the group said that all those who are interested are welcome to attend. Refreshments will be served.

Couples Club

The Couples Club of St. Stephen's Lutheran Church in Hicksville held its monthly meeting on Saturday, January 15, at 8 P.M. in the Social Hall of the church. Guest speaker for the evening was The Rev. Frederic J. Harrer of St. Ignatius Loyola Roman Catholic Church in Hicksville. Refreshments were served.

PTA Discussion Meeting

The Burns Avenue School P.T.A., Hicksville will hold a Parent-Teacher Group Discussion Meeting for Grades Four, Five and Six, and Kindergarten, on Thursday, January 20th at 8:00 P.M. Refreshments will be served.

Please come for an interesting, lively and informative evening.

Plainview-Old Bethpage High School News

This time of the year the school is not buzzing with excitement due to preparations for the midyear examinations which will be held Monday, January 24th, Tuesday, January 25th, and Wednesday, January 26th. Letters concerning this schedule will be sent home with the students on January 19th.

Film showings have proved to

be popular with the younger generation of Plainview. On Saturday, January 8th, the film "Wild in the Streets" was shown in the high school auditorium, sponsored by DECA (Distributive Education Clubs of America). On Saturday, January 15th, at 1:00 P.M. the United Nations Club will sponsor the showing of "The Adventures of Robinson Crusoe". Admission is fifty cents.

before the first event, when before a cheering crowd of 700, senior Co-captain Kevin Tully emptied a gallon bottle of "Plainview Water" into the Long Beach pool, thereby putting Plainview on the same level as Long Beach as far as the "home pool advantage" was concerned. In what had been expected to be one of Plainview's toughest meets of the year, the Plainview team jumped to a 7-0 lead when

On January 7th Plainview won its third basketball game of the season by defeating Herricks 73-72 in overtime. The winning basket was scored by sophomore Steve Tupa on a 45 foot desperation jump shot. Scoring and rebound honors went to Vinnie Aversano (19 points and 15 rebounds). Steve Coufax also hit the boards, collecting 10 rebounds and scoring 10.

they won the first event by beating Long Beach by 1-10 of a second. With the first relay won the Plainview swimmers had no intention of losing their lead as they went on to win first place in 8 out of the 11 events in the meet.

First place winners for Plainview were as follows: 200 Medley Relay - Ken Landfield, Kevin Tully, Bob McDonald, and Jim Fitzpatrick; 200 individual Medley Relay - Jeff Bies; 100 Butterfly - Bob McDonald; 100 Freestyle - Lee Cummins; 100 Backstroke - Sandy Berliner; 200 Freestyle - Lee Limmins; 400 Freestyle - Mike Fagan, and in the Diving Event - Bob Peizer.

The Plainview-Old Bethpage High School Swim Team scored a 59-36 victory over Long Beach High School last Friday night, January 7th, at Dong Beach. The highlight of the meet came just

I.B.A. News

by Fred Shlesinger

The recaps of this issue are from the week Jan 3. The Rascals (5-0) led by Seba Krumholz with 28 pts., and Howie (Fish) Golstein with 25 pts. easily defeated the Sweatyswishers (0-5) by a top-sided score of 99-21. High scorer for the beaten Swishers was Mike Kotlarchyk with 6 pts.

The 7 Blocks of Granite (2-3) who are an improved team, beat the Laughing Stock (0-5) by a score of 68-34. High scorer for the Granites was Scott Ulger, with 18 pts. The Laughing Stock who has been users in 5 times had a high scorer in Russ Brade with 11 pts.

The Bears (4-1) who are rated 5th in the league had an easy time by passing the Vikings (1-4), 63-31. High scorer and rebounder was Fred Shlesinger with 17 pts. and 8 rebounds and Alan Diamond who also popped for a high mark of 18 pts. High scorer for the Vikings was Steve Seidman with 14 pts. One unusual note Joe Schaib, who hit a 60-foot shot at the sound of the buzzer for 3 pts.

The Checkers (2-3) ran by the

Golden Throats (1-4) in a quick-paced game by a score, 53-17. Mark Barash had high mark for the winning team with 12 pts. The big shooter for the losers was Zeke Zembroski with 3 field goals and a free throw.

In a low-scoring game on Court 2, the Big Als Pals (4-1) paced by Joe Michtisch with 16 pts., defeated the betty Organics (1-4) led by "Spot" Tom Ross with 12 pts.

One of the big threats in the league, Sonst Ollies Boys (4-1), beat the Chuckers Chuckers (2-3) by a score of 58-18 High man for the Son's of Ollie's Boys were Stuart Cohen and Bob Vein, who are also in the top ten in scoring. Big men in scoring for the Chuckers was Mat Turnbull.

With their first win of the year, Grumman's Gremlin's (1-4) squeaked by the Ape's Apes (0-5) by a close margin, 30-21. Gremlin's scoring was paced by Ricky LeNoble, who had 20 of the teams 30 pts. Ape's Apes big scorers were Joel (Ape) Sweetbaum, Cliff Hochman and Dave Tanner, all with 6 pts.

HICKSVILLE, died on January 4. He is survived by his wife Corinne, three sons and two daughters, his parents, and one grandson.

He reposed at the Thomas F. Dalton Funeral Home and interment took place at L.I. National Cemetery.

Mildred Schwabe of formerly HICKSVILLE, died on January 2. She is survived by her husband Herbert, one daughter and one son.

She is also survived by a brother and six grandchildren.

She reposed at the Vernon C. Wagner Funeral Home and interment was at Flushing Cemetery.

James Gray of HICKSVILLE, died on January 2. He is survived by his wife Hannah, three sons, James Jr., William and Edward. He is also survived by six grandchildren.

He reposed at the Henry J. Stock Funeral Home and interment was at Holy Rood Cemetery.

Helen Barrett of HICKSVILLE, died on January 1. She is survived by her husband Frank, sons Daniel, William and Robert, mother Anna Tevnan, one brother and one sister.

She reposed at the Thomas F. Dalton Funeral Home.

Raga Concert at Library

A live Raga Concert will be held at the Plainview-Old Bethpage Public Library Friday, January 14 at 8:00 P.M. Sunanda Ghosh Dashtidar will be on the sitar and A. Roychoudhury will be on the tabla. This will be an informal affair with seating on the floor allowed. Admission is free.

Raga is an ancient Indian concept of music dating back to the second century A.D. Since it became known that George Harrison was interested in Raga, the music has caught the interest

of young people all over the world. The sitar and the tabla are the two instruments that have been most associated with Raga. The sitar is a long-necked lute with movable frets. Sitarists have three to seven strings. Below the strings are a dozen or thirteen sympathetic wire strings. The tabla is a pair of small drums, one a kettledrum, the other a barrel.

The Plainview-Old Bethpage Public Library is very pleased that it was able to arrange this concert.

Plainview Community Directory

For many years the Plainview Community Directory has been an important source of local information. It has made readily available the names, addresses and telephone numbers of many local groups from the police to the Little League.

The Plainview-Old Bethpage Public Library is now preparing

a new edition of the Community Directory. The library invites any group that has previously not been listed, or any group that hasn't sent us up to date information to get in touch with Mrs. Ann Lambiase at the library so that they may be included in our new edition.

Cub Scout Pack 377

Our December Pack Meeting was a rousing success as Santa Claus paid us a visit with his bag of surprises.

Mr. Lo Cascio presented the following achievement awards: Bear Badge and Gold Arrow—Michael Polan; Silver Arrow—Scott Schelin; Wolf Badge, R. Daidowsky, C. Kowalski, A. Harris, W. Gries, W. Gribbins. Congratulations to Terra Harper, James Rydberg and Steven Hellingner who were graduated into Webelos.

Our candy sale was a smash as we broke all records. Hats off to Charles Virga—240 boxes, Andrew

Harris—230 boxes, and James Rydberg—160 boxes, as the best salesmen in the pack.

The turnout for the Duck Hockey Game was great and we all had a ball. Thanks to all the drivers for making it such a success.

Our January outing will be a behind the scene tour of LaGuardia Airport.

Remember Pack Night, January 26th, at the Burns Avenue School. Have your Pinewood Derby cars ready—the track is a knock-out. Be sure to bring along your parents and friends for the big races.

Flower Show

There is a magnificent flower show in the lobby showcase at the Hicksville Public Library at this time. However, these flowers won't fade away and die, because these lovely arrangements are made of beaded flowers. These artistic arrangements are the results of Mrs. Genevieve Koszalka's beaded flower classes in the Hicksville Adult Education Program. The pieces on display are the beginners and advanced student's efforts. There are two

evening classes a week now held in the High School, but because of the popularity of this type of course, there will be an additional class held at the library on Tuesday afternoons from 1 to 3 p.m. The afternoon class is not in the winter brochure, because it was formulated too late to be included in the regular listings. The registration for all of the adult education classes starts on January 17 at the Hicksville High School, or by mail.

Explorer's Skiing

On January 9, at 5:30 A.M. the explorer's began of what was an interesting day. As the excitement rose the bus finally arrive. Explorers Jack Hartford, Gene Pietzak, Bob Carleau, Bob Hammond, Mike Morrone, Steve Headandflooer, Jeff Suheck, Bill Biggs, Frank Larkin, Lee Benamino, Greg Hudson, Jeff Larkin and not to forget Skillful advisors Gordon, "Tiptoes" Jenkins and Tom "Sleepy" Mamonos. Finally we arrive at Great Gorge, New Jersey as they were told to go to the beginning hill. John Jenish yell out "Let's go to the Top" and Frank Larkin said "who is a beginner—not me." So to the ski lifts they went. They're were a few small accidents, John Jenish broke his ski

and hurt his knee cap, Gene "Digger" Pietzak hurt his finger when he fell on it. But at the end of the day no serious injury were included. At 4:30 P.M. the bus left Great George for home. Some comments were "great time" but Bill Biggs, "wish it wouldn't rain. Next week the Explorers go camping.

Both snapshots and polaroid pictures may be submitted for use in THE HERALD, but they must be clear. THE HERALD deadline is Wednesdays at noon.

CYO Talent Show

St. Ignatius Parish presents it's first annual Talent Show on Sunday, January 23 in the school auditorium at 3 P.M. There will be talented, enthusiastic youth to provide delightful entertainment for the entire family. Tickets are on sale in St. Ignatius school and Confraternity office or through Mrs. Joan Robinson 433-3395. Donational will be \$.50 per adult and \$.25 per child.

Baylis Speaks

On Thursday, January 20, at 8:30 P.M. the J. Irving Baylis PTA presents a program entitled: BAYLIS SPEAKS OUT ON EDUCATION AND TAXES.

Fingertip Luncheon

East Nassau Council of Church Women United will hold their Annual Meeting and Fingertip Luncheon on January 17, at Hicksville Methodist Church at 10 a.m. Installation of officers will follow, conducted by Rev. Benson.

TARS, To Meet, Jan. 21

The Teen - Age Republicans of Hicksville will hold their regular monthly meeting on Friday January 21st at 8:00 p.m. The

meeting will be held at the Seaman Eisemann Building 187 Broadway, Hicksville.

PRESENTING A DONATION of \$100. to the Association for the Help of Retarded Children (AHRC) from the Hicksville Junior High School Home Economics Department are, left to right: Mrs. Annette Amato, Home Economics Dept. Chairman; Catherine Smith, student; Miss Mary Bohan and Mrs. Tina Giansante, Home Economics teachers.

Accepting the donation on behalf of AHRC is Mrs. Myra Giansante, Treasurer of the Levittown-Hicksville-Wantagh Auxilliary.

The donation was raised through the efforts of the Home Economics Department's annual School Jelly Apple Sale.

MRS. JOAN TODD Chairman of the Fork Lane P.T.A. Cultural Arts Committee, and Mrs. Yolanda Grigg, art teacher at Fork Lane School, examine an exhibition of "Objects de Latin America." This exhibit by Art on Tour with the support of the New York State Council on the Arts, is now on display at the school. Teachers and children will have the opportunity to study and examine this display which correlates with the intermediate social studies curriculum. This exhibit and four others which will be displayed throughout the year

are being sponsored by the Fork Lane P.T.A.

FIFTY PROSPECTIVE NURSING STUDENTS from Hicksville Senior High School recently went on an educational field trip to Beth Israel Hospital in New York City. They were accompanied by Mr. Sheldon Lieber and Mr. Louis Plochochi, both senior high guidance counsellors. The counsellors as well as the girls were extremely pleased with the day events. They said, "we believe young men and women need to see first hand things they have been told in a guidance office. It is one thing, for example, to explain to a number of students about a career in nursing, but it becomes more meaningful when you are able to take these same students to the place where nursing is practiced."

At the hospital the girls met with administrators of the nursing program (some former Hicksville students). They saw a film about nursing followed by a question and answer period conducted by one of the hospital's administrators, and were given a tour of the facilities.

Mr. Plochochi (L.) and Mr. Lieber are seen here with a few of the fifty girls as they boarded on their way to the city.

William M. Gouse, Jr., Post No. 3211

By Lou Palladino

Our Cmdr. Ed. Chwalisz is sure getting around. We decided to send him and his wife Joan to Albany to the Dept dinner, and they accepted. The reason we send Joan along, all the time, is so there will be no hankie pankie. She can keep her eye on him for us, and see that he tends to business. Seriously it takes a lot of time, effort and sacrifice to do all these things. We are fortunate to have Ed, willing to do these things, just as we were fortunate to have Frank Aug before him. To Ed and Joan its a long trip, but hope you have a nice time, and a good dinner.

Harry Wurth reports the ski trip is completely sold out. Two buses, and every seat is taken. Harry said he's sorry, but try to

acomodate more next year. The reservations at the ski lodge is for the two bus loads, otherwise he would get another bus. Even our smiling Irishman Jack Mulligan, who had his leg in a cast for eight months, is looking forward to it. However, I don't think his wife Dottie is to keen on it. He scared ten years off her life last year. So she is naturally concerned.

At our last meeting we had representatives of the Hicksville youth council, Mr. and Mrs. William Hayden and Eileen Heyrn. Mr. Hayden is Pres. and his wife Mildred is on the advisory Council, and Eileen is secretary. They gave a talk, and answered questions. Very interesting indeed. The group is getting larger, this means more

youngsters are interested. They do need more adult assistance. Money is always needed for a group like this. A small price to pay, to know our kids are having some good clean fun. We help out so many other organizations, we actually gave them a donation. Don't forget, these are our kids in our town. This is the future of our country. Yes, a small price to pay.

The Rock Parrella now has tickets for our Dinner Dance. The price is \$17.50 per person at the New Hyde Park Inn. Feb. 26th. The Galaxy was very nice, last year, but it was too crowded, and here we'll have alot more room. So get in touch with the Rock, and make you reservations early.

Bob McGovern reports the journal moving along quite well, but it looking for more help. Uncle Frank Blesi says the same on Bingo.

Christian Unity Week

Week of prayer for Christian. Unity will begin on Sunday, Jan. 16, and will end on Fri., Jan. 21. There will be a service each night

"Frau Mission" At Lee Ave.

The Lee Avenue P-TA has a special program planned for its January 20th meeting. Mr. James McGuirk of Grumman Aerospace Corporation will present a color film on Apollo 14 entitled "Frau Mission." All 5th and 6th grade students are cordially invited to attend if accompanied by an adult. Following the 28 minute film, Mr. McGuirk will entertain a question and answer period open to the youngsters first. Mr. McGuirk has presented films to the

children in the past to the delight of both the students and their teachers.

"Please mark the date on your calendar and join us for an interesting evening in Space," a spokesman for this PTA suggested.

Mrs. Thomas Carlton is President and Program Chairman of the Lee Avenue P-TA.

The meeting starts 8:15 P.M. and following the meeting refreshments will be served.

of that week at a different church in Hicksville, Plainview or Bethpage. The schedule of services are as follows:

Sunday - Jan. 16 - Hicksville Methodist Church, 8 p.m. Speaker, Rev. Eugene McManus.
Monday - Jan. 17 - St. Martin of Tours R.C. Church, Bethpage, 8 p.m. Speaker, Rev. Richard Ryley.
Tuesday - Jan. 18 - Plainview Methodist Church, 8 p.m.

Speaker, Rev. Dominic Cianella.

Wed., Jan. 19 - Redeemer Lutheran Church, Hicksville, 8 p.m. Speaker, Rev. Stephen Jecko.

Fri., Jan. 21 - St. Ignatius R.C. Church, Hicksville, 8 p.m. Youth service with the folk choirs of the member churches.

There will be fellowship following each service with refreshments.

Introducing Shellshape, the diagnostic service that takes the guesswork out of auto repairs.

Get a Shellshape Diagnosis Today
SAVE \$4.00 on the usual price and
get a case of coke FREE

Take these coupons to our Shellshape® station and make an appointment today.

Even at the regular price of \$9.95, our diagnosis could save you a bundle in repair bills.

Because Shellshape takes the guesswork out of auto repairs.

You won't be paying for some mechanic's trials and errors. And you won't be driving back over and over again until your car gets the repairs it needs.

Shellshape eliminates guesswork with \$17,000-worth of electronic equipment. Equipment that helps us spot even hard-to-find problems that sometimes puzzle the best mechanics.

We've also updated our staff. Sent our diagnosticians back to school for an extensive course in car diagnosis and repair. Then had them tested and certified by the Shell, Oil Company.

Between our men and our machines, we can put your car through 117 tests in about an hour. Cover all the key points, from ignition to exhaust. That includes a 72-part safety check, too.

We even get at the problems that only show up when your car is in action. That's because our equipment includes a Dynamometer, a remarkable machine that simulates driving conditions. So we "drive" your car at low speeds, highway speeds, and up and down

*Shell Service Mark for Diagnostic Car Care.

hills as we make our tests.

It's probably the most thorough going-over your car has ever had—and the most accurate.

When it's through, you'll receive a detailed written report that tells you the condition your car is in.

You'll know which repairs should be made promptly. And which repairs can wait. You'll also know what you can expect to spend. Since our tests are accurate, our estimates are reliable.

Armed with this report, you can then go anywhere in town and get the repairs you need. Only the repairs you need. You won't be paying for a lot of guesswork.

Or you can let us do the job. Our prices are reasonable. Our staff is well-trained. And we recheck all work on the same equipment that spotted the trouble. So we know the job's been done right, and done right the first time. In fact, we guarantee our work. Parts and labor. For 90 days or 4,000 miles, whichever comes first.

Get a Shellshape diagnosis now, while the price is low. Who knows how much you'll wind up saving on repairs?

Shellshape takes the guesswork out of auto repairs.
