Wm. M. Gouse Post 3211, V. F. W., Ladies Auxiliary, 8:30 p.m., Post Rooms, Grand Ave. Hicksville.

## Explorers First Anniversary Dinner

On Saturday Night, February 19, at 8:00 p.m., the Hicksville Explorers, Post 778, will hold their First Anniversary Dinner. The dinner commemorates their first year of service with the Hicksville Fire Department. Special guests will be the commissioners and chiefs of the department and the advisors of the club who have made this first year of the Explorers a very memorable and thankfull year. The dinner will be held at the Main House on Marie Street.

On February 7, at 8:30 p.m., a fire destroyed an attached garage at 28 Arbor Lane. The house sustained smoke damage. The Fire Department gives special thanks to the Explorers who responded to the call.

A two alarm fire on February 10, damaged the drapery department of the Kleins Department Store in the Mid-Island Shopping Plaza. The first alarm sounded at 1:01 p.m. The Hicksville Fire Department, under the direction of Chief Voorhies, and 85 men, extinguished the blaze. An accumulation of smoke and water forced the store to close for the rest of the day.

**WEE BONNIES HELP ECOLOGY:** The Wee Bonnies 4-H Club of Hicksville have been collecting bottles for recycling. In the Parkway Community Church, where they have held their meetings for the past 2 1/2 years, they have three large bins so the people of the Church and the Community can help too. Since the Parkway Community Church has been so helpful to the Wee Bonnies, they gave the church the first twenty dollars they earned from recycling to help celebrate the Church's 20th anniversary. So far they have collected 5,325 pounds of glass for recycling. Their next project is to buy a wheel chair for the use of the whole community.

Shown in the picture from left to right top row are their leaders, Mrs. Thomas Hancock, Mrs. Douglas MacDonald, Junior Leader, Miss Linda Stuchler, and Reverend Douglas R. MacDonald, pastor of the Parkway Community Church. Bottom row from left to right are 4-H members Kristine Johnson, Cindy MacDonald, Wendy Andrews, Karyn Ritegno, Tammy Hancock and Betsy Krahn.

**MEMBERS OF HICKSVILLE** Girl Scouts Service Team were honored by Mid-Island Council Girl Scouts, by the Recognitions and Selections Committee as members in the "Order of the Buzzing Bees and Golden Tongues" for their excellence in rhetoric, and a zealously unsurpassed to share their work

with others". Present to receive their award (top row) Mrs. Tina Inocco, Mrs. Blance Miller, Mrs. Barbara Burd, Mrs. Fran Toth, Mrs. Grace Paccione, Mrs. Liz Aull, (seated) Mrs. Ann Fallacara, Mrs. Jeanne Schultz Neighborhood Chairman, Mrs. Gladys Kozak, Mrs. Vi Tava, Mrs.

Lenore Owens (taking picture). Others honored but not present Mrs. Ann Murphy, Mrs. Genevieve O'Brien, Mrs. Betty Hughes, Mrs. Mary Garone, Mrs. Marile Hennessey, Mrs. Joan Sonneborn, and Mrs. Ann Brennan.

## Busy Year For Firemen

Chief Melvin Voorhies reports that Hicksville firemen answered 910 calls for assistance for 1971. The following is a break down of the alarms:

Sounded alarms - 511; silent alarms - 244; ambulance calls - 155; rescue calls - 180 and malicious false alarms - 181.

The worst fire of 1971 was the fire which hit 18 stores at the Mid-Island Plaza in August causing over a million dollars damage. Previous to that fire was one, also at the Mid-Island Plaza, at Gertz Dept. Store 5th floor in 1963 that caused over 1 million, one hundred thousand dollars damage.

During 1971 a record 95 firemen were injured, many of these injuries occurring at the Plaza fire. Only 3 accidents occurred between responding apparatus and other vehicles during 1971.

A new 2 bay west wing has just about been completed, and the new alarm equipment and dispatchers office has been activated.

Chief Voorhies reports that in the year 1972 the chiefs and Board of Commissioners will consider the purchase of a new ambulance and a new pumper and other essential fire fighting equipment.

## Art Show

The Independent Art Society sponsored an art show for Hicksville High School art students at the Hicksville Public Library, during the month of February. The show was judged on February 4th by Society members, Ann Gillette, Elizabeth Horning, Lynn Marron and Linda Carpenter. Prizes were awarded to the winners at the regular monthly meeting on Monday February 6th. The winners were Best in Show - Jan Devlin, First Prize - Nancy Robinson, Second Prize - Elyse Bass, Third Prize - Mary Brennan and Honorable Mention - Kathy Richards, Patty Lynn Williams, Larry Crespo, and Barbara Leogrande.

## Kleins Hicksville Hit By Fire

A smoky fire in an unsprinklered area in the second floor Drapery Dept. of Kleins Dept. Store at the Mid-Island Plaza broke out on Feb. 10 at 1 P.M. 85 Hicksville firemen, answering 2 alarms responded with 7 pieces of apparatus under Chief Melvin Voorhies.

The fire, cause of which is undetermined, caused slight damage. Some areas suffered water damage when nearby sprinklers went off. Several store employees fought the blaze with extinguishers until arrival of Hicksville firemen. An estimated 500 shoppers and employees were

eventually evacuated, but the evacuation was hampered by some shoppers who were bent on finishing their shopping.

The cause of the fire is being investigated by the county firemarshals office. The store opened later with business as usual. Firemen were credited with keeping both fire and water damage to a minimum by insurance investigators. One Engine Co. from the Jericho Fire Dept. stood by for the Hicksvillevamps as they fought the blaze. There were no injuries reported.

**LOVELY RUTH SCHIFF** COHEN, 1971 North Atlantic Novice Ladies Bronze Medalist, Eastern Novice Ladies Bronze Medalist, and 1972 North Atlantic Junior Ladies Bronze Medalist and Eastern Junior Ladies Silver Medalist winner is skating for your pleasure at the 2nd Annual "Fantasia On Ice" Show, being presented on Tuesday, February 29, 8:30 to 10:30 p.m. Ruth along with other medalist winners and

## Meters Protested At Town Hall

by Janet Gosnell

A strong representation of Massapequa residents was present at Town Hall on Tuesday to protest plans to install parking meters at town parking lots, primarily those used by commuters.

According to Town Hall sources, it is estimated that only 11 per cent of Oyster Bay residents commute to the city on the Long Island Rail Road, taking advantage, along with other Oyster Bay residents of the \$1. parking permit which has been in force for 15 years. About 20,000 are now in force.

The protesters asked that the permit price be raised rather than install

parking meters, which, they said would cost the town money, not to mention raising commuter parking costs to about \$65. a year.

The Town expects to raise \$160,000. a year through metering of the commuter lots.

The cost of the meter installation is estimated at \$350,000., the raising of which would require the Town to sell bonds, with resulting interest charges.

The protesters were told that the Town Board would consider other money raising proposals to meet the costs of building and maintaining parking facilities.

## Hicksville Vamps Complete Course

Six Hicksville firemen recently completed a 30 hr. State Health Dept. Rescue-Emergency Care course. The men received instruction in the latest methods of First Aid, Rescue and Coronary care. In addition, 6 new firemen recently appointed are also graduates of this new EMT (Emergency Medical Technician) course and 9 more are now taking the course to better serve the Emergency Rescue needs of Hicksville.

Completing the course was Rescue Capt. Thomas Manaske, Rescue Lieut., and Co. No. 5 Capt. W. Hummel, Rescue Lieut. A. Richards, Co. No. 3 Capt. Donald Moore, Co. No. 7 Capt. Owen W. Magee, Co. No. 4 Fireman Victor Nawrocki.

In addition to these EMT men, the Dept. also has 2 members who are para-medics, the next and most advanced step up from the EMT grade.

"THE MADWOMAN OF CHAILLOT": by Jean Giraudoux will be presented by the National Thespian Society, Troop No. 2125 of Hicksville High School on February 24, 25 and 26 at 8:15 P.M.

The price will be 2 / 24 - \$1.00, 2 / 25 - \$1.25, and 2 / 26 - \$1.50 with 25 cents off with G.O.

The picture shows Warren Gluck and Mike Grodzinski (right) rehearsing their scene in the play.

## Telethon Garners \$165 G For Nassau

Harold Jay Greenberg, president of United Cerebral Palsy Association of Nassau County, has announced that some \$165,000 was pledged by Nassau County residents during the recent Cerebral Palsy Telethon to the Association for use at its world famed Center for Living, Roosevelt. The telethon was a 20-hour presentation on January 29 and 30 via the facilities of WOR-TV Channel 9 and emanated from ABC's Studio TV 1.

Greenberg pointed to the pledged amount as a "new Nassau County record." Last

year's pledges approximated \$155,000.

The Center situated at 380 Washington Avenue provides the cerebral palsied youngsters and adults of Nassau County with a full and growing program of professional services including diagnostic, podiatric, dental, educational, recreational, family services and the complete range of therapies. In the main, the Association is supported through local public contributions and the efforts of some 5,000 women who are members of 41 auxiliaries in as many Nassau communities.

## All-County Choir Students Selected

The district music office is pleased to announce that twenty-five (25) of our high school music students have been selected to participate in the 1972 N.Y.S. School Music Association All-County Choir, Wind Ensemble, Band and Orchestra. These students were selected on the basis of individual audition from thousands of high school students throughout the county.

These students will have the experience of rehearsing Friday afternoon and evening and all day Saturday, February 18th and 19th, at the C.W. Post College in Upper Brookville, L.I., N.Y. under the direction of nationally known conductors. The band will be conducted by Richard Bowles, director of bands at University of Florida. Frederick Fennell, nationally known conductor and director of orchestras at the University of Miami, will direct the orchestra. Carl Druba, director of the master chorale, will direct the chorus. Frank Batisti from the New England

Conservatory will conduct the wind ensemble.

The students will climax their festivities with an All-County Festival Concert to be held at 3:00 P.M. in the C.W. Post Auditorium, Sunday, February 20, 1972.

Students selected are as follows: PLAINVIEW - OLD BETHPAGE HIGH SCHOOL: Diane Alfson, Gail Klein, Jane Margulies, Ralph Potente, Preston Stockman, Kieth Winter and Judy Zweiman all choir. William Becker, Douglas Florence, Mark Goidell and Wayne Zurofski all band and Jesse Levine orchestra.

J.F. KENNEDY HIGH SCHOOL: Carol Engel, Andrea Fellman, James Fishman, John Heiss, James Yoo, and Robert Lieberman all choir. Douglas Fox, orchestra, Jason Fisherman, Mark Kriegel and Howard Tanzman allwind ensemble and Erica Kaplan, Michael Maisel both band.

## McLaren Film Festival At Library

The ingenious films of filmmaker Norman McLaren will be shown and discussed on Thursday, February 24 at 8:00 P.M. at the Plainview-Old Bethpage Public Library.

Bob Stuhmer, who recently graduated from the amateur to the professional ranks will lead the discussion and also show four of his own films, one of which won the Nassau Library System Film Contest last year.

## Republican Women To Meet

The regular monthly meeting of the Nassau County Federation of Republican Women will be held Thursday, February 24th, at 1:00 P.M. at the East Meadow Republican Club, Newbridge Road at 8th St., East Meadow.

Mrs. Allan A. Brighton, Glen Cove, Federation President, has announced that Mr. Ray J. McGrath, Deputy Director of Parks and Recreation for the Town of Hempstead will introduce and show a film entitled

FIRST PLACE. This film was prepared by the Town of Hempstead, and excitingly depicts the recreational facilities offered by the township.

The Ladies' Committee of the East Meadow Republican Club will serve refreshments. Mrs. Ralph Lindley of East Meadow is in charge of refreshments, and the co-chairman for the day are Mrs. Helene Kolenkiewicz, and Mrs. Anna Gyarmathy.

## Story Hours

The Children's Room of the Hicksville Library holds Story Hour for 3 1/2 to 6 year olds, every Thursday at 10:30 and 1:30, and on Friday at 10:30. Please come in and register.

During the Friday morning Story Hour, mothers are invited to sit in on a Homemaking Program conducted by the Nassau County Department of Social Services.

"For the good that needs assistance  
 For the bad that needs restraint  
 For the future in the distance  
 And the good that we can do."

Dear Editor:  
 What's this I hear about the Town of O. B. installing parking meters for commuters at the new parking structure? What good is a parking permit sticker if the Town is going to charge a daily parking fee? And this on top of a fare increase. It seems to me the politicians are noticeably quiet lately. Have you looked at our R. R. Station lately? Still waiting for the L. I. R. to renew the yellow safety line at the edge of the platform and what about the stair landings??"

Dear Mrs. Noeth,  
 I am so angry and unnerved at this writing that I hope you will excuse the looseleaf paper and bad typing.  
 At 10:30 this morning I had the "misfortune" of having to drive past the Senior High. The experience was literally terrifying. When I had to come to a full stop in front of the school, one boy blocked my way, while others pelted the car with snowballs filled with dirt and stones. It was not 'til a man in a pick-up truck came by that I was able to proceed on my way.

These "animals" - I can't even call them boys - were not 13 or 14 yr. olds. They were obviously 16, 17 and 18 yrs of age. Nowhere was there anyone in authority to stop this dreadful behavior. I realize that young people must learn their decent manners in the home, first of all, but the school must assume some responsibility, too. As a victim of a slight heart defect, this could have caused a serious accident. I am lucky that all I received were two dents in the side of my car.  
 I prefer that you withhold my name as I have 2 children of my own in the school system, and do not care to jeopardize them. I am however a 20 yr. resident of Hicksville and a long time subscriber to your paper.  
 I do not really know what you or your paper can do to stop this kind of "going on," but perhaps if it was brought to the attention of the school authorities someone could be stationed outside, especially during times when there is snow on the ground. It just might prevent a serious accident one of these days.  
 In all fairness to the youth of our town I must add that there were several boys who did try to discourage those who seemed bent on either my destruction or that of my car.

A bitter Dashing Dan

Dear Editor:  
 Can you kindly specify in your next issue that the letter to Mrs. Rosman was written by a Mrs. Winnie Hughes Gull Rd., Hicksville.  
 There happens to be another Mrs. Winnie Hughes in Hicksville who was unnecessarily annoyed by phone calls and she has requested that I please correct the matter.

Thank you,  
 Mrs. Winnie Hughes  
 Gull Rd. Hicksville

Dear Editor:  
 Your newspaper published an absolutely untrue accounting of my appearance at the last School Board meeting. It stated, "Mrs. Mildred McCarthy was upset about the fee (\$125 per hour per man) to be paid the three instructors in the reading retraining program. Twenty-five percent of this cost will come from federal funds. The total cost to the district will be approximately \$2800."  
 So, that you realize the seriousness of this, I must explain that during the School Board meeting, Dr. Cadden spoke at length regarding the reading retraining program, giving what I thought was a very sound explanation of his rationale for this program. I was quite impressed and sincerely felt that the children of Hicksville might benefit greatly from the program. I thought of my neighbor who was concerned about the one hour a week schooling her first grader would be losing. I wished she was present to hear all that Dr. Cadden had said. She was unable to attend because of illness.  
 When it came to the public session, I first commented to the School Board that I felt if the parents who were worried about the loss of school time for their children had heard Dr. Cadden's very fine explanation they would probably feel a lot better about the situation. I then mentioned that the complaints I had heard centered on the \$125 per hour rate for the instructors but that I understood the district was to receive some federal funds for the program, whereupon Dr. Cadden commented, "Yes, 25 percent of the cost." I went on to explain that my neighbor had heard about the \$125 rate but nothing about the federal funds involved, and that when I had mentioned them to her she felt better about this. I then commented that if there was some way for the Board to get this information to all the people in Hicksville perhaps there would be less grumbling.

The Attorney General's Office has finally been persuaded to indorse this Legislation. Many of my of my colleagues have indicated their full support of this Legislation, and I am hopeful that some affirmative consideration will be made by the Committee on Banks before this Session concludes. I feel confident that if I can get the bill out of Committee and on the floor of our Legislature, that it will be favorably received and passed. The Governor's Council has also indicated to me that if this bill should pass both Houses of the Legislature, that he believes the Governor will sign it into law.  
 I commend you for taking the time to research and inquire regarding this and for bringing it to the attention of the public. Rest assured that I will do my part in trying to see to it that the Legislation I have referred to is given its fullest support for ultimate passage as an effective means to prevent the practices that you referred to.  
 In the interim, I might suggest that you write a similar letter to the Department of Banks in our State. When you have done this, please advise me of it, so that I can then make personal contact with the Banking Department and try to follow through on your claim, and at the same time have them fully inquire into your circumstances, and several others, that the specific bank is involved with.

Sincerely,  
 Mrs. Mildred McCarthy  
 (Mrs.) Mildred McCarthy

Sincerely Yours,  
 Mrs. M.A.  
 Hicksville, N.Y.

Rest Assured of my deep interest and concern in this matter, and that I will try to do all that I can to accommodate you in every way possible.

Sincerely,  
 Martin Ginsberg  
 Assemblyman

### Holiday Schedule For Post Office

Hicksville Postmaster Ralph G. Cascardi announced that the Hicksville Post Office and its stations and branches will follow regular holiday schedules on Monday, February 21, 1972, Washington's Birthday.  
 No regular window or delivery services will be available on Washington's Birthday, but special delivery services will be provided. The Main Post Office

Lobby will remain open for access to lock boxes and the Self Service Postal Unit.  
 Collections from street letterboxes will be on holiday schedules and will include pickups from "airmail only" boxes and "next day service".  
**PLEASE NOTE:** The Self Service Postal Unit located at the Hicksville Main Office is never closed.

### Services Now Available At The Hicksville Post Office

1. Self Service Postal Unit: Never closed - open 365 days a year - 7 days a week - 24 hours a day. Play Post Office at 185 West John Street.
2. Special Stamp Mini Album: Features all commemorative stamps issued in 1971. Perfect gift for the youngsters to start an educational hobby. Cost \$2.50 - complete set.
3. Income Tax Guides: Tax Guides for individuals and small business. Cost \$1.75 - each copy.
4. Passports: Passport applications are accepted daily, Monday through Friday, 10:00 A. M. to 4:00 P. M.

educational hobby. Cost \$2.50 - complete set.  
 3. Income Tax Guides: Tax Guides for individuals and small business. Cost \$1.75 - each copy.

NOTICE TO CONSUMERS OF THE HICKSVILLE WATER DISTRICT:  
 PLEASE BE ADVISED that the State Department of Health has mandated that all public water supply in the State of New York be chlorinated on a daily basis commencing January 1, 1973. HERETOFORE, this has not been the policy of the Hicksville Water District. Our constant sampling program has not indicated the need for a program this drastic. The Board of Commissioners of your Water District urge you to contact your Albany representatives, if this policy displeases you.  
 Your Board of Commissioners must obey this order as it is now constituted.  
 BOARD OF COMMISSIONERS  
 HICKSVILLE WATER DISTRICT

EDITORS NOTE: We are glad to print your letter correcting this misunderstanding. We are also happy to know that you approve this expenditure that is small compared to the value added to the quality of our children's education.

# Around Our Towns

By Linda Noeth Scotti 796-1286

Happy Birthday to Patricia Schmidt, who will be 8 years old on Feb. 20. Patricia, the daughter of Mr. and Mrs. Daniel Schmidt, 52 Fordham Rd., HICKSVILLE, attends Lee Ave. School.

Mike Farrel, 10 Ronald Ave., HICKSVILLE, will be spending two weeks reserve duty at the Fleet Support Naval Base, Bermuda.

Announcement has been made by Mr. and Mrs. Salvatore J. Licari of Great River, of the engagement of their daughter, Frances Mary, to Craig William Abatelli of PLAINVIEW. Congratulations!

Kelly O'Callaghan, 63 Abbot Lane, HICKSVILLE, will be 1 year old on Feb. 20. Happy Birthday, Kelly.

Mr. and Mrs. Albert Ferro, of North Massapequa, have made known the engagement of their daughter, Judith Ann, to James Lhotan, of HICKSVILLE. Congratulations!

Happy Birthday to Steven Emlaw, 65 Fordham Rd., HICKSVILLE, who will celebrate on Feb. 22.

The next regular meeting of the Friendship Club will be Mon., Feb. 21 at 11 a.m. at the United Methodist Church, Old Country Rd., Hicksville. At this time, Betty Brower, Town of Oyster Bay Handcraft Teacher, will give a program for all.

Happy Birthday to Timothy Marian, 150 W. Marie St., HICKSVILLE, who will be 15 years old on Feb. 22. Timothy, who is the son of Mr. and Mrs. John Marian, attends Hicksville Junior High School.

Mark Villazon, 144 5th St., HICKSVILLE, will celebrate his

birthday on Feb. 23. Happy Birthday, Mark!

The Hicksville Junior Star Strutters held their 6th Annual Twirling Competition on Jan. 30 at the Plainview-Old Bethpage High School. Results for individual members of the Jr. Star Strutters are as follows: Christine Freyesein, of HICKSVILLE, 6 years old-1st place advanced "L" strut, two 1st place awards for advanced twirling; Donna Crosby, of HICKSVILLE, 9 years old, 1st place in Individual Solo, 2nd place Basic Strut; Lisa Whitlinger, 9 years old, at HICKSVILLE, 4th place Beginners Solo, 1st place Military Strut; Tracy Fullerton, of HICKSVILLE, 10 years old, 1st place Advanced "L" Strut, 1st place Advanced Twirling; and Vicki Egan, 11 years old, 1st place Beginners Solo, 3rd place Intermediate Solo and 2nd place in Two Batons.

The Hicksville Teams placed as follows: Hicksville Star Lighters, 1st place Junior Military Teams; the Hicksville Junior Star Strutters, 1st place Dance and Twirl Teams; the Hicksville Twinkles, 1st place Tiny World Division; the Haley Comets, 1st place Military Teams (this was quite an accomplishment since this was their first competition); and the Snoopy Star Lighters, 2nd place in the Jr. Dance and Twirl Division.

All students are taught by Denise and Donna Zahn, Grape La., Hicksville.

The girls will be competing again on Sunday, Feb. 20 at the Half Mile School in Central Islip.

Lisa Moyer of 23 Center St., and Debra Fausch, of 52 Abbot St., both of HICKSVILLE, will be celebrating their birthdays on Feb. 25.

Mrs. Cynthia Zike, Miss Beverly Braun and Miss Andrea Braun were hostesses at their mother's home on Mon. Feb. 14th for Miss Lynda Cronin, daughter of Mr. and Mrs. Thomas Cronin of Levittown for a Bridal Shower. She is to become the bride of Vincent W. Braun on May 6th 1972. Guests were Mrs. G. Bloss, Mrs. D. McGrath, Mrs. D. McDonald, Miss Lourde McDonald, Miss Cindy Miller, Mrs. J. D'Annunzio, Mrs. A. D'Annunzio, Mrs. Kondjelaowski, Mrs. Sophie Zike, Mrs. J. Swidzinski, Mrs. Marion Braun, Miss Dolores Braun, and Mrs. M. Ofenloch. The bride-to-be is received many lovely gifts and a catered buffet was served. The occasion was chosen February 14th for another reason which is sentimental - it was the anniversary of the day "Marian and Vince" were engaged. Everyone enjoyed a pleasant evening.

Congratulations to Steven Saunders who was recently appointed to fill a vacancy on the Nassau County Youth Board, along with several other prominent Nassau County residents who will serve on this Board in these unsalaried positions which are a great service to our young people. Steve also serves on the Board of the Gregory Museum.

(Continued on Page 16)

## Engaged

Mr. and Mrs. Harry R. Nelson, 32 9th St., Hicksville, announces the engagement of their daughter Susan Lori to Mr. Clyde Quinn, who resides in Plainview, on Feb. 13.

# Income Taxes - What's Deductible?

THE CONTINUING IMPACT OF THE REVENUE ACT OF 1969

This is the first in a series of articles on ways you can save on your income tax return this year. The articles are written by Henry W. Block, president of H & R Block, Inc., America's largest tax service.

The tax forms for 1971 will look about the same as they did in 1970. However, it is important to remember that the Revenue Act of 1969 was scheduled to take effect in stages, and that again, this year there are some significant changes which could affect a great number of taxpayers. Usually when the question of changes in tax laws is mentioned, someone is sure to step forward and state that the forms are now so complex that it is virtually impossible for the average individual to prepare his own return without professional help. In answering this challenge, it is important to remember that in order to be fair to everyone, the forms must be somewhat complex. The simplest form of taxation would be a flat percentage assessed against everyone's income, regardless of how large or small the income is. However, this method would be unfair, because it would eliminate the tax advantages urgently needed by elderly or handicapped persons or taxpayers with large families or excessive medical bills.

**YOU MAY NO LONGER BE REQUIRED TO FILE A RETURN**

The filing requirements which

came into effect in 1970 are still with us (they will not change again until 1973!). If you are a married person filing a separate return, you must file if you have over \$600 in taxable income (bear in mind that a spouse who has been abandoned may qualify for a special treatment); if you are single you must file if you have over \$1700 in taxable income; if you are a married couple filing jointly \$2400; if you are single and are 65 or over \$2300; if you are a married couple filing jointly and one spouse is 65 or over \$2900, and if you are a married couple filing jointly and both spouses are 65 or over \$3500. If you received net income from self-employment of \$400 or more you must file a return; even though there is no income tax due, there will be a liability for self-employment tax (Social Security).

Even though you are not required to file a return, if you worked for wages and tax was withheld from your pay you must file a return in order to get your money back. If you know that you will not earn enough money to be required to file a tax return, you may file a form W-4E with your employer and he will no longer withhold Federal income tax from your pay. (He is still required to withhold Social Security Tax.)

**YOUR 1971 TAX BILL MAY BE LESS!**

First the bad news! There has been an increase in the amount of Social Security tax which you are required to pay on your earnings.

For 1971 you must pay a tax of 5.2 percent (7.5 percent if you are self-employed) of your earnings up to a maximum of \$7800, although Congress is seriously considering increasing this maximum.

Now the good news! Several changes brought about by the tax reform act which take effect in the tax year of 1971 are: the complete abolition of the surtax; the increase in the value of each exemption from \$625 to \$650; an increase in the standard deduction from 10 percent to 13 percent (with a maximum of \$1500); and a new tax rate schedule that provides rates for single persons, which are not more than 20 percent higher than the joint return rates for married couples with the same amount of taxable income.

An example will illustrate how this works: John Jones is a single man with himself as an exemption. His only income is his salary of \$10,000. He has no adjustments to income and elects to use the standard deduction. In 1970 his total Federal tax bill, including the surtax and social security would have been \$2,152.40; in 1971 his total Federal tax bill including Social Security will be \$2,007.60 which represents a saving of \$144.80.

In addition, should you be so fortunate in starting in 1971 there will be a maximum tax rate on earned income (wages, salaries, professional fees, etc.) of 60 percent. In order to benefit from this provision the taxable income must exceed \$100,000 for a joint return; \$80,000 for a head of household and \$50,000 for a single person.

**BANKERS RAISE FUNDS!** Launching the distribution of more than 100,000 U.S. Olympic supplements through banks on Long Island, to help raise funds for the U.S. Teams that will compete in Germany this summer, are 1. to 4.: James C. Dinkelacker, president of the Long Island National Bank; Keith W. Berry, Co-Chairman of the L.I. Olympic Committee; and James

Smith, president of Franklin National Bank. The Banker's Committee for the Long Island Olympic campaign, recently played host to U.S. Olympic Hockey Team (which won the Silver Medal in Sapporo) at a fund raising function. The supplements were contributed by the Schick Razor Blade Co. Graphic News Photos.

## St. Ignatius CYO News

By Charlie Rollins

ON Sunday Feb. 13th the St. Ignatius 5th and 6th grade traveling team played Holy Family School. A good crowd was on hand to witness a very well played game by both teams. The St. Ignatius team under some great coaching and some real great rebounding by Frank Princepe and Gerard Siry. The ball handling of Jim Fyle and the scoring of Bob Murphy who had 10 points for high scorer. Although the offensive team at times were great and at times were awful, we have to give them a lot of credit for their marvelous ball handling, which helped St. Ignatius team win by a score of 24 to 21. This win was very important as it put them into a tie with Holy Family for 1st place. Both teams having one more game to play. If both teams win, it will mean a playoff. The time and place will be arranged and reported in future issues of the Mid Island Herald.

Our 5th and 6th grade Intermural league is at the mid way point with the standing of the teams as follows:

Teams	Record	Coach
Pros	6-1	Walter Purcell, Ken Jenson
Warriors	6-1	Hugh Bradley
Bullets	5-2	Charlie Sager
Bulls	4-3	Harry O'Brien
Bucks	4-3	Carrol Brady
Suns	4-3	Jim Hurley, Jim Moro
Stars	4-3	Steve Gotchines
Celtics	2-5	Paul Cesare
Hawks	2-5	Dick Divis
Knicks	2-5	Frank Gallant
76's	2-5	Tom Collins
Supersonics	1-6	Paul Soloski

Don't ever forget that our teams need your support. Make it a date to come out and watch our boys and girls do their thing in sports at St. Ignatius where you see sports at its best.

On Friday Feb. 4, The St. Ignatius CYO Tyros lost a close game to St. Martin's, Bethpage by a score of 50 to 53. It was a very important game for St. Ignatius as it gave them their 2nd lose and a slim chance of being in the playoffs. Knowing this the boys under the good coaching of Al Hack came back to beat St. Mary's of Roslyn last Tuesday, Feb. 8 by a score of 66 to 63 with Mike Marcier scoring 17 points for the winners. The record to date for the Tyros team is 11 wins and 2 loses.

On Wednesday Feb. 9 the St. Ignatius 7th grade traveling team played host to St. Pauls of Jericho. The 7th grade team under the coaching of Kenny Hymes and the fine playing of the team beat the St. Pauls team in overtime by a score of 53 to 48. The score at the end of the regulation game was 45 to 45. In the 3 minute overtime while St. Ignatius was scoring 8 points and a good defense held St. Paul to 3 points was the winning factor. High scorer for St. Ignatius was Billy Tarkowski and Ricky Lundbury with 22 and 17 points respectively. The 7th grade team which might not show too good a record are a credit to their coach Kenny Hymes and to the CYO Program for their good sportsmanship and willingness to play.

Our 8th grade traveling team has not had a good season. Due to the loss of 3 of their outstanding players to the Junior High School team deserve a lot of credit. Under the fine coaching of Mr. Rich Howe, the boys never lost their spirit and ability to play. They all continued to show up for practice when called and were their at game time to do their best. These boys are a credit to their coach and to the CYO program and what it stands for. "Winning doesn't mean everything." So to coach Howe and to the boys we say congratulations from the President Pete Collins, and Commissioner Vince Murphy for a job well done.

**FRANK A. MEZZATESTA** has been named an assistant treasurer in the Plainview Office of Bankers Trust Company according to William H. Moore, chairman of the board.

Mr. Mezzatesta joined the bank in 1967. In 1970 he was promoted to assistant manager of the Jericho Office and in December of that year was named head of the Woodmere Office. He recently became manager of the Plainview Office at 161 Manetto Hill Road. He has attended Hofstra University and the American Institute of Banking.

Born in Brooklyn, he now resides in So. Hauppauge with his wife and children. He is treasurer of the Plainview unit of the Salvation Army.

## On The Campus

William L. Hamilton, a Bucknell University junior for HICKSVILLE with an interest in athletic coaching, had an opportunity to gain a real insight into this field during the month of January.

His month-long project, which included instruction by members of the Bucknell athletic staff in coaching methods for various team and individual sports, was made possible by the University's January Program of Independent study.

Nearly unique in that it is entirely voluntary, the program this year involved participation by approximately 1,100 Bucknell undergraduates in more than 350 projects on and off the campus.

William is the son of Mr. and Mrs. Frederick Hamilton, 72 East Avenue, Hicksville.

On the dean's list for the autumn quarter at the University of Cincinnati was Gal Seydel, 17 Pasadena Drive, PLAINVIEW.

Richard D. Moeller 59 Fordham Avenue HICKSVILLE, has been accepted for admission in September to the State University Agricultural and Technical College at Delhi. He

will study in the Business Management Division.

Richard plans to graduate from Hicksville High School, Class of 1972 and is the son of Mr. and Mrs. Edward G. Moeller.

An essay in photography and clay-built pieces will be presented in an art exhibit by PLAINVIEW resident, Candy Duome, daughter of Mr. and Mrs. Joseph Duome, of Hillwood Lane. The exhibit, entitled "Paper Bag", will be held at the College of New Rochelle, in Westchester County, New York, February 13-23 (1:00 p.m.-5:00 p.m.) in Xavier Exhibit Hall, and is open to the public.

Miss Duome, a senior art major as the four-year liberal arts College, plans to travel abroad for additional photographic experience and will pursue her art study following her graduation in May.

Named to the Dean's List at University of Wisconsin-La Crosse for academic achievement during the first semester of the current school year was Doris J. Proctor, daughter of Mr. and Mrs. William

J. Proctor, 38 Admiral Lane, HICKSVILLE, a senior majoring in physical education, with a semester grade point of 3.56.

Richard B. Cottineo; son of Mr. and Mrs. Betram R. Cottineo of 50 Cornell Lane and Howard E. Graves, son of Mr. and Mrs. Howard Graves of 331 Boblee Lane both of HICKSVILLE, were named to the Dean's List at Bucknell University for the initial semester of the 1971-72 academic year.

Robert C. Gottlieb of 4 Boulevard Drive, Hicksville, has left Cornell for Washington, D.C. this semester to become the national student coordinator for presidential candidate, Rep. Shirley Chisholm (D-Brooklyn, N.Y.) Mr. Gottlieb is a student elected to serve from February 1971 to March 1, 1973. He will retain this position until the end of his term in office.

Bobbi Sherman of PLAINVIEW has been named to the Dean's list at State University N.Y. at Cortland.

**SOPHOMORE BOB COHEN** is expected to play a prominent role in the second part of the State University College at Cortland basketball season which resumes this Saturday against York College after the intercession lay-off. The Red Dragons will be out to improve upon a first semester 2-4 record.

The 6-4, 195 pounder, a graduate of Plainview Kennedy High School, is rated by Coach Al Stockholm as one of the Red Dragons' most improved players.

"Bob has worked his way up to first front-courter in," says Stockholm. "He has really improved his game since Christmas and I think he's going to start helping us considerably. His defense and rebounding are both a lot better and his offensive game is also coming along—he's choosing his shots much better."

The second leading scorer and rebounder on last year's frosh team, Cohen is the son of Mr. and Mrs. Abraham J. Cohen of 28 Oakwood Lane, Plainview N.Y.

## The Kennedy Basketball Team

By Steven Gabelman

After two straight losses the Kennedy basketball team pulled a stunning upset over the then ninth ranked team in Nassau County, Bethpage High School. As usual Brad Greenberg led all scorers with 31 points. Scott Green also played a fine ball game getting 18 rebounds and hold Bethpage's star scorer Ken Austin scoreless in the fourth quarter.

After this big win, the Eagles took on Garden City High School, one of the teams that is challenging Kennedy for a playoff spot. With Brad Greenberg and his younger brother Seth scoring 37 points between them, the Eagles edged out Garden City 58-56. Alan Brickman garnered 15 rebounds.

Against league leading Mineola Kennedy put up a great fight with the help of Brad Greenberg's 22 points, but Mineola's awesome height and fine zone defense were too much for the Eagles to handle as they lost 54-52. Scott Green and Alan Brickman had 33 rebounds between them.

The team showed it could bounce back by beating Clarke 70-55. In this game Brad Greenberg broke a new school record by scoring 35 points. Alan Brickman had 15 rebounds and Arthur Moosman, Steve Mitchell, and Rich Hirsch did a fine job in supportive roles. Scott Binder exhibited his fine offensive skills in all four games.

February 3

## Plainview Old Bethpage High School

For the first time in Plainview High School history a student organization sponsored the largest charitable fund-raising event ever. The organization was Key Club, a club whose objectives are service to school and community, and the special event was a Wheelchair Basketball Game. The game was a tremendous success with a team of students and teachers pitted against a team of professional handicapped wheelchair basketball players. The action and excitement that saturated Friday evening, February 4th, characterized the game as nothing less than a spectacle. Financially speaking, the Key Club of Plainview High School was able to donate the sum of \$400.00 to the Easter Seal Society to help the handicapped.

**FREE SCHOOL** (by Alan Cohn) - On February 10th, Deputy Commissioner of Police, William Miller of the Long Beach Police Department, spoke to the Free School. The range of topics varied from one extreme to another centering around the theme, "Do unto others as you would have others do unto you." Deputy Commissioner Miller is the man who could not be corrupted in the city of Long Beach. He is the same one who exposed the blunders and graft of the Long Beach Democratic machine and was instrumental in their defeat at the polls last November for the first time in fifty years.

Mr. Miller must be saluted as a person who puts human relations before law enforcement. This attitude will create a new policeman, one more concerned and dedicated to insuring peace and justice. The relationship of the "new" policeman to his community will be a better one for all concerned. His relatively simple "golden rule technique" has ushered in a new era of police attitudes, new values, and a measure of new respect in the community.

Perhaps the most important criticism concerning the Long Beach Police Force is the ridiculously low amount of Blacks and other minorities employed (6 percent) as compared to the sizeable percentage of Blacks and other minorities in the City of Long Beach (30 percent).

Long Beach should be an example to other Long Island police departments in the area of police reforms. Previously, Long Beach had the tradition of harassing Blacks and Longhairs. Now that stereotyped vision of Long Beach is also crumbling before the onslaught of reform. Mr. Miller has been instrumental in recognizing the need for basic reforms such as training of more minorities, relaxation of the dress codes, and declining to let the police department take part in a "political repression" scheme against the Young Pioneer Party.

# Hicksville Community

Meeting was called to order by Mr. Siegfried Widder. Representatives from the Fire Department, the Post Office, and the Water District had been invited to give the people a better understanding how these various departments actually operate.

**From Our Fire Dept.**  
Since Fire Commissioner James Taxter had another commitment for the evening, he was our first speaker. Mr. Taxter proceeded to explain what the Fire Department do for our benefit, and to better serve the town of Hicksville. Mr. Taxter spoke of the rescue truck (big white van), white has been proven a better color than the traditional red color generally associated with the Fire Department. All new equipment will be in white, which is the second best color. Yellow, which is used by LILCO is considered the best color.

Mr. Taxter spoke of the many kinds of emergency equipment, and the 15 men that had volunteered to take the medical course. From the extensive training course, they made a list of the equipment they needed. Mr. Taxter spoke of the ambulance service. Doctors must be in attendance, or be at the hospital when the patient is received there.

"We like to have a doctor on the scene to tell us how to move the patient properly. The emergency number for the ambulance is WE 1-0026." Mr. Taxter stated.

"One other step taken is that we have lowered the age for joining the Fire Department from 21 to 19 years of age. Younger fellows coming up are all "gung ho", but when they find they have to get up at 3 a.m., they think twice about their commitment. Our training programs run 35-40 weeks of the year. Every Sunday morning the department drills," he said.

Mr. Taxter explained that the antiquated alarm system, which was taxed to capacity, was being replaced with electronic equipment, and increased from 7 to 10 circuits. Also, the number of alarm boxes have been increased. The new system has a built-in system within itself, and you can immediately know when something is wrong.

"We have a dual equipment home alerting system. Firemen have a home receiving unit and respond to the alert signal by reporting to the nearest fire house. As soon as a call comes into the Fire Department, it is recorded and the tape can be replayed. The telephone call is locked on the line until we ascertain the location of the fire. The line is kept open until we hang up our line. We have a large generator and an auxiliary power system and can maintain our alarm system. We maintain for your benefit preventative maintenance service on the equipment," he explained.

"Our publicity program has attracted over 4000 kids. We get them interested in trucks safety, poster contests, conduct educational programs. We would like your help in preventing false alarms. Impress on the kids this is not the thing to do. This is costly to you," he advised.

Mr. Taxter advised those attending the meeting that we have the lowest fire taxes in both Nassau and Suffolk Counties, and we would like to keep it there. Mr. Taxter spoke of "Operation Edith". Literature is available on "Operation Edith" which is helpful in telling you what to do in a fire emergency. "You would be helping the Fire Department if they didn't have to go into the house to rescue you. We could then start right away to put the fire out," he explained.

In the event of an accident, the rescue truck is available. There are 125 qualified aid men, and there always some around.

There are films available which you can get from the Fire Commissioner. Continental casually also distribute films.

**From Our Post Office**  
Next on the program were our assistant Postmaster Mr. Lester Iehle, and Mr. Vince Hannigan of the Hicksville Post Office.

Mr. Vince Hannigan spoke of the self service unit at the main post office on W. John Street, and the advantages which we should all make use of. We no longer have to wait in long lines. If you have a problem, all you have to do is pick up the phone available for proper instructions.

Next Mr. Hannigan passed around a preparation of all the 1971 commemorative stamps that is available for purchase at the post office for \$2.50. This is the first time ever the post office has made such an offer available, and suggested getting your children and yourself interested.

"We are also now selling tax books at the post office. Also, we are now in the Passport Business. You can now fill out an application pay the fee, present your birth certificate and picture. This service is available 10-4 Monday through Friday," Mr. Hannigan told us.

"Hicksville is no longer a local post office. It is a large facility. We needed automation. We now have 2 machines 70" long 9" high, and can process 70,000 pieces of mail an hour. In the 2 weeks before Christmas, we handled 91 million pieces of mail. We handle a number of zip codes, and dispatch areas in other offices are closing down and being transferred to Hicksville, mainly because they do not have the volume. The employees from other areas are transferred to Hicksville with no loss of pay or seniority. We now have 1900 employees working in the Hicksville Post Office. There are 273 vehicles. We are saving money, and are finally making money," he explained.

Vince Hannigan explained they do have an occasional "snafu" attracted over 4000 kids. We get them interested in trucks safety, poster contests, conduct educational programs. We would like your help in preventing false alarms. Impress on the kids this is not the thing to do. This is costly to you," he advised.

Mr. Taxter advised those attending the meeting that we have the lowest fire taxes in both Nassau and Suffolk Counties, and we would like to keep it there. Mr. Taxter spoke of "Operation Edith". Literature is available on "Operation Edith" which is helpful in telling you what to do in a fire emergency. "You would be helping the Fire Department if they didn't have to go into the house to rescue you. We could then start right away to put the fire out," he explained.

In the event of an accident, the rescue truck is available. There are 125 qualified aid men, and there always some around.

# Community Council Meeting

"We must use zip codes. When there is no zip code, this mail is rejected, and then has to be handled manually. Mail early in the day for the best service. Even UPS is now using zip codes," he said.

Vince Hannigan explained that mail within a 5 mile radius would be delivered the next day. There are additional machines being constructed, and eventually all the mail on Long Island will be handled by these LSM machines. There are 12 operators working on each machine, which has 277 separations. There is downtime of 4 hours a day for maintenance, cleaning, etc.

Vince Hannigan said that tours are available any day of the week, and can be arranged for either day or evening for individual groups or organizations. "If you are a Hicksville resident and want a local postmark, merely place your mail in the Hicksville box in the main post office, and we will give it a local postmark. Parcel post has also been improved, and a bulk facility is being constructed in New Jersey, to speed up this operation. We have run into some problems in construction in getting the pilings for this new facility. We also have a highway service which we truck, and have a converting service to other parts of the country. We have piggy back trailers which are placed of a chassis when it reaches its destination," he told us. We have piggy back trailers which are placed on a chassis when it reaches its destination," he told us.

Mr. Hannigan explained that unsolicited materials received in the mails can be kept, and does not have to be returned.

### From Our Water District

Next on our program was Mr. Harry Borley, one of our 3 Hicksville Water Commissioners, who explained some of the happenings at the Hicksville Water District.

"We do the best job we can, keeping your interests in mind at all times," Mr. Borley stated.

Hicksville Water District was formed in 1921. In 1924 the N.Y. State Water Power and Control Commission approved a new system for the Hicksville Water District, which included 2 wells at the Bethpage Road Site—still one of the major ones in use in our system and the No. 1 site. Storage tanks at that time were 150,000 gallons with an elevated steel tank at Bethpage Road. This tank has since been removed. There are 8 other plant sites in operation or under construction in the Hicksville Water District. These are scattered throughout the district. Each plant site, except one, contains 2 deep wells with capacities of 1 1/2 to 2 million-gallons per day for each well. When plant No. 9 at Alicia Street is completed, Hicksville will have 17 wells in operation with a total

capacity of over 31 million gallons per day. All of the wells in service have been constructed since World War II, since the earlier wells deteriorated to the point that they were retired from service.

"We have more than 1500 hydrants in the system, which are maintained by the water district in good condition for the Fire Department. We are supplying an estimated 80,000 people. When plant No. 9 is completed and its 2 million gallon storage tank placed in service, the District will have 6 storage tanks with a total capacity of about 7 1/2 million gallons. The storage is used as a reserve for the fire demands and to even out the flow on peak demand days. We have been blessed with a delicious wholesome water for many years. Your commissioners intend to keep it this way. The water as it comes from the underground reservoirs on the acid side and would cause corrosion of the iron piping system and copper plumbing without some treatment. For this reason many years ago the water was treated for corrosion control by adding an alkali to decrease the acidity or raise the ph, and a small amount of phosphate. Each week a number of bacteriological samples are taken and analyzed by our Engineers in their laboratories. Periodically, chemical tests are made on all wells and from the distribution system. In addition Nassau County Health Department also do testing," he explained.

The water rate of 30 cents per thousand gallons is one of the cheapest in the area and has been constant since 1941 in spite of increased costs everywhere. Some revenue is obtained by taxes, but this rate has recently been reduced by 50 percent to 10 cents per one hundred dollars of assessed valuation.

"We believe the construction of plant No. 9 is an excellent example of how proper planning can result in a sound financial water district structure. The entire cost of this plant will be paid from existing funds or present budget funds, so that no additional debt service or tax rate will be required," he told us.

Harry Borley stated they are fighting the addition of Chlorine to our water which the new Health Commission for the state has advocated.

### Our Town Meeting

Siegfried Widder had hoped that Councilman Warren Doolittle would be able to attend our meeting and announce himself that we would be getting a traffic light on John Street at the exit of the Post Office and Mid-Island Plaza. The cost of this light for a private individual is tremendous. Mr. Widder announced that Stackler & Frank had deeded over 30' of the lot to the Town of Oyster Bay, and we

(Continued on Page 4)

## HICKSVILLE LIBRARY NOTES

News has been received at the Children's Room of the Hicksville Public Library that the 1972 Newbery-Caldecott books have been chosen. The Newbery medal is donated to the author of the most distinguished contribution to American literature for children published during the preceding year. The 1972 winner is Robert C. O'Brien for his book "Mrs. Frisky and the Rats of Nimh" published by Atheneum. Five runners-up have also been announced. The Caldecott medal is awarded to the artist of the most distinguished picture book for children published in the United States during the preceding year. This year's winner is Nonny Hogrogian for "One Fine Day" published by Macmillan. This is Miss Hogrogian's second Caldecott award; she won her first in 1966 for "Always a Room for One More". Three runners-up for this award were also cited.

Attendees has been good at our Saturday afternoon film festival. The next films to be shown will be on February 26 at 3 p.m. They include "Tadpole Tale", "Three Pirates Bold" and "Tiny Astronaut". "Three Pirates Bold" is about two boys and a dog who set out in a sailboat to find Captain Kidd's treasure.

We have three special exhibits for you to view while you visit us this cold wintry month. The Long Island Lighting Company has presented us with "History of Light". In this display you can see many examples of artificial light used by man throughout the ages. This exhibit is both interesting and educational.

Our central bulletin board is featuring children's books that films were made from. Here you may borrow "Chitty Chitty Bang Bang", "Bed-Knob and Broomstick" and "Charlie and the Chocolate Factory". "The Voyages of Doctor Doolittle"

## Questions and Answers

(Courtesy of Hicksville Public Library)

QUESTION: after reading about the refusal of women being admitted into Annapolis Naval Academy, I wondered when the first woman captain was appointed and who it was.

ANSWER: Captain Sue Sophia Dauser, superintendent of the Nurse Corps, U.S.N. who received the rank of captain on February 26, 1944 and served

until November 9, 1945. Previously, she had held the relative rank of captain authorized by Public Law No. 828, the Pay Bill effective December 22, 1942. She entered the service on September 15, 1917, when she was appointed a Naval Reserve Nurse.

COMPOST SHREDDER-GRINDER**

So extremely rugged it will easily shred hardwood tree prunings 1½" thick. Occasional stones accidentally introduced into the feed hopper are instantly pulverized. The balanced rotor has 24 hardened steel hammers that are free swinging and will not snap or bend under strain. Exterior sealed ball bearings, large feed hopper, ball bearing rubber wheels, 5 H.P. gasoline engine, epoxy painted steel body all add up to quality. It is difficult to find a shredding or grinding chore the PH-510 will not handle easily. Even tin and aluminum cans, newspaper and cardboard or plastic bottles can be instantly pulverized.

The fineness you process your materials is determined by the screen used in the machine. Each unit is shipped including one screen with 1" diameter holes. Other screen hole sizes available. Screens are changed by simply removing two rods. Clutch idler pulley on the gasoline engine permits easy starting.

# Easter Seal Princess To Reign In Nassau County

Perky, ANNE MARIE MULLIGAN, a first grade student at Human Resources School in Albertson, will reign as the 1972 Nassau Easter Seal Princess, representing all handicapped children who benefit from Easter Seal programs. ANNE MARIE, 7-year old daughter of Mr and Mrs. William Mulligan of Massapequa, was born with Spina Bifida but, with the aid of full leg braces and crutches, she now swings through life along a trail of accomplishments helped by the Nassau Easter Seal Society.

Through the Society's programs of Physical Therapy, Dental Care & Education, Recreation and Camping, ANNE MARIE, and hundreds of boys and girls like her who need special help, participate in a full roster of activities with rules and equipment adapted to meet their special needs.

Easter Seal help is available to all physically handicapped people, regardless of the cause of disability. Each year over 300,000 people across the country receive Easter Seal aid that brings them out of isolation and despair into independent, productive lives. Millions more across our nation need the kind of innovative and important services Easter Seal develops and brings to them with the funds raised mainly through the massive Easter Seal Campaign Appeal.

As her first official duty, ANNE MARIE urges all residents to "Please help all you can. Give to Easter Seals so my friends and other boys and girls like me can

**FELLOW STUDENTS** from Human Resources School, JOHN MC MORROW of BETHPAGE and JOSEPH CIRELLA of PLAINVIEW flirt with the coquettish Nassau Easter Seal Princess, ANNE MARIE MULLIGAN of MASSAPEQUA, as BONNIE SALANDER of HICKSVILLE looks on.

During her reign as the 1972 Nassau Easter Seal Princess, ANNE MARIE will represent walk... and swim... have friends... and come to our great Easter Seal Camp." At 7-years of age, ANNE MARIE is as happy as any able-bodied child her age and she looks forward to growing up and becoming a mommy... or maybe a nurse so she can help others to face the many operations she has with hope and without being afraid.

hundreds of boys and girls who benefit from Nassau Easter Seal Programs. With game rules and equipment adapted to meet their special needs, these severely handicapped children participate in a full roster of activities through the Nassau Society's programs of Physical Therapy, Dental Care & Education, Recreation and Summer Camping.

# Holy Family Open School Board Meeting

Mr Stewart Royce of the Hicksville Junior High School was the guest speaker at the Holy Family Open School Board meeting held in the school cafeteria on February 10.

Mr. Royce spoke to the parents of children who will be entering the Hicksville Junior High School in September, 1972. About 40 students plan to enroll in the 9th grade.

He explained the importance of testing the students (placement scoring) so that their programs may be prepared for the Fall term. It is necessary to use a computer to prepare the schedules of 2700 students who are now attending the Junior High School. Mr. Royce answered many questions asked by the parents. During this discussion it was learned that a Foreign language may be started in the 9th grade. Shop, introduction to business, home economics and personal typing are some of the subjects also open to 9th year students. However, new 9th grade students cannot enroll in band and chorus, because the band and chorus programs are started in the 7th grade.

All the extra curricula activities are open to all students after school hours. Mr. Royce's speech was most enlightening and the parents are looking forward to attending Orientation Day in May.

# COURSE FOR WOMEN AT LIBRARY

**WOMEN!** Now that the children are older are you thinking of entering or re-entering the business world and wondering how to go about it? The Town of Oyster Bay will give a course at the Plainview - Old Bethpage Public Library entitled **WOMAN'S WORK HAS JUST BEGUN!** It will consist of six weekly two hour workshops which will enable a woman to 1) explore herself, and re-evaluate her role, 2) find her hidden abilities, 3) discover her path to the working world, and 4) hopefully, gain the self-confidence needed to take that first step back into it. The course will

be given by the well known lecturer Nancy Sklar, member of the Barnard College Vocational Advisory Committee and author for 2 years of the column **Woman's Work Has Just Begun**, starting Wednesday, March 8 from 1:00 PM to 3:00 PM. Checks for the registration fee of \$12 should be made out to the Town of Oyster Bay Workshops and mailed to them at 7800 Jericho Turnpike, Woodbury, N.Y. 11797. Registration is open to residents of the Town of Oyster Bay. Registration forms are available at public libraries in Town of Oyster Bay or by calling 921-5944.

# Baseball Registration

The Hicksville Baseball Association will hold its only open registration for the National Little League, Pony League, Colt League and Connie Mack Leagues in Levittown Hall on Beech Lane and Levittown Parkway on Sunday Feb. 20, from 1 P.M. to 4 P.M. and Monday Feb. 21, from 10 A.M. to 1 P.M. Registration fees are \$10.00 for 1st boy or \$15.00 per family. First year boys must be 8 years old no

later than Aug. 1, 1972. Parents must accompany boys to sign registration form. The Hicksville National Little League boundaries are the L.I.R.R. tracks on the North, the west side of Jerusalem Ave. to the East. The school district lines to the South and West. Pony, Colt and Connie Mack Leagues are open to boys age 13 to 18 and covers all of Hicksville.

# Coffee House To Open

Togetheress is the theme of the MODYA (March of Dimes Young Adults) Coffee House as Hofstra University opens its Private Dining Room doors on Friday, March 3rd at 7:30 p.m. to all disabled young adults. The Coffee House is co-sponsored by the students of Hofstra University and the March of Dimes.

The atmosphere will be filled with contemporary music and a bouquet of fine wines and cheeses as Hofstra volunteers bring in an air of excitement and personal friendship as they host this latest Hofstra - March of Dimes community program.

Those wishing to join in the fun are urged to call Gail Grossman at 248-4950 or Susan Levine, after 5:00 p.m., at 223-7248.

# Giant Ice Sculpture

Nationally known, prize winning Ice Sculptor, Benjamin Bimstein, will personally hand-carve giant sculptures in ice to grace the Ice Show for the Gregory Museum, being held at Cantiague Park in Hicksville on Tuesday, Feb. 29th at 8:30 P.M. They are being donated to the Gregory Museum in the name of the Syosset Rotary Club. The artist is the bulletin editor of the club.

Mr. Bimstein is the owner of American Ice Sculpture of Hicksville as well as the Banquet Director of the Golden Meadowbrook Caterers of Jericho. Since 1946, he has won top National awards in Ice Sculpture and Culinary Art at the National Hotel Exposition at the N.Y. Coliseum and at the

Chicago National Hotel Exposition. Among his creations have been: Pres. Eisenhower's portrait in ice for the Presidential Collation Buffet, The Gold Crown in Ice with diamonds for the British Queen's Coronation Ball, and many others.

Mr. Bimstein is also a member of the Suburban Art League and has won many first prizes for sculpture in traditional mediums in bronze, plaster, aluminum and lately, epoxy plastics.

His feeling is that since Ice Sculpture by Japanese craftsmen now graces the Olympic scene, then, by all means, the Syosset Rotary should see that Hicksville and the Gregory Museum get the same indescribable beauty afforded by these pieces, to grace the local scene.

## Reminder to Residents

Nassau County Police Commissioner Louis J. Frank reminded county residents that state law now grants amnesty on any day of the year for the voluntary surrender of unlawful weapons.

Frank also urged returning war veterans to surrender firearm war souvenirs, and reminded persons who have purchased hand guns in other states that unlicensed concealable firearms are illegal in New York.

Weapons included in the amnesty are pistols, revolvers, knives, blackjacks, metal knuckles, firearm silencers and other dangerous weapons.

Persons having such weapons should call the nearest county police precinct and make arrangements to surrender them.

## Plan Addendum Issued for Jericho

By Janet Gosnell

Following a public meeting at Jericho High School on February 7th, the Planning Advisory Board of the Town of Oyster Bay issued an addendum to its Jericho Development Area Plan calling for alternate types of residential development on the vacant tract of land west of the First National City Bank property.

The addendum was prepared with the technical assistance of Raymond, Parish & Pine, White Plains planning consultants, retained by the Oyster Bay Town Board to develop a master plan for the township.

Prefacing its alternate plans with the statement that the Advisory Board has not taken position of preference between the two, the addendum calls for single family residential development in the area, based on road improvements to Jericho "Turnpike, or, as an

alternate, town houses and garden apartments at a density of 6 dwelling units per acre in the front portion and single family homes on the portion in the north of an internal service road, on which the later plan is based.

The report stated the addendum was in accordance with modifications of the Planning Advisory Board following the January issue of the plan and with the public meeting held on February 7th.

## More Around Town

(Continued from Page 5)

Patricia M. Ryan of HICKSVILLE has been named a banking officer of National Bank of North America. She is assistant manager of the bank's South Farmingdale branch.

A native New Yorker, Miss Ryan has completed the basic certificate through the American Institute of Banking at Hofstra University. She joined the bank in 1958 as a secretary and became a teller in 1959. She was promoted to administrative assistant in 1969 and became a management trainee in 1970. She was transferred to South Farmingdale as assistant manager last May.

Mary Ann Perchinski of 8 Hope Lane HICKSVILLE, will be two years old on February 27. Happy Birthday Mary Ann.

Congratulations to Alvan Petrus of HICKSVILLE, who was reappointed to the Nassau County Youth Board by County Executive Caso. This unsalaried position is a great service to the young people of our Country.

Happy Birthday to Michael Izzo, 47 Winding Rd., HICKSVILLE, who will be 4 years old on Feb. 26.

## Installation Dinner

Company No. 5 (Strong Street) the Hicksville Fire Department is having their installation dinner on February 26 at the Holiday Manor. Those to be installed are William Hummel as Captain Al Nolan as First Lieutenant and Robert Perchinski as Second Lieutenant.

## The standard deduction is up this year. But maybe you should itemize.

Your best buddy Lenny might have told you to itemize your deductions because it would save you more tax dollars.

Your neighbor possibly suggested taking the standard deduction because you'd pay less taxes that way.

And Frank down at the office he helps everybody with their return... what did Frank recommend?

If there's some way to save you money on your income tax, H & R Block will know how to do it.

Itemized and standard deductions are nothing new. We've been preparing returns for years using both. We'll figure out your situation both ways and then prepare your return using the method that's best for you.

You see, for only a few dollars more than it costs to do it yourself (with advice maybe from some other amateur), you can have your tax return prepared with complete confidentiality by a specially trained member of the H & R Block team. There are thousands of them in over 8,000 conveniently located offices.

Each member of H & R Block is warm, friendly and anxious to help you. A visit to H & R Block usually takes just a short time. Once in our office, you sit down over a free cup of coffee and possibly learn

things about your income tax that you never knew existed. Things that we know, because income tax returns are our only business.

H & R Block's fees start at \$5 and the average cost was under \$12.50 for over 7 million families we served last year.

Furthermore, if your return is audited we will accompany you, at no extra cost, to the Internal Revenue Service and explain how your return was prepared, even though we will not act as your legal representative.

It means that H & R Block also offers you year-round tax service for just one low fee, with no extra charge for audits and estimates.

Yes, it's true. The standard deduction is up this year.

It's one of the many things we'll consider when we do your return.

**DON'T LET AN AMATEUR DO H&R BLOCK'S JOB.**

## H&R Block.

The income tax people.
