Hicksville Rotary Club, 12 noon, Milleridge Inn, Jericho.

## Hicksville Community Orchestra

The Hicksville Community Orchestra, under the direction of Charles Gouse, will present a concert on Sunday, March 26, at 3:00 P.M. in the auditorium of Hicksville High School.

The orchestra, now in its tenth year, will play the Prelude to Act III of Die Meistersinger by Richard Wagner, Brahms' Symphony No. 4 in e minor and Handels Concerto in g minor for oboe.

Frank Weilbacher, solo oboist of the Radio City Music Hall Symphony Orchestra will be the soloist in the Concerto.

The Concert is free to the public and all are cordially invited to attend.

## GPCA Viewpoints on Zoning, Oil Terminal

With the statement that "hundreds" had planned to attend the night hearing scheduled for Tuesday evening on a petition by Milton Levin & Max Gruber for a change of zone for garden apartments in Plainview, Mrs. Carol Fishman, of the Greater Plainview Community Association, requested that all zone changes be postponed until after a master plan had been completed.

The lawyer for the petitioner requested a postponement on the hearing of his petition, which concerns a triangular parcel north of the Long Island Expressway just west of Round Swamp Road and abutting the Huntington Town Line. The petition calls for 352 garden apartment units.

Mrs. Fishman also requested that neighboring municipalities be consulted on the petition, which concerns property on the Suffolk County line.

The site of proposed garden apartments is not very distant from the 6½ acre tract on which Northville Industries would like to install a "satellite" oil terminal, consisting of nine storage tanks to contain auto gasoline and oil. The hearing on the terminal is set for April 4th.

Mrs. Fishman said that great opposition was building among the civic associations in the Town of Oyster Bay to the installation of the terminal, which, she feels, could be a great hazard to the community. The subject property is adjacent to the Industrial Park and behind the Holiday Inn, north of the Long Island Expressway.

She stated that her group feels such an installation should be in the middle of vacant land which should remain vacant, and that great safety measures must be instituted before its installation should be considered.

## At School Board Meeting Project Plan Evaluation Work On Annual Budget

By Shirley Smith

Another crowd of over 200 people attended Tuesday's School Board meeting and heard Dr. Jerome Niosi, Superintendent of Schools, make his report on the evaluation of individualized instruction (I.I.). Many parents came to the meeting to defend or condemn this program which began as Project PLAN in 1967 in Woodland Avenue School.

The Board of Education had received an evaluative study of I.I. several weeks ago and revised copies of this report were handed to them just prior to Tuesday's meeting. They said they were not prepared to discuss the item, but did permit Dr. Niosi to discuss his recommendations and answer some questions from the audience.

Dr. Niosi reported there is not a great deal of significant difference between test results of students in I.I. and those in conventional classes. Neither are the costs that disparate. He found—after viewing classes and studying reports from our professional consultant, Donald

Abt; from parents, teachers, principals and administrative staff—that the students benefit. "They are better motivated, better disciplined and have better attendance records."

Dr. Niosi recommended that I.I. be phased out at the second level, but that those children now in the program in the elementary schools continue through the sixth grade. He also recommended that one more class start I.I. next fall—those children who will be in the first grade in September—and continue through fifth grade. During this time further evaluations will take place and we will be able to see how individualized instruction students adjust to a conventional program in Junior High.

The School Board took no action on Dr. Niosi's proposal. Their only action regarding individualized instruction was approval of a motion by Mr. Pappas to send out test results (including 1971 reading and math scores) on students in I.I. and

conventional classes to all Hicksville residents. There will be no explanation of test scores sent out, but copies of the I.I. evaluation will be made available at each school so that interested people will be able to study the full report.

The Board of Education set May 2 as the budget vote, but there seemed to be a great deal of uncertainty about being ready in time. Mr. Clark objected because he felt something was being "rammed down our throats." No other dates were set in conjunction with the vote (public budget hearing, registration, etc.)—these details will be worked out at the next meeting. Nor did the Board set any public meetings during their discussion of separate budget codes. In

See editorial, "Dear Friends" on Page 4

move to questions from the audience, Mr. Marston stated (Continued on Page 12)

## Hicksville C of C Met To Discuss New G-1 Zoning

The Hicksville Chamber of Commerce met at the Milleridge Inn on March 7th to discuss the new G-1 zoning for downtown Hicksville. Mr. Lawrence

Turner, and the general membership feel the community has long been victimized by its

location and lack of concern and planning at all levels of government.

MR. FRANK CHLUMSKY, Albert Heuer and Mr. Kenneth deJongh, president of the Hicksville Lions Club, are shown with the EdnaLite MasterLens donated recently to the Hicksville Public Library by the Lions Club. Mr. Chlumsky and Mr. Heuer are enthusiastic Philatelists and are shown examining the Miskus Stamp Catalog.

The EdnaLite MasterLens is a visual aid that has proven very effective to assist the visually handicapped to read, do homework, inspect minute objects, (such as stamps) with both hands free.

This lighted magnifying lens may be borrowed for home use by any member of the community having sight problems. A schedule will be worked out for the period of time it may remain in a home, depending on the number of people who will request the use of the EdnaLite. It is now available for your use in the reference department at the library. The World Almanac, telephone books and other publications difficult to read with the naked eye can be easily read with this new visual aid.

# Hicksville Community Council Meeting

Meeting was opened by Sheila Noeth, who explained the formal program planned for the evening usually comes first, with the remaining time given over to whatever problems those attending wish to discuss. However, because our Councilman Warren Doolittle has another commitment, the order of procedure was changed for this evening's meeting.

The question of the 40 mile speed limit on Newbridge Road was discussed with respect to the "end of speed limit", and its effect on the Holy Family School, Holy Trinity High School, and now the Senior Citizens.

Warren Doolittle stated this was a matter for the state since Newbridge was under their jurisdiction, and felt they should install radar in this area. Warren stated he would check further into this matter.

It was also discussed at the meeting that on the exit of Northern State and Broadway, Route 106 should be listed on the sign as well as Route 107.

Charles Fetta asked if anything

was underway to improve the lighting conditions around Hicksville.

Warren Doolittle stated that there are mixed feelings about the mercury vapor lamps, some request it, not desired by others. We will not put mercury vapor lights in unless 75 per cent of the people want it. "Make a survey by canvassing your area, and then let us have the names and addresses of people you have contacted," he said.

Eileen Jackson felt the area of Stewart Avenue and Dutch Lane could use this type of lighting.

Mr. Doolittle suggested we check with him periodically and he would try to get this problem taken care of.

Another question from the audience concerned resurfacing N. Fordham Road. It was also noted that while roads are being repaired, they would be dug up again when the sewers are put in.

The next discussion concerned the poor planning insofar as Mid-Island Plaza traffic is concerned, and the problems of exiting onto Broadway. This entire situation

of entering and exiting should be studied. Even signs would help (BROADWAY THIS WAY).

Skating rinks, and the fact there is no way one can go into competition was next discussed. This appears to be a question of money.

Warren Doolittle stated there is usually ample room at the Bethpage Ice Skating rink and pool. The only problem is that non-residents pay more. There are no immediate plans with respect to the ice skating—but it has been discussed. Levittown pool comes within the joint pool district, Town of Oyster Bay, and the Town of Hempstead. "When anything comes up, the joint pool district decide policies. Have discussed enclosing this with a bubble. To go into anything beyond a bubble is too expensive," he stated.

With respect to West Village Green No. 19 & No. 20 parking lots, Mr. Doolittle advised a resolution had been passed to have these repaved sometime when we have a break in the weather. "We have gone up on many occasions and sifted the sand for the broken glass, and we are considering artificial turf from which glass could be picked up quite easily," he explained.

"Levittown Parkway is going to be refurbished. Our Town Councilman told us.

Another question concerned the moratorium on Broadway. Mr. Doolittle explained there is no moratorium existing in the G 1 Zone. A building is going up on Duffy Avenue, and the general opinion is this is the first step, that once the building is put up there will be the proper redevelopment of the Hicksville area. This building will cover about 40 per cent of the land designated for this project. He stated, he could bring down the plans on this building to the next meeting. He also stated that until property is accumulated, nothing can be done on Broadway. "I would like to see people pick up big parcels to qualify for G 1 Zone," he said.

Mr. Doolittle stated that an additional 500 units for our Senior Citizens had been applied for—cannot tell exactly how many we will get. To qualify income must not be more than \$5,000.00, and not more than \$15,000.00 in the bank.

Mr. Doolittle next spoke of the new parking garage which is equipped with meters, and that all community parking lots would be equipped with meters. Statistics show that the bulk of the people parking are not from the Hicksville area. Parking stickers for residents are available for \$1.00, out of town \$5.00. An increase in these fees is being discussed. It was

suggested something be done to those sides of the new parking garage to alleviate the glare from the sun, etc.

"Can anything be done about the sun to make them a little bit less accessible?" was the next question.

Mr. Doolittle stated that parents cut the wires so that the children can use them for sleighing. We need constant surveillance of a sump. This will have to be checked into.

The play "Guys & Dolls" by the Hicksville Faculty for the benefit of the Scholarship Fund was announced. Tickets are available through Mr. Lieber of the Guidance Office.

Mr. Barnes announced the many wonderful films coming to Hicksville Library. There will be a series of old films starting back from 1938. There is a very interesting calendar of events coming up at the library.

Sheila Noeth announced the next part of our meeting would concern the philosophies of our local school and library oriented organizations. R. Charles Fetta represented LIFE in Hicksville, League for Intelligent Financing of Education; and Omy Maers representing a Coalition of Concerned Citizens. Sheila Noeth explained this was not a debate, but an opportunity to explain what their organization stands for and to help these organizations to get their message across.

Mr. Charles Fetta representing Life went back 4 years to 1967 when we had a record tax increase of 11.8 per cent, and from trying to seek explanations for this increase, as well as answers on the \$750,000 surplus, LIFE came into existence. "15 concerned parents founded our organization determined that we will not deprive our children of an education," Mr. Fetta stated, we need a proper balance that includes the basic needs of the people. Today parents are being taxed out of the community. School can only prosper if the family and community prosper. We must keep the rate of expenditures down," he said.

Mr. Fetta stated Life was instrumental in:

1. Defeating 5 budgets out of 9
2. Instrumental in having transportation placed on a separate issue
3. Redistricting pupils
4. Saving of \$4,800 worth of carpeting work at Woodland Ave. School
5. Runaway sex program withdrawn—new committee was formed.

Mr. Fetta spoke of the Life recommended "Merit Pay" for the teachers to increase the productivity of teachers.

Mr. Fetta stated that the 87

cents per 100 increase was the lowest figure in the last 4 years.

A question from the audience "Has the school population gone down and doesn't this account for some reduction in taxes?" Mr. Fetta stated there were 2,000 less than there was in 1963.

Omy Maers was the next speaker of the evening and stated he was getting together a group for the purpose of Coed Education, taking into consideration the taxes and money involved in accomplishing this. Omy Maers stated they are interested in speaking with potential candidates now. There are certain objectives which must be considered, particularly "What makes a good school board member?" Mr. Maers stated we hear of excess spending, but we do not know what the not spending now might cost us. Children are only young once, and we must give them the best possible education we can.

One parent felt we are more or less phasing out "Project Plan". One of her children was involved in this project and has been going from month to month without accomplishing anything, she said.

Omy Maers said this was an educational procedure of Westinghouse involving the pupil and the teacher, and that studies had indicated this method was very effective.

Omy Maers stated we have high salary qualified administrators, which I would like to have pass judgement on the books to go into the library and the schools. There is a difference between money and education. To pass judgment on the books, they should be experienced, and we should take their judgment as educators.

Omy Maers next questioned the "Merit" raises for teachers, which he felt would have many detrimental effects.

Recreation was brought up by Steve Weinblatt as to why it was deleted from the program, and was advised this was "voted down by the people".

## Council Against Drug Abuse To Meet

The next meeting of the Plainview-Old Bethpage Council Against Drug Abuse will be held Thursday, March 16, 8:30 P.M. at the Plainview Reformed Church, located at 560 Old Bethpage Road, Old Bethpage. The guest speaker will be a former drug addict, now associated with the Nassau Drug Commission. All are invited to attend.

# Fire Chief Cites Problems With Some Public Adjusters

by Capt. Owen Magee

Hicksville Fire Chief Melvin Voorhies wishes to inform Hicksville residents to be aware of some public adjusters. The public adjuster is licensed to represent fire victims in settling their claims with insurance companies. But some have abused this function to take advantage of people under stress. Sometimes at the very moment their homes are burning. This is done when some adjusters monitor the fire dept. radio frequency. Upon hearing of a fire at a specific address, they call the home and ask for the insurance brokers name, the bank holding the mortgage, and sometimes the victims lawyer. Many times they impersonate a fire or police officer on the phone. The adjusters require that a retainer be signed which gives them a percentage of the final settlement.

Here are some do's and Don't's that will help you in case you suffer loss from fire.

1 The Hicksville F.D. or county police dept or fire marshal DO not authorize any adjuster to use its name.

2 No police or fire official ever calls by phone. If you get any calls do not give out any information.

3 Adjuster must appear in person and show proper identification.

4 Always contact your own insurance broker as soon as possible. Ask his advice. He may suggest an adjuster if one is needed. He also may do the same job himself.

There are many honest public adjusters who abide by the rules. Their service is valuable and worth the fee. We just wish to point out the problems that could arise.

Play it safe. Contact your own broker first. Don't give any info. By phone to anyone. If a problem does arise notify the fire marshals office in Mineola (Nassau County Fire Commission). They will advise you.

## False Alarms Plague Firemen

This past week Hicksville Firemen responded to 7 false alarms. Some of them in the early morning hours. Fire Officials were forced to dis-connect

several alarm boxes due to repeated false alarms. This seems to be the only way to stop the needless waste of money and risk of life.

## ON THE CAMPUS

Rochelle Heisler, 54 Lincoln Rd., W. PLAINVIEW and Ruth Spandau, 7 Terry Place PLAINVIEW were named to the Dean's List at Mohawk Valley Community College.

Named to the Dean's List at Nassau Community College was Seth B. Sherman of 81 Grohman Lane, PLAINVIEW.

Congratulations to Gene Gumanow, Editor-in-chief, a sophomore at Nassau Community College on being one of the 5,000 student editors who attended the annual convention of

the Columbia Scholastic Press Association.

Six Hicksville residents have been named to the Dean's List of State University College at Oneonta for the fall semester of the 1971-72 school year, according to Dr. Carey Brush, Acting Vice President for Academic Affairs at the College.

Included are: Ricki B. Glaser, 78 Haverford Rd.; Edward D. Kingsley, 48 Link Lane; Karen J. Kladerman, 6 Balsam Drive; Arthur S. Leahy, 18 Alexander Avenue; Lawrence R. Roby, 97 Gardner Avenue; and Susan H. Vooris, 124 Cottage Blvd.

### LEGAL NOTICE

## ACCIDENT REPORT

March 7 - 11:40 p.m. - Automobile accident on Seaford-Oyster Bay Expressway, 1000 feet south of Jericho Tpke., Woodbury, involving cars driven by Elderhard Sedat, of Cove Edge Rd., Syosset, and Robert J. Denner of 65 Straiford Rd., Plainview. Both cars were going north on the Jericho Tpke., exit ramp of the Seaford Oyster Bay Expressway when they were in collision. Robert J. Denner was taken to Syosset Hospital with lacerations of the face.

March 11 - 1:35 a.m.

Automobile accident on Old Country R. at Charollette Ave., Hicksville, involving cars driven by Christopher Callahan, 63 Winter Lane, Hicksville; Michael Callahan, 63 Winter Lane, Hicksville; and Donald Navin, of Freeport. Both Callahan cars were stopped in the west lane of Old Country Rd., when they were struck by the Navin car, also going west on Old Country Rd. The following were injured and taken to Central General Hospital: Robert Burns,

6 Summit Rd., Hicksville, (passenger C. Callahan's car, lacerations of the head. Mary Burns, 6 Summit Rd., Hicksville (passenger C. Callahan's car) shock; Irene Seery, 15 Georgia St., Hicksville (passenger M. Callahan's car) neck pain. Louis Gebhardt, 12 Boxwood Lane, Hicksville, (passenger M. Callahan's car) lacerations of the head; John Well, of Levittown, a passenger in the Navin car, facial lacerations; and Donald Navin, facial lacerations.

## "The Barber of Seville", Performs Magic

Leo Gillary

Magic was performed in the auditorium of Jericho High School last Thursday evening, March 9th. As the house lights were lowered, the regal red velvet curtains glowed under bright spotlights and Maestro Boris Goldovsky raised his baton for the lyrical, lively overture. As the curtains parted, we were swept into the fantasy of an 18th century courtyard in Seville, with a lovely fountain splashing delightfully.

For the next three hours, the audience was transfixed with the madcap, witty antics of Figaro and his connivance to help Count Almaviva woo and marry the lovely Rosina. It was an exciting demonstration of Grand Opera as living theater by Boris Goldovsky's Grand Opera Theater.

Mr. Goldovsky has been known by millions of radio listeners as Mr. Opera because of his interesting discussions on the Metropolitan Opera broadcasts on Saturday afternoons. His

exceptionally talented company of fifty included truly outstanding singers, a most talented youthful orchestra and chorus. It was opera at its best. The audience at this Mid-Island Concert Association presentation will always recall with pleasure the lilting strains of Figaro, Figaro, Figaro and other familiar arias. This wonderful opera company was the last program of our 1971-1972 Series. We are certain Mr.

For the bad that needs resistance  
For the future in the distance  
And the good that we can do."

## LETTERS TO THE EDITOR

Dear Mrs. Noeth:

I hope that you were able to attend the production of "Guys and Dolls" as performed by the Hicksville Faculty last weekend.

We live in a period when curtailed school budgets call for austerity programs. It is also a period when Administrators and teachers are frequently criticized by residents of the community - and at times perhaps unjustly.

It was therefore most refreshing to witness a group of men and women comprising a portion of the Hicksville school faculty, with superb assistance from the students, undertaking a performance and I am told on short notice as well, for the specific purpose of raising money for a scholarship fund, which will benefit someone's child or children in the Hicksville community.

I sincerely believe that these very fine people should be

publicly congratulated for their fine and dedicated devotion and as a resident of our school district, I would personally like to express my thanks to them. They dedicated themselves to a worthy cause and with it they produced a sense of warmth in our community which will last for a long time.

I am certain that you too share my sentiments.

Sincerely yours,  
ALEXANDER NEWCORN

Dear Editor:

In the hopes that there is still some civic pride in someone's breast, we request that the following be printed.

Two of the best known community service organizations have proven either disinterested or inept in securing the minimum public relations we seek for Hicksville.

We are requesting that through proper local governmental channels, as necessary, (1) approval be obtained to erect commemorative plaques at all entrances to Hicksville (2) that plaques be purchased and erected as soon as possible, said plaques to state that Hicksville is the home of N.Y. State Baseball Pony League Champions and also of Long Island Baseball Colt League Champions, 1971.

This is the first time that Hicksville has had 2 League Champions and we believe this is sufficient an honor that some notice of it be given to the "outside world."

Please advise us if any civic group would care to undertake this public relations effort. We shall appreciate any help we can give us.

C W Wannen  
Hicksville Baseball Association

## Dear Friends:

At present the Board of Education of Hicksville, District 17, is conducting a series of budget hearings IN EXECUTIVE SESSION. For the past few years it has been the custom in this District to hold these budget sessions, with those interested in the District attending. Then, one public budget hearing is scheduled, by law, each year...but that is when the budget is gone over, item by item, and more or less finalized. Also, we understand, our PTA's have Board members and administration scheduled to speak at certain of their meetings, but that is not an item-by-item approach to school budget study.

Board members have been questioned as to these executive (private) sessions and to date have not promised more than the one public hearing. However, it is not impossible that they may change their minds. We hope they do.

In West Hempstead, School District 27, where they have been on austerity for the past two years, a new system has been installed to improve the communication between the Board of Education and the taxpayers who are interested in obtaining a better understanding of the school's budget, even to the extent of helping with its planning. We print herewith, from the March 9th issue of THE WEST HEMPSTEAD BEACON, a report of the first of a series of budget hearings. We think it is a great idea and hope that our Board will consider something of this nature.

Supervisor  
JOHN W. BURKE

The Public Service Commission has announced that it has postponed its determination on Lico's request for a rate increase until April 13.

You may recall that, at the public hearings held by the PSC this past January, I urged the commission to postpone any rate increase until a more understandable projection of rate increase scheduling can be made over a foreseeable period of time. As I pointed out at the hearing, this was Lico's third request within a period of a year - each of which was less than 2.5 percent and thereby avoided the requirement for a public hearing.

It is this piecemeal approach that we find so reprehensible. The archaic system, and procedures used by both the utility and the PSC in determining the propriety of a rate increase only stir these muddy

waters a little more.

Let's hope that the PSC modernizes and clarifies its procedures so that Lico can present its case for a rate increase in a logical form readily understandable to the average consumer.

As a point of information, you might find the following news item from one of last week's daily papers of interest:

"The Long Island Lighting Co. in 1971 had the highest percentage increases in revenues from the sale of electricity over the previous year of any of the seven largest electric utilities in the state, the Public Service Commission reported yesterday.

"Lico's increase in electric revenues of 19.1 percent compared to an average increase of 15.3 percent for all seven utilities, the PSC said."

I think they've said it all

### LEGAL NOTICE

THE PEOPLE OF  
THE STATE OF  
NEW YORK  
TO SAMUEL ISAACS  
GERTRUDE ISAACS  
FLORENCE ISAACS

And if said persons or any of them be dead, any and all unknown persons, who are the respective executors, administrators, heirs at law, next of kin, distributees, legatees, devisees, husbands or wives, or successors in interest of said deceased persons who are unknown, and cannot, after diligent inquiry be ascertained.

GREETINGS:  
WHEREAS, ALFRED GOLD-SMID who resides at 100 York Avenue, New Haven, Conn. has lately applied to the Surrogate's Court of our County of Nassau, to have a certain instrument in writing bearing the 5 day of November, 1963 relating to both real and personal property duly proved as the Last Will and Testament of Deborah Isaacs deceased who was at the time of her death a resident of 78 Dean Street, Hicksville, in said County of Nassau.

THEREFORE, you, and each of you, are cited to show cause before the Surrogate's Court of our County of Nassau, at the Surrogate's Court, Nassau County Court House, at Mineola

TOWN NOTES: It is also gratifying to see that the Association of Towns of the State of New York, in its 1972 position statement, has supported my contention that it is discriminatory for the New York Telephone Company to refuse to grant the same preferential rates to towns as are given to cities and villages.

I have asked the commissioner of the New York State Department of Health to consider a waiver of the recent regulation requiring the chlorination of all public water supplies. This would be in those instances where the Nassau County Department of Health finds that the bacteriological quality of the water is satisfactory and that the ground water is adequately protected from contamination while awaiting distribution.

### LEGAL NOTICE

in the County of Nassau, on the 26th day of April 1972 at ten o'clock in the forenoon of that day why the said Will and Testament should not be admitted to probate as a Will of real and personal property.

IN TESTIMONY WHEREOF, We have caused the seal of the Surrogate's Court of our said County of Nassau to be hereunto affixed.

WITNESS, HON. JOHN D. BENNETT, Surrogate of our said County of Nassau, at the Surrogate's Office, at Mineola, in the said County, the 10 day of March 1972.

## First Of A Series.

# School Board Holds Budget Hearing

By Davis G. Whelpley

The West Hempstead Board of Education opened the first in a series of public hearings on the 1972 school budget at a special meeting on February 29.

The Board introduced a new procedure designed to give the audience a better opportunity to participate in the discussion of budget items as they are presented. The portion of the budget under discussion is flashed on a screen and held for the period those items are on the table. The method proved highly successful in keeping community members aware of each item and the relative

figures. While most of the budget is still in preliminary stages, the Board showed a willingness to discuss at length any budgetary matter regardless of size.

There is also in effect for this year, a Citizens Budget Advisory Committee. This committee, appointed by the Board is charged with studying the budget and bringing to the Board, its own expertise and judgement of community feelings. The committee, composed of five West Hempstead residents has appointed Mr. Raymond Graber of Roosevelt Boulevard as chairman. The committee

is, for the most part, men of accounting and educational experience, none of whom however are in the West Hempstead school system.

There will be more budget hearings, most of which will be on Tuesday nights at 8:00 PM at the high school. Specific dates will be announced as they are known. The School Board is attempting to inform as many people as possible as to the budget and invites inquiries into its details. They ask that the people of West Hempstead inform themselves and weigh carefully how they will vote.

# Around Our Towns

By Linda Noeth Scotti 796-1286

Congratulations to Joel and Fern Albala, formerly of PLAINVIEW, on the birth of their daughter Lorraine Paige on March 4 at North Shore Hospital.

Welcome home to Mr. and Mrs. Weldon Endorf of Hicksville and their son Doug who have just returned from Nebraska after helping celebrate their parents 50th wedding anniversary.

Happy Birthday to Neafie J. Buck, III who will be 9 years old on March 20. He is the son of Mr. & Mrs. Neafie J. Buck, Jr. of 84 Bay Ave., Hicksville. He is also the brother of Jimmie and Richie.

Mrs. Paul Rigdon, of Vallejo, California, daughter of Mr. and Mrs. George McIntosh, 84 Lenox Ave., HICKSVILLE, is at Lido Beach in training with the United States Customs Dept. She is the granddaughter of Mr. and Mrs. Frank Chlumsky of HICKSVILLE.

S Sgt. and Mrs. Robert Pappaceno and sons, Robby, Peter and Paul of Westhampton Beach, spent last Sunday at the home of friends, Mr. and Mrs. Anthony Scotti of Levittown. Mrs. Pappaceno is the former Joyce McLaughlin daughter of Mr. and Mrs. James McLaughlin, who are former HICKSVILLE residents. She is the niece of Miss Clara Keller, Harding Ave., Hicksville.

Happy Birthday to Richard Moorehead, 40 Pickwick Ct., HICKSVILLE, who will be 11 on March 21.

## Woodland Ave. PTA To Meet

On Tuesday, March 21, at 8:30 PM Woodland Ave. PTA will have their regular meeting. A nominations slate for PTA officers will be presented. This should be an interesting program so don't miss it. Refreshments

Announcement has been made by Mr. and Mrs. Raymond J. Evans of Massapequa, of the engagement of their daughter, Doreen Ann, to William J. Arteca. William is the son of Mr. and Mrs. Michael Arteca, of PLAINVIEW. Congratulations!

Happy Birthday to Cheryl Albach, 26 Friendly Rd., and Catherine Glass, 41 McAllister Ave., both of HICKSVILLE, who will celebrate on March 23. Cheryl will be 8 years old and Catherine will be 1 year old.

Boy Scout Troop No. 293 will have their Court of Honor on Friday, March 24 at 7:30 p.m. at the Methodist Church, Old Country Rd., Hicksville. At this time, the boys will receive merit badges and promotions into higher scouting ranks.

Happy "Sweet Sixteen" to Patricia Mannkopf, 78 Winter Lane, HICKSVILLE, who will celebrate her birthday on March 24. Also, on the same day, Suzanne Wilson, 14 Arch Lane, Hicksville, will celebrate her 11th birthday.

Happy Birthday to Mark William Giannelli, son of Mr. and Mrs. W. Clark Giannelli of 96 Slate Lane, Levittown, who will be 5 years old on March 22. Mom is the former Barbara Mains, daughter of Mr. and Mrs. George Dreher of Dakota St., HICKSVILLE. Family and friends will help Mark celebrate at his party.

will be served.

Also all PTA members are invited to attend Wednesday, March 22, 1972 at 8:30 PM, "The Council of PTA" Many items of interest will be discussed.

## High School Bands To Perform

The Concert Band, under the direction of R. Gerard Pellerin, and the Symphonic Wind Ensemble, under the direction of J. David Abt, will present their

annual "Early Spring Concert" on Friday, March 17, in the Hicksville High School auditorium. The concert, which begins at 8:30 P.M., is free.

## Music Students In Festival

Hicksville High School's Symphonic Wind Ensemble, under the direction of J. David Abt, will participate in an unusual "Composers Symposium" the weekend of March 18th and 19th in New Rochelle, New York. Two prominent American Composers, Clifton Williams from the University of Miami and Joseph Wilcox Jenkins from Duquesne

University will rehearse the group in compositions of their own and then conduct in a gala concert at 7:30 P.M. on Sunday, March 19th at New Rochelle High School. Tickets are priced at \$1.50 for adults and \$1.00 for students and are available from Symphonic Wind Ensemble members or by calling the High School music office, WE 5-9000, ext. 355.

**THE SIGN IS GREEN:** William Patrick Collins (on ladder), Division President is joined by Oyster Bay Town Supervisor John W. Burke, (third from right), at special ceremonies changing Hertz Place in Hicksville to St. Patrick's Boulevard, as a salute to the year-round community activities of the Commodore John Barry Division Eleven, Ancient Order of Hibernians by the Town.

Flanking Burke, a member of the Hicksville ASOH, left to right, are: John Hart, Parade Marshal and Wes Tietjen, Commander, Charles Wagner Post No. 421, American Legion in the community. Each year the smartly dressed color guard of the Legion pictured in the foreground participate in this annual event. More than 100 proud members of the Hibernians paraded in Garden City

Announcement has been made by Mr. and Mrs. Joseph Katan of PLAINVIEW of the engagement of their daughter, Florence, to Anthony Terulli of Huntington Station. Congratulations!

The next regular meeting of the Friendship Club will be Monday, March 20 at 11 a.m. at the United Methodist Church, Old Country Rd., HICKSVILLE Betty Brauer will give a demonstration on the decoration of egg shells.

Glen Wohl, 131 Wilfred Blvd., HICKSVILLE, and Mathew Cramer, 200 W. Marie St., HICKSVILLE, will both celebrate their birthdays on March 20. Happy Birthday.

## Engaged

Mr. and Mrs. Leonard McNally of Wantagh have announced the engagement of their daughter Christine Elise to Mr. Lawrence R. Dagna, son of Mr. and Mrs. R. Lawrence Dagna of Hicksville.

Miss McNally is a senior at State University College at Geneseo, New York, and Mr. Dagna is a senior at Nathaniel Hawthorne College in Antrim, New Hampshire. An August wedding is planned.

MISS MICHELLE BINSTEIN shaking hands with "Teddy Bear on Ice Skates"—carved out of ice by her grandfather, Ben Blim-

stein, for the Hicksville Ice Skew, and donated to the Gregory Museum.

## Engaged

Announcement has been made by Mr. and Mrs. Frank J. James Munz of Hicksville of the engagement of their daughter, Susan Ellen Munz, to Philip Eugene Davis, of St. Thomas, Virgin Islands. Miss Munz is teaching at the Lockhart School in St. Thomas. Mr. Davis is af-

iliated with Merchant's Market, St. Thomas, Virgin Islands. A summer wedding is planned.

Both snapshots and polaroid pictures may be submitted for use in THE HERALD, but they must be clear. THE HERALD deadline is Wednesday at noon.

## IF

you feel you're in a "blind alley" job... If you think you've hit the ceiling in earnings and advancement in your present job... If you KNOW you can measure up to bigger and better things... THEN YOU'RE THE PERSON WE WANT TO TALK TO! You'll find opportunity and earnings wide open if you can qualify with us. This is a career job with a nationally known company. If you feel you are qualified call 681-9220 (10 AM - 4 PM) for a confidential appointment. Ask for Mr. Villazon or Mr. Norch.

## "Mini-Decorating Course" March 28

A "Mini-Decorating Course" is being offered by the League of Women Voters of the Town of Oyster Bay on Tuesday, March 28 at 9:30 A.M. at the Georgetown Manor in Farmingdale. Spend an

interesting morning learning about what to do with a bare wall, or how to care for your fine furniture. You cannot miss coming away with a great deal more knowledge.

You will receive a free 358 page Decorating Idea Book, complimentary coffee and cake, and a tour of 75 room displays, all for \$2.00. For tickets or further information, call Mrs. Pat Shea at 789-1483.

## MEN IN SERVICE

SP-4 Paul Imhof, son of Mr. and Mrs. Frank Imhof, 61 Kuhl

Ave., HICKSVILLE, A Radioteletype Operator with the 2nd Engineers Bn., 2nd Infantry in Korea, just returned home for a 2 week leave and will report back to Ft. Campbell, Kentucky.

Army Specialist Four Thomas J. Gill, son of Mr. and Mrs. Joseph A. Gill, 173 Fifth St., HICKSVILLE, completed today with honors a 32-week Dial Central Office Repair Course at the Army Signal School, Ft. Monmouth, N.J.

During the course he learned to install and maintain dial central office telephone exchange equipment.

Specialist Gill entered the Army in April 1971 and completed basic training at Ft. Dix, N.J.

Navy Petty Officer Third Class Matthew J. Dougherty, son of Mr. and Mrs. Matthew G. Dougherty of 24 Mockingbird Lane, LEVITTOWN, has sailed for the Mediterranean aboard the amphibious attack cargo ship USS El Paso, and is scheduled to be overseas for about six months while his ship conducts operations with our Sixth Fleet.

Navy Seaman Apprentice Andrew O. Judge, son of Mr. and Mrs. James J. Judge of 15 Ramble Lane, LEVITTOWN, completed the basic Radar School at Great Lakes, Ill.

Radarmen operate search radar, electronic recognition and identification equipment, aids to navigation and controlled approach devices.

## Senior Citizens' "Hot Line"

Senior Citizens with consumer problems will be able to call a special Nassau Office of Consumer Affairs "Hot Line" starting today, County Executive Ralph G. Caso announced.

"Senior citizens living on fixed incomes represent a segment of the population that is particularly hard hit by price increases and consumer fraud," Caso said.

Consumer Affairs Commissioner James E. Picken said the "Hot Line" number - 535-3282 - will be manned by a corps of volunteers, many of them retired senior citizens with business backgrounds. Picken said the volunteers will be assisted by trained investigators from the Office of Consumer Affairs in attempting to resolve complaints.

A speakers group of senior citizens who would address other senior citizens also is planned.

## Art Contest Winners

East St. PTA held its annual art contest in March and from all the talented entrants the following winners were selected.

Category	First Prize	Second Prize
Mosaic	Maria Magglo	Dean Koutsoubis
Charcoal	Frank Belette	Jimmy Mulligan
Pastel	Donna Gebbia	Laura Whitson
Op-Art	Paul Cifarelli	Walter Meyer
Textile Repeat		
Patterns	Deirdre Ketcham	Maria Potente

Congratulations to all these hard-working girls and boys!

## Antique Show

An Antiques Show, featuring everything from jewelry to furniture offered for sale by some 50 dealers from as far away as Massachusetts and New Jersey, will be held in the C.W. Post

Auditorium on Northern Blvd. (Rte. 25A) on Sunday, March 19, from 11 a.m. to 6 p.m. Admission to the show, which is sponsored by the Post Alumni Association, is \$1.25.

## Spring Cinema March 22

On Wednesday, March 22 the Hicksville Public Library will begin a Foreign Film Festival for the Spring Cinema Series. The feature to be shown at this time will be the French classic "The Baker's Wife," starring "the incomparable Raimu".

The film was made in 1938 and has remained a film classic until today. This film is a primitive morality tale done in a comical

vein, artistically staged and photographed. It is a good example of a 'good guy' winning out in the end.

On April 5, "Potemkin" the Russian masterpiece by Eisenstein will be shown.

All the films at the library are shown at 8 p.m. in the auditorium. The public are always welcome - no admission charge.

## Concert Of Chamber Music

On Sunday, March 19 at 3 p.m. the Hicksville Public Library Fine Arts Committee will present a concert of chamber music by Music House Concerts Chamber Ensemble. The artists who will be performing are: Jesse Ceci, violin and viola; Gregory Donnvetzky, oboe; Bernard Wasser, bassoon; Barbara Wilson, bass; and Louis Hemsey, guitar. Included in the program are works of Torelli, Telemann, Franz Joseph Hayden and his brother, Michael, Boddecker, Beethoven, Paganini and Debienne.

The Music House Concerts are all professional musicians and teachers and have played to audiences throughout the U.S. and as soloists have performed in Europe, South America, and the Far East as members of the Department of State Cultural Programs.

This concert is partially sponsored by Nassau County Office of Cultural Development, Ralph Caso, County Executive; John Maerhofer, Director.

Library concerts are held in the auditorium and all the community are always welcome.

## Questions and Answers

(Courtesy of Hicksville Public Library)

Question: Is it true that there is a much higher ratio of men to women in Australia than there are in the United States? How about Alaska?

Answer: Yes - but not that

much, Australia is 101.5 men for every 100 women. Alaska is 119.0 men for every 100 women. The United States is 94.9 men for every 100 women according to the 1970 census figures.

# John F. Kennedy High School News

### SUPPLEMENTAL EDUCATION PROGRAM

The supplemental education program at the John F. Kennedy High School moved into high gear during the past week when three major events were presented.

### THEATER ARTS

### OEDIPUS REX

On Friday evening, March 10, the theater arts classes presented a production of Oedipus Rex. Theater arts is an experiment in which students and teachers work together to present a dramatic production. Everyone has the responsibility of making his own contribution to a total production. The purpose of the course is to provide all the students with a real experience in theater production. The student interests are divided into three departments: acting, set design and lighting, and costume and make-up. Each group constitutes an integral part of the total production. This is a very real situation and the student learns much more than he would in an ordinary classroom situation; he learns to work with others and he learns by doing. Oedipus the King is played by Fred Shlesinger and Jocasta the Queen is played by Celia Cohen. Mr. George Blouin directed this production of Oedipus Rex. Mr. Harold Winter

supervised the design and construction of sets. Mr. Gerald Maze coordinated costume design and mask production. Theater Arts is currently working on two other plays, Lillian Hellman's Children's Hour and Albee's Zoo Story. These two productions are almost entirely under the supervision of students.

### CHINA DAY

On February 21, President Nixon flew to mainland China to meet with that country's government officials. This will probably be one of the major historic encounters in the latter part of the 20 Century. This contact is important not only from the American and International relations point of view, but also represents for the average individual, a new area for personal business and travel. To promote an understanding of the People's Republic of China, John F. Kennedy High School, Plainview, sponsored a CHINA DAY PROGRAM on March 8, 1972. There were a series of guest speakers with Dr. Thomas B. Manton, President of the Asia Countries' Council of the Asia Society as keynote speaker. Dr. Manton visited China as guest of the Chinese delegation to the United Nations. John F. Kennedy

High School was one of his first speaking engagements upon his return to the United States. Mrs. Sharon T. Chan, a faculty member of the Lower East Side Preparatory School talked about life and attitudes in the American Chinese community. Other seminars were held in Chinese art, language, etc. Six seniors from Roslyn High School led these seminars.

Five films on social and political aspects of modern China were available on March 8 for class or group use during the day. An exhibit of posters from China showing workers, peasants, and soldiers was on display in the Resource Center. Packets of teaching materials are now being organized and will be available to those teachers who wish to introduce a unit on modern China. A special ten-course Chinese luncheon was prepared by Mrs. Dott and the Home Economics students for all guests. Mr. Elliot Rabner was coordinator of the China Day Program.

# Plainview-Old Bethpage High School News

**A SCIENCE COURSE FOR EVERYONE — TRY IT, YOU'LL LIKE IT!** With this headline statement the Science Department of Plainview-Old Bethpage High School has cooperatively developed and advertised to the student body six new courses.

The Science Department feels that it is meeting the needs, desires and demands of students for involvement and relevancy.

After a survey of student goals and interests, plus an examination of faculty and school resources, the following courses have been proposed in addition to the standard curriculum and electives.

**MAN AND HIS ENVIRONMENT — ECOLOGY** A course for the fundamental understanding of the ecological problems confronting man, how these problems may be solved, and the responsibility of citizens and government to work toward their solution.

**PHYSICAL SCIENCE** A survey course in which students will explore science in one's daily experience. A variety of topics will be covered including Astronomy, Sound, Electricity, Machines, Earth Science, Meteorology.

**SCIENCE IN SOCIETY (Scientific View of Man and His Society)** This course will explore the interrelationship between science and society as it occurred in the past and is happening today.

**LABORATORY TECHNIQUES** A variety of laboratory skills are applicable in many medical, industrial fields and college programs. This course will acquaint the student with techniques involved in specialties such as blood analysis and bacteriology.

**GENERAL CHEMISTRY** A descriptive course where math is kept to a minimum. Designed for the student who wants or needs a background in chemistry, such as students interested in nursing or the bio-medical technician field.

**OCEANOGRAPHY** The ocean may be mankind's only salvation for the future. This course will help the student understand the history and exploration, the chemical and physical processes, waves, tides, and currents, as well as the earth beneath the ocean. Appropriate field work will be offered where possible.

**FILM ART PROGRAM** In an effort to expand the film art program at Plainview-Old Bethpage High School, arrangements have been made for students to attend special film showings at the Old Bethpage Theatre on a regular basis. During the first semester students screened "Medium Cool" and "Making It" in conjunction with units on the

roll of media in society and the image of today's youth. In the second semester, students studying the question of the depiction of violence in films attended "The Wild Bunch" and in March saw "Riverdun," a film probing the subject of new life styles and the generation gap. The remaining film in the schedule, "Taking Off," explores parent-child relationships and the existence of hypocrisy in human interaction.

In addition to the thematic concerns of the films, students have discussed and examined collections of critical reviews as well as the technical and artistic merits of each. The goal of the entire program is to promote a more discerning and discriminating audience, thereby promoting an overall improvement in media product.

A means of keeping the costs of the field trips at a minimum was arrived at by establishing a cooperative arrangement with several film teachers at Farmingdale High School. On screening days, students enrolled in the film classes from both Plainview and Farmingdale board buses for the five minute ride to the theatre, view the movie, and return to their schools, having missed no more than three periods of classes.

Special arrangements for the films have been made by Mr. David Lintón, Film Instructor, with Associated Independent Theatres.

## Teacher Receives Fellowship

Hicksville High School PTA is pleased to announce that Mrs. Barbara Walling has received a New York State Congress of PTA Teacher Fellowship. This scholarship, which is supported by individual PTA units' donations of Life Memberships, is given to "keep teachers in teaching and to encourage and improve teaching skills through summer graduate studies."

Teacher at Hicksville High School, is currently enrolled at Adelphi University's graduate program and will use the \$500.00 grant this summer to continue her education toward certification as a health teacher. Since only 21 such Fellowships were awarded throughout the State it makes Hicksville High School PTA particularly proud to have had a part in recommending such a fine, dedicated person.

## LEGAL NOTICE

AMENDMENT TO THE CODE OF ORDINANCE OF THE TOWN OF OYSTER BAY (PERMIT PARKING)  
BE IT ORDAINED BY the Town Board of the Town of Oyster Bay, County of Nassau, State of New York, that the Code of Ordinances of said Town of Oyster Bay be and the same is

## LEGAL NOTICE

hereby amended by adding to Section 17-7b thereof a second paragraph to read as follows:  
The amount of the fee for the permit year, or any part thereof may be changed from time to time by resolution of the Town Board and shall be incorporated in the rules and regulations adopted pursuant to this division

BY ORDER OF THE TOWN BOARD OF THE TOWN OF OYSTER BAY  
Supervisor, John W. Burke  
Dated: Oyster Bay, New York  
March 7, 1972

Isabel R. Dodd  
Town Clerk  
STATE OF NEW YORK,  
COUNTY OF NASSAU,  
TOWN OF OYSTER BAY  
I, ISABEL R. DODD, Town Clerk of the Town of Oyster Bay, and custodian of the Records of said Town, DO HEREBY CERTIFY that I have compared the annexed with the original Amendment to the Code of Ordinances, adopted by the Town Board on March 7, 1972 relative to Permit Parking within the Town of Oyster Bay

filed in the Town Clerk's Office and that the same is a true transcript thereof, and of the whole of such original.  
In Testimony Whereof, I have hereunto signed my name and affixed the seal of said Town this 9th day of March, 1972

**WINNERS:** On Saturday, March 11, Trinity Lutheran of Hicksville won the annual Lutheran Elementary School Basketball Tournament of defeating Redeemer Lutheran of Bayside 47-33. Trinity was paced by the balanced scoring of its five

starters. Randy Van Yahres and Parnes Cartwright of Trinity led their attack with 15 and 13 points respectively. Redeemer was led by thirteen-year-old 6'7" Wayne McKay, who scored 29 of his team's total.

This tournament is annually

held between Lutheran schools of the New York area. Schools from New Jersey, Brooklyn, Queens, the Bronx, and Nassau were represented. A girl's champion was also crowned with Grace, Queens Village defeating Trinity, Hicksville 23-18.

## Command Posts To Be Set Up

Communications command posts are being set up in Nassau's police precincts to provide two-way communications with Auxiliary Police units on car and foot patrol, according to an announcement today by Gen. Otto C. Van Exel, Nassau County Civil Defense Director, and Police Inspector Francis Tobin, Liaison Officer to the Auxiliary Police.

The Auxiliary Police is a

volunteer unit of the Civil Defense organization. The Auxiliaries and police in local communities throughout Nassau County to maintain the public safety. They usually patrol school and recreation areas and shopping centers on nights and weekends. Gen. Van Exel and Inspector Tobin said that two-way radio communications

between police precincts and CD Auxiliary Policemen patrolling in cars or on foot with walkie-talkies will make these patrols more efficient and provide quicker action to help the public.

One of the communications command posts will be set up at the 1st Precinct Police Station in Baldwin on Friday evening, March 24th, at 8 p.m.

## Youths To Receive Trophies

Town of Oyster Bay Supervisor John W. Burke recently announced that the sixth annual Ice Hockey Final of the Town's various hockey leagues will be held Monday, March 20, at 7 P.M.

The site for this series of free exhibitions between teams of various age groups and award

presentations will be the Can-tique Ice Arena, Hicksville.

Participating in the finale will be many of the 700 boys who are enrolled in the Town's four hockey programs under the direction of League Commissioner, Mr. Charles Millner.

Included in the program will be

an exhibition by members of the Pee-Wee Hockey School for boys ages six through ten.

For further information about the program, contact the Town's Department of Recreation and Community activities at 921-5575 or visit their offices at 7800 Jericho Turnpike, Woodbury.

## Applications Open For Oyster Bay Intern Program

College students aspiring to a career in government were urged this week by Oyster Bay Town Supervisor John W. Burke to submit applications for the Supervisor's Intern program.

"This is an 'earn-while-you-learn' program that enables students interested in careers in government to broaden their educational experience while providing a useful service to their Town," Burke said.

Burke noted that the deadline for applications is April 1 and

that applicants must be Oyster Bay Town residents or resident students who will have completed their Junior year by June 1972. Interested graduate students are also invited to submit an application, Burke added.

Positions for seven interns are open this year, and selections will be made on the basis of school standing, interest in government and personal skills. Those selected will be appointed in the spring to work for the Town for a period of 10 weeks at a salary of

\$100 per week.

During the employment period the student will be exposed to all areas of Town government, attend Town Board meetings and other public gatherings and will be assigned duties and projects in various departments of Town government.

Applications can be obtained by calling or writing to Director of Internship program, c/o Supervisor John W. Burke, Town Hall, Oyster Bay. The telephone number is 922-5800, Ext. 305.

## Skating Basketballers To 'Boost Kids' Fund

A basketball game on skates will be played at the Nassau Community College Fieldhouse on Saturday, March 18, at 8 p.m., to raise funds for Easter baskets for institutionalized children. Admission will be 50 cents.

Arranged by students Carol

Lehmann of East Norwich and Bob Zenker of Hicksville, officers of the college Phys - Ed Club, the schedule calls for students and faculty members to participate, with women students to compete in the first ten-minute game, men students in the second and faculty members in the third.

A fourth game to wind up the program, according to George Pressley, advisor to the club, will be a free-for-all, with faculty and students playing. "And," quipped George, "we're going to be on the special lookout for fouls in that one!"

## Explorers Take To the Slopes

On March 11, at 6:15 A.M., a small group of explorers were off to the slopes of Great Gorge. The Explorers arrived at 8:00 A.M. and there they were, slopes nice and white just waiting to be used and the sun nice and warm to keep the day clear. Excluding a few mishaps during the day, the Explorers had a wonderful and exciting time.

On February 19, the Explorers had their First Anniversary Dinner. The dinner began at 8:00 P.M. with the Salute To The Flag, led by Jeff Schuck. The National

Anthem by Bob Hammond, and a moment of silent prayer and taps in honor of Harold Schaefer, a fireman who will always be remembered. The dinner was continued with Jeff Larkin, M.C. for the evening, presenting gifts to the chiefs, commissioners, advisors and officers of the club, and by the end of the evening it was known as a night to remember. The Explorers wish to give special thanks to all those people who made the evening a big success.

## Christian Science

What are the demands of God-given freedom? This question will be considered Sunday at Christian Science church services in a Lesson-Sermon entitled "Matter."

Services at First Church of Christ, Scientist, Levittown, 80 North Bellmore Road, begin at 11:00 A.M.

All are welcome. Sunday School is open to students and visitors up to the age of twenty years. Nursery facilities are available.

## Youth Sunday At St. Stephen's

Sunday, March 19th, is "Youth Sunday" at St. Stephen's Lutheran church in Hicksville. Once each year, the young people of the church participate in the service by becoming the readers, and conducting several parts of the service, some of which have been written by the young people themselves. Much has been put into the preparation of this special day.

"Sunday evening, four other Lutheran youth groups are coming to St. Stephen's for what is called a "Cluster Group". Each church represented, sponsors one such evening, which consists of a worship service, dinner, and entertainment afterwards. Here again, the young people have prepared the service. Even the music (mostly guitars) will be presented by them. The bread used for the communion will be made

specially for this service.

After the worship service, dinner will be served; (also homemade) and entertainment will ensue. They plan to stage a parody on "All in the Family" (written by Charlie Testa) show a short film, and engage in other planned activities.

Pastor Perez is confident that the program will be a success, and hopes that many young people will turn out for this inspiring event.

## Golf Courses

The Long Island State Park Commission announced today that the three 9-hole golf courses at Sunken Meadow State Park will be reopened for the season on April 1. The Pitch and Putt courses at Jones Beach and Robert Moses State Parks will also be open for play on April 1.

## "The King's Creampuffs"

Oyster Bay Town's Teen Repertory Theatre will present its performance of "The King's Creampuffs," a satirical comedy based on the play by Martha Swintz, at the Hicksville High School, Hicksville on Saturday, March 18 at 11:00 A.M. Town Councilman Warren M. Doolittle announced today. A second performance that day will be given at 2:00 P.M. at the East Street School, Hicksville.

A nominal admission of 25 cents is charged for the support of the school's Parent Teacher Association.

combined with swinging tunes. The teachers have received a guide which they will use to appraise the play, the book, and the performance of the professional actors.

The scene from "Adventures of Tom Sawyer" showing Tom and Huckleberry Finn in the cave.

Doolittle noted that the Teen Repertory Theatre, now in its sixth year, received wide acclaim for its productions of "The Emperor's Daughters" and "The Wizard of Oz" at Town parks and libraries this past summer.

The troupe is composed of talented teams who, after auditioning, receive scholarships to study acting and stage technique from the Performing Arts Division of the Town's Department of Recreation and Community Activities.

For additional information call 921-5944.

**TOM SAWYER:** The National Theatre Company presented the "Adventures of Tom Sawyer" at Holy Family School. This popular musical stage show was enjoyed by the students in the school auditorium. "The Cultural Arts Committee" sponsored the show. The highlights of the story by Mark Twain were enacted and

## Anthony Maurino Hired By Town Attorney's Office

Anthony J. Maurino of 6 Schulz Street, Hicksville, has been appointed to serve as a staff member in the office of Oyster Bay Town Attorney, John M. Conroy.

Mr. Maurino, presently a Senior at Fordham University Law School, was a member of the Law Intern Program in the Office of the Town Attorney during the summers of 1970 and 1971 and was charged with much of the responsibility of the Town's pesticide ordinance making it unlawful for any person to abuse the ecological balance by using highly toxic pesticides.

Maurino, a Second Lieutenant in the U.S. Army Reserve, received a B.A. in political science from Hofstra University and has distinguished himself in

several academic activities and with the honors he has received in various Moot Court competitions.

### Special Presentation

At the 9:30 a.m. and 11:00 a.m. services to be held Sunday, March 19, at the United Methodist Church, Old Country Rd., Hicksville, the Youth and Senior Choir, will present "The Passion According to St. Mark" by Ronald Nelson.

Wherever you move... Call the Welcome Wagon hostess. She will bring her basket of gifts and friendly greetings from civic and business neighbors of the community.

H.A.D. (Help-Aid-Direction) of Hicksville is promoting a way to raise funds for their operation and a means by which local parents could gain greater control over the movies their youngsters watch.

As an expansion to the H.A.D. services to the young and parents alike, H.A.D. is planning to present a series of wholesome, full-length movies especially selected to appeal to all members of the family.

The movies will be shown during Easter Vacation Week, Monday, April 3rd through Friday, April 7th at two daily showings—1:00 p.m. and 3:00 p.m.

## H.A.D. Promotes Way To Raise Funds

All of these shows will be shown at the Twin South Theater at Mid-Island Shopping Plaza. Hicksville Tickets will be sold at 50 cents per show. Several lucky ticket holders will win prizes at each show.

The movies to be shown and the dates are:

Monday, April 3 "HELP" Plus 3 cartoons. Starring The BEATLES  
Tuesday, April 4 "THE SHAKIEST GUN IN THE WEST" Plus 1 Cartoon. Starring Don Knotts

Wednesday, April 5 "THE RELUCTANT ASTRONAUT" Plus 1 Cartoon. Starring Don Knotts

Thursday, April 6 "GUNS OF THE MAGNIFICENT SEVEN" Plus 1 Cartoon. Starring George Kennedy, James Whitmore, Monte Markham, Bernie Casey, Joe Don Baker, Scott Thomas, Reni Santoni

Friday, April 7 "SUPPORT YOUR LOCAL SHERIFF" Plus 3 Cartoons. Starring James Garner, Joan Hackett, Walter Brennan, Henry Morgan

If the movies activities are successful, H.A.D. plans to establish a series of fine quality, family movies to be shown throughout the entire summer vacation.

As a special service to the

parents of Hicksville, "H.A.D." would also like to establish a "movie film screening committee" to be composed of representatives of every PTA unit, religious, civic and fraternal organization within the Hicksville community. This group of volunteer parents would meet two or three times a year to select all of the movies that they would like to have their children see during future H.A.D. movie programs.

"In this way, parents would finally be able to control the quality of the movies that their children will see and thus be assured of decent, family entertainment throughout the year," according to H.A.D.'s storefront director John Maniec.

H.A.D. is a non-profit, community-based organization which presently operates a storefront facility in Hicksville at 75 Broadway.

Since the storefront opened a year-and-a-half ago, H.A.D. has served both the youths and adults of the Hicksville area in many ways.

The staff and volunteers focus on providing help in solving family, school, and social problems, as well as dealing with the growing abuse of drugs.

## Career Guidance For Emotionally Disturbed Teenagers To Be Discussed

The Association to Aid Emotionally Disturbed Children will present a panel of three speakers at their general meeting on Wednesday, March 22 at the Manetto Hill School, on Manetto Hill Road, Plainview, at 8:15 P.M. The meeting will be held in the All Purpose Room.

The topic of the evening, "How the Teenage Emotionally Disturbed Child is Being Prepared for the Future", will be discussed by Dr. Thomas Feniger, Director of Special Education for the Emotionally

Disturbed, BOCES; Mr. Gerald Moore, Coordinator of Occupational Education for the Learning Disabled, Massapequa School District; and Mrs. Louise Friedman, Director of Training at the Rehabilitation Institute in Mineola.

There will be questions from the floor, and refreshments will be served. The meeting is open to the public.

For further information contact Joan Crane, Program Chairman, LO 1-2718.

### Project Plan (Continued from Page 1)

"we will have a public meeting but we don't know when." The Board has been going over budget items in various codes at their study sessions, but the public has not been invited to attend these meetings.

The Board set up a committee for a program to screen children with potential learning disabilities. Mr. Bello is the chairman and will be working with Frank Burke, principal of Burns Ave. School, Dr. John Cadden, Assistant Superintendent and Erwin Rozran, Administrative Assistant.

There will be no tracking in the seventh grade beginning September, 1972, although there will be some type of enrichment

program for those students who qualify.

The Board tabled discussions of lay negotiations consultants and the proposed school calendar for 1972-73. They approved payment of routine bills, library books new to the district (tabled at the last meeting) and requests for extensions of leaves of absence. They also approved the appointment of a Jr. High Track Assistant Coach, and the establishment of libraries at East Street and Willet Ave. Schools. There will be a very small cost to the district for the libraries, since the bulk of the funding is from a grant.

The next School Board meeting will be Tuesday, March 28 at the Administration Building.

**Congratulations. You just saved \$5  
by doing your own income tax.  
And all it cost you was three long,  
sleepless nights.**

**And a slight case of heartburn.**

If you had gone to H & R Block, on the other hand, you could have relaxed while someone else figured out your return. Quickly and confidentially. Probably unlike any way you've ever done it before.

And, when you figure your own, you may be entitled to deductions you're not taking and taking deductions you're not entitled to. For instance, do you know all about deductions for child care or casualty losses? Or, that if your income increased over the last few years, you may save tax dollars by "income averaging"? And even if you did, would you know how to go about "income averaging" to begin with? Probably not. And there's no reason why you should. After all, you're an amateur when it comes to doing income tax.

You see, when it comes to income taxes, amateurs should depend on H & R Block. We have over 6,000 conveniently located offices manned by thousands of specially trained personnel. They're warm and friendly people who are anxious to help you. They'll sit you down over a free cup of coffee and show you some things about

your income tax that you might never have known existed.

Furthermore, if your return is audited we will accompany you, at no extra cost, to the Internal Revenue Service and explain how your return was prepared, even though we will not act as your legal representative.

This means that H & R Block is ready to offer you year-round tax service for just one low fee a year, with no extra charge for audits and estimates.

H & R Block's charges start at \$5 and the average cost was under \$12.50 for the 7 million families we served last year.

Which is somewhat less than

what you paid. Not to mention the fact that aggravation isn't tax deductible.

And we are.

**DON'T LET AN AMATEUR DO  
H&R BLOCK'S JOB.**

**H&R Block.**
