BEAUTIFUL DOWNTOWN HICKSVILLE: Herald photographer Gary Decheat shows clearly, in these two photographs, the deplorable conditions that are permitted to exist in the center of our business district. Lengthy delays in planning and rebuilding this cut-up area may be unavoidable, but there is absolutely no excuse for the deplorable conditions shown here. They should be corrected immediately and never be permitted to happen again. Gentlemen who represent us, there are a lot of people who care about Hicksville...won't you join us?

Public Session Cut Off

Hicksville School Board Proceeds As Usual

BY SHIRLEY SMITH

The Hicksville Board of Education adopted \$22,262,158 as a total budget figure for the 1972-73 proposed budget. This represents a 9 cents decrease in the current tax rate. A referendum for transportation, which will cost the taxpayers an additional 52 cents on their tax rate was unanimously approved. This referendum sets the following limits for bus transportation (you must live beyond these distances to qualify):

K-3 1/2 mile (same as this year)
4-6 3/4 mile (same as this year)
7-9 1 1/2 miles (now 1 mile)
10-12 2 1/2 miles (now 1 1/2 miles)

Outside the district - transport up to 22 miles (same as this year). State - mandated transportation (2 miles for elementary and 3 miles for secondary) is in the proposed budget. Passage of the referendum will allow for the additional distances. Also included in the proposed budget is summer transportation for the handicapped.

Cornelius McCormack voted against the adoption of the budget figure - the only board member to do so. He said there had been no line-by-line public discussion of the various codes, as in past years. He felt the public still had no idea what was in the budget and they were entitled to this information. The board had

approved some codes at the only public budget meeting (March 27), but codes 200, 300, 500 and 700 - dealing with instruction in regular day school and teachers' salaries, special schools, transportation and unallocated expenses (employee benefits, etc.) - were not discussed publicly nor voted on separately.

The board also approved a school calendar for 1972-73 which was a variation from the one recommended by Administration. The total days in session are 184, allowing for two emergency closing days. School begins September 6 and the last day of the year is June 25. School will be closed the following days:

Sept. 18 - Yom Kippur
Oct. 9 - Columbus Day
Oct. 23 - Veterans Day
Nov. 7 - Election Day
Nov. 22 (Half day), 23 and 24 - Thanksgiving Recess
Dec. 23 to Jan. 2 - Christmas Vacation
Feb. 12 - Lincoln's Birthday
Feb. 19 - Washington's Birthday
Apr. 12 to 30 - Easter Recess
May 28 - Memorial Day
May 31 and Jun. 1 - Ascension Day recess (teachers' conference on Jun. 1)
Emergency closing days - if not used, will close May 23 and 30.

The board unanimously approved an interim agreement with the Hicksville Classroom

Teachers Association which set the total dollars for the contract. This enabled the proposed budget figure for 1972-73 to be finalized. The agreement provides for job security for the teachers, with no change in class size and no sacrifice of instructional programs. If any programs are cut during the year, the extra monies needed to operate these programs in 1972-73 (over and above 1971-72 operating costs) will revert to the teachers' substitute fund, and if not used there, to the general fund. There is a total amount allocated for substitutes in the agreement.

The status of the school attorney was changed from that of a contractual employee on a retainer basis to that of an employee of the district, entitled to all fringe benefits. This motion, which Mr. McCormack voted against, raised the attorney's salary from \$8,800 to \$12,000 per year (plus 25 percent fringe benefits, or approximately \$15,000 total.) The position is not civil service, but a contractual agreement from year to year. Duties of the attorney will still be under school board supervision. In taking this action to change the attorney's status, the board reversed the decision of the 1970-71 school board, which hired Harry Groebek as the attorney. At that time (August, 1970) the board of education was assured

16 Hurt In Bus Accident

BY CAPT. OWEN MAGEE

A school bus accident on April 20 at Bay Ave. and Woodbury Road injured 16 high school students, none serious. The bus, carrying 40 students, swerved to avoid hitting an oncoming car and hit a concrete abutment. The car, the bus avoided struck another car. Hicksville firemen received the alarm at 7:59 AM.

The Rescue truck, ambulance

and one engine company responded along with 2nd Pct. police. 8 students were taken by the fire dept. in the rescue truck to Central Gen. Hosp. Plainview for treatment.

As reported, Hicksville firemen were back at the Mid Island Plaza on April 20 this time to douse a rubbish fire in the tunnel.

A fire in the bedroom of a house at 172 First St. caused con-

siderable damage late Saturday April 22. There were no injuries. The alarm was received at 11:54 PM. Vamps were hampered fighting the blaze when two malicious false alarms were turned in. A stand by crew from the Plainview Fire Dept. was called to cover any additional alarms.

The woman who last week, set herself afire, died of her injuries at the Nassau County Medical Center.

The forty-five probationary firemen recently sworn in, in the past few months will start their basic training at the Nassau County Firemen's Training Center in Old Bethpage. The new men are at present receiving training from their own companies. During 1972 they will receive training along with regular firemen taking refresher courses, in basic and advanced fire fighting, and rescue. The training will involve actual fire fighting at the school in the 6 story building, and a dwelling, plus a simulated expressway accident, a propane tank fire, oil fires and aircraft fire and rescue drills.

This schooling will require the men to put in 3 nights a week for several months training to be a volunteer fireman. All this is for no pay! A bargain for the taxpayers.

When you see a flashing blue light on a car - it is a fireman responding to an emergency - please give him the courtesy of the road. Thank you.

ON APRIL 25, the American Jazz Ensemble, top picture, featuring: Joe Dixon, clarinet; Earl Williams, Drums; Dave Burns, trumpet; Charles McClean, piano; Arvell Shaw, bass guitar; Teddy Dunbar, lead; gave an assembly at the Hicksville High School. Following the assembly the American Music Jazz Ensemble coached the High School Stage Band in a clinic in preparation for "A String of Pearls" to be presented on May 6th. Shown here, lower picture, is Mr. Teddy Dunbar working with Bill Heitshusen and Rich Palley from the Stage Band. (Photos by Gary Fippinger)

Yevoli and Schafer Address Hicksville Dem. Club

In a spirited and often times heated debate Lewis J. Yevoli, Oyster Bay Town Councilman and Don Schafer, Nassau Chairman of the New Democratic Coalition appeared, before the Edward J. Giannelli Regular Democratic Club of Hicksville at their meeting on Thursday evening April 20, 1972 at the Knights of Columbus Hall, 45 Heitz Place, Hicksville, L.I., N.Y.

Moderated by George V. O'Haire, former Oyster Bay Deputy Town Supervisor the debate revolved around the basic differences and ideologies of the Regular Democrats as represented by Mr. Yevoli and the Conservative Democrats by Mr. Schafer.

Fueled by an aggressive questioning session by the members of the Hicksville Club and others in attendance at the meeting the debate at times reaches an acrimonious state. The debate was another facet

of the Hicksville Democratic Clubs program of presenting monthly topical and discussion meetings.

Program chairman, Fred W. Hagemann commented that with two meetings left in the current term of the club before the summer recess the committee would probably schedule candidate appearance and discussion meetings.

NEWS From Congressman Norman F. Lent

Springtime, now making its first real appearance here on Long Island, finds many of us at work in our gardens at home in a major effort to restore the beauty of our surroundings. As much as we enjoy that beauty, however, we are coming to realize that our "environs" serve a critical function in maintaining a balance in our lives: providing shelter and restoring our air while providing us with pleasure.

While not a critical problem in the suburban garden, trees and shrubs also play a major role in fighting erosion, and erosion has always been a threat to our beachfront areas here in Nassau County. Our interest in ecology too often only extends as far as our property line, while our public areas fight a constant battle with the elements to maintain their existence and the resulting pleasure they afford each one of us.

In an effort to remind us all of our public responsibilities for the maintenance of our environment, my District office succeeded in obtaining 2,000 Japanese Black Pine seedlings from the New York State Department of Environmental Conservation for planting at our oceanfront. With the help of the Long Island State Park Commission and Jones Beach authorities, a site needing reforestation was selected in an area between Meadowbrook Parkway and the Bay of Fundy burned out by careless picnickers last Summer. Without help, wind erosion would quickly destroy this formerly picturesque area beyond the point of repair.

The Nassau County Council of the Boy Scouts has been organizing a volunteer corps of scouts to assist with the planting, scheduled for next Saturday afternoon, Earth Week, just concluded, has almost eclipsed in significance a far older celebration of conservation, Arbor Day, which falls on this Friday. In a spirit combining the best aspects of both occasions, I am asking all of you in the 5th Congressional District to join with me in "sponsoring" this project. Since announcing plans for this planting, many of you have written my office to ask that a tree be planted in the name of a relative, family member or friend, and I have promised a Certificate attesting to that person's participation to each of you requesting one. Many of the seedlings have been "spoken for" in this way, but others are available, and I hope you'll write me at 53 North Park Avenue, Rockville Centre, 11570, if you'd like to share in this environmental project on your own or on behalf of another.

With the planting on Saturday, no one will have "gotten off the hook" in ridding themselves of any further obligation to our environment, but hopefully we will have succeeded, in one small way, in helping to restore and maintain a part of that environment shared by all of us.

American Legion Celebrates Annual Birthday

The Charles Wagner Post of the American Legion celebrated its annual Birthday Party and Awards and Ceremonies Evening recently in memorable fashion.

The highlight of the evening of ceremonies, refreshment and dancing was the Post's presentation of an Honorary Life Membership to George C. Lang, a disabled recipient of the Congressional Medal of Honor for valor above and beyond the call of duty in Vietnam combat. Mr. Lang, an Army veteran, is a former resident of Hicksville and a graduate of the community's schools. He was present in a dual capacity. On this unusual occasion, he was initiated into the post as a new member of the American Legion and received his Honorary Life Membership the same evening.

Thirty new members were initiated, including young

veterans of the Viet Nam War. Memorial services of "The Post Everlasting" were solemnly observed in memory of five deceased members whose records in the active Legion were symbolically consumed in a brazier of fire and the spirits of these departed veterans welcomed to the ranks of the American Legion's Post Everlasting.

At the conclusion of the initiation and memorial ceremonies conducted by the Post Color Guard under the direction of Past Commander George Johnston, the post presented its honors and awards for outstanding service and long membership in the Legion. Among the senior members honored this year was World War I veteran Charles Wagner (not the Post's namesake) who observed fifty years as a member of

the Legion. Honorary Life Memberships were bestowed upon Honorary Life Member, Past Commander Henry Brengel, upon post members, Past Commanders Arthur Rutz and Allen Carpenter. These legionnaires exemplify the criteria newly adopted by the Charles Wagner Post for its Honorary Life Membership Awards: "outstanding comradeship and versatility and length of honorable service to the American Legion."

Among others presented with awards by Master of Ceremonies, Arthur Rutz or Commander Wesley Tietjen was Miss Patricia Campbell, a ninth grade student at the Junior High School, who

was presented with the Charles Wagner Post's Community Valor Award for her quick thinking and heroism while baby-sitting, last November. Patricia, the daughter of Mr. and Mrs. Donald Campbell of Hicksville, not only saved the lives of her four young charges when a television burst into flames but turned in the alarm and minimized damage. The Post honored in absentia Miss Pamela Lambert, a 1970 graduate of the Hicksville High School, who scored the highest overall grade in the State Regents College Scholarship Examination. Miss Lambert, the daughter of Dr. and Mrs. Harry Lambert, crowned a brilliant academic record with a Regents

score of 287 of a possible 300 points. Miss Lambert is now attending Yale University with a Distinguished Woman's status.

Dear Friends:

Shirley Smith, who does such an outstanding job of reporting Hicksville School District 17, Board of Education meetings, has started a series for the HERALD, on those who are running for our school and library boards on June 13th. She has contacted all who have announced so far and will bring you this information as it is made available to her by those who plan to run in the coming election.

Two matters we'd like to remind you of... (1) It is our policy to refuse any news releases or Letters To The Editor of a controversial nature FOR THE LAST ISSUE BEFORE ANY ELECTION, because, obviously such charges or recriminations cannot be answered in this newspaper before the election takes place. This has always been our policy. It still is. (2) We never accept news releases or Letters To The Editor, that are endorsements, signed by a number of people, for the simple reason that, this type of information is really an advertisement. Both of these policies have been in effect for many years. We just want to remind you of them.

WE NOTE THAT the New York State Commissioner of Education has dismissed the Appeal of Hicksvillian Charles Loicano, regarding the removal of Supt. of Schools Donald Abt, and his retention in a "created" position.

To quote from the State's decision... "It should also be noted that boards of education have wide discretion in the establishment and abolition of positions within the school district. Therefore, respondent's decision to create the position of professional education consultant, and appointing Mr. Abt to that position must stand, unless petitioners can demonstrate that respondent has abused its discretion." Well, my friends, you can see at least to some extent, what power you give into the hands of those you elect to your board of education. Only those presently living in Hicksville and concerned about this situation, can possibly know just how great this power is, and how it can be abused and still be under the law.

This is a warning to neighboring school districts and a reminder to all, that fortunately we do have elections every year... please bear that in mind... you should not have to be "urged" to register and vote. Also, to those who are sincerely trying to correct this unfortunate situation - don't be surprised if it takes awhile. Many of you have spoken to me about the present situation and are suffering discouragement. Please don't! Just don't ever give up fighting for what you believe is right!

Sincerely,
Sheila Noeth

LETTERS TO THE EDITOR

To the Editor

When Commissioner Nyquist refused to substitute his judgement for that of the Hicksville School Board on the question of moving the former superintendent into a "no show" job and replacing him with a new superintendent, the commissioner opened the door to patronage power for all school boards. The potential evil inherent in this practice, that evil which has turned the political arena into an unsavory, dishonest maelstrom which does not mean anything to unqualified individuals in return for loyalty or silence looms ready to enter the same hazy of education. Indeed, in Hicksville it has paid its first visit, and with the Commissioner's blessing it is here to stay.

In the Hicksville case, the commissioner ruled that since Donald Abt, former superintendent, didn't complain about his ouster and agreed to accept payment from the district, the people had no standing to object to such an arrangement. The commissioner also added that if there weren't sufficient funds to fulfill this particular financial arrangement, the school board could raise taxes.

The commissioner has done more than play Pontius Pilate here. He has placed his im-

primatur on a deal that could be the forerunner to countless other deals which would be financed by the unsuspecting taxpayers. In Hicksville, a new job was created to "pay off" an unwanted superintendent (unwanted for reasons known only to certain board members). On the day the former superintendent's contract expires, this job will disappear from whence it came into the patronage pot. This little arrangement is costing the taxpayers of Hicksville \$100,000. To this, the commissioner said he would not substitute his judgement for that of the school board. With that statement, the commissioner has rung the paymaster's bell. Patronage is the grease that makes the wheels of politics turn, but those involved in the greasing always emerge with dirty hands. The commissioner has just opened the door of the grease pits to local school boards. For what is there to prevent evil men from using this power evilly? What is there to prevent them from creating all sorts of "no show" jobs, filling them with cronies or personnel they want to get rid of, and foisting on the taxpayers the obligation for paying the tab? Who can prevent the reckless abuse of this power, a power that can bring disgrace as well as educational and financial ruin to a school district? Only the voters

can! But the voter is usually indifferent to school board elections. Therein lies the real danger. A new awareness must become the order of the day. The voters in Hicksville and every other district must call school board trustees to account. Residents can no longer turn a deaf ear to school board affairs. The potential for wrong doing is now too great. In Hicksville, the commissioner has given the board the green light to play havoc with the people. If they do not use that power the present school board could bring Hicksville to financial ruin, and educational disaster. The petitioners in this matter called upon the commissioner to come to the aid of the Hicksville taxpayer. The commissioner washed his hands.

Now the petitioners call upon the people of Hicksville to come to their own aid. A outpouring of taxpayers on election day and a decisive vote against the present board majority can be the only answer to this call. If this call is not heeded, we may all rue the day.

Edmund Burke was right, "All that is necessary for the triumph of evil is for men to do nothing."

Are They Really Smoking In Science Class? Yes, They Are!

In Hicksville Junior High School, a seventh grader, Brian Kohn, constructed a completely functional smoking machine. It was quite a sight for Miss Milani's classes to observe the machine in action. The model, consisting of a wig head, plastic tubing, cotton filled chamber and manual pumping apparatus, represented in order, head, throat, trachea, lungs and diaphragm.

Experiments, designed to illustrate the quantity of tar present in inhaled cigarette smoke, were performed with the

aid of the smoking machine. A cigarette was placed in the cigarette holder and lit. The pumping action simulated the act of breathing. As the smoke flowed through the cotton chamber, tar particles were collected. The quantity of tar which accumulated on the cotton was used as a basis for class results. Comparisons, of tar content, were made between popular brands of cigarettes, with and without filters. The conclusion reached was: certain filters do little if any to reduce the amount of tar particles entering

the respiratory tract. The smoking machine was a safe and effective means of determining first-hand, information about the tar content of cigarette smoke.

As a conclusion to the tobacco unit, student posters were exhibited and debates were held on the following questions: 1. Should smoking be allowed in public places? 2. Should tobacco product advertisements be permitted in magazines and newspapers? 3. Should the government have more control over the sale and production of tobacco products?

Latin Club Washes Roman Eagle

Members of the Hicksville Senior High School Latin Club participated in the seventh annual washing of the Roman eagle at the Hicksville Railroad Station after school Friday, April 21, on the 2724th anniversary of the founding of Rome.

The eagle is one of fourteen that once graced the exterior Pennsylvania Station in New

York City, which was originally modeled after various Imperial Baths of Ancient Rome. It was dedicated on the Ides of May, 1965, in a ceremony that involved not only students and teachers of all departments at the high school but also officials of the Long Island Rail Road and the Town of Oyster Bay and leaders of local service clubs.

The dedication and the annual washing are described in a feature story in the May, 1972, issue of Railroad Magazine titled "Where Are the Penn Station Eagles?" Written by a local writer, Joan Abundsen, the article calls the Hicksville eagle "perhaps the most loved and cared-for of the fourteen specimens."

J.H.S. Science Dept. News

Our Mr. Aloysius Lawn was given a very nice column write-up in the Sunday Times of April 9th in connection with his avocation as a rowing coach. Working with youngsters of this area and the North Shore through the years, he has developed teams that have successfully competed throughout the country and internationally. More recently, coaching at St. John's University, he has helped build a team that promises to be highly

successful in collegiate competition, having won several meets including the Westchester collegiate championship.

Also on Sunday, April 9th, Mr. Edward Metzendorf of the Jr. H.S. science staff appeared on the bowling show over Channel 9. His appearance was as a result of a series of qualifying rounds bowling against 900 of the best in the greater Metropolitan area. Mr. Metzendorf made the finals

and the show with the highest score among the 9 finalists. Mr. Steinberg and Mr. Colb attended a dinner at LILCO Thursday evening, April 20, with colleagues from throughout the Island, to preview a motion picture the company has recently produced on the current ecological situation on Long Island. The film will shortly be made available for schools and other groups.

Loicano-Pirring-McCormack To Run For School Board

BY SHIRLEY SMITH

Charles Loicano and Robert
Pirring have joined with veteran

school board member, Cornelius McCormack, in seeking election to the Hicksville board of Education. These men feel the present board majority only represents a special interest group and has consequently ignored the rights and opinions of many Hicksville residents. Messrs. Loicano, McCormack and Pirring would like to "return the district to the people." They would like to see lines of communication reopened and budget and policy matters discussed openly before the public.

held the position of president of the board. He has lived in Hicksville for 22 years and has four children, three of whom are graduate teachers. Mr. McCormack is employed by the United States Lines Company as Manager of Operations. He is a past president of the Civic Association and the Holy Name Society of Holy Family Church. He also serves on the Holy Family School Board. Mr. McCormack was instrumental in the founding of HAD and has worked diligently for this organization, serving as the Hicksville School Board's representative to HAD. He was a swimming and track coach for C.Y.O. and a former Little League coach. He was also an Area Leader for the Boy Scouts' Finance Drive.

Charles Loicano is the father of two children attending Woodland Avenue School and has been a resident of Hicksville for seven years. He attends Our Lady of Mercy church.

Mr. Loicano has been an educator for fourteen years. He earned his B.A. and M.A. degrees from Brooklyn College and has done graduate work beyond his Master's at Hunter College and Adelphi University. He holds three teaching licenses and three New York State Teaching Certificates in science, English and speech. Currently an assistant principal in charge of instruction at Springfield Gardens High School, Mr. Loicano has been a teacher of English at Nassau Community and spent four years as a Legislative Representative. He has been the author of many education bills presented to the State Legislature. He was the author of the original charges filed against the current school board for their dismissal of Donald Abt as superintendent of the district. Mr. Loicano also wrote the briefs and represented the taxpayers of Hicksville when he argued the case before the Commissioner of Education.

Cornelius J. McCormack has served on the Hicksville School Board for twelve years and has

Robert L. Pirring has lived in Hicksville for the past 8½ years and has three children in the Hicksville Public Schools—two attend Woodland Avenue School and one attends the Junior High. He is currently serving his third term as president of the Hicksville International Little League. He attends Our Lady of Mercy Church and is also a member of the Joseph F. Lamb Council of the Knights of Columbus.

Mr. Pirring has been employed by the Grumman aerospace Corporation in Bethpage for the past six years and is currently Manager of Corporate Planning and Budgets. His responsibilities include the establishment of a multi-million dollar Corporate Budget for Manpower and Operational Expenses. Prior to his employment at Grumman, he was associated with the Sperry Gyroscope Co. for nine years in a similar capacity. Mr. Pirring is a graduate of St. John's Prep School in Brooklyn and earned his BBA degree from St. John's University in Jamaica. Prior to graduating from college, he completed four years of service with the U.S. Air Force.

From Your Congressman

James R. Grover, Jr.

New York State is ahead of the rest of the nation in terms of minimum wage, the current minimum being \$1.85 an hour. Bills which have passed both houses of Congress would raise the federal minimum of \$1.60, with the House setting a two-stage increase to \$2 and the Senate a two-stage program to \$2.25.

No one would argue with the principle that every working man and woman should receive a liveable wage in return for their efforts. And few would argue that \$2 or \$2.25 an hour is an excessive salary. But complaints are coming in.

By Linda Noeth Scotti 796-1286

Sallie Ann O'Neill, of 16 Liszt St., HICKSVILLE, and Martin Schneider, of 25 Lawrence St., HICKSVILLE, will celebrate their birthdays on April 30. Happy Birthday.

The next regular meeting of the Catholic daughters, Court Queen of Angels No. 969, will be Thursday, May 4 at 8:30 p.m. in the new cafeteria, St. Ignatius School, E. Nicholas St., HICKSVILLE.

Happy Birthday to Susan Cusick, 4 Meade Ave., HICKSVILLE, who will celebrate her 12th birthday on May 4.

Get well wishes go to Bernard Kishner, a lawyer, who resides at 88 Stewart Ave., HICKSVILLE. Mr. Kishner, a resident of this area for 14 years, maintains his practice at 535 W. Old Country Rd., Hicksville. He is presently recuperating at Central General Hospital, Plainview, where he was just taken out of the intensive care unit. We are sure he would like to hear from some of his many friends and clients. Hurry up and get well, Bernard!

Announcement has been made by Mr. and Mrs. Henry Segal of HICKSVILLE, of the engagement of their daughter, Debra Rochelle, to John Stern of Philadelphia, Pa. Congratulations!

Happy Birthday to Nicky Botta, son of Jane and Nick

Botta, of 1 Arnold St., HICKSVILLE. Nicky, who is in the 4th grade at the East St. School, will be 10 years old on April 30. He has a brother, Chris.

PHILCOX - BALDASSARRI: Mr. and Mrs. Kenneth Philcox of Hicksville have announced the engagement of their daughter, Gayle, to John Baldassarri, son of Dr. and Mrs. A. A. Baldassarri, residents of Hicksville and Bayville.

The future bride will attend Nassau Community College for undergraduate studies toward her Educational Degree. Her fiancé will receive his B.A. Degree from C.W. Post College this June. He plans to continue his education with graduate studies this summer at C.W. Post. An April 1973 wedding is planned.

Happy Birthday to Tracy Dielensnyder, of 223 W. Nicholas

St., HICKSVILLE, who will celebrate her birthday on May 6.

The next regular meeting of the Friendship Club will be Monday, May 1st 11 a.m. at the United Methodist Church, Old Country Rd., HICKSVILLE.

Happy Birthday to Matthew George Giannelli, son of Mr. and Mrs. W. Clark Giannelli, of 98 Slate Lane, Levittown, who will be 1 year old on April 30. Matthew's godfather, Neil Clark Giannelli, of 132 Bay Ave., HICKSVILLE, will celebrate his birthday on May 5. Neil is one of two seniors from his high school, Archbishop Molloy H.S. to be invited by the Queens Bar Association, to spend a day in Albany with the Legislature.

Announcement has been made by Mr. and Mrs. David Fuchs of HICKSVILLE, of the engagement of their daughter, Stephanie Karen, to Warren Ira Hirschhorn of East Islip. Congratulations!

Ruth and Harry Pietras of 8 Waters Avenue HICKSVILLE are moving upstate to Edinburg, and they had resided in Hicksville for 23 years.

Anthony Scotti, son of Mr. and Mrs. A. Scotti of Levittown, will celebrate his 7th birthday on May 5. He is the grandson of Mrs. Sheila Noeth of HICKSVILLE, and the nephew of Mr. and Mrs. R. Rogart of JERICHO.

PART OF A SHIPMENT- DONATION of more than 5,000 plastic litter bags by Rheingold Breweries, Inc. for use in Long Island's observance of Scouting Keep America Beautiful Day on

April 29 is handled by Boy Scout Robert Michaels, 14, of 2 Melody Lane, HICKSVILLE, from Rheingold driver Kenneth Frers of Hicksville.

Help keep the bottom of America beautiful...

Everyone talks about keeping the top of America beautiful but who worries about the bottom? Nobody except us. Our job is keeping the bottom of America beautiful by preventing sewer, drainage and septic tank problems. We do it with CPM, the famous liquid formula guaranteed to prevent or correct such trouble. CPM also speeds-up slow-running drains and does away with costly plumbing problems. Deodorizes too, and is handy for many household jobs like cleaning tile, concrete, chrome and tools. Call us for details. And while you worry about keeping the top of your property beautiful, CPM will keep you from worrying about the bottom.

CPM IS CONCENTRATED. YOU MIX IT WITH WATER AND APPLY IT THROUGH YOUR BATHROOM BOWLS AND SINK DRAINS. MONEY-BACK GUARANTEED WHEN USED AS DIRECTED.

President's Message

(Continued from Page 13)

This year instead of a candy sale, we will issue each boy five chance books. The money raised from this raffle will be used to pay for umpire fees which we estimate will run close to \$1500.00. We realize this is a necessary evil, but hope every boy will do his best to help make this fund drive a success.

I hope everyone has a very enjoyable little league season.

Senior Citizens Meet With County and State Legislators

Today, Cy Phillips, Director of Project SCOPE, Senior Citizens Component of the Economic Opportunity Commission of Nassau County, Inc., and President of the Senior Power Council of Nassau County, announced that, on Friday, April 28, the Council would hold a special meeting of the membership to discuss legislative matters as they pertain to the aged.

Cornelius F. Ryan of Hicksville, Chairman, Legislative Committee, Senior Power, stated that affirmative replies had been received from three Nassau State Senators as well as from nine Assemblymen. Ryan said that "I sincerely trust this meeting will lay the foundation for meaningful understanding and future action by those who control our destiny."

He then added that all senior citizens were invited to attend the meeting. "Admission is free and coffee will be served."

The meeting is scheduled to open at 10:30 a.m. in the First Presbyterian Church, First and Main Streets, Mineola.

Fellowship Day

The East Nassau Council of Church Women United will observe May Fellowship Day on May 5, at the Holy Trinity Episcopal Church, Hicksville, beginning at 10:30 AM at which time registration will be held. The theme for May Fellowship Day will be "Behold the Woman". A luncheon will be served from 12:00-1:00 for \$1.50 and babysitting will be provided.

From Your Congressman
(Continued from Page 6)

They come from employers who have been cooperating with the government's request to provide jobs for the unskilled. And they are coming from employers who traditionally hire people to fill in for vacationing employees. Criticism is coming from rural and agricultural areas. The higher rates (to be agreed upon by a conference between the two houses) may cut down on the number of seasonal, vacation and young workers to be hired. Some employers are looking toward automation as a way of avoiding the increased costs of the higher minimum wage.

This legislation provides a rare instance of action which may hurt some of the people it is designed to help. Few people are paid less than \$2 an hour. They are the young and unskilled, some of whom may be squeezed out of jobs by this latest increase in the minimum wage. Some industries, which have survived on the basis of the lower minimum, may vanish, taking jobs with them.

A reception will be held in the Dutch Lane School on Tuesday, May 2, at 2:00 P.M. to 4:00 P.M. in honor of Marion Dahlberg who is retiring from teaching and Sidney Fein who is leaving us after 16 years in Dutch Lane for a principality in Riverhead.

All residents, students, past and present, and staff are welcome to attend and bid farewell to both these people who have given so much of their lives to the Dutch Lane students. They will certainly leave us all with fond memories.

Installation Of Officers

Fork Lane PTA will hold a General Meeting on Tuesday, May 2, at Fork Lane School, Hicksville. Installation of New Officers for school year 1972-1973 will occur at this time, followed by a Program for parents consisting of screening the films "Girl to Woman" and "Boy to Man." Refreshments will be served. On Wednesday, May 3, the film "Boy to Man" will be shown to 6 grade boys with their fathers at 8:00 in the Cafeteria, and the well known Dr. Mondscheim will be on hand to answer questions for the boys. On Thursday evening, May 4, at 8:00, the 5th and 6th grade girls with their mothers will see "Girl to Woman" in the Fork Lane gym, and a noted health advisor will be available for questions from the girls. We urge you, as parents, to come to school Tuesday evening, May 2, and see these films for yourself so that you may decide if you would like to bring your son

or daughter on the nights specified for each particular film showing.

LEGAL NOTICE

At a Special Term, Part I, of the Supreme Court, State of New York, held in the County of Suffolk, at the Courthouse, Griffing Avenue, Riverhead, New York, on the 12th day of April, 1972.

PRESENT:
HON. CHARLES R. THOM

Justice, Supreme Court
IN THE MATTER OF THE
APPLICATION OF
HENRY FRANZON, Petitioner

for the Judicial Dissolution of
STANDLEY DESIGN & REPRO LTD.

72-4617

Upon reading and filing the Petition of HENRY FRANZON, Director and Shareholder of the STANDLEY DESIGN & REPRO LTD., incorporated under the Business Corporation Law of the State of New York and having its principal office at 258 Old Country Road, Hicksville, County of Nassau, State of New York, which Petition was duly verified on the 11 day of April, 1972, and contains schedules of stockholders and creditors, and it appearing that the case is one of those specified in Business Corporation Law, Section 1104, and it further appearing to the satisfaction of the Court that the Petitioner requests dissolution because the directors are so divided that the Corporation

cannot be managed and or because there is internal dissension and two or more factions of shareholders are so divided that dissolution would be beneficial to the shareholders.

UPON motion of BRAUN, PACHMAN, FREIDEL & OSHRIN, attorneys for Petitioner, it is Ordered that all persons interested in said Corporation, Show Cause before the Presiding Justice, Special Term, Part I, of this Court, to be held at the Courthouse, Griffing Avenue,

Riverhead, New York, on the 22nd day of May 1972, why the said Corporation should not be dissolved, and it is further, ORDERED that all creditors interested in the said Corporation be and they are hereby enjoined and restrained from commencing any suit against the said Corporation, and from further prosecuting suits already commenced, and it is further

ORDERED that a copy of this order be published at least once a week for three weeks immediately preceding the time fixed herein for the hearing thereon, in the Mid Island Herald, 181 Old Country Rd., Hicksville, N.Y. which newspaper is published in the County of Nassau and that a copy of this order be served upon the State Tax Commission, the corporation and upon each of the persons specified in the petition and schedule annexed to said petition as a creditor, claimant, or shareholder of the Corporation and the expense thereof shall be borne by the Corporation.

Hicksville American Little League

by Charlie Rollins

Well, our season gets underway around the 1st of May, so I want to wish all the teams good luck and lets play ball. Our sportswriters have grown in number this year, we now have a regular staff. For our Senior League we have Mr. Bill Nelepa who has worked with CYO and is a Nassau County Patrolman who will be helping us out. Bill has a son in Senior League also. Covering our

Major League will be Mike Pakaluk who did such a fine job last year and who will be playing Senior League ball also. For the AA League will be Bob Casagne who did a tremendous job last year. A new comer to our staff is Jim Pakaluk will be covering the A league and if Jim writes as well as he played last year, we will really have something to see. Last but not least I have a brand new secretary, my daughter

Kathy Rollins who will be typing up the reports for the column in the papers. Remember our President Bob Willis and our Vice Pres. Dick Eaton and everyone else connected with Little League have put in hours and hours of time and effort to develop the teams and our wonderful sponsors who have donated their money, have proven again that the people of Hicksville are the greatest. . . . Hope to see you out at the games.

Alumni Dance May 6th at Bethpage

President Conrad Weyer has announced that tickets for the Hicksville High School Alumni dance to be held at the Bethpage Country Club, Saturday night, May 6, are moving briskly. There will be dancing from 9:00 p.m. to 2:00 A.M. with unlimited liquor during those hours. A Buffet supper will be served at Midnight. Complete cost for the entire evening is eleven dollars per person. Tickets are on sale at Holden's Stationery, Broadway, Hicksville. Chairman on the Dance is Alumni Treasurer James Fyfe. Tickets may be secured from him

or by calling any member of the Board of Directors. Board members are: Marge McGuirk, Helen Hanlon, Helen Frohenhoefer, Lester Iehle, Bill Geyer, Jay Schwartz, Gladys Schwartz, Betty Way, George Zulkofse, Gwen Schaaf, Marilyn Hehardt, Bob Paton, Howard Finnegan, Richard Hogan, Elta Cramer, Harold Holden, Michael Sherin, Conrad Weyer and Dolores Crawford. All Alumni members as well as Hicksville High graduates are welcome. Friends of Hicksville High School are also invited to attend. All reservations must be made in advance.

Message From The President

We wish to welcome all of the members of our league and hope that the 1972 season will be as exciting as it was last year. All of our teams have been formed, and I know the boys are looking forward to some exciting Little League baseball.

As most of you know, we have formed four Senior League teams, two minor, and two major. These teams will be entered in a Senior league with the Hicksville International and the Jericho Little Leaguers. We plan to get together with the two other leagues, to work out the schedules.

My one disappointment this year, has been the failure to solicit managers and coaches in the "A" or farm league. I have noticed this trend for the past three years. Coupled with the fact that the caliber of ball players in the eight and nine year olds has been very poor, leads me to believe that the relationship between father and son is not as close as it was five years ago. We expect the fathers to at least teach their sons the basic fundamentals of catching a ball or the proper way to hold a bat. Unfortunately, many of our parents feel we are a baby sitting service. We have a few mothers (we never see the fathers) who are chronic complainers. These same mothers have never offered to volunteer their services in our womens auxiliary. Unless this trend reverses itself, we will be unable to continue a little league program. It is imperative that the parents volunteer their services to make our league a success.

Speaking of volunteers, I wish to thank all of the mothers who helped us with the paper work, and the hundreds of phone calls that were necessary in forming our teams. Without your help, it would have been an impossible task especially with the formation of our Senior league.

Spring Foreign Film Festival

The Hicksville Public Library will present the last of the Spring Foreign Film Festival on Wednesday evening, May 3 at 8 p.m. in the library auditorium. The film to be shown at this time will be "Blackmail", an early Alfred Hitchcock made in 1929. This film has a very interesting history. While shooting the film as a silent, Hitchcock was informed that the last reel should be made with sound. He later found it possible to revise some of the earlier sections of the film in

order to take advantage of sound and dialogue. In spite of the hybrid origin, "Blackmail" was a brilliant success.

The film is from the Museum of Modern Art Film Department, and is another of the classics only available to educational sources for showing. This is not a film seen on television or in theatres. All of the community are welcome to the library for this very special showing.

Drainage Construction For Plainview

Town Councilman Salvatore Mosca announced this week that the Department of Public Works is preparing plans for the construction of storm drains and appurtenances in Plainview.

Mosca said that when the design phase is completed by the consulting engineers, the Town Board will authorize a bidding date on the two projects recommended by Public Works Commissioner Gerard Trotta and Harold R. Kraft, Superintendent of the Town's Drainage Bureau.

The streets included in the work plans are: Universal Boulevard between Wendell Street and Old Country Road and Parkview and Manor Streets.

Concert At Library

The Fine Arts Committee of the Hicksville Public Library will present the final concert of the season on Sunday afternoon, April 30 at 3:00 p.m. in the library auditorium. This program features student chamber music groups from the Huntington Training Orchestra which draws its members from all over Long Island.

This versatile group of young musicians will perform works from the standard literature. All of these groups are prepared by the members of the professional coaching staff of the orchestra.

In its first year, this organization is making a unique contribution to the music education of Long Island's talented young musicians. Beside this and other chamber music appearances the orchestra does four symphony concerts each year.
