Central Hicksville Redevelopment Competition To Be Judged

Some 15 different redevelopment plans for central Hicksville will be revealed on Monday, May 22 when the winners of the Alfred Levitt Prize are announced in the Second Annual Long Island Design Competition.

Advanced architectural students at the New York Institute of Technology have spent two months working on models and drawings which will be judged during the day by a panel of architects and planners.

Three top awards of \$1,000, \$500, and \$150 are to be presented at 4 p.m. ceremonies in the architectural studios (room 141) of Education Hall on the South Campus. The judges are John Follis, deputy director of the Nassau County Planning Commission, and four well-known architects, Richard Foster, Daniel Schwartzman, Morris Ketchum and George Meltzer.

Forty-eight juniors and seniors have worked singly and in teams to compete for the prizes, which were donated by Andrew and John Levitt of Levitt House, Inc., sons of the late Alfred Levitt, designer and co-founder of Levittown. The contest is sponsored by the Long Island Architectural Student Awards

Foundation.

The Hicksville redevelopment area consists of a circle about a quarter of a mile in diameter with the Long Island Railroad station as its center. Student plans must include a train-bus transportation hub with off-street parking, a 100,000 square foot retail shopping area, office facilities, a community center and 400 units of housing which incorporate a minimum 180 units for senior citizens.

The goal of the competition is to develop plans which will revitalize the area and make it useful to community residents in addition to the commuters who now dominate it. Real estate investors, store owners, local architects and bankers have visited NYIT architectural technology classes to discuss specific problems and answer student questions, while the students have made many trips to examine the area first-hand.

Several honorable mention certificates and smaller cash prizes will also be awarded at the May 22 ceremonies. Students will be present with their models and drawings and the judges will be available to explain noteworthy or unusual features of the winning designs.

V.F.W. Buddy Poppy Sale

In Flanders Fields the poppies blow... so went the immortal words of Col. John McCrae's poem. Little did he realize when he penned those lines that some day the very poppies of which he wrote would be the true symbol of all those who gave their lives in our nation's wars. But that is the case today. Annually, the Veterans of Foreign

Wars sponsors the Buddy Poppy Sale in the Hicksville area to raise money for needy and disabled veterans. This is their way of "honoring the dead by helping the living". You, too, can pay your respects on May 15th-May 30th when the buddy poppies will be on sale in this community. Do your part—buy a buddy poppy and wear it proudly.

Herald Report of Board Of Ed. Meeting

By Shirley Smith

More than three hundred people packed into the High School cafeteria to protest the transportation referendum. They came with petitions and statements, which they never used because Thomas Clark, school board vice-president, started the meeting with a motion to change the referendum so that it will provide—if passed—the same busing policy we now have in the district. This motion sets the limits at:

1/2 mile	Kingd. - 3rd
3/4 mi.	4-6
1 mile	7-9
1 1/2 mi.	10-12

up to 22 mi. outside the district. The previous referendum approved by the school board had changed the Junior High mileage to 1 1/2 miles and the High School to 2 1/2 miles. Neil McCormack was the only board member to vote against Mr. Clark's motion, stating that he felt the entire cost of transportation should be in the proposed budget, not just the state minimums of 2 miles for elementary, 3 miles for secondary and up to 10 miles outside the district. Mr. Clark was against Mr. McCormack's suggestion—he feels former school boards used transportation as a club over the public's heads to pass the school budget.

If the transportation referendum, which adds 65 cents to the tax rate, is defeated, the busing limits will revert to the state minimum requirements.

Public Session
During the first public portion of the meeting Alise Kreditor, High School Student Council president, asked board president, Thomas Muratore, if the board had yet arrived at answers to questions asked at a conference between the students and Mr. Muratore in February. Mr. Muratore said the students' requests have been turned over to administration for their recommendations. He also stated, when asked, that the students' requests—for a drug counselor, a draft counselor and a student representative on the Board of Education—had never been discussed by the board since February. The Student Council did receive a letter from Dr. Jerome Niosi, Superintendent of Schools, this week which stated there would be a drug counselor and draft counselor, from staff, in the High School next fall.

Victor Lubash asked that emergency closing days for

school be set aside on June 6 and 7. These two days are Jewish holidays and many students will be out as a result.

Mrs. (Mary) Carlson asked the board to retain the traditional Easter holiday.

Tom Nagle questioned the board about money for transporting teams involved in interscholastic sports. There is money for the sports, but the cost of transporting the teams is not included in the budget. He was told this figure is in the newly-revised transportation referendum.

Following the public session, Dr. Harry Kershen moved that the board obtain copies of the petitions, signatures, bills of particulars and all exhibits dealing with the petition Charles Loiacono filed against the board for its dismissal of Donald Abt. He stated he had never seen these and said they may contain "possible slanderous remarks, innuendos, non-truths." He said he "wants to be able to seek legal regress, as is his right." The petition, asking the Commissioner of Education to dismiss the school board, was recently denied by Commissioner Nyquist. Harry Goebel, school board attorney, said the only paper served on the district clerk and then given to him was the petition with no signatures, except for that of Mr. Loiacono. He stated further that it is "in the interest of the district to have the full record as it is in the Commissioner's office, if at all possible." Mr. McCormack, who was the only board member voting no (Kershen, Muratore, Zindulka and Clark voted yes—Pappas and Bello were not at the meeting), said the papers had been shown to Mr. Goebel at the hearing in Albany. He stated that individual board members did not have to be served.

The proposed health curriculum for Strand IV, dealing with ecology and world health, was sent back to the Health Education Curriculum Committee by a 4-1 vote. Mr. Clark said he had objections to parts of the curriculum and he would forward these to his representative on the committee. Frank Zindulka cast the dissenting vote on this motion.

The board unanimously approved equipment for the libraries to be established at East Street and Willet Avenue Schools. The National Defense Education Act, Title III, will provide half the costs for this material and our

district will match these funds (\$8,000). The equipment items were suggested by the state and since the aim is to encourage the establishment of libraries, modern equipment is listed (for example: color video—tape recorder). The board also approved a federally funded remedial reading program for 1972-73.

In 1964 a section of land at Willet Avenue School was taken over by the Town of Oyster Bay without payment or exchange of land at that time. Since then, the district has been trying to work out some arrangement for payment. The total value is now \$11,500 including interest which has built up over the past eight years. The board voted unanimously to take the equivalent in land, adjacent to the school if possible, rather than the payment of damages.

Following a lengthy executive session the Board of Education accepted a revised calendar for the 1972-73 school year. This matter had been postponed several months before a calendar was agreed upon at the April 23 board meeting. But this calendar has been changed and the new holidays are as follows: (first day of school is still Sept. 6 and last day is still June 25).

Sept. 18	Yom Kippur
Oct. 9	Columbus Day
Oct. 23	Veterans Day
Nov. 7	Election Day
Nov. 22	half day
Nov. 23	Thanksgiving
and 24	
Dec. 25 to Jan. 1	Christmas Recess
Feb. 12	Lincoln's Birthday
Feb. 13-15	Mid-Winter recess
Feb. 19	Washington's birthday
Apr. 17-18	Passover
Apr. 19-27	Easter recess
May 28	Memorial Day
May 31	Ascension Day

If there are any days that the school must be closed for emergencies before the mid-winter recess, then these days will be made up between Feb. 13 and 15. If for any reason the schools are closed after Feb. 16, the make-up days will be April 17 and 18, the first two days of Passover.

The next School Board meeting is Tuesday, May 30 at 8 PM in the High School Auditorium. This is the public budget hearing.

Registration dates are: Wed., May 31 - 12 - 9 p.m. - Administration Building; Sat., June 3 - 10 a.m. - 12 p.m. - Local schools. Voting is Tues., June 13, 10 a.m. - 10 p.m. - Local Schools.

Hicksville Boy, 4, Drowns

By Capt. Owen Magno

Little Anthony "Tony the Tiger" Gomez, age 4, of 27 Spray La., Hicksville climbed over a chain link fence in the back yard of 17 Spray La. stepped into the sunken back yard pool and drowned. The boy's grandfather, John Merritt 49, was summoned to the scene. Unable to see the boy, he probed with a skimmer and found the boy. He plunged in and pulled him out. The Fire Dept. Rescue Squad was notified at 5:09 PM. (May 15). Fireman Thomas McManus, a member of the rescue squad, was

visiting nearby when he heard the commotion outside. McManus ran to the scene and relieved the boy's grandfather who was giving the boy mouth to mouth resuscitation. McManus removed the water from the boy's stomach and started mouth to mouth resuscitation. Meanwhile, Hicksville firemen were racing against time to save little Tony.

Heavy traffic forced the Fire Dept. rescue truck to cross over the center divider on Newbridge Road and travel against traffic. Firemen and police arrived on

the scene together. The boy was immediately transported to the Nassau County Medical Center in East Meadow. Doctors and nurses worked for almost an hour to find that spark of life, but to no avail.

The people on Spray Lane, which is in the Levitt section in S.W. Hicksville, have had a tough month. Hicksville vamps have answered 4 calls for assistance there during May. On May 7, firemen responded to 3 Spray La. to administer oxygen. May 9 firemen answered an alarm at

Senior Awards, Planning Woes Occupy Town Board

by Janet Gonnell

What promised to be a quiet day at Town Hall, judging by a prior look at the agenda, turned out to be quite an exciting one Tuesday, as hordes of people descended upon Town Hall, some to be honored as outstanding senior citizens in the Town of Oyster Bay, and others to berate the Town Board on planning procedures in the Syosset-Woodbury area.

The agenda itself showed hearings on matters in Amityville and Massapequa, and an interesting one in Hicksville wherein the Town sought to acquire a portion of the entrance exit road to the Mid-Island Shopping Plaza off West John Street in order that the county would have the jurisdiction to install a traffic light at this intersection. The proposal also includes another traffic light to be installed at the corner east of the entrance road, where the post office is located, according to Warren Doolittle, Councilman. The cost of the installation of the lights is estimated at \$38,000, he said.

Also in Hicksville, the Board granted permission to St. Ignace Loyola Church to build a ramp for accessibility to handicapped individuals. Town permission is required because the church is located in a G-1 zone.

Planning Woes
Representatives of several Syosset-Woodbury area civic groups picketed Town Hall carrying placards reading "Keep Queens Blvd. out of Woodbury" and "We Demand Another Public Meeting," and other slogans protesting what they felt was a lack of their involvement in the planning process for their area.

Mrs. Judy Jacobs, primary speaker, protested that the second planning meeting, held Tuesday, May 9th at the Syosset High School auditorium, saw the planners presenting the same plan as they had two weeks previous, with no revisions noted. That meeting should not have taken place," she said, asking that the residents have a chance to know and evaluate any revisions by the planners before a final plan is submitted by them to the Town Board.

She said that the residents would take it upon themselves to hold their own public meeting and invite the planners and the Town Board if another public meeting was not scheduled either by the planning firm of Raymond, Parrish & Pine or the Town Board.

The packed audience at the May 9th meeting was told that there would be no more public meetings.

On Tuesday, following the meeting, the Town Board

released a list of revisions made by the planners after the two public meetings, which appears elsewhere in this paper.

Senior Citizens

About 70 seniors were present for Senior Citizens' Recognition Day at Town Hall to receive merit awards for volunteer work during the year at a ceremony presided over by Mrs. Dorothy Birnham, Coordinator for Senior Citizen Volunteers. Each councilman was presented with a carnation made by the Beech Brook senior Citizens, who reside at the senior citizen development in Oyster Bay.

Clubs honored with merit awards were the Friendship Club, Hicksville, which meets at the Methodist Church the first and third Monday of the month, the Senior Mens' Club, Plainview, meeting Mondays at the Police Boys Clubhouse; the Plainview Senior Citizens, meeting at the Plainview Jewish Center each Tuesday; the Syosset-Woodbury Senior Citizens, meeting at the Community Center, Syosset-Woodbury Park, on Wednesdays; and the Woodbury Nursing Home.

Outstanding seniors from this newspaper's readership area were Mr. Paul Seyboth and Mr. John Burns; Jean Davis, Anne Cassidy and May Sweeney, all from Syosset.

EMBLEMATIC: Oyster Bay Town Supervisor John W. Burke, left, shows the Town's official emblem to the judges for the emblem design contest sponsored by the Town of Oyster Bay American Revolution Bicentennial Commission, left to right, Miss Dorothy H. McGee, historian and chairman of the Commission; Richard E. Evers, teacher and lecturer and chairman of the Commission's education committee; and Walter Allen, a commercial designer from Hicksville. Deadline for entries is June 1. In addition to first prize of \$200 provided by the Theodore Roosevelt Association, other awards in each entry category will be made.

Dear Friends:

HOPE SPRINGS ETERNAL...especially in the hearts of all Hicksvillians when they wonder when the Charlotte Avenue underpass at the LIRR will be completed. According to a spokesman for the NY State Engineering Dept for grade crossing at the Babylon Headquarters, this program has been delayed for several reasons, mostly regarding contractors, materials, labor etc etc. He was not particularly specific. He did explain that the work requires two bridges, one on the north side, the other on the south. Both were prefabricated of reinforced concrete and actually constructed off location. These bridges will carry the railroad traffic over the roadway. The first bridge will be moved into place about Saturday, May 20... and the second around the third of June. Weekend schedules are planned. The balance of the operation should move forward without any more delay, with completion sometime this December.

HICKSVILLE CHAMBER OF COMMERCE held their annual election this Wednesday at their Luncheon at Milleridge Inn, as follows: President, Kingsley Kelly; Vice-president, Kenneth Barnes, Secretary, Peter Amoroso; Treasurer, Louis Siegler; Directors, Robert Albignano, Henry C. Brengel, Sr., M. G. Changler, Irwin Goldman and Aaron Rochman. This active organization's Annual Dinner and Installation of Officers is scheduled for Thursday, June 7th at Old Country Manor.

OTHER DATES in the near future to put on your calendar, are Thursday, June 1, Hicksville Community Council First Annual Community Awards Dinner and Installation of Officers.... "Meet Your Candidates" Night, Wednesday, June 6th at Dutch Lane School (sponsored by their PTA)...and another "Meet the Candidates" at the Hicksville JHS, on June 8th....last, but far from least, is May 24th, the Testimonial Luncheon given by the Hicksville Kiwanis Club for Frank Chlumsky. He certainly deserves this!

AN ORCHID to the Hicksville Rotary Club...on May 13th I received this letter from Helen Goldstein of Belfry Lane, Hicksville: Dear Mrs. Noeth: For three years I have been trying to take our Senior Citizens Club to Smithville Inn in Absecon, New Jersey, but it just wasn't possible because of the cost. However, I contacted Mr. Joseph Magee of the Hicksville Rotary Club and, after consulting with their Board, they offered to help us by paying for the bus. Their only motive is giving our seniors a helping hand and a little pleasure! I think their interest and consideration is very commendable and would like to publicize this, in the hope that other organizations may do the same for more of our senior citizens. And I'd like to take this opportunity to thank those responsible for this kindness.

ANOTHER ORCHID to Mrs. Edith B. Schryver of Belmont Ave., Plainview, who recently accepted the volunteer position of Area Chairlady of all of Nassau County for the Church Women United of Nassau. We wish her well in this great work, which is expressed beautifully in this letter she sent to her co-workers throughout our County:

"What is God's work? I would imagine God is begging us to save his beautiful earth; I would imagine He is asking us to "Love" one another; and by all our powers, help one another. I would imagine He has

LETTERS TO THE EDITOR

Dear Sheila:
How do you thank a town for being so wonderful to someone you love so much - your words, those simple lines - which said more than I can ever say? The friendships Lee Dell shared and common interests in the things that make Hicksville a nice place to live.

I had not previously seen the Gregory Museum. (Leave it to her to have recognized something which was so important to our town). I have since visited and become absolutely enchanted with the displays and their efforts.

How can you thank a town for such things?
I think that I must thank God that Lee Dell and I chose to settle in Hicksville and raise our children here, but more important He gave us the good sense to get involved.

My sincere thanks, always,
Bob Hughes

Dear Sir:
Newsday of May 9th ran a brief article mentioning that the Town of Oyster Bay was cutting off acceptance of applications for its Planned Senior Citizens Housing Project. This release was a year old and this project has long been completed and is occupied by happy elderly citizens of our Town.

We have received many telephone calls from readers who interpret this article as an indication that there is no longer any chance for them to file an application for housing. This is not true, and I hope you will print this letter to assist us in getting this message across.

The Town of Oyster Bay is continuing to accept applications from its residents, age 62 and over, who will be placed on a waiting list for Senior Citizen projects now under construction in the communities of Syosset, Hicksville and Massapequa, as well as for additional housing the Town of Oyster Bay Housing Authority hopes to implement in

given us the power to change some of the social injustices that dwell among us: i.e. jails, housing, poverty, seasonal workers, illiterate barriers, hospitality to our neighbors from other countries, American Indians, Etc.

Kindness to one another with a positive attitude of accomplishing big things can only begin by small tasks being done. I shall try to lead you into these works to prove to all of Nassau County C.W.U. is bearing Christian witness and proving God is NOT dead."

WE CLOSE THIS WEEK, with a picture by Gary Dechent, showing that part of downtown Broadway is at least cleaned up now. This picture was taken from the roof of Braun's Meat Market. Let's hope that it will be kept in a neat condition, and that before long, we may hope for action in rebuilding our torn-apart hamlet.

Sincerely,

Dear Sir: Please do not veto the abortion repeal law passed by the Senate and Assembly.

In my opinion their action represents the will and desires of the vast majority of the people of the State of New York for the repeal of such a blotch on the conscience of every decent person.

There are ways for people to keep from having "unwanted" children much less cruel than abortion after conception.

Let this repeal become law and show the people of this State that you recognize the anguish the abortion law has and is causing all of us.

If you veto, how many more thousands of living fetuses will be thrown into the trash cans of the hospitals of this State before the Legislature can act again?

Sincerely,
C. L. Montana
CC: Mid Island Herald

To the Editor:
With regard to the letter written to the editor (Herald, May 11) by Marvin Goldberg, the lead-in to his questions raise doubts as to his credibility, and his questions raise doubts as to his motives.

I was baffled by Mr. Goldberg's implication that he had to seek answers through this newspaper, since my unlisted phone number made it "not easy to get in touch with" me.

Mr. Goldberg has my phone number! Indeed, he once spent a half-hour on the phone trying to convince me that it was all right

to throw away \$100,000 of the taxpayers money to "get rid" of Donald Abt. He obviously thought it might be a political cut to reveal the fact that I have exercised my right not to list my phone number. That's petty, and unworthy of comment - issues should be made of sterner stuff. The fact that Mr. Goldberg has my phone number and has used it, casts serious doubt on his motives in raising this point.

By innuendo, he tries his hand at another cut by pretending to be "fair to a candidate not known" in school affairs. Well, I have never even seen Mr. Goldberg at a Board meeting in the past year. If he had enough concern about school affairs to attend public meetings, he might have heard me speak, and could have gotten to "know" me.

With a ground work of erroneous doubt laid, Mr. Goldberg proceeded to ask a series of questions. But again, I was baffled. Mr. Goldberg had already received the answers.

Mr. Goldberg's son was one of fifteen high school students who were guests in my home for the purpose of discussing the Loiacono - McCormack - Pirrung candidacy. Mr. Goldberg's son, asked and received detailed answers to the very same questions Mr. Goldberg asked in his letter. It is obvious, therefore, that Mr. Goldberg did not seek answers to honest questions. His letter was a ploy.

I will resist the temptation to engage Mr. Goldberg concerning his childish attempt to rake me up by simply dismissing it as a sign of the bankruptcy of his cause and the desperation of his fight.

As regards my rejection of a "deal" to form a coalition, I most certainly did reject such a "deal." Spokesmen from various camps did try to prevail on me and my running mates to support Harry Kershen in return for support of Neil McCormack and any other candidate of our choosing. Our rejection was based on two beliefs:

1. That Harry Kershen's self-serving tenure as a Board Trustee was as negative a force in our town as the regressive tenure of Thomas Maguire.

2. That any resident of Hicksville, who has the will to serve, and the required number of signatures on a petition, has the right to run, and should not be pressured to withdraw his candidacy because it might give someone else an advantage.

The fact that Mr. Goldberg and Company threatened to run a third slate and split the vote convinced us that we had made the right decision, because anyone who would stoop to that form of political blackmail does not deserve the support of any honest resident.

For Mr. Goldberg to gloat over the Commissioner's decision against the people shows a jaundiced view toward school affairs. The fact that the Commissioner found no legal fault with the Board's wasting \$100,000 of the taxpayer's money does not mean that the Board is not morally at fault. I am confident that the people of Hicksville will call the Board to task for this blatant abuse of power. To date, Neil McCormack stands as the only Board member to have denounced and publicly fought the Board on this matter. Kershen, as usual, played it safe and never uttered a word in defense of the people's money. I guess he thought his neutrality would make him a friend to both sides. Dante had a place for such men.

Supervisor JOHN W. BURKE REPORTS

This Friday evening (May 19) a parade and performance by Farmingdale's Regimental Drum and Bugle Corps will kick off a weekend-long Spring Youth Festival at John J. Burns Park in Massapequa. Activities will range from rock concerts and hootenannies to exhibits, carnival rides and games of chance.

Co-sponsored by the Town's Coordinating Youth Council and Youth Bureau, the festival should be entertaining as well as educational for young and old alike. Residents can learn more about the many activities and programs being conducted by the 11 community youth councils and join in the celebration of their first successful year of operation.

These programs are many and varied, including the funding of hotlines for emergency telephone counseling, youth employment offices, storefront youth counselors, Big Brother and Sister programs, and several teen activities centers.

There have been some growing pains, which is expected when effective control of projects of this nature are placed in the communities being served. Cutting red tape while guaranteeing proper use of public funds is a formidable task.

We note with pride, however, that the people in our community youth councils, along with the Town officials involved, have risen to the challenge and their efforts are paying off in success. This innovative approach to community youth activities involves real commitment from all of us: government, youth and the residents of each community. I urge all of you to involve yourselves with this important and exciting program.

NEWS from your Congressman JAMES R. GROVER, JR.

Those who favor the President's recent moves to end the war and those who oppose them must concede one thing. Up to the time of the North Vietnamese invasion, Mr. Nixon had brought home a half-million troops and has offered complete withdrawal by September in exchange for our POW's and a cease-fire.

While most of our young people and the great majority of Americans make their views known without setting fires and kicking in a neighbor's door, we are still afflicted with those who vent their anti-establishment views with violent outbursts. There are those few who call for "love, not war" and it is encouraging to note that the level of violence seems to be lower than it has been in recent years. This may be due to two factors, the

reduction of our military forces in Vietnam and reduction of our casualties since South Vietnamese forces took over all ground combat, and the rapidly approaching situation of zero draft calls and a volunteer army.

The increased bombing and blockade decision have set off the fires of national controversy once more. Whether or not we agree with this strategy, we all have deep apprehension and concern over the gravity of the situation. Perhaps we should mix a few prayers in with our rhetoric for it seems to me no time for harsh recriminations.

We had major disruptions in the Congressional galleries last week as hippie types interrupted proceedings again and again with obscenities and praise of the Viet Cong until they were ejected. In our view, the only ac-

Burke Reveals Efforts To Provide Additional Parkland

Oyster Bay Town Supervisor John W. Burke made public the Town's efforts to increase the park and recreation areas within its boundaries by more than 700 acres in four scattered locations.

Burke, who sketched in details at a press conference last night, praised the cooperation of Nassau County Executive Ralph G. Caso and other municipal officials who have been working with Burke and his staff in an effort to develop federal financial assistance for acquisition of the park properties.

"Time is running out," Burke said. "We must move now to preserve and landbank our dwindling natural resources of open space. And the time in which a Town or Village can go it alone in taking on such purchases has long since passed."

"Partnership government is necessary in order to make our plan work—partnership at a cooperative working level as well as sharing at the financial level."

"As a result of our ongoing comprehensive study toward development of a master plan in Oyster Bay, we have determined at least four sites that we feel should be acquired as soon as possible."

Burke outlined these locations as:

1. Syosset: The Bruce Estate, and some adjacent lands just north, totaling 180 acres and located north of Jericho Turnpike across from the Town's Syosset-Woodbury Community Park. This would be purchased with State and Town funds and be utilized as a facility for all Oyster Bay residents as a balance to the 50-acre John J. Burns Town Park in Massapequa. The property would be landbanked for the present.

2. Woodbury: Assistance of Federal funds to acquire more than 200 acres of rolling woodland and open farmland in the area of Stillwell Lane, known as Stillwell Woods. This park would eventually become a county facility open to all Nassau residents.

3. Jericho: a) Acquisition of the 278-acre Meadowbrook Country Club by the county for use as a county golf course. To be funded with the assistance of Federal aid. b) A Town-operated park facility for Jericho park district residents to be established on approximately 40 of the 278-acre Meadowbrook purchase.

4. Acquisition by the Town of a 43-acre Nike missile base located off Brookville Road in the village of Brookville. Burke said the Town has already filed an application with the Federal government to acquire this site

ceptable level of violence is zero, which is precisely the objective of the cease-fire offer by the President and it's about time some of the misguided militant peace-at-any-price advocates realized this.

and utilize it in a unique inter-municipal venture involving the Board of Cooperative Educational Services (BOCES) the village and the Town.

Burke said that the plan for the use of the former missile base is a concept of shared usage that may be without precedent.

"This will be an educational and recreational facility with five major uses to be achieved," he explained.

These include: 1) A school for 800 handicapped children, to be constructed, operated and maintained by BOCES on 7.7 acres.

2) Active recreation and play areas for residents and handicapped children, to be developed and maintained by the Town for year-round use by local residents and for special use during the summer by the Town's Group Activities Program (GAP) for the handicapped. This would involve approximately 300 of the youngsters in the GAP program and would utilize 8 acres.

3) An experimental farm to be developed and maintained by the Town and BOCES for use by students enrolled in local schools as part of the academic year curriculum, for special projects.

for BOCES teaching, and during the summer to provide a first-hand agrarian experience for young people who are interested in farming. Three acres would be allocated for this use.

4. Reservation of two acres for the site of a future Brookville Village Hall and community center to be constructed, maintained and operated by the Village.

5) Nature trails for the blind, horticultural and ecological study areas and preservation of existing wooded land in its natural state, to be developed and maintained jointly by BOCES and the Town for public use are planned for the remaining 22.3 acres.

"The fact that once served as a missile base containing the necessary defensive armaments of warfare can now be utilized to ease the burden of the handicapped is a dramatic evolution of the use of this site," Burke said.

"County Executive Caso has endorsed our efforts to obtain the Nike base and is joining us in providing the administrative spadework toward acquiring the 406 acres in Syosset and Woodbury."

From Our Postmaster RALPH CASCARDO

The U.S. Postal Service reported today that a new streamlined insurance system is speeding settlement of insured mail claims.

The new system reduces the time required to process a claim from weeks to days, and eliminates the need to complete three separate forms.

Mailers submitting claims should ask for the new Form 3812 (dated November 1971) from their post offices.

Only one post office, instead of

two, will be involved in handling most claims. The claimant - either mailer or addressee - will deal with his post office, showing a mailing receipt or the damaged package.

The claimant will fill in the appropriate parts of the new Form 3812, which is then mailed directly to the other party for completion. The claim is then sent directly to the Postal Data Center in St. Louis for adjudication.

Under the old procedures, the

claim was sent to a second postmaster who asked, his customer to complete the claim, usually in his office.

Centralizing the adjudication of claims at one point will provide for more uniform interpretation of regulations and claim payments.

Up to \$200 of insurance can be obtained for parcels mailed as "priority" mail (usually providing air services), single piece third-class mail (such as merchandise sameles) and parcel post (fourth-class mail).

Mr. Goldberg's last gibe serves well for my conclusion.

He should look elsewhere for tranquility, for my election to the Board will not bring it. Who would be tranquil with a Board majority who uses the people's money for payoffs, attempts to cut bus transportation, violates individual rights, makes decisions at secret meetings, and shows contempt for the people of Hicksville? Not I! I plan to fight them long and hard so that I might represent the people they have deserted.

Finally, I have not rejected those who share my views. I have embraced them. Mr. Goldberg was quite right when he explained that many persons who once considered a coalition have repudiated the idea and now support the Loiacono - McCormack - Pirrung slate. Indeed, it appears that most of those who supported Kershen in the past have rejected him as a self-serving, non-representative Trustee, and are now active supporters of the L-M-P slate.

Sincerely,
Charles Loiacono
Candidate for School Board Trustee

Dear Ms. Noeth:

When Grumman executive E. Clinton Towis disclosed that Grumman might be forced to close, the reality of Long Island's "false economy" became obvious to everyone.

Long Island has been subject to a false defense economy for years. As any business executive knows, the failure of a business is only a matter of time when it is oriented toward only one product. Our time on Long Island seems to have come.

As partner-in-charge of the state and local government practice of the consulting firm of McKinsey and Company, I have been involved with the everyday problem of trying to make government work. The common denominator of many government problems is politics. Professionalism is sorely needed in government and indeed is essential to solve crisis situations such as our economic plight with Grumman.

To deal with the defense industry problem, I propose that the Congress legislate a "National Industrial Transition Act". This act would establish federal subsidies and a three-year "market guarantee" to help change over defense industries from sole reliance on weapon production to socially beneficial products such as mass transit, housing, and hospital systems. We must train our Long Island defense industry for diversity if it is to have a future. This goal could easily be accomplished with a fraction of the \$12 billion a year we now spend on an evil and futile war.

Grumman, just one of the many defense companies on Long Island, employs 20,000 people directly, 1,000 private contractors, is the largest real estate taxpayer on Long Island as well as Long Island Lighting Company's biggest customer. Grumman's closing would devastate Long Island's economy.

As I see it, the federal government's choices in this crisis boil down to only four:

1. Comply with Grumman's demand for updating the F-14 contract. This would cost millions of dollars more than the original contract and still provide no guarantee of stability.
2. Write a "Lockheed" blank check and loan them working capital.
3. Let them close and throw the economy of Long Island into chaos.
4. Establish a transition program to help all defense industry diversity and to create and guarantee markets for their new products.

Last year, Grumman budgeted and spent its own funds for a study on how to enter the low-income modular housing market. But the federal government was not interested in modular housing, so Grumman had to scrap a program that would have helped diversify and at the same time helped satisfy a real social need. To my mind, the federal government's decision was political and imprudent.

I am a candidate for the Democratic nomination in the Third Congressional District because I see inequities and waste in our government. Unless we act quickly, that very inequity and waste will leave Long Island with a highly educated, technological population at the mercy of the Pentagon.

Long Island, its staggering unemployment rate considered, has a large community of engineers, technologists, and other professionals who could begin to help solve important social problems such as low-cost, mass rapid transit. Instead, many of the well-educated and experienced residents who should be the backbone of our community are exhausting their unemployment benefits and are headed for the welfare rolls.

The federal government must earmark subsidies and establish an incentive self-help program to undo the serious over-reliance of our community and other communities on the defense industry. After all, this over-reliance was created and perpetuated by the federal government, so it has the ultimate responsibility to correct it.

Sincerely yours,
Carter F. Bales

Candidate for

Congressional
Nomination

District

AN OPEN LETTER TO THE VOTERS OF HICKSVILLE:

We seem to be living in an age of assassination... physical and intellectual. We waste people, time, energy, and intelligence on attack and rebuttal.

We tend to lose sight of the more important issues in our upcoming election. Our first aim should be to preserve and improve education in Hicksville; it's really just good business. A better system attracts and holds better personnel when the salary scales are comparable. Then we should realize that, while more money does not guarantee better education, no rational person can expect the basic costs of education to go down when the price of everything else goes up constantly.

If our education is not costing us a bit more than last year we must look carefully at what is missing. The basic budget may look like an economic miracle, BUT if we want transportation kept at the present level we must vote "yes" on the referendum and pay the price! If we drastically lower our purchase of supplies this year we must logically expect to have to make up for it in the future, and probably at higher prices.

A school board is a frighteningly powerful group. State Education Law and the Commissioner give them the power to spend our money without really asking our permission as to area or amount. We can approve a budget, but they are not bound to spend that money accordingly. They can make a decision one week and change it the next, and they are not even required to allow the public a voice!

Obviously the most important issue, then, is to elect men to those offices who will use that power wisely... men who will openly and honestly communicate with school personnel and the public... men whose only reason for running is a sincere desire to fill a desperate need.

Politics has no place on the Board of Education. Ethnic and

religious intolerances are shameful in an intelligent community, and the battle of the personalities can only serve to obscure the real issues at stake.

Norma Dagna
11 High St.,
Hicksville

Dear Mrs. Noeth:

Since January, '72 I have been trying to get a fence put up between my property and business property next door. I've written to the Dept. of Building & Zoning T.O.B. at least three times, the latest over a week ago, and still haven't gotten any results. I received a reply sometime ago stating that a six foot fence would be erected as soon as the weather permits. Here it is almost the middle of May and nothing has been done yet. What do you have to do to get anything done by these politicians? You pay taxes—for what? Maybe they are short of help. In this one Dept. there is a Director, Deputy Dir. and an Assistant. Wonder how many assistants the assistant has? Probably too many to put on the letter-head.

Another thing has been bugging me for some time. I had my mother in a private nursing home last year for quite a few months. I inquired from this certain party, (working for the T.O.B.) about the possibility of getting mom in the Holly Patterson Home. The first question out of the box, was how I was registered, Dem or Rep? I told him the truth—Dem—but he said that didn't make any difference. If it didn't make any difference, what question asked? He said that he would notify me one way or another. Well, I never did hear anything and never expected to. I wonder how many elderly people are denied help because they are not affiliated with the right party.

One more thing was thrown at me. It seems that a few years back, my brother who was on the Hicksville Board of Fire Commissioners, refused said party the use of the aerial ladder to put up political signs before election day. I'm not sure, but it must have been on the railroad trestles. I still think that was why the tracks were run overhead instead of below. Where would these politicians put them—outside of trees, poles and anything else that they could be stuck or nailed to. We all pay taxes, but if you don't belong to the right party, forget it.

Your truly
Fred J. Braun,
Hicksville

To the Editor:

Last August, some 1500 residents of Hicksville signed a petition to the Commissioner of Education outlining certain charges against the Hicksville School Board. The Commissioner retained those petitions and instructed me, as first signatory, to serve a copy of those charges on the Board. This was done.

On December 7, the Commissioner held a hearing on those charges. In April, the Commissioner rendered a decision against the people when he decided not to substitute his judgment for that of the Board. At the last Board meeting, nine months after the original petitions were filed, Harry Kershen feigned ignorance as to these charges and claimed he had never been given an opportunity to face his accusers.

Either Mr. Kershen was in a semi-comatose state for nine months, or thought to use his position as incumbent during a Board meeting to spout campaign rhetoric. While the first was a believable alternative, the last was the motive obvious to all. What is most significant about this is that it serves as a reflection of Kershen's character. Of course Kershen knew of the charges! Every Board member received a copy of a sample petition, plus a letter, signed by me, advising the Board that it was being charged with the particulars described in the sample petition. Those charges

After another exciting week of play, Circle Texaco and Dodge Chargers are in a battle for first place. Play resumed on Monday with Circle Texaco being victorious over Internas. Hse. of Pancakes 8-7 in seven innings. Stars at the plate for Circle Texaco were Tim Loeffler, Allen Hance, Bill Gardner and Pat Buckley, who drove in the winning run.

On the same day Malvese triumphed over Mid Island Plaza 12-3. With the help of Mike Sansone, Chris Martin, and Ted

Siry, who each had 3 hits. Malvese was assured the victory.

On Tuesday, Dodge Chargers were dealt their first loss by Newberrys, 6-1. In a losing cause, Robert Hazelton, Peter Byrd, and Ken Alfaroni excelled.

On Thursday, Malvese trampled over Mid Island Plaza 10-1. For Malvese, John Anglin and Mike Sansone pitched a 2 hitter. Kevin Macken and Rich Pampilleno each had 3 hits.

Dodge Chargers and Newberrys battled and Dodge Chargers finally came out the winners 3-2. Pitching chores were shared by John Bradley and Bill Vellone. Andrew Lubash and Larry Gray lent a helping hand.

The week ended with Circle Texaco defeating Internas. Hse. of Pancakes 11-6. Steve Jankowski pitched three good innings fanning 8. Hitting stars were Pat Buckley, Steve Jankowski and Allen Hance, who drove in 3 runs. The members of Circle Texaco wish Fred Behr a speedy recovery.

The Majors

By Mike Pakaluk

Only three games were played last week. Two scheduled games and a postponed rainout.

Nathan's Famous have started strong and are now strong leaders. Here's the results:

Tues. 5-9 - Sizzler vs Gertz - RAIN

Tues. 5-9 - LINB vs. Nathan's - RAIN

Thurs. 5-11 - Sizzler 6 - Gertz 4 - winning pitcher Philip Tancora

Philip Tancora pitched five innings allowing three runs and Mike Turturo came in for the save in a well played game. Dennis Barcavage was 2-2 with 2 RBIs. Billy Meslin also got two hits. Barcavage had a golden glove, making three good catches for Gertz. The Rupp brothers (John & Paul) both lashed out three hits.

Thurs. 5-11 - Nathan's 3 - LINB 0 - winning pitcher Steve Pisani. Nathan's wrapped up a tight pitching duel with an explosive final inning. For the first five, opposing aces Steve Pisani & Jim Pakaluk squared off to a slight 1-

0 advantage by Nathans. In the 6th, Jack Jablonski hit a two out single, bringing in two Nathan's insurance runs. Tom Campoleetano and Tom Visceglie were LINB hitters.

In winning his second game, Steve Pisani struck out 13. Ken Holohan has a hot bat and is 6 for 7. Tom Visceglie hit a booming triple and made a great running grab...attendance at the games is on the uprise! Get out and root for your team.

Friday 5-12 - Nathan's 3 - Gertz 1 - winning pitcher Steve Pisani. Richard Rath in his first start, pitched 3 innings allowing one run and 6 hits. Steve Pisani entered for the next three and whiffed 7 of 9 men, collecting his third victory in the process. Andrew Klaffer hit in the winning runs with long fly to center. Again, errors hurt Gertz, but John Rupp is hitting, this week 3-2. Steve Pisani is averaging 2.18 K's an inning. Sandy Koufax is the all-time Major League leader with 1.03 strikeouts per... Nathan's infield quickly becoming game savers - only 2 errors in 3 games...watch out for Gertz, could be a sleeping giant.

AA League

By Bob Cassagne

The weather did not co-operate with us this week but each team did get in one game in action in AA League this week.

Ernie's Barber Shop held first place with a win from LONG Island Collision. Ross Nadleman and Tony Severino pitched well for Ernie 8s. Ray Pampillonio and Mike Spufra came through with timely hits. Mark Giummule had a key RBI that helped give Ernie the win. Bob Clark got the only hits for L I C.

Cliff's Newbridge Sunoco did get their first win this week at the expense of Firestone.

Firestone did battle back from a 4-0 deficit. They got the score tied 4-4 in the top of the fifth inning. Firestone promptly then proceeded to give the game back to Cliff by committing an error with the bases loaded in the bottom of the fifth. Despite the loss Steve Playne pitched four innings of fine ball. In the words of the losing manager Mr. Moriale "He pitched well but got no support at all from his field". The runs for Firestone were knocked in by Bob Somer and Dave Ducent. For Cliff's Newbridge Sunoco fine fielding plays were turned in by Mike Kernhaber and Pat Wood. Mark Roethel knocked in the winning run and Peter Demas, Harry Stryker and Greg Knight all had key hits knocking in very important runs.

Each team had a game that was rained out this week and this will be made up at a later date. As of now Ernie's Barber Shop is the only undefeated team in the league. Boys! Remember those chance books.

Hicksville International Little League Standings And Game Reports

The second week of competition saw the Farm teams start play in the 1972 season, and a few games postponed because of rain. What's good for the lawn is not necessarily good for Little Leaguers!

FARM DIVISION Results:

The mid-week games, played on Wednesday, affected the standings of only two of the eight Farm teams. SOUTH BROADWAY CARVEL shut out FRANK'S ALIBI 4-0, while ISLAND STAR RESTAURANT played SMITH'S PHARMACY to a 0-0 tie. In another undecided contest, RESPIRATORY CARE GROUP AND H&S AUTO SALVAGE also ended in a tie. Both of these games will be continued when the schedules of the teams permit. The game between the ANCIENT ORDER OF HIBERNIANS and STEVE'S AMOCO STATION will also be rescheduled. On Saturday, May 13, all of the Farm teams got into action. FRANK'S ALIBI bounced back to down SMITH'S PHARMACY 1-0. Eugene Principe and Frank York combined pitching talents for the shut out, and John Donohue drove in the games only run with a sharp single over second base, with runners on first and third. ISLAND STAR moved into the win column by edging SOUTH BROADWAY CARVEL 3-2 in seven innings. Scott Marshall homered for the losing cause while Joe Scimeca provided some offensive punch for ISLAND STAR. RESPIRATORY CARE GROUP handily downed the ANCIENT ORDER 9-1. In other Farm action STEVE'S AMOCO bested H&S AUTO SALVAGE 3-1 behind the hitting of David Esser who homered, John Perez's run scoring double, and Bob Brenske who also had a run producing extra base blow.

Tuesday's games were postponed due to rain, but on Friday, LONG ISLAND NATIONAL BANK continued their undefeated ways by beating HICKSVILLE PENNSAVER 7-3 behind the strong pitching of Bobby Saur who notched 11 strikeouts. Perry Finkelstein contributed a two run homer, and Fred Fallacara ran up his RBI total with a bases loaded triple. MARDER SHELL was the victim of the season's first forfeit losing to HILLS SUPERMARKETS. In a close extra innings affair, CERONE FLOOR COVERING edged winless PARAGON OIL 8-7. Michael Cahill started for CERONE and pitched strongly for four innings before falling victim to defensive lapses. Steve Sokenis came on to pitch scoreless relief in an exciting ball game.

On Monday, GOLDMAN BROS. and CHARLES WAGNER POST tangled in a contest which saw 27 runners across the plate. After the dust had settled, GOLDMAN BROS. was the survivor 14-13. The GOLDMAN team did it the hard way after spotting the Legionnaires nine runs in the early innings. Joe Catalano belted a two run homer, and both Tommy Campo and Robert Werner had extra base hits for the winners. In the other division contest, the truckers of TROIANO EXPRESS and PERKINS TRUCKING played to a 3-3 standoff. This game will be continued at a later date. In the week's second meeting, CHARLES WAGNER POST AMERICAN LEGION and GOLDMAN BROS. staged another run scoring contest. This time the Legion won 11-7 when Kevin MacPherson, relieving for Joe Dilluvio, cut short a GOLDMAN rally by front-ending a double play. PERKINS

YOUTH FESTIVAL: At a recent Town Coordinating Youth Council Meeting, plans were discussed to launch a Spring Youth Festival for the Youth Council organizations of the Town. Councilman Warren Doolittle (L-R) on behalf of the Town Board, has high hopes for the morale raising potential of this event. Laurie Gershenfeld of the Bethpage Youth Organization Unlimited (Y.O.U.), and Steve Katz of the Plainview - Old Bethpage Youth Council, are just two of the hardworking and eager youngsters participating in the weekend of rock bands, carnival, and other events, planned. Mrs. Toby Kennedy, Co-President of the Town Coordinating Youth Council, and a coordinator of the Festival, has been very occupied with the details of fund-raising, publicity, and overall organization of the Festival to be held May 19, 20, and 21, at John J. St. Ignatius Places 3rd At C.P.A.C. Meet

The College Point Athletic Club sponsoring its 5th annual invitational olympiad at Flushing Memorial Field was the setting for St. Ignatius first major meet of the season. With a squad of twenty two boys, St. Ignatius scored thirty eight points. First place was won by Sacred Heart of Cambria Heights with second place going to Sacred Heart of Glendale. In all twelve schools and track clubs competed.

Doug Romeo got things started for St. Ignatius running in the Cadet 60 yard dash. He won a bronze medal. In the Junior 80 yard dash, Peter Collins placed fourth in the finals. The Junior 220 yard dash saw Paul Rupp win our second bronze medal. In the Senior 100 yard dash, St. Ignatius had two boys in the finals. Tom Pasquerale won the silver medal followed closely by Mike Way with the bronze medal. The next senior event was the 440 yard dash, in it Mike Bradley took second place and another medal. As the meet moved on, Bob Romeo held on to win third place in the Open 220 yard dash. The 880 yard run was a close battle

between Mike Bradley (no relation to Mike in the 440) of St. Ignatius and the winner from Our Lady of Mount Carmel. Mike ran second and it was his best time ever, 2:15.6.

When the relays started, St. Ignatius had three teams ready to go. Our Bantam 440 yard relay of Tom Gallant, Mike Collins, Dennis Foy and Pat Reddy scored with a second place, good for another silver medal. The Junior 440 yard relay brought out strong competition for our team of John Shea, James O'Brien, Kevin Anglim and Anthony Cianciaruso and again the boys came through with a bronze medal. With only a few events remaining and the points close our Junior 660 yard medley relay team took to the track, Wayne Gluff, Jim Martin, Ray Cesare and Bob Cochrane breezed home with a first and the gold medal.

In looking over the scoring by all the boys, this was a team effort and a team win.

St. Ignatius Jrs.

Win 8-5

St. Ignatius Jrs. played another fine game at St. Mary's of Roslyn on Sat. The Jrs. jumped off to a 6 run lead with fine timely hitting and well executed baserunning over the first 4 innings. When the game seemed well in hand a streak of wildness by F. Principe the winning pitcher in the last half of the sixth inning, closed the gap to 5-5. St. Mary's rally then stymied by a solid relief performance by G. Siry over the last 1 and 2 3 innings. Siry struck out 4 of the remaining St. Mary's batters. Next week St. Pius of Plainview.

STOCK DIVIDEND

High School Salutes Its Business Students

If the thought of a fair conjures up visions of festivity, a visitor to the Hicksville High School cafeteria on Thursday, May 5th, would have assumed that the Business Fair in progress was a resounding success.

The Fair was conceived in the same spirit of other such events—to allow business students an opportunity to display their acquired knowledge, attitudes, and skills, and to test them in friendly competition with their classmates. To emphasize the feeling of good will of the occasion, many competitors contributed cake and refreshments to the social portion of the Fair.

The half-day set aside for the Fair started with contests held in the various business department classrooms. Teachers proctored, graded and determined the winners in each case. At the conclusion of each competition, students gathered in the cafeteria to view exhibits and demonstrations of business equipment, materials, and methods used in the school.

Awards culminated the affair, with presentations made by business guests introduced by Principal Raymond Rusch, and Department Chairman, Frank Brown. He guests, distinguished members of the local community, were Mr. Raymond Wolf of Long Island

Lighting Company, Mr. Thomas Schaedel of Frankel's, Mr. Andrew LaGrega of Mid-Island Plaza merchants Association, Mr. James Fyfe of Long Island National Bank and Mrs. Sylvia Barr of Lerner Shops. Mrs. Peggy Gill, a former business student, also assisted in the presentations. Mr. Erwin Rozran was also on hand to represent the Superintendent's office.

Trophies were given to first place winners, plaques to second place winners, and medals to third place winners. In all, sixty (60) awards were given to students, who included a number of Junior High School competitors taking elementary business courses.

The winners included: **TYPEWRITING**, First, Marie Rannazzisi, Second Sue Dellamura, Third Tied—Ann Cummings & Kathy Olsen.

How to speed up slow-running drains...

The many things that make you and your home beautiful also create ugly and expensive plumbing problems. Cosmetics, soaps, detergents — and especially cooking grease and fats — all gang up to clog and slow down your drains. Should you stop using them? Not at all. Just use CPM, the safe liquid that dissolves grease build-up from your drains down to the sewer. CPM deodorizes too! So keep yourself and your home beautiful. Just give your drains an occasional "beauty bath" too with CPM, the beautiful drain cleaner.

* CPM IS CONCENTRATED. YOU MIX IT WITH WATER AND APPLY IT THROUGH YOUR BATHROOM BOWLS AND SINK DRAINS. MONEY-BACK GUARANTEED WHEN USED AS DIRECTED.

Spring Carnival, May 20th

On May 20th, the Dutch Lane PTA is holding a Spring Carnival, from 10:00 am to 4:00 pm. Bring the whole family for a day of fun and excitement. There will be lunch and refreshments, so plan to stay the entire day.

For the children, there will be rides - The Space Walk, The Swings, and The Whip. We will also have Spin Art, balloons, and

plenty of delicious things to nibble on, such as popcorn and cotton candy.

For Mom and Dad, we'll have a Flea Market with many beautiful handmade articles, a White elephant Sale and a Bake Sale of many tasty cakes and cookies.

If it should rain on that Saturday, we have set aside June 3rd as our raindate.

Fourth Annual Grandparents Day

The Burns Avenue P.T.A. takes pleasure in announcing that the Burns Avenue School will hold its Fourth Annual Grandparents Day on Friday, June 2, 9:15 A.M. to 10:45 A.M. All grandparents of our Burns Avenue students will be our honored guests. There will be welcoming ceremonies and prizes, visits to grandchildren's classes, and delicious refreshments of coffee and cake will be served at the conclusion of the visit. Please note that the afternoon kindergarten grandparents will be welcome to visit at 1:00 P.M.

This has always been a most popular event and the Burns Avenue students are again eagerly anticipating the visit of their grandparents to their school.

Hicksville H.S. Music Dept.

On Friday, May 26, the Hicksville High School Music Department will present a concert of choral and orchestral music. The performing choruses will be The Sophomore Mixed Chorus, The Sophomore Girl's Chorus, The Advanced Girl's Chorus, and The Madrigal Singers. Also performing will be The Symphony Orchestra and The String Ensemble. The concert starts at 8:00 and admission is free. The community is cordially invited to attend.

Carousel At H.H.S.

"The Hicksville High School Theopian Society No.2125 will be presenting Rodger's and Hammerstein's CAROUSEL. The performances will be on May 17, 18, 19, 20. The price will be \$1.00, 1.25, 1.50 respectively. Curtain time will be at 8:15" said Debbie Hughes, Publicity Department.

Installation Of Officers

The Burns Avenue P.T.A. General Meeting of Wednesday, May 17th, presented the installation of the Officers of the Burns Avenue P.T.A. for the 1972 school year. The new Officers are: Mrs. Laura Bodnar, President; Mrs. Dorothy Lezia, Vice-President; Mrs. Nancy Sharon, Recording Secretary; Mrs. Mary Cordier, Treasurer; and Mrs. Irene Giltin, Council Delegate.

The evening's special Program was the Burns Avenue Annual

Spring Concert. Mr. Gerald Burakoff, Music Director, conducted the Burns Avenue Orchestra and Band, whose members are 5th and 6 graders, in their enjoyable program. Mrs. Patricia Crabtree, Music Teacher, led the 4th, 5th and 6th grade members of the Burns Avenue Chorus in their lovely performance. The program concluded with a combined Band and Chorus performing

"America The Beautiful".

PTA To Hear Pilot

The Hicksville Senior High School PTA will hold their general meeting on Thursday, May 25th at 8:15 p.m. in cafeteria "A".

"Our guest speaker will be Mr. Richard Sprague, Lunar Module Consulting pilot of the "LEN" - from the Grumman Aerospace

Corp.," said a spokesman for the PTA.

"A film on the "Apollo 15 Mission" will be shown and a question and answer period will follow," she concluded.

Refreshments will be served.

Spring Cinema Series May 24

The Hicksville Public Library is adding two films to the Spring Cinema Series due to a grant from New York Council on the Arts to the Nassau Library System.

The first film will be Wednesday, May 24 at 8 p.m. To be shown at this time is "Of Mice and Men" starring Burgess Meredith as George. The great John Steinbeck novel was brought to the screen in 1939 by Lewis Milestone, who produced and directed this compassionate tale. Also starring in this film are Betty Field and Lon Chaney Jr. as Lennie.

The story is about two bundle stiffs who dreamed and kindled their own men's dreams, of owning their own little ranch, and living

off "the fatta the lan". In summary this has a cruel, bizarre, ridiculous sound, but on the screen it doesn't seem that way. Tragedy dignifies people such as Lennie, George, Candy and Mae.

This film will never be "old" as long as there are people, there always will be Lennies and Georges around. Young people who have read the book, will enjoy the way this story was handled by Hollywood of long ago. Older people will again enjoy seeing a film they saw when they were young, and be able to compare their feelings of thirty years ago to now.

All Hicksville Public Library films are shown in the auditorium, and the public are always welcome.

Mothers Aux. To Meet May 22

The regular monthly meeting of the Mothers Auxiliary will be held on May 22 at 8:15 p.m. in the school hall.

A film titled "Looking at Children" will be shown. Mrs. McGovern, the school nurse, will comment on the film. All members are urged to attend and vote for next year's officers.

LETTERS

(Continued from page 6)

were paraphrased. In both Newsday and the Long Island Press, and were printed verbatim in the Mid-Island Herald. In addition, Kershen spoke to me personally in reference to the charges.

To pretend, at a public meeting, that he had neither seen nor heard those charges was an act of deceit so patent it showed contempt for the audience's intelligence.

As regards being denied the opportunity to face his accusers, Kershen gives us further insight into his character. Firstly, if Kershen had even a superficial understanding of the rudiments of education law, he would know that one signature to charges is sufficient to bring an action—that is if the charges have merit. The fact that the Commissioner held a hearing is testimony to the fact that the charges were considered to have merit. During the hearing, the Board's attorney used the argument that he had never seen the signed petitions, and made a request to see them. The Commissioner dismissed the request as he fingered the petitions which lay before him. Obviously, the Commissioner felt that since the petitions were addressed to him, the Board had

no right to review the names and addresses of the signatures. The Commissioner felt it would suffice to have one individual represent the 1500. That I represented the petitioners was common knowledge. If Kershen wanted to face me when I formally presented the charges, why didn't he come to Albany as did three other Board members? He was invited.

To pretend, at a public meeting, that he was denied an opportunity to face his accusers is a second deceit as patent as the first.

The moment, however, that reduced the Kershen performance to melo-dramatic tripe was the scene in which he protested that he had been denied due process. When one considers that the denial of due process to Don Abt was the very nub of the action taken by the people against the Board, one can only rate this exercise in play acting as obvious, amateurish, boorish and cheap.

That disposes of Kershen the inept campaigner, but what of Kershen the inept Board Trustee?

That can be disposed of in one word — expediency. The difference between Kershen and his

cohorta who make up the Board majority is that they have the courage of their convictions. Their convictions are repugnant to me, so I oppose them.

Harry Kershen has neither courage nor convictions. For him, expediency is the order of the day, and neutrality is his sanctuary, so I oppose him.

Kershen cast aspersions on the motives and character of the residents who signed the petitions. He went on to question their existence.

Well, if Mr. Kershen wants to see these 1500 good people and thousands like them, let him go the polls on June 13th, and there, he will see them give their answer to the Commissioner, who allowed \$100,000 of their money to be used for a payoff, and to him, the "representative" who remained neutral while Neil McCormack alone fought for the people.

I would remind Harry Kershen that Dante, in his Divine Comedy, assigned the lowest place in hell to men who, in a time of crisis, remain neutral.

Sincerely,
Charles Loiacono
Candidate for School
Board Trustee

Indoor Rifle Match May 20

Nassau Recreation and Parks Commissioner Richard A. Fitch today announced that a junior .22 caliber indoor rifle match will be held at the county's indoor rifle and pistol range on Saturday, May 20, beginning at 9:30 a.m.

The contest is open to all Nassau youngsters between 12 and 17 years of age. Any .22 caliber iron sighted rifle with the exception of magnum types may

be used and trophies donated by the Nimrod Gun Company will be awarded in two age categories.

The regular range fee of \$1.50 will be in effect for the contest.

The indoor rifle and pistol range, operated by the Nassau County Department of Recreation and Parks, is located off Merrick Avenue just south of Hempstead Turnpike in East Meadow.

Camping Show May 20-21

Recreation and Parks Commissioner Richard A. Fitch announced that Eisenhower Park's eighth annual Camping Show will be held on May 20 and 21, between the hours of 10:00 a.m. and 6:00 p.m.

Included in the show sponsored by the Nassau Department of Recreation and Parks will be various types of campers and

trailers and lectures on the correct methods for setting up a campsite. The events will also have demonstrations of decoy carving, fly casting, fly tying and bait casting. Clinics in outdoor photography will be held and techniques for hunting and retrieving with dogs will be featured.
