# School Board Meeting And Budget Hearing Held

By Shirley Smith

The regular business meeting of the Hicksville Board of Education preceded Tuesday's scheduled budget hearing. A crowd of approximately 200 people had gradually accumulated in the High School auditorium to hear an explanation and discussion of the 1972-73 proposed budget. However, this item was No. 8 on the agenda and it didn't come up until 10:45. About half the crowd had given up and left during the one-hour executive session prior to the hearing and very few lasted until the meeting was adjourned at 12:30.

### Business Meeting

Neil McCormack moved that the School Board make no stipulation of April 17 and 18, 1973 as emergency closing (snow) days, but that alternate days be considered next year, if it becomes necessary to close the schools for any reason. These are the first two days of Passover, and Mr. McCormack said he felt Hicksville residents of the Jewish faith should be entitled to observe their religious holidays. There was no second to his motion, therefore no change in next year's school calendar.

A long list of correspondence appeared on the agenda, but comment was made on only one. For William Bruno had written the Board, asking to handle the school district's insurance. Mr. McCormack asked that the Board advise Mr. Bruno that the district is still under a three-year agreement with another insurance carrier.

During the discussion of payment of bills, Mr. McCormack objected to the district holding up reimbursement of expenses which he and Dr. Harry Kershen had incurred while attending the National School Boards Association meeting in San Francisco. Board president, Thomas Muratore, stated he would "not vote for any bills if the convention bills were not pulled out."

He explained that the state auditor, who was recently in the district, was insistent that conference expense requests should be approved by the Board at a public meeting before permission is given for anyone to attend. Dr. Jerome Niosi, Superintendent, reminded Mr. Muratore that the request had been on the agenda at a meeting prior to McCormack's and Kershen's trip to California and that the Board had said no action was necessary at that time. School Board attorney, Harry Goebels, said that Board members should be permitted to attend conventions in New York State, but the attending of out-of-state meetings should be under some restraints. Frank Zindulka brought to the Board's attention that there was no difference, in practice, in these bills. The Board voted to reimburse Dr. Kershen and Mr. McCormack, as well as pay the other bills. Mr. Muratore voted against the motion. Dr. Kershen was delayed on business and not present during this portion of the meeting, but arrived later in the evening.

The Board awarded bids for various budgeted expenses and

approved the replacement of an adding machine at Woodland Avenue School. Also approved were various personnel changes and appointments for summer elementary school and summer remedial high school. Thomas Clark questioned the proposed enrollment in the summer primary learning centers. He had heard that all kindergarten, first and second grade students at Woodland Avenue would be attending. Frank Burke, who is the principal in charge of this program, assured the Board that no school was sending all their students and the approximate 85 from Woodland was not a disproportionate number. He emphasized this is not a remedial program, in which fewer students are involved. In approving personnel, the Board voted that the number of teachers in the primary learning centers be subject to the planned enrollment of students.

The School Board voted to stipulate that the Adult Education program be self-sustaining. Mr. McCormack reminded Board members that the program usually pays for itself. Mr. Zindulka voted against the motion.

Approval was given for resolutions submitted by the school attorney and direction given to Mr. Goebels regarding various court cases.

Also approved was Strand IV, dealing with ecology and world health, of the proposed Health Education curriculum.

### Budget Hearing

No formal budget presentation or explanation was made, as in previous years, but the floor was immediately opened to the public for questions and comments.

Charles Loiacono was the first to address the Board and his identity was questioned by the board president. Mr. Muratore said he remembered Mr. Loiacono as having a beard, at which point he was informed it had been shaved off. Mr. Muratore demanded to see some proof of identification and Mr. Loiacono said he would do so, only if every other person who got up was required to do the same. This response met with applause from the audience, which had cried out against Mr. Muratore's remarks. Mr. Muratore then declared a recess, ordered that the tape recorder be turned off (a tape is made and kept of all public school board meetings) and left the auditorium. He was followed by Mr. Clark, who returned shortly. No other Board members left, except for Mr. Bello briefly, and the meeting was not recessed. Mr. Loiacono continued to address the board and he criticized them for the figures which appear in the Bulletin Board, stating they are erroneous and misleading. He pointed out to them that the transportation referendum costs are not included in the budget and that if this is added in there is actually an increase, not a decrease, in the budget. He asked why the board did not have the courage to present the budget and tell the people they can't reduce taxes.

Thomas Nagle, former School board member, asked if transportation for interscholastic sports was included in the budget or the referendum. Dr. Niosi said these expenses are in the budget. During Mr. Nagle's remarks, Mr. Muratore returned and reconvened the meeting, directing that the tape be turned on again. He asked Mr. Nagle to repeat his remarks, but was refused. Mr. Nagle asked who had negotiated the contract and was told Dr. Hill, Dr. Cadden and Mr. Rozran. He pointed out that there was no figure for a negotiator in the budget, but if these three men's salaries were added together it would amount to a lot of negotiations. Also, they are spending time negotiating, which could be taking away from their regular jobs and he felt we were being short-changed. Dr. Niosi defended the work done by these administrators. Mr. Nagle also questioned how we can have 626 teaching positions this year and next year and still have a cut of 41 positions. Dr. Niosi answered through consideration of job and changing other aspects of teaching assignments. Also questioned was the amount of surplus and cash-carry-over to next year, which Mr. Nagle said amounts to an overall surplus of \$1,400,000.

Barbara Rosman tried again to speak. Mr. Muratore refused to let her make any comments on the budget, until she made a statement. The following is Mrs. Rosman's statement:

"Whether or not I called you or any member of the Board names, which I deny doing, is at this point moot. If at that time you felt insulted, you could have taken steps. Obviously, you did not feel that strongly about the matter at the time.

The question now is your denial of my constitutional right to speak along with fellow citizens of this community. Many of us wonder why you let a half year pass, during which time you allowed me to speak on 4 or 5 occasions, and suddenly, for no apparent reason, on January 25th you discriminated against me. To quote the late Reverend Martin Luther King, Jr.: "Injustice anywhere is a threat to justice everywhere." Every citizen of this school district stands in jeopardy of losing his constitutional right to express his views and opinions."

David Satran, a graduate of Hicksville High School, asked if rumors that the elementary foreign language program is being eliminated next year are true. Dr. Niosi said no recommendation had been made to the Board of Education, but the administrative staff has been discussing long-range plans for eliminating language in grades one through three. No decision has been made yet. Mr. McCormack was upset that the board had not received information on this. Mr. Satran commended the foreign language program and asked that it be continued. He cautioned the people to watch carefully what is happening to various

## Plainview-Old Bethpage High School

Mr. Anthony G. Pilla, a member of the Social Studies Department at Plainview-Old Bethpage High School, has recently produced for Folkways Records a three L.P. record documentary album entitled "Hail To The Chief." This educational-instructional album is an inquiry into the powers of the American Presidency. Mrs. Pilla narrates the album and discusses the President's five constitutional powers: executive, judicial, military, diplomatic, and legislative. He examines these chief areas of authority under the following titles: "Chief of State", "Chief Executive", "Commander-in-Chief", "Chief Architect of Foreign Policy", and "Chief Legislator". To help students appreciate and understand the nature of the presidency, Mr. Pilla has selected several historic presidential "decisions" such as: Truman's firing MacArthur in 1951; Kennedy's "guaranteeing" Cuba orders in 1962; Johnson's use of troops in the 1967 Detroit riots; and Nixon's price-wage speech to a joint session of Congress in 1971.

The album includes a script prepared by Mr. Pilla and is

designed to allow the teacher the opportunity of reproducing class sets so that each student may

Hicksville honored its almost forty dead heroes of the World Wars, Korea and Vietnam with a large parade and unusually impressive memorial services at the High School Athletic Field on Monday. Thousands of adults and children marched under sunny skies, while large numbers viewed the procession and attended the memorial services later.

Taking the salute of the marching units at the reviewing stand in front of the United Methodist Church was Colonel Raymond Maladowitz of the faculty of the United States Military Academy, the principal speaker on this Memorial Day. In the reviewing stand also with James Carter of the American Legion, the Master of Ceremonies were: Walter Staehle of the senior class at the High School, who delivered an address, Honorary Grand Marshall of the Parade, Louis Klein of the Veterans of Foreign Wars; District Commander Irving Adelsberg of the Jewish War Veterans; Assemblyman Martin Ginsberg; Councilman Warren Doolittle; Pastor James Benson of the United Methodist Church of Hicksville and the Reverend Father John Vitasas of St. Ignatius Roman Catholic Church.

In honored positions in front of the reviewing stand in parked automobiles after participating in the procession were the Gold Star Mothers and George Lang, Honorary Parade Grand Mar-

shall, a disabled army veteran and holder of the Congressional Medal of Honor for valor in Vietnam.

Among the participating organizations and groups moving solemnly down Broadway which had been lined with flags by the Hicksville Rotary Club were: community veteran groups with their colors, bands, auxiliary and youth groups; the Hicksville Fire Department under Chief Mertz; the Benevolent Order of Elks; the Joseph Barry Council, Knights of Columbus; Ancient Order of Hibernians; many youth groups including the Camp Fire Girls, Girl Scouts, Boy Scouts, Police Boys Club, 4-H Club.

In impressive ceremony at the High School the sadness and glory of a Memorial Day were invoked by oratory and prayer, by the presence of the Gold Star Mothers-including mothers of Vietnam's honored dead- and the poise and patience of the Congressional Medal of Honor holder. Poignant music such as the Navy Hymn, once the favorite of Ex-President John F. Kennedy, reminded the knowledgeable that the thirtieth anniversary of the key battle of Midway occurs this June 4.

Acting as Master of Ceremonies was Robert Sherman of the American Legion, acting

## Dear Friends:

Factually reporting actually what happened at any meeting without coloring this report with one's own feelings is known to be difficult to do, even by professionals on our leading dailies such as the New York Times. Once again we must compliment Shirley Smith, who covers School District 17 Board Meetings for us. As usual, Mrs. Smith does an excellent job. If you were unable to attend these meetings, reading her reports will tell you accurately and without comment, what happened at that meeting.

We have taken a great deal of space this week for her report of this Board's meeting and the Public Budget Hearing, for your information, and because these meetings are indicative of what to expect if you attend these meetings. Perhaps you may be encouraged to do so.

Mr. Murray Margolis who chaired the Testimonial Luncheon for Frank Chlumsky last week is ill this week and so we do not have the information to use with the pictures of this community affair, until next week. Get well soon, Murray.

Until next week, stay well, and don't waste a day.

on behalf of Commander Wesley Tietjen whose post was in charge of this year's Joint Veterans Memorial Day Committee commemorative exercises. Past Commander-in-Chief General John A. Logan's General Order No. 11, which established the annual Memorial Day veterans services in 1868, was rendered very movingly by Richard Evers of the American Legion.

Colonel Raymond Maladewitz, a decorated veteran of Korea and Vietnam and now on the faculty at West Point, delivered the principal address, suggesting in part, that what America needs today is a "cooling off" of individualistic antagonisms and a return to the unity of purpose and loyalty to our proven institutions. He, too, invoked the memory of the joint effort and responsibility to duty and country exemplified by the 60 odd Navy and Marine pilots who sacrificed their lives in one day to turn the tide of the Pacific War at Midway in 1942.

Reflecting a youth's point of view on this Memorial Day, Walter Staehle of the Senior Class at the Hicksville High School, expressed the belief that: "We are not here to bask in the rays of appreciation generated by valor. Only the valiant are afforded that distinction. None of us can ever hope to define valor or attach to it

a tangible meaning that would make it more easily understood by men. It, along with its cohorts of honor, morality and faith are set apart in the ideals of Man as the ultimates of example bestowed in his heart by God. As part of our purpose this morning, we are to appreciate these ultimates, to cherish them and to make them more of a concrete influence upon our lives... This morning we are one. One in purpose, one in memory, one in hope. May our observances here today serve as our guide for future endeavors."

The invocation for the ceremony, which included the presentation of the wreaths by the Gold Star Mothers in memory of their sons, the firing of the rifle salute by the American Legion Color Guard and the haunting refrains of "Taps" by the high school buglers, was delivered feelingly by Rabbi Morris Appleman of the East Nassau Hebrew Congregation. Reverend James Benson of the Methodist Church touched many minds by asking in his Benediction if "our manner of living is such that we are worthy of the devotion and sacrifices of those we remember today?" The Closing Prayer by Father John Vitas of St. Ignatius was for the blessing of an end to the war and a return to peace so that we may turn to the many humanitarian needs crying for our attention.

# LETTERS TO THE EDITOR

Dear Editor:

When I refused to accept the support of Goldberg, Kershen et al, in exchange for my support of Kershen, I was warned to beware of mudslinging, muck raking and character assassination. This, I was warned was their style.

Those warnings have proved prophetic, for these individuals have attempted to reduce this campaign to invective and recriminations. Men of this ilk always aim toward putting their opponent on the defensive with the hope of reducing him to the depths of their own depravity.

Well, I will not take the bait. The issues in this campaign are too serious... and it is to the issues I will address myself next Tuesday at the Candidates' Forum. Of course, Harry Kershen never asked me to debate. Nonetheless, I and my running mates will be there, and we trust every candidate will be. At that time I will present documented proof of my position as assistant principal and will be pleased to discuss my union affiliations with anyone who thinks it significant to this campaign. But more important, I will discuss the Kershen-Muratore record, and the role they have played in bringing our school district to the depths of its present condition. I urge all concerned residents to be present.

Sincerely,  
Charles Loiacono, Candidate  
School Board Trustee

Dear Mr. Goldberg:

In reply to your letter in the May 11th issue of the Mid-Island Herald, first of all to attack on the grounds that the Loiacono's for reasons of their own, decided years ago to pay the additional cost of an unlisted telephone is to say the least childish.

Second, yes, he did resist efforts toward a coalition from others (including both myself and you), one reason being that he feels that all citizens have the democratic right to run for public office, another being that he was never actually approached by the so-called "coalition". It seems odd that only a few weeks ago you were ready to accept Mr. Loiacono (or Mr. Pirrung) and Mr. McCormack (in a trade-off for Harry Kershen) and that now you pour such venom on Loiacono's head.

Third, to say that Mr. Loiacono has not been active in school affairs shows a lapse of memory on your part. Mr. Goldberg think

back just a couple of years when your own "Teach-Pride" people endorsed the candidacy of Jack Murphy, who was not seen or heard from either before or after his unsuccessful attempt to be elected. Also, Dr. Albert Donor who, not only attended no meetings of our Board of Education until he chose to run (and never did again) but presented questionable residency since he actually lived on the campus of Nassau Community College. It is also a fact that Dr. Donor had never registered or voted in a Hicksville School election until 1971, the year he ran for the board with your backing.

And isn't it true that Jack Murphy, a very active member of the AFT, a man you supported, was instrumental in getting the Bethpage teachers to go on strike?

These are the kind of candidates you support. Let he who is without sin...

Yours truly,  
Barbara Rosman

Dear Mr. Fetta:

I must take exception as President of the Hicksville Council of PTA Units to your paragraph in the "Life In Hicksville" newsletter titled, "Conspicuously Silent PTA". You must know that the PTA policy as stated in Article IV, Basic Policies, page 16 in the 1971-72 Manual is as follows:

The association shall cooperate with schools to support the improvement of education in ways that will not interfere with the administration of the school and shall not seek to control their policies.

Certainly, report cards and student files are involved with the administration of the school - it is not PTA business.

We have, this year in fact, been conspicuously out in the open in respect to our feelings on the budget, individualized instruction, and open in communication with administration, teachers, community council and other youth and civic organizations.

On a personal note, any statement I made at the meeting in reference to the "straw vote" was made by me as an individual, and I so stated at that meeting. I did not act as a spokesman for Council. As a voting taxpayer and citizen of the United States, I still feel it is out of order for any group to try to force its

philosophies upon an unsuspecting town. In a democratic society each man has a right to decide for himself how he feels without forcing "government by referendum". This is not freedom of speech - this is an open door to fear and still a "can of worms".

Yours truly,  
Muriel Schwartz  
Mrs. J.M. Schwartz

Dear Mrs. Noeth:

Of eight persons who have indicated a willingness to be candidates for three vacant Board of Education seats, and two persons who have indicated a willingness to be candidates for one vacant Library Board seat, the "League For Intelligent Financing of Education" is proud to announce that at its May 28, 1972 General Membership meeting we have endorsed Mr. G. Thomas Muratore, Mrs. Mary Carton and Mr. William Bruno for members of the Board of Education; and Mr. Leroy Sluder for the Library Board.

Respectfully,  
Charles Fetta,  
President,

Dear Mrs. Noeth:

In last week's issue of the Mid Island Herald you printed a picture of the area between Herzog Place and Marie Street on the west side of Broadway which you said has been "cleaned up."

To this I said "Hallelujah!" Did you know that there had been 4 tires laying in those pools of water for as long as that area of desolation has been there - which I believe is almost 3 years?

I was in town on Saturday and looked across at that mess and found it hard to believe that you'd print a picture of it and brag that it had been cleaned up. What about the water which lays there all the time? Do you know in the summer it gets stagnant and stinks, not to mention being an ideal breeding spot for mosquitoes. Cannot the owners of that land be forced to get rid of that health hazard?

I ask about the owners because I have given up on the politicians. Two years ago when the Republican headquarters was

### Children's Room At The Library

We at the Children's Room of the Hicksville Public Library have been evaluating our programs for the past season, while planning activities for a gala Summer '72. Some of our most recent successful events have been puppet show and contest held on May 6 and the "Tietjen Ballet Company's production of the "Enchanted Bird" on April 21. Our large auditorium was filled to capacity for both of these events.

We have winners, winners, everywhere! Three children from different age groups received prizes for their creative puppetry. Gary Cerasuolo, who attends nursery school, made a papier mache' marionette. Patricia Endres, a fourth grade pupil, won the prize for the intermediate age category. Dirk Strauch, a 7th grader, also was lauded for his wizard marionette. We also are proud to announce that Gail Sharp, a third grade student at East Street School, has won an "Honorable Mention Award" in the Creative Writing Contest sponsored by the H.Z. Watch Publishing Company. She is one of three children from Nassau County to win a prize for her story written to accompany the textless book "The Christmas

Kitten" by Ruth and Latrobe Carroll. Gail's story is available in the Children's Room, so that anyone wishing to read it may now do so.

Children attending Story Hour celebrated during their last program by having a party. Watch for details about registration for our Summer Story Hour.

Per usual, we will have our Summer Reading Club for children entering grades 3 through 7. This year our theme is "Olympic Games" and we will be featuring our books about the various sports. Our annual trip for reading club members is scheduled for August: the destination, of course, will be a well kept secret.

Our Art classes will be held once more this summer. In addition, our talented staff member, Mrs. Mildred McLaughlin, will be giving a Crafts course for children entering grades 5 through 8. Further details about these and all other summer programs will be made available during June. Watch for further news, and in the meantime, brighten up your day and ours with a visit to the Children's Room.

## HICKSVILLE FIRE DEPT News

BY CAPT. OWEN MAGEE

**Pool Safety**  
Now that summer pools are back in use, we wish to remind local residents to keep in mind some safety hints.

So that your summer will be a safe one. If you have a pool, be sure it is properly protected as required by town law. It must have a fence around it. To be safe, be sure the ladder is removed when the pool is not in use so no little ones can climb in. When the pool is in use have someone who is responsible keeping watch. It only takes a few seconds for an accident to occur. Be sure you know how to administer mouth to mouth resuscitation. In case an accident occurs, seconds count. Be careful of swimmers diving. Serious neck and back injuries can result. Know what to do if a neck or back injury occurs. It is best to support the victim, but do not attempt to remove him from the pool until qualified personnel and equipment arrive. Trying to remove someone could make the injury much more serious. Sit down now

and map out your plan of attack, be prepared to act if an accident occurs, don't wait until it does.

We now come to chlorine, the chemical in powder or tablet form used to keep the water clean. This chemical if used or stored wrong can be as dangerous as gasoline, and explode just as fast. Here are some safety tips on the use of chlorine.

- Store chlorine in a cool, dry place out of the sun.
- Do not keep an excessive amount on hand
- Read the label and follow directions carefully.
- Keep out of reach of children
- Never pour water over the chemical even the smallest drop could cause a chemical reaction.
- Always pour the chemical into the water. Spilled material should be flushed away.
- Handle with clean hands, and wash them after using.
- Avoid contact with skin or eyes. If contact occurs flush with water and call for assistance.
- Avoid inhaling chlorine fumes.
- Use only clean, dry non-combustible scoops.

One final point to watch is to be sure the electrical equipment and accessories used with the pool are safe and that they are grounded.

Is your number up? Be sure your house number is displayed so it can be visible from the street.

L.I. Collision defeated Cliff Sunoco 10-5, in a game that had

been delayed because of rain. Larry Strickland was the winning pitcher striking out 7 along the way. Big guns for L.I. Collision at bat were Mike Boyce, Bobby Clark, and George Ober, who

among them accounted for 7 out of the 10 runs baited in. Tom Hayes and George Madine contributed fine fielding plays to preserve the win. Cliff Sunoco's Frank Volpicello went 3 for 3 trying to keep his ball club in the game, and in the field Mike Winterall kept the score down with his sparking play at shortstop.

Cliff Sunoco turned the tables on L.I. Collision at their next meeting, 4-2. Greg Knight led the

hitters, going 2 for 3, and Bill Dolan also had a key hit. Mike Davis doing a fine job behind the plate, cut down two men trying to steal. Pat Woods, after making a fine catch in right field, doubled a runner off second base, with a perfect throw. Frank Anderson of L.I. Collision came on in the first inning and shut out Cliffs Sunoco for the rest of the game.

L.I. Collision bounced back in their next outing to defeat Firestone, 8-6, in an extra inning

contest. John Williams was the winning pitcher, and he helped his own cause by going 3 for 5 at bat knocking in 3 runs. George Ober, Tom Rath, Chris Coffey and Frank Anderson were the batting stars in this contest. Firestone's Dave Duchent struck out 13 batters in 5 innings and also went 2 for 4 at bat. Allan Roberts and L. Hiroch also had 2 hits apiece.

Ernie's Barber Shop played 2 games this week and won and lost 1. They beat Firestone 9-8. Losing manager Mr. Moriale had this to say, "Our sloppy defense had a big effect on the outcome of the game". Their hitting was not hindered though as Bob Somer had 4 hits and Steve Playne had 2 RBI's. A. Roberts also played a fine game.

Ernie's was not so lucky in their second game as they lost to Cliff's Sunoco 7-6. Greg Knight, Mike Winterall and Kevin Kowalski all played fine in the field. Pete Demas, Frank Volpicello and Harry Stryker all had outstanding hits.

May 23- Gertz 5- Nathans 4- (winning pitcher-Tim Curley) Gertz won this one for their second in a row. The game was tight with Tim Curley going the distance for the win. Robert O'Connor hit a 3 bagger and a single for 3 RBI's.

Jim Holohan of Nathan's hit a rocketing blast for a 300 home run, raising his average to .548 and leading the team.

May 23- LINB 7 - Sizzler 6 (winning pitcher-Brian Damm) A six-inning effort by Brian Damm was wrapped up in the fifth by a Jim Pakaluk single, his fourth hit and 3rd RBI. A real team effort slugfest. Other outstanding LINB players were Mike Valle (2-4); Chris Lusco (1-1); Tom Campoletano (2-4), and Brian Damm (2-2).

Sizzler bats were sizzling too, Kevin Anglin lashing out three

May 25- Sizzler 3 - Nathans 1 (winning pitcher-Billy Meslin) Sizzler won this on in perhaps one of the best pitchers duels we've had. The score after four grueling frames was a fantastically hit 0-0. Then Sizzler got three runs in two innings for Billy Meslin, who replaced Gerard Stry after four. Tommy Anastasio and Phil Tancora hit in the winning runs.

May 25- LINB 3-Gertz 3 Tie game- Robert O'Connor of Gertz squared out with Jim Pakaluk of LINB to a 3-3 tie after 6. Jim Pakaluk went the six, fanning 10 and lowering his ERA to 1.25. Jim went 2-3 with a double and 2 RBIs for a one-man band performance.

Hitting Demons of Gertz were Paul Rupp (2-4) and Robert O'Connor.

This game is under protest by LINB.

## A League

By Jim Pakaluk

After last week's article, I'm glad to see that some managers took note and sent in their reports. Unfortunately, some of the managers still fail to cooperate.

On Monday, Malvese defeated Intern. Hse. of Pancakes 5-3. Good hitting by Rich Genelle and Bob Strack assured Malvese the win. Mike Marchetti and Charles Virga each had 2 hits.

Also on that day, Newberry's humiliated Mid Island Plaza 27-4. Chris Winterall, Mark Sadowski, Dom Mezzapesa and Gene Maggio had homers. Joe Filazolla had 2 four-baggers and 5 RBIs.

On Tuesday, Circle Texaco and Dodge Chargers met in the most crucial game of the first half. After 6 well played innings, Dodge Chargers came out in first place. In this contest the bats were cold except for Charger's LeRoy Mehan who had two hits. Malvese triumphed over

On the South: The Long Island Railroad, from Jerusalem Avenue to the District's West line.

The playing week ending May 27 marked the first full month of competition. Among the 18 teams, two remain undefeated. In the FARM DIVISION RESPIRATORY CARE CENTER emerged unscathed. The other League team boasting an unbroken string is Rick Maricola's LONG ISLAND NATIONAL BANK nine in the MINOR DIVISION.

FARM DIVISION RESULTS:  
On Wednesday, SOUTH BROADWAY CARVEL and H & S AUTO SALVAGE played to a 0-0 standoff. The tightly pitched contest saw only four hits, H & S AUTO accounted for three of the safeties while holding CARVEL to one. This contest will be continued next time both teams meet. RESPIRATORY CARE GROUP continued undefeated by downing FRANK'S ALIBI 6-0. Joey Mayfield provided offensive punch with three hits in three at bats. Another tied game was staged between SMITH PHARMACY and the ANCIENT ORDER OF HIBERNIANS when they ended play deadlocked at two runs apiece. STEVE'S AMOCO toppled ISLAND STAR RESTAURANT from the unbeaten list with a 4-0 shutout. Doug Romeo and Bob Brenseke combined pitching talents, while Andy Goldberg and George Brenseke each belted two run homers. Saturday saw SOUTH BROADWAY CARVEL edge AOH 3-2 as Scott Marshall, Greg Bolognese and Tom Sullivan notched RBIs, Jimmy Wandelt came in on relief and pitched shutout baseball for the last three stanzas. STEVE'S AMOCO won their second game of the week with their second shutout performance by defeating FRANK'S ALIBI 2-0. Bob Brenseke and Bob Koenig both had run scoring extra base hits, and once again Brenseke and Romeo collaborated to pitch their second shutout for the week. In other FARM action, Peter Van Houten and Jimmy Mitchell pitched H & S AUTO SALVAGE to a close 1-0 win over SMITH PHARMACY.

Victory came when Pat Harkins drove in Jimmy Mitchell whose two bagger had put him in scoring position. ISLAND STAR slipped to their second defeat, both this week, as they were bested by unbeaten RESPIRATORY CARE CENTER.

MINOR DIVISION RESULTS:  
The standings in the MINORS were unaltered in spite of six contests recorded for the week. On Tuesday, HICKSVILLE

PENNSAVER posted their second win of the season by coming from behind in the bottom of the last inning to score three and win the 6-5 game against CERONE FLOOR COVERING.

Craig Haas supplied the winning runs when he stroked a bases loaded double. PARAGON OIL won their first game when they exploded for 17 runs against a stunned HILLS SUPERMARKETS squad. Brian Morgan batted a perfect 4 for 4 while Billy Mix, who was the winning pitcher, helped his cause with a Home Run. The final score was PARAGON 17 HILLS 6.

Tuesday's number must have been 17, because that's how many LONG ISLAND NATIONAL BANKERS crossed the plate against MARDER SHELL. Mike O'Dea turned in a fine performance on the mound by holding SHELL to two runs while recording 11 strike outs. Robert Eifer and Mike Stallone each punched in four RBIs to give BANK its sixth win against no losses. HILLS SUPERMARKETS, a better team than their record shows, lost their game by forfeit. The win gave LONG ISLAND NATINAL BANK their seventh plus against no minuses and a tight hold on first place in MINOR Division I. Other Friday evening baseball featured two exciting games, both decided in the bottom of the last inning. In one, CERONE FLOOR COVERING squeaked by PARAGON OIL by scoring in the home half of the final frame. This marked the second meeting of the season between these clubs and both have seen CERONE win by one run. The win brings CERONE to 500 baseball and a one game lead in Division II. Friday's other close contest saw MARDER SHELL maintain their place in Division I against HICKSVILLE PENNSAVER 4-3. John Gennaro provided the winning margin by delivering a bases loaded single in the bottom half of the sixth.

MAJOR DIVISION RESULTS:  
Rocco Barbone's bat led the way with a single, double and home run as TROIANO EXPRESS held off GOLDMAN BROS. 9-9. Dave Joyce and Mike Pinelli combined pitching talents for the winners. In other Monday evening MAJOR action, CHARLES F. WAGNER POST AMERICAN LEGION shut out PERKINS TRUCKING 8-0. Turn about being fair play, GOLDMAN BROS. bounced back to inflict a 4-0 shut out on the Legionnaires.

Joe Catalano went the distance in blanking WAGNER. In the battle of the truckers, TROIANO EXPRESS moved into first place

at the expense of PERKINS TRUCKING with a 4-0 shut out. Again, Dave Joyce and Mike Pinelli handled the pitching chores for the winners.

The standings in the MAJORS remain a close battle:

On May 22, Gilson Knitwear and Parr-Hanson Trees game, after 7 innings, was called because of darkness with the score 3-3. Parr & Hansontooka 2-0 lead in the bottom of the 4th and kept it until the top of the 7th when Gilson struck for 3 runs. Tom Hogan singled home Bob Cassagne with what looked like

the winning run, but Parr & Hanson came back with a run in their half of the 7th to tie it. Dennis Hauck pitched a strong 7 innings for Gilson striking out 8 and only giving up 3 hits, while 6 of his team mates got a hit each. On 5-28-Gilson Knitwear won their 4th game of the season and gave Duke Daly a win. Daly

pitched a fine game allowing just 3 hits and striking out 11 Hicksville Dairy batters. Rich Flanagan came through twice with men on base singling both times and drove in 3 runs. In Gilson's big inning, the 5th, Pete Pizzo and Daly batted in 3 runs with timely hits that broke a tie game and sewed up the 8-5 win.

## HICKSVILLE JERICO SENIOR LEAGUE MINOR DIVISION

Again for the second week in a row the only reports I have received from the coaches was from Fred Geisner's Hicksville V.F.W. team. Over the week they dropped 2 games to Ernie's Barber Shop by the scores of 9-4 and 13-7. Errors in the first 2 innings put game out of reach although in the last 2 innings V.F.W. had a bases loaded situation but they did not get the timely hit that could have turned the tide. Byrnes had 3 walks to go with a double getting on base all 4 times up. Eddie Burke made a sensational catch in the outfield and turned it into a double play.

Although losing the second game by the score of 13-7 Mgr. Fred Griener V.F.W. team showed signs that their hitting is on the upswing. They hit some long balls especially Daniel's and Burke, who went 2 for 2. Overall they had 8 hits. Viggiani pitched very well in relief of Kappel. MANAGERS: Mail your game reports or deliver them to: BILL NALEMA 88 Smith St., Hicksville, N.Y. 11801 OV 1-5564

Agway Petroleum had a strong 11 hit attack against Hicksville Dairy and won by a 10-4 score. Leading 5-0 Agway scored 5 runs in the 7th inning taking a 10-0 lead but Hicksville Dairy came back with 4 runs in bottom of the 7th avoiding a shutout. On Saturday, May 13th, at the International Fun Festival held at Mattlin Junior High School, two of Mrs. Karpik's Spanish 4 students won prizes. Martin Hirschhorn won first prize in the singing contest. Melody Pollack won a prize for her original illustrated fairy tale in Spanish.

**SPORTS** (by Steve Sadetsky) - Lacrosse: Neil Sheehan, Dom Gio, Bob Denker, Bob DeSimone and Malcolm Hastings made All-League. Malcolm made All-County (2nd team) and ALL AMERICAN (3rd team). Bob DeSimone made all-County (1st team) and ALL AMERICAN (1st team).

**BASEBALL:** On May 22nd Dave Rose pitched a 6-0 game beating Island Trees to clinch the North Shore Division 2 championship.

On May 26th the team defeated Division High School 4-3 in an exciting 10 inning game. Behind 3-0 with two out in the last half of the 7th inning, junior Jim Mac-

caro tripled home Bob Mastronardi and Jim Carey. Maccaro scored when the relay throw to third base went astray. The winning run was scored by pitcher Steve Morello on a baseball by George Fortmuller. Morello pitched brilliantly, scattering ten hits, he fanned 9 and issued just one walk.

The next playoff game was disastrous for the Gulls. They lost 8-1 to a powerful Floral Park Team and committed 6 errors in doing so. The only bright spot was Mark Liguori's 2 basehits - a single and a double.

On May 30th the Gulls played for the third straight day and again it was Division. This time the Gulls mopped the Levittown team 13-4. The first 7 batters up for Plainview scored in the 1st inning. The big hits in the inning were Steve Morello's two run 385-foot home run and soph Steve Tipa's bases loaded triple. The Gulls sent 11 men to the plate in both the first and third innings.

Jim Maccaro and Mark Liguori also added triples of their own. Dan Frank got the victory for the team, and himself a hit and a RBI.

## Board and Budget Report

(Continued from Page 1)

programs and keep themselves informed of what is going on. Mary Carton stated she had heard the rumor and verified it with an administrator. She doubted that Mr. McCormack had heard nothing. She seemed to infer that various bits of information come from the principals' meetings with the superintendent, through the PTA and she stated that she is a PTA president and knows all PTA presidents in Hicksville have been instructed to undermine Dr. Niosi's work. This remark set off an explosive reaction in the audience.

Iris Wolfson questioned the board's statement of cutting expenses and asked the costs involved in delivering school board mail to William Bruno. Dr. Niosi explained that Mr. Bruno, as chairman of the budget information committee, gets mail concerned with budgetary matters. He added that most of the mail is about budget, but there has been so much lately and it has been difficult to screen. Therefore Mr. Bruno is receiving all school board mail in his mailbox in the Administration Building. Mrs. Wolfson asked for the same privilege and the right to receive all mail. Mr. McCormack questioned the legality of Mr. Bruno's mailbox and moved that the board contact the State Education Department, Legal Division for a ruling. The motion passed unanimously.

Mrs. Yetta Kaplan spoke in favor of the elementary foreign language program, stating that young children pick up a language easier than those in Junior or Senior High.

William Bennett congratulated the school board on the proposed budget and its estimated tax decrease. He commented that he spoke as a resident and taxpayer and many others who were at the meeting or had spoken were school board candidates, members of the staff or PTA members.

Larry Wolfson questioned the money set aside in the 1972-73 budget to cover the costs for the remainder of employee negotiations. It seemed high, in view of the fact that the teachers have accepted a 4 percent raise and Mr. Wolfson suggested it be eliminated. He was told that not all negotiations are completed. Mr. Wolfson expressed concern that a cut in supplies this year would necessitate a larger spending next year. Dr. Niosi said he wants to set up a cycle of buying, so it is done on a regular basis, not spending excessive amounts at a given time. This reporter spoke in answer

to Mrs. Carton's charges against the PTA presidents. Having served as a president for the past two years, she received no instructions to undermine the superintendent and would not be influenced by an such suggestion. This is true of the other presidents in Hicksville, as well. This reporter said that contrary to undermining Dr. Niosi, the PTA presidents have met with the superintendent to discuss budget and other matters and such information has been taken back to the various units so that PTA members can be informed of district business. The presidents have requested meetings with the school board but have not been given this opportunity. This reporter also questioned the 22 cents decrease advertised in the budget brochure, and asked how Administration could arrive at the further reduction of sixteen cents (since the tax rate difference between last year and next year is six cents rather than 9 cents—\$11.79 for 1971-72 and \$11.73, as listed in the brochure, for 1972-73). Dr. Hill explained they expected to gain this extra \$130,000 in revenues (state aid, etc.). When asked, he said it would not come from savings on transportation. He also explained that the decrease would not be reflected in reducing the total budget figure for 1972-73, but would show up as surplus next year.

Muriel Schwartz also answered Mrs. Carton's charges and defended the PTA presidents. She announced that PTA Council will hold a school and library board candidates' forum at Dutch Lane School next Tuesday, June 6 at 8 P.M.

Marie Carroll commended the board of education and administration for their hard work in preparing the budget and added that she thought it was a fair one.

Tom Nagle asked why the budget brochure had been contained in the Bulletin Board after Mr. Clark had questioned the poor distribution of the previous issue. He felt distribution through a local paper, as in the last few years, would have guaranteed all Hicksville residents receiving copies of the budget. He asked the cost involved—\$975 for printing the Bulletin Board and \$200 for mailing. Mr. Nagle objected to no notice of the first registration appearing in the papers, but Danny Frank, Public Relations Consultant, said it was in the legal notices and had also appeared in this column.

Irene Gtlin asked how much the per-pupil expenditure had been decreased in the proposed

budget—from \$55 per student to \$29. She was told this money was spent on supplies and the district had a large surplus on hand.

Mrs. Wolfson suggested that \$120,000 could be cut from the budget by using loop busing at the Junior High (bus picking up one load and returning for another.) Dr. Hill said any savings here would apply to next year's surplus and would not reduce the planned expenditures for 1972-73.

One resident asked how the transportation guidelines were set and commented the state minimums were too austere and their policy too generous. Dr. Niosi agreed, but said this policy has been in the district a long time.

Carol Shaw commented on Dr. Niosi's statement that money could be saved if students attended regularly—we lost approximately \$3 per day per child in state aid for absentees. She objects to the first two days of Passover as snow days and reminded the board this would account for a large number of students being absent from school. The district would not lose state aid for these days.

Betty Fetta asked if the elementary foreign language had ever been evaluated? Dr. Ker-shen said Dr. Flanagan was the only outside evaluation. She objected to students being dropped from the program in ninth grade and having to start first year language again in Junior High. She feels the high attrition rate does not justify continuing the program.

Frank Brown questioned the increase in BOCES tuition and asked the state aid return—about 60 percent. Dr. Hill said they hope to increase this return; the district received 68 percent last year. Mr. Brown asked how much time the board spends on this item. Mr. Clark answered that a lot of time was spent.

Betty White asked if Dutch Lane School will have full-time instrumental and vocal music teachers next year. Dr. Niosi said no, but the program will continue. The music supervisors will work out a system for providing music in the two schools whose music teachers are not being replaced.

One citizen complained about students' littering and asked that the schools teach students not to destroy people's property.

The next board meeting is Tuesday, June 13 at 8 P.M. in the Administration Building.

Last day of registration: Sat., June 3 from 10 am to 2 pm in the local schools.  
Voting: Tuesday, June 13 from 10 am to 10 pm in the local schools.

## Loiacono - McCormack - Pirrung Kaffee Klatch

Everyone is welcome to join a "Kaffee Klatch" for Charles Loiacono, Bob Pirrung, and Neil McCormack, candidates for the Hicksville Board of Education, to be held Friday, June 9, at 8:30 p.m. at the Parkway Community Church (Stewart Avenue off

Pancake House 12-10. Chris Martin started with 4 hits, 2 of which were home runs. Bob Strack hit a bases loaded triple leading the team to victory. Steve Weiss and Ed Baquet kept Pancake House in the game with their home runs.

On Thursday, Newberrys repeated their antics by defeating Mid Island Plaza 7-4. Mark Game pitched 3 scoreless innings. Chris Winterall, Dom Mezapesa and Steve Hayes had 2 RBIs.

As the week came to a close, Dodge Chargers "brought home

the bacon" with a 14-13 victory over Circle Texaco. In the 5th inning, Charger's hope were nil trailing 13-2. But, hits by Peter Byrd and a tremendous team effort gave Dodge the win.

## TO THE PEOPLE OF HICKSVILLE

As a concerned voter of Hicksville, I have been trying very hard to keep up with all of the arguments of the upcoming election for the seats open on the Hicksville School Board. I have seen mass abuse of power and money in the last year and would like very much to see this changed. I have one major problem though, presently I am a student at St. Louis University and I will not be home in time to vote in the up-coming election. I am asking a favor of the voters of Hicksville.

Like the government of dictatorships, our present school board has removed all persons who might harm them and have put into power those who will show mercy on their wrong doing. Please open your eyes and ears and find out how YOUR present school board has been costing YOU money. I am asking you to vote in this election, vote for what is right in meaning and action. It is my opinion that the slate of Loiacono - McCormack and Pirrung will prove to be this right. Vote "yes" on the 1972 - 3 school budget for it will cost you less in the long run. But even if you do not agree with my opinion, please vote. It's a crime if you don't.

Thank you,  
David Rosman

## Letters To The Editor

(Continued from Page 4)

opened on Marie Street I attended the opening and registered my disgust about that area to my committeeman, Bob Jackson. Bob introduced me to someone who was going to "take care of that tomorrow, Mr. Hamilton." Well, almost two years later it got done and I'll bet that it wasn't done by him, whoever he was.

Now, for another gripe. Has anyone looked at the gutters on Broadway lately. They are full of garbage and litter, and have been ever since the State took over the "maintenance" (and I use that term advisedly) of Broadway. Of course, I blame the merchants of Hicksville for this lack of pride in the areas in front of their stores. It is so easy to say, "It isn't my responsibility." However, when I was a young man I worked in the A&P store in my home town of Dalton, Pennsylvania. It was my

responsibility to sweep out the store, morning and night, sweep the sidewalk and the gutter in front of the store and, if anything got thrown there during the day the Manager sent me out to clean it up. If the merchants of Hicksville would do that then they might find more of us would be more inclined to come to their stores to shop. Responsibility begins at home! How about it merchants of Hicksville, I dare you to try it.

Fred Hamilton

Dear Library Borrower:

As you doubtless know, the public library budget is to be presented on June 13th. Once again the Board of Trustees is requesting your support.

The library is in a stage of development that reflects the general expansion of the various forms of communication in our society. There are more hard cover books being published than ever before and they cost more.

Paperbacks have become an important part of the library collection as they are purchased in increasing numbers by once reluctant librarians. Taped cassettes, 8 mm films and circulating art reproductions have become a basic library service within the past few years. The development of the various audio-visual services have coincided with efforts to gather information concerning the services and functions of the Town and County agencies. We have requested pamphlets and other literature from all of the important departments and plan to establish a governmental information file that should prove very useful.

There are a few recent developments intended to illustrate the continuing efforts of our public library to search for new and improved ways to serve you.

The budget for 1972-73 is \$441,182.39 with a projected tax

rate estimated at 39.4 cents or about \$20.00 a year for most families. We need your support to continue our programs and urge you to cast an affirmative vote on June 13th. A defeat would severely curtail our materials budget which is the heart of our service.

Sincerely,  
Elery H. Bean, President  
Board of Trustees

Dear Mrs. Noeth:

I request that the following be included in your "Letters to the Editor" if Mrs. Schwartz's letter is printed as she indicated:

Mrs. Schwartz kindly, and timely, sent me a copy of her letter to the Herald, therefore providing me with the rare opportunity of responding in the same issue.

To brief the Herald readers with the subject matter, "Life's" last newsletter included such items as alerting the parents and school administrators to the "Life-discovered" (1) computer-report-card-errors and (2) unjust written teacher comments in a students permanent files - which a parent is lawfully allowed to fully examine. This is what Mrs. Schwartz refers to as "not PTA business"?? I suggest that she re-read Article IV in her own letter, unless this is to be construed as a classic example of the Supreme Court interpreting the Constitution!

When a person chooses to be in the limelight, one does not automatically shed her title simply because she does not announce it! Mrs. Schwartz continues: "In a democratic society each man has a right to decide for himself how he feels without forcing government by referendum." Isn't this inconsistent? Firstly, we are talking about straw-votes, or public opinion, and secondly, where possible, I can't think of a more absolute democratic form of government - the referendum! Although Mrs. Schwartz apparently self-tailors definitions and interpretations, does she honestly believe that remedial is better than preventative action on "forced-busing"?

In closing, I wonder what place on line PTA Council Pres. Mrs. Schwartz will occupy to check over her children's permanent school files and possible computer-report-card-errors as uncovered by "Life."
