School District 17 Reorganizes

BY SHIRLEY SMITH

At the reorganization meeting of the Hicksville School Board, held last Wednesday, Thomas Clark was elected president. Frank Zindulka became vice-president and Edward Bello was re-elected secretary. Prior to nominations for board president, Mr. Bello called for a "caucus" with the L.I.F.E.-endorsed members because he had important business and he didn't get a chance to talk to them before the meeting. George Pappas, one of the members called to caucus, refused to go because he didn't think it was proper procedure. The other L.I.F.E.-endorsed trustees, Clark, Zindulka and Bruno, did leave the room with Mr. Bello, however. Neil McCormack objected but school board attorney, Harry Goebel, said the caucus was permissible.

The board unanimously approved the following appointments: District Clerk - Mary Blust; District Treasurer - Herbert Backman; Assistant Treasurer (this is a board member who fills in when the treasurer is not available) - Robert Pirrung; District Auditor - Sol Newborn.

There was some controversy over the appointment of Harry Goebel as school board attorney, with trustees McCormack and Pirrung objecting to the attorney receiving retirement benefits. Mr. Goebel did receive the appointment in spite of these two dissenting votes.

The Junior and Senior High clerks were appointed treasurers for extra-classroom activities in both schools. Dr. Fred Hill and Richard Weigand were designated to act as purchasing agent until a replacement is found for Frederick Ricker who resigned to accept a position in another district. The board approved the establishment of bonds for 1972-73 (in the amount of \$450,000) for the district treasurer and the assistant, the bond registration agent and clerk.

Board policies to be adopted for the next year and membership in various professional organizations was tabled.

The board meetings were changed to the second and last Fridays of each month. Mr. McCormack and Mr. Pirrung voted against this motion by Mr. Pappas. The first meeting of the month was designated as educational and the last as the business meeting. Mr. Pappas' motion called for modifications if the Friday meetings should conflict with any holidays. Mr. McCormack tried to get the meetings changed to Thursday but his motion was defeated 5-2. The main reason given for changing from Tuesday nights was the late hour at which most meetings are adjourned makes it difficult to go to work the next day. Mr. Pirrung suggested that the board could conduct its business and finish in a reasonable time if executive sessions were held before the regular meeting rather than in the middle of it.

The board designated the Mid-Island Times as official newspaper of the district. Following the reorganization meeting a business meeting was held, during which the public was given an opportunity to speak. Omy Maieris objected to the Friday meetings on religious grounds, stating it was discriminating against the Jewish residents of Hicksville. William Bennett and this reporter also objected, because they felt Friday nights are a family time, not a time for school board meetings. Mary Cartop defended the change in meeting nights, stating it is difficult to get babysitters for late hours during the week and would be easier on a weekend. She also asked the board to consider appointing another health education curriculum committee if the current one is dissolved (this request refers to an item which appeared later on the agenda).

Board president, Thomas Clark, announced that the board will discuss the objections to Friday night meetings at a study session later this month. Mr. Bruno said there should be no objections on religious grounds because ten years ago meetings were held on Friday and at that time one of the board members was Jewish and did not object. He said he resented Mr. Maieris' remarks about discrimination.

The board voted to advance the Hicksville Library \$20,000 to meet their next two payroll periods. This will be paid back with the library tax receipts. Mr. Bruno voted against the action because he had checked with the library director, Kenneth Barnes, and there is a surplus from fines and fees. This is used by the library board to reduce the library budget (\$12,000) and for unexpected expenditures during the year.

Four Escape From House Fire

BY CAPT. OWEN MAGEE

Hicksville vamps responded to a house fire at Flower St., off Newbridge Rd. on July 7th. The alarm, called in by neighbors, was reported at 4:15 a.m. The 2½ story dwelling was fully involved in fire as firemen arrived. Mr. and Mrs. B. Petrino, tenants on the second floor, barely escaped injury as they fled the flaming structure.

Arson is suspected and the fire marshals office is investigating. 75 firemen and 8 pieces of apparatus responded on Thursday. The house is owned by Mr. A. Knoll of that address. The other occupant was removed from the scene by 8th pct. police.

No injuries were reported.

A smokey blaze caused damage to a house at 155 Nevada St. the fire was confined to the basement. The occupants managed to escape without injury. An exploding paint can woke the family. One of the children was asleep in the basement. This was a close call! It shows the value of home fire and smoke detectors. A fire of this type would have been noticed early and the damage would have been slight. 60 Hicksville vamps, 8 pieces of apparatus, under Chief Louis Mertz responded to the alarm at 2:35 a.m. July 4. During the period of 7/3 to

7/11 firemen responded to 30 alarms. Aside from the two house fires, vamps answered 4 malicious false alarms, 12 rescue calls, and 14 misc. alarms.

Parade & Drill Awards

Hicksville Firemen won a 2nd place as best appearing dept. in the Hempstead July 4 parade. The championship Ladies Aux. marchers won 1st place. The Ladies also won 2nd place best appearing auxiliary unit at the North Bellmore County Parade July 8. The Hicks Drill Team won 2nd place in efficiency at the tournament.

A request from Woodland Avenue PTA to hold family life discussions for parents in the school next year was tabled. Trustees McCormack, Zindulka and Pirrung voted against the motion. Mr. Bruno wanted to know more about the program. He also suggested the use of buildings by community groups is expensive and consideration should be given to these groups paying the costs. Woodland Avenue PTA plans to charge five dollars for the discussions, to defray the cost of the lecturing social workers. Mr. Bruno suggested they charge six dollars and this would pay the district's expenses for use of the building. Mr. Zindulka agreed that some guidelines should be set in the future, but this group should not be singled out.

The board approved the following organizational changes, which Dr. Niosi explained should increase productivity of district personnel.

Mr. Golecke, in addition to duties as vocal music supervisor (general elementary music and all choral music), will administer adult education and Opportunity High School.

Mr. Galante, in addition to supervising foreign language, will teach two Spanish classes in the High School, should circumstances warrant it.

Mr. Gouse, in addition to

supervising instrumental music, will supervise Junior High general music and piano classes, and Senior High music theory, music history and contemporary American music classes.

Mr. Cressman, the science supervisor, will visit all elementary schools and instruct classroom teachers in the new science curriculum.

The board tabled any further decisions on the teachers' contract. Before the clerical, custodial and other contracts could be discussed the board took a vote to continue the meeting. Mr. McCormack voted no and because the rules call for a unanimous vote at 11:30 (and later), the meeting was adjourned.

Monday night a special board of education meeting was held to finish the previous week's agenda. Mr. Bello was not present.

Contracts for the clerical staff, the custodians and the XYZ group (this includes non-instructional supervisory positions, such as business manager, buildings and grounds supervisor, etc.) were approved. A discussion of administrative cabinet (superintendent, assistant superintendents and administrative assistant) salaries was tabled. Later in the evening Mr. McCormack's motion to give these men a 4

percent raise was defeated. McCormack, Bruno and Pirrung voted yes; Zindulka, Pappas and Clark abstained. A motion must have four positive votes to pass.

The board did not give approval to the library to resubmit its budget. The vote was two in favor (McCormack and Pirrung), two against (Zindulka, Pappas) and two abstaining (Bruno and Clark). Mr. Bruno criticized the library board for not listing its surplus on the literature about the budget and questioned the operation of the library. Abe Fishman, vice-president of the library board, said Mr. Bruno had no right to cross-examine the library board and its responsibilities (which are outlined by state law). He stated that Mr. Bruno had the same rights as any citizen to attend library board meetings and ask questions, but he had no special rights as a school board trustee. When questioned later regarding the school board's decision not to approve the resubmission, Elery Bean, president of the library board, made this statement:

"The Board of Education of Hicksville, by its repeated refusal to comply with the requests of the Library Board for re-submission of the Public Library Budget, has inflicted a gratuitous insult on the Library

Statement by the President of the U.S.

I have today signed H.R. 15390, which extends the temporary ceiling on the national debt, and which, among other measures, provides for an across-the-board increase of 20 percent in social security benefits.

One important feature of this legislation which I greet with special favor is the automatic increase provision which will allow social security benefits to keep pace with the cost of living. This provision is one which I

have long urged, and I am pleased that the Congress has at last fulfilled a request which I have been making since the first months of my Administration. This action constitutes a major breakthrough for older Americans, for it says at last that inflation-proof social security benefits are theirs as a matter of right, and not as something which must be temporarily won over and over again from each succeeding Congress.

Another important section of H.R. 15390 provides for accelerated tax refunds for disaster losses. This provision, the passage of which this Administration also urged on the Congress, extends from 3-12 months to 6 months the period after the end of the tax year in which a person can claim a deduction for disaster losses. This means, for example, that a person suffering disaster losses between April 15 and June 30 of this year can recompute his or her 1971 taxes and receive a refund check now, while the money is needed most, rather than waiting until next April to claim the same amount. This is particularly timely in the wake of the extensive damage caused by the recent floods.

As I have indicated on other occasions, however, H.R. 15390 includes some serious shortcomings.

It fails the test of fiscal responsibility by failing fully to finance its increase in social security benefits. As a result of this failure, it would add an additional \$3.7 billion to the more than \$3 billion by which earlier actions and inactions by the Congress have already thrown the full employment budget for fiscal year 1973 into deficit — thus threatening dangerously to escalate the rate of inflation at a time when this Administration's economic policies are succeeding in turning it back.

I am determined that we shall

win the battle against inflation — and that fiscally irresponsible policies shall not again penalize all Americans, and especially the older citizens whom these benefit increases are designed to help, by taking away in higher prices what they have gained in higher wages and higher benefits.

Therefore, it will be necessary for the Congress and the Administration to offset the additional \$3.7 billion deficit created by this measure through cuts in other Federal programs.

An additional fault with H.R. 15390 is that it jeopardizes the integrity of the Social Security Trust Fund by substantially reducing the necessary coverage of trust fund reserves to ensure annual benefit payments. I shall request the next Congress to restore this full 100 per cent protection.

My belief that offsetting cuts in other programs can be made — although they may be painful — together with my belief that older Americans need and deserve increased benefits, permits me to sign this measure. However, I note that the Congress has extended the debt ceiling only until October 31, thus setting the stage for what could become a frantic, election-year scramble to attach a whole collection of seemingly attractive, politically popular but fiscally irresponsible riders to the debt ceiling bill at that time. Debt ceiling bills are a tempting target for such maneuvers, because the Government quickly becomes unable to function if the ceiling falls back below the actual level of Government debt. I place the Congress on notice now that if this occurs — if fiscally irresponsible riders are then

attached to that debt ceiling bill, for which it is not possible to find offsetting cuts in other programs — then I will not hesitate to exercise my right and responsibility to veto.

Beyond the shortcomings I have noted in this measure, it should be noted that the added benefits will not come without cost. Even though it is not fully funded, the measure still imposes considerable additional tax burdens on all wage earners. However, the overriding and finally determining factor in my decision to give my approval to this act is my deep concern for the well-being of our older Americans. They both need and deserve a significant increase in social security benefits.

With the signing of H.R. 15390, social security benefits since this Administration took office will have increased by a compound total of 51 percent. It is now our responsibility to see that these needed increases in income for our senior citizens are not eaten up by increases in the cost of living. The Congress has a solemn responsibility to join me in fighting inflation adopting an unbreakable rule — that there shall be no future increases in spending, above my budget without providing for tax increases to pay for such spending increases. Our older Americans deserve full and fair consideration at the hands of their Government, and I have made every effort to see that they receive it. It is in consideration of their just requirements, and in spite of the fiscal irresponsibility that the Congress has demonstrated in its deficit funding of this legislation, that I have signed H.R. 15390.

Dear Friends...

DURING THE RECENT FLOODS, cadets from the Civil Air Patrol's Nassau Cadet Squadron Six (many of whom are residents of our areas) participated in communications and loading supplies at Zahn's Airport in Amityville, at Kennedy Airport, and up in Elmira.

Six cadets from the squadron, William Conlon, Barry Goodman, Dorothy Houlihan, Robert Pastor, Amy Wiederhorn and Randy Pearl, left for Elmira to help in communications and aid the National Guard and Civil Defense.

Since there were no telephone lines working, a great deal depended on these cadets' knowledge of radio communications. They set up stations in hard hit areas such as Corning and Painted Post, so that, through radio communications, supplies could be delivered where needed.

Many other cadets worked long hours loading planes with supplies at Kennedy Airport, while other spent days at Zahn's Airport relaying and receiving messages.

We compliment these fine young people, whose names are too numerous to mention, for their help at this time of national disaster. Their training in the Cadet Squadron was more than adequate, and was put to good use in the service of others.

THE NASSAU COUNTY PULASKI Parade Committee has named Father Joseph Kozlowski, pastor of Saint Hyacinth RC Church in Glen Cove, as Grand Marshal of their 1972 Pulaski Day Parade which is scheduled for Oct. 1. Father Kozlowski is an active member of many Polish Societies, civic and community organizations, as well as spiritual advisor to a large number of these organizations.

A HAPPY BIRTHDAY... to Radio Station WHLI, "The Voice of Long Island" ... after a quarter of a century of operation in our areas, this well-known station will celebrate their 25th anniversary. They are inviting the public to attend their gala anniversary celebration on Friday, July 21 from 7 to 10 p.m. at the North Mall of the Roosevelt Field Shopping Center. There will be live music, free prizes, coffee, personalities, the largest cake ever baked on Long Island, and a drawing for a free trip for two to Montreal ... see you there!

EXOTIC SIAM AT JONES BEACH... this summer ... you won't want to miss this spectacular production of "The King and I", starring Constance Towers and John Cullum, produced by Long Island's own Guy Lombardo. By all reports, it is a really great "show!"

NASSAU'S FINEST CLIPPED ... upholding their regulations, the Nassau County Police Dept. will continue the Commissioner's rules that require "hair shall be neatly cut and trimmed at all times, sideburns shall not extend below the mid part of the ear, mustaches shall not extend over the top of the upper lip or beyond the corners of the mouth, and beards and goatees shall not be worn while on duty." At the risk of seeming old fashioned, we must admit, this sounds great to us and we wish that these regulations applied to everyone.

UNTIL NEXT WEEK, stay well, and enjoy beautiful Long Island.

LETTERS TO THE EDITOR

Board of Education
U.F.S.D. No 17
Division Avenue
Hicksville

Gentlemen:

At the Wednesday, July 5, 1972 School Board meeting, a proposal was made by Mr. William Bruno, newly elected board member, to close off the usage of all school buildings in Hicksville to outside community organizations unless they pay for such usage.

I strongly urge the entire board to give very serious consideration to the many repercussions that will most assuredly arise throughout the Hicksville community if the Hicksville School Board was to vote for the implementation of Mr. Bruno's suggestion.

Most taxpayers and voters in our school district will not look too kindly at any suggestion that infringes upon their children's rights. Community youth organizations would not be able, financially, to serve the hundreds of children they work with each week, if these organizations had to pay for the use of school buildings.

Each and every year, with the ever-rising cost of public

education, it becomes harder and harder to pass school district budgets. This proposal of Mr. Bruno's, if passed by our school board, would greatly antagonize many hundreds of parents, homeowners and voters of our community. As a practical matter, our school board should work toward better community relations and improved rapport with all community groups. Instead of closing off the schools to outside groups, the Hicksville School Board should expand the usage of all its facilities to even a greater extent than it is doing.

I ask the Hicksville School Board to seriously consider the consequences of closing off usage of school facilities to outside community groups. The schools of our district should be kept open and used without charge by more people of the Hicksville community.

Very truly yours,
John Maniec

Dear Mrs. Noeth:

In the recent brush with Tropical Storm Agnes the Long Island area fared very easily. The same cannot be said for Pennsylvania. I go to school in Lewisburg, Pennsylvania, on the Susquehanna River, and went back last weekend to inspect my own apartment and the rest of the town. The damage to Lewisburg is nothing short of catastrophic. With the highest flood waters on record the better part of the town was awash with between five and twelve feet of water and silt. The first floors of about 50 percent of the buildings were under water and pretty much of a total loss. This was especially hard on the

large numbers of people who were out of town for the summer and did not even have a chance to attempt to rescue anything from the rising waters.

As a good neighbor, and a human being I feel a responsibility to help my Lewisburg neighbors. I would like to ask that my neighbors in the Hicksville-Plainview area be as kind as to help me aid this flood stricken area. What are needed most are clothes, furniture, kitchen wares and appliances. If anyone has any of these items they can donate or a vehicle to help move these items to the Lewisburg area would they please call me at 935-1323 after 6 pm any day.

Sincerely,
Peter Hecht

Dear Mrs. Noeth:

I'd like to suggest that people should stop letting their dogs out early in the morning...some do this as early as 5 a.m.!

Also, I think they should stop taking their dogs to Dutch Lane School Yard and the park on Levittown Parkway...and along the Parkway.

Town of Oyster Bay officials tell me that enforcing these regulations is the job of the Police Dept., and that I should write to the Police Commissioner. I think they should enforce the law on dogs. Also I want the Town to put back the signs they had to remind the people about curbing their dogs. I have spoken to some of the people who do not obey these regulations, but, they keep right on doing it. Why?

BOCES Distributes To Districts

The Nassau Board of Cooperative Education Services (BOCES) recently distributed state aid reimbursements to all local school districts in the area. It was the eighth and final payment to these districts in the 1971-72 school year and also represented BOCES rental of facilities costs.

School District 17, Hicksville received \$298,298.26; Plainview-Old Bethpage School District 4 received \$108,363.75 and Levittown received \$209,826.42.

Installation Dinner

The Eldoes of B.P.O.E. No. 1931 held their recent Installation Dinner at the Astro Lounge in Hicksville. The installing officer was Mr. Rudy Staab, past exalted ruler of the Lodge. The new state of officers and trustees for the coming year are as follows: President Kay Conaghan; Vice Pres. Dolly

Angell; Rec. Secty. Alba Zarnitz; Corr. Secty. Irene Agrillo; Treasurer Grace Brancaccio; Sgt. at Arms Mary McMullin; and Trustees Elvira Scaglione, Mary Testagrossa, and Gene McMullin.

A good time was had by all who attended!

Human Growth Foundation Theatre Party

Does the idea of sitting outdoors under the stars, watching an enjoyable performance of "The King and I" sound nice? You can do just that by supporting the local chapter of the Human Growth Foundation's theatre party on this Friday evening, July 14th at Jones Beach.

Growth Foundation is the only non-profit, voluntary organization, totally dedicated to furthering medical research in the field of human growth and all its deviations, such as dwarfism.

Call now for your reservations...either Eileen Ackerman at 681-8001, or Beverly Ain at 484-0059. Seats are still available at \$6.00 and \$7.00 per ticket.

Your purchase of tickets will help a child grow! Human

"The Brick And The Rose"

The Hicksville Public Library on Thursday July 20 at 8:30 p.m. will present "The Brick And The Rose" an original play by Lewis John Cadino, directed by Marilyn Rosen with the CAPA Players.

The CAPA Players, who are part of the Town of Oyster Bay Cultural and Performing Arts Division have joined with the Oyster Bay's Drug Abuse and Control Agency to perform this timely play to all the town

residents. After the play there will be a question and answer period with directors of the Drug Abuse Control Agency answering the questions.

The Hicksville Library is pleased to be able to have a dramatic performance at the library for the first time. We hope to continue to serve the community with every new program available to the library.

Farewell To the O'Donnells

Over 100 friends, neighbors and relatives turned out at the Old Country Manor, June 29, to honor Bill and Muriel O'Donnell. The O'Donnells are moving to Pennsylvania and this was a surprise dinner-dance for them.

Bill and Muriel have lived in Hicksville nineteen years and both have been active in community affairs. Bill served on the Hicksville School Board for three years. He and Muriel have worked with various PTA units and have served as committee chairmen and officers. The O'Donnells have five children, four of whom graduated from Hicksville High School, the fifth just finished Junior High.

During the course of the evening, Bill and Muriel were presented with various "mementos" of their years of service to the community of Hicksville and remembrances of

their life here. Donald Abt offered a champagne toast and a "money bush" was presented to the O'Donnells for the beautification of "Naked Acres" (their new home, so dubbed because it has no landscaping at present.)

The "O'Donnell Kids" Billy, Kathy, Kevin, Brian and Charlotte—made a presentation of \$50 to the Hicksville High School PTA Scholarship fund in honor of their parents, stating, "We would like to donate this to the scholarship fund in appreciation of the warmth and love shown our parents by the people of Hicksville. May this also be a partial Thank-you for our combined 62 years of schooling in Hicksville Public Schools."

It was a gay send-off, enjoyed by all, but the O'Donnells will be missed by their friends and their community.

H.R.C. Graduates Students

"Confident in our ability to meet the future..." With these words Miss Susan Quinn (Uniondale) completed her address as graduating salutatorian of Human Resources School in Albertson. The School provides education on a tuition-free basis to severely disabled students. Susan was one of ten disabled young men and women who received their diploma.

Susan, like five others out of the ten graduating seniors, will be going on to higher education. One of the graduates, Louis Calabro of Babylon, has been awarded a full four year scholarship to Hofstra University, where he will be pursuing a pre-medical program. Mr. Calabro lost the use of his legs as a result of an accident three years ago and gets about either in a wheelchair or on crutches.

Presenting the academic diplomas was the Honorable

Perry B. Duryea, Speaker of the New York State Assembly, who was also the speaker for the Commencement exercises. Speaker Duryea was honored at the exercises for his work in behalf of the handicapped and was presented with a citation from both the President's Committee on Employment of the Handicapped and the Governor's Committee on Employment of the Handicapped. Making the presentation was Dr. Henry Viscardi, Jr., President of Human Resources School, who is Chairman of the Governor's Committee.

The other disabled graduates were:

Thomas Lupo (Flushing) going to Nassau Community College, studying Data Processing; Nathan Pratt (Medford) going to RCA Institute, studying radio and television repair; Susan Quinn (Uniondale) going to Nassau Community College, studying

secretarial sciences; Robert Uzakewicz (Hicksville) going to Nassau Community College, studying banking, real estate and insurance; Bruce Wilke (Cortecach) going to Nassau Community College, studying Data Processing; Patricia Carson (Rosedale); Mary Elizabeth Fyges (Uniondale); Robert Wassing (Bellerose); and Kevin Wollenweber (Valley Stream).

During his commencement address, Speaker Duryea announced that Human Resources School is now recognized as an official part of the University of the State of New York, having been established by the State Legislature as "educational facilities for severely handicapped children on home instruction or attending out-of-state schools." The School provides an eleven-month program to 198 disabled pupils, ranging from pre-school through senior high.

ROBERT UZAKEWICZ (Hicksville), of Human Resources School in Albertson, makes his way up to the stage just prior to receiving his diploma during recent graduation ceremonies for the

School's severely disabled students. Robert was one of ten handicapped seniors awarded diplomas during the fifth commencement of the tuition-free, fully accredited school.

THIRTY FIFTH ANNIVERSARY of the Kiwanis Club of Hicksville was celebrated recently at a luncheon at the Milleridge Inn.

IN THE TOP PICTURE, displaying their plaques for many, many years of active community service are the following Kiwanians: Mr. Leon Galloway, Mr. John Staryk, Dr. Charles Masek, Mr. Phil Rubenstein, Mr. Morris Rochman and Mr. Charles Montana.

IN THE CENTER PICTURE we see

(l to r) Mrs. William Heberer who sang "The Lord's Prayer" so beautifully, Kiwanis President Robert Warner and Kiwanis Vice-President Dick Botto, arranging memorial roses in a lovely ceremony, honoring members who have passed on.

WHILE in the lower picture (l to r) are Mesdames Fred Noeth, Edward Gianelli, William Koutensky, Walter Stillger, Sr., Ernest Francke, Joseph Reinhardt and Ludwig Froelich, whose late husbands were Kiwanians. (Photos by Charbonnet.)

THIRD PRIZE WINNER in a LILCO-sponsored home design contest is John Gonta, 8 California Street, Hicksville, shown here with his prize-winning design and teacher, Dominic Gagliardo. John is a sophomore at Hicksville High School where he takes his

academic work. He studies architectural drafting at the BOCES County Center in Westbury, one of five occupational education centers operated by the Nassau Board of Cooperative Educational Services (BOCES) for students from all of Nassau's high schools.

1972-73 Budget Ready For Re-Submission

The 1972-73 Budget of the Hicksville Public Library has been revised and is ready for re-submission to the taxpayers whenever the Board of Education decides to submit it. While they debate, some information is due the taxpayer before you miss that vital book you are looking for on the shelves.

(a) The revised budget of \$424,082.39 represents almost zero growth. Excepting for staff salaries and retirement, the budget has increased \$329.80. The bulk of the increased costs came from the improved retirement plan, the same plan which the Board of Education adopted for their non-teaching personnel.

(b) Fines and fees have been cited as a source of possible income to supplement the budget and lower the tax rate. That is exactly what they are used for. 75 per cent of the monies received each year are used to lower the

budget for that year. The bulk of the monies (expendable only by the Board of Trustees for a lawful library purpose) are used for maintenance emergencies, equipment, shelving, micro-filming magazines, or very occasionally supplementing the book budget. It should be noted that any of the equipment or materials purchased with fine money is expended on needed items that would eventually be purchased with tax money. By using non-tax monies, received for what amounts to special service (overdue books) the entire community is benefited and library service enhanced.

(c) Most of the damage, if the School Board succeeds in depriving the community of an opportunity for another vote, will be inflicted on the book collection, since this is the only area where substantial cuts can be made. We estimate it will be cut 50 per cent.

Receives BOCES Award

William Kroemer, president of the William Kroemer and Sons garden supply firm, 145 West John Street, Hicksville, was one of six local businessmen to receive a Recognition Award from the Nassau Board of Cooperative Educational Services (BOCES).

The men received the awards for providing outstanding assistance to the Nassau BOCES Division of Occupational Education. At a luncheon in their honor, they were praised by Frank Wolff, BOCES assistant superintendent for occupational

education, for their cooperation in formulating occupational education guidelines, developing work experience programs for BOCES students, and providing full-time employment leads for graduates.

More than 4500 students from high schools throughout Nassau County are enrolled in over 60 occupational preparation courses conducted by the Nassau BOCES. The courses are offered at five area centers in Freeport, Mineola, North Bellmore, Syosset, and Westbury.

Community Achievement Award

The Community Achievement Award of Joseph Barry Council is made annually someone who makes a material contribution to the well being of the community of Hicksville. The 1972 award was made to Patrolman Thomas Zanetti of the 2nd Precinct in Woodbury for "professionalism and model devotion to duty." By contributing much personal time and effort, well beyond the normal call of duty, he conducted an investigation which led to the arrest and conviction of an armed hold-up man who had been plaguing the Hicksville-Jericho-Woodbury area for some time. The arrest was made last May here in Hicksville on East Marie Street.

The second major award went to Francis Larkin, son of Mr. and Mrs. Francis Larkin, in the form of a \$500. scholarship to the school of his choice. Mr. Larkin will be attending Nassau Community College this fall. He resides with his parents in Hicksville.

This was the fifth annual Community Achievement Award, the previous recipients were Rev. Edward Stammel, the late Fred J. Noth, Gardner Gregory, and Rev. James Jay Benson.

The council's annual scholarship awards now total \$2,500.

Troop Awards

At the Monday, July 10, 1972 meeting of Troop 64, BSA held at the Seaman & Eisemann Building, 167 Broadway, Hicksville, the possibilities of an amalgamation with Troop 615, BSA, Levittown was presented, which would bring an additional seven or eight boys into the Troop. With this amalgamation, Troop 64 will have a good deal to offer new boys interested in Scouting and active parental interest is also urged.

Receiving awards were Michael McKiski, 1st Class, Brian Boschart, 2nd Class, both from Troop 64 and William Trinka, 1st Class and 2 Merit Badges, Steve Bentman, 6 Merit Badges and David Bolvnik, 1 Badge, all from Troop 615.

The Troop will be camping at the Little Big Horn Campsite at Camp Wauwepex during the weeks of July 16 and 23.

Troop 64, which is sponsored by the Hicksville Kiwanis meets every Monday evening at 7:30 at the Seaman & Eisemann Building.

CONNIE MACK LEAGUE

Hicksville Connie Mack A and

B teams had a terrific day last

Sunday, both teams winning

double headers. For the first time

in its four year history the Connie

Mack B team won a double

header. The Hicksville B's won

two from a strong second place

Westbury team. The much im-

proved Connie Mack A team only

committed one error in shutting

out the visiting Williston team.

Steve Conte pitched a strong 2

hitter to blank out the visitors.

Miracola doubled, John Santa

singled and Carmine Castellano

got the RBI when he singled in

the only run in the game.

Hicksville won the second

game 2-0. The winning runs were

scored in the 5th inning when

Bergin walked, Secko singled and

Don Kopf brought them in with a

long single. Frank Pace got the

win in his first pitching assign-

ment of the season.

On July 4th the Hicksville High

School Field was unplayable but

the Connie Mack A team was able

to play their games in a twin-

nighter at the Garden City Field

which was in good shape.

Hicksville won the first game

getting all the runs in the 6th

inning on four walks, Frank

Rybak singled in two runs and

Carmine Castellano got a RBI

when he was hit by a pitch and

forced in a run. Garden City

pitcher Neilson got eleven strike-

outs but was unable to hold back

Hicksville and was relieved in the

sixth.

Hicksville lost the second game

to Garden City pitcher Callaghan

who struck out thirteen and

allowed only one hit by Charlie

Broussard.

Frische and Figliolo took the

losses. Paul Huckstein did a

terrific job relieving in both

games, Falkenberg and White

each collected a single, Williams

getting 3 singles for both games.

Last Sunday the Hicksville B's

had the best day in their 4 year

history when they beat a strong

2nd place Westbury team in two

games. Bill Reed pitched a strong

game to win the first, getting an

assist with a capable relieving

job by Paul Huckstein in the

seventh, Falkenberg singled in 1

run, Frische batted in 3 runs

with his two hits, Frank Gervasi

got 3 hits.

In the second game Paul

Huckstein again relieved in the

seventh inning to halt a rally by

Westbury. Hicksville's rally

came in the 4th inning when they

got 7 runs on 4 hits. Falkenberg

singled, Frische singled in a run,

Huckstein drove in two runs with

a double and Richie Kwas triped

in two runs.

HICKSVILLE AMERICAN LITTLE LEAGUE INC.

A MESSAGE FROM THE PRESIDENT

The raffle drawing finally took place at Burns Ave. field on Sunday, July 9, 1972. The drawing, originally planned for June, was delayed because many of the boys were delinquent in turning in the stubs. Thanks to the efforts of Mrs. Pat Poggoli and the Women's Auxiliary, the fund raising effort was very successful. Due to the inclement weather we had many problems in our league this year, and the fund raising drive was one of the few bright spots this season. The following is a list of the winners:

1st Prize - Mr. Einzig - 62 Barry

Dr. Westbury.

2nd Prize - Mr. Babat - 14

Wedgewood Dr. Westbury.

3rd Prize - Pearl Vogel - 62

Sunnyside La. Westbury.

I would like to take this opportunity to list the names of the boys who sold twenty-five books or more. We in the Little League feel that these boys are a credit to our league, and wish to thank them for their efforts:

Raymond Pampillanio,

Richard Pampillanio, Mark

Tucker, Jimmy Pakaluk, Dave

Martin, Howard Mann, Dick

Winter, James Flanagan, Lee

Mehan, Bill Meslin and Bill Dow.

Due to the heavy umpire ex-

penses this year, it was doubtful

that we would be able to pur-

chase trophies. Thanks to the

excellent job that Pat Poggoli

did to insure the success of the raffle, we will be able to award the winning teams and all stars trophies. I believe we all owe Mrs. Poggoli and the Women's Auxiliary our gratitude for an excellent job performed. Below is a list of the women who all season were called upon to make phone calls, type and collect chance books, which made our job a lighter one:

Eileen Duenbeck, Val Pakaluk,

Ruth Kinter, Norma Pam-

pillonio, Joan Hornish, Jerry

Dow, Carol Meslin, Pat Poggoli,

Ellie Playne, Cell Madine, Mae

Eaton, Helen Branham, Mrs.

Libardi, Mrs. Pizzo, Gloria

(Continued from Page 13)
Murray, Mrs. Lee Mehan and Janet Vinning
I wish to congratulate the managers, coaches and boys of Agway Petroleum, Senior League Champs, Ernie's Barber Shop champs of the AA, and Dodge Chargers A league champions. As of this writing the race in the Major League has not been decided.
The Little League tournament game will be held at Heath's Lane field in East Meadow on Monday, July 17, 1972 at 6 PM. Our Major League All Stars will play the Hicksville National League, so come out and see Little League at its best.
In closing I would like to ask all the boys to return their uniforms to their managers or to 108 Wilfred Blvd. or 132 Ohio Street.
Sincerely, Bob Willis President

FARMS:
RESPIRATORY CARE GROUP won the championship in the Farms by defeating SOUTH BROADWAY CARVEL 1-0 in nine innings. Both teams went scoreless for eight, then Respiratory Care broke the deadlock in the top of the 9th with a single by Paul Yanopoulos, followed by a triple by Bernard Ordoz scoring Paul for the games only run. It was an exciting finish to a very successful season.

MINORS:
Friday night Long Island National Bank maintained its hold on first place by narrowly defeating Marder Shell 3-1. Rob Sauer again came through with fine pitching for Bank. Cerone Floor Covering trounced Hicksville Pennysaver 12-7, with most of the runs scored on walks.

Paragon Oil beat Hills Supermarkets 6-5.

MAJORS:
TROIANO EXPRESS beat GOLDMAN BROS. to win the first half by a score of 4-3. Dave Joyce pitched for TROIANO, allowing only 5 hits. Carmine Testa went two for three and Don Joyce notched two hits for Troiano. Gary Holzapfel went two for three for Goldman. Monday night, Goldman Bros. beat Chas. Wagner 8-4 to win the

second half. Joe Catalano went all the way for Goldman. Friday Troiano will meet Goldman to decide the championship of the Majors. The HICKSVILLE INTERNATIONAL LITTLE LEAGUE ALL STARS play their first game against Jericho next Tuesday, July 18 at Washington Park. The following boys are representing our league: Rocco Barbone, Ray Bauer, Tommy Campo, Joe Catalano, Mike Cerone, Joe DiLuvio, Ricky Holoubek, Kevin MacPherson, Dave Joyce, Don Joyce, Ricky Muller, Mike Pinelli, Howie Stein, Carmine Testa. Their manager is Don Joyce and the coach is Angelo Marrero. Game time is 6 P.M. and the park is on Washington Ave. righthoff Manetto Hill Road in Plainview. Let's have a good crowd to cheer our All Stars on.

William Massey Returns From Boys State Week

William Massey, Hicksville High School junior and this year's American Legion representative from Hicksville, has returned from the Boys State Convention held at State University, Morrisville, New York.

Sponsored by the Charles Wagner Post 421, Massey took part in the nationally-known and much praised week-long session in mock government. Several hundred of the State's outstanding students were introduced to the techniques of our democratic political processes. Divided into political parties, the youths simulated actual politicking and legislating by experiencing party caucuses, nominating conventions, election

campaigning, platform drafting and, finally, the enactment of laws for cities, county governments and state administration. Attorney General Lomenzo delivered an address to the assembled Boys Staters.

William is the son of Mr. and Mrs. William Massey. He will enter his senior year at the Hicksville High School this fall where, it is hoped, he will be able to apply in the Student Council the political skills and experience acquired during his active stimulating week at Boys State. William will also be invited by the American Legion to report on his experiences to the Charles Wagner Post members at a meeting this fall.

The American railroads have a national fleet of nearly 1.8 million freight cars—enough to form a solid train that would span the continent five times.

Legion Scholarship

The Charles Wagner Post American Legion Memorial Scholarship has been awarded to Steven A. Isaacs of this year's graduating class at the Hicksville High School.

Steven is the son of Mr. and Mrs. Jack Isaacs, and he will use the \$300. scholarship to help defray college costs at the State University at Stony Brook where he will major in mathematics.

Steven is no stranger to the Hicksville Legionnaires, having received the Legion's Citizenship Medal for his efforts to become an Eagle Scout, several years ago. The youth was chosen to receive the scholarship by Principal Raymond Rusch and

his faculty in appreciation for his scholarship, school service and deserving character. Typical of the young man's wholesome attitudes are his work this summer as Eagle Scout camp counselor and his letter of appreciation to Commander Matthew Brennan: "I have always had the highest regard for the American Legion as the community representative of good citizenship. I only hope that after I finish my college education, which your organization is helping to start I can pass on these ideals to the student that I will be educating. As for now, I will continue to uphold these ideals to those I meet in scouting and college."

Great Bear Petition Raises Strong Protest

BY JANET GOSNELL

A two automotive related petitions for special use permits were heard at Town Hall on Tuesday, one eliciting no comment, and the other rousing strong opposition from its neighbors.

No one spoke in relation to the petition of Chevron Oil Company for a special permit use to construct,

operate and maintain a gasoline station in an Industrial H District on the northeast corner of Bethpage Road and Andrews Road in Hicksville.

Not so for Great Bear Tires, just south of the Bankers Trust Co. on North Broadway, whose neighbors to the rear, on 18th Street, had plenty to

say. The petition was presented by an attorney named Mandel, of Syosset, who said that each time complaints about the operation were heard from the neighbors, these were corrected as soon as possible. A new stockade fence was recently constructed along the 18th Street boundary of parcel, which offers no egress to Great Bear or its clients.

He also said that the present action was precipitated by complaints which led to inspectors coming around, which led to violations recorded with the building department. Although a permit for a gas station was granted for the parcel in 1940 and several variances for signs were granted, evidently for its present tire, brake and repair service, a special use permit is needed, which the petitioner did not have.

Neighbors complained that repair work on as many as four cars at a time all day was going on outside on the premises. They also complained of

PROTESTING noxious aspects of the operation of L & L Tire and Brake, Inc. (Great Bear) on North Broadway, is Margaret Zulkofski, of 4 18th Street, whose property backs up

on the subject parcel. Supervisor John Burke, in foreground, listens attentively to her statements in the public hearing room at Town Hall on Tuesday.

noise beginning as early as 8:00 A.M. on Saturday morning and continuing, with accompanying lights and a loud speaker, as late as 10 P.M. at night.

The attorney, and the owner of L & L Tire & Brake, Inc., August Ernst, said they would restrict operations to 6 p.m. each day. They also said they

would make every effort to restrain the apparently youthful vandals who come over their fence, dump their trash out of the dumpsters and break lights.

At the close of the hearing, the Town Board reserved decision on both petitions.

School District

(Continued from Page 1)

Board and the citizens of Hicksville. The Library Board, a group of citizens elected as a completely separate and autonomous Board, has the responsibility of preparing and submitting its budget. The School Board has neither expertise nor responsibility in the important area of library service for the community.

I, as Board President of the Library, consider the refusals by the School Board to arrange for the re-submission of the budget, an irresponsible act of doubtful legality. No reason has been given by the Board of Education for this interference in the proper duties of the Library Board of Trustees.

I wish to assure the citizens of this community that I intend to pursue this matter until a proper budget is presented to the taxpayers. For the fourth time I am requesting a place on the agenda of the School Board meeting to be held on Friday, July 28th."

The board voted to approve the resignation of Fred Ricker, assistant business manager, with Mr. Bruno voting no. He felt an offer should be made to Mr. Ricker to encourage him to stay in the district, rather than lose a man with his experience. Mr. Pirrung pointed out that money may not be the only consideration in a person's resigning. Administration's recommendation to have the position filled by an assistant principal was tabled.

The school board approved a \$5000 settlement in the suit of Dr. Joseph Madden against the district. Dr. Madden was director of recreation and was fired last year when the residents turned down a referendum for summer recreation. Dr. Madden contended that his contract called for a 90-day notice and he was notified one day prior to his dismissal. With this settlement, Dr. Madden agrees to sever all ties with the district. School board attorney, Harry Goebel, said this lawsuit could have cost the district \$7500.

A resolution to dissolve the health education curriculum committee was turned down and the board voted to continue the

committee with its current members. The two newly-elected board members will appoint their representatives to serve on the committee.

The board also decided that each member would submit one or two names to Administration this week and these people will constitute the Adult Education Advisory Committee. All other committee appointments and decisions will be made later.

Mr. Clark read a statement on his proposals for school changes, in order to set up some plan for the future of the district. It included the addition of a second floor to all one-story elementary schools and the removal of all temporary structures then all elementary schools would house grades K-9 and transportation for grades 7, 8, 9 would be eliminated, in most cases. He further suggested that the Junior High be converted to Hicksville Polytechnic School, with the possibility of this becoming an accredited Junior College. Mr. Clark also proposed that 12th grade vocational students, now attending BOCES, could attend Hicksville Polytechnic School and after three years obtain an associate degree. The expense of educating the seniors would remain with the district, but the goal should be to make the Polytechnic School self-sustaining. Mr. Clark added, "There will be numerous possibilities as well as problems with such an undertaking, but I firmly believe the Hicksville Community is more than up to the challenge and Hicksville will set educational direction for future years." The board took no action on this proposal.

The next school board meeting is Friday, July 28 at 8 P.M. in the Conference Room of the Administration Building.

Reserve Duty

Navy Lieutenant Thomas C. Higgins, son of Mrs. Gladys Fabrikle of 173 W. Nicholas St., HICKSVILLE, has reported for reserve duty with the Naval Air Reserve Unit at the Naval Air Station, Norfolk, Va.

He is a 1960 graduate of Hicksville High School.

So who forced you to move to the suburbs?

You wanted the suburbs because they're green and beautiful and a great place for raising kids. But those fancy real estate ads never told you about sewers or septic tanks, did they? Well, keeping you from ever knowing they're there is our business. As professional plumbers we recommend nationally famous CPM® to prevent and correct sewage problems. Safe and effective, liquid CPM treatments prevent trouble without expensive pumping, digging, rooting or dangerous acids. So give us a call and learn about CPM. It costs so little the only green you'll have to worry about is your lawn.

* CPM IS CONCENTRATED. YOU MIX IT WITH WATER AND APPLY IT THROUGH YOUR BATHROOM BOWLS AND SINK DRAINS. MONEY-BACK GUARANTEED WHEN USED AS DIRECTED.
