Firefighters Canvassing Neighbors

Starting this week Hicksville firemen will be knocking on your doors in search of donations to the Welfare Fund. Those persons they will call on are those who missed sending in a donation, a total of 4,720 homes.

This fund covers items that your state and local tax dollar does not. Any help you can give is appreciated.

As most residents know, Hicksville firemen are all volunteer, available for duty around the clock, rain or shine.

The firemen will be in uniform and carry identification cards.

"Holiday Decorations"

A general meeting of the Woodland Ave. PTA will be held on Tuesday, November 21, at 8:15 P.M. in the school cafeteria, program: "Holiday Decorations."

Mrs. William Zuendt, from 4H.

Division of Cooperative Extension Association of Nassau County, will show us how to make these decorations. We'll supply the materials and you bring a pair of scissors and patience. Refreshments will be served," said a PTA spokesman.

Controversy and Conflict At School Board Meeting

BY SHIRLEY SMITH

It was a wild night. People were tense and tempers flared. Heated arguments and shouting filled the room. For many of the crowd of several hundred it was a disappointing night—especially for those who had come to learn the future of foreign language in the elementary schools. These people waited through all the tirades and tantrums, but the Hicksville School Board meeting adjourned at 11:30 and agenda item No. 9-A (Foreign Language Program). The Board will be asked to consider certain aspects of the Foreign Language Program) was never covered.

During the first public portion of Friday's meeting (the only one scheduled on the agenda), Barbara Rosman asked the board to allow for a second public session during the time foreign language was being discussed.

Eugene Edelstein read part of a letter from the Hicksville Citizens for Better Education, in which it was brought out that the Flanagan report recommended extending foreign language to all elementary school students. The CRS report had advised to maintain the current program but add an additional entering time. Mr. Edelstein asked the board to consider the strong community feeling about foreign language. He also suggested that the attrition rates and starting times in other districts be studied.

Marge Giannelli stated there should be public mention of the fact that it was the teachers who filled in during the two-day layoff of school monitors in September.

John Maniec, program director of H.A.D., disagreed with the board's action last week regarding the National Institute for the Development of Community Drug Program. He asked the board to consider participating at a later date.

Frank Brown questioned the agenda placement of an item to replace instructional typewriters at the High School. He felt it should be near the beginning since it had been postponed from previous meetings. However, the item was not moved up.

Thomas Clark, board president, proposed a weekend work session for board members. He suggested they meet out of the district, away from phones and families, and try to set up a plan for the district for the next ten years. Some of the topics of discussion could be individualized instruction, the temporaries and transportation. The board did not act on Mr. Clark's suggestion.

William Bruno asked when cable TV had been authorized in the district. Dr. Jerome Niosi, superintendent, said the board had approved it last November and it was set up with BOCES so that the district schools could get one cable. Lines were installed in each school, at no cost to the district. It was suggested that school board meetings could be telecast.

Mr. Bruno also asked if the board could require a urinalysis, as part of the school exam, to aid in determining drug usage. Harry Goebel, school attorney, said this would be an invasion of privacy and could not legally be required. Mr. Clark asked Mr.

Goebel to get the opinions of the school physicians.

The board approved payment of the October 31 payroll and routine expenses of the district. Mr. Bruno voted no. He criticized the payment of Mr. Clark's phone bill and stated there should be vouchers presented to the board before reimbursement is given to any individual.

The board authorized the administration of a drug attitude inventory in the health classes at the Junior and Senior High, but stipulated that it be optional with parental permission, in writing. Dr. Niosi explained the attitude survey would give an indication of the extent of the drug abuse problem in Hicksville. Erwin Rozman, administrative assistant, stressed that no names would be used on the test and he also warned of the danger of drawing wild conclusions from the test results. It is doubtful that the survey will be administered, however, because Dr. Niosi objected to the stipulation set by the board. He felt obtaining the parents' permission would jeopardize the outcome of the test and would delay the whole procedure.

The board approved various changes in personnel and other appointments. But controversy arose over an agenda item entitled "transfer and appointments." Robert Pirrung asked why there was a deviation of hiring a higher-salaried teacher to fill a vacancy left by a teacher going on maternity leave. Dr. Niosi explained he tries to get the best teacher at the lowest price. He said the recall list (teachers who have been let go by the district) was exhausted. Dr. John Gadder, assistant superintendent, later said that all but one teacher had been re-hired and she had been promised highest priority.

Mr. Pirrung then asked if Dr. Cadden had interviewed the teacher in question. He said he interviewed the man two years ago, at which time he was hired as a home teacher. He also interviewed him recently but not for any specific position. Mr. Pirrung asked if Dr. Cadden recommended this person for the vacancy. Before he answered, however, George Pappas intervened and said Dr. Cadden had never been questioned in this manner regarding other teaching positions.

Neil McCormack asked to see the applicant's folder and then asked if the principal of the school involved approved the recommended appointment. Dr. Niosi said yes. But the principal later stated, publicly to the board that he did not recommend the person and had not interviewed him. Dr. Niosi answered that he had spoken with the principal and understood the appointment to be acceptable.

Mr. McCormack stated the recommendation for hiring did not come from Dr. Cadden and this was contrary to usual procedure. Mr. Bruno asked if Dr. Cadden was always directed to interview job candidates. Dr. Niosi answered it is the superintendent's responsibility, by law, to recommend personnel, but "the board in its wisdom hires assistants to help him." He

said Dr. Cadden is not directed, but job applications for teaching positions are turned over to him.

Mr. Bruno said the board should have spoken privately about this position. Mr. Clark responded that Mr. Bruno refused to come to a study session on the matter.

Mr. McCormack asked if Dr. Niosi had reviewed the applicant's file and if he would want the person in his school if he were principal. Dr. Niosi said yes and added he didn't think anyone should be condemned for the rest of his life for one mistake. He stated the matter is still in litigation.

The board then went into a 45 minute executive session, at the conclusion of which the item was withdrawn from the agenda and no action was taken.

The school board unanimously approved the use of Title I federal monies for a non-English speaking project scheduled December 4, 1972 through June 30, 1973. This program will enable non-English speaking students in Hicksville to learn our language. The board also approved the purchase of equipment for a Title I remedial reading program. A request to approve the mandated Strand II (alcohol, smoking, narcotics) of the Junior High health curriculum was tabled again.

The board then voted to allow for an additional twenty-minute public session. Trustees Zindulka, Bello and Pappas voted against the motion.

Larry Wolfson criticized "the tenacity of the board" regarding the proposed teacher hiring, which had taken up so much time on the agenda. "What does the board and administration owe that requires them to jeopardize the children's education? What has he or his friends done as favors?" Mr. Wolfson gave some background of the person in question and said he was upset by what he saw in the district—the fear psychology and intimidation, the witchhunting and censorship. He accused the board of retrogression and rendering our educational system impotent. The public is no longer lethargic and apathetic, said Mr. Wolfson. "Hicksville will rise again."

Charles Felta, in turn, criticized Mr. Wolfson and his remarks. He said the person in question was entitled to a job. He charged that other school board had given jobs to their friends and he criticized the "PTA pressure groups," stating he would name the members of that group.

Barbara Rosman said, "PTA is a pressure group and the group they pressure for is the children."

The meeting disintegrated into chaos. And at this point, the vote to continue the meeting was taken. Mr. Zindulka voted no and the meeting adjourned, leaving six agenda items still undecided.

The next school board meeting is Thursday, November 30 at 8 p.m. in the High School Auditorium. A hearing on raising the senior citizen tax exemption is scheduled to be first on the agenda.

 Hicksville Overbrook 1-1313

J. Vincent Jones of Deer Lane, Hicksville, was unanimously elected President of the Commodore John Barry Division Eleven, Ancient Order of Hibernians, at their November meeting held at the Hicksville Knights of Columbus Hall.

Mr. Jones has served well through the years with the division and is an active member of St. Paul the Apostle Parish, Jericho. He is a 25 year employee of the New York Daily Times in the composing department and for a dual note Vincent and his lovely wife Rosemary celebrated their 25th wedding anniversary last month with a wonderful reception held at the Villa Victor in Syosset.

Other Officers elected to serve with Jones, include: John Connolly, Vice-President; George H. Harkin, Recording Secretary; Peter McMahon, Sr., Financial Secretary; William Collins, Junior Past-President; Treasurer: Daniel Donovan. Chairman Standing Committees: Edward (Ned) Bergin, Marshall; Peter McMahon, Jr., Sentinel; Lawrence Roby, Parade Chairman; John Campbell, Historian; James Cummings, Past County President, Public Relations Officer.

A combined installation of the Division Officers and Ladies Auxiliary will be held Sunday afternoon, December 3, at 3 P.M. in the Monsignor Bitterman

Chambers of the Joseph Barry Council, Knights of Columbus, 45 Heitz Place, Hicksville. A buffet and reception for members and invited guests will immediately follow the impressive installation by County Officers.

Thomas J. Bergin, Sr.

The family of the late Thomas J. Bergin Sr. wishes to express their heartfelt thanks to all the clergy, faculty and children of St. Ignatius Parish, Hicksville Fire Dept., Joseph Barry K of C, Mother's Auxiliary, Court Queen of Angels C.D.A. and all their wonderful friends and family for their kindness and sympathy.

New Traffic Signals

Traffic signals will be installed at the intersection of Stewart Avenue and Balsam Place, Bethpage and the existing signals at Old Country Road and Round Swamp Road, Old Bethpage, will be modified, Public Works Commissioner John H. Peters announced today.

At both locations, the signals will be responsive to traffic and will stop traffic on the main artery only when vehicles are actually waiting to enter from the less heavily-trafficked street. The

present signals at the Old Country Road-Round Swamp Road location operate on fixed time intervals and go to red irrespective of traffic volume.

Peters said he expected the new signals to improve both traffic flow and safety.

The installations, which will be completed within the next seven to eight weeks, are part of a two-year contract between the County and Broadway Maintenance Corp.

Mike Steinberg and William Colvin To Address Hicksville Democratic

Mike Steinberg, 14th A.D. Leader and William Colvin, Democratic Town Leader, Town of Oyster Bay will address the next regular meeting of The Edward J. Giannelli Regular Democratic Club at the Knights

of Columbus Hall, 45 Heitz Place, Hicksville, L.I. N.Y. on Thursday evening, November 16, 1972.

The theme of the meeting will be "Where Do We Go From Here" it was announced by Fred Hagemann, program chairman.

Fire Dept. Open House

The Headquarters of the Hicksville Fire Dept. will be open Sunday, Dec. 10, 2 P.M. to 5 P.M. There will be numerous displays on fire fighting and fire safety. Outside firemen will demonstrate the aerial platform truck, a pumper and a foam unit and the floodlight.

Santa will be present to talk to the small fry and will have a trinket for them. Fire Safety cartoons will be shown also.

The display has been set up to get as many people indoors as possible in case of cold or inclement weather.

Father Daughter Square Dance

The Lee Ave. PTA will hold an Autumn Leaves Square Dance on Tuesday Nov. 21 at 7:30 in the Lee Ave. School. Tickets can be purchased at the door-adults \$1 children 75 cents. All girls and their adult escorts are invited.

Annual Harvest Dance Set For November 18

The annual Harvest Dance and Card Party for the benefit of Catholic Charities' Blind Services program will be held Saturday evening, November 18.

The affair will offer guests an evening of dancing to the music of Joe Allen and his band plus an opportunity to win one or more of the more than 100 prizes that will be awarded.

At the same time, guests will be aiding the hundreds of persons who benefit through the program. The dance is sponsored by the Braille, Large Type and Recording Services section of Catholic Charities.

The affair is set to start at 8 p.m. at the Lynbrook Knights of Columbus Hall, 78 Hempstead Avenue, Lynbrook. The admission fee of \$2.50 per person includes light refreshments.

Tickets may be obtained at the door or by contacting Miss Marie Paluseo, Catholic Charities Special Services for the Blind, 272 Merrick Road, Lynbrook (592-4600). Anyone who cannot make the dance but would still like to make a donation to this worthy cause may do so through Miss Paluseo.

Malicious False Alarms Cost

CAPT. OWEN MAGEE

During the past week Hicksville Firemen responded to 7 malicious false alarms. To date during 1972 there have been 185 malicious false alarms.

Each time a false alarm is sounded, firemen risk their lives responding, in the process due to heavy traffic in this area, many residents stand a chance of injury or death due to responding apparatus or a real fire occurring while firemen are out on a false alarm.

Taxpayers money is wasted on gas and usage of fire apparatus. The worst part is many of these false alarm culprits could be caught or identified if only local residents would get involved.

Many times firemen pull up to a fire alarm box, many neighbors are outside working and nobody sees anything. Hard to Believe! Maybe the answer is to abolish the street alarm boxes altogether. They are proving to be a costly and dangerous ploy.

While on the subject of cost and usage, Hicksville Fire Chiefs

Bazaar The Long Island Chapter, National Foundation for Sudden Infant Death will hold its bazaar on Saturday December 9, from 8 to 12 p.m. and on Sunday December 10, from 12 noon to 6 p.m. at the American Legion Hall, 95 Lake Avenue, St. James, L.I. 1/2 mile north of Jericho Tpke (RT. 25) The bazaar will feature a large variety of all new merchandise.

have unsuccessfully during the past year requested from the Board of Fire Commissioners 3 not so fancy - low cost Deputy Chiefs cars. The Head Chief is already supplied with a Station Wagon. However the 3 Deputy Chiefs must use their family cars to carry their air masks, Fire Extinguishers, Resuscitators and Turnout Gear and respond to all alarms.

As anyone could plainly see this is unfair to those men. Hicksville has almost 1,000 alarms yearly and that is a lot of wear and tear on an auto. They do receive a monthly allotment of gas.

The Board each time has seen fit to deny these requests. Cost can't be the reason as the Jericho Fire Dist. to the North is a much smaller district and they have for several years supplied their chiefs with cars. Many other Fire Districts Do the Same. Levittown, East Meadow, North Bellmore, Hempstead to name a few.

Many Hicksville Firemen think this denial is unfair. But Public support may be our last resort. Please let us know your thoughts - Pro & Con on this matter.

Thanksgiving Day, 1972

Our American Thanksgiving Day dates officially from 1863 when the nation was locked in a sectional struggle. At that time Mrs. Sarah J. Hale, who had been proposing a national day of thanksgiving for decades in Boston and Philadelphia as a magazine editor, wrote to President Abraham Lincoln - who in October of 1863 issued the first Thanksgiving Proclamation.

There had been earlier thanksgiving days; some date the American observance to the days of the early settlers of the nation - who gave thanks for their food supply and the opportunity America offered. The first probably occurred in the Plymouth Colony in 1621.

There have also been observances in other lands but few countries had adopted annual thanksgiving days prior to the American custom. An international thanksgiving day was held in Washington in 1909, having been conceived by the Rev. Dr. William T. Russell of St. Patrick's Catholic Church.

Thus the American Thanksgiving Day, this year on the 23rd, is uniquely American. In 1972 it finds us blessed with great wealth and hope that peace with honor is imminent.

We can all give thanks for the many blessings all Americans enjoy. In doing so, we can resolve to build a better community and a greater nation - for in spite of our blessings and accomplishments, there is still much to be done in the building of our country.

From Our Postmaster

RALPH CASCARDO

Hicksville Postmaster Ralph G. Cascardo announced that the Hicksville Post Office and its stations and branches will follow regular holiday schedules on Thursday, November 23, 1972, Thanksgiving Day.

No regular window or delivery services will be available on Thanksgiving Day, but Special Delivery services will be provided. The Main Post Office

Lobby will remain open for access to lock boxes and the Self Service Postal Unit.

Collections from street letterboxes will be on holiday schedules and will include pickups from "Air Mail Only" boxes and "Next Day Service"

PLEASE NOTE: The Self Service Postal Unit located at the Hicksville Main Office is never closed.

Opening Concert

The Community Orchestra, sponsored by Hicksville Adult Education and under the direction of Charles Gouse, will present its opening concert of the season on Sunday, November 19, at 3:00 P.M. in the Auditorium of Hicksville High School.

The program will include:

Gluck: Overture to Iphigenia in Aulis; Mozart: Sinfonia Concertante for violin and viola, K. 364, Samuel Grodzinsky, violin, Peter Horvath, viola and Tchaikovsky Symphony No. 5 in e, op. 64.

Admission is free

TARS To Meet

The Teen-Age Republicans of Hicksville will hold their regular monthly meeting on Friday Nov. 17th, 8:00 p.m. The meeting will be held at the Seaman Eisenmann Building, 187 Broadway in Hicksville.

Progress Report

As of Nov. 9, 1972, Hicksville has raised 29 per cent of its goal in the 1972 Fall Campaign of the United Fund of Long Island.

LETTERS TO THE EDITOR

Dear Mrs. Noeth,
In an issue of the August 1972 Herald I noted with interest headlines stating "TOB Votes to improve our street lights" what followed was a list of "SIX" street lights being converted to mercury vapor. Perhaps through your paper I can ask what about the rest of the street lights in Hicksville?

90 per cent of our street lights are 60 or 100 watt bulbs. Streets like Lee Ave., Ninth St., Division Ave. and many more are so dark that the existing underground feed lights are a waste of taxpayers money. They are so dim they serve no useful purpose. Yet just over the line in Westbury major sections have mercury vapor lights. The Hempstead Village is 100 per cent mercury vapor.

T O B, how about some real improvements in this area?

While I'm on the subject of streets in the Town of Oyster Bay and in Hicksville, why isn't something done about the deplorable conditions of the streets in the S. E. Section of Hicksville, Linden Blvd off Lee Ave., Ninth St., Bet. Fifth Ave. & Jerusalem, Bloomingdale Rd. Nothing has been done to these streets in years. The Highway Dept forman for this area lives in this Section and for some reason ignores this condition, while our cars are jarred and rattled to excessive degrees.

The grass is allowed to grow wild along both sides of Broadway and Newbridge Roads and in the Center Islands. While I'm aware that these roads are state roads, our town supervisor should press the state whenever necessary to clean up these eyesores. Used to be the streets were swept. Now they don't even bother to do that.

Recently I was approached for a donation to the Republican Party. But I could not contribute to a group that seems to not care about our safety or the looks of our Hamlet.

Maybe we need a change in town leadership. Maybe we need someone in Hicksville to take over and worry a little about Hicksville. The town has a whole yard full of trucks but I rarely see any in Hicksville. Voters - Remember this when our town fathers come up for Re-Election.

Lumber Yard in Hicksville, New York. Ordinarily, this would not be a frightening statement. At 10:15 PM on November 4, 1972, the horrendous implication of these words was made clear to the residents along Mineola Avenue whose homes are separated from piles of wood by a wooden fence. On that night, at that time, the flames from burning lumber were higher than the houses. The Hicksville Volunteer Fire Department responded to our call.

We wish, publicly and loudly, to tell these men how much we appreciate their expert efforts in our behalf which saved our homes. The Hicksville Volunteer Fire Department, with help from

concerned neighboring districts (Bethpage, Farmingdale, Jericho and Syosset) had this overwhelming fire under control as rapidly as was humanly possible.

It hardly seems enough to just say Thank You - but we do, with a prayer that these men will be protected from injury whenever they make such unselfish efforts on behalf of their fellowmen. Knowing that their kind of help is readily available in emergencies such as ours should make all Hicksville residents rest easier.

With heartfelt thanks and gratitude, we salute these firemen. God Bless Them All!

Calling All "Old-Timers" of Hicksville

Jack and Gladys Dempsey, formerly "old-time" residents of Hicksville will be celebrating their GOLDEN ANNIVERSARY. To mark the occasion, Mr. and Mrs. Edward Kist and Mr. and Mrs. Al Guglielmo will be tendering a Surprise Party for their parents at 6 Milton Street, Hicksville on the 1st of December.

Jack and Gladys would surely like to see their old friends whom they haven't seen in fifteen years. Anyone who would like to drop them a line for the occasion of

come to the party, please contact Mrs. Kist at 931-5286 during the evening, or write her at the above address.

Jack will be remembered for his famous "jelly apples" which he sold for many years on Jericho Turnpike.

If you're an old-time pal—please get in touch with Mrs. Kist as soon as possible.

1972 John Sheehan Memorial Basketball Tournament

The second annual John Sheehan Memorial Tournament, sponsored by the St. Ignatius CYO will be held at the St. Ignatius school auditorium during the Christmas holidays. The purpose of the tournament is to perpetuate the memory of the late John Sheehan, one of the founders of the St. Ignatius CYO, and to promote an interest in intramural basketball.

There will be sixteen teams competing in the event twelve fifth and sixth grade intramural teams from the St. Ignatius CYO, and four 5th and 6th grade intramural teams from Our Lady of Mercy CYO.

The exact dates, rules and regulations will be announced at a later date.

St. Ignatius Bumblebees-Div. Champs

St. Ignatius Loyola Bumblebees clinched a CYO Division playoff spot by beating a strong St. Rose team 20-0 at Washington Ave. field in Seaford. Both teams came into the ball game with identical records 7-0-1. During the season, St. Rose & St. Ignatius played to a 0-0 tie. But today the Bumblebees showed their true potential and left no doubt in any one's mind who was the winner of the eastern Division of the B Division of the CYO.

In the first period St. Ignatius moved the ball to the St. Rose 3 yd. line only to be thwarted by a penalty. St. Rose took the ball over and was forced to punt from their own 16 yd line. St. Ignatius took over on the St. Rose 40 yd.

line. From this point, St. Ignatius went over to score in 8 plays with Paul Rupp taking it in. Rupp and Joe Johnston did most of the running in this drive. Paul Rupp converted the extra point. The 1/2 ended 7-0, St. Ignatius.

The second half moved along with the Bumblebees containing St. Rose and playing ball control when they received possession of the ball. Early in the fourth period with the ball on the St. Rose 34 yd line, Joe Johnston ripped off tackle and streaked in for the Bumblebees second score. Johnston converted the extra point. After the Bumblebees held St. Rose on the

ensuing series of downs. The Bumblebees took a St. Rose punt mid-field and in seven plays went into score on a pass from the 17 yd line from Gerard Stry to Jim Santos making the score 20-0. The Bumblebees failed to convert.

Next week the Bumblebees play a rematch of last year's championship game with Holy Family winner of the Western Division at Hicksville H.S. field at 12 o'clock. This game should prove to be a real fine game with two well disciplined teams meeting head to head with winner take all. So come on out and enjoy some good Grammar School football.

Dancers of India Tour Town of Oyster Bay

CAPA (the Cultural and Performing Arts Division of the Town of Oyster Bay Recreation Department) is sponsoring the Internationally-known BHASKAR & SHALA in a tour of Town of Oyster Bay elementary schools according to Oyster Bay Town Councilman Joseph J. Saladino. As part of CAPA's artist-in-residence series, initiated this year, BHASKAR & SHALA will perform their dances of India the weeks of December 11th and 18th.

BHASKAR & SHALA have earned world-wide acclaim for their spectacular rendition of India's exotic dances. This past summer, CAPA presented these extraordinary artists in the Town of Oyster Bay Performing Arts Festival. BHASKAR & SHALA

prefaced each dance with a charming narrative captivating the children in the audience, as well as the adults.

CAPA is able to offer this exceptional enrichment program to Town of Oyster Bay elementary school PTAs for the nominal fee of \$35 per performance, as a result of financial support from

the New York State Department of Humanities and the Arts. This offering coincides with CAPA's effort to bring the finest in performing arts to the greatest number at minimal cost.

CAPA's artists-in-residence series will continue throughout the year.

PUBLIC NOTICE
The Lincoln Savings Bank recently advertised in this newspaper a "2 Tier Wedgwood Dish" as one of the gifts being offered to depositors. Please note that the dish was not, in fact, a "Wedgwood" or "Wedgwood" dish, but was rather a dish manufactured by a company named "Enoch Wedgwood (Tunstall) Ltd." whose products are not and may not be called "Wedgwood", and which is not in any way connected with the famous Wedgwood Company. The Bank sincerely regrets any confusion it inadvertently caused in the minds of the public and any harm it may have caused Wedgwood.

Youth Hockey Night At Nassau Coliseum

The New York Islanders are initiating, for the first time ever, a **YOUTH HOCKEY NIGHT** at the Nassau Coliseum on November 21 when the ISLANDERS take on the California Golden Seals. Game time is 8:05 p.m.

All high school and lower grade students, 13 years of age or younger, will be admitted to the Coliseum that night for half price on a regular six dollar ticket.

In announcing the program, Islander President Roy Boe said, "We have promised to make every effort to enhance the growth of hockey on Long Island, and **YOUTH HOCKEY NIGHT** is just one of the many different programs we have planned for the future."

"The ISLANDERS are a young and exciting hockey club that I think kids can identify with and

enjoy rooting for. As we continue to improve, I expect that the quality of hockey played on Long Island will also grow."

Tickets for **YOUTH HOCKEY NIGHT** and all other Islander home games for November and December can be purchased at the Nassau Coliseum box office, open 11:00 am to 5:45 pm., Monday through Saturday and until 8:05 pm. on game nights.

"The Brick and The Rose"

On Tuesday, November 28th at 8:15 PM, at Dutch Lane School on Stewart Avenue, Hicksville the PTA is presenting a special showing of the play, "The Brick and The Rose", performed by the Capa Players. This first production of the group poignantly laments the short tragic life of a young man victimized by drugs and reveals the traumatic impact on those whose lives touched his.

It is hoped that this play will evoke a personal examination of the problems of drug abuse.

Hicksville Public Library

Several charter members of the newly formed citizens group designed to assist in promoting the library will be in the lobby of the library all day Saturday, November 18 to explain the organization and take names of those who are interested in working with the group.

The volunteers who are working in the enrollment are: Rev. J. Benson; Mr. S. Widder; Mrs. S. Noeth; Mrs. C. Bennett; Mrs. C. Wolf; Mrs. R. Aaron and Mrs. A. Fishman. They will be able to answer any questions about the library or the organization, and will have available literature as to what a

citizens group can do for a library. Currently, at the desk of the library application forms are being inserted in out-going books. If you are unable to come on Saturday, you may mail the form you may have received during the week. If there are any questions you may have call the library at We 1-1417.

The Fine Arts Committee of the Hicksville Public Library announces the rescheduling of the December 3 concert by the Huntington Training Orchestra faculty. The program will be presented at the library later on in the year.

Legion Observes Nov. Traditions

Traditional Armistice and Veterans Day services were observed in Hicksville on November 11. Members of the Charles Wagner Post 421 of the American Legion, under the leadership of Commander Mathew Brennan marked the hallowed "eleventh hour" at the Junior High School War Memorial Mall. Commander Brennan and Congressional Medal of Honor holder, George Laug, placed a wreath at the Memorial as did the Legion Auxiliary while the Post Color Guard under First Vice Commander Frank Molinari rendered the rifle volley salute and Taps were played at 11 A.M. sharp.

In a statement to the press, Americanism Officer, Richard Evers said that "post members observed the new Veterans Day Holiday in October but also feel that traditions and customs should not be discarded for mere pragmatic reasons. Three day holidays are fine, but a nation

often builds its traditions around significant dates such as Armistice Day, November 11, 1918. The Charles Wagner Post may seem to be "die hards" in our observance of old holidays but we honor comrades of the American Expeditionary Force who are still with us. To them, November

11, 1918, when the guns went silent on the Western Front, is forever a historic and personal moment. We would not lessen the memory of their youthful idealism and self-sacrifice of long ago one iota by dismissing the "eleventh hour service" on November 11 until the last doughboy has been laid to rest."

MEN IN SERVICE

U. S. Air Force First Lieutenant Robert E. Opatovsky, son of retired Master Sergeant and Mrs. Joseph G. Opatovsky, of 6 Bayberry Drive, PLAINVIEW, has arrived for duty at Ft. George G. Meade, Md.

Lieutenant Opatovsky, an intelligence officer, is assigned to a unit of the U.S. Air Force Security Service. He previously served at San Vito Dei Normanni Air Station, Italy.

The lieutenant, a 1966 graduate of Plainview-Old Bethpage High School, received his B.S. degree and commission in 1970 upon graduation from the U.S. Military Academy.

His wife, Jeanette, is the daughter of Mr. and Mrs. Anthony Pierro, 11 Eden Drive, Smithtown.

Leith of 6 Straight Lane, Levittown, is a crew member of the fleet oiler USS Severn, which celebrated the Navy's 170th birthday with a special cakecutting ceremony while conducting refresher training near Guantanamo Bay, Cuba.

Airman Peter L. Swaim, son of Mr. and Mrs. Alan D. Swaim of 15 Regent St., HICKSVILLE, has been assigned to Keesler AFB, Miss., after completing Air Force basic training.

During his six weeks at the Air Training Command's Lackland AFB, Tex., he studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman has been assigned to the Technical Training Center at Keesler for specialized training in the armament system field.

Airman Swaim, a 1970 graduate of Thomas Jefferson High School, Pittsburgh, attended Bob Jones University, Greenville, S.C.

Navy Fireman Recruit Robert L. Tillet, son of Mr. and Mrs. Gorrest Tillet of 115 Ranch Lane, LEVITTOWN, graduated from recruit training at the Naval Training Center in Great Lakes.

Navy Fireman Recruit Timothy J. Bourne, son of Mr. and Mrs. Kenneth Bourne of 9 Spool Lane, LEVITTOWN, graduated from recruit training at the Naval Training Center in Great Lakes.

Navy Midshipman George T. McGill, son of Mr. and Mrs. George M. McGill of 405 Rope Lane, LEVITTOWN, is congratulated by Captain L. W. Brown, professor of Naval Science at the Illinois Institute of Technology, after receiving a full scholarship and appointment in his present rank at the Institute in Chicago. The scholarship pays for all tuition and fees, textbooks, uniforms, and \$100 per month living expenses for four years. He will pursue studies in chemistry and attend one naval science course and laboratory session each week. He will also participate in summer training cruises aboard Navy ships. Upon graduation he will be commissioned an officer, in the Navy or Marine Corps.

Choose your weapon.

Easy does it with International Harvester snow removal equipment.

The master strategists from International Harvester have three not-so-secret weapons for you to win the war against winter. The walk-behind snow blower, the riding mower and the lawn and garden tractor.

Every one of them is designed and engineered to make it as easy as we know how. All you foot soldiers take a

look at the walk-behind snow blower. It's self-propelled, winterized to start at sub-zero temperatures, and blazes a trail 26 inches wide.

For those of you with more land to patrol, we suggest you do a hitch with us. We've got a range of snow throwers (from 32 way up to 42 inches wide) that easily attach to our riding mowers and tractors. Then they launch the snow up, up and out of the way. You aim it anywhere

you want it from the driver's seat. While you're up there, get the feel of power that takes you through the snowiest terrain. Then think about how easy we can help you plant next spring, mow next summer and sweep next fall. After all, couldn't you use a little more year 'round relief? Come in today.

"Help H.A.D. Help Youth"

Help-Aid Direction (H.A.D.), Hicksville's own youth counseling and drug prevention center, appeals to the businessmen and residents of our community for financial help in solving a very serious problem. H.A.D. has outgrown its present storefront facilities. She needs to rent one very large counseling and recreational

center. During the month of October 1972 alone, more than seventy totally new teenagers visited our facilities at 75 and 87 Broadway. These individuals came to find out about H.A.D.'s services. Many of these youngsters have since decided to join one of her weekly junior or senior high school age rap groups.

H.A.D.'s first storefront facility has been in operation since October 1970. In an attempt to acquire more space, H.A.D. rented a second facility at 87 Broadway toward the end of May 1972. However, with increasing numbers of youngsters participating in the H.A.D. program has come very serious problems too.

H.A.D.'s growth in youthful participants has caused interruptions in the normal operating procedure of the businesses that share the same floor with H.A.D. at 87 Broadway. The H.A.D. organization has painfully realized that it must consolidate its two facilities into one large center.

March 31, 1973, state funds available to H.A.D. will allow her to spend only \$375 per month toward rent costs.

Most available business space in Hicksville far exceed that price range. The H.A.D. organization appeals to the Hicksville community for support. H.A.D. will need to raise additional rent money through donations unless a moderate priced facility can be found soon. Please help H.A.D. in her time of need. H.A.D. will thus continue to grow and help more Hicksville youth cope with and solve their own problems.

H.A.D. needs to find a store, old factory or business zoned house to rent, in Hicksville, which will not bother other businesses. She needs it immediately as H.A.D. has agreed to move out of its storefront at 87 Broadway by Friday, November 10. H.A.D.'s continued expansion of services and effectiveness with the young people involved in its program will be seriously curtailed unless adequate accommodations can be found.

For further information, you may visit H.A.D.'s remaining facility at 75 Broadway, Monday through Friday, 2 p.m. to 11 p.m., Saturday, 3 p.m. to midnight or call WE 5-6858.

Renting of acceptable business space in Hicksville will be highly expensive. For the contract period, April 1, 1972 through

For more information, contact John Maniec, H.A.D. Program Director, 75 Broadway, Hicksville or call WE 5-6858.

William M. Gouse, Jr. Post No. 3211
By Lou Palladino

We have now added two more new members to our roster, Carmine Somma a Korean Vet. and Jim Jacobs a WW 2 Vet. We welcome these two fellas, and hope they will participate in making our post one of the best in the County. Happy to have you as part of us.

Before going any further, we wish to remind any member of the post or the Aux. having daughters between the ages of six to sixteen and wish to have them join our Jr. Unit, they will be gladly accepted. We have a terrific group in these kids. They have been very active in our post, and the county as well as the State.

The letter we received, now this may sound like a tongue twister, but will try to make it straight. It was sent to Sen. Buckley from some head of the FAIA whatever those initials stand for. And he in turn sent it to us along with the flag, that will fly over our new building. And we in turn had the letter embossed in wood, as living proof, the flag is really one that was raised over our Nations Capital.

We now have a new member to the board of directors in Arty Fuelling. Bob Keck had to resign at this time for business reasons.

and didn't feel it was fair to the board by not being able to participate. This has nothing to do with the new board taking over, as of Jan. 1. We are at a very critical time, because of our new building. At this time, the less said about the new place the better. So far, we have made three unofficial dates, and each had to be postponed. Somebody is getting the signals mixed up someplace. Because it is aggravating, nothing will be mentioned. Maybe its just impatience, but when a date is scheduled for the dedication, it gets annoying. The building committee are breaking their backs trying to get this place complete, so you can imagine how disappointed they must feel.

A point of information to your Disabled Vets. Take advantage of the R.H. Insurance plan. The rates are so low, its hard to pass up. You have 12 months left to take care of it, to insure your future. Go to it boy.

Ed Chwalitz recuperating from his operation at home and also very nicely. For a man as active as Eddie, he finds staying at home very boring, and looking forward to visitors. After all, how much television can you watch.

Next meeting is Nov. 27. Come on over.

GROUPS OF BOCES boys and their instructors completed work at restoring the former Heitz Place Court House, and in converting the interior to house The Gregory Museum, Long Island's Earth Science Center. Mr. Herb Johnsen and his masonry class constructed the form to take the air conditioning units. The cement for the form was donated by J.J. White Company, Old Bethpage. Mr. Edward Edstrom and Mr. Frank Tesoriero along with their electrical classes have been installing the electrical wiring. Mr. Robert Ciccotti and

his horticulture class regraded and seeded the lawn. Mr. Joseph Polistina and his building mechanic class installed the drop ceiling on the first floor. Mr. Charles Peters, carpenter instructor was foreman on the job, his class did some of the carpentry work. Mr. Dominick Gaglarido, architect instructor, was the consulting architect on the work done by BOCES. The Gregory Museum deeply appreciates all the hard work the boys and their instructors did, it certainly will help in getting the Museum established in their new home that much sooner.
