Hicksville Rotary Club, 12 noon, Milleridge Inn, Jericho.
Ladies Auxiliary, William M. Gouse, Post 3211, V.F.W., 8:30 p.m. Post Rooms, Grand Ave., Hicksville.

"The H.A.D. Program Moving to Larger Quarters; Donated Furniture Needed"

Help-Aid-Direction (H. A. D.), presently operating a storefront facility at 75 Broadway, will move its entire operations to a new location by early January 1973. Its new storefront will be much larger and located in an area somewhat isolated from residential homes and businesses. This storefront is actually a rented house in which all activities of H. A. D. will be centered. These services presently include weekly rap groups for Junior and Senior High School students, weekly parent groups, individual counseling sessions, family counseling, hot-line services and constructive recreational and craft activities for our youth.

The H. A. D. organization appeals once again to the residents of the Hicksville community for donations of usable sofas, chairs, tables, lamps, and other forms of household furniture. Please call H. A. D. at WE 5-6858 on Monday-Friday from 2 p.m. - 11 p.m. Saturday from 3 p.m. - 11 p.m. if you can donate any of the necessary items needed to equip our new storefront. It will be greatly appreciated and put to great use.

H. A. D. could also use usable ping-pong tables, pool tables, craft and other recreational materials, to expand our youth-centered activities. Please call H. A. D. and we will arrange, in some way, to pick up any of these donated items.

H. A. D. wishes to express its

deep appreciation and grateful thanks to all the storeowners and businessmen on the portion of Broadway where our present storefront has been located for the last two years. These gentlemen have been extremely patient and considerate with regards to the youth coming up to our facility. At times, they had to put up with mischievous behavior on the part of some of the youth, and loud noise caused by the crowds of youngsters using our facility. Painfully, H. A. D. realized that our type of program, which attracted large numbers of youth, was not suited to operate near other types of businesses.

H. A. D. would particularly like to express its thanks to one very special person. He is Mr. Thomas Braun, owner of Braun's Meat Market, at 77 Broadway, and landlord for H. A. D. since its storefront opened in October 1970. Mr. Braun took a chance with our type of youth counseling agency when most landlords wouldn't even consider renting to our newly organized program. Over the two years that we have been at 75 Broadway, Mr. Braun has been an exceptionally fine landlord and human being to deal with. He has been very patient with us and we will miss his sound advice and suggestions.

H. A. D. will hold an "Open House" at our new facility early next year after we have completed restoration and repairs of this house. Please watch your local paper for details.

Buonagora Petition Meets Opposition

BY JANET GOSNELL

Three residents of the vicinity of Broadway and Lawnview Avenue, Hicksville, including a former town councilman, were present to speak against the petition of Joseph Buonagora et al for a special permit use to conduct and operate a construction business, including storage of equipment, at its property on Broadway about 100 feet south of the intersection of Lawnview Avenue.

"This is the most flagrant abuse of property that I have ever heard of," said Frank Chlumsky, of Ernest Ave., who retired at age 70 after 14 years as a town councilman in 1955. "I don't think it's right for someone to try to get the Town Board to validate something that is already in the courts," he said.

The company has been storing equipment on the property since 1965. About two years ago there was a complaint lodged by neighbors, and there is presently a suit against GGG for misuse of the property.

The parcel in question is 77 feet deep, presently zoned Business G and Residence E. Councilman

PRESENT TO PROTEST the petition of Joseph Buonagora et al (GGG Construction Corp.) for a special permit to conduct a construction business on a Broadway parcel of land near Lawnview Avenue were, from left, Frank Chlumsky, 87, former Town Councilman, of Ernest Avenue; and Donald Otten and Ernest Donner of Lawnview Avenue. The photo, taken at Town Hall on Tuesday, is not strong enough to show Mr. Chlumsky's name inscribed on the wall plaque behind the group.

Warren Doolittle of Hicksville suggested that perhaps the petitioners should be applying for a change of zone to Industrial H rather than a special use permit.

Equipment, according to Edward Yuniact, attorney for the petitioner, includes two back hoes, one bulldozer, one trailer tractor, one truck (now up for sale) and one dump trailer.

Donald Otten, of 9 Lawnview Avenue, said that Buonagora uses

ingress from Lawnview Avenue to its property right next to his house.

Ernest Donner, of 15 Lawnview Avenue, referred back to a petition heard last week by Four Brothers Properties, on the land adjacent to Buonagora's, requesting a large tennis building complex. He said that he and his neighbors were strongly against such development of that land.

At the close of the hearing, the Town Board reserved decision.

Late Start, Late End, Little Accomplished

BY SHIRLEY SMITH

The Hicksville School Board got off to a late start Tuesday due to the lack of a quorum. Edward Bello arrived shortly after the meeting began, but Frank Zindulka was ill and did not attend.

The board voted to give the Hicksville High School Student Council half the profits from their soda machine in the cafeteria. Although the original commitment was for all profits to go to the students, Dr. Jerome Niosi said the law states that nothing can compete with the cafeteria of the district loses aid. The past three months, all profits have been going to the school district, but the board decided that this, too, will be split 50-50.

Neil McCormack moved that he be reimbursed for expenses incurred 2½ years ago at a National School Boards Association convention. Mr. McCormack stated he has paid the district for his wife's expenses, but the district still owes him money. He said he no longer

had a record of the vouchers and the originals which were given to the district have been misplaced. Mr. McCormack's motion failed, due to a lack of four votes - voting yes - McCormack, Perring; no - Bello, Pappas and Bruno; abstain - Clark.

School board president, Thomas Clark, suggested the board arrange a week-end study session to discuss budget, negotiations and other matters. He feels the board should get away from all outside disturbances so they can have an intensive meeting. Administration had checked various locations and Gurney's Inn, Montauk Point, was suggested. Several board members felt this was too far and suggested something closer. Others wanted an all-day meeting in the Administration Building. No decision was reached, even though the matter was discussed several times during the meeting.

The board approved a change

in the agenda-format for future meetings. At the first meeting of the month there will be two public sessions, one near the beginning and the other at the end. The last meeting of the month will offer only one public session, near the end of the agenda. Unfinished business will be taken up at the beginning of each meeting, followed by a portion for individual board members.

The school board approved the payment of bills for the East Street and Willet Avenue libraries project equipment. Bills for routine expenses of the district were approved and various bids were awarded.

Under correspondence the board discussed a request from Sterling Cable TV to borrow video tapes from the district audio-visual department for use on cable TV. William Bruno wanted the board to have a two-week notice on all tapes to be

Campfire Girls Decorated The Library

The Campfire Girls of Hicksville decorated the Hicksville Public Library with "Christmas Around the World" as the theme. The girls and their leaders under Mrs. Kathy Steckler, president of the Hicksville Campfire Girls, spent Saturday morning assisting the girls in trimming the tree and the periodical room with their projects. On the tree are Yule logs, sabots, stained-glass-like cookies, tiny Christmas trees, miniature gifts, streamers, etc. Some groups were unable to attend the tree decorating, however they sent their items with the others.

The leaders and some of the mothers present were: Mrs. Grace Borsella, Mrs. Marion Brown, Mrs. Terri Carson, Miss Sharon Claudy, Mrs. Estelle Claudy, Mrs. Linda Denner, Mrs. Carol DiStefano, Mrs. Evelyn Hance, Mrs. Betty Magee, Mrs. Dolores Nowak, Mrs. Arlene Rudin, Mrs. Frances Shallow.

Mrs. Dehlia Stefanelli, Mrs. Linda Sheinwold, Mrs. Louise Wenner and Mrs. Dien Wieggers. Be sure to visit the Hicksville

Library this holiday season to see how the Campfire Girls of Hicksville decorated your public library. Happy holidays!

Parking Control System To Be Installed

Nassau County Executive Ralph G. Caso announced today that a parking control system will be installed in approximately two months at all parking fields at the Nassau Veterans Memorial Coliseum.

Caso said 14 toll booths and portable counters will be placed at the various coliseum entrances where money is collected for parking. The system will give the county a better accounting procedure for revenue, as well as increase operating efficiency.

The county executive pointed out that the new booths and counters will be temporary until the road network within the Michel Field area is completed and permanent booths and

stationary counters can be installed. He added that at such time the portable counters would be utilized by the county Traffic Department and the booths either incorporated in the permanent system or used at other county facilities.

The Department of Public

Works will install the booths and counters after bids are received and awarded.

In another matter relating to parking, Caso said he has asked Police Commissioner Louis Frank to beef up police patrols in the coliseum parking area as a deterrent to vandalism.

Last Meeting of 1972 Marked by Supervisors

By Janet Gosnell

Amid many echoes of season's greetings and fond farewells to Andrew De Paola, departing the Board of Supervisors to take a Supreme Court judgeship as of January 1st, the Board passed the County budget, conditionally approved a tax abatement for a Freeport low income multiple dwelling development; voted to accept supplemental monies for a federally funded study of waste water treatment and ground water recharge, and marked the last meeting of 1972. The next meeting of the Board of Supervisors will be held on Thursday, January 4th, 1973.

Present to argue for immediate approval of the tax abatement for Bennington Park in Freeport was the development's attorney Daniel Mandel, and Harold Levine, President of the Freeport School Board.

The Supervisors approved the measure with the county executive's signature held up until Tuesday, when a formal resolution approving a tax abatement of the Freeport school board was to be received by the county. A conflict of interest arose with one member of the school board who was one of three who voted for it against two negative votes at a meeting last week. The two negative votes, via discussion, changed to "ayes" with the addition of a limit of 100 units of such housing for Freeport. The board member with the conflict of interest was expected to abstain at Monday evening's meeting.

federal government's "gift" of a building, but no help to municipalities in making up for loss of the property on the tax rolls.

Budget Approved
The budget as submitted was approved unanimously. Once again, Mr. Schmitt requested the county to investigate changing the fiscal year from the calendar year to a mid-year cut-off point. County Executive Ralph Caso said that ways and means of changing this fiscal year were being looked into and also that such a change would have an impact on all municipalities in the county on taxing procedures and in other far-reaching areas. Such a change would probably be costly, he said.

Abortion Talk Banned
Bill Baird of the Parents' Aid Society, Hempstead, was present again to protest that representatives of the catholic church were carrying on open lobbies against abortion, and asked again for separation of church and state. He said that he had been barred by the Nassau County Police from speaking at Berner High School in Massapequa some time after Father Paul Driscoll of the Archdiocese of Rockville Centre, had spoken at the same school against abortion.

The reason given for his cancellation was that notices of his comments on the subject were added by Carl Schmitt, of Rockville Centre, and James Leonard, who deplored the

talk which had appeared in newspapers precluded it from being presented. "I want everyone to know that this talk of 'babies in garbage cans' is not abortion," he said.

Merrick Park
The Supervisors approved an expenditure of about \$85,000. to repair erosion on the banks of Cammann's Pond in Cammann's Pond Park (Merrick Rd. and Lindenmere Blvd.), with the project calling for installation of 1,550 feet of wood bulkheading, three-foot wide asphalt walks adjacent to the bulkheading, addition of 12 parking spaces and repair of a weir to restore water level.

Erosion of the banks, according to the county Dept. of Public Works, presents a hazard to the public, plus loss of land. Active usage along the border of the pond, the DPW says, has scarred the area, creating an eyesore.

Water Renewal
Pursuant to the Federal Water Pollution Control Act, the county voted to accept \$95,000, in federal funds for a preliminary study now in progress at the Wantagh Treatment plant on processes for advanced waste treatment and ground water recharge. Conducted by Consoer, Townsend & Associates and with an expected completion date of July, 1973, the study is investigating the possibility of providing future water resources through renovation of waste water and recharge.

Holiday Mail

Despite a heavy holiday mail volume, the Hicksville post office will be generally clear of Christmas mail by Saturday, December 23, Postmaster Ralph G. Cascardo said today.

"I want to commend the 1,800 employees of the Hicksville Post office for an extraordinary job of processing and delivering the avalanche of Christmas mail with dispatch and efficiency," Mr. Cascardo said. He said the general public also helped to provide an efficient

Christmas mail operation by mailing early in accordance with a series of recommended mailing dates which were announced earlier this year.

This public cooperation has been especially helpful this year because postal employees will be off on both Christmas Eve and Christmas Day so that they may enjoy the holiday weekend with their families. The post office will be closed on both days, Mr. Cascardo added.

The Changing Face of Suburbia

The Changing Face of Suburbia Opposition to change was discussed in depth by Timothy J. McInerney Executive Vice President of The Long Island Builders Institute, Inc. at the November Dinner Meeting of Chapter 201 of the Society of Real Estate Appraisers.

Mr. McInerney gave several examples of recent opposition of the public to new changes in building and zoning which would ultimately benefit those who opposed it as well as those in need of the new housing. Among various facets of change discussed, considerable stress was put on the point that unless attitudes change toward new building and land utilization concepts, Long Island may face a real building dilemma.

TOP SCHOLAR - Glenn Wolfson, a senior at Hicksville High School, proudly displays the 15th Annual Paragon Oil Student Incentive Award presented to him by Nassau County Executive Ralph G. Case (right) at ceremonies in Farmingdale, as William G. Reilly, Secretary of the Awards Committee, looks on.

Mr. Wolfson, of 31 Barry Dr., Westbury, was among the top students of 117 Nassau and Suffolk County high schools to receive an Award (U.S. Savings Bond and Certificate of Merit) presented annually at the State University in Farmingdale. (Graphic News Photos).

Visit From Santa

Last Sunday Santa Claus visited the Galileo Lodge No. 253. Santa (Ray Moffatt) and his helpers Peter Massiello, Chris Melluso gave over 400 toys and presents to the children of lodge members. The children were also thrilled by Carl Melluso dressed up in clown attire.

Many members and their wives toiled long hours to wrap gifts and candy goodies for the boys and girls, ages 1-15 years. Coffee, soda and hot dogs were served by house chairman Joe Iannotti and his committee. The lodge hall located on Levittown Parkway, Hicksville, was gaily decorated by the entertainment committee.

Among the many who attended were Dr. F. Grouso and his wife Loredana. They waited patiently and happy while their children, Gregory and Phil received their toys and talked to Santa.

At the close of the party which lasted from 2-5 p.m. Venerable Joe Godano praised the committees for making the Christmas party a success and together with Assistant Venerable Ralph Rissomano who too thanked the committee chairman Don Valente and Carl Melluso wished everyone a MERRY CHRISTMAS and a HAPPY NEW YEAR.

Supervisor JOHN W. BURKE REPORTS

As you may have read in the newspapers last week, a number of Town government departments are being reorganized to further improve the efficiency and economy of their operation. Basically, this involves a realignment of existing offices and sections for better coordination between those divisions with related responsibilities and duties.

The functions and responsibilities of the departments and administrators are more clearly defined, which also will contribute to increased efficiency and productivity.

I want to emphasize that this program is being carried out

without any increase in personnel or additional funds over and above our 1973 budget. In fact, I expect that through more efficient operation the Town will realize a savings in expenditures while being able to provide our Townspeople with more effective service.

In my own office, which is now called the Department of the Executive, I have filled several vacant slots and redefined staff responsibilities. The appointments were made, where possible, of people currently employed by the Town and who have shown the experience, capability and dedication to

assume greater responsibilities. All department heads have been directed to follow this same policy to retain the responsible leadership needed to keep Oyster Bay a pleasant place to live and work.

TOWN NOTES: The Christmas season is again upon us, and we pray that the spirit of peace it engenders will fill the hearts of all mankind.

You just might find that perfect gift for a young boy or girl in one of the puppies available for adoption at the Town Animal Shelter. Call 921-5120 for more details.

Letters To The Editor

Dear Mrs. Noeth:

A question was raised during a fine meeting of the Hicksville Community Council recently as to "why" so many of our children and youths do not avail themselves of the excellent programs of the Boy and Girl Scouts, Police Boys Club, Campfire Girls, and Catholic Youth Organization, etc.?" It seems to this parent and long-time teacher of social studies that our society distracts the young from worthwhile interests with attractions greatly at variance with values taught in our homes, schools and churches and temples. Instead of reinforcing the ideals and wholesome beliefs of parents, teachers ministers and youth organizations, our television, advertising, films and business practices frequently confront, confuse and corrupt children with crude, erotic, brutal or radical stimuli or suggestions.

bear on businesses lowering community standards or until an individual child's parent makes a test case involving a child's right to be free of distracting, corrupting influences in a place where minors congregate, our youngsters will be in the grip of distracting values and suggestions. They will continue to turn away from studies, extracurricular activities, youth activities, church programs, and parental and family attachment.

Richard E. Evers

musicians who bring so much praise to Hicksville.

Very truly yours,
Elsie Harris

Dear Editor:

The Burns Avenue Recorder Consort has been invited to perform for the Eastern Regional Convention of the Music Educators National Conference in Boston, Mass., on January 20, 1973.

Dear Editor:

In a letter appearing in last week's Letters to the Editor column, Barbara Rosman informs us that she personally knows of about \$2,000.00 spent by our School Board on shrubbery which she considers unnecessary spending.

This group of fourteen elementary and junior high school students, under the direction of Gerald Burakoff, instrumental music teacher, will have the opportunity to show their talents to music educators from eleven eastern states and the District of Columbia.

So that we might be a fully informed public, it would be appreciated if Mrs. Rosman would give us specific information such as where this shrubbery was placed.

In order to raise travel expenses, the Consort will present a benefit concert on Monday, January 15, 1973, at 8:15 p.m., in the Cafeteria of the Burns Avenue School, Hicksville, N.Y. The individual donation will be \$1.00 for adults and students.

I do not know what shrubbery Mrs. Rosman was referring to. I do know that shrubbery was planted all along the fence separating Burns Avenue School grounds from the Mid-Island Shopping Plaza and would like to take this opportunity to say that I personally do not consider this particular situation an unnecessary expenditure. The shrubbery helps to close off the view of the shopping plaza from the school - and vice versa - and serves as an additional barrier to motor vehicles. I feel it adds to the welfare of our children. Quite honestly, I was delighted the day I saw the shrubbery being set in.

Mildred McCarthy

The first half of the concert will be given by guest soloists, while the second half will be the exact program to be presented at the conference by the Burns Avenue Recorder Consort.

Editor's Note: All High schools in the Herald area are cordially invited to send their Sports and News Columns in.

We certainly hope you will be able to attend this concert and, in doing so, hear much lovely music and also support these fine young

"Fire Report"

By Capt. O. W. Magee

Hicksville F.D. volunteers responded to 24 alarms during the period Dec. 12 thru Dec. 19. 4 rescue calls, 10 misc. calls, and the costly municipal alarm system was used as a play toy for sick misguided individuals 8 times (malicious false alarms).

You would think by now, that with all the tragic fires and deaths which have occurred during the past month, and efforts by firemen to educate people on what to do if fire strikes, that people would wise up and do what is best to protect their families when a fire strikes. Right? Wrong!

Early Sunday Hicksville Firemen were roused from their sleep at 8:08 a.m. to respond to a mattress fire at No. 9 Linden Ct. upon arrival, firemen found a smoldering mattress outside the house. It turned out that the fire actually occurred at approx. 4 a.m. The occupants took it upon themselves, at great risk to themselves and their property, to remove the mattress while still burning. They were lucky, this time. Next time the results could be disastrous.

My Point is This:

(1) When a fire occurs regardless of size evacuate first, then call the fire dept. for assistance.

(2) Then and only then if conditions permit try to extinguish the fire. That is a big if with a lot of strings attached. How big is the fire, what is burning, where is it located, etc.

(3) In most cases, you are better off closing all doors and windows in the fire area, and staying outside and directing firemen to the fire. 50 per cent of our homes don't have house numbers displayed or the local kiddies have vandalized the street signs. In the long run, you would make out better.

Moving any article while it is burning, in particular a mattress, chair or couch is risky. Without warning it could burst into flames or become stuck in a doorway or hallway thus trapping occupants and or spreading the fire.

Do yourself a big favor. Call your firemen first. We don't mind coming to your help regardless of how big or small the fire is. We have answered over 200 malicious false alarms so far for 1972, and wasted taxpayers money in doing so, that the real fires won't make that much difference.

Another important point to remember is that many insurance companies require evidence that you called the fire dept. before settling a claim.

Don't be a hero. If you have trouble with your body you call a

Early morning car fire at 28 Lenore Ave., Hicksville. The

cause of the fire is being investigated by the County Fire Marshal.

doctor right away. If you have a fire, call the fire dept. right away.

Holiday Safety Tips

- o Don't block doorways with your tree.
- o Keep your tree away from sources of heat.
- o Never put electric lights on a metal tree.
- o Inspect your lighting sets. Be sure they have the UL seal of approval.
- o Don't leave lights on when you go out or retire for the night.
- o Don't overload electrical circuits.
- o Wiring and electrical

equipment used out of doors should be designed for that purpose.

o Gift wrappings should be gathered up and disposed of promptly.

The officials and men of the Hicksville Fire Department wish you all a most joyous and fire safe holiday season.

"Vamps Win Another Award"

Hicksville firemen were again awarded the 2nd place N.Y. News Vamps Award for its fine work on a November 4 lumber yard blaze at the Shildknohl Lumber Yard on So. Broadway.

"Inspection Program"

Nassau County Executive Ralph G. Caso revealed today that the county will be the first in the nation to computerize its entire weights and measures inspection program.

The new system, which starts January 1, will enable the Office of Consumer Affairs to store and then analyze the results of approximately 40,000 yearly inspections of measuring devices and 200,000 commodity weight checks.

"The automated system will permit investigators to pinpoint high frequency problem areas and take whatever measures are necessary to deal with the situation," Caso said. "The system will help us achieve the twin goals of protecting the Nassau consumer and streamlining county government operations."

Consumer Affairs Commissioner James E. Picken

explained that when a pattern of short weights is revealed in any category of packaged commodities - which range from baked goods to frozen foods to garden supplies to prepackaged meats - his office will be able to launch an immediate investigation.

He also noted that the computerized system will spot gasoline pumps in particular stations or scales in certain markets that should be rechecked more frequently than twice a year as presently mandated by the state.

The automation of the weights and measures inspection program is being done in cooperation with General Services Commissioner Francis O'Connor and the Bureau of Management Information.

Men In Service

Airman Robert S. Butler, son of Mr. and Mrs. Henry M. Butler of 2 Bryant St., Bethpage, N.Y., has been assigned to Sheppard AFB, Tex., after completing Air Force basic training.

During his six weeks at the Air Training Command's Lackland AFB, Tex., he studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman has been assigned to the Technical Training Center at Sheppard for specialized training in aircraft maintenance.

Airman Butler attended Island Trees High School, Levittown, N.Y.

Airman Joseph A. Frankel, son of Mr. and Mrs. Leo Frankel of 5 Morrison Drive, OLD BETHPAGE, has been assigned to Sheppard AFB, Tex., after completing Air Force basic training.

During his six weeks at the Air Training Command's Lackland AFB, Tex., he studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman has been assigned to the Technical Training Center at Sheppard for specialized

training in aircraft maintenance. Airman Frankel is a 1969 graduate of John F. Kennedy High School, Plainview.

Specialist 5 Anthony Petrone has been assigned to the U.S. Army Cold Regions Research and Engineering Laboratory. He is the son of Mr. & Mrs. John Petrone, 95 East John Street, HICKSVILLE.

Specialist Petrone will be assigned to the Earth Sciences Branch, Research Division of the Laboratory. Environmental problems relating to the operational needs of the Army are investigated.

He received a master of science degree from Washington State University in 1972.

Navy Seaman Recruit Mark Moskowitz, son of Mr. and Mrs. Cy Moskowitz of 444 Division Ave., HICKSVILLE, graduated from recruit training at the Naval Training Center in Great Lakes.

Navy Seaman Recruit John J. St. Laurent, son of Mr. and Mrs. Leo J. St. Laurent of 16 Hawk Lake, LEVITTOWN, is in the Mediterranean aboard the fast combat support ship USS Detroit.

Kiwanis Notes

Again at Christmas time the Hicksville Kiwanis Club is doing it's good deeds. Last week Kiwanis honored the nurses of all the Hicksville Schools, public and parochial, for their valued help thruout the year, by having them for lunch. On Dec. 20th, Santa Claus and the committee visited the many shut-ins and presented them with many fine gifts. On the 21st they delivered 22 Christmas baskets to cheer up the less

fortunate for the holidays. Also on the 21st, Santa and his Committee visited Jones Institute with gifts for residents that they had requested, and many other gifts, movies, an orchestra for music and entertainment were supplied. On Dec. 27th Children and parents luncheon will be held at Miller Ridge Inn at 12.10. So with all these activities, one can see the vast amount of good Kiwanis does in the community.

"Plastic Slot Machines"

Nassau County police warned that a plastic slot machine being merchandised as an adult game or bank is a violation of law.

Police Commissioner Louis J. Frank announced that District Attorney William Cahn "has advised us that the machines fall within the definition of slot machines as set forth in Section

225.00 of the Penal Law."

The plastic slot machines, manufactured in Japan, are being sold at stores throughout the county. The District Attorney's office is issuing warnings and seeking voluntary withdrawal of the item.

Holiday Greetings

May your Christmas be a time of great family joy and contentment. Best of the best, and we hope the days glisten like the brightness of the Yuletide candle?

"Family Entertainment"

Help-Aid-Direction (H.A.D.), Hicksville's own youth counseling guidance and drug prevention center will sponsor a family entertainment movie on Saturday, December 30. This movie will be "On a Clear Day You Can See Forever". There will be two shows at 12 noon and 2 p.m. with the theater doors opening at 11 a.m. The movie will be presented at the Twin Theaters in the Mid-Island Shopping Plaza, Hicksville. All seats will cost only 25 cents per person. This will be an excellent opportunity for parents to take their children to a very fine family entertainment movie, rated G, and starring Barbara Streisand. This movie is a very fine musical comedy and should appeal to people of all ages.

The main purpose of this endeavor by the H.A.D. organization is to provide wholesome and enjoyable full-length movies for the youngsters of our community. The ticket price of 25 cents is extremely reasonable and adults will also be admitted for that price. It is H.A.D.'s desire to provide movies of this type at least once a month on a Saturday if we can make these endeavors financially rewarding. We look to the people of the community for support in making these shows financially successful.

St. Ignatius CYO Sports News

Girls Basketball

On Saturday December 9th the St. Ignatius "CYO" Teen traveling team played host to U. L. of Mercy team. St. Ignatius won the game by a score of 15 to 14.

At the end of the 3rd quarter it looked pretty bad for the St. Ignatius team losing by a score of 11 to 6. The girls came back in the 4th quarter led by the fine play of Kathy Willis and a last 10 second foul shot by Claire Krumenacker. The St. Ignatius team pulled the game out.

On Saturday December 16th the Teen team played host to St. Pius X of Plainview.

The game was a hard fought game. The score at the end of regulation was 15 to 15 sending

the game into overtime. In the overtime the St. Ignatius team outscored the St. Pius team by 4 points to 3 giving the St. Ignatius team victory by a score of 19 to 18. High scorer for the St. Ignatius team was Peg Strico with 11 points.

Boys Basketball

On Sunday December 17th the St. Ignatius CYO Juniors traveling team with their coach Rich Howe and Asst. coach Bill McCloughlin traveled to Syosset to play the St. Edwards Junior team. Behind some fine defense

and the scoring of Bobby Stgen 13 points the St. Ignatius team won by a score of 44 to 23. The win was in some way a costly victory to the team. The team found out that it will be without the services of Bob Stien for the rest of the year because of a torn ligament. Although the team will miss Bob it came right back on Monday night to beat St. Anne's of Franklin Square by a score of 34 to 15. High scorers for the St. Ignatius team was Peter Collins, Jim Santos and Don Anglin with 6 points each.

The teams record as of now is 4 wins and 1 loss.

High School Hockey Is Big In Oyster Bay

Oyster Bay Town Supervisor John W. Burke announced this week that the Town has again made provision for the use of the public ice-skating facilities at the Marjorie K. Post, Syosset-Woodbury and Bethpage Community Parks for a Town-sponsored High School Hockey League.

The League, part of a multi-phased, Town-wide program designed to foster interest in and provide the opportunity for enjoyment of the sport of hockey, is represented by enthusiasts from eight high schools. The first of its kind on Long Island, Oyster

Bay's High School Hockey League is unique in that its constitution, rules and by-laws have been developed by the youngsters themselves; self-government and discipline are maintained by the participants without the direct supervision of others.

Initiated in 1969, the High School League is comprised of eight teams, each team with a roster of approximately 20 players. There are two divisions in the League; John F. Kennedy (Plainview), Syosset, Locust Valley and Bethpage high schools comprise the Northern Division. Included in the Southern Division are the Massapequa, Farmingdale, Plainedge, and Berner High Schools. With aims of instilling a positive competitive spirit and providing sufficient experience to give the players a chance at playing hockey on the college level, Division and League Championships have been established.

Many of those participating in the High School League have graduated to compete in college-level play at schools such as West Point, Cortland, Ithaca, Brockton, Brockport, St. John's and Nassau Community College. Acknowledging the success of the League, the participating high schools have recognized the

St. Ignatius "Generals" 8th Grade Soccer Team

To win is playing harder—To lose is no shame—suffered The defeat that was suffered There, is no one to blame

The wet field in Camp Marydale Caused us to stumble, And the goal they allowed Was part of a fumble.

To try and even They kicked high and kicked low, But that soccer ball Between the opponents goal posts wouldn't go.

The final whistle had sounded They lost! but, they were glad they came, To congratulate the winners, Is also part of the game.

This game called, "Soccer", That the boys have grown to love and play, Is sure to be an asset to them In their High school days.

To know these boys is my pleasure, To coach them is equally true.

They have always been loyal to the St. Ignatius colors—The Gold and the Blue, "The Generals".

After having won two Sportsmanship Awards, two Diocesan Championships and three Nassau County championships in three years of C.Y.O. soccer, the St. Ignatius "Generals" was finally defeated. In a hard fought game at Camp Marydale, St. Ignatius lost to St. Elizabeth, by a score of 1-0 for the Diocesan Championship. The "Generals" in the three years they have worn their school colors have scored over 150 goals, while they have allowed less than 10. The boys who have represented the "Generals" this year were: Dave Elfring, Peter Collins, Jim Sheehan, Bobby Cochrane, Ricky Cochrane, Mike Way, Charlie Wayne, Paul Klinkenberg, Gerard Mure, Tim Cusack, Mike Gargar, Kevin Anglin, Ray Cesare, Co-captain Ray Dalton and last but by no means least the Captain of the team George Fitzgibbon.

Pat McHugh

Reduced Services During Holiday Season

The U.S. Postal Service will operate a reduced schedule of services for the Christmas

holiday period this year.

On Saturday, December 23, window and collection services will remain on their regular schedules, but multiple-trip business routes may be held to one delivery.

On Christmas Eve, Sunday, December 24, all post offices will be closed so that postal employees may enjoy the holiday with their families.

Post Office lobbies will be open in many cities for mail deposit, access to lock boxes, and purchase of stamps from self-service machines. Collection and special delivery services will be provided.

On Christmas Day, all offices will be closed. However, special delivery services will be provided.

teams as bona-fide extracurricular activities and accredited them in their respective yearbooks.

The schedule for the 1972-73 season will be available as soon as ice time has been arranged. Scheduling for the league will be arranged in such a fashion that the High School team schedules will not conflict with normal public utilization of the three facilities. For further information, contact League Commissioner Charles Millner at Oyster Bay Town's Department of Recreation and Community Activities (921-5875).

Around Our Town

LINDA NOETH SCOTTI, 796-1286 - IRIS WIDDER, WE 1-0853

Frederick G. Anderson, of HICKSVILLE, a Franklin National Bank assistant vice president, has been made officer-in-charge of the Industrial Credit Department offices, located at Levittown, Long Island, and 90 Park Avenue, New York City.

Mr. Anderson joined Franklin National in 1956 as collection clerk in the Personal Credit Department and has served in the Industrial Credit Department this past year. He attended St. Mary's High School in Manhasset and received a Bachelor of Science degree in business from C. W. Post College.

Married and the father of three children, Mr. Anderson is a member of the Robert Morris Association, New York Building Congress and serves on the parish school board as principal of the confraternity program of Our Lady of Mercy in Hicksville.

Mr. & Mrs. Nicholas Polseno of 66 Fordham Ave., HICKSVILLE are the proud parents of a new baby daughter, Lisa Marie weighed in at a dainty 5 lbs. 5 oz. on December 2nd, at Long Island Jewish Hospital.

A very happy birthday to Mrs. H.C. Ward Sr. of Walter Ave., HICKSVILLE, who will be a young 77 years old on Dec. 23rd. Mrs. Ward has 4 children, Irene Gropp & Iris Widder of Hicksville, Lynda Henderson of Levittown, & Harry Ward of Massapequa, 14 grandchildren and 5 great-grandchildren.

Jim Milano, of Plainview, New York, recorded the overall best time nationally in the 50 Yd. Breaststroke event for Boys 11 & 12 while competing in the National AAU Junior Olympics program. A time of 31.0 in the event gave him national recognition as a top competitor from a field of millions across the country.

Birthday greetings go to Craig Freyeisen, son of Fred and Ann Freyeisen, 33 Grape Lane, HICKSVILLE, who will be 3 years old on Dec. 30. Craig is the grandson of Mrs. Vera Cagilone and Mr. and Mrs. Freyeisen, both of Utica St., HICKSVILLE.

Two birthday celebrations were held this week at the home of Al and Penny Froeschl, of Patchogue. It was daughter, Allison, and son, Christopher's, birthday. They are the grandchildren of Mr. and Mrs. Richard Moore of Sleepy Lane, HICKSVILLE.

Happy Birthday to Catherine Johnson, 19 Clinton Lane, HICKSVILLE. She will celebrate on Dec. 27.

Claudia Weikman, 5 Hunter Pl., HICKSVILLE, will be "Sweet Sixteen" on Dec. 28. Happy Birthday Claudia!

Mr. & Mrs. Alan Newborn became the proud grandparents of a little girl. Their daughter, JoAnn Fenton is a former graduate of Hicksville High School and Russell Sage College. Her husband, Eric is a senior at Albany Law.

St. Ignatius Swim Team

On Wednesday, December 13, the St. Ignatius Swim Team made a little bit of history when they won their first swim meet since they were organized in 1971. St. Ignatius met St. James of Seaford in the Kennedy High School pool and when the splashing cleared the score was St. Ignatius 119 - St. James 64. Of course every member of the team contributed point wise to the win but several swimmers were outstanding, namely Sue Handschuh, 25 Yd. Backstroke

18.7, Helene Ressa and Tammi Hancock, 50 Yd. freestyle 30.1, Cherly Feldt, 25 Yd. Backstroke 16.5, Jean Ebler, 25 Yd. backstroke 17.9, Roy Trapasso, 25 Yd. free 19.9, Tom McCann, 25 Yd. freestyle 17.2, Steve Schenck, 25 Yd. backstroke 21.5, Tom Handschuh, 25 Yd. backstroke 19.6, Tom Hancock, 25 Yd. backstroke 16.0, Richard Ebler, 50 Yd. freestyle 34.5 and Pete Hammer, 50 Yd. freestyle with the exceptional time of 29.7. The best time of the entire meet.

Express Bus Service

Nassau County Executive Ralph G. Case announced that effective today express bus service between midtown Manhattan and Roosevelt Raceway will be expanded to accommodate additional commuters.

The service, which is provided by Walters Transit Co., is part of the county's emergency transportation plan for the duration of the Long Island Railroad strike. The expanded service will provide for early return loading in Manhattan beginning at 3 P.M. - instead of 4 P.M. - and continuing until 7 P.M.

The service from Nassau to New York continues with loading beginning at 5:30 A.M. and continuing until 9:30 A.M. at Roosevelt Raceway.

In the morning, buses operate non-stop from the parking area on Zeckendorf Boulevard south of the Island Inn just off Old Country Road to midtown Manhattan stopping at 42nd Street and 3rd Avenue, and at 41st Street and 7th Avenue.

In the evening buses will depart from Broadway, between 41st and 42nd Streets and 3rd Avenue and run non-stop to the Roosevelt Raceway parking area. Fares are \$1.50 each way. For further information call, (516) 626-3000.

Bicycle Safety Program

Nassau Police Commissioner Louis J. Frank reported that the Department is stepping up its bicycle safety effort.

The Juvenile Aid Bureau is now notifying parents when their children under 16 violate bicycle traffic safety regulations. The written notification will be mailed to the violator's parents informing them of the violation and the date on which it occurred.

The growing interest in cycling has demonstrated the need for this commensurate interest in bicycle safety. Last year 336 persons were injured in bicycle accidents and many of these accidents were caused by careless cyclists who didn't know or ignored bicycle traffic laws.

The commissioner emphasized that the letter carries no legal implications, but that its purpose is to inform the parent of the child's poor cycling practices and request that the parent take corrective measures.

The department's bicycle safety pamphlet describing the care and operation of bicycles is enclosed with the written notification.

Alumni Tea

December 21

The Guidance Department and the students of Plainview - Old Bethpage High School's Senior Class are holding their traditional Alumni Tea for the graduates of the Plainview - Old Bethpage High School. The event will be held at the Plainview - Old Bethpage High School on Thursday, December 21, 1972, between 2:15 and 3:30 P.M. in Cafeterias 201 and 2B.

All alumni are invited to attend this annual affair. Present Plainview - Old Bethpage High School Seniors have also been invited to participate in this activity. This provides them with an opportunity to meet and talk with alumni about college life, jobs, and other post high school experiences.

Auction Sale of Real Property Success

At 10:00 A.M. Wednesday, December 13, 1972, the County of Nassau conducted one of its most successful auction sales of real property in recent years. On the downing of the final gavel by the County Auctioneer, \$271,500.00 was slated for the County's coffers.

This was accomplished by new innovations in merchandising; educating the average citizen by keeping local communities informed when properties are being sold in their area and presenting the properties in their most favorable light, which included color slide presentation at the sale.

In addition to the \$271,500.00 there will be a substantial source of revenue in new taxes after these properties are returned to the tax rolls and improve with new and higher assessed evaluations.

In recent years, in spite of the inflation trend in the real estate market, only half of the properties presented were sold and placed back on the tax rolls. Credit for this new approach goes to Commissioner Francis E.

NASSAU COUNTY DEPARTMENT of General Services Commissioner Francis E. O'Connor congratulates Joseph F. Geraghty, Director of the Bureau of Real Estate &

O'Connor, Department of General Services and the new Director of the Bureau of Real Estate & Insurance, Joseph F.

Insurance at the end of the most successful real estate auction in recent years. Looking on is William Laurice, county-auctioneer, who handled the duties of the day.

Geraghty. It is expected that there will be another sale sometime in the late spring.

Dodd Recommended

After conferring with the Nassau County Republican Executive Committee, Assemblyman Joseph M. Margiotta, Chairman, today announced that he will recommend that Oyster Bay Town Clerk Isabel Dodd be named Commissioner of the Nassau Board of Elections, replacing the retiring Commissioner, William D. Meisser.

Mrs. Dodd of Sea Cliff, who was elected Town Clerk in 1971, held the position of Deputy Elections Commissioner for three years prior to her election.

"I have known Mrs. Dodd to be a hard and conscientious worker for many years," Margiotta said. "She is a stickler for detail and for seeing that every task is completed properly. This coupled with her experience on the Board of Elections led me to believe she is the best person to fill the position."

Although the power to recommend an Elections Commissioner rests entirely in the hands of the Chairman of the Party, Margiotta first offered his

selection of Mrs. Dodd to the 85-member GOP Executive Committee. "The Executive Committee also agreed that Mrs. Dodd was well qualified for the position and supported my selection," Margiotta explained. Mrs. Dodd's appointment will now be sent to the Nassau Board of Supervisors for approval.

In addition to her experience as Town Clerk and Deputy-Commissioner of Elections, Mrs. Dodd spent 14 years as a legislative aide to State Assemblymen.

Mrs. Dodd was the first woman ever to be elected Town Clerk in Oyster Bay.

Magical World of Ed Patterson

On Friday, December 29, at 2:00 P.M. that super magician and artist-story teller Ed Patterson will perform at the Plainview/Old Bethpage Public Library. In addition to pulling rabbits out of hats, and shaping balloons into animals, Ed thrills his audience by telling brief stories while rapidly drawing beautiful chalk sketches.

The program is for Plainview/Old Bethpage children between the ages of 5 and 12. Free tickets may be picked up in the Children's Room starting December 22.

Late Start, Late End

(Continued from Page 1)

loaned (or made and loaned) and give approval before anything was televised, but this was defeated. The board approved a six-month trial period for tapes of district sports, theatrical and other events (possibly interviews of district administrators) to be shown on cable TV. The Federal Communications Commission requires Sterling Cable to make one channel available, free of charge, to school districts.

Mr. McCormack moved to replace the assistant principals at the Junior and Senior High. There was no second to his motion. Mr. Bruno then moved to replace the assistant principal at the High School. This was defeated—yes, McCormack, Bruno, Pirring, no; Bello, Pappas, Clark.

The board voted unanimously to hire a replacement (the person now substituting in that position) for the first grade teacher at Burns Avenue School. The board also approved other changes in instructional, clerical, buildings and grounds, school monitor and adult education personnel.

During a discussion of the purchase of equipment items, Mr. Pappas and Mr. Bruno left the meeting. Mr. Pappas seemed disgusted by all the questions being asked since it was nearing midnight. Mr. Bruno was annoyed because his questions were not being answered and he was being discouraged from asking them. The remaining board members rapidly transacted items still on the agenda (the personnel portion previously mentioned) but did not get to all that were left. The meeting was extended past twelve o'clock for the public, during which two taxpayers spoke. Mr. Clark explained various points about the public discussion of the foreign language program, stating that he did not ask Mrs. Galante to speak because the majority of the board was not in favor of it. He added that the public had been given an opportunity to speak at the meeting prior to the night when foreign language in the first grade was discontinued. As very few people were still at Tuesday's meeting, there was no comment from the public.

The next school board meeting is Friday, January 12 at 8 P.M. in the Administration Building.
