HAD News

H.A.D. Hicksville's family counseling and drug abuse prevention center is having an "Open House" on Saturday, May 26th from 2 p.m. to 6 p.m. There will be a dedication ceremony, dedicating H.A.D.'s new facility at 389 New South Road to Leonard Kershaw, Leonard was a former president of the H.A.D. organization who died in a hit and run car accident in January.

Among those attending our Open House are local politicians and judges. The H.A.D. staff will be present to show the guests

around and explain our program and services. We would like to cordially invite any interested member of the community to attend. Of course refreshments will be served.

H.A.D. has been in existence for four years, and is providing many essential services to the Hicksville community. For those in the community who don't know us at all, and for those who may just know of us, but not really what we do, the Open House is an excellent opportunity to find out. It will be both an informative and informal day for all who attend. See you Saturday - May 26th said a spokesman for the group.

DON'T MISS the outstanding musical "FORELLO" presented by Hicksville Sr. High School Thespians Troupe No. 2125 on May 16, May 17, May 18 and May 19. Ticket prices are \$1.25 Wed. and Thurs. night and \$1.50 for the Fri. and Sat. night per-

formances. Tickets may be purchased at the door. (Curtain time 8:15) Proceeds from the Wed. night performance will go to the P.T.A. Scholarship fund. Come and show the students and P.T.A. that you care.

During Roger

Gregory Museum To Feature Folk Music Of Hicksville's Forebearers

By Richard Evers

Hicksville's 325th Birthday, Robert Williams Purchase Day, May 20th, is emerging as a three day celebration festive enough to rouse the historic shade of Williams from his slumber and to delight the hearts of today's residents of the village. The latest program program to be announced is the afternoon reception for the Boy Scouts, their scout leaders and families being prepared by the Gregory Museum, Long Island's Earth Science Center and one of the cosponsors of the commemoration.

On Saturday, May 19, hundreds of Hicksville Scouts will "pace the bounds" in a reenactment of the colonial custom of walking the boundary lines of a tract of property in order to restore property markers and confirm distances. As the dozens of Scout and Cub packs finish their assigned portions of the 14 mile periphery of Hicksville (ap-

proximating Williams' historic boundaries without climbing over backyard fences) they will wend their heated ways to the Gregory Museum where committee ladies dressed up as colonial dames (no damsels?) will revive them with liquid refreshment and cookies.

The features of the Scout reception at the Museum will be three-fold: free visits to the outstanding rock, fossil, mineral and butterfly exhibits; a tour of a special new display of historic Hicksville photographs by Edward Bady, and, background music reflecting the ethnic cultures of Hicksville settlers and residents over the years since 1648 Mrs. Val Conover, Museum artist and committeewoman, has put together a program which will feature music of many of the immigrant groups.

Greeting the first Scout troops scheduled to arrive at the Museum about 1 P.M. will be fellow scouts of Troop 158 in Indian regalia of their own

creation. Following the native music of tom-toms there will be English music of the Colonial Period played by Karen and Susan Shapiro. At 1:30 Lorraine Seger will recall the community's generally recognized, first "real" settlers, German-Americans, with folk music on the accordion. At 2:00 there will be Irish music by the young people of the Commodore John Barry Council 11, Ancient Order of Hibernians, Hicksville. Mandolina and guitars will accompany Italian folk songs by musicians from the Galileo Galilei Lodge 2553, Order of the Sons of Italy at 2:30. At 3:00 Ukrainian Dancers from St. Vladimir's Catholic Church in Hempstead will perform in costume. At 3:30, the Polish National Alliance will provide Polish folk music. Jewish young people from Hicksville under Sharon Greenwald's direction, will bring the day to a rousing finish with Israeli folk songs.

School Bus Driver Safety Award

Monday May 7, a safety award meeting to the drivers of County School Service Inc. servicing the Hicksville school district was held at the Hicksville high school. This meeting was co-sponsored by the Hicksville school district and County School Service Inc. Attending the meeting were, Dr. Jerome Niosi Supt. Hicksville school district, Dr. Fred Hill Asst. Supt. Mr. Thomas Clark Pres. of the school board, Mr. Robert Perrung, Mr. Edward Bello, and Mr. William Bruno who are members of the local school board, Mrs. Sebelia Caesar Transportation Director for the Hicksville school district.

Also attending were, Mr. John Egan Reg. Manager for County School Service Inc., Mr. William Woolard Asst. Reg. manager Mr. Stan Krieg of Travelers Insurance Co. Mr. Fred Saporita Pres. and Business Agent for the A.T.U. Local 1181 and his staff, Mr. Henry Terranova, Mr. Warren Rubins, and Mr. Ben Corno, last but not least the Hicksville drivers.

Over forty safety awards were presented ranging from one to five years. These awards represented ranging from one to five years. These awards represent 510,000 miles of safe driving. Congratulations to these drivers for a job well done.

Names left to right: Mr. Warren Rubins, Mr. Biagio Corno from Div. 1181, Amalgamated Transit Union, Mr. John Egan Reg. Manager for County School Service, Mr. Fred Hill Asst. Supt. Hicksville School District, Mr. Fred Saporita Pres. and business agent for Div. 1181, Mr. Jim Flanagan, Mr. Harry Sch-

midt, Angela Leihmen receiving award for five years of safe driving, Mr. Tom Clark Pres. school Board, Mrs. Sybelia Caesar Transportation Director, Mr. Edward Bello school Board member, Jerome Niosi Supt. of schools.

Woodland Avenue Seminar

Project Individualized Instruction, sponsored by the Long Island Individualized Learning Council, held an observation seminar at Woodland Avenue School on May 9, from 12:00 to 4:30 p.m. The Long Island Council has cited the Woodland Avenue School's individualized program as one of the three outstanding innovative programs on Long Island. Seminars are being scheduled at each one of these centers during the next week or so.

12:00-1:10 - Meeting in the Vocal Music room of all of the guests (approximately 20), Dr. Ted Roth, Coordinator, interested Woodland Avenue I.I. teachers and Mr. Cavanagh.

1:10-3:00 - There will be observations scheduled for the small groups in the primary I.I. classes.

2:00-2:30 - There will be a meeting for the principals and other administrators with the principal of Woodland Avenue to discuss administrative supervisory problems presented by the I.I. program.

3:30-4:30 - A discussion period for all interested personnel in the Vocal Music room.

25th Anniversary for A. Albert Glass

A special celebration will be held in honor of Mr. A. Albert Glass, Principal of the Hicksville Junior High School. His 25 years of devoted service to the children of Hicksville will be commemorated by appreciative parents, staff and administrators.

Join this gala event at the Galaxie on Friday, May 18th, 1973 from 4-8 P.M. For information and tickets, call Mr. R. Kirby or Miss J. Todd at the Junior High. Everyone welcome.

Expert Home Health Care For Every Member of the Community

For Archer Sweeton of 42 Greenway Drive, Syosset, expert care have equalled triumph over a terrible physical disaster. The courage and

determination are his own, the expert care has come from the Oyster Bay-Glen Cove Visiting Nurse Association.

At 11:30 in the evening on September 22, 1971, Mr. Sweeton had to stop to change a tire on the Long Island Expressway near Westbury. Struck by a passing car, he was thrown to the other side of the road with both legs shattered. After 3 months in the hospital and a total of 18 months in bed, he began to walk again in mid-March, haltingly, painfully but with total concentration and determination and is making remarkable progress.

Now in his sixties, he is a strong, well-built man with well-muscled arms and chest. All during his long confinement in bed, he never ceased exercising to preserve muscle tone and on his first day up with the therapist assisting he went from the bedroom to the living room. The therapist, Mrs. Connie Pechstein, has been assigned to this case by the Visiting Nurse Association and will continue to come as long as the patient needs her. In addition Mr. Sweeton has received weekly care from a staff nurse all during his recovery and is assisted in his therapy routine by a home health aide.

Both he and his wife, who is afflicted with severe arthritis, have high praise for the women of the VNA who have helped care for him during the last 18 months. "These girls give you more than care. They give you life," Mrs. Bernstein (VNA supervisor) is a top-class executive. She understands everything right away. She knows just what's needed. This month the annual fund drive which helps support the voluntary organization has begun with a direct mail appeal to residents to the area served, but the 6000 letters sent can't begin to cover a

ARCHER SWEETON of Greenway Drive, Syosset, who has been receiving nursing care and rehabilitation training from the Oyster Bay - Glen Cove Visiting Association for the past

18 months, receives encouragement from nurse Betty McIntock (left) and Mrs. Charles Parla, president of the Association, both of Syosset, during a recent visit to his home. Photo by Elizabeth B. Schmedier

service area that stretches from Glen Cove and Sea Cliff to Oyster Bay and Brookville and south through Syosset, Jericho, Plainview and northern Bethpage. Mr. Sweeton is one of a number of patients who have voluntarily offered to aid the VNA board of directors in publicizing the organization and its work, by being photographed and interviewed by the press in their communities. His picture along with several others also appears in the new information pamphlet available in the VNA office at 193 South St., Oyster Bay (Tel.: 922-6611).

The original VNA units were founded separately in Glen Cove and Oyster Bay in 1914 and 1916 as voluntary organizations to

meet their communities home health care needs, and were merged in March, 1970. As population grew additional communities were added to the areas served, the last being Plainview in 1968, with a new office established in the Nassau County Health Center at 1535 Old Country Rd. (Tel. 420-5242). The association is accredited for the provision of skilled nursing care and health aide service in the home on a part-time basis in accordance with doctor's orders, and for physical, occupational and speech therapies. It is certified for Medicare and Medicaid patients, with funding also coming from Blue Cross as well

Oyster Bay Schedules Second Annual Spring Youth Festival

Oyster Bay Town Councilman Joseph J. Saladino announced that the Town Youth Bureau is announcing the Second Annual Spring Youth Festival sponsored by the Youth Bureau's Town Coordinating Youth Council.

The Festival will be similar to last year's fund raiser with educational and recreational activities. Not only that, but also free!

The theme will be based on an old-fashioned country fair. The eleven Youth Councils are hard at work planning the festival which will be held May 18, 19 and 20, at John J. Burns Park, Massapequa. The park is located east of the Merrick Road exit on the Seaford-Oyster Bay (Rt. 135) Expressway.

The festival will open Friday,

May 18th at 7 P.M. with carnival rides, Youth Council booths and a live rock band till 11 P.M.

On Saturday, May 19th at 9 A.M. a parade will start off the day's activities from Massapequa High School to John Burns Park where the opening ceremonies will take place at 10 A.M. From 11 A.M. to 5 P.M.

MERIT AWARD for volunteer service is proudly displayed by Frederick Fisher, President of the Hicksville Senior Club, after the special program for senior citizens held at the Oyster Bay Town Hall on Tuesday. With him is Helen Goldstein, Director of the Club. Representatives of 22 senior citizens clubs in Tobay were honored.

"The Poppy Story"

The Poppy, as a Memorial flower for American war dead, is a tradition which began in the years following the "First World War." Veterans returning to their homes in this Country, remembered the "Wild Poppies", which lined the devastated battlefields of France and Flanders, and the Soldiers of all Nations came to look upon this flower as a living symbol of their dead Comrades sacrifice.

The American Legion adopted the Poppy as a Memorial Flower in 1920.

Wearing a Poppy this year will honor more than half million Americans that died, and nearly one million wounded during both World Wars, and the Korean Conflict and Vietnam. The "Red Crepe Paper Poppy" is the only completely Veteran made Poppy in New York State.

Making Poppies aids the Veterans both financially and Psychologically. Poppy material is furnished free by the "State Organization of the American Legion" and the State Organization of the A.L.A. " pays

the hospitalized Veterans for making the Poppies.

Poppy making goes to seven VA and one State Hospital in New York State-Kings Park. If your Poppy isn't perfect, remember it may have been made by a Blind Man, a man with only one arm, or a man struggling to regain his place in Society.

Distribution of Poppies is handled entirely by "Volunteer Workers". The American Legion Auxiliary has pledged 100 percent of Poppy Contributions go directly to aid Veterans or members of his Family.

Memorial Day 1973

The Combined Veterans Memorial Day Parade Committee has announced that plans are well under way for Hicksville's annual memorial and decoration services on Monday, May 28, this year. Past Commander Daniel Hoinis of the Armvets Post 44, acting chairman for the veterans committee, and Commander Daniel Zinkhan report that this year's parade will

have as special participants the St. Ignatius Girls Cadel Band and the First Marine Division Association.

All organizations taking part are advised that the parade formation area will again take place in the Sears North Parking Field, adjacent to Nevada Street. The Memorial Day Parade will proceed south along Broadway, west on Old Country Road and

south on Newbridge Road past the reviewing stand which will be between 1st and 2nd streets. Starting time for the parade will be 9 a.m.

At the Senior High School, clergymen, veterans and honored guests, the Gold Star Mothers, will join with the High School Band and Combined Chorus to observe the holiday in solemn ceremony.

Volunteers Needed

The Nassau Chapter of the N.Y. Diabetes Association has pledged to raise \$50,000 between June 1st and June 10th. To accomplish this goal, thousands of "volunteers" and adults will saturate every corner of Nassau County in their search for service and research dollars.

There are some things you should know about diabetes and

why funds are needed: (1) Insulin and oral medications do not cure diabetes — they only control it; (2) One out of every nine persons in the U.S. has diabetes or will develop it in his or her lifetime; (3) No one is safe from diabetes — it can strike at any age and at any time and, at present, lasts for the rest of your life. That is why we say, "Diabetics are stuck for life."

Help unstuck — Help Local area volunteers are urgently needed to help reach local residents at their homes, businesses, shopping areas, etc. Can you give some time to this worthy cause? Please call your local Area Chairman for more details. Mrs. Wheelahan 935-3427. Your help will provide hope for the many thousands of diabetics.

Petition Granted

In a recent decision, the Town of Oyster Bay Board of Appeals granted the petition of Nathan Weingarten & Sons Builders, Inc., with certain conditions imposed upon its approval, which will put two two-family dwellings and one one-family dwelling on a lot on the south side of West

Nicholai Street, 121.68 feet west of Newbridge Road.

The conditions of the approval include the adherence to building plans submitted by Alwin Cassens, Jr. in March and approved by the Board. In the case of the two-family dwellings, the premises in both cases must be owner

occupied, and the lower unit can contain only one bedroom. The approval is also subject to restrictive covenants for mutual maintenance agreement of private roadway to be approved by the Board of Appeals and filed in Nassau County Clerk's office prior to the issuance of a building permit.

AT THE ANNUAL AMERICAN PAST COMMANDERS DINNER: were other past commanders who were honored that night. (April 28) were left to right: Henry C. Brenzel, Pres. of the past commanders club, Ray

Gambie, Edward Becker, George Purante, Joseph Slattery, Wes Tietjen, Anthony Correria, George Joamstady, Arthur Rutz, Tom Nikitas, Peter Muller, upper Edward Becay, lower Robert Beard, upper Richard Hoch-

brechmer, Stuart Armstrong upper and not shown P. C. Rudy Bousse. All past commanders of Charles Wagner Post except for Tom Nikitas and Anthony Correria re past commanders of Chelsea Post in Manhattan. Photo by Ralph V. Sailer.

Dear Friends:

WE ARE USUALLY more than glad to print signed "Letters To The Editor" even when we disagree with the writers' opinions, for this is a column expressly for the purpose of giving all readers a right to express themselves on subjects of local interest. This week, however, we did receive copies of some Board of Education Memos from Mr. Bruno which we feel would be puzzling for most of us to read, unless we had more background on the matters under discussion. We do realize that on any Board there will be times when decisions are not unanimous. We feel that it would be more helpful to all concerned, if the Board members themselves would issue official Board statements on matters upon which they disagree. In that way they can write both majority and minority opinions...and it would be easier for the public to understand. It's just a suggestion, but we hope it will help clarify matters in the future.

AN OUTLINE of the 1973-74 budget for Hicksville District 17, has been distributed to each of the schools in the district for review by interested citizens and has been distributed to presidents of the PTA's connected with the schools. A printed summary of the budget will be mailed to all residents of this District by May 15th. THE HERALD, at present, is reviewing this proposed budget, and will bring you more on this as we approach the date of the vote.

HERE AND THERE: This Sat., May 12 from 1 to 4 p.m. at the Lee Ave. School, the Old Country Road School, the Fork Lane School and the Woodland Avenue School, the Hicksville Olympics will hold its final registration...typical of the enthusiastic support which Hicksville community groups are contributing toward the Robert Williams Indian Land Purchase, 325th Anniversary Celebration, on the weekend of May 18-through 20, is a variety of parts being played by the Hicksville Girl Scout Troops and the Camp Fire Girls...on Friday afternoon at the Library, both groups will make up part of a youth honor guard with the Boy Scouts, at a display of the historic two hundred and twenty-five year old Williams Plantation Book, while on May 19 and 20th, the girls will place the community's flags on Broadway to brighten the festival days with a display of national colors, and they will retrieve the colors in the evening. In addition to parade participation, both groups are making a major effort to help prepare the refreshments and serve them. Girl Scout Troops are helping to furnish cookies and fruit juices for the reception to follow Sunday's program at Trinity Lutheran School, while the Camp Fire Girls are helping to prepare similar refreshments for Saturday's Open House and Reception for the Scouts at the Gregory Museum. Coordinating the plans involving so many girls are Mrs. Jean Schultz, Mrs. Lenore Owens and Mrs. Marite Hennessey, Girl Scout Leaders and Mrs. Cathy Steckler of the Camp Fire Girls. Acting as refreshment chairman for the Robert Williams Day Celebration at the Trinity Lutheran School Auditorium is Mrs. Meta Meares who is going to be helped by the girls and a committee of women from the American Legion and VFW Auxiliaries.

THAT'S ALL for this week, stay well, and remember the old, old saying, "Don't explain...your friends don't need it and your enemies won't believe it."

Sincerely,
Sheila

Supervisor JOHN W. BURKE REPORTS

According to a recent bulletin from the American Humane Association, the tremendous numbers of unwanted dogs and cats is a problem of epidemic proportions. Anyone doubting its severity need only visit our local animal shelter or read the classified ads offering "free kittens and puppies."

The unfortunate thing is that there are literally millions of puppies and kittens born each year that never find homes. Many are turned in to various humane organizations or public animal shelters for disposition through adoption or, tragically, euthanasia.

Even more tragic are the many unwanted animals that never reach the shelters. Many are abandoned and left to starve to death. Dogs and cats, being

domestic animals, depend on man for food and shelter. Thousands are killed by automobiles each year. In some areas, packs of abandoned dogs run wild. Pets have become too plentiful, and the demand by people who can and will have pets cannot come close to matching the vast oversupply of available animals.

In the month of March alone, the Town of Oyster Bay Animal Shelter seized over 145 stray dogs running loose. Another 84 dogs were voluntarily turned in by their owners. On the average, my office receives over 30 calls per week complaining about stray dogs.

One of the most effective solutions to the problem today, according to the American Humane Association, is the

spaying of female pets and neutering males. Another method is to resist the temptation to adopt more pets than your house budget and patience can endure. Until a better method of controlling pet reproduction is developed and proved effective, the reversal of the growing pet population depends on public support of spaying and neutering.

TOWN NOTES: I had the pleasure of serving as a "guest auctioneer" last week on Auction 21, the fund-raising benefit for Long Island's public television station, WLW-TV, Channel 21. It was an enjoyable experience, and I hope all Town residents will help support this important local communications medium through their donations.

"13 False Alarms In 8 Days"

By Capt. Owen Magee

Some more of your hard earned tax money was wasted this past week when 13 malicious false alarms were turned in. Fire officials believe most of the alarms are being turned in by one or two very sick individuals. The bulk of the false alarms have come from Pare La and Jay St. and Jerusalem and Harnat U. Both within blocks of each other.

Early Sunday a youth went berserk on Division Ave. and W. Cherry St. and pulled 2 false alarms, one at 2:56 am the other at 3:03 am. 2nd Pct. Police finally took him into custody. On Sunday (5-6) two more false alarms were reported from Tudor Rd. and Eton La. one at 12:05 pm, the second at 12:14 pm. The street was busy with people cutting lawns etc., but no one saw the box pulled. Without cooperation this waste of money will continue.

Also, early Sunday at 2:42 am a serious 2-car accident occurred at Jerusalem Ave. & Old Country Rd. A passerby tried to turn in an

alarm at the alarm box at that corner but it did not work. A passing fireman reported the emergency. Once again it should be pointed out that your firemen are not responsible for the malfunction of any alarm box. This is the second incident in recent weeks of an alarm being damaged due to a bad box. And firemen are concerned. The responsibility of regular testing & maintenance lies with the fire commissioners.

During the period 5-1-73 to 5-8-73 Hicksville Vamps answered 27 alarms, 13 false alarms, 6 rescue calls, 8 misc calls. In 1973 there has been 55 malicious false alarms. Firemen were lucky on Sunday May 6 when fire broke out in the electrical system in the basement of center bar 640 So. B'way. It was extinguished quickly by Hicksville Vamps and one customer had the same fire broke out in the early morning hours it would have gained considerable headway.

Sunday May 6 has been one the department's busiest day in recent years. Eighth alarms were reported. During this past week firemen were hampered in their response to two fire calls because of vandalized street name signs. If you see anyone tampering with the street signs, please don't ignore it, notify the police. If you see any signs that are torn down or notice any missing please report it to the fire dispatcher at We 1-9670 so that we may inform the town highway dept.

A member of the Hicksville F.D. sponsored explorer post 778 were of great help Saturday. As fire apparatus was responding to a house fire on Gabies Dr., the street sign was gone, and valuable time was saved as he directed firemen in the right direction. Thanks to post 778, not only for help on that call, but on all our alarms the youths are always there ready to go into action.

June Brides Can Obtain Marriage Licenses Now

Town Clerk Ann R. Ocker recently alerted young couples intending to marry that they needn't and shouldn't wait until the last minute to obtain their marriage licenses.

"Not knowing the time limitations concerning a blood test and marriage license has left many young couples with great problems the week before they plan to wed," Mrs. Ocker noted. She explained that many who come to Town Hall for marriage licenses still believe that they

only have to wait three days after taking a blood test to actually be married.

"As a result we have many people coming to us the week before their ceremony who suddenly learn that the marriage license will not become valid for use in the marriage ceremony until 10 days after taking their blood tests," she said.

Since blood tests are valid for 30 days and marriage licenses for 60 days, Mrs. Ocker suggested that couples avoid last minute,

unnecessary problems by obtaining a marriage license now.

Other requirements for obtaining marriage licenses include the presence of both applicants, proof of age, and, if the man is under 21 or the woman under 18 years old, the parents must accompany the underage applicant. If it is impossible for the parents to be present, the town can give a consent form to the applicant who will be able to obtain the license upon returning the properly signed and notarized consent. A marriage license costs \$4.

Investigation Sought

(Continued from Page 15)

ask for 16 units per acre.

Letters to Governor Councilman Lewis J. Yevoli said he had written to Governor Nelson Rockefeller asking for a full investigation of the matter and enclosing the documents of sale and mortgage. Supervisor Burke, who said he had received a copy of Yevoli's letter without the enclosures, said he had also written to the Governor asking that the investigation, if such was ordered, be taken over by the Nassau County District Attorney.

He also wrote similarly to District Attorney William Cahn. Judy Jacobs, president of the South Woodbury Taxpayers Association, said her group's suspicion in the matter is based on the inordinately high purchase price of the property, which is landlocked. She also feels that Woodbury doesn't deserve so many apartments.

The South Woodbury Taxpayers, she said, had been in touch with the District Attorney

and the Governor, and was now in the process of gathering petitions requesting an investigation to be sent to Governor Rockefeller.

She also said she had no knowledge who sent the anonymous documents, and felt the sending was futile in any case since they are public knowledge. "If I had sent them, I would have put my name on them," she said.

As for next Tuesday, the decision day? "We'll be there," said Judy Jacobs.

Accident Reports

May 9 7:15 a.m. Automobile accident on South Oyster Bay Rd. involving a car driven by Frank Zerman, 12 Sydney St., Plainview, and a parked car owned by Sidney Dein, 12 Eva Lane, Plainview, and a pedestrian, Sidney Dein, 12 Eva Lane, Plainview. At the time of collision the Zerman car was backing out from a driveway and collided with the Dein car and Mr. Dein, who was standing in the roadway, clearing his windshield. Sidney Dein was taken to Central General Hospital with abrasions of the right leg.

May 4 9:30 p.m. Automobile accident on Woodbury Rd., 200 feet east of South Oyster Bay Rd., Plainview, involving cars driven by Kathleen J. Collins, 21 Mueller St., Hicksville, and Deborah J. Cominsky, 10 Edward Lane, Syosset. At the time of collision the Collins car was eastbound in the left lane of Woodbury Rd. and the Cominsky car was attempting a left turn from northbound in a private parking lot, exiting to go west on Woodbury Rd. Lisa Cominsky, 4, of 10 Edward Lane, Syosset, was taken to Syosset Hospital with lacerations of the forehead.

May 8 9:30 p.m. Automobile accident on North Broadway at W. John St., Hicksville, involving cars driven by Joseph Mascaretti, of 141 Meyers Ave., Hicksville, and Jack P. Falzone, of Franklin Square. At the time of collision the Mascaretti car was going north on North Broadway turning west onto W. John St. and the Falzone car was going south on North Broadway. Helen Mascaretti, of 141 Meyers Ave., Hicksville, was taken to Syosset Hospital with abrasions of the forehead.

May 4 9:25 p.m. Automobile accident on Woodbury Rd. at Ketchum Rd., Hicksville, involving cars driven by John D.

Hertle, of 4 Clinton St., Hicksville, and Orrin H. Decker, of Mineola. At the time of collision, the Hertle car was going east on Woodbury Rd. making a left turn onto Ketchum Rd., and the Decker car was going west on Woodbury Rd. Injured and taken to Central General Hospital were John D. Hertle, lacerations of the scalp and passengers in the Decker car, John Fogle, of New York City, abrasions left knee; Joseph Johnson, of New York City, lacerations of the right shin; Irene Sullivan, of New York City, contusions of the chest; and Carmelo Ruiz, of New York City, abrasions of both shins. Taken to Syosset Hospital were Orrin H. Decker, contusions of the left knee; and another passenger in his car, Linda Battista, of New York City, lacerations of the scalp.

May 7 4:30 p.m. Automobile bicyclist accident on Bently Rd. at South Oyster Bay Rd., Plainview, involving a car driven by Geraldine A. Holz, of Farmingdale, and a bike operated by Jeannie Schineller, of 21 Azalea Ct., Plainview. At the time of collision, the Holz car was going west on Bently Rd., attempting a right turn onto South Oyster Bay Rd., and the bicyclist was going south on South Oyster Bay Rd., attempting a left turn onto Bently Rd. Jeannie Schineller, was taken to Central General Hospital with pains in the left shoulder and leg.

May 7-12 15 p.m. Automobile-motorcycle accident on Jericho Tpke., 200 feet west of Woodland Gate, Syosset, involving a car driven by Donald J. Boyd of Hempstead, and a motorcycle operated by Thomas E. Nonnovak, of 5 Hunter St., Hicksville. At the time of collision, the Boyd car was going west on Jericho Tpke., making a left turn into a private parking field, and the motorcycle was going east on

Jericho Tpke. Injured and taken to Syosset Hospital were Thomas E. Nonnovak, contusions and lacerations of the hip and Angela Casarassima, of 1 Willow Ave., Hicksville, a passenger on the motorcycle, contusions and lacerations of the left leg.

May 7 7:40 a.m. Automobile accident on Old Country Rd. at Duffy Ave., Hicksville, involving cars driven by Frank Cordora, of E. Meadow, Josephine Volpe, of 126 2nd St., Hicksville, and Charles H. Rielly, of 770 South Oyster Bay Rd., Hicksville. All three cars were westbound on Old Country Rd. when they were in collision. Josephine Volpe was taken to the Nassau County Medical Center suffering from shock.

May 2-4 p.m. Automobile accident on Old Country Rd. at Lester Pl., Plainview, involving cars driven by Thomas Falciano, 51 Sunrise St., Plainview, and Rita Hodes, 11 Charlotte Pl., Plainview. At the time of collision, the Falciano car was westbound on Old Country Rd. and the Hodes car was southbound on Lester Pl., attempting a left turn onto Old Country Rd. Thomas Falciano was taken to Central General Hospital with lacerations and abrasions of the head and left leg.

May 8-2 30 a.m. Automobile accident on Old Country Rd. at Jerusalem Ave., Hicksville, involving cars driven by Nadina Rivas, of Hempstead, and Robert Hock, of 126 W. Marie St., Hicksville. At the time of collision, the Rivas car was westbound on Old Country Rd., and the Hock car was northbound on Jerusalem Ave. Injured and taken to Central General Hospital were: Nadina Rivas, lacerations of the head; and a passenger in her car, Martha Beavides, of Hempstead, shock; and Robert Hock, lacerations of the head.

Police Week Starts May 13

The more than 3,500 officers of the Nassau County Police Department will take part in Police Week which begins on Sunday, May 13. The week has been designated by Congress and proclaimed by County Executive Ralph G. Caso.

Highlighting the week long tribute to police will be a Peace Officers Memorial Day service which will be held on Tuesday, May 15 at 2 p.m. in front of headquarters on Franklin

Avenue in Mineola.

The services will honor deceased members of the Nassau County Police Department and department members and their families and friends have been invited to attend.

Caso's proclamation said: "Whereas, the outstanding contributions of our police officers have made Nassau County a safer place in which to live and work in peace and security, and Whereas, policemen risk their lives, and in some instances have

given their lives to guarantee the basic rights of all citizens to live in the absence of fear and to enjoy equal protection under the law in our society.

"Now, therefore, I, Ralph G. Caso, Nassau County Executive do hereby proclaim Tuesday, May 15, 1973 as Police Officers' Memorial Day and the period May 13-19 as Police Week in Nassau County in recognition of the excellent manner in which our dedicated police officers perform their assigned duties."

WILLIAM J. MAZZEI JR., son of Mr. and Mrs. William J. Mazzei, of 25 Salem Road, Hicksville, has won a 1973 Grumman Engineering Scholarship. The award, one of ten granted annually by Grumman Corporation, will provide the Hicksville High School senior and honor student with payment of full tuition for four years, including laboratory fees, at any accredited engineering college of his choice. Mazzei will enter M.I.T. in the fall to study mechanical engineering.

"I was surprised to find out life insurance at The Bowery is priced so low."

"But that's the word from Sam Feldman, Manager of The Bowery's New Cassel office. Stop by and get the details about savings bank life insurance from Sam. He promises not to pressure you into buying."

Mid-Island Council Girl Scouts News

Cadette troop 367 a "Special" Girl Scout troop of Mid-Island Council Girl Scouts left Hicksville on Friday, May 4th for a truly unusual and exciting weekend in Washington D.C.

While studying and working for their "Active Citizenship Challenge" this group of Cadette Scouts expressed an interest in seeing the White House and touring the Capitol.

Mrs. Eugene Lavan, Leader of this troop was not daunted by the fact that because of their handicaps, these girls could not avail themselves of the normal channels of White House tours. A special plea sent to Mrs. Nixon, Honorary Chairman of G.S.U.S.A., was answered by the White House early this week.

The entire troop, their leaders Mrs. Lavan and Miss Farrell, and the mothers of the Scouts, will all be met at 8:00 A.M. on Saturday, May 5, at the East Gate of the White House, brought to Mrs. Nixon's apartments, and given a private tour of the historic residence.

The entire weekend will be spent viewing the Washington Monument, Lincoln Memorial and other places of interest in the capital.

A special "rest stop" on the way down, has been arranged at the Rockwood National Girl Scout Center in Potomac, Maryland. During their stay in Washington these Scouts will be at the Ambassador Hotel. Each Scout has received a letter and autograph pictures of Senator and Mrs. Hubert Humphrey, whose long interest in handicapped children is well known.

By accepting the "Challenge of Active Citizenship" these "Special" Scouts have not only learned about our country's history, but have eagerly embraced the concept inherent in this challenge "that for every privilege there is a related responsibility."

Cub Scout Packs Plan Year's Program

More than 13,500 Cub Scouts in Nassau County can look forward to 12 monthly programs of fun, variety, action and purpose as their 362 packs are not completing yearlong plans, according to Council Commissioner Edgar Lazarus, Boy Scouts of America.

As a program for parents, leaders, and organizations to use with boys 8, 9, and 10 years of age, Cub Scouting is a home-centered activity program to meet boys' needs of fun,

recognition for achievement, belonging to something worthwhile, and learning new skills. Lazarus explained. Suggested program themes for the next 12 months include Things That Grow, Flags of America, Cub Scout Chiefs, County Fair, American Indians, Viking Discoverers, Genius Night, Customs of Countries, Transportation, Mardi Gras, Communications, and Sea Adventurers.

Plans To Begin Search For Historical Structures

Nassau County Executive Ralph G. Caso announced plans to begin a search for structures in Nassau County that have historical or architectural significance.

Caso's announcement of the study to be conducted by the Nassau County Museum and the Nassau County Planning Commission coincides with the observance of National Historical Preservation Week which begins today.

The county executive said: "Nassau County has an illustrious historical past dating back to before the Revolutionary War. It, through the labors of this joint undertaking by the Nassau County Museum and the planning commission, more of our county's historically or architecturally important buildings can be discovered and preserved, an invaluable service will have

been performed not only for the people of Nassau County, but for the people of the entire nation as well."

The inventory project, which will use members of local historical groups as volunteer field survey personnel as well as staff experts from the planning commission and the county museum, is expected to include the evaluation of between 500 and 1,000 edifices in Nassau County. The building inventory will take about one year to complete.

Thomas Stivala of the planning commission will act as general coordinator, while Edward J. Smits, Director of the Nassau County Museum, will serve as evaluation chairman for the project. Smits said that the county inventory team would coordinate its efforts with those of the State of New York Historical Trust.

Birthday greetings go to Gary Justus, 89 Plymouth Rd., PLAINVIEW. Robert Greenbaum, 16 Woodcrest Rd., HICKSVILLE, and Allan Strickland, 88 14th St., HICKSVILLE. They will all celebrate on May 18.

A second son was born to Donna and Vince Niglio.

BIRTHDAY CELEBRATION: Members of the Celebration Committee for the 325th Anniversary of the Robert Williams Purchase are busy planning activities for their May 16-20 commemoration. Committee members pictured are: Sig Widder (back to camera); (l. to r.) Richard Evers, Dorothy McGee, Nancy Palahnuik, Steve

Didler, Dr. Manus Clancy, Stanley Turner and Iris Widder. They represent such organizations and celebration sponsors as the Town of Oyster Bay, American Revolution Bicentennial Commission, the Hicksville Community Council, the Hicksville Chamber of Commerce and the Boy Scouts of America.

Regent Art Group Exhibit, May 18th

The Regent Art Group, an organization of artists, recently formed to sponsor exhibits of its members, will hold a showing at

The Lincoln Savings Bank, 845 Madison Ave. (at 70th St.), N.Y.C. that will run from Tuesday, May 8th, through Friday, May 18th, during regular banking hours.

The ten day exhibit will be launched with a reception from 5:00 to 7:00 p.m. on Tuesday, May 8th, that will be attended by

leading artists as well as art critics from newspapers, magazines and the broadcast media.

The mixed collection of exhibits will consist of works including oils, acrylics, collages and sculpture in various mediums.

The Group, consists of 29 members, many of whom have exhibited in various exhibitions and have consistently won awards for creative excellence. Other members have shown in leading galleries throughout the New York area as well as being represented in many fine private collections throughout the country.

The public is invited to this exhibit which has already aroused unusual interest.

"QUIXOTE" A Musical Version Premieres For Children, May 19th

Quixote is a delightful original musical production of the Cervantes classic that has met with rave reviews and the enthusiastic plaudits of the young at heart and the young audiences ages 6-16 who have jammed theatres throughout New England during the recent tour conducted by the Children's Theatre of Portland, the oldest and finest organization of its kind in the country.

The net proceeds from this New York Premier will benefit crippled children through programs of the Nassau Easter Seal Society. Produced by Easter

Seal, the show will be presented in the new Sports-Theatre Wing at Human Resources Center located at the corners of Seaview and U. Willets Rds. in Albertson. Tickets are priced at \$2.00, advance sale, \$2.25 at the door. The curtain will rise at 2:30 P.M. on Saturday afternoon, May 19th. For tickets or information call Easter Seal at 516-747-3533.

This original much acclaimed production was adapted and directed by noted former Long Islander, John Barbetta whose creativity fills the show with a cast of colorful characters portrayed by talented teenagers

who surround Don Quixote, a hilarious, bumbling, Inn-Keeper; a charming, peasant servant girl, Quixote's demure niece, an earnest monk, three rowdy "muleteers" and, of course, faithful Sancho. The lyrics are clever and at times inspiring and included as a special plus in the production are a series of fanciful slides designed by students at the famed Portland School of Art.

We cordially invite you to bring the children and enjoy a delightful interlude on a balmy spring afternoon as Don Quixote searches for his cherished ideals of truth and beauty which most of us, in our hearts, hope he finds.

Returns To Take a V.P. Post at Bank

A 1966 graduate of Suffolk Community College, Mr. Ainslie attended a course in Basic Industrial Development given in 1962 by the American Institute of

Industrial Development, at Syracuse University. The new Long Island National Bank officer is married to the former Margaret Broughton of N.

Babylon. They have two sons and a daughter.

The Ainslies expect to resume their Long Island residence in the Village of Babylon, this month.

A former Long Island banker, James D. Ainslie, who assisted numerous out-of-area business and industrial firms in relocating in Nassau and Suffolk Counties, and who has lived upstate during the past year, has been named vice president for business development at Long Island National Bank.

According to James C. Dunkelacker, president of Long Island National, Mr. Ainslie, who previously resided at 362 Oakwood Ave. in West Islip, served as a business development officer at Security National Bank before moving to Jamestown, N.Y., where he became affiliated with a chain store operation as a marketing specialist. In his three years of banking, on Long Island, Mr. Ainslie was responsible for, among other things, the resettlement of a number of substantial firms in Long Island communities.

St. Ignatius C.Y.O. SPORT NEW by Vincent Murphy

On Saturday April 26th the St. Ignatius C.Y.O. 5th & 6th grade traveling team played the Sacred Heart of Merrick team. Behind some good hitting of Mike Humphries who had 3 hits, and some fine fielding by J. Jablonski who had an unassisted double play and was involved in another double play, helped the St. Ignatius team beat the Sacred Heart team by a score of 11 to 1. Starting pitcher for the St. Ignatius team was R. Delardi, who also got credit for the win.

On May the 5th & 6th grade team lost a close game to St. Raymonds by a score of 8 to 6. 7th grade intermediated traveling team news.

The St. Ignatius 7th grade intermediated team (known as the Red "I's"), managed by Ted Stry and Roger Fremgen is made up of many of the boys who played with last year's junior team who were runner up in the 6th grade division of the Diocesan C.Y.O. The juniors compiled a record of 22 and 3 during 1972 season. Along with the boys from this team the 7th grade team had added some more good talent the names of the boys added to this year's team are: K. Loranson, T. Campo, M. Sager, T. Mullaly, A. Willisand, R. Fremgen. The team played their first game on Saturday April 26th against Our Lady of Mercy at Plainview Jr. H.S.

Starting for St. Ignatius were: J. Pakaluk-P, K. Loranson-C, G. Stry-1B, M. DeLuoro-2B, F. Principe-3B, J. Johnston-ES, T. Campo-LF, R. Muller-CF, and R. O'Connor-RF.

J. Pakaluk who started for the RED "I's" pitched a fine game. His control was fine with exception of 3rd inning. In the top half of the 3rd inning the St. Ignatius team came up with 5 runs. In the bottom of the 3rd J. Pakaluk lost some of his control and gave up 4 walks and 2 singles showing the Lady of Mercy team to come up with some runs making the score 9 to 4. J. Pakaluk being it was his first game began tiring in the 7th inning and had to get relief from G. Stry. The big bats for St. Ignatius were wielded by: K. Loranson who hit a home run, also F. Principe and R. Muller, C.Y.O. St. Ignatius Girls Softball.

On Saturday April 28 the St. Ignatius teens softball team beat St. Marys of Roslyn by a score of 19 to 6. Pitchers for the St. Ignatius team was Ann Drake and Anne Cunningham. Doing some good hitting for the team was Claire Krummenacker and Peg Sticco each had home runs and Maryann Fiorello had 3 triples and 1 double. The teen team is coached by Mrs. Florence Fordham.

C.Y.O. Intermural Program

The commissioner for the 1st and 2nd grade league is Mr. R. Briody.

St. Ignatius Loyola Intermediate Div. entry of the C.Y.O. traveling teams blasted a strong St. Raymond team 9-3 at Lynbrook Sr. H.S. field last Sat.

The Red "I's" started early in the first inning M. Dittura the St. Ignatius 2nd Baseman lead off with a base hit to left and then with two out F. Principe lined a home run over the Centerfielders head, for a 2-0 lead. At the start of the 2nd inning G. Stry the Red I's 1st Baseman lead off with a triple to deep rt. centerfield. He scored on a single to center by J. Pakaluk the St. Ignatius Pitcher who went for 4 during the ball game.

In the last of the 2nd St. Raymond came bouncing back to score 2 runs with 3 straight hits including a triple, to make the score 3-2.

In the first of the third the Red I's scored three times the big blow being a triple by K. Lorenson the Red I's catcher. With solid hitting and heads up base running St. Ignatius tallied 4 more runs in the remaining innings.

The Red "I's" all in all had a fine game with solid defense and consistent power hitting (13 base hits) backed by the fine control pitching of Jim Pakaluk who allowed only 1 walk while striking out six to gain his second win of this short season.

Next week the St. Ignatius Red I's play St. Rose from Massapequa at Hicksville Sr. H.S. field at 9:40 a.m.

Fashion

Slip dresses this season are fashioned of a variety of fabrics. They may be for casual wear or for dress-up occasions.

Seafarers are the best buys for the girl who likes a lot of changes. Silk shirts with wrap around skirts of gabardine are smart. A t-shirt type sweater may be substituted for the shirt and a different jacket can be worn with either combination.

Backyard Swimming Pool Owners Must Take Action

Public Works Commissioner John H. Peters urged owners of backyard swimming pools to take action to prevent the pools from becoming incubators for mosquitoes, mudges, gnats and similar flying menaces.

We are now in the breeding season for these pests and pools should be drained at their winter accumulation of rainwater, Peters said. Owners should follow the manufacturer's instructions on making the pools operational, which includes chlorination, a deterrent to pest breeding.

Peters added that pool owners going on vacation should either drain their pools or make sure that someone uses the pool in their absence so that the water does not become stagnant. He also noted that rainbarrels, old tires, buckets, empty flower pots, wheelbarrows and other receptacles containing standing water should be emptied lest they contribute to the annual pest population explosion.

Homeowners encountering mosquito infestations may call the Mosquito Control Division of the Department of Public Works at PH 8-1401.

SEVENTY YOUNG PEOPLE from ages 12-23 have been meeting with the Reverend John Krahn of Trinity Lutheran Church, Hicksville, New York,

each week in an innovative experience in Christian Education. In small groups of no more than six participants young people encounter each other and the

PLAY BALL: Oyster Bay Town Councilman Warren M. Doolittle shows Hicksville Little Leaguer John Holm how it's

done. The Councilman was the guest of honor at the opening day of the Hicksville Baseball Association which sponsors the

National Little League, Connie Mack League, Pony League and Colt League.

Lord with the task of breaking free from worry, inadequacy and other limiting facets of their sinful natures.

With the underlying concept that "we're all in this together," each group is responsible for its own success or failure. Various "human relation games" are used to break down inhibitions

and encourage encounter. Selections of Holy Scripture germane to the night's topic are

read, digested, paraphrased, applied and shared in each small group.

Hicksville American - International

Senior Division

By Mike Pakaluk

The horsehide is flying, the Senior Leaguers are getting down to the nitty gritty as the season begins. So buckle your seat belts and get ready for an action packed ride to the pennant.

PARR & HANSON 7, WORLD'S FAIR LIQUORS 5. R. Sokenis and J. Langton led Parr and Hanson's game-winning five run rally in a contest filled with errors. Winning pitcher of record T. Pirrung's 12 strikeouts were matched by a leaping catch by J. Talento, preventing an almost certain homerun M. Schneider of World's Fair Liquors ran out a hunt for a "homerun" demonstrating what type of game it was.

GILSON 7, MAXWOOD 0. Pitching ace M. Diaz in a three hit, eleven K. performance was backed up by M. Valle's three hit bat. B. Spettman and J. Powell played well for Gilson, while K. Branham shone for Maxwood. **AGWAY 5, Gilson 2.** M. O'Connor with relief from A. Vignani, lamed Gilson's bats as J. Holman and R. Barth knocked out those important runs. Defensive minded shortstopping led a team which Manager Vignani feels is "quite all the way."

MAXWOOD 6, WORLD'S FAIR LIQUORS 4. J. Pogoda's victory was saved by G. Madine with both pitching and hitting. Madine came in for the late save and helped the winning cause with two doubles, both knocked off the rightfield wall. J. Sherry made the big defensive play of the game for W.F.L. with help from pitcher R. Barbone in a great putout at the plate, saving a run.

AGWAY 11, L.I.N.B. 2. An outstanding team effort resulted in a steamroller victory over L.I.N.B. Key men of league leading Agway were D. Nilsson, M. O'Connor, T. Hogan and great base running by A. Vignani and R. Barth. B. Buscheri and W. Puccio were big for L.I.N.B.

Major League

By Mike Pakaluk

This year's season has begun, and the Major League promises to provide plenty of action for baseball fans. Get out there and root for your favorite team.

L.I.N.B. 16, VFW 7. A sensational 14 hit attack was crowned by one of the biggest one-man jobs that I can remember. Steve Pisani rapped out THREE homeruns and collected 8 RBI's while going 4 for 5. Wow! J. Jablonski boomed out a four-bagger and a host of other hits were earned by A. Polange and D. Barcavage, who went 2-2, not bad considering he left the game to study guitar lessons. M. Humphreys took pitching honors.

GERTZ 13, SIZZLER 6. GERTZ OVER SIZZLER. Steven Cosentino hit for 2 RBI's. **L.I.N.B. 12, VFW 2.** With not quite as impressive a victory as before in a game marred with errors, L.I.N.B. came up with but six hits. Steve Pisani went the distance, fanning 14 and walking only one.

"AA League"

By Bob Cassagne

In this, the first week of "AA" League action, Firestone and the DODGE CHARGERS split their two game series. In the first game, the score was 15-4 in favor of the CHARGERS. Frank Behr slugged a grand slam home run along with his three singles. Edmund Yoon also had a homer and later on in the game smashed a double. Lee Melhan and John Bradley were the pitchers for DODGE. The CHARGERS would have probably gotten more runs if not for FIRESTONE's Frank Benevenuto who made two spectacular catches in center field. Jim Boehmle's two hits and a triple by Bill Higgins were not enough for Firestone to win.

In the second meeting of these two teams FIRESTONE bounced right back to win in a game that

only lasted five innings and then was called because of darkness, with the score at 15-12. Bill Higgins went two for four, one of these a homer. Steve Jankowski also had two hits, and along with Andy D'Aquila did a fine job on the mound.

In other action during the week, **LONG ISLAND COLLISION** and **PANCAKE HOUSE** also played a two game series. In the first game, the score was 13-9 in favor of L.I. Collision. Tom McCann hurled a no hitter, striking out 16. **PANCAKE** batters Tom was helped by the hitting of the Madine brothers. George hit a three run homer in the third, and Eugene hit a two run homer in the fourth.

Other strong hitters were Steve Hayes who had a perfect day going three for three, Bill Gardner went two for two, Timmy Murray had three big hits, Steve Playne and Bob Somer collected two hits apiece.

The second contest between these teams was a real thriller. The game was tied 11-11 at the end of regulation play.

For L.I. COLLISION, Steve Hayes walloped a grand slam. Bobby Somer knocked in six runs with four big hits, Eugene Madine had three hits, two of them triples, while brother George had two hits and also knocked in two runs.

Thus, there was plenty of action in "AA" League this week and it looks like this year's race for first place will be very close and very exciting, and I know all the boys and their managers and coaches will do their best.

Good Luck to all and may the best team win!

STANDINGS

Men In Service

Navy Yeoman Seaman Thomas A. Flynn, son of Mr. and Mrs. Thomas F. Flynn of 41 Universe Drive, LEVITTOWN, and husband of the former Miss Catherine A. Cole of 121 Brenner Ave., Bethpage, all of Long Island, N.Y., participated in the "Home with Honor" parade organized here to celebrate the end of America's involvement in

Vietnam and return of Prisoners-of-War. A crewmember of the Newport, Rhode Island-homported destroyer, he volunteered to lead and take the salute of participating units in the parade.

Marine Pvt. Mark E. Simone, son of Mr. and Mrs. J. Simone of 26 Barnyard Lane, LEVITTOWN,

N.Y., graduated from basic training at the Marine Corps Recruit Depot, here.

Navy Seaman Apprentice Gary T. Probst, whose wife Allyn is the daughter of Mr. and Mrs. Thomas Mullan of 41 Coachman Lane, LEVITTOWN, graduated from recruit training at the Naval Training Center here.

He is a 1972 graduate of Belmont High School, Dayton, and attended Sinclair Community College there.

Marine Gunnery Sergeant James K. Gray, husband of the former Miss Barbara A. Naughton of 26 Gardinia Lane, LEVITTOWN, was awarded a Meritorious Mast while serving at the Marine Corps Base here.

A Meritorious Mast is a personal commendation from his commanding officer.

A former student of South Dade Senior High, Homestead, Fla., he joined the Marine Corps in May 1968.

Navy Seaman Ralph L. Daw, son of Mr. and Mrs. Ralph L. Daw Sr. of 40 Slate Lane, LEVITTOWN, is on a Western Pacific deployment aboard the aircraft carrier USS Coral.

A former student of A. G. Berner High School, Massapequa, N.Y., he joined the Navy in February, 1971.

Pvt. Thomas C. McGee, son of Mr. and Mrs. Thomas F. McGee of 36 Briggs St., HICKSVILLE, recently graduated from a 9-week basic training course as a Field Wireman at the U. S. Army Training Center, Ft. Dix, New Jersey. Presently, he is stationed in Korea at an "Honest John" Missile Battery as a Field Radio Teletypewriter Operator.

Pvt. McGee is a 1970 graduate of Hicksville High School and attended the State University in Farmingdale.

U. S. Air Force Captain Philip B. Ferro, son of Mr. and Mrs. Arthur J. Ferro of 60 Grand Ave., HICKSVILLE, has arrived for duty at Nellis AFB, Nev.

Captain Ferro, a logistics plans and programs officer, is assigned to a unit of the Tactical Air Command which provides air support for U. S. ground forces. He previously served in Vietnam.

Captain Ferro's wife, Pamela, is the daughter of Mr. and Mrs. W. S. Hinton of Boise City.

Military Bridge - May 17th

The Rosary Affili Society of Holy Family Church, 5 Fordham Avenue, corner of Newbridge Road, Hicksville, will hold a Military Bridge on Thursday, May 17, at 8:30 P.M. Mrs. Jane Midgette, Chairlady, further announces that the caller will be Ms. Alice Braune. Admission of \$2.50 includes coffee and cake, with other refreshments being available. There will be many prizes. For tickets please contact Arleen Gillen 433-6311, Carol Deignan 822-2739.

Chairs Two Committees

Councilman Salvatore R. Mosca is currently chairing the Town Board Standing Committees on Parks and Beaches, Oyster Bay Town Supervisor John W. Burke noted recently.

The Bethpage resident's additional committee assignments include panel positions on the committees for Recreation and Environmental Control.

Mosca, who marked his second full year on the Town Board last month, previously served as a Deputy Town Attorney, a graduate of Brooklyn Law School and New York State University, he is an engineer as well as an

attorney. "Sat Mosca's chairmanship of the Parks and Beaches Committee and his position on the committee for Recreation assure effective coordination and careful maintenance of the numerous leisure-time activities and facilities the Town of Oyster Bay offers its residents," said Burke.

Assisting Mosca on the Parks Committee are Councilmen Joseph J. Saladino and Gregory W. Carman. Saladino also holds a panel position on the Beaches Committee, as does Councilman Howard T. Hogan Jr.

Health Care (Continued from page 2)

as state and county sources. However, voluntary contributions from the communities served still form a large part of the annual budget, and the voluntary board enables the VNA to function much more economically than a public agency as well as keeping it in close touch with the needs of each community. The Nassau County Health Department has set a fee schedule of \$13 for a home nursing visit and \$9 for a home health aide call, but many patients pay part fee and some, none at all. So

one is ever refused. In Syosset the service made 1229 calls in 1972, an increase of 229 over the preceding year. In Plainville, the fastest-growing area served, 1624 calls were made, with an increase of 632 over 1971.

There is only one restriction on service, mandated by New York state law. The nurse may make one call on direct appeal of the patient, after that service can continue only under a doctor's supervision.

ON THE CAMPUS

Patricia A. Witherington, daughter of Mrs. Betty Lucisano

of PLAINVIEW, was the Assistant Director in Washington College's production of "The Effect of Gamma Rays on Man-in-the-Moon Marigolds."

A senior at Washington College, Patricia Witherington is a drama major and has previously appeared in "The Trojan Women" at Maryland's oldest chartered college.

Anthony T. G. (Tony) Diener, Director of College Admissions and Aid at The University of Chicago, will visit Plainview on Wednesday, Friday, May 25.

Patent will meet with students and counselors to discuss the University and its policies and programs concerning admissions.

Hicksville High School is proud to announce that two seniors from the Class of 1973, Elliott H. Jacobson graduates of the Class of 73.

Each scholarship is worth \$100 payable to the winner through his college. National Merit recipients may attend any regionally accredited United States college and pursue any course of study leading to a degree.

William J. Mader, also a graduating senior of the Class of 73, has been awarded a Grumman Engineering Scholarship. This scholarship is awarded to a student who plans on entering engineering and is for the full four years of his college work.

Congratulations to these three youngsters, they have brought credit to their parents, school and community.

"House Fire Kill Three, Father and Two Sons"

By Capt. Owen Magee

Just this past week in Massapequa a 11 an early morning flash fire totally destroyed a house, killed a father and his two sons and injured another son. It is not my intention to compound the grief of this poor family. I do wish to cite a few points, which if followed might have prevented this loss of life.

According to Newspaper reports, it seemed apparent that this family DID NOT HAVE any Pre-arranged Escape Plan. All were awake and alerted, with the exception of the father, all the occupants were within feet of safety, but 2 sons went back in to see about their dad and died with him. The daughter, another son who was burned, and had to jump from a second floor window and the mother barely escaped with their lives.

In all probability, had this family made up a plan, and had a few drills escape would have been as simple as A B C. A. alert everyone, B. get out, C. Call the fire Department.

I have repeatedly stated in this weekly article fire strikes swiftly, and you don't get a second chance. Plan now you will not be able to stop and plan when the fire, heat and smoke are at your heels.

I may sound like a broken record, but it grieves me, as it does all firemen to see a tragic fire like this occur, when just a little bit of planning could have prevented it. Please do your loved ones a favor, act now.

1-make up an escape plan be sure to have 2-ways of escape from every room

2-practice that escape plan.

3-consider some sort of a home

fire alarm system, and an escape ladder

4-Know what to do. Test doors for heat before opening. Stay low in smoke.

5-Have a central meeting place outside be sure all are accounted for

6-call the fire department

7-Don't go back inside the building.

If everyone would just follow these few points - we would not suffer these tragic deaths due to fire.

Again, I do not wish criticize this poor family on their errors, but I know that they above all others would want others to avoid what happened to them.

If you need help in forming a plan Drop me a note or call WEI-9670 and leave a message. The officers and men of your Fire Department would be most happy to serve you.

4-H

"Make Mine Country Style" will be the theme of the 4-H Mid Island Dress Review and Awards Night program. It will be held at Levittown Hall in Hicksville on May 18 at 7:30 in the evening. This is the night when the girls model the clothes they have made during the year. You will be surprised to see the attractive things 4-H's make, and we guarantee you will be inspired to sew some of the new fashions for your own spring and summer wardrobe. This is a very gala and exciting evening - come join the fun, and let us show you how to "make yours country style."

writing bearing the date of the 15th day of July, 1968, relating to both real and personal property duly proved as the Last Will and Testament of Leland Badler, deceased, who was at the time of his disappearance domiciled at 3525 Lakeside Lane, Scottsdale, in the State of Arizona, owning real property situated in the County of Nassau.

THEREFORE, you, and each of you, are cited to show cause before the Surrogate's Court of our County of Nassau, at the Surrogate's Court, Nassau County Court House, at Mineola, in the County of Nassau, on the 30th day of May, 1973, at 10:00 a.m. of that day, why the said LELAND BADLER should not be declared dead and the Last Will and Testament of said LELAND BADLER should not be admitted to probate as a Will of real and personal property.

Hicksville Youth Named To Phi Beta Kappa

Ronald S. Kochman of Hicksville, is one of the 14 seniors at Hamilton College to be elected to membership in the Phi Beta Kappa Chapter there in recognition of superior scholarship. Kochman's parents, Mr. and Mrs. Rudolph Kochman, reside at 69 Cliff Drive, Hicksville.

Before coming to Hamilton, Kochman attended Hicksville High School, where he was a member of the yearbook staff and competed in intramural athletics.

At Hamilton he is a member of the Hoot Jassup Public Affairs Council and the student aid missions committee. He also competed in intramural games in basketball and softball. He is majoring in government and plans to study law.

Hamilton College has an enrollment of 966 men. Chartered in 1812, it is one of the oldest men's liberal arts colleges for women, which was opened in 1968.

Investigation Sought Re: Woodbury Apartments

By JANET GOSNELL

Further developments regarding the allegations of foul play in the proposed zoning of two Woodbury parcels for apartments made by the South Woodbury Taxpayers Association and Councilman Lewis J. Yevon came about yesterday with the announcement by Supervisor John Burke of the receipt of copies of the documents of sale on the property by the five Republican Councilmen and himself.

The documents, which by all appearances were genuine photocopies of those on file in the county, were sent anonymously with no return address on the envelope nor covering letter. Mr. Burke said.

They showed that the property had been purchased in August, 1971 for \$270,388, a rate of about \$35,000 an acre for the 7.9 acre parcel which is part of those known as Parcels 12 and 13 on the proposed Woodbury zoning map. The allegations against the Town Board are that the purchaser had prior "inside information" that the parcels would be zoned for apartments and bought the property at a higher rate of sale based on this information. According to the SWTA, property zoned Residence B, the current zoning of parcels 12 and 13, would sell at about \$18,000 or less per acre.

The petitioner, Irwin Roberts and R.E.S.T. Apartments, were the contract vendees of the property when the apartment petition was heard at Town Hall on October 13, 1970.

Rider Attached
The documents received include the deed for the property, a first mortgage in the sum of \$202,941 taken back by Adele J. Rushmore and Arthur S. Underhill, co-executors of the will of Virginia M. Underhill, and a second mortgage with Sy Vogel Realty, Melville, for \$13,530.

The crux of the allegations is in the rider attached to both mortgages which states that the owners of the premises shall have the right to apply for and obtain a release or releases of part or parts of the premises on certain terms.

Couched on legal language, the rider applies only to a final plan to develop the entire described parcel with "apartment type buildings," which said final planning is to be approved by the Town Board of the Town of Oyster Bay before construction shall commence. Each release shall cover 1/4 of the premises described and shall include buildings containing 1/4 of the total number of apartments approved by the Town of Oyster Bay.

The price of each release shall be 30 per cent of the total purchase money mortgage.

All sums paid for releases shall be applied on account of an in reduction of the principal, and in addition to such release payment, there shall be paid interest on the amount paid for such release to the date of payment from the date of interest payment on the mortgage.

The rider also states that the mortgagor shall have the right to prepay the mortgage without penalty.

A non legal reporter writing for the Syosset Tribune believes that this means, should the land be zoned for apartments, the mortgagees, R.E.S.T. Apartments or its principals, Irwin Roberts or Max Singer, have the right to apply for a free and clear status for one or more parcels of 1/4 the total size of the land in consideration of payment of 30 per cent of the total purchase money mortgage. The release would also include 1/4 of the number of apartments permitted by the Town of Oyster Bay for the entire parcel, should the petition be granted.

According to a real estate expert, release clauses such as this one are common in the case of mortgages pertaining to the purchase of large tracts of land, giving the mortgagee mobility in being able to subdivide the tract for separate management or sale. The release clause pertains

only if apartments are granted for the entire parcel and does not in any of its legal language release the mortgagee from the purchase of the land in the event apartments are not granted.

Decision May 15th
Supervisor Burke announced that the Town Board would reach a decision on approval or disapproval of the Syosset Woodbury Plan, and also on the granting or denial of three apartment petitions for Syosset Woodbury, including that of R.E.S.T. Apartments, at its regular meeting next Tuesday.

May 15th. The other two are by Acade Co. & Crestwood Country Day School in the same vicinity as the R.E.S.T. petition, and that of E.O. Associates, in Syosset.

Both the Acade and the Roberts petition do not meet the requirements of apartment zoning in the proposed Woodbury plan for Parcels 12 and 13, which call for apartments at the rate of 10 and 6 per acre. Both petitions

News Briefs

ON FRIDAY, MAY 4th, Willet Avenue School held their annual tree planting ceremony. This year, the tree was planted in memory of Mrs. Selma Losow, a former teacher at Willet Avenue. Mrs. Losow's parents and two sons, Michael and Jeffrey, attended the program.

Mrs. Lorraine Seger, president

of the P.T.A., represented this organization which annually donates the tree that is planted. The entire student body participated in the program. Pictured above, are two former students of Mrs. Losow, Valerie Huttie and Ronald Proffe, helping to plant the tree.

School Census Started

The annual census is now in the process of being taken by the Plainview-Old Bethpage Central School District.

Norman Feldman, Attendance and Census Supervisor said that residents will be receiving a census form in the mail in the next few days. These forms ask for correction or addition of identifying information concerning adult and student residents of the district.

Information contained in the census form is "strictly confidential," Mr. Feldman said, "and is used only for the purpose of enrollment projections and to effect more efficient educational planning."

Residents are urged to return the census form promptly so as to avoid costly follow-up procedures.

Columbian Squires Car Wash

The St. Ignatius Loyola Circle No. 547 of Columbian Squires, a junior organization of the Joseph Barry Council No. 2520, Knights of Columbus, is holding a car wash on Sat., May 12 at St. Ignatius. It will last from 11:00 A.M. to 4 P.M.

We wash and clean both the inside and outside of the car for \$1.25," said a spokesman for the organization.

Levine Talk On Drug Felonies

"Through the cooperation of both Republican Assembly leaders and Governor Rockefeller, we have been able to provide the public with a workable hard-line approach to exact tough punishment for hard drug offenders."

"As a teacher and a person who has worked with children I can see the vital need to effectively protect them from the disaster of drug abuse and drug related crimes."

"Pushers are exploiting our

most precious resource — our children. That resource is of preeminent importance and, although I have no legal experience, I look to my colleagues who are attorneys for expertise. There are no absolute answers to this problem, but this is a workable approach and at least a start; if it takes even one pusher off the street, it's a good bill."

"We must now address ourselves to improving drug prevention and education programs," said Levine.

Mother's Club Features Reading Readiness Program

Mrs. Thelma Lahm, Reading Coordinator of the Plainview-Old Bethpage Public Schools will give a talk on "How to Prepare Your Pre-School Child for Reading" on Friday, May 11 at 10:00 A.M. and 11:00 A.M. at the Plainview-Old Bethpage Public Library. The

program is part of a series of Mother's Programs given by the library for mothers of children in the library's pre-school story hours. All interested Plainview-Old Bethpage residents are invited to hear Mrs. Lahm.

Garden Club To Meet, May 14th

The Garden Club of Plainview will meet on Monday, May 14, at 7:30 P.M., at the Plainview Old Bethpage Library, Old Country Road, Plainview.

Installation Supper and installation of new officers and buffet supper prepared by members will be the event of the evening.

Model A Ford Club To Display Cars

A little nostalgia for former rumble seat Romeos will take place at Canteague Park on Sunday, May 20, when the Long Island Model A Ford Club will display about 25 cars.

In addition to autos with rumble seats, the display will also include touring cars, sedans, station wagons, and pick ups, all vintage 1928 to 1931.

The show will run from 11 a.m. to 5 p.m. and all Nassau residents are invited to view the autos free of charge.

For the benefit of the new generation, a rumble seat, located in the trunk area, could be opened in fair weather and was completely separate from the enclosed passenger section.

Canteague Park, operated by the Nassau Department of Recreation and Parks, is located off West John Street in Hicksville.

Film For the Hearing Impaired

The Plainview-Old Bethpage Public Library will present a film for the hearing impaired on June 3.

The Plainview-Old Bethpage Public Library is the first public library on Long Island to show films for the hearing impaired.

Thespian Troupe To Present Musical

The Hicksville High School Thespian Troupe 2125 will present the musical "Fiorello" for four nights starting on Wednesday, May 16th at 8:15 P.M. in the auditorium at the High School on Division Avenue. The proceeds from the Wednesday evening performance will go to the Hicksville Senior High School PTA Scholarship Fund. Tickets

for "Fiorello" on Wednesday evening will be \$1.25 each and can be purchased at the Main Office at the High School now or at the box office before the performance.

This is a chance to make your money go twice as far as usual. Enjoy an evening at the theatre and help a Hicksville student on his or her way to college.

Wins Scholarship

Gary L. Waag, son of Mr. and Mrs. Bernard H. Waag of 43 Satellite Lane, LEVITTOWN, has won a 1973 Grumman Engineering Scholarship. The award, one of ten granted annually by Grumman Corporation, will provide the Island Trees High School senior and honor student with payment of full tuition and laboratory fees for four years at any accredited engineering college of his choice.

Waag plans to enroll at Rensselaer Polytechnic Institute at Troy, to study computer science. Ranked third in his class of 420 members, he has had a well-rounded high school career. In addition to being an honor society member with a keen interest in mathematics and science, he has been a member of the soccer team, varsity club, band, orchestra and jazz workshop.
