The AATG tribute concluded by wishing Miss Wessel "many years of pleasant activity and pledge that we will remain in touch with her and look to her as inspiration for what fine teachers are made of." The Foreign Language Departments concluded by presenting Miss Wessel with a hand-engraved tribute, which included the words of Hermann Hesse's "Stufen," and several gifts. Two Fires Destroy Jones Institute Barn

BY CAPT. OWEN MAGEE

Two fires of suspicious origin struck the large barn on the Jones Institute property, Charlotte Ave. and West John St. Hicksville. Firemen had the first fire on June 2nd confined and it did minor damage. However, on Saturday June 9th at 1234 p.m. firemen found upon arrival a serious fire in progress. Again on Sunday June 10 at 9:06 p.m. another general alarm fire struck the barn. This blaze all but destroyed the structure. Firemen suffered a few minor injuries and were treated at the scene and returned to duty. The cause of the blaze is under investigation by fire officials.

General Alarm Blaze in Westbury
A general alarm blaze destroyed the 100' x 200' wood frame building occupied by the

Nassau Floor Co. on Grand Blvd. in Westbury. Sat. June 9 Hicksville Vamps were called in at 11:09 p.m. to aid Westbury Vamps 1 Engine Co. and a tower ladder were sent to the scene. Jericho, Carle Place, Plainview and Roslyn firemen also sent men and equipment. The blaze which knocked out telephone service over a wide area, could be seen for miles. Hicksville firemen along with the other departments, were on the scene until 8:00 a.m. Sunday. Only minor injuries were reported. A second call for reserve manpower for Hicksville men was transmitted at 5:00 a.m. Sunday.

During the period June 5th to June 12th, Hicksville Vamps responded to 25 alarms, 9 malicious false alarms, 3 rescue calls, and 13 misc. fire calls. 3 of

the fires required a general alarm response. During the month of May, 91 alarms were received. 23 of those alarms were malicious false alarms, 9 rescue calls and 2 serious fires. One fire victim who suffered serious burns died this past week. He was Charles Hauck of 61 Meyers Ave. He was 43 yrs. old. Thanks again to local photo. Ralph Sallier of Ohio St. for his fine photos.

Flag Day, June 14

President Woodrow Wilson's eloquent address on Flag Day, June 14, 1917 is an effective reminder to all of the significance of Old Glory:

"We meet to celebrate Flag Day because this flag which we honor and under which we serve is the emblem of our unity, our power, our thought and purpose as a nation. It has no other character than that which we give it from generation to generation. The choice is ours. It floats in majestic silence above the hosts that execute those choices whether in peace or war. And yet, though silent, it speaks to us—speaks to us of the past, of the men and women who went before us and of the records they wrote upon it. We celebrate the day of its birth, and from its birth until now it has witnessed a great history, has floated on high the symbol of great events, of a great plan of Life worked out by a great people..."

School Board Meeting

Only four members were present at Friday's school board meeting. Clark, McCormack, Bruno and Pirrung. Since four votes are necessary to pass any motion, those passed were by a unanimous decision.

Aside from routine personnel appointments, payroll and district bills, most of the business conducted (and time spent) had to do with contracts.

A proposal for reorganizational changes and promotions, held over from the previous meeting, was again postponed. Administration's proposal is that Dr. Fred Hill be named deputy superintendent. Mr. Erwin Rozran, assistant superintendent and Dr. Manus Clancy assume a position as district director of curriculum. Dr. Niosi explained that these changes would consolidate some positions (those now held by Rozran and Clancy and the one formerly held by Dr. Cadden). Dr. Hill's promotion would do away with any confusion about which assistant superintendent is in charge when the superintendent is not available.

Mr. McCormack said the positions, primarily that of district director of curriculum, should be advertised and the top three applicants presented to the board for its approval.

The board also postponed, for an executive session, a special resolution on the superintendent's contract—dealing with a raise and a five-year renewal.

The board approved (after one hour behind closed doors) a four-year contract for Mr. Amadeo Tomaini as district director of physical education, health and recreation. A minimum salary of \$28,300 was set, with further details to be worked out later.

Mr. Bruno objected to magazine reprints, agendas and minutes of board meetings, and other printed material which the superintendent has been giving to PTA presidents. He claimed that these women have been getting more information than the board.

He asked that agendas of the monthly meetings between Dr. Niosi and the presidents be given to the board, in advance, for approval. During the public session, PTA representatives explained that an agenda would be difficult, if not impossible, because Dr. Niosi could not foresee what questions would be asked by the women. These meetings are informative, in nature, with an exchange of ideas and opinions. Much of the information is disseminated to each school's membership, with minutes and agendas being posted for all to see. It was the feeling of the PTA presidents and Council officers at the meeting that Mr. Bruno's suggestion would stifle communication. No action was taken on this matter.

Acting on Mr. Pirrung's request, the board voted to send a resolution to BOCES, objecting to its plans for a cultural arts center and stating this district would not be involved in such venture. Mr. Rozran pointed out that music departments in various districts were not consulted as to what effect his move would have on their own programs.

During the public session, Charles Fetta asked the board to publicly censure Mr. Bruno for his recent letter in a local weekly newspaper. He said Mr. Bruno had used his office to the detriment of the prestige of the school board. No action was taken on Mr. Fetta's long and abusive attack.

The board approved the hiring of students to assist in curriculum printing. A \$2000 ceiling was set on the cost for this service.

The board accepted a federal grant of \$21,000 for a drug program, the details to be set later.

The board passed a policy to stop any commercial activities by profit-making enterprises in the schools.

The next board meeting is Thursday, June 28 at 8 P.M. in the Administration Building.

On The Campus

Jeffrey H. Newcorn, son of Mr. & Mrs. Alexander Newcorn, of 248 Jerusalem Avenue, Hicksville, received a Bachelor of Arts degree - With High Distinction - on June 3rd, 1973 from the University of Rochester. Jeffrey was previously elected to the Honor Society of Phi Beta Kappa, and is a former Editor-in-Chief of the Campus Times of the University.

He will return in the Fall to the Strong Memorial Center and Medical School of the University of Rochester, where he will commence his medical school education.

Joann A. Volpe, and Italian major, daughter of Mr. and Mrs. Vincent Volpe of 15 Edgewood Drive, HICKSVILLE, received her bachelor of arts degree from Mount Holyoke College during their annual commencement exercises held on May 27th.

Town Hall Seeks To Expand Facilities

By Janet Gosnell

At its regular meeting on Tuesday, the Oyster Bay Town Board set a public hearing date of July 10 on a proposal to acquire the defunct theatre building adjacent to Town Hall on Audrey Avenue for office use; heard a petition for a 6-court tennis building in Bethpage and made decisions concerning several localities in the Town.

By acquiring the building, which has been demolished except for exterior walls by its owner Oyster Bay Development Corp., the town would have additional office space for 50 employees and would be able to increase its parking area. The Board of Zoning Appeals and the Planning & Development Department, now located in a frame building on the other side of Town Hall, would be relocated to the building, a town spokesman said. Further parking area will result with the removal of the frame building.

The safety and adequacy of the existing walls has been attested to by engineers. The owner, who is also the builder, planned to renovate the building for office use. The Town contends that parking difficulties would result

if it were developed as an independent office building. Councilman Salvatore Mesca voted nay in the setting of the public hearing.

No Opposition
The petition of C.A.D. Associates for a change of zone from Residence C to Ind II District, in order to construct a six-court tennis building in Bethpage met no opposition on Tuesday. C.A.D. sought also to extend its special permit use granted January 2, 1973 and to modify restrictive covenants on the approval. Originally the company planned to erect a building for ice skating on the property, which is located on the west side of the Seaford Oyster Bay Expressway, north of the Long Island Railroad.

The building department deemed the petitioner's provision for 48 parking spaces to accommodate the 324-foot building inadequate. Proper amount should be 195, according to town ordinance.

Other Business
In other business, the town unanimously denied the petition of Stackler and Frank for a change of zone from Residence D to Business G for a parcel of land on West John Street, Hicksville.

about 150 feet east of Milton Street. Opposition to the petition was strong at the public hearing on the petition on November 21, 1972. "We might as well have Geritz in our back yard," said adjacent resident John Haines at the time.

The board also approved a petition for a gas station on Massapequa as a result of a court decision reversing the board's previous decision to deny. The vote was 6 to 1. Councilman Yevoli voting nay.

The petition of North Shore Marine Center, Inc. for a change of zone in Oyster Bay was denied, and the plot plan of Blue Seas Music's (approx. motel) in East Norwich was approved. The vote was unanimous on both.

The board also approved the abandonment of Richfield Avenue, Hicksville, an unused road which enters the parking lot of the Old Country Manor. The abandonment will increase the parking space of the Old Country Manor and put the property back on the tax rolls. The vote was 6 ayes, 1 abstention, the abstention being Councilman Yevoli.

The vote was 6 ayes and one nay. Councilman Yevoli voting nay, in the resolution approving the award of a contract in the sum of \$24,192.20 to Residential Fences Corp. of Ridge, L.I. to put up a fence around the 65-acre landfill site on Round Swamp Road and the Long Island Expressway in Plainview.

Maxwood 6, Parr & Hanson 3 - Starting pitcher D. Mezzapesa

lasted five innings, knocking out 2 RBIs, then J. Poggioli came in to get the save. Big man of the day Poggioli socked a homer and a double for 3 RBIs, leading a strong hitting attack supported by K. Branham (3-3) and R. Winter (2-2). G. Cassagne again started with brilliant play as

catcher, gunning down runners with a cannon-like arm. T. Pirrung was the losing pitcher for Parr & Hanson, which blew a 3 run lead.

World's Fair Liquors 6, Gilson 6 - A real cliff-hanger. M. Pinelli was great as pitcher for WFL, but lost control after six innings. WFL stars T. Geordano and J. Price worked hard in the seventh to catch up to a big lead laid out by Gilson men M. Valle and M. Turturro, et al. Sixteen hits were blasted out by Gilson, producing ammeager six runs as M. Diaz (3-5), B. Speltman (2-5), R. Flanagan (3-5 with a leading-lady triple in the 8th which almost won it), and J. Powell (2-3) Get out and watch this game sure to be exciting, played to

completion on June 25th at Burns Avenue field.

WINB 8, Gilson 7 - V. Anstey's single loaded the bases and set the stage for a game winning RBI by B. Boschert in the fourth frame of this five inning thriller called because of darkness. Gilson pitchers couldn't find the plate, as they gave up sixteen

walks, practically giving the game away.

Agway 14, Parr & Hanson 3. As contender Gilson wilts, Agway came up strong as Manager Viggiani said, "Everybody's bat was going crazy." M. O'Connor's grand

slam homerun certainly didn't hurt and E. Burke's grandstand catch cooled down an enemy rally which could have put the game up for grabs. "Speedy legs" Nilsson streaked in from third, stealing home, which typifies the Agway ballclub.

Maxwood 9. LINB 1. Look out Agway and Gilson! Make way for Maxwood, a team which is starting to steam-roll over quite a few unfortunate clubs. G. Cassagne lost a ball, not while playing catcher but while cracking out a towering homer over the fence. J. Poggiani followed suit, hitting a homer and going the distance to gain a win. B. Schaeffer put in his two cents and got back two hits for two at bats. Both teams performed exceptionally well in the field. G. Madine made two good grabs in the outfield and A. Lopedote to K. Branham to R. Winter was good for two outs, while LINB utility man B. Kohn made an unassisted DP at shortstop.

WFL 6. LINB 5. M. Pinelli's superb pitching assisted by fine performances by R. Barbone and S. Schneider in a walk filled attack brought home a victory. LINB's six hit attack was sparked by W. Anstey's single and double, and T. Rapp's pair of singles and hot double. L. Lederer pitched but also waved a hot stick hanging in the runs.

AA League

By Bob Cassagne

L. I. COLLISION continued their unbeaten season with 2 wins over the DODGE CHARGERS this week.

In the first game, DODGE took an early 1-0 lead, but couldn't hold on as L.I. battled back to win by a score 9-4. Tom McMann and Steve Playne did the pitching. They combined to strike out 11 CHARGERS. Kevin Kowalski, Joe Maggio, and Chuck Virga all came through with the bats. Tom McMann had a big three-run homer in the fourth. Despite the loss, Mark Sadowski pitched well. Billy Hazelton, Keith Erickson, and Paul Heller all played fine game in the field.

The second game finished with a score of 8-5 in favor of L.I. COLLISION. Tom McMann pulled off an unassisted double play in the first inning. Lee Mehan pitched well for the CHARGERS. Steve Weiss hit a beautiful home run. Frank Behr and Paul Heller both played a fine game in the field.

In other action this week, Firestone and Pancake House played a three game series.

In game one, FIRESTONE beat the PANCakes by a score of 8-4. T. Severino pitched three innings of relief only allowing two hits. Steve Jankowski was the starting pitcher. He fanned seven PANCake boys. Two fine catches in the sixth inning by Lubash and Benvenuto secured the win.

PANCake HOUSE bounced right back to win the next game by the score of 20-10. T. Severino pitched a good game until the fifth inning when he lost the strike zone.

FIRESTONE took the next game by the score of 17-12. Almost every FIRESTONE player found the trigger on their bats in this game. Boehmler came up with bases loaded and walloped a grand slam. D'Aquila was up next, and he decided he would show the crowd he could do it too. He was followed by Spulera, who made it three home runs in a row. T. Severino made some fine plays in the field including an unassisted double play.

As the second half continues, it looks like a close race for the

bag. June 5: Mid Island Plaza 2, Circle Texaco 1. A two run second inning supplied the winning margin as Tony Valle and Tom Bittner exhibited their fine pitching skills. The big hits were knocked out by Sean Garvey and Mike Kinsec. The only other hit was collected by Andy Rokito. Golden Gloves awards went to Larry Gray and John Kneisel.

June 7: Malvese 8, Mid Island Plaza 6. MIP lost this game due to an explosive Malvese fifth inning and great defense in the sixth. MIP had 6 runs on 7 hits. Larry Gray and Tony Valle each had two hits. Tom Bittner and Bob Rupp had a hit apiece while Andy Rokito got another hit to keep his hitting streak alive. Andy now has hit safely in this past nine games. In the last inning MIP had two chances to score but both runners were held from scoring when thrown out at the plate.

On Monday, June 4 the Majors started their second half. GOLDMAN BROS., anxious to get into the playoffs got off to a good start by downing TROIANO 5-3. TROIANO came from behind in the fifth scoring 2 runs to make it 3-2, but in the bottom of that inning GOLDMAN came up with 3 more to clinch it. Bill DeMarco and Gary Holzapfel went 2 for 3 for GOLDMAN. In the other Monday game PERKINS beat WAGNER 9-5. At one point WAGNER led by 2 but in the 5th

PERKINS launched a strong attack scoring 6 runs. Shubert had a fine day at the plate going 3 for 3.

Thursday GOLDMAN BROS. nudged WAGNER 6-5. Gary Holzapfel came through once again for GOLDMAN with a triple and a homerun. Tony Gagliano smashed one 250 feet for a homer. They're still chasing that one. John Werner was all smiles after going 3 for 4. Also on Thursday TROIANO staggered PERKINS 16-6. Rich Staubitz went 4 for 4, and Richard Ahearn went 3 for 4 with 4 rbis contributing 7 of TROIANO'S 13 hits. Dave Joyce went all the way on the mound for TROIANO.

Minor Division

I'm unable to give the standings in the Minors this week because of lack of communication between the managers and me. The following

are the game reports I've received this week.

On Tuesday PARAGON OIL beat FRANK'S ALIBI 3-2. Gene Gray singled with bases loaded to knock in the winning run in the last of the 6th. He had a perfect day defensively too throwing out 2 ALIBI runners at 3rd. Pete Renda did some beautiful relief pitching for PARAGON. HICKSVILLE PENNSAVER beat MARDER SHELL 11-6 Tuesday. Mark Doyle went 3 for 3, a single, double and triple for PENNSAVER. Louis Losuto came to bat with bases loaded and stroked a timely triple for the winners.

On Friday PARAGON made their record for the 2nd half 2-0 by beating PENNSAVER 15-9. Jeff Calichio went 4 for 4 and Greg Bolognese hit a grand slam for the Oilers.

The Bucco Jet

The bucco jet is an oral irrigating device designed to combine a continuous jet of water for comfortable dental irrigation and a soft toothbrush for important gum massage. With this combination the user obtains the most efficient means of dental hygiene as recommended by dentists the world over.

The unit can be permanently attached to any standard faucet, while still allowing normal

unobstructed use of the wash basin. As a result the bucco jet is ready to use at your convenience. There is no need to fill any water tanks or go through any tedious pre-assembly. Also, the bucco jet is non-electrical. There is no dangerous flow of electricity near the water, so every member of the family can use it. Individual brushes and water picks are available in assorted colors allowing each family member his own attachments. This allows an entire family to use only one unit.
