Guest Preacher In Hicksville

The Rev. Richard G. Krogmann, son of Mr. & Mrs. August B. Krogmann of Hicksville, will be the guest preacher at the special worship service being planned to celebrate the Fifteenth Anniversary of Redeemer Lutheran Church on New South Road, Hicksville. Pastor Krogmann, a graduate of Hicksville High School, Wittenberg University in Springfield, Ohio and Lutheran Theological Southern Seminary in Columbia, South Carolina is, at present, pastor of St. Paul's Lutheran Church in Clearwater, Florida. He is the first son of the congregation of Redeemer Church to become an ordained minister.

The Special Thanksgiving Festival Service is scheduled to be held at the church on Sunday, October 21, at 3:30 in the afternoon. Pastor Krogmann will be assisted during the service by seminarian, Henry Wuerz, formerly of West Hempstead. Mr. Wuerz will serve as liturgist for the service. Mr. Wuerz, who is presently a mid-level at Lutheran Theological Southern Seminary is the husband of the former Laurelle Krogmann. In addition to Mr. Wuerz, the congregation is proud of two more young men of the congregation who are preparing for the ministry, Charles Lockwood and John Kramer.

Following the worship service, the congregation is celebrating with a dinner-dance to be held at

Reverend Krogmann

the New Hyde Park Inn. The guest speaker at the event will be Richard Weiskotten, who was the first pastor at Redeemer, when it was started fifteen years ago. The Rev. Theodore S. Grant is Redeemer's pastor today. He is well known to many Hicksville residents, especially for his devoted and conscientious ministry to those who know Redeemer as "The Church of the Open Door."

The congregation issues a general invitation to join them in rejoicing at the reaching of this milestone. Redeemer Lutheran Church would at the reaching of this milestone, Redeemer Lutheran Church would welcome anyone who wish to attend any of their services.

NOTE TO ALL LOCAL ORGANIZATIONS: If you wish your regular meetings and special events listed in this Calendar, of Events, please send the necessary information to THE HERALD, One Jonathan Ave., Hicksville, NY 11801. Our copy deadline is Wednesday at noon.

Foreign Language Back In Second Grade

By Shirley Smith

The Hicksville School Board's action last month to discontinue additional foreign language in the fourth grade because it had not been formally approved by the board, was followed up by positive action last week. Spearheaded by Mrs. Iris Wolfson, the board voted to put foreign language back in the second grade immediately, with selection based on criteria used in the past. The board will decide by December 15 whether it will be started in first grade. The board will also initiate a full study and report (at no cost to the district) on all foreign language, elementary and secondary, through the guidance of an outside consultant who is an expert in the field. In the spring, the board of education will act on the future of elementary foreign language in Hicksville. Mrs. Wolfson gave the following reasons for her motion regarding foreign language:

1. Elementary foreign language teachers have flexibility in their schedules since they are no longer teaching additional fourth graders and this new move can be handled within the HCT contract and the foreign language budget.

2. The method of selection of fourth graders had been changed from last year's suggestion by administration that it be open to all who wanted the language.

3. The principals were not consulted on how to help slow readers, improvement in the reading program being one of the main reasons given by administration for removing foreign language from the primary grades in a meeting with the school board, the principals had brought out that eliminating foreign language had an adverse effect on reading, the teachers did not have time to help slower readers because the faster ones were not out of the classroom at any time.

4. The apparent lack of continuity in a language (students dropping out in Junior High and High School) was another reason for foreign language being removed from the lower grades.

However, this year Latin I was offered to seniors, but not to sophomores or freshmen.

Mr. Heilo voted against the motion, stating it was arbitrary and capricious. He felt the board should have more time to study the material before voting. He also stated the district had lost in two areas, because an improved reading program had not been implemented. He termed the board's action "a step backward." All other board members present (Mr. Bruno was absent) voted for the motion.

The board approved a new travel allowance policy for board members and district employees, allowing 12 cents per mile and \$15 per day for meals. The type of travel was left up to the individual, providing the most economical means is chosen (travelling tourist rather than first class, etc.).

The school board also approved a Retired Senior Volunteer Program at Burns Avenue School Run by the Nassau County Senior Citizens Program, elderly volunteers will assist teachers in classrooms, etc. This will be done with permission of the teachers and the HCT.

The board approved the retirement of Mary C. Blust, district clerk. Mr. McCormack thanked Mrs. Blust and complimented her on fifteen years of employment and service in the district. Applications have already been received by administration and a replacement will be chosen as soon as possible. Mr. Richard Weigand, business manager, was designated acting district clerk until the new appointment.

The board, on recommendation from administration, voted against urinalysis tests of students to determine drug abuse. Guidelines regarding this phase of the new drug law will be forthcoming from the state education department.

During the public session, Mrs. Lucille Rosen asked the board to offer more relevant courses to high school students, such as speedwriting and practical math (balancing checkbooks, etc.). She also objected to the students

not being allowed to sit on the lawn. Arlene Rudin objected to the rotating female gym teachers at Dutch Lane—the girls have a different teacher each day. Carol Schorr asked when a wall in one of the individualized instruction classes at Dutch Lane would be replaced.

The board of education hired Paula Conrad as the Drug Abuse Education Coordinator for the district and entered into a contract for the term of the grant for this program from Nassau County. Ms. Conrad, a school psychologist and doctoral candidate, was chosen from over 100 applicants. Her salary is provided for in the grant.

The board approved the purchase of three used Nassau County Police patrol cars (at \$300 each) and \$3800 in radio equipment for use by the Auxiliary Police. All equipment will be school district property. They also approved \$2000 for band uniforms for Woodland Avenue School. The board accepted a clerical change of assignment, providing a full-time secretary at East Street, to replace the secretary who retired. The board did not accept a recommendation for assistant business manager and asked administration to consider re-classifying the job so a junior executive or junior accountant could be brought in at a lower salary than the one now designated for that position.

The board of education set a fee of \$41.25 per student for health and welfare services. This is charged for students from outside the district who attend school in Hicksville. Other districts charge similar fees for our students attending school there. The board approved a Neighborhood Youth Corps In-School Work Program. This will provide jobs (up to 10 hours per week) for high school students in Hicksville who meet low income requirements. The school district develops the jobs, which are paid for through county funds. The board approved the appointment of an outside labor negotiator for a two-year term at a price not to

Kellner Day - Nov. 2

Sam Kellner

Business Anniversary Chairman, Le. Seplavy, owner of the Broadway Auto Body Shop in Hicksville. "The story of Sam Kellner is not unlike Horatio

Alger. He is a true, self-made man and a testament to the American work ethic. Above all, Sam Kellner has remained a lifelong community resident in Hicksville throughout his years of business enterprise, achievement, and success."

Anniversary Co-Chairman Leonard Fanelli of Memory Lane, Hicksville, said: "Sam Kellner always insisted on doing business in a setting based on honesty and integrity. His benevolence to employees, business colleagues and neighbors will always be remembered. His continued work and activism makes him a model for all senior citizens to follow."

Among the many groups and organizations making presentations to Sam Kellner will include: The Long Island Garagemen's Association, the Congregation Shaarei Zedek, the Town of Oyster Bay, and the Hicksville Public Schools.

Trinity Lutheran Church News

"I am really excited about our District Conference this year. It is the first time in our history that pastors and teachers have met in a joint conference," stated Mr. Weldon Endorf, Co-Chairman of The Atlantic District Conference For Pastors and Teachers. The joint conference will be held at Pocono Manor, Pennsylvania, October 17-19.

For the past four years it has been Mr. Endorf's responsibility to coordinate the Teachers Conference for over 600 Lutheran teachers in the New York area. "In This Together" is the appropriate theme of this year's joint conference.

Leading a workshop in Arts and Crafts, Mr. Stanley Kramer of Trinity's faculty will introduce new approaches with the media of water color, finger paint, chalk, and crayon. Each participant will try the new approach with each media, and a discussion will follow. Recently Mr. Kramer did the art work for a filmstrip produced by Concordia

MR. WELDON ENDORF (Left) of Trinity Lutheran School, Hicksville, discusses the program for the Atlantic District Conference For Pastors and Teachers with workshop leaders, Mr. Stanley Kramer (center) and the Reverend John H. Krahn of Trinity.

Jericho Park District Hearing

Town Supervisor John W. Burke announced that the Town Board has set October 23 as the date for a public hearing on the proposed extension of the Jericho Park District.

The request for the extension came from the Jericho Task Force, a group appointed by the Supervisor to study the feasibility of a Jericho Community Park. The group's suggestion for extending the park district is in keeping with the Town-adopted Master Plan for Jericho.

The current park district includes all of Jericho except the portion north of Jericho Turnpike. The proposed extension would include that section which borders on the State University of New York property to the north, Oyster Bay Road to the east and the Town line to the west.

Israel Support Move Introduced by Sups.

By JANET GOSNELL

After the regular meeting of the Nassau County Board of Supervisors on Monday, a draft of a resolution supporting the supplying of funds and arms to Israel was read into the record by Supervisor Julian Jawitz (Long Beach) for consideration by the Nassau County Board of Supervisors.

The resolution is titled as expressing the concerned reaction and feelings of the County Executive and the individual members of the Board of Supervisors at this time of crisis in the Middle East.

The introduction to the resolution describes the State of Israel as similar in population to Nassau and Suffolk Counties - about 2,000,000 - who "through diligence and pride" have made the desert bloom and the cities rise from sand hills.

Calling Israel "the last bastion of democracy in the Middle East and America's closest ally in that region," and stating that "the Soviet Union, in furtherance of its own geographic and economic interests, is attempting to destroy Israel through the armies of its client states and is further attempting an expansion of its sphere of influence in the Middle East; and the exclusion of the United States therefrom, and asks that until peace comes, Israel be given the funds and arms she needs to successfully defend herself and the democracy she represents.

According to the office of the clerk in the Board of Supervisors, the resolution will appear for voting on by the supervisors on the calendar of the next meeting, October 29th. After what is expected to be an affirmative vote, a copy of the resolution will be sent to President Richard Nixon.

Six Public Hearings

In other business, the county conducted six public hearings in an aggregate of about 15 minutes on sewer easements in Hempstead, North Merrick, Merrick and other locations and on the acquisition of a piece of property adjacent to the police station in Seaford for additional parking and structures. Eugene Calisi, of Seaford owner of the shopping center, and attorney Aaron Brittan of Old Country Road, Hicksville, acting for the owner of a laundromat in the center, explained that the acquisition

would put the laundromat out of business, the subject parcel being used for drainage.

The supervisors also voted to adopt a map showing property to be acquired on the west side of South Oyster Bay Road between Avon Court and Carolyn Court near Jericho. According to the Dept. of Public Works, the matter concerns the acquisition of a 3.168 square foot parcel of land which had never been dedicated by the developer and is needed to provide a uniform, continuous right-of-way for a proposed improvement of South Oyster Bay Road.

After the meeting, the supervisors heard several speakers, including Norman Blankman, Independent candidate for County Executive; Hannah Komanoff, Democratic candidate for Mayor of Long Beach; Lee Lambert, of Hempstead, speaking for the senior citizens; and Walt Sterling, of the five towns, speaking in favor of dedicating a triangle of property in Hewlett to veterans.

Fire Bombs in Roosevelt

Howard Newman, owner of the only black-owned medical center in Roosevelt, complained of fire bombs thrown at the health building, stating his belief that the act was done to remove him from business. Also speaking in his support was Emily Moore of Roosevelt, who said the community was "plagued by fires," Elizabeth Jenkins, of the Roosevelt Comprehensive Health Council, who reinforced Newman's charge of discrimination, and Cecil Johnson, of the Roosevelt EOC who said all fires were within a one-block radius and described telephone threats received by Newman telling him he was going to be put out of business.

Cliff Schmitt, president of the Nassau County Police Benevolent Assn., stepped forward to assure the Roosevelt residents that the police were not taking it easy on the offenders, as they had believed.

Hannah Komanoff's topic was in favor of a county consumer advocate against high prices and abuses. Norman Blankman's topic was a charge that county employees are required to pay 1 per cent of their salaries to the Republican party.

Vets Training

Thirty seven Vietnam era veterans are now receiving training for positions in the Department of Public Works, it was announced today by Acting Public Works Commissioner H. John Plock, Jr.

The men are being trained under Public Law 90-77 for the positions of Construction Inspector, Sewage Plant Operator, Power Plant Operator and Plant Maintenance Mechanic. Starting salaries, which range from \$6,827 (Grade 5) to \$7,215 (Grade 6), are the same as paid non veterans but supplementary living allowances are paid during training by the Federal Government. At the end of a two year period, those who have successfully completed the training will be promoted to Grades 8 or 9 with full Civil Service status.

I am pleased that our Department has so many openings that can be filled by vet trainees", Plock said. "We have found these men to be serious and mature; they will be important additions to our work force."

Social Security Question Box

Q. I'm 22 and was recently in an accident at work. Do I need as much work coverage under social security as an older worker in order to get monthly disability checks?

A. No. Workers who become severely disabled before 24 may qualify for social security disability payments with just 1 1/2

years of work. Workers disabled between 24 and 30 need credit for having worked half the time between age 21 and the month the disability began. People 31 or over need at least 5 years of work credit under social security to qualify for disability payments. For more information, contact any social security office.

County Dedicates Dynamic Care Center

Nassau County Executive Ralph G. Caso dedicated the spectacular new, 19-story Dynamic Care Building of the county medical center today, telling a festive dedication-day crowd of medical professionals and county residents that he was ushering in "a dynamic new era in health and hospital care."

The dedication of the new, \$62,000,000 building, the tallest in Nassau and Suffolk Counties, was followed by the first public tour of the building, a tour which began a week-long series of both public and special tours. Caso told the crowd, which included top county and town officials and representatives of many health agencies and community groups that it was with "excitement, pride and anticipation" that he was dedicating the building.

The 725-bed Dynamic Care Building is one of the largest, most sophisticated municipally-owned health facilities in the nation. It soars 242 feet above Hempstead Turnpike near Carman Avenue and it will almost totally replace the present, 38-year-old Meadowbrook Hospital, which is adjacent to it.

Caso said that, "At a time when some other municipalities are limiting their health services, Nassau County's Dynamic Care Center stands as the physical embodiment of a social commitment made to this and future generations. I know that all of you here today - and all the people of our county - share my excitement, pride and anticipation as we dedicate this building."

The county executive said that in dedicating the Dynamic Care Building that "we are dedicating an ideal, too: The ideal that no resident of this county - man, woman or child, rich or poor, young or old - will ever be denied the medical care that could make him whole again when he is sick or injured or that could save his life when he has been stricken by disease." Caso said that this is "an ideal every human being everywhere believes in, an ideal that we are making real today."

Dr. James F. Collins, the superintendent of the Nassau County Medical Center, said the building features the latest concepts in the design of short term, acute care teaching hospitals and paves the way for implementation of new medical,

psychiatric and dental programs and service for the 1,400,000 residents of Nassau County.

The new Dynamic Care Building has about 1,000,000 square feet of floor space in a basement floor, four-story base and a 15-story tower. More than 90 per cent of the patient rooms are either semi-private or private, decorated in four basic color schemes with tile bathrooms and a shower, and have hookups for optional telephone and television service. Each room also has a wardrobe, wash basin, vanity counter and a wall console behind the electrically-operated beds to provide oxygen, suction, adjustable examination and reading lights, as well as voice and signal communications with nursing stations on the floor.

Other features include a conveyor belt system to speed hot food trays to patient floors, expanded facilities for emergency and outpatient clinics services, a large intensive care and burn unit, a special suite for organ transplants and other complex surgery, and isolation rooms, laboratories and classrooms on each patient floor.

SONS OF ITALY PARADE: Hempstead Town Supervisor Alfonso M. D'Amato (third from left) was one of the guests of honor at the American Lodge Sons of Italy parade held recently in celebration of Columbus Day. Joining D'Amato are Assemblymen Armand D'Amato (left) and Joseph M. Margiotta. The photographer on the right is none other than Hempstead Councilman Joseph P. Muscarella. Scene was at parade at the Mid-Island Shopping Plaza, in Hicksville.

NASSAU LIONS AID THE BLIND ... Nassau County Executive Ralph G. Caso presents proclamation designating the week of Oct. 14-20 as White Canes Week to Armand M. D'Amato of Island Park (right), District Governor of Nassau Lions 26 K-2. Taking part in ceremony are Al Anselmo of East Meadow (left), past district governor, and Fred Simon Nassau Lions Deputy District Governor. The annual week's observance is designed to remind all drivers that the New York State White Can Law requires that all vehicles come to a standstill for all handicapped persons at traffic crossings, especially persons with white canes raised in an extended position.

Letters To The Editor

Dear Mrs. Noeth:
On Sunday (Sept. 23) on an NBC News Special the featured story was about the dangers of our nation's school buses. I have been driving school buses for some time now and would like to say that it all boils down to one thing - COMPETITIVE BIDDING. School districts contract private bus companies to transport the children. The way these bus companies get the contracts from the school districts is being the "LOWEST BIDDER". This means, to get the contract the bus company has to cut corners, WHERE??? They get the cheapest type bus, cut on maintenance, and the big corner cut is in the bus driver's wages. "HOW CHEAP CAN WE GET SOMEONE TO DRIVE IT?"

You may not know it, but school bus driver's wages go down every time they go to work for the contractor who UNDER BID the last contractor. That means a lot of good driver's that were there leave the industry. Who replaces them, for the cheap wages paid?

You can have the best and safest school bus built, but it will not do any good if you have someone who does not care and respect the job, driving it.

The program did mention that school bus driver's are under paid. Eliminate the competitive bidding and make it a franchise between the school district and the bus company. If the company wants an increase (to cover rising costs) they will have to open their books to the school districts to show where the increase is needed. When you bid on school bus transportation you're not bidding on black boards, chairs, paper, chalk, but you are bidding on human lives.

The answer is to eliminate competitive bidding on school bus transportation, safer buses, good wages, responsible driver's.

Are you willing to pay for it? Jerry Augusta Jr., P.S. On October 24, a hearing on school bus safety will be held by State Senators Caemmerer and Gufrida in Hauppauge at the County Planning Center Building off Veterans Highway at 10 AM.

Hicksville Community Council Meeting

By Anne Gregory

lage. The crisis in part has been caused by the behind schedule planning of our nuclear plants, which no one appears to want in their back yard. Also, Mr. Hamilton stated that we have about 550 years of coal for which no preparation was made in anticipation of this crisis. The N.E. area uses 58 per cent of the heating requirements in the U.S.

The following suggestions were made to save oil and money: help ourselves. The role of independent dealer was discussed, the large number of customers they supplied, and the cut backs on oil deliveries they were receiving. It appears the giant oil companies could exercise a "monopoly" in the oil industry which will seriously affect all independent dealers.

The cost of "cleaning up" the crude oil received, and cutting down on the "sulphur" content in the fumes, plays a major part in the increased costs of oil consumed. Foreign oil has more impurities and oil must measure up to certain standards of specifications.

Mr. Hamilton explained that we do have an "energy" shortage.

have hot water leaks repaired, don't waste hot water, thermostats few degrees lower than usual, no furniture or drapes in front of radiators or registers, radiators free from dust, close doors to unused rooms, fireplace dampers closed when not in use, storm windows tightly closed, check windows and doors for air leakage add or replace insulation, update heating equipment-new burners or chambers get more heat for less oil.

Councilman Warren Doolittle, our second vice-president, arrived between meetings that he was attending to bring us up to date on the status of the Giese property, which title should be consummated within the month.

This property will be acquired for park purposes. Councilman Doolittle also advised the triangle property located between Old Country Road and Plainview Road will be established into a park in response to the wishes of the people. The question of what facilities are to be provided in each of these 2 park areas is something the people will have to decide.

Soccer Club News

A perfect, blue skied October Sunday, October 14th saw hundreds of exuberant parents and players celebrate the opening of the Hicksville soccer Club in its inaugural season. Twelve teams, demonstrating recently acquired skills, thrilled their audiences, delighted their coaches and provided well earned self-satisfaction for the players.

At Cantiague Field No. 2, the youngest group, ages 5, 6 & 7, thrilled the crowds when Delaware coached by Mr. Simi had New Jersey coached by Mr. J. Mitchell 1-1. Delaware's score was by D. Bell and F. Musumeci in the second game New Jersey, coached by Mr. Haberstat defeated New York, coached by Mr. Villalta, 6-2. Virginia's goals by C. Haberstat (5) and J. Rubin (1). New York goals by A. Greenberg (1) and J. Youngs (1). The Georgia team coached by Mr. Couteller drew a "bye" this week as will one of these five teams each Sunday.

The 8 & 9 year olds, playing at Cantiague Field No. 1 provided many exciting moments when N. Carolina coached by J. Marcus had S. Carolina coached by J.

Sanna 3-3. Rafael scored 2 goals and Villalta 1 goal for N. Carolina while D. Barcavage scored 2 goals and G. Tyransky scored 1 goal for S. Carolina. In the Second tangle Maryland coached by Mr. Lozito defeated Rhode Island coached by J. Benton 5-0, in a game that was far closer than the score indicates. Maryland's goals by J. Molin (2), J. Harkins (1), K. Cahalan (1), & R. Spiers (1). Meanwhile, at Lee Avenue, the 10, 11 & 12 year old competed. Pennsylvania, coached by J. Kerli defeated Massachusetts, coached by P. Jung 7-0, again a game far closer than the score indicates. Pennsylvania goals by M. Bell (3), S. Cahalan (2) & J. Stafford (2). In another hard fought contest, New Hampshire coached by Mr. Dunne lost a tight one to Connecticut coached by C. Mues 3-0. Winning goals for Connecticut by J. Shannon (1) & T. Handshuh (2).

There's no finer thrill than to attend any of these games each Sunday at Cantiague Park or Lee Avenue where good sportsmanship, camaraderie and enthusiasm prevail. Game times are 12:15 and 1:30 P.M. at all fields.

MAN OF THE YEAR: Oyster Bay Town Councilman Joseph J. Saladino (second from left) receives the first ticket to the Galileo Galilei Lodge No. 2253, Order Sons of Italy in America, dinner honoring him as the Lodge's choice for Man of the Year. The dinner will be held on

November 2, 1973, at the Four Seasons Country Club in Woodbury. Joseph Ferrandino (left), treasurer of the lodge, hands the Councilman his ticket while recording secretary Ted Marotti (second from right) and Venerable Joseph Giordano look on.

Hicksville Student Author

In 1967, A student at Hicksville High School, his courses include English, history, math, Italian and science. His interests cover music, writing and, as so aptly illustrated in his novel, a love of aviation. His immense knowledge of this subject is the

product of a great deal of research. His interest in this field as well as his love for writing provided him with the incentive for his novel. Mr. Waldvogel presently resides with his family in Hicksville, Long Island.

Brown - De Monaco

Miss Justine Anne De Monaco, daughter of Mr. and Mrs. John J. DeMonaco of Hicksville, was married Oct. 14 to J. Michael Brown of Brockton, Massachusetts, son of Mr. and Mrs. James C. Brown of Bridgewater, Massachusetts.

The Nuptial Mass and marriage ceremony was celebrated by Rev. Thomas Donohoe and Rev. Richard Bauhoff in St. Ignatius Loyola Roman Catholic Church. Strings, organ and a baritone soloist added to the solemnity of the church celebration.

Mrs. Jo Anne Dornfeld, the cousin of the bride, was the matron of honor. The other attendants were another cousin, Miss Patricia De Monaco, and friends, Miss Victoria Lawrence and Mrs. Diana Gay Moo Young Ferguson. Norman Munro, the brother of the groom, was the best man.

The bride is the daughter of Anne and John De Monaco, the president of Eisemann Buick-Opel in Hicksville. She is a graduate of Manhattanville College, Purchase, and she holds a master of arts degree from Columbia University. At present she is the music instructor at the West Side School in Cold Spring Harbor.

The groom is a music teacher at Maria Regina High School in Uniondale. He is also a professional tenor. He is a graduate of the College of the Holy Cross in Worcester, Massachusetts and he holds a master of arts degree from New York University.

The Browns will live in Cold Spring Harbor.

Sergeant Vincent E. Aluffi, son of Mr. and Mrs. Egidio C. Aluffi, 88 Plymouth Road, PLAINVIEW, completed four years service in the U.S. Air Force September 22 and has returned to civilian life.

While in the Air Force, Sergeant Aluffi was trained as an aircraft maintenance technician and last served in that capacity at Hickam AFB, Hawaii.

He plans to train as a reservation agent with Universal Airlines.

The sergeant attended Plainview Senior High School and Embury-Riddle Aeronautical University in Dayton Beach, Fla.

His wife, Patricia, is the daughter of Mr. and Mrs. Carl J. Welker, 2410 Shirley Ave., St. Louis.

Marine Lance Corporal Walter J. Kilson, son of Mr. and Mrs. Patrick J. Kilson, of 159 Haven

Lane, LEVITTOWN, is participating in a NATO amphibious training exercise named "Deep Furrow." Activities include naval maneuvers, a multi-nation amphibious landing and air support operations. The annual exercise, being held in the Eastern Mediterranean, includes units from the U.S., Greece, Turkey, Italy and the United Kingdom.

Marine Robert Tiberg, son of Mr. and Mrs. Ernest E. Tiberg of 191 Lee Ave., HICKSVILLE, completed an increment of the officer's basic training at the Marine Corps Development and Education Command here. He is enrolled in the Platoon Leaders Class (PLC) Program, which enables officer candidates to attend college full time and participate in summer training periods. Upon receiving a degree,

he will be commissioned a second lieutenant in the Marine Corps. A 1970 graduate of Holy Trinity High School, Hicksville, he is now attending Manhattan College, Bronx.

Christopher W. Oura, son of Mr. and Mrs. Mitsuru Oura, 26 Simpson Drive, OLD BETHPAGE, was commissioned a second Lieutenant upon completion of the 1973 Advanced ROTC Summer Camp at Ft. Bragg, N.C.

Lt. Oura is a graduate of Northeastern University at Boston.

Navy Airman Recruit Robert W. Lenox, of 24 Primrose Lane, LEVITTOWN, graduated from recruit training at the Naval Training Center, at Great Lakes.

Airman Richard F. Luhrs, son of Mr. and Mrs. Eugene F. Luhrs of 85 Eighth St., HICKSVILLE, has been assigned to Chanute AFB, Ill., after completing Air Force basic training.

During his six weeks at the Air Training Command's Lackland AFB, Tex., he studied the Air Force mission, organization and customs and received special instruction in human relations. The airman has been assigned to the Technical Training Center at Chanute for specialized training in the missile electronics field.

Airman Luhrs is a 1973 graduate of Hicksville High School.

Airman Deborah Barnett, daughter of Mr. and Mrs. Jerome Barnett, 315 Richard Ave., HICKSVILLE, has completed Air Force basic training at Lackland AFB, Tex.

During her six weeks training, she studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman is remaining at the Air Training Command base for specialized training in the law enforcement field.

Airman Barnett is a 1971 graduate of Island Trees High School, Levittown.

Airman Gerard C. Bischoff Jr., son of Gerard Bischoff, 177 11th St., BETHPAGE, has graduated at Lowry AFB, Colo. from the U.S. Air Force weapons mechanic course conducted by the Air Training Command.

Airman Bischoff, who was trained to load and inspect the weapons used in Air Force

fighter aircraft, is being assigned to Spangdahlem AB, Germany. He will serve with a unit of the U.S. Air Forces in Europe. The airman is a 1970 graduate of Bethpage High School.

Midshipman William A. Bennett Jr., son of Mr. and Mrs. Wm. Bennett, Sr., of HICKSVILLE, has successfully completed these months of summer training and is presently starting his Senior year at the U.S. Naval Academy.

His summer training included a two month training cruise in the Pacific aboard the U.S.S. Barbour County, and three weeks of Airborne training at the U.S. Army Paratrooper School of Ft. Benning, Georgia.

Guitar Concert At Library

In the first concert of the season at the Plainview-Old Bethpage Public Library, Yugoslavian-born guitarist Nicholas Zaninovic will play a mixed program of classical, jazz, flamenco and folk music on Sunday, October 28, at 3:00 P.M.

Known throughout his native country for his classical works as well as his avant-garde jazz concerts, Mr. Zaninovic was also a protégé of Jovan Jovicic, colleague of Segovia. He came to the United States in 1959 and now lives in Huntington, Long Island. After a period of military service, during which he performed for the Armed Forces Radio and as a guest at U.S.O. shows, Nicholas Zaninovic was granted U.S. citizenship and then spent several years touring the country and playing with such well known musicians as Slam Stewart and Ray Alexander. In 1970 he founded the Classical Guitar Society of Long Island.

Free tickets for the Zaninovic Guitar Concert will be available to District No. 4 residents one week in advance of the program. Non-ticket holders will be seated just before the concert, if space allows.

The Plainview-Old Bethpage Public Library is at 999 Old Country Road.

HICKSVILLE LIBRARY

The Hicksville Public Library presents the Island Orchestra Society Brass Ensemble in the first of the Sunday afternoon Music Series on October 21 at 3 p.m.

The Brass Ensemble, consisting of William Rohdin and Sal Police on trumpets, Paul Rudoff, French Horn, William Kupferberg, Trombone and William Lewin on the Tuba, are members

of the Huntington Symphony, and in addition serve as staff or coaches of the Training Orchestra.

This program is made possible by a grant to the Hicksville Library from Nassau County Office of Cultural Development. Ralph Caso, Executive, John Maerhofer, Director.

The Library Music Series is held in the auditorium and admission is always free.

The Hicksville Public Library Fall Cinema Series will present "Lili" on Friday, October 19, at 8 p.m. in the Library auditorium. "Lili" is a family film and all from 6 to 60 will enjoy the tender story and the beautiful color photography. This charming film produced in 1953 stars Leslie Caron and Mel Ferrer. A dream sequence in which Miss Caron and Mel Ferrer dance a ballet is both imaginative and memorable.

The next film in the Fall series will be "Zorba the Greek" to be shown on Thursday, October 25, at 8 p.m.

The entire community is always welcome to attend the Hicksville Library film showings.

Comet Football News

By Bill Kirsch

It was Homecoming Day last week for Hicksville and everything turned out fine for Comet fans right down the line. The day began with a big Homecoming Parade with a large diversity of participants. The bands from the high school, junior high and all the elementary schools were present as were the cheerleaders. The floats, the Homecoming queen nominees, and the St. Ignatius Drum and Bugle Corps all put the Comet fans in a good mood for the game and smiles remained after the game as Hicksville upset Herricks 20-6.

Herricks received the opening kick on their 45 but their possession ended when Hicksville took over on downs. The Comets were stopped and punted. Don Nedwick lofted a high kick to the Herricks 10 and excellent coverage forced Herricks to call for a fair catch. Again the Comet defense forced the Highlanders to punt. The Comets got their first break of the day when Paul Curcio was hit after calling for a fair catch. The resulting 15 yard penalty brought the ball down to the 27. The next play Ed DeDomenico raced for a 26 yd gain and then plunged over the goal line for the Comets first offensive score of the year. After DeDomenico's run for the conversion the score stood 6-0.

Herricks again started from the 45 after the kickoff but went to the Hicksville 21 before losing the ball on downs. A 32 yd run by DeDomenico brought the ball over the midfield stripe into Herricks territory. After a run by Curcio and another run by DeDomenico, Ed got a 1st down to the 32 as the first quarter ran out. DeDomenico recovered a Hicksville fumble so Steve Cannone could pass on the next play to Leo Orsino to the Herricks 20. A run by DeDomenico brought the ball inside the ten but a clipping penalty brought the ball back to the 20. A Cannone pass to Pfaffle brought the ball to the 3 yd line but a fourth down fumble by the Comets stopped

their scoring threat. Herricks was denied yardage again by the tough Comet defense and Leo Orsino, filling in as punt returner for an injured Paul Curcio, received the kick on the visitor's 44. A 3rd down pass to Pfaffle brought the ball over to the 35 but the Comets were unable to get another first down. Tony DiGussepe dumped the Highlander's quarterback for a loss and a great open field tackle by Orsino on a screen play thwarted a Herricks drive as the clock ran out for the first half.

At halftime the junior class won the award for the best float for the second year in a row for their entry, "Shove Off for Victory." Lorraine Meddis was voted Homecoming Queen over runners-up Monica Innes, Joanne O'Connell, Laura DeLapp and Lynn Barondess.

Herricks started the second half with possession of the ball but was intercepted by Leo Orsino which gave the Comets the ball on the Herricks 40. Unable to advance the Comets had to punt twice since the first one was called back by a penalty. Bob Pershinsky recovered a Highlander's fumble on the 22 and Ed DeDomenico, outstanding all day, once again raced for the TD. For the first time the Comets were able to capitalize effectively on their opponent's mistakes. A conversion attempt was no good but Comets led 14-0.

Early in the fourth quarter Steve Cannone broke up a pass attempt after Herricks had faked a punt and Hicksville took over. Unable to mount a drive the Comets tried to punt but fumbled on the play. On the ensuing series Herricks scored their only touchdown of the day spoiling the Comets shutout. The Highlanders ran for the conversion was stopped. Hicksville fumbled on the next series of downs and Herricks moved downfield threatening to score when Steve Cannone intercepted a Highlander pass and galloped 90 yards to paydirt to preserve a richly deserved Comet victory.

Veterans Day Exhibit At Gregory Museum

By Dick Evers

The Gregory Museum is featuring a special exhibit in honor of Hicksville's countless one-time servicemen and current men in uniform for this Veterans Day, October 22. Among the items, artifacts and memorabilia now on display in the museum's historical room, located in the old Heitz Place jail, is a finely lettered memorial scroll containing the names of Hicksville war dead from the four great conflicts of this century. The scroll is the artistic work of Richard Sherwood, a ninth-grade student of the Hicksville Junior High School and is based on the research of the Museum's historical curator, Richard Evers. Thirty-five local men have made the supreme sacrifice, including eleven from

the Vietnam War.

A fine photographic tribute to George Lang, one-time Hicksville youth and holder of the Congressional Medal of Honor for destroying several enemy machine gun emplacements in Vietnam, is included in the exhibit. Mr. Lang who is a disabled soldier, lives in Levittown and is well-known in Long Island veteran affairs. A copy of his citation for extraordinary heroism is on display and is an eloquent testimony to the horrors and personal courage which marked the Vietnam campaign.

Of particular interest to older residents is the presentation for the first time in public display of part of a poignant collection of newspaper photographs and news stories reporting the death of Hicksville men in World War

II. Compiled by Jim Cooley, long-time Graves Registration Officer for the Robert O. Ulmer Post of the Amvets, the collection is a distinctive addition to the World War II archives of the Gregory Museum. It is an outstanding original collection of press casualty reports and was the result of much dutiful search by Mr. Cooley, the "L'il Corporal" and local poet of many memorable veterans' newspaper columns in the local press.

This Veterans' Day exhibit is one of many now available for viewing by local and neighboring residents each day of the week from 9:30 to 4:30 and from 1 to 4 on Sundays.

DELIGHTFUL: To the delight of many local (and many not-so-local) youngsters, Robert Jones' Kiddie Farmyard's Petting Zoo enjoyed a six day visit on the mall at Mid-Island Shopping Plaza in Hicksville recently. The fenced-in mini zoo gave children a chance to pet and feed such animals as llamas, wallabies, rams, goats, a rhea, emu and a tortoise.

Photo 1 - Marion Marcovitz K.

from Plainview, enjoys feeding one of the two llamas at the zoo. Photo 2 - It isn't every day one gets a chance to pet a goat and 5 year old Loryn Sotsky, from Glen Cove, isn't about to let the opportunity pass by. Photo 3 - Pretty Rosemary Sarluco, 12, from Hicksville, tries to hold on to a very unphotogenic llama. (Photos by Robert Berkowitz).

St. Ignatius Girls' Cadet Corps News

Congratulations! You the young people of the St. Ignatius Girls Cadet Corps, for another outstanding performance at the 1973 Chrysanthemum Festival in Bristol, Connecticut. Everyone there loved our girls and in appreciation presented them with an "Outstanding Performance" trophy. Although they were not in competition with anyone, they displayed themselves admirably, and once again showed others what kind of involvement our young ladies have in our community.

Our trip started from St. Ignatius Church at about 8:30 A.M. Sunday, September 30th. It was a beautiful fall day as about 125 parents and cadets boarded three buses. We

arrived at Page Park, which is just outside of Bristol, where our cooks went into action. Mr. Wallace, Mr. Guckenberger, and Mr. Cummings donned their aprons and cooked for the crowd. Within 2 hours everyone was completely filled, and with a lot better service than you receive in most restaurants.

After dinner, a football game, some fishing and relaxing for others, it was back onto the buses and to the parade in Bristol. The parade lasted several hours and was beautiful. After the parade, our girls went to the carnival where I saw them eating pizza, cotton candy, jelly apples, and others running from ride to ride. Unfortunately, some days are just too short and this was one of them. At 7:30 P.M. we were on our way back to Hicksville.

At this time I would like

to thank Mr. Thomas Costa and Mr. Howard Zimmerman for a well planned trip for parents and cadets alike. I'm sure everyone had a wonderful time.

Any girls between the ages of 10 & 17 who would like to join our Cadet Corps can do so by calling WE8-3392. Any race or religion welcome. No experience necessary.

'Employ the Handicapped'

Albert Pastore, a Westchester county businessman, was honored this week by the Governor's Committee on "Employ the Handicapped" with an award presented by Industrial Commissioner Louis L. Levine, head of the State Labor Department.

Owner of Concept Packaging Inc., Pleasantville, Mr. Pastore was cited for his efforts in behalf of handicapped workers in a ceremony at the Federation of the Handicapped headquarters, 211 West 14th Street, New York City, Thursday afternoon.

Mr. Pastore first came to the Federation of the Handicapped in April 1970. Beginning with a small contract which the Federation's handicapped workers performed for him, Mr. Pastore's efforts have now come to represent one-third of the shop's annual income.

Commissioner Levine, in making the presentation, said of Mr. Pastore: "He is the kind of businessman which every sheltered workshop dreams of but rarely acquires. He has consistently extended himself to secure a wide variety of contract work not only for the handicapped who are employed here in the Federation of the Handicapped shop, but also those who are employed at home under the Federation's auspices. Not only has he brought in work which he himself has secured, but he has been most successful in getting other firms to patronize the Federation of the Handicapped workshop."

pany. This group has a special way of lighting - up the hearts and minds of youngsters," Caso said.

The puppet shows will be held on Saturdays and Sundays at 1:00, 2:30 and 4:00 PM. Performances will be given on weekdays during the Christmas and Easter holidays (December 26 - 31 and April 15 - 19) on the same time schedule.

Tickets will be available for children, their parents and groups at the Puppet Theater in Eisenhower Park on a first-come, first-served basis. Admission is free, but tickets must be reserved in advance to insure seating.

Ticket information may be obtained by telephoning 292-4188 between 9 AM and 4:30 PM daily and weekends.

The next school board meeting is Wednesday, October 31 at 8 p.m. in the administration building.

SCHOLARSHIP AWARD: Robert James Pizzutiello, Jr. of Plainview, N.Y. receives \$2,000 Don S. Gentile Scholarship Award in Chicago at 51st annual convention of UNICO National from Charles Corso, UNICO National Director of Scholar-

ships. Robert, 18, is attending the University of Rochester, majoring in Bio-Medical Engineering. UNICO is the largest Italian-American community service organization in the country.

Special Assembly On October 19th

On October 19th, Holy Family School will hold a special assembly to commemorate Veteran's Day. Councilman Joseph Salidino, from Massapequa, will be our guest speaker. Mr. Salidino, a veteran of two wars, will speak to the children on patriotism and recognition of our veterans. The children will be wearing poppies, the emblem of Veteran's Day which have been supplied by

Nassau County's American Legion. The children will make their own donation to this organization. Many kind people have helped to make this a memorable assembly, among them, Sister Joan O'Connor, who has planned the event, Mr. Joseph Salidino, Mr. Joseph Magee, Mr. Bob Reynolds and Mrs. Rahberger, Nassau County Chairlady of the American Legion.

Social Event October 26

American Cancer Society To Meet

The Long Island Division of the American Cancer Society will hold its Annual Meeting Thursday, October 25 at 7:15 P.M. at the Colonial Hill in Hauppauge. In addition to the regular order of business and election of new board members, volunteers doing outstanding jobs in promoting cancer control programs in their community will be recognized with awards.

Concluding its first year as the Long Island Division (previously

known as Nassau and Suffolk Divisions), preliminary figures (as yet unaudited) indicate an all time fund raising high of \$1,020,350 for the Society's cancer control programs. The Patient Service and Rehabilitation Program has ended its business year on Long Island with a total of 7,126 patients assisted in one or more ways.

Approximately 500 American Cancer Society Directors and volunteers are expected to attend the meeting.

U.C.P.A. Auxiliary News

The Plainview Auxiliary, United Cerebral Palsy Association of Nassau County, announces a busy month of activity during November. According to Natalie Alloy, President, the month's activities will include:

-a paid-up membership luncheon on Saturday, November 3rd at the Royal Viking Restaurant in Woodbury. The luncheon will include a fashion show and a smorgasbord of 54 different items of unlimited food. Membership dues are \$8.00 for the year. Contact Marie Alessi, WE 5-4719.

-a bowling party at the Syosset Lanes scheduled for Saturday

evening, November 17th at 8:30 P.M. Refreshments will be served. Bowlers can also participate in the weekly Tuesday sessions of the Auxiliary held at 12:30 PM at the Plainview Bowl. Call Suzette Schultz at CH 9-6955 for further information.

-a drive to sell Christmas cards and greeting cards for all occasions designed by Barbara Sills, a cerebral palsied young adult, is being undertaken. The cards are available with or without your name imprinted at reasonable cost and the purchase price is tax deductible. For further information, call Esther Rubin, 435-0028.

S.S. Number Needed On Hunting - Fishing Licenses

Town Clerk Ann R. Ocker has announced that in addition to the information requested on printed hunting and fishing license applications, the state is also requiring all applicants to supply their social security number.

"We will not be able to issue a license to anyone who hasn't supplied his or her social security number when applying for the license," Mrs. Ocker said. "Even though there is no space on the application indicating the need for that information, all applicants

must list the social security number somewhere on the application."

She said that those who have already sent in their applications without social security numbers will be mailed a notice requesting the information. "But to avoid any delay in processing the application, I would like to suggest that anyone who hasn't already mailed an application should place their social security number somewhere on the form."

Bike Jubilee Open To All Riders

Thousands of enthusiasts are gearing themselves for the Long Island State Park and Recreation Commission's October 20 Jones Beach Bicycle Jubilee, eight hours of riding and fun during which the Wantagh Causeway and part of the world-famous boardwalk will be taken over by cyclists.

The anticipated flood of entrants is not surprising since the Bicycle Institute of America estimates that nearly 90 per cent of the population are riders and more than 50 per cent are owners.

A similar jubilee last spring prompted upward of 12,000 riders to participate in the crossbay venture.

The institute's figures show there has been a tremendous increase in bicycle sales in the past five years with 1972 being the record year. Among the factors responsible for the booming business, it was said, are the energy and ecology crises, also the health and recreation aspects. The bicycle patiently emits no pollutants and the only energy necessary to operate it is "shank's mare."

The jubilee is emphasizing riding as a healthful recreational

activity, also stressing safety on the highways where more and more cyclists are encountered as time passes.

There is no need to register in advance. State Parkway Police will be in charge of the rendezvous on Wantagh Parkway just south of the Merrick Road overpass, and also will oversee the crossbay jaunt and the route from Parking Field 5 to the western terminus of the boardwalk.

Each rider will receive a numbered fluorescent bicycle safety sticker, approved by the bike institute, to alert him to the dangers on the open road and to exercise utmost care while riding. The sticker will qualify entrants for prizes to be awarded toward the close of the jubilee. Bicycles of every description and vintage will be seen along the route even including a high-wheeler, or two, and a few tandems. For most part, however, they will be contemporary bikes, largely the three, five and ten-speed models.

The Park and Recreation Commission urges all who have free time to join in the jubilee's healthful and invigorating fun.

Supervisor JOHN W. BURKE REPORTS

The uppermost concern in people's minds today is, without a doubt, the rising cost of living and taxes. This concern is shared by local government which also must face increasing demands for service in the face of rising costs for men and materials.

With the adoption of the Town's preliminary budget for 1974, the Oyster Bay Town Board again proved that the demands for improved municipal services can be met through modern management techniques in government, rather than additional tax burdens on the residents.

One of our principal criteria in developing this budget was to hold the tax line. Despite increasing inflationary pressures, we have held the property tax rate for the 1974 General Fund at the same level for the fourth consecutive year. By holding budget increases to a minimum, we have been able to achieve reductions in the tax rates for the

Highway Fund and the Port Town Tax.

These economies did not come easy. It took months of analysis and review on an item-by-item basis by the Budget Officer with the Department Heads. The judicious apportioning of Federal Revenue Sharing Funds plus an estimated natural increase in revenue as property throughout the Town is improved or developed helped to brighten the picture.

Copies of the preliminary budget are now being printed and will be available for your perusal at the Town Clerk's Office, as well as various libraries and the Town Hall Annexes in Massapequa and Hicksville. A public hearing on the budget will be held on Tuesday, October 23, 1973, at Town Hall, starting at 10:00 A.M. and continuing at 8:00 P.M. Every town residents is welcome to come to the hearing and comment on any aspect of the budget.

Hicksville Junior High Fashion Show

Once again, it's a flutter of fall fashions at the Hicksville Junior High with the Home Economics semi-annual Fashion Show. Presented in cooperation with Simplicity Pattern Company, this year's theme highlights "Double-Talk" wardrobes for boys and girls who sew! Snappy separates, simple-to-sew looks, sophisticated sewing for special occasions — some of the seasonal silhouettes to show promises.

Presented to all students

enrolled in Home Economics classes, this special show is scheduled for October 25. Models are selected from 8th and 9th grade home economics students interested in participating.

Teachers coordinating the event are Mrs. Amato, Mrs. Smith, Mrs. Giansante, Miss Connolly and Mrs. Lewis.

SOCIAL SECURITY

QUES: I'm 63 now and my ex-husband and I have been married 23 years before we were divorced. But I couldn't get any social security payments on his work record when he died 2 years ago because I hadn't been receiving any support payments from him. Has there been a change in this requirement?

ANS: Yes. The support requirement was eliminated. As long as your marriage lasted 20 years and your husband had

worked long enough under social security, you are eligible for benefits. You should contact any social security office to apply for benefits. The address of your local office is One Station Plaza North, Mineola, NY 11501. The telephone number is PL-7-5470.

QUES: Last year my husband and I adopted a 5-year-old child through the county adoption agency. She was an orphan and, before we adopted her, she was getting monthly social security

checks on her father's work record. I heard that her checks could start again. Is this true?

ANS: Yes. A child's payments no longer stop because of adoption. A child, like your daughter, whose payments were previously stopped because of adoption can again receive monthly benefits. Contact any social security office to reapply for benefits for your adopted daughter. Benefits may be paid back to October 1972. Your local office is at One Station Plaza North, Mineola, New York 11501. The telephone number is PL-7-5470.

Plainview Old Bethpage High School Sport News

By Joe Dowd

John Lupo, the Plainview quarterback, dropped back in the pocket. All around him members of his green and white clad team were trying gallantly to defend their play-caller from the clutches of their opponents' oncoming linemen. He looked about him into the maze of dancing, swirling bodies, and picked up a man down field who also was dressed in the green and white jersey of Plainview High School. Lupo threw the football at this man who by now had lost his defender and was standing alone in the end zone. The ball soared straight at the man in the end zone who was waiting anxiously for the strangely shaped, brown object. The pigskin (as it has come to be known in football lingo) hit the player squarely in the middle of his number 81 jersey. The man trapped the ball securely against his body. He jumped up and down in ecstasy. He had good reason to be happy. Gary Burke had just scored Plainview's first touch-down of the season which sent the Gulls on their way to their first victory 30-18 over Glen Cove.

The Gulls trailed 10-0 before Burke's first t.d. of the afternoon. A sustained Plainview drive followed, climaxed by a Craig Martin one yard touchdown which put the Gulls out to stay.

Clearly, however, the afternoon's big hero was Gary Burke who scored his second t.d. on a 65 yard pass play from Lupo. After the pass travelled nearly 40 yards in the air, Burke bobbled the ball in his hands, "at least four times," and finally gained possession after the ball rolled up and around his left arm and shoulder. Gary sprinted the remainder of the field being vainly

pursued by much of the Glen Cove squad. The touch-down sent the Plainview crowd into a long awaited pandemonium.

There is much to be said about Gary Burke - he is a popular and spirited young man who is a fine competitor and an ever present figure at school functions and activities.

The Quarterback, John Lupo

completed seven for 152 yards in the air, which is a sign that the Junior Q.B. is finally coming into his own. Lupo scored Plainview's 4th T.D. on a 50 yard interception runback.

Captain Rich Owen did an excellent offensive job, carrying the ball ten times for the Gulls and leading the offensive ground attack.

The game ball was presented to Mrs. N.E. Merry, wife of Plainview's late assistant principal whose name was given to the playing field before Saturday's game. The victory was a fitting tribute to a fine man.

John F. Kennedy High School Volunteers

One of the hardest working and most dedicated student groups at Kennedy High School is THE KENNEDY VOLUNTEERS. Sixty-three girls, ranging from freshmen to seniors, travel each week to the Suffolk State School to work with handicapped children.

What do these teen-agers offer? They work and play with the children on a personal one-to-one basis. The guiding principle is that handicapped children need the stimulation of companionship

and of love.

The Kennedy Volunteers, headed last year by Janine Lieberman, attained a reputation as one of the best group of volunteers that Suffolk State had experienced. This year the girls hope to uphold this reputation.

President, Randi Hochberg, and Vice President, Merri Taylor, will lead the club throughout the coming year. We are very proud of the community service provided by this outstanding group of girls.

Hicksville J.V. Soccer News

Last Friday the Hicksville J.V. Soccer team defeated Manhasset by the score of 2-0. This was the teams first home victory in 2 years. John Mulligan put in a 40 yard direct kick which proved to be enough but Right Half Dan Barker scored later to put icing on the cake in the third period on a 20 yard boot. Craig Wohl, the third goalie used this year turned in a beautiful game in the nets for his first shutout of the year.

The team coached by Brad Jaworski, has played well beside its 2-6-1 record. Captains John Mulligan and Andy Noirjean, center-half back and left inside respectively, are tied for the team lead in scoring. Left wing Gerry Mulligan, Right Wing - Wayne DeBello, and Larry Dalfino the Centerforward have played an excellent brand of soccer. John Schiefer, Dan Barker, Mitch Conniche, and Craig Wohl are Tough on defense. Nicky Christofedes, Bruce Farqueson, and Brian Schurman have played excellent in reserve. Dan Rolland has played well at inside.

The team has been hard hit with injuries and other problems. Center-half Charlie Levine broke his ankle and was lost for the season. Starting goalie Al Ried was called up to varsity, second stringer Bill Lawson had to leave the team. Yet the team looks good and should win at least five more games.

AOH To Honor Stephan Ryan

Vincent Jones, President of the Commodore John Barry Division Eleven, Hicksville, announced this week that Past President Stephan Ryan will be the guest of honor at the Divisions 13th Annual Fall Dinner-Dance to be held on Saturday evening, November 10, at the Joseph Barry Council, Knights of Columbus, 45 Heitz Place in the community.

Edward Ned Bergen General Dance Chairman, reports that ticket and table reservations will be available until Friday, November 2, at a cost of \$7.50 per person, which includes a complete turkey dinner, ample

refreshments and Irish and American music by Peter Kelly and his orchestra from 9 P.M. until 1 A.M. Tables will be limited to 25 according to the Chairman.

The guest of honor, in addition to his active role with the Hicksville Hibernians, is an officer of the Joseph Barry Council, Knights of Columbus, Pilot of the 4th Degree Assembly of the Order and a member of the 4th Degree Honor Guard Mr. Ryan, a Hicksville resident for over 20 years resides with his wife Catherine and family at 27 Buckner Avenue and is a member of Holy Family Parish, where he has served on numerous

fund raising committees. He is also a Past President of the St. Ignatius All-Girl Cadet Corps parent organization. The Corps recently won the "World Championship" a proud moment for Hicksville and for those who devote their time voluntarily to this vibrant community group.

The Jerry Mulvihill champion step-dancers will provide the entertainment for this special occasion.

Contact Ned Bergen at 822-2763 or John Connolly at 938-1989 for tickets.

Politics...
the
Republican
Way**

By increasing the emphasis on the fight against crime Nassau leads the nation's major cities and suburbs in crime reduction, registering an 8.5% drop in 1972 and another 8.5% in the first half of 1973. More than 600 new policemen were added in the Caso administration; 911-the central phone for emergencies--was introduced; helicopters now guard against marine robberies and reckless drivers; breathalyzers increased drunk driving arrests 65%.

WELFARE CASELOAD CUT

Just as welfare seemed hopelessly out-of-hand, the Republican approach was applied. Result: rising costs (up 105% in the three prior years) were dramatically reversed. A new attitude eliminated waste, cheating and inefficiency, bringing a 14.8% cut in the caseload and saving upwards of \$20 million. Many of Nassau's new techniques were copied and welfare cuts became common but the statewide average is 4.2% - New York City is 1%. Nassau accounted for 12.4% of the state drop though it has only 3% of the state welfare population. Good Republican Government.
