"Recycling Newspapers Is Successful"

The amount of newsprint collected in Oyster Bay's pilot newspaper recycling project during the month of September exceeded the July and August average by over 7,500 pounds, according to Town Councilman Howard T. Hogan, Jr.

The 348,500 pounds of newsprint collected in September brings the total for the year to approximately 1,635 tons. Hogan, a panel member on the Town Board's Standing Committee on Environmental Control, noted that this nine-month figure is

only 71 tons less than the total amount collected in all of 1972. "Reviewing this year's monthly reports, it is evident that the pilot project will top the 1972 total tons figure in October."

The pilot project, conducted in communities throughout Oyster Bay, was a factor in the establishment of the Town-wide program which will be effective in the unincorporated areas of Oyster Bay Town on January 1, 1974 and in the incorporated villages on June 1, 1974.

Town 'Holds Line' On Tax Rate For 1974

By James Gosnell

On Tuesday of this week the Town of Oyster Bay held a public day and night hearing on the proposed town budget for 1974, which maintains the current tax rate of 61.6 cents per hundred of assessed valuation and shows an increase in the general fund budget from \$13,661,342 budgeted for 1973 to \$14,852,357 for the coming year.

The largest items of revenue expected to meet this budget are real property taxes, \$4,956,972; Department Income, \$2,999,900; State Aid, \$2,984,788; and a nearly \$2,000,000 surplus carried over from 1972. Other sources of revenue include penalties on taxes, use of money & property, licenses & permits, fines & forfeitures, interfund revenues, federal aid and miscellaneous income.

The largest expenditure items in the proposed budget are general government support, \$4,380,450; culture and recreation, \$2,412,015; employee benefits, \$1,840,213; community services, \$1,223,641; and debt service, \$3,577,015. Today also plans to spend about \$400,000 for public safety, over \$600,000 for transportation, and almost \$700,000 for economic assistance and opportunity.

The massive, multi-pound budget prepared under the direction of Joseph Macedonia,

Comptroller, also includes proposed budgets for 55 special districts (fire, park, garbage, etc.), the part town budget statistical data and the capital program, the total budget amounting to over \$38 million.

Charges Overbudgeting

The \$1,972,832 surplus carried over from 1972 was the bone of contention in the budget for Councilman Lewis J. Yevoli and his Budget Advisor, Mario V. Collettori, a resident of Old Bethpage, an accountant by profession and currently the employee of a Suffolk County school district as assistant budget administrator.

Mr. Collettori in his statement issued to the press stated that the tax rate of 61.6 cents was about 30 per cent too high, creating surpluses each year. Councilman Lewis Yevoli, using epithets and raising his voice at Supervisor John Burke, said he was never consulted about the budget nor invited to a meeting on it.

In a later press conference, Supervisor Burke discussed the budget with reporters. He explained the surplus as a budgeted expense which never materialized, such as snow removal during a mild winter. He also called Mr. Yevoli's comments on the budget "unlearned, untutored and irresponsible," and showed reporters a copy of a memo sent to all councilmen

dated August 11th listing 25 or 30 budget meetings to which they were all invited. Councilman Yevoli received this memo, he said.

Having used snow removal as an example, he expressed concern that the Town might some year find itself underbudgeted for this item, the budget figure based on a five-year average which is now quite low, he said. "If we have another blizzard of '88 in '74, we'll be underbudgeted, and will have to cut back in other areas to meet the need."

Mr. Collettori in his presentation said he had asked for a meeting with Mr. Macedonia, but had not been granted one. He met Tuesday with the Comptroller and returned to the evening session of the hearing maintaining his previous position.

Other than Mr. Collettori, the budget received very little comment from the citizenry at large of the town, the only other speakers being Oscar Summers of Oyster Bay, who spoke about the East Norwich Community Park, Leo J. Benjamin of Syosset, who spoke in favor of preserving the history of the town, and Joseph Sciales, of the Birchwood Park Civic Association. The evening's session lasted a bare half hour. The budget is expected to be adopted by the Town on Tuesday, October 30th.

Hicksville Soccer Club News

In the first 5, 6 & 7 year old game, Mr. Sim's Delaware team defeated Mr. Coulter's Georgia team 7-0. Five goals by D. Smyth and 2 goals by D. Bell were scored in spite of a great defensive effort by the entire Georgia team. In the second game, Mr. J. Mitchell's New Jersey team defeated Mr. Villalba's New York team 3-0. Goals for New Jersey scored by J. Freise (2), J. Maguire (1), F. Musumeci (1) & M. Adrio (1) commendations to coach J. In the 8 & 9 year old level, Mr. A. Lozito's Maryland swamped J. Sanna's South Carolina team 2-0 again in spite of a strong defensive effort. Goals for Maryland scored by J. Mohr (3), K. Cahalan (2), D. Burke (1) & J. Harkins (1). Gene Tyranski of South Carolina played an outstanding game both offensive and defensive. In the second game, Rhode Island, guided by R. Gomez, defeated North Carolina under Mr. Marcus 4-0. J. Mitchell scored 4 goals with assists by B. Klein & G. Zakian. Winning efforts were enhanced by the defensive play of E. Sneddon and G. Dear Friends...

THERE IS MUCH LOCAL TALENT, of which we are probably all unaware. This week we have been told about two authors whose books have just been published. Miss Wenonah Bell of 42 Picture Lane in Hicksville, is the author of her first book, "The Restless Bells". Mrs. Wanda Canny and Mrs. Lola Kant are giving Miss Bell an "Autographing party", in Plainview this Saturday, to celebrate this event. Miss Bell, who is over 80 years of age, used to teach art in the Levittown schools...when we receive a copy of this first venture, we will review it for you. Then, Robert Waldvogel, who was born in Brooklyn in 1957 and is presently a student at Hicksville High School, has had a first novel published by Exposition Press in Jericho and Hicksville, entitled, "The Isolated." It is a novel about an airplane which had to make a forced landing in the Arctic Circle because all the passengers and crew were forbidden to land either in the United States or in Canada because they were carriers of a deadly virus for which there was no known cure. It sounds like a great plot and we are looking forward to being able to review this book for you also.

The Town of Oyster Bay American Revolution Bicentennial Commission, The Oyster Bay Historical Society, the Theodore Roosevelt Association and the U.S. Department of the Interior National Park Service will hold "A Salute To Theodore Roosevelt" commemorating his 115th birthday and the 75th anniversary of the Rough Riders and his election as Governor of New York on Saturday, October 27 at 11:00 A.M. The rain date is October 28th.

A parade will commence at 11:00 a.m. from the vicinity of Adams Street and will proceed north on South Street, west on West Main Street, north on Spring Street, east on Audrey Avenue across South Street onto East Main Street terminating at the Oyster Bay High School where commemorative ceremonies will begin at 12 noon.

Sincerely,
Sheila

FOR A WINNER: Oyster Bay Town Councilman Warren M. Doolittle (center) congratulates 9-year old Joseph O'Connor of Hicksville on winning a trophy at the Hicksville American Little

League Awards Dinner at the Old Country Manor. The youngster was a pitcher on one of the league's teams. Looking on is Michael Pakaluk, president of the league.

Vamps Battle House Fires

By Capt. Owen Magee

During the past two weeks, Hicksville firefighters battled two serious house fires. On October 14 at 5:19 p.m. a fire was reported at 40 Laura Dr. which is on the corner of Cantrigue Rd. The fire, which is believed to have been caused by a electrical short in wiring in the basement, burned unnoticed for several

Letters To The Editor

Dear Editor:
I am in the fifth grade at St. Ignatius School in Hicksville. On the corner of Underhill Ave., on both sides there are vacant lots. The land is full of weeds, broken glass, grocery carts and at one time a dead cat. It's the only place on this side of Old Country Road that looks so messy.

Perhaps your newspaper could mention this problem, and help us improve this land.

Sincerely,
Ginny Wayte.

Dear Hicksville:
How does one say goodbye to a whole town?

In a few weeks I will be leaving here to live in another state, but I will carry with me 20 years of beautiful memories. To all of you my thanks for the friendships, the fun, and even the arguments and fights!

This is really a great little town—it has been good to me. I love you all and will miss you all.

hours before being discovered. No one was at home during the day. The fire spread via the floor beams to the kitchen and up through the walls into the attic. The kitchen area was gutted. Heavy smoke damage occurred to the rest of the dwelling. Probationary fireman F. Larrin of Ladder Co. 5 suffered a cut wrist at the scene and was taken to Central General Hospital for treatment. No other injuries were reported.

On October 19 at 12:48 a.m. a family made good their escape from a house fire at 10 Glenbrook Rd., Hicksville. This fire also burnt a considerable time before the occupants were awakened by noises. The fire caused severe damage to the rear portion of the dwelling in addition to smoke and water damage. Vamps had a difficult time with this one as the fire spread through the walls. No injuries were reported. Chief Louis Mertz was in charge of the Department at both alarms.

An 18 yr. old youth suffered injuries Sunday (October 21) when at 1:05 p.m. a car on which he was working on fell on him causing chest and shoulder injuries. He was treated by the Hicksville Rescue Squad and transported to the hospital by the Fire Dept. Ambulance.

Speaking of the Fire Department Ambulance, Bids were opened recently for the purchase of a new ambulance. The contract was won by Graman Corp. of Bethpage. The rescue unit will be of more modern design with space for future equipment. Bids are now out for a new 1500 gal. pumper to replace an aging 19 yr. old piece of equipment assigned to Hose Co. 4.

"Fire Report"

During the Period Oct. 9th thru Oct. 23rd, Hicksville firefighters responded to 48 alarms. 9 of those alarms were malicious false alarms. 3 of them occurring during the wee hours of Oct. 22nd. 12 rescue calls, and 27 fire calls.

BURKE HELPS MAKE OYSTER BAY A BETTER PLACE

- **A** place where people need not be concerned about Town taxes going up just because everything else is. Burke has announced that the 1974 tax rate will be the same as the 1971 tax rate.

- **A** place where you can send your children to parks, beaches and pools and be sure they will be safe.
- **A** place where local government is concerned about drug abuse and is taking strong, solid steps to prevent its spread.

Comet Football News

By Bill Kirsch

After an impressive win the previous week the Comets lost a squeaker to a surprisingly tough Garden City team 5 - 0.

Garden City started their scoring drive on their 25 after an earlier exchange of punts and culminated that drive with a 23 yd. touchdown pass. The extra point kick fell short and the score remained the same for the rest of the afternoon. Sam Lippen, playing his 1st game because of a pre-season injury, returned the kick-off 30 yds. to the Hicksville 40. Sam's runbacks with little or no blocking in front of him provided a substantial part of the Comets' anemic offense. Hicksville fumbled on their 47 but the Comets were able to contain the Garden City offense and took the ball over on downs on the 33. The rest of the half consisted of a failure by both teams to generate any offense and both teams were

forced continuously to punt.

Hicksville had their first possession on the Garden City 49 and took advantage of their position. Paul Curcio, the Comets' powerful running back, ran for 17 yds. down to the 32. Unable though to advance any further the Comets lost the ball on downs.

The Comets had their first bona fide scoring threat later in the half when Cannone connected on long passes to Plaeffle to bring the ball deep into Trojan territory. The Comets were intercepted on the 7 but refused to give up. The Trojans were stopped and punted. Lippen returned this one for 20 yds. to the Garden City 25. Again the Comets were intercepted on the 7 and by the time they got the ball back they only had time for a few desperate passes and the final one was intercepted.

MRS. ELEANOR SEARLE WHITNEY, is to be the guest speaker at the Hicksville Methodist Church, Nelson Avenue and Old Country Road, Hicksville, New York, has had an outstanding experience of Christ and now is giving of herself in a marvelous ministry of sharing.

She is a native of Ohio, the daughter of a Physician, studied in New York City and pursued a professional singing career. As the wife of Cornelius Vanderbilt Whitney, she met and entertained such diverse personalities as Princess Grace of Monaco, Columnist Art Buchwald, actor John Wayne, shipping magnate Aristotle Onassis, hostess Perle Mesta and Terence Cardinal Cooke.

Now she calls herself a woman God can use seven days a week, 24 hours a day. She keeps two secretaries busy with the great amount of mail she receives each day. She is an Associate with Campus Crusade for Christ, is on the Board of Directors of the Salvation Army, the American Bible Society and many other organizations.

We are delighted to invite one and all to come and hear this fascinating lady speak. Her book, "Invitation to Joy" is in its fifth printing. She will be with us on November 7th, 1973 at 8PM. For further information, call Grace Gorham WE 5-0857 after 4PM weekdays.

Pastor Stammel Plans European Tour

PASTOR STAMMEL PLANS THIRD EUROPEAN TOUR with two three week European Tours behind them Pastor and Mrs. Stammel plan their third, leaving May 7, 1974, taking them to Spain, Greece, Turkey, and Yugoslavia. Previous trips led them behind the iron curtain, visiting the cities important in the life of Martin Luther. Their second tour featured the Oberammergau Passion Play.

"This tour is designed and fashioned both as a tour and a real vacation...not just a series of one night hotel stands throughout Europe," Pastor Stammel said.

One of the features of the tour will be a four day, first class cruise of the Greek Islands. Colored brochures have been printed. To receive copies of the day by day itinerary simply call the church office at 931-2225 and Pastor or Mrs. Stammel will answer and comply with your request or you may write to them at 95 Jerusalem Avenue, Hicksville, New York 11801.

"This tour is not only for members of the Parish but is being offered to people of our greater community of Hicksville as well," Mrs. Stammel added.

MRS. STAMMEL, Pastor Stammel, and Mrs. W. Davis examine the itinerary of the Blue Ribbon Fly & Cruise Tour. (Mrs. Davis and her husband plan to make it tour number three with the Stamels.)

"Veteran's Day Assembly"

There are those who say "Patriotism" is dead, but that statement would seem very far-fetched if they could have been at Holy Family School on October 19th, for it's first "Veteran's Day Assembly."

The title of the program was "God Bless America", and each child and faculty member was wearing the commemorative poppy, the symbol of Veteran's Day. These had been donated by the Levittown-Island Trees VFW Post and Mrs.

Reyberger. Councilman Joseph Saladino was the guest speaker for this occasion and the balance of the program consisted of patriotic songs, slides, a prayer for peace offered by Father John Sullivan and the very touching "moment of silence" for deceased veterans.

The children made their own donation for the poppies and this will be sent by Sister Eileen to the Military Order of the Purple Heart of the United States of America for wounded combat veterans.

"Zorba" At Library

The next presentation of the Hicksville Public Library Fall Film Series will be "Zorba the Greek" on Thursday evening, October 25th at 8 p.m.

This prize winning film stars Anthony Quinn, as Zorba, the earthy joyous Greek peasant, with Alan Bates, Irene Pappas and Lila Kedrova in her Oscar

winning role. Library films are held in the auditorium and the public is always welcome to attend free of charge.

The next feature film will be "The Picture of Dorian Gray" to be shown Thursday, November 8th.

Outstanding Player

Hicksville's John Keough, a Harvard Junior, played an outstanding game as the Harvard Crimson routed Columbia 57-0 last Saturday at Harvard Stadium.

Keough, a linebacker, intercepted a pass to help Harvard's defense remain number one in the nation among the college ranks. The son of Mr. and Mrs. Edward Keough, 88 Cliff Drive in Hicksville, Keough is majoring in government.

We were indeed fortunate to have secured the following expert speakers: Dr. Joseph Tursi, Professor, Stonybrook, President of New York State Association of Foreign Language Teachers, Professor of Cultural Institute at Middlebury, Helene Zimmer Lowe, author and expert in the field of German, recently appointed as New York State Supervisor in German, Marcella D'Muth, president of FLAC, recognized leader in French Education; Mr. Jerome Mirsky, Board of Director, Northeast Conference of Foreign Languages, author, expert in Spanish.

Helene Lowe, New York State Supervisor; Marcella D'Muth, President, FLAC; Speakers on Culture with a capital "C".

teachers were exposed to the ways of teaching culture with a capital "C". The methods ranged from the use of kinesics, body language, to the comparison of what are the typical errands that the European child does.

The meeting may be summarized by saying "Culture is language."

RALPH G. CASO

National Spokesman for Suburbia

One of the paramount concerns of Ralph G. Caso in representing us as county executive has been the preservation of the suburban way of life.

He has fought to keep our parks for residents only; spoken out against high-rise, high-density housing; staunchly protected local zoning powers; vigorously resisted the commuter income tax; and kept a constant vigil against city encroachment.

Caso has earned a national reputation in speaking out for welfare reform, revenue sharing, consumer protection, environmental controls and the increasing concerns of suburban families. He was the first to focus attention on the suburban power block in the 1972 Congress - pointing out that, for the first time, more of its members represent suburban areas than city or rural constituencies.
