

Hicksville

VOL. 26 NO. 41 Thursday, November 1, 1973 (copy 10c)

VETS HONORED: Oyster Bay Town Councilman Joseph J. Saladino chats with Sister Irene, principal of the Holy Family School in Hicksville and Joan Lee, a student at the school. Councilman Saladino was the guest speaker for the school's observance of Veteran's Day.

PBC Rifle Registration

The Hicksville Police Boys Club will hold registration for Rifle team on Thur. Nov. 1 and Fr. Nov. 2 from 7-8 p.m. at the Hicksville Clubhouse 85 Bethpage Rd. Hicksville. A \$10 registration will be

charged which will include all ammunition, targets and use of rifles.

There will be approximately 20 sessions held commencing November 7 and running until April 20.

Coming Next Week

Due to the tight schedule preceding elections, the pictures and story of the Nassau County Press Association Good Neighbor Awards will appear in next week's issue of THE HERALD.

Levittown Parkway Resurfacing

Roadwork currently in progress on Levittown Parkway, Hicksville, from Old Country Road to the Town of Oyster Bay line at Brittle Lane is a resurfacing, not a widening, according to a statement issued by Town Councilman Warren Doolittle of Hicksville.

A previous plan to widen Levittown parkway in connection with road improvements has been discarded by the Town after residents expressed opposition to it, he said. A meeting with local residents attended by Mr. Doolittle was the deciding factor in the Town's decision to discard the widening plan.

The work on the road resurfacing is being done by the Town of Oyster Bay Highway Division.

Memorial Services November 11

On Sunday, November 11th, (Traditional Veterans Day) the combined veterans organizations of Hicksville will conduct Memorial Services at the Jr. High School War Memorial,

Jerusalem Avenue & 4th Street. Assembly 10:30 A.M. Public participation is welcome. There will be a massing of colors and all organizations are invited to attend.

A WINNER: Hicksville Republican Committee dance Chairman Bill Alonge, (left center) presents a gift certificate to Mrs. Ann Frisky (right center). Ann won a "fair and square" in a drawing! Looking on, and wearing a smile of satisfaction are Raffle Committee Chairmen, Bob "Chance"

Mother and Son Dinner Successful

The Lee Avenue School, Hicksville, PTA mother-son spaghetti dinner October 23 was smashing. The all-purpose room was tastefully decorated with posters of picturesque towns of Italy and the colors of the bandiera italiana of red, white and green. The color green was the theme of the vests worn by the handsome waiters, viz Messrs Penque, Maiorino, Graziose, O'Grady (formerly of Ireland), Quattrini and Soloschi (formerly Solosky).

While waiting for the spaghetti to arrive, it was 20 minutes late, the fourth graders of the FLES

program Italian class, who had volunteered to perform some of their repertoire went on stage to sing about a beautiful dancing child, a wooden horse trotter, Fra Martino (in two parts) and Sonnatini, harbinger of the Christmas Chanukah season. The illustrious sons were Raimondo Casiano, Gianni Cisler in a dashing Alpine costume (including moustache), Giacomo Clancy in a black, blue and white Sardinian outfit and Marco Ursitti in a Mediterranean blue and white suit.

But the boys could not do it alone. The girls were a charming

addition to the ensemble. Elena Ferrandino, Elena Guadagno and Pamela Smith in their long flowered prints; Caterina Keplinger in white blouse and green-blue skirt; Nina Pitrelli her hair done up in a tiny bun with red ribbon, long green skirt; Maria Szymanski and Patricia Trainor in short skirts of lime green and apricot respectively. Each little doll with different colored bodice.

About a week before, Mr. Penque had suggested that the children perform. In so little time, they came out in true Italian flying colors!

L.I. Ecology Report Is Aired As Public Service By L.I. National Bank

A five-minute "Long Island Ecology Report" program was launched on Friday, Oct. 26th, as a weekly public service program by the Long Island National Bank, on radio station WHLI-AM. (1100 kc.)

According to James C. Dinkelacker, president of 56-year old independent bank, the ecology programs, scheduled to run for at least a year, "are part of the bank's program to help improve the quality of life in this

area, and elsewhere."

Last month the bank gave away 10,000 free ecology kits which included seeds for beautifying neighborhoods, literature on conservation of clean air and water, fuel, and other natural resources.

To help Long Islanders learn about and participate in ecology programs, Long Island National Bank has also created a special "Ecology Department" that will advise people on all phases of ecology, and grant speedy loans to persons insulating their dwellings, updating their homes and heating equipment, beautifying their grounds, and the like.

Charles Villyency of Great Neck, a veteran newspaperman, and publisher of "The Ecologist" a publication reporting on local, state and national ecology programs, will narrate the weekly programs.

Hicksville Lions News

The Hicksville Lions Club at its October 14 meeting approved a program designed to bring the Greater New York Blood Bank (Red Cross) to the Hicksville Community on January 16, 1974.

We have been informed that the Red Cross and Hemophiliacs Blood Banks are near the critical mark in depletion of reserves. Those of us living in the Hicksville area will have the opportunity in January to give the gift of life (donate blood) to Lawrence Blazansky, a young neighbor of ours and other

hemophiliacs in the New York area.

In addition to helping Larry, blood donors will be assured that an unlimited supply of blood will be available during 1974 for themselves, their spouse, dependent children under 19 years of age and parents and grandparents on both sides of the family.

For additional information please call the Blood Drive chairman, Lion Jack Weber, at 931-6608.

Nassau County Supervisors

By Janet Gosnell

In the course of a brief calendar on Monday, the Nassau County Board of Supervisors agreed to accept a grant from the New York State Narcotic Addiction Control Commission Substantially subsidizing the maintenance program at the Nassau County Medical Center, approved two resolutions in relation to work of county agencies with Afro-American Experience, Inc., commonly referred to as "UJamaa Academy" in delinquency prevention and rehabilitation, and held a public hearing at which no one spoke on amendments to operations of the Long Island Limousine Service.

The Supervisors also unanimously approved a resolution introduced at the last meeting by Julian Jawitz of Long Beach supporting the Israelis in their fight against the Surians, Egyptians and others in the middle east. A copy of the formal resolution was to be sent to President Nixon.

As usual in recent weeks, most

of the excitement of the meeting came after the formal agenda, with various candidates for public office rising to speak. Independent candidate Howard Blankman, running for county executive, spoke in regard to a resolution amending salaries at Nassau Community College calling the institution a case of "totalitarian rule," and called for the discharge of the president and the Board of Trustees.

William Deeley, democratic candidate for county executive, protested what he understood was a new rule in the county that all senior citizens would have to show county leisure passes by March of 1974 in order to get reduced fares on buses. He also spoke about the community college, asking for its change from Plan A, which provides for county supervision, to Plan C, which provides for autonomy.

Jason Shulman, Democrat running against Francis Purcell for presiding supervisor of the Town of Hempstead, called for the phasing out of Hempstead Town, and in its place, a plan of his devising, which he did not

describe. It was later said that in place of Hempstead Town his plan would call for 33 autonomous communities.

Also present to address the Board of Supervisors was John Kearse, director of the Nassau County Economic Opportunity Commission, coordinating agency for several community action programs. He asked for help in the case of Roosevelt, where the county EOC had voted to elect a new Board of Directors, and where the local headquarters at 55 Mansfield Avenue was still not available to the county agency. The topic has been previously discussed at the Board of Supervisors with the Roosevelt residents giving their point of view on the domination of John Kearse in Roosevelt matters.

About comments on the community college, Hempstead Town supervisor Alfonso D'Amato assured those speaking that there will be a careful investigation into charges of corruption at the college. Mr. D'Amato is a member of the Board of Trustees of the Nassau Community College.

County Receives Money For Buses

Nassau County Executive Ralph G. Caso announced that the U.S. Urban Mass Transportation Authority has sent the county \$3,512,000 for the acquisition of the privately-owned bus lines in Nassau and approved the purchase of 50 new buses, two-thirds of which will be paid for by the federal government.

"These are important steps in the fulfillment of our commitment to modernize and improve bus service in Nassau County," Caso said, noting that in

the few months the buses have been operated by the Metropolitan Suburban Bus Authority "service has increased significantly."

Caso explained that the \$3,512,000 represents two-thirds of the county's cost in acquiring the 10 privately-owned bus lines and their facilities. The money is part of a total project grant of \$9,318,000 the county executive obtained from UMTA last year. The county only pays one-third

the cost.

The 50 new, air-conditioned buses, which also are part of the total project to improve bus service, will cost an estimated \$2,250,000. Caso said bids are being readied now for the purchase.

In addition, Caso revealed that the county is awaiting bids on the painting and refurbishing of all of the buses acquired in the takeover of the private companies.

CATCHI CHILDS, noted North Shore artist who just returned from her one-man show in Florence, Italy, with her next scheduled for Genoa in January, smiles her approval as Gary Telfeyan (right), of Telfeyan Carpets, Garden City, New York, shows her a rare Isphahan, one of the hundreds of Oriental rugs from all over the world which were part of the \$1-million Telfeyan exhibit at the Third Annual Antique Show and Sale at Human Resources Center, in Albertson. The Telfeyan display, which included rare hand-woven masterpieces including 16th and 17th century antique rug finer than most museum pieces, was the largest and the most valuable ever assembled on Long Island. Looking on is Hedley Gordon Graham, director of the show.

Telfeyan rugs will also be displayed in specially designed room settings at the Decorators' Showcase at Coe Hall, Planting Fields, Oyster Bay, presented by the Junior League of the North Shore, from October 20 to November 11.

Where You Live Makes A Difference

Public Works Commissioner John H. Peters reminded Nassau homeowners that the practice followed in some villages of having homeowners rake leaves and branches into the street for subsequent removal by village forces is not applicable to County roads and is specifically forbidden by the highway law.

"If you don't know whether or not your street is a County road, call 938-8110 and our Road Maintenance people will advise you," Peters said.

Peters also urged people not to stuff leaves or branches down

drains because if followed by rain, flooding can occur since the runoff has no place to go.

"It should also go without saying that sewers are not set up to handle such material," Peters added. "Blockages in sewer lines, if they are serious enough, can cause backups into the cellars of nearby homes. Also, leaves can foul the machinery at the disposal plant causing expensive repairs."

Peters stated that bundling leaves and branches for pick-up by local sanitation departments was the best disposal method.

Directory For Seniors

A twenty-nine page "Directory of Service Available to Senior Citizens" has just been published by the Nassau County Department of Senior Citizen Affairs. It is an up-to-date, minute guide for every existing program, service and agency for the elderly in Nassau County - public, private and voluntary.

Printed in extra large type, the Directory is designed so that a flip of the finger instantly provides the answers to questions on Social Security, Medicare, Medicaid, Supplemental Security Income, food stamps, insurance and drug plans, veterans' pensions, property tax reductions, discounts, recreation, senior citizen clubs and centers, travel, transportation, education, volunteer services, employment, home health care, emergency procedures, nursing and therapy services, sickroom equipment,

hospitals, clinics, mental health counseling, nutrition, legal services, consumer information, tenant-landlord problems, pre-retirement workshops, etc. A special section lists names, addresses and telephone numbers of government agencies providing services to the elderly.

The "Directory of Services" has been painstakingly researched for accuracy, is cross-indexed for completeness and is, in the opinion of Mrs. Adelaide Attard, Department Director, "one of the most comprehensive reference guides for senior citizens that has ever been compiled."

The "Directory of Services Available to Senior Citizens" is available, free of charge, upon written request to the Nassau County Department of Senior Citizen Affairs, One Old Country Road, Carle Place, NY 11514.

Roller Derby At Coliseum

The exciting sound of "wheels on wood" returns to the Nassau Veterans Memorial Coliseum as Roller Derby begins its fall season with the local entry, the New York Chiefs, facing the San Francisco Bay Bombers on Sunday, November 4th, at 7 P.M. The Chiefs are led into town with their stars coach Bill Groll, Mike Gammon, and Sandy Dunn facing the rugged Bombers with Charlie O'Connell.

In a controversial off-season move the Chiefs purchased the contract of former Red Devil star Bob Woodberry. At 6'1" and 186 lbs., a lanky skater, Woodberry has twice garnered MVP honors in spite of his temperamental nature and a reputation as the league's "bad boy."

Looking ahead, the Chiefs will play the Jolters in a special matinee Roller Derby contest on Sunday, December 2, at 1:30 P.M.

Roller Derby tickets are priced at \$7, \$8, \$5, and \$4 with accompanied children under 16, half price. Tickets for the Nov. 4th game are on sale now at the Coliseum box office and at all Ticketron locations. Tickets for the game of December 2nd go on sale Nov. 4th at 6:30 P.M. so that you may purchase your tickets at the same time you are enjoying the season's opener.

WASHINGTON EVENTS

AFFECTING OUR COMMUNITY

Good news for Social Security recipients: they have a 5.4% cost-of-living increase will go into effect in 1974 checks.

Standard Time Is Time For Caution

An hour's less daylight requires a lot more driving care, according to the Automobile Club of New York.

The shift to standard time at 2 A.M., Sunday, October 28, means earlier darkness and increased driving hazards, especially during evening rush hours. To help overcome the problem of reduced visibility, the local AAA affiliate offers motorists and pedestrians the following advice:

- Cut down on driving speed as dusk approaches.
- Keep headlights and wind-

shields clean to provide maximum visibility.

• Check tail lights, turn signals, backup lights and high and low beams to make sure they are working properly.

• Make allowances for age. Recovery from headlight glare takes longer for older drivers than for younger ones, so adjust your speed accordingly.

• Pedestrians should cross only at intersections and only with the light. In rural areas, they should carry something white or light-colored.

JEWISH GROUP CITES CASO . . . Nassau County Executive Ralph G. Caso accepts plaque from Rabbi Moshe Milstein, chairman of the American Jewish Congress, Long Island Commission on Jewish Affairs and Education. The award was made "in recognition of County Executive Caso's efforts in working with the Jewish Community in Nassau County and with the L.I. Commission, particularly in areas of Jewish interests." Taking part in presentation (standing) are Harry Minkoff of Great Neck, of the North Shore Division of the American Jewish Congress, and Jo Amer of Hewlett, president of the South Shore Division of the AJC. At the ceremony, Caso also proclaimed November as American Jewish Congress Month.

HONORED: Oyster Bay Town Supervisor John W. Burke (left) and United States Congressman Angelo D. Roncallo (center) presented an award for courage and devotion to S. Sgt. Richard Perricone of U.S. Marine. Perricone was the guest of honor at the 15th annual American Committee on Italian Migration breakfast.

Dear Friends:

We don't know whether anyone ever said this before, but we believe that "you can't please all of the people all of the time" and this especially goes before each election. However, throughout the year this newspaper has endeavored to bring all the constructive news that is available for all political parties, including pictures and meeting notices. This we will continue to do, as we have in the past.

We hope that you remember your responsibility to cast your vote on Nov. 6. To those who throw away their vote, we can only say, your action in this case is completely beyond our comprehension and is in our opinion, Unamerican. For this system, imperfect as it may be, is still the best that our present-day civilized world has to offer. Not to vote at all is a cop-out. To flee a party because you do not agree with everything that this party does, is also a cop-out...you should stay in and fight to improve the party, whose aims most agrees with your own.

When the Hon. Joseph Margiotta was still attending Hofstra, preparing to enter an illustrious career in politics, and to serve his County, his State and his Nation, ably and well, the record will show that I was not only on the Board of Education of West Hempstead School District, but also serving on the Bd. of Governors of the West Hempstead Republican Club. I believe today, as I did then, that the Republican Party best represents the vast majority of working people, not only in the aims that it professes, but in the actual RECORD to which it can proudly point, on many levels.

Now both major parties, have at times in history, on some level or another, made mistakes. History shows us this many times over. But (and it is an important but) those who stay with their Party, can, if they so desire, correct the errors. Then their Party will go forward, better and stronger, for having so cleansed itself. It has happened to Republicans and Democrats upon numerous occasions. That is what I feel is presently happening on a national level at the present time. And the very fact that the situation can be corrected is why I believe so strongly in our system. Yes, politicians who are less than honest can hurt it...but they cannot do so indefinitely. It is a government of the people, by the people and for the people. You know it, and I know it and we believe in it. Let us hope this ability to correct the mistakes of ill-advised politicians will never change. It won't if everyone cares enough to vote!

But this is not a national election. On a local level, the aims of the Republican Party and more than that, its RECORD, stands firmly on the side of the working people...you and me. I am proud of this record and I wish to see those who are now at work on these

Letters to Editor

Dear Hicksville resident:

During the summer of 1973, the Hicksville Athletic Games Inc., a non-profit organization, sponsored the Hicksville Junior Olympics. This Olympics, supervised by volunteer community residents and financed through entry fees, organizational donations and merchant contributions, enabled approximately 875 youth of Hicksville to compete in tournaments of chess, ping-pong, swimming, track and field.

The Hicksville Athletic Games Inc. is now formulating plans for these same competitions to be held during the summer of 1974. Appeals for funds to town, county, state and federal agencies have been denied with the reply that the monies available are for "the children on the fringe of society". For example, the Hicksville Youth Council receives \$2,500 a year from New York State, through the Town of Oyster Bay, to maintain a store front in town. To this is added an annual salary of approximately \$12,000, paid by Nassau County, for a director who is not a county resident. While such undertakings are not to be considered without merit, we do feel there should be a distribution of funds which will allow for prevention as well as for cure.

Since we have been denied financial support by our government agencies, the Hicksville Athletic Games Inc. must again turn to the parents, taxpayers and merchants of the community. We ask your help, both financial and time-wise, to repeat the success of this year's games. Youth needs direction and sports is a good way to go. William H. Thomas (President) William Henne (Vice President)

HOW TO SAVE MONEY

Instead of buying a window cleaner "with ammonia".

A floor cleaner "with ammonia".

A tile cleaner "with ammonia".

An oven cleaner "with ammonia".

Buy a large bottle of ammonia and it will do all these jobs. If the odor is offensive, you can now buy ammonia with either pine or lemon scent.

Instead of buying all the advertised packaged foods such as Hamburger Helper, etc. read the ingredients on the box, you will probably find that you have most of them in the house and you always have to buy the meat (the most expensive ingredient) to complete the recipe. Make it from scratch.

There are many delicious dishes you can make from

chopped meat - hamburgers, meat loaf, stuffed cabbage, stuffed peppers, meat sauce for spaghetti. Use in casseroles, combine with rice, spaghetti noodles, etc.

Just sign me - a housewife for 40 years!

Dear Editor:

For sometime now, in fact since the Police Booth was torn down on John Street and Broadway, there has not been a flag flying at the site of the "John F. Kennedy Memorial" on Broadway in Hicksville. Therefore a flag was donated by Mr. and Mrs. Chester A. Arnstein, Jr. and raised on Sunday, October 21st, so that there would be one for Veterans Day.

Through the courtesy of Gerasimos Dellaportas of the Empire Diner, 42 Jerusalem Avenue, the flag will be raised and lowered each day.

Also donated by Mr. Arnstein was new clips since the old ones are in poor condition.

Sincerely yours,

Elaine Arnstein

Republican Club To Meet

The regular Hicksville Republican Committee meeting will be held on Wednesday, November 14, at the Old Country Manor, Hicksville. Every Hicksville Committeeman is requested to be present at 8:30 pm.

The Ernest F. Franke Republican Club of Hicksville will hold their regular monthly meeting at 8:30 pm on Friday, November 9, 1973. The meeting will be held at the Galileo Lodge, Sons of Italy Hall, 200 Levittown Parkway, Hicksville. Refreshments served PROGRAM

The guest speaker will be Jesse Harmon, Chairman of the Housing Authority, Town of Oyster Bay.

Come On In - The Water's Great

The "ole" swimming hole has been replaced by modern, heated, indoor pools, as crutches and wheel chairs are put aside when registrants in the March of Dimes Swimming Program for the Handicapped take part in the current swimming sessions.

Now in the second decade of service to the community, the three March of Dimes swimming programs, designed for fun and therapy, are available to anyone with a disability.

Completely staffed by qualified adult volunteers and more than fifty teenagers who devote their time to this very special service, the programs are held weekly - Saturdays at Westbury High School, Sundays at Unionsdale High School and Wednesday evenings at North Shore Hospital.

Those wishing to join the program as participants or volunteers are urged to call the March of Dimes office at 248-4950 for registration forms or further information.

Programs will officially begin at Westbury High School on October 27th, Unionsdale High School on October 28th and North Shore Hospital on October 31st.

DON'T FORGET TO VOTE

programs and projects, re-elected, so that they may continue to serve and report to us, as they always do, the progress of our County and our Towns.

I have watched County Executive Ralph Caso serve on many levels. I have watched him grow with each job. I am proud of his continuing concern for the working people. His administrative abilities are outstanding. He has cut taxes two years in a row, has reduced the cost of welfare in our county and continued to provide those essential and vital services that we require, including more police protection.

The same is true of all who are presently serving on a County and Town level. They are experienced public servants doing an outstanding job of serving their areas and we heartily endorse them all.

Nassau County Clerk Harold McConnell, Nassau County Comptroller M. Hallsted Christ, and Abe Seldin who is running for the position of Chairman of the Board of Assessors for the Republican Party.

In like manner, the record of Supervisor of the Town of Oyster Bay John W. Burke, speaks for itself. The tax rate for 1974 will be the same as the tax rate in 1971 - in other words, three years without any increase. He has established the first Town drug and alcohol control agency in Nassau County, Oyster Bay's first Division of Environmental Control, the first Town Youth Bureau in the County, the first Town to create a Bicentennial Commission in the County, and has been responsible for numerous other task forces and committees involving local communities. Under his leadership additional housing for senior citizens, additional parking facilities, tremendous drainage programs and many other constructive town programs have been a key consideration.

In addition, the Supervisor has some excellent running mates this year. These include Joseph Saladino, Howard T. Hogan, Jr., and Ken Diamond, a young man who will be as distinct an asset to the Town Board as his Father, Ralph Diamond was when he served as Councilman. Ann Ocker, a Plainview resident, has, in our opinion, proved herself to be a dignified and conscientious office holder and deserves to remain as our Town Clerk.

As Chief Judge of the Court of Appeals we endorse Judge Charles Breitler, for the County Court we endorse Judge Henderson Morrison and Judge Richard E. Delin, for the Family Court Judge Carmelo Tese, for the District Court Judge Richard Edstrom, Judge William Seiffert and Marvin Goodman.

As to the Proposition and the Ten Amendments, we bring you some basic information on page Five, which we hope will be helpful to you in making up your mind on these important matters.

Once again, we heartily recommend a vote for the men we have endorsed. But, whether you agree with us or not, DON'T FORGET TO VOTE on Tuesday, Nov. 6....

Sincerely,

Burke Names Ten Residents To Hicksville Park Task Force

Town Supervisor John W. Burke has named ten Hicksville residents, all of whom have been active in community affairs, to serve on a Town Task Force that will create a preliminary plan for the development of two Hicksville sites that will be used for community parks.

"I believe we have a great opportunity here to develop two parks for the Hicksville community and I feel that the local people should be completely involved in planning this development," Burke said. "Therefore, Councilman Warren Donittle and I have chosen 10 community leaders from various parts of the Hicksville area to help plan these parks."

Burke noted that by having the Task Force plan for the development of the site on Lee Avenue at the same time as they plan a park for the triangle at Old Country Road, Plainview Road and South Oyster Bay Road, the people will be assured of having parks with facilities that complement rather than duplicate each other.

"By simultaneously planning the development of both sites, the Task Force will have an opportunity to consider 13 acres of parkland rather than six now and seven at some later date," Burke said.

"In selecting these 10 residents," Burke explained, "we attempted to choose people from various sections of the community and those who have demonstrated a record of active concern for Hicksville. I know we could have named many more than those chosen, but it was

believed that the Task Force could function more efficiently if its size were limited and, yet, 10 seems large enough to assure that most views on the development of the parks will be considered."

Those named by Burke and Donittle include: Robert Pirrung, Hicksville School Board president; Peter De Nino East Hicksville Civic Association president; Jack Landress, a commissioner of District 3 Nassau County Council; Boy Scouts of America; Peter Collins, a member of the Committee for the Hicksville Olympics and for the past four years president of the St. Ignatius CYO; Emil Immesberger, chairman of the

Society for the Preservation of Our Town and recording secretary for the Hicksville Fire Department; Robert Willis, former president of the Hicksville American Little League; Sheila Noeth, first president of the Hicksville Community Council and editor and publisher of the Mid-Island Herald, a weekly newspaper serving the Hicksville community; Clara Bennett, a member of the Dutch Lane PTA; Amadeo Tomaint, health, physical education and recreation director of the Hicksville Public Schools; and Maynard Munch, chairman of the Board of Fire Commissioners, Hicksville.

VFW Wm. Gouse Post Sponsors Hicksville Soccer

The V.F.W. William Gouse Post of Hicksville, in the person of Senior Vice Commander Frank Lott, acting in the behalf of Commander Tom McCabe, officially approved the two year sponsorship of a Hicksville American Soccer Club team on Tuesday, October 19, 1973. He expressed their continued interest in community and youth by electing to sponsor one of Hicksville's outstanding teams. The check was presented to Roger Fremgen, president of the Hicksville Soccer Club.

This sponsored team, the Americans, captured the German American Summer League Crown in an undefeated season. This unique honor was further extended in the Northport Invitational Tournament with another Crown.

This success drew the attention of the Western Hemisphere Champions, the New York Cosmos, who subsequently invited the Americans to thrill their fans at half time in Hofstra Stadium with an exhibition game against the nationally known Florida team from Coral Gables. Before 5,000 fans, the VFW sponsored team destroyed their opponents previously undefeated record by winning 2-0. Currently, this Hicksville team is continuing its record in Nassau - Suffolk competition.

The William Gouse V.F.W. Post of Hicksville has set a standard of community involvement and interest in the

development of our youth that every other civic minded organization could emulate.

Comet Football News

By Bill Kirsch

Hicksville did everything well last week as they defeated Port Washington 13-0. Sam Lippen rushed for 160 yds. and Tony DiGiuseppe accounted for an incredible 10 unassisted tackles to provide the Comets with their second victory of the year.

Hicksville kicked to their opponents to start the game and Port Washington began possession on their 36. The Vikings quarterback was sacked for the first time by DiGiuseppe in this series and was forced to punt. Hicksville with the ball on their 36 started their first T.D. drive. Sam Lippen got the initial first down on two runs. Steve Cannone, using a quarterback draw, ran for another first down. Lippen then capped off the drive with an exciting 35 yd. run for the touchdown. Paul Curcio kicked the extra point to make the score 7-0. Both teams exchanged punts as the first quarter ended. After Walt Sygney sacked the Port Washington Q.B. a Viking punt rolled to the Hicksville 5. Cannone ran for a 1st down to the 20 yard line. The Vikings were stopped here. A low snap enabled the Vikings to block the punt and P.W. had possession on the 15. A holding penalty against the Vikings seemed to give the Comets breathing room but Port Washington came right back with a run down to the 10. Only by great individual efforts on consecutive plays by Brendan Wallace, Steve Cannone and Leo Orsino respectively were the Comets able to preserve and Leo Orsino respectively were the Comets able to preserve their first shutout. When the Comets took over the ball their rushing attack was in high gear. A penalty against Port Washington brought

the ball up to the 35. Lippen ran for a 1st down and then Paul Curcio, shedding tacklers, ran 26 yds. down to the P.W. 34. A Lippen 1st down and a pass to Orsino brought the ball down to the 5. An apparent touchdown pass to Pfaeffle was nullified by a penalty. Cannone passed to Orsino who brought the ball down to the 1 yd. line but the clock ran out before another play could be started.

Hicksville started the second half with possession on their 30. Lippen ran for 8 yds followed by a pair of runs by Curcio ringing the ball just over the midfield stripe. The Comets were stopped and once again their punt was blocked. Fortunately the Vikings fumbled at midfield and the Comets recovered. The Comets were unable to generate any offense on this series and punted to the Port Washington 17. The Vikings advanced to the 45 before DiGiuseppe stopped them by sacking the quarterback twice. After Hicksville received the punt and was stopped the Comets punted. The Vikings touched the ball and DiGiuseppe pounced on it at our 42. Lippen who ran down to the 6. The Comets were stopped and the Vikings took over on downs. Port Washington fumbled on the 20 and it was recovered by Wallace. A well executed screen pass from Cannone to Lippen gave the Comets their second score of the day. The conversion was unsuccessful and the score was 13-0. The Comets preserved their shutout as both teams generated little offense as the time clock ran out.

The Comets look forward to their last home game of the season as they play Plainfield this weekend.

Hicksville Soccer Club News

Sports and sportsmanship reigned on a chilly but heart-warming October 28th, while more than 200 athletes performed in Hicksville's Soccer Clinic. The Soccer Clinic advanced the cause of potential international competition at basic levels with another exciting afternoon.

In the 5, 6 and 7 year old group, a most satisfying 0-0 tie was produced in the Virginia vs. Georgia game. Both coaches, Mr. Habersaat and Mr. Costeller, praised their teams for having maintained a classic "position" offense and defense. In the second game at this age level, Delaware under the direction of Mr. Sini defeated Mr. Villalta's New York team 3-0. A courageous defense by goalie E. Geigle failed to prevent 2 goals by M. Bell with an assist by D. Bell, and a third goal by M. Sini assisted by F. Acevedo.

Rhode Island defeated S. Carolina in the 8 and 9 year old level in a breathtaking thriller, 3-2. Fullbacks F. Grusso of Rhode Island and J. Meja of S. Carolina provided defense strength, while S. Carolina wing J. McNamara added offensive spark to the game. Goals for winning Rhode Island were scored by J. Mitchell (2) and G. Zakian (1) while S. Carolina goals were limited to scores by T. Fletcher (1) and G. Tyranski (1) due to the outstanding goal keeping of Rhode Island's K. Normile. In the second game of this age level, Maryland coached by A. Losito, scored frequently upon J. Marcus's S. Carolina to win 4-0. Strong defensive work by right

half back R. Halley and goalie A. Jareus kept scoring down to 2 goals by K. Cahalan and 1 each by J. Harkins and J. Molin. Hustling effort by D. Burke helped set up the scores.

In the closing minutes of the Massachusetts vs. Connecticut game, R. Skrynecki of Massachusetts with the aggressive assist of S. Musumeci, scored the only goal of this game. These 10, 11 and 12 year olds contested in the most thrilling battle of the season so far. R. Jung, Massachusetts coach commended his goalie G. Gates as did coach C. Mues of Connecticut commend his goalie B. Marcus for their tireless, outstanding play. Line play and passing of S. Playne contributed to the success of the Massachusetts team. Another close fought contest followed in which Mr. Dunne's New Hampshire team defeated J. Kert's Pennsylvania team 3-2. In defeat, M. Bell, scoring once, excelled at moving the Pennsylvanians for both exciting periods. S. Solaski joined Bell in scoring for Pennsylvania. The victorious New Hampshire team produced scores by P. Fletcher (1) and R. Clark (2). Goalie M. Dunne of New Hampshire and D. Miller, Pennsylvania, more than contributed to another Sunday soccer spectacle.

Officiating at the Hicksville American Soccer Club games is a group of dedicated young men, to whom soccer is a way of life. These experienced teen age soccer players have donated their expert services to the advancement of the sport of soccer and the improvement of the

quality of athletic life in Hicksville. Commendations to Chip Scanlon, Bill Wayne, Phil Gramaglia, Tom Denien, Ernie Hupfer, Kevin Barcavage, Pat McHugh, Buzzy Assante, Zach Miller, Jimmy Bungert and John and Jerry Mulligan.

Readers and interested parties are invited to the meeting of the Hicksville American Soccer Club Friday, November 2nd, 8 P.M. at the Hicksville Public Library in the downstairs meeting room. All newly acquainted and enthusiastic parents and spectators are urged to attend.

ponchos and a shawl complete the five prizes being given in this raffle. Tickets for both the Children's Raffle and the Adult Raffle are 25 cents or five for \$1.00 and will be on sale until 2:30 P.M. The drawings will take place at that time. The above-mentioned Book Fair will also be

held on Thursday and Friday, November 15 and 16, 1973 in the school as well as on Saturday, November 17, 1973, the day of the Fair and Bazaar. This will be an ideal chance to do some advance Christmas shopping. Please be sure to join "us" for a fun-filled day!

Hicksville Public Library

The Hicksville Public Library Fall Cinema Series will present on Thursday, November 8 at 8 p.m. "The Picture of Dorian Gray."

This MGM film made in 1945 stars George Sanders, Hurd Hatfield, Angela Lansbury and Peter Lawford. This macabre fantasy faithfully preserves the characters and plot of the Oscar Wilde tale.

All library film programs are free to the public and are held in the auditorium.

The next film to be shown will be Fellini's "8½" on Thursday, November 15.

The next regular meeting of the Library Board will be held on Wednesday evening, November 14, 1973 (instead of November 21st) at 8 p.m. at the library.

The Hicksville Library Bookmobile will be out of operation for repairs from Monday, November 5 to Tuesday, November 20. If

Daniel Holson of Hicksville. Caso spoke during the ceremony, urging prayer for the day when there shall be no veterans — "because there are no wars."

Men In Service

Cadet Michael V. Walsh, son of Mr. and Mrs. James P. Walsh Sr. of 33 Berkshire Road, Bethpage, is among the 1,086 cadets who have entered their second year at the U.S. Air Force Academy.

This past summer, the cadet and other members of the sophomore class completed an intensive three-week course in water and combat survival and introductory prisoner-of-war training.

He also received basic airborne

parachuting instruction at Ft. Benning, Ga., where he made five jumps to qualify for the military parachutist insignia.

The cadet will be commissioned a second lieutenant and receive a bachelor of science degree upon graduation from the academy in June 1976.

Cadet Walsh is a 1972 graduate of Chaminade High School in Mineola.

Navy Airman John R. Gardner, son of Mr. and Mrs. John E.

Gardner of 2 Bittersweet Lane, Levittown, participated with NATO's Atlantic fleet in an annual naval exercise here named "Swift Move." More than 30 ships from seven countries took part in the maneuvers. He is serving on board the attack aircraft carrier USS John F. Kennedy.

A 1967 graduate of Division Avenue High School, Levittown, and a 1971 graduate of Doane College, Crete, Neb., he joined the Navy in July 1971.

Hicksville V.F.W. Fights For Benefits

On Sunday, October 28, 1973, the Hicksville VFW Post 3211 met with numerous Federal, State, and local Legislators in the Hempstead Town Hall at the 6th Legislative Breakfast held by the Nassau County Council, Veterans of Foreign Wars. Ten members of the Hicksville Post attended to promote the Legislative Program which covered Compensation, Pension, Hospital & Medical Care, improving GI Education and Training, Readjustment Assistance to Vietnam Veterans, Employment, National Cemeteries, Senior Citizens Housing Programs, Drug Programs, Protection for Law Enforcement Officers and many more bills that the V.F.W. are trying to have the Legislators implement.

Taking picture was Past Commander Harry Wurth who commented to Congressman Wolf. "We in Hicksville are prepared to fight if you don't help us to get what the Veteran is entitled to." Congressman Wolf informed us that he, too, is a veteran and is currently a Commander. Commanding Officer of Reserve Squadron 99 A.F.R., which was Senator (General) Barry Goldwater's outfit. The boys all got a laugh out of it and understood that here was a great fighter for veterans. Congressman Roncallo informed us that he supports all veterans benefits; Assemblyman Levine states that he remembers the guys from the Hicksville Post when he was Assistant to Judge Martin Ginsberg, and he will do

all he can to help, not only Hicksville, but all veterans. He also commended the Hicksville Post for their Drug Abuse Program as he has introduced bills on Drug Abuse. Councilman Saladino was also on hand and told us that he, too, is a Vet having served in both the Army and Marines in two wars. As you can see, the Legislative Breakfast was a complete success.

Dripping From A Poets Pen

Please don't say kind words when
I have left you
Say all the nicer things while
I'm around.
Do not stroke my brow with
kindness or affection
I'll feel naught while I am
under ground.

Do not say how much you miss
my laughter
Nor the sound of footsteps on
the walk.
Do not brush my hair and say
how much you'll miss me
For my silent voice can never
talk.

Hold not my hands that's cold and
have no feeling
But be brave and do not show a
quail of fear.
Smile, perhaps it hurts but only
you will know it
Please don't drop in sorrow
even one small tear.

Touch not my arms that now
refuse to flourish
Feel not my feet that walked
the endless miles.
For all that was is now but gone
forever
My sightless eyes are closed
against your smiles.

So speak some kind words while
I'm ever present
Say some small thing I'd more
than love to hear,
Don't wait until my silent heart is
empty
Let me be the first to wipe
away a tear.

So many of us here on earth have
failed a promise
We always seem to sit around
and wait.
So please say something that I'll
cherish
Before my love the time of life
grows late.
