# Hicksville Alumni News

At its October meeting the Hicksville Alumni Association voted its thanks to C. Lester Iehle for running its successful 1973 Homecoming Dance.

The Dance was held in the new handsomely appointed V.F.W. Hall in Hicksville, and board moved to reserve the accomodating facility for future celebrations.

Homecoming, which was conceived by the Alumni and conducted for fifteen years, honored as man of the year, HHS Athletic Director Amades Jomaini.

Once again the Alumni held a post game reception

for the Football team, Cheerleaders and band in the Cafeteria. Some 250 enjoyed the refreshments and applauded the selection of Ed DeDeminco and Steve Cannone as outstanding players in the game.

The Alumni meeting saw the start of the Mabel R. Farley 1974 Scholarship Fund. The First donation was from the former HHS principal. It came from her residence at the Riverview Manor, Lewisburg, Penna. Zip 17837.

Donations to the Mabel R. Farley scholarship fund will be accepted by

Association President James Fyfe at the main office of the Long Island National Bank. Donors will be listed in the Alumni Annual report.

Those interested in joining the Alumni Association can forward two dollars annual dues to Mrs. Gladys Schwartz at 168 Sixth Street, Hicksville, 11801.

The Alumni will hold its Annual Thanksgiving Eve game and dance for high school students on Wednesday, November 21. Tickets are one dollar. proceeds go to the June Athletic Dinner sponsored by the Alumni.

## Lent To Visit LIRR Platform, Post Office This Friday

Congressman Norman Lent, continuing an expanded program of Community forums begun last Spring, will be visiting Hicksville's Long Island Railroad platform and Post Office building this coming Friday, November 16th, in a continuing effort to hear out the views and

complaints of constituents, as well as offer his personal assistance with individual problems involving the federal government.

Following a two-hour visit visiting with Local commuters from the area, the Congressman will move on to the lobby of the

Hicksville Post Office on West John Street. There, District residents with problems in the areas of social security, veterans' affairs, immigration and the military services, and questions or views on other topics of federal concern, are invited to drop by and express them to the Congressman personally.

## LETTER TO THE EDITOR

Dear Editor:  
As a result of the Schlitz Brewery closing, many Schlitz men were slotted into Schaefer Brewery, 430 Kent Ave., Brooklyn, New York, causing undue hardship to Schaefer employees.

I would appreciate your investigating the conditions that exist at Local 3 I.B.T. 714 Seneca Ave., Brooklyn, New York, of which Mr. Hah is the president. As a result of Schlitz men coming into Schaefer, the following conditions now exist at Schaefer Brewery:

1. Mr. Hah president took the status of Group 2 men away and put them on a list called "late-on-list." These men no longer have voting rights, among other things, and were not able to vote in the last election for shop stewards. We are union men, paying union dues, carrying books but we have no status and no rights.

2. We have been removed from all permanent bid jobs.

3. We are subject to be laid off at any time.

4. At the time of the Schlitz closing, Schlitz men received severance pay, then came into Schaefer and received top jobs, overtime and voting rights. They are also entitled to bid jobs, paid vacations, bank vacations, etc.

5. I have no objection to their having jobs, but let them start at the bottom and take their chances like the rest of us not take away jobs from Schaefer men. Where I once had a steady job, I now have to worry when I will be laid off. My bid job was taken away from me, filled by a Schlitz man. Is this fair?

I would appreciate your looking into this matter and doing what you can for us.

Name withheld upon request

Editor's Note: Your letter will be forwarded to our elected officials and to the Union officials you mentioned, in the hopes that an equitable arrangement can be made.

The occasion was the 3rd annual Antique Show and Sale at Human Resources Center, Albertson, where Mrs. Dicke, of Garden City, is past president of the IHBC Women's Auxiliary.

In the lower picture, The entire stage was filled to overflowing with a specially designed setting for Telfeyan who had on display the largest and most valuable collection of genuine Oriental rugs ever assembled on Long Island. The huge colorful exhibit, valued at more than one million dollars, included signed 16th and 17th century antique rugs and tapestries finer than many museum pieces. The antique Oriental rug behind them in photo is dated 1753 (woven into the rug just left of the tapestry figures) and depicts Genoese and Armenian merchants trading in the city of Batum. It is valued at \$10,000. The Telfeyan collection included something for everyone, with prices ranging from only \$12 for a small hand woven Tabriz rug to \$40,000 for a huge Vienna Hunting Rug which took six men 8 years of continuous weaving to complete.

Many Telfeyan Oriental rugs were also selected for a number of room and hall settings at the Decorators' Showcase at Coe Hall, Flaming Fields, Oyster Bay, sponsored by the Junior League of the North Shore, and several choice pieces have been selected for Nassau County museums for historical purposes.

The Telfeyan firm, Long Island's major import source for Oriental rugs, is also the Island's largest full sales and service floor covering specialists for domestic broad-rooms, resilient tile flooring, imported quarry stone and ceramic tile.

# Caso Presents County Budget; Hearings Dec. 3

By Janet Gosnell

County Executive Ralph G. Caso unveiled his \$496 million proposed budget for 1974 to reporters Tuesday before formally presenting it to the Nassau County Board of Supervisors. The budget will be the subject of afternoon and evening public hearings on December 3rd, and must by law be filed by December 17th.

A look at the budget shows that taxes will go up for Nassau County residents somewhere in the neighborhood of 36 cents per hundred of assessed valuation, despite a drop in the tax rate on the general fund budget. This means an increase of perhaps \$27. per year for a house assessed at \$7500.

The decrease in the tax rate on the general fund amounts to a drop from \$3.66 to \$3.58 in unincorporated areas of Hempstead Town and from \$3.67 to \$3.57 in unincorporated areas of the Town of Oyster Bay.

The decrease is wiped out, however, by a whopping increase in the police district budget, up from \$1.89 in 1973 to \$2.36 in 1974, or about 47 cents per hundred of assessed valuation. The increase is attributable to the new PBA contract settled in September after negotiations and fact finding, a settlement which was overdue by about nine months. Salary increases and fringe benefits to be paid out along the lines of the new contract are retroactive to January, 1972.

Crime is down in the county, however, Caso pointed out. He also pointed out that 150 policemen would stop riding desks in 1974, freed for active police duty by a like number of civilians to be hired to take over the policemen's office jobs.

Another broad look at the budget shows that sewer district taxes are very slightly down for 1974 and that welfare costs have

decreased from 35.6 per cent of the budget in 1973 to 32.3 per cent in 1974. Much of this decrease is attributable to district payment of benefits to some disabled persons by the federal government.

The capital budget is up from \$59 million in 1973 to \$72 million for 1974. Accounting for the increase are plans for a Central Reference Library and a recreational park in Mitchell Field, improvements to the children's shelter and the building of a new probation department annex next to the Family Court Building.

Also up are salaries, most of them by \$5,000. Included in the raise are the County Executive, the Comptroller, the County Clerk, the Chairman of the Board of Assessors, and the Supervisors, who got a raise "across the board" to \$15,000.

"What do you need an extra \$5,000 for?" asked one of the

newsmen. Caso explained that he had to raise a family and meet the demands of the top position in the county. He also pointed out that he can only get a raise in an election year, and if he did not get one this year he would have to wait for the general election of 1977. Not having had a raise in three years, he said the \$5,000. was a "seven-year raise."

State Mandated Programs.

About sixty per cent of the budget expenditures are required for programs mandated by New York State, including maintenance of Long Island Rail Road stations, employee social security and employee pensions. This percentage is up from about 40 per cent in 1964.

State aid, however, does amount to 13 per cent of the revenue received by the county, and federal aid, including \$25 million in revenue sharing, amounts for 20.8 per cent.

Thank you!

## Hearing Date Set On Acquisition Of Estate

The Town Board, November 13, set a hearing for December 11th on the acquisition of the Bruce Estate in Woodbury, according to Town Supervisor John W. Burke.

The 121-acre property borders Jericho Turnpike on the south, Southwoods Road on the east and Convent Road on the north. The Estate, comprised of gently rolling hills, is 40 per cent wooded, contains two ponds and has a large mansion that remains in excellent physical condition.

"We announced our intention to preserve this natural resource maintaining a greenbelt extending through the center of our Town."

The recommendation to acquire the Bruce Estate for recreational use, a major aspect in the future development of the suburban nature of Oyster Bay, came from the Town's Planning

Advisory Board and its professional planning consultant, Raymond, Parish and Pine, Inc. The consultants have also recommended that much of the terrain, particularly that which borders Jericho Turnpike, be kept in a natural state.

about a year and a half ago," said Supervisor Burke, "and sought Federal assistance for its acquisition. A \$1,125,000 grant has been approved by the Department of the Interior, the largest single grant ever received by Oyster Bay Town from the Federal government."

"The preservation of much of this land and its ultimate development as a recreational facility," continued the Supervisor, "together with the County's acquisition of the neighboring 280-acre Stillwell Woods property, will assure the

## Consumer Group Rates Levine

Assemblyman Stuart R. Levine has received a 91 per cent approval rating from the New York Consumer Assembly on the group's legislative report card. The consumer group rates all legislators on their votes on key consumer bills.

Among the measures supported by Assemblyman Levine were: creditor billing error legislation; voluntary certification of auto mechanics; unit pricing; no-fault insurance; a ban hazardous toys; expansion of the home solicitation sales Act; fair trade in drugs; the posting of prescription drug prices and the labeling of prescription drugs. The latter bill was sponsored by Assemblyman Levine and subsequently signed into law by

Governor Rockefeller. Assemblyman Levine was also the sponsor of a key consumer bill to mandate the advertising of prescription drug prices.

Don Elbersson, Executive Director of the New York Consumer Assembly, said that "Levine's record is very close to the top and is a record which obviously is in the best interest of the consuming public."

Assemblyman Levine indicated that he was happy to receive notice of his high rating and that the consumer would continue to have a high priority in his legislative program for the 1974 session. "We must continue to see that the consumer finds equity in the marketplace," Assemblyman Levine said.

## "Star Spangled Spectacular" Nov. 16

A "Star Spangled Spectacular", a medley of George M. Cohan's songs! The nostalgic hits of Cole Porter! Some great foot-tapping marches such as "On the Mall" and "Black N' White" How about some of today's hit tunes like "I Am Woman" or "The Six Wives of Henry VIII" by Rick Wakeman. These are just a few selections from the Second Annual Pops Concert planned for November 16, at 8:15 in the Hicksville High School Auditorium. It will be performed

by the Hicksville High School Symphonic Wind Ensemble, directed by Mr. J. David Abt, the Madrigals, and the Chorus, under the Supervision of Mr. Charles Arnold.

The Wind Ensemble has already performed at a meeting of the United Fund Campaign, at LILCO, in Hicksville.

The proceeds will go to the Hicksville High School Music Fund. An enjoyable evening is anticipated. Everyone is invited.

Supervisor JOHN W. BURKE

## REPORTS

In accordance with the President's recommendation, I have directed the Town of Oyster Bay's Commissioner of General Services to institute an energy conservation plan for all Town-owned facilities under his jurisdiction. These include the Town Hall, the two Town Hall annexes, the Department of Public Works offices and buildings and some dozen other buildings located in various communities throughout the Town.

Heating plants in each of the structures have been adjusted to maintain the maximum temperature between 65 and 68 degrees. Locking-type thermostat covers are being installed in a number of locations in the public buildings to prevent tampering with these adjustments. Additional storm windows are being fitted in the older section of the Town Hall, and air conditioning ducts on building exteriors have been tightly sealed.

All oil burners at Town facilities have been serviced by

heating system specialists and adjusted to maximum efficiency.

These measures are a continuation of an overall energy conservation program instituted by the Town this past summer to curtail unnecessary consumption of electric power. Our "Save-A-Watt" program, started in April, 1973, has resulted in a significant reduction in electrical consumption. All office lighting is turned off when employees leave at the end of each day, rather than being left on for the convenience of the night custodians. Air conditioning utilization was kept to a minimum this past summer and used only during peak heat periods.

A notice has been affixed to the dash boards of all Town vehicles directing that engine idling time not exceed three minutes. This measure was designed to reduce air pollution as well as conserve fuel. Operators of all Town vehicles have always been requested to observe a fifty-mile-per-hour speed limit when operating on highways per

mitting higher speeds. The Town's Division of Motor Vehicle Maintenance has increased the frequency of routine maintenance operations on Town vehicles with more emphasis being placed on engine adjustments for maximum operating efficiency.

In this energy crisis period, I urge all home owners to take similar steps to cut back on the consumption of fuel and other sources of energy. The cooperation of everyone should help to alleviate the impact of a critical oil shortage.

## RONCALLO REPORTS

By Congressman Angelo D. Roncallo

Last week I received some very disturbing news concerning the build-up of Russian troops and Russian nuclear-tipped warheads at three strategic hotspots around the world. The information was contained in an aerospace trade magazine article of which I had an advance copy.

Briefly, the Russian build-up consisted of nuclear-tipped warheads in Egypt, aimed at Tel Aviv and other Israeli cities; heavy artillery aimed at the U.S. Naval Base at Guantanamo Bay, Cuba, coupled with Cuban patrol boats outfitted to carry Russian STYX missiles and finally, 194,000 North Vietnamese troops supported by 750 Russian tanks, massed at Quang Tri in South Vietnam. The fact that the Russians are calling the shots on such a world-wide scale should wake up all of us.

I don't think we should dismiss this as any kind of a "Red Scare" matter. I think it is very important and deserves our immediate attention here in Congress.

As soon as I got this article I took it to the Chairman of the House and Senate Armed Services Committees for their reaction.

In my opinion, we may have gotten lulled into thinking that the Russians have softened. Obviously they haven't. If this information is true then we certainly seem to be wasting our time at the mutual force reduction talks in Vienna. If this is true, then the Russians are carrying out some sort of charade, and we would be best off realizing that these talks are a sham.

During the recent Middle East war, I said that we were up against the same energy we had fought before—in Vietnam—the Russians. They are orchestrating the whole thing, even going so far as having North Vietnamese and North Korean pilots fly Egyptian planes. However, the fact that they would risk nuclear weapons in the Middle East makes this a very grave situation.

We have got to keep hold of our priorities and not let our defenses slide. Russia would like nothing better than to take advantage of our political troubles here to grab some of the geography they've been after all along.

We would be naive to think that any genuine detente existed between our two countries. The latest Russian move confirms that.

If the Russians pushed hard at Guantanamo Bay they'd be in Florida. If they push in Vietnam they would force us to face the agonizing issue of reinvolverment over there.

They have already tried

pushing in the Middle East. We responded with a full scale military alert and they backed down. Unfortunately, it seems that we will have to go on reminding them every so often that we are as strong as we ever were and just as committed as ever to the defenses of the Free World.

However, the fact that they would risk nuclear confrontation ought to make each one of us stop and think before we dismiss them and their threat.

## Washington Report

Congressman  
**NORMAN F. LENT**  
1st District, New York

### "PROJECT INDEPENDENCE"

The President's address to the Nation last week was refreshing in many ways. What we saw and heard, for a pleasant change, was our Chief Executive earnestly fighting a national ill other than Watergate. The subject, of course, was what has now become a severe domestic energy shortage.

There is no question but that our recent commitments to Israel, and the ensuing boycott on exports of oil from the Arab nations to the United States and some of our allies, has taken an expectedly tolerable squeeze on our oil supply this Winter, and turned it into a real crunch.

Now, all of us must join together in bearing the slight discomforts that the President and others of us had regrettably foreseen, by making every reasonable individual effort to cut back on our ravenous appetites for energy. I believe that, in the midst of the current "power play" as to how much energy is enough, we in Long Island's 4th Congressional District have a special interest.

The President, frankly offered several pleasant surprises in his address. I had long been calling for a "Manhattan Project" to advance the pace of research and development into alternative sources of energy, and the President made a genuinely firm commitment, in inaugurating "Operation Independence" - to achieve energy self-sufficiency for the United States by the end of his decade.

In doing so, he offered a broad selection of reasonable avenues toward fuel conservation: He accepted the arguments of those of us who had been calling for a return to Daylight Savings Time on a year-round basis; he asked that we lower our thermostats

and our driving speeds in an effort to conserve fuel, and set a respectable example himself, through his directives making many cutbacks in White House energy demands. He recommended standby authority, through an Emergency Energy Act, to reduce the number of under-booked commercial airline flights, and offered other useful strategies toward a moderation of the problem.

Through his willingness to tap a more realistic proportion of our 600-year domestic supply of coal; through his willingness to suspend, on a case-by-case basis, some of the nation's increasingly stringent air pollution control standards, he was forced to suggest a temporary step backward in our slow but steady progress toward a cleaner environment.

For the short term, we environmentally-conscious Long Islanders might feel that some of the steps outlined by the President are unfortunate compromises, but we should also bear in mind that he did NOT keynote his speech with the tempting demands for immediate retrieval of vast potential oil and gas deposits from the Outer Continental Shelf off Long Island. Under the circumstances, we should be grateful for that understatement, and, through our cooperation in the President's suggestions, see that such exploitation will never be necessary before clean alternative sources of energy are serving our domestic demands as its substitute.

### Grand Jury Calls Yevoli

Lewis J. Yevoli, sole Democrat on the soon to be all Republican Oyster Bay Town Board, called a press conference on Tuesday to announce that he had received a subpoena to appear before the grand jury on Friday, November 16th regarding charges of corruption he has leveled at Town officials.

Mr. Yevoli, who ran unsuccessfully against John W. Burke for Town supervisor, has charged that corruption exists in the town in regard to the bond issue and purchase of the Plainview landfill, the rezoning of a parcel in Woodbury to apartments; and the renovation of a town official's home. All of these charges are currently under investigation by the office of District Attorney William Cahn. Supporting Yevoli in his charges are leaders of the South Woodbury Taxpayers Association, the Greater Plainview Community Association, and the Washington Avenue Civic Association in Plainview.

## The Dangers of Hitchhiking

A new brochure pointing up the extreme danger of hitchhiking to those thumbing rides has been published by the Joint Industry Committee for Highways (JICH), an association of highway construction-related industries in New York State.

Titled, "Jamie Evans Thought the Bus Was For Squares," the copyrighted brochure warns that assaults by motorists against hitchhikers has grown into a major, national crime wave. The criminals are rarely caught since their crimes are well planned, and usually sexual offenses which the victims are too embarrassed to report, the brochure points out.

"As a statewide association concerned with highway safety, JICH is naturally concerned about the mounting number of crimes against young people who are hitchhiking on our roads and who are obviously unaware of the

real dangers that face them," stated Harry R. Hayes, JICH chairman.

"In report after report of violent crimes by mentally deranged individuals, there are too frequently cases, where young, innocent hitchhikers were the victims of these sick minds. And sexual assault, against both boys and girls, is the number one offense," Hayes said.

The brochure is written for young people, their parents and community leaders. "We hope that every young hitchhiker in the state, and every parent, will read this brochure and realize that hitchhiking is not harmless fun. It's dangerous. And no matter how smart hitchhikers think they are, the truth is that the odds are against them," Hayes explained.

JICH is currently distributing the brochure statewide to school superintendents, legislators,

local police, the news media, and other public interest groups, Hayes noted.

Members of the Joint Industry Committee include: Associated General Contractors of America, Empire State Concrete and Aggregate Producers Association, Inc., New York Committee, Portland Cement Association, New York State Bituminous Concrete Producers Association, Inc., New York State Concrete Pipe Association, Inc., New York State Construction Equipment Distributors, Inc., and the New York State Crushed Stone Association, Inc.

For information on how to obtain copies of the brochure the public is encouraged to write to the Joint Industry Committee for Highways, Box 29, State Office Building Station, Albany, New York 12225.

## Oyster Bay Historical Society News

The Society's Historical Walk, "The Hamlet's Architectural Heritage," by Robert B. MacKay, Program Director, Society for the Preservation of Long Island Antiquities, was attended by about one hundred persons on Sunday, November 11th.

The Tour started in front of Commander Oil Corporation at the Foot of South Street, Oyster Bay. Mr. MacKay, a doctoral candidate in architectural history, led the group along South Street to West Main Street, stopping several times to describe the oldest and most significant buildings architecturally. The route included Orchard Street, and continued across South Street up Summit

Street to Bayles Hill. Mr. MacKay continued to East Main Street, ending at the First Presbyterian Church with a description of the building's stick-style architecture. Mrs. Franz Schneider offered refreshments afterward at The Printery on West Main Street.

The second historical walk will be held on Sunday, November 18th. This will cover "Theodore Roosevelt's Oyster Bay," and will be given by Mrs. Harold R. Kraft, Curator, Sagamore Hill National Historic Site, and Trustee of the Historical Society; and by Mr. William D. Johnston, Society Trustee, and the author of two books about Theodore Roosevelt. Time for this walk is 2 p.m. and the meeting place will

be in front of the Oyster Bay Long Island Rail Road Station - the scope of Theodore Roosevelt's arrivals and departures on Oyster Bay visits during his years as 26th President of the United States. Tea afterward at Parish Hall, Christ, East Main Street, Oyster Bay.

The third historical walk, "Bicentennial Sites and Incidents" will be held on Sunday, November 25th, at 2 p.m. starting at the Wightman House, 30 Summit Street, Oyster Bay.

The Public is invited to these historical walks without charge.

The Wightman House, owned and restored by the Town of Oyster Bay, is open to the public Sundays, Tuesdays, Wednesdays from 1 to 4 p.m. Admission free.

## IBA News From JFK

## Most Outstanding Girl Hockey Player

When someone said, "a picture is worth a thousand words", there could be no doubt in anyone's mind that the picture of Darlene Wright tells it all. Darlene is a member of the Hicksville High School Varsity Field Hockey team. She is not only a versatile player, but also has a 95 percent average in her academic work. As a wing, Darlene works with the rest of the forward line, consisting of Janet Travis, Laura Tricarico, Heidi Shikowitz and Claudia Weikman, to pass the ball down the field to score.

The girls on both the junior varsity and varsity hockey teams work very hard starting early in September and continuing through the middle of November. With the combination of practices and games, the girls are busy every afternoon of the week. This season, both the varsity and junior varsity teams had winning seasons with records of 4-3-1 and 4-2-2, respectively. The teams

hope to continue to do as well next year even though we will be losing seniors, Joan Shikowitz (goalie), Vicki Losito, Margaret Caesar, Debbie Brandon, Carolyn Massey, Lois Hallday (defensive players) and MaryAnn Gaetani (offensive line).

At the end of the season, the members of the teams vote for the most valuable players on each grade level and one girl as the most outstanding player. This year the players were: sophomore, BETTY VOORHIES; junior, LAURA TRICARICO; senior, VICKI LOSITO, and most outstanding, DARLENE WRIGHT.

The coach, Miss Feuerstein, says this season has been a rewarding experience for each girl not only as a player, but as a person learning to help others as well as take criticism.

Thanks to all the girls for a good season.

The 1973 Intramural Basketball Association season is upon us. The sixth annual Intramural Basketball Association season, led by Commissioner Dan Martensen and his able assistant, Glen Courounis, will get under way November 6. This program started six years ago with only eight teams. It has now grown into a 30-team league, with almost 200 boys participating. Those teams are broken into two conferences, the National and the American, which is further broken down into three divisions of five teams each. Each session has brought with it many good teams and exciting action.

Last year, the powerful Royal flush team dominated the league and won the championship. This year, there are a number of strong teams hoping to follow in the Royal Flush's footsteps. We have a number of varsity ballplayers coaching teams this year, which adds a touch of class to the league. A new phase of I.B.A., a 64-man one-on-one competition, will be tried out this year. Each team will select two players from their squad to compete in this Round Robin tournament — the winner collecting a fine trophy. All in all, the coming season looks like it will be a smashing success.

## ST. IGNATIUS YELLOW JACKETS GAIN FINAL VICTORY

With a 27-0 victory over Holy Family their competent rivals from the other side of Hicksville at Hicksville Sr. H.S. last Sunday the St. Ignatius Yellowjackets ended three years of fine football with a record of 25 wins 3 losses and 2 ties in the Catholic Grammar School Football league.

Compiling this record

over the last three years coach Ted Stry saw inexperienced boys of 9 and 10 yrs; old develop into fine football players but most of all into fine young men. These boys will move on to High Schools spread out through Nassau County and make many a Freshman coach smile next fall. Spread out over the last three years this team has scored 89 Touch-

downs and allowed only 14 to the opposition with only 4 of these coming through their fine defensive line.

These boys who have compiled this record have made the last three years very enjoyable for their coach and his assistants who in turn thank the parents of these fine young men for the privilege of coaching them.

PHOTO L TO RT. Bottom row: T. McDonald, J. Shubert, J. Gennero, C. Bergin, J. Johnston, J. Rupp, J. Santo, R. Simonello, F. Collichio, R. Corrado  
Middle Row: J. Mortati, R. Fremgen, C. Wayte, J. Atten, R. O'Connor, R.

Muller, G. Stry, J. McInerney, J. Haggerty.

## Mineola Shutout Hicksville

By Paul Cutrone

This shutout marks the second time this season the Comets have been scoreless. This shutout was the result of the Comets chronic inability to score when inside the enemy 15 yard line. The Comets have repeatedly shown their ability to drive deep into enemy territory and this game was no exception. On three separate occasions the Comets drove inside the enemy 15, 10, and 5 yard line only to have the offense stall out just short of the score. The Comets mediocre performance on the ground can be partially blamed on the injury to halfback Sam Lippen but the passing game had no such alibi.

The offensive line provided excellent protection for the Comet quarterback yet receivers were missed and two interceptions were thrown, one for a Mineola T.D. The Comets followed a familiar pattern by going successfully to the air only in the final minutes. This time the clock applied the defensive pressure, running out with the Comets 5 yards from a score.

The irony of this game lies in the fact that Mineolas 12 point offense consisted of a mere three plays. They were unable to mount anything resembling a drive all afternoon due to Hicksvilles tough defense. Their second quarter score was set up by a

yard dash through the middle by Mineolas Joe Gato. Doug Borstel dove one yard for the score. This was the Hicksville defenses only mistake of the afternoon. Mineolas defense scored its second touchdown in the fourth quarter when Pat Kowalski picked of an errant sidelines pass and went 55 yards for the score.

Hicksvilles final game of the season will be played away against top-ranked Syoset. This game is a must win for Syoset to clinch North Shore I. The Comets chances are slim and depend on Syosets over confidence and its own offense putting things together for a few scores.

## PLAINVIEW - OLD BETHPAGE HIGH SCHOOL Sports News

By Joe Dowd

Plainview closed out its home season at Norman E. Merry Memorial Field last Saturday by losing its fourth straight to Westbury High School. The score was 14-6, and was Plainviews sixth loss in seven weeks. To say it has been a rough season would be an understatement. Plainview has lost in every way imaginable from lopsided shutouts to games such as last week which were lost in the last minutes.

Plainview tied the score at 6-6 late in the fourth quarter on a 2 yard plunge by Rich Owen Gary Burke's 28 yard catch of a John Lupo pass set up Plainviews only score. Westburys first score came on the first offensive play of the game when Plainviews Lupo threw an interception to Al Stevens of Westbury. Stevens raced 30 unimpeded yards to the goal.

The Gulls lost the game late in the final period. A 33 yard run from scrimmage by Don Promosich gave Westbury the lead and the game. The touch down was set up by a punt kicked after the Plainview 3-0. The punt kick gave Westbury the field position. The successful two point conversion made the score 14-6 and Plainviews record 1-6.

Even deeper than the lack of size or superstars are the

problems of the Plainview Football team. Their problem is mostly in their psyche. It has been drummed into them that they are losers because of their size or their youthful inexperience. In their one and only victory this season, Plainview showed signs of a championship contending team that was able and willing to take on anyone, no matter what size, shape or color jersey. That attitude was unique to that game against Glen Cover. You cannot be a winner unless you believe you are one. Plainview does not or perhaps cannot believe.

Plainviews Homecoming Queen and her court were presented by football team

captain Mark Weinberg on Saturday, November 10th. Lorraine Currier had been elected queen; her court consisted of Jeanne Walicki, Sally Ehlenger, Kim Kepke, Joanne Keough, Pat Garrigan, and Vicki Heister. During half time the cheering fans enjoyed the ceremony of the crowning of the queen and the entertainment presented by the 77 member band, the dance team, color guard, and twirling units. As the band marched off the field a trumpet solo was played by Joe Dowd. He had chosen "Tribute to Sachmo" in honor of the great trumpet player, Louis Armstrong.

## London's Police

Recently a London police officer shot and killed a fleeing bank robber. London bobbies are unarmed but in this case an officer assigned a pistol for a special purpose accidentally encountered a bank robbery in progress, fired when the robber failed to halt.

This caused much speculation and consternation in England. It had been some sixty-four years since a London policeman had shot and killed anyone! Likewise, few policemen in England are killed by criminals; in 1972 not one in England or Wales was killed.

The English feel they have a problem as a result of the recent shooting. What a contrast with conditions in this country!

**LA TUNA COMES TO HICKSVILLE.** VIVA LA TUNA! This is no fish tale. It has nothing to do with Charlie the Tuna. La Tuna is a group of Spanish student minstrels from the University of Barcelona, Spain, which is coming to perform at Hicksville Senior High on Tuesday, November 20, at 8:00 p.m.

The young men come garbed in traditional 16th century costume of black velvet breeches and capes. The cape serves as a cover and a place to pin the many colored ribbons given to the "Tuna" by admiring señoritas. The "tunos" play a variety of instruments — bandurria, tambourine, guitar, mandolin — as they sing traditional student songs, delighting the audiences with

their contortions and clowning. It is like a scene right out of an El Greco painting.

Members of the Spanish Club have been busy preparing for the performance and for a reception honoring the "tunos." Carol Stella, president, informs us that preparations include the sewing of Spanish costumes by the Hicksville señoritas who will act as hostesses and present the dashing young men with Hicksville ribbons.

Anyone interested in attending this unusual serenade may contact any member of the Foreign Language Department at the elementary schools, junior high school, senior high school or call 733-2089. Donation is 50 cents.

## Church Fair Very Successful

"This is the biggest and the best fair we have ever had," commented Mrs. Dora Darling of Hicksville, a member of Trinity Lutheran Church for many years. This was the feeling of hundreds who attended Trinity Lutheran Church's annual Church Fair on Saturday and Sunday, November 10 and 11. Featuring mostly handmade articles of every nature, this year's coordinators, Mrs. Irene Gropp, Mrs. Charlotte Krumm, and Mrs. Alfred Fred involved over a hundred people in preparing thousands of items. "It is especially satisfying to involve women who are widowed and live alone. While working on various projects several have become good friends," mused Mrs. Gropp. A shopper at this year's Fair could purchase homemade cakes, jellies, candies, knitted and crocheted articles, hats, birdhouses, shell craft, jewelry, Christmas decorations and many

other items. There was also a huge white elephant table, cheeses, and a fine collection of Christ-centered Christmas cards.

Other special features were an exhibit of Mrs. Lubby Kozma's dolls from around the world and a delicious luncheon coordinated by Mrs. Jeannette Innes, Mrs. Florence Keller, Mrs. Dorothy Byron and Mrs. Dorothea Spataro.

On Sunday morning the members of the parish were served a continental breakfast by Mrs. Lynda Henderson, Mrs. Dorothy Enderle, Mrs. Joan Allen and Mrs. Janice Zakian, helped by many volunteers. The Reverend John H. Krahn, Pastor of Trinity, commented, "Our Church Fair is very enjoyable for everyone. I know my wife and I enjoy going to it every year and love to see the fine spirit of love and cooperation among our members."

MRS. EDIE REMENSNYDER (left) and Mrs. Al Fred (right) look over some of the many handcrafted items at Trinity Lutheran's recent Church Fair.

## Frank Warner Folk Concert At the Library

Frank Warner, well known folk singer and student of American traditional music, will present a concert of American Folk music on Sunday, November 18, 3:00 PM at the Plainview-Old Bethpage Public Library.

Mr. Warner has long been actively engaged in the collection, preservation, study and interpretation of this uniquely American brand of folk singing. Among the songs he has discovered and introduced to the public at large are "He's the Whole World in His Hand" and "Hazy Down Your Head, Tom Doole." The concert will be

accompanied by an exhibit from Mr. Warner's collection of photographs of the dying breed of folk singer whom he has interviewed over the years while traveling through the backwoods of the U.S. collecting the traditional music of our nation.

Carl Sandburg once said, "I consider Frank Warner perhaps the best singer of folk songs in America."

Free tickets for the concert will be available at the Library beginning November 11 with priority given to local school district residents.

## Indian Mission Night

The American Indian has been one of America's most forgotten group of people, and yet they had a culture that few know anything about. The children of Sister Joan's seventh grade Social Studies class has devoted this semester's work to the American Indian and Monday night, November 19th, at 7 P.M. they will hold an Indian Mission Night in the Holy Family Church Auditorium.

They would like to share with you the opportunity to learn about the different cultures of North American Indians which they are studying this term. Most

of all, they ask your help in their fundraising efforts to assist the Sioux Indian children living on the Red Cloud Reservation in North Dakota. These children are the descendants of the once proud people who lived in what is now our United States. They are just a small part of that group who are truly "forgotten Americans" — the Indian.

At the Indian Mission Night the children hope to provide you with refreshments, entertainment and Indian handicrafts.

They are looking forward to seeing you and promise you a most enjoyable evening.

## Hicksville Hibernians Elect John Connolly President

Hicksville - John Connolly, of Princess Street, Hicksville, was unanimously elected President of the Commodore John Barry, Division Eleven, Ancient Order of Hibernians, at the regular meeting held at the Knights of Columbus, in the community, on November 8.

Other officers elected for the fraternal year 1974, include: Vice-President-Francis Larkin; Recording Secretary-Michael Cronin; Financial

Secretary-James Brogan; Chairman, Grievance Committee-Honorable Francis J. Donovan;

Marshal-Daniel Donovan; Sentinel-Eugene Harty.

President Vincent Jones announced that the Division Officers and Ladies Auxiliary will be installed by the President of the Nassau County Board at ceremonies to be held Sunday afternoon, December 2, 1973, in the chambers of the Joseph Barry Council, Knights of Columbus, 45 Heitz Place,

Hicksville commencing at 3 P.M.

Immediately following the installation a reception will be held for the elected officers and distinguished guests. At the top of the list will be a warm welcome for our Brother John W. Burke, who was elected in a great victory to a third term as Supervisor of the Town of Oyster Bay.

## A.C. S. Branch Being Formed In Hicksville

Conquest of cancer, a disease that affects more than 12,000 Long Island residents, is the goal of a Branch being formed by the American Cancer Society to serve the Hicksville area. Residents wishing to join this Branch and participate in the crusade against cancer are requested to call or write Pat Miller, 158 Myers Avenue,

Hicksville 681-6113.

Members of the newly formed group will help further a program of research, public and professional education, the Cancer Detection Center, patient services and rehabilitation. Mrs. Miller urges all community minded citizens to come forward now so that "cancer may be wiped out in our lifetime."

## On The Campus

Daniel Stelek, a senior psychology major son of Mr. and Mrs. John Stelek, HICKSVILLE, of 21 Peachtree Lane, was named to the Elphinstone Nott Scholars at Union College.

John Tillem, a senior at The Johns Hopkins University in Baltimore, has been elected treasurer of the Student Council, the undergraduate organization for the coordination of student activities.

The son of Mr. and Mrs. J.B. Tillem of 17 Lehigh Lane, Hicksville, John is majoring in chemistry and will graduate in May.

Aside from his duties on the Student Council, John is chairman of the Student Activity Commission, a freshman advisor, founder of the Student Council movie program, a member of the Sigma Nu social fraternity, a member of the Bridge Team, and a member of the Orientation Committee.

Theodore Stefaniw, a sophomore at The Johns Hopkins University in Baltimore, is a member of this year's varsity football team.

The son of Mr. and Mrs. J. Stefaniw, of 43 Oak Street in HICKSVILLE, Theodore is majoring in environmental engineering at Johns Hopkins.

A fullback for the team, he is also a member of the Phi Gamma Delta social fraternity, and plays varsity lacrosse.

## John F. Kennedy High School Football News.

After upsetting MacArthur 7-0 on November 3 on a superb defensive showing by Kennedy, and a 20-yard pass from running back Pete Cerrone to Quarterback Jimmy D'Angelo late in the fourth quarter, the Eagles moved into a tie for second place. But a week later, Kennedy was upset by Glen Cove High School 14-6.

After a first half which saw Kennedy fumble, the

Eagles came back with a touchdown. Glen Cove Quarterback Jamie Braverman tried to throw a screen pass. Brian Dunne intercepted it and ran 40 yard for a touchdown. The two-point conversion was no good and Kennedy led 6-0. But Glen Cove fought back and drove 70 yards for a touchdown. The two-point conversion was good and Kennedy trailed 8-6. Trailing by two with only

five minutes remaining, Kennedy tried an end around. The ball was intercepted. Glen Cove ran it 38 yards for a touchdown. Time ran out on the Eagles as they attempted to take the lead. Kennedy is now 4-3.

The J.V. Football team defeated MacArthur 26-24 as Keith Parower scored four touchdowns in Kennedy's first victory. A week later, Kennedy lost to Glen Cove 20-6.

## J.F.K. Focus on French

By Steven Kantor

At John F. Kennedy High School, Mrs. Albertine Griffith's French classroom was recently the setting for a film sponsored by the American Association of Teachers of French.

In the fall of 1970, the National Office of the A.A.T.F. voted to support with financial backing a project called "Focus on French". The filming segment of the project is co-chaired by Mrs. Marcella DeMuth, Foreign Language Team Chairman at Mattlin Junior High School, and Mrs. Francine Johnston of the Great Neck Public Schools.

The film opens with three interview scenes in which Marie Maffucci, former staff member of Mattlin Junior High School, is the candidate for a French position. The roles of interviewers are played by Mr. Melvin Brenner and Miss Connie Klinking of John F. Kennedy High School, and Mr. Jack Griffith, Old Bethpage resident. Four outstanding French programs

utilizing innovative techniques are presented in the film:

1 Individualized instruction at Central Junior High School in Greenwich, Conn.

2 A program focusing on African culture in Boys' High School, Brooklyn.

3 A conversation program using cassettes at Wheatley High School, East Williston.

4 A program at Great Neck North Senior High School in which the teacher trains her student to teach French in the elementary schools.

Students in Mrs. Griffith's French II and French V classes select individual projects which are of special interest to them and develop them from a French point of view. For instance, students interested in the theatre write and present an original play or may adapt a story and present it in the form of a puppet show; those interested in music study the life and works of French musicians and play some of their works and explain their compositions. History students concentrate on a special period in French history with maps and written accounts. Each student has the opportunity to research and develop some work in his special field of interest or hobby. This gives the student an opportunity to read, write and speak French with a vocabulary more relevant than "la plume de ma tante". The director-producer of the film was Mr. Daniel J. Maillet, Director of U.S. Customs, National Training Center. The director of photography was Mr. J.A. Bilboa who is the camera man for Par Productions and the film editor was Mr. Harry Noack of C.B.S. Mrs. DeMuth and Mrs. Johnston were the technical directors of research and the script writers. The narration is done by Mr. Leo Benardo, Chief of Bureau of

Foreign Languages, New York City. Over 100 students in Mrs. Griffith's French IV and French V classes were involved in the production of the film.

For rental or purchase of the film, you may address Mr. Daniel Maillet, Meadow Street, Garden City, N.Y. The film is also available to A.A.T.F. members through their local chapters.

## Dutch Ministry Visits Woodland Ave. School

Mrs. Eegje Schoo, Montessori expert from the Dutch Ministry of Education, visited the Woodland Avenue School's individualized program last week. The Dutch Education Department is preparing to write an individualized program patterned after the program already established at the Woodland Avenue School. Some members of the Hicksville staff have already been asked if they would act as consultants with this project.

## Pre-School Registration

Registration for the cooperative Pre-School Program at the Burns Avenue School will be held on Monday, November 19, at 8 P.M. in the All-Purpose Room.

Any child who will be four years old by December 1, and is eligible for kindergarten in September 1974 in the Burns Avenue School may participate in this Pre-School Program which will begin in January 1974.

## At The Hicksville Library

The Hicksville Public Library will present "The Three Penny Opera" on Friday evening, November 23 at 8 p.m. in the library auditorium.

The play written by Bertolt Brecht in 1928, with music by Kurt Weill, was freely based on John Gay's "The Beggars Opera" (written in 1728). This film, made in Germany in 1931 has endured through the years as a classic pre-war German film. Lotte Lenya, Weill's wife, stars in this cinema masterpiece.

On Thursday, November 29, the final film of the 1973 Fall Cinema Series will be "The Paradine Case".

The Fall Cinema Series was presented with the co-operation of the Nassau Library System. All the library film programs are

free and all the community are welcome.

The Hicksville Public Library will present Ian Shapinsky in a piano recital on Sunday afternoon November 18th at 3 p.m. Mr. Shapinsky is a gifted young American pianist, a graduate of the Juilliard School of Music with a Master of Science degree. Among his teachers have been the foremost pianists and pedagogues, including Madame Rosina Lhevine, Nadia Reisenberg, Ania Dorfman, and Jache Zayde.

This program is provided free to the community by a grant of the library from the Nassau County Office of Cultural Development, Ralph G. Caso, county executive, John W. Maerhofer, director.

## Mid-Island Ecumenical Council To Meet

The Mid-Island Ecumenical Council will meet Sunday, November 18, at 7:30 P.M. in Holy Family R.C. Church, 5 Fordham Road, Hicksville. At the meeting following the Prayer Service there will be an election to fill vacancies in office created

by retirement. Plans for Council Caroling at Mid-Island Shopping Plaza during Christmas Week will be discussed and the tentative schedule for the Week of Christian Unity will be presented. All delegates are urged to attend this important planning session.

## Burns Avenue P. T. A. Membership

Helen Kovalchik and Ann Mele, Membership Chairmen and all of the Burns Avenue P.T.A. take great pleasure in announcing that the teachers at Burns Avenue

School have attained 100 per cent membership in the P.T.A.

It is always a joy to see parents and teachers co-operating so well for the good of the children.

## Woodland Ave. PTA To Hold Discussion

Woodland Ave. PTA presents a topic that will be interesting to all parents and teachers.

Dr. Joseph of "LoGiudice School Psychologist will speak on "Developmental Problems of School Age Children". Also a film will be shown called "If These Were Your Children".

Dr. Joseph LoGiudice is

a consultant to Family Counseling and Child Caring Agencies, also with Government Compensatory Education Programs.

Brief PTA meeting will be held and program will follow Tuesday, November 20, 8:15 P.M. Refreshments will be served. This program is open to all interested parents. Thank you.

For the past thirty-two years, Trinity Lutheran Church, 40 West Nicholas Street has had the pleasure of having the Reverend Edward H. Stammel serve as its Pastor. The Reverend Stammel first came to Hicksville in 1941 with his wife, Lydia, to serve as an unordained assistant pastor. In 1943 he was called to be the Pastor of Trinity Lutheran Church.

Over the years the Reverend Stammel has worked to build the Church to the Glory of our Lord Jesus Christ. The Christian Day School, now celebrating its twentieth anniversary, was one of the many fruits of his energies, as was the acquisition and planning of Long Island Lutheran High School in Brookville.

Because of his outstanding abilities, the Lutheran Church at large called him to serve in many capacities: as Director of the

campaign for the Science-Library Building at Concordia College, New York, on the Parish Education Committee for the Lutheran Church-Missouri Synod, as a member of the Board of Directors of the American

Lutheran Publicity Bureau to name just a few.

Throughout his ministry he has received a number of awards for his work. In 1963 while serving on the American Lutheran Publicity, Pastor Stammel was given an award by the Freedom Foundation at Valley Forge for his "Silent Prayer Bookmark." In 1967 he received the Community Achievement Award by the Knights of Columbus and also the "Pro Deo et Schola" from Long Island Lutheran High School.

On Sunday, November 18th Pastor Stammel will preach his last sermon at Trinity Lutheran Church as he has accepted a call to Grace Lutheran Church in St. Petersburg, Florida. The congregation is sad to see their Pastor leave, but they wish him God's richest blessings as he begins his ministry in Florida.

## Hicksville Soccer Club News

The weather went unnoticed in the excitement of the 4th weekend of the Hicksville American Soccer Club play, the players, parents and spectators showed renewed vigor, perhaps resulting from the nationwide coverage of our sport by Channel 13's W.E.D.S. and Channel 2 - WCBS-TV. We recommend following Channel 13's coverage of soccer games of highest caliber and outstanding interest.

The 5, 6 & 7 year olds at Catiague Park in a game between New Jersey and Virginia saw a 2-1 New Jersey victory. Both winning goals were by J. Freese while J. Rubin assisted J. Habersaat for the Virginia score. Virginia's goal keeper, T. Lewis demonstrated outstanding talent. In the second game Georgia defeated New York 4-0. The quality of play was much higher than the score indicates.

Later, on the same field, Maryland defeated S. Carolina 7-0 with scores for Maryland by J. Mohin (3), K. Cahalan (2), D. Burke (1) and J. Harkins (1). G. Tyranski was the obvious defensive player of the afternoon for S. Carolina. In the same age level, Rhode Island beat N. Carolina 4-0 with all scores by J. Mitchell, 2 assists by R. Klein and 2 other assists by G. Zakian. N. Carolina was kept in the game by the work of K. Normale, goalie and E. Sneden & G. Gagliano.

Meanwhile at Lee Ave., the older group displayed their talents. N. Hampshire with 1 goal by H. Fulton lost to Massachusetts whose 2 goals were scored by L. Strickland and M. Rubin. N. Hampshire's Herb Fulton drew the attention of many spectators and coaches;

while R. Skrynsnecki pushed the offense from right wing continuously. Defensive fullbacks R. Spiers & P. Harkins kept the game under control for both halves. In the second Lee Ave. game, Pennsylvania came from behind to defeat Connecticut 3-2. Winning goals for Pennsylvania scored by M. Bell (1) and S. Solaski (2) while Connecticut scoring efforts were by J. Shannon (1) & T. Handshuh (1) in the tightest game of the day. Special commendations to A. Marcus & M. Humphrey at goal for Connecticut and Scott Cahalan, goal keep for Pennsylvania.

Sunday November 11th was the setting for 6 games at Catiague Park and Lee Avenue. In the youngest league, Georgia defeated Virginia 2-0. Goals were scored by B. Cresham with the offensive effort of R. Nakashian, L. Sneddon & J. Morrisro. Lewis Todd, goal keep for Virginia with defensive work by W. Verhagen & T. Wenzler kept the game exciting. Later, Delaware rolled over New York 7-0. Delaware scores were by D. Bell (2), W. Cheslock (2), T. Levy (1), M. Sini (1) & D. Smyth (1). Hustling defensive effort for N.Y. was provided by E. Geigle, R. & J. Youngs & F. Fratini.

In the 8 & 9 year old group, N. Carolina lost to S. Carolina 3-1 when D. Barcavage & G. Tyranski scored winning goals against outstanding defensive play by goalie A. Marcus of N. Carolina. Offensive play by G. Leon and N. Carolina scorer, R. Villalta was frustrated by S. Carolina Fullback S. Peper. In the same age level, Maryland crushed Rhode Island 7-0. Scoring for the victors was Kevin

Cahalan (3), R. Zaretsky (1), J. Harkins (1), M. Singer (1) & Eric Brown (1). Aggressive play by Rhode Island's K. Normale, G. Zakian & G. Gagliano helped keep the game exciting. The Maryland team has been undefeated upon so far this season, and they have scored a total of 30 goals to date.

Across town, at Lee Avenue, Connecticut beat N. Hampshire 2-0, with scores by M. Humphreys and T. Handshuh for Conn. The Dunne boys at goal for N. Hampshire in spite of heroic efforts, could not contain Connecticut's forward line, captained by J. Shannon. In the 2nd game heartwarming "makes-it-all-worthwhile", exhibition of sportsmanship, happened in the closest, hardest fought game of the day with the instantaneous, humanitarian concern of two Mass. players. Steven Playne & Sal Musumeci for the injured Penna. goalie, Scott Cahalan. Massachusetts defeated Penna 3-2, as the teamwork of M. & H. Neidercorn on the inside line helped provide the opportunity for 3 scores by D. Barcavage. Defensively, T. Delvin & G. Gates (goal keep) for Mass prevented S. Solaski & M. Bell (Penna) from scoring more than 1 goal apiece in spite of their strong hustling efforts. Meanwhile Norm Stafford at center half combined with Scott Cahalan, goal keep, in defensive efforts that made the game undecided down to the wire.

League play for our fall season ends next week. Come catch a final game. Soccer has grown more in Hicksville than anywhere; thanks to our coaches, commissioners, players, parents and supporters.
