Hicksville Public Library - Proposed Budget 1974-75

The proposed budget for the Hicksville Public Library is \$27,829.99, an increase of \$62,382.40 over 1973. The budget reflects rising costs in personnel, periodicals, equipment, utilities and certain administrative expenses relative to a shift of part of our collection to the lower level of the building. This move is necessary if we wish to continue normal expansion of our collection. Periodicals will be shifted to the small meeting room with the present periodical room used for fiction. We estimate that this move will provide additional space for 12 - 15,000 additional volumes. While the new location of the periodicals may result in some inconvenience to the general public, it may be offset by the advantages of locating the fiction in an area more suitable for browsing. Generally speaking, the budget is as conservative as possible with no considerable increases in staff or services. No new staff members are planned and the services are only marginally expanded. The most important new service is the continuance of the experimental Sunday opening from 1 - 5 p.m., for 40 weeks a year. This has been successful from the beginning with hundreds of users borrowing books and using reference material each Sunday that we have been open.

Herald Report Hicksville School District

By Shirley Smith

Last week's meeting of the Hicksville Board of Education was quiet and routine with little controversy.

The board granted the library's request for use of the district addressograph, in connection with its budget vote. The library will assume all expenses involved, as it did last year.

Robert Pirrung, board president, announced the upcoming BOCES annual meeting and board election April 1. He encouraged interested Hicksville residents to seek a position on the BOCES Board of Education. The

Hicksville Bd. of Ed. To Meet March 13

The Hicksville Board of Education will hold its next public meeting on Wednesday, March 13 at 8 PM in the Conference Room of the Administration Building. The public is invited to attend.

deadline is March 21 and you must apply through, and be nominated by, your local school board. Board trustees of component school districts elect all BOCES board members, who then serve 5-year terms. Each component district has a certain number of votes, depending on its size. Hicksville School District has more students attending BOCES than any other district, but no one on the board.

Mr. Pirrung commented on recent reports on drug abuse in Hicksville schools. He said, "We are no better or worse than other districts; the situation is not serious. But we must address the problem whether it involves one or 100 students." He reported the school board is not satisfied with the current drug program. It may be funded for another year, but the board of education must review a new program and: (1) Develop a health curriculum relevant to students today, at all

levels; (2) Work with the staff in the schools, training them to deal with problems.

During the public session, Victor Lubash commented on the "sloppy" fire drill procedures at the Junior High last week, when a short circuit in the smoke detection unit caused the fire alarm go off. There was a great deal of confusion, with some students leaving the building immediately, others going to their lockers first, and still others never leaving the building. Administration is checking into the situation in an effort to prevent a recurrence of the situation.

The school board approved an additional Adult Education tennis course, but tabled a recommendation to make summer elementary and secondary school a contingent budget item.

The next school board meeting is Wednesday, March 13 in the Administration Building.

American Soccer Club Hosts Third and Final Indoor Tournament

Sixteen Bantam teams, representing 12 communities across the Long Island Metropolitan area, fought for winter season supremacy on February 23rd & 24th at the Hicksville High School. Every team showed its skill and determination from the opening buzzer on Saturday till the final game on Sunday. Three Hicksville American teams again proved their mettle by surviving the elimination rounds on Saturday and returning Sunday for trophy competition.

The Hicksville American Blue Team, coached by Tony Camara, made the semi-finals together with Deer Park, Massapequa A and Gotschee. Massapequa finally beat Hicksville after extensive overtime and sudden death periods while Deer Park's relentless machine moved flawlessly through the day, (beating Gotschee in the semi-finals, Massapequa in the finals) to take the much-coveted first place trophy.

The Most Valuable Player Award was won by a full back on the Deer Park team, High Scoring Award was won by a Gotschee player, and our own Kevin Jung, from the Hicksville Black team, was awarded the Sportsmanship trophy. It was most gratifying to witness such high calibre soccer played by such young boys.

Looking ahead to the spring season, the Hicksville team, sponsored by the Marco polo Lodge, Levittown Sons of Italy, is anxiously preparing for the Club's first international meet in Italy. This unique experience for these 11 and 12 year olds was arranged by their coach, Joe Sanna and compatriot Michael Sini.

Club, the sponsor and all Hicksville feels for this enterprising team. Lots of luck boys. We all know you'll do your best.

Hicksville Blood Date

A blood donor date will be held at the Joseph Barry Lodge of the Knights of Columbus on Tuesday, March 26th from 6:00 PM-8:00 PM. Blood will be collected at the Lodge Hall located on Heitz Place in Hicksville. The event is being sponsored by the Greater New York Blood Program.

Those Hicksville residents who donate a pint of blood will receive a credit through the Greater New York Blood Program which is

good for one year, for protection coverage of immediate family members.

Giving blood is a sound, medically safe procedure supervised by doctors and nurses. The Greater New York Blood Program is affiliated with the Community Blood Council of New York and the American Red Cross. For more information on how you can participate, contact 516-536-7100.

LWW On Campaign Spending

The League of Women Voters of the U.S. has called for a combination of public and private financing of political campaigns as part of its national position on campaign financing. This position, based on a six-month study by members all over the country, applies to all campaigns: federal, state and local and to primaries.

The League of Women Voters believes that government is for the people and should be by the people; and that citizen participation in politics is essential to the continuance of our system of government. Therefore, campaign financing methods involving more people in the political process is a most important issue in our country

today.

The national position states that: "The goals of a campaign finance system should be: to ensure the public's right to know; to combat corruption and undue influence; to enable candidates to compete more equitably for public office."

To achieve these goals the League supports the following campaign finance measures. Require full and timely disclosure of all campaign contributions and expenditures. Limit the size and type of contributions from all sources. Establish an independent body to monitor and enforce the campaign finance laws. Encourage broadbased contributions from the general

public and the use of tax credits and deductions; provide public financing including income tax checkoff and supplemental government appropriations; equalize the use of government services. Modify the equal time law to facilitate debate and discussion of issues on the broadcast media. Limit the length of campaigns.

There is something you can do to clean up campaigns. Direct \$1 to the Presidential Election Campaign Fund established by Congress. Just check line 8 on your Federal Income Tax Return. It's up to you when you file your tax return to make YOUR contribution to good government.

AT SUPERVISORS' MEETING

Lull vs. Storm: National Issue Next

By Janet Gossnell

There was a short meeting, a short agenda and not much Article II of the New York State Nassau County Board of Supervisors meeting on Monday.

Perhaps the meeting provided a lull before what might be a storm next week, when the Supervisors will consider a resolution directed at the House of Representatives Judiciary Committee urging the committee to expedite its deliberations regarding the possible issuance of a Bill of Impeachment against President Richard M. Nixon.

During the course of this week's agenda, the Supervisors did authorize an agreement between the county and the Town of Oyster Bay to provide supplemental mental health services to youngsters primarily between the ages of 6 and 21, pursuant to Article 24 of the New York State Mental Hygiene Law, the County Government and the Nassau County Administrative Code.

According to back up material at the office of the Clerk of the Board of Supervisors, these services will include more locations, more hours, a broader summer program for ages 6 to 8, addition of facilities to handle pre-school children; consideration for children hospitalized at Melville or Kings Park, and addition of senior

citizens and teenagers as aides.

Speakers
There were two speakers following the regular agenda. They were John Short, dismissed fiscal officer of the Dept. of Social Services, who was relieved of his job for having refused funds for intra-uterine devices to welfare recipients. A leader in the Life movement, Mr. Short based his refusal to pay on the opinion that such devices are abortive in nature.

On Monday, Mr. Short was present to protest what he believed was destruction of evidence by the County Attorney's office which would be helpful in his lawsuit against the county. The destroyed evidence includes parts of documents which he feels change their effect, and also a memo from a member of the County Attorney's staff listing the missing evidence which was written following a meeting with Mr. Short.

Also speaking was Irving Flaumenbaum, President of the Civil Service Employees Association, who was asking the county for an increase in mileage expense for Civil Service Employees from 12 cents a mile, which is the present allowance, to 15 cents a mile. He said the request, based on the increased cost of gasoline and of maintaining and operating

automobile, had been placed three months previous.

Next Week
The big item on the calendar for the Supervisors meeting of Monday, March 11th, is a resolution to be introduced by Hannah Komanoff, Long Beach Democrat, urging that the House Judiciary Committee get busy and decide whether a Bill of Impeachment should be issued against President Richard M. Nixon.

The resolution states that even though the Committee's job is a weighty one, its delay is nevertheless causing general uncertainties and "impeding the normal functioning of the Office of the President and the general conduct of government on a national and local level," and that it "appears unlikely that the normal functioning of government can be restored" until the uncertainties are removed.

The "Resolved" clause says: "The Nassau County Board of Supervisors hereby memorializes the House Judiciary Committee to act as expeditiously as possible to move its findings out of committee and onto the floor of the House of Representatives, in order to provide the opportunity for an early vote by all members of the House of Representatives."

PERKY PATER...Francis E. O'Connor, Department of General Services Commissioner (left) buys the first Buck-A-Cup button from cafeteria concessionaire Al Hirschberger. Five cafeterias in the Nassau County Mineola complex will sell the buttons for one dollar. The buttons may be redeemed on March 13th for a cup of coffee "on the house." All proceeds will go to the Nassau Society for Crippled Children and Adults.

Wed., March 13 Is Easter Seal Coffee Day

Telephones are jangling at Nassau Easter Seal headquarters with reorders by restaurants for the little red and white lapel buttons saying, "Coffee Day-Crippled Children," which have been a popular item with restaurant customers since February 25th.

All the excitement is directed toward Coffee Day, March 13th, when the little lapel button will entitle its wearer to free coffee at any one of the more than 200 participating restaurants in Nassau County. Coffee Day posters in restaurants and the cheery "Coffee Day-Ask Me About It" buttons worn by waiters and waitresses have been indications to the dining out Nassau public of the concern of the restaurant industry for its handicapped neighbors.

The lapel button is given to customers in return for a \$1. donation for crippled children who benefit by Easter Seal programs. Residents of the PAPER Areas are urged to drop in at one of the following restaurants in this community to

obtain their Coffee Day button and enjoy a snack or a meal:

Tax-Cut Booklet Available

A comprehensive booklet outlining the veterans and senior citizens property tax reduction program is now available to Nassau residents from the county Board of Assessors according to Abe Seldin, board chairman.

"At the present time a sizeable portion of veterans and senior citizens have yet to inquire about the tax reduction program," stated Seldin. "This booklet is the first step in a public information campaign to reach the residents of the county who could be eligible for some tax adjustments."

The booklet entitled "Facts about Property Tax Exemptions," designed by the newly formed Information Bureau of the Nassau County Board of Assessors, is geared to answer the important questions dealing with the eligibility requirements for tax reduction.

Copies of the booklet can be obtained by contacting the Taxpayer Information Bureau of the Board of Assessors at 535-2793 or at 240 Old Country Road, 4th floor, in Mineola. Due to mailing costs large quantities must be picked up in person.

GOVERNOR MALCOLM WILSON will be main speaker at the annual St. Patrick's Dinner, benefitting Mercy Hospital, Rockville Centre. The event, to be held March 13 at the Valley Stream Park Inn, will aid the building expansion program of the 391-bed voluntary hospital. Mr. Leo F. McGinty of Baldwin is general chairman.

Voters To Decide On Reapportionment

Back by a recent U.S. Supreme Court decision, Nassau County's proposed weighted-vote reapportionment plan is headed for a public referendum in November. The plan has the full support of the County's Board of Supervisors, including its two Democrat minority members. Public approval through the adoption of a countywide referendum is required before it can be implemented by the Board, however.

Hempstead Town Presiding Supervisor Francis T. Purcell, a Republican, said steps are being taken to put the plan before the voters in the Fall. Referring to a recent court battle in which five Nassau Democrats were defeated in an attempt to challenge the proposal on constitutional grounds, Purcell declared: "We are extremely gratified

that the nation's highest court rejected that challenge, and found no conflict whatsoever between the one-man, one-vote principle and our weighted-vote plan. This decision clears the way for a referendum, and we're confident that this proposal will be supported at the polls."

Purcell said the plan prevents any one of the three townships from "controlling" county legislation, and is similar to the weighted-vote system which has been employed by the Board to govern the County since 1938. Under it, 130 votes are apportioned among the Board's six members in the following manner:

HEMPSTEAD TOWN - 70 votes. (Presiding Supervisor Purcell and Supervisor Alfonso M. D'Amato would have 35 votes each). **OYSTER BAY TOWN**

(Supervisor John W. Burke) - 32 votes. **NORTH HEMPSTEAD TOWN** (Supervisor Michael J. Tully, Jr.) - 23 votes. **CITY OF LONG BEACH** (Supervisor Hannah Komanoff) - 3 votes. **CITY OF GLEN COVE** (Supervisor Vincent A. Suozzi) - 2 votes.

Purcell noted that this allocation of votes, which was established with the aid of a computer, reflects the wide population differences existing in the three towns and two cities. "But," he added, "since the plan requires 71 votes for a majority, it effectively bars any one township, such as Hempstead with its 70 votes, from controlling legislation." For those measures requiring two-thirds Board support for passage, 92 votes rather than 87 would be needed, he said.

PTA Art Winners

The five student artists whose works will represent Nassau District PTA in the National PTA "Sea to Shining Sea" art contest were picked last Saturday at Merrick Road Park in Merrick. The five finalists will now go to Albany to be judged in the New York State finals, and State winners will then go into National competition. The winners from Nassau were

Carol Perlman, Lakeside School, Merrick; Karen Fitzsimmons, First Street School, Hicksville; John Borgese, Folk Street School, Franklin Square; Anthony Tallarico, Donohue School, Valley Stream; and Ivy Robbins, Boardman JHS, Oceanside.

The contest, open to all elementary and secondary students in Nassau County, was

judged by Ms. Marilyn Kester, art teacher in Steele Elementary School, Baldwin. Ms. Carolyn Sievers of the Town of Hempstead Recreation Department, Mrs. Dorothy Lewis, Cultural Arts Chairman of Nassau PTA, Mrs. Mildred Siderow, exhibitor of Oceanside, and Kathie Harkness, art major from Rockville Centre.

STUDENT ART is admired by (l. to r.) Mrs. Mimi Ellis, Nassau PTA Director, Mr. Roger Malfatti, Coordinator of Cultural Affairs for the Town of Hempstead, and Mrs. Marilyn Kester, Art Teacher.

Dear Friends:

THE HHS ALUMNI ASSOCIATION hereby gives notice to all members in good standing that their annual meeting is scheduled for Monday, March 11, at Frank's Alibi. The purpose of this meeting will be to elect officers and directors of this active organization for the coming year. So, if you are a member, don't miss this one! Incidentally, their newsletter is one of the most attractive of its kind we have seen. Keep up the good work, HHS Alumni.

EVERYONE, and we mean, everyone, is opposed to the proposed LILCO rate increase. Republicans, Democrats, and just ordinary citizens, have written to us at such length that space, would not permit our using their letters, and articles. We are pleased to see that many testified at the PSC hearing.

NEXT WEEK is Girl Scout Week...and we extend sincere best wishes to this fine organization that is serving our young people so well, and has done so for so many years, that even yours truly was once a young member!

LAST NOVEMBER, "as a Thanksgiving gift" to you, we printed in full the radio message of the young Canadian broadcaster, which since then has become so popular as a record. We know by your response to us, that you were pleased and proud to read it in the HERALD. We'd also like to print a part of the President's Message of Hempstead Republican Executive Leader, Andrew Pitre, to his club members: In discussing this record, Mr. Pitre says:

"Why is this record special? To me, it is the answer to all America's critics, who love to jump on the bandwagon and kick us when we are down. It says so many of the things that I would say to the people who make a habit of knocking this country.

- I have some questions to ask them.
- If Russia and China are such great places why are their citizens forbidden to leave and have their travel within the country tightly restricted?
- If we deserve the title money hungry capitalists, what do we call the Arab oil sheiks? They live in palaces while their people live in poverty.
- Many of our friends and relatives will never come back from the battlefields of wartorn Europe. When will France begin paying back the billions of dollars we have loaned her since the first World War to help us balance our federal budget?

America isn't perfect, but it has been good to me and mine. It has provided us with the opportunity to grow and better ourselves. We have our faults and I honestly believe that we are trying to correct them. But to the critics of this country, I ask them to name a better place where more freedom is given to more people to express their ideas and beliefs.

Even now in Russia one of the world's greatest writers has been exiled because he disagreed with the government. In this country someone like that goes on the Johnny Carson show, gives lectures and makes money. Critics remember! This is still the best place around.

Thank you, Andy.

"The Devil Makes Them Do It"

Before your very eyes, Joe Hardy will shed thirty years. And, wonder of wonders, the Senators will take charge. And, when that happens, joy and merriment will reign throughout all Hicksville.

March 14, 15 and 16 are decreed as the days when wondrous things will happen. Because then, the teachers of Hicksville High School will exchange their robes of learning for the carefree costumes and greasepaint of show business.

Sparked by the success of a previous production, the teachers have embarked on a more elaborate event, "Damn Yankees," the popular Broadway musical of yesteryear, in which the Washington Senators finally won the baseball championship with the aid of devilish black

magic and some of the brightest music of modern theater.

The entire show will be presented by members of the school faculty for the purpose of raising money for scholarships. Attendance, then, not only assures the audience of a pleasurable theatrical experience, but the satisfaction of contributing to the further education of several deserving students. The previous show, done in 1972, produced \$1,500, affording scholarships for five students.

"Damn Yankees" will appear at the Hicksville High School auditorium for three nights: Thursday, Friday and Saturday, March 14, 15 and 16 at 8:30 p.m. Prices for tickets will be \$1.50 on Thursday, \$2.00 on Friday and Saturday. Tickets will be available at the box office.

Letters To The Editor

Dear Editor:

The holy season of Lent is here...a time for penance and fasting. As children, we were taught to "give up" something for Lent. Rather a negative approach, how much better it would be if we all did something positive to make life a little easier or more pleasant for those around us.

A man who gives up smoking and acts the martyr...a woman who fasts and convinces herself she is sacrificing for Lent when, in reality, she has seized this golden opportunity to lose those extra pounds...this is wasted effort.

Look around you...there is someone near who could benefit from a little kindness. A lonely neighbor who would welcome a visit, a few errands for someone incapacitated, a child who finds math so simple—helping another who is floundering, a man in business taking time to understand and help his fellow worker. The list is endless.

Start today consciously looking for the opportunity to "do something nice for somebody else". This will make it a truly Happy Easter!

Sincerely
Eleanor Macher

Dear Sheila:

As I walk around with my purse stuffed with money-saving food coupons, many of which I will not use, it occurs to me that this might be a great program idea for many of our local organizations.

Maybe we could have several stations around a meeting room, suitably labelled, (cereals, beverages, soups, etc.) where people could meet before or after meetings to exchange coupons for products they themselves will not buy. There could even be a nominal admission fee to benefit the sponsoring organization.

Can I trade you four Tang coupons for one Purina Dog Chow?

Sincerely,
Peg Persons

Dear Editor:

I am writing this letter in hopes that it will appear in your paper far enough in advance to make a definite impression on your reading public.

What I am referring to is the "Easter Animal Sales". Each year chicks, ducklings and baby rabbits are sold to people who want a "special gift" for their children at Easter. Animals are not gifts or toys or learning experiences for a child who is not old enough to understand the responsibility involved in caring for an animal.

For ten years I lived by a pond, that I visited quite often, and have seen the results of selling

ducklings. From 2 - 4 months after Easter new stragglers would appear at the pond. Having been weaned by man since their birth, they are unable to fend for themselves once abandoned at various ponds and other watered areas. Many people feel that once the ducks are semi or fully grown they have to be released in their native environment, if they make it through their maturing period, and/or they just don't want the responsibilities that go along with the caring of such an animal any longer. Due to the season this all occurs in, there are many families of ducks and geese, flocks of sea gulls and other birds, children, dogs and other obstacles at the pond that these scared strangers must face, overcome and teach themselves (whether it be by instinct or not) to live with.

Chicks are another item whose profit value soars at this time. As most people know from common knowledge (and if you don't then you shouldn't be buying them, as goes for any animal) they are very fragile and their caring is a more involved process than just putting dishes of water and food down for them. They should not be handled roughly or excessively, and if you have watched a child - even lovingly - hug a pet you know this is not the ideal animal for such "affection".

Rabbits are the third and last category of "Easter Animals" that I want to talk about. As a child I can remember watching a pet rabbit die. It is not a pretty sight and from that day on I decided that they were best viewed in their wild habitat.

These animals shouldn't even be considered apt pets for anyone at anytime, as far as I am concerned. A cat, dog, bird or fish will respond to being kept as a pet and even then need the proper loving care. If you want your children to learn about animals, there are libraries, zoos, museums, fish hatcheries, farms etc. for them to learn from.

Sincerely,
An Animal Lover

Dear Sheila:

Thank you for your splendid editorial of Feb. 28th. I hope that those public officials who were asked to resign at the town meeting, will not resign, no matter how much pressure is put on them.

As a long time resident of Hicksville and a Sr. Citizen who benefits through school and general tax exemptions, I hope that our elected officials will not lose heart. If it weren't for my exemptions, I would not be able to keep on living in my house and would have to sell my home, where I've lived for 40 years. Not having any children I would not

know where to go.

With kindest regards,
Olga Hoebel

To the Editor of Plainview Herald:

On behalf of Plainview-Old Bethpage Senior High School I would like to take this opportunity to thank you for your fine cooperation in publishing news about our school.

I would also like to publicly thank Joe Dowd, a senior in our high school, who has done an excellent service to the school in writing the sports news for the last year and a half. Through an oversight, I am sure, his last article which appeared in the February 21, 1974 issue of the Herald, did not carry his by-line. In the last part of his article he reminisced about the past. I would like to quote from the conclusion of that article:

"For me, these joys are over. But someone will take my place. I ask the community to please continue supporting High School athletics and all activities in general. The lessons that are invaluable ones are not found in any book. If the community continues its support, those who follow me will attain priceless gifts which will surely benefit them in their future.

To everyone in the community, my friends, your classmates, my teachers, sponsors, and to you my readers, all I can say further is "thank you..."
To Joe: We, on behalf of the community, your friends, your classmates, your teachers and sponsors, want to say "thank you."

Supervisor JOHN W. BURKE REPORTS

I am deeply grateful and moved by the nearly 1,000 messages of support and confidence I have received over the past weeks following the announcement of the charge against me. Your comments and good wishes are very comforting during this period of great personal anguish. They came in the form of letters, telegrams, telephone calls and personal visits; from residents and non-residents, political leaders of several parties, clergymen, Town employees, civic leaders and businessmen.
I am a firm believer in the

fairness of our judicial system, and because of this, I will use this column for no other purpose than to reaffirm my innocence of a charge based essentially on two questions and two answers comprising some 47 words in all.

I will vigorously defend that position until the entire matter is disposed of and my innocence proven. Pending the conclusion of these matters, I intend to continue to serve in my official capacity and to work as industriously and as honestly as I have in the past for the Town of Oyster Bay.

I have never done anything that would reflect discreditably upon the Town of Oyster Bay, or its employees and associates, or upon its 385,000 residents.

I subscribe, as does every right-thinking American, to our system of justice basic to which is the presumption of innocence unless proven guilty after fair trial. I, therefore, feel there is no reason or cause to consider my suspension as chief executive of this Town, and I plan to continue to carry out the policies and programs of this administration to the best of my ability.

"Life" Opposes Separate Library Budget Vote

by Frank Hester, President and Charles Fetta, Past President

"Before 1973, ONE poll-trip initially covered both "School and Library" voting.

"In 1973, our Library Board, held their first separate "Library Vote"; being fully aware of the additional \$2,000.00 taxpayer poll-costs, and additional burdensome poll-trip required of voters - including senior citizens! In our opinion the powerful "Library Lobby" had inveigled our State Representatives to pass this recent enabling legislation!
"In their (first) 1973 isolated "Library Vote", an unprecedented LOW of 1392 total voters turned-out. BUT, WITH AN UNPRECEDENTED HIGH OF 3 TO 1 VOTER-APPROVAL -

1031-yes; 361-no! As a result, our Library Board quickly scheduled another separate "Library Vote" - March 26, 1972, despite the already announced May 8, 1974 "School Vote"!

"At the February 20th Library Board meeting, "Life" reminded our trustees that when "Library Budgets" were voted on the same day with "School Budgets", a total of 6103 voted in 1972; 6287 in 1971; 5686 in 1970; 6754 in 1969 etc.
"A "Life" representative then asked them - Why have another (1974) separate "Library Vote" in light of the understandably dismal 1392 total voter-turn-out in

On Wednesday Feb. 27 the St. Ignatius Teen (8th grade) team played O/L of Mercy's 8th grade team at the Nassau Coliseum. Smith finally putting St. Ignatius on the score board. This seemed to put a little fire in the St. Ignatius team as they came on to over take the strong Mercy defense and go on to win by a score of 52 to 46. The St. Ignatius team was led also by the scoring to K. Lorensen 12pts and Smith 11pts. Scoring by the quarters was as follows:

LIFE OPPOSES (Continued from Page 5)

1973? Although acknowledging the above facts, trustees Fishman and Bean clearly indicated that they wished "TO HAVE THE LIBRARY BUDGET STAND ALONE".
"The 'Life' representative clearly indicated that the 1973 vote obviously spelled-out a 'SPECIAL INTEREST' approval in his opinion. Also, that any proposed Tax Increase", and even more important, any candidate for "Library Trustee" will now be decided by "SPECIAL INTERESTS", in his opinion.
"Therefore, by burdening the

people with an additional (1974) separate "Library" vote, they were purposely discouraging, rather than encouraging, people to vote, distorting the democratic (check & balance) voting process; and, in effect, ironically representing the "special interests", while methodically disenfranchising the parents and taxpayers that they had sworn to serve!" the Life spokesman.
"Although the Library Board refused to reconsider, there is still time for them to consent to a joint "School & Library Vote". If you agree, we suggest that you

express yourself by telephoning, and/or writing, your majority Library Trustees - in addition to your legislators:
Mrs. Ruth Aaron, 104 Brittle Lane - WE 5-1748.
Mr. Joseph McCarthy, 29 East Street - WE 1-0087.
Mr. Abraham Fishman, 22 Balsam Drive - WE 8-1738.
Mr. Elery Bean, 151 W. Marie Street - WE 1-2373.
"The only one to vote against a separate "Library Vote" was the only successful "Life-endorsed" trustee - Mr. Kenneth Jones - our congratulations," the Life Spokesman concluded.

DEVOTIONS

Be Different

I am told that some people in Massachusetts organized what they called an Apathy Club. The club has no dues, holds no meetings, elects no officers, takes no stands on anything, and makes no contributions of any kind to anything. Does that sound like something you would like? Forget it! If you are interested, that shows you are not qualified for membership.

Some people lead a life worthy of an organization like this. But the Apathy Club is not a viable choice for the Christian. Those who are willing to put their hand in the hand of the Man from Galilee must also be willing to get involved in the Father's world. Jesus' message was profoundly simple. If you have two coats and meet a chap with none, give him one of them. Consider first your own faults before trying to

change the other fellow's shortcomings. If someone asks you to give him a hand with something, do twice as much as is expected of you. Say a prayer for those you find difficult to love. Jesus was different!

Christianity is an action word. The Christian has no choice but to get involved with his fellowman's suffering. He must not be like Charlie Brown or the Peanuts comic strip who concludes, "There's no problem so big that you can't run away from it."

Instead he realizes that his neighbor's misery needs his company.

"Girl Scout Week"

March 10-16

County Executive Ralph G. Caso has designated the week of March 10-16 as Girl Scout Week in Nassau County. In ceremonies at his office he noted that 1974 marks the 62nd Anniversary of the founding of Girl Scouts of the U.S.A., and lauded Girl Scout efforts over the years to "build better relationships among person of all ages, religions, races, and nationalities".

On Wednesday, March 13, Mid-Island Council Girl Scouts, their friends, and County Officials will be gathering for their Annual Girl Scout Week Luncheon and to inaugurate "New Directions '74". This four phase program will engage Girl Scouts in important civic projects, give needed services to members of the community, and allow Scouts to create a new climate of understanding about some of the "Now" issues facing women in the next decade.

All during the year Mid-Island Council will be celebrating the Twentieth Anniversary of our Council's incorporation. "Bring a Friend to Scouting", Commemorative Scrapbooks, Recognition Day, and a special cocktail party in December will highlight this "Twenty Years at Mid-Island Council" celebration.

Young girls, young adults, and all our members and potential members have the need to understand their own image; to develop self-awareness, and interpersonal awareness. Realizing that women want to know and be exposed to more, Mid-Island Council is offering a series of seminars beginning the week of March 18, and running concurrently at the Bethpage Methodist Church, and the Plainedge and Jericho Libraries.

These seminars are open to any and all interested persons, free of charge. Topics include Women in Politics, New Careers, and Identity Crisis. Because we live in a time of radical transition and changing values, we believe these seminars will be of interest to all women and bring many more exciting and interesting people into Girl Scouting.

An integral part of Scouting is

giving service to the community. Every year, countless numbers of hours are given by Mid-Island Girl Scouts in providing needed service at local hospitals, nursing homes, libraries, and working with senior citizens. Where possible, physically and mentally handicapped children are placed in regular troops. Special troops for the handicapped are also run in Wantagh and Levittown.

Our Council is now actively engaged in seeking out new service areas for our Scouts with the Burwood Home For the Blind, Nassau County Blood Bank, the St. Joseph Indian School and Tackapausha Preserve. These new liaisons will allow Mid-Island Girl Scouts to truly be "At Your Service".

The current energy crises in our country has highlighted what Girl Scouts have been preaching for many years. As dedicated conservationists, Scouts within their troops and on special projects, will be seeking to lead their communities in solving the Energy/Ecology Crises in our country. A special Ecology Committee composed of Senior Scouts will be coordinating all troop conservation projects. Seniors will also be seeking out non-scouts peer groups to develop joint projects to alleviate environmental concerns. Members of Mid-Island Camping Services are engaged in joint planning with Nassau Council to create an outdoor training program. The possible use of Secatague as a learning center staffed by Mid-Island volunteer camp personnel is also being explored.

The New Directions '74 programs are designed to encourage Scouts to expand their energies in new creative areas. During Girl Scout Week and throughout 1974 these projects will hopefully free Girl Scouting from a stereotyped image of "just girls in green who sell cookies".

If you believe Girl Scouting is a valuable source of good for the girls of your community, then call Mid-Island Council (935-8305) and join New Directions '74 today!

TOB Councilmen Oppose Widening of Route 107

Two Town Councilmen have made it clear to the State Department of Transportation that they will be among the many seeking to prevent the proposed widening of Route 107 between Jericho Turnpike and Northern Boulevard.

Councilman Kenneth S. Diamond of Jericho joined with Councilman Howard T. Hogan, Jr. of Locust Valley in calling on the State to drop its plans for widening, straightening or relocating the State road.

"At a time when many of my neighbors have been expressing more concern about preserving the suburban nature of their community, along comes the State looking to further pave the green areas that symbolize the suburbs," Diamond noted.

Hogan, expressing similar feelings, said, "We like the area

the way it is and we'll battle to keep it that way."

Both Councilmen vowed to join with residents in blocking State plans which they feel would lead to the destruction of this vast greenbelt.

"When I see plans such as those being considered here, I sometimes wonder if the State people ever come down to look before they leap," Diamond said. "I don't understand how anyone having seen this area could recommend more concrete be poured in."

Hogan added his belief that "the problem with the State Department of Transportation is that even today, with all that is going on, they still seem to feel that transportation can be improved by constructing more and larger highways."

Sunday, March 10 at 3 p.m. the Hicksville Public Library will present Raymond Gniewek and Cecilia Gniewek Brauer in a recital. Mr. Gniewek, a violinist, was appointed concert master of the Metropolitan Opera Orchestra in 1957, with the double distinction of being the youngest and also the first American-born violinist to achieve this position.

Mrs. Brauer, his sister, has performed with Raymond as his pianist in many concerts, including Town Hall, Caramoor, and the Newport Music Festival, and has also appeared as soloist throughout the United States. The program for Sunday will include works by Pietro Locatelli, Pablo de Sarasate, Brahms and Schubert.

The Hicksville Public Library Music Series is made possible through a grant from the Nassau County Office of Cultural Development, Ralph G. Caso, County Executive, John W. Maerhofer, director. These programs are free and the public are always invited to attend. The Hicksville Public Library will present the third of the Ivy Lane Repertory Theatre productions on Saturday evening, March 16 at 8:30 p.m. The play is Garson Kanin comedy "Born Yesterday," first produced in 1945. A recent revival off Broadway, reviewed in the New York Times elicited this statement: "Kanin's wisecracking observations about

the pursuit of power and the subjugation of women survive surprisingly well." Tickets are available at the library and on the bookmobile for this production. If you are unable to come in for the tickets, a call to the library will reserve them for you until the evening of the performance.

Social Security Question Box

QUES: My grandfather, who's 76, lives with me in my household. He has no income of his-own. Could he get monthly Federal payments when the supplemental security income

program begins?
ANS: Starting in January 1974, your grandfather may be eligible for the Federal payments. However, since he's living with you, his monthly payments would be reduced. You or your grandfather should contact any social security office for more information. Your local office is at 1 Station Plaza North, Mineola, N.Y. 11501. The telephone number is PI 7-5470.

QUES: What information should a person have if he plans to contact a social security office to file a disability claim?
ANS: The disabled worker should know when he stopped working, what his earnings were for the last year and for the year in which he applies, names and addresses of all medical sources and dates involved, dates of all family events, such as births of all dependents, marriage, and social security numbers of all dependents.

The more information a person has, the quicker the claim can be completed.
It is a good idea to phone the social security office and discuss this before coming in. Our number in Mineola is PI 7-5470.

Parents Club To Meet March 19

The next meeting of the Holy Trinity High School, Hicksville, Parents' Club, will be held at the school on Tuesday, March 19, at

8:15 p.m. Nominations of officers of the Parents' Club for 1974-75, will take place.

QUES: My doctor told me that I need to have a physical therapist come to my house every day to give me treatments. I also need someone to come in a couple of times a week to help me with my housekeeping. I haven't the faintest idea where to start looking for this help. Can my social security office help me?

ANS: Yes. Any social security office has an Information and Referral Service to help people like you locate the help they need.

Just call any office and they'll be glad to help you. Your local social security office is at 1 Station Plaza North, Mineola, N.Y. 11501. The telephone number is PI 7-5470.

HCBE Elects 1974 Officers

The Hicksville Citizens for Better Education (HCBE) held their annual election of officers on February 14th. We are pleased to present as our officers for 1974, Mr. Eugene Edelman, President; Mr. Kenneth Rudin, Vice-President; Mrs. Judy Lynam, Recording Secretary; Mrs. Christine Cahalan, Corresponding Secretary; and Mrs. Betty Gumanow, Treasurer.

The program for the evening was a panel discussion on, "How well does our High School prepare our students for college?" Under the chairmanship of Mr. Lawrence Wolfson & a panel consisting of Steven Burgay, Hicksville High Senior; Eric Cahalan and Larry Robie Jr., recent graduates; and Norman Hollander, College and Graduate School graduate. These young men offered their frank opinions of Hicksville High and its effectiveness in preparing them for higher education.

The panel felt, that the demands of college were much greater than their high school had prepared them for. Several panelists believed that their senior year at Hicksville High was not as productive as it could have been.

The panelists also discussed work and study habits, guidance, curriculum, and choosing the right college.

The attentive audience received many new insights into the problems that face our students at our local schools and later in their educational careers.

We are planning a follow-up panel to discuss, "How relevant our High School is for those who leave school and immediately enter the work force?"

Kiwanis Invites Public To March 9th Square Dance

The Kiwanis Club of Hicksville will be sponsoring its first Annual Square and Round Dance at the American Legion Hall, 24 East Nicholas Street, Hicksville (located directly opposite St. Ignatius Church Elementary School), on Saturday, March 9, from 9 p.m. to 1 a.m.

Admission to this affair will be \$6.00 per person and will entitle the participants to free beer, soda, snacks, coffee, and home-made cakes and pies. Furthermore, square dance participants will also have the opportunity to win many very fine door prizes by holding onto their ticket stubs. Music and professional calling

will be provided by Mr. John Bruno. For those individuals who need to refresh themselves, Mr. Bruno will go over all of the various dance steps.

The Kiwanis Club of Hicksville invites the general public to attend its March 9th Square and Round Dance.
