**Hicksville Blood Drive**

As the summer months approach, it's vitally important for all Hicksville community residents to come out and donate a pint of blood. A blood drive will be held at the ENMG Consumer Council at 350 South Broadway in Hicksville on Monday, June 17th from 4:00 PM to 9:00 PM.

Those Hicksville residents who donate blood will receive a blood credit through the Greater New York Blood Program good for one year of protection coverage for immediate family members in case of sickness or injury.

Both men and women can donate blood as often as four times per year. The entire process is medically supervised, completely safe and takes only an hour. The Greater New York Blood Program, an affiliate of the American Red Cross, urges Hicksville residents to donate a pint now, in prevention for a summertime blood shortage. For more information, call 516-536-7100.

# Candidates Seek Election To School Board

**By Shirley Smith**  
Hicksville voters will be voting on two school board trustee positions next week. This year's races sees incumbent Edward Bello running against Daniel Arena and a three-way contest for the seat vacated by Joseph Madden-Mary E. Carton, John Lari and Charles Loiacono.

**FOR THE SEAT OF EDWARD BELLO**  
DANIEL ARENA has lived in Hicksville 16 years and has four children. He received a BBA from St. Johns University and is a Certified Public Accountant. Mr. Arena is employed by Knomark Inc. as an Assistant Controller. His community activities include HAD, Boy Scouts, Hicksville Baseball Association, and the Holy Family Usher Society. Mr. Arena, who is endorsed by HCBE, has indicated his intent to make more effective use of the tax dollar for educational purposes. He also expresses a strong concern for a well-rounded quality education for the children and adults of Hicksville.

ED BELLO is a 17-year resident of Hicksville. He has three children; 2 in the Hicksville

schools and 1 pre-schooler. He has served one term on the Board of Education, two of them as secretary. Mr. Bello is a cost analyst for the Long Island Lighting Company. He states that with the completion of a multiple-year teachers' contract, he is looking forward, if re-elected, to a time of concentration on the education of children. Mr. Bello lists as his contribution to the Hicksville School District a concern for the marginal student, having been an advocate of learning disabilities programs and the summer primary learning centers.

**FOR THE SEAT OF JOSEPH MADDEN**  
MARY E. CARTON has lived in Hicksville for the past 20 years and has one daughter, previously enrolled in the Hicksville school system, now in private school. She has been involved in various community activities—among them school board committees and PTA (past president.) She also served as the educational reporter for one of the local weekly newspapers.

Mrs. Carton has taken a stand against the budget and is advocating a "no" vote.

JOHN LARI is a 17-year resident of Hicksville and has two children in the district schools. He holds a mechanical engineering degree from New York University and is Director of Operations of Bilnor Pools. Mr. Lari is a former manager in the Hicksville Baseball Association and a member of Holy Name Society of Saint Bridget's. Also endorsed by the HCBE, he is concerned with the effective use of tax dollars and intends to "measure the benefits of any educational program against the associated costs."

CHARLES LOIACONO has lived in Hicksville for 9 years and has two children in the public schools. He has a BA and MA in education from Brooklyn College. Mr. Loiacono has been a teacher and supervisor for 16 years and has also served as a college instructor and lecturer. He is a member of Our Lady of Mercy Church. Mr. Loiacono says he is "committed to quality education and financial prudence" and believes "a school board trustee must represent the taxpayers and children—not the interests of special groups."

# Marks Memorial Day With Parade and Ceremonies

**By Richard Evers**  
Disregarding overcast skies and cool weather which lent an additionally somber atmosphere to the occasion, several thousand Hicksville spectators and marchers observed Memorial Day services, Monday.

The annual parade and ceremonies were arranged once again by the Combined Hicksville Veterans Committee under the chairmanship of Honorary Parade Grand Marshall, Louis Klein of the Veterans of Foreign Wars. Foremost in the parade's expression of community memory and appreciation were marching contingents of old and younger veterans of the nation's wars who lead off from the Sears mustering area at 8:30. They were followed by uniformed men and vehicles of the Hicksville Fire Department, members of fraternal organizations such as the Knights of Columbus, Brotherhood of Elks and the Ancient Order of Hibernians. Among the guest units were the men of the First Marine Division Association. Nine Hicksville public school marching bands took spirited part as did two units of the St. Ignatius Girls Cadet Band, the Police Boys Club Band and the Moonlighters Band of Hicksville. Many youth groups comprised of Scouts, Camp Fire Girls and Little League teams also took part.

George Lang, a disabled veteran and holder of the Congressional Medal of Honor for conspicuous gallantry and leadership in Vietnam battle was this year's chief speaker. Mr. Lang, an army veteran, former student of Hicksville's schools and now a resident of Levittown, spoke feelingly of the need for us to remember the many sacrifices of Americans in all periods of our national history and of the need to find peace within ourselves before we may foster harmony within our nation and among the countries of the world.

Leaders in the second Annual Cantigue Rock Two Mile Run, last Saturday, cool off at the State Historical Marker after a spirited race. From left to right atop the Colonial Boundary Stone: James Dolan, 8th grader from Our Lady of Mercy Church C.Y.O., Hicksville, who set a strong pace and finished with a close second to Brian Boschert, the winner, whose time for the course from the Mid-Island Plaza was ten minutes and fifty-eight seconds. John Sherry, eighth grade third place runner and the winner are students of the Hicksville Junior High School.

The race was arranged by Richard Evers, Americanism Chairman, of the Charles Wagner Post 421 of the American Legion which provided prizes for the contest.

## Nassau County 4-H News

The annual Nassau County 4-H Fashion Show, "Happy Days", will be held on Wednesday, June 5, at the Four Seasons Country Club, Jericho Turnpike, Woodbury, at 7:30 p.m.

Fashion Show consists of girls 14 or older who have won blue ribbons for their outfits on the local 4-H Council level. These young ladies are judged on their modeling ability, the fit of their garment, its color and accessory

coordination. Finalists are invited to represent Nassau County at the State 4-H Dress Review this summer.

Tickets and further information are available from Mrs. Toni Finsru' 483-8577.

## ESP At Library

An unusual program on ESP and Mind Control will be presented at the Plainview-Old Bethpage Public Library on June 6 at 8:00 Pm.

William Zarick, talented lecturer and instructor for the Mind Control Center in Glen Head, will discuss the four basic types of

brain frequencies and how they function in our daily lives. He will explain how it is possible to learn to reach the level most conducive to relaxation, learning, and creative thinking.

Free tickets to this rewarding program will be available beginning May 29 for interested local residents. Non ticket holders will be seated as space allows.

## Woman's Forum Is Thirty!

The deadline is June 1st, for obtaining reservations to the 30th Anniversary-Installation-Luncheon-Gala of the Woman's Forum of Nassau County to be held on Thursday, June 13th, at The Yankee Clipper Restaurant, 275 S. Main St. in Freeport. A donation of \$4.50 per person should be forwarded to Mrs. Paul A. Perez of 34 Gordon Place in Freeport-11520.

Keynote speaker will be The Hon. Ralph G. Caso, Executive for the County of Nassau. He will be accompanied by Mrs. Caso. His topic: "The Contribution of Women to the Growth of Nassau County."

The Hon. Elizabeth Bass Golding, Judge of the Family Court of Nassau County-Retired, Honorary and Founding President of the Woman's Forum, will be the Installing Officer. Her topic: "The Changing Role of Women...1944-1974."

A musical interlude will be featured plus a display of Woman's Forum photos and publicity albums dating back to its beginnings.

The incoming officers for 1974-1975 are: President-Mrs. Carl E. Olsen of N. Merrick Vice-Presidents: Mrs. Paul A. Perez, of Freeport; Mrs. Richard A. Ramm, of Levittown; Mrs.

Stanley Shor, of New Hyde Park; Treasurer: Mrs. Carl G. Schafft, of Valley Stream; Parliamentarian: Mrs. Edward Scharf, of New Hyde Park; Secretaries: Mrs. A.V. Johnson, of Freeport; Mrs. Richard Martin, of Merrick; and Mrs. Naomi Gornillion, of Hempstead.

The Woman's Forum of Nassau County was founded by Elizabeth Bass Golding, then a lawyer, in 1944; it was an outgrowth of the USO at Mitchell Field where women of all persuasions worked in unison thru World War II. Mrs. Golding felt the need for this wonderful working coordinated group to keep together in peacetime; recognizing the need for leadership to guide women's organizations such as church, synagogue, educational and service groups she founded The Woman's Forum of Nassau County, organizing workshops in organizational work and human relations. Thousands of women participated in those early days. Today, Woman's Forum has turned with the times and getting to know the Nassau County and Long Island of Today has been its main theme for the past few years.

The public is welcome to attend this and all future Woman's Forum events. Membership is open to individuals and organizations alike.

## Successful Theatre Party

The American Cancer Society, Long Island's Division's Annual Theatre Party held May 21 at the Westbury Music Fair, brought the Society \$165,000 which is over the goal that was set at \$150,000.

According to Roger Baumberger, Theatre Party Chairman, it was the most successful Theatre Party since the event was begun 12 years ago.

It is expected that as the result of the overwhelming success of the Theatre Party and two upcoming fund-raising events, the

Jeanne Dixon Luncheon, June 25 at the Colonic Hill and the Gala Ball and Pinter Tournament of Stars, August 25 & 26, the Long-Island Division will surpass its overall crusade goal of \$1,100,800. This money will be used to expand the Division's cancer control programs of research, education, patient service and rehabilitation and support of the Nassau County Cancer Detection Center in Plainview.

## News For Veterans

GOVERNOR MALCOLM WILSON has approved legislation allowing Viet Nam veterans the opportunity to compete for a Regents War Service Scholarship. The six hundred scholarships, to be awarded statewide, provide annual awards of up to \$350 each for successful candidates. The scholarships may be used in addition to any other veterans educational benefits. The examination is scheduled for Tuesday, July 9th, at examination centers in Albany, Binghamton, Buffalo, New York City, Rochester and Syracuse. To be eligible, a veteran must have been a resident of New York State when he entered the Armed Forces and be a resident at the time of application. He must also have served on active duty in the Armed Forces of the United States, for purposes other than

training, between October 1, 1961 and March 29, 1973, and released under honorable conditions. Applications for the exam are now available at the local counseling center of the New York State Division of Veteran's Affairs located at Room 505, One Old Country Road, Carle Place, N.Y. 11514.

**WHAT'S THE DIFFERENCE?** When it comes to pension and compensation there is a difference. Compensation is paid to a veteran to help compensate him for service-incurred injuries. On the other hand, pension is paid to permanently and totally disabled veterans for disabilities not traceable to war-time service. Both may be payable to veterans survivors. However, pensions, which are based on financial need, may be paid only if income does not exceed established income limitations.

## Leisure Passes

Nassau County's Leisure Pass centers will begin operating on a full summer schedule on Saturday, June 1, it was announced today by Recreation and Parks Commissioner Richard A. Fitch.

Starting on June 1, the pass will be the only acceptable means of resident identification for entry into county-operated parks and recreational facilities.

The new schedule will include evening hours to accommodate residents unable to gain access to the in-park application centers during the day when the gates are manned and passes are checked.

The Eisenhower Park center is the only location where all pass seekers will be accommodated at all hours. Although the gates will be manned at Eisenhower, persons wishing to obtain passes will be admitted into the park by stating their purpose to the guard and presenting proof of residency such as a driver's license or voter registration card.

The daytime operating hours at other parks will accommodate pass seekers who enter as guests of pass holders.

To date, more than 260,000 residents have obtained their Leisure Passes, which cost \$1 per person and are good for a two-year period. The pass, which includes a color photo taken at the center, is required for

## New MTA Chairman Plans To Merchandise Public Transportation

by Janet Gosnell

The knotty question of solving Nassau County's intra- and inter-county transportation problems was to be the topic of a luncheon summit conference last Friday between County Executive Ralph G. Caso and newly appointed chairman and chief executive officer of the Metropolitan Transportation Authority, David L. Yonich. The press was invited for a brief conference, in advance of the luncheon to inquire into the viewpoints which the former head of the R.H. Macy Co. would be applying to the world's largest and perhaps most complicated transportation system.

Also present was Andrew Schiavone, head of the Metropolitan Suburban Bus Authority, the agency formed after the county take-over of the buses to regulate the system.

Based on response to questions issued at the press conference, the erstwhile head of the world's largest department store will apply marketing and merchandising techniques to make the transportation system in New York City and environs successful and effective.

"The same principals apply to transportation as they do to

retailing," said Yonich (pronounced YOU-NITCH) "if you can offer a good product at a price people are willing to pay, it's bound to sell."

Some of the marketing techniques Yonich is promoting are: special fare plans on MTA-run buses, subways and commuter rail trains for Sundays and holidays; special fare packages for those attending sports events; special fares for sightseers using the City Culture Bus Loop; a 75-cent shoppers' bus ticket for Saturdays and Mondays; special buses to Jones Beach, which, however, are not included in the half-fare program.

Another central direction toward improved transportation pointed out by both Caso and Yonich was the integration and coordination of the whole transportation picture inside and outside of New York City, so that the network will serve the whole megalopolis, rather than isolated portions of it without connections to each other.

**Nassau's Problems**

One of the aspects of Nassau County's development which was admired by Mr. Yonich - the orderly dispersal of business and residential areas throughout the county - results in a condition

which Mr. Caso pointed out as the central problem in serving county residents adequately and economically with public transportation.

"We haven't got these grids of riders here which you find in New York City along the main avenues," said Caso. Mr. Yonich made the comment that the actual ridership of the buses in the county was even lower than estimates made before thorough study.

In response to specific questions regarding the publishing of schedules and the inadequacy of bus routes and frequencies within Nassau County, Yonich said these were some of the topic which would be discussed at the luncheon following the press conference.

"We are all out to learn," he said. "I came here today to learn from you today what you think are the problems of the transportation system." He urged all reporters to publish the central number for business information which would let would-be riders know what buses might be available to them.

The Bus Information Center telephone number for those who wish information on schedules and routes is 516-626-3000.

## Nassau Community College Honors Daniel Sullivan

Daniel Sullivan, Associate Director of INA-MEND Institute at the Human Resources Center, has been chosen as Commencement Speaker at Nassau Community College's graduation exercises. Mr. Sullivan, a member of Nassau Community's first graduating class, and the first alumni to be so honored, has been a potent force in Community Relations and Rehabilitation programs at Human Resources Center for 12 years.

As Associate Director of INA-MEND Institute, a unique project sponsored by the Insurance Company of North America, Sullivan oversees programs providing the latest knowledge in vocational rehabilitation, research, and training of the severely disabled. Now in its 8th

year of existence, the INA-MEND Institute develops motivational workshops for the disabled, trains nurses and other medical specialists in the problems of severe disability, conducts research into accident prevention and loss control, and serves as a clearing house for disability information.

Before joining INA-MEND Institute, Sullivan was Director of Tours and Seminars at Human Resources Center. Sullivan created the Center's wheelchair-basketball and track and field programs, and currently coaches both teams. His basketball team has defeated teams from both his alma maters, Nassau Community ('62) and Hofstra (B.B.A., '72, M.S. candidate). At a recent regional meet, six of his

track and field stars qualified for the National Championships to be held in Spokane, Washington, this summer.

Daniel Sullivan also is an Instructor of Adapted Physical Education at Adelphi University, Lecturer in Rehabilitation at Adelphi, Hofstra, C.W. Post, New York University, and Manhattan College.

Sullivan is a paraplegic, and has been confined to a wheelchair since childhood. Yet his successes in both the business community and the world of academia, and his tireless devotion to Human Resources Center, makes everyone who's ever met him proud to know him as a concerned, dedicated citizen!

## Bicentennial Planning Guide Now Available

The New York State American Revolution Bicentennial Commission's "A New York State Guide to Local Bicentennial Planning" is now available.

In announcing the publication of the guide,

the Commission's Chairman, John H.G. Pell, noted that its purpose "is to aid people throughout New York State who will be engaged in bicentennial activities." Chairman Pell further stated that the guide "points to both practical pathways to be taken, and possible pitfalls which may be encountered."

The 50-page booklet will give bicentennial planners

suggestions and answer questions regarding the formation of committees, funding and program planning.

"A New York State Guide to Local Bicentennial Planning" will be distributed free. Interested parties should contact the New York State Bicentennial Commission, 99 Washington Avenue, Albany, New York 12210.

## Social Security Has New Address

Mr. Sydney Savrin, Mineola district manager for Social Security, said that many people who have business with the Social Security Office, are still going to the old address at 1505 Kellum Place.

Mr. Savrin said that since August 1, 1973 the Mineola Social Security office has been located at One Station Plaza North.

Mineola, New York (150) It is situated on the fourth floor of the Nassau Professional Building adjacent to the Mineola railroad station.

To avoid inconvenience to people who wish to visit the office, Mr. Savrin said that a written note should be made of the new address. The telephone number is the same as before, 747-5170.

# Dear Friends ....

PRESIDENT TRUMAN WAS WRONG...when he said that "the buck" stopped with him. As a matter of absolute truth, in our form of government, on all levels, "the buck" cannot ever be passed without weakening our government to some extent. Yes, our failure to vote accomplishes exactly that. We are sure that you do not want this to happen...so, let's all do our share.

AND THIS BRINGS US TO THE COMING ELECTION of school board trustees and our vote on the school budget in Hicksville. THE HERALD has brought you as much information as each candidate saw fit to give us, in this issue, plus numerous "Letters To The Editor". Throughout the year our coverage of school board meetings has been factual and explicit. Not only that, your PTAs hold Candidates Forums, our Community Council devotes one meeting to school board affairs, our School Board holds budget hearings. If you need further information we suggest a phone call to the school or to the candidates. But in the final analysis each one of us should make this effort himself. THERE IS NO WAY THAT "THE BUCK" CAN EVER BE PASSED". We're glad it's that way.

## HCBE Endorses

The Hicksville Citizens for Better Education endorses Dan Arena and John Lari for two seats on the Hicksville School Board.

The HCBE feels that these candidates embody characteristics that are needed on our Board. Their strong points are expertise in fiscal matters and management ex-

perience. Dan Arena is an Assistant Controller for Knomark Products, and John Lari is Director of Operations for Bilnor Pools; both deal with fiscal and management matters in their daily business activities.

This will give them significant advantages in dealing with budget and administrative problems.

## "AA" League

By D. Branhan

(Continued from page 9)

With the first half of the season gone, there is a three way tie for first place to be decided between Hicksville Firestone, House of Pancakes and Dodge Charger. There will be a 3 - way play off this week.

May 20 - International House of Pancakes defeated Firestone by a score of 17 - 10. J. O'Connor contributed 3 hits and 4 R.B.I.'s. B. Kapple blasted a home run in the losing cause for Hicksville Firestone.

May 20 - L. I. Collision beat one of the first place teams by a score of 11 - 0 over Dodge Charger. The combined great pitching of Erickson and Hazleton helped to preserve the win. P. Heller was the outstanding fielder at third base. The hitting was combined by the entire team.

The second games of the week were all rained out.

There were no reports received from International House of Pancakes or Dodge Charger.

# Letters To The Editor

To the editor:  
I would like to clear up a misunderstanding regarding support of school board candidates.

My name has been linked with both candidates endorsed by the Hicksville Citizens for Better Education (HCBE), Daniel Arena and John Lari. However, after due consideration, I wish to restate my position.

Although I have nothing against Mr. Lari and I am not opposed to the HCBE, I feel Charles Loiacono would be a better school board trustee. My only concern is for the best possible education for the children of Hicksville. It is for this reason that I am endorsing Charles Loiacono and Daniel Arena for the school board.

Sincerely,  
Cornelius J. McCormack

## AN OPEN LETTER TO MY FRIENDS AND NEIGHBORS IN HICKSVILLE

Permit me to tell you about a most qualified candidate for Trustee of the Hicksville Board of Education. CHARLES LOIACONO.

I have known Charles and his lovely family for many years, as a friend, neighbor and sharer of many thoughts and philosophies, principally concerning the vast world of education. You see, he is a professional educator, and I have personal knowledge of his dedication to the interest of all children. In his career, he has explored the many facets of the educational process. As a teacher, administrator, researcher, writer and seeker of truth, he seeks to maintain for us and our children the highest standard of education within affordable community means. Although an idealist, Charles has his feet on the ground, gifted with a keen sense of realism; he is a practical planner and doer.

As school attorney in Hicksville for many years, I became intimately involved in and concerned with the role and aims of our public educational system. As member and President of Our Lady of Mercy School, as member of its Parish Council, as executive delegate of the Diocese of Rockville Centre to the New York State Federation of Catholic School Parents, and as Co-chairman of the Nassau-Suffolk Federation of Catholic School Parents, I also became intimately involved in and concerned with the role and aims of parochial and private school systems. All schools are now facing a financial crisis, a challenge to the educational standards, and a struggle for survival. Charles Loiacono believes that in this struggle in a pluralistic society, freedom of choice must be preserved, and that all our children shall have a right to the best education possible within their means and desires.

To meet these growing challenges especially in our community, we need men and women who are first aware of those challenges and know what they are all about, then, they have to have special knowledge and experience; they must have the maturity, wisdom and vision to perceive solutions; and finally, the courage and energies to resolve those many, many problems. Ideally, we need men and women of substance, character, and intelligence whom our children can hold in esteem. In Hicksville, as in other communities, we have not always been privileged to find trustees so qualified. However, we have been fortunate on occasions. And now, my friends, we have an opportunity to again be fortunate. Charles Loiacono will make an ideal trustee. Let's vote him in. I know he will use his knowledge, skill and maturity to serve us all. We are on the threshold of

significant changes in Education.

Therefore, we need men at the helm who know how to steer our future and the future of our children. BE SELECTIVE! Don't abandon your responsibilities! If you want to vote for a candidate whom you and your children can respect and be proud of - VOTE FOR CHARLES LOIACONO. If you want to vote for a candidate who is aware of the financial and academic crises in education, and who can do something about them based upon his own knowledge and experience - VOTE FOR CHARLES LOIACONO. If you want a candidate who belongs to you alone, an independent, who owes no allegiance to any faction or group except to you and your children and who will not be dictated to - VOTE FOR CHARLES LOIACONO. If you want to vote for a candidate whose way of life exemplifies those ideals we all hold so dear - then you must VOTE FOR OUR FRIEND, CHARLES LOIACONO.

Respectfully yours,  
Joseph C. Catalano

To The People of Hicksville:  
I, Daniel Arena, have been a resident of Hicksville for the past 16 years.

Because I have four children I am deeply concerned with the quality of education offered in the Hicksville School System. My oldest graduated from Hicksville High last June. Another boy is now attending Hicksville High and a third is in the Junior High. My youngest, a daughter, attends Holy Family School. The quality of education is important to me and to every other parent in the district and indirectly to every person in the community.

I consider a quality education to mean different things to different people. For example, if a child is artistically oriented it is important that art courses be available for the pursuit of that interest. The same is equally true should that interest be music or auto mechanics. To me, the important fact is that the education offered MUST be comprehensive enough to educate the children of our community through the secondary level sufficiently to produce a rounded and satisfied member of society.

As a Taxpayer of long standing in Hicksville, I am equally concerned with the rising cost of education. As a member of the school board I would, with the aid of my professional background in business and finance, toward achieving the best education possible for the tax dollars that are available in this community.

The proposed school budget for the year 1974-75 has my support because I believe that this budget is essential for continuing good education in Hicksville. The increase in the budget, due to spiralling inflation, and not to any educational frills, will hit all taxpayers. Some will feel the impact more than others. With this in mind, should the budget be defeated, I, if elected, will work with the Board in reviewing the budget in an attempt to work out an acceptable alternative. Whatever your position on school issue be, I urge you to vote on June 5th.

Dan Arena

## TO ALL THE PEOPLE OF HICKSVILLE:

A Hicksville resident for 17 years, with two children in the school system, I, like everyone else, have complained about school budgets, education and taxes.

My decision to run for a seat on the school board is to be in a position, if elected, to be a doer and not a complainer.

My education as an engineer, with many years of experience managing and directing operations of manufacturing

establishments will be reflected in proper and sound decisions.

As far as the school budget is concerned, I do not have enough information to really know if we are getting our educational "money's worth" with this budget. Perhaps no one outside of the School Administration knows this. I generally support school budgets, as I consider educational values of prime importance. The size of the budget increase, whatever its cause, certainly is reason for concern and I will give budget matters my full attention if you elect me to the Board of Education. Your vote on the budget should reflect your conscience and your concern for education, as well as for taxes.

I support quality education for the children of Hicksville. This means such specialized programs as foreign language in the early grades complete music programs, extra curricular activities, individualized instruction and similar specialized programs.

I believe we can maintain and improve upon the fine programs now in existence within the framework of our current financial capabilities. In addition, I believe we must pursue alternative methods of educational financing, since property taxes have proven to be an unfair method of providing funds.

As a board member, through study and evaluation of current programs, I intend to make intelligent decisions as to which activities are productive. If I find problem areas or waste, I will not hesitate to make changes.

Please be sure, whether you support me or not, that you vote on June 5th.

John Lari

Dear Mrs. Noeth:

As an officer of the Hicksville Citizens for Better Education, I am particularly pleased to be writing to our local newspaper in support of the school board candidacies of Dan Arena and John Lari. My satisfaction stems from the fact that we are backing two individuals with long standing in the community, both as residents and as individuals involved in community activities.

Dan Arena, a CPA, has lived in Hicksville for 16 years, is married, and has four children. He has been active in the Holy Family Usher Society, Boy Scouts, Hicksville Baseball Association, and HAD (Help-Aid-Direction). He is a graduate of Saint John's University, and is active in the New York State Society of CPAs.

John Lari a mechanical engineer and Director of Operations of Bilnor Pools has lived in Hicksville for 18 years. He is married and has two children in the public schools. Mr. Lari has managed Little League teams and has been active in the Hicksville Baseball Association. He is also a member of the Holy Name Society.

Both candidates have indicated they intend to make more effective use of tax dollar for educational purposes the main thrust of their school board activities. They intend to measure the benefits of any educational programs against the associated costs.

The Hicksville community school district is beset by the same double digit inflation in its operating costs as encountered elsewhere. It is this financial problem that both men, with their accumulated financial expertise feel they can make their strongest contributions.

For example, Dan Arena has experience in preparing and analyzing budgets, financial statements, management surveys, cost analyses and long

# LETTERS TO THE EDITOR

To the editor:

This year the campaign for School Board Trustees has been conspicuous by its silence.

The reason there is no banner waving and no marshaling of forces is apparent. The present School Board majority has dealt moderately with the problems of the school district. So, there are no "burning" issues before the public. No issues, that is, except the acceptance or rejection of the school budget, and the election of qualified, representative School Board Trustees. Perhaps not "burning" but nonetheless im-

portant.

This year three candidates are seeking the seat of Dr. Joseph Madden. The voter has a rare opportunity to choose from among candidates with three divergent backgrounds and three divergent points of view. I am one of those candidates.

I am Charles Lioacono. I have been a resident of Hicksville for nine years, have two children in the Hicksville public schools, and am a parishoner of Our Lady of Mercy Church.

I hold a Bachelor's and Master's Degree from Brooklyn

College, have done graduate work at Hunter, Adelphi, and Hofstra Universities, have been a teacher and supervisor for 16 years, and have been a college instructor and lecturer.

More important than my educational background, however, is my interest and involvement in School Board matters, my commitment to quality education and financial prudence, and my belief that a School Board Trustee must represent the taxpayers and the children—not the interest of special groups.

As to my involvement in School Board matters and my commitment to quality education, I brought a taxpayer's action against the School Board for squandering \$100,000 of the taxpayers' money. I led the campaign to arouse the interest of more taxpayers in representation to the School Board. I have supported the retention of our excellent music program, as well as those programs that make Hicksville the envy of surrounding districts, and I have taken a stand on every vital issue to come to the fore in our district. I have publicly advised the current Board of the consequences of making any major decision which directly affects the taxpayers and children without the benefit of public opinion.

As to my belief that trustees must represent the taxpayers and children, I feel it is perfectly proper for a candidate to acknowledge the support of any group if he so chooses. But it is not proper for a candidate to allow himself to be manipulated by a group in order to receive that support, for then he becomes a pawn of that group—and pawns are used as expendable figures by the chessmen behind them. The people of Hicksville deserve better than that.

If elected, I will represent the people of our town. I solicit your vote, and I welcome your support.

Charles Lioacono

## HICKSVILLE INTERNATIONAL LITTLE LEAGUE

By JOE MARCUS

While youngsters taking part in the Hicksville International Little League's Farm Division continue getting excellent instructional training from the dedicated coaches and managers action continues at a fever pitch in the league's other divisions.

There were many well played contests held last week and parents who haven't been able to get down to the action in the minors, majors or senior majors should find time to see some of the action where a boy is taught more than just how to hit, run, pitch and take part in America's national pastime. He is also getting the most important lesson in the world—that of sportsmanship and everyone in the league from president Bob Garry down should be congratulated by the residents of our town.

In the Senior Majors Gilison Knitwear, which leads the league with a 6-1 record, waged a bitter battle against Agway before pulling off a 2-1 victory. Art Kappel and Joe Santaniello led the attack for the winners, each going 2 for 2 while Marty Diaz, the winning pitcher, fanned 10 while hurling a six-hitter. Losing pitcher Tom Marksteiner has to be credited for his fine effort which saw him yield eight hits while striking out six. Catcher Mike Valley demonstrated a great throwing arm catching four runners attempting to steal bases. Although Agway is dead last with no wins and six defeats they demonstrated strong possibilities of finally turning the tide.

Agway also battled the strong Maxwood team tooth and nail before bowing 3-2 and one again Tom Marksteiner gave a strong pitching performance. Joe Haggerty, the winning pitcher, allowed only five hits while on the attack Maxwood got a double and a triple off the bat of John Poggioli and two hits from John Bardenhagen.

Calvin Roberts drove in three runs and Rocco Barbone two as Parr-Hansen nipped VFW 9-7 in another exciting game. Mike Punelli was the winning pitcher and Gary Madine suffering the defeat. For the losers Jim Price got two hits.

In another game Parr-Hansen topped Maxwood 11-6 with Tom Mullaly getting three RBIs with two hits and Chuck DeMarco getting two hits. Mullaly was the winning pitcher.

Tommy Pirng pitched a strong three-hitter striking out 13 in pitching VFW to a 5-2 win over AOH. Jim Price went 3 for 4 while Bob Schririer got two hits. For the losers Tom Hogan smashed a home run. In another game AOH scored a 10-7 win over Agway.

In a well played Minor League game the Pennysaver scored an 8-6 win over HS Auto. Steve Sokol, the winning pitcher, also chipped in with a three-run homer while Ricky Werner hit a solo blast. Trailing 5-4 going into the sixth the Pennysaver team utilized the squeeze bunt to perfection and Werner got the lead run in. A couple of more bunts put the game out of reach as the Pennysaver evened its record to three and three.

Meanwhile in the Majors Troiano Express blasted Perkins Trucking 14-1 with Carmen Buffelino's double, Bernie Ordover's triple and another two-bagger by George Baraway being the crucial hits. Pat Brenner got credit for the win. C. Donahue drove in the one run for the losers.

## Elect Loiacono

According to Mrs. Lenore MacPherson, the Committee to Elect Loiacono has been hard at work organizing support for the coming election.

Mrs. MacPherson said that the committee was formed the day after Mr. Loiacono filed a petition to be a candidate for School Board Trustee. She reports that the size of the committee has snowballed so that it now represents a cross section of the voters in Hicksville.

To date, the committee has dealt with the logistics of planning the most effective means of utilizing the support which has come forward. Mrs. MacPherson, coordinator of the committee, said that the main thrust of the campaign will come in the week prior to the election. Residents interested in the Loiacono support team, should contact: Mrs. Lenore MacPherson, Coordinator, Committee to Elect Loiacono, 39 Haverford Rd., Hicksville, N.Y., 681-9454.

## HICKSVILLE AMERICAN LITTLE LEAGUE INC.

### A League By Gary Madine

This week opened with Mid Island Plaza beating Newberrys 6 - 5 in a well played game. For Mid Island Mike Gray gave up 1 run and Tim Campion allowed 4 runs. He looked good but was a little wild. Mike Boeggeman relieved in the 5th and pitched 2 scoreless innings. Tim Campion started the game with a home run but the big hit was Mike LaGrosta's grand slam in the 4th. Mike Gray and Vic D'Beneditto also had a pair of hits. John Autolino possibly saved the game with a key force play at 2nd, preventing the tying and possibly the go-ahead run from scoring.

For Newberrys Tom Bittner pitched 3 innings allowing 1 hit and 2 runs. Matthew Katz finished the game giving up 2 hits and 4 runs. The big hits were John Pizzo's triple and Eugene McCoys grand slam home run.

Malvese defeated Circle Texaco 10 - 4 behind the overpowering pitching of Robert Martin. Malvese collected 12 hits including 2 home runs. Robert Martin starred in the field also with a relayed throw "on the money" to cut down Jim Williams at the plate. Brent Harrison made a diving stop to rob Malvese of another hit.

Circle Texaco came right back and defeated Newberrys 13 - 8. Tom Bittner pitched for Newberrys giving up 7 runs on 5 hits, Matthew Katz pitched the last 3 innings allowing 4 hits with 6 runs. Steve Rokito tripled Tom Bittner went 3 for 4 with an rbi and Brian Conaughton went 2 for 2 with 2 rbi's. Harold Meltzer made a fine catch of a long fly in center.

In a makeup game Mid Island Plaza beat Newberrys 8 - 6. Scott Madine pitched the first 3 innings allowing 4 runs. Tim Campion relieved and gave up 2 runs. Then Mike Gray finished the game with a scoreless performance. Mike Gray and Charles Dennean got back to back triples. Tim Campion, John Autolino and Glen Caggino all singled. Mike Gray, Tim Campion and Scott Madine each had 2 rbi's. Charles Dennean and Glen Caggino each collected an rbi. For Newberrys Matthew Katz started allowing 2 runs on 3 hits. Dave Roberts pitched part of an inning giving up on a hit. Steve Rokito finished the game giving up 4 runs with no hits but he walked 7 batters. Matthew Katz had a 2 for 4 day, Ken Frers, Dave Roberts, and Ed Askin each had a hit.

### Majors Big Bob Cassagne

In Major League action this week, Cliff's Sunoco beat Sizzler by the score 9 - 4. Ron Busch got the win and Steve Playne picked up the save. Jim Boehmler carried the big bat for Cliff's by smashing a home run and a triple. Steve Hayes also came through with a homer. Tom Hayes, Ron Busch, and Steve Playne also collected hits.

Sunoco continued to roll along as they beat Gertz 12 - 4. Tom Hayes was the winning pitcher and Tom Rath got the save. Scott Cahalan drove in 4 runs with 2 hits. Steve Hayes lined a homer and Jimmy Murray also had a good day at bat. Out in right field, Ed Yoo made a great catch on a sinking line drive to save some runs for Cliff's. After this game, Cliff's and Gertz continued a game from last week and Gertz came up the winner 9 - 8 after 9 innings of play.

Cliff's lost their second game in a row to Sizzler 6 - 5. This game was called after 4 innings because of rain. Steve Playne was the losing pitcher. Cliff's big gun was Ed Yoo who drove in 3 runs with a home run. Steve Hayes, Jim Boehmler, Tom Corrigan, and Tim Murray all collected hits for Sunoco.

## 'Fade Away' Your Gray

Time-lapse photographs show how gradual action of Grecian Formula 16 lets him control just how much gray he slowly gets rid of - some of it or all of it.  
4 oz. \$2.79

WHITE PLAINS, N.Y. - Thousands of men all over the country are discovering they don't have to dye their hair a solid dark color to look years younger. Grecian Formula 16 is not a dark messy dye. It is a colorless liquid as easy to use as hair tonic. Used every day, the gray slowly fades away and is replaced by natural-looking color. The change occurs so

slowly over a period of time even closest associates don't notice it happening. The user has complete control of just how much gray he slowly gets rid of - some of it or all of it. Once the desired results are obtained weekly use thereafter is all that's necessary. The hair definitely does not have a dyed look. Get Grecian Formula 16 today at

By Norman Diamond  
Expo '74 SPOKANE

From now through October, Expo '74 will celebrate tomorrow's fresh new environment above a thundering natural waterfall in Spokane, Washington, THE World's Fair of the '70's. Expo '74 is the only world exposition of the decade officially sanctioned by the 36-nation Bureau of International Expositions in Paris, the international body regulating such events.

A recent estimate indicates some 4.8 million visitors will pass through Expo's gates between now and November 3rd to explore pavilions and exhibits of the U.S., Soviet Union, Canada, Mexico, Japan and many other nations.

The site of the Spokane world's fair is itself significant - a 100-acre site spanning Havermale and Cannon Islands and the adjoining riverbanks. The river beautification, the spectacular beauty of the Spokane River and its falls and will demonstrate a people's will and ability to create and sustain a wholesome environment.

Enough of the world's headlines have been signed to indicate the caliber of entertainment that will be continuously featured. Among those already on the schedule: Roger Williams, Marcel Marceau, Bob Hope, John Denver, the Up With People Singers, the Moinaway Dancers of the Soviet Union, Isaac Stern, Harry Belafonte, the Emmett Kelly Circus, the Royal Lipizzan Stallions, the Carpenters, the Folklorico de Mexico, the Chinese Opera of Taiwan, the Royal Shakespeare Theatre. ## Hicksville Olympics Chess Tournament Finals

See pictures on page 16

The finals of the 1974 Hicksville Olympic Chess Tournament were held on Saturday, May 18th. Approximately 75 boys and girls, ages 6 thru 17, bested opponents on the two previous Saturdays to compete on this day.

The final results in age category are as follows:

6-7 year olds: 1) Ian Zaretsky, 2) Harold Meltzer, 3) John Brigande, 4) John Sanzone, 5) Robert Newlande, 6) Daniel Katz.

8-9 year olds: 1) Robert Zaretsky, 2) David Smyth, 3) Matthew Katz, 4) Larry Edlestein, tie for 5) Chris Walsh and Chris Botta.

10-11 year olds: 1) Jimmy Dunne, 2) Ray Trapasso, 3) Robert Bergersen, 4) Michael Walsh, 5) Jay Silbergleit, 6) Doug Bowen.

12-13 year olds: 1) Donna

Lupski, 2) David Kutner, 3) Barbara Goldman, 4) Michael Dunne, 5) John Sherry, 6) Eileen Maraldo.

14-15 year olds: 1) Chris Dunn, 2) Andy Garger, 3) Richard Toth, (no 4th, 5th or 6th place).

16-17 year olds: 1) Jim Lupski, 2) Brian McNamara, 3) Mike Stepkowski, 4) Edward Henne, 5) Lyle Kutner, 6) Louis Brigande.

The elimination sets and finals were held at the Hicksville Elks Club. The gentlemen of this organization not only donated the use of their fine facilities but also financed the purchase of the medals which were awarded to the top three winners in each age category. Special thanks too, go to Lody Sedlacek, this year's chess tournament director and his staff, who did an excellent job of scheduling the "round robin" tournament.

Other Club activities include a Bantam Division All Star contest at Jones Beach on June 2nd at 6 P.M. between Nassau and Suffolk teams. Our Bantams will also

play an exhibition game with Oceanside at home (Cantiague Rock Road field) at 4 P.M. on Saturday June 1st.

Should either or both of our competing teams in the playoffs pass the semi-final stage of the L.I. Jr. S.L. competition, they will play in the finals on June 9. Time and place will be in next weeks issue.

## Hicksville Soccer Club

As the spring season draws to its normally exciting close, the Club's traveling teams are digging in and showing their obviously improving skills.

Our Boys "A" team defeated Garden City "A" in the quarter final playoffs this weekend, as the boys took turns scoring a 6-0 victory. Scoring boots by Tim

Cusack, Mike Bedell, Mike Collins, John Solaski, Bob Bedell and J. Jablonski, simply overpowered a die-hard Garden City team. The coordinated attack of the offensive line consisting of M. Bedell, J. Jablonski, K. Anglin, M. Collins and B. Bedell kept all the action in front of their opponents goal; while our defense, goalie Billy Dalton, left halfback Peter Collins, and center half Mike Humphreys developed a nimpregnable defense. The team is looking forward to this coming Saturday's semi-final bout with the Huntington Sports Club.

Our Juveniles did equally as well in their match with Brentwood, securing a semi-final berth, with a 7-1 victory over Brentwood. B. Claghery achieved a "hat trick" plus 1 goal (4) while teammates Kevin Barcavage and Kevin Reardon put in two and one respectively. Richie Fremgen at goal had another great day in front of the net, while Andy Garger led the defense in their job of keeping the action on Brentwood's side of the field. He had fantastic help from his defensive associates Gerry

## Sports Editors' Day At Shea Stadium

By MARK SILVERSTEIN

P.O.B. High School

After 50 years of exciting, momental, thrilling and historical sports events at Yankee Stadium it was time for the stadium to be refurbished.

For the next 2 years the Yanks will be playing at Shea Stadium. The players are trying to "make themselves at home," at Shea and one way they're doing it is by

having their yearly events.

On May 11, it was Sports Editors day. A press conference was held for sports editors representing their respective High Schools. Manager Bill Virdon, left fielder Lou Pinella, T.V. and Radio Broadcaster Phil "the Scooter" Rizzuto, and executive personnel talked with us.

The main topic was why are there 150 Met games on television

when the Yanks only televise 85 games? The reason is the stations. The Mets are on WOR (Channel 9) and the Yankees are on WPIX (channel 11). WOR is willing to televise most of the games but WPIX is a little bit reserved. Fans who have Home Box, Cable T.V., see an additional 40 games, but a lot of fans don't have Cable T.V. and they suffer.

Even though the Yankees were in first place most of the year they ended up 17 games behind 1st place. With the addition of slugging stars Lou Pinella and Chris Chambliss the Yankees have helped their offense but unfortunately their defense is still a question mark.

In my opinion, if a team can't field and makes a lot of errors it doesn't matter how many runs they score, they'll still come out the losers. Like the saying goes "Defense makes the offense." Let's hope the errors will be limited.

The new manager of the Yankees Bill Virdon talks with Sports Editors.

### Old Cars

Remember the days when cars were rugged vehicles of good design that were great for a Sunday drive?

Herbert Lozier, local author and expert on antique and classic cars, will conduct a slide lecture program on his favorite subject of old cars and scale models based on historically great cars at the Plainview-Old Bethpage Public Library on June 13 at 8:00 PM. There is no charge

for admission to the program.

Mr. Lozier, former editor of Motor Cars Illustrated and author of Car of Kings (Mercedes) and several other books, will exhibit a number of his car models at the Library during June.

The library is open every week day from 9:30 AM to 9 PM; on Saturdays from 9:30 to 5:30 PM and Sundays from 1 to 9 PM

LAST WEEK was "graduation" for 55 children who were enrolled in the Fork Lane PTA Pre-School program. Shown in these pictures are members of the three classes held.

This was the third year for the program, which gives the children a chance to try out the school environment on a once-a-week basis. They cut, color, paste and even try out the gym, in preparation for kindergarten next September.

In charge of this year's program were Connie Wojcik and Ursula Nassisi, who also served as teachers. Additional teachers were Helen Pershinsky, Gail Teney, Betty Zagajeski and Monica Reed.

Congratulations to these "graduates" and all involved in the program. (Pictures by Chris Reed and Ursula Nassisi).

## Get Rid Of Gray Hair Some Of It Or All Of It

1st day      6th day      12th day      18th day

Time-lapse photographs show how gradual action of Lady Grecian Formula lets you control just how much gray you slowly get rid of—some of it or all of it.

WHITE PLAINS, N. Y. (Special)—Thousands of women all over the country are discovering a remarkable new product specially developed and tested for women's hair. It not only takes the guesswork out of hair coloring but also eliminates the gray roots problem that has for years been a thorn in the side of all women who color their hair. Lady Grecian Formula is not a dark, messy dye. It is a colorless liquid as easy to use as water. There is no mess, no complicated instructions, no

strand tests, no clock watching. Simply brush Lady Grecian Formula through your hair every day, and you will see the gray slowly "fade away." You are in complete control. You can get rid of as much gray as you want—some of it, or all of it. When your hair reaches just the lovely natural-looking color you want, weekly use thereafter is all that's necessary to keep your hair just the way you want it with no gray roots problem ever. Lady Grecian Formula is available now at:

## June 5, 1974

AN OPEN MESSAGE ON A COMMON AIM

If one were to put together the qualities of an ideal School Board Trustee, they would include intelligence, dedication, experience with decision making, knowledge of educational matters, understanding of children, courage to stand for sound principles, concern for the financial burden of the taxpayer, willingness to serve the common good, ability to solve the tough problems, and the commitment to represent the people.

Only one candidate possesses these qualities, and he stands above the rest. He is Charles Loiacono.

The choice is clear, and the choice is yours.  
Elect Charles Loiacono on June 5, 1974 for School Board Trustee.

before preparing the dish for the luncheon. It was with real pleasure and anticipation that the students prepared the dish and took it to the nursing home. Those who participated were Yvelise Exantus, Pat Garrigan, Susan Kristein, Kathy Mannion, and Lois McLehose. It was an unforgettable experience that was over too soon.

The OCEANOGRAPHY CLASS recently went on a field trip to New York Ocean Science Laboratory at Montauk Point. On the way there a stop at the beach near the town of Montauk proved to be father fruitful. A team from the U.S. Conservation Dept. was catching and tagging striped bass as part of a study of their migration patterns. It afforded them an opportunity to observe the tagging procedure.

At Montauk Point they observed the effects of beach erosion on the point and the intertidal zone organisms that inhabit the area. The trip concluded with a visit to the N.Y.O.S.L. where students were able to observe and talk with people working in all aspects of Oceanography.

Students of Samantha Nagel's GENERAL CHEMISTRY CLASS, while studying their unit on Pollution, became concerned about the quality of their environment at Plainview High School. The area around the school was littered with broken glass, papers, cans, etc. In order

to publicize the sad state of their surroundings, the students launched a campaign instituting an Ecology Day on Tuesday, May 21st. They hoped to alert the school population to the problems of littering. Students and teachers were asked to devote some of their time on that day to clean up areas around the school. Armed with gloves, brooms, cartons, plastic bags, the students concentrated on cleaning up one area of the school grounds. They felt personally gratified when they surveyed the effects of their labors. However, they feel much more cooperation is needed to maintain all the areas around the school. The chairmen of this drive were Richard DeCicco, Jeffrey Kellerman, and Jay Press.

The Plainview High School Symphonic Band, Jazz Laboratory, and Parade Corps returned on May 19th from an Exchange Concert at Williamsville, New York. Concerts were played at South High School in Williamsville and Niagara Falls, Ontario. Plainview students were guests of the Williamsville students for the weekend in exchange for the Williamsville Band's trip to Plainview last March.

Soloists in the concerts were Margie Harrison, piccolo; Joe Dowd, trumpet; and Charles Bedoian, French horn. Band director, Howard Carstens, along with six other adults accompanied the students on their trip. Fund raising activities to help finance the trip were under the direction of Mrs. Eileen Harrison, chairman of the Plainview Band Parents Committee.

The SYNCHRONIZED SWIM CLUB of Plainview High School is proud to announce their overwhelming success in the 2nd annual Synchronized Swim meet of Nassau County held at Hewlett High School on May 28th.

**ALL WINNERS:** In the top picture, (l. to r.) are the 6-7 year-old chess winners. Third place, John Briganti, First place, Jan Zaretsky, Second place, Harold Meitzer. The boys are being congratulated by Edward Gratzner, Past Exalted Ruler BPOE 1931.

In the center picture (l. to r.) Lody Sedlacek, chairman of the Chess Tournament, Hicksville Olympics congratulates the 16-17 year-old winners, Second place, Brian McNamara, First place, Jim Lupski and Third place, Mike Stepkowski.

In the lower picture (l. to r.) Ted Walsh, Past President of Hicksville Olympics, congratulates the 8-9 year-old winners, Third place, Matthew Katz, First place Robert Zaretsky and Second place David Smyth. Story on page 10.

**Visit Hispanic Museum**

Members of the Spanish Club of Hicksville High School enjoyed a total Hispanic immersion experience on Tuesday, May 14th, when they visited the Hispanic Society Museum in New York City.

From Velasquez to Sorolla, from Unamuno to the Quinteros, from Celtiberian jewelry of 100 B.C. to lavishly illuminated bibles of the 15th Century, Spain's legacy of beauty and scholarship unfolded in third dimension before the Hicksville Hispanophiles.

The excursion was climaxed with a "New World" luncheon al fresco, of Mexican tacos, enchiladas and frijoles at the Taco Village restaurant.

Carol Stella, Spanish Club president and organizer of the trip, said, "It really was a lot of fun. It's another good idea for next year's Spanish Club trip."

Mrs. Kozma, Spanish Club advisor, and Mrs. DaSilva, a most "simpatica" mother, accompanied the group.

**LETTERS**

(Continued from Page 4)  
term corporate financial programs.

John Lari has had the responsibility for making major capital expenditure decisions as director of operations for his company. At the same time both men express a strong concern for a wellrounded, quality education for the children and adults of Hicksville.

These are mature, intelligent individuals who are capable of making the sound judgements required of school board members.

HCBE would like the citizens of Hicksville to form similar conclusions. In the next few weeks these gentlemen will be out campaigning, meeting the public at coffee hours, Candidates Forum at the Junior High School on May 30th at 8pm, and even on the streets of Hicksville. We welcome your questions, your participation and your support.

Sincerely,  
Kenneth Rubin  
Vice -President, HBCE

Dear Editor:  
It's important that all Hicksville citizens know why PTA feels the proposed school budget should be approved. As I said in addressing the Superintendent's Conference on May 23, the main concern of PTA has been and always will be that the level of educationally oriented services and the quality of education itself not only be maintained, but be improved where ever possible. In line with

that concern the Hicksville Council of PTAs has voted to support this year's budget in cooperation with the Administrators Council, and the Hicksville Congress of Teachers. We've reluctantly accepted the inevitability of change in administrative services because we feel strongly that the curriculum evaluation and coordination to be undertaken particularly at the elementary level should be an important and necessary response to one of our perennial problems. All of our students funnel into one Junior High School having been variously prepared in many subject areas in their eight separate and distinct elementary worlds. Our concern is for equal educational opportunities for all Hicksville students. We know that each elementary unit is justifiably proud of it's own individual brightspots. All we ask is that the glow from those bright spots be encouraged to illuminate the entire district!

The PTA is made up of parents and teachers who are taxpayers and wrestle with the same economic problems as everyone else. To say that we demand that the line not be held in public spending is ridiculous. The line is

still being held. Look at these figures:

per \$100 tax rate increase	
1967	\$ .72
1968	1.18
1969	1.44
1970	1.10
1971	.88
1972	.39
1973	.50
1974 (proposed)	1.70 (maximum)
Cost of living percent rise	
	3.3
	6.3
	7.4
	5
	6.5
	12.2

Obviously the tax rate increases for 1972 and 73 were unrealistically low in comparison with the general rise in the cost of living. When you average the last three years tax increases (72, 73 and proposed maximum 74) you will find that the average yearly increase is \$ .86 per \$100 assessed evaluation, still lower than any previous increase since 1967.

A good school district helps keep properly values up, and attracts people who, like all of us, care about opportunities for their children. We feel it's a good investment.

Norma Dagna, President  
Hicksville Council of PTAs
