Residents Urged To Participate In Community Park Planning

Town Supervisor John W. Burke has urged area residents to complete and return the questionnaires they recently received from the Hicksville Community Task Force.

The Task Force, a volunteer group appointed by the Supervisor at the recommendation of Councilman Warren M. Doolittle, has initiated the questionnaire as another means of determining the recreational needs and desires of the Hicksville community. The resulting information will play an important role in the development of preliminary plans for a community park.

The questionnaire was recently mailed to each household in the Hicksville Park District. Under three separate headings, residents have been asked how often and where they currently participate in twenty-five (25) outdoor and nineteen (19) indoor recreational activities, and how often they would participate if these activities were more

available to them. There is space on the questionnaire to list other specific activities and additional comments.

"The Task Force has gone to great lengths to solicit broad-based input for the preliminary planning of community parklands," said Supervisor Burke, "and the Town government has been pleased to assist them wherever possible. Residents commentary is an important part of such planning, and I encourage all those who have received the questionnaire to consider it carefully and return it before the June 30th deadline established by the task Force."

The Supervisor also acknowledged with thanks the services of the Hicksville school system in addressing the questionnaires sent to approximately 12,500 households. The boundaries of the park and school districts coincide, and the school system was able to utilize the plates used for its regular mailings to Hicksville residents.

Come and meet your new PTA officers, give your suggestions, volunteer to help keep a good organization going as well as joining your compatriots in an enjoyable social evening.

BOCES Spring Festival

The BOCES Cultural Arts Center, a school for gifted

teenagers in Nassau County, will present a Spring Festival of the Arts this week and next to celebrate the school's first year of existence.

The Festival will be held in two parts: instrumental and vocal music on June 7 and dance and drama on June 15. Students of vocal and instrumental music, dance, and drama will present solo and group performances. Art students will design and prepare the programs. The public is invited.

The Cultural Arts Center is operated by the Nassau board of Cooperative Educational Services (BOCES) for public high school students who seek professional careers in the arts. It provides them with high level, pre-professional training in their chosen fields.

Students are admitted to the Center upon referral by their home high schools and upon successful completion of auditions. They attend the Center half of each school day and pursue their other academic

Fire Report

By Ex-Capt. Owen Magee

Firemen and Ladies Aux. won 3rd place - Best Appearing Units in the Lindendurst Parade on June 1st.

911 NOT FOR FIRE

Again we wish to remind all Hicksville residents that the quickest, most efficient method

to report a fire or request for Emergency Oxygen is to Dial WE 1 - 0025 or use the nearest fire alarm box. If you use a fire box, someone should stay at the box to direct firemen to the scene.

A call to 911 for a fire could result in a costly delay. At a recent car fire Hicksville firemen were delayed 7 - 10 minutes in being notified about the fire.

Understandably, the people involved were quite upset. But we wish to point out, the Fire Dept. itself can't do anything if it is not called.

Please remind all your family on this matter.

911 is an excellent system to call for a policeman or ambulance. The call should be of an emergency type only. Routine calls can be given to your proper precinct.

Fire Safety Notes

Just recently it was reported that the installation of the cheaper - untreated wall paneling is extremely dangerous if it comes in contact with an open flame. The paneling will burn rapidly.

When in the market for wood paneling think of fire safety. Buy the fire - retardant treated brands.

Fire Insurance- How Much?

To determine how much homeowners insurance you should carry, figure out the replacement cost. That is what you would pay to replace your dwelling if it should be destroyed by fire, wind storm or other physical cause. It is not the price you paid for your house originally.

First you should deduct the value of the land, as it would not be destroyed in a fire.

Any of three methods can be used to estimate replacement cost: 1) Multiply original dwelling cost by an inflation factor. Replacement of a house built in 1966, for example, would cost about 50 percent more today. Factors for different years can be obtained from a F.H.A. office or builder. 2) Hire a reputable builder to estimate a replacement cost. Expect to pay a fee for this cost appraisal. 3) Multiply the square feet of living space in your house by a current cost per square foot of comparable construction.

Don't forget to insure the contents and be sure the proper fire district that protects your home is listed on your policy. We hope these hints will be of some help for you. Don't wait. Fire can strike anytime.

SOCCER CLUB

(Continued from Page 5)

On Sunday, June 9th, Kings Point Academy will host the Long Island Jr. Soccer League Spring finals. The above two teams will represent Hicksville in this prestigious event. The Hicksville American Soccer Club is well represented by finalists in 2 out of 5 competing divisions. Congratulations boys! Congratulations Coaches Pat McHugh & Bill Cresham (Boys "A" Team) and Coach Peter Collins (Juniors).

The Hicksville American Soccer Club is also proud of having had two members picked from Joe Sanna's Boys team for the Long Island Junior Soccer League (Boys Division) All-Star Team. Steven Playne and Scott Cahalan participated in the 1-0 defeat of the German and Greek (Continued on Page 19)

WILLIAM BERNING, son of the late Caroline Berning, a teacher in the Hicksville public schools for over 25 years, is presented with two paintings contributed by the faculty of the Hicksville Junior High School. The two paintings will hang in the school library as a tribute to the many years of outstanding dedication of Mrs. Caroline Berning. Presenting the paintings are Janice Todd and Gerald

subjects at their home high schools the remaining half-day. Students who complete programs at the Center are awarded certificates by the Nassau BOCES. Nineteen Nassau County high school seniors will receive completion certificates this year.

The Spring Festival at which the Center's students will per-

form will be held according to the following schedule: instrumental and vocal music, June 7 at 8 p.m. in the multi-purpose room, BOCES Cultural Arts Center, 2850 North Jerusalem Road, Wantagh; dance and drama, June 15 at 8 p.m. in the auditorium, Cantiague Elementary School, Cantiague Rock Road, Jericho.

Gov.. Wilson To Speak

Governor Malcolm Wilson will be the main speaker at the annual \$125-a-plate dinner of the Nassau County Republican Committee on June 20 at 8 p.m. at the Colonie Hill in Hauppauge, Assemblyman Joseph M. Margiotta, Party Chairman, announced.

Wilson said he is "looking forward with

pleasure" to attending the fund-raising affair, which is expected to attract approximately 5,000 of the party's supporters and friends.

The state's leading Republican figures also are expected to attend the dinner, which comes in a "big and busy month for Nassau Republicans," Margiotta noted.

The County Convention will be held June 6 at the Holiday Inn, Hempstead; the State Convention on June 11 and 12 at the Island Inn in Westbury, the Hempstead Holiday Inn and the Nassau Veterans Memorial Coliseum in Uniondale, and the State GOP dinner June 13 in Manhattan.

Knights of Pythias Honor Walter Kaner

Walter Kaner, Long Island Press columnist, has been named recipient of the 1974 Humanitarian Award of the 78,000-member Grand Lodge of the Knights of Pythias of New York State.

The award, for "outstanding public service," will be presented to Kaner for his charitable and community service and his activities in behalf of homeless, handicapped and needy children, according to Grand Chancellor Ronald Finkle of North Bellmore.

Presentation of the award will be made on Friday, June 7, at 7

PM in the auditorium of the McGraw-Hill Building, 1221 Ave. of the Americas, Manhattan, at which time the Grand Lodge will also present scholarships to 15 high school students. State Senator Jack Bronston of Jamaica Estates will address the meeting.

During the past 20 years, Kaner has entertained more than 50,000 handicapped and underprivileged children at parties and outings. For his efforts in behalf of children the columnist has been commended by President Nixon, Queens

Borough President Donald Manes, Nassau County Executive Ralph G. Caso, former Governor Nelson Rockefeller and former Mayor John Lindsay.

"The Grand Lodge of the Knights of Pythias is honoring Walter Kaner for his unselfish and dedicated service to homeless, handicapped and needy children. Further, he has been an integral and conspicuous voice and leader in the press by his espousal and whole-hearted devotion to countless humanitarian causes," Mr. Finkle said.

WANT TO OWN A PIECE OF OUR COUNTY? General Services Commissioner Francis E. O'Connor (left) today announced Nassau County's annual land auction. Joseph Geraghty, Director of Real Estate and Insurance points out one of the choice parcels.

The auction, scheduled for July 17, at 10 a.m. in the Nassau County Police Department auditorium in Mineola will include 30 parcels of surplus vacant land valued from \$160 to \$77,835 (upset price).

A booklet describing the properties will be available after July 1st and may be obtained by calling Mr. Geraghty at 535-5313.

19,000 Respond To Poll

Congressman Norman Lent's 4th Annual Questionnaire, mailed out to 136,000 homes in the 4th District earlier this year, rang up a record-breaking 19,000 responses, with results announced in the Congressman's new newsletter being mailed throughout the District in early June.

Dear Friends

EVERYONE IN HICKSVILLE Has been rooting for TOB Councilman Warren Doolittle, and wishing him a speedy recovery. So, you will all be glad to hear that he is now home from the hospital after his second operation and hopes to be back on the active list by next month. Since he has become Councilman, we have been accustomed to seeing Warren, at the many, many local activities that we attend. Best wishes Warren. Hurry and get well, for all your friends and constituents miss you. Just do as good a job of getting well as you do serving us on the Town Board and you'll be back before we know it!

Also, best wishes for a speedy recovery to Lala Berkowitz of PLAINVIEW, who is convalescing from an automobile accident, in the hospital at present. Her son, our well-known photographer, Bob Berkowitz, is having a one-man show at May's Camera Dept. in Levittown. You won't want to miss this one.

BEST WISHES for many more years ahead to Mr. and Mrs. Cornelius Ryan of PLAINVIEW and Mr. and Mrs. N. Franzini, who both celebrated their fiftieth wedding anniversary last month. They are members of Our Lady of Mercy parish.

TWO DINNERS took place last week and in both cases, we do not yet have pictures. We hope to have them in the near future. On last Wed. night, a Retirement Dinner was held for Mr. Harold Hawxhurst, Superintendent of the Hicksville Water District. It was held at the Holiday Manor. Mr. Louis Dettloff of Carleton and Reid was the MC. The dinner chairman was Mr. William Luchka. Several superintendents and close friends also spoke extolling Mr. Hawxhurst's virtues. A travel gift certificate was presented to him by Mr. Luchka. Mr. and Mrs. Hawxhurst have three sons, all married—Harold, Joseph and Daniel. The Hawxhurst plan to spend some time in Baiting Hollow where they have a summer home, but they will still live in Hicksville.

Mr. Hawxhurst served about fifty years in his field of endeavor.

THE SECOND DINNER, which was also held at Holiday Manor, on Thurs. night, was the Hicksville School District Employees Retirement Dinner, and the picture and story about this gala event, will be in next week's issue. Needless to say, a wonderful evening was enjoyed by all.

IRWIN SKOLNICK of Hicksville, formerly of Mills Appliance Service, Hicksville, is now doing business as

Hi Appliance Service (681-9615). Mr. Skolnick has been in business here for the past 20 years. Friends and business acquaintances will be glad to know where to reach him for reliable, reasonable service for their

The meeting will be held at the Galileo Lodge, Sons of Italy Hall, 200 Levittown Parkway, Hicksville. Refreshments will be served. The program topic "weather or not" will feature Harry Wappler

of WNBC TV news - weekend weatherman.

Mr. Wappler, who will be the guest speaker for the evening, will give a talk on "weather phenomena in action and weather forecasting techniques." Also included in the presentation - will be tape recordings, film and slides.

Letters To The Editor

Dear Editor:

Your article "County Faces Suit In Abortion Case" (May 9) by Janet Gosnell was written with much sympathy and concern for Miss X who appeared before the Nassau County Board of Supervisors with her face dramatically concealed by a black scarf. Has the writer considered that sympathy and concern should be accorded all human beings—including and especially the real victim in this "grizzly chronology of events," the 20-week old fetus who lost her life to abortion? By placing the words "baby" and "little girl" in quotation marks the reporter seems to be questioning the use of these words to describe the tiny victim. The fact is that at 20 weeks the child must have been quite recognizable as a baby and as a little girl.

In 1967, a medical group composed of biochemists, geneticists and professors of obstetrics and gynecology reported, "The changes occurring between implantation, a six-weeks embryo, a six-months fetus, a one-week old child or a mature adult are merely stages of development and maturation."

Instead of his arm, Mr. Baird seems to be burying his head in refusing to acknowledge documented scientific evidence that a fetus is a separate human life. Apparently he thinks that if he shouts his fantasies loud and often enough, they will become fact. But I have yet to see a pregnant woman give birth to her own "arm, leg or tumor" or any other "extension" of her body. If he really believes this, why is he so upset that abortion patients are being placed near new mothers and babies?

The fact that each offspring is a

separate and distinct human being was well brought out in this testimony given at the Senate Hearings last March. The speaker was Jean Garton of the Lutheran Church, Missouri Synod, who said, "Two of my children are boys. Can my body be male and female at the same time? Two of my children have blood which differs in type and factor from mine. Can two different blood types exist in one body at the same time? And what of the child who died while I still carried him? Can my body be alive and dead at the same time?"

Size and weight do not measure our humanity. Were any of us less human at ten years old than we are now?—or ten months?—or ten days? Our sex was determined and we had our own set of chromosomes even before implantation. Our heartbeats began about the 18th day after conception. At 43 days our brain waves could be recorded.

Any intellectually honest person must admit that we were truly human from the earliest stages of development. We must not be misled by the hypotheses of barbaric pragmatists. Let us protect human life at all stages. Every human being deserves this consideration from his fellow man.

Sincerely,

Dorothy Blair

Hicksville, N.Y.

Editor's Note: Mrs. Gosnell is a professional writer. Her description of a dramatic Nassau County Supervisors meeting is dramatic, just as her description of a dull meeting would be dull.

Dear Editor:

The Hicksville Public Library is busy compiling information to be published in the Annual Community Directory. We have more than 75 organizations and groups now listed in the 1973-74 Directory. Our goal is to produce a Directory that will list virtually all the groups in the community, but we cannot accomplish this without cooperation from the organizations. We welcome information from all organizations, social, fraternal, political, educational, youth and religious groups in the area. Also included in the Directory are addresses and telephone numbers of political officials, Town of Oyster Bay, County and Federal services and local clergymen.

If your group has not received the questionnaire from the library and you want to be included in the Directory, please call Mrs. Neufeld at WE 1-1417 or write to the library enclosing the names of your officers, telephone number and regular meeting schedule.

You will then receive a copy of the Directory upon publication in September.

Very truly yours,
Kenneth S. Barnes
Library Director

Hicksville Library Programs

The Hicksville Public Library is having two programs of special interest to the community.

On June 13, at 8 p.m., "Class Six" a variety show with six Hicksville residents is scheduled. The group is Sue Goldstein, the originator of the group, Jane Senn, Tricia Fagan and Geri Lecessi with her daughter Linda and son Ralph. Sue and Jane do modern dance routines, solo and also together. Geri sings a

variety of today's popular music accompanied by Linda on the guitar. Ralph plays the clarinet and also sings. He and Linda will accompany each other in a duet. Tricia is a percussionist and will perform with drums and bongos. As she plays she will give an explanation of the instrument she is using.

This group has been performing together for more than a year at various nursing homes,

Stroke Rehabilitation Centers and other Health Department organizations, as volunteer entertainers. They are willing to perform for any worthwhile group at no fee.

The second program on Friday, June 14 at 8 p.m., will be a piano recital with Jeffrey Biegel and James Guerin. The program will include works of Chopin, Beethoven, Scarlatti, Debussy and Mendelssohn.

Jeff is 13 years old, a resident of Plainview and has been studying music for 5½ years; James is 16 years old and lives in West Islip and has been studying piano for 8 years. Both boys are students of Morton Estrin of Hicksville.

These two widely diversified programs are a tribute to today's youth. Both groups consist of young people, except for Geri, who is young in heart, and all are interested in sharing their talents with the community.

Madrigal Singers Concert

On Sunday, June 16, at 8:00 P.M., the Hicksville Madrigal Singers will present their final concert of the year at the Parkway Community Church on Stewart Avenue in Hicksville.

Selections to be per-

formed range from Renaissance madrigals to popular classics.

Admission is free. However, a contribution to help defray expenses would be greatly appreciated.

Local Man To Give Organ Recital

This Sunday, June 9, Mr. Herbert Bradensten, Jr. will present an Organ Recital at Grace Lutheran Church, 400 Hempstead Ave., Malverne. The church is the proud owner of an Allen Digital Computer Organ, which allows the organist to program an infinite variety of organ voice through the use of programming cards.

Mr. Bradensten, a Hicksville resident attends Queens College

and studies organ with Charles Dodsley Walker in New York City. Prior to this the recitalist studied with Charles F. Boehm of Westbury.

The Program begins at 4:00 p.m. It will consist of works by Bach, Pepping, Langlais and others. There is will be no admission. Grace Lutheran Church is 2 blocks south of Exit 17 on Southern State Parkway.

Hicksville International Little League

By JOE MARCUS

The heavy rains a week ago didn't only curtail the plans of picnics and what have you but the members of the Hicksville International Little League also felt the hardship as many games were washed away.

But there was still some action held and once again our youngsters, as well as their coaches, displayed great enthusiasm.

We're happy to be able to report finally on some farm team games in which the youngsters are using batting tees so as to get them ready for the pitching program to be implemented soon.

Smith Pharmacy beat Steve's American 25-16 as Craig Holzhaver, Ronnie Mitchell and John Curley led the attack while Jim Decker, John Delellis,

Connie Kilmetis and Billy Renzetti were outstanding in the field.

For the losing team Mike Gonzalez drove in five runs with a homer and triple while Curt Lettel had a home run while getting three RBIs, John Mitkowski also knocked in three runs as did John O'Reilly.

In another game Miss Chocolate edged Carvel 8-6 with Bob Yeager and Charles Veltan getting round trippers and Yeager also making an unassisted double play. Joe Entwiciz and John Colwell got three and two hits respectively for Carvel whose Chris Leach played heads up ball in the field as did catcher James Gargan for the winners.

In the championship battle for the first half title in the Majors

Marder edged Troiano 2-1 in an exciting contest. Tommy Sullivan knocked in the winning run for Marder who got outstanding pitching by Term Harper. M. Sozio also is to be congratulated for his patching for the losing team.

Frank's Alibi gained its first win of the season in the minors with an 18-12 decision over the Pennysaver. Bob Brensever with two doubles and Chris Kilmetis, Mike Delaney, John Perez and Tom Reinos also helped in the hitting department for the winners. Kilmetis was the winning pitcher while charged with the defeat was Robert Sokol. In the losing effort Jeff Kalberer had a home run while key hits were recorded also by Steve Kopeitz, Bob Panchockian, Paul Emperor and Allen Goldberg.

In the second half of the season, LINB has compiled a 3-0 record. They beat Sizzler 10-9. James Massaro smashed a two run home to put LINB in the lead 4-3 early in the game. In the bottom of the sixth, the game was tied 9-9. Robert Somer was on third for LINB. Sizzler Sizzler pitcher Pete Demas was told to walk the batter, Jim Lohsen. His second pitch passed the batter and Somer raced home to give LINB the win.

LINB again beat Sizzler, 19-10. R. Strack and M. M. Humphreys were the pitchers for LINB. They collected their 19 runs on 16 hits. The long bale hitters were J. Massars (a 2 run homer), R. Somer (two triples), R. Strack and C. Virga each lined a triple. Every boy on LINB scored at least one run. The team batting average is now .365. J. O'Connor made a fine play in the field, picking up a backhand grounder to throw out the runner at first.

Gertz beat Cliff's Sunco by the score 9-8. The losing pitcher was Tom Hayes. Cliff's big hitters were Joe Maggis and Steve Playne who each belted a triple and drove in 2 runs apiece. Steve Hayes, Tom Rath, Scott Cabalan, and Tom Corrigan also collected hits.

Sunco bounced right back in their next game to beat Gertz 15-5. The winning pitcher was Steve Playne. Tom Rath got the save. Cliff's batters smashed 11 hits. Steve Hayes went 3 for 4 driving in 4 runs. Ed Yoon had 2 big hits. Everyone on the team contributed a base hit.

Congratulations to Hicksville Firestone! They are the champions of the first half of the season, after winning two tough playoff games. The first playoff game was on May 30 against Int'l. House of Pancakes. Firestone broke the game open early with six runs in the second inning. The pitching chores were shared by K. Busch and S. Garvey. L. Gray had the key hits with a homerun and a double. The final score was Firestone ten, Int'l. House of Pancakes six.

The deciding game was played on June 1 at Burns Ave. Hicksville Firestone defeated Dodge Charger by a score of 12-7. K. Busch came on to pitch the last 3 innings allowing only one hit. A Fischer had the clutch hit of the game. J. Kneisel knocked in the tie breaking run with a single. T. Loeffler had a single and a double.

Firestone won their first game of the 2nd half as they rapped 14 hits to score 21. Runs defeating L.I. Collision by a score of 21-3. Every member of the team scored at least 1 run. P. Seery had a hot bat with a homer and 2 singles to knock in 7 runs. Strong pitching was turned in by J. O'Connor and P. Seery.

Int'l. House of Pancakes swept their first game of this 2nd half over Dodge Charger by a score of 9-4. The combined pitching of B. Vellano and G. Maggio helped to hold the game. The hitters were A. Hance and M. Hannigan with homers both in the 3rd inning and the tough hitting of R. Sterben combined won the game.

In the second game between Dodge Charger and Int'l. House of Pancakes, Dodge Charger came out on top winning by a score of 4-0. A. Libardi and F. Spofera shut the door with great pitching. The hits of Daqvitta and Ferrado helped persevere the win. L.I. Collision won a tough game against Firestone by a score of 4-1. J. Perjett, Erickson and Hazelton did a good job with the pitching chores. The combined hitting of Hazelton, Kinzer, Schweitzer, Rupp and Erickson won the close game.

Hicksville Soccer Club News

As our Club begins the closing out of its second Spring season, the results of two year's interest, devotion and attention sees competition success.

At Huntington, our boys "A" team romped thru a semi-final contest by defeating the Huntington Sports Club by a resounding 5-0. Offensively, for Hicksville, the scoring was led by Bob Bedell, whose expert corner kick was headed in by Tim Cusack. The rest of the scoring was shared by Charlie Wayne, Mike Bedell, Jackie Jablonski and Michael Collins. Mike Humphreys, John Shannon, Steve Solaski, D. Barcavage and Billy Dalton at goal are to be commended for their successful defensive efforts. Mike Bedell was superlative as leader of the offensive pack.

In the Juvenile Division, Hicksville defeated N. Babylon 5-2. The Hicksville victory was achieved on a "bat trick" by Billy Klauburg which included a successful penalty kick, a fantastic shot from 30 yards out, and a strike on an accurate pass from Andy Garger. John Wayne scored twice from outside left; once on an assist from Kevin Reardon, while Kevin Barcavage maintained pressure as inside right.

Defensive work by Gerry Mulligan, Danny Newton, Capt. Tom Denien and Andy Garger kept scoring thrusts to a minimum. Richie Fremgen as goal keeper, more than capably handled the attacks on goal.

Bocci Champs

Be Rene Magee

The wives and girl friends of the members of Hicksville's Engine Co. 7 won the Ladies Bocci Championship held on May 27 at the Fire Dept. Annual Bocci Tourney. The winning team, which defeated the other ladies teams, was led by Gail Kersow. Team members were: Kathy Pohlman, Jane Lane, Mary O'Mally, Louis Loomis, Ann Foley, Renee Magee, Ronnie Brisandi, Arlene Pearson, Gren Schaaf, Carol Pearson.

They played the Mens Champs (H&L Co.6) for the top overall title and lost. But the ladies outplayed the men of Co.7, led by Capt. Fearless.

FOOTBALL -- Registration, Sunday June 9th in the old school cafeteria at St. Ignatius Time 9 am to 2 pm.

This year all teams representing St. Ignatius will play their football in the Long Island Midget League. (LIMFOL). The LIMFOL has been selected because of their high standards and regulations.

The registration is open to all boys between the ages of 8 & 14 and of all

religious beliefs. Membership in St. Ignatius Parish is not necessary. All of our teams need many more players, we also need men who would like to help in organization work and coaching.

The Mothers Auxiliary, CYO, and Sister Alphonse Louise would like to thank all the people that helped to make the dance for the exceptional children the success that it was.

News From Plainview High

Steve Tupa, a senior at Plainview-Old Bethpage High School, has been named to the Prep All-America Basketball yearbook for 1973-74, as announced by the editors of Coach & Athlete Magazine and Coach James S. Allen. Steve's selection to this Prep Honor Roll makes him eligible for judging in the Prep All-America National Awards - Prep 100 Squad, Super Ten Team and Cum Laude. The National Finalists will be announced in the May June issue of Coach & Athlete.

Nominations for the 1973-74 Prep All-America Basketball program were made last fall by high school coaches and athletic directors, college recruiters and sports writers across the country. They were asked to nominate candidates having the best record of local achievement on their teams or in their areas.

Criteria by which these local basketball players were nominated include: outstanding athletic ability based on career records, sportsmanship, leadership and service to team and community.

Each local winner's athletic achievements will be presented in the 1973-74 Prep All-America Basketball Award Yearbook to be published in August. This publication is highly regarded by college coaches and scouts as a finger tip source for recruiting prospective athletes. Serving on the Prep Awards Selection Committee are editor of Coach & Athlete Magazine, officers of the National Assn. of Basketball Coaches, officers of the Basketball Writers Assn. of America, Past Commissioner of the Pacific Eight Conference, President of National High School Athletic Coaches Assn.

Anyone For Karate?

The ancient art of Karate will be demonstrated at the Hicksville Public Library on June 15 at 2:00 P.M. Sponsored by the Children's Room of the Library, Karate expert Tom Pius will prove that you don't have to be a big bruiser to learn to defend yourself properly - you don't even have to be a boy.

Most people have heard of Karate, but few of us realize that it was practiced in China more than 3000 years ago. It has changed form under different teachers through the ages. The latest form, "Shoto Kan Karate", was developed in Japan and was brought here in recent times by Mr. Tomosaburo Okano and his son. They became head of the Kenkojiku Karate Federation, which means "Strength with Modesty".

Everyone is welcome to see this remarkable performance - no tickets are necessary.

Tops in Fitness

"Operation Fitness", sponsored by The New York State Association of Health, Physical Education and Recreation, Nassau Zone, was held Saturday, May 4th, at Holy Trinity High School.

Sue Haverly was the Hicksville candidate.

At an Awards Ceremony, held at Shelter Rock Junior High School on May 8th, Sue Haverly was presented with the Third Place trophy and a \$100 scholarship.

TOB Swimming, Life Saving Instructions

Under the auspices of the Department of Parks and Recreation, the Town of Oyster Bay community parks will again offer free swimming and lifesaving instruction to all pool members this summer. It was announced this week by Town Councilman Gregory W. Carman. Swimming classes will be held for four to 11 year - olds and will be divided into ability groups. Youngsters from 11 to 14 years of age who qualify may take junior lifesaving instruction and teens over the age of 15 and adults are eligible for senior lifesaving.

Registration, which is open to all pool members at the Bethpage, Plainview - Old Bethpage, Syosset - Woodbury and Marjorie R. Post Community parks, will be held June 17th through June 23rd from 10 AM to 5 PM. Each park will have its own schedule of classes which will be available at registration time. The first classes will commence on Monday, June 24th, and continue through Friday, July 19th.

"We had such an overwhelming response to those courses last summer," Carman commented, "I feel sure that many more people will want to take advantage of this opportunity to get Red Cross swimming or lifesaving instruction this summer."

According to the quarterly survey of the Federal Reserve Bank of Chicago, the average value of good farm land in 1973 was 24 per cent over that of 1972.

Exports of domestic merchandise totaled \$43.5 billion in 1971: of this total, 83 per cent was manufactured commodities, the U.S. Bureau of the Census reports.

WANTED: A CHANCE

EMPLOY THE HANDICAPPED

Ignorance is America's major handicap in understanding problems of the handicapped.

Too few people, including many employers, simply are not aware of the roadblocks in transportation, housing, education and employment that the handicapped person faces. And unless they have worked with handicapped men and women they do not realize what excellent employees they make.

Some major corporations—like General Electric, DuPont, IBM, Hughes Aircraft, AT&T and Sears Roebuck, have become convinced that a disability is not detrimental to good work. More than 5½ million handicapped people are working in the United States—but 6 million remain unemployed.

Work is the ultimate test of a person's productivity. Don't handicap the handicapped by blindly refusing to give them a chance. A chance is all they ask!

Gourmet Luncheon Dish

Spoon cream sauce over hard cooked eggs on a bed of spinach. Top with cheese. It's Eggs a la Florentine!

Eggs a la Florentine

- ½ cup margarine
- ¼ cup chopped onion
- 1 package (10 ounces) frozen chopped spinach, cooked and drained
- 3 tablespoons Argo corn starch
- 2½ cups milk
- 4 hard cooked eggs, cut in half
- 1 teaspoon salt
- ¼ teaspoon pepper
- ½ cup dry bread crumbs
- 2 tablespoons grated Parmesan cheese

Melt 2 tablespoons of the margarine in saucepan. Add onion; sauté lightly until tender. Add spinach. Mix 1 tablespoon of the corn starch and ½ cup milk. Stir into spinach. Bring to boil, stirring constantly, and boil 1 minute. Turn into 10x6x1½-inch baking dish. Place egg halves on top. Melt 4 tablespoons of the margarine in saucepan. Stir in remaining 2 tablespoons corn starch, salt and pepper. Gradually add remaining 2 cups milk. Stir until smooth. Cook over medium heat, stirring constantly, until mixture comes to a boil and boils 1 minute. Pour over eggs. Melt remaining 2 tablespoons margarine. Toss with bread crumbs and cheese. Sprinkle over mixture. Bake in a 350° F oven about 20 minutes or until heated and well browned. Makes 4 servings.

Aluminum Base Metal Said To Be Plentiful

VEGETABLE VIABILITY

With food prices going up all over the country, a growing number of Americans are investing in vegetable gardens, but unfortunately, don't always know how to have vegetables that thrive.

For one thing, you can't let your vegetables get too crowded. Most should be thinned when still seedlings, to allow the rest to grow best, and then thin them again when they're not quite their full height but are just good enough to eat.

For another, you shouldn't let insects plague them either. Check your plants regularly for bugs and treat them with an all-purpose, non-persistent pesticide such as Spectracide. When spraying, cover both sides of the foliage until the leaves drip. It will control aphids, diamond-back moth, beetles, leaf hoppers and mites. It may be necessary to keep after those bugs every seven to ten days. After spraying, most vegetables may be picked within one to ten days depending on the type of vegetables.

If you follow these vegetable tips, you may find that some pretty fine meals can stem from your garden!

least a 400-year supply. Moreover, there is a low-grade bauxite called laterite which is plentiful and could be used if, for some reason, bauxite becomes unavailable.

UNDERSTANDING OUR ECONOMY

THE INCREASING VALUE OF GOLD

The rise in gold prices on international markets makes your gold jewelry more valuable, gold dental inlays more expensive, and countries that own gold financially stronger.

In Mexico, for instance, the rise in gold prices on international markets has strengthened the position of Mexico's monetary reserves.

At the end of 1973, the nation's monetary reserves reached an all-time high of 2.2 billion dollars. Of this amount, 1.3 billion dollars (16.65 billion pesos) are in primary reserves while the remainder consists of secondary reserves or special drawing rights with the International Monetary Fund, the U.S. Treasury and other international institutions.

According to the Mexican law, 80% of the primary reserves must be in gold and international exchange with 20% in silver.

"The rise in gold prices benefits Mexico considerably because it increases the value of reserves," according to Jose Lopez Portillo, Mexico's Treasury Secretary. He reiterated that the spectacular rise in gold prices will not effect Mexico's policy of maintaining the parity of the peso to the dollar at 12.50 to 1. He flatly rejected any suggestion of devaluation of the peso, asserting that the rate has been maintained 20 years without change.

In October 1973, both Mexico and the United States registered documents

with the International Monetary Fund and other financial institutions setting the "par value" of the peso at .058933 grams of fine gold and the U.S. dollar at .73662 grams of fine gold. The difference of .677729 between the gold component of the two currencies forms the basis of the exchange rate of 12.50 to 1.

The economic outlook for Mexico during 1974 is considered bright if inflationary pressures created by the international energy shortage can be kept within limits. Lopez Portillo predicted this will be a key year for the nation's development and said that success will depend upon three crucial factors: a reduction of currency in circulation; maintaining equilibrium of prices and wages; and increasing productivity.

In addition to Mexico's record high reserves of gold,

silver and international exchange, another reason for confidence of government officials in the country's economic prospects is the outlook of the oil industry. Despite the growing energy requirements of the fast expanding industrial sector over the past two decades, the country is expected to be completely self-sufficient in energy before the end of the year.

Mexico could have profited by speculating in gold as the yellow metal made its dramatic rise over the past year but the government respects its international agreements and therefore refrains from any such activity.

GOLDEN RULE

In a sense, the country has observed the Golden Rule: "Whatsoever ye would that men should do to you, do ye also unto them." (Matt. 7:12)

MISS UNIVERSE

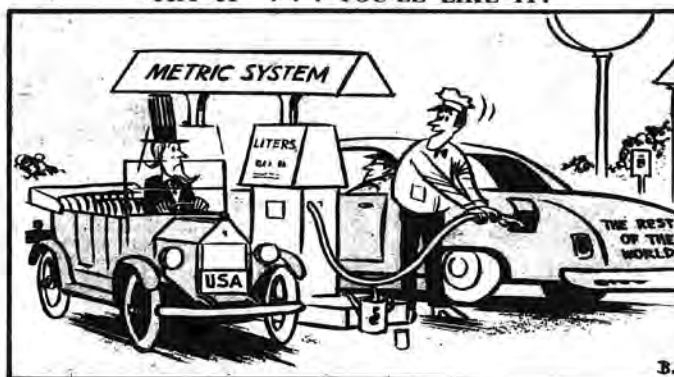

Margie Moran, Miss Universe, is congratulated on her title with a gift of jewelry from Rex Wood, President of Sarah Coventry, Inc., and Tim Barcomb, Vice President.

The presentation to Miss Universe marks the first time that official jewelry has been designated for the world-famous pageant. Sarah Coventry, long known for its fine fashion jewelry, will be supplying all official jewelry and crowns for both the Miss U.S.A. and Miss Universe pageants.

Ms. Moran, this year's reigning beauty, is enjoying her busy life and looks forward to a career in banking after she completes her year as the most beautiful girl in the universe. The next Miss Universe Beauty Pageant will be televised July 20.

"TRY IT . . . YOU'LL LIKE IT!"

IT'S UP TO US TO CHANGE

Remember the old joke about the dotting mother who, when seeing her soldier son marching with his regiment in a parade, said proudly to her companion, "Just look—everybody is out of step but my Johnnie!"

Unfortunately, until recently, most of us Americans felt that way about ourselves when it came to the metric system of measurement. Everybody was out of step except us. Now we know we're out of step with the rest of the world.

From the early days of our Republic,

the United States has repeatedly considered the question of going metric. Today, as we approach the second centennial of our nation, it is no longer a question of whether we should go metric. It's now a question of how to make the transition as painless as possible.

We can get along with our neighbors in this shrinking world even though we speak different languages—but we must have a common measurement tongue if we are to communicate with one another in quantitative terms.

Mark Staehle became Troop 291's latest Eagle Scout on Thursday evening, May 23rd., at a special Eagle Court of Honor held in the gymnasium of the Trinity Lutheran School.

Prior to the ceremony, about ninety people, friends and family of Mark and Troop 291 enjoyed a "Pot Luck" supper prepared by the Mother's Auxiliary of the Troop.

Also present for the festivities were seven of Troop 291's nineteen Eagle Scouts, Frank Kurth, Warren Laurita, Walter Staehle, Philip Krumm, Martin Stehlin, Raymond Schmidt and Robert Lohsen.

Scout Master Arthur Lohsen reviewed Mark's Scouting accomplishments from Cub-Scout Bobcat in 1965 to Eagle Scout in 1974. Mark was given the Eagle necklace to place around his mother's neck just before Mark's father pinned the Eagle on Mark's uniform shirt. Frank Kurth, 291's senior Eagle Scout, read the importance of becoming an Eagle, as well as the responsibilities that go with it, to Mark and the assembled audience. The Eagle ring from the Lion's Club of Hicksville, was given to Mark by Scoutmaster Lohsen. The official portion of the program was concluded by Mr. Richard Evers of the American Legion, with the presentation of the American Legion Good Citizenship Award.

The remainder of the evening was devoted to congratulations to Mark and his proud family.

VFW Aux. Praises Flag Day

With Flag Day upon us, here is a short piece about our Flag for all to share.

It's Just A Piece of Cloth

That it all it is - just a piece of cloth. But when a little breeze comes along, it stirs and comes to life and flutters and snaps in the wind, all RED, AND WHITE, AND BLUE! And then you realize that no other piece of cloth could be like it!

It has your whole life wrapped up in it-the meals you eat; the time you spend with your family; the kind of things your boy and girl learn at school; the strange and wonderful thoughts you get in church on Sunday.

Those stars in it-they make you feel just as free as the stars in the wide deep

night. And those stripes-they are bars of blood to any dictator who would try to change this way of life.

Just a piece of cloth, that is all-until you put your soul into it, and give it meaning. Then it is a symbol of liberty and decency, and fair-dealing for everyone. It is just a piece of cloth until we breathe life into it, until we make it stand for everything we believe in, and refuse to live without it.

Author unknown

We hope that you all enjoy this little piece about our Flag and as we all pay tribute to it on June 14th, you will think a little bit about the ideas portrayed in this short story.

20th ANNUAL-PARENTS NIGHT IN REVIEW: This past Friday evening, May 31, the Hicksville Police Boys Club, Nautical Cadets held their 20th Annual Parents Night in review. At this time the cadets demonstrated to their parents and friends what they had learned during their past year in cadets. The cadet of the year and Battalion Awards were also presented at this time. The following cadets received trophies, presented to them by Captain Heinz and Patrolman Director Tolsted: Cadets of the Year: Richard Endres and John Rhodas Jr.
Battalion Awards: Edward Gallagher and Linda Cheesman.

Board of Education Meeting

The Hicksville Board of Education meeting last week was fairly routine, with the board approving various changes in personnel, bills for operating expenses, textbooks and films, awarding of bids, and salary raises for media aides and lay help.

The board approved a program for summer recreation from July 2 - 31, contingent on matching funds from the Town of Oyster Bay. Mr. Bruno voted against the

program, calling it a "glorified baby-sitting service."

The school board approved the transfer of four elementary assistant principals to central administration where they will work to strengthen curriculum in grades K-6. The transfer will be effective September 1.

There will be no change in school hours for the 1974-75 school year. Starting and dismissal times in all schools will remain the same.

Plainview Old Bethpage High School Sports News

On May 21st the Plainview-Old Bethpage High School baseball team clinched 2nd place in the North Shore Division Conference. Strong hitting by Jeff (themighty

mouse) Lackman and Harold (Moose) Greenberg, plus clutch pitching by Tom Yacuk, and the coaching of Mr. Tom Murray, led the team to victory.

We of the Wm. M. Gouse JR. Post No. 3211 and its Ladies Auxiliary were very proud to have been represented by our Post member, George Lang, Medal of Honor Recipient and Henrietta Aracil, Past Auxiliary President as Honorary Grand Marshal for the Memorial Day Parade and Services held on May 27th in Hicksville.

Even though the weather was not on our side, the parade and services that were held at the Senior High School were very nice. Following the services, refreshments were served at the clubhouse and the kitchen

committee are to be complimented for a delicious spread.

On Tuesday evening, May 28th, it was our pleasure to see our own Theresa R. Aug, installed as President of the Nassau County Council Ladies Auxiliary. Theresa (Rita), is a Past Auxiliary President. Installation took place at the Lynbrook V.F.W. clubhouse on Merrick Road in Lynbrook. Installing the Officers was Past N.C.C. President, Mildred W. Peterson and Installing Conductress's were outgoing President Kathleen Kane and incoming President, Anna

Williams of our own Auxiliary. Our own Past Auxiliary President, Joan Chwalisz was also installed as Jr. Vice President of the Nassau County Council Ladies Auxiliary. Also serving the Council will be Carolann Chwalisz as Ass't Conductress, and Kathleen Kane as Secretary. Our best wishes to these ladies for the coming year.

The Jr. Girls Unit held a raffle on a lovely 3 piece outdoor lounge set and guess who won same. The Chairman of the Memorial Day Committee, Lou Klein, who I'm sure after all the hard work he did on the Parade will enjoy a chance to relax.

Polo at Bethpage State Park

Rain bombed out the polo game at Bethpage State Park on Sunday June 2nd, Huntington's Ted Brinkmann, Allen Jerkens, Dave Rizzo and Fred Braunstein frustrated in their vow to axe Jericho's Mike Gerard, Dave Ellis, G. H. "Pete" Bostwick and John Whittemore. And since no one has as yet beat "Mother

Nature" to the draw-the teams sure won't be able to take it out on the "old gal"!

So it's on to Sunday June 9th-Aiken and Bethpage now aiming toward a blockbuster match to make up for the game scratched the previous week. Oftimes the team line-ups, as in this one, are designated very close to

gametime but no matter when, how or what, the games every Sunday afternoon at 3:00 P.M. are super-and on Sunday June 9th another vibrant, colorful spectacular will be waiting for the fans at the park.

Admission to adults is \$1.50 and youngsters under twelve-his.

DEAR FRIENDS (Continued from Page 4)
washers, dryers, dishwashers, electric ranges etc. (See his adv. in the Classified Section each week.)

YOU SHOULD HAVE YOUR QUESTIONNAIRE from the Hicksville Community Park Task Force By Now:

With the generous assistance of Dr. Niosi, Superintendent of the Hicksville Schools, about 11,500 copies of the questionnaire were addressed on Saturday, June 1 and delivered to the Hicksville Post Office for mailing on Monday, June 3.

Most households should receive their copy by the end of the week. However, it is known that a number of residences were missed due to bent addressograph plates, etc. It is planned to leave a supply of questionnaires next week at the Hicksville Town Hall Annex, Hicksville Library and Hicksville Schools Administration Building for those who did not receive it by mail.

Returns were requested to be made by June 30 after which the information will be tabulated for review by Task Force Members. More on this in July.

During May and June of every year, we have even more copy and pictures for consideration than is usual. So, don't be upset, if your picture or news release isn't in the first issue after it has been submitted. Unless it is dated, we will certainly try in the next few weeks, to see that news of local interest reaches these pages, for your information.

Saturday, June 8 at the Lawrence Senior High School, beginning at noon, all the Kiwanis Clubs of Nassau County are sponsoring a Track and Field Day. There will be a wide variety of events for both boys and girls from 10 to 18 years of age. Medals will be awarded. There is no entry fee or admission charge whatsoever. Students should contact their school athletic director.

THAT'S ALL for this week. Stay well and remember the old saying, "Don't complain about old age...some people are denied this privilege."

Plainview-Old Bethpage High School News

Counselors from POB High School escorted 60 students from the high school to a College Day Program sponsored by the Long Island Personnel & Guidance Assn. on May 20, 1974, at the Wheatley High School. Students had an opportunity to speak to admissions officers from school such as City University, New York University, Boston University, State University College at Oswego, Cornell University, Amherst College, Wesleyan University, etc. An excellent opportunity was provided for students to seek answers to their questions, gather new information, and discuss opportunities for admissions with admissions personnel from many colleges throughout the country. This College Day Program has been sponsored as an annual affair by LIPGA for the past several years and involves all secondary schools in Nassau County. Plainview-Old Bethpage High School has participated in this program since its inception.

Steve Tips, a senior at POB High School, has been named to the Prep All-America Basketball Yearbook for 1973-74. Criteria by which local basketball players were nominated include: outstanding athletic ability based on career records, sportsman ship,

leadership and service to team and community. Selection to the Prep Honor Roll makes Steve eligible for judging in the Prep All-America National Awards.

The Harbor Gallery, in Cold Spring Harbor, is currently displaying the paintings of Larry Horowitz, a senior at POB High School, in a show titled "Young Realists." Gallery Hours are 10 to 5 daily.

Congratulations to the Girls Softball team for beating undefeated Clarke 19-5. Patty Weisenfeld struck out 8 batters and Joan Priestley hit a 3 run homer.

In the interdivisional Track Meet Brian Ruiz took a first place medal in the 220 yd. dash. Paul Kenul took a 2nd place in the Pile Vault; and Ed Kohler took a 3rd place medal in the 440.

Congratulations to the girls tennis team on defeating Levittown Memorial H.S. 5-2. They now have a record of 4 wins, 2 losses.

Join the fun crowd, cycle for fun and health. A half hour's brisk ride will burn up calories and keep you in good shape.

Adult Films

Showings of films from famous books will continue to be shown through May and June at the Plainview-Old Bethpage Public Library.

On Friday, June 14, at 8:30 PM and Sunday, June 16, at 8:00 PM,

"Wuthering Heights" will be presented. Laurence Olivier and Merle Oberon star in Emily Bronte's romantic classic, a 1939 production. 104 minutes. Black and white. Admission is free.

Mrs. Harry Tyson, Mrs. Phillip Castellana, Mrs. John Schwainger and Mrs. Joseph Murphy, all members of the Garden Club of Plainview, with Mr. Stanley Eddison, Director of the Plainview - Old Bethpage Public Library, assisting at the planting

of a Northern White Oak on the north lawn of the library. The presentation was made by the Garden Club to the library on the occasion of the 58th Anniversary of the founding of the Federated Garden Clubs of New York State on Monday, April 29.

LEWIS SCOTT FRIEDMAN: One of the former art students of Olga Hoebel, Hicksville, has made art his career. Lewis Scott Friedman, whose parents, George and Etta, came to Hicksville when Lewis was a baby, attended the Olga Hoebel Studio when he was barely six years old, and promptly walked away with First Award in the Jr. class competition at the end of the term, in 1957. Lewis Friedman graduated from Hicksville High School as an art major in 1969. He has a B.A. degree from Adelphi University where he majored in Fine Arts. He also pursued studies at the Brooklyn Museum School of Art, Art Students League, New York, and the School of Visual Arts. His art awards include the A. Conger Goodyear Fine Arts Award, Best display award of the Gregory Museum at their 1973 Spring Art Festival and he has exhibited in numerous group shows at Adelphi University and various mall exhibits on Long Island. He is a member of Suburban Art League, The Huntington Township Art League and the American Institute of Graphic Artists. Currently he is Chief Artist of the book jacket division in the New York office for Doubleday and Company New York.

Rehab Honor To Caso

attention is given the handicapped at all times. Through Mr. Caso's insistence, moreover, specific assistance is extended to the handicapped in the county's Recreation and Parks Department programs in many other areas.

Mr. Caso's most recent and significant action has been to reorganize the county's entire approach to mental health areas.

This year he also made Senior Citizens Affairs a full-scale department with a commissioner of cabinet rank. Also this year, Mr. Caso expanded the services of the Department of Drug and

Alcohol Addiction in several areas including an alcoholic's hot line service manned the major part of every day.

The membership of the L.I. Rehabilitation Association and the L.I. Rehabilitation Counseling Association includes vocational rehabilitation counselors, administrators, physiatrists, occupational therapists, physical therapists, social workers and educators.

'Fade Away' Your Gray

Time-lapse photographs show how gradual action of Greccian Formula 16 lets him control just how much gray he slowly gets rid of—some of it or all of it.

WHITE PLAINS, N.Y.—Thousands of men all over the country are discovering they don't have to dye their hair a solid dark color to look years younger. Greccian Formula 16 is not a dark messy dye. It is a colorless liquid as easy to use as hair tonic. Used every day, the gray slowly fades away and is replaced by natural-looking color. The change occurs so slowly over a period of time even closest associates don't notice it happening. The user has complete control of just how much gray he slowly gets rid of—some of it or all of it. Once the desired results are obtained weekly use thereafter is all that's necessary. The hair definitely does not have a dyed look. Get Greccian Formula 16 today at

Get Rid Of Gray Hair Some Of It Or All Of It

Time-lapse photographs show how gradual action of Lady Greccian Formula lets you control just how much gray you slowly get rid of—some of it or all of it.

WHITE PLAINS, N.Y. (Special)—Thousands of women all over the country are discovering a remarkable new product specially developed and tested for women's hair. It not only takes the guesswork out of hair coloring but also eliminates the gray roots problem that has for years been a thorn in the side of all women who color their hair. Lady Greccian Formula is not a dark messy dye. It is a colorless liquid as easy to use as water. There is no mess, no complicated instructions, no

strand tests, no clock watching. Simply brush Lady Greccian Formula through your hair every day and you will see the gray slowly 'fade away.' You are in complete control. You can get rid of as much gray as you want—some of it, or all of it. When your hair reaches just the lovely natural-looking color you want, weekly use thereafter is all that's necessary to keep your hair just the way you want it with no gray roots problem ever. John F. Kennedy High School News

By Susan Miller

The National Honor Society held its annual spring induction ceremony, Wednesday evening, May 29. Parents and candidates were addressed by Superintendent of Schools, Dr. Robert F. Savitt, Principal Barry L. Gleim, and Board Vice-President Mitchell Laub. Miss Cindy Miller, president of the National Honor Society, conducted the ceremony. Mrs. Rosemarie Anzalone, faculty advisor, Mr. Barry Gleim and Assistant Principal, Irving J. Pleat, awarded the citations to the students who have outstanding traits of scholarship and leadership. The newly-inducted members are: Ruth Axelrod, Mark Claus, Mimi Dryce, Susan Durner, Audrey Feinberg, Gary Felt, Steve Feldman, Bonnie Fried, Bonnie Goldberg, Mark Goldstein, Bennett Golub, Lori Gottlieb, Douglas Henn, Andrew Kantor, Estelle Kunoff, Almee Kurpit, Barry Leibowitz, Laurie Maisel, Richard Marcantonio, Andrew Mendelsohn, Barry Miller, Susan Miller, Carole Rini, Judah Rose, Pamela Rosen, Lynn Schenker, Steve Silverberg, Alan Smith and Hal Vogel.

Last week, the John F. Kennedy High School Student Government held elections for

officers for the 1974-75 school year. The newly-elected Student Government officers are: president-Alan Yoss, vice president-Joseph Cascio, Board of Education representative-Barry Leibowitz, administrative secretary-Libby Post, public relations secretary - Bennett Golub, treasurer - Mark Goldstein, senior class president: Ronald Gell; vice president: Brenda Pepper, secretary: Elyse Enco; treasurer: David Mallenbaum; junior class president: Amy Green; vice president: Sharon Hulkower; treasurer: Douglas Cohn; secretary: Nancy Mingelgreen.

Frank Occhiogrosso won the Student Options' Committee "Pie Eating Contest" held Friday, May 31. The Student Options Faculty-Student Tennis tournament is underway. The annual Varsity Athletic Awards Dinner was held Wednesday evening at the Holiday Manor. The annual Glenn S. Cohen Memorial Golf Tournament was held at the Colonie Hill Country Club in Hauppauge on May 31.

The 1974 Plainview Kennedy Girls' Varsity Tennis team has completed its season with a respectable 4-2 record in league play. Sophomore Susan Miller

returned after missing the first half of the season to win three straight singles matches. Sophomore Michelle Schwartzman and Captain Diane Schettini contributed with key victories in their singles positions although many of their opponents were strong competitors.

The strong doubles teams of Laurie Maisel, Sharon Hulkower; Robin Perchik, Patti Roberts; Barbara Cohen, Susan Ruffet; Helen Teich, Randy Smith; and Anne Berlin, Diane Malech played well throughout the season.

The schedule for the 1974 season has been completed and the team is scheduled for eleven league matches. Coach Ron Berman feels this is the most talented team he has seen in Kennedy's history. With only two graduating seniors (Captains Schettini and Cohen), the 1975 season appears to be very promising.

Work Saver

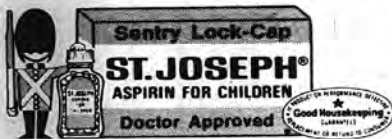

Tomorrow has been defined as "today's greatest labor-saving device."

UCP Auxiliary Luncheon

The Plainview Auxiliary of United Cerebral Palsy Association of Nassau County will hold its annual installation luncheon at the Hitchcock Estate, Hitchcock Lane, Old Westbury, on Saturday June 15th, at 1:30 P.M.

Members of the chapter are invited to "bring a friend along". The luncheon fee is \$3.50 per person and includes a tour of the Estate, which has been donated to United Cerebral Palsy.

For reservations, please call Esther Rubin, 433 - 0028.

INTERNATIONAL FLAVOR AT FORK LANE: Sixth graders at Fork Lane put on an International Fair, May 24. Booths, displaying foreign wares, maps, flags - even a Brazilian guinea pig - filled the classrooms and attracted interested students, teachers and parents to view their offerings. Foods from Finland, France, Mexico, Germany, Ethiopia and many other countries delighted the taste buds of all. This annual educational and cultural experience, produced by the students and their teachers, was an enjoyable event for all who attended.

Vacation Information Center

Once again the happy time of vacation planning has arrived. To help its patrons and members of the community in this endeavor, beginning June 1st the Plainview - Old Bethpage Public Library will exhibit a "Vacation Information Center" on the main floor near the Circulation Desk.

The high price of gasoline and the shortage which may re-occur have led many to scale down

their vacation travel. Therefore, the Library is featuring areas which are fairly closeby. A special section of the exhibit will focus on places within a 5-mile radius. For those who will be planning more extensive trips, the talents and resources of the Library's Reference Department are at their disposal.

The Plainview - Old Bethpage Public Library is open seven days a week:

Monday through Friday from 9:30 a.m. to 9:00 p.m.; Saturday from 9:30 a.m. to 5:30 p.m. and Sunday from 1:00 p.m. to 9:00 p.m.

Reading Awards

"I can't believe I'm paid to read!" said Robert Baker when he and eleven other Hicksville High School students completed the requirements for the second annual Albert Hirst Readings in American History Awards.

For having read twenty-five books about the United States, each student received fifty dollars from a \$10,000 grant established in 1972 by octogenarian, Albert Hirst, who wanted young adults to appreciate America's past and better understand its present and future.

Seventeen students registered for the 1972-73 program; forty eight for 1973-74. Before his death, early this year, Mr. Hirst directed the awards trustees to give a special \$100 award to any of the original program winners who read another twenty-five books. Marilyn Heller did so, and encouraged her sister Caroline to enter this year.

Besides the Heller girls and Robert Baker, the recipients this year were Elizabeth Austen, Timothy Croan, Daniel Gelber, Mark Hogan, Thomas Jordan, Jody Niederkorn, Carolyn Pennisi, Carolyn Toole and Jayne Trentanove.

The award trustees, foreign language teacher Dr. Eric Hirst and librarian Carl Dana, kept a file on each participant's progress. Titles were selected from a list prepared by the school library or others approved by the trustees, and the student prepared an annotated bibliography for referral at an interview prior to the awards presentation.

This year's interviewers were Principal Raymond Rusch, History Chairman Kenneth McGinnis, Jr. High School history teacher Richard Evers and the trustees.

With the promise of grants from the Albert Hirst Readings in American History Awards fund, several public libraries in Nassau County are planning similar reading programs. Westbury Memorial Library's Young Adult Librarian Mrs. Patricia Gleason already has eighty-four participants enrolled in a program to begin this summer.

Other libraries which have programs to begin in the summer or fall are Plainedge, Franklin Square, and North Merrick. Hicksville's local public library and Roslyn's Bryant Library are applying for grants to initiate similar programs for which they will also secure additional local funds.

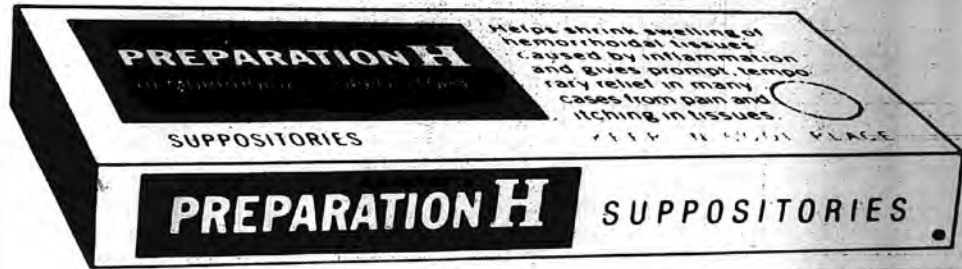

SOCCER CLUB

(Continued from Page 2)

American League All-Stars at a feature performance at the Metropolitan Oval, Ridgewood Queens on the night of June 1st.

Further activities of the Club include play by our Boys "B" team, coached by Joe Sanna and our Midgets, coached by Al barcavage, at the East Meadow Soccer Field Day. Our East Meadow hosts plan a delightful day designed to demonstrate soccer skills. Included in the activities will be exhibitions as well as competitions in distance kicking, heading and accuracy.

The Club is proud to announce that some of its members have been recognized by the Hicksville High School Athletic Association with Varsity Letters. Rarely do 10th grade athletes a Varsity Letter. Congratulations to Tom Denien - Soccer - Danny Newton - Basketball - Andy Garger - Soccer & Track - Phil Gramaglia - Soccer - John Wayne - Soccer. The Hicksville American Soccer Club is proud to have them as members.

Evangelical Service

This Sunday, June 9th, several families will hold the first public worship service of the Wisconsin Evangelical Lutheran Synod ever conducted on Long Island. The service will be held at the Pickwick Motor Inn on the Long Island Expressway, exit 48, Plainview, at 3 p.m. The families have received permission from the Synod to hold exploratory services with the hope that a new mission congregation can soon be organized.

The Wisconsin Synod is described by Lutheran observers as "the church most uncompromising in its dedication to confessional Lutheranism."

The Synod has 800 pastors

serving over 1,000 congregations in 45 states. It has a baptized membership of almost 400,000 members. The Wisconsin Synod is in the process of celebrating its 125th anniversary. It has the second longest continuous history of any Lutheran Church body in the United States.

Pastor David Pagel of Triune God Lutheran Church, Allendale, N.J., will serve as pastor during the initial exploratory phase. "We preach the Gospel of the crucified and risen Christ and use the Bible, the inspired Word of God, as the basis of all our teachings," said Mr. Pagel. "Visitors are always welcomed at our services."

WINNERS: Pictured are the three talented winners of the "Let It Be" Contest, sponsored by the Children's Room of the Hicksville Public Library in celebration of National Library Week in April. John Wandell, Sandy Carson and Marc Coffey, all of Hicksville, wrote the essays that were selected by the judges from among the many fascinating entries. Their papers may be seen on the bulletin board just outside the Children's Room at the Library.

Ecumenical Council

The Mid-Island Ecumenical Council will hold its regular monthly meeting on Sunday, June 9, at Redeemer Lutheran Church, New South Road, Hicksville.

A Worship Service at 7:30 p.m. will precede the meeting. The entire meeting will be spent in planning the future work of the Council.

We got where we are by understanding people.

Visit any of our six offices and you're soon aware of it—a warm, friendly atmosphere, a deeper understanding of you and your problems.

The bankers at Queens County Savings don't live in ivory towers. They're down-to-earth people who understand the day-to-day problems involved in raising families... housing them... educating them... seeing them married.

Here you'll find people who will advise you on the best way to save... and a most economical way to borrow... for everything from home improvements to education.

Queens County Savings

has grown from the first savings bank in Queens to one with more than \$550-million in assets. Offering customers all kinds of services, and paying the highest rate the law allows on every savings account—5.25% a year on Regular and Day-of-Deposit to Day-of-Withdrawal accounts, compounded daily, credited quarterly. Higher rates available on Time Savings Certificates.

Come in and see what it's like to talk to bankers who understand.
