Night Hearings Scheduled On Zoning Change Application

Town Clerk Ann R. Ocker announced today that a morning and evening hearing will be conducted by the Town Board on Tuesday, June 25th, to consider an application to rezone to Business G a parcel of property on the east side of Twin Lawns Avenue in Hicksville.

"Because of the concern expressed by residents of the area,

the Town Board will resume the scheduled 10 A.M. hearing at 8:00 P.M. at Town Hall," explained Mrs. Ocker.

She noted that the property is presently zoned Residence E and that the applicants are seeking a change of zone that would permit general business usage of the property.

BEST WISHES from his many friends and co-workers were extended to Postmaster Ralph G. Cascardo of Hicksville, upon his retirement, last Tuesday. Mr. Cascardo, who worked his way "up through the ranks" for many years of service, has been Postmaster of Hicksville for over five years. His actual retirement takes place on July 19th, when a dinner dance will be tendered to him, sponsored by his co-workers at the Post Office.

This testimonial will be held at the Huntington Town House. The cocktail hour will start at 8 p.m. and at 9:30 p.m. the full-course prime ribs of beef dinner will be served. There will be music and dancing until 1 a.m. Tickets are \$17.50 each and must be paid for by July 1. For further ticket information and reservations call 433-7300, Thomas F. Cara, Ext. 51 and 58; Ernest P. Albert, Ext. 32; Anthony M. Murello, Ext. 12 or Charles Lester Iehle at Ext. 14.

Hicksville Budget Cut

An unexpected additional \$141,204 in Federal Aid funds which were released to Hicksville School District by Governor Wilson on Thursday of last week, brought good news for taxpayers who had previously defeated the district's first proposed budget on June 6th.

The new funds, resulting from special services provided to the handicapped under Titles IVA and XVI of the Social Security Laws, have been withheld from many schools for more than a year while disputes about school

district eligibility were ironed out at the state and federal levels. In order to receive the funds, school officials have been required to submit voluminous reports, and School Board President Robert Pirrung had to sign a waiver agreeing that the funds would be returned if subsequent federal audit may require it.

In commenting on the "wind-fall", local officials say there is no question that the services have been provided, and what has been argued was whether or not school districts could participate in the

fund-sharing program.

As a result of these additional revenues, plus cuts of \$85,000 previously made in the budget at a special Board meeting on Monday, June 10th, a total reduction of 23 cents per hundred can now be used to cut the tax rate increase to \$1.47 in place of the previously proposed \$1.70.

Registration is Sat., June 22, from 10 a.m. to 5 p.m. in the Division Ave. Administration Building. Voting on the newly reduced budget and tax rate will take place on June 27th.

Dear Parents and Taxpayers

Dear Parents & Taxpayers,

After the defeat of the school budget on June 5, the Board of Education reviewed areas of the budget where possible economies could be effected without impacting our educational programs. As a result, we have decided to defer certain building maintenance programs, consolidate functions in the cafeteria, reduce some supplies and equipment and reduce our District insurance cost estimates. These revisions amounted to a reduction in the tax rate of 9 cents per \$100 of assessed valuation.

In addition to our reductions, Gov. Wilson has just released an additional \$141,000 in state aid to the Hicksville schools enabling us to reduce the tax rate another 14 cents or a total reduction of 23 cents. I sincerely feel that the revised tax rate increase of \$1.47 represents a sound financial and educational plan. We have provided for the continuation of our outstanding music and foreign language programs. We are planning to expand our learning disabilities program in three additional elementary schools. We have moved toward smaller elementary class sizes, particularly in the lower grades, where our children need more personalized attention. Provisions have been made in this budget for an Assistant Superintendent for Curriculum. There is currently no one in the central staff

charged with that responsibility and if we are going to maintain the technical competence of our teaching staff and ensure a coordinated K-12 curriculum, the leadership, direction and expertise provided by that individual is essential.

Another facet of the budget which represents a more cost effective use of your tax dollars in the reassignment of four elementary Ass't Principals to central administration. These individuals have many years of elementary school experience and will be charged with the responsibility to review and evaluate all programs in our eight elementary schools with a view toward improving consistency in instruction, insuring that the strengths of one schools are incorporated district wide and most importantly improving the articulation between the elementary schools and the Jr. High School. Their main concentration will be in Language arts Reading and Math where no district - wide supervision now exists.

In summary, we feel that this is an educational budget and trust that you coonsider it a wise investment in your children's future, and rate "Yes" on June 27.

Sincerely
Robert L. Pirrung

Hicksville Lions Install

On Saturday, June 15, the Hicksville Lions Club held its annual installation dinner at the Crows Nest Restaurant in Farmingdale. Lions' District Governor elect Donald "Don" Rule installed all the officers and directors of the club. (Pictures will appear next week).

During his acceptance speech, the new president Bob Finlay said that:

"Our main goal for the coming year is to strengthen our club (which is one of the finest Lions Clubs in New York State) by increasing our membership. New members have always brought new ideas that we have used to improve our community service programs and the fellowship at our supper meetings.

"We plan to run our second annual Lions' - sponsored,

Art Show To Benefit Court Counselling Service

A gala benefit art show, combined with a wine and cheese party will be held at the Art Gallery of C.W. Post College on Friday evening, June 21st, from 8 to 10 P.M. The show and party will aid the Court Counselling Service of Nassau County, a non-profit social agency which assists families in crisis.

Professor Jeanne McSherry, president of Court Counselling Service, said that members of the Professional Artist Guild will donate their time and services to sponsor the art show. "The outstanding artists associated with the Guild will present exhibits of oils, water colors, graphics and sculptures," Professor McSherry commented. A special feature of the show will be an exhibit of art work by youngsters at the Nassau County Children's Shelter, who have worked under the direction of the Professional Artist Guild for the past six months.

A contribution of \$10.00 per person will provide admission to the Premiere Opening of the art show and wine and cheese party. The show will be open to the public from June 22 through July 1st. Tickets are available from the Court Counselling Office at 1200 Old Country Road, Westbury, or by telephoning 292-6206.

Ann Orling, Roslyn Hills of the Professional Artists Guild is serving as chairman of the benefit show, with the assistance of P.A.G. officers Helen Meyerowitz, East Meadow; Charlotte Brown, Woodbury; Shirley Gorelick, Great Neck; and Zena Kaplan, Smithtown. Joan Vita Miller, Director of the C.W. Post Art Gallery, which is located at Hillwood Commons, also aided in the organization of the show.

Court Counselling Service, utilizes the services of volunteers in its work with troubled families. It depends for funding on contributions from the community.

Human Resources School Students Participate In Wheelchair Games

The "Thrill of Victory & The Agony of Defeat" were felt by 15 high school students from Human Resources School who recently participated in the Nassau County Wheelchair games at Eisenhower Park.

Over 100 physically disabled athletes from the New York, New Jersey and Pennsylvania area participated in such events as weightlifting, wheelchair racing, swimming, shot-put, discus, javelin and table tennis. Five of the students from Human Resources School, who were the youngest participants, qualified for the National Championships which will be held June 15-17th in Spokane, Washington.

Wayne Washington of the Bronx lifted 185 pounds in the light feather weightlifting class to take first place. Curtis Charles of Freeport also took the gold medal in feather weight weightlifting with a press of 200 pounds. Kenny Hill of Brooklyn only 14 years old was first in the

Community Meeting At County Medical Center

The Nassau County Medical Center announced today that it would hold a special, community meeting in the center on Thursday, June 27.

Acting Superintendent Edward J. Rosasco, Jr. said that the meeting, one of the first of its kind in the nation, is being arranged "to acquaint the public of Nassau County with the various programs of the medical center and to answer any questions that persons attending the meeting might have." It is expected that other, similar meetings will be held on a regular basis.

The county medical center was one of the first hospitals in the nation, private or public, to hold an accreditation evaluation hearing. Rosasco said that "Now, in becoming one of the first to hold a special community meeting, the medical center is once again in the forefront of the growing trend in health care - to bring the hospital to the community." He said the meeting takes on added significance as the medical center approaches a new survey by the Joint Commission on Hospital Accreditation.

The panel which will meet with

the public on the 27th will include three members of the medical center's Board of Managers.

Robert F. Hill, the Rev. Arthur L. Mackey and Dr. John P. Glauz. Also on the panel will be Rosasco, Dr. Gerald A. L. Levin, the chairman of the executive committee of the medical staff, and Edward G. Smith, the director of patient and public relations.

The meeting will be held in the Activities Building of the center at 11 A.M.

NO DEEP-WATER PORTS OFF LONG ISLAND

Despite the earnest effort being made by many Members of Congress - myself included - to speed the Nation's efforts at development of alternative sources of energy, studies completed since the Arab embargo and ensuing "energy crisis" have concluded that we will continue to rely on petroleum for the bulk of our energy needs until well into the 1980's.

The oil industry itself, despite its clamor for off-shore drilling rights, has hitched its forward planning and pocketbook to the prospect of escalating import requirements, knowing full well that domestically produced supplies of crude and refined oil will not be sufficient to meet even the most conservative estimates of demand over the next decade.

With the U. S. required to import approximately 1.3 of its petroleum - some 6,000,000 barrels daily - a new breed of supertankers has been providing the most popular solution to the problem of getting that product "from there to here" at the lowest possible cost. Popular with the industry owing to their efficiency, they also offer some benefit to the consumer in that transportation costs can be cut by as much as 60 percent through their use. Their advantages have been offset almost equally, however, by their problems.

The "J.R. Grey" is a typical supertanker. Owned by Chevron, it is one of the largest ships in the world. Over 1,100 feet long and wider than a football field, it carries 264,000 tons (almost 2,000,000 barrels) of crude oil from the Arabian ports and the eastern United States, joined by

14 more equally gigantic "sister ships" in Chevron's fleet alone. The "Grey", however, requires over 85 feet of clearance below the waterline when fully loaded - approximately double the mean low water depth of New York Harbor, for example. While delivering its cargo efficiently to our coastline, it is too huge to safely enter our ports to discharge it.

Off-loading her cargo to smaller tankers capable of clearing the silty bottom of East Coast harbors is, even by industry admission, a risky business, and the heightened risk of accident such increased traffic assures has never been seen by environmentalists as acceptable. "Deep-Water Ports", however, are a reasonable compromise solution, balancing need and efficiency against minimal environmental risk, and last week the House of Representatives okayed their construction. The word "port" does not accurately describe these facilities. What the DWP's are, in fact, are huge moorings "anchored" approximately 3 miles from shore from which supertankers will pipe their cargo to the mainland - eliminating the need for harbor-bound tanker traffic and even the harbor oil-pollution risks we are taking today.

I supported the legislation, in the belief that the need to reduce the cost of imported oil to East Coast consumers could be balanced with the relative environmental safety of the Deep Water Port idea. I should mention that no DWP's are planned for the waters off Long Island, although each of us will benefit from the increased supply and lessened prices the Supertanker Deep Water Port partnership should provide.

Social Security

Question Box

QUES: Even though I've been disabled for 5 years, I can't get monthly social security checks because I never worked at jobs covered by the program. I'm now 43. Can I buy Medicare coverage?

ANS: No. You have to be 65 or over to purchase Medicare coverage. Disabled people under 65 can get Medicare protection only if they've been entitled to monthly social security disability benefits for 24 consecutive months or more.

QUES: I'm 74, and I've already applied for supplemental security income payments. Every now and then I do odd jobs for people, but my earnings never go over \$50 a month. Will these earnings have any effect on my payments?

ANS: No. Regardless of age you can earn up to \$65 a month without it affecting your supplemental security income payment.

Dear Friends:

AS WE GO TO PRESS Plainview voters are going to the polls to vote on their school budget for the second time. We hope that the news is good.

AS TO THE HICKSVILLE BUDGET RE-VOTE, there is still time for you to register, if you haven't voted in the past two years. This Saturday, June 22, from 10 a.m. to 5 p.m. in the Division Avenue Administration Building. THEN... the vote on the budget itself takes place next Thursday, June 27, at your usual voting places and time. We have brought you much information regarding this budget. In our "Letters to the Editor" you will note conflicting opinions, which, when they are coherent, we feel obligated to bring to you. Personally, we feel that this is as economical as can be expected in these inflationary times. We agree with Board President Pirrung's letter on Hicksville page one this week. Oh yes, if you need further school budget information there is a HOT LINE, you may call day or evening, 733-2092.

ALL OF THE HERALD STAFF extends best wishes for a happy and productive future to the wonderful graduates of our fine high schools. We are proud of their record and their diligence during their school years.

WE ARE WELL AWARE that these young people face different challenges than those who graduated only a decade ago. We hope that the past years in school have helped them to meet these challenges with enthusiasm and determination.

WE WISH THEM WELL in all their future plans. For, with these young people, in a very real sense, rides the future of our Country and our world.

WE WERE NOT HANDED a perfect world...neither were they. But, to each generation comes the challenge to build together for a better world than that which they have inherited.

LET US ENCOURAGE them so that this can be accomplished with kindness...and understanding...and above all, with God's help.

NOTE TO PUBLICITY CHAIRMEN (and ladies)...there are times when we do not have enough space to print the news and pictures which you submit for consideration, and we hold them, in the hope that in some issue in the near future, space will be available. This has happened a couple of times recently to pictures which we know are interesting. During the summer when many organizations do not meet, it is possible that these pictures will be used. This applies also to a large amount of "ON THE CAMPUS" news, which is heavy at this time of the year and will be used each week as space permits.

THAT'S ALL for this week. Stay well,

Sincerely
Sheila

Letters To The Editor

To the Editor:

The Hicksville Council of PTAs, the Hicksville Congress of Teachers and the Hicksville Council of Administrators urge the people of Hicksville to support the revised 1974-75 school budget. We feel it maintains our good educational programs and retains the staff - which has helped make them possible.

The budget provides for: (1) additional learning disabilities and extended readiness classes to aid primary grade children who may later develop problems with school work; (2) comprehensive curriculum evaluation and coordination in reading, math and language arts for the elementary schools; (3) continuation of all summer programs - high school, junior high, elementary, primary learning centers, driver education and recreation; (4) continuation of our excellent foreign language and music programs, for which Hicksville students have consistently received many top honors; and (5) maintenance of our fine adult education program. In addition to these and many others, it also includes the same transportation and cafeteria programs as in past years and maintains the same custodial, cafeteria and clerical staff.

We realize the people of Hicksville, as in the rest of the country, are faced with rising costs. We are happy to report this budget reflects many hours of careful consideration and diligent effort in providing the best possible educational programs at a minimum of expense to the taxpayers. The reported \$1.47 increase in the tax rate may be even lower when the August assessment figure is determined.

We urge you to register and vote YES on June 27. Your support will continue good education in Hicksville.

Registration is Saturday, June 22, 10 a.m. to 5 p.m. in the Administration Building on Division Avenue. Voting is Thursday, June 27 from 10 a.m. to 10 p.m. at your local schools.

Your children and the Hicksville School District need your support. Give it to them by voting YES on June 27.

Hicksville Council of PTAs
Hicksville Congress of Teachers
Hicksville Council of Administrators

To the Editor:

Several items in the revised school budget trouble me. One of those is such a gross example of waste that I must speak out on it. \$40,000 (\$2,000 - \$8,000) is going to be spent for a new Assistant Superintendent in charge of curriculum. Why?

The Board has just assigned four former assistant principals to be in charge of curriculum, each concentrating his time and energy on a specific subject area. They will be paid \$125,000. They are all competent professionals whose abilities have been evaluated from the long service they have rendered in our schools. Why, then, do we need the services of a \$40,000 a year Assistant Superintendent to do the very same job four supervisors are being paid \$125,000 to do?

Does the Board assume that the four will not do their job? Does the Board assume that the four need a watchdog to supervise them?

LOST DOG

Black, male, mini poodle. Answers to "Shadrach". Lost on W. John St., Hicksville, Memorial Day weekend. Generous reward for information leading to safe return.

681-2472

An examination of the structure of curriculum supervision reveals that there is a district supervisor for each of the major subject areas who deals with curriculum, four new curriculum supervisors who will deal with curriculum, and a proposed Assistant Superintendent who will deal with curriculum. (To say nothing of the State Education Department which maintains curriculum standards for the State, writes, revises, and distributes curricula in every subject area free of charge.) The district supervisors supervise curriculum development for the teachers, the new curriculum supervisors will supervise curriculum development for the district supervisors, the new Assistant Superintendent will supervise curriculum for the curriculum supervisors, and the Superintendent of Schools will supervise the new Assistant Superintendent in charge of curriculum. It sounds like the house that Jack built!

To increase the grossness of this act, the Board admits that it has neither the knowledge, the understanding, nor the experience to determine who might qualify for such a "patronage plum." So, they are going to give \$2,000 to someone to read some resumes and interview some candidates so they will know who has the qualifications for a useless job.

I find it hard to believe that the Board is so unsophisticated as to not understand the awful waste in such duplication of services.

What then is the real reason behind the creation of this new position? Could it be that the Board wants to take on an Assistant Superintendent now so that he can receive "on the job training" for a year, thus preparing him to take over as Superintendent of Schools next year when Dr. Niosi's contract expires?

If that is true, then this Board is making our school district a very expensive training ground for Superintendents, and they are then as guilty of creating a "boondoggle" as the former Board was when it paid Donald Abt \$100,000 for services not rendered simply because they wanted to hire a new Superintendent. Could it be that nothing has changed, but the faces?

Far be it from me to characterize this maneuver. Suffice it to say that I have always been pro school budgets, because I have always been pro education. I have always believed that we get a greater return for our school tax dollar than for any other dollar we spend. And I have always believed that the investment we make in our children's education is the best investment we can make. But, I have never believed in fiscal irresponsibility, mismanagement, the creation of "boondoggles", or the gross waste of the taxpayers' money.

Sincerely,
Charles Loiacono

To The People of Hicksville: WHO REALLY LOSES WHEN A SCHOOL BUDGET IS DEFEATED?

Directly or indirectly EVERY Hicksville resident does!

Hicksville's new school budget, which now reflects \$85,000 of additional non-instructional cuts and increased Federal and State aid, has been reduced from the originally proposed \$1.70 (only a 7 percent increase over last year) to \$1.47. We know that an increase will present hardships. Double digit inflation has hit us all (more than 10 percent nationwide). However, the alternatives can have even more far reaching consequences.

For parents with children in the public schools one alternative is the hope of a third vote. But a third vote, at a cost of over \$4,000 may not reduce the budget and

could sacrifice some of our quality programs.

The more severe alternative of austerity hits EVERY Hicksville resident. For parents, taxpayers, senior citizens, and non-profit organizations it means:

- Transportation reverts to state mandated mileage. NO elementary school child will be bused except third graders attending non-home schools. NO Senior High students will be bused. Only 350 Junior High children of the 2,200 presently riding the bus, will be eligible for bus transportation. This means parents must now shuttle, or car pool, or permit their children to walk at Daylight Savings Time hours in the dead of winter next year. Also, the mini-trips afforded our children for educational gain, i.e. the library, firehouse, etc. will be eliminated.

- Cafeterias in all schools must be closed. Parents may either make and send packaged lunch with the children, or have the children eat at home.

- All extra and co-curricular activities will be suspended. This means NO sports, NO concerts, NO plays, NO band, NO chorus, NO senior citizens activities, etc.

- Adult Education will be suspended except for classes in English to the Foreign Born and citizenship. This means ANY RESIDENT who has enjoyed any of the courses offered in our adult education program will no longer be able to do so.

- Most materials and supplies will now be furnished by the parent directly. This is an out of pocket expense and could be very costly over the course of the year, especially if you have several children in school. For parents of 7th - 12th graders, you will be additionally required to furnish your children's workbooks.

- NO use of the school buildings after 3:30 pm by "ANY GROUP", unless that group paid in advance for the operating expenses of the building or grounds. For our non-profit groups like Little League, A-H Boy Scouts and Girl Scouts, Campfire Girls, CYO, etc. it would mean that these fine organizations, who do so much for our youth, would be locked out of the schools.

- We urge all of you who feel that the above are UNACCEPTABLE alternatives to LET YOUR VOTE COUNT ON JUNE 27th Vote "Yes" for the school budget.

Arlene & Kenneth Rudin

Letter to the Editor:

In some local publications it has been stated that the Hicksville Congress of Teachers had donated \$500 to the District - We Did Not. We did spend money and will spend more money to try to convince the taxpayers to vote "YES" on the budget. We, as teachers, would not personally be affected by a "No" vote or an austerity budget.

We do believe the educational system, the students and the taxpayers will be hurt and we want to do whatever we can to help avoid this.

Dear Editor,

Again I have read where another child has died as he ran from behind a parked ice cream truck. I have read that the Suffolk County Legislature is studying safety training for the truck drivers. This will not hurt, but I would like to suggest that someone propose legislation that, 1. Would require all ice cream trucks to have four red flashing lights, the same size that on school buses, two lights in the front and two lights in the rear. When the driver is stopped,

Form New Athletic Association

The newly formed Hicksville Athletic Association currently has a representation of 16 teams in the Senior Baseball League; 10 teams in the Minor Division, 6 teams in the Major Division.

The boys in the senior league are comprised of 13-14-15 year olds from the American and International Little League, the CYO and the Police Boys Club. These four organizations, seeing the benefits to the boys by merging this aspect of their baseball programs, agree early this year to structure one unified association. The results thus far have been extremely good.

A major problem that was forseen was in obtaining Sponsors for the program at such a late date. The results were gratifying. Sponsors were obtained and have willingly offered the boys in these leagues their support.

"We can't thank them enough and would urge the people of Hicksville to support these good people whenever you can be directing some of your business toward them. At a later date we will give more details on our sponsors", said a spokesman for the new Association.

Basketball Camp at Trinity

On Monday morning, July 8th at 9:00 a.m. Trinity Lutheran School, 40 West Nicholas Street, Hicksville, will begin its second annual Basketball Camp.

The camp is designed to help boys aged 10-14 learn the basic skills involved in basketball. The boys will be able to use both the indoor and outdoor

facilities at Trinity.

A video-tape recorder will be used to analyze each boy and help coaches correct and improve his form.

Many other aids and techniques will be used in the program.

If you are interested, you may call for information at 931-2211.

THE JOEL PLAYS RAL explains the proper method of playing basketball at Trinity's Basketball Camp. For information, please call WE 1-2211.

Hicksville International Little League

By Joe Marcus

It was a tough struggle but Gilson Knitwear has emerged as the first half champion of the Hicksville International Little League's Senior Majors Division.

The Knitters compiled a 6-1 record gaining the title over Parr-Hansen which wound up with a 5-3 mark. V.F.W. and A.O.H. tied for third at 4-3 with Maxwood next at 2-5 and Agway bringing up the rear at 0-6.

Some clutch pitching, key hitting and good fielding was evident throughout the first half and some exciting competition is expected as the teams battle for the second half crown.

In some recently held games Parr-Hansen defeated VFW 14-9 as Tom Mullaly went three for five, Cal Roberts drove in two runs and smashed a triple and Dave Knight got three RBIs. Mullaly got credit for the win while for the losers Bobby

Schaiker drove in three runs with two hits; VFW upset Gilson 6-3 as Tom Pirrune pitched the victory striking out eight and Jim Holahan. Bobby Schriber got the key hits.

Billy DeMarco tossed a four-hitter as Parr-Hansen edged Agway. Dave and Don Joyce were the batting stars with Dave going two for three. For the losers Mike Kretz drove in two runs and Tom Ryun smacked a triple. Cal Roberts also showed well at the plate for the winners with a double and two RBIs.

AOH gave Gilson a rude awakening as the second half of the season started defeating the first half titlists, 8-6. Bob O'Connor got the win with key hitting support coming from Marty Byrnes who got three hits, including two triples. Other sluggers who hit doubles were Kevin Lorenstein, Scot Ferrara and Bob O'Connor. In another divisional match Parr-Hansen ripped VFW 14-6 with Cal Roberts and Tim Brady each knocking in two runs. Dave Joyce getting a triple and single and Chuck DeMarco getting three clean hits. In Minor Division action H & S Auto topped the Pennysaver 11-6 and Franks Alibi fell victim to the Pennysaver 21-5.

The big hit for H & S came as John Holms smashed a grand slam breaking up what was a close contest. Bob Kalberer and John Panchookian each hit three-run homers in Pennysaver's

victory and were aided on the attack by Ricky Werner and Bob Emprita each of whom had two-run triples.

Smith Pharmacy came up with three straight shutouts in the league's Farm Division beating Steves American 2-0, Carvel 1-0 and Miss Chocolate 4-0.

Against Steves American John Curley and Brian Rinkel combined for a winning pitching effort and back-to-back doubles by Curley and Jimmy Decker produced the runs needed. James Hawkins and John O'Reilly each got two hits for the losers.

Jimmy Decker, Ronnie Mitchell and Brian Rinkel combined to pitch the shutout against Miss Chocolate while at bat Decker smacked a home run following a single by Connie Kilmets. Then after Rinkel hit a double, Decker cracked another round tripper.

Consecutive singles by Craig Holtzhaver, Brian Rinkel and John Curley produced Carvel, a game that was not settled until the eighth inning.

ACCIDENT REPORT

June 15-1:20 p.m.-A car driven by Ralph La Polla, 3 Birchwood Lane, Hicksville, and a bicycle, ridden by Eileen Klein, 80 Parkview St., Plainview, collided on Old Country Rd., 500 feet west of Manetto Hill Rd., Plainview. Eileen Klein was taken to Central General Hospital with abrasions of the left leg.

Mr. and Mrs. William Linscott, of Harrison Ave., Hicksville, will be guests of honor at a party to be held Sunday, June 23, on the occasion of their 70th wedding anniversary. The party will be held at the home of their son and daughter-in-law, Mr. and Mrs. William E. Linscott, 89 Twinlawn Ave., Hicksville. Their daughter, Mrs. Philip Zurian of Roslyn Heights, and another son, Albert Linscott, along with their eight grandchildren and many of their ten great-grandchildren, will be on hand for the celebration. The actual date of their anniversary is June 25.

Mr. and Mrs. Linscott have been residents of Hicksville for 40 years having moved here from Madison, Wisconsin in 1934. We join in with your family in wishing you our heartiest congratulations on such a wonderful occasion.

Happy birthday to Warren B. Smith of Levittown, who will celebrate on June 27. Warren is

the son of Harry Smith of George St., Hicksville. Helping Warren celebrate at his party will be his wife Carol, and sons, Robby, Glen, Scott and Andrew.

Things are really busy at the Vianest household, 18 Boulevard Dr., Hicksville. Mr. and Mrs. Ken Vianest will be 21 on June 25. Happy Anniversary and Happy Birthday.

Get well wishes go to Bob Bogart of Jericho, who is a patient in Huntington Hospital.

David Bruce Korgmann of Glens Falls (formerly of Hicksville) who graduated from the Law School of Washington and Lee University in Lexington, Virginia in January, recently received word that he had passed the New York State Bar Examination which he took in March. Mr. Korgmann will sworn in to practice on July 10. Mr. and Mrs. Korgmann are the parents

of two sons, David Bruce, Jr. and Jason Taylor, whose proud grandparents are Mr. and Mrs. August Korgmann of Hicksville.

Helen Black celebrated her birthday on Tuesday, June 18th at her home on Garden Blvd. with a dinner with her family and a birthday cake, the number of candles we can't mention. Happy birthday Helen and hope you have many more.

Congratulations to Bob and Trudy Casper of Spindle Road, HICKSVILLE, upon the birth of their fifth child, a 9-lb. boy who arrived on Monday, June 17th at Central General Hospital.

Winnie Rosenthal, a resident of Jonathan Ave., HICKSVILLE, for many years, has recently moved to Florida. She sends best wishes, and says, that, although she likes Florida very much, she really misses all her old friends and neighbors. We miss you too, Winnie. Come back and visit often.

Charles Gordon of 32 Deborah Dr., PLAINVIEW, a student at State University College in Cortland, has been elected to Nu Omicron, the Cortland chapter to Phi - Alpha Theta, the international honor society in history. Charles was among the eight students to be admitted to membership at the recent induction ceremony.

DIANE LUPSKI: Mr. and Mrs. John Lupski of Eighth St., Hicksville, are pleased to announce the engagement of their daughter, Diane, to John DeStefano of Overing St., in the Bronx.

Diane is a 1973 graduate of Hicksville High School and is employed at LILCO in Hicksville. John is a 1971 graduate of James Monroe High School in the Bronx and is employed at Con Edison. A September 1975 wedding is planned.

International Nights

During summer, outdoor entertainment becomes an inviting way to spend the evening, and at 8:30 p.m. Mondays, during July and August, the Lakeside Theatre in Eisenhower Park will be alive with music and dance from different parts of the world. Varied entertainment unique to the culture of the featured country will be presented. The audience should come with chairs and blankets to insure comfortable seating.

1974 International Nights, a part of the Nassau County Department of Recreation and Parks Summer Starlight Showcase, is sponsored by the F & M Schaefer Brewing Company. Performances are free to county residents who must present their "Leisure Pass" I.D. card for entry to Eisenhower Park. Card holders, however, are entitled to bring in guests who do not hold passes.

In case of rain, the event will be held the following night.

The schedule of shows follows: July 1, Italy; July 8, Germany; July 15, Poland; July 22, Scandinavia; July 29, West Indies; August 5, Ireland; August 12, Spain; August 19, Greece; August 26, Israel.

Ahlisen-Kunkle

Mr. and Mrs. Hans B. Ahlisen of 5 Spruce St. Hicksville are pleased to announce the engagement of their daughter Grace Nadene to Robert Eugene Kunkle, nephew of Mr. and Mrs. Andrew Jean Conny of 40 Arrow St. Hicksville.

Grace, a graduate of Hicksville High School 1973 is presently attending Mount Ida Junior College at Newton Centre, Mass. graduating May 75.

Robert is a radioman 2-c in the U. S. Navy, stationed on the U. S. S. Andrew Jackson in New London Conn.

They plan to be married in summer of '75.

McKeon-Policastro

Col. (U. S. M. C.) and Mrs. Donald Neil McKeon of Alexandria Va., announce the engagement of their daughter, Susan Mary to Francis Policastro, son of Mr. and Mrs. Vincent Policastro of Hicksville, New York.

Miss McKeon, a graduate of Immaculate College of Washington, is studying at George Mason University. Mr. Policastro, a 1972 graduate of Hofstra University received his M. A. degree from Georgetown University this spring.

EVERYONE ENJOYED the recent Flea Market sponsored by HAD (Help, Aid and Direction) at 389 New South Road in Hicksville. (Photo by ROBERT BERKOWITZ)

HAD Says, "Thank You"

Help-Aid-Direction (H.A.D.), Hicksville's own youth and family counseling, drug abuse prevention center wishes to express its sincere thanks and deep appreciation to all those youths and adults who worked so hard to make its recent flea market a financial success.

H.A.D.'s Flea market was held on Saturday, June 1, 1974, at its 389 New South Road, Hicksville facility. Even though rain prevented the continuation of this fund raising event on Sunday, June 2, 1974, H.A.D. still made over \$300.00. This money will greatly aid in meeting program expenses not covered by H.A.D.'s state funding grant.

More than 30 youths and adults were instrumental in the collection, cleaning, and setting up of flea market items. They worked long hours and their efforts made the affair highly successful.

If anyone deserves the greatest

credit for total coordination of this event, this honor would definitely go to Ms. Leslie Goldberg, who constantly rallied the volunteers to work harder. Ms. Goldberg is a highly active, sensitive, and deeply concerned volunteer staff member of the H.A.D. agency. Assisting her on a regular basis with all the necessary "behind-the-scenes" work were two very fine ladies, Mrs. Elsie Lamb and Mrs. Kave Goodman. Their dedication to the welfare of young people were clearly demonstrated by their active participation in all aspects of this project.

Special thanks must also go to Greg Navoy, a member of the H.A.D. Board of Directors, for the creation of a very attractive, artistic poster advertising the flea market. Another attractive flyer used to promote this event was created by a real friend and supporter of H.A.D., Glenn Williams. Printing of the flyer

was accomplished through the kind assistance of Tony Agnese. HAD is again indebted to Mr. Richard Boto, owner of Boto Brothers Plumbing and Heating, Woodbury Road, Hicksville, for the free use of his truck to pick-up donations to sell at this project.

The backbone of the entire flea market was the numerous youths and adults who help run the event on Saturday, June 1, 1974. The following represents only a partial list of those very fine individuals who donated their time, energy, and concern to insure a successful fund-raising event: Kathy Takush, Mark Althaus, Steven Krown, Steve Burgay (writer of news releases promoting affair), Mrs. Louann Rowehl, Barbara Koos, Alan Goodman, Dr. Walter Dunbar, Marie Santaniello, Joe Santaniello, Tony Agnese, Elise Bixby, Helen Bixby, Larry Capanegro, Linda Lamb, Roger

Hicksville FLES Place First In The Nation

The Hicksville FLES Program has brought fame and fortune to Hicksville. Ellen Boschert of East St. School, added to its fame by placing FIRST, out of approximately 37,000 finalists in the National French Contest. This adds to the impressive record set by Hicksville FLES students over the past twenty years. The Hicksville FLES Program has been featured in the New York Times, Parents Magazine, Saturday Evening Post, Readers Digest, Professional Journals, etc. It was highlighted on National Television CBS and is used as a model for FLES Programs throughout the Nation. The fortune was in the numerous

grants given to this program. The six year Ford Foundation Grant is just one of the few that was given the district.

This is not the first time Hicksville has placed first in the Nation. Three years ago, Scott Tyson, placed first; last year, Amy Cott, placed second; this year we regained our first place position.

Mrs. Galante, Foreign Language Supervisor and founder of the Hicksville FLES program was extremely pleased. "I am very happy with the achievements of all our FLES students. Ellen's teacher, Mrs. Lesetz, deserves a special commendation. She has taught

all the above three winners. Thanks to the community and the Hicksville Board of Education we still have a program that produces children like Ellen Boschert."

The Life Singers To Appear Locally

The Piedmont Bible College Ensemble combining a diversified musical program with words of personal experience and a challenging message tailored for the needs of the '70s, the LIFE SINGERS from Piedmont Bible College, Winston-Salem, North Carolina, will present a special program at the First Baptist Church of Hicksville, Liszt Street and Pollok Place, on Sunday evening, June 23 at 7 p.m. This special presentation is open to the public without charge.

The composition of the LIFE SINGERS is unique in that three married couples comprise the team personnel. Paul Leslie, a spring graduate from Waterbury, Connecticut, is the team's speaker. His wife, Annette, an alumna from Ramseur, North Carolina, is the pianist for the team. The main musical group, a mixed quartet, consists of Wayne and Glenda Raborn and Tim and Pam Darling. The Raborns are spring graduates with a great deal of experience in summer team work. This is the fourth tour for Glenda who is from Lynchburg, Virginia, while Wayne, a native of Charlotte, N.C. is on his fifth tour. Tim Darling, from Massena, N.Y., will enter his senior year at Piedmont this fall and Pam, from Winter Haven, Florida, will enter her junior year. Both of the Darlings have traveled previously on summer tours.

Piedmont Bible College is an independent Baptist school located in the heart of Winston-Salem. A special-purpose school. Piedmont trains its students, 400 this past year, for vocational Christian service. Now in its 28th year of operation, Piedmont is currently engaged in a vigorous program of campus development. A new, 143 bed, girls dormitory is in the final stages of

completion and a half-million dollar chapel-gymnasium is under construction with occupancy anticipated during the coming school year. Approximately 75 per cent of Piedmont's graduates are in vocational Christian service with many serving as pastors and a significant number engaged in foreign missionary work in many nations overseas.

Pastor Alan D. Swaim and the members and friends of First Baptist Church welcome everyone from the area to attend. The presentation will begin promptly at 7 p.m.

Vacation Bible School

The planning begins for Vacation Bible School at Trinity Lutheran Church, 40 West Nicholas Street, Hicksville. This year there will be some 50 teachers and assistants working with the children (from 4 years to 12 years) in a program which will stress telling the news about Jesus Christ and sharing His love. Each day the children will gather in the church, for a morning devotion. Returning to their classrooms to discuss the lesson for the day, followed by a music period, recreation and arts and crafts.

The program will begin on July 22nd and run through August 2nd.

For more information, please call Trinity Lutheran Church (WE 1-2225).

Singing Boys Concert

The internationally renowned Singing Boys of Long Island will present their annual summer concert Sunday evening, June 23, at the Interfaith Chapel of C.W. Post College, Brookville at 7:30 P.M.

The program will feature songs of the Renaissance and Romantic periods as well as traditional American songs. This will be the last public performance of the choir before departing on their fifth tour of Europe which will include France, Belgium and Holland.

Tickets for the June 23 concert are: Adults \$2.00, Children under 12, \$1.00 and are available by writing Box 205, Hicksville, New York 11801, or calling 938-3886.

THE WEDDING LICENSE: A SCRAP OF PAPER?

Absurdity abounds when two people claim that they can live together more meaningfully without being married. More than one young person has said to me, "But a marriage license is little more than a scrap of paper." That's right. But wait. Aren't some scraps of paper important? Sure, a wedding license is a scrap of paper but so is your pay check, a \$10.00 bill, the deed to your home, the

Constitution of our country. Many such scraps of paper are important because they say more than the little bit of fiber that comprises them. The wedding license is one way of showing that marriage is intended to be permanent. It's really an important scrap of paper.

Having counseled many casualties of today's sexual revolution, I believe the Biblical perspective on marriage is still the best. One man for one woman

One woman for one man. Both committing themselves to each other becoming involved in a mutual destiny.

For the Christian man and woman marriage is serious business. He is anxious to reach his creative potential through the person God has given him. And as man and woman stand before the altar of God, they commit themselves to one another, seeking the Father's blessings to help them be one in love and

To Hear Bible College Group

The Hicksville church of Christ has a fellowship night on Friday June 21, at 7:30 in the evening where they will host a group from Winston-Salem (N.C.) Bible College. They will present the program of the evening.

"If anyone from the community would like to come, we would be most happy to have them. As a matter of fact, if they'd like to bring a covered

dish, and have a pot-luck supper with us, come at 6:30," urged a spokesman for the church.

New car bodies will be half rubber or plastic by 1980, Richard A. Jay, vice chairman of The Goodyear Tire & Rubber Company predicts.

Get Rid Of Gray Hair Some Of It Or All Of It

Time-lapse photographs show how gradual action of Lady Grecian Formula lets you control just how much gray you slowly get rid of - some of it or all of it.

WHITE PLAINS, N.Y. (Special)—Thousands of women all over the country are discovering a remarkable new product specially developed and tested for women's hair. It not only takes the guesswork out of hair coloring but also eliminates the gray roots problem that has for years been a thorn in the side of all women who color their hair. Lady Grecian Formula is not a dark messy dye. It is a colorless liquid as easy to use as water. There is no mess, no complicated instructions, no

strand tests, no clock watching. Simply brush Lady Grecian Formula through your hair every day and you will see the gray slowly 'fade away.' You are in complete control. You can get rid of as much gray as you want—some of it, or all of it. When your hair reaches just the lovely natural-looking color you want, weekly use thereafter is all that's necessary to keep your hair just the way you want it with no gray roots problem ever. Lady Grecian Formula is available now at:

Summer at The Hicksville Library

The end of May brings to a close the winter programs of movies, story hours and class visits in The Children's Room of the Hicksville Library, and summer plans are now being completed for an active fun-time for the young folk.

Flyers are being sent through the schools concerning the programs to be offered during July and August. There will be a Summer Reading Game again, for children in grades three through seven. For those who read at least eight books between July 1st and August 9th there will be, as in past summers, a surprise trip and party. The theme this year is "Animal Caravan". Registration for this popular reading club will be from Monday, June 24th through Saturday, June 29th.

A weekly story hour for our younger patrons, ages five through eight, will be held on Wednesday mornings at 10:30 from July 10th to August 7th. Registration for this program will also be from Monday through Saturday, June 24th-June 29th.

Miss Breining, an art teacher in our local public schools, will instruct the summer art classes. There will be three sessions starting July 8th and 9th: Monday and Tuesday mornings from 10:00 to noon, and Tuesday afternoons from 1:00 to 3:00. These three sessions will continue for four consecutive Mondays and Tuesdays. Enrollment will be during the registration period mentioned above. A \$2.00 fee for materials is charged. Youngsters entering second grade and up, and in-

terested in art, are welcome.

A crafts course for children entering grades four through eight will be held under the direction of Shari Novot, also a member of our local school system. Registration will be held for these classes from July 24th to 29th. The classes will meet on Thursdays starting July 18th for fourth through sixth grades, and on Fridays starting July 19th for seventh and eighth grades. Classes end August 8th and 9th. There is a \$2.00 fee for materials.

From July 8th through August 5th, we will feature "Monday Afternoon At The Movies" at 2:30. The first film scheduled is

"Sherlock Holmes and The Deadly Necklace". Among the other presentations scheduled are "The King And I" and "Yellow Submarine".

The Library will also present two puppet shows - on Monday morning, July 29th, at 9:30 the Eisenhower Park's mobile Unit of the County's Department of Recreation and Parks will present "Poko Puppets", and on August 20th at 9:30 they will perform "Indian Summer".

In addition to these attractions, the Library is happy to present Oyster Bay's Theatre of Cultural and Performing Arts in two plays for young people. On Wednesday,

Holy Trinity Helps The Needy

On June 22 Sister Barbara Ann and 16 Students from Holy Trinity High School are leaving Hicksville to spend three weeks in Berea, Kentucky, an area better known as Appalachia. Through a friend of hers who is working in Berea, Sister decided

to "Put words into action and experience a new lifestyle."

Also traveling to Appalachia will be an assortment of books and games donated by parents and students in response to a plea for materials to give to the children in Berea.

July 17th "High Moon" will be shown, and on Wednesday, August 7th, "Rapunzel" will be performed. Both shows start at 2 o'clock.

Our season's events will close with a Pet Show and Contest on Wednesday, August 28th at 2:30. If you have a favorite pet and want to join in the fun - come in during the week of June 24th and register.

PBC Volleyball

Calling all girls ages 9-14! Come on out on Sunday, June 23, 1974 between 1 and 4 o'clock and play volleyball.

Place is at the Hicksville P.B.C. Clubhouse, 85 Bethpage Road, Hicksville, N.Y.

No registration fee - just come ready to play.

Lamb, Laurie Lamb, Sean O'Neill, All Covises, Terry Walberman, Bob Lpsche, Rob Rasmussen, Ann Marie Crohn, Mary Mayo, Debbie Buss, Mrs. Marquerite Bobey, Mrs. Estelle Peck, and Al Fasano. To these people and all those unnamed others who contributed to the success of this event, the H.A.D. agency extends its sincere and grateful thanks. An extra note of appreciation is further expressed to the Hicksville Jewish Center and Dutch Lane PTA for donating valuable items to sell at our flea market which were left over from their own events.

Finally, H.A.D. wished to thank the many private citizens and residents of the Hicksville area who donated many fine items sold at this affair. Their continued support continues to be very meaningful to the H.A.D. agency.

Plans are now being made to collect and store items over the summer in preparation for another flea market and bargain sale scheduled for Saturday and Sunday, August 24th and 25th. Mark these dates down on your calendar. Please check this newspaper for further details.

Fire Report

By Ex-Capt. Owen W. Magee
Since June 1st Hicksville, Firemen have responded to 44 alarms, 8 malicious false alarms, 20 Rescue calls, 16 fire calls.

On June 5th an incendiary device was thrown at a house at 193 Lee Ave. The fire was extinguished before the arrival of firemen but not before some damage was caused. The fire Marshals office is investigating. Time of the alarm was 7:59 p.m.

Eastern Savings Bank

Opens Plainview Branch

The Eastern Savings Bank officially opened its eighth branch, and first Nassau County Office, with chairman John M. Nosworthy cutting a tape studded with fifty new one dollar bills on June 15. Joining him in the ceremony were president George W. Coalter (West Islip); James R. Wells, Nassau County Commissioner of Commerce and Industry; Oyster Bay Councilman Salvatore Mosca; and manager of the new branch Clarence C. (Bud) Ryder (Manhasset).

In his remarks, Mrs. Nosworthy said, "We are proud to join our efforts in contributing to the continued sound and solid growth of this vital Nassau County community. In today's economy, savings is an integral part of any growth program and our bank provides the full spectrum of savings bank services to fit the needs of individuals, families and organizations."

"This is a dynamic community and Eastern Savings Bank will make every effort to contribute and fulfill its role in the community."

Situated at 525 Old Country Road near the junction with

Biggest

One of the biggest worries of business today is the number of unemployed people on the payroll.

-Scoop, Winter Harbor, Me.

South Oyster Bay Road, the bank is an attractive white split face masonry block structure with the feeling of an airy, open pavilion set in a landscaped plaza. The exterior materials are carried into the interior, working in conjunction with a fully-carpeted banking floor and officers' platform.

The bank has a total of 7,200 square feet, including a lower level with storage, conference rooms, an employees lounge and a special community room.

Bank manager "Bud" Ryder said, "We are particularly pleased to offer our community room to any non-partisan, local civic, fraternal or community groups who are in need of moderate-sized quarters in which to hold special meetings. It has its own entrance separate from the bank, and is available during both banking and non-banking hours."

Mr. Ryder added that to properly schedule the community room, all requests for its use should be made through him or through assistant manager, James McCormick.

The new Eastern Savings Bank branch will also have the automatic 24-hour "Ready Owl Service" which is an electronic teller which provides for around-the-clock deposits and withdrawals.

For added convenience, both a drive-in window and a walk-up window are provided.

Eastern Savings Bank was founded in 1906 as the Bronx

Savings Bank with headquarters at Tremont and Park Avenues to provide a service for that growing section of the city. In the ensuing years as urban and suburban growth accelerated the bank met the opportunities of the various communities and, in addition to this Plainview branch, has seven other branches in the Bronx and in Westchester. On January 1, 1974 the bank changed its name to Eastern Savings Bank to be more truly representative of the widening geographic scope of its operations.

Turnkey constructors for the bank were Schumacher & Forelle of Great Neck, New York. Architects creating the designs were Michael Harris Spector and Associates, at 50 of Great Neck.

CUTTING THE TAPE- Nassau and Eastern Savings Bank officials join to cut the tape officially opening the bank's first venture on Long Island and its eighth branch. Holding the ribbon of 50 new one dollar bills are: George W. Coalter, president; Nassau County Commissioner of Commerce and Industry, James R. Wells; John M. Nosworthy, chairman; Oyster Bay Councilman Salvatore R. Mosca and Plainview branch manager Clarence C. (Bud) Ryder.

SUMMERTIME CELEBRATION

Now thru Saturday, June 29th

FREE COLOR TV's

General Electric
19" Color Television

Bring in a friend and take home a 19" Color TV

During our two-week Celebration, you can take home a GE 19" Color Television just by following these simple rules... Bring in a friend or relative who is not a member of your household. Have him open a National Bank of North America Time Savings Account (Supreme Savings Certificate) with a \$10,000 deposit for 2½ years or a \$5,000 deposit for 4 years.

This program pays 6% interest per annum, which compounded daily, gives a 6.18% effective annual yield. Interest will be paid from day of deposit and can be received either at Maturity, or Annually, Quarterly, or Monthly. All deposits are insured for up to \$20,000 by F.D.I.C. As a sponsor, you receive the FREE GE, 19" (measured diagonally) color television complete with one-year home service guarantee. Your friend gets 6% interest per annum.

Come in with your friend. Have him bring in his check or passbooks so that we can arrange to transfer his funds from other banks. The account may be opened individually, in trust for another, jointly with another individual, or a custody account for a minor.

Federal regulations permit the redemption of Time Savings Certificates before maturity provided rate of interest on amount withdrawn is reduced to Supreme Passbook rate (currently 5%) and three months interest is forfeited. Withdrawals prior to maturity can be made only with the consent of the Bank. Partial redemptions are not permitted by the Bank. Funds transferred from other North America offices are not eligible for TV sets. This program may be terminated at any time at the option of the Bank.

and ...you can select one of these fine gifts when you open a new Checking or Savings Account with \$250* or more, or have a loan approved in any amount from \$1,500 to \$10,000.
