Hicksville Library News

The Fourth Annual Hicksville Library Old Time Country Fair was held October 3-6. This year's event was bigger and better than ever. The number of entries was about the same as previous years-but the quality of workmanship was 'par excellence'. A list of the blue ribbon winners follows and in the next two weeks we will list the red ribbon winners and the honorable mention awards.

The blue ribbon winners were as follows: Pam Manzione, Susan Weinglass, Joan Stenson, Mary Ellen Spinner, Jean Kudless, Marlene Proci, Marion Sokolski, Naomi Baldwin, Mary Cott, Ann Walsh, Lillian Phelan, Dave Drier, Geraldine Schacter, Mary Nagin, John Collins, Diane Pascucci, Lorraine Lawson, Jean Tice, Hazel Dunnican, Minerva Stewart, Elvira Graham, Rita

Conry and Kay Proctor.

The Library wishes to thank the craft demonstrators who volunteered their time to explain the methods and mechanics of their craft. They are: Mary Cvinar, Genevieve Kosulka, Helen Hannah, Winifred Rose, Barbara Marks, Mildred Hayden, Stella Giovenco, Ann Walsh, Mildred McLaughlin, Don Collins, Ursula Balaker, Ethel Dreir and Betty Robbins.

The Library also extends their grateful appreciation to the Friends of the Library who volunteered many hours working to set up and man the Fair. Among the many are: Clara Bennett, Carol Wolfe, Joan Horan, Joan Jones, Emil Immesberger and Andy Walker. If any names have been omitted, we are sorry for we appreciated all the help we received.

NCMC Managers Meetings Open to the Public

The Board of Managers of the Nassau County Medical Center announced today that it would hold its regular meetings on the fourth Monday of every month - and that all such sessions would be open to the public.

Board President Warren J. Freeman said that the new schedule of open meetings would begin this month, with a meeting

Nassau to Sell Surplus Buses

Nassau County Commissioner of the Department of General Services, Francis E. O'Connor, announced today that the Nassau County Division of Purchase and Supply would sell 23 surplus

buses. Bid forms for those interested in bidding on the surplus buses may be obtained at the above address. The bids will be open on November 1.

to be held at 10 AM, October 28. All meetings will be held in the Activities Building. The board voted unanimously on September 9 to open its regular meetings to the public, making the Nassau County Medical Center one of the first hospitals on the East Coast and among the few in the nation to take such action.

Bid forms for those interested in bidding on the surplus buses may be obtained at the above address. The bids will be open on November 1.

Bikeway to Jones Beach to be Completed in Spring

Nassau County Executive Ralph G. Caso has opened the way for bicycle riders to pedal to Jones Beach.

He has given his approval for an entrance to the long Island State Park and Recreation Commission's Jones Beach Bike Way through Nassau park land at Merrick Road in Wantagh.

The bike way, which will parallel the east side of Wantagh Parkway from Merrick Road to the ocean front park, will be completed next spring, according to information received from Harthorn L. Bill, the commission's general manager.

"We have been working closely with the commission in this matter," Caso said. "A problem arose with an entrance and exit at Merrick Road. It was felt that having bikers use parkway ramps would be dangerous."

"When the county was asked to provide access through Cedar Creek Park which abuts Wantagh Parkway, I was happy to give permission, and I have asked Nassau Recreation and Parks Commissioner Richard A. Fitch and his staff to assist."

Bike riders will be able to use a park entrance and travel a safe path to the bike way for their journey to the beach.

"There are more than a million bicycles in the county," Caso said, "and I know riding enthusiasts have long sought a bike way to the recreational areas of the ocean front. Their safety and enjoyment are the prime importance. With my own feeling there should be partnership in government to solve problems, I was pleased to be able to give quick approval of the commission's request."

Nassau PTA Holds Annual Fall Conference

Some 900 members of local units and councils representing PTA's throughout Nassau County will participate in its annual Fall Conference, to be held on October 24th at the Uniondale High School beginning at 7:30 p.m.

Mrs. Mimi Ettlin, District Director will conduct the meeting, after which the delegates will have an opportunity to attend any of the twenty six workshops covering all areas of PTS work.

The conference affords an opportunity to meet with other Nassau members to share their similar interests in PTA, to confront challenging problems and to enhance leadership skills.

Workshops will cover areas such as Parent Education, Juvenile Protection, Safety, Legislation, Special Education, Membership, and many others.

For further information about registration please call: Mrs. H. Fischman, 838-4483.

NC Girl Scout's Dinner Auction

"Going, going, gone!"...the traditional cry of the auctioneer will be heard at the Nassau Council of Girl Scouts' Dinner-Auction on December 4th at the Salisbury Restaurant in Eisenhower Park.

Chairman Sylvia Levine of New Hyde Park has announced that many "auctionables" have already been received, and the bidding should be spirited and exciting that evening. Said Mrs. Levine: "We have items for every size pocketbook, ranging from a week in a Montego Bay villa for six people, to an authentic brass rubbing from an old Wales cathedral. Bids can be made for a day on Long Island Sound on a 55' power yacht (bluefishing, if you like), the use of a Manhattan townhouse for a weekend, a ladies' pantsuit, home-made Brownies sent to a college student every month for a year, quilting lessons, belly-dancing lessons, and hosts of other equally enticing articles."

Town of Hempstead Clerk Nathan L.H. Bennett will be the genial auctioneer for the evening. Honorary Chairman of the Dinner-Auction is Ms. Eleanor Brighton of Glen Cove, Deputy County Treasurer of Nassau County. Reservations for the Dinner-Auction can be made through the Nassau Council of Girl Scouts' office in Roosevelt Field, 741-2550. Tickets are \$17.50 each, \$35, a couple, and includes a cocktail hour, full dinner, and rolling bar throughout the evening.

"Because I believe in the work Nassau Council is doing to help the young women of the County through Girl Scouting, I urge everyone to attend this fund-raising affair," said Honorary Chairman Brighton. "This is a unique opportunity to have an enjoyable evening, bid on something you 'always wanted', and give support to a most worthy organization."

Polo at Bethpage State Park

The finals for the Dover House Trophy will be at Bethpage State Park's Polo Field on Sunday October 13. Started in 1968 by Burt Bacharach, composer and owner of the Dover House Restaurant, the tournament was first won by West Hills. In 1969 the winner was Bethpage, again Bethpage in 1970 in 1971 Huntington took over, in 1972 Bethpage grabbed it for the third time and last year in 1973 Blairtown, a visiting New Jersey team, won the trophy. The semi-final matches will be played off at a practice field during the week.

Charging across the field at top speed Nassau blipped Suffolk seven to six in the Bill Gray Memorial Match on Sunday October 6th-Al Bianco, Peter

Daly, Fred Braunstein and Steve Jenkins rounding up the winning ticket in the last two chukkers - Creeping up steadily, Suffolk's Bill Brennan, Mike Gerard, Peter Henderson Jr. and Dick Fredericks almost had it made with a five to two lead but in a complete turnabout Nassau cooked up five goals, young Jenkins letting go three and Braunstein a double, the team's first goals shot in by Daly and Bianco earlier. For Suffolk-Brennan, Gerard and the youthful Henderson each made it a double for their team.

Games start at 3:00 P.M. with free admission to youngsters under twelve accompanied by an adult and charge to adults only \$1.50.

Bike-A-Thon Set for October 26

Thousands of students and adults have already signed on to wheel into action for the benefit of crippled children and adults at the 2nd annual Easter Seal Bike-A-Thon set for Saturday, October 26th at Eisenhower Park from 9-4 p.m. Rain date, Sunday, October 27th.

Riders will be treated to free food, courtesy of Burger King, as they relax with friends and tune in to the high energy sounds of Syndicate and the soft, easy-listening rock of Sunrise Highway, both of whom are donating their talents to make the day's activities more festive. Emceeding the rally will be WGBB radio personalities and many deejays from metropolitan area radio stations are planning special promotions that will bring them into the midst of the action at the rally and throughout the day.

Residents interested in wheeling into action for the benefit of crippled children are urged to call the Nassau Easter Seal Society at 747-3553 to obtain your registration kit. For the

information of newcomers to the Bike-A-Thon, here's how it works. Cyclists line up sponsors—organizations, clubs, companies or individuals—who promise in advance of the Bike-A-Thon to donate a certain amount per mile traveled. Any amount from 5 cents up will do, but riders must have a total sponsorship of at least \$1 per mile to register.

After the cyclist rides the course, which is limited to 40 miles on a 4 mile predesignated route in the park, he has his verification card, which is given to him upon registration, stamped by Easter Seals. Within a few days, he presents this card to his sponsors, collecting their tax deductible donations and turning them in to Easter Seal. If indicated on registration form, riders may credit their round trip to and from their home or school to the park against their 40 mile total ride.

An exciting Mount Snow Ski Weekend, donated by Travel Center Ski Tours, New Rochelle, is among the great prizes

available for riders turning in the most dollars to fight crippling and promote rehabilitation of the handicapped. Other valuable prizes include ten-speed bikes donated by Jay Zee Cycle Shop, Freeport; Nassau Bicycle Exchange, Mineola; Willy Mae Bicycles, Levittown & Baldwin; Times Square Stores Corp., Brooklyn; and Rockville Centre Bike Shop, Rockville Centre.

Call Easter Seal directly at 747-3553 to obtain your Bike-A-Thon brochure, with registration and sponsor forms and full instructions. The miles of smiles you ride will help support vital Nassau Easter Seal programs helping the handicapped, including summer day camp, physical therapy, dental care, recreation, field trips and adapted sports; public education; information and referral services and a program to remove architectural and attitudinal barriers to the handicapped in our county.

New Buses for Nassau

the MSBA fleet for early 1975 delivery. This is in keeping with a 'Five-Year Transit Development Plan' which includes a carefully scheduled equipment replacement program to assure that we have a modern, up-to-date fleet at all times."

"Seeing this new equipment is truly a heartwarming experience for us in MTA," Yonich said.

"The creation of MSBA illustrates dramatically how sincere cooperation among federal, state and local governments can result in solving pressing mass transportation problems of one of the most densely populated suburban counties in the United States."

Nassau County acquired the operations of 10 private companies in June, 1973. Under arrangements worked out among federal, New York State and Nassau County governments, the acquired buses of the companies were leased to MSBA, a subsidiary of MTA formed for that express purpose.

Yonich said that after the takeover it was discovered that of the 298 buses acquired by MSBA, 24 were unuseable and another 50 required extensive repairs to become roadworthy. "MTA funds made it possible to provide a quick transfusion by providing 20 new buses to replace unuseable equipment, resulting in a vast improvement in the reliability of

service," the MTA chairman recalled.

"In the final analysis the creation of MSBA prevented a condition which has come about all too frequently in many other urban areas in the U.S. in the last two decades—the complete loss of local public transportation, thus imposing a tremendous hardship on local residents and forcing them to rely solely on one transportation mode, the automobile," Yonich said.

"MSBA's long-term plan is to provide improved and expanded service which will attract a greater number of passengers and, therefore, provide greater revenues," Andrew G. Schiavone, Executive Officer of MSBA noted. "In looking ahead we are planning to place particular emphasis on attracting ridership from among the young, the aged, the part-time worker and the handicapped." Also planned, he said, was the construction of a new central garage and maintenance facility on Nassau County-owned land at Mitchell Field Groundbreaking is expected in late 1975 or early 1976.

MSBA's 325-bus fleet serves all of Nassau County—298 square miles—and is expected to carry about 18-million passengers this year at an average fare of approximately 45 cents. MSBA employs some 770 persons.

MAN OF THE YEAR: Nassau County Executive Ralph G. Caso, (center), has been named "Man of the Year" for 1974 by the New York State Association of County and Regional Environmental Management Councils.

William Botwinik, (left), President of the Association and Executive Director of the Nassau County Environmental Management Council, and

George Melrose, (right), Vice-President of the organization and Chairman of the Erie County Environmental Management Council, look on approvingly after Caso received the award.

Caso was cited by the Association for his accomplishments in the environmental area including his support of the Environmental

Management Council movement; his direction in the preparation of Nassau's Environmental Plan Report; his opposition to offshore drilling; the institution of energy conservation measures in county government and support of mass transportation; his move towards the development of anti-noise legislation and his stand on wetlands preservation.

Dear Friends ...

LOOK FOR ACTION in the near future, regarding the downtown triangle area of Hicksville, which, despite TOB planning, is sitting year after year like the proverbial dead duck. Certain organization in Hicksville are about ready to take aim at this particular problem...which is a serious one indeed for residents, business people and taxpayers alike. More on this as it develops.

WELL, it happened again! While those we employ to handle the proper markings on our state, town and county roads, are busy making surveys, or whatever they feel it necessary to do to back up "no action at all" ... the corner of New South Road and Old Country Road, which we have written about several times in the past few months, was the scene of another accident early Wed. morning. Gentlemen, all this corner needs is to pull back the white lines on the north side of New South Road, about one car length. It is improperly marked ... making a right turn for cars going west on Old Country Road, almost an impossibility ... such an easy matter to see and correct. SO WHY ISN'T IT DONE?

PUT THIS DATE on your calendar, local businessmen ... the general membership luncheon of the Hicksville Chamber of Commerce is set for Tuesday, Nov. 12th at the Milleridge Inn at 12:30 p.m. This is an active organization with many plans for the good of our community (both business and residential) on their agenda. Why not come on down and join them?

THERE IS MUCH CONCERN, (and rightly so) by residents nearby a proposed OBI Inn which is being contemplated on Levittown Parkway in Hicksville. Although the variances needed to throw three or four small stores together to make a huge discotheque, has not been granted by the TOB, work seems to be going on there apace, just as if the variances were granted. Neighbors are prepared to go to great lengths to avoid having this late - night noise in the midst of a fine residential area. We couldn't agree more and will have more of this matter in next week's issue when plans for fighting this are firmed up.

HOPE YOU DON'T THINK THAT we are against everything. You all know, throughout the year, the fine community projects and group activities we are bringing to your attention in THE HERALD. However, there are times when a firm stand must be taken. We do this as often as we think that we can be effective in helping our community to improve. We hope those who agree, will take the time to write letters to those in authority, giving your feeling on these matters too. Let us have copies and, where space permits each week, we'll be happy to run them.

BEST WISHES for a happy future to Mr. and Mrs. Harold Manaski of Hicksville, who are retiring to sunny Florida. A testimonial was tendered Mr. Manaski recently for his many years of community service on the Board of Fire Commissioners. We hope you come back and visit often, folks.

Sincerely,
SHEILA

Supervisor JOHN W. BURKE REPORTS

As Fire Prevention Week (October 6-12) draws to a close, I hope that all Townspeople have taken the time to stop in at their local firehouse. I am sure you have found, as I have, that volunteer firemen are more than willing to discuss their available equipment and how it is utilized in the prevention of fires.

Each year I have been privileged to address the Nassau County Fire Chiefs' Council as well as attend installation ceremonies at a number of volunteer fire companies. And, each year, I find it just as difficult to express my gratitude and appreciation to these men who are frequently called upon to put their lives on the line.

In the Town of Oyster Bay we

are fortunate to have 15 fire companies equipped with some of the most modern fire-fighting apparatus available and meet the highest standards set by the American Insurance Association. But the keystone of every one of these fire-fighting organizations is the volunteer firemen. Serving without pay, he spends many hours of his free time in training and is always ready and willing to respond to a call for help in any weather and at any hour of the day or night.

This dedication to the safety and welfare of his neighbor, given unselfishly and often at the risk of his own life, is a quality unique to this avocation. Who among us has not been impressed by their readiness to literally run

through a wall of fire to rescue the entrapped or by the evident concern on the face of the trained paramedic as he tends to the young victim of an auto accident or the older neighbor who has suffered an apparent heart attack?

Let all of us be ever grateful that we have men of this caliber as our neighbors, ready to risk their lives for their community and their fellow man.

TOWN NOTES: This week also has been declared Home Health Services Week by Governor Malcolm Wilson, and we join with him in saluting those members of the medical profession that bring care and comfort to the home-bound patient.

Conference Concludes Banking Legislation

Congressman Angelo D. Roncallo (R-NY-3rd) who served as a conferee on the House-Senate Banking Conference cited the extension of fair credit to women as one of the conference's major accomplishments. The conference concluded work on financial institution legislation today.

Roncallo, who had been a cosponsor of the fair credit bill said, "It is only right that a person be considered for credit on an equal basis with everyone else. This bill would remove credit bias based on sex or marital status and I think it should be a step toward removing the credit barriers which have always existed, especially against women."

The conference also reported out an increase in deposit insurance (through the F.D.I.C. and F.S.L.I.C.) from \$20,000 to \$40,000. Roncallo had cosponsored a bill to raise it to \$50,000, which the House passed, however, the conference lowered it.

The conference also passed amendments which will protect the consumer against unfair and inaccurate billing and credit card practices, by amending the Truth in Lending Act.

"I think the conference made significant progress in behalf of the consumer and I look forward to speedy passage by the Congress of the final report."

Congressman Roncallo was prevented from including a prohibition against credit bias based on an arbitrary age limit at this conference and so he has decided to introduce his own bill on the House floor.

This Roncallo bill, which has already attracted several co-sponsors, would prohibit credit discrimination on the basis of

Proposed Tax Hike "Inconceivable"

Congressman Angelo D. Roncallo (R-NY-3rd) today called the proposed 20 cents to 30 cents a gallon gas tax currently being considered by the Administration "inconceivable" and urged Federal Energy Administrator, John Sawhill, to abandon any further consideration of it.

The Congressman, in a letter co-signed by Long Island Congressmen Norman Lent and James Grover, stressed to Sawhill that Long Islanders would be unfairly penalized and that many could be taxed beyond

their resources by such a tax.

"The distances and unavailability of mass transit in our area make our people virtually dependent on their automobiles for their very existence. We find any increase in the federal gasoline tax, and most certainly the very steep proposal being currently considered, out of the question," the Congressmen said.

WILSON PRESS CONFERENCE

"Horizontal Cooperation" Among Suburban Govts.

By JANET GOSNELL

The problems of the suburbs, the environment, education and mass transportation were some of the topics touched upon by Governor Malcolm Wilson at a press conference arranged especially for the weekly press at Carl Hoppl's (Baldwin) on Tuesday, October 8th.

Appearing relaxed and speaking unostentatiously to the editors of Nassau's weeklies, Wilson was in the middle of a busy day of campaigning which included among other things a Republican women's tea, and a press conference with the dailies and broadcast media. He was on his way after the weekly press conference to a conference with Long Island's labor leaders.

"I hope someone is there from

the Needle Trades Union," he quipped, noting that he had lost a button and caught a triangular tear in his trousers during the day. "I don't always dress this way," he said.

"Horizontal Cooperation" The improvement of "horizontal cooperation" between suburban municipalities with a view to solving problems common to them all would receive emphasis in his administration as Governor, said Wilson, who was flanked at the desk by County Executive Ralph G. Caso, running with him for Lieutenant Governor, and Nassau Republican Leader Joseph Margiotta.

Wilson zeroed in specifically on the problems of mass transportation and the supply of electric power to suburban areas

as matters of primary concern. He expressed favor for federal aid to transportation despite harbingers of doom for the \$11.9 billion mass transit bill which went back to committee Tuesday in Congress.

On electric power, he noted that in 1961, the average home used from 250 to 280 kilowatts of electricity per month. That figure in 1974 ranged from 540 to 600 kilowatts.

Environmental concerns have held back the production of increased electric power, he said. "Unfortunately, we cannot supply all the power that is needed and still guarantee that we will have pure air and water. It's a case of conflict of two desirable goals."

Off-Shore Oil Drilling

Environmental concerns were also on his mind when he stated that he deplored the decision of Secretary of the Interior Rogers Morton to commence oil drilling in the continental shelf, "despite reports that no guarantee can be made that the drilling will not be hurtful to environment, the seashore and the people."

In response to questions relative to public education, which costs New York State \$6.5 billion each year, he deplored the attitude of "keeping up with the Jones'" taken by New York school districts, and the construction of "Taj Mahals" instead of basic school buildings. He said the state recommends six basic school plans, of which only two have been used.

General Comments

Speaking generally, he said his

administration would be an "open" administration; that the state tries to give back to the people as much of their tax money as it can, amounting to 60 cents out of every dollar at this point. He said that government should only do for the people what they can't do for themselves, and that real estate tax payers, which he feels are most desperately hurt

by the inflation, must have some relief.

On President Ford's message on national economics of Tuesday, Wilson said that he would have to get together with his Council of Economic Advisers to determine what the anti-inflationary measures would mean in terms of New Yorkers.

Plainview - Old Bethpage High School Sports News

Approximately 250 Biology students were divided into three groups, each group spending a day at Centre Island Beach. The students were accompanied by Biology teachers, Mrs. Cort, Mrs. Lifson, and Mrs. Redfield. The field trips were the culminating activity in their study of ecology. Local flora and fauna found typically on Long Island beaches were observed in their native habitats and collected for further study in the classroom. As a result of their experiences students became aware of the importance of the wetlands.

Merchandising and Marketing and Management students from Plainview-Old Bethpage High School participated in the "Shadow Program" at the J.C.

Penny store on South Oyster Bay Road, Plainview on Tuesday, October 8th. The program, arranged by Mr. Leo Gugerty, manager of the Penney store, and Mr. Fred Alexander, Work Experience coordinator of the high school, gives the students an opportunity not only to see the "behind the scenes" operation of a large merchandising operation, but also to actively participate. This is the second time that this program has been presented and shows the close cooperation between the school and the business community.

The consensus of all the students participating was that it is an "eye-opening" experience and most certainly a tremendous learning experience. The students who took part in the

program were: Mike Appel, Kevin Bagnasco, Robert Bayer, Steve Begin, Sue Eckhardt, Mike Esposito, Jeff Himmel, Randi Hyams, Dena Keppler, Faun Rosenthal, Gerylyn Tanenbaum, Michele Taub, Pat Manzo, Nancy Gresches, Linda Jones, Stacy Mandel, Bernadette Stapleton, Sally Vitale. Mrs. Gloria Jones, a teacher of Marketing and Management, also accompanied the group.

A year ago our athletic field was dedicated and re-named the Norman E. Merry Memorial Field. At the first home football game on October 5th the new electric scoreboard was used for the first time. The scoreboard, with Mr. Merry's name on it, was acquired through the cooperative efforts of the staff and students of Plainview High School. The Merry Memorial committee members are grateful to the parents and organizations in Plainview who helped us realize this goal. Mr. Merry was a teacher, administrator, and leader in the Plainview school system for many years before his untimely death a year ago.

Plainview - Old Bethpage HS News

The Plainview Gull Tennis team is on the move. Their record is 5 wins to 3 defeats. The Gulls are playing much better than last year and all of the credit has to go to Coach Stevens who has taught his team poise, skills, and concentration, and has given them a desire to win. So far the players are responding. The two players who have played exceptionally well and who are leading their team to a fine season are Ken Siegel and Gary Davis.

Mr. Stevens told me that the Gulls practice every day. On a regular practice the players will work on their weaknesses, but on a practice the day of a game he'll

give his players "concentration" drills to be prepared for game condition.

The Plainview Gull Football team lost its 2nd game. The Gladiators from New Hyde Park took advantage of the injury-riddled Gulls by a score of 28-0, but the Gull fans are keeping the faith and members from the "Gull Gallery" or Spirit 75' have chartered a bus to bring them to a Gull away game against Island Trees. As I said in another article, it is important to all teams to have support from their fans. It might still be a good season for the Football Gulls.

Accident Reports

Oct. 4 - 11:05 p.m. - A car driven by Vincent Visciglia, 222 Dartmouth Dr., Hicksville, collided with a parked car owned by Milton Shuch, 12 David Dr., Syosset, on David Dr., 150 feet South of Lorraine St., Syosset. Vincent Visciglia was taken to the Nassau County Medical Center.

Oct. 2 - 5:12 p.m. - Fatality - Frank Famiglietti, 33 Stratford Rd., Plainview. Date of birth, 11/10/07. Pronounced dead at Central General Hospital.

Cable TV Debate

Representative Norman Lent (R), Hicksville and Jericho's Congressman, will meet his Democratic challenger, Franklin Ornstein in a live TV debate will be broadcast October 24th at the same time.

Fall Festival a Success

A crowd of approximately 5000 people attended and enjoyed the first "Outdoor Fall Festival" held Sat. & Sun., October 5 and 6, at the Gregory Museum and adjacent parking field.

The Garden Club's created many beautiful floral arrangements and designs with dried flowers as well as with live plants & flowers. The hand crafted pottery exhibits were unusual and unique. Demonstrations of pottery making on a potter's wheel held a captive audience, as did the cabachon making.

Artists exhibited original works in oils, graphics, watercolors; sculptures were in wood, stone, metal, and ceramics. Gem & Mineral hobbyists enjoyed the displays and the exchanging of ideas in regard to their own collections.

Many delighted adults and children toured through the museum and visited the gift shop located on the premises.

The sponsor of The Fall Festival, The Gregory Museum, and the co-sponsor, the Town of Oyster Bay, Dept. of Community Services, are formulating plans for a larger second "Outdoor Fall Festival" next year.

Kingston by Police Conference

The one thousand-member Nassau Police Conference has endorsed Assembly Majority Leader John E. Kingston's bid for reelection in November.

In a letter announcing the endorsement, Conference President Michael Limongelli, praised Kingston (R-Westbury) for demonstrating a "deep respect and concern for those engaged in law enforcement." Limongelli said: "We realize

you understand the difficult positions we have as professional police officers, and, you have made our burden much lighter. You have been a true friend and we will do everything in our power to assure that you serve in this most worthy position."

Kingston noted that the State Legislature's war on crime would be a meaningless conglomerate of words without the excellent ability and enforcement procedures demonstrated by the police.

Get Rid of Gray Hair Some of it or all of it

Time-lapse photographs show how gradual action of Grecian Formula 16 lets you control just how much gray you slowly get rid of—some of it or all of it.

White Plains, N.Y. — Hundreds of thousands of men all over the country are now using a remarkable product to control just how much gray they slowly get rid of. It is called Grecian Formula 16 and the results are simply amazing. Grecian Formula 16 is a practically clear liquid, as easy to use as hair tonic. This remarkable formula works for any color hair because it combines with the natural chemistry of the hair to recreate natural-looking color. There is no mess and no rub-off. You simply use it every day for two or three weeks until you slowly get rid of

just as much gray as you want. Some of it, most of it or all of it. You can stop where you like. You are in complete control of how much gray goes or stays. Once you get rid of as much gray as you want, simply use Grecian Formula once a week or so to keep it that way. Since Grecian Formula 16 works gradually over a period of time, even close friends won't notice the change happening. The resulting color is so completely natural that the hair definitely does not have a dyed look. Grecian Formula 16 is available at

into his "old" kindergarten room and presented us with his pumpkin that he grew in his yard.

He then proceeded to fascinate the new kindergarten children with the story of his pumpkin.

Last year, when David was in kindergarten he went with his class to visit the Filasky Farm Stand. It was just about a year ago. At the end of the visit each child picked his own pumpkin to take home and we picked a larger pumpkin for the classroom. Just before Halloween, the class scooped the seeds and pulp from the big pumpkin and Mrs. Wade made it into a Jack-O-Lantern. We washed and dried the seeds and saved them for the spring.

In the Spring the older children saved their empty milk containers for the kindergarten and we washed them, put holes in the bottom, decorated them, and then filled them with soil and planted the seeds we saved from the fall. After the plants were growing for a few weeks, we took our plants home.

David watered his plant every day and when the weather was warm enough his father helped him transplant it out of doors. He watched it and made sure it had water if there wasn't enough rain. Many days went by and all of a sudden he noticed that his pumpkin was REALLY growing.

He came to school and said, "You know what, Mrs. Wade, my pumpkin is growing". I asked David to show it to the kindergarten when it was ripe an tell them about it. Not only did he

bring it in and explain the whole story to us, but he gave us his very own pumpkin and all the children said, "Ooh—maybe we'll be lucky this year." It was a very exciting experience.

Get Rid Of Gray Hair Some Of It Or All Of It

Time-lapse photographs show how gradual action of Lady Grecian Formula lets you control just how much gray you slowly get rid of—some of it or all of it.

WHITE PLAINS, N.Y. (Special)—Thousands of women all over the country are discovering a remarkable new product specially developed and tested for women's hair. It not only takes the guesswork out of hair coloring but also eliminates the gray roots problem that has for years been a thorn in the side of all women who color their hair. Lady Grecian Formula is not a dark messy dye. It is a colorless liquid as easy to use as water. There is no mess, no complicated instructions, no

strand tests, no clock watching. Simply brush Lady Grecian Formula through your hair every day and you will see the gray slowly 'fade away.' You are in complete control. You can get rid of as much gray as you want—some of it, or all of it. When your hair reaches just the lovely natural-looking color you want, weekly use thereafter is all that's necessary to keep your hair just the way you want it with no gray roots problem ever. BANK ON ECONOMY: Long Island businessmen attending a "Business Forecast" luncheon, sponsored by the Long Island National Bank, in Eisenhower Park's Salisbury Restaurant last week, were introduced, by the bank's president James C.

Dinkelacker, left, to LINB'S Board Chairman, Charles R. Carroll (right); Nassau County Executive Ralph G. Caso; and the principal speaker, Dr. Robert A. Kavesh, head of the N.Y.U. Graduate School of Economics. Dr. Kavesh opined that while he

expects inflation to continue for the rest of 1974, the Spring or 1975 "will see an improvement in our economy and better times to follow". He also warned that, "if this does not materialize we may have to resort to wage and price controls." (Graphic News Photos.)

Lent Calls for Rejection of Gas Tax Hike

Rep. Norman Lent (R-East Rockaway), in separate letters to President Ford and FEA Administrator John Sawhill, today called for the rejection of proposals to increase the federal excise tax on gasoline by 10 cents per gallon or more.

The letter to Sawhill, cosigned by Long Island Republicans James Grover and Angelo

Roncallo, was in response to the FEA's proposal to add 20 cents to the gas tax for motorists who use more than 500 gallons of gas per

year. This proposal is reportedly being circulated at the highest levels of the Administration. The letter to Ford was concerned with a proposal by the President's economic advisors to provide a flat 10 cent gas tax increase.

Hunter's Safety Clinic Offered at Massapequa, Syosset-Woodbury Parks

Oyster Bay Town Councilman Salvatore R. Mosca announced this week that registration is now open for the Hunter's Safety Clinic which is conducted each year by the Town's Department of Parks and Recreation in conjunction with the New York State Department of Conservation.

The six hour course, which is required for all hunters in New York State, will be given in two sessions. The first will be held on Thursday, October 17 at the Syosset-Woodbury Community Park and the second will be conducted on Thursday, October 24 at the Marjorie R. Post Community Park in Massapequa.

The classes will run from 7 to 11 P.M. both nights. An examination for hunting licenses will be given in the last night of the clinic.

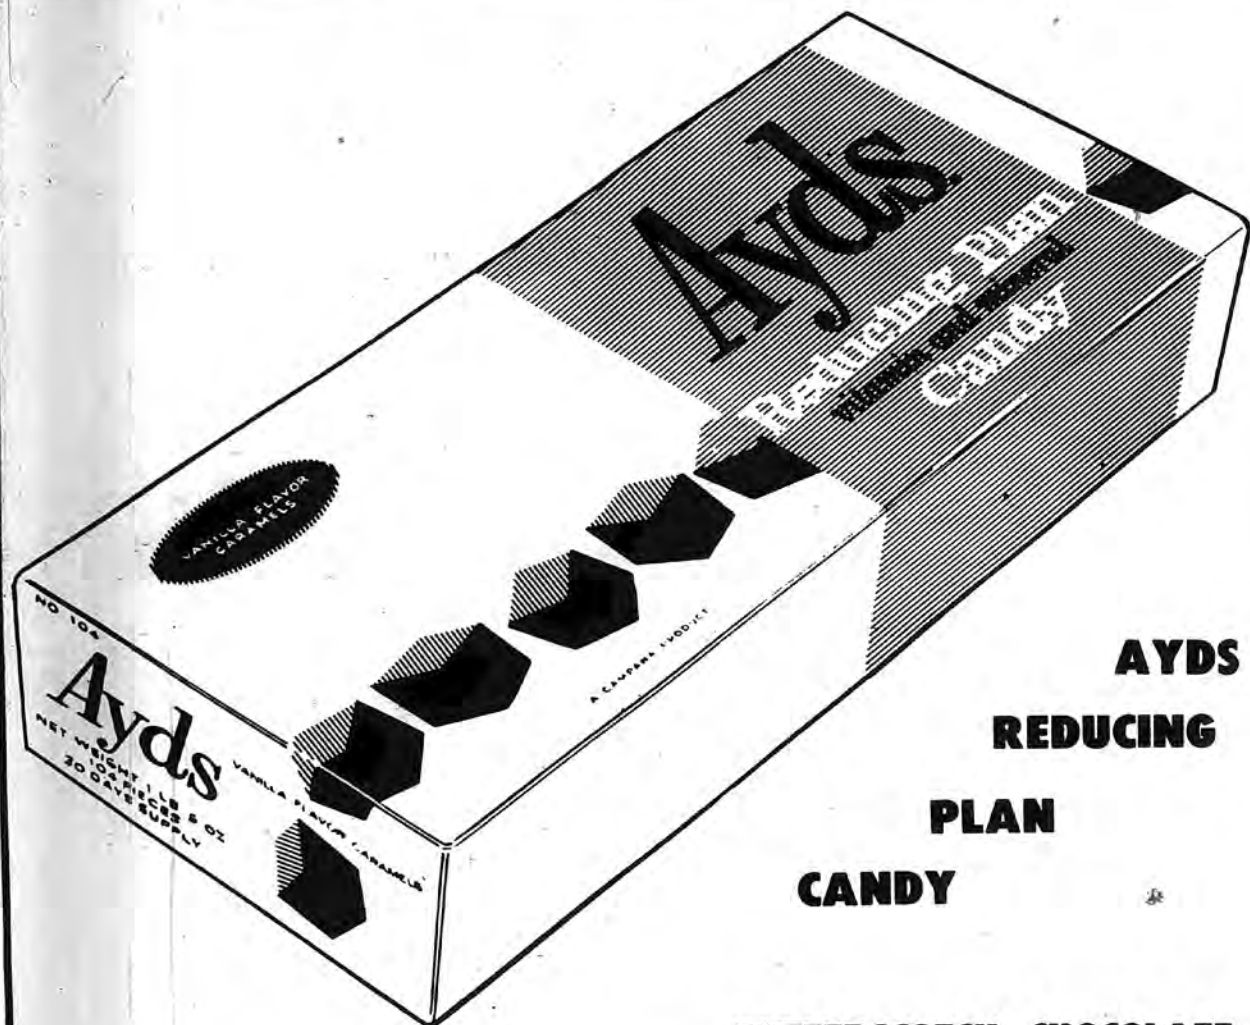

"The Hunter's Safety Clinic is designed to explain and alert both new and experienced hunters to the latest safety measures used on hunting expeditions," Mosca stated, "and I am pleased that the

Town has joined with the State in offering this course to Tobay residents."

Registration is open through October 16. There is no fee. To register or obtain further information, call the Department of Parks and Recreation, 433-8810.

AT T.O.B. MEETING:

Public Hearing on '75 Budget on Oct. 22

By JANET GOSNELL

Among much other business, the Town Councilmen of Oyster Bay, at their regular meeting on Tuesday, Oct. 8th, set a date of October 22nd for the public hearing on the town's 1975 budget, to begin at 10 A.M. at Town Hall, Oyster Bay, and to be continued the same day at 8:00 P.M.

The budget is presently available for inspection for interested residents at the Office of the Town Clerk. Within a week, Town Hall sources said, it will also be available for inspection at the public libraries of the Town. For the first time since 1971, the budget shows an increase which will raise the average taxpayer's town tax about \$1. per month. This reflects a General Town Tax Rate of 77.5 cents per \$100. of assessed valuation and is based on the average assessed valuation of \$7,500.

Anticipated wage increases and heavier debt service are responsible for the increases which raised the General Fund budget to \$15,761,823, more than \$1 million over 1974's General Fund Budget.

Robert Swenson,
Secretary

OYSTER BAY, NEW YORK
OCTOBER 7, 1974
D-2014-IT 10/10

According to statements by Supervisor John Burke, the town's programs and number of employees remains the same or less than 1974; yet with inflation bringing up the cost of everything from fuel oil to paper products the general fund increase is necessary.

The Highway and Part-town (Building, Zoning, Planning and Development) budgets also reflect increased costs. The Highway Budget, which increased from \$5,725,167 for 1974 to \$6,654,141. in 1974 will raise the tax rate a total of 4 cents per \$100. to 71.2 cents, an increase of about \$3. per year for a home assessed at \$7,500.

The Part-Town Budget in-

crease will bring about a tax increase of \$1.80 per year for the average home, reflecting a jump of \$122,357 to a total of \$1,090,384.

Various Special Districts also showed increases.

In other business, the Town held a public hearing on an amendment to the town plumbing code which would require that all plumbing work be supervised by a licensed plumber. Speaking at the hearing was Morton Peetluk, of Plainview, a member of the Town of Oyster Bay Plumbers' Examining Board, who asked that the ordinance be further strengthened to stipulate that the licensed plumber own 51 percent of the plumbing business on the job.

"Hicksville Community Council on Cablevision"

On Tuesday and Thursday, October 15th and 17th, from 5:30 PM to 7:30 PM, Cablevision of Oyster Bay will broadcast the October 10th meeting of the

Hicksville Community Council on Channel 12 and K.

This Cablevision show will be part of the regular weekly series

of programs known as "Community Spotlight", hosted by John Maniec.

The main purpose of "Community Spotlight's" visit to the Hicksville Community Council will be to report the findings of the Hicksville Park Task Force Committee. This group has been doing a lot of research for the last year into the types of recreational activities desired by the residents of Hicksville. Eventually, their report will be used by the Town of Oyster Bay Government to plan and build a park complex for this community.

This Cablevision show will also provide its subscribers with an opportunity to learn more about the Hicksville Community Council. The Council disseminates information about what's happening in the Hicksville area. It also serves as a public forum where residents can meet to discuss how to improve life in Hicksville. The Council meets the first Thursday of each month, October through June, at the Hicksville Public Library beginning at 8:15 PM. Anyone interested in the affairs of Hicksville is welcome to join the growing membership of the Hicksville Community Council.

Listen Veteran

30th ANNIVERSARY - G.I. BILL
For the past 30 years, America's veterans of World War II, Korea, Post Korea, and the Vietnam era have benefited from what has been called one of the most enlightened social programs ever provided by any nation in history. During the past three decades, the American people have invested \$29 billion in G.I. Bill education and training for 15 million veterans. They have also made possible more than \$103 billion in G.I. Bill home loans for nearly 8.5 million veterans.

VETERANS GRAVE MARKERS AND HEADSTONES

A headstone or marker to identify the grave of a deceased veteran is available from the federal government. The family of a deceased veteran may obtain the headstone or marker providing the veteran's last period of service terminated honorably.

A headstone or marker may also be requested for placement in a private or national cemetery to memorialize any member of the Armed Forces missing in action, or who died while in service and whose body is unrecoverable, or was buried at sea.

It is also the policy of the federal government to replace upon request any grave marker which has become so weather-worn as to be unreadable.

The application for replacement need not necessarily be filed by a member of the veteran's family. Anyone having an interest or knowledge of the condition of the marker may apply.

Details and assistance in applying for headstones or markers for graves of deceased veterans may be obtained by visiting the local counseling center of the New York State Division of Veterans' Affairs located at One Old Country Road, Room 505 - Carle Place, 11514.

Columbus Day Sanitation Collection

Town Councilman Kenneth S. Diamond reminds Town residents that there will be no pick-up of garbage or refuse on Monday, October 14, (Columbus Day), by the Town's Sanitary Services Collection Division. Collection of refuse and garbage will be resumed on the next regularly scheduled day in your community.

OFFICERS INSTALLED: 1974-75 Hicksville Kiwanis Club officers were installed by Kiwanis Lt. Governor Jim Hebron, L.I. North Division on Wednesday, October 2. This installation meeting took place at their regular weekly luncheon held at the Milleridge Inn,

Jericho.

The newly-installed officers standing from left to right are: Mr. Frank Chlumsky, Recording Secretary; Mr. Joe Reinhardt, Corresponding Secretary; Mr. Harvey Kolin, 2nd Vice-Pres.; Dr. Richard Smith, President; Mr. Bill Murphy, Treasurer;

Lt. Governor Hebron; and Immediate Past President Murray Margolis. Camera-shy: Mr. Russ Coniglio, 1st Vice-Pres.; and Mr. John Bartone, Sergeant-at-Arms. (Photo by Kiwanian John Mantel).

Advisory Committees to be Formed

How much do you care about the operations of the school district? How wisely and efficiently are our tax dollars being spent? Do our present courses for adults meet their changing needs? Should there be a change in our transportation policy in view of the district's new reorganization pattern? Are our children being adequately prepared for a career after graduation?

If you have been concerned about these and other school-related questions, you owe it to yourself to do something about it, now!

As in past years the Board of Education has authorized the formation of Citizens' Advisory Committees for the 1974-75 school year. Committees to be formed are as follows: Citizens' Advisory Committee on Adult Education; Citizens' Advisory Committee on Budget Study; Citizens' Advisory Committee on Outside Grants; Citizens' Advisory Committee on Planning Of Community Center; Citizens' Advisory Committee on Transportation; Citizens' Advisory Committee on Vocational Education.

Citizens are urged to become actively involved with the school

district in an advisory capacity to the Board of Education.

Please attend the Organizational Meeting of all Citizens' Committees to be held on Monday, October 28, at 8:00 P.M., in the All Purpose Room of the Jamaica Avenue School. Please mark your calendar as a reminder to join a committee and participate in district activities. Your participation would be greatly appreciated by the Board of Education.

St. Ignatius CYO Sports

St. Ignatius Cannonons-0,

North Port-7

On Sunday, October 6, the St. Ignatius Cannonons played a tough North Port team. Although the Cannonons lost they feel that they will bounce back and play a better game against Deer Park next week at Tudor park field located off Tudor Rd. and Ridge Court, Hicksville. Starting time for the game will be 2 pm.

St. Ignatius Hugh's-5,

North Port-6

On Sunday, Oct. 6, the St. Ignatius Hugh's played North Port at the TOB field located at Tudor and Ridge Court, Hicksville. The St. Hugh's team was leading the North Port team by a score of 3 to 1 at the end of the first half. In the second half the North Port team out fighting and kept pecking away at the Hugh's score. The second half saw the North Port team score 5 goals and hold the Hugh's team to 1, thus beating them by a score of 6 to 5. Scoring for the Hugh's team in a lost cause was, Dian Conway- goals, Mary Flynn-2

goals one of her goals was the only one scored by the Hugh's in the second half. Karen Jung scored 1 goal on a penalty shot.

Also playing a great game for the Hugh's were half backs Terry Bungert and Pat Neumann. Fullback Anne Weber played a very good game. Next game for the Hugh's team will be next Sunday against Deer Park. The teams record as of Sunday is: 2 wins, 2 ties, and 1 loss.

CYO TRAVELING

TEAM SOCCER

St. Ignatius Midgets-3,

Holy Spirit-2

On Saturday, Oct. 5, the St. Ignatius Midgets played Holy Spirit from Williston Park. The Midgets behind the scoring of R. Hoffman, P. Schnur and J. Rogers and a good defense by M. Adrio and P. Zirkel and an outstanding game played by the Midgets goalie H. Nowak, the team won by a score of 3 to 2. The score was tied at 2 to 2 with about 10 minutes left to play when J. Rogers came through with the last goal of the game, giving the

Midgets their victory. The Midgets next game will be Sunday against O/L of Lourds. Starting time will be 1 pm.

St. Ignatius Juniors-5,

St. Aidans

The St. Ignatius Jrs. led by a great defense from the entire team and the scoring of J. Willis, H. Bungert, and A. Smith, 1 goal each, and 2 goals by C. Hoffman, the Juniors went on to beat the St. Aidans team by a score of 5 to 1. Next Sunday the St. Ignatius Juniors will be put to the real test as they go against a tough St. Pat's team from Glen Cove.

St. Ignatius Intermediates-8,

St. Aidans-0

Once again the St. Ignatius Intermediates playing an outstanding game behind the scoring of B. McCulloh, 4 goals, M. Howe, 2 goals and P. Harkins and B. Dunn 1 goal each. Along with the scoring, the great defense of B. Clark, J. Mullins and B. Dunn, and a great job by the St. Ignatius goal tender D. Hogan, the St. Ignatius team won by a score of 8 to 0. The Intermediates record is 3 wins and 0 losses. Their next game will be next Sunday against St. Mary's.

St. Ignatius Apollos-8,

St. Aidans-1

The St. Ignatius Apollos playing super brand soccer defeated St. Aidans' "Williston Park" by a score of 8 to 1. Stubborn defense played by J. Shannon P. Weidenhafer and C. Muse and the scoring of E. Dalton, 3 goals R. Summers, 2 goals and one goal each by S. Solasky, M. Collins and T. Handschuh helped the St. Ignatius team to victory. Highlight of the game came as the second half got under way with the Apollos showing some real good ball control passing the ball back and forth for periods of 3 to 5 minutes at a time.

Next game for the Apollos will be next Sunday 9:30 pm at the CYO camp at Marydale Birkland Rd., Melville. So let's get out and see the Apollos play and see a real good soccer team in action.

CYO MEETING NOTICE

CYO special meeting for nomination and election of officers for the coming year. Meeting will be held on Tuesday, October 15th in the basement of the old school at 8:30 PM. The elections will be held for President, Vice-president, Financial Secretary and any other office that may become vacant. Please make every effort to attend.

BASKETBALL REGISTRATION

Hicksville Police Boys Club is holding registration on Saturday, October 19, from 12 to 4 for their basketball teams. Any boy or girl age 8 to 18 is welcome to join.

Registration is being held at the PBC Clubhouse, 85 Bethpage Road, Hicksville.

Registration fee is \$8.00, chance books will be given to help defray the cost.

Hicksville Soccer Club

The first weekend in October seems to produce perfect conditions for athletic endeavors. Win, lose or draw, every boy in the Soccer Club had a good week-end. In the oldest traveling division, the teens, under Michael Sini, the contest with Garden City was lost by a 2-0 score. In spite of heroic defensive efforts, an overpowering Garden City team kept the ball in front of the Hicksville net for most of the game.

Meanwhile, on home territory, the Midgets, under Al Barcavage, John Kerti and Perry Jung preserved the dignity of the Club by registering the only victory of the day with a 2-0 win over Glen Cove. Goals were scored by Martin Conway on a cross by right wing Donald Barcavage, and the second goal was scored by J. Anglin who booted a loose ball into the net from his left wing position. Our "heads up" passing game proved to be the only way to penetrate a dedicated Glen Cove defense.

The Bantams, under Tony Camara, provided the high point in frustration for the weekend in absorbing an unnecessary 3-2 loss to Glen Cove. The scores by David Bell (on an assist by Bobby Andres) and Glen Zakian (on a penalty kick) produced our two goals.

Intramurals

In the Boys Division, the Virginia-Kentucky tie was produced by goals on the Virginia side by J. Morga and P. Bedell while Kentucky's scores were made by R. Skrynecki and M. Meyers. Later, on the same field, another boy's match saw Rhode Island's T. Handschuh pull a hat trick of 3 goals while N. Stafford and M. Bauman added a goal apiece to defeat T. Sullivan's 2

goals for Vermont.

In the first Midget game, New Jersey's M. Morga scored once, M. Adrio twice, A. Pepi and R. Pierce each scoring once, blanked New York in spite of the defensive efforts of R. Brill, K. Jung and L. Moore. For New Jersey, F. Ascevedo, D. Ench and M. Sini shared the responsibility for the victory.

F. Schnorr and C. Habersaat scored on passes from J. Frattini and D. Burke for So. Carolina in their 2-1 victory over No. Carolina. The single goal for No. Carolina was made by N. Storm on a direct penalty kick. Both goalies had a vigorous workout and obviously did a fine job.

The Bantam Division's first game witnessed two scores by Larry Ziembecki and one by John Laborati for Delaware in this 3-1 victory over Connecticut. B. Maguire scored Connecticut's one goal. Defensive efforts for Connecticut were handled by M. Hack and N. Lavacca while winning team standouts include J. Speros, P. Egbert, P. Ziembecki and A. Horowitz.

Georgia swamped Maryland 4-0 on the two goals by F. Christians and singles by M. Bell and D. Spadero. Playmaker L. Rubin at left wing together with goalie D. Cronin helped provide the victory. B. Cunningham and R. Newland at Maryland tried very hard but the opposition proved too strong. New Hampshire beat Massachusetts 1-0 in the tightest game of the day. L. Sneddon scored the winning goal from an assist by M. Lewis. M. Rosenbach at goal together with I. Zaretsky on defense helped maintain the shut-out. Massachusetts stayed in contention on the efforts of R. DeGaudenzi, M. Habersaat, M. Musumucci and P. Schnorr.

"Punt, Pass and Kick Contest"

Nassau youngsters can demonstrate their football skill in a "Punt, Pass and Kick Contest" set for Eisenhower Park, Saturday, October 12, at 1 p.m.

Boys age 8 through 13 can register at the park field house until Thursday, October 10.

Youngsters will compete for trophies awarded for excellence in each skill within three age groupings.

The contest will be held at football field no. 4 near parking field 6A in the park.

In case of rain, the event will be held the following Saturday, October 19, at the same time and location. The event is sponsored by the Nassau County Department of Recreation and Parks.

performance, not promises:

As your Congressman, he's supported the bills that have increased Social Security payments by 41% since he went to Washington four years ago. Now, he's working to lift the earnings ceiling so that Seniors can earn decent wages without losing Social Security benefits, not to \$2,400 a year... but to \$5,500!!!

If you've been a "Senior Citizen" long enough, you remember that Norman Lent, as a State Senator, wrote the bill that now gives you a 50% property tax exemption. Facilities for senior living are now safer and better equipped because of the tours he took and the laws he passed.

He WORKS at his job, FIGHTING for our best interests. Like a well-deserved better break for our elderly...
