## Deaf Counseling Services At HAD

HAD's deaf services is one of the most unique services in the County of Nassau. Since the beginning of Mr. Terry Pepples' involvement with the HAD agency, he has had the opinion that there was a great need to provide some type of direct services to deaf people living in the Hicksville community. Because of his expert skills in sign language, he has been able to offer much help to deaf teenagers in the areas of drugs and peer pressure problems. He was also successful in the formation of a deaf counseling group that met weekly for over one year.

The one aspect of working with deaf people that has given him the most satisfaction has been to have hearing individuals see the deaf as people who had all the regular problems besides being deaf. Their interaction with other types of people from the community has been extremely rewarding to HAD's deaf clients. Mr. Pepples has also been able to motivate many young people with no hearing difficulties to

learn sign language. In this way, they have been able to communicate with these deaf people, and to understand the difficulties they must face through out their whole lives. If any further information in regards to this service is desired, please feel free to contact Mr. Terry Pepples at HAD, 389 New South Road, Hicksville, or call 935-6852.

This vital program service of the HAD agency is presently in serious jeopardy of being eliminated due to severe financial difficulties. Help-Aid Direction (HAD) will have to lay off several of its professionally-trained part-time employees in the next few months. Many valuable services (such as its deaf program) will have to be ended unless the residents, clubs, churches, and businesses respond to its plea for help with financial contributions: HAD requests that all donations be sent directly to its 389 New South Road facility. All contributions are tax deductible under federal tax law 501C (3). Please contribute to HAD's survival.

## Old Country Auction

The United Methodist Church of Hicksville, located on the corner of Old Country Road and Nelson Avenue, is having an Old Country Auction on November 23. The doors will open at 10:00 a.m. and the auction will begin at 11:00 a.m.

There will be antiques on

consignment from local antique dealers, as well as many "not so antique" articles to auction, a Country Store where you may purchase many bric-a-bracs, handcrafts and plants and Homemade baked goods will be on sale.

There will also be a snack bar.

## IN LOCAL SCHOOLS

# Milk Price Down 10¢

BY SHIRLEY SMITH

The Hicksville School Board adopted the free lunch policy, which enables qualified students to receive a lunch without paying. In conjunction with this program the district receives 5 cents per container of milk from the federal government and therefore the price of milk was lowered to 10 cents. This new price has been in effect since November 1.

The school board appointed Dr. Manus Clancy as District Director of Curriculum and Instruction. No salary was set. Dr. Clancy is Social Studies Supervisor of the district, in addition to performing other ad-

ministrative duties. The appointment was effective November 1.

The board of education granted a raise to all school election personnel from \$1.75 to \$2.10 an hour. The total cost of this action is \$395.

Robert Pirrung, board president, announced that the following consultants will be contacted to determine which will conduct the search for a new superintendent: John Buckley (NYU), Dr. Carol Johnson (Columbia), Prof. Hallowell (St. John's), Donald Abt, Robert Lorette (State Univ. at Albany) and Dr. Manwaring (Syracuse).

The school board objected to paying a bill of \$2360 for the district calendar, which was

printed during the time the district was on austerity (the bid had been awarded in June, however). Board members felt the superintendent should be held personally liable for this bill, but they were informed by school attorney, Joseph Campanella, that this is not the case. The school board is responsible for debts incurred by the district and the bill for the calendar must be paid with district funds. The board acceded to Mr. Campanella's directions and voted to pay this and other routine bills for district operating expenses.

The next school board meeting is Wednesday, November 13 at 8 P.M. in the Administration Building.

## G - I Zoning

Apartments.

The result was the present G-1 Zoning regulation which purports to have been written "to encourage economic development", but which makes it impossible for a developer to obtain a minimum return on his investment. It is only through variances and alterations from this ordinance that construction of any type will occur since the provision for the developer to provide 90 percent of the necessary parking underground makes development unprofitable.

For those of you who are not familiar with the G-1 zone, these briefly are its provisions. The new zoning regulations require a minimum plot of 20,000 square feet. The maximum height allowed is 60 feet or 5 stories. Ninety percent of the parking must be underground. As far as occupancy is concerned, the basic permitted use is OFFICES. Shops, stores, and restaurants are permitted provided they occupy no more than 10 percent of the gross floor area of the building. There is absolutely no provision for any residential use whatsoever, even though it is permitted in EVERY OTHER BUSINESS DISTRICT IN THE ENTIRE TOWN.

In order for buildings to be constructed in central Hicksville changes along the lines of the following have to be made in the zoning law.

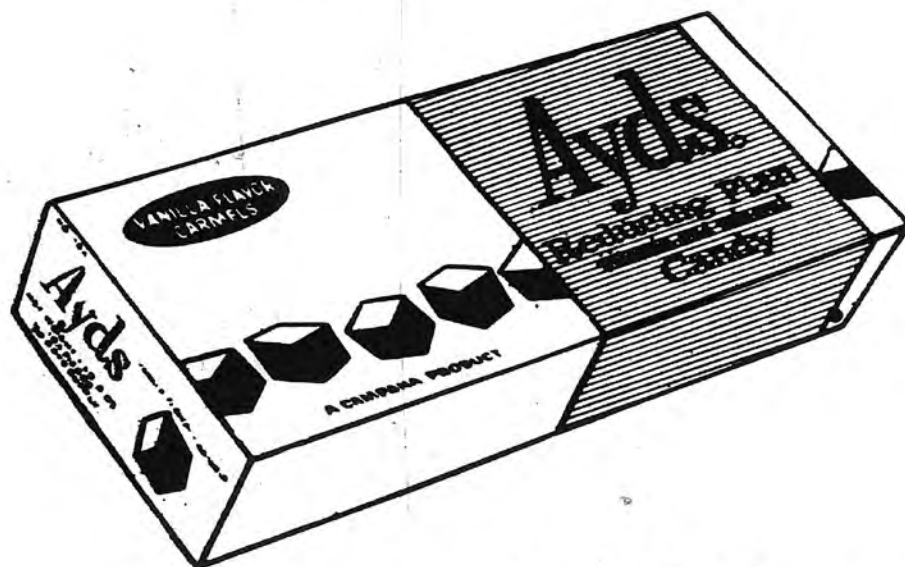

1. Provide incentives for the assemblage of land. As long as we have a Free Enterprise System in this country no one is going to build in an area where a profit is precluded.
2. List the land owned by the Town of Oyster Bay in the central area (roads, parking lots, right-of-ways, etc.) that the Town would be willing to exchange with a developer in order to encourage the assemblage of large parcels of land.
3. Allow buildings within the central district to be built to the same height as the Gertz Department Store.
4. Permit the concept of multi-use structures by changing the provision for ground floor permitted uses of Service Shops from 10 percent of the building floor area to "the entire ground floor" and allowing apartments on the upper floors.
5. Encourage the construction of Senior Citizens Housing as well as other apartment uses. These are permitted in other parts of the Town (including Hicksville). why not in the central district, within walking distance of churches, stores, the railroad station, etc.
6. Provide for Residential uses in the zone. We know the word Apartment makes people turn red and politicians turn white. Epithets of "another Jamaica" fill the air (They never point to Central Great Neck). Apartments are permitted everywhere else in the Town of Oyster Bay with proper hearings and controls. Why is the center of

## AT SUPERVISOR'S MEETING:

# County Outlaws Multiple Pricing At Supermarkets

BY JANET GOSNELL

At its regular meeting on Monday, November 4th, the Nassau County Board of Supervisors enacted a law to prohibit the re-pricing of supermarket items once they are on the shelves for sale to "safeguard and protect" the consumers from paying higher prices. The period of enforcement of the law is one year.

The general regulations of the law provide a return to the same price, not a higher price, for items after a reduced-sale period; conspicuous price markings; and also that the lowest price control when items show more than one price.

In other business, the supervisors appropriated an additional \$800,000 to Drug Abuse Treatment Services in the county reflecting an award from the N.Y. State Drug Abuse Control Commission in that amount, and appropriated a supplemental sum of \$73,111 for lead base paint control reflecting a grant from the U.S. Dept. of Health Education and Welfare. The grant award runs through June 30, 1975.

In relation to the Police Department, the county ratified the act of the County Executive in executing a grant award for a program entitled "Television Cassette Training Program" to improve in-service training procedures and also agreed to lease 22 cars equipped with air bags from General Motors Corporation at a rate of \$50. per month per car for the first 12 months and then \$1. a month per car thereafter. The Nassau County health Board got a budget

increase in the sum of \$20,000. via the New York State Office of Planning Services Division of Criminal Justice.

The county entered into a contract with the Long Island Health and Hospital Planning Council, Inc. at a rate of \$15,000 covering the period from January 1, 1974 through December 31, 1974 to promote the coordination of hospital and health care facilities in Nassau County as well as to make studies and recommendations for the expansion and construction of hospital and health care facilities in the county. Suffolk County will also enter into the contract, matching Nassau's payment.

The execution of an agreement with L.M. Security Service, Inc. for a security force at the Nassau County Veterans Memorial Coliseum was authorized. The agreement is for the period from August 9, 1974 through December 31, 1974, and replaces the services of the Lavery organization. The purpose of using L.M. Security is

All interested local groups are cordially invited to participate in a community organizational meeting for the celebration of the American Revolution Bicentennial on November 21. The meeting of group representatives will take place at 8 P.M. at the Gregory Earth Science Museum in the Old Heitz Place Courthouse.

This invitation is being extended by a Bicentennial Steering Committee consisting of Mr. Sigfried Widder, President of the Hicksville Community Council; Mr. Kenneth Barnes, Director, Hicksville Public Library; Gardiner Gregory, President of the Gregory Museum; Jack

Landress, Boys Scouts of America Commissioner, District 3; Kathy Steckler, Camp Fire Girls Chairman, Meta Meares of the Daughters of the American Revolution, Hicksville; Richard E. Evers, Chairman, School District 17 Bicentennial Program; Mrs. Carol Wolf, Mrs. Anne Gregory and Mrs. Iris Widder. Representing the Town of Oyster Bay on the Hicksville Bicentennial Program Steering Committee is Dorothy McGee, Chairman of the Town's American Revolution Bicentennial Commission.

The 200th Anniversary celebrations of America's revolution against political tyranny will begin on April 19, 1975, the anniversary of the

opening battles of Lexington and Concord, "the shots heard 'round the world." July 4th, 1976 will be the focal point of Hicksville's major celebration but much interest has been expressed in observing Lexington and Concord this coming spring.

Youth, church, service, fraternal and patriotic groups are urged to begin now to plan ways in which they may take part in this historic moment in our nation's glorious history. The organizational meeting planned for November 21 will discuss possible programs, hear progress reports of organizational efforts to celebrate the Bicentennial and form committees for concerted and effective community planning.

## Bicentennial Meeting

to provide continuance of security service until the county can receive bids for such services.

Muttontown Park

The supervisors voted to purchase a parcel of land adjacent to the south portion of the Muttontown Park & Preserve. The parcel abuts route 106 and three sides of the park property.

Improvements will be made, as voted by the supervisors, to the intersection of Stewart Avenue and Merrick Avenue, Garden City East, to provide for a full width separate right turn lane on Merrick Avenue for southbound traffic and an additional lane for westbound traffic turning out of Eisenhower Park. The traffic signal will be rebuilt and upgraded to provide special left and right turn arrows.

## Hicksville Library News

The Hicksville Public Library Old Time Country Fair is now just a pleasant memory to the many who participated in this annual event, but we have to apologize to Blanche Baldwin, Rita Conroy and Janet Black, whose name we inadvertently omitted from our lists of first and second prize winners.

In this issue we are announcing the names of the Honorable Mention winners. They are as follows: Minerva Stewart, Audrey Wallace, Henry Elkins, Kay Sarli, Christian Korb, Ellen Healy, Ann Bonazzi, Rula Kowalski, Helen Hannah, Laura Green, Marion Sokolski, Neal Ludman, Sandra Roberts, Mrs. E. Levy, Kari Gordon, Joseph Morris, Bill Doherty, Elenora Gomez, Elizabeth Lee, Josephine Healey, Marlene Proct, Marlene Amelia, Blanche Baldwin, Linda Duffy, Theresa Duffy, Jean Tice, June Dorenbacher, Naomi Baldwin, Elenor Kostoloni, Frances Lee, Collette Bonnett, Jayne Weber, Stephanie Dircks, Joan Healy, William Baynes, Christine Baynes, Mary Nagin, Richard Delle Bove, Edna Dolan, Arthur Jagielky, Elene Gomez, Lillian Phelan, Elvira Graham, Alfred Fred, Erin Baldwin, Joseph Sokolski, Lillian Apmann, Jonn Apmann, Rita Conroy, Cindy Cardinal and George Duffy.

If there are still any names that have been omitted, we are dreadfully sorry but the task is enormous and we have tried to do our best.

The Children's Room at the Hicksville Public Library is

planning two smashing events during Children's Book Week, Nov. 10th through the 16th.

On Wednesday, the 13th at 4:00 p.m., there will be a costume parade and party, with prizes for the most outstanding costumes - the prettiest, most unusual, the most creative. Refreshments will be served through the courtesy of the Friends of the Library. Shelley Pazer will entertain us on Saturday, the 16th at 2:00 p.m. with an exciting audience-participation program. Her "Adventures in Acting" is a gay dramatization of fictional favorites. During the show, Ms. Pazer brings out a trunkful of costumes, and members of the audience, caught up in the excitement, help her to act out her stories. Whether the youngsters join her or simply watch, they'll find it an exhilarating experience.

First call to purchase tickets for the Hicksville Library bus trip to the Metropolitan Opera on Wednesday, evening December 18.

The operas scheduled to be shown at this time are two one act productions: Puccini's "Gianni Schicchi", a operatic farce, and Bela Bartok's "Bluebeard's Castle", based on the Bluebeard legend.

The ticket price range is \$12.50, \$16.00 and \$18.00. All seats are in the orchestra. The bus cost is \$3.00 per person to and from the city.

To reserve your seats or for further information, call Mrs. Neufeld at We 1-1417.

### JOHN W. BURKE Reports

The threat of massive oil spills desecrating our beaches and wetlands has become more real in recent weeks with the announcement of the Interior Department's plans to lease 10,000,000 acres offshore for oil and gas drilling. Included in this program are two "frontier" areas, one of which will be the Middle Atlantic Coastal area.

In a draft environmental impact statement, the Interior Department admitted to the inevitability of such an occurrence.

"It is our conclusion based on past performance, that sooner or later a major spill will occur wherever there is significant development of offshore exploration and production in potential areas. We are certain that thousands of minor spills will occur."

The hazards to our environment will not be limited to oil spills, however. Drilling and production platforms will also displace thousands of acres of commercial fishing grounds. Supportive onshore facilities, such as refineries, treatment plants, terminals and oil tank farms, will result in irretrievable losses of wetlands and beach areas. The construction and operation of these facilities will also be a major source of noise and visual pollution.

In addition to minor leakage and seeping always present in offshore drilling operations, thousands of barrels of drilling chemicals will add to the pollution of waters and sea beds. The need for such massive effort, with its admitted

## Plainview-Old Bethpage Library News

### EXHIBIT ART SLIDE SHOW

During November, the Plainview-Old Bethpage Public Library will exhibit original paintings from the more than twenty books illustrated by Tony Chen. Mr. Chen, one of the nation's best known illustrators of children's books is also the author of two of them, Run, Zebra, Run and Hello, Small Sparrow.

He believes book illustration to be primarily an interpretation of the author's writing and not the self expression of the artist. Finding, more often, that his challenge is to make animals come alive he dedicates his work to the theme of life. "Man, as a part of this small planet, must understand the mutual reliance of all living things. We especially must find kinship with animals which can be loved and understood without an exchange of words."

His very vivid and expressive interpretations will be especially enjoyed by parents and children who know his books.

On Thursday evening, November 7, at 8 PM Mr. Chen will present a slide, lecture of his own work in developmental steps to demonstrate the process of book illustrating. Admission is free.

### CHILDREN'S BOOK WEEK

Ellen Conford, author of Felicia the Critic and Dreams of Victory will visit the Plainview-Old Bethpage Public Library on Saturday, November 16, at 2:00 PM at an author's "Coke-tale" party for 4th to 6th graders.

Mrs. Conford will introduce her new book, Me and the Terrible Two, and copies of her books will be available for guests to read. Refreshments will be served and free tickets will be available beginning November 8.

### CHILDREN'S MOVIES

A series of children's films is scheduled at the Plainview-Old Bethpage Public Library during November and December.

On Saturday, November 9, at 1:15 for 4 - 8 graders, "Fantastic Voyage" will be featured. In a futuristic hospital, microbe size scientists take a trip through a human being's blood stream. Color; 105 minutes.

Free tickets available at the library the week prior to date of showing.

### PROGRAM FOR CHILDREN

Newbery Award winning books will be featured in a new library club at the Plainview-Old Bethpage Public Library.

The club, for children in grades 5 to 7, will be conducted by Children's Librarian Mrs. Ness on Saturday mornings at 10:00 AM.

In addition to the prize winning books, records, cassettes and filmstrip movies will be used to dramatize the stories.

Club dates are November 16, December 14, January 11, February 8 and 22. Youngsters may sign up in the Children's Room and pick up copies of the meeting schedules and featured book titles.

### ADULT PROGRAM

An adult Roundtable discussion group will meet at the Plainview-Old Bethpage Public Library on Friday, November 15, from 11:00 to 11:30 AM.

Public Health educator Mrs. Constance Dunne will show slides of services available at the local Plainview Health Center, and speak about new areas of service now provided by the Nassau Health Department. All interested residents are invited to come, ask questions and discuss this important topic.

## TOB Art Exhibits

Town of Oyster Bay residents will be able to view a variety of unique decorator crafts and paintings on display during the month of November in various Town of Oyster Bay libraries and banks.

The Cultural and Performing Arts Division, (CAPA) Town of Oyster Bay Department of Community Services, is sponsoring six rotational exhibits, four of which are to be on display during this period. Multi-Media Paintings by Mary Rowinski. This display will include a mixed media of artistic talent: seascapes, landscapes, and floral paintings, done in watercolor as well as acrylics. Roosevelt Savings Bank, Bar Harbor Shopping Center, Merrick Rd., Massapequa. Viewing hours are Monday-Thursday, 9 A.M. - 3 P.M.; Friday, 9 A.M. - 8 P.M.; Saturday, 9 A.M. - 1 P.M. For further information call Mr. Richard Caleniz, program chairman at 541-0200.

Textile Home Accessories by Marie Berler. This display will include a multitude of creations such as belts, pillows, wall hangings and rugs done in a variety of textiles: Massapequa Public Library, 523 Central Avenue, Massapequa. Viewing hours are Monday - Friday, 10AM-9PM; Saturday 10AM - 5 PM. For further information call Mr. Baker, program chairman at 798-4607.

Watercolor by Marcia Albrecht. An unusual and

original display of seascapes, landscapes and floral paintings done in exciting and vibrant colors; Central Savings Bank, Jericho Turnpike and South Oyster Bay Road, Syosset. Viewing hours are Monday-Thursday, 9AM - 4 PM; Friday 9AM - PM, Saturday 9AM-2 PM. For further information call Mrs. Betty Perry, program chairman, at 921-5900.

In addition to these four rotational displays, the exhibit also includes: Photo Crafts by Trudy Stein. This display will include a new way to transfer photos onto any domed, round or rough textured surface - making your favorite snapshots into decorative keepsakes.

Beaded Flowers by Genevieve Koszalka. An exquisite display of creative arrangements from miniature to large decorations.

Crafts Unlimited by Irene Frank. A unique and beautiful display of multi-media crafts that will include pressed flowers, scratch-boards, copper enameling, silver jewelry, memorabilia boxes, decoupage and many other items found in boutique shops; South Farmingdale Public Library, Merritt and Boundary Avenues, Farmingdale. ## Bank Aims "Oldie" Tunes

Riding on a wave of nostalgia which is reportedly "rolling" over the nation, the 57-year-old independent Long Island National Bank has launched a daily program which will give Long Islanders the opportunity to request songs of the 1930's and 1940's that recall special and significant events in their lives.

James C. Dinkelacker, president of the bank, announced that the program, being aired daily at 4:30 p.m. on Radio Station WTAE (1520K.C.), is called "They're Playing Our Song". It is a special feature of the Bob Logan "Remember When" show of some 2,000 original recordings of the all-time big band hits of the depression and World War II era.

Mr. Dinkelacker said that each of the 12 Long Island National Bank offices will make available request cards on which people

can indicate the tunes they would like band leader Logan to play - and also recall the memorable events that they associate with the songs.

"The American people, now living under tensions and apprehensions need a viable vehicle for recalling pleasant events of the past - events that could act as soothing as palms," Mr. Dinkelacker said. "That's why we are sponsoring 'They're Playing Our Song', as another public service program of our bank."

For the past two years Long Island National Bank has conducted an Ecology Education Program through their dozen offices in Nassau and Suffolk Counties. This public service program won the Hicksville-based bank national acclaim, along with praise on the floor of Congress in Washington.

**HALLOWEEN PARTY:** On Thursday, October 31st, the Youth of Trinity Lutheran Church, 40 West Nicholas Street, Hicksville, held a Halloween Party for the young children of the congregation. The party was held from 4:00-6:00 p.m. in which time the children played games, marched in parade, saw movies,

and had refreshments. The Youth of Trinity organized various games and led almost 100 children through the joyful Halloween party. The Reverend Charles W. Froehlich is seated between four of the little children at the Halloween party at Trinity Lutheran Church.

## Ladies Auxiliary State President Pays A Visit

BY JOAN CHWALISZ

Betty Grecco, State President of the Ladies Auxiliary, Veterans of Foreign Wars of the U.S. made an official visit to Nassau County Council, on Tuesday, October 22. Our own Theresa R. Aug, President of the Nassau County Council along with about 30 members entertained Mrs. Grecco at a dinner at the South Shore Inn.

After dinner, President Grecco attended the meeting of our Council held at the Lynbrook VFW clubhouse. She complimented our Council on their excellent Hospital program chaired by our own Sister Joan Chwalisz and also on our Rehabilitation program.

President Grecco was accompanied by Past State President, Anna Coons, State Jr. Vice President, Constance T. McCarthy, State Guard, Mildred

## Hicksville Soccer Club News

Reminder: Bowling party deadline is Sunday, November 10th. All monies should be returned to coaches or officers by that date.

Coaches Corner for all interested parties continue to be held on Monday in the Library. Referee instruction is held on Tuesday at the Lee Ave. School in the All Purpose Room.

The Clubs Traveling Bantams rolled up another win against North Shore 7-0. A "hat trick" by Gene Tyransky plus 2 goals apiece by T. Delenzik and B. Andrus with assists by B. Cresham, E. Bergin & M.G. Shannon crushed the opposition. D. Smyth, in his first time at goal,

managed a shut out in his new position.

The team has achieved an unbelievable sophisticated level of play. Their league of 5-3-1 does not reflect their superb team coordination and effort.

The Midgets unfortunately lost their last game of the season 3-0 to Garden City. The gloomy day did not deter the team from exerting their finest efforts, particularly the back line of T. Solaski, T. Fletcher, & D. Cochran. T. Bell at goal did everything that could be expected of a goal keep under that type of pressure. The boys missed Mike Finkelman and expressed their wishes for his fast recovery.

Our "Teens" took E. Meadow on two picture plays that might have been lifted from "Pele Soccer Films". J. Janetie lifted a cross pass to the front on the E. Meadow goal and it was instantly headed into the net by S. Musumeci. The second score came from 40 yards out on a pass from S. Playne to P. Fletcher who sank his foot into the floating drive, booted it for a goal that barely escaped the E. Meadow goalie's fingertips. At the other end, S. Cahalan, goalie, emerged many times with the ball from crowds at the goal mouth to maintain the shut out. This team is to be congratulated on the excellence of their ball playing especially since they are playing in a division of older boys.

## Cross-Country Turkey Trot

Gobblers will be up for grabs at Eisenhower Park's Annual Cross Country Turkey Trot on Sunday, November 17, beginning at 1 p.m. in the roller rink area (parking lot no. 4).

Open to males 14 years old and up, there will be three races. Boys aged 14 and 15 will run one mile. For those 16 through 18 and the group 19 years old and over, the race will cover two miles.

Top winners of each event will be given turkeys, courtesy of Zorn's Poultry Farms, and medals will be awarded to those placing first, second and third.

Registration is at the starting line on the day of the run, from noon to 12:45 p.m. The event is co-sponsored by Zorn's and Nassau County's Department of Recreation and Parks.

**PREMIERE ENGAGEMENT:** George C. Scott literally brings home the bacon in "The Savage Is Loose" which opens its Premiere Engagement at Century's Plainview Theatre on

## CAPA To Sponsor Chorale

CAPA, the Cultural and Performing Arts Division of the Town of Oyster Bay Department of Community Services, will sponsor a chorale for Town residents of all ages interested in singing, beginning on Tuesday, November 12.

Led by Carl Olsen, former lead tenor with the New York City Center Opera Company and founder of the Lyric Singers, a nationally known choral group,

the chorale will perform music ranging from classical to popular. Music commemorating the nation's bicentennial will be featured. Rehearsals will be held Tuesdays at the Syosset-Woodbury Community Park Center from 8 PM to 10:30 PM.

There is no pre-registration and no fee, although there will be a nominal charge for music. For further information call the Department of Community Services at 921-5875.

## HHS Faculty Members In Conference

At the 57th Annual Meeting of the New York State Association of Foreign Language Teachers held October 27-29 at the Concord Hotel, Kiamesha Lake, two members of the Hicksville Senior High School faculty were participants among the 1100 foreign language teachers in attendance.

The chairman of the Foreign Language Department, Samuel A.

Goldberg, delivered the invocation at the banquet at which Richard Tucker of the Metropolitan Opera was honored for his excellent diction no matter what language he sings in and other awards were

given for contributions made to foreign language study.

Mrs. Libertad Kozma, teacher of Spanish, helped plan and arrange the panel discussion on Foreign Language and Foreign Cultures in Careers and served as recorder at the session on student trips.

## Heart Fund Goal

The Nassau Heart Association has set a goal of \$460,000 to be used in the fight against heart and blood vessel diseases which annually are responsible for more than one million deaths annually, according to Mr. Daniel T. Sweeney, Heart Fund Advisory Chairman. "These diseases claim more than a million lives, striking men and women of all ages," said Mr.

Sweeney. "Heart Attack, alone, kills more than 680,000 persons a year.

"Current statistics also reveal that one out of eight Americans suffers from some form of heart and blood vessel disease," the Chairman added. However, since 1950 there has been a decline of approximately 18 percent in the death rate from heart and blood vessel diseases for persons below the age of 65.

"Despite remarkable achievements in combating this number one

health problem," Mr. Sweeney said, "greater efforts are essential to reduce the death and illness which result from heart and blood vessel diseases."

"The Heart Fund door-to-door Campaign will be conducted throughout February," Mr. Sweeney said, "when two-million volunteers throughout the nation will visit friends and neighbors to distribute heartsaving information and collect funds to support the Heart Association's vital work."

## Senior Citizens Costume Dance

More than 300 men and women, 60 years young and over, will be feted at a Senior Citizen Costume Dance with an "Artists and Models" theme. The festivities, featuring the popular rollicking music of the American Banjo Society, are set for Thursday evening, November 21, from 7:30 to 11:30 p.m. The East Terrace of Nassau Beach in Lido will be festooned with decorations to match the occasion.

Costumes are a "must" and will be takeoffs on famous paintings and sculpture, with trophies to be awarded for the top three poses demonstrating famous works of art.

Sponsors for the evening of fun, for which arrangements have been made by Nassau County's Department of Recreation and Parks, are Dr. Pepper and the European-American Bank and Trust Company.

# Principal Appointed To JFK High School

The Board of Education, by unanimous vote, appointed Arthur C. Colver Principal of the John F. Kennedy High School effective December 1. Dr. Colver replaces Mr. Barry Gleim who has been appointed Director of Secondary Education in another school district. The appointment of Dr. Colver to this position culminates an intensive and extensive recruitment procedure involving the Superintendent and his staff, the Board of Education, leading College and University Placement offices, interviews and visitations of schools of several final candidates. Both local and outside candidates were considered for the position.

"It is unfortunate that the Plainview Congress of Teachers has seen fit to attack this appointment on the open floor of our October 28th meeting," said a spokesman for the Board. For years, the Board of Education has held that matters of personnel be discussed in executive session to protect the professional reputation of its staff. The teacher's union, above all, should be the guardians of this right of an individual to dignity and to self respect. However, in an apparent act of desperation, the Union came to the public meeting and, through the technique of innuendo and unsubstantiated charges, chose to cast doubt on the

qualifications of Dr. Colver and malign a fellow professional," he concluded.

The Board of Education abhors such conduct which could be characterized as unprofessional. The Board of Education does not treat lightly the appointment of any staff member. We are cognizant of our responsibilities both to the parents of the community and to the students and staff we serve, a spokesman said.

What are the facts?

Dr. Colver has been Principal of the 2300 student Niles East High School in Skokie, Illinois for the past eight years.

Dr. Colver has been associated with the school district since 1957 serving as a teacher, Director of Student Activities, Assistant Principal and Principal.

Dr. Colver worked on a number of special projects and was responsible for the introduction of such new programs in his

building as: Student Services Program; Self-Directed School Day Program; Career Education Training Program; Excellence Through Choice Total English Program; Social Studies Semester Electives in U. S. History Program; and others.

In a recent issue of their student newspaper, in an editorial on "The Best Things..." at their school, the students wrote:

"Without a doubt, Dr. Arthur Colver does a magnificent job as East's top administrator. He is fair, patient and reasonable. No wonder he has won the respect of students and staff - he works hard at his task of seeing that things run smoothly here."

It is the unanimous feeling of this Board of Education and the Superintendent of Schools that Dr. Colver possesses the

No classes will be held in December, but classes will continue every other Monday in January.

The first workshop was on mathematics. Other subjects will be included at the request of the parents.

leadership qualities that are required for this important position. We are pleased that Dr. Colver will be joining us and we

look forward to continued years of effective leadership from him as Principal of John F. Kennedy High School.

Now you can get fast, long-lasting relief from the tortures of itching, chafing, rashes, dry skin eczema, even embarrassing personal membrane itch (vaginal and rectal itching), with LANACANE Medicated Creme.

Thousands of people suffer the tortures of personal membrane itching, but now they are discovering the wonderful relief LANACANE brings.

You see, itching causes scratching, which causes more itching. That's the

misery of what Doctors recognize as the "itch-scratch-itch-cycle." LANACANE works because it breaks the itch-scratch-itch cycle. LANACANE relieves itching fast, quiets the urge to scratch. Then LANACANE soothes irritated skin, checks bacteria growth, speeds healing. It's so pleasant to use - it's greaseless, has no unpleasant odor.

Stop being tortured by vicious itching. Let LANACANE help solve your itching problems today.

## Plainview - Old Bethpage H. S. News

On Wednesday, October 30th the Plainview-Old Bethpage High School Chapter of the Distributive Education Clubs of America (DECA) were guest speakers at the Rotary Club meeting held at the Andriens Restaurant in Plainview. Mr. Fred Alexander, President of the Rotary Club and Work-Experience Coordinator from Plainview High School, invited Mrs. Gloria Jones, Distributive Education Teacher and Kevin Bagnasco, Vice President of DECA to the luncheon to talk to the members about Distributive Education in the Plainview-Old Bethpage High School and the activities of the DECA chapter.

Since a part of the DECA program includes student competition in various business contests, Mrs. Jones and Kevin Bagnasco presented an actual Job-Interview. Last year at the local level Kevin Bagnasco won Honorable Mention in the Job Interview contest. In this contest, students are judged on personal appearance, attitude, interest, knowledge of the position and confidence. The Rotarians were asked to judge Kevin according to the criteria on the rating sheet provided by DECA. As

businessmen of the community, their comments and suggestions were helpful to the potential contestant.

Plainview DECA is extremely grateful to Mr. Alexander and his fellow Rotarians for inviting them and for their valuable help in preparing Kevin for this year's competition.

The Plainview High School Community Services Club recently went on a Halloween trip to the Dorothy K. Robbins Child Care Center in Hempstead. The club, headed by Amy Kassinger and Louis Warren under the advisorship of Mrs. Samantha Nagel, consists of over 40 members. The group, colorfully costumed and full of spirit, arrived at the Child Care Center about 10:30 A.M. They set up various games, and arranged a rotating schedule whereby each child participated in each game. The games consisted of apple dunking, pin the nose on the Halloween Cat, hide and find the candy, and a variety of typical child participation songs. The club members left after two hours, leaving behind 50 happy children.

(Continued from Page 4)

destructive effects, is questionable. According to the Ford Foundation study of the nation's energy prospects, even a modest reduction in the nation's energy consumption rate would make the development of these new oil fields unnecessary for at least a decade and maybe more. The study also notes that the environmental and economic costs of exploiting these offshore regions would far outweigh the benefits to be derived at this time.

It would appear that greater effort should be made in energy conservation, methods of extracting more oil and gas from existing wells, and continued research and development of alternative sources of energy.

TOWN NOTES: Residents are reminded that the Town will observe the traditional Veterans Day, November 11, which marks the signing of the Armistice ending World War I.

## Get Rid of Gray Hair

Time-lapse photographs show how gradual action of Grecian Formula 16 lets you control just how much gray you slowly get rid of - some of it or all of it.

White Plains, N.Y. — Hundreds of thousands of men all over the country are now using a remarkable product to control just how much gray they slowly get rid of. It is called Grecian Formula 16 and the results are simply amazing. Grecian Formula 16 is a practically clear liquid, as easy to use as hair tonic. This remarkable formula works for any color hair because it combines with the natural chemistry of the hair to recreate natural-looking color. There is no mess and no rub-off. You simply use it every day for two or three weeks until you slowly get rid of

just as much gray as you want. Some of it, most of it or all of it. You can stop where you like. You are in complete control of how much gray goes or stays. Once you get rid of as much gray as you want, simply use Grecian Formula once a week or so to keep it that way. Since Grecian Formula 16 works gradually over a period of time, even close friends won't notice the change happening. The resulting color is so completely natural that the hair definitely does not have a dyed look. Grecian Formula 16 is available at

women earn their own social  
security coverage?

**ANS:** About 19 million  
married women work in jobs  
covered under social security.  
This is about 40 percent of all  
married women, compared to 30  
percent in 1960. Almost half of all  
retired women get monthly social  
security benefits on their own  
work records.

**QUES:** My son goes to school  
full time and gets social security  
benefits. He wants to take a part-  
time job. Does he have to report  
his earnings to social security?

**ANS:** If his earnings for 1974  
will be over \$2,400, he should  
report them to social security.  
Otherwise, he might get benefits  
he'll have to pay back later. His  
benefits will be reduced by \$1 for  
each \$2 over \$2,400. But no matter  
how much he earns for the year,  
he can get full social security  
benefits for any month he doesn't  
earn over \$200.

## Nassau County DECA Installs New Officers

PLAINVIEW DECA students at the Royal Lancer are (Standing) Steve Jurman, Mrs. G. Jones, Advisor Bernadette

Stapleton, Pat Manzo, and (Seated) Felice Douglas, Fawn Rosenthal, Michale Taub, and Gerlayn Tannenbaum.

On October 15, the Nassau County DECA Association (Distributive Education Clubs of America) installed its county and chapter officers at Royal Lancer restaurant in Lake Success.

The program was conducted by the County officers, with the President, Karen Sjursen who opened the ceremony with a welcome to all the new members. A delicious filet mignon luncheon was served to the one hundred and forty members attending this memorable affair.

The Honorable John D. Cammerer, New York State Senator was the first Guest Speaker. He congratulated all of the new officers from Nassau County and expressed delight over the accomplishments of DECA.

Senator Cammerer talked about careers in the future, and stresses the importance of the need for young people to work in the field of transportation.

The second Guest Speaker was Patty Breslin, New York State Vice-President from Oceanside High School. She brought greetings from DECNY and wished everyone a happy and productive year.

After the luncheon, the induction ceremony of DECA state and chapter officers followed. From Plainview Old Bethpage High School DECA, Gerayln Tannenbaum was installed as Historian, Bernadette Stapleton as Reporter, Stacy Mandel as Parliamentarian, Michele Taub

as Secretary, Jeff Himmel as Treasurer, Sally Vitale as second Vice-President, Kevin Bagnasco as first vice-president and Susan Eckhardt as President.

There were closing remarks by Karen Sjursen who spoke about up-coming DECA activities. One of the most talked about and looked forward to is the North Atlantic Regional Conference in Philadelphia, Pa., on November 17, - 19, 1974.

Karen led the DECA creed which ended the luncheon. It surely proved to be a proud day for all the schools from Nassau County and their officers and advisors.

## HICKSVILLE CHAMBER (Continued from Page 1)

Hicksville different?

7. Provide for off-site parking as called for in the Master Plan but eliminated in the law passed by the Town Board. It must be noted here that a bill providing for this was vetoed by Governor Wilson this year, primarily because three (3) Town Councilmen had voted against it because they felt there was not sufficient demand for office space in the area. Thus we have a paradoxical situation where the Town Board passes a zoning ordinance allowing ONLY office space to be built, then almost half of the Board turn around and say there is no demand for Office Space in the area.

These are only some of the things that can be done and we are sure you can think of many more. The Hicksville Chamber of Commerce feels that unless some ideas like these are made part of the zoning, any construction in the Hicksville Central District will be unplanned and forced upon us as a result of court action by existing land owners. If Hicksville is properly developed, the Town of Oyster Bay can expect an increase in taxes collected from this area of over \$5,000,000 per year.

In conclusion, may we say we have all assumed in the past that the various governmental

agencies would work for the best interests of our town. As a result of our naiveite the State widened our roads and reduced the center of Town to a wasteland; the State elevated the railroad instead of putting it below grade and split our town with a Berlin Wall; and finally, the Town Board of Oyster Bay, after long delay and ignoring all of their own professional advice, gave us zoning that cannot work. Now we must seize the moment to act forcefully to shape the future of Hicksville because it will soon be too late. If you have any thoughts concerning this problem please call or write this newspaper or the Hicksville Chamber of Commerce at 358B Mid-Island Plaza, Hicksville, N.Y. 11801.

Next Week: "The Troubled Landowner".

## Cantiague Ice Rink

Sharpen those skate blades and prepare for action: the Cantiague Park Ice Skating Rink opened for the season on Friday, Nov. 1.

The opening coincides with National Ice Skating Month, as designated by the Ice Skating Institute of America.

The rink is located on West John St., Hicksville.

From Monday through Friday, the rink will be open to the public from 10 A.M. to 12 noon. On Monday, Tuesday, Wednesday and Friday, another session runs from 12:30 to 2:30 P.M. and every day but Thursday has a 3:30 - 5:30 P.M. session. On Saturday and Sunday, the rink is open from 12:45 to 2:45 P.M.

Evening sessions, from 9 to 11 p.m., are on Wednesday, Friday, Saturday and Sunday.

Rates for Nassau County adult residents are \$1 per session; for children (under 18), 50 cents. Guests of residents pay \$1.50 for adults and 75 cents for children. Senior citizens who can show proof of Nassau County residency are welcome on weekdays for 50 cents.

If your skates need sharpening, this can be taken care of at the rink for \$1.50. Those who do not own a pair can rent them for 55 cents.

Special discount cards for 20 sessions are also available to Nassau County residents. The price is \$10 for adults and \$5 for children.

Group and individual instruction can be arranged by calling 681-3424. For all other information, the number to call is 292-4211.
