**TOGETHER AGAIN:** The reunited Morace family. Deborah, Mr. Morace holding Peter, and Raymond.

## Baby Peter Home, Morace Family Reunited

BY EDNA EDELSTEIN

Friday, Jan. 3, was a very special day for the motherless Morace family of Cottage Boulevard. This marked the day that their newly-hired Homemaker arrived and soon after, Baby Peter, now almost 3 months old, was finally returned to his family.

This joyous reunion was made possible by the heartwarming contributions sent to the Eileen Morace Fund by residents of the Hicksville community.

The tragic plight of the Morace family began when Mrs. Eileen Morace 31, died of a cerebral hemorrhage on Dec. 11, leaving behind her husband Raymond 35, and three children, Raymond 8, Deborah 6 and Baby Peter, 8 weeks. Since there was no one available to care for the three children in their own home, and Mr. Morace was financially unable to bear the costs of a professional Homemaker, he had to make the heartbreaking decision to let a relative outside the Hicksville area care for the baby.

Concerned friends determined to see this family reunited,

established the Eileen Marie Morace Memorial Fund to provide the financial support the Morace family needed to be together once more. An amount for this fund was set up, free of charge at the Long Island National Bank. To date, the Hicksville community has sent in contributions totalling almost \$1400. The salary for the Homemaker is \$80 per week. At this rate, the Fund would last only for several months.

In the last week, contributions have steadily declined. We know that these are times of economic crisis, but the Morace family faces the severest crisis of all. Once again, we ask you to send a contribution, no matter how small, to The Eileen Marie Morace Memorial Fund, 22 Amherst Road, Hicksville, 11801. Additional information is available by calling Gerogia Christoforou - 822-0790 or Edna Edelstein 938-5361.

Mr. Morace has said that he will do anything he can to keep his children together under his roof, in Hicksville. Won't you please help to keep them there!

## Herald School Board Report

BY SHIRLEY SMITH

The foremost item at the Hicksville Board of Education meeting did not even appear on last Wednesday's agenda, but arose, first, during the portion of the meeting allocated to individual board members and burst into controversy during the public portion. Various allegations concerning the custodial contract negotiations were mentioned by board trustee, William Bruno, and later aired by members of the school district's custodial staff. Threats and epithets were bandied about, including inferences of "outside deals" being made. The custodial contract has not been settled and negotiations have been at a virtual standstill for some time. The school board recessed for a stormy executive session and came back to announce a meeting with the board negotiator Tuesday, January 14 in an attempt to settle all controversy.

The board of education took action on other items at last week's meeting, including approval of various bills, personnel appointments and supply purchases.

A recommendation to join BOCES Division of Research and Development was tabled. Board president, Robert Pirrung, voted against this move, reminding the board the same thing had happened at the last meeting.

The school board unanimously voted to continue the operation of the district's cafeteria program. The estimated \$5000 monthly loss will not surpass the \$45,000 subsidy approved in the 1974-75 budget.

The school board also approved a policy change allowing Hicksville High School students to participate in the district adult education program. Students will only be allowed to register for those programs not already filled by adults in the community and with approval of the high school principal.

### December Board Meeting

In action at last month's meeting, the school board passed a policy providing "access to BOCES occupational education to students in 11th and 12th grades." This policy, in effect, prohibits 10th grade students from entering the BOCES program and will keep an estimated 150 students in the high school next year. However, the policy provides that the high school principal shall have "final determination in these matters." The policy also states that this move is "to assure optimum opportunity for success on entry into the world of work" and that "guidance in 9th and 10th grades will emphasize information about the world of work, about characteristics of different fields of work, and about the importance of career decisions, all as a means of assisting those students who are interested, to make the wisest possible choices in the courses they elect. In further preparation for these BOCES courses, courses offered to these students in Hicksville High School shall be those best calculated to prepare them for entry into specific vocational training in BOCES."

The board of education approved a supplemental swimming program at a cost not to exceed \$700. This move will

provide for a Hicksville High School swimming team to practice in neighboring districts' pools and to compete in the high school interscholastic program.

The next school board meeting will be Wednesday, Jan. 29 at 8 P.M. in the Administration Building.

**EDITORIAL NOTE:** It is our understanding that the new school board policy regarding BOCES may pose some legal questions, in that education law provides for all secondary students to attend BOCES if they desire, including 10th graders, approximately 170 Hicksville sophomores currently attend BOCES. We agree with the new policy in so far as there is merit in providing the students with more basics, academically and for career preparation. But we question the manner in which it is being done. We would rather see students guided toward this preparation program rather than refused the opportunity. In the 10th grade, of attending BOCES. We would hope that guidance counselors will attempt to make the students aware of their rights to attend a BOCES occupational program, but also inform them of the advantages of remaining in the high school until their 11th year to do so. Parents and students should be fully cognizant of the advantages and disadvantages of both programs before making any decisions regarding the students' future schooling. We would suggest that all parents discuss this fully with their children's guidance counselors, school principals and even BOCES personnel before making a final determination.

## House Fire Takes Life Of Man, 76

BY EX-CAPT. OWEN MAGEE

Three Hicksville firemen rescued a 76-Year-old man from his blazing kitchen here at 19 East Carl St. A Passer-By spotted the fire and reported the alarm to several nearby Vamps who in turn notified the Hicksville Fire Dept.

The first Firemen on the scene, Thomas Offenloch and Robert Covell of Ladder Co. 1, and Richard Magee, Engine Co. 7 kicked in the rear door, and at great risk to themselves crawled inside and found Mike Hawrylowicz on the floor. Offenloch and Covell assisted by Magee pulled the victim from the building.

Once outside they extinguished his burning clothing and started Cardiac Massage. The Victim began breathing on his own. He was rushed to Nassau County Medical Center where, despite the unselfish efforts of the Vamps, he died at 5:20 AM.

The Alarm was received at 1:40 AM, 8 Pieces of apparatus, 75 Vamps under Asst. Chief Roy Schaaf responded. Fire damage was confined to the cellar and kitchen and a portion of the outside Wall.

It is believed the fire started in the cellar under the Kitchen and burned up through the floor into the Kitchen. A pet dog was found dead on the second floor. Chief Mario Misturini commended the Vamps for their brave efforts.

(Continued on Page 10)

**VAMPS AT WORK:** In the top photo, Hicksville Firemen, left to right, Richard Magee, Co. 7, Thomas Offenloch, Co. 1, and Robert Covell, Co. 1, after their rescue of a 76-year-old resident from his blazing kitchen. In lower photo, firemen probe fire area in kitchen as Assistant Chief Ray Schaaf stands by.

## New York City, Museum and Gallery Tours Scheduled for Tobay Residents

Any Town of Oyster Bay resident interested in participating in a daytime New York City-trips program, highlighted by visits to such scenic spots as the Guggenheim Museum, Japan House Gallery and restoration areas on the Hudson, will be able to register either by mail or in person at the Syosset-Woodbury Park Community Center, January 27-30, from 10 AM - 3 PM.

The program is sponsored by CAPA, the Cultural and Performing Arts Division, Town of Oyster Bay Department of Community Services, and buses will leave from both Syosset-Woodbury Park and Marjorie R. Post Park in Massapequa. A \$24 fee is required to cover transportation charges. Admittance fees and luncheon costs are additional.

The schedule is as follows:

March 12, Japan House Gallery - Guided Tour; April 9, Guggenheim Museum - Guided Tour; April 23, "A Tour Grows in Brooklyn" - Guided Tour; May 7, Broadway Theatre Matinee; May 21, Boscobel Restoration Guided Tour, Garrison, New York.

Registration will also be held January 27-30 at Syosset-Woodbury Community Park for an innovative Museum and Gallery Tour program which is being initiated this Spring.

A professional artist will lead guided discussions in the study and analysis of the works by the masters, both past and present. Those participating will also attend important exhibitions at leading museums and galleries. A \$24 fee is required to cover transportation costs. Admittance fees are additional.

Though the agenda for the four tours has not yet been finalized, the scheduled dates are: February 27, March 20, April 17 and May 15.

For further information on these and all other programs call Lois Manning, CAPA Superintendent, at 921-5944, 5875.

#### STATE OF NEW YORK DEPARTMENT OF ENVIRONMENTAL CON- SERVATION

#### NOTICE OF APPLICATION FOR PERMIT TO DISCHARGE UNDER PROVISIONS OF NEW YORK STATE POLLUTANT DISCHARGE ELIMINATION SYSTEM

APPLICATION NO. NY-0076198  
Notice is hereby given that, pursuant to Titles 7 & 8 of Article 17 of the Environmental Conservation Law of New York State for the administration of and the issuance of permits under said law,

General Instrument Corp.  
600 West John Street -  
Hicksville, N.Y. 11802  
Attn: J.H. McGarry, V.P.

has filed a permit application with the New York State Department of Environmental Conservation at its office at 50 Wolf Road, Albany, New York 12201, where the application and related documents are available for public inspection.

The applicant proposed to discharge treated industrial wastes into groundwaters via a subsurface sewage disposal system from their facility located at 600 West John Street, Oyster Bay (T), Nassau County, at which facility the applicant manufactures electronic components. This is an existing discharge.

The New York State Department of Environmental Conservation tentatively intends to issue a State Pollutant Discharge Elimination System (SPDES) permit for the subject discharge(s). A final issuance will follow: (1) review of the application to assure compliance with all applicable provisions of Article 17 of the Environmental Conservation Law of New York State and all applicable provisions of the Federal Water Pollution Control Act Amendments of 1972 (P.L. 92-500); (2) development of special conditions setting forth specific effluent limitations and other controls applicable to the discharge(s) described above including schedules of compliance; (3) development of monitoring and reporting requirements for the applicant's performance; (4) consideration of all written comments from persons who qualify, as described below, as interested parties to this notice of application.

Any person interested in this application who wishes to comment thereon or become an interested party in any proceeding regarding this application must notify the undersigned in writing stating specific areas of interest on or before February 17, 1975.

All such written comments will be retained by the Department and considered in the formulation of the final determination. Any such interested party will be eligible to be heard if a public hearing is ultimately held in connection with this application. Further information may be obtained from the New York State Department of Environmental Conservation, Division of Pure Waters, Room 201, 50 Wolf Road, Albany, New York (457-6997, 457-5115).

William L. Garvey P.E.  
Chief, P.D.E.S. Permit Section  
Division of Pure Waters

## Woodward Mental Health Center

There are thousands of children and young adults on Long Island who have been excluded from public education because of an emotional disability. Without the help of the Woodward Mental Health Center for Emotionally Disturbed Youth many would be destined to spend the rest of their lives isolated from family and friends in state institutions too overcrowded to offer more than custodial care.

Through its pre-school, elementary, and junior high programs and with the support of the United Way of Nassau-Suffolk, the Center offers youngsters from 2 through 15 years of age a chance to remain in the community, with family and friends, while enrolled in a therapeutic-educational program.

Through our professional staff of clinicians-psychologists, psychiatrists, psychoeducational therapists-special educators, reading and language consultants, music and dance therapists, under the direction of our Medical Director, programs are uniquely structured to meet the needs of the individual child and family.

Through its Rehabilitation Division, The Woodward Mental Health Center provides an open door to the young adult, from 16 to 21 years, who has been excluded from public school or employment because of an emotional disturbance. Frightened by their rejection from society, they come to us with histories of violence, severe depression, complete withdrawal, and drug and alcohol problems.

In the therapeutic work setting of the Rehabilitation Division, these young men and women are

able to reestablish their identities and improve their self image. Students can receive training in such areas as: food service, business and clerical occupations, graphic and creative arts, industrial occupations, and beauty culture.

This is a unique and comprehensive program which not only offers vocational evaluation, training, job development and job placement in the community, and followup counseling after the student is on a job.

### BRIEF HISTORY

It began over two decades ago as a school for six emotionally disturbed children in the private home of Gertrude K. Berman. As the school grew, it was housed in various rented, inadequately equipped facilities in Freeport. Originally known as The Berman School, after its founder, the name was changed in 1963 to The Luther E. Woodward School for Emotionally Disturbed Children, in honor of a widely respected man in the mental health field and one who had played a significant role in the school's growth.

What began as a school for six children is now a Comprehensive Community Mental Health Center, authorized by the Nassau County Department of Mental Health, and providing full time programs for 175 children and young adults, and evening and weekend programs for many more. Gertrude K. Berman continues to serve as its Executive Director. From inadequate rented facilities of the past, the Center is today permanently housed in a modern, 22,000 square foot facility on Merrick Road in Freeport.

## Reduction In State Aid Is Cause For Concern

Indications by Governor Hugh L. Carey that there may be a reduction in state aid to public schools is cause for great concern on the part of every school board in the state according to John J. Woods, president of the New York State School Boards Association.

Such a reduction of state support would only "pass the buck" on raising taxes to school districts which now have only the overburdened real estate tax on which to rely.

"It is not courageous for the governor to have local school districts impose further taxes. It would be courageous for him to insist that the state implement his campaign pledge of moving forward from the present 41 percent state share of the cost of public education to his stated goal of 50 percent state support of elementary and secondary education."

### Dodd to Speak Before Republican Women

On Jan. 23, Mrs. William H. Gaddis is pleased to announce that the Nassau County Federation of Republican Women will be honored to have as their guest speaker Mrs. Isabel Dodd, Republican Commissioner of the Board of Elections.

President Gaddis has stated that the meeting will be hosted by the Federation at the Holiday Inn in Hempstead. Refreshments will be served at 1:00 P.M.

All Nassau County Women are cordially invited to attend.

## From The Bayside Times

# Nursing Homes: The Other Side Of The Coin

In times of crisis, the nursing home stands ready to provide the expert care a patient cannot receive in a hospital or at home. In recent months, nursing homes conditions and practices have come under increasing fire. In some cases, the criticism is justified. In others it is not. Locally there are several fine such homes. Ozanam Hall, the Clearview to name a few. Against such a backdrop, we offer the following opinion of another nursing home written by a Douglaston woman who lost her husband to brain cancer—The Editor.

BY ANNE CUSUMANO

It seems to me that only one side—the bad side—has been shown the public of nursing homes. I would like to voice my opinion in a true experience involving my husband. This is contrary to what most people believe about nursing homes.

Back in July, I was told by our family physician that my husband had to be placed in a nursing home because of convulsive seizures he was experiencing as the result of surgery for a brain tumor.

I could not take him home because I could not take care of his needs. Yet, he was too well to stay in the hospital. I loved my husband very much, and the thought of putting him in a nursing home, made me panic. "No never," I told the doctor. "Why?" he asked. "Because they will mistreat and neglect him," I replied. All those horror movies I had seen on television flashed through my mind.

Those fears were still with me until I stepped through the front door of the Carillon House at 830 Park Ave., Huntington, to meet with the administrator, Joseph Alfano.

Much to our surprise, my daughter and I were delighted to find such a cordial reception. Mr. Alfano personally showed us around the building, which included three beautifully decorated living rooms with colored television in each, the chapel, a large dining room, the physical therapy room, occupational therapy room, dental room and the patients' rooms. All the facilities are on one floor, which makes it easy for all patients to enjoy.

Joan Olsen, director of nursing, has an excellent staff. No fewer than three registered nurses and a supervisor are on duty at all times, plus numerous aides. Each and everyone is extremely pleasant. There's always a kind word and smile for residents and guests alike.

I just can't say enough on behalf of these dedicated people at the Carillon House. The "residents" as they are called, are kept spotlessly clean and well attended. I'm sure there are other fine nursing homes. However, I am speaking about this one because of my dealings with it.

I lost my husband to brain cancer on Nov. 15 at the Carillon House, but I know he had the best care at all times. Each night I left his bedside with a heavy heart, but never with fear, for I knew he was receiving excellent care.

I hope this will ease the minds of some people who must face this problem of placing a loved one in a nursing home. Maybe it will ease the fears of people who shudder at the mention of a "nursing home."

## Hospital To Give Away Furnishings

Lydia E. Hall Hospital, in Freeport, now in the midst of a three phase modernization and expansion program is offering a variety of surplus hospital patient equipment free of charge on a "first come first served" basis.

Robert J. Bornstein, the hospital's administrator who made the announcement said the list of equipment includes variable position beds, mattresses, tables, light fixtures, cabinets and chairs. For further

information or details Bornstein suggests contacting Mrs. Margaret Quinn at 378-8500 x261.

Lydia E. Hall Hospital (formerly Doctors Hospital) opened a new modern seven suite operating room complex last summer, completing the first phase of its modernization and expansion program. Since that time a number of noted surgeons and specialists have become associated with the hospital. New or expanded departments have been formed which now provide

services usually found only in metropolitan area hospitals.

Presently the patient rooms on the second floor, north and west wings are being renovated. When complete, later this month, each room will be equipped with color coordinated furnishings and color TV sets. In addition, a nurse call system is being installed in every room with control panels accessible to every patient. The entire modernization and expansion program will be completed later this year.

## "Bell, Book And Candle"

The mighty magic of love is the theme of "Bell, Book and Candle," the bewitching comedy currently playing at the Carl Hoppl Dinner Theatre on Sunrise Highway in Baldwin. This enchanting tale of a modern-day witch who finds that the spookiest of spells cannot overpower true love, will continue at Hoppl's through February 23, 1975 on Wednesday through Sunday evenings and Wednesday matinees. Ticket prices include a full course dinner served at the tables.

Gillian Holroyd, played by Suzanne Dawson, in a moment of malice casts a spell on Shepherd Henderson (Peter Lombard), which makes him fall headlong and needlessly in love with her. In her magic making, she has the

help of her "familiar," a winsome black kitten who answers to the name of "Pyewackett" on stage and to "Johnny-Come-Lately" in private life.

The love-stricken Henderson wants to marry Gillian, but, unfortunately, witches cannot fall in love without losing their powers. His insistence and her resistance provide the comical complications of the plot.

Abetted by a whimsical, spellbinding brother (Bruce Detrick) and a daffy aunt (Estelle Harris) who brews magic potions in the kitchen, Gillian learns some laughable lessons while trying to hoodwink the human heart. Tying them all together is an eager author (Charles Jerabek), looking for someone to publish his book,

"Witchcraft Around Us," although he's unaware that it's around him, too.

The starring roles of Gillian and Shepherd were created on Broadway by Lilli Palmer and Rex Harrison and subsequently in the movie version by Kim Novak and James Stewart. The author, John van Druten, one of the most popular and successful playwrights in America for over a quarter of a century, was responsible for such other hits as

"The Voice of the Turtle," "I Remember Mama," "I Remember Mama," and "I Am a Camera."

It is a sophisticated and "spirited" comedy that pokes a rib-tickling finger at witches and wizardry.

## OCD Presents Chamber Music Concerts

Continuing this spring, a series of chamber music concerts will be presented by the Office of Cultural Development (OCD) and will feature the professional Sea Cliff Chamber Players under the direction of Herbert Suffoc. This group is continuing in its capacity as Chamber Ensemble in Residence for Nassau County.

These five sprincers will be given at the Office of Cultural Development located off Nor-

thern Blvd., two lights west of the Glen Cove Road intersection) in Roslyn on Sunday afternoons - January 26, February 16, March 16, April 6, and May 4.

All concerts will begin at 3:00 P.M. with general admission at the door at \$2.00 per person.

The first concert of this series will feature the works of Haydn-Trio in D Major, Bruch-Pieces, and Loeffler-Deux Rhapsodies. Program material for the remaining four concerts is as

follows: Sunday, February 16 - Works by Handel, Barlok, Salzedo and Schubert; Sunday, March 16 - Works by Schuman, Corelli-Kreiser and Beethoven; Sunday, April 6 - Works by Haydn, Wolpe, Telemann and Debussy; Sunday, May 4 - Works by Fauré, Davidovsky, Mozart and Ravel.

For further information on this series of chamber concerts, please call the OCD at 484-9333.

## Dear Friends ...

A MESSAGE BOTH TO THE MORACE FAMILY and to those who have accepted the privilege of helping them through their temporary emergency:

Next to the Holy Bible, my favorite book is "The Prophet" by Kahlil Gibran. I would like to share with you a few lines from this book on the subject of Giving and Receiving:

"And what desert greater shall there be than that which lies in the courage and the confidence, may the charity, of receiving?"

"See first that you yourself deserve to be a giver, and an instrument of giving."

For in truth it is life that gives unto life — while you, who deem yourself a giver, are but a witness.

And you receivers — and you are all receivers — assume no weight of gratitude, lest you lay a yoke upon yourself and upon him who gives.

Rather rise together with the giver on his gifts as on wings; for to be overmindful of your debt, is to doubt his generosity who has the free-hearted earth for mother, and God for Father.

It is wonderful in how many ways a community develops and discovers itself. Best wishes,

SHEILA

## Nassau PTA Opposes Phone Increases

Nassau LI District PTA is credited by at least one of the daily newspapers with bringing out the major opposition in this area to the proposed telephone rate increases of approximately \$488,800,000 annually.

At the Public Service Commission hearing in Mineola last Friday, at least 75 of the approximately 125 people present were known PTA representatives, according to Nassau District Legislation Chairman, Rosalie Norton of West Hempstead. Similar hearings in Albany and New York City drew only a handful of speakers.

Mrs. Norton, representing more than 120,000 members of the Nassau PTA, said in part: "The telephone is the main vehicle of communication for our organization...the schools and parents in our communities have come to depend and rely on PTA volunteers to provide a network of communication which delivers important school notices, messages and emergency calls that occur during the school year...it would be unconscionable to approve an increase under current economic conditions. Volunteer service has become a necessity for every community on our County...we could not function, nor should we, if we have to rely solely on the more affluent members on our society...The public has no choice but to depend on the services of the Telephone Company for rapid communication so necessary

today...PTA members have a history of unhesitatingly voicing their concerns to their elected officials and to public bodies charged with protecting the public interest. Our 120,000 members are determined to see the community interest protected in this matter..."

Also speaking against the rate increases was Mrs. Muriel Berk of Woodmere, representing the New York State Congress of PTA, as well as PTA representatives from Uniondale and Levittown.

## Recreation Head

Felix Alfino, Acting Superintendent of the Recreation Division Town of Oyster Bay Department of Parks and Recreation, has been appointed to serve as Chairman of the Nassau Recreation, Park and Conservation Association's fifth annual mini-conference on Sunday, February 9.

Joseph Rogoff, Deputy Commissioner of the Parks and Recreation Department, who is a member of the executive committee of the conference, will act as co-chairman of the public relations committee.

The theme of the conference, which will be held at the Hofstra University Student Center, Hempstead, N.Y., is "New Perspectives: Park and Recreation Leaders." It is designed to provide information and explore current issues and problems affecting professionals,

To the Editor:

At a meeting I attended on Saturday, Mr. William Bruno, Member of the Board of Education, was the guest speaker.

He mentioned that the first draft of the 1975-76 School budget is increased \$3,828,027...for a total of \$29,268,665. Mr. Bruno mentioned that he will attempt to reduce the budget but if it is to be successful he will need the support of 3 HCBE Board members. He doubted that much support would come from them but urged us to demand they support "the reduction of 100 percent of the featherbedding" and review all programs and spending."

For the last two years, with an

## Letters to the Editor

HCBE majority, Mr. Pirrung has been President. This staggering increase along with last year is just plain irresponsibility of Mr. Pirrung and the other board members who endorsed it. I said so at the Budget hearing last year. How could they allow this increase to be even though of? How could Mr. Pirrung with a paid negotiator, rumored at \$20,000, and the Superintendent allow this? They must be held accountable.

It is now obvious that there is a great difference between LIFE oriented and HCBE oriented Board members, our taxes increased in the last two years is proof.

When LIFE endorsed candidate, Mr. Muratore, was Board

President, he prepared two budgets. He reduced the first "bare bones budget" the twin Superintendent Abi submitted by \$500,000. The next budget submitted by Mr. Muratore, as President, was a record low one that obtained about 75 percent support, never done before, proof what a good Board President can do.

I believe it's time to get MR. MURATORE back on the Board of Education. We need more "taxpayers friends" NOW on the Board with Mr. Bruno.

The time is now to form a "Friends of the Taxpayers" to defeat ALL THE HCBE people. Will you join me?

Very truly yours,  
F. Gebbia

## Museum And Gallery Tours Scheduled For TOB Residents

Any Town of Oyster Bay resident interested in participating in a daytime New York City-trips program, highlighted by visits to such scenic spots as the Guggenheim Museum, Japan House Gallery and restoration areas on the Hudson, will be able to register either by mail or in person at the Syosset-Woodbury Park Community Center, Jan. 27-30, from 10 a.m. - 3 p.m.

The program is sponsored by the Cultural and Performing Arts Division, Town of Oyster Bay Department of Community Services, and buses will leave from both Syosset-Woodbury Park and Marjorie R. Post Park in Massapequa. A \$24 fee is required to cover transportation charges. Admission fees and luncheon costs are additional.

The schedule is as follows: March 12, Japan House Gallery - Guided Tour; April 9, Guggenheim Museum - Guided Tour; April 23, "A Tour Grows in Brooklyn" - Guided Tour; May 7, Broadway Theatre Matinee; May 21, Boscobel Restoration Guided Tour, Garrison, New York.

Registration will also be held January 27-30 at Syosset-Woodbury Community Park for an innovative Museum and Gallery Tour program which is being initiated this Spring.

A professional artist will lead guided discussions in the study and analysis of the works by the masters, both past and present. Those participating will also attend important exhibitions at leading museums and galleries. A \$24 fee is required to cover transportation costs. Admission fees are additional.

Though the agenda for the four tours has not yet been finalized, the scheduled dates are: February 27, March 20, April 17 and May 15.

For further information on these and all other programs call Lois Manning, CAPA Superintendent, at 921-5944, 5875.

## Mrs. Genevieve O'Hare

Mrs. Genevieve O'Hare, 94, of Lake Luzerne, N.Y., formerly of Hicksville, died Tuesday, January 7, at Westmont Infirmary in Glens Falls after a long illness.

Survivors include her son, Robert of Lake Luzerne; stepson Raymond of Garden City; four grandchildren; ten great-grandchildren; a great-grandchild; and two nieces.

Private services conducted at the convenience of the family. Interment at Greenwood Cemetery in Brooklyn.

students, educators and citizens. The program will include exhibits, a job mart, administrative institute, leaders' rap session, general meeting and a series of work-shops on a variety of topics. Over 300 delegates from the Greater New York Metropolitan area are expected to attend.

Pre-registration, which is \$2.00, closes on January 31, 1975. Registration at the door is \$4.00. (\$2.00 for students). The general public is invited.

For further information, contact Ed Walsh, Program Chairman, at 518-334-5560.

## In Concert

The following PLAINVIEW, OLD BETHPAGE High School music students have been selected to participate in the NYS School Music Association All-County Band, Orchestra, Chorus and Stage Band: in the choir: Linda Richards, Mary Ann Cerar, Craig Martin, Charles Bedoian, Lisa Giardini, Ilene Klein, Stephanie Chimenti, Mark Zalaznick, Cory Martin and Elaine Kant, in the orchestra: Barry Levine, Guy Pidkameny and Ruth Gshelid; in the band: Shari Cohn, Scott Stein, David Mernoff and Debbie Bushman.

Participants from Kennedy High School in Plainview are Jeff Baumann (orchestra); Sandy Lopater, David Berger

## Obituaries

MICHAEL MCCONNON

Following a mass at Holy Family R. C. Church on Tuesday, Jan. 7, N.Y. City Police Officer, Michael McConnon was buried at Holy Rood Cemetery, Westbury. Over 3,000 policemen came to mourn his death.

Officer McConnon, of 144 Lantern Rd., Hicksville, was shot and killed during a robbery on Friday, Jan. 3. While off duty, he entered the Gramercy Park branch of the Chase Manhattan Bank, in Manhattan, while the robbery was in progress. Three men have been arrested for the murder and robbery. A fourth is being sought.

He is survived by his mother, Grace; his father William, and a

brother Gerald, who are both retired from the Police Dept.; 2 brothers, Joseph and Thomas, and a sister, Noreen. The funeral was under the direction of the Thomas F. Dalton Funeral Home.

JOHN R. KOROTHY  
John R. Korothy of Hicksville died Dec. 27. He was the husband of Lauretta (nee Mazzeo); father of Barbara Sillett, George and John Korothy; son of George Korothy. He is also survived by four grandchildren and many brothers and sisters.

He reposed at Donohue's Funeral Home, Westbury. Following a mass of Christian Burial at Holy Family R.C. Church, interment was in Plain Lawn Cemetery.

## GUTTERMAN'S ANNOUNCES THE OPENING OF THEIR NEWEST CHAPEL.

Pre-registration, which is \$2.00, closes on January 31, 1975. Registration at the door is \$4.00. (\$2.00 for students). The general public is invited.

For further information, contact Ed Walsh, Program Chairman, at 518-334-5560.

## Supervisor JOHN W. BURKE REPORTS

In his State of the State lament to the legislature last week, Governor Hugh Carey vowed to cut the state's 1975 budget even if he has to bankrupt every citizen and municipality in New York to do it. It is one thing to recognize the existence of a problem, but it is another to appreciate its magnitude and significance. The latter requires an understanding of the implications of any action which might be taken.

Governor Carey's approach to solving the state's fiscal problems is simplistic, regressive and irresponsible. In addition to the cuts he proposes in state-administered programs, Carey warned that he plans to cut back state aid to local govern-

ments and schools. In doing so he will dump the responsibility of the state, which has the sole power and means of producing the necessary revenues, into the laps of local property taxes which have already reached the breaking point.

Another fact ignored by the new Governor is that although 70 percent of the state budget consists of local assistance to municipalities and school districts, at least that amount is budgeted by them to pay for state-mandated programs. It is in this area that better management techniques and economies by the state might be more productive in easing the

taxpayer's burden.

The Governor's proposal for an additional 10-cent gasoline tax is unrealistic at best. It totally ignores the impact that additional cost would have on the suburban resident whose sole means of transportation is often the automobile. Unless alternative modes of public transportation are available, or until they are developed, this gasoline tax would wreak havoc on the suburban economy.

Hopefully, our more knowledgeable state legislators will act to prevent the implementation of this dangerous and destructive program of fiscal irresponsibility.

## Charles Loiacono Named To NCC Grievance Board

Charles Loiacono, a resident of Hicksville, was recently named as representative of the more than 700 members of adjunct faculty on the newly formed Grievance Board at Nassau Community College. The Board, which serves as a Board of Appeals, hears appeals from

decisions rendered by the various supervisors and the Dean of Instruction at the College.

At the first meeting of the Board, Mr. Loiacono was elected chairman. In that capacity, Mr. Loiacono will preside at hearings and draft all majority decisions. In a separate move, Mr.

Loiacono was named chairman of a constitutional revision committee investigating the possible restructuring of the Adjunct Faculty Association.

Mr. Loiacono has long been involved in local school board affairs, and has been a candidate for school board trustee.

## TOB Art Exhibits at Local Libraries

Town of Oyster Bay residents will again be able to view a variety of unique decorator crafts and paintings on display during the month of January in Hicksville, Farmingdale and Massapequa.

The Cultural and Performing Arts Division, (CAPA) Town of Oyster Bay Department of Community Services, is sponsoring a number of rotational exhibits, three of which are to be on display during this period.

"Beaded Flowers," by Genevieve Koszalka: An exquisite display of creative arrangements from miniature to large table decorations; Hicksville Public Library, 189

Jerusalem Ave., Hicksville. Viewing hours are Monday-Friday, 10 AM - 9 PM; Saturday, 10 AM - 5 PM. For further information call Mrs. Bernice Newfield, program chairman at 931-1417.

"Textile Home Accessories," by Marie Berler: This display will include a multitude of creations such as bells, pillows, wall hangings and rugs done in a variety of textiles; South Farmingdale Public Library Merritt and Boundary Avenues, Farmingdale. Viewing hours are Monday-Thursday, 9 AM - 9 PM; Friday - closed; Saturday 10 AM - 5 PM. For further information call Mrs. Lee, program chairman, at

249-9090.

"Crafts Unlimited," by Irene Frank: A unique and beautiful display of multi-media crafts that will include pressed flowers, scratch-boards, copper enameling, silver jewelry, memorabilia boxes, decoupage and many other items found in boutique shops; Massapequa Public Library, 523 Central Avenue, Massapequa. Viewing hours are Monday - Friday, 10 AM - 9 PM; Saturday, 10 AM - 5 PM. For further information call Mr. Baker, program chairman 798-4607.

CAPA's Art Exhibits have been scheduled in thirty-six locations through July.

For further information call Lois Manning, CAPA Superintendent at 921-5944 or 5875.

## Featured In HHS Concert

The first "In Concert" program to be held at the Senior High School in Hicksville, will feature Jim Cummings, Jr., of the "Wombles" on Saturday evening, January 18, at 8 PM.

Jim, the oldest son of Dolores and Jim Cummings of Hicksville, is a graduate of St. Ignatius Parochial School, Archbishop Molloy High School, Jamaica; and attended New Paltz State Teachers College. A pianist, composer and arranger, he joined the "Wombles" unit upstate where the group is recognized as the tops in their musical endeavors of country

and western music.

The group has been on tour throughout the State, New England and the south, featured with such top talent as Chuck Berry, "king of rock." All music is original, and arranged by these six talented musicians.

Jim will feature a number of his original tunes now taped for one of the top record labels. His "Gentle Man" tune and arrangement is among a score of tunes to be presented. Following in his footsteps are his brothers Michael and Patrick, with their groups appearing on Long Island and in New York.

## A Series In Three Parts

# Our Houses Of Worship, Their Role In Community

### PART I

As part of the January meeting of the Hicksville Community Council a discussion of the church's role in the community took place. All faiths had been invited to attend and participate. The following is a resume of what was discussed at this meeting:

The Rev. John Krahn of Trinity Lutheran Church spoke first

bringing up nine points. (1) We are here to engage people in the dialog of God's Love for them. (2) we are a House of Worship. (3) a collection of clothes for the poor is made. (4) we provide food when immediate help is asked. (5) we cooperate as much as possible with community events, making our facilities available,

i.e. the Community Council dinner, working with the Youth Council HAD, and many others. (6) One half of the Thanksgiving offering is for the hungry (7) we also participate in group hunger work. (8) we are supportive of public education (9) we provide a parochial school whose student body is made up of only one-third of our church members. Rev. Krahn concluded with the message, "We hope that the delegate present representing local organizations, will take back the message that the Church is active, and God is alive and strong."

The Rev. Alan Swain of the First Baptist Church of Hicksville spoke next. He said that the Baptist Church in Hicksville is independent and unaffiliated and is dedicated to the Biblical order, "Go ye into all the world and make disciples for the Lord." As all our churches, they conduct services on Sunday and throughout the week. They also have Gospel teams who go out into the community with the Message. As to their outreach into the world, in ten years this congregation has subscribed \$150,000 for world missions, into missionary work conducted aboard ships, into missionary work conducted in Times Square, and supports two missionary

families in Brownsville, Texas. There are several local families, members of this Church, serving as missionaries out in the world. This Church also supports Youth Camps, a Radio ministry and a Church School, Bus Ministry, Rev. Swain concluded.

Rabbi Stewart Warner of Temple Shaarei Zedek, an Orthodox Temple, told of the usual Temple groups such as the Sisterhood, the Men's Group, the Youth Group and the Zionist Group, who all conduct many events throughout the year. He spoke of the cooperation between Shaarei Zedek and Pastor Grant's Church, Redeemer Lutheran, directly across New South Road. He explained that the congregation is made up of approximately 150 families. A dialog is continually being held through the services, and a Hebrew school for Jewish Education is conducted for 6 hours a week, part of this program consists of trips for the students. Adult education classes are held on Wednesdays, he concluded.

The reports of each church leader will be included in this series, in the order in which they spoke at the Council meeting.

## Kiwaniis Work With Disabled

Work with learning disabled children will share service to older citizens as the twin emphases of this year's Kiwanis International theme, "Mission Fulfillment," according to Dr. Richard Smith, president of the Kiwanis Club of Hicksville.

Many clubs have been involved in programs of service to older citizens for the past year operating "Enrich the Lives of the Aging" programs of various kinds, the president said.

The new program, which has the full support of the important Association for Children with Learning Disabilities in the United States, and the Canadian Association for Children with Learning Disabilities, will seek to help the twenty percent of the juvenile population of the two countries who have learning disabilities . . . frequently unsuspected.

In announcing the program, Kiwanis International President Roy W. Davis said that "with the combined effort of Kiwanians and Kiwanis clubs in the two countries, Kiwanis may be able to reach one million children with learning disability screening programs during the next twelve months."

"A service of inestimable value," he observed. Speaking for the new program, Dr. Sylvia O. Richardson, Assistant Director, University Affiliated Program for Learning Disabilities, University of Cincinnati, an authority on the subject, said, "I am absolutely delighted that Kiwanis International is about to launch a program for children with learning disabilities. I can't think of a finer endeavor; the need is so great."

## Holy Trinity Drama

Contemporary courtroom suspense comes to Holy Trinity High School when the drama club presents "The Night of January 16th." Curtain time is 8:00 PM on January 24, 25 and 26 in the school auditorium.

This play about the death of a business tycoon is based on a story by Ayn Rand and has a most interesting climax. Before each performance, twelve members of the audience will be selected to form a jury which will actually decide on the guilt or innocence of the suspect.

Leading roles are played by Rick Barry, Anne Marie Wu, Jim Blair, Mike Wood, and Jim Kelly. Tickets are \$1.50 and may be purchased at the door.

## VFW Auxiliary Round-Up

BY JOAN CHWALISZ

This is an open invitation to the mothers, vices, widows, sister, half-sister, daughter, foster daughter, grandmother or granddaughter of a veteran eligible for VFW membership to join our Auxiliary. Our meetings are held at the VFW clubhouse, S. Broadway, Hicksville on the second Thursday of each month. If interested in becoming a member and at least 16 years of age contact our President, Pat Williams at 931-4677.

Some of our programs are Hospital work, Cancer Aid and research, Americanism, Loyalty Day ceremonies, Legislative,

Youth Activities, Buddy Poppy and Community Service.

The Auxiliary will host a St. Patrick's Dance on Saturday evening, March 15th. It will be held at the Post Hall, price of tickets will be \$8.00 per person. Price of ticket will include dancing to a great band, beer and a hot Corned Beef and Cabbage Plate.

Tickets can be obtained by contacting the chairman at 938-4840 after 9:00 p.m. or our President, Pat Williams at 931-4677. Come out and join us for an evening of fun and relaxation.

## VFW And Ladies Auxiliary Sponsors Voice Of Democracy Contest

BY JOAN CHWALISZ

The Wm. M. Gouse Jr. Post No. 3211 Veterans of Foreign Wars and it's Ladies Auxiliary held the judging for the annual Voice of Democracy scriptwriting contest. There were a total of thirty-two participants from both the Hicksville High School and Holy Trinity High School. Serving as judges were Mr. S. R. Widder and Mr. & Mrs. Dan Turen.

First place winner from Holy Trinity High School was Rosemary Leddy, second place was Joe McNamara, third place was Beth Pollicino. First place winner from Hicksville High School was Mary O'Leary, second place was James Bennett, third place was Marie Milenkovic. Winning tapes were submitted to Nassau County Council for this judging and I am pleased to announce that Rosemary Leddy placed fifth on the Council level.

All of our winners and their parents were our guests at the Nassau County Awards Luncheon held on Sunday, January 12th at Albertson, N.Y.

The members of the Post and Auxiliary would like to publicly thank the judges for the time and effort so graciously given to serve as judges for this worthwhile program.

In conjunction with our Voice of Democracy program we conducted a written Essay contest for 5th & 6th graders on Americanism.

Five schools participated from the area. They were Burns Ave., Dutch Lane, East Street, Fork Lane and Our Lady of Mercy. There were a total of 17 essays submitted, and winners are -

Thanking a salesperson after a purchase often results in more pleasant service to others.

First place, Kathy McCaffrey, second place, Dawn Cardone and third place Nancy Pierroforte, all students at Our Lady of Mercy School.

Judges for this contest were Harry Wurth, Sr. Vice Commander, N.C.C., Anna Williams, President of Auxiliary, Joe Normandy, Sr. Vice Commander

of our Post and Chick Massone, a very active Post member. Our thanks to each of these judges for a fine job.

Chairman Abe Feldman and Auxiliary Chairman, Lucy Blesi would like to thank everyone for their cooperation to help make both of these programs as successful as they were.

## Hicksville Soccer Club News

The Hicksville Americans are pleased to announce the start of its annual winter Tournament. The opening ceremonies are scheduled to begin at 9 AM, Saturday, January 18, at the Hicksville Sr. High School. Participating in this year's event are clubs representing, Rockville Center, German-Hungarians, Blessed Sacrament, Huntington, Blue Star, Brentwood, Clarkstown, Oceanside, Northport, Gottschee, N. Babylon, Massapequa, Deer Park, St. Kevin's, Garden City and North Shore.

Competing teams in the Midget Division will meet the weekend of January 18/19; the Boys Division on January 25/26 and the Bantam Division on February 8/9. All parents, sponsors and residents are invited to attend.

The indoor season so far has been a bright one for the Club. Our Boys Division Red team under the direction of Billy Cresham and Pat McHugh and sponsored by the VFW, emerged victorious in 1st place at the North Shore Invitational Tournament. This tournament, the first for North Shore, was organized by Mr. Joe Marcus, a resident of Hicksville who is the President of the North Shore Soccer Club. Our Boys defeated nine other teams in the two day period to become eligible for the semi-finals. They then defeated Massapequa in the semi-finals and Deer Park in the finals to attain their deserved 1st place. A tabulation of statistics shows that over the two day tournament, Hicksville had scored 59 goals with only 6 against, due greatly to the excellent goal keeping of Dennis Barcavage and the defensive line. Further individual honors were claimed by Mike Humphreys with a high score of 18 goals and John Rupp who won the penalty kicking event, while Michael Collins claimed 2nd place in the dribbling contest.

The following weekend the Bantam team, coached by Tony Camara and John Mitchell took

2nd place trophies at the North Shore Tournament. They went into the tournament ready to emulate the older boys and almost succeeded, missing first place by only one goal. Eligibility for the play-offs was established by a 7-2 record in regular play as the boys piled up a total of 34 goals. Hicksville made it to the finals by edging past a strong Deer Park team in the semi-finals, on the strength of outstanding defensive magic. The final score was 1-0. The winning goal was made by Glenn Zakian. This game was a prime example of soccer at its best. In the final game against Massapequa, the team anticipated the need for an overtime period to break a 2-2 tie. Their dreams were shattered in the last two minutes by a sudden Massapequa score on a "direct" kick. Final score was 3-2. Nevertheless, the team was pleased and proud to claim their 2nd place trophies. Again,

## Plainview-Old Bethpage High School Sports News

BY MARK SILVERSTEIN

The Plainview Gull Varsity Basketball team has played two league games so far this season, and they lost both games. The defeats came from Jericho and Great Neck North, two teams who have something that the Gulls don't have, and

that's height. Senior Marc DeSimone, who is 6 ft. 3 in., has been out with a knee ailment.

That is one of the main reasons why the Gulls have been having trouble getting rebounds from the offensive and defensive boards. Right now there is a doubt that DeSimone will

see any action this year, which means the bulk of the rebounding lies on the shoulders of junior Brian Sullivan, 6 ft. 3 in.

After a non-league game between the Gulls and crosstown rivals, the Kennedy Eagles, the victorious Eagles center, Ed Goldman, told me in a live interview on WPOB-FM that the Gulls were much better than the Eagles thought they would be. Looking back at the game, the first half was evenly matched. However, in the second half the Eagles changed their strategy and looked to their centers for the scoring. Unfortunately the Gulls don't have anyone to look to but their coach, Jim Amen, Jr.

The Gulls will host Levittown Division at 7:30 on January 17th.

**SPELLING BEE:** The Hicksville Schools accepted an invitation to participate in the 1975 National Spelling Bee. Accordingly, each elementary school and the Hicksville Junior High School conducted a Spelling Bee to determine each school's champion. The champions are shown in the accompanying picture, from left to right: Brian Drier, Lee Avenue School, Grade 6; Elizabeth Arnold, Dutch Lane School, Grade 6; Ellen Rizzi, East Street School, Grade 6; Steven Glassman, Old Country Road School, Grade 6; Gloria Pena, Woodland Avenue School,

Grade 6; Nina Samowitz, Hicksville Junior High School, Grade 7; Regina Piscitelli, Fork Lane School, Grade 6; John Ferraro, Burns Avenue School, Grade 6; Edward DeAguiar, Willett Avenue School, Grade 5.

These youngsters will meet in the District Spelloan at 3 p.m. on January 22, in the Board Room of the Administrative Building on Division Avenue. The winner of this District Spelloan will then represent Hicksville in the Long Island Championship Finals to be held on Wednesday, March 12, at the State University in Farmingdale, Long Island.

## Circulation And Parking In The G-I Zone

# Our Chamber of Commerce Fights For Hicksville's Future

BY LAWRENCE SCALERA

A major difficulty faced by drivers in Downtown Hicksville is being able to drive from East to West and vice versa. Cars coming from the Plainview area West through Hicksville must make a series of difficult turning movements in order to reach their destination.

The problem is that John Street, Duffy Avenue, Woodbury Road and Plainview Road do not connect to each other in direct fashion. In order to improve circulation John Street should be connected directly to Woodbury Road and Duffy Avenue be connected to Woodbury Road via Marie Street. All these streets are County Roads and thus this plan could be developed without Town expense.

In addition to these changes, unnecessary streets should be closed off. Herzog Place and Old Newbridge Road now serve little purpose and should be abandoned. This will result in a more defined circulation pattern, will result in more land which can be used for private development, and will put land back on the tax rolls, increasing revenue for the Town.

Also, these circulation improvements will allow easy travel across the Hicksville Downtown for the first time, and a number of turning movements which are a nuisance to drivers coming to the Hicksville Station will be eliminated with traffic being channeled into smooth-flowing highways that will allow

drivers to take direct routes to their destinations.

### Vital Changes

It is vital that these circulation changes be undertaken. Any development in the Downtown area will increase the number of automobile trips, compounding existing traffic tieups at the peak hours. Conversely, any possible large scale development in the area will be impeded if changes like these are not made first.

### First Suggested in '70

These suggestions were first made in 1970 by the Hicksville Citizens Advisory Committee to the Town Board and reiterated by Raymond, Parish and Pine (Planning Consultants to the Town Board) in their Hicksville Triangle Plan released in May, 1971. Indeed, representatives of the Hicksville Chamber of Commerce met with Town Board members and representatives of the Nassau County Public Works Department many times during the past three years in order to move this project, with no success.

Another important recommendation of both the Citizens Advisory Committee and the Planning Consultants was "that the Town in the near future acquire all the land necessary for parking facilities to be located conveniently to all parts of the Hicksville Central Business District". (Hicksville Triangle Plan - Page 35)

The report went on to state that it was proposing only the

acquisition by the Town of land parcels strategically situated and selected on the basis of low initial acquisition costs. The purpose of this was to provide Municipal parking for the proposed development just as the Town has provided Municipal parking for its thousands of commuters and for its retail customers in years gone by. In fact, the parking lots built in the Downtown Area for the retail customers still exist, mostly unused. These could become the basis for new Municipal parking areas for the proposed new buildings.

### Underground Parking

Unfortunately, the Town Board chose instead, against the advice of all its planners, to legislate that 90 percent of all parking required for new buildings be built UNDERGROUND. For example, suppose a builder owns 20,000 Square Feet of property and decides to build 40,000 SF of building all conforming to the law. He would need one parking space for each 250 SF of building for a total of 160 cars - 144 of

which would have to be underground. Allowing 400 SF per parking space (including ramps, driveways, etc.) he would need 57,000 SF of land underground. Since he only owns 20,000 SF of property, he would need to build 3 underground levels of parking.

In 1971, the Municipal Parking Garage, built above ground on Duffy Avenue cost over 4 million dollars for 1200 cars or \$3350 per

car. At today's costs, built underground, in 3 levels, it would cost at least \$5000 per car (probably much more). This amounts to \$20.00 per square foot of building cost before the building construction starts.

Since this is the only Zone on Long Island (if not the world) requiring underground parking, it follows it is the most expensive

## Accident Report

Jan. 9-9:30 a.m. - Cars driven by Elizabeth Adamzyil, 78 Main Parkway, Plainview, and Harold Skidmore, 14 Sagamore St., Plainview, collided on Central Park Rd. at Main Parkway, E. Plainview. Elizabeth Adamzyil, was taken to Central General Hospital with abdominal pain.

## SOCCER CLUB NEWS

(Continued from Page 7)

defense had made their day. High scorer for this team was Bobby Andrus, with 9 goals scored during the tournament. One interesting point of information - every boy on this team scored at least one goal including the goalie, who spent some time on the field. This is truly an example of team play. Individual honors were awarded to Adrian Pepe who received the MVP Award.

The Club as a whole enjoyed the Intramural Program Awards Ceremony which was held on Sunday, January 12, at Levittown Hall. During this ceremony, every boy on all first place teams in each Division during the last two seasons were awarded trophies. Upwards of 80 trophies were received at this annual event. The pride of the Clubs operation is in the Intramural Program. Congratulations boys.

## ANNOUNCEMENT:

Reserve Saturday, February 15, on your calendar for the Hicksville American Soccer Club's Valentine Dance to be held at Levittown Hall. Further details will be forthcoming. For information call Angela Simi - 735-8937.

## St. Ignatius Loyola. Announces Free Milk Policy

St. Ignatius Loyola School today announced a free special milk policy for Hicksville school children unable to pay the full price. Local school officials have adopted the following family size and income scale to assist them in determining eligibility.

New York State - Family Income Scale - 1974-75

Number in Family Unit	GROSS ANNUAL INCOME	Free Special Milk
1	\$ 2910	
2	3830	
3	4740	
4	5640	
5	6480	
6	7310	
7	8060	
8	8810	
9	9510	
10	10190	
Each Additional Member	670	

"Family" means a group or related or non-related individuals, who are not residents of an institution or boarding school, but who are living as one economic unit. This includes son, daughter, relatives, etc.

"Income" means all sources of earned or unearned monies which would be available to the "family" to pay the price of a child's milk. "Hardship deduction" - The above scale can be reduced by the value of the following expenses which you may have to pay; Excessive medical expenses; Shelter costs above 30 percent of your "Income"; Education expenses for handicapped children; and Disaster or Casualty losses.

"Foster Children" - A foster child placed in a private residence, where adoption is not involved, would be eligible under the criteria for a family of one, if the income for that child does not exceed the applicable Family Income Scale. This provision is in effect regardless of the gross income of the foster parent.

Families falling within these scales, which provides for adjustment for uncontrollable financial hardships, are urged to apply for free special milk for their children. They may do so by filling in the application forms sent home in a letter to parents. Additional copies are available at the principal's office in each school. Applications may be submitted any time during the school year. The form itself is simple to complete and requests information needed to determine economic need based on the income and number of persons in the family and any uncontrollable financial hardships which affect the family's ability to pay for special milk. Provision is included for foster children. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility.

Vamps answered 28 Alarms 14 Rescue calls, 6 Fires, 1 Fatal and 8 Malicious False alarms. 3 MFA just prior to the fatal house fire, and 3 later on that evening.

Congratulations are in order to 4 members of Co. No. 5. Ex-Chiefs Harry Borley and Val Kerbs and Fireman Joe Braun celebrated 50 years service with the Hicksville Fire Dept. (Ex-Chief Walter Wertarsen of Co. No.5 was given the fireman of the

Year Award for his actions at a major Fire and Explosion April 8, 1974, on West Cherry St. their Service to the Community and devotion to Duty serve as an inspiration to us all.

Remember in your prayers Fireman Fred "Fritz" Braun, Co. No.3 who lies seriously ill in Mercy Hospital, Rockville Center. We pray for a speedy recovery for Fritz a good fireman, a good friend and always a gentleman.

## We Are All Invited

### Local Ecumenical Services

The 17 Churches in the Hicksville-Plainview-Bethpage area that are members of the Mid-Island Ecumenical Council will install their 1975 Officers during the Opening Service of the Week of Prayer for Christian

Unity (Jan. 19 - 26).

Using the theme "Reconciled by the Christ Who Renews, Frees and Unites", the schedule for the Council's Unity Week Services this year will be planned by a Committee from each com-

munity, and in some instances, will follow the guidelines set forth by the Dept. of Faith and Order of the National Council of Churches in collaboration with the Graymoor Ecumenical Institute and the Commission on Faith and Order of the World Council of Churches and recommended by the Bishops' Committee for Ecumenical and Interreligious Affairs of the National Conference of Catholic Bishops of the United States.

The Opening Service will be held in St. Martin of Tours Auditorium on Sunday, Jan. 19th at 7:30 p.m. The Rev. James J. Benson, Pastor of Hicksville Methodist Church will officiate at the installation of the new Officers. This will be followed by a presentation of the Covenant Players, the largest Christian touring repertory company in the country. Based in Reseda, Calif., the 28 units of the Company have given over 100,000 performances throughout the United States and overseas. Using satirical humor, Covenant Player drama is designed to relate Christianity to the modern world. Employing a dialogue - audience participation technique, they seek to generate in people a deeper, more exciting and purposeful dedication to the commitment they have already made.

On Wednesday, Jan. 22nd, the Churches of Hicksville are sponsoring a Day of Fast in order to bring to all an awareness of the conditions of famine and poverty in the world, and the necessity of bringing the Gospel to the poor and needy. The day will be climaxed by a Soup and Bread Supper from 6 to 8 PM at St. Ignatius Church and will conclude with a Prayer Service. The offering will be donated to a worthy allied charity.

On Thursday, Jan. 23rd, the Churches of Plainview will have their Service and on Friday, Jan. 24th, the Youth of the Council will be hosted by the Young People of the Bethpage Churches at St. Paul's Lutheran Church in Bethpage. (N.E. Adults are also invited to attend.)

The Closing Service of the Week will be held at the Bethpage Methodist Church on Sunday, Jan. 26th. ALL services begin at 7:30 PM unless otherwise specified, and end with an Hour of Fellowship. The Council extends an invitation to all the people in the Mid-Island area to attend as many of the Services as possible.

## Presents Testimony Against Phone Co.

Commissioner Adelaide Attard of the Nassau County Department of Senior Citizen Affairs presented testimony today before a hearing of the State Public Service Commission on the New York Telephone Company's proposed \$488,800,000 rate increase at the Board of Supervisors' hearing room at the County Executive Building in Mineola.

Speaking on behalf of Nassau County's 170,000 senior citizens, Commissioner Attard asked the Commission to consider the economic plight of the elderly who "cannot absorb one extra dollar into their monthly budgets."

"In its advertising campaigns, AT&T has, for years, used the telephone as a symbolic lifeline to the world. Families are visualized as being brought together across continents...medical assistance is summoned in the night...police and firemen are but a dialing digit away", the Commissioner testified. "The inevitable result of granting the company's proposed five million dollar increase", she warned, "will be to permanently disconnect from the mainstream of life those who need their telephone most urgently."

Major Development in Women's Haircoloring.

## Get Rid Of Gray Hair Some Of It Or All Of It

Time-lapse photographs show how gradual action of Lady Grecian Formula lets you control just how much gray you slowly get rid of - some of it or all of it.

WHITE PLAINS, N.Y. (Special)—Thousands of women all over the country are discovering a remarkable new product specially developed and tested for women's hair. It not only takes the guesswork out of hair coloring but also eliminates the gray roots problem that has for years been a thorn in the side of all women who color their hair. Lady Grecian Formula is not a dark messy dye. It is a colorless liquid as easy to use as water. There is no mess, no complicated instructions, no

strand tests, no clock watching. Simply brush Lady Grecian Formula through your hair every day and you will see the gray slowly fade away. You are in complete control. You can get rid of as much gray as you want—some of it, or all of it. When your hair reaches just the lovely natural-looking color you want, weekly use thereafter is all that's necessary to keep your hair just the way you want it with no gray roots problem ever. Lady Grecian Formula is available now at:

## Accepts Site For Historical Preserve

The Town Board today accepted for historical preservation, a parcel of land known as Fort Hill which overlooks the hamlet of Oyster Bay.

The parcel, donated by Hempstead Bank, is located on the west side of South Street and is adjacent to Oyster Bay Fire Company No. 1 (see attached map).

It is historically significant in that it was part of a military fortification which was used by British Lt. Col. John Simcoe and his regiment of Queens Rangers

during the American Revolution when it was known as Fortified Hill.

Oyster Bay was an important post during the British occupation of Long Island. Shelter from the Long Island Sound by Centre Island, it afforded a secure harbor for small vessels and its fertile soil supplied ample forage. It was the headquarters for Simcoe during the winter of 1778-79. The land accepted by the Town today, is believed to have served as a lookout point, since it afforded a clear view of almost the entire Oyster Bay Harbor.

## Drive Started to Support Local Scouting Activities

The start of a fund drive to support local scouting activities in 1975 was announced today by the Nassau County Council, Boy Scouts of America.

The goal is to raise \$250,000.00 primarily through expansion of its adult membership roll, which now has about 11,000 such members.

Charles Greenman, executive director of the Nassau Council, said the membership drive is the chief means of providing funds this year for scouting operations. There are almost 25,000 scouts, ranging from cubs to explorers.

"We know that everyone is faced with demands on their pocketbooks, but we think parents and others should look at a contribution to scouting as a real investment in the future, one that can pay fantastic dividends," said Greenman.

Stanley M. Blauser of Manhasset, assistant vice president, operations, of New York Telephone's Suburban Territory, which includes Nassau and Suffolk, is serving as drive chairman. Mr. Blauser, long active in scouting activities, served as president of the

Brooklyn and Suffolk Councils, of Boy Scouts.

The drive begins with a special meeting next Thursday, January 16th at 8 pm, at the Westbury Manor, with key district and council leaders slated to go over plans to publicize the campaign and contact prospective members.

### LEGAL NOTICE

#### STATE OF NEW YORK DEPARTMENT OF ENVIRONMENTAL CONSERVATION

NOTICE OF APPLICATION FOR PERMIT TO DISCHARGE UNDER PROVISIONS OF NEW YORK STATE POLLUTANT DISCHARGE ELIMINATION SYSTEM APPLICATION NO. NY-0076236 Notice is hereby given that, pursuant to Titles 7 & 8 of Article 17 of the Environmental Conservation Law of New York State and the issuance of permits under said Law, Metatronics Manufacturing Corporation, 111 Bloomingdale Road - Hicksville, N.Y. 11801, Attn: Walter A. Long, P.A. has filed a permit application with the New York State Department of Environmental Conservation at its office at 50 Wolf Road, Albany, New York 12201, where the application and related documents are available for public inspection.

The applicant proposed to discharge treated industrial wastes into groundwaters via a subsurface sewage disposal system from their facility located at 111 Bloomingdale Road, Oyster Bay (T), Nassau County, at which facility the applicant operates a sheet metal fabricating business. This is an existing discharge.

The New York State Department of Environmental Conservation tentatively intends to issue a State Pollutant Discharge Elimination System (SPDES) permit for the subject discharge(s). A final issuance will follow: (1) review of the application to assure compliance with all applicable provisions of Article 17 of the Environmental Conservation Law of New York State and all applicable provisions of the Federal Water Pollution Control Act Amendments of 1972 (P.L. 92-500); (2) development of special conditions setting forth specific effluent limitations and other controls applicable to the discharge(s) described above including schedules of compliance; (3) development of monitoring and reporting requirements for the applicants performance; (4) consideration of all written comments from persons who qualify, as described below, as interested parties on this notice of application.

Any person interested in this application who wishes to comment thereon or become an interested party in any proceeding regarding this application must notify the undersigned in writing stating specific areas of interest on or before February 17, 1975. All such written comments will be retained by the Department and considered in the formulation of the final determination. Any such interested party will be eligible to be heard if a public hearing is ultimately held in connection with this application. Further information may be obtained from the New York State Department of Environmental Conservation, Division of Pure Waters, Room 201, 50 Wolf Road, Albany, New York (457-6997, 457-5115).

## Around The Town

LINDA NOETH SCOTT  
796-1286  
IRIS WIDDER - WE 1-0853

Announcement has been made by Mr. and Mrs. Charles Welch of Wantagh of the engagement of their daughter, Suzanne Theresa, to Ronald Zellum, son of Mr. and Mrs. Steven Zellum of Plainview.

Dorothy and Anthony Franco are the parents of a daughter, Danielle, born Jan. 13 at Nassau Hospital, Mineola. Proud grandparents, Mr. and Mrs. John Truglia, 100 Raymond St., Hicksville, tell us that the beautiful little miss weighed in at 9 lbs. 8 oz. Proud paternal grandparents are Mr. and Mrs. Michael Franco of Westbury. Great grandparents include Amanda Wesnofske, 85 Lee Ave. Hicksville, and Mr. and Mrs. Anthony Buffalo of Westbury. Mom was formerly employed at Chez Jackie on Broadway, Hicksville.

Happy birthday to Peter Cobb, 27 Sleepy La., Hicksville, who will be 12 on Jan. 18.

The next regular meeting of the Friendship Club will be Monday, Jan. 20, at 11 a.m. at the United Methodist Church, Old Country Rd., Hicksville.

It's "Happy Birthday" to Glenn Prendville of Dakota Street, HICKSVILLE, who will be six on January 22nd.

Nancy Ann Rabell

### Horowitz-Rabell

Mr. and Mrs. Lewis Rabell of Hicksville have announced the engagement of their daughter, Nancy Ann, to Robert Allen Horowitz, son of Mr. and Mrs. Daniel Horowitz of Hicksville.

The future bride is a student at Nassau Community College. Her fiancé is a student at the State University of New York at Stony Brook.

A July '76 wedding is planned.

Get well wishes go to Mrs. Louise Nelson, Spruce St., Hicksville, who is presently a patient at Syosset Hospital.

Paul F. Lewandowski, of Chester, Va., has announced the engagement of his daughter, Cheryl Ann, to Donald Edward Simpson, of Hicksville.

Miss Lewandowski, who attends the Pan-American Secretarial School, is also the

### IN CONCERT

(Continued from Page 4)

and Barbara Lipton (band); Frank London and Phil Miller (Stage Band).

Twenty Hicksville High School students were selected for the All Nassau County Band, Chorus and Orchestra. The students selected are: Karen Frances, Chris Darnowski, Geoffrey Hoderath, Pamela Parker, Sharon Gruenwald, Patricia Thompson, Robert Zubaly, Beverly Bonsang, Lee Shulman, Robin Flitz, Lisa Danchig, Valerie Sulzinski, Michael Pakaluk, Jay Yasen, Jeff Powell, Allison Cormier, Stephanie Sadles, Carole Toner, Heidi Shikowitz, Angela Santamaria.

The groups will perform on Sunday, Jan. 19, at 3 PM in the auditorium of C.W. Post college.

daughter of the late Mrs. Louise Lewandowski. Mr. Simpson attends the State University Agricultural and Technical Institute at Farmingdale.

Happy birthday to Gene Bogart, Son of Dot and Bob Bogart, 30 21st St., Jericho, who will celebrate Jan. 17.

Navy Fire Control Technician Seaman James J. O'Donnell Jr., son of Mr. and Mrs. James J. O'Donnell of Acre Lane, Hicksville, has returned to Norfolk, Va., after a six-month deployment to the Mediterranean.

O'Donnell and his shipmates also visited several Mediterranean countries, including Italy and Spain.

# Stop the Torture of Vicious Itching

Even Personal Membrane Itching

Now you can get fast, long-lasting relief from the tortures of itching, chafing, rashes, dry skin eczema, even embarrassing membrane itch (vaginal and rectal) with LANACANE Medicated Cream. Any itch causes scratching, causes more itching, that's the misery of what Doctors recognize as the "itch-scratch-itch cycle." LANACANE works because it breaks this cycle... relieves itching fast, quiets the urge to scratch.

#### STATE OF NEW YORK DEPARTMENT OF ENVIRONMENTAL CONSERVATION

#### NOTICE OF APPLICATION FOR PERMIT TO DISCHARGE UNDER PROVISIONS OF NEW YORK STATE POLLUTANT DISCHARGE ELIMINATION SYSTEM

APPLICATION NO. NY-0076252

Notice is hereby given that, pursuant to Titles 7 & 8 of Article 17 of the Environmental Conservation Law of New York State for the administration of and the issuance of permits under said Law, Servo Corporation of America, 111 New South Road, Hicksville, N.Y. 11802, Attn: Charles Kutkiewicz, Plant Engineer has filed a permit application with the New York State Department of Environmental Conservation at its office at 50 Wolf Road, Albany, New York 12201, where the application and related documents are available for public inspection.

The applicant proposed to discharge treated industrial wastes into groundwaters via a subsurface sewage disposal

system from their facility located at 111 New South Road, Oyster Bay (T), Nassau County, at which facility the applicant manufactures electronic and optical parts. This is an existing discharge.

The New York State Department of Environmental Conservation tentatively intends to issue a State Pollutant Discharge Elimination System (SPDES) permit for the subject discharge(s). A final issuance will follow: (1) review of the application to assure compliance with all applicable provisions of Article 17 of the Environmental Conservation Law of New York State and all applicable provisions of the Federal Water Pollution Control Act Amendments of 1972 (P.L. 92-500); (2) development of special conditions setting forth specific effluent limitations and other controls applicable to the discharge(s) described above including schedules of compliance; (3) development of monitoring and reporting requirements for the applicants performance; (4) consideration of all written comments from persons who qualify, as described below, as interested parties on this notice of application.

Any person interested in this application who wishes to comment thereon or become an interested party in any proceeding regarding this application must notify the undersigned in writing stating specific areas of interest on or before February 17, 1975.

All such written comments will be retained by the Department and considered in the formulation of the final determination. Any such interested party will be eligible to be heard if a public hearing is ultimately held in connection with this application.

Further information may be obtained from the New York State Department of Environmental Conservation, Division of Pure Waters, Room 201, 50 Wolf Road, Albany, New York (457-6997, 457-5115).

## New Method Found To Prevent "Cafe Coronary"

Rescuer grasps victim from behind with both hands just under the rib cage and with a sudden tug pulls hard against his upper abdomen. This forces the diaphragm up, compresses the lungs and propels the food up and out of the windpipe.

Ever Hear of the "Heimlich Maneuver"? It is a lifesaving technique that prevents people from choking to death. Everyone should know it.

It was developed by Dr. Henry Heimlich, Director of Surgery at Jewish Hospital, Cincinnati, Ohio. The maneuver consists of standing behind the choking victim, quickly grasping both arms around the victim's waist, one hand gripping the other wrist, and then pressing forcefully into the victim's diaphragm just below the ribs. This maneuver compresses the lung and expels the matter choking the victim.

The term "Cafe Coronary" was given many victims who at one time were thought to have died in restaurants from heart attacks, only to find out they actually had choked to death on a piece of food. It is the 5th major cause of accidental deaths in this country.

About 4,000 people die of it each year. Dr. Heimlich advocates teaching of this maneuver in every home, school and restaurant.

We wish to note that when using the "Hug of Life" the victim should be leaning forward from the waist with his head, arms, and upper torso hanging down.

**INDEPENDENCE DAY:** Oyster Bay Town Supervisor John W. Burke (left) presents a proclamation proclaiming Ukrainian Independence Day to Marta Podolivk of Hicksville and Vladimir Atlas, President of the Nassau County Branch of the

Ukrainian Congress Committee of America. January 22 is the anniversary of the Declaration of the short-lived National Republic of Ukraine, which came under Russian authority after a bitter struggle.

## The quiet bank has something to shout about.

## Dividends.

Queens County Savings Bank was founded in 1859, the first savings bank in the County. Ever since, we've paid uninterrupted dividends to our depositors. In fact, our latest was the 300th dividend payment — another "first" in the County.

Today, we're a \$580 million bank with five offices in Queens and two in Nassau. We've grown to where we are by going quietly about our business — advising people on the best way to save and then paying them the highest rates the law allows on Regular and Day-of-Deposit to Day-of-Withdrawal accounts, compounded daily, credited quarterly. The highest rates allowed are also paid on 1 year to 7 year Time Savings Certificates. Each depositor's account is insured by the Federal Deposit Insurance Corporation up to \$40,000.

Just tiptoe in to the Queens County office "just around the corner" from where you live or work.

We'll tell you about all the things we can do for you.

Quietly, of course.

## NEWS BRIEFS

### Naturalist Society To Meet

The Gregory Museum Naturalist Society will meet Monday, January 20th, 8:00 PM, at the museum, Heitz Place, Hicksville. Program for the evening: "The Story Of Franklin New Jersey Minerals." Meeting is open to the public. For any additional information call 822-7505.

### Hicksville PTAs Sponsor Legislative Forum

A cordial invitation is extended to all people in the Hicksville community to be present at a "Legislative Forum" sponsored by the Hicksville Council of PTA Units on Thursday evening, January 30th at 8:45 PM at the Hicksville Junior High auditorium.

The four Assemblymen representing Hicksville (Assemblyman Joseph Reilly, Lewis Yevoli, George Murphy and Angelo Orazio) will give a 5-minute synopsis of what they expect from this year's Legislature followed by a question and answer period which will flow over into a coffee hour.

"This is your opportunity to reach the people who make decisions affecting you" — from taxes to consumer matters.

### Library Concert

Sunday January 19, at 3:00 pm the Hicksville Library Huntington symphony String Quartet will appear. The group consisting of Michael Tolemeo, first violin; Patricia Rudoff, second violin; Claudia Wolington, viola and Susan Rubner on the cello will perform works of Mozart, Beethoven and Mendelssohn.

The Hicksville Library Music Series is partially funded by the Office of Cultural Development of Nassau County, John Maerhofer, Director and the Music Performers Trust Fund.

All the community are welcome to attend this free concert held in the library auditorium.

### ACS Suggests Memorial Fund

Joan Martin, Memorial Chairman of the Hicksville Branch, American Cancer Society, requests all Hicksville residents to help carry the sword of hope for those who have lost the battle against cancer by contributing to the American Cancer Society's Living Memorial Fund.

Help conquer cancer and memorialize a loved one: A memorial card will be sent in your name. Special Occasion cards are also available. Call Joan Martin at 938-9663 for details.

### Parents Club To Meet Tuesday

The Parents' Club of Holy Trinity High School, Hicksville, will hold its next meeting on Tuesday, Jan. 21st, at 8:30 PM. A drawing for a free membership to the 300 Club will take place. Refreshments will be served.

### Woodland Ave PTA To Meet

A discussion of the present math and reading curriculum in the Hicksville public schools and what new math and reading programs are being introduced will be held at a meeting of the Woodland Ave PTA on Tuesday, January 21st, at 8:30 PM.

Guest speakers will be Mr. William Granville, Assistant Principal for Elementary Math in Hicksville and Mr. Jack Miller, Assistant Principal for Elementary Reading in Hicksville.

### Concert

On January 18th, Congregation Shuare Zedek will present a 30-piece orchestra with Wine and Cheese to follow at the Hicksville Jewish Center on Jerusalem Avenue and Maglie Drive, Hicksville. Donation is \$13 a couple.

## Calendar of Events
