School Board Comments On Preliminary Budget

At its meeting on February 11th, the Board of Education set Wednesday, June 4th, as the date for the annual public referendum on the proposed school budget for 1975-76, and for the election of school trustees.

By law, qualified voters are thus given the opportunity to approve or disapprove the proposed educational programs and services which the schools must provide during the coming school year.

It is a difficult task to develop an acceptable school budget in any year; but the widespread inflationary cost spiral, the decline in the general economy, and the increasing number of unemployed makes the task much harder this year than in most prior years.

Hicksville citizens have provided continuing support for good programs of education down through the years of burgeoning enrollments and large-scale school building programs. They have provided many diversified cultural and basic instructional courses for all the children of our community. Many special opportunities in art, languages, dramatics, music, vocational training, business education, extra-curricular activities, adult and continuing education, and other areas of curriculum have given our pupils a very enriched educational offering.

The presence of these good school programs has made Hicksville a very pleasant community in which to live and work. They have added to the value of our homes, and have insured a high level of stability in our population. Without doubt, Hicksville has been good to its schools; and the schools have

been good for Hicksville.

It is against such a backdrop of prior experience, that the Board of Education must now carefully weigh all of the educational problems and economic priorities which now confront us.

A first "go round" on budget requirements for the forthcoming year, presented a staggering set of proposed figures and increased costs of \$3,828,027. It now seems obvious that no great amount of either increased federal or state aid may be expected in the new year. Therefore, unless new state aid legislation is enacted, local taxpayers will be required to pay most, if not all, of any additional approved school tax burdens. This year, also, most Nassau and Suffolk schooldistricts, including Hicksville, also face special state aid problems. The present state aid formulae could result in a loss of about three-quarter million dollars in present state aid to our district, because of rising assessed valuations per child, declining enrollments, and a lowering of the county and township state tax equalization percentage rate. The special 1.25 index ratio for paying state aid for secondary pupils, and the dollar save-harmless clause, and the payment of state aid on attendance, rather than enrollment, are features which benefit suburban districts such as ours, and these may all disappear unless our local legislators are able to secure continuing legislation.

As a result of these various factors, your Board of Education must necessarily look at every service provided by the schools. It will require many difficult decisions regarding educational

priorities and program curtailments to cut costs. Essentially, any school budget buys the services of people; the equipment and supplies necessary for instruction; and the related operational and maintenance services to haul children, keep them safely and adequately housed and fed; and to protect the citizens investment in buildings and facilities. To cut costs in any meaningful degree, your Board members will be required to make hard choices between many important and valuable services to children and community. When services are curtailed, jobs must be curtailed, and people must be taken from such jobs.

To make the right choices; to establish the best priorities; and to provide the right balance of services which people will support, and services which must be cut, will take community-wide study and participation in budget-priority decisions. Hence, it is the desire of your Board of Education to present the facts, and the alternatives to all the people for ultimate consideration. In the long run, the only people who can decide what kind of schools we have in Hicksville, are the citizens themselves. We can have as poor schools as we will tolerate, and as good schools as we will vote for and support. In the final analysis, the decision is really up to us. In the months ahead, we will be telling you much more about the budgetary choices which confront us. Hopefully, when June 4th comes around, we will have arrived at those decisions which will provide a 1975-76 budget acceptable to the citizens of our community.

Fiftieth Anniversary

Anniversaries are in the air these years. Now it is the Fiftieth Anniversary of the opening of the Hicksville Junior-Senior High school (currently the Junior

High) which is absorbing the attentions of residents and teacher who have fond memories of the distinctive looking school on Jerusalem Avenue.

Already some months in action, a planning committee consisting of Principal William Feigin, Assistant Principal Joseph Giambolvo, Program Coordinators Runhild Wessel and Richard Evers, Jack Meller representing School Superintendent Jerome Niosi, Mrs. Christine Cahalan and Mrs. Shirley Smith of the Parent-Teachers, G. Maynard Munch, Mrs. Gwen Schaaf and President James Fyfe of the Hicksville High School Alumni Association, Miss Susan Sullivan representing the Junior High School Student Council and Mr. Thomas F. Sullivan, interested citizen are busy planning for a week-long "50th Birthday Celebration" to commence June 1st.

Plans now shaping up include "open house" with special programs involving students each evening of the festival week and a grand finale on Saturday, June 6th. The general public is invited to visit this oldest of Hicksville's schools which was

completed in 1924 and formally dedicated in 1925. There will be ample opportunity for alumni of the school to relive the past and meet old classmates as well as to see again their one-time teachers. Every effort is being made to extend invitations to such senior, distinguished school board members and administrators as Mr. Frank Chumsky, Mr. Brengel, Miss Mable Farley, Mr. Leon Galloway and Mr. A. Albert Glass and Mr. Donald Abt and to a host of school board members, retired teachers and senior teachers whose years of service involved this grand school.

The planning committee is in the process of obtaining mailing addresses of a number of retired school personnel. If the public knows the present addresses of any of the following people it would be appreciate, if their addresses could be forwarded to Richard Evers care of the Hicksville Junior High School, Jerusalem Ave.

chapter's officers.

In addition to seeing a film on the development of the zeppelin, the first commercially feasible lighter than air craft, they also saw exhibits of food and books, watched a cooking demonstration and participated in a folk dance demonstration. They joined in various games and ate a German-style dinner before attending a dance, music for which was provided by a German band.

Business As Usual

A man coming home from work one night noticed a sign his son had tacked on the front of the house. It said: "Dog for sale — one cent. The man told his son to think in bigger terms. One cent was too low a price to pay for a dog.

The next day, the boy

changed the sign to read: Dog for sale — \$10,000. And when his father came home that night, he noticed that the sign was gone. "Did you sell your \$10,000 dog?" he asked his son.

"Yes," the boy said, "but I had to take as trade-in two \$5,000 cats."

DISTRICT CHAMPION On January 22, the Hicksville Public Schools conducted its Final Spelldown in the 1975 National Spelling Bee. A champion from each elementary school and the Junior High School assembled in the Board Room of the Administration Building to engage in the Bee that would determine the Hicksville Champion. After eighteen rounds had been completed, Nina Samowitz of the Junior High School and Steven Glassman of Old Country Road School were the survivors. Then, Nina made an error in spelling the word, "concussion." Steven proceeded to spell the word correctly. Then Steven was asked to spell the word "conscience," and he did. Under the rules of the Spelling Bee, that achievement made Steven Glassman the Champion.

Board Trustee, Cornelius McCormack; Principal, Murray Duncan; District Champion, Steven Glassman and his mother, Mrs. Jack Glassman pose for this shot after the District Spelldown.

FOOD'S THE SUBJECT AT FORK LANE: Mrs. J. Schlaff's second grade class at Fork Lane School, Hicksville, brought in various examples of farm produce as part of their social studies and provided a varied, nutritious lunch. The youngsters explained the workings of various types of farms, told about the articles brought in, and made their own costumes for the exhibit shown to children in the school.

The first grades of Mrs. Newborn, Mrs. Schreck and Mrs. Smith have scheduled a restaurant breakfast at Howard Johnson's, Tuesday, March 25th, as an activity to show a balanced meal.

FASHION SHOW: In step with the upcoming American Bicentennial, the Home Economics students of the Hicksville Junior High School paraded the newest red, white and blue fashions at the Fashion Show held Thursday, March 6th. Sponsored by the Simplicity Pattern Company, the show is held semi-annually and features Home Economics students modeling the newest styles.

Planned to encourage today's teens to sew at home and school, the show featured trendy fashions and American colors. Florals, patchwork, denim and checks dominated the design scene. A display of coordinated jackets and "mix and match" outfits are sure winners for the economy minded student. Machine trims add interest to the new fashions, with accents on embroidery and appliques. School attire, party styles, as well as suitable clothing for the oncoming summer season served as an inspiring incentive.

The show was coordinated by the Home Economics staff consisting of Mrs. Amato, Mrs. Lewis, Miss Connolly, Mrs. Glassante and Mrs. Richmond, and was well received by the attentive audience.

DAR Honors Senior Girls

Raynham Hall, Oyster Bay, was the scene on Monday evening, Feb. 24, of the Annual Candlelight tea in honor of two area high school senior girls. Miss Susan Peter, Hicksville High School; and Miss Barbara Trinklein, Lutheran High, Brookville, were honorees 89 and 90th of the Oyster Bay Chapter, D.A.R. in the Good Citizen Contest. Mrs. Joseph Meares, Chapter Regent and Mrs. Mamard Chittenden, Chairperson, of the annual event were proud to announce the names of these young ladies as the outstanding seniors in their

respective high schools.

East winner gave a five minute talk on the subject, "What Challenge Does the United States Present to the Youth of Today." Miss Peter based her speech on the challenge for morality and Miss Trinklein thought the unification of our country and the world presents the greatest challenge. Both speeches were outstanding and presented beautifully.

Mrs. Meares presented each young lady with a gold Good Citizen pin and a personal gift. Winners from each chapter are

eligible for the State wide contest in which the winner is given a \$1,000 scholarship.

It is the most prestigious contest in the scope of the D.A.R. work with young people and an honor which follows the young women aloft their adult life.

Following the presentation, a tea was served in the dining room at Raynham Hall. Parents and friends were in the audience. The evening left a warm glow in all adult hearts-wit the future in such capable hands, the U.S.A. will come through any adversities.

Over 125 parents participated in the "first time" conference for parents focusing on Teaching of Reading in Hicksville.

Mr. Frank Burke, Principal of the host school, Burns Avenue welcomed the participants to the conference. Dr. Jerome J. Niosi, Superintendent, in his introductory remarks stressed the dedication and commitment of the professional staff to the teaching of reading to all children in Hicksville. He continued his thesis that reading is a total school program, that it relates to all studies and that instruction be provided for all levels of development.

Mr. Jack Meller, Assistant Principal for Reading gave an overview "All About Reading in Hicksville" and the objectives of the conference which are:

1. To demonstrate to parents the levels of competency achieved in teaching of reading for all children.
2. To provide a public understanding of the complexity of reading instruction.
3. To focus attention on the cooperative work of reading specialists, classroom teachers and other ancillary services as related to reading instruction.

FAMOUS FICTIONAL CHARACTER DAY: Friday, February 7, was a very special day at Dutch Lane School, Hicksville. The building was alive with activity as we celebrated "Famous Fictional Character Day."

Under the leadership of radio station D-U-T-C-H, the students recreated, in costume, their individual fictional favorites. Awards were presented to many of the children for their creativity. Snow Whites, Mary Poppins and Huck Finns abounded as each child shared his character with his schoolmates.

Special thanks to the children of the 6th grade and Mrs. Darrow's 5th grade who worked for several weeks publicizing and promoting the event.

Everyone agreed, it was a day that will long be remembered.

Dear Friends ...

THE REFERENDUM for voting on the proposed Nassau County Legislature is scheduled for June 10th. You may feel that this is a desirable change, even though it will cost terrific sums of money which will continue to push the taxes of each and every Nassau County homeowner up again. We do NOT feel that this is wise. We believe that the breaking point for the average WORKING man as to what taxes he can pay, has long since passed. Furthermore we do not believe that the amounts which Republicans and Democrats alike tell us that this County Legislature will cost, will remain at their estimated figures ... even for a short period of time. It just never happens that way. It didn't in Suffolk County, (where they are continually bucking for more and more money) ... and it won't in Nassau. We have too much government already. And, if the Courts feel that the present Board of County Supervisors must be changed. Let them change the areas geographically ... BUT NOT THE SALARIES AND NOT THE NUMBER OF PEOPLE SERVING US. It can be done.

It is up to us to make our wishes known on June 10th when we will have the opportunity to vote on this matter. Why not put this date down on your calendar right now ... be sure that you are registered, and then go down to the polls and make your wishes known. This is the way that our government works ... it's really up to us.

THAT'S ALL for this week. We wish all our friends of the Jewish Faith, a Happy Passover.

Letters To The Editor

Dear Local Organizations:
The Hicksville Bicentennial Committee has been meeting for several months to discuss and plan Bicentennial Celebration activities for Hicksville.

This committee has three co-chairmen: Mr. Richard Evers, Hicksville historian and member of the American Revolution Bicentennial Commission of the Town of Oyster Bay; Mr. Jack Landress, well known Boy Scout Leader in the Hicksville area; and myself.

As president of the Hicksville Community Council, I have volunteered my services to the committee to serve as a clearing house for all organizations in Hicksville who may be planning any kind of Bicentennial Celebration activity.

If you will let me know what activity you are planning, giving me the time and place and date of the activity, I will set up a master calendar of all Bicentennial Celebration activity in Hicksville. This should be of mutual interest and assistance to all organizations to avoid date as well as activity conflicts. It will also enable us to publish a calendar of Hicksville Bicentennial activity.

You can mail me the details of your plans at 191 First Street, Hicksville, N.Y. 11801.

Let's all work and plan for a series of meaningful celebrations to commemorate our Nation's 200th Birthday beginning now.

The first organized Hicksville Bicentennial activity will be on April 19, to commemorate the

anniversary of Lexington and Concord. This activity will be at the Gregory Museum, Heitz Place, Hicksville, from 10 AM to 4 PM.

What is your organization going to do?

Sincerely,
Siegfried R. Widder,
co-chairman
Hicksville Bicentennial Committee

Dear Editor:
Despite last week's chilly winds, sleet and snow, Friday, March 21 is the first day of Spring, and a time for many homeowners to face the annual chore of "Spring Cleaning." Carefully preserved odds and ends that were judged "worn but useful" last Fall have amazingly turned to junk over the Winter months and will soon be lining the curbs of Town streets awaiting pickup by the Town's Sanitary Collection Services.

This is only one of the problems faced by the men responsible for the collection of some 600 tons of garbage and trash each day from the 64,000 homes in the Town's two garbage collection districts. The job of the Sanitary Collections service starts where the homeowner's efforts end - at the curb. Every homeowner can help the Town do this job efficiently and safely.

Bulky items, such as old furniture, refrigerators, washing machines, etc., require special handling and equipment. Unlike other municipalities which usually designate an annual

special cleanup day for such material, Oyster Bay provides this special service on a year-round basis by appointment. Residents in a Town garbage district can arrange to have bulky items picked up by calling 921-3850.

As an alternative, you might wish to "recycle" an item if it is in usable condition by donating it to an organization such as the Salvation Army, St. Vincent DePaul Society or Goodwill Industries. A local church or youth center might also be interested in a scarred but serviceable refrigerator or TV.

Residents are reminded to use the proper containers; conventional containers, by Town regulation, should be no larger than 32 gallons capacity nor weigh more than 50 pounds when filled. Heavy-duty plastic bags may be used in place of containers but should not exceed the 50-pound filled weight limit.

Branches, lumber and tree prunings will be collected on normal trash days. The material must be no more than four feet in length and securely tied in bundles not weighing more than 50 pounds. You may put out as many as 10 bundles, but the total aggregate weight must not exceed 200 pounds.

Your cooperation will help all of us to keep the Town of Oyster Bay a clean and healthy place to live.

Yours truly,
John W. Burke,
Supervisor TOB.

Operation VFW

We have just added five more members to our roster. Two of them are transfers - Joe Capaldi and Alex Harris...the other three are new - John O'Brien, Bill Atleson and Lou Addimando. We of our Post wish to welcome these new comrades into our fold. We hope you become active and thereby enjoy the fruits of our joint endeavors.

Too many vets ask what the VFW has to offer if they join. All we have to offer is comradeship and good fellowship. PLUS any efforts each one of us may put into it. So, come on in...the water's fine.

Harry Wurth explained the scholarship fund. If you are a comrade and have a child or grandchild graduating from high school and wish a little help to send them to college, then it would be a good idea to get in touch with Harry.

tenants leaving in the middle of night etc.

Supervisor Burke called a recess at the conclusion of Mr. Lewis' comments after indicating that the board will reserve its decision, the time was 11:48.

When the meeting resumed the next 19 items on the agenda were dispatched in quick succession. The board was adjourned at 12:30.

Mr. Oscar Summers was the first speaker from the audience to air his views to the Board. He was in favor of dismissal of the Labor Advisory Board, questioned the hiring of a new Public Information Officer and would favorably view any means to reduce government spending. Mr. Summers expounded on the poor condition in which the streets were being cleaned, only to be reminded that the street he had reference to was a County Road. he was opposed to Free Winter Storage at the Roosevelt Boat Basin and in conclusion felt that temporary ramps should be installed at Beekman Beach to facilitate the Spring Launching of bigger boats that couldn't utilize those ramps that are now available.

New Johnny Cash Film To Be Shown

The story is old, but the perspective is up-dated and brought into sharp focus by the film THE GOSPEL ROAD to be shown on Sunday, April 6th, at the United Methodist Church, Old Country Road and Nelson Avenue, Hicksville. The showing will begin at 7:00 p.m.

THE GOSPEL ROAD, distributed by World Wide Pictures, was conceived and

produced by Johnny Cash and his wife, June Carter Cash, whose desire was to tell the story of Jesus Christ in a realistic and meaningful way.

The film is a unique blend of scripture-based narrative, an abundant supply of specially written songs, and a series of in-depth character portrayals, with Israel itself as the mixing bowl.

You are there, walking beside the Jordan and the Sea of Galilee; you are there, seeing Him in many human situations that establish a practical and personal rapport with every viewer. You are there, being introduced to the disciples, and gaining insights into their varied personalities. You are there, experiencing the highly charged emotional impact of the trial before Pilate, and becoming so personally involved that you feel sympathetic pain when Robert Elftstrom in an outstanding portrayal of Christ, suffers the physical attack that predestines the Crucifixion.

Adding to the effectiveness of THE GOSPEL ROAD in its endeavor to convey reality for this day are: the fascinating treatment of the Crucifixion, making this tragedy an event of significance that reaches from its own time across the years to take on meaning for all men of all ages; and the songs and background music of Johnny Cash and other outstanding musicians, whose contemporary style is not out of keeping with the story... a story that reveals that His darkest day has become our brightest.

To Honor Eight

Church To Celebrate 75th Birthday

SCHOLARSHIP WINNER: On March 2 Mary Anne Bishop, an 8th grade honor student at St. Ignatius Loyola (Hicksville), won the Patricia Hauser Memorial Scholarship to Holy Family Diocesan High School in South Huntington.

The one-year scholarship was based on talent. At the audition Mary Anne competed with 8th grade students from Nassau and Suffolk Counties by singing "The Sound of Music" accompanied by Nancy Harman of Hicksville. The final competition was based on acting and dramatic interpretation.

Mary Anne expressed her thanks for the support and prayers of her many friends in Hicksville.

In March of 1900, 20 persons gathered to become the Methodist Church of Hicksville. On Palm Sunday, March 23rd, the 1350 member United Methodist Church will celebrate its 75th Anniversary.

On this occasion eight persons holding membership for over fifty years in the United Methodist Church of Hicksville, will be honored. The celebration will begin with a United Service of Worship at 10:30 a.m. The Service will include the recognition of 25 year members; the honoring of fifty year members; special music provided by the 100 voice massed

choirs under the direction of Richard D. Bean; trumpet accompaniment of some of the great music of the church by Dr. Charles Gouse; and the distribution of the Palms.

The Pastor of the church, The Reverend James Jay Benson, has indicated that the life and spirit of the church, its growth and ministry to the community are all tied together in the title of his sermon "Built On Faith".

Following the Service there will be displays of memorabilia of the 75 years of Methodism in

Hicksville, in the Social Hall. An Anniversary Dinner will be served at 1 p.m. at the church. The Program will feature some old fashioned hymn singing, reflections by some of the fifty year honored guests, and ample time for sociability.

Being honored on this occasion are Mr. Elery Bean, Mrs. Emille Colthurst, Mr. Benson Daines, Miss Victoria Daines, Mrs. Evelyn Janke, Mr. Harry Kremp, Mrs. M. Elinore Leckie, Dr. Morley Smith and Mrs. Louise Wennagel.

At The Town Board Meeting

BY GERRY KAHN

The hearing on the Petition of Lewis, Lewis & Lewis Builders, Inc. for rezoning of Residence D to Business F in Massapequa took approximately two hours. It was the first item on the agenda at the Town Board meeting held this

past Tuesday morning March 18th.

Mr. Burt Nelson, a well known, Real Estate Appraiser, and Mr. Norman Gerber, a Traffic Expert, testified in behalf of the petitioner.

Mrs. Adeline Feige, representing the homeowners, immediately bordering the subject 2.2 Acres of land under consideration, was opposed to the rezoning. She indicated the vacant stores that existed in the surrounding area were sufficient to discourage anyone from attempting to erect any additional stores. Mrs. Feige, 77 years of age, spoke well and was given every courtesy by Supervisor Burke and the Board. She indicated that many of her neighbors had lived in those homes for several years and had no other place to go.

Mrs. Phylis Singer spoke against the change in usage and indicated that several properties in the area had been bought and

or rented by the Lewis Firm only to be permitted to deteriorate into a deplorable state as a means to an end. Mrs. Singer read from a well prepared speech.

Mr. Dave Berman, representing the Executive Committee of the East Massapequa Civic Association, suggested to the Board that in the event there was a favorable decision on the Petition that there were several changes in the Plot Plan that his Association suggested. These changes were carefully described by Mr. Berman, who in conclusion stated that if the changes would be complied with his Association would not be opposed to the granting of the change in Zoning.

The Petitioner was represented by Counsel, who presented the case for approval. Mr. Gilbert Lewis, the petitioner, made the last statements on the item, he stated by way of explanation the reasons why some of the homes

that his firm owned or rented in the area were boarded up and others left in the state of decay. In addition he mentioned that his firm had lost approximately \$12,000.00 in rentals because of

Cub Pack 293 News

Our March 6 Pack meeting was a fun-filled evening for all. The talent and ingenuity of the boys was remarkable. Each den performed an original skit as the program for the month. Den No. 3 entertained us with Charlie Brown and His Gang, Den No. 4's skit was reminiscent of the Miss America Pageant with quite an assortment of "beauties", Den No. 5 gave impressions of "old time" comedians doing the McDonald's commercial and the WEBELOS portrayed our favorite Super Heroes in a skit that showed that even if the Super Heroes of America forsake us, we still have the Cub Scouts. Our sincerest thanks to the boys and their leaders who worked so hard to present such an entertaining evening for all.

Tickets are available for a N.Y. Nets Playoff Game on April 6, 1975 at 2:30 p.m. Cubs and their parents are invited to attend at a

cost of \$3.00 per person. Please let us know as soon as possible if you are interested in attending. Permission slips and monies must be received no later than March 20.

On March 27 there will be a trip to Ed's Aquarium in Farmingdale. All cubs are asked to meet at the United Methodist Church in Hicksville at 4:30 p.m.

We would like to extend our thanks to the Gregory Museum for their courtesies to our Pack on March 8. The boys received a conducted tour of the Museum and were shown an exhibit of Scouting on Long Island. A lot of the memorabilia for the exhibit was contributed by Mr. Bob Hughes. Our sincerest appreciation to all for an enjoyable and educational day.

The following boys received awards at our March Pack Meeting: Robert Pardi - Den No. 4 - 1 silver arrow, David Bowen -

Den No. 4 - 1 silver arrow, Errol French - WEBELOS - Naturalist badge.

Our next Committee Meeting will be held on March 20 at 8 p.m. Our next Pack Meeting will be held on April 3 at 7:30 p.m. All meetings are held at the United Methodist Church of Hicksville (Nelson Ave. and Old Country Road). We invite all to attend. We are always anxious to have new boys join us. Please feel free to come to any of our Pack Meetings or contact Cubmaster Jim Mills (796-7240) or Pack Chairman Dan Davidson (796-8426). Our program for the April Pack Meeting will include an archery

demonstration by Mr. Frank Coppola.

Pack 293 wishes you all a very joyous Holiday season.

Hicksville Soccer Club News

The untimely snow storm of last weekend put a damper on all but a few Sunday games. In those games that were played, the Club did very well.

The Peeewe Reds blasted Bohemia 7 - 1 with P. Schnur accounting for 5 goals, M. Bell (1) and L. Sneddon (1) on, a well executed cross by L. Ziembecki. While the attack was scoring heavily, a well coordinated defense of T. Levy, F. Musumeci, D. Spadero with J. Knuth at goal cut their opponents scoring drive to a minimum. This win maintains the teams unblemished record so far this season as they had demolished Brentwood 7 - 0 last week. This successful team effort was accomplished by the scoring of L. Ziembecki (2), L. Sneddon (1), P. Schnur (2) and R.J. Nakashion (2). The scoring was assisted by the passing of M. Bell and J. Carroll. On defense, the ball never got past the fullbacks B. Maguire and R. Bell. The Peeewe Blues squeaked out a 1 - 1 tie against Bayside on an unassisted interception of a Bayside goal kick by F. Christiano. A strong attack was led by C. Bentley, L. Rubin, J. Busch and G. Skupinsky. As illustrated by the score, the defense was more than on its toes.

In another powerful exhibition, the Bantam Blues dumped Northport 6 - 2. D. Smyth pulled a "hat trick" including a picture

perfect head ball, on assists by B. Cresham and J. Maguire. The next 2 goals were scored by D. Bell on assists by B. Cresham and D. Smyth. The last goal was made by B. Cresham on an assist by D. Smyth. The defensive work was handled more than competently by R. Pearce, F. Schnur, B. Cheslock, F. Ascevedo and J. Morrisroe. J. Rubins at goal did his usual fine job.

At home, the Bantam Red team, sponsored by the Mid-Island Bowl was having a field day, handing Garden City a resounding 4 - 0 defeat. Their coordinated attack produced scores by A. Pepi, unassisted; B. Andrus, assisted by Pepi; D. Ench assisted by J. McCann and an especially exciting score by G. Tyranski who had been given a brief respite from goal tending. The total team effort including a strong defensive line kept the ball on their opponents side of the field for the entire game.

The Junior Blue game with Smithtown was called because of field conditions. This unscheduled "bye" dropped Hicksville into a 3 way tie for second place along with N. Babylon and Smithtown. Next week the Jr. Blues meet the league leading Bohemia team at 1 P.M., Sunday, on the home field.

Each team, its roster and sponsor will be highlighted as space permits. This week - the

Peeewe and Bantam Divisions.
