## Bicentennial Program

By Richard Evers

Hicksville will open its American Revolution Bicentennial celebrations this Saturday, April 19th, with a parade, ceremonies recalling the Battles of Lexington and Concord, day-long old-time musketry demonstrations and a special historical exhibit in the Old Heitz Place Jail.

Taking the lead in this first of several years' Bicentennial fetes in the mid-Nassau area is the Gregory Museum, with the keen support of the Hicksville Bicentennial Committee and the encouragement of the Town of Oyster Bay Bicentennial Commission.

April 19th, the storied date in American history, when the minutemen of Massachusetts, like Cincinnatus of old, laid down their scythes and plows to face the soldiers of oppressive King George III, will open with a parade from the Mid-Island Bowl on Nevada and Bay Avenues to the National Historic Place, the Heitz Place Courthouse, the home of the Gregory Museum.

Forming at 9:15, the parade will commence sharply at 10 A.M. A well-attended meeting of the Hicksville Bicentennial Committee, last week, revealed that numerous veterans, fraternal and youth organizations, will

have delegations and color guards in the procession honoring the heroes of the first engagements of the American Revolution.

Town Supervisor, John Burke, has offered the Town of Oyster Bay Bicentennial Flag for a symbolic raising at the Gregory Museum. Members of the 42nd New York Volunteers of the North-South Skirmish Association and the Fourth Virginia Regiment of the Stonewall Brigade, uniformed muzzle-loader enthusiasts and history buffs, will raise and salute the Bicentennial flag with historical arms ritual and volley fire.

Supervisor Burke will give the principal address. Many community leaders and citizens of Hicksville and other communities are expected to be on hand at some time during the day-long festivities. Following the formal commemorative ceremonies which will be marked by prayer and patriotic national airs rendered by the Police Boys Club Band, there will be on-the-hour demonstrations of the muzzle loading and firing of weapons of the years between the American Revolution and the Civil War. A simulated military encampment on the west mall of

the Gregory Museums, now occupying the Heitz Place Courthouse, will evoke memories of the earlier struggle for liberty and unity in America.

For those who may prefer a more quiet interlude there will be an opportunity to visit the historic Heitz Place jailhouse which will contain a special historical exhibit "The Beginning" of the American Revolution. On display will be a diorama created by the gifted artist, Gebesu depicting the British retreat from Concord Bridge, as well as flash, pictures, artifacts and weapons illustrative of the Colonial and Revolutionary Eras. This special exhibit will reflect the efforts of Gregory Museum's Historical Committee.

Master of Ceremonies for the commemorative program at the Museum, scheduled to start about 10:45, will be Sigfried Widder, President of the Hicksville Community Council and Co-Chairman of the /Hicksville Bicentennial Committee. Richard Evers, Bicentennial Committee Co-Chairman and historian for the Gregory Museum, has coordinated the many facets of the April 19th program.

Historical pageantry and patriotic sentiment will mingle anew in Hicksville, April 19th as the community marks the Bicentennial of Battles of Lexington and Concord with a commemorative program and old-time musketry and drill by uniformed members of the 4th Virginia Regiment of the Stonewall Brigade, historical enthusiasts.

## Cadets Ride 727

BY S/M RICHARD A. CALMA,  
INFORMATION OFFICER

March was a busy month for the Cadets and Seniors of Nassau Squadron Seven, Civil Air Patrol. It started with an orientation ride in an American Airlines Boeing 727-100 aircraft. Ninety-one members of the squadron were flown in the 727 for a forty-five minute ride around Long Island. The aircraft was flown by three CAP Senior members who are employed by American Airlines. The crew consisted of Colonel Louis Mahoney, Pilot; Chief Warrant Officer Kenneth Drusch, First Officer; and Lieutenant Joseph Santos, Flight Engineer.

Before the flight the Cadets were invited to sit in the cockpit and were shown how the various controls were used.

The next activity was a talk given by Mr. Vernon Taylor, an accident investigator with the National Transportation Safety Board. Mr. Taylor explained the purpose of the board, and how it investigates aircraft accidents. The squadron viewed a film that depicted several different accidents and their causes. Following the film, Mr. Taylor explained the causes of the two

recent airline crashes in Maryland and New York.

At the end of the month Nassau Seven toured the Nassau County Civil Defense Emergency Operations Center in Mineola. The Cadets were briefed on the operation of the Center, the Police 911 emergency center, and the Nassau County Fire Communications Center.

Civil Air Patrol is open to boys and girls 12 to 18 years old with an interest in flying, trips, activities, and scholarships. For information call 931-7013.

## Mobile Registration

Isabel R. Dodd and Marvin D. Christenfeld, Commissioners of the Nassau County Board of Elections, jointly announced a schedule of the first stops of the mobile registration unit.

The concept of a registration unit that travels to all the major communities in the county to facilitate the registration process is unique in that only the Nassau County Board of Elections provides that service. The unit is staffed by trained and skilled registrars, so that registration can be expeditiously and accurately accomplished. The usual time required to register at the mobile unit should be no more than five minutes. Use of the mobile unit for registration during the year has not only increased registration, but has made it possible for people to register early and conveniently and relieve the pressure of long lines during the regular October local registration days.

The released schedule only provides for stops up to May 17th. It will be expanded through August when information is known about dates for Primary Day and the Reapportionment Referendum.

The unit will be open for business, weekdays from 3:00 p.m. to 9:00 p.m. and Saturdays from 10:00 a.m. to 6:00 p.m.

## School Districts Receive Some Of Your State Tax Monies

State Comptroller Arthur Levitt reported on April 14 that he has distributed \$669,500,155.73 to school districts as part of the State's repayment of taxes to public schools.

The payment represents approximately 25 percent of the assistance due during the 1975-76 State fiscal year.

The distribution is the fourth to be made during the current school year. The 1974 Legislature changed the distribution formula

for all school districts. The apportionment is based on statistics for the 1973-74 school year.

New York City's share is \$183,070,020.75. Districts outside New York City are apportioned \$486,430,134.98. Nassau County received \$52,507,231.08.

Payments are made to school districts in accordance with computations made by the Department of Education and audited by the Department of Audit and Control.

# Nassau Supervisors Approve County Legislative Plan

The Nassau Board of Supervisors gave unanimous, bipartisan approval yesterday to a revised plan for the establishment of a 15-member County Legislature.

The Board's vote moved the issue of a County Legislature a step closer to a public referendum, tentatively scheduled for June. Before that can happen, however, the State Supreme Court must sanction the plan or suggest still another version.

Board approval came after a second public hearing, and like the first, the audience included a large representation of Nassau Democrat Party officials and spokesmen who contended that they had "a better plan" for the drawing of legislative district boundary lines.

Others urged the Board to postpone action, but Hempstead Town Presiding Supervisor Francis T. Purcell pointed out that board members "felt a responsibility to the voters to provide an opportunity for a

referendum this year."

"Because of election law requirements, primaries and such," he said, "any delay now would mean to be put off until late this year or next."

Supervisor Vincent Suozzi of Glen Cove, a Democrat, agreed. He said, "It's pointless to delay now in hopes of reaching boundary line compromises that will satisfy everybody."

Several board members refuted complaints that the proposed \$20,000 annual salary for a legislator was excessive. Purcell noted that salaries were "only a small part" of the costs involved in creating and maintaining a 15-member legislature, and said that all published cost estimates to date, including his own, were "extremely conservative." He added:

"Frankly, this Board is sick and tired of being accused of undermining chances for passage of the referendum whenever we tell the public the truth about

costs. Compared with our present governmental system, a County Legislature is going to cost a lot more, and that's a fact."

"Nobody really knows at this point how much more a Legislature will cost county taxpayers, because certain expenditures such as number of staff and salaries, office facilities, transportation, phones and postage allotments are left up to the discretion of the legislators themselves, after they're elected."

Purcell said that the law requires that the salaries be published before the referendum is held. He said that those who continue to "make an issue" of it are focusing public attention on "the total taxpayer bill for a County Legislature, and this more than anything else, may be the thing that defeats the referendum. If that happens," he said, "it would be hypocritical for them to claim that it was the Board's fault."

## CYO Plans March To Marydale

In a show of support for the work of its parent agency, Rockville Centre Diocesan Catholic Charities, the Catholic Youth Organization will sponsor its second annual March to Marydale, Sunday, May 4.

The day's activities, keyed to the theme of the current Catholic Charities Appeal, "Because You Care", will begin with a 10 AM Mass celebrated on the ground of the Suffolk Developmental Center, Carman's Road and Old East Neck Road, Melville, by the Rev. Robert Emmet Fagan, Charities diocesan Director. According to CYO Director Edward T. Foran, the center was chosen as the site for the liturgy in an effort to focus on the center which houses 1800 retarded persons.

Following Mass, CYO program participants, including artists, musicians, folk singers, cheerleaders, athletes and scouts, will march from the Suffolk Developmental Center to the CYO's Camp Marydale on Ruland Road, Melville. Leading

the group on the five-mile route will be the Marching Band from St. Joachim's Cedarhurst, followed in the line of march by cheerleaders, folk singers and bagpipe players.

Mr. Foran said Long Islanders of all ages are invited to join the group. "The March to Marydale is an opportunity for youths and their parents to support Catholic Charities in its endeavors to bring help to the blind and deaf, the aged, the mentally ill, retarded adults, those in need of family counseling, alcoholics, the foreign-born, unwed mothers and youth," he explained.

When the marchers arrive at Marydale, they will congregate in parish groups for lunch, which they have been asked to bring, and drinks, which will be supplied by the CYO. Each parish will be assigned a specific area of the camp to use as its home base.

The afternoon program will include games, races, a professional rock concert, an awards assembly for athletes and cheerleaders and entertainment

by the CYO Talent Showcase winners and wandering minstrels.

Also joining in the afternoon's activities will be participants of the theme "I Care". Artists are asked to register for this event through the CYO Lynbrook office at 272 Merrick Road by April 21. Folk groups have been invited to sing during the march and throughout the afternoon and those with a creative bent may compose original songs on the appeal theme. Entries should be submitted to the CYO office before May 4.

Judging by professional artists and music and art educators of all original works will be held at 4 PM. The banner, picture and song which best conveys the "I Care" theme will be selected for use by Catholic Charities' publicity department.

In case of rain, the march will be cancelled, Mass will be held indoors at the center and awards will be distributed at Marydale. For further information about the March to Marydale, contact Mrs. Grace Morrison at LV 3-4600.

## Mental Health Community Day

Over 25 agencies and community groups are cooperating with the Mental Health Association in planning a mental health "Community Day" for the public on Wednesday, May 28th, on the Old Westbury Campus of the New York Institute of Technology. This will be a day of dialogue with psychiatrists, psychologists, social workers and educators who will lead 48 workshops in discussions of subjects related to everyday

living. Some of the subjects will be marriage and family problems, stress, depression, drugs and alcohol.

More than 500 are expected to attend the program beginning at 9 a.m. and ending at 4 p.m. County Executive Ralph G. Caso and Mental Health Commissioner, Isidore Shapiro, are expected to speak at the opening ceremony. A low registration fee of \$2, which entitles each person

to attend four workshops, has been made possible because all services of planners and professionals, as well as the campus facilities will be donated. For students and senior citizens the fee is \$1.

For registration information write or phone the Mental Health Association, 186 Clinton St., Hempstead, 11550, IV 9-2322.

## County Police Observe Fiftieth Anniversary

On April 16, the Nassau County Police Department observed its 50th anniversary.

To commemorate the occasion, a history of the department has been published and a ceremony honoring the men and women of the department and featuring its original 55 members, will be held during National Police Week in May.

Commissioner Louis J. Frank has indicated that as many of those first 55 who are still alive and available will be invited to attend the ceremonies which will

be held at Police Headquarters.

Highlighting the ceremonies will be the unveiling of a bronze plaque honoring the thousands of men and women who have served since 1925 and listing the names of the original 55 members.

While April 16 is the official anniversary date, it will be celebrated on May 15 which is National Peace Officers Memorial Day. Commissioner Frank said, "We feel it is only right that we celebrate our birthday on a day proclaimed by a President of the United States

honoring all peace officers."

The departmental history, a 96 page journal outlining its development and growth will be distributed to colleges, high schools and libraries; members of the department, governmental and enforcement agencies and county, town, city and village officials.

Weather permitting, the plaque unveiling ceremonies will be held outdoors at 11 a.m. on May 15th. In the event of inclement weather the ceremonies will be held in the headquarters assembly hall.

## Dear Friends...

This newspaper favors a "Yes" vote on the coming Library budget which is scheduled for April 22nd. Details on page 9. We also plan to vote for the incumbent, Mr. Elery Bean whose past record both on the Library Board and in our community, speaks for itself.

Although it is well known that background information regarding all candidates is always printed in this newspaper before every vote, Mr. Jackson did not see fit to send us any such information. That, of course, is his prerogative and has no bearing whatsoever on our choice of Mr. Bean.

We have, however, printed as much of Mr. Muratore's brief note as we could in "Letters to the Editor" without breaking the libel laws to which we are subject, because, as Mr. Muratore has thanked us for several times in the past, it is always our intention to be fair to all.

THAT'S ALL for this week. Stay well and remember the old saying, "A better world is up to each one of us."

# The Town Board Meeting

By GERRY KAHN

The meeting room at the Tuesday, April 15th, Town Board meeting was filled to near capacity.

Item No 1 was a Hearing to consider Map of Property to be Acquired by the Town, on behalf of Massapequa Park District for Park Purposes. The property under consideration is owned by Gilbert Lewis, who spoke out strongly against the acquisition. He has owned the property over 13 years and has been meeting one stumbling block after another in his quest for a building permit for one house. He requires a 9,000 square foot lot for his home and would need the balance of his rear property to the Town of Oyster Bay. A. Mr. Raegone, representing his neighbors, all of whom were in favor of the acquisition. A letter from a Mr. and Mrs. James Lowell was read which indicated full accord with the taking.

The Hearing was closed and decision reserved by the Board.

The four items that followed were Hearings on Finance to Consider Authorization of funds for replacement parts in various Park Districts.

The balance of the Agenda, (21 Resolutions) was handled in swift succession.

The meeting was adjourned at 11:00.

Prior to the general discussion, Supervisor Burke spoke about the recent actions on the part of Grumman Aviation Corp.

He said, "Twelve days ago, the Town Attorney, on behalf of

the Board commenced a review of Town records to determine if in the past there was any long standing uses or any special permits granted to the Grumman facility for its utilization as a General Aviation Port. The files were voluminous and as a result the research was just concluded the other evening. The town Attorney circulated memorandums to the Board members, however the Board hasn't been afforded an opportunity to meet collectively to discuss the findings. In view of the fact that the informal proposal by the Grumman Corp. constitutes a major change in the Grumman facility Usage that would effectively influence the residential area, the Board stands together on the following conclusions of the Town Attorney:

"1. In the early 1940's, the first and only mention of an airport was made as an adjunct to the manufacturing of the Corp. which was actively engaged in the war effort. At that time, public opinion and the community accepted the usage.

"2. No prior granting to conduct a general airport was ever made. Grumman may continue its operation as part of its general business but in no way may it expand upon that usage.

"Grumman must make application to the Commissioner of Transportation, the State of N.Y., and comply with the General Municipal Law.

"A Public Hearing must be held and a Resolution voted on by the Town Bd. The Supervisor concluded his comments by stating, "The Board will exercise complete jurisdiction before the

granting of any expansion of the present Grumman Facility".

The major portion of the large assembly applauded Supervisor Burke's remarks, both during the commentary and again at its conclusion.

Councilmen Mosca and Doolittle were pleased to join the Supervisor in announcing the Board's conclusions. Councilman Mosca called upon the Grumman Corp. to abandon its plans. Councilman Doolittle publicly commended the action taken by the Supervisor and thanked the Town Attorney's office for its diligent efforts.

Several individuals thanked the Supervisor and the Board for their swift action and voiced their indignation against the Grumman Corp. They included Mrs. Mary Hurley, representing Bethpage P.T.A., Mrs. Gene Goskowsky, Mr. Robert Cummings and Mr. Charles Ferricone.

A number of signed petitions, one containing over 2,800 names, were submitted in evidence to the Town Clerk indicating public disapproval of the Grumman Proposal.

Mrs. Carol Fishman, Mrs. Phyllis Singer, and Mr. Oscar Sommers spoke before the Board on a variety of subjects.

Mrs. Fishman advised the Board to exercise their right to investigate the rumors continually circulated about them.

The Board answered that any investigations could be more professionally conducted by the Nassau County D.A.'s Office.

## Letters To The Editor

Dear Parents and Taxpayers: As you may or may not know, the school bus contract is going out to public. The lowest bid will be awarded. This means to get the contract the bus companies have to cut corners, and the big corner cut is the bus driver's wages. Right now all of our jobs as school bus driver's are on the line, because if a new contractor wins the contract in Hicksville they will not hire any of us. As employees we have been required to obtain a special driver's license, pass stringent physical examinations and pass an exacting eye test. These are required by law every year. Most of us have been driving in Hicksville for five years. Some of us for as long as 13 years, and all of us are certified driver's by the Hicksville School District.

As far as our wages and benefits go, it took us years to reach \$4.25 per hour, hospitalization, medical and health benefits for ourselves and our families. We've been trained and we know our job is to keep your children's welfare and safety above all. Our safety record in Hicksville is phenomenal. Now we face being wiped out - our years of service will go down the drain. As you probably heard on the news media recently, many bus companies are being put under investigation and surveillance because of the way their driver's are performing. I'm sure the people in Hicksville do not want this. Lets look at some other types of driver's, Sand and gravel truck driver's, garbage truck driver's, oil, cement truck driver's, and transit bus driver's all earn between six and ten dollars an hour, plus fringe benefits. Why is there such a high priority on garbage, cement, oil, or sand and gravel over childrens lives? If a cement truck fell over and all the cement fell out, all you have to do is pick it all up and put

it back in the truck or have it replaced with new cement. If a school bus fell over you could not pick up the children and put them back in the bus or replace them.

The school bus driver's job is the only one in the school district that is bidded on. Teachers, principals, custodians, etc. all know that they will be in the school district year after year, and after so many years of service they can retire on a pension. The school bus driver's job is the lowest paid in the district, and one of the most important ones. They can not go on working thinking that after 25 or 30 years of service with the district they can retire on a pension like everyone else employed by the district. Instead, we have to fear for our jobs year after year even without a recession. As a school bus driver in Hicksville (5 years, 11 years total) and a member of Action for Child Transportation Safety I must repeat the safety of your children comes first at all times. This can only be achieved with the years of experience that we have brought to your community. To continue to do so we ask you to please contact Mrs. Walsh in the transportation office at 733-2128 or the members of: the board of education, or write to them at Hicksville Public Schools, Administration Building, Division Ave. and insist in the bid specifications that **THE SAME EMPLOYEES MUST CONTINUE TO DRIVE AND REPAIR THE SCHOOL BUSES IN HICKSVILLE REGARDLESS OF WHO THE SUCCESSFUL BIDDER IS.** We make this appeal on the basis of our experience and safe driving record for the safety of your children.

Thank You,  
Hicksville school bus driver's

Dear Mrs. Noeth:  
The Hicksville Public Library

will be presenting its budget for your vote on April 22nd. We all are burdened by severe economic pressures, but I feel that the Library has worked hard to achieve a minimal increase of less than 5 cents per hundred over last year.

The Library has an extensive book collection, including enlarged print and talking books, so meaningful to the sightless and handicapped adults and children. They also have other lending services that many of us have made much use of such as phonograph records, cassettes, paintings and 8mm films. For those who cannot get to the Library, more localized service is provided by our excellent bookmobile staff, who also serve the homebound.

The Children's room has served the community in many ways, including the Story Hour, having a registration of over 150 children, and are cooperating with the School District in any way possible to help improve the reading skills of the children in Hicksville. The Young Adult section has an excellent selection, as well as an accommodating Librarian, helping to bridge the gap between the reading requirements of children and adults.

Voting will be held at your local school on Tuesday, April 22nd, from 10 A.M. to 10 P.M.

We do not want to lose the quality of the services we receive from the Hicksville Public Library and it is for this reason that I urge you to vote YES on April 22nd for the budget.

Sincerely yours,  
Clara T. Bennett (Mrs.)

# Wind Ensemble Performs At Convention

The Hicksville High School Symphonic Wind Ensemble, pictured above, has been invited to perform for the Music Educators National Conference at its Eastern Division Convention in Philadelphia this Spring. New York State School Music Association President James Truscello will introduce the group at the concert which will be presented on Friday, April 18 at 4:30 P.M. in the Grand Ballroom of the Sheraton Hotel. This is the highest division honor awarded by M.E.N.C. and is second only to selection for the national convention.

The Wind Ensemble is made up of 54 senior high music students selected through auditions. Its purpose is to serve the advanced wind and percussion players of the school through the study and performance of the highest quality music available.

The group's background includes performances for the 1972 NYSSMA Directors Conference

in Rochester, N.Y. and the First National High School Wind Ensemble Conference in Hewlett last year. It has also played under such musical notables as Dr. Donald Hunsberger of the Eastman School of Music, Dr. Frederick Fennell, founder of the "Wind Ensemble" movement, Dr. J. Clifton Williams of the University of Miami and Jerry H. Blik of the University of Michigan.

A new work of a distinguished American composer will be introduced on this occasion. The "Jubilant Sinfonia" by Joseph Wilcox Jenkins of Duquesne University in Pittsburgh will be played in its pre-publication performance.

Valerie Sulzinski was elected President of the Symphonic Wind Ensemble this year, Michael Pakaluk is Vice-President, Mary Daly is Secretary, Nancy Stähler is Treasurer and Steven Annenberg is the Student Government Representative. Mr. J. David Abt is the conductor.

## Senior Center News

The Senior Nutrition Program celebrated its first anniversary with a wide variety of activities.

An anniversary party on March 21, kicked off the celebration. Terri Lynn entertained and the members sang and danced their hearts out.

Cake and punch were served and everyone is hoping for more of the same for the coming year. On March 31, the members enjoyed a performance by a local dancing school led by Pam Durkin. About 40 girls performed beautifully. As one member said, "they make me feel alive". It was their second appearance here and they are always welcome. Topping off the week was an "Magic Show" by Darryl McDams, and Paul Bergersen, both students, at Hicksville Jr. High and Holy Trinity respectively. The boys performed amazing feats and members are

still trying to figure them out. We thank them for taking time to entertain the seniors in our community.

Last Tuesday, April 8, 49 members travelled to Lakewood, N.J. for a wonderful day of sight seeing, dancing, entertainment and plenty of food. With the rave reviews, we'll definitely be arranging more like it.

The center is located at 320 So. Broadway and is open from 9-4 Monday to Friday. In addition to activities, a hot lunch is served, based on one's ability to pay. Any Nassau County resident 60 years or older is eligible and we invite you to join us shortly. The program is sponsored by the Action Council of Central Nassau in conjunction with the Dept of Senior Citizens Affairs, under Title VII of the Older Americans Act.

## Hicksville Soccer Club News

The arrival of spring leads every Long Islander to believe that better days are ahead. So too, with the Soccer Club.

The Pee Wee Blue provided opening excitement by making a strong second half push against a 3 - 0 half time deficit. Hicksville was still pressing for a tie as the final whistle sounded. Come back goals in the second half were scored by J. Bush & F. Christiano that was followed by a mighty scoring attempt by M. Rosenbach that barely missed. R. Newland & J. Skupinsky led the defense as the Blue lost to Brentwood 3 - 2.

The Bantam Red, sponsored by the Mid Island Bowl, had to be satisfied with a 2 - 2 tie with Glen Cove, even though most of the game was played in front of the Glen Cove net. Sharp passing by mid-liners Glenn Zakian, Steve Dolan & Tom Delenzik kept the ball in position for scores by B. Andrus & D. Ench assisted by A.

Pepi & J. Mitchell. M.G. Shannon on right inside helped advance the attack.

The Bantam Blue team dropped a 4 - 0 game to one of the league leaders, Deer Park "A". Altho' the team developed an aggressive, coordinated attack directed by the HB line, R. Pearce, F. Schnur & D. Smyth, the Deer Park defense proved impenetrable. Credit for containing the Deer Park attack and preventing a rout must go to T. Lewis, B. Cheslock & J. Rubins at goal.

The first really bright spot of the weekend came as out Midget Red defeated Bayside 4 - 0 on a hat trick by J. Korti and a single by M. Conway. The backfield of R. Stenborg, M. Andrus, T. Fletcher & M. Finkleman were responsible for keeping the ball in scoring position. Midget Blue lost to Garden City 3 - 1.

Boys Red picked up the win-

ning end, defeating Bayside 8 - 0. Scores by J. Rupp (2), P. Pischetto (2), J. Jablonski (2), M. Bell (1) & B. Bedell (1). M. Humphreys on defense & R. Fremgen continue to maintain the teams shut out record. Boys Blue fared less well at the hands of the companion Bayside team, losing 7 - 0. After maintaining a close first half, the Blue defense dissolved in the second half, and the offense was never able to score.

The Junies, sponsored by the AOH were frustrated by the efforts of the Northport Sailors that resulted in a 2 - 2 tie. Hicksville dominated the second half as G. Fitzgibbon booted a score on a penalty kick and T. Mercer scored on a direct free kick. The efforts of K. Anglin, B. Cochran & P. Vignona kept the team in the game.

## BJ's Split The Heros

BY MIKE SQUILLANTE

Mike and Al's HEROS took the first game in a double-header from BJ's, 12-4 behind the strong pitching arm of Roy Anderson. Homers were credited to Anderson, Greg Mac Arthur, Pete Swedalla, Hal Edelmann and Ed Milacek of the Heros. Although out-hit, the BJ's bounced back to take the second game 10-5 with timely hitting and good fielding.

Next Sunday, April 20, is the big game. The Heros will meet Long Island Collision (head-on) at the Carman Avenue field, in Hicksville, at 10 A.M. the field is 2 miles south of Old Country Road.

However, the question of the week remains: Will the powerhouse team from Mike & Al's Heros (388 West John Street, Hicksville), prevent LI Collision from picking up the pieces (pun)-like Tony Bennet sings: We want'a be around to pick up-see you Sunday-be sure to read the

### Hicksville Library News

National Library Week is with us again. This year the date is from Sunday, April 13 through Saturday, April 19, which incidentally coincides with the beginning of the bicentennial period. The Hicksville Public

Library will honor both at this time.

Thursday, April 17 at 8 p.m. the Hicksville String Trio, consisting of Pat Tully, Gene Schmidt and Mark DeMeo, all Hicksvillians, will entertain us with a "Sing-A-

Long" of songs of America.

Friday, the 18th of April of '75 (1975, that is) we will present the films "Paul Revere's Ride" and "1776", a documentary at 8 p.m. To finish off the week of activities, the Children's Room will present on Saturday, April 19 at 2 p.m. a glass blowing demonstration for folks of all ages.

Come to the Library to help us commemorate National Library Week and the beginnings of the birth of our country's freedom.

#### JUST A REMINDER

Drop into the Children's Room at the Hicksville Public Library any day from Monday, April 14 through Friday, the 18th, and register your estimate of the number of books in our Book Bowl. The winner of the contest will be announced on Saturday, the 19th, when the highpoint of our National Library Week celebration will be the appearance of Martin Finkel, who will perform amazing feats in the art of glassblowing.

### County Sponsors Bridge Tourney

Novice duplicate bridge players will soon have a chance to compete in two Sunday tournaments sponsored by the Nassau County Department of Recreation and Parks.

The first event is scheduled for May 4 at North Woodmere Park, and the second will be played on June 1 at Christopher Morley Park in Roslyn-North Hills. Both programs begin at 1:00 p.m. and will continue to completion.

The tournaments will be supervised by noted bridge expert Phyllis George and will follow the regulations of the American Contract Bridge League.

Registration is now open to contestants on a first-come, first-served basis. Participants may register as partners or as singles, with partners assigned on the day of play. Registration forms may be obtained at the parks or by calling 292-4121.

## Library Budget Vote, Apr. 22

**ELERY H. BEAN**, a resident of Hicksville for fifty-six years is a candidate for re-election to the position of Library Board Trustee.

He has been active in community affairs for many years, having been president of the PTA, Director of Adult Education for Hicksville from 1949 to 1958. In this period the Adult program grew from nine courses in 1949 to over 100 courses when he retired.

Ten years as member of Adult Education Advisory Council followed the retirement.

Mr. Bean is Director of Training at the Human Resources Center which was founded in 1952 by Henry Viscardi, Jr. to train and employ the physically and mentally handicapped.

He is certified and holds a license from the N.Y. State Education Dept. as Director of Private Vocational Schools and is licensed as a Private Vocational Teacher in Industrial Skills.

He is a member of the American Society of Training and Development and serves as Secretary of the Long Island chapter.

Also a member of the National Rehabilitation Association and serves on the Board of Directors of the Nassau Chapter.

Locally, he is a member of the Hicksville Community Council, the Gregory Museum and the United Methodist Church.

Because of his interest in Hicksville and the Library, he has supported its expansion which involved two additions to the original building, the addition of the Bookmobile and the development of a fine Cultural program.

The Hicksville Public Library budget has been prepared with the intention of combining economy with efficient service. While the budget has been increased only \$39,761.90 (7.5%) the library intends to offer the public substantially the same services and quality of program that it has offered in the past. This means an adequate supply of new book titles and replacements, a 66 hour week schedule (including Sundays from 1-5), reference librarians on duty at all times and prompt and courteous service. Free films, concerts, home extension sessions, and discussions of important community issues will be presented

for the enlightenment and enjoyment for citizens of all ages. A meeting room is available for organizational use. Special services and programs are offered to the homebound or physically handicapped. The Annual Report, which will be mailed shortly to all residents, will describe these programs in detail.

The library must have the support of the general public to fulfill its community function. If a budget with an increase of less than 8 (cost of living 12) is rejected, serious damage to programs and services will result. Less than one half of all

the budget items show any increase at all. The rise in utility costs is responsible for a very substantial portion of the increase within the operating budget.

If you would like to join the Library Board and Friends of the Library in presenting and interpreting the budget to the community call Mrs. Clara Bennett, President of the Friends at 681-3183, or the Library at WE 1-1419.

Remember the tax increase is only 4.6c and the total budget of \$567,591.89 still costs most homeowners no more than \$20.00 a year.

## Recital At Library

The Hicksville Public Library will present cellist Mark Rudoff in recital on Friday, April 25, at 8:00 pm. Mr. Rudoff will be joined by pianist Steven Masi in a program including works by Bach, Beethoven, Schumann and Shostakovich. The concert will be held in the Hicksville Public Library Auditorium at 169 Jerusalem Avenue in Hicksville.

Mark Rudoff is a student of Lorne Munroe on scholarship at the Juilliard School Pre-College division. He has previously appeared as soloist and recitalist on Long Island most notably in the Port Washington Washington Library as winner of the Joyce Mertz Gilmore competition. He has been a prize winner in the Great Neck Symphony and Friday Music Club competitions and a concerto competition winner

as its Treasurer.

Also instrumental in the formation of the new Association were Dr. Robert Berman of Levittown and Michael Polansky of Plainview. Dr. Berman will (Continued on Page 20)

with the Huntington Symphony. A senior at Hicksville High School, he appeared earlier this year as soloist with the Hicksville Community Orchestra.

Steven Masi is a senior at the Juilliard School, a student of Sasha Gorodnitzki. He appeared in a solo recital at the Hicksville Library earlier this year.

This is the second of a new series called "Debut Performances" designed to give serious young

musicians the opportunity of full recitals.

## L.I. Library Trustees To Organize

Citing the need for a forum to encourage cooperation and the exchange of information among the Trustees of public libraries in Nassau and Suffolk Counties, local Library Trustees have formally announced the organization of a "Nassau-Suffolk Library Trustees Association".

The announcement was made at an April 9, 1975 organizational meeting of the group held at the Half Hollow Hills Community

Library in Dix Hills. At that meeting, the Trustees adopted a set of By-Laws for the Association and elected an interim slate of officers, headed by Jack Averbuch of Baldwin who will serve as President. Mary Agosta of Harborfields and Francis X. Cullen of Plainview were elected as Vice Presidents. Mary Anne Jacques of Lindenhurst will serve as Secretary of the Association, and Hal Johnston of Wantagh will serve

## Golden Wedding Celebration April 20

The Rockville Centre Catholic Diocese will hold its annual Golden Wedding Celebration at 3 p.m., Sunday, April 20, in St. Agnes Cathedral, Quealy Place, Rockville Centre. Bishop Walter P. Kellenberg will preside at the event, sponsored by the Diocesan Family Life Bureau, and will also give to each of the jubilarian couples a certificate acknowledging their fifty years of married life.

More than 200 couples from all areas of Nassau and Suffolk Counties will be participating in the annual event. Designed primarily to honor couples who have achieved fifty years of marriage, the event also celebrates the greatness and holiness of the married state. Golden jubilarians stand as a true witness of the unbreakable marriage bond and to the happiness and fidelity which they, with God's grace, have achieved.

Msgr. Edward L. Melton, Administrator of St. Agnes Cathedral, will welcome the Golden Wedding couples. Bishop

Kellenberg will make the actual awards to each of the couples, assisted by Rev. Msgr. Dermot C. Flinn and Rev. Clement J. Walsh. Preacher for the occasion will be Rev. James B. Richter, Pastor of St. Bernard's Church, Levittown.

At the conclusion of the awarding of certificates, Bishop Kellenberg will lead the honored couples in a renewal of their marriage vows. He will then conclude the ceremonies with Benediction of the Most Blessed Sacrament. Assisting the Bishop for Benediction will be Rev. Thomas P. Curry, Pastor of St. John of God Church, Central Islip, and Rev. William T. Murphy, Pastor of Our Lady of Loretto Church, Hempstead.

## OTB Offers Telephone Betting

Nassau Downs-OTB announced today that applications for telephone betting accounts are now available and that wagering by phone will be possible for account holders starting Thursday, April 17th.

Telephone wagering with Nassau Downs will be similar to the system employed successfully by the New York City Off-Track Betting Corporation.

Account holders will be able to call a special telephone number and identify themselves by advising the OTB operator of their account number. The operator, through a computerized system, types the identification number and receives information on a viewing screen that establishes the amount of money on deposit in the account and a secret code word known only by the account holder and the computer system. Upon identification of the code word the operator will place bets up to the amount of money on deposit.

### RED CROSS HELPS

(Continued from Page 11) while tents, canned fish, meats and medical supplies are brought abroad. No contributions in kind are being accepted.

Red Cross volunteers at embarkation points are providing emergency assistance to Southeast Asian orphans waiting to be united with their new parents.

Within fifteen minutes after a race any winnings are added to the money on deposit.

Easa Easa, President of Nassau Downs-OTB, said that he anticipated a strong response from suburban residents to open telephone betting accounts. "We placed a small box on the wall in our office in Hempstead Village and received more than 800 requests for applications in two week's time," Easa said.

Easa said he urged Nassau residents, particularly commuters, holding accounts with New York City to open accounts with Nassau Downs in order to insure that the county receive the full amount of revenue possible. Income obtained by Nassau Downs is directed to the county's General Fund and will be reflected in the county's property tax rate.

A minimum deposit of \$10 will be required to open an account and applicants must be citizens of the United States and at least 21 years of age.

Applications will be sent to those calling the Customer Services Division of Nassau Downs (516) 292-8300 or they may be obtained by writing or visiting the Hempstead office of Nassau Downs at 220 Fulton Avenue, Hempstead, N.Y. 11550.

Further information on telephone betting is available by calling the Customer Services Division.

## The Red Cross Helps

Over \$100,000 has been given by the American Red Cross to the League of International Red Cross Societies for refugee relief operations in Southeast Asia. Due to the rapidly increasing number of displaced persons needing help, the International Red Cross is appealing for an additional thirty million dollars to continue work there. Contributions are being accepted at the Nassau County Red Cross, 264 Old Country Rd., Mineola. Checks should be made out to the American Red Cross, specifying Southeast Asian Relief.

International Red Cross workers in Vietnam and Cambodia have intensified ongoing nutritional and medical relief programs. Convoys of food and medical supplies continually leave Saigon for refugee assembly points. Bread and rice have been parachuted to isolated groups of displaced persons, and chartered boats carry supplies to the more easily accessible areas. Six Red Cross medical teams, including two surgical teams, are working in Cambodia. They have noted a sharp increase in malnutrition and mortality among the children of that country.

Food, utensils, sleeping mats and cloth are purchased locally. (Continued on Page 10)

### At Sardi's

Judging by the enthusiastic crowds of women in the audience, many of our suburban ladies are catching up now on what they never dared do in it's heyday-seeing a burlesque show. In this case it's the current smash at-

traction at Vincent Sardi's Dinner Theatre, Ann Corio's "This Was Burlesque". Miss Corio, who directs and supervises the production, has nursed the dying entertainment back to robust health, and points to it's current respectability, noting that the show now plays to

65 percent women. (Which is not to say that old dad won't insist on coming along.) The show will run through May 11th, with eight performances a week including Wednesday matinee and a special Sunday Brunch performance. For reservations, call 354-0200.

## Eating The Weeds

By GARDINER E. GREGORY, DIRECTOR THE GREGORY MUSEUM

Edible wild plants are all around us, in our lawns, gardens, roadsides, fields, woods, and wet places. A plant is considered a weed if it grows in a place when it isn't wanted.

We should eat edible wild plants because they cost us nothing, and are usually richer in minerals and vitamins than cultivated vegetables because of their longer growing season. Certainly in this period of economic crisis saving money is important to most families.

There are several wild plants which may be considered weeds that we can eat in the spring. Some of the weeds that we can pick and eat are:

1. Dandelion (*Taraxacum officinale*) this weed is found in many lawns and waste places. It can be used in a tossed salad or as a cooked green. As a cooked green, cook in slightly salted water about 5-10 minutes longer than you would spinach and serve with butter or vinegar. This edible weed should be picked before the flower stem forms while it is still young and tender. The flowers of the dandelion can be made into an excellent wine.
2. Fiddleheads - fiddleheads are the coiled sterile fronds of various ferns formed in the spring. They resemble the tuning end of the violin. Fiddleheads, especially the Ostrich and Brake ferns, are edible just as they are picked-simply remove the rusty coating and eat. They are

delicious as a cooked vegetable.

Prepare as you would spinach. 3. Common Blue Violet (*viola papilionacea*) The flowers of this plant are rich in vitamin C, and the leaves are an excellent source of vitamin A. The flowers can be eaten raw or made into jam or jelly.

4. Common Chickweed (*stellaria media*) This common weed of lawns and waste places can be eaten in a salad or as a cooked green.

5. Black Mustard (*Brassica nigra*) & Wintercress (*Barbarea vulgaris*) The leaves of these wild mustards when young can be used as cooked greens. They are found in waste ground and damp areas.

6. Common Plantain (*Plantago Major*) The young leaves of this common weed found in many lawns is edible raw or as a cooked vegetable. It is rich in vitamin A and C.

These are but a few of the wild plants that are edible in the spring. In my next article I will mention other wild plants that are edible.

Instead of killing the edible weeds in your lawn, pick and eat them and enjoy their benefits. If you have put down a weed killer don't eat them. Another caution, make sure that what you pick is edible. The Gregory Museum would be glad to help you identify edible wild plants and to give you suggestions on how to prepare them.

Our Division was in goodly numbers at the recent County Ladies Auxiliary Breakfast at Stouffer's Restaurant, Garden City, according to Jim Crimmins, Acting County Board President ... Nostalgia is the work Saturday evening, April 19, at the Joseph Barry Council Knights of Columbus, when the BIG BAND SOUND will be featured - contact Terry Quinn or Charles Barhold at the Council - 938-8323 for tickets, if any? ... By the way Terry's dad, Ed Quinn is one of the Division's organizers 17 years ago ... Enjoying the Ceili dance instructions at the April Division social were Nora and Ed Bergen, Eileen & Jim O'Sullivan, Peggy and Danny Donovan, Marion Cronin and Barbara Tuohy - whose husband Eamon provided the instructions ... Good to see Michael Cronin, Sr., back in the

fold following a recent illness ... Observing the dance instruction were George Harkin and John Hartly, recent co-chairman of our Annual St. Patrick's Day Ball - these gentlemen are both 'retired' members of New York City's finest ... John Detloff, our distinguished Irish baritone could not be with us due to a previous engagement ... oh well, John there's always Sunday afternoon ...

Church, Hicksville, with his lovely daughter, Alice, when she will become Mrs. Dean Lewis - Congratulations on this your wedding day - to our neighbors, Larry and Viola, god bless! ...

Brother Eugene Donovan can tell many a wonderful story about his more than 40 years in the Order - he recently retired from County DPW and we have occasion to meet early AM at West John Luncheonette - Keep Your Irish Up, Gene ...

Did'ya know that: the AOH sponsored Hicksville Soccer Club team is undefeated - recent win against Brentwood 4-1 as - we continue our support in '75 ... Past President Stephan Ryan has been elevated to Captain, 4th Degree Order of the Knights of Columbus? ... T. Joseph O'Hara, another proud member, is an Assistant Vice-President with Bankers Trust.

## DEVOTIONS

Dial-A-Devotion 931-2221

By Rev. J.H. Krahn

Trinity Lutheran Church

Many Christians are hurt by even the slightest criticism of their faith. Yet God often uses attacks and slurs on one's faith to strengthen it.

Madaelyn Murray O'Hair was invited by the Student Christian Association to speak at a certain college in Ohio. Mrs. O'Hair will go down in history as the one who knocked prayer and Bible reading out of the Public Schools. Over 350 students, faculty, and townspeople gathered to hear Mrs. O'Hair discuss her views in opposition to God and religion.

She lambasted everything sacred. She made fun of pastors, leaders and church officers. She said the bible was not infallible, and it did not amount to anything anyway; she harassed the students and professors; she harangued the foolish thinkers who believed what they read. She referred to God as "Big Daddy"

and to Jesus Christ as "J.C." and to the Holy Ghost as the "Spook." The audience was stunned by her speech, and as questions were put to Mrs. O'Hair, she further attacked Christianity.

As the meeting was about to break up, a tiny voice of a little college girl came from the back of the auditorium. She spoke quietly and lovingly and her voice was full of compassion. Here is what she said: "Mrs. O'Hair, I am so happy you came to speak to all of us here at our college tonight! We have listened with attention to your tirade on our beliefs. We thank you for showing all of us what an atheist is; we express gratitude on your challenge to our faith; we appreciate your concern for us...but now we in turn...must be ever grateful for your visit...because...now and forever, we have been strengthened in our

Christian beliefs. We really feel sorry for you, and we'll pray each night and day for your conversion to our Christian beliefs, and again we thank you for coming, and I know that you have strengthened my faith in our church, in our religion and in our Christ. Now I'll have more faith in 'Big Daddy,' in 'J.C.' and in the 'Spook'. Again I say, 'Thank You' and 'bless your soul.'"

The speaker of the evening was flabbergasted. She had no answer. There was a riot of noise. The applause for this response was deafening. The meeting broke up with people experiencing an unbelievable Christian conviction of love for Jesus Christ, the Father and the Holy Spirit.

The next time someone looks down on your faith, let God use even his negative attitude to draw you closer to Him.

# Louis Biondolillo Becomes Eagle Scout

Louis Biondolillo of Boy Scout Troop 381 of Hicksville, New York was designated an Eagle Scout on Friday, April 11, 1975. Eagle Scout Biondolillo, son of Mr. and Mrs. Louis P. Biondolillo of Hicksville, was promoted to the rank of Eagle Scout, the highest rank in Boy Scouting, in a ceremony held at the Holy Family School Auditorium.

Scout Biondolillo, now eighteen, was seventeen when he completed his Eagle Scout requirements. He has been a Boy Scout for seven years in Troop 381. Previously he had been a Cub Scout in Pack 381 for three years

and had earned the Arrow of Light, the highest award in cub scouting.

The Eagle award ceremonies were opened by Troop 381's own Indian Dance group. The group, under the direction of Gerry Dickes and Assistant Scoutmaster Jim Brennan performed the Sioux Flag Dance, a waltz and a dance depicting the birth of an eagle. Scout Edward Brennan is chief of the Indian Dance group.

The Eagle Charge was given by Scout Commissioner Jack Landres. Mr. Landres is a veteran of 47 years in scouting,

an Eagle Scout himself and a holder of the Silver Bear award.

Julius Meszaros, a member of the Bishop's committee on scouting and a former chairman of Troop 381 addressed the group. Mr. Meszaros reviewed Scout Biondolillo's history as a scout including his progress and a listing of his awarded merit badges.

Congratulatory messages were read by Jack Issing, chairman of the Troop 381 committee, who acted as master of ceremonies. Letters commending Eagle Scout Biondolillo were read from President Gerald R. Ford, Vice President Nelson A. Rockefeller, Senator Jacob K. Javits, Governor Hugh L. Carey, County Executive Ralph G. Caso and Bishop Walter P. Kellenberg, Bishop of the Rockville Centre Diocese. In addition a New York State Senate Achievement Award was read and presented on behalf of State Senator Ralph J. Marino.

Congressman Norman F. Lent addressed the audience and Scout Biondolillo. Then Congressman Lent presented Eagle Scout

Eagle Scout Louis Biondolillo

Biondolillo with an American flag which had flown over the United States Capitol Building in Washington, D.C.

Eagle Scout Biondolillo was the recipient of congratulatory messages and awards from

various organizations including the Veterans of Foreign Wars, the American Legion, Holy Family Church organizations, the local Girl Scout organization and from his own troop, Troop 381

## Troop 591 Visits Jersey

By Joe Marcus

Troop 591 with members from Hicksville and Levittown spent a day recently at the National Headquarters of the Boy Scouts of America in New Brunswick, New Jersey.

The occasion was the annual convention of the "Scouts on Stamps Society International". The society is made up of stamp collectors but they only collect stamps that have something to do with scouting.

During the convention we were able to walk the nature path of the preserve. Also open was the "Johnston Historical Museum". The museum traces scouting from 1910 to the present and also shows the camping gear used and the improvements of camping. A main attraction in the museum was the mercury space craft used by Eagle Scout John Glenn. The main part of the day was in the

meeting room where you were able to trade or buy patches and scout neckerchiefs from all over the country. It goes without saying that stamps were also on sale.

The last event was an auction of all sorts of scout memorabilia from old "Boys Life" magazines to neckerchiefs commemorating the International Jamboree.

Troop 591 has also announced that they will hold their annual awards outing on May 25 at Cantiague Park.

On April 24 at the HICKSVILLE Jewish Center the troop will hold an Order of the Arrow meeting. The lone member of the troop up for election to this honor society dealing with camping is Harvey Malawski. He becomes the first member of our troop ever to become eligible for this honor.
