## Statement From Elery Bean, President, Library Bd. of Trustees

We are very happy about the results of the library budget vote. We feel it is an indication that the community wants continued good library service with a reasonable budget. We do regret the nature of a campaign that depended on personal attacks, innuendoes, wild inaccuracies (to put it

charitably) and a three year old State Auditor's Report, rather than the quality of Hicksville's library service. I would like to personally thank all of my supporters for giving me the opportunity to again serve the community as a library trustee.

AT HICKSVILLE'S GREGORY MUSEUM we see the symbolic raising of Town of Oyster Bay Bicentennial Flag, which was raised by TOB Supervisor John Burke.

Saturdays events (story on page one) were the results of much planning by many community organizations under the direction of the Hicksville Bicentennial Committee, co-chaired by Siegrid Widder and Richard Evers and Jack Landress.

Many lovely volunteer Gregory Museum workers, some in "colonial mode," served throughout the day to make these exciting events possible.

# Hicksville Honors Its Past

BY RICHARD EVERS

Ignoring leaden skies and forecasts of showers, Hicksville patriots turned out in goodly numbers to mark the American Revolution Bicentennial of the battles of Lexington and Concord, this past Saturday.

It was a memorable and joyous day as colorful marchers paraded along Bay Avenue from the Mid-Island Bowl area to open the day's festivities.

Leading the enthusiastic marchers was a combined-color guard of members of the North-South Civil War muzzle-loader units, the 42nd New York Volunteers and the Fourth Virginia Regiment of the Stonewall Brigade. They were followed by ranks of striding men and youths in the blue and gray or butternut of our Civil War armies, carrying their interesting muskets in the characteristic sideways "shoulder arms" position of older armies of the Republic.

Among the colorful paraders were: Boy Scouts carrying the Town of Oyster Bay Bicentennial Flag; honored guests: Town Supervisor, John Burke; Warren Doolittle, Councilman and Dorothy McGee, Chairman of the Town Bicentennial Commission; a Boy Scout guest-color guard from Bethpage in tri-corner hats carrying a replica of the Lexington militia flag; the aways snappy looking colorguard of the Hicksville American Legion and its Auxiliary; colorguard of the Veterans of Foreign Wars and the Post Auxiliary and its Junior Auxiliary; elements of three Hicksville Fire Department Companies with the Department's Dalmation mascot tugging proudly out in front; members of the Joseph Barry Council Knights of Columbus marching with their banner and young people in the uniforms of the Civil Air Patrol. Marching in their tradition of loyalty and patriotism were numerous Hicksville Boy Scout troops and cub packs as well as Girl Scouts and representatives of the Campfire Girls. The band of the Hicksville Police Boys Club carried off the musical honors of the day, being the only community band in shap in time to participate in this historic national observance.

Following the parade, formal ceremonies were held in the blocked-off western end of Heitz Place. Here, with the National

Historic Place, the Old Courthouse, home of the Gregory Museum, as the backdrop a throng of hundreds of patriot-spectators who left garden work and week-end chores for awhile, came to hear tributes to the ideals and glory of Lexington and Concord, where our nation's struggle against oppression began. The Master of Ceremonies for the day's program was Sigfried Widder, Gregory Museum Trustee, properly sporting a handsome green braided tri-corner hat. Prayers of invocation, exhortation and benediction were movingly provided by Pastor Douglas MacDonald of Parkway Community Church, Hicksville's senior religious leader, by Rabbi Grossman of the Hicksville Jewish Center whose prayer was read by Mr. Widder and by Pastor Emeritus William Galloway of St. Paul the Apostle Roman Catholic Church of Jericho, Chaplain for the Knights of Columbus.

Among the highlights of the Bicentennial program was the ceremonial raising of the Town Bicentennial Flag under the National Colors by Boy Scouts as the unusual three volley salute was fired by muzzleloading men of the 42 New York Volunteers commanded by Sergeant Major William Heuer.

Town Supervisor John Burke gave the principal address, reminding the audience of Oyster Bay's troubled years during the Revolution, when peoples' loyalties were torn between allegiance to the Crown and resistance to oppressive acts of Parliament and military occupation. Although most of the town's residents chose to remain loyal to the King, families such as the Townsends of Raynham Hall, Oyster Bay were delegates to the New York Provincial Congress or served long years in George Washington's espionage system behind the British lines.

Superintendent of Schools, Jerome Niosi, was present as an honored guest and to present Gardiner Gregory Director of the Gregory Museum, with his Freedmen's Foundation Schoolmen's Award. Speaking vigorously, as always, Dr. Niosi took as his theme the continuing importance demonstrative patriotism to communities and individuals. Niosi, long-time winner of history and himself awarded made by the Valley Forge

Freedom's Foundation, the George Washington Medal, praised Hicksville for its readiness and ability to evoke appreciation of our nation's history and ideals through pageants and commemorative events. The educator, in presenting Gardiner Gregory with his Schoolmen's Award, extolled him as a man whose slide film productions on American and local history brought our nation's history alive for children and adults.

Following the Bicentennial Program which was sponsored by the Historical Committee of the Gregory Museum with the support of the Hicksville Bicentennial Committee and the encouragement of the Town of Oyster Bay's Bicentennial Commission, hundreds of residents and visitors toured the museums. On special exhibit in honor of Lexington and Concord, the "shots heard 'round the world", is a display in the historic old jail house portion of the museum recalling the "Beginnings of the American Revolution" created by Richard Evers and Carl Nold, historians, with a striking diorama creation "the British Retreat from Concord" by the Long Island artist Gebau.

Fascinating both young and old on Hicksville's Bicentennial Day were the frequent demonstrations of muzzle-loading musket firing and drill. The rattle of musketry or bark of salvos, the whiff of frunt powder in the air and the color and authentic gunnery provided by the Civil War buffs helped bring alive for continuous visitors, all afternoon, the awesome power of old-time weapons and the bravery of our forefathers who faced such instruments of destruction.

This event was one of several Hicksville events encouraged by the community's Bicentennial Committee for the first year of the Bicentennial. The Hicksville Public Library has already featured a number of films dealing with the Revolutionary experience, and this past week had two showings of the first of three Bicentennial historical slide sets being prepared for community and school viewing by School District 17's Curriculum Materials Center.

## Receives Award

A gold seal of commendation has been awarded by the Automobile Club of New York to Eisemann Buick-Opel Inc. for its continued participation in the High School Driver Education program at the Hicksville High School.

"This will be the 4th year we have provided a dual control car Buick to the school. We consider this investment our contribution toward reducing the traffic accident toll," John DeMonaco, president of the dealership said. In announcing the award, Gilbert B. Phillips, Auto Club President praised Mr. DeMonaco for his outstanding community service.

The High School Driver Education program was pioneered by the AAA in 1936. Students receive basic instruction in classroom and behind-the-wheel instruction in a dual control car.

## Community Council Meeting Date Changed

The Hicksville Community Council, which usually meets on the first Thursday of each month, found it necessary to change the date of its May meeting from May 1 to Tuesday, May 6th, due to the fact that the Board of Education has to reschedule a budget study session from April 25 to May 1st. The program planned for the Community Council will be on the School Budget. Candidates planning to run for the Board of Education are cordially invited to attend. They will be introduced. By their by-laws the Com-

munity Council devotes a part of each meeting to hearing from those present on any subject, provided it pertains to Hicksville. Also, at the conclusion of each meeting light refreshments are served and those interested in continuing discussion with others present may do so at this time. All Hicksville residents are cordially invited to attend.

Each meeting is scheduled to start at 8:15 p.m. and is held in the downstairs auditorium at the Hicksville Public Library on Jerusalem Avenue.

# Heros Take Doubleheader

By Mike Squillante

Mike and Al's Heros slammed into Long Island Collision last Sunday at Curman Avenue Field, taking a doubleheader. In the first game, the Heros streaked around the bases for a total of 21 runs, while pitcher Roy Anderson kept a lid on their scoring ability. Net result a 21-6 win for the Heros.

Despite an attempt to pick-up the pieces during the second game, Long Island Collision was sent back to the shop for repairs as the Heros with the strong pitching by Al Squillante hammered them again to spark a 18-9 victory.

Another first for the day was "Turtle" Keegan with 6 for 6, and to add some spice to the sauce, the Heros homers were hit by Roy Anderson, Pete Swedell, Greg MacArthur, Keegan and 3 big ones for Hal Edelmann.

The Heros hope to put the "Mean Machine" team thru the grinder when they meet next Sunday at Meadowbrook South, in East Meadow. Follow the action-packed results in the HERALD - your copy is on the newsstand each week at Mike & Al's Luncheonette, West John Street, Hicksville.

New Colorless Cream Lets You

## Get Rid of Gray Hair Some Of It Or All Of It

1st Day      6th Day      12th Day      18th Day

Time-lapse photographs show how gradual action of Grecian Formula 16 lets you control just how much gray you slowly, simply get rid of - some of it or all of it

WHITE PLAINS, N.Y. - Hundreds of thousands of men all over the country are now using a remarkable, practically clear liquid to get rid of just as much gray as they want - some of it or all of it. It is called Grecian Formula 16 and the results are simply amazing. Now Grecian Formula 16 is available in colorless cream form. It's as easy to use as hair cream. This remarkable formula works for any color hair because it combines with the natural chemistry of the hair to recreate natural-looking color. There is no mess

and no rub-off. You simply use it every day for two or three weeks until you slowly get rid of just as much gray as you want. Some of it, most of it or all of it. You are in complete control of how much gray goes or stays. Then simply use Grecian Formula 16 once a week or so to keep it that way. With Grecian Formula 16 the resulting color is so completely natural that the hair definitely does not have a dyed look. New Grecian Formula 16 colorless cream and famous Grecian Formula 16 clear are now both available at

Nassau and Suffolk United States Postal Service employees, numbering 7,391 at 154 locations, were honored at the United Way's Annual Meeting luncheon on March 20, for their record making contributions through the Combined Federal Campaign to the United Way of Nassau-Suffolk.

In 1974 their employee contributions totalled \$64,573 for a 90 percent increase in giving over the 1973 contribution. Accepting a representative award here from Robert E. Scheuing, United Way 1974 Campaign Chairman and President of Hempstead Bank, is J. F. Ward, District Manager of Nassau/Suffolk District Office of the USPS. At left is Winfield E. Fromm, Chairman of the Board of Trustees of United Way and President of AIL/Division of Cutler-Hammer, Inc.

Mr. Ward accepted this symbolic award for 121 USPS locations that qualified by United Way award criteria. Five (5) USPS locations qualified for the top United Way award, the Trendsetter Award plaque: Thirteen (13) qualified for Generous Giving Award plaques; and ninety-three (93) for Improvement Certificate Awards.

## At Wantagh Park

Morning and afternoon guided tours of the Sensory Garden in Wantagh Park have again been arranged for handicapped Nassau County residents on a daily basis starting Tuesday, May 13, and continuing through September.

A brand new program for adults 18 and over featuring Earth Crafts, will also take place at the garden on Tuesdays from 1:00 to 3:00 p.m. until July 29. Both programs are conducted by the County's Department of Recreation and Parks.

The Sensory Garden offers a pleasing variety of flowers, plants and surfaces that can be identified by touch and smell as well as sound. It was designed

particularly for the blind, with wide skid-proof surfaces and braille inscriptions. Tours are conducted from 10:00 a.m. to 12:00 noon and 1:00 to 4:00 p.m. The program in Earth Crafts offers handicapped adults an opportunity to create and decorate objects, using natural materials. Classes will include instruction in making nature wall plaques, "nature's window" (mini-flower arrangements), and mini-baskets of field flowers.

To register for either program, or both, call the department's Recreation for the Handicapped Unit at 292-4254.

Wantagh Park is located south of Merrick Road, west of Wantagh State Parkway.

## Walt Whitman Poetry Contest

There is still time to enter Walt Whitman Federal Savings' Eleventh Annual Poetry Contest. Entries may be submitted through Friday, May 2nd. The event is open to all adult residents of Nassau and Suffolk Counties, elementary school students, junior high students and high school students.

According to Mr. Frank Gillespie, President of Walt Whitman Federal, "It (the contest) is a part of our ongoing involvement with the people of Long Island. Just as we at Walt Whitman Federal Savings are

pleased to play a part in the growth of the communities we serve, so too we are happy to join with our friends and neighbors each year in this salute to Walt Whitman's cultural contribution to Long Island."

There are prizes of United States Savings Bonds or Walt Whitman Savings Accounts in each of the entry categories.

Full details are available at each of Walt Whitman Federal Savings' offices in Huntington Station, Melville, Fort Salonga, Nesconset, East Setauket, Mattituck and Uniondale.

SOME THINGS ARE WORTH WAITING FOR....Students line up to register for the upcoming April 27th Super Walk for the March of Dimes, at the March of Dimes Information Booth at Roosevelt Field. Some 25,000 will be walking that day to help those born with birth defects. If you'd like to register for the Walk, call Super Walk Headquarters at 741-4045. Pictured (left to right) are: Barry Aekerman and John Turner of UNIONDALE High School and Phyllis Kushner and Donna LaMarca from JERICHO High School.

# Nassau PTA Conference

The Nassau L.I. District PTA Spring Conference being held on Thursday, May 8, at the Division Avenue High School, Levittown, will focus on workshops for 600 PTA representatives and a special morning program with a panel discussion on School and Community Relations, an Ecology Workshop and a Mental Health Showcase.

Mrs. Mimi Etlin, District Director will open the conference at 9:30 a.m. Mrs. Edna Polin of Flushing, President of the New York State Congress of Parents and Teachers will install the newly elected officers: Mrs. Mimi Etlin of Malverne; District Director, Mrs. Bea Feinberg of Bethpage; First Associate Director, Mrs. Gloria Landow of

East Meadow; Second Associate Director, Mrs. Isabel Gray of Valley Stream; Third Associate Director, Mrs. Nancy Beck of Valley Stream; Fourth Associate Director, Mrs. Joan McMullan of Massapequa; Recording Secretary, Mrs. Gerry Levy of Levittown; Corresponding Secretary, Mrs. Pat Christensen of Merrick; Treasurer, Mrs. Mary Orth of Levittown; Assistant Treasurer, and Mrs. Pat Norman of Farmingdale; Historian.

According to Mrs. Joan McMullan, Program Chairman, the morning program will center attention to three major areas: "Community Survival", Environmental education for schools and community.

"Community Health". A showcase of Mental Health materials, films and dialogues. "Community and The Schools". A panel discussion on school and community relations, led by Mrs. Alice Willett.

Sixteen workshop sessions will begin immediately after lunch. All areas of PTA work will be covered in the workshops conducted by District PTA members and guests.

Registration fee for the conference is \$2.50 including lunch. Members are urged to pre-register through their local units and councils. For further information call Mrs. Christensen, Registration Chairman, at 378-2546.

## Republicans Oppose Tax Increase

In an effort to derail plans by Governor Carey and the Democratic-controlled State Assembly to "drastically" increase the commuter tax, Nassau Republican legislators announced today their total opposition to any proposed legislation to increase the tax on commuters.

The seven state assemblymen and four senators announced their opposition as indication grew in Albany that the Governor will attempt to raise the commuter tax to help bail New York City out of its severe financial plight.

The Republican delegation took its stance following a meeting today.

Speaking for the delegation, Assemblyman Joseph M. Margiotta (R-Uniondale) said

that the Democrats are on the wrong track if they attempt to increase the commuter tax to bail out New York City.

"There is no way we will jump aboard any legislation to increase the commuter tax by any amount," he said.

"SUBURBAN TAXPAYERS ARE LIKE TAXPAYERS EVERYWHERE. THEY'RE HURTING IN THE POCKET-BOOK AND THEY CAN'T STAND ANY INCREASE IN ANY TAX," MARGIOTTA SAID.

He also said that the delegation is opposed to legislation to increase the tax on New York City employees who live outside the city limits.

"This legislation," Margiotta said, "would reclassify a nonresident employee of New

York City to resident status for the purpose of taxing the both of them at the same tax rate."

He said that passage of this bill would mean that a resident of Nassau County who now works for the City of New York and earns \$6,000 per year would have his city tax increased 266 percent. Those earning \$30,000 would have their tax increased 500 percent.

For example, he noted that a middle income family having a gross income of \$15,000 would incur a 372 percent increase of from \$37.50 to \$140.

"Enough is enough," the members of the delegation agreed. "There is no pot of gold at the end of the rainbow in suburbia and the sooner the Governor realizes that, the better for all taxpayers," they said.

## March Of Dimes Superwalk

More than 20,000 enthusiastic students and adults will set off together on Sunday, April 27th at 8:00 A.M. from Eisenhower Park to walk 20 miles for the March of Dimes SUPER WALK to show their concern for the 200,000 children born each year with a birth defect.

This is the largest single walk in the state. Led by "Dr. J." of the Nets and March of Dimes poster children, Jennifer Brower and Stephanie Palen, and escorted by United States Marines in dress uniform, this major walk will pass through the towns of East Meadow, Levittown, Bethpage and Hicksville.

Amusing signs will point the way to decorated checkpoints along the route which will be staffed by hundreds of volunteers

all eager to work to make this walk safe, smooth and successful.

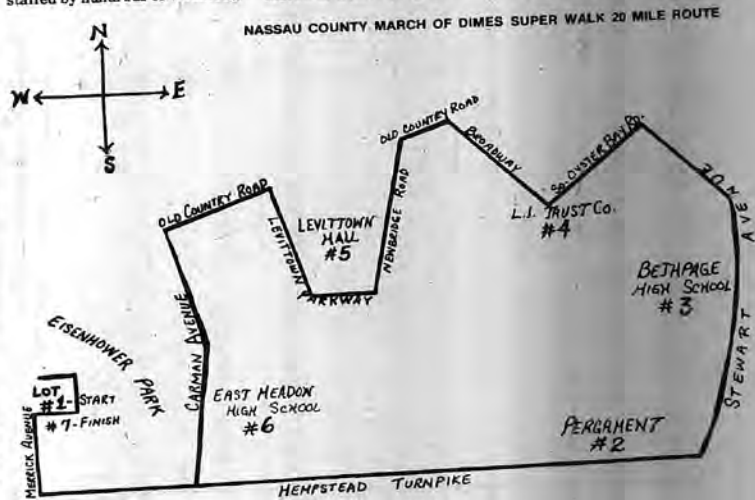

Refreshments are offered along the way - water hydrants become fountains - bands will add to the festivities, and many surprises are planned for along the route.

Thousands of people will make new friends and it's an altogether memorable experience to be part of the annual March of Dimes Walkathon.

A welcome-back ceremony is planned for the conclusion of the walk. A green carpet leads the way through a giant boot, through which each of the walkers will pass to be congratulated by dignitaries and friends who are all part of the March of Dimes programs.

"Created by the carpentry and art students of BOCES, this boot represents the pooled efforts of the very many people of this county who help to make this Walkathon one of the most exciting in the country," said Mrs. Lottie Seligman, Executive Director of the Nassau County Chapter of the March of Dimes.

"A Walkathon of this size would not be possible without the marvelous cooperation we have enjoyed from every level of Federal, State and local agency, the support of the American Red Cross and Salvation Army, and countless fraternal, civic and professional associations and, of course, everyone of the wonderful people who set aside Sunday, April 27th, as March of Dimes SUPER WALK day."

## Dear Friends...

We couldn't agree more than we do with our friend, the Hon. Joseph M. Margiotta, County Republican Leader, when he stated the following in opposing the Governor's proposed commuter taxes: "SUBURBAN TAXPAYERS ARE LIKE TAXPAYERS EVERYWHERE. THEY'RE HURTING IN THE POCKETBOOK AND THEY CAN'T STAND ANY INCREASE IN ANY TAX." ... and it is for this reason that we absolutely oppose any plan to start a 15 man (plus his aides, secretaries etc etc) Nassau County Legislature.

We know that the State Supreme Court has come up with the decision that the County must divide its district more equitably ... but nowhere in that decision do we see a "command" to up the number of those who represent us to 15 ... plus, as we have said, their aides, cars, etc etc. If we must remake our County into different districts, let us get on with it ... but we think it is absolutely unconstitutional for anyone, or any court, to tell us that we HAVE to have another layer of highly-paid government officials. We need less, not more government. But, due to this particular court decision there will be a referendum on June 10th, at which time, IF YOU ARE REGISTERED, you may vote on a plan containing 15 County Legislators, which will cost us, at the smallest figures available at present, \$50,000.00 each. And believe me I don't believe that it will stay at these figures for even one year. So, you will be able to vote, YES or NO on June 10th, if you are registered.

From there, it is hoped that someone will come up with a plan to govern our County that will NOT cost any more than what it is costing us at present. It can be done, but not with 15 legislators and their respective entourages.

To conclude, we couldn't agree with Mr. Margiotta more ... "... they (the taxpayers) can't stand any increase in any tax."

## Letters To The Editor

Dear Editor,

Mother's Day marks the beginning of National Nursing Home Week. Central Island Nursing Home will be holding "Open House" for all those who want to take the time to visit the elderly in this community who are alone at this time. Many are without family and friends and a friendly smile from a thoughtful person, taking the time to visit, may be as rewarding to you, (or your group), as it will be to them.

We invite you to visit on May 11th from 12 noon through 8:00 p.m. Please advise us when you plan to be with us so that we may make arrangements to show you our facility. Our telephone number is 433-0600.

Central Island Nursing Home Plainview, N.Y.

Dear Editor:

It is great pleasure to have an opportunity of sending you this letter in the hope that you would be pleased to publish it in your valuable column.

I am a teacher of Hankook High School in Seoul which has around 3,000 students. I teach English at this school. Through my teaching career, I have noticed myself that many students of our country are very anxious to have their own pen friends in foreign countries.

They would like to have friendship with the foreign school boys and girls through communication. I think the exchange of letters between the young in different countries would also help them learn much better each other's country. It would also help the students in improving

# Let's Penalize Americans And Make Foreigners Rich

BY JAMES W. PHELPS

And while we're doing it, let's contribute to shortages of vital energy we need to keep our economy going.

Crazy? Yes. But that's "today's logic" according to our control-minded politicians.

They control prices of domestic oil at \$5.25 a barrel. This discourages its production and limits the amount of money American companies and American stockholders can make. This, in turn, limits the capital they have available to find and develop more oil. At the same time the politicians permit oil sheiks to charge twice as much and become billionaires.

When we pay a billion dollars to an Arab for his oil, the whole billion is gone.

When we pay a billion dollars to an American oil company, about half of it goes to our government in taxes (on the corporation and on individuals who receive dividends). The remainder is used to help our economy.

The part left over that remains in the hands of the oil companies is invested in seeking and developing more oil. Is that bad? It provides more jobs for Americans and helps make us more self-sufficient from an energy standpoint.

The part left over in the hands of stockholders is used (a) to buy things or (b) as savings. The money that is spent spurs our economy and makes jobs for Americans. The money that is saved acts as capital to finance purchases and capital ex-

penditures by others—and both make jobs for Americans.

Controls mean shortages. As long as we permit our government to control the price of anything, that thing will be in shorter and shorter supply.

Let prices seek their own level. The higher the prices the less we use. The higher the prices, the more will be produced. Higher production and lower consumption will result in a surplus and a surplus will result in lower prices.

It won't happen overnight, but it will happen.

The future is right if we go back to a free economy. But it is black and full of shortages if we continue to let our politicians penalize Americans while making foreigners rich.

## Antique Cars At Old Westbury Gardens

The Antique Automobile Club of America of the Greater New York Region will meet at Old Westbury Gardens on Sunday, May 4th from 11 a.m. to 4 p.m.

There will be about 60 vintage cars including a 1904 Rego roadster, Cord, Auburn, Guesenberg, Whippel, Franklin and Pierce-Arrow.

Old Westbury Gardens, the former estate of the late Mr. and Mrs. John S. Phipps, will reopen for the season on Saturday, May 3rd. The gardens and mansion are open Wednesday through Sunday, and holidays, from 10 a.m. to 5 p.m. through October 27th.

Admission to the gardens is \$1.50 for adults, 50 cents for children aged 6-12. There is an additional charge of \$1.50 for adults and \$1.00 for children who wish to visit Westbury House, the stately Georgian Mansion on the grounds. The interior of the House is furnished as it was during the family's occupancy and contains many English objects d'art and pieces of furniture of the 18th and earlier centuries, together with paintings by

their writing ability. Furthermore, I surely believe that this correspondence will stimulate and promote international understanding as well as true foundation for world peace.

If any school boy or girl in your country wants to be a pen friend with a Korean school boy or girl, please inform us his or her name, address, age, sex and hobby.

We will in turn pass this information to our students and they will write the letters to their liking. We are sure that it will bring the students involved a great pleasure and a wonderful experience.

With best wishes, I remain,  
Yours very truly,

Dear Editor:

Although by the time this letter appears in print, the results of the Hicksville Public Library Budget and Trustee vote will be in, at this writing they are unknown. Therefore, you can see that this letter is written not to influence, but to inform.

At the last Community Council meeting held on April 3, both Mr. William Bruno and Mr. Rueil Jackson had stated that they would attend future Library Trustee meetings. However, at the first one since that statement, held on April 16, neither of these

# H.C.B.E. Supports Ayres, Losche, McCormack

John Ayres and Robert Losche have joined current school board member Cornelius McCormack in seeking election to the Hicksville Board of Education. The men received the endorsement of the Hicksville Citizens for Better Education at its April 10th meeting.

All three men see themselves as being capable of working with the educational system to "achieve fiscal responsibility through the constant evaluation of the educational system and its goals". Each of the candidates feels he has demonstrated, in his background, a strong concern for education, youth and community.

John Ayres has been a resident of Hicksville for eight years. He is the father of two children, one of whom attends Dutch Lane School, while the other is a preschooler. He attends Holy Family Church.

Mr. Ayres is currently employed at Long Beach High School where he has been a Guidance Counselor for six years. He is formerly Director of Athletics for two and one half years. He has also taught business education at Valley Stream North High School and for one year was an auditor for the New York Insurance Department.

Mr. Ayres earned a BBA in Accounting from Hofstra College in 1961 and a MS in Counselor Education from St. John's University in 1968. He has been both a coach and referee of High School baseball, football, soccer and lacrosse.

Mr. Ayres served in the U.S. Army for two years of active duty and six years of reserves and was discharged at the rank of captain.

Robert Losche has been a resident of Hicksville for sixteen years and has two children in the Hicksville Public Schools - one in the Junior High and one in the Senior High. He attends United Methodist Church.

Mr. Losche is currently employed as an engineer with Lizardo Engineering Associates - consulting engineers - Albertson, Long Island.

Mr. Losche has served as a Supervisor of a Junior Achievement Co., assisting young people in the setting up and management of a business as well as in the development of a salable product. He has been a member of PTA and received the Congress Emblem Award from Dutch Lane PTA. He has served on the Hicksville Council of PTA's as Health and Safety

Chairman. He has been a representative of School District 17's Health Curriculum for two years as liaison from United Methodist Church. Mr. Losche is a founder of H.A.D. (Help-Aid and Direction) and served as its president for the past three years.

Mr. Losche is a graduate of Pratt University Engineering School and has done post graduate work at C.W. Post. He is a member of the National Management Association, the American Society of Plumbing Engineers and the American Society of Civil Engineers.

Cornelius McCormack has served on the Hicksville School Board for fifteen years and has held the position of President of the board. He has lived in Hicksville for twenty-five years and has four children, three of whom are graduate teachers.

Mr. McCormack retired last year after many years as Manager of Operations for United States Lines Company. He is the past president of the Civic Association and the Holy Name Society of Holy Family Church. He also served on the Holy Family School Board.

Mr. McCormack was instrumental in the founding of H.A.D. and has worked diligently for this organization, serving as the Hicksville School Boards representative to H.A.D. He was a swimming and track coach for C.Y.O., and a former Little League Coach. He was also an Area Leader for the Boy Scouts' Finance Drive.

## Girls' Sports Night

On Friday, April 25 at 7:30 p.m. the Fifth Annual Sports Night will be held in the gym at Holy Trinity High School in Hicksville. This is the voluntary activity of the year for the girls.

There are two teams - Green Team and White Team. The members have elected Elaine

Foggan, Mary White, Elaine Fitzpatrick, and Mary Claire Halliday as captains. The themes this year are "Lady Luck" for the White Team and "Happy Holidays" for the Green Team.

Four months of hard work and intense preparation have gone into this year's Sports Night.

## Ecumenical Council To Meet

The Mid-Island Ecumenical Council will hold its regular monthly meeting on Sunday, Apr. 27, at St. Margaret's Episcopal Church, 1000 Washington Avenue in Plainview. The meeting will begin at the new time of 8 p.m. with a Worship Service.

Main business of the evening will be a report on the planned lecture series sponsored by the Council to be held in May.

Refreshments will be served at the Fellowship Hour and the Worship Service and meeting are open to all.

## Get Rid of Gray Hair Some of it or all of it

Time-lapse photographs show how gradual action of Grecian Formula 16 lets you control just how much gray you slowly get rid of — some of it or all of it.

White Plains, N.Y. — Hundreds of thousands of men all over the country are now using a remarkable product to control just how much gray they slowly get rid of. It is called Grecian Formula 16 and the results are simply amazing. Grecian Formula 16 is a practically clear liquid, as easy to use as hair tonic. # Public Bethpage Airport Seen Vital to Nassau Advancement

Grumman Aerospace Corporation's recent decision to extend use of its Bethpage, NY private airport to include limited general aviation operations is hailed by the Aviation Council of Long Island as a vital boost to the economic recovery of Nassau County. The Bethpage airport has been in operation for over 40 years.

The seven-year old Aviation Council of Long Island's objectives are a better public understanding of general aviation, keeping Long Island competitive in the aerospace industry, and promoting aviation facilities and safety. The Council unanimously passed a resolution supporting the Grumman decision and

recommending "public" airport status as soon as possible.

Arthur Bauer, ACLI General Aviation Chairman, pictured a "public" Bethpage Airport as saving existing jobs, stimulating business, and creating new jobs.

Bauer termed as unjustified some objectors' fears of increased danger, noise, and air pollution. He pointed to the excellent safety record at the airfield, the result of strict Grumman operations control which would continue. Additional controls announced by Grumman would minimize the sound of the light planes to a barely perceptible level. These aircraft also generate almost unmeasurable emissions, because they consume

as little as 6 gallons of fuel per hour, as compared with 3,000 to 16,000 gallons/hour for larger, airline type aircraft. Bauer said that the Council's own study showed that the new operations met all recognized standards of noise restriction, environmental protection and air safety.

As to direct benefits, Bauer stated that "For the first time in decades, there will now be direct air access to Nassau County for outside companies seeking convenient time-saving contact with local companies, in addition

# Workshop For Women

Janice LaRouche, whose career counseling sessions for women have received national publicity, will conduct such a workshop, Monday April 28, from 2:00 to 4:00 P.M. at Hofstra University.

Co-sponsored by the Women's Center and the Counseling Center, both at Hofstra University, the workshop will be held in the Multipurpose Room of the Student Center, located on the north campus.

"In the job market, the average woman is about 25 years behind a man of the same age," Ms. LaRouche points out. "A man may think he has found a job by luck when actually he's been unconsciously researching his career since he was about two years old, starting the first time

he was asked "What are you going to be when you grow up?" By the time it dawns on a woman that she, too, wants to or has to "be" something, she has half a lifetime of catching up to do."

For women deciding whether to work or return to school, for instance, the seminar will offer advice on goal-planning and self-awareness. For those seeking jobs, the workshop will demonstrate how to conduct a successful interview, and negotiate salary, ally, for working women, Ms. LaRouche will probe on-the-job problems and upgrading a person's employment status.

Fee for the session is \$2.50. Registration information is available from the Hofstra University Counseling Center, 211 Memorial Hall, Hofstra University, Hempstead, New York 11550, 560-3565.

REGINA DOLAN, Vice President of the "Young Republicans of Hicksville" was sponsored by the Ernest F. Francke Republican Club of Hicksville on her recent trip to the National Conference of the Young Republican leadership, which was held on February 26th at Washington, D.C.

Ms Dolan is shown being congratulated by Tom Gallahe, Hicksville leader (at right) and Charles Lynch 2nd Vice President of the Ernest F. Francke Club. Ms. Dolan presented a very lively and interesting summation of the conference activities at the last meeting of the C.O.P. Club which was held on Friday evening April 11th at the Veterans of Foreign Wars Hall in Hicksville. The conference theme was "back to basics" and training in the nuts and bolts of the election process. The increased participation of young people was stressed during her talk. ## Hicksville Soccer Club

### Traveling Teams

As spring rolls on towards summer, the Soccer Club rolls on to the completion of another successful season. You can't knock an 8-2-1 record which doesn't include two unreported games.

From the top, the under 16 girls dropped a close one to Northport 2-1. Both coaches, A. Camara & G. Conway congratulated their girls for the all out effort that was so obvious from opening whistle to the end of the games. The score by K. Jung came from an assist by D. Conway.

The second and final defeat of known weekend scores again came at the hands of a Northport team in the girls under 12 division. Hicksville lost 4-0 in spite of the outstanding defensive maneuvers of M. Masiello, L. Fennell, D. Richards & M. Cresham.

The single reported Junior team, Blue, under T. Camara, defeated N. Babylon 4-2 in a come from behind 1-0 deficit at half time. P. Gramaglia did the "hat trick" with a great deal of cooperation from the offensive line and the mid field force, while T. Denien came up from mid field to convert a Gramaglia corner kick. While Mulligan and Bungert at mid field kept the ball in offensive position, the attack line of Quinn, Ferreria & Gallant kept the pressure in front of the net.

The AOH sponsored Juvenile Red pulled away from a 1-1 half time tie against Massapequa to secure a 4-1 win which established the team as No. 1 in their division. Mid field players aided the offensive game for scores by R. Dalton (2), S. Halajian (1) & K. Anglin (1). The defensive line showed inspiration as they constantly maintained an offensive ball.

The Marco Polo Lodge sponsored Boys Blue 10-0 win over L. Beach allowed for coach M. Sini's strategic variations. An adaptation of the "triangle attack" produced scores. Twice the passes began from the foot of J. Jjanette, served by T. Luongo & D. Cusack respectively for goals by S. Cahalan & T. Luongo. The final score was racked up by T. Luongo (5), S. Playne (2), D. Cusack (1), J. Shoner (1) & S. Cahalan (1). The team learned to respect the hustling effort of the L. Beach goalie L. Negalovsky.

The V F W Boys Red continued their shut out record by defeating Garden City 8-0. Shannon, Solaski, Rupp & Barcavage turned defensive play into offensive action.

Midget Blue broke the ice this weekend by collecting their first win 1-0 over N. Shore. The whole team deserved the win. The winning goal was booted by A. Conro, assisted by A. Menzin while P. Bedell at the point took the frustration award for two shots that the wind took away from the goal. Key leadership on the field was provided by K. Bungert who was more than ably assisted by R. Valaita & the saves of goalie M. Thomas.

Bantam Blue edged Bohemia 1-0 on a goal by D. Smyth assisted by B. Cresham & D. Bell. The invaluable forward passing of R. Pearce

## Hicksville American Little League News

Opening Day Ceremonies on Saturday, April 19th had to be somewhat curtailed because of rain at the starting time. However, the Hicksville Jr. High School Band under the direction of Mr. Donald Sitterley did a splendid job and he and his musicians are to be commended. Also present was Mrs. Rosemary Walsh, who is coordinator of Community Relations for the Hicksville Public Schools. Mrs. Walsh has been most helpful with our field assignments and the allocation of school facilities to the league.

Many thanks go to Jeanne Massaro and the Ladies Auxiliary for their contribution to a successful opening day. The ladies did a fine job and are an asset to the league.

One of the more important jobs in the league is the recruiting of sponsors. Bill Higgins has been doing a wonderful job and as of opening day all our teams have sponsors.

This year the "A" League Teams are Hicksville Firestone, Circle Texaco, Geo. Malvese & Co. and Cotten-Lillian, Ltd. In the "AA" we have L.I. Collision, L.I. National Bank, Sizzler Family Steak House and International House of Pancakes.

The Major League Teams are Hardee's, Goldman Bros., Powertest, W. John St. Station, and British International Motors.

We are represented in the Senior League by AgWay Petroleum, Gilson Knitwear and Veterans of Foreign Wars, Wm. M. Gouse, Jr. Post 3211.

## Art Exhibition at Cantiague Park

Budding Picasso's and Rembrandts in Nassau's junior and senior high schools will have an opportunity to display their works of art in a county-wide exhibition to be held soon at the Cantiague Park indoor rink in Hicksville.

The art exhibition, which is sponsored by the Nassau County Department of Recreation and Parks, begins on Thursday, May 8, and continues through Sunday, May 11. The public is invited free of charge from 10:00 a.m. until 4:00 p.m. on all four dates.

Judging is in four media—acrylics, oils, water-color, and charcoal—and a panel of five artists will award ribbons and trophies for the top three works in each category.

Registration is through the art teachers in participating schools.

The Cantiague rink is located on West John Street.

## Operation VFW

Post 3211 Hicksville

By Lou Palladino

The last meeting was held April 14 and a number of things were discussed. It's the time of the year when the nominating committee bring their recommendations for the new slate of officers in the coming year. The choices this time were, Joe Normandy for commander; Abe Feldman for sr. vice president; Vinne Edwards for jr. vice president; and Charlie Timpano as chaplain. Those are the important ones. Of course, old Spike Frohenhofer was again nominated for quartermaster. The delegates and alternates to the county council were also picked, plus a few other lesser posts. We, on the nominating committee, felt these comrades have worked hard and deserve these jobs. Now it's up to you, the members, to make your decision. The next meeting is April 28, then nominations and elections will be held, to be finalized.

We enlarged our Post with five more members at the last meeting. Of the five, George LeRose was a transfer; George Hagis, Joe Rohan, and Robert Carroll were World War II vets; and Arthur Mayer, a young tiger of the Vietnam campaign. We welcome these new comrades to our group with open arms. Since the first meeting of the year, we've have had new members entering our fold, at just about every session. So, we must be doing interesting and wrong, or interesting and right things.

On Youth Activity report, a baseball game between the Mets and the St. Louis Gards is being planned. You will be hearing from Mike Monteleone about this game. If you want to send the kids, you must notify Mike. The date is May 10.

From Mike Mack, our service officer, a report to all Vietnam vets, particularly those of recent discharge. You have one more year to get your dental work started, if need, and three years to complete it.

Vinnie Edwards made mention he received a letter of thanks from the Northport Hospital for our monthly ward parties. He is proud of the acknowledgement, but feels we should have a larger group attending. The end results would be more gratifying. This is to let you know, we don't ever forget our less fortunate comrades. Aside from Community activity, they are uppermost in our thoughts.

Augie Barone notified the Post of the next date for a night at the races. The evening of Sat., May 10. That's two things going on the same date. The Met ballgame in the afternoon, and the aforementioned festivity in the evening. Come on over and have some fun.

The Dover N.J. Loyalty Day Parade is coming closer. Clyde Stevenson reported, everything is in readiness. May 3 in the A.M. We're all excited about this affair.

Our own Harry Wurth will be the next County Commander and a guest dinner is being planned. You'll hear a lot more about it, as the June 7 date approaches. Hope you make our next meeting.

## New President

Lt. Patrick G. Looney, commanding officer of the Nassau County Police Department's Juvenile Aid Bureau, was recently elected, by acclamation, president of the newly formed State of New York Police Juvenile Officers' Association. Thirty delegates from departments throughout the state met in Albany on April 10th and 11th to develop and ratify the new association's constitution and by-laws and elect its first slate of officers.

Lt. Looney stated that the primary purpose of the association is to emphasize and develop specialized training for police juvenile officers. He said, "We hope to develop and implement new procedures in the handling of the young offender and to promote the establishment of specialized juvenile units within law enforcement agencies who will voice their opinions to the state's legislative body."

## La Leche League

The Plainview Group of La Leche League for Nursing Mothers will hold its monthly meeting on Tuesday, May 20, at 8:30 P.M. at the home of Mrs. Carol Otto, 44 Stephen Drive, Plainview. Telephone: 433-8761. Discussion leader is Mrs. Joyce Sforzo.

## Major Development in Women's Haircoloring.

### Get Rid Of Gray Hair Some Of It Or All Of It

Time-lapse photographs show how gradual action of Lady Grecian Formula lets you control just how much gray you slowly get rid of—some of it or all of it.

WHITE PLAINS, N.Y. (Special)—Thousands of women all over the country are discovering a remarkable new product specially developed and tested for women's hair. It not only takes the guesswork out of hair coloring but also eliminates the gray roots problem that has for years been a thorn in the side of all women who color their hair. Lady Grecian Formula is not a dark messy dye. It is a colorless liquid as easy to use as water. There is no mess, no complicated instructions, no

strand tests, no clock watching. Simply brush Lady Grecian Formula through your hair every day and you will see the gray slowly 'fade away.' You are in complete control. You can get rid of as much gray as you want—some of it, or all of it. When your hair reaches just the lovely natural looking color you want, weekly use thereafter is all that's necessary to keep your hair just the way you want it with no gray roots problem ever. Lady Grecian Formula is available now at:

## An Exciting Trip

The Kindergarten children from the Dutch Lane School, and the Old Country Road School, Hicksville, had a very interesting day. The children had a fine learning experience at The State University Farm in Farmingdale, and enjoyed every minute. They saw cows being groomed, eating, and the milking process. They had an opportunity to pet the baby calves. Two cows were in a "hospital room" waiting to deliver their calves in about a week. The children saw the food that the cow eats, and how this food is stored in a silo until they need it for the cows. They also saw a new baby lamb only three days old. They observed the college students caring for the animals, and became aware that these young men and women were preparing for their future careers as they worked and studied. They saw some of the students washing and grading eggs. Some of the eggs were white, some were brown, and they were different sizes—large-medium and small. At the pig barn, they saw the stiff hair covering the boar, and learned that their bristles make good strong brushes.

Then the children, the parent helpers, and Mrs. Schlecker and Mrs. Wade were in for a treat. Mr. Irving Klein, owner of the McDonalds on Rt. 109 in Farmingdale, graciously permitted the group to go behind the scenes and into the working area at McDonalds and watch the preparation of the food. The store manager, Mike, was very cooperative and made the experience very meaningful. The young men and women who work in the store were happy to explain their work to their young visitors. After a short tour, the children were given (at no cost) a hamburger, french fried potatoes, and a drink. After this treat, the group happily boarded the bus and sang many songs as they rode back to school. It was an exciting day filled with good experiences to remember, and to discuss using much newly acquired vocabulary.

### HICKSVILLE SOCCER (Continued from Page 11)

& D. Smyth from their H.B. spots kept Hicksville in control. This particular game taught the team what confidence & experience can do.

Mid field ball control was the secret of the Mid Island Bowl sponsored Bantam Reds overwhelming 9-0 victory over Bayside. The mid field press resulted in goals by Pepi, McCann, Andrus, Schuck & Tyranski.

Pee Wee Blue tied Bayside 1-1 in a game that could have exploded either way. While M. Lewis & F. Christiano developed the attack, S. Geerditz, D. Skupinsky & D. Gruosso maintained the defense. The combination produced a goal by R. Newlands on assists by J. Bush & M. Rosenbach.

Pee Wee Red routed Brentwood 4-1 on scores by L. Ziembecki (1), F. Musumeci (2) and P. Schnur (1). The defense kept the ball across mid line for the offense to capitalize on and score.

to Grumman. It would also be possible for Nassau-based companies to gain rapid, direct air access to 12,700 airports throughout the United States to expand their business activities." Bauer added that most of the County's industrial, parks and office complexes are within minutes from the Bethpage air facility.

The Council also commended Grumman for striving to improve its competitive position in bidding for government contracts by reducing or eliminating the \$600,000 annual cost of airport operation with income from public use of the field. "At a time

when company after company is leaving the Island to reduce its costs, Grumman is trying to improve its own efficiency thereby not only preserving the jobs of its current 24,000+ employees, but opening the way for additional employment. The recent lay-off of hundreds of employees and the heartbreaking loss of some government contracts over the past year must not happen again."

"It saddens us to see opposition to Grumman and the aviation industry that was born on Long Island, the cradle of aviation in the early 20's. The feats of Lindbergh and his contemporaries from Roosevelt and Curtiss Fields... long since plowed under... were the basis for the

aerospace industry which today is the backbone of Long Island's economy. However, in the past few years, the history of Long Island is that of forcing the closing of one airport after the other, because the public does not understand how important general aviation is, or even what it is, with the public in some cases deliberately misinformed by parties with self-serving interests."

**Accident Report**

April 9 - 3:30 p.m. - Cars driven by Nazereno Gangemi, 7 Jefferson St., Hicksville, and Frances O'Connell, of Manhasset, collided on Jackson Ave. at Hillside La., South, Syosset.

**Our Armed Forces**

U.S. Air Force Second Lieutenant Gennaro Cuomo, son of Mr. and Mrs. Samuel S. Cuomo of 3 Forest Drive, PLAINVIEW, has graduated from the Strategic Air Command's combat crew training course at Castle AFB, Calif.

Lieutenant Cuomo, a B-52 Stratofortress electronic warfare officer, is being assigned to Kincheloe AFB, Mich.

The lieutenant, a 1965 graduate of Plainview High School, received a B.S. degree and his commission in 1973 upon graduation from the U.S. Air Force Academy, Colo.

Airman Richard V. Panetta, son of Mr. and Mrs. Aniello V. Panetta of 17 Agatha Drive, PLAINVIEW, has been selected for technical training in the U.S. Air Force medical services field at Sheppard AFB, Tex.

The airman recently completed basic training at Lackland AFB, Tex., where he studied the Air Force mission, organization and customs and received special instruction in human relations.

Airman Panetta, a 1970 graduate of Bethpage High School, earned an A.A.S. degree in 1972 at the State University of New York at Delhi.

**Get Rid of Gray Hair**  
**Some of it or all of it**

Time-lapse photographs show how gradual action of Grecian Formula 16 lets you control just how much gray you slowly get rid of - some of it or all of it.

White Plains, N.Y. — Hundreds of thousands of men all over the country are now using a remarkable product to control just how much gray they slowly get rid of. It is called Grecian Formula 16 and the results are simply amazing. Grecian Formula 16 is a practically clear liquid, as easy to use as hair tonic. This remarkable formula works for any color hair because it combines with the natural chemistry of the hair to recreate natural-looking color. There is no mess and no rub-off. You simply use it every day for two or three weeks until you slowly get rid of

just as much gray as you want. Some of it, most of it or all of it. You can stop where you like. You are in complete control of how much gray goes or stays. Once you get rid of as much gray as you want, simply use Grecian Formula once a week or so to keep it that way. Since Grecian Formula 16 works gradually over a period of time, even close friends won't notice the change happening. The resulting color is so completely natural that the hair definitely does not have a dyed look. Grecian Formula 16 is available at

## Letters To The Editor

(Continued from Page 4)

gentlemen appeared. Nevertheless, I would like to let the public know a little about what happened at this meeting.

The meeting lacked the full board, with Messrs. Bean and Fishman and Mrs. Aaron being present and Messrs. Jones and McCarthy being absent. The Current Warrants (List of Bills) were presented to the Trustees for approval. They will now be forwarded to Mr. Blackman, Treasurer of School District 17, for his signature.

The policy of Regulations on Inspection of Public Records as mandated by State Law was then discussed. The current policy of the Library is now in compliance with this law. However, changes (still in compliance with the Law) were discussed and copies of the proposals will be distributed to the absent Board members so that the matter may be decided at the next Board meeting. It was noted that according to law, records must be made available within a period of five working days from the initial request. Mr. Barnes felt, however, that a limit should also be placed as to how long these records should be kept available for the inquirer, since stacks of records have been waiting the arrival of Mr. Bruno to review them for over a week. It was felt that this could be a hazard to the safety of the records in question because of fire, etc. further, that if these records are refilled without having been reviewed, after proper notification and a five day waiting period, that these same files could not be requested by the same individual. The reason is that this could be used as a means of harassment, at the expense of the taxpayer, since a clerk must first locate the files and then refile them, all of which is time consuming and removes clerical staff from their other duties at the Library.

Also personnel information, i.e., medical histories, inter-

views, references, etc. is not to be made available for public inspection, as per the State Law governing same. Further, Mr. Barnes wants to have a written form filled out for any request of public records, so that a permanent record of those seeking files and how they are complied with may be retained.

The amount of time one could review records daily also was discussed, since a member of the staff must be present to insure that public records were not removed or changed in any way. Further, certain records had been requested dating back to the 50's, and the attorney was asked how long records had to be kept (at present they are kept in the attic of the Library). He stated that record keeping is determined by the Record Control mandated by State Law and that the Library could follow this control.

A bill to increase the ceiling on per capita State Aid to local public libraries from 5-cents to 10-cents, being sponsored by the New York Library Association was discussed. It was noted that in his column, "A Majority of One" appearing in the Mid Island Times of April 10, Assemblyman Lewis J. Yevoli, D-Old Bethpage, stated that he expected to vigorously support this bill.

"B.E.L.T.S." advertisement, also appearing in the Mid Island Times of April 10 was also read by members of the Board. Mr. Bean advised that he had written to the Editor in response to the ad.

Mr. Barnes then presented the Board with additional information on systems in use in other libraries, as well as department stores, etc., that deter pilferage. It was felt that the installation of such a system would prevent the loss of books, encyclopedias, records, etc., that are being removed from the premises without being charged out. Whatever system is ever decided upon, and whenever it is approved, the

funds for the installation of same would come from the savings account (capital improvement) and in no way would affect the budget and tax rate. It was felt, however, that a savings to the taxpayer would result since many valuable books would remain in the collection and thus not have to be replaced by repurchasing the same books.

Mr. Barnes told about the popular use of the talking books; we now have over 30 people making great use of them. Plans for the Bicentennial were also discussed briefly as regards the possibility of having an art show, co-sponsored by the Town.

A review of staff reports was tabled until a larger number of Trustees would be present to review them.

A request was made by the Friends of the Library for a "How Do You Find Our Service" box at the Library for any comments, criticisms, complaints or compliments by the users of the Library and the Board directed Mr. Barnes to have such a box placed in the Library.

I hope to be back after the May Library Trustee meeting with additional information for your readers. Thank you for affording me the opportunity to present it

to them.

# Stop the Torture of Vicious Itching

Even Personal Membrane Itching

Now you can get fast, long-lasting relief from the tortures of itching, chafing, rashes, dry skin eczema, even embarrassing personal membrane itch (vaginal and rectal itching), with LANACANE Medicated Creme.

Thousands of people suffer the tortures of personal membrane itching, but now they are discovering the wonderful relief LANACANE brings. You see, itching causes scratching, which causes more itching. That's the misery of what Doctors recognize as the "itch-scratch-itch-cycle."

LANACANE works because it breaks the itch-scratch-itch cycle. LANACANE relieves itching fast, quiesces the urge to scratch. Then LANACANE soothes irritated skin, checks bacteria growth, speeds healing. It's so pleasant to use, it's greaseless, has no unpleasant odor.

Stop being tortured by vicious itching. Let LANACANE help solve your itching problems today.

Hicksville Firemen line up behind their color guard, and get set to step off, led by "Smoky" and 1st Asst. Chief Roy Schaaf, for Hicksvilles Bicentennial Celebration. April 19, 1975

# Undiscovered Fire Causes Heavy Damage

By Ex Capt. Owen Magee

A fire, which officials believe was burning for some time before being discovered, caused heavy damage to a Levitt style house at 26 Thimble La. Hicksville. The fire was spotted by neighbors and reported to the Hicksville Fire Dept. at 11:24 AM on April 17th 1975. 40 firemen, 5 pieces of apparatus responded under chief Mario Misturini. The fire, which started under the stairs was under control in 15 minutes, but due to the owners being out and the delayed discovery the entire home suffered fire damage. Firemen, found the family pet

and worked for 30 min. to save it, but the dog died, from smoke inhalation and heat. Cause of the blaze was believed to be electrical.

### Forty Four Alarms

The Hicksville Fire Dept. answered 44 alarms during the period April 8 thru April 22. There were 8 malicious false alarms, 13 rescue calls, 23 fire calls.

### Fire Chiefs Car in Accident

On April 15 firemen received a report of a house fire at 19 Edward Ave. Hicksville Fire Chief Mario Misturini was responding east on Edward Ave. when the chiefs car was struck at Jonathan & Edward Ave. Chief Misturini escaped with minor injuries. Heres the kicker- the "house" fire turned out to be a "toaster fire" which brings up a good point. We always say- fire strikes swiftly, when you least expect it. Hold escape drills, home fire inspections go over the routine on how to call the fire dept. If this is done, drills held, etc. when the real thing happens you will be prepared, more organized and probably wont report your house afire when it is only a toaster.

We all signed on knowing the risks involved but we do ask that before you cry wolf, check and be sure the wolf is really there. It could save a citizens life or a responding firemans life.  
50 Years Service  
to H.F.D.

The officers and men of the Hicksville Fire Dept. congratulate fireman Joseph Braun of emergency Co. No. 5 on the completion of 50 years active service with the Hicksville Fire Dept. Best wishes for the next 50.

### Vamps Mourn Death of Honorary Member

Hicksville firemen lost a good friend, when, on April 12, Harry Jefferson of Ladder Co. 6 passed away after a long illness. Forced onto the honorary rolls by illness, Harry, when active was always on the job. We mourn the loss of Fireman Jefferson. Rest in everlasting peace.

Hicksville firemen wish to thank the Hicksville P.B.C. band for a job well done providing music for the vamps marching in the Hicksville Bicentennial parade April 19. It was appreciated.

An added attraction of the Bicentennial Parade in Hicksville is 2 more H.F.D. mascots and vehicle. Thanks to vamps George Klimpel and S. Heidenfelder.

## VFW Auxiliary Round-Up

By Joan Chwalisz.

The ladies of the Wm. M. Gouse Jr. Auxiliary will celebrate the 35th Anniversary of the Auxiliary on April 24th at a dinner to be held at Brandy's Restaurant. A nice turnout is expected, this being a special year. Ladies from the Council are also expected to help us celebrate. Chairman for this is Virginia Byrnes, Sr. Vice President of our Auxiliary.

Election of Officers was held at the last meeting and Installation is to take place on May 8th at 9:30 P.M. at our club house. Newly elected officers are President, Pat Williams, Sr. Vice President, Virginia Byrnes, Jr. Vice President, Carolann Fullerton, Treasurer, Luci Blesi, Chaplain, Carmella Vitale, Conductress, Edna Barone and Guard, Mae Berkan. We wish these Sisters the best in the coming year. Acting as Installing Officer will be Past Auxiliary President & Nassau County Council Jr. Vice President, Joan Chwalisz, assisted by Esther Palladino as Installing Conductress.

Why don't you come out and show our newly elected officers that we are behind them 100 percent. They can only do their jobs with your help.

Installation of our Junior Girls Unit Officers will be held on May 2nd following their meeting. These young ladies are to be complimented for all the good

work that they do.

If you are free that evening, come out and join our Jr. Unit and help them to celebrate their 10th Anniversary.

On Sunday, April 27th our Auxiliary will join many Posts and Auxiliaries in Farmingdale to join in the Loyalty Day Parade. This is scheduled to begin at 2:00 P.M. If you can not march, come out and be a spectator, and help us to make this one of the best Loyalty Day Observances.

Till next time, stay well and come out and join us for one of the above mentioned occasions, we would love to see you and greet you.
