## Community Council Hears Dr. Hill On Budget

It has been the custom each year at the May meeting of the Hicksville Community Council to invite someone from School Administration to speak on the proposed school budget. For the last two years it has been Dr. Hill who performed this duty. So, it was pleasant indeed once again to listen to the Council's "old friend" explain this year's upcoming budget.

Dr. Hill spoke on all seven propositions upon which the Hicksville School District 17 voter will be voting on June 4th. (See legal notice in this issue for registration and voting details).

Inasmuch as the eight page school budget brochure is a part of the HERALD this week, (and all candidates to the school board are hereby invited to send us their picture, plus an article on their background, past community activities, and reasons why they wish to serve on our Board of Education which will be printed in the last issue before June 4th) this article will not reiterate all this pertinent information except to say that during the public part of the Hicksville Community Council meeting, School Board candidates Robert Losche, Cornelius McCormack and John Ayres (all HCBE endorsed) and candidate Carol Wolf, all spoke, briefly giving their backgrounds, and why they are running for this Board.

It was also announced that, as usual, the Hicksville PTA will hold a Candidates' Forum on May 27th in the Little Theatre of HHS. John Maniec also announced that all school board candidates have been invited to

appear on his Community Spotlight program on Cablevision Channel 10 on Thursday May 22nd and that the public will have the opportunity to call in questions.

The annual election of officers for the Hicksville Community Council took place at this meeting as follows: President, John Maniec, Vice-President Steven Weinblatt, Second Vice-President Warren Doolittle, Treasurer, Catherine Sheckler and Secretary, Clara Bennett. Installation will take place at the annual Dinner Meeting of the HCC which is set for Thursday, June 5th at the Trinity Lutheran Church Dining Room where a delicious buffet is planned. Tickets are \$7.50 each and can be obtained from any member of the Council or by phoning Sieg Widder at WE 1-0853.

HAD announced that they are scheduling a dinner dance at the Sons of Italy Hall on Sat., June 14th. Tickets for this affair are \$7.50 each.

Mr. Richard Evers announced the programs taking place during the celebration of the fiftieth anniversary of the Hicksville JHS which is scheduled for June 7 through the 12th, details of which are currently running in the HERALD as a series.

Mr. Eugene Edelstein announced that the HCBE is planning a Cocktail Party for the candidates at Brandy's in Hicksville on Thursday evening, May 29th. Anyone seeking tickets can call 933-5361.

Refreshments were served at the conclusion of this interesting and informative meeting.

# Building of Our JHS A Great Event In 1925

By Richard Evers

Hicksville's Fiftieth Anniversary celebration of the dedication of the Junior High School on Jerusalem Avenue, this June 7th serves as a reminder of a truly significant milestone in the history of this community's schools.

The grand dedicatory rites of May, 1925 were actually the fruition of ten years of community debate and planning concerning the erection of a self-contained secondary school. Since the late 1890's all grades had been taught at the Nicholas Street School. By 1915, with a school population of 459 pupils, 15 teachers and five graduates per year, this village's Board of Education began committee meeting with a thought to "easing conditions." Assisting the School Board over the years to select a suitable site for a new school were such active persons and leaders as: W.C. Herzog, John Reinhard, Joseph Funfgeld, Charles E. Fassbender, J.H. Hahn Dr. E. A. Curtis, August Deppisch and Charles G. Voigt.

Sites as separated as Plainview Road and Jerusalem Avenue - the periphery of settlements, to some goodly extent in those days - were proposed. Debates among residents as to cost, location and traffic hazards prolonged the effort. The results of a Special Vote in February, 1917 were contested in protests by taxpayers to the State Education Department, alleging "illegal voters" and "inconvenience and danger of chosen site," the latter charge by Hicksville's paladin of so many gallant fights with officialdom, Dr. Elwood Curtis, dentist, prize poultry raiser and public-spirited citizen. The site vote of 1917 was voided.

The community's preoccupation with America's entry and participation in World War I postponed further decisive action until February 28, 1922. At a special District meeting, the Van Vechter property of fifteen acres on Jerusalem Avenue was selected as a site for Hicksville's first self-contained Junior-Senior High School. The land cost was \$19,936., Charles A. Stoll

representing the School Board as counsel. The firm of Coffin and Coffin were hired as architects, and on May 4, 1923, the taxpayers voted \$250,000 for erection and equipment of a modern secondary school. An additional sum of \$95,000 was voted upon on November 23, 1923, reflecting a six month rise in costs while building plans were being approved by the State Education Department.

Ground was broken for the new school in December, 1923, and the first Junior and Senior High School pupils walked from Old Nicholas Street School to occupy their new school, between Thanksgiving and Christmas, 1924.

How pleased and proud this community of 4,762 farmers, small craftsmen, shopkeepers and increasing commuters was on dedication day, May 29, 1925 may be read in quotes from the old Souvenir Program. One reads: "a 15 acre site, one of the largest school sites in the state" ... "architecturally attractive" ... "the arrangement of the

auditorium and gymnasium in the building, (directly at grade), not only facilitates community use but allows of these units being separately heated, lighted, and maintained at night" ... "an important feature ... the absence of rooms for pupil use in the basement ... the rooms are all above grade, dry, excellently ventilated and lighted" ... "the floors are covered with 1/4 inch Battleship Linoleum made ac-

cording to the formula of the U.S. Navy", etc. It was indeed, a fine physical plant with splendid provision for athletics, spacious lawns and comfortable teaching and learning.

As the Junior High "Golden Anniversary" program and "open house" evolves for the week of June 2-7, the planning committee might enjoy scanning some excerpts from the yellowed (Continued on Page 8)

## Hicksville Chamber of Commerce

By Kenneth Barnes

Your Chamber of Commerce has been active in 1974-75 with a number of projects. Membership, traffic, zoning and the sadly deteriorating downtown area have been some of our major concerns.

Downtown Hicksville suffers from a combination of geography, unwillingness of the governing bodies to fully accept the recommendations of both professional planners and citizens committees to improve the area, and community indifference. Nevertheless, the Chamber carried on its 4-year old campaign to modify the G-1 zoning ordinance. In July, Jack Follis of the Nassau County Planning Commission was guest speaker at a Chamber meeting. He explained in detail the recommendations of the Hicksville Advisory Committee on transportation and development (1968-70) which he assisted in formulating. In October, the Mid-Island Herald began publishing a series of articles written by Larry Scalera, Architect and Chamber member. These articles, pointing out the many deficiencies in the present zoning law with detailed suggestion for modification, were detailed and knowledgeable. They led to a full scale public discussion in February with Town of Oyster Bay Officials, something that had not been done for several years during which time the situation

has deteriorated. Prior to this discussion members Scalera, Braun and Barnes were interviewed on Cable TV. While I cannot report any assurance of a zoning change, I think we must continue to try and reach the general community and we have offered community groups the opportunity of contacting Chamber members if they wish to discuss recommendations of the Chamber.

The Membership Committee will soon contact many of the several hundred business firms who are not Chamber members. They will receive free, our new edition of a map of Hicksville. Stanley Turner is at present completing preparations of the map. Of central importance to the Chamber is a wider base of membership involving citizens of various occupations and interests.

The Traffic and Safety Committee has forwarded a recommendation to the Town of Oyster Bay and Nassau County to consider a "scrambler" traffic light system at the intersections of Old Country Road and Broadway, Jerusalem Avenue and Newbridge Road because of the danger to pedestrians at the crossings. To date, we have been told by the town that a survey would be made by the county. This was several months ago.

One of the more positive accomplishments has been the work of Walter Dunbar and his Beautification Committee. Dr.

Dunbar, who is largely responsible for the landscaping of the Northwest corner of Old Country Road and Broadway has been busy again in the area between Old Country Road and Carl Street. He has created a community garden in the area dividing the lot with plots for the use of local gardeners. His committee has been very busy getting permission from owners, clearing the land and allocating the space for the many families that have expressed interest. It should eventually result in an oasis of greenery in a sea of mud and rocks and proves that something can be done about downtown Hicksville with imagination and elbow grease. He has requested the Chamber of Commerce and other service clubs to contribute to a landscaping project at Herzog Place and Broadway.

The Chamber of Commerce has been active in other community areas. We are represented at meetings of the Hicksville Community Council and the Hicksville Bicentennial Committee. We may, in the future, be asked to support a campaign for community parks in Hicksville, since we have supported this idea from its inception. Another project that needs to be considered is support of an outdoor play area located at the Day Care Center at Old Country, New South and Plainview Roads. The Center accommodates 120 Hicksville children.

Across a half-century the first Hicksville High School Basketball Team comes. Identified are (from left to right) Coach Roland Kinney, Louis Millevotte and Superintendent E.A. Van Slyke. Pictorial exhibits are being prepared for the school's special "Golden Anniversary Program" one June 2-7th.

## Dear Friends...

No matter which candidates or political party you are aligned with, no matter how strongly you feel on any issue upon which every American citizen is given the opportunity to vote upon, you cannot vote IF YOU ARE NOT REGISTERED. I am not referring to your local school district registration which is also important. But a large percentage of our Nassau County residents are NOT registered in Mineola at the Board of Elections. They cannot vote, even if they wanted to.

It is surprising how easy it is to accomplish this registration if you really want to. I telephoned the Nassau County Board of Elections just this morning to check it out. The telephone number is 535-2411. I asked how to go about registering. A lady with a very pleasant voice informed me that the Board of Elections is open Mondays through Fridays from nine a.m. to 4:45 p.m., THROUGH MAY 30th, so that you can register. She did suggest that you come in no later than 4:30 p.m. because it takes about 15 minutes to register. The Nassau County Elections Board is located at 400 County Seat Drive in Mineola, just off Old Country Road, and one short block east of Franklin Avenue.

The reason that the cutoff date is May 30th is because the remainder of the time is needed to process voting information necessary for the June 10th referendum. This will decide whether or not the voters and taxpayers of Nassau County wish to have a whole new layer of government called the Nassau County Legislature, consisting of 15 legislators plus their

aides, secretaries, cars, offices etc., etc., etc. A figure offered by some in authority is \$1,200,000. for this new layer of government...at least this is the figure offered publicly...privately a modest figure of \$5,000,000 to \$6,000,000 is agreed upon as an INITIAL COST to the taxpayer.

The Courts decided several years ago, due to a suit brought by Stanley Harwood, Democratic leader of Nassau County, that the present Board of Supervisors was unconstitutional because the Town of Hempstead was entitled to a slightly larger percentage of the votes on the present Board of Supervisors than they are presently permitted.

In a strangely worded proposition, understood by so few that no one really knew what he was voting FOR or AGAINST, last November it seems that a majority of the 38 percent of the voters who took the trouble to vote, voted against minor changes in the present Board of Supervisors to conform to the Court's decision. But, even here, (it is a very big BUT)...no costs were ever suggested...so that the few who did vote were not in possession of even the few basic facts necessary to an intelligent opinion before they cast their vote.

So, here we are now, being once again given the opportunity to vote. But on June 10th, we have now been brought to the brink of disaster, not only by those who govern us, but also by our own apathy in neglecting to ask the right questions before last November's vote....at least to find out what the alternatives might possibly cost us....so the blame is equally divided.

We do still have a slim chance to solve this problem and here is what I

### To the Editor:

Why support John Ayres, Robert Losche and Cornelius McCormack for the Hicksville School Board? Why vote for Hicksville Citizens for Better Education (HCBE) candidates? What does this organization stand for? These are some of the questions fellow Hicksville citizens may be asking as the school board elections of June 4th draws near.

HCBE is an organization of your friends and neighbors who are concerned with the quality of education in Hicksville. We have been in existence as a formal organization for three years. We have a constitution, by-laws and hold public meetings. We have held public discussions on the school budget, the impact of BOCES on the community, and the value of specialized programs such as foreign language and individualized instruction.

Our primary goal is to obtain for the children of this district the highest level of quality education available consistent with the desires of the community.

We also support candidates for the school board whom we think will make "good" board members. We exact no promises from the candidates we support. Once they are on the board, they vote their conscience.

What makes a "good" board member? We as an organization feel that a "good" board member will promote good education and fiscal soundness. A tough task in today's economy. Ideally, the candidates will be mature, in-

### suggest:

(1) Be sure your registration is still valid.  
(2) If you are not registered, make arrangements to go to the Nassau County Board of Elections and do so before May 30th.

(3) Vote on June 10th....this voting will take place in your regular voting place in your own community.

(4) Speak to your friends and neighbors and urge them to do the same.

(5) After this, when the Referendum will be defeated, we hope...one may check out the Courts who will then have to decide exactly how to rearrange the County District lines so that the Town of Hempstead has more equitable voting rights on a County governing body that DOES NOT have to consist of 15 legislative districts in order to be constitutional.

We will endeavor to keep you informed on each of these steps as we go along. But we do believe that given this opportunity, no court in our entire country would impose such extraordinary hardships on those in their jurisdiction as a 15-man legislature would have upon the already hard-pressed Nassau County taxpayer.

More on this next week.

## Letters To The Editor

telligent people capable of making reasoned judgements.

We advertise publicly for candidates to come forward.

John Ayres, Robert Losche and Cornelius McCormack did come forward. They came before our screening committee and were asked such questions as:

Why are you running for the school board?

What are your qualifications?

What can you do for education in Hicksville?

Are you familiar with the educational problems of Hicksville?

Do you have the time to serve?

Tough questions for a tough job. John Ayres, Robert Losche and Cornelius McCormack convinced our screening committee and convinced our membership that they were right for the school board trusteeship.

We think they'll convince the Hicksville public too!

Thus far, they have submitted their biographies, and platform to the public. In the coming weeks they'll be making public appearances at the Candidates Forum, before the Hicksville Community Council and on cable TV. We feel that after meeting and hearing them, you the public will support them too.

Kenneth Rudin  
Vice-President  
Hicksville Citizens for  
Better Education

### Dear Editor:

Because she is interested in providing the children of Hicksville with the best possible education in the State, Carole Wolf is seeking a three year seat on the Hicksville Board of Education. Too often educational programs are experimented with and continued even when they are unsuccessful. These plans are costly not only financially, but also to the children's education.

Carole Wolf has been a member of the Hicksville Community for eight years and has been active in Community Affairs for that time. Being on the Steering Committee for the Bicentennial Commission, she has combined her historical hobbies with her love of Long Island. She has been a member of long

standing of the Hicksville Community Council and a founding member of the Friends of the Hicksville Public Library in which she has served as Vice-President and Treasurer.

Education has always been a primary factor in her work, for she is a member of Fork Lane PTA, has worked with Dr. Firester on the Early Childhood Parent Council, and is completing her final year on Holy Family Board of Education, where she has served as President, Vice-President and Secretary. Being an active member of Holy Family Parish, Mrs. Wolf was secretary of the Rosary-Altar Society and is presently serving on its Parish Council. She was active in the 325th Anniversary Celebration of Hicksville and is a founding member of the Hicksville Garden Club. She is a professional volunteer.

Mrs. Wolf, a graduate of Bishop McDonnell's High School in Brooklyn, was the winner of a Grant to study Astronomy at the Hayden Planetarium in New York City. She was also a Regents Scholarship Winner.

Her greatest interest is her five children and she manages to encourage them, also, in outside interests. Her daughter is a member of the Caniague Figure Skating Club and a Girl Scout, and she has sons in Little League and Track.

Politics has become a big concern with the Hicksville School Board, and in her opinion children have been left in the background. The ability to learn is not in ratio to how much money is poured into the classroom, but how dedicated the teachers are.

Too often problems arise during the year, and respected officers of organizations are told that it is not the responsibility of the Board. If elected, she would like to chair a Co-Ordination Committee to bring the problems of the school directly to the Board and Administration, so that a solution may be worked out in a relatively short period of time.

Carole Wolf is seeking your support in her independent race for a seat on June 4th.

Her friends and neighbors who feel the same way.

## Hicksville Fire Report

By Ex-Capt. Own Magee

During the period April 22 thru May 13 Hicksville firemen responded to 67 alarms. There were 17 false alarms, 23 rescue calls, 27 fire calls.

Hicksville Vamps received a call on May 5 at 3:13 pm for a school bus mishap at Old Country Rd. & park Ave. The bus driver apparently suffered an attack, lost control and the bus struck a tree. Then hit 3 cars, then drove into the back of a telephone Co. van and drove it 100 ft. before stopping.

The bus had 13 jr. High students, 2 coaches, and the driver aboard. Upon arrival Asst. Chief James Huttie called for mutual AID assistance from the Jericho and Plainview Fire Dept. For an ambulance and a rescue truck. The Nassau County Police sent an ambulance, a helicopter and rescue units to the scene.

Eleven people were transported to local hospitals. The driver suffered the most serious injuries, but was reported to be in satisfactory condition shortly after the accident. Firemen had to hose down the area with chemicals due to the gasoline spill. Old Country Rd. was blocked for hours as Police investigated. Asst. Chief Huttie said that the injured were on the way to hospitals in a matter of minutes. A special note of thanks to 2nd pct. Sgt. McGoldone, P.O. Eberius, A.M.T. Johnson for their assistance in coordinating a very smooth fire-police operation.

On May 2nd at 9:34 am Hicksville Firemen responded to a rescue call, a woman's hair on fire. The woman was in a beauty parlor having her hair set. She lit a cigarette and the solution being used on her hair ignited. We have

mentioned this before and repeat it now. Extreme caution should be used when using flammable hair sprays and other similar solutions. It doesn't take much to ignite these chemicals. Keep away from open flame. Perhaps it would be wise to have local beauty parlors post signs pointing out the risks of smoking around such hazardous solutions.

Hicksville firemen were called in by Westbury firemen to help battle a stubborn blaze in a plastics factory on State St. in Westbury on Sat. May 10 at 10:05 A.M. The fire was finally extinguished at 12:40 p.m. Firemen from Carle Place, Jericho, East Meadow were called in also.

During the month of April, Hicksville firemen responded to 112 alarms. There were 11 false alarms, 25 rescue calls, 76 fire calls.

In this weeks opening game, Parr-Hanson came from behind to beat Agway, 8-4. The winning pitchers, Bill Demarco & Bill Maracondo combined the win, allowing 6 runs on 8 hits, walking only 3 & striking out 7. The key hits were Bill Demarco's double with one on & singles by Donn Joyce, Dean Koutsoubis & Dave Joyce, who had two singles. In the sixth inning, John Martin, Vinnie Berrios & Tom Kennedy executed a perfect 6-4-3 double play. The play of the game was rightfielder, Joe Miracola's diving catch for out number 3, in the 5th. Craig Sadowski went the full 7 for Agway, striking out 5, & allowing only 4 walks & 5 hits. Robert Willis & Jim O'Brien had 2 hits each, Gary Madine, Steve Heppel, Craig Sadowski & Mike Walsh had singles. Both teams suffered from errors early in the game, but settled down to play good defensive ball.

Tuesdays game was rained out, so V.F.W. will meet W. John St. Deli at a later date.

In game No. 3, Gilson Knitwear defeated Agway, 11-3. The winning pitcher was Brian Boschart, with another fine performance, with 7 strike-outs and giving up only 2 hits. Brian also doubled with the bases loaded, driving in 2 runs. Gilson, managed by Jim Turturo stole 6. For Agway, pitcher Gary Madine struck out 13 batters. Jim Dwyer got the big hit, a triple. Agway, although 0 & 4, have lost some tough games, prior to this one.

In game No. 4, Parr-Hanson defeated V.F.W., 2-1. The winning pitcher was Dave Joyce who went 7 full innings, giving up 1 run on 5 hits, while walking 5. Dave had excellent fielding behind him, as Parr-Hanson played errorless ball. This was by far the best game of the year, both teams playing terrific ball. Losing pitcher, Richard Eifert, pitched superbly, giving up only 4 hits and striking out 7. V.F.W. scored in the top of the 6th to take the lead 1-0. It looked like V.F.W. was going to wrap up this game, until the bottom of the 7th, when with one out, Vinnie Berrios singled sharply through the infield. Joe Pizzo then went to count of 0&2, but on the next pitch, Joe homered over the leftfield fence to give Parr-Hanson the victory.

In game No. 5, Gilson Knitwear defeated W. John St. Deli, 14-1. The winning pitcher was Robert Fremgen, giving up 3 hits and striking out 8. The hitting star was Mike Valle, who went 3 for 4, with 2 rbi's & 7 stolen bases. Richie Staubitz went 2 for 2 and Mike Petrie, 2 for 4 with a double driving in 2 runs. Ken Hymes went 2 for 2 with one rbi. For the losers, John Mortartai had another 2 base hit, driving in W. John St. Deli's only run. Tom Smith singled & Joe Eaton also singled. We would like to thank W. John St. Deli for taking over the sponsorship of this team, due to the economy Maxwood had to reluctantly bow out for this year. We hope things get better for them & they come back again soon.

were continued. In the first one, Goldman Brothers defeated Long Island National Bank 20-2. The strong pitching of Jimmy Lohsen and Jimmy Porter held their opponents down to 2 runs. ## At The Town Board Meeting

By Garry Kahn

Twenty-four items made up the calendar at the Town Board Meeting held on Tuesday, May 13th.

Item No. 1 was a Hearing on the Petition of Just Games of N.Y. Corp. for a Special Use Permit to operate and maintain a family amusement center at the Plainview Shopping Center on South Oyster Bay Rd. on the

north side of Woodbury Rd. At the onset, a request was made by the petitioner to permit the withdrawal of the petition, however the Hearing continues. Opposition was reflected by the Plainview PTA and the Greater Plainview Community Assoc. The Hearing was closed and the Decision Reserved.

The second item on the agenda was a Hearing on the Petition of Fidelity Savings and Loan Assoc. for a special permit to operate a

branch bank and to use, modify and renovate an existing frame structure in an area Zoned Ind H at Glen Head, N.Y. on the N. S. Glen Head Rd., N. E. of Wheatly Hill Rd. The petitioner was represented by Mr. John R. Lynch. Counselor Lynch presented testimony from witnesses including the bank president, a recognized Real Estate authority and the present property owner. Questions pertinent to zoning, parking, number of employees, services to the community etc. were asked by the Board. There were no parties and/or communications objecting to the petition. The Hearing was closed and the Decision Reserved. A Hearing to consider the proposed amendment to the Code Ordinances relating to Motor Vehicles and Traffic Rules made up the 3rd item on the agenda.

A Mr. Henry Warwick and Ed Jablonsky objected to the Hearing relative to a change from a 2 Hour Parking to a 15 Minute Limit on a side street intersecting Broadway in Hicksville. The area provided parking for 6 cars and were a vital requirement for the local merchants. The Board listened intently to the verbalizing of both

gentlemen and promised to investigate further into the matter hoping to relieve their problem. The Hearing was Closed and the Decision Reserved.

After a 5 minute recess the meeting was continued. The next 21 items were handled with dispatch. All were Resolutions and all were affirmatively voted upon with the exception of Item No. 10 which was tabled. The meeting was adjourned at 11:50.

Of particular local concern was item No. 12 which related to the Award of Contract No. DR 70-3870, directing the Consulting Engineers to proceed with construction of Storm Drains and Appurtenances for an overflow from Tinker Pond to Crossway Blvd., Woodbury, N.Y.

pages of a copy of the 1925 Dedication Exercises. It took place at 8 P.M. on a Friday night, in the polished and draped new auditorium with George A. Duke, President of the Board of Education, presiding. Frank Chlumsky, honored guest and speaker at this June 7th's program will hopefully help us to capture some of that dedicatory moment, half a century ago, inasmuch as he served with the Board of 1925 and for over twenty-five years. It appears there was a "hired band" for the

occasion - no school orchestra as yet existing among the secondary students - because one reads of "Musical Selections" (3) by the New York Festival Quartet. The invocation was delivered by Reverend Henry McCallum (no church affiliation given). Among those rendering addresses were: A.J. Fry, 1st Supervisory District Superintendent; E.A. Van Slyke, Superintendent and Chester A. Lord, Chancellor, Regents of the University of the State of New York.

Dr. E.A. Curtis, Chairman of the Memorial Clock Tower Committee, presented the Clock Tower on behalf of the Hicksville Choral Society, its donors. The Honorable Leone D. Howell, political leader of the day gave an address "in dedication of the Memorial Clock Tower", which was donated in the hope of peace and in remembrance of Hicksville's three men who died in World War I: Charles Wagner, Joseph Barry and Walter Wheeler. Mrs. William I. Magill, President of the Delphinian Society, presented a group of framed pictures to the new school. Also present was the Hicksville Musical Club, which rendered Elgar-Fagge's "Land of Hope and Glory" and "Taps", the latter selection a poignant reminder of the recent Great War and its heavy American casualties. The 1925 dedicatory program closed with the singing of "America" by the audience and honored guests.

WHITE PLAINS, N.Y.—Hundreds of thousands of men all over the country are now using a remarkable, practically clear liquid to get rid of just as much gray as they want—some of it, most of it or all of it. It is called Grecian Formula 16 and the results are simply amazing. Now Grecian Formula 16 is available in colorless cream form. It's as easy to use as hair cream. This remarkable formula works for any color hair because it combines with the natural chemistry of the hair to recreate natural-looking color. There is no mess

and no rub-off. You simply use it every day for two or three weeks until you slowly get rid of just as much gray as you want. Some of it, most of it or all of it. You are in complete control of how much gray goes or stays. Then simply use Grecian Formula 16 once a week or so to keep it that way. # EVEN IN TOUGH TIMES OUR KIDS ARE OUR FUTURE

## TO THE CITIZENS OF HICKSVILLE:

Parents and taxpayers face one of the toughest years in our history. No one in his right mind would want to increase school taxes if such increases could be avoided. Your Board knew that attempting to impose a large-scale increase in tax burdens would be completely unrealistic. Therefore, it was determined that we should maintain existing programs and services while, at the same time, slashing cost estimates. Almost \$3,000,000 has been removed from the initial estimates. We have dropped many staff positions and have made cuts including administrative, supervisory, clerical and custodial services. The teachers have joined with us in assuming costs of substitute services and in agreeing to cutbacks in staffing beyond the numbers provided in their existing contract. As a result, there will be 4 fewer elementary school assistant principals, 2 fewer supervisors, and 3 fewer department chairmen. The number of teachers will be reduced by more than the original 10 permitted in the contract. The cafeteria operation, and custodial services required for after-school activities, etc., have been removed from the budget and placed in separate propositions.

It has been the desire of the Board to give the people a basic maintenance of all programs within the level of austerity financing. These are covered in Proposition 1 and, at the present time, it is the intention of the Board and Administration to declare Proposition 1 as a contingency budget which will not require a second budgetary vote. Eliminating such a second vote will save the taxpayers at least \$6,000 in costs which can be better used for educational expenditures such as supplies, books, etc.

In addition to effecting staff reductions, the Board is also trying to reorganize the administrative structure to provide better articulation of educational programs between the elementary and Junior High schools, and between the Junior and Senior High Schools. Moreover, it is planned to beef up instruction in the areas of math, science, remedial reading and learning disabilities. Board members have accepted citizens' requests that they be permitted more than all-or-none choices. Therefore, by selective support of the various propositions, citizens may be enabled to express the level of support which best meets their ideas of what services a school system should provide.

We hope you will study the information in this bulletin carefully and we urgently request that you exercise your responsibility as a citizen by voting on June 4th. Hicksville may have as poor schools as it will tolerate, or as good schools as it is willing to support.

Your Board of Education,  
Robert L. Pirrung, President

**WHAT IF—**  
**The following propositions are defeated:**

**SHALL THE CONTINGENT OR BASIC BUDGET FOR THE FISCAL YEAR 1975-76 BE APPROVED..... tax rate 14,573**

If voted down, no K-8 students who live less than 2 miles from school they legally attend will receive bus transportation and no students in Grades 9-12 who live less than 3 miles from the school they legally attend will be transported. No handicapped student will be transported during the summer.

**PROPOSITION 3.**

There will be no auxiliary police, and no community use of buildings except by advance payment of all costs involved.

**PROPOSITION 7.**

**CAFETERIA \$05**

If this proposition is rejected, there will be no school lunch program or free lunch program. Pupils may bring lunches from home, or private caterers or other self-supporting services could be provided.

**WHAT IF —**  
**The State Aid Formula changes (which is very likely)**

These budget figures and estimated tax rates assume continuance of our present state aid. Numerous bills to continue or increase state aid are before the legislature. If State aid is increased, our local tax rate can be correspondingly reduced by about 1c per hundred for each \$10,000 of increased aid. If aid is reduced, tax rate must increase proportionately.

# HEAR YE!! WHAT DO THE TRANSPORTATION PROPOSITIONS MEAN?

Proposition 1 provides only mandated austerity transportation with all elementary pupils walking 2 miles and all secondary pupils walking 3 miles. No summer handicapped transportation or activities transportation may be provided.

Proposition 2 provides our present level of transportation for the little folks in Kindergarten through Grade 3 and Grades 4 through 6. It requires secondary pupils in Grades 7 through 9 to walk 1½ miles, and those in Grades 10 through 12 to walk at least 2 miles. Summer handicapped transportation is provided. Limited Secondary Late Buses

Proposition 3 provides our present level of transportation for all grades. It also provides summer handicapped transportation and after-school activity transportation.

Suggestion: If you favor continuance of our present program of transportation, we suggest that you vote yes on BOTH Propositions 2 and 3. This will insure that if a majority favor more than austerity transportation, their support will not be split between Propositions 2 and 3. In no case will there be a duplication of expense under both propositions.

White Plains, N.Y. — Hundreds of thousands of men all over the country are now using a remarkable product to control just how much gray they slowly get rid of. It is called Grecian Formula 16 and the results are simply amazing. Grecian Formula 16 is a practically clear liquid, as easy to use as hair tonic. This remarkable formula works for any color hair because it combines with the natural chemistry of the hair to recreate natural-looking color. There is no mess and no rub-off. You simply use it every day for two or three weeks until you slowly get rid of

just as much gray as you want. Some of it, most of it or all of it. You can stop where you like. You are in complete control of how much gray goes or stays. Once you get rid of as much gray as you want, simply use Grecian Formula once a week or so to keep it that way. Since Grecian Formula 16 works gradually over a period of time, even close friends won't notice the change happening. The resulting color is so completely natural that the hair definitely does not have a dyed look. Grecian Formula 16 is available at

## Another First For Heros?

By Mike Squillante

No game last Sunday, due to a rain-out. But a good time was missed by all, except Gene Donovan and team mascot, Sampson.

We wish to report that pitcher Roy Anderson will be out of action for 2-3 weeks with a leg in cast. "Turtle" Keegan, will also be missed due to a Sunday work schedule, and Tony Frascella, takes up duties as a counselor at a boys camp upstate, commencing in July.

However, this Sunday, the Heros from Mike & Al's Luncheonette, Hicksville, will meet Mers Pub at Meadow North, East Meadow, at 10 A.M. Both teams are tied at 5-1 - for 2nd place in the Levittown Men's Athletic Association.

It is expected that the Bench team will provide the expected win.

# NY State Convention In Hempstead, June 25-28

By Jim Cummings

Following meetings held at the Holiday Inn, Hempstead and the Hibernian Hall, in Babylon during the past year and one-half, an energetic team of delegates from Nassau and Suffolk Counties will witness the culmination of their combined efforts, as the New York State Convention of the Ancient Order of Hibernians convenes at the Holiday Inn, on Wednesday, June 25.

Joseph Murphy, Convention Chairman has blended together a working committee of 50 delegates from the two counties, who have worked diligently to make this "first" Long Island Convention, one of the best in recent years. Serving as Co-Chairlady from Nassau County is Mary Barrett, of Westbury.

More than 1,000 delegates from the metropolitan and upstate

area will converge on Hempstead, for the business sessions to be held at the Holiday Inn on Thursday, Friday and Saturday.

Visiting delegates will be housed at the Holiday Inn, and Island Inn during the convention. Programs, dances, trips and Irish entertainment will highlight the social aspect following each business session.

Noel Kingston and his renowned recording orchestra will be featured in person at the Holiday Inn for the Ball on Saturday evening and one other special dance.

Frank Larkin, President of Division Eleven and Peggy Donovan, President of the Ladies Auxiliary will designate official delegates to the Convention later this month.

WE HEAR THAT: Bill Minihan, first President of the

Hicksville Division is recuperating at home - we all wish you a speedy recovery ...

Pat Cowan Recording Secretary writes a golf column for the Irish Echo - we're fore that Pat. ...

Celli dance instruction may add another date for those who cannot attend due to work schedules -

Eamon Tuohy, please not ... all Divisions were well represented at the County Ball, last Saturday eve, at New Hyde Park, Knights of Columbus - as the Hicksville members chatted with Supervisor Michael Tully, a proud member of Division Six in that community ...

Despite a possible rain-out, Tuesday eve the "Angels", of St. Ignatius CYO came from behind to win 4-3 at Hicksville HS field - Tom Berk, Manager is to be congratulated - and the many other men who give so much of their time to the youth

of our community. ... As the writer stopped by, my son, Kevin had just belted a triple. ... The 'Irish Echo' picked our recent salute to Bill Smothergill, on Page 19 this week - Keep Your "Irish" Up.

## Hicksville Soccer Club News

As the league traveling season wound down to the last weekend of its' season, Hicksville completed another successful year.

Our Mid Island Bowl sponsored Bantam Reds, tho' pressed from the opening whistle by a strong G City team, maintained their right to the playoffs by scoring a 2-0 shot out. While B. Andrus & G. Tyranski each scored a goal, the defense dominated the field. G. Zakian, J. Fitzgerald, K. Cahalan & E. Bergen shared defensive honors. This balanced pattern of offense & defense was established early in the season and has been maintained thruout.

Another playoff bound team is the Bantam Blue. Even tho' they dropped this weekends game to Northport 5-0, the team has every confidence in their ability to rise to the play off occasion. The combination of J. Rubins at goal, B. Cheslock at FB, K. Jung at HB and the entire team makes the Bantam Blue a major contender in this division.

The Midget Blue suffered a disappointing weekend at the hands of Massapequa. The final league game was a 7-0 loss even tho' M. Thomas at goal had a brilliant day with no less than seven spectacular saves. While F. Grusso, R. Villalta & R. Coiro held the team together from their backfield positions, E. Sakk at mid field put the ball into attack position for P. Bedell, A. Coiro & P. Rubins on the front line. In cup competition, this team also lost to Mass 10-0 & 3-0 respectively.

The VFW Boys Red completed an undefeated season, defeating N. Shore 8-1 & Mass. B2-0. The stalwarts J. Shannon & J. Rupp at back, M. Bell & A. Sakk on the front line continued their consistent effort. The winning habit extended into the State cup game against G. City with a 6-1 win where J. Fishette, D. Anglin & J. Jablonski combined to produce the winning scores and D. Barcavage & S. Solaski set up the attack from the backfield. In Regional Cup competition, the team defeated Deer Park 4-0 on scores by M. Collins, B. Bedell & D. Barcavage who put the game on ice with his 30 yd. score in the second half. R. Fremgen put his ninth notch on his shut out belt at goal keep for this season.

The Marco Polo Lodge sponsored Boys Blue stayed in the competition right down to the last whistle altho' losing to Massapequa A 2-0 in regular league competition. The back line of D. Cusack, T. Luongo, F. Anastasio & M. Mize displayed their prowess, while J. Janette sparked the front line. A total team effort provided excitement for players & spectators alike. In the State Cup game against Huntington, this team lost 1-0 in one of the most exciting games of the weekend. The game was made for Hicksville by the outstanding goal keeping of S. Cahalan who made uncountable difficult saves. Field work was handled in competent fashion by M. Wagner, A. Luongo, M. Mize & S. Playne in mid field.

The Juveniles, sponsored by the A O H, clinched their league division championship by their 1-0 win over Brentwood. A very strong press by the entire team, headed by K. Anglin who scored, M. Bedell, S. Halajian, G. Fitzgerald, B. Gearhart & R. Court produced an early goal. This team has a busy schedule ahead as they handle league, playoff plus two cup competitions.
