Staff Reorganization Tries To Reduce Budget

By Shirley Smith

Hicksville School Board has made several changes in staffing in an effort to reduce budget costs for the coming school year. At the same time, says Assistant Superintendent Fred Hill, it is hoped the changes will improve various aspects of the educational program.

The board eliminated nine positions, but most of these staff members will remain as teachers. At the Junior High, the math and science chairmen were eliminated, their duties to be handled by the respective chairman at the high school for ninth grade and the science supervisor, Mr. Harry Cressman, for grades 7 and 8 (Mr. Cressman will also be in charge of all science, K-6). The school board

established a new position of math consultant, who will be in charge of all math programs, K-8. The position of vocal music supervisor and director of continuing education was another eliminated, as was that of supervisor of nurse-teachers. (Mrs. Betty Garrison is retiring). The department chairman of foreign language at the high school was also eliminated and these duties will be covered by Mrs. Vera Galante, supervisor of foreign language, K-12. The four elementary assistant principals, who have been working during the past year on curriculum (reading, math, language arts and primary learning), are another elimination. Two of these men were teachers in Hicksville

before becoming administrators and therefore have a right to return to the classroom, but the continued employment of the other two men is not certain. In addition to these staff reductions, seventeen teachers will not be returning to Hicksville next year, as a result of declining enrollment.

Other staff changes approved by the board are: The High school guidance department chairman will be in charge of grades 9-12, the days include Yom Kippur, Columbus Day, Election Day, Veterans Day, 2-1/2 days at Thanksgiving, Ascension Day and the following Friday and Memorial Day. Regents exams will be held, statewide, June 18-24.

Bike Safety At Fork Lane

Gregory Pisani, fifth grade teacher at Fork Lane School, conducted an after school bicycle inspection for youngsters of grades four through six, Wednesday, May 14.

Mr. Pisani, cooperating with the Fork Lane PTA, issued to each child a check list indicating the condition of the bicycle and recommendations for specific

corrections.

Children whose bikes are in safe condition will be issued certificates so stating.

With the summer approaching, it is important that children know the rules of the road, and operate safe bicycles. Mr. Pisani has taken the first step to help insure a safe summer for the children.

Chamber Installs

Bernard Burns

At a well-attended gala dinner dance the Hicksville Chamber of Commerce installed the following officers and

directors on Thursday, May 15th at the Old Country Manor:

President - Bernard Burns.

Vice-President - Henry C. Brengel, Jr.

Secretary - John J. McGrath.

Treasurer - Thomas A. Fay.

Directors - Henry C. Brengel, Sr., M.G. Changler, Irwin Goldman, Charles I. Montana and Eugene Mendelsohn.

Well-known Hicksvillian Judge Julie Schwartz did an impressive job of installing the officers and directors.

An award was made to immediate past-president, Kenneth Barnes for an outstanding job of leading this active organization.

Parent Orientation At JHS

The Hicksville Junior High School will hold an orientation meeting for parents of students who will be entering the junior high school in September 1975. The meeting will be held in the

Bernard H. Braun Auditorium on Thursday, May 29, at 8:00 P.M. All parents of present 6th grade (or 8th grade parochial school) students are cordially invited to attend this informative meeting.

LWV Program

A question and answer program on the proposed County Legislature will be presented at the Hicksville Public Library on Friday, May 30 at 2 p.m. by the League of Women Voters with the cooperation of the Nassau Library System.

Among the topics to be discussed will be: why 15 legislators; how will it be set up;

what if it is voted down; what will it do; how much will it cost; what are the district lines; how effective will it be?

All residents of Nassau County who will be affected in one way or another by this proposed change are invited to come and hear and be heard on this important matter.

Cocktail Party

Robert Losche, Cornelius McCormack and John Ayres invite you to join them at Brandy's - New South Road & Broadway, on Thursday evening May 29th. The Cocktail Party sponsored by H. C. B. E.

Hicksville Citizens for Better Education will highlight their campaign for Trusteeships for the Hicksville School Board.

Anyone wishing to purchase tickets can contact the candidates.

1925-1975 Memorable Years At Jr. - Sr. High

By Richard Evers

The "Golden Anniversary" of Hicksville's Junior High School this June 2-7th and the plans to mark the occasion with a week-long gala of evening events and "open house" to which alumni, students, faculty and "friends" are invited fill the mind with many memories of this landmark building and its contribution to people, both young and old.

To summarize the high points of the first two decades of the Hicksville Junior-Senior High School we are about to honor is no easy matter. Miss Mabel Farley was the high school's first and only principal at the Jerusalem Avenue school, beginning a career in 1925 which was to span over thirty years and be forever memorable in community annals. That she will be able to attend the Golden Anniversary

Program on June 7th is a treat, indeed, for the many admirers of her long and inspiring leadership. The record of school achievements by years is replete with fond memories: 1927, the baseball team were L.I. champions and the track team was organized; 1928, a cafeteria was crowded into the one room Home Economics Department; 1929, North Shore football champs; 1930, the new north wing is built, containing library and the shops. The cafeteria is added; 1933, Tuesday "Bank Days" commence as the nation recoils from the depths of the Great Depression. The National Honor Society Charter is granted to Hicksville High; 1935, Over the waves we go as the High School Band is organized; 1936, Dr. Erie LeBarron becomes Superintendent. The Centennial of the

coming of the Long Island Railroad to Hicksville is observed in a memorable twelve episode pageant involving Junior and Senior High School classes and community parade; 1939, New York University establishes a center at Hicksville High.

The Hicksville High School year books, the Comets, for the war years and newspapers of the time give us a fine idea of the school's preoccupation during the years 1940-45. Photographs in the Comet yearbooks bear such captions as "ministers of propaganda" for the newspaper staff, "Medical Corps" for the first-aid class and "Commander-in-Chief" under Principal Mabel Farley's picture. Attesting to the patriotic spirit of the school's graduates was the School Service Flag which had over 500 stars on it by September, 1944 and ten of those stars were gold. Sacrificed to the wartime scrap metal drive was the souvenir cannon from World War I which had long guarded the front lawn. The auditorium where Junior High Assembly programs are now held knew many patriotic rallies and war programs then.

Students did various things to help the war effort. In a whirlwind of activity for five days, Junior High School classes collected 10,332 pounds of scrap paper. Classrooms taking honors for the most paper gathered for the war effort were those of Mrs. Ruth Lambert and Mr. Bernard Braum. Money obtained from the sale of the newspapers collected was donated to the Hicksville Comfort Committee to send

Eight Vie For School Board

Eight candidates are seeking election to three seats on the Hicksville School Board.

William Bruno is seeking reelection to another three-year term. Opposing him are Robert Losche and Carol Wolff.

Running against Cornelius McCormack, who is also seeking reelection, are Salvador Di Bernardo and John Prokopek.

Board president, Robert Pirrung has decided not to run for a second term, but three others are looking to fill his job as trustee: John Ayres, Elizabeth Garrison and John Prokopek. Although Mr. Prokopek is running for two seats, he can only

serve in one. If elected in both, he would have to resign from one of the positions.

Voting on candidates and the school budget will be Wednesday, June 4 from 10 a.m. to 10 p.m. in your local schools. Registration is set for Saturday May 24, 10 a.m. to 5 p.m. and Wednesday, May 28 from 12 noon to 8 p.m. both days in the Administration Building on Division Avenue.

All candidates have been invited to participate in the forum sponsored by Hicksville Council of PTAs, at 9 p.m. Tuesday, May 27, in the Little Theatre at Hicksville High School.

Jr. Post No. 3211
By Lou Palladino

We had three different installations at our Post in a very short space of time. Our own of course, and Bob Obermeyer was the Installing Officer. The old Redhead did a very good job, and didn't seem to get the least bit flustered. It all seems so simple to do, but somehow, somewhere along the line, the tongue gets twisted and the words just don't seem to come out right. We have a new Cmdr., and we don't. Joe Normandy was installed, but he won't be taking over until the last meeting in June, and during the meeting at that. So that leaves Frank Loth as Interim Cmdr. He's the old Cmdr., We have a new elected and installed Cmdr. Yet he doesn't take over until the new Dept. Cmdr. is installed. If his confusing to you. You may be sure it's just as much a mix up to

me.

Had a delightful experience, attending the Jr. Girls Unit installation. Seeing those little pipsqueaks going through their ceremonies was a pleasure, and very entertaining to watch. Pat Williams did the installing, and Hilda Kelly was the conductress. The new president is Jeanette Somma, and the outgoing president is Patricia Mulligan. I'm ashamed to say, its first installation I attended in their ten years of existence. Excepting, of course the first installation, when they received the charter. Hoping not to miss anymore of these, if at all possible. These kids put on a good show, and its worth while watching.

Had to miss the Ladies Aux Installation. It was on a bingo night. All the newly elected of-

ficers attended, plus Frank Lotti. So it left a small group to remain at the bingo hall. Sorry to miss it girls, but you know I was there in spirit. Joan Chualiez the newly elected Sr. Vice in County was the installing Officer, and Esther Palladino the Conductress. Pat Williams was installed for her second year.

Last is, or was the County installation also to be held at our Post. By the time you read this, it will be past tense. You already know our own Harry Wurth will preside as County Cmdr. for the coming year.

The so-called installation dinners for the Post & Aux. as well as County Council will be more of a show because its all official before the festivities even begin. We have a great time anyway, and that the important part, having an enjoyable time.

The new officers taking over took so much space, nothing of the events of the meeting took place. Promise to try again. No more meetings this month, because the 4th Monday is Memorial Day. The next meeting will be June 9th.

Republican Supervisors Fight Move "Everybody Into The Pool . . ."

The Republican majority members of the Nassau County Board of Supervisors made it known today that they plan to use every legal and political means available to fight what they called "the fiscal rape of the suburbs."

The warning was issued soon after Mayor Abraham Beame, following a meeting with Governor Carey in Albany, announced that he would seek to double the commuter tax on suburban residents in order to help keep New York City afloat in a sea of red ink. Beame estimates the tax hike would bring the city an additional \$54 million a year.

"We don't intend to remain silent or idle while Mayor Beame and Governor Carey map plans for their impending fiscal rape of the suburbs," declared Hempstead Town Presiding Supervisor Francis T. Purcell. "We sympathize with the city's plight, but we don't want Nassau to become the patsy for all the fiscal mismanagement that has gone on in that city since the days of John Lindsay. Let them look elsewhere for that money."

Purcell said that he and the other Republican members of the County Board expect to confer later this week with Nassau's

GOP legislators in Albany to devise strategy in the fight. "We also urge Nassau Democratic elected officials to lend a hand in this total effort," Purcell added. "After all, they should have some influence on the Governor, and through him, the Mayor. We believe the time has come to drop the political rhetoric and find out where we stand."

Purcell was joined in his statements by Oyster Bay Town Supervisor John W. Burke, North Hempstead Town Supervisor Michael J. Tully, Jr., and Hempstead Town Supervisor Alfonso M. D'Amato.

It'll be everyone into the pool, the bay and the surf, when Nassau County's pools and beaches open for the 1975 summer season.

First to open will be the County beaches at Nassau Beach Park, Lido, and Hempstead Harbor Beach Park in Port Washington. Beginning Saturday, May 24, and including Memorial Day, Monday, May 26, both beaches will be open to Nassau residents on weekends from 10:00 a.m. to 6:00 p.m. until Sunday, June 15. On Monday, June 16, beaches go on a seven-day-a-week schedule during the same hours.

Beach parking fees for passenger cars are: Season pass, \$15; weekdays, 50c; Saturdays, Sundays and holidays, 75c; senior citizens, \$1.00 for the entire season, good only on weekdays.

County pools at Cantiague Park in Hicksville, Christopher Morley Park in Roslyn-North Hills, Wantagh Park, North Woodmere Park, Nassau Beach Park, and Whitney Pond Park in Manhasset will be open daily beginning Friday, June 20, from 10:00 a.m. to 8:00 p.m., with the exception of the pools at Nassau Beach which close at 7:00 p.m.

Daily pool fees for Nassau residents are: \$1.00 for adults, 50c for children under 18, and 50c for senior citizens. Guest fees are \$2.00 for adults and \$1.00 for children. General admission to the Whitney Pond Pool is 25c.

Twenty-session discount books are now available to residents only. The fee is \$10.00 for adults, \$5.00 for children, with no charge to youngsters under 5 who are accompanied by an adult. The books are not valid for the Nassau Beach pools.

Free Red Cross swimming lessons for all ages, as well as instruction in Junior and Senior Life-saving, will be offered at all county pools. Registration is on Saturday, June 21, at 9:00 a.m. outside the entrance to all pools, with the exception of North Woodmere, where registration will be held on Friday, June 20, at 9:00 a.m. Other aquatic events, swimming races, and special programs will be announced at a later date.

All facilities and programs are operated by the County's Department of Recreation and Parks. A Leisure Pass is required for all residents to years of age and over.

Runs For CSEA Presidency

Attorney Ethel P. Ross recently announced her candidacy for President of the Civil Service Employees Association (CSEA), the largest public employees union in the State of New York. CSEA represents over 200,000 public employees, many of whom are employed in the local area.

Mrs. Ross is the first woman to run for President of the union in 40 years, and is the first lawyer to seek the position.

The election will be held by a mail ballot between May 23rd and June 20th of this year, with the results announced on June 28th. The results of the election will be crucial to the future of the union in a year of threatened cut-backs in employment and challenges from other unions.

Mrs. Ross believes that the union's present problems are the fault of the incumbent administration. "For years," she says, "they have been aloof and out of touch with the membership." Mrs. Ross is carrying her campaign directly to the individual members of the union, visiting them where they work and discussing the issues with them. She promises an administration marked by toughness, fairness and honesty.

She blames the poor image of the public employee on the union's present administration. "Although the impression conveyed to the public through the press, radio and television is that we are underworked and overpaid, the truth is that 85% of our members earn less than \$10,000 a

Ethel P. Ross

year. Because they are so far removed from the picture, the incumbent administration has failed to let the public know what fine services our members perform. We are taxpayers too, and have a strong interest in guaranteeing that the quality of public service improves, not declines through wholesale layoffs, closing of public institutions and the replacement of superior and well established state services, such as meat and factory safety inspection, with inferior federally funded programs."

Mrs. Ross also criticizes the present union administration for failing to utilize modern management techniques and for not using the strength of its membership to attain the union's objectives. "We have a computer which does nothing but keep the membership list and insurance

data. Every year we have hundreds of grievances. These should all be programmed into our computer so that we can get an immediate determination of the result of every prior grievance of a similar nature. The computer also should provide the union leadership with a status report on each grievance, so that we can make sure that every matter is receiving proper attention. There must be more communication between the union leadership and its members. Members should be kept informed of what is happening. Just recently, some members received lay off notices, and no one even took the time or trouble to tell them whether they should report to work or not. That's disgraceful. Someone who has to support a family should not have to live in the dark like that. An informed membership is a strong and effective membership. We have almost 230,000 members. It's unbelievable that with a membership of that size we have so little clout."

Mrs. Ross is a member of CSEA's Executive Committee and Board of Directors. She also is a member of the Director's Charter Committee, the Legal Committee and heads the Judiciary Bargaining Committee. She is a member of the American Bar Association, Section of Labor Relations Law, Committee on State Labor Law and Public Employee Bargaining.

County Planning Commission Recommendations

The Nassau County Planning Commission has recommended development of the proposed Mitchel Park and innovative utilization of park-substitute properties to meet the recreational needs of County residents. The recommendations were included in a 97-page "Parks and Recreation Study," prepared by the Commission for County Executive Ralph G. Caso, and released today.

Benjamin Frank of Brookville, Chairman of the Commission, said the over-all program planned for the indoor-outdoor Mitchel Park would provide Nassau County with "the finest recreation and sports complex in the country."

Substitute properties suggested for possible recreation sites include rooftops, parking lots, building plazas, and streets. The study also recommended that depleted properties, such as sandpits and drainage areas, not being used to capacity, be converted to recreational use. Indoor recreational facilities and programs could be developed in warehouses that are not being utilized and in four National Guard and Army Training

Centers, in the event they are phased out by the Defense Department. The Commission also suggested that school facilities, such as buildings, gymnasiums, ballfields, basketball, tennis courts and playgrounds be used more creatively and extensively. This could be done by opening these facilities to the public when not in use for school or other formal programs.

The Planning Commission praised the County government and its subdivisions for maintaining a park system that is of "superior quality in the areas of recreational programming and physical development." The Commission urged increased use of creative program planning to effect maximum utilization of existing facilities.

To satisfy the demand for such recreational activities as camping and hiking, the Commission study recommended that Nassau County explore the prospect of developing regional sites beyond County boundaries. "The County could encourage the state and federal governments to act as buyers and catalysts, in combination with county, town, city,

village and private agencies, to develop and administer acceptable sites," Chairman Frank commented. He said it was desirable to look for attractive lands in neighboring counties within 90 minutes of Nassau.

"The multiplicity of recreational sources and park districts within Nassau County requires greater coordination between governmental agencies," Mr. Frank pointed out. "Such coordination could provide for less expensive and more efficient operation of the park system."

The study noted that private clubs, particularly tennis and golf clubs, play a significant role in the recreational life of Nassau County, but stated that many times they do not reach those who may need them the most — senior citizens, the young, the poor, and the handicapped.

Interested organizations and individuals may obtain a free copy of the study at the office of the Planning Commission, One Old Country Road, Carle Place, New York, 11514. Those who want the study mailed are asked to write and enclose \$1.00 to cover handling and mailing costs.

Nassau Scout-O-Rama

Hundreds of Cub Packs, Scout Troops and Explorer Posts will demonstrate the skills and fun of Scouting in an action show involving thousands of Cub Scouts, Boy Scouts and Explorers from all corners of Nassau County on Sat., June 7 from noon to 8 p.m. at Eisenhower Park in East Meadow.

Richard A. Fitch, County Recreation and Parks Commissioner, Scout-O-Rama Chairman, in acknowledging the

support of the Business and Industrial Community, urged that County residents turn out for a day of fun in the sun.

Cubs and Scouts in uniform will be selling one dollar booster tickets in all communities. Boy salesmen can earn valuable prizes through the sale of booster tickets, which will also provide funds for Cub Pack and Scout Troop equipment, program supplies, camping and field trips.

Archery Tournaments

A round of archery tournaments for Nassau residents and their guests, 9 years of age and over, is scheduled during June at the County's Outdoor Range in Mitchel Field, East Meadow.

Competition in the Double 600 Tournament set for Sunday, June 1, is within four age groups: Cadet (9-11), Junior (12-14), Intermediate (15-17) and Senior (18+).

The Junior Archery FITA and Metric Round for boys and girls from 9 through 17 is scheduled for Saturday, June 14.

Planned for Sunday, June 22, is the Federation of International Archery Tournament, which spans to all age groups, from 9 years and up.

Starting time for all the above

events, which are co-sponsored by the County's Department of Recreation and Parks and the Nassau Bowman's Association is 8:00 a.m.

The Newsday Junior Archery Tournament will be held on Saturday, June 7, and is open to youngsters from 8 through 17, who will also compete within age categories. Co-sponsored by the Recreation Department, this event begins at 9:00 a.m.

Trophies will be awarded to those placing 1st, 2nd and 3rd in all events and age categories.

Information regarding registration may be obtained by calling 292-4208.

The Range is located in the Santini area of Mitchel Field, south of Hempstead Turnpike, off Merrick Avenue.

Church Benefit

The second annual outdoor antiques flea market will be held on the beautiful church lawn, of Holy Name of Jesus Church, 675 Woodbury Road, next to Geico

in Woodbury, on Sunday, June 8th from 10 a.m. to 6 p.m. rain or shine.

Donation is \$1.25.

Antique Car Show

More than 400 vintage cars will be on display at the ninth annual Antique Car Show to be held on Sunday, June 1, at Nassau County's Eisenhower Park in East Meadow.

Included in the display of antique cars — all of them in their original or restored condition — are a 1905 Reo, a 1912 Pierce Arrow, a 1929 Duesenberg and a 1936 Cord. There will be no ad-

mission charge for the show to be held in Parking Field No. 6, from 9 a.m. to dusk. Rain date is June 8.

"Miss New York State" is expected to be on hand to make the presentation of awards to those whose cars win first, second and third prizes. The show is sponsored by the local chapter of the Antique Automobile Club of America.

Art At The Library

Art lovers, Art experts. Art amateurs. Once again the Hicksville Public Library brings you a new service. Some of the world's finest sculpture, in museum-authorized reproductions, are now available to Library borrowers.

The Library's sculpture collection, which includes 16 pieces, covers almost every culture and period from early Egyptian to Horus Falcon of the 4th century B.C., the original of which is owned by the Louvre) to the work known as Four Heads, by the contemporary American Nikita Carpenko. There is a Bala Krishna, from 16th century India; a Monkey, from the Chinese Ming period; the small Head of a Greek Athlete of the 4th century B.C.; works of Jean Arp, Jeanne Poupelet, Aristide Maillol.

In the collection, also, is the reproduction of a delightful 14th century French Madonna and Child, in a copy that seems identical with the original ivory. For the bicentennial year, the collection also includes a magnificent Early American Eagle, a copy of an original, carved by an 18th century New Englander in stained oak, which now is displayed at the Smithsonian Institution.

All the sculpture will be housed in the display case in the Fiction Room, and can be borrowed on request from the Library's Main Desk.

Like the Library's art reproductions, the sculpture can be borrowed for a 28 day period. Each piece has its own padded carrying bag, and all are small enough and light enough so that they can be transported easily.

Letters To The Editor

To The Editor,

I would like to take this opportunity to publicly state a few of my reasons for seeking reelection to the Hicksville Board of Education. Perhaps my main reason for running for the Board is to continue the programs I have seen implemented and successfully developed in the schools.

I stand for quality education with emphasis on the truly basic skills. I feel that we should maintain top quality education with the economic situation of the community always foremost in mind. My voting record attests to my dedication to both quality and economy in education.

I feel we at present are genuinely blessed with a most dedicated, praiseworthy and qualified staff of teachers. They are the backbone of the educational programs which make Hicksville an outstanding school system.

I urge you all to get out and vote on June 4th and look forward to serving you, the citizens - no matter what age, and your children for the next three years along with my running mates JOHN AYRES AND ROBERT LOSCHKE.

Sincerely,

Cornelius McCormack

To The Editor:

It has come to my attention that rumors are afloat as to my being affiliated with a certain group or persons. To clarify my position, I wish the citizens of Hicksville to know I have never been nor am I affiliated with any group. I am an independent person, running as an independent.

My only concern are the students and taxpayers in the Hicksville community and to make certain both benefit by my running for Trustee for the Hicksville School Board, thank you.

Sincerely,

John Prokopek

Dear Mrs. Noeth:

On rare occasions, Democrats and Republicans do see eye to eye - even on the local level where they are usually engaged in a constant "no holds barred" battle. The proposed Equal Rights Amendment to the New York State Constitution recently presented one such rare occasion.

The all-Republican Oyster Bay Town Board and local Democratic Party leader Carole Fishman are bitter political opponents, and usually can't agree on anything, but last week they were in complete agreement on "ERA." Responding to Ms. Fishman's entreaties, the Board voted unanimously to urge the State Senate to pass the Equal Rights Amendment without further delay. Ms. Fishman, League of Women Voters' representative Linda Ilan, and other feminist leaders had come to Town Hall fully prepared to do battle with the Board - but no battle proved necessary.

The feminist movement and "ERA" must be powerful forces indeed, if they can bring Democrats and Republicans together in Oyster Bay.

Very truly yours,
Michael Polansky,
Plainview

Dear Editor,

It does not please me to write this letter because I have worked closely with Bill Bruno and felt we had developed respect for one another. As is well known, I have never spoken against Bill publicly or privately. However, I find it necessary now because I

can no longer stand aside without exposing some of Bill's inconsistencies.

Bill blames the present Board for not accepting an offer made by the teachers at the beginning of negotiations for the last two years' contract, which ended up costing the taxpayers more by the time negotiations were over due to the high inflation that took place during the year. What Bill omits is the fact that he too rejected our offer.

Mr. Bruno blames the present Board for our job security clause which allows the board to cut one teacher for every 30 students decreased in enrollment, but he fails to admit that the clause was written in at his request and that the "30-for 1" are his numbers.

This year, we negotiated a contract almost identical to the one negotiated with Bill when he negotiated for the Board, only to find Mr. Bruno rejected it. We had personally agreed that before he voted no he would tell me what he felt was wrong with our offer. He did not do so. Probably because he could not find any real justification for his vote.

During the Board of Education meeting when Dr. Hill and Mr. Rozran were answering his questions, he said that he knew the answers but he wanted the other board members to respond. This seems as if he were saying "don't confuse me with the facts; I just want to muddy the waters."

When a Board member gets to the point where politics becomes more important than the best interests of the district, then that board member becomes dangerous.

I, therefore, must conclude that Bill Bruno has become dangerous to the district, by putting political success above all and should not be re-elected to the Board of Education. Murray Goldstein,

President
Hicksville Congress
of Teachers

To The Editor:

The time has come to take a serious look at the proposed budget for 1975-76 and to decide which propositions are for the good of the students as well as those we are able to afford. For it is fine to give the students everything available, but if the taxes rise so high, that homes are lost in the process, is it worth it?

In my opinion, the most IM-

PORTANT item on this budget is proposition No. 4 - books and supplies together with the sports program. To teach in a classroom, a teacher must have the books and materials to work with. If every parent were to purchase the supplies necessary for everyday learning, it would cost a fortune. And this is magnified if there is more than one child in the home attending school. Recreation rounds out a child's education. I've seen children whose marks are less than desired become better students in the classroom, because of some success in a sports program. Sports gives a child a hobby - something that can keep him busy, and memories that last a lifetime. I urge you to vote YES on proposition No. 4, for the health and welfare of the students.

Propositions No. 2 and No. 3 are discussing the same idea - transportation. How much transportation do we want or need? How much transportation can we afford?

How to get a child to school on time has been a problem of mothers since the early days of education. Especially in the early years of school, it is difficult to expect a young child to walk long distances and to have them arrive at school safely before that first bell in the morning. So mothers would have to drive, especially in inclement weather. Then a transportation problem would become a traffic problem, and with mothers having 3 children with 3 different starting times, it would become maddening. As a child reaches the Junior High, his/her body gets stronger, legs get longer, and the independence grows. In that stage of their life, walking is the best way to stay healthy. So I am suggesting that you vote YES on

Proposition No. 2 and NO on Proposition No. 3. In this way, you will be thinking of the student and your pocketbook.

I will comment on the rest of the propositions in my next week's letter.

On the ballot on June 4th, I have chosen to run for Mr. Bruno's seat. I do not believe that we need Mr. Bruno's wild and sometimes inaccurate accusations for the next three years on the Board. And I do not believe

Team No. 6 had their winning effort in a 1-0 game aided by the combined 2 hit pitching of Larry Martineau and Gerry Schenkel.

Team No. 8 continued its winning ways on the excellent pitching of Ron Nakasian and Paul Clenio. Hitting by the entire team and homers by Kevin LeBrecht and Jim Hughes contributed to the team's success.

Team No. 7 got into the win column helped by the all around effort of Ed Sottile, who collected 4 hits including a homerun and pitching 3 scoreless innings in helping his team. Early in the game, Doug Barretts' clutch hitting broke open a tie game, and Nick LaVacca's double play at a crucial time cut off a possible big inning for the opposition. Other major factors were the catching of Chris Colosanti and John Fallacara, and Bill McCarthy's pitching and three base hits.

Team No. 1 received outstanding pitching and hitting from Scott Russo and Pat Corcoran. Scott picked up 3 hits and Pat picked up 2. They combined to strike out 16 batters while allowing only one run.

Standings Week of May 16th	W-L
Gilison Knitwear	5-0
Parr-Hanson Trees	5-1
V.F.W. 8	1-3
W. John Street Deli	1-4
Agway	1-5

In this weeks opening game Gilison beat Parr-Hanson 5-0 to take first place in this division. These teams meet again May 19th, giving Parr-Hanson one more chance. Brian Boschart was again the winning pitcher for Gilison, striking out 12, while walking 1 and giving up only 4 hits. Richie Staubitz, Mike Turturo, Ken Hymes and Robert Fremgen were the teams hitting stars. Losing pitchers Bill Demarco & Bill Maracondo, walked 10 and struck out 9, and gave up 4 hits. Gilison's Brian Boschart had excellent control, keeping Parr-Hanson from scoring though Dave Joyce, Church Demarco, Joe Pizzo and John Martin all had hits.

In this weeks second game V.F.W. beat Agway 8-1. The winning pitchers for V.F.W. were Bill Gomez and Andy Lopodote who combined for 6 strikeouts, giving up no hits. The hitting stars for V.F.W. were Andy Lopodote who HOMERED with two men on, Tim Curley and Ardie Card each had two hits while Mike Kennedy and Peter Virga had singles losing pitchers, Craig Sadowski and Russel Barth struck out 4 and walked 6. Agway scored their only run on a bases loaded walk.

In the third game this week Parr-Hanson beat W. John St. Deli 11-7. Winning pitchers, Bill Maracondo, Dave Joyce, Vinnie Berrios & John Martin (winning isn't always easy) combined for the win. Hits were by Vinnie Berrios 2 for 5, Joe Pizzo 1 for 2, Dean Koutsoubis 1 for 4, Chuck Demarco 2 for 4, Dave Joyce 3 for 4, two doubles, John Martin 1 for 4 & Bobby McGuirk 1 for 4. Losing pitchers were Mike Dunne & John Mortati, who struck out 11, while walking only 4. Hits by Mike Stallone who doubled, Mike Dunne who also doubled, and Joe Eaton who singled kept W. John St. Deli in the game.

In the fourth game Gilison Knitwear beat V.F.W. 4-2, in a good defensive game. Winning pitcher for Gilison was Bill Meslin, who struck-out 6 and gave up only 2 runs. Greg Knight, Hen Hymes & Mike Turturo went 2 for 3. Mike Turturo again stole 7 bases. Losing pitchers for V.F.W. were Rich Eifert & Andy Lopodote. V.F.W.'s Peter Virga hit a two run HOMER over the left field fence for V.F.W.'s only runs. Robert Eifert made an excellent catch on Brian Boschart's long, hard hit to centerfield.

In the fifth & last game of the week Agway defeated W. John St. Deli, 7-3, for their first win of the season. Gary Madine, who struck out 11, was the winning pitcher. The hitting stars for Agway were Steve Consentino who had 4 hits, Craig Sadowski and Steve Heppel had singles. The losing pitcher was Mike Dunne. The hitting stars for W. The ebb and flow of the final phases of the Club's spring program has produced some predictable results and some surprises, all of which lends itself to a stimulating season.

Intramurals in the Peeewe Division, Del. coasted over Maryland 4-0 on double scores by P. Ziembicki & J. Neto. Complementing the forward line for Del. in which J. Spiros outdid himself was the defense of T. Demeo, M. Jaycard, T. Kenny & K. Rice at goal. M. Muller & J. Compress at Maryland's forward provided the respite needed for the defensive work of G. Condron and R. Human.

The Minutemen defeated Ga. 3-0 on goals by G. Mattola, G. Abbott & R. Engelhard. Joining them in producing winning combinations were J. Hopkins, D. Barsh, A. Calabrese, R. Ruggiere & K. Godwin at goal maintained the shutout. Georgia's efforts were exemplified by R. Raphael, K. Rochelle & P. Corcoran.

Mass. took an identical win over N. Hamp. 3-0 on scores by I. Peskowitz, D. Borg & D. Schettino. Scoring was helped along by the field work of F. Freysson, M. Habersaat & R.

DeGredenzi. For the losers, P. Thompson & S. Massiello did their best.

Conn. rolled over the Tigers 4-0 on scores by K. Kugler, J. Zazzola, & a double by S. Singer. Conn. field play was dominated by M. Hack, D. O'Leary & B. McKenna. The Tigers kept the game respectable by the goal keeping of J. Schupp & A. Spear together with the hustle of C. Urban.

In the Bantam Division, S.C. maintained their first place position by defeating N.C. 2-0 on scores by Frattini & Burke. S. Carolina's Lagnese, Bell & Gervy added impetus to the attack. N. Carolina's goalie K. Thomas handled a barrage of shots.

N.Y. beat Penna. 3-0 on scores by B. Altheus, R. McKenna & P. O'Reilly with further assistance by R. Brill & J. Davidson. Penna's defense withstood most of the attack particularly the ball control of S. Thompson & G. Marco. Later in the weekend, Penna. lost to the Young Lions 4-1. The winners scores came on 2 goals by Weisdorfer, 1 by Panza & 1 by Wilson. R. Gamble & S. Michaelis rounded out the defense while C. Nobel advanced

the cause of R.W. S. Thompson scored for Penna. while W. Probst & E. Sneddon directed the defense.

Unbeaten S.C. defeated N.Y. 2-0, again on scores by Burke & Frattini. P. Magnuson at goal held the shut out with help from backs M. Christ & V. Christiano. On the field, N.Y.'s R. Brill, P. O'Reilly & J. Davidson did their best.

If close scores are your game, Boys Division play provided the thrills of the weekend. Kentucky tied Virginia 2-2 as R. Bush & J. Morga scored for Va. Kentucky scores by R. Skrynecki & P. Patwell. The Atoms squeezed out a 2-1 victory over Vt. G. Thorstein & J. Lager scored for the winners while J. Borthwick boot a goal for Vt. Another tie game was played by R.I. and the Legionnaires 2-2. R. Mahoney & J. Stafford scored for R.I. while R. Ahearn booted both for the Legionnaires.

The next day R. Ahearn scored again for the Legionnaires in their 1-1 tie with Va. A. Traficanti scored for Va. R.I. trounced the Atoms 4-2 on a "Hat trick" by T. Handshuh and a single by T. Burke. T. Thorstein & J. Ryan kept the Atoms respectable with a goal apiece. Vt. came back from the previous days defeat by thrashing Kentucky 5-2. T. Borthwick (2), T. Sullivan (1), J. Harris (1) & M. Stuppello (1) all scored for Vt. Ky. scores were made by M. Hopkins & P. Patwell.

Traveling Team News

Having reached the play offs, the Bantam Blue was eliminated from further contention by a 6-0 loss to Deer Park. The young team developed some outstanding players over the season, particularly D. Smyth, R. Pearce, M. Simi, C. Habersaat, B. Cresham & especially J. Rubins at goal. This team, with a seasons experience behind them, looks forward expectantly to their next season.

The V F W. Boys Red were eliminated by Massapequa 2-1 in State Cup competition in what appeared to be a "Hollywood production. The game, tied at the end of regulation play 1-1, on a goal by M. Bell from 35 yards out, remained tied after "sudden death" overtime, only to lose it in

the next phase - penalty kicking.

The team bounced back in their next game defeating Huntington Blue 4-2 in a come from behind win in the final ten minutes of the game. This game was a perfect example of team effort and a determination to win. This win advanced them another step in league playoff competition.

The weekend was completed by a 2-0 win over the same Hunt. Blue in a Regional Cup game. The first score was by M. Collins on a cross by P. Fischette and the second was booted by J. Rupp on a cross by B. Bedell. R. Fremgen at goal made a half dozen great saves to maintain the shutout.

In Juvenile Regional Cup competition, the AOH sponsored team defeated the Greek Americans 2-0 to advance to the semi-finals. Scores were by R. Dalton & K. Anglin. In State Cup competition, this team beat N. Babylon 3-1 on scores by B. Cochran, S. Halajian & R. Dalton. Goalie B. Dalton handled everything coming his way more than competently. This team has also taken the Division title in regular league play.

The girls under 12 were victims of the Massapequa nemesis in a 4-0 loss. The first season of league competition for this team was highly successful particularly as a result of the efforts of offensive players C. Wayne, M. Weber, K. Conway, K. Maguire & D. Harkins. Defensive Work for the season was handled by goalie R. Manfredi, fullbacks V. Manfredi, M. Massiello, B. Luongo & J. Mullings and the halfbacks M. Cresham, S. Brill & M. Carroll.

The girls under 16 finished their first league season on a successful note, defeating Oceanside 2-0 & grabbing a berth in the play offs. K. Dolan at fullback with halfbacks A. Weber, M. Brill & K. Kolovitch put the ball into

scoring position for goals by P. Decker assisted by K. Jung and the second goal by P. Conway, which occurred three minutes before the end of the game. The girls really played their hearts out in this fantastic game.

that we need HUCE to rule the entire Board, for we are living in a democracy, not a dictatorship.

So vote for me, Carole Wolf, line 1 C on the ballot - the only true INDEPENDENT candidate for the Hicksville Board of Education.

Sincerely yours,
Carole Wolf

To The Citizens of Hicksville,

It has been said many times that our most important commodity is our youth. This is certainly more important today than ever before. We are living in a world with new and advanced technology constantly reaching out to all of us. As concerned citizens and parents we must help educate today's young people to be prepared and useful participants in the adult world they are soon to enter. They must be ready to face all the challenges that lie before them.

I have declared my candidacy fully aware that education today is a costly and complex area, and I, if elected to the School Board, plan to support sound and economic programs to give the children of Hicksville the best possible educational system. Continuous evaluation of the programs in the school is a must if we are to determine what is right and what must be changed. If remedial programs are indicated then I will do my best to bring about their implementation. Also, a concerned, informed and cooperative community including all persons - parents, senior citizens, teachers, administrators and the students - is something I feel is vital if a school board is to succeed in truly representing the best interests of the district. Reasonable taxes must be expected for quality education but constant appraisal of all spending should help keep the budget in a realistic perspective.

I have been proud to be part of this community for many years - proud of it's youth and it's schools - and, if elected, I pledge to the best of my ability, to work for each and everyone to maintain and foster an educational system that affords every child the opportunity for the finest schools we as a community can give them.

I therefore, seek your support in electing me to the school board on June 4th, as well as, urging you to support my running mates JOHN AYRES and CORNELIUS MCCORMACK.

Yours truly,
Robert J. Losche
Candidate for School Board Trustee

To The Editor:

I am writing to you regarding my candidacy for the position of School Board Trustee to be decided in the upcoming June 4th election.

I believe that my work background as an educator, as well as my education background as an accountant uniquely qualifies me to sit on the Board of Education.

A detailed biography of my background as well as the platform I co-authored with Mrs. Losche and McCormack has already been submitted to your paper.

It is my basic belief that each student is different, learns at a different rate, has different needs, interests, and abilities and learns from personal interests and curiosity. Constant evaluation is necessary in order to achieve efficiency and keep our goals in step with the changing world. No subject, method or department is sacred. Learning how to learn, rather than the accumulating of knowledge should be a basic tenet of the educational process. People learn responsibility and independence in decision making by being given responsibility and independence.

To achieve these basic beliefs we must first evaluate our organizational plan. We must develop flexible budgeting approaches on the secondary level. Organizational patterns such as 4-4-4, 6-2-4, or a house plan, school within a school, teams, cluster, and alternative forms of education must be investigated and evaluated to see if they could be tailored to fit the needs of our district.

To further achieve these beliefs we must make curriculum ongoing and meaningful, and structured in a way which would generate participation.

As a School Board Trustee, I would work with the other board members to minimize costs in our schools. I feel that the School Board of the immediate future has the ability, at no real dollar cost, to make our Hicksville schools an educational model that we may look upon with great pride.

I urge your support on June 4th. I pledge to work in a spirit of trust and cooperation to make this possible. I hope you will vote for me and my running mates ROBERT LOSCHE and CORNELIUS MCCORMACK on June 4th.

Sincerely,
John Ayres

NEEDED: A GOOD WORD

On November 18, 1861, the Lord began to speak a beautiful word of hope to a fractured American society as a woman by the name of Julia Ward Howe slept fitfully while troops marched in the

streets below. As she lay waiting for the dawn, the lines of a beautiful poem to fashion themselves in her mind. The memory of some of the greatest lines in the Old Testament came to her mingled with the faces of soldiers seated around campfires

and with battle trumpets recently heard. The cost of the Civil War had not been counted, the horror of the war had not been foreseen. It had been entered upon in excitement, almost a pleasurable fervor. And now the pleasurable fervor inspired by Uncle Tom's Cabin, for example, had given way to determination and the solemn acceptance of sacrifice.

She got out of bed and began to write, "Mine eyes have seen the glory of the coming of the Lord" . . . and minutes later a beautiful gospel message flowed from the pen. "In the beauty of the lilies, Christ was born across the sea. With a glory in His bosom that transfigures you and me; And He died to make men free, While God goes marching on."

It was over a year before her poem was discovered and set to a familiar tune that the soldiers knew. Very quickly it was being sung in many Army regiments. At one occasion a Chaplain McCabe sang it at a mass meeting in Washington. The audience joined in on the chorus. The effect was magical as people wept and sang together . . . and above the applause was heard the voice of Abraham Lincoln, exclaiming, "while the tears unashamedly rolled down his cheeks, 'Sing it again.'"

Julia Ward Howe was a beautiful Christian lady who permitted God to use her to present His gospel of hope to her troubled world. Today God has a good word for our nation's problems. Permit Him to speak it through you.

Power Test had a great week winning 2 games, one over Goldman Bros. with a score of 9-1 and the second over Hardee's 8-1. In the first game for Power Test, Bob Strack and Ken Busch combined to pitch 6 strong innings, striking out 11. The big bats were Brian Fulgram and Chris Martin each with a homerun. Anthony Valle, Mike, Game, Sean Garvey, Fred Passione and John Bradley all had hits.

Pitching by Al Libardi and Billy Vollono proved to be in vain for Goldmans. A collection of 3 hits by Steve Jankowski, Billy Vollono and Tim Murray was best Goldmans could do off the pitching of Power Test. Steve Jankowski had a triple and Billy Vollono's hit scored the only RBI of the game. Excellent base running by Jimmy Boehlmer kept the game from being a shutout.

In the second game for Power Test, Chris Martin and Bob Strack overpowered the Hardee's bats. They combined to give up 2 hits and 1 run. Brian Fulgram had 2 triples and a single, while Chris Martin had a homerun and a single. Other hitters were Anthony Valle, John Bradley, Ken Busch, Mike Game and Bob Strack. Ken Busch made 2 great catches in the outfield and Jim Pejril made the fantastic game winner at first.

John Ferrado and Ted Stry both pitched well for Hardee's but poor fielding spoiled their performance. The only hits for Hardee's were Steve Playne's single and Andy Rokito with a single and a double. Doug Bowen's hustle on the bases accounted for the only run. The catch of the day was by Keith Madine, making a running catch in the right center gap.

Hardee's may be down but they are not out yet. Playing the role of spoiler they defeated British Intern'l Motors 6-5 in a hard fought ball game at Cantiague park. John Ferrado and Steve Playne teamed up to pitch super baseball, striking out 9 and walking only 1. The key hits for Hardee's were Ted Stry's 2 run single and Andy Rokito's run scoring double. Steve Playne and Frank Benvenuto garnered the other hits. Gene Maggio walked with the bases loaded to set up Stry's big hit.

Pitching for British Intern'l Motors was Bobby Dunne coasting on a 1 hit for the first 4 innings when he ran into trouble in the bottom of the 5th inning. The hot bat for the team was Kevin McGrath with a single, double and triple in 3 times at bat. Paul Serry also contributed 2 hits. Brian Donor showed a good glove in the outfield.

Goldman's win over British Intern'l Motors with a score of 5-4 was a close game. With 2 out in the top of the 6th, consecutive hits by Keith Erickson and Billy Vollono and consecutive walks by Steve Jankowski and Jimmy Boehlmer paved the way for Tim Murray to knock in what proved to be the winning run. Pitching by Steve Jankowski, Bill Vollono and Al Libardi together giving up 5 hits. Welcome to Keith Erickson to the hit dept. Keith had two hits as did Bill Vollono and Steve Jankowski. Steve had the only extra base hit. Jim Boehlmer and Tim Murray had 1 hit a piece. Excellent fielding by Keith Erickson in centerfield was a key factor in the game.

Tom McCann pitched the first 5 innings for British Intern'l Motors allowing only 4 hits and 2 runs while striking out 6. The big bat was Bobby Dunne with a single and double and 2 runs scored. Billy Higgins also delivered a clutch hit. Lee Meehan showed a good glove at second base.

International House of Pancakes won 2 games this week taking the first one 7-1 over Long Island National Bank. For Pancake House the winning pitchers were Craig Rubin, and Tony Malczynski. Tony also led the hitting attack with a triple. Robert Card, Frank Bauer-schmidt, Mike Noll, and Gene McCoy all added singles to the win.

Pancake House also defeated Sizzler Steak House 7-6 behind strong pitching from Tony Malczynski, and Matt Katz. Frank Bauer-schmidt tripled, and Gene McCoy, and Bobby Hazelton both singled. Denise Haser saved the game with a great catch in left field.

Long Island Collision had a bad week losing both their games. They lost to Sizzler 11-4 poor fielding and weak hitting were the main causes. There were some bright spots though Mike Gray turned in a fine relief job, and Louis Sabato stopped a rally with a good play on a hard hit ball.

L.I.C. had to borrow players to prevent a forfeit but it went to no avail as they lost to Long Island National Bank 15-3. Mike Gray pitched 4 scoreless innings allowing only 2 hits but that's where it ended for L.I.C. Tony Neff drove in all the runs for L.I.C. with 2 hits one of the hits was a big triple.

Circle Texaco won their seventh straight game without a defeat, by the score of 19-2. Led by the hitting attack of Dennis Woessner, Vic D'Benedetto and John Autolino, Circle Texaco clinched the first half in the "A" league. Autolino also pitched three scoreless innings for the winners. Todd Loeffler had the only hit for Malvese.

Cotton Lillian finally broke the ice and picked up their first win of the season by defeating Firestone 15-4. George Maggio, Joseph Cotton and Robert Porcelli collected seven of the team's ten hits. Frank Macchio hit his first home run of the season for the winners. Carlos Olvia went four for four for Firestone.

Marino Named GOP Leader

State Senator Ralph J. Marino of Syosset was elected the new Chairman of the Oyster Bay Town Republican Committee last Friday evening. The vote made by the Town's Republican Executive Committee was unanimous in Marino's favor.

Marino succeeds James E. Picken of Massapequa who served as chairman for two and a half years.

As Town GOP chairman, Marino will serve as liaison between executive committeemen who lead the local Republican clubs throughout Oyster Bay and the county GOP committee. He will also oversee election campaigns and help shape party policy.

Marino, 47, was elected to the State Senate in 1968 after serving as Majority Leader of the Oyster Bay Town Board. In the Senate, he has established a reputation for promoting major legislation for the control of crime and the reform of penal institutions as Chairman of the Committee on Crime and Correction and of the Select Committee on Crime. He also served as Chairman of the Temporary State Commission on Tax Liens and Mortgage Frauds where he was active in preventing schemes that deprived property owners of their homes.

Marino is an attorney with offices in Oyster Bay hamlet. He was graduated from Syracuse University and Fordham Law School following service in the U.S. Army.

He is married to the former Ethel Bernstein of Oyster Bay. They have three children, July 18, Jimmy 16, and Bobby 10. Marino has been active in humanitarian and civic affairs in Oyster Bay.

HICKSVILLE INVADERS DOVER N.J.: The Hicksville V.F.W., Post No. 3211, their Ladies Auxiliary and Jr. Girls' Unit, plus, the Hicksville P.B.C. Band invaded Dover, N.J., on Saturday, May 3, to attend the Loyalty Day Parade. The parade was about the largest we have seen yet. There were over 100 divisions, and the march was 1½ miles long. We received a tremendous hand all along the parade route. The kids from the P.B.C. were just outstanding, not to take

anything away from our own Jr. Girls' Unit. Fifty-seven Hicksvilleites marched and all of Hicksville can be proud of the way we stood out and continue in our efforts to promote the town of Hicksville. Again, thanks to Rupert Meyers and the complete P.B.C. team, Pat Williams and her Ladies, and, of course, the Jr. Girls' Unit. The Hicksville V.F.W. color guard was just great. Thanks to all who participated. (Photos by Joe Adessio)

Safe Boating Course

Oyster Bay Town Councilman Joseph J. Saladino announced this week that a boating safety course for residents ages 10 through 16 will commence next Monday.

The course, sponsored by the Town of Oyster Bay Conservation and Waterways Bureau and the Coast Guard Auxiliary, will be held May 19 - 23 from 4 to 6 P.M. at the Bowers Savings Bank, Sunrise Highway, Massapequa Park.

Saladino explained that it will feature instruction in safety afloat, boat handling, the use of charts and compasses, weather and rules of the road. Participants in the course will be eligible to receive a Coast Guard certificate and a wallet card signifying completion.

There is no fee, but necessary course materials cost approximately \$5.00. Pre-registration is not required.

"This course is mandatory for young boaters 10 through 16 years old," Saladino commented, "and learning the basics of safe boating and seamanship can only increase the enjoyment and fun of safe boating for all our residents."

For further information, call the Town's Conservation and Waterways Bureau at 799-0520.

AMENDMENTS TO THE CODE OF ORDINANCES EXCAVATIONS AND CURB CUTS

BE IT ORDAINED by the Town Board of Oyster Bay, County of Nassau, State of New York, that Section 21-51, Chapter 21 of Article III "Excavations and Curb Cuts" of the Code of Ordinances of the Town of Oyster Bay, New York, be and the same is hereby amended to read as follows:

Sec. 21-51. Application for permit. Standards for issuance of permit.

Upon application in writing, filed with the superintendent of highways stating the purpose, extent, location and nature of proposed curb cuts, street openings or excavations in any street, highway or sidewalk in the town for any purpose, the superintendent of highways shall issue a permit under this Article where he finds:

1. That the work shall be done in accordance with the standard specifications and requirements of the Town of Oyster Bay for public work of like nature.
2. That the operation will not unreasonably interfere with vehicular or pedestrian traffic; the demand and necessity for parking spaces, and the means of ingress to and egress from the property affected and adjacent properties.
3. That the health, welfare and safety of the public will not be unreasonably impaired.

AMENDMENTS TO THE CODE OF ORDINANCES OF THE TOWN OF OYSTER BAY (AMUSEMENTS)

BE IT ORDAINED, by the Town Board of the Town of Oyster Bay, that Chapter 3 "Amusements" of the Code of Ordinances of the Town of Oyster Bay, New York, as amended, be and the same hereby is amended as follows:

DELETE from § 3-1(a) Definitions - the words "space walk."

AMEND § 3-1(a) by adding at the end of the sub-section the following:

However, nothing in this subsection shall be interpreted so as to include those rides where the rider is propelled by his own force rather than by a mechanical force.

Hicksville Fire Report

By Ex-Capt. Owen Magee

The Hicksville Fire Dept. responded to 23 alarms during the period May 13 to 20. 8 fire calls, 8 rescue calls, 7 false alarms.

Memorial Service to Honor Hicksville Firemen

On Monday, Memorial Day May 26, 1975 officers and men of the Hicksville Fire Dept. will assemble in front of fire headquarters on E. Marie to hold services in honor of the firemen active or honorary who have answered their Last Alarm during the past year. The firemen honored this year will be:

Louis D'Andrea Honorary-Exempt
Charles Ambron Honorary-Exempt
Milford Wagner Honorary-Exempt
Arnold Jeanson ex-chief-active
Fred Braun Honorary-exempt
Harry Jefferson Honorary-

Exempt - The members of the Hicksville Fire Dept. salute their fallen brothers, and will remember them always for their service to Hicksville and devotion to duty. Following the Memorial Services firemen will participate in the community Memorial Day Parade.

A Reminder Plus Two

A flashing blue light signifies a volunteer fireman responding to a fire alarm. Please pull over to the side and give him the courtesy of the road. Fire apparatus cannot respond until the fireman arrives at the fire house. Thank you.

False fire alarms will delay firemen from the REAL FIRE. Help stop false alarms.

A smoke detector in your home is always on guard. Its a sound investment for your family.

LWV Elects Officers

At it's annual dinner meeting, held at Manor East in Massapequa on May 7, The League of Women Voters of the Town of Oyster Bay elected Barbara Joseph of Syosset as it's new President. Elected along with Mrs. Joseph were Jeanne Moller of Syosset, First Vice-President; Patricia Pane of Massapequa, Second Vice-President; Karen Cooper of Old Bethpage, Treasurer; and Doris Busloff of Plainview, Secretary.

Since joining the League of Women Voters in 1970, Mrs. Joseph had been active on environmental quality committees and voter services. She has been a director for two years, and edited "They Represent You", a directory of elected officials in Albany, Washington,

Nassau County, Town of Oyster Bay and incorporated villages. This past year Mrs. Joseph served on the County Board of the League of Women Voters, editing three pamphlets of voters information as well as being First Vice-President and Public Relations and Action Coordinator for the Town of Oyster Bay League.

The League program this year includes a study of how town councilmen can best represent their districts, campaign standards for school and library elections, and completion of a new comprehensive booklet "Know Your Town."

In accepting her new position as president, Mrs. Joseph said: "I look forward to action, action, action."

Rummage Sale

The Garden City League of The Industrial Home for the Blind will hold a Rummage Sale on Thursday, May 29th in the Lower Level of the Cathedral House, Cathedral Avenue, Garden City. Doors will open at 9:30 A.M. and close at 3 P.M. Admission is a donation of twenty-five cents a person.

Early shoppers will find racks of unbelievable buys in clothing

for all the family. Customers are encouraged to browse among counters of new and used books, records, glassware and china, bric-a-brac, costume jewelry.

Every cent of your purchase price, plus the donation, goes toward providing more scholarships for blind children who attend the IHB Summer Day Camp in Farmingdale.

The Rummage Sale is sponsored by The IHB Garden City League, the same people who each February sponsor the IHB Long Island Antiques Fair and Sale.

Major Development in Women's Haircoloring.

Get Rid Of Gray Hair Some Of It Or All Of It

Time-lapse photographs show how gradual action of Lady Grecian Formula lets you control just how much gray you slowly get rid of—some of it or all of it.

WHITE PLAINS, N.Y. (Special)—Thousands of women all over the country are discovering a remarkable new product specially developed and tested for women's hair. It not only takes the guesswork out of hair coloring but also eliminates the gray roots problem that has for years been a thorn in the side of all women who color their hair. Lady Grecian Formula is not a dark messy dye. It is a colorless liquid as easy to use as water. There is no mess, no complicated instructions, no

strand tests, no clock watching. Simply brush Lady Grecian Formula through your hair every day and you will see the gray slowly 'fade away.' You are in complete control. You can get rid of as much gray as you want—some of it, or all of it. When your hair reaches just the lovely natural-looking color you want, weekly use thereafter is all that's necessary to keep your hair just the way you want it with no gray roots problem ever. Lady Grecian Formula is available now at:

A "Long Day" For Volunteer Firemen

On Saturday, May 10 a fire alarm was received at Westbury Fire Headquarters at 9:47 a.m. It was to be the start of a very long day for the Westbury firemen and other firemen from Carle Place, Hicksville, Jericho, and East Meadow. In all there were about 200 men involved in fighting a factory fire at Knogo Corp., 132 State Street, New Cassel. It was a company that manufactures electronic anti-pilferage equipment. The fire, which was reported to have started in the rear room of the factory, quickly spread to the entire building, which in size was approximately 150' x 180' one story brick building.

Under the command of Fire Chief Robert Kammerer, the men and equipment were deployed so as to protect the other surrounding buildings, which had only about 12 to 18 feet separating them from the building, which was now a blazing inferno. It was reported that the smoke could be seen from as far away as Rockville Centre. With the help of the above mentioned Fire Departments and 15 pieces of equipment, the blaze was brought under control in 3 long hazardous hours.

Although the building was completely demolished, the

professionalism of Chief Robert Kammerer enabled him to

contain this fire and prevented other local building from suffering the fate of the building at 112 State Street.

Five firemen were treated for burns and smoke inhalation at the scene and returned to help in the overhauling operations which lasted until the Chief's recall to Headquarters at 3:55 p.m.

HICKSVILLE AMERICAN LITTLE LEAGUE

(Continued from Page 8) (Continued from Page 8)

On Friday, May 15, Circle Texaco made it eight in a row when they beat Cotton Lillien 16 to 12 in a high scoring game. Dennis Woessner went four for four, including a home run and Kevin Malone chipped in with two triples for Circle Texaco. Peter Ressa pitched three scoreless innings for Cotton Lillien and also hit a two run triple. George Maggio had a three run triple and Frank Macchio hit his second homerun of the week for the losers.

Firestone handed Malvese their second loss of the week, beating them 13 to 8. Carlos Oliva again led Firestone's attack with 3 hits. Craig Schelin hit his first home run of the season for the victors. Good fielding plays by Chris Oeh and Steve Rikito insured the win for Firestone.

Down Memory Lane

Echoes of the "Taps" of other Memorial Days at the Hicksville Junior High, which is marking its 50th Anniversary on June 2-7th.

come to mind with this photo of guest speaker, Donald Abt, Assistant Superintendent of Schools, at ceremonies in the

middle 1950's. Also seen are veterans group leaders and Parade Grand Marshall, the late Fred Noth, editor and volunteer fireman.

1925-1975 Memorable Yrs At Jr.-Sr. High

"parcels from home" to our servicemen. Many classes made Christmas cards to be sent to the armed forces.

The High School classes prepared "bundles for Britain", food and clothing parcels for the folk of that hard-pressed isle. The Industrial Art Department developed an industrial training program in intensive lathe training, blueprint reading and measurements of the program's first class of 17 boys, 11 were hired upon graduation by Sperry Gyroscope and 6 were employed by Grumman Aviation building the navy planes which defeated Japan. Mathematics and science courses were very popular.

The years between 1925 and 1955, the sojourn of the Hicksville High's location at the Jerusalem Avenue School, were marked by outstanding participation in sports. Pat Nasso, alumnus and later high school teacher and Junior High Assistant Principal—a fondly remembered educator, once obliged this writer with an account of the glorious sports

record belonging to the school. Writing with his unbounded enthusiasm, Mr. Nasso—who will visit his old alma mater the evening of June 5 for the "Open House" program recalled: "The sports-minded youth of today will be pleased to know of Hicksville's athletic accomplishments of the past ... Helena Mroczkowska, class of 1936, was the U.S. Women's Champion Fencer. Eddie Coleman, a great all-around athlete of the early 1940's, held the American record for the 12 pound shot put. On the scholastic level, football, baseball, track and basketball achievements were outstanding. In the 1930s, Hicksville High had five years of unbroken victories in dual meet track competition. Mayer, Kappstatter, Fluckinger, Rennie, McInnes and Quinn were leading runners and jumpers ... North Shore championships in baseball were a common occurrence. Louis Millevolte, Bernard, Small, Bordiuk, Molitor, Kappstatter and Kishanuk were a few of the diamond heroes. Pat Emos, Class of 1950, played for years with Seattle of the Pacific Coast League ... Probably the greatest player from the inspirational viewpoint was Teddy Smith ... Teddy played varsity baseball and football in the 1937-1939 period even though he had only one arm."

Nasso recalled, also that, "Football produced its share of excitement. Names like Rennie, Darmohray, Sabatelle, Bergold and Coleman are familiar ones to those who followed the Hicksville High gridiron fortunes. Many colleges gave our graduates football scholarships. Myron Darmohray and Jimmy Hill gained distinction on the Georgetown University team of the late 1930's—the best East Coast eleven ... Semi-pro football games which attracted from five to seven thousand spectators were not uncommon sights the High School gridiron—no mean feat when one recalls that the population of the village was under 8,000 at this time. For one five year period, the Hicksville Field Club was the undisputed semi-pro champion on Long Island. The enthusiasm of the

local people was boundless. Pep rallies, torchlight parades and bob fires were a regular part of victory celebrations. ... Coaches like Kenny, Yutzler, Bergold and Millevolte did much to make the name of Hicksville High respected on the fields of sport during the Thirties and Forties.

Academic goals were not neglected. Many of our schools' senior teachers are graduates of the Junior-Senior High School between 1925 and 1955. Physicians, dentists, judges and lawyers who practice in Hicksville were educated here as were businessmen whose stores are familiar to us all. It is hoped that many of these alumni may enjoy a reunion at the ceremonies at the Junior High School on June 7, at 10:30 A.M.

St. Ignatius Science Fair

The St. Ignatius Loyola Science Fair was held recently in the School Auditorium. The sixth, seventh and eighth grade students participated under the supervision of Mr. Charles Gambino, science teacher for the Junior High grades, and Miss Maureen Quinn, sixth grade science teacher. The Fair consisted of the best science projects submitted by the students in the three upper grades and was judged by science teachers from several local schools. The projects covered such diverse subjects as the human body, solar energy, computers, plants and plant grafting and animal mazes.

The eighth grade awards were: 1st place—Joe Brittain, John Flynn and Richard Van Benthysen; 2nd place—Lucinda Cardinal and 3rd place—Peter Casey. Seventh grade awards were: 1st place—Paul Richards and Robert Spiers; 2nd place—Theresa Galvin and 3rd place—Brian Jennings. Sixth grade awards were: 1st place—Paul Kraus; 2nd place—James Velten and Walter Sonborg and 3rd place—James McNamee and Kevin Varley.
