Mail Improvements

The U.S. Postal Service first-class mail service improvement program will go into effect at Hicksville Post Office on October 11, Postmaster Anthony M. Murello said today.

Under the program, first-class mail will receive service that is equal to or better than airmail.

The major, new service step will extend to all first-class mail weighing 13 ounces or less. "In practical terms, what this service improvement means is that domestic first-class postage now will purchase the level of service that previously only airmail could buy," said Postmaster Murello.

"Under the new program, there no longer will be an advantage in purchasing airmail postage for domestic delivery," he said.

Priority mail (now starting at weight in excess of 13 ounces), which includes air parcel service, and international airmail are unaffected by the improvement

program and continue in their present form, the postmaster said.

"Airmail stamps will be sold for use on priority and international airmail. They can also be used in various combinations with other stamps for first-class mail," he said.

Customers can exchange airmail stamps, and stamped envelopes and cards at full postage value for ordinary stamps, stamped envelopes and cards. Stationery bearing airmail indicia will be allowed to be mailed at the first-class rate, Postmaster Murello said.

To aid postal customers, maps showing the cities and areas targeted for next and second day delivery for mail from Hicksville will be on display in the post office lobby, the postmaster said.

White top collection boxes, now used exclusively for airmail, will be removed or converted to use for other purposes, the postmaster said.

Town Board Meeting

by Gerry Kahn

It was standing room only at the Town Board Meeting on Tuesday, October 7th. The hearing room was packed to capacity and interested parties were standing along the back wall of the assembly.

The first item on the agenda was a Hearing to consider proposed amendments to the Code of Ordinances relating to prohibition of Airports in certain districts within the Town of Oyster Bay.

The amendment raised community support in Bethpage for the amendment in view of the recent attempts on the part of Grumman Aircraft Corp. to expand their airport facilities to include outside aircraft. The assemblage seemed equally represented by aroused community support and Grumman Corp. management and other personnel. There were a multitude of speakers both pro and con and at times the anxieties of the crowd became out of hand. Supervisor Burke had to interrupt proceedings on several occasions to bring the audience under control.

The Hearing on the amendment was only a sounding board for the community of Bethpage to voice their resentment at the attempts of Grumman to enlarge the scope of their facilities. The residents who had over 4,200 signed petitions in favor of the amendment basically were opposed to the increased dangers of additional aircraft over residential areas, the noise and air pollution that will accompany the increased auto traffic resultant from the new use of the facility. All of the foregoing will not only affect the health, welfare and general well being of the community but from an economic standpoint it will adversely affect the value of their homes.

The Grumman Corp. on the other hand, was opposed to the amendment as it would prohibit the expansion of their facilities. Such an expansion at this time of high competition in business was a requirement for the corporation as a self-sustaining airport would appreciably relieve their overhead and permit the corporation to operate on a sound economically trimmed basis. The speaker that led off the proceedings was Joseph Gavin, Chairman of the Board of Grumman Aircraft Corp. He was opposed to the amendment and was followed in sentiment by Robert Sellers, Executive Vice President of the Long Island Assoc., George Hoffman represented the association for the Advancement of Commerce and Industry, Mr. Oscar Summers, who added some comic relief to an otherwise serious

situation by comparing Russian advancement in social and industrial modernization as compared to our lethargic attitude of late. Julius Lodden spoke in opposition to the amendment citing the almost insignificant amount of air and noise pollution and the almost unbelievable high safety rate of private aircraft and/or third party incidents as a result of the high level of FAA requirements for safety. Mr. James Pyle, Director of Aviation Council spoke highly in favor of the Grumman facility and the necessity of it continuing on a healthy program of expansion. Mr. Arthur Bauer, a Grumman prime contractor spoke in favor of the Grumman expansion and the defeat of the amendment. Mrs. Loretta Butcher, lauded the past history of Grumman as a good neighbor, a source of income to the area and the ineffectual impact of noise and air pollution as well as any incidents of safety violations to the community. The last speaker opposed to the amendment was Mr. John Martin Lewis Reeves who recited a list of credentials that appeared endless. He had done his homework well, so much so as to include a breakdown of the chemical contents of possible pollutants etc. Finally Supervisor Burke, after thanking him for his apparent extended research asked him to indicate his sentiments, which turned out to be opposed to the amendment.

Councilman Moseca was the fourth speaker relative to this hearing. He spoke of the duties of the Board to the public and/or the majority. The councilman was followed by many in favor of the amendment. They included: Raymond Galloway, Bethpage resident, Darryl Johnson, Dan Nordio, Marlena Jannotta, Ed Naughton, Jeffrey Schuckman, Keven Galloway, Phyllis Singer, representing E. Massapequa Civic Assoc., Mary Hurley, Bethpage Board of ED, Katherine Norton, Robert J. Glass, Shirley Lang, representing Woodbury Gates Civic Assoc., Geoffrey Twombly, candidate for Councilman Oyster Bay Town, Harold Resnick, Rossario Giannini, Joe Scales of Syosset Civic Assoc., Joseph Vart, Sherman Glass, Daniel Di Roma and Ronald Grimaldi, Pres. of the Bethpage Civic Assoc. The halls were graced with the appearance of Assemblyman Louis Yevoili, who praised the board for their action and supported the wholeheartedly prompt action on the passage of the amendment. The hearing at that point was adjourned and was continued at 8:00 P.M. in the evening.

At Supervisors Meeting

by Marcia Yeates

The Nassau County Board of Supervisors routinely passed all the items on its lengthy calendar on Monday, October 6 before a quick flare of tempers marred the serene atmosphere of the Board Room.

There were virtually no comments or criticisms from the audience during the meeting as the Board dispensed with a 17 page agenda.

Two public hearings were held and rapidly concluded as no one present wished to be heard on the matters at hand. The first was the acquisition of land at Uniondale Ave. and Hempstead Turnpike to be used for the interior roadways system at Mitchel Field. The second was the operation of omnibuses to and from raceways by Schenck Bus Corp.

On the calendar were such varied items as sewage drain easements in several communities in the county; contracts for concerts to be held at the Nassau Veterans' Memorial Coliseum; agreements with several school districts (including East Meadow, West Hempstead, Westbury and North Bellmore) for funds for Drug and Alcohol Addiction programs in the districts and numerous financial transactions.

There were eleven transfers of funds from one section of the budget to another amounting to over \$900,000. Supervisor Suozzi, who is the Mayor of Glen Cove, commented that he was voting in favor of the transfers, but urged the Board to plan the 1976 budget more carefully to allow for realistic figures in the various accounts.

At the conclusion of the meeting, several candidates for the proposed County legislature spoke out in favor of drastic cuts in the 1976 budget.

A heated confrontation between CSEA head Irving Flammenbaum and County Executive Caso about the staffing at the Nassau Medical Center deteriorated into a name-calling session as each claimed that the other didn't know what was really going on at the center.

The CSEA is claiming that the

center is understaffed. Doris Kazner of East Meadow, a spokesman for the CSEA, urged the Board to look into the situation. Caso had scheduled a meeting on Monday afternoon with Chief Administrator Eisenberg of the Center.

Grace Burley, of Woodbury, a spokesman for the Alliance of Advocates for Children and Youth urged the Board to maintain the Plainview campus of the County Medical Center for the care of young people. The 125 acre facility had originally been used for the treatment of Tuberculosis patients. There have been reports that the County is planning to use the campus for office space. County Executive Caso replied that the use of the premises for Medical Center offices is a possibility since it would save the County expensive rentals of offices. Mrs. Burley urged that the campus be used to "continue the legacy of caring for people." She cited the lack of suitable facilities elsewhere in the county for the care of young people.

Select Candidates For County Legislature

Candidates for the proposed Nassau County Legislature, whose names will appear on the November 4 ballot, have been selected by the major political parties. In this area, the following legislative candidates have been selected:

In the First District, which takes in the northern portion of the Town of Oyster Bay, including parts of Syosset and Woodbury and Old Brookville, the candidates are: Republican John Bogut of Syosset; Conservative Vincent DeMeo, also of Syosset; Democrat Daniel Mooney of Locust Valley and Liberal Phillip Barash of Roslyn Harbor.

In the Third District, which includes Plainview and Old Bethpage and runs along the County line, the candidates are: Democrat Sandra Brenner of North Massapequa; Republican-Conservative Salvatore Nicosia of Farmingdale and Liberal Ralph Ottone of Plainview.

In the Fourth District, which includes Hicksville, Jericho and parts of Syosset, the candidates are: Republican-Conservative Thomas Clark of Hicksville; Democrat Stanley Meltzer of Hicksville and Liberal Aaron Schein, also of Hicksville.

Many of the district lines cross

community boundaries, making identification of a legislative district by individual town names virtually impossible.

The Nassau County Republican organization has taken a strong stand against the proposed 15 member legislature, whereas, the Democrats have come out strongly in favor of the new form of County government.

In November, voters will be asked to vote "yes" or "no" on two propositions; one, to keep a modified version of the present six-member Board of Supervisors, and, two, to elect a 15 member legislature to replace the Board.

DEVOTIONS

By Rev. J.H. Krizan

Anyone who thinks Christianity is for sissies doesn't know very much about it. The teachings of Jesus Christ are most challenging. Once He said, "If you are slapped on cheek, turn the other too." On the surface it seems as though our Lord expects us to be cowardly. Can you imagine how His words sounded to the disciples? They were rugged men of the sea not pantywaists.

Looking deeper at His teaching, we see that Jesus Christ was calling forth a greater strength than hitting back. He suggests we elicit a force that can control the anger of hurt pride. One that can take a bad situation and change it into a good situation. Rather than hitting back and lowering oneself to the

standards of the oppressor, stand tall. Jesus says, turn the other cheek.

It takes guts to be chicken. When someone spits in our face and walks away with his dry, our unreasonable but Christly behavior might well cause him to consider his action. If he is totally corrupt and does not see his sin, justice will still be accomplished; for the Lord says, "Vengeance is mine; I will repay." On the other hand, to spit back will only confirm an enemy and leave no chance to gain a brother.

When we consider the life of our Lord Jesus Christ and especially the story of Calvary, we find Him obeying His own precepts. The soldier who nailed His body to the tree may well have been the same one who proclaimed,

"Surely this man was God's Son."

We will never be able to turn the other cheek unless Christ gives us the power. To receive cheek-turning power we must first realize that our sins caused the hideous ring of hammer on nails as flesh paried and pain began. On the cross the other cheek was turned, and a man's man as well as the God-man died.

As we feel the impact of Christ's death for us, we are moved by His love. Our hearts then become receptive to a power from God that can cause us to do extraordinary things - like offering a cheek and thereby demonstrating we have the guts to be chicken.

The following boys were inducted as Bobcats at our October 2 meeting: Bobby Moore, Keith Irving, Billy LoCasto, Gerry Lynn, Paul Hammond, James Stamos, Gene Tournour, Michael Royal, Donald Lynam, Randal Villiger and Thomas Moran. We thank all concerned for getting the new Cub year off to a flying start. We remind everyone that there is always room for more should you care to join us.

NEXT PACK MEETING: November 6, 1975, Social Hall, United Methodist Church, Old Country Rd. & Nelson Avenue in Hicksville.

Shown above are the Doan family along with Pastor Roland J. Perez of St. Stephen's and Pastor Theodore S. Grant of Redeemer Lutheran Churches of Hicksville. The Doan family are Vietnamese refugees who have been brought to Hicksville in order to establish a new life in this country. They are living at the present time in the Grant's parsonage. Both churches are attempting to assist the family through the use of donations of clothing, funds, and furniture. Pastor Grant indicated that the desperate needs of refugees such as this are a challenge to the churches of our community in their witness to the gospel of Jesus Christ.

Dear Friends...

Mrs. Eileen Moore's letter to the editor this week brings up a very important point . . . many surveys are made without notifying those who would be affected by resultant changes, and without getting their opinions. Then, it is extremely difficult to change back again without a great deal of red tape. This has happened many times in the years we have been reporting community news to you and we think it is wrong. Surveys are limited at best . . . but certainly should include the opinions of many local residents in the areas so affected, if changes are made. They live in the area and know, hour by hour of each day, what conditions exist, whether it be traffic patterns and flow, or the necessary signs for pedestrian safety. Let your elected officials and the Nassau County Police Dept. know how you feel on this subject . . . that's how constructive changes in our laws are initiated.

We'd also like to bring to the attention of both our elected officials and the Nassau County Police Dept. that, as we have written about twice in the past two years, dangerous conditions exist (1) at the intersection of Old Country Road and South Oyster Bay Road, where cars making a left turn from South Oyster Bay Road onto Old Country Road (going toward Hicksville) can easily be confused because of the fact that Plainview Road also comes into this same intersection and, many cars turn onto the eastbound side of Old Country Road, in the course of a day. We have seen it happen. All that has saved these cars that are proceeding the wrong way on Old Country Road, is the fact that there is a wide grass divider which if necessary they may cross and get out of the way of on coming traffic. NOW, the point is, the large signs, usually red, that say "Don't Enter", if placed where they are readily visible on the entrance of this grass divider, would be all that is necessary to alert motorists to the correct entrance to Old Country Road when one is turning left from South Oyster Bay Road. This is important. Let's not wait until accidents occur to make us take this small but necessary step to avoid possible loss of life or injuries.

Second on my list, the curb at the intersection of Old Country Road and New South Road at the end of the Church of the Redeemer property, makes it very difficult for cars to make a right turn off Old Country Road onto New South Road. This could be remedied by placing the white line on New South Road, in front of Temple Sharai Zedek, one car length back.

This is the third time these two dangerous conditions have been reported in this newspaper. Their remedy, in each case, is not expensive . . . nor is the remedy that Mrs. Moore writes about in her LETTER TO THE EDITOR.

AN INVITATION TO ALL CANDIDATES: You are all invited to send the following for inclusion in our Oct. 23rd issue:

- (1) A brief resume
- (2) A brief outline explaining on what major programs you pledge to work for if elected.
- (3) A picture (we do not return pictures.)

We will need this information by Monday, Oct. 20th, and take this opportunity to thank you in advance for your participation in this pre-election issue.

In our Oct 30th issue we expect to bring you information and comments on the propositions and proposed amendments to the State Constitution, which will be on the ballot on Nov. 4th.

Hopefully most of you are now registered, so that you can cast your ballot on Nov. 4th. For those who have neglected this important step, you will now have to wait until next time, in order to use your vote...the ultimate weapon of every American.

That's all for this week. Stay well, enjoy the beautiful autumn weather, and remember the old saying, "Faith without works is dead."

SHEILA

Letter To The Editor

Dear Mrs. Noeth,

I would have written this letter sooner, but I assumed the missing school stop signs removed in June would have been replaced with the opening of school in September. The stop signs were located on Lee Avenue at the corner of Ninth Street.

To remedy the situation, three weeks ago I called the Eighth Precinct and was told they would give the information to the proper person, and I assumed, a stop sign would be replaced shortly. Today, I called them back and was told the same thing, plus being told that the police department does not erect stop signs. I fact that I was fully aware of. I asked to be informed who does the responsibility lie with and was told the Town of Oyster Bay. Then I proceeded to call Oyster Bay Action Line, related the story, and was told they would call back. This afternoon they called back informing me that the Department of Traffic Control had done a survey and decided that there was not enough traffic to warrant the stop signs. I was told that I must request a new survey. So, I called Traffic Control and the gentleman there told me that I must send a written request to Ann Ocker, Town Clerk, and then she would inform them of my letter requesting the stop sign survey. Well, all I can say now is--ENOUGH!

I don't want a survey. I want a school stop sign replaced. It has been there since I attended Lee Avenue School. I now have three elementary school children, two of them must cross Lee Avenue between 7:30 and 8:00 A.M. Other elementary school children are crossing this street until about 9:30 A.M. All at a busy time for people going to work.

Hicksville Soccer Club News

The golden days of autumn produce remarkably exciting soccer. Thirty or more competitions always result in a magnificent weekend.

Limited information precludes a thorough report of the PeeWee activities this week. Delaware rolled over Massachusetts 5-0 on goals by DeMeo, Blaustein, and Yudt. Defensive efforts that maintained the win were supplied by I. Rudin, S. Swierupski, and D. Nathan. Aggressive command of the ball was maintained by Ayers, Pilutik and Pfeiffer. Connecticut edged the Flying Tigers 3-1, on scores by K. Weller, P. Pisani and J. Dorthy. The win was preserved by G. Tyranski at goal, J.S. Laulys, D. Sirey, V. and G. Antaki. Gallilei took Maryland 5-0 in spite of the defensive efforts of Maryland's J. Rivers, J. Weiss, P. Christiano and N. Kramer at goal.

The older Bantam Division saw California defeat S. Carolina 2-0. Scores were made as Hughes passed to Muller and Dunier passed to Adam Greenberg for goals. Instrumental in the win were Zaretsky, Wenzler and Sakks. D. Reik, J. Bales and N. Lavacca demonstrated their skills for S. Carolina. A score by J. Wagner and aggressive play by C. Caputo, P. Petzold and B. Aithaus wasn't quite enough to stop the Minutemen. The kicking of scorers R. Engelhard, and K. Evans, together with the driving attack of G. Abbott and R. Green and goal tending by B. Stone produced the 2-1 win over New Hampshire.

The Bulldog's D. Smith and R. Jones each scored as they led their team's attack, but N. Jersey won 4-2, as M. Lagnese took a "hat trick" and J. Abbiatiello added another. The victory was ensured by the hustling of J. Bush, J. Stenborg, J. Youngs and goalie S. Masiello. A pair of 1-0 "squeakers" followed as Pennsylvania beat Marco Polo, on the single boot of M. Masters. Goalie P. Corcoran and half back A. Sarcino helped keep Marco Polo in the game as Penn's attack was preserved by R. Swierupski, S. Manzio, J. Tisco and R. McKenna. C. Bartkus' shot on a pass from J. Mohringer pulled out a victory for N. Carolina over New York. While H. Mertz was busy at goal, preserving the win, team mates J. Baggett, T. Bossong, G. Condron, T. Reed, F. Bassalino and M. Fama handled their positions with precision. New York's H. Meltzer and D. Holland worked hard and well to stop the attack. The Celtics defeated the Lions 3-1 on scores by D. Matthews, D. Missimo and E. Barrero, with assists by J. Kelly, and M. Fogarty. Further team action was implemented by J. Egbert, B. Kelly, M. Stone, K. Evans, T. Oldham, A. Cassar and goalie P. Sneed. Schepp scored unassisted after a long clear by M. Riley, as P. Bauer on the forward line handled his position well for the Lions. Alabama came up with a 4-2 win over Kentucky on goals by S. Thompson, F. Grouso, (2) and M. Meyer. The scoring resulted from the activities of R. Gross, B. Sturart, E. Milacek, K. Peyril and K. Cleary at goal. Kentucky's C. Coutellier scored twice, as teammates D. Rubin, P. Cattano and J. Sweikato repeatedly brought the ball upfield. Virginia blanked Rhode Island 2-0 on shots by S.

(Continued from Page 7)

Stafford and B. Hastings, J. Mejia and J. Weber helped hustle the ball into position. P. Magnuson at goal, together with J. Panchookian, R. Stengle and J. Harkins kept Rhode Island in contention.

The first game in the Boys Division resulted in a 0-0 tie between Montana and the Legionnaires. Maintaining the tie for Montana, T. Burke at goal, C. Harvey, D. Chow, J. Rintz and P. Reed kept the pressure on the opposition. The Cosmos II squeaked a win over Country Sports on a score by M. Scott, with an assist by H. Radak. The efficient defense was manned by J. Cione, D. Scott and M. Diamond. J. Rice and J. Lager sparked a relentless Country Sports Attack. Another close game saw Oregon defeat Vermont 2-1. W. Heissenhuber and J. Willis provided a portion of the excitement with their winning scores as teammates K. Cunningham, M. Murray, L. Goldstein, S. Mahler, M. Nathan and T. Malarchuk animated their positions. On the other side of the field, Vermont persevered on the efforts of goalie P. Mitchell and the attack of G. Brooks, J. Trapp and B. Bauman.

In the Girls Senior Division, Alabama lost in a disaster to Florida, 12-0. The disaster was compounded by injuries, particularly to J. Pascole, who suffered a severe disableness. The Club expresses sincere best wishes for a speedy recovery.

West Virginia of the Junior Girls shut out Tennessee 4-0. D. Harkins and P. Kenny each scored twice as J. Schow, K. Cusick, J. Olenchak and M. Neto bolstered the team behind them. T. Pfeiffer and T. Montano just couldn't do it by themselves for Tennessee. Mississippi rolled over Ohio 6-0. Scoring was produced by C. Anglin, P. Bergen, L. Heller and K. Conway (3). The defense was led by J. Riek and K. Grosse at fullback. Ohio never gave up as L. Humann, M. Weber, S. Mitchell and L. Finkelmeier kept driving down to the final whistle.

Florida dropped a game to the Golden Eagles 3-1. The lonely Florida goal was scored by B. Luongo on an assist by S. Brill. The entire team worked well under the leadership of C. Lagnese at center half.
