'No Tax Increase' Budget

Town Supervisor John W. Burke asked the Town Board to schedule day and evening hearings on the 1976 Town Budget at last week's Board meeting. Burke announced that his proposal "contains no increase in the General, Highway and Part-Town tax rates."

"After many weeks of meetings with Department heads, we were able to trim spending enough to assure taxpayers that they will not face an increase next year," Burke continued.

Citing both inflated prices and the negotiated costs of salaries and benefits, including a cost-of-living clause which takes effect next year, Burke said that a "no-tax-increase budget has been difficult to achieve."

"Our success in doing so is a result of stringent belt-tightening which will allow to minimize spending while still providing for necessary services," the Town Supervisor continued.

He said that increased costs would require continuation of the job freeze. He noted that because of the hiring restrictions he ordered more than a year ago, approximately 40 full-time positions have been eliminated in the 1976 budget but layoffs will not be required since these are positions that were vacated in the past and were not filled during the freeze.

"Our belt-tightening measures haven't been easy to live with, but I know the absolute importance of keeping spending to a bare minimum. Every department and division has responded admirably," Burke remarked, "in maintaining a high level of performance for the public by

improving their own efficiency. They have been doing the job - even though they have less than the usual complement of personnel or equipment - and will continue to do so because the economic factors that brought on the freeze have hardly changed."

Burke noted that greater use of computers will help some Town offices to keep pace with their work despite the possible loss and non-replacement of personnel. "In some cases the greater use of computers is already helping to save us money in one area so we will be able to maintain or improve a service where costs may have jumped," Burke said. Last week the Town began processing its own payroll as part of its expanded computer capacities and this could mean a savings of up to \$10,000 a year.

The continuation of strict regulation regarding overtime authorization will be ongoing, Burke said, as will the many smaller efficiency improvements that many staff members have devised to help themselves to be more productive.

The 1976 Preliminary Budget which the Board voted on on Tuesday set for public hearing, reflects the same 77.5-cent tax rate per \$100 assessed valuation as this year's rate for the General Town Tax. The total General Town Budget is approximately \$16.3 million or about \$300,000 higher than the current budget. The Highway Budget also maintains the current tax rate of 71.2 cents per \$100 assessed valuation as does the Part-Town (Building, Zoning, Planning and Development) budget maintain the current 9.6 cents per \$100 assessed valuation.

IT WAS AN EVENING TO SHINE: It was a proud night for Hicksville's Joseph Giordano, right, and his wife, Grace, as Mr. Giordano was honored by the Galileo Gallilei Lodge No. 2253, Order Sons of Italy, for his outstanding work for the Lodge as a member and ex-Venerable. On hand with Lodge Venerable Anthony Monteforte, left, is Oyster Bay Town Supervisor John W. Burke who presented Mr. Giordano a Citation on behalf of the Town Board recognizing innumerable contributions Mr. Giordano has made on behalf of his Hicksville neighbors and the residents of New York State.

ANOTHER BEAUTIFICATION ACHIEVEMENT FOR HICKSVILLE: Men who participated in the making of the vest pocket park at Broadway and Herzog Place are shown at the site. From left to right, standing are Mr. Michael McCann, coordinator of the Revitalization Project of the Action Council Central Nassau; Mr. Edward Johnson, member of the Chamber of Commerce Beautification Committee and a Rotarian; and Dr. Walter Dunbar, chairman of the committee. The doers from left to right are Mr. Joseph Daley and Mr. Robert Regenburger, employees of the Council.

Mr. Johnson manager of Parr and Hanson, and a member of the Board of Directors of Evening Extension classes on Horticulture at Farmingdale Aggies, was the prime mover of the project. He designed it, arranged for the purchase and transportation of the shrubbery, and participated in the actual making of the park with the use of his mechanized equipment.

Members of the Hicksville Youth Council did the initial clean-up and were followed by employees of the Revitalization Committee Project who brought the project to fruition.

The Revitalization Committee has served the community well. It has cleaned up several areas, demolished and removed an eyesore shack, and has made several renovations and improvements in the Gregory Museum.

The shrubbery was purchased through contributions on the Chamber of Commerce and Rotary Club. (Photograph by Robert Berkowitz)

Musicians Star In College Opera

Several students from Hicksville who are attending the State University College at Fredonia have won, by their talents and previous training, lead roles in the latest Opera Theatre production at Fredonia. On October 3, 4 and 5, "La Serva Padrona", an opera by Giovanni Pergolesi and Johann Strauss' "Die Fledermaus" were presented in the Arena Theatre at the Michael C. Rockefeller Arts Center at Fredonia. Gene Sicard (1972 graduate) and Doreen L.

Hutchings (1973 graduate) took the starring roles of Pandolfo and Zerlina in "La Serva Padrona."

Ken Shepski (1975 graduate) and Ethelyn Enos (1973 graduate) starred in the Strauss work.

James Bennett (1975 graduate) was a member of the ensemble. Mr. Stephen Goldstein, former Hicksville High School faculty member and conductor of the Hicksville Community Chorus, heard the productions and said that Hicksville should be very proud of its young musicians.

Exchange Students

Senior Ann Weeks of Holy Trinity High School, Hicksville, pursued her education from February to August as a foreign exchange student in Nuevo Casas Grandes, Mexico.

Ann's school, The Secundaria, enabled her to have a similar course schedule as she would have had here at Trinity including Spanish literature. "I first found my classes difficult because of the language barrier," she said, "But after a short time I was able to adapt to this."

As an exchange student, Ann has accepted into her home a foreign student, Alba Maria Patino, Alba Maria, from Buga, Colombia, says that she came here "To learn the different ideas and customs of the United States and to study English."

At Holy Trinity, her courses include creative writing, reading, English and American literature, intermediate algebra, and American history. Alba Maria loves the United States and enjoys school very much. "I love Holy Trinity and the people here have been so helpful and friendly."

Hicksville Soccer Club News

As the fall season approaches its mid point, the Club reflects more than happily on its traveling record.

The PeeWee Red, sponsored by Municipal Beef, demolished Floral Park 5-0, as C. Bentley led the attack with a "hat trick" (3 goals). The score was added to by the goals of R. Youngs and D. Fischer that resulted from the ball handling of L. Mejia and K. McCann. The victory was secured by the efforts of D. Donsky, S. Hertz, R. Humann, R. Markey, G. Skupinsky and D. O'Leary.

Hicksville's Bantam Reds, sponsored by Harris Aluminum, tied Massapequa 1-1. The entire

team rose to the occasion and over the horrendous field conditions to produce a moral victory. J. Rubins at goal proved his mettle as a courageous goalie. D. Smyth drove in the goal on an assist by B. Cresham, L. Sneddon and T. Lewis were outstanding on defense.

The Knights of Columbus, Midget Red, defeated W. Babylon. The defense held up under pressure from a much larger W. Babylon team to help their goalie E. Thompson accomplish his first shut out and hopefully not his last. The final score was 3-0. Goal scoring was accomplished by M. Andrus, on a 25 yard shot from his half back

position and the other scores were produced by D. Barcavage and J. Mitchell from scrambles in front of the net.

The Midget Blue, G O P team, is coming closer to becoming another Hicksville machine in spite of their 6-0 loss to E. Meadow. The wing crosses by P. Rubins & M. Shannon could have resulted in heavy scoring. G. Tyranski, P. Bedell & T. Delenzik on the forward line mounted the attack, with the support of R. Zaretsky at C.H.B.

The defensive skills of Kathy Dolan, S. Stafford & Karen Dolan proved to be more than the equalizer in the 3-2 win over Deer Park in the Girls under 16 Division. Winning goals were scored by P. Decker, K. Kolovich & K. Jung. Mid field activities were dominated by M. Janette C. Eichler, L. Daly, M. Brill & M. Flynn.

At The Town Board

by Gerry Kahn

At 10:30 A.M. the formal Town Board meeting, held on Tuesday, October 14th, was adjourned. The informal meeting that followed likewise was short-lived, requiring only 12 minutes to conclude.

Fifteen items made up the calendar of the day and they were quickly dispatched.

The informal hearing was led off by Mr. Ronald Grimaldi, president of the Civic Association of Bethpage. He read a letter of commendation, addressed to Supervisor Burke, praising the Supervisor and the Board members for their prompt and diligent action on behalf of the public. He indicated that his association was in the process of contacting civic associations throughout the Town of Oyster Bay with the purpose of structuring a council of civic associations. The council could conceivably become a forum for mutual support and common effort. Their efforts would be concerted and they would support legislators who would support their legislation.

In closing, Mr. Grimaldi again commended the Supervisor and the Board for its overwhelming response to the voice of the people.

Phyllis Singer followed. She personally thanked the Supervisor for a delightful 2 hours of entertainment on Sunday Oct. 7th, when she was privileged to listen to the American Band play. She stated that approximately

450 were in attendance and that it was highly gratifying. Mrs. Singer, very active on behalf of handicapped children, was disappointed that she had missed the advertisement as she would have arranged for a large group of children to share in the entertainment.

Carole Fishman, a candidate for councilwoman, was the concluding speaker. She asked Supervisor Burke what the Manpower Program was.

The Supervisor replied that the program has been transformed under 1974 legislation and is now known as the Comprehensive Educational Training Act. The Town of Oyster Bay entered into agreement with other townships in Nassau County and the County is the program administrator.

The program is developed under federal guidelines relative to hiring.

Mrs. Fishman's query was prompted by an unemployed guidance counselor who applied for a position and felt that her interviewer was less qualified for the job than she was.

Mrs. Fishman next suggested that an amendment be made to the Town Ordinance Sect. 11-106, whereby shop owners would be responsible for keeping the sidewalks and/or other public areas in and around their place of business clean of debris. She recommended additional, semi-permanent, trash cans be placed in conspicuous places to relieve the poorly kept public areas.

Caso: Aid NYC

Nassau County Executive Ralph G. Caso has urged President Ford to move immediately to forestall "a fiscal calamity facing every unit of government, every school district and every public authority in the New York region."

"We have a domestic domino effect at work here that has to be stopped for the good of the nation," Caso said in letters to the President, Vice President Rockefeller, Treasury Secretary Simon and Sens. Buckley and Javits.

"As the chief elected official of the largest county bordering New York City, I am finding it in-

creasingly impossible to separate our financial affairs from the problems in the city," Caso said. "The situation is getting out of control and demands federal intervention."

The county executive pointed out that construction of the new Nassau Community College is threatened because the State Dormitory Authority is unable to raise its bonds. He added that since April, interest rates for Nassau bonds have risen nearly a point.

"If New York City is allowed to go down the drain, the whirlpool that would create would drag down our municipalities with it," Caso stated.

Letters To The Editor

Dear Editor,

On Nov. 4th, the citizens of New York State will once again have the opportunity to exercise their right to vote. This is a right taken for granted by so many voters that more than half of them never make it to the polls.

This year may, unfortunately, prove no exception - especially because no Congressmen or Senators are up for election. Yet there are important issues facing the voters.

One of them is passage of the New York State Equal Rights Amendment. On paper, the Amendment seems like a shoe-in. It does something very simple: it establishes the legal equality of women and men. It strikes down discriminatory laws in hiring and wages; provides for equal treatment in regard to insurance benefits and control of property; and extends the protection of the law to men as well as to women where they don't already have it. It will not take away rights already gained.

However, the biggest obstacle to passage of ERA may be voter apathy. As one of the 63 organizations representing men,

women, labor, civic, fraternal and professional groups endorsing the Equal Rights Amendment, we urge all New Yorkers to come out and vote "yes" on Election Day.

Judy Lynn Prince
President, N.Y. City Chapter
American Women in Radio
and Television

To the Editor:

At the general elections on Nov. 4, 1975, there will be a proposition to amend section 11, Article VIII, of the New York State Constitution. Passage of this amendment will allow city school districts to exclude from their constitutional tax limitations the employers' contribution for retirement and social security benefits.

Such exclusions have been permitted by statute since school year 1969-1970. The statutory provision for the exclusions expires at the end of school year 1975-1976.

Without this constitutional amendment, school districts located in cities will lose over

\$100 million in taxing authority. Such a reduction in local property tax revenues will result in drastic cuts in educational programs and services for the children in these school districts.

While this constitutional amendment affects only school districts located in cities, the New York State School Boards Association is urging all school boards and citizens of New York State to vote "yes" on proposed amendment no. 6.

Sincerely yours,
John J. Woods, President,
New York State School
Boards Association

Dear Editor:

I must congratulate the Board of Education on its courageous action in appointing Mrs. Ruth Jacobson to the position of Reading Coordinator.

She was a good reading teacher and I believe the district should continue her services. I do hope that a way can be found for her to serve in Hicksville even without the necessary state certification.

Very truly yours,
James Maloney

'76 Budget Proposal At Local Library

The Part-Town levy. The proposal also contains special district assessments which reflect minor tax increases and decreases in various areas. Some of these districts are operated by locally-elected commissioners who

prepare their own budgets.

The Town Board has set an October 21st day and evening public hearing on the proposed budget which will begin at 10 AM and 8 PM in the Hearing Room in Town Hall.

Nominal fees will be charged for each program.

For further information on the programs available, fees and reservations, contact Lois Manning, CAPA Superintendent, at 922-5800 ext. 245 between 9 AM and 4:45 PM, Monday through Friday.

News From The "Friends"

The Friends of the Hicksville Library would like to extend sincere thanks to all "friends" who so generously donated and purchased books during our recent book sale, thereby making it a resounding success and adding \$500 to our treasury.

Our annual book sale is the high point of our numerous activities, all of which are delineated in an attractive brochure now available at the Library. This brochure launches our ongoing drive for new Friends. We know many of you consider yourselves to be "friends" of the Library. Why not step further? When you are at the Library, pick up our

brochure, see if you are sympathetic with our goals, and join us by contributing a mere \$2.00 a year. (Our next meeting will be on December 2.) Presently, we have 15 "dues paying" Friends, and some 40 interested people on our mailing list. However, our effectiveness can be greatly bolstered with a larger membership. As an added enticement: at our September meeting, we voted to give PREVIEW PRIVILEGES TO PAID-UP FRIENDS at our next book sale.

Incidentally, or not really so incidentally, because one of our major projects is to eventually

Hicksville Fire Report

By Ex-Capt. Owen Magee

VAMP RESPONSE
Hicksville Firemen during the past 3 week period Sept. 23 through October 14 answered 60 alarms. There were 18 false alarms, 21 rescue calls, 21 fire calls. During this period Hicksville Vamps were called out for mutual aid assistance to the Jericho Fire Dept. On Sept. 26 1 engine stood by while Jericho Volunteers battled a house fire. On October 13 at 7:47 PM 1 engine stood by for Jericho as they fought a fire in the Old Maine Maid Inn. The fire caused heavy damage to a portion of the historic Inn.

Neighborhood Visits

Hicksville Firemen will wind up their annual 1975 fund drive with a visit to area residents. As Herald readers know the Hicksville Fire Dept. is all volunteer. Each year funds are needed to carry out various training and Fire prevention programs. It is hoped that as in past years the residents will answer our call. We are always ready to answer yours.

Prevention Week is observed each year to call attention to the dangers of fire. But this writer feels that every week, not just 1 week a year, should be Fire Prevention Week.

With a little common sense, a little thought, the fire houses in Hicksville and other villages could be the dulllest place in town instead of one of the busiest. I ask you to pause and dwell on the following:

- Be careful with smoking and matches.

- Treat your home electrical system with care. Don't overload circuits, repair at once worn or damaged equipment.

- Avoid storage of flammable liquids, and papers.

- Use extreme caution when using flammable liquids. Don't use gasoline to clean. There are many fire-safe cleaners on the market. Also use caution when using tile cement. It can be as volatile as gasoline. Follow directions.

- Be sure your heating system is in tiptop shape. This will not only prevent fire but save you money in fuel costs.

- There are those occasions where a fire will start - no matter how careful you are. Your only safe guard against this type situation is Be Prepared. Home Escape Drills will give you an edge over fire and the purchase and installation of an economical Home Smoke Detector. They are on sale now in many of the local department stores.

- Come to the Annual Fire Prevention-Open House Program Dec. 7, Sunday sponsored by the Hicksville Fire Dept. at Fire Headquarters on E. Marie St.

Assoc. Apology
Hicksville Firemen's hard work at the recent Labor Day Tournament were somewhat damaged when equipment failure on the part of the drill team Capt.-Assoc. sparked a dispute which ended the tournament before all the events were run.

In a letter to the Hicksville Fire Dept. the Drill Team Captain's Assoc. apologized for the equipment failure and dispute which ended the popular Labor Day event. They stated in no way did the Hicksville Fire Dept. contribute to the problems that arose and that the Tournament and the Drill site were excellent.

Invites Artisans

Artists and craftsmen are invited to exhibit their works in the Town of Oyster Bay during 1976 as part of the Cultural and Performing Arts (CAPA) Division's rotational exhibits program.

Registration forms are now available to artisans wishing to commit an exhibit of their works to a one-year tour of Town libraries and banks. All types of art and crafts will be considered, especially Bicentennial-related displays.

Artists will be responsible for the safety of their exhibits in transit and will set up and dismantle their displays. Displays will be at a given location for one month at a time. The sale of works will be permitted with the understanding that if a piece is sold, the artist will replace it with another.

To obtain a registration form and further information on the rotational exhibit program, contact Lois Manning, CAPA Superintendent, at 322-5800 ext. 245 between 9 AM and 4:45 PM Monday through Friday.

Christine Reed of HICKSVILLE has been presented with a \$500 nursing scholarship from Mrs. Nicholas Healy of Nassau Hospital's Women's Auxiliary during the hospital's recent annual Candy Stripper and Junior Male Volunteer Awards Day.

Miss Reed was presented one of five scholarships donated by the auxiliary and was also among 13 young Hicksville residents to receive various service awards.

The others were Carol Deacy, Karen Gaffafer, Susan Malezewski, Kathy Nalepa, Anne Stenborg, Eileen Gill, Denise Drummond, Mary Walkowski, Rosemarie Courad, Wendy Grossjung, Lisa Bartkus, and Barbara Shea.

Welcome home to Mr. and Mrs. Sal Gianfortone, of Burns Ave., HICKSVILLE, and Mr. and Mrs. Joseph Nappi of Redwood Dr., PLAINVIEW who have recently returned home from a week's vacation cruise to the tropical Bahamas aboard the "S.S. Oceanic."

Congratulations to Ernest C. Morrissey of Sylvia Rd., PLAINVIEW who recently received his Service Award pin for 20 years service in the Highways and General Engineering Division of the Nassau County Department of Public Works.

Peter DeRose of HICKSVILLE, was recently named Employee of the Month at Nassau Hospital, Mineola. He was selected for this honor by a committee of his fellow employees for his dedication, and friendly and helpful manner while on the job. Recently, he instituted a system of hand carrying mail between the hospital and a large professional building nearby, where many physicians on staff at Nassau have their offices. The move saved the hospital hundreds of dollars. Mr. DeRose received a certificate and a U.S. Savings Bond.

Congratulations to Francis I. Griffin, of Acre Lane, HICKSVILLE, who was recently presented with a twenty year service pin at a ceremony held in the chambers of Hon. William J. Dempsey, Administrative Judge of the Family Court.

Midget Division:

St. Ignatius 5
St. Aloysius 0

The St. Ignatius Midgets lead by the scoring off J. Rogers 2 goals and P. Cullen 3 goals and a great defense by the team once again led the St. Ignatius team to a great victory. This win gave the Midgets team a 4 and 0 record in their division. The Midgets play every Saturday at Eisenhower Park field No. 1.

Junior Division:

St. Ignatius 3
St. Aloysius 0
(Great Neck) 6

After losing last week the St. Ignatius Juniors bounced back to their winning ways. Behind the scoring of J. Bergin assisted by L. Carlson and 2 goals by R. Spiers assisted by L. Carlson and R. Hoffman beat the St. Aloysius team. Also helping in the victory was D. Clark who had 5 saves on

goal. Helping Clark to preserve his shutout was Fullback J. Weber who block a sure shot on goal. Also helping the St. Ignatius team to victory even though they don't kick the ball are the St. Ignatius cheerleaders who with their constant sideline cheering inspired the team. The Juniors next game will be played next Sunday starting time 10:15 a.m. at Marydale. They will play against the Holy Spirit team from New Hyde Park.

Intermediate Division:

St. Ignatius 4
St. Marys (Roslyn) 0

On a very windy day the St. Ignatius intermediate team played against a good team from St. Marys. The game was very important to the St. Ignatius team as it was a game for first place in their division. Although the St. Ignatius team had to play the first half with the wind

against them it did not stop the St. Ignatius team. The team scored 3 goals in the first half and 1 goal in the second half. Scoring for the St. Ignatius team was J. Kerti 3 goals and K. Bungert 1 goal. Also helping in the cause to victory was the great defense by the team. Also outstanding for team was fullback J. Salata. Although it was a chilly and windy day it did not stop the St. Ignatius cheerleaders from being out there and cheering their favorite team to victory. The cheerleaders only wish that there were more fans out to help them cheer the team on to victory. The win gave the St. Ignatius team a 4 and 0 record and also 1st place in their division. Their next game will be next Sunday 12:45 p.m. at Marydale (Melville) against St. Aloysius (Great Neck).

4-H'ers Stretch Clothing Dollar

In times of inflation-recession one item in the budget that can be reduced is clothing, says Mildred A. Crawford, assistant professor of textiles and clothing at Colorado State University. Clothing costs can be cut by home sewing (which saves about two-thirds the price of ready-to-wear) and by recycling clothes already in the wardrobe. She suggests converting out-of-fashion slacks to long skirts, or adding braid and colorful belts to last season's dresses.

Assembling and maintaining an attractive wardrobe are goals of 719,000 young persons from 9 to 19 in the national 4-H clothing program, sponsored for the 35th year by Coats & Clark Inc. and conducted by the Cooperative Extension Service. Whether they sew, buy or recycle, 4-H members learn by doing how to plan a wardrobe, make informed consumer choices and care for garments. Program members also keep up to date on the latest fabrics, products and equipment on the clothing scene.

4-H'ers express individual tastes and life-styles through their apparel. More and more girls-and boys-are mastering the basics of home sewing not simply to economize but to fulfill their creative urge for personalized clothing and accessories. Using step-by-step instructions provided by Coats & Clark, they also learn to knit and crochet fashionable shrinks, pullovers and cardigan sweaters. For outstanding achievement in 4-H clothing projects, Coats & Clark offers \$800 college scholarships to six national winners, an expense-paid trip to the 54th National 4-H Congress, Nov. 30-Dec. 4 in Chicago, to one winner from each state, and up to four medals of honor per county. All winners are selected by the Extension Service on the basis of their records of accomplishment. Awards are arranged and announced by the National 4-H Service Committee.

Additional information on this and other 4-H programs is available from county extension agents.

William M. Gouse,
Jr. Post No. 3211
By Lou Palladino

Before telling about the goings on of our last meeting we must bring to your attention the successful affair for one of our favorite girls, Rita Aug. It was the Jr. past Presidents of Nassau County dinner. The party was a sellout, a great tribute for a grand lady. She received so many accolades and gifts it, was beautiful. Our own Cmdr. Joe Normandy presented her with a beautiful gift on behalf of the Post. The president of County Aux. Betty May Provost gave the Aux gift that opened Rita's eyes. It looked like a green flower plant, it was flowers alright, but the green was all money. Whenever somebody steps down nice things are always said. In this case we feel she deserved every bit of it. It is possible we may be prejudice but only a little bit. Another of our girls chaired the comm. Joan Chivalis did a beautiful job. It couldn't have been planned any better. Joan, at the mike, spoke loud and clear. Joan will also be the next County President.

Now back to our business of the meeting. The poker and black jack night turned our very well. We were all pleased with the results. Frank Lotti wasn't

feeling well so Bill Moran made the report. We must not forget Augie Barone, he was Co-chairman and was so busy as a one arm paper hanger. It is our opinion, Frank Lotti, Augie Barone and Comm. should take a bow. Also to our Cmdr. Joe Normandy for little hints and giving them the go ahead.

Okay, now we tell you about two more new members becoming part of us. There was Henry Ruhs, and oldwar horse of WWII and Bill Fritz a tiger of Vietnam conflict. Welcome to our Post. Glad to have you as one of us.

Tape recorder was again used to read the minutes. Hey Pete, it sounded like the tape had a cold this time.

Vinnie Edwards reported the 76 flags were sold out again and more were ordered. If you want any flags you have to let Vinnie know so he can set them aside for you. We never seem to get enough.

We have new jobs outside the Post for our members. Mike Znach has two comms in District 1, he is chairing Americanism and Loyalty day; Carmine Suma, Life Membership chairman; Ed Chivalis has Registrations; and Joe Adesso was recommended

and approved as National VFW deputy chief of staff. How's that for recognition?

All the new members entering our Post since Joe Normandy took over as Cmdr. will receive letter. All those able to attend the Oct. 27th meeting will be sworn in with a little party to be held. It will be an open meeting and guests will be permitted. This is by no means first. Some organizations have been doing it for years, but it will be a first for us. We will also have the ritual team from Queens performing. That alone makes it worth while seeing. It will turnout to be a very pleasant evening.

By the time you see this Joe Normandy will already have been on cable TV on channel 12. With him will be two VIPs in the VFW. Bill Ward in Dept. and John Ray in National. Don't forget, Joe, give us your photogenic side and smile nice for everybody.

The heart felt sympathies of our entire Post go to Vinnie Esposito on the terrible loss of his wife, Vinnie, as you may know, is the immediate past County Commander.

Chick Masone is under the weather with oral surgery. Come one Buddy, get well before anybody sees this.

As for Artie Puelling on bingo all he says is HELP. HELP.

Lucky winner at the last meeting was George Walden.

SOCCER AT ITS BEST: With soccer teams representing two counties and three leagues, it took over a month of play before the winner of the Hicksville American Soccer League-sponsored Second Annual John W. Burke Invitational Tournament was handed the first-place trophy. This year's Tournament was won by the Hicksville Bantams, coached by Bill Crishan, left, and under the sponsorship of Harris Aluminum. Here, accepting the trophy from Oyster Bay Town Supervisor John W. Burke, is Bantam representative, Frank Schnuer.

Elect Officers

The National Honor Society at Holy Trinity High School, Hicksville, recently held its first general meeting of the school year. Ideas for the year's activities were developed by the officers along with Moderator, Sister John Rose.

The officers are President-Jay Kenny; Vice President-Joanne

McKeown; Secretary- Chris Willant; Treasurer-Tom Zenker; and members of the Executive Board- Maureen Morrow and Danny Greene.

Major events planned include a rummage sale, bazaar, homecoming float, and the induction ceremony.
