HCBE Meeting

On Monday evening November 24th the H. C. B. E. Hicksville Citizens for Better Education will hold its first meeting of the year. Guest speaker for the evening will be Dr. Manus Clancy, Hicksville's Director of Curriculum and Instruction. He will answer such questions as: What programs are federally funded? How does Hicksville get these programs? What responsibilities does District 17 have in accepting these funds? What are

the pluses and minuses of the federally funded programs?

Also on the agenda will be the selection of three members from the general membership to serve on the nominating committee for selection of candidates for H. C. B. E. offices for the coming year.

"We look forward to seeing all interested townspeople on November 24th at 8:30 at the Hicksville Public Library, said an HCBE spokesman.

Lent To Visit Hicksville RR Station

Congressman Norman F. Lent will be on hand at the Hicksville Railroad Station Monday morning, November 24th, from 6:30 to 8:30 A.M. to solicit opinions of commuters on the issues of the day. "In order to properly represent the people of the 4th Congressional District," Lent said, "I must keep in touch with them and actively seek out their opinions. Getting out on the railroad platform is just one way of finding out what people are thinking so I can better present

them in Washington."

Lent is using the upcoming Thanksgiving Congressional recess to get around his district and meet with constituents. In addition to the stop at the Hicksville Railroad Station on Monday, he has also scheduled a Community Congressional Forum, appearances at several area schools, and many meetings with individual constituents and with groups throughout the 4th Congressional District.

School Board Meeting

The Hicksville Board of Education will hold a public meeting on Tuesday, November 25, at 8:15 P.M. in the Conference Room of the Administration Building. The public is invited to attend.

To Hold Exhibit

Mrs. Edna Edlestein of Edgewood Drive, Hicksville, a medical biology graduate student at C.W. Post College, will be having a two-day exhibit of her candle art, including a demon-

stration of the art of candle making at C.W. Post in Hillwood Commons, between the hours of 9 a.m. and 5 p.m. on both Monday and Tuesday, Nov. 24 and 25th. Everyone is invited.

Hicksville Lions Club members Irwin Goldman (l) and Cliff Freitag are shown above performing their Annual Service of putting up American Flags along Broadway on Veterans Day.

They were assisted by camera shy members Larry McCaffrey and Wes Villazon.

FUTURE ARTISTS, OR FIRE PERSONNEL?: It was a proud day for Fork Lane Elementary School students Norma Sienkiewicz and John Burdewick as they accepted from Oyster Bay Town Councilman Warren M. Doolittle (second from left) their first-place trophies for the winning posters they prepared for the Fire Prevention Poster Contest sponsored by the Hicksville Fire Department. Part of Norma's and John's activities that day included a grand tour of the Fire Company, led by Chief Mario Misturini, left, and James Huttie, this year's Poster Contest Chairman.

Christmas At Mid Island Plaza

An active and varied calendar of events has been scheduled at the Mid Island Plaza in Hicksville, according to Gene Mendelson, Manager of the Mid Island Plaza's Gertz store and President of the Mid Island Plaza Merchants Association. The official opening of the Christmas season at Mid Island Plaza will take place at 9:00 a.m., Friday, November 28, when a helicopter bearing Santa Claus, Captain America and Spider Man will arrive in the southeast parking field of the Hicksville enclosed-mall regional shopping center.

Santa will stay at the mall until Christmas eve, having his photo taken with children. The Marvel Comic Heroes will be at Mid Island Plaza all day that Friday, as well as Saturday, November 29. They will be giving away free Spider

Man pins, candy canes and will sign autographs.

The Long Island Mimmers String Band will present four free Christmas concerts at Mid Island Plaza during the holiday season. The concerts will take place starting at 7:30 p.m., Friday, December 5 and Friday, December 12 and at 3:00 p.m., Saturday, December 6 and Saturday, December 13.

The choir of Trinity Lutheran Church in Hicksville will present a program of Christmas carols on Thursday, December 18 from 7:00 p.m. to 9:00 p.m., under the direction of Charles Boehm, choirmaster.

Hordes of school children, Brownies and Girl Scouts will descend on Mid Island Plaza starting November 28 for the traditional annual Christmas

Tree Decorating Contest. Once decorated, the trees will be incorporated into the mall's Christmas decorations and will be suspended from columns within the shopping center. Judging of the trees will take place December 19. The judges will be Oyster Bay's Supervisor John W. Burke, Councilman Warren Doolittle, and Gardiner Gregory of The Gregory Museum.

The Petting Zoo, Moonwalk and kiddie rides, known as Groovy Cars, will be part of the mall's festive atmosphere up until the day before Christmas and a Computer Photo Operation will also be on hand. A television camera will transmit the picture of the subject which will then immediately be reproduced by a computer printout which will yield an 11" x 12" portrait.

Named To Head Drive

Arthur J. Pettorino has accepted appointment as Hicksville Chairman for the 1975 Fall Campaign of the United Way of Nassau-Suffolk.

Pettorino, an architect, is an associate professor for Architecture at the New York Institute of Technology in Old Westbury. He is active with several professional architect and the Rotary Club of Hicksville.

Pettorino lives in Syosset with his wife, Catherine, and their three children.

"I am looking forward to a great response from the hamlet of Hicksville," Mr. Pettorino said. "I want Hicksville to demonstrate to other Long Island communities just how much can be done for our United Way when all sectors of the community pull together."

Faculty Volleyball

The Hicksville Council of PTA Unites presents a Faculty Volleyball Game, to be held on Friday, Nov. 21 at 8 p.m. at the Hicksville High School Boys' Gym.

The following is an up-dated list of the "volunteer" players: Elementary School Team, Burns Ave., Frank Burke; East St., Bob Hilsky; Lee Ave., Ruth Schiavetta; Gail Ash, Jeanne Reilly, Pat Foley, Henry Ziellin, Steve Darienzo, and Joe Mangrane; Old Country Rd., Merri Rojas, Murray Duncan, Norman Ward, and Marty Cohen; Willet Ave., Bridget Herzlinger, Nancy Stewart, Dick Leuci; Woodland Ave., Betty Way, Don Skupinsky.

Secondary School Team: Jr. High, Howard Schack, Rick

Greenfield, Vicki Vrona, Gary Schwartz, Bill Feigin, Joe Giambalva, Farook Hormozi, Phil Bova, Pete Dizinno, and Linda Shield; High School, Joe Ryan, Gene Lovette, Sharon Moulton, Nancy James, Mary Sue Hanks, Arlene Resnick, Bill Meyer and Nancy De Sorbo.

Many thanks go to the team coordinators, Barbara Feurstein and Nick Monfede for all their help. Donation is one dollar for the Scholarship Fund and refreshments will be sold. Tickets will be sold at the door before game time. Since proceeds will be going to the Scholarship Fund for the Lee Dell Hughes Memorial, no discount can be given to G. O. card holders. "Come and see your faculty in a different light," commented a PTA spokesman.

Hicksville Soccer Club News

As autumn rounds the far turn and heads down the home stretch, so does the Fall Soccer Season. In the Intramurals, with only two weeks left in the season, every team is trying to improve or maintain their records for the final tally. Pee Wee Division:

Maryland was blanked by Island Trees 5-0. The Maryland defensive unit of J. Rivers, A. Freeman & J. Petzold could not contain the constant drive by their opposition. R. Christiano, trying hard at center, was frustrated by a strong Island Trees defense.

A scoreless first half was broken open in the second period in a game that saw Delaware take a 3-1 win over Connecticut. Backs Sonki, York & DeMeo helped lessen the pressure on Delaware goalie Ayres, who had a number of excellent saves. Scoring by Borg & Blaustein was assisted by Pilutik. For Connecticut, Pisani and Sirey combined for the single goal. The covering on defense was from Shantley, Sullivan, Well & the Antchi brothers. J. Dorothy at wing remained a striking threat all game.

Georgia suffered a 5-0 defeat by another Island Trees team. Joe Mark Anthony, Tom Boccafola & D. Lincoln were persistent in the handling of their positions during the entire game.

In another game, both teams came away from a 1-1 tie with a certain level of satisfaction, particularly in the defensive units. So, Massachusetts was, in the work of P. Massiello, M. Meyer, C. Freyvesen & A. Rubin against another strong Island Trees team. Massachusetts score came from the foot of I. Pescovitz, with an assist by F. Brown.

Well matched Bantam teams

produced a pair of 2-2 ties, as N. Hampshire met New York and Pennsylvania met Island Trees. N. Hampshire scores were by C. Caputo and G. Grusso with defense by J. Wagner, goalie, backs P. Petzold, F. Freyvesen & D. Schettino. Scores for N. York were by J. Laurinstein & K. Kuyler with defense by H. Nowak, goalie, & backs D. Holland & M. Madaras while L. Rubin pressed from the center.

Pennsylvania tied Island Trees with scores by K. Lettel & M. Masters. Defense was handled by H. Khan, P. Putnam & L. Agius with pressure up front by J. Slezak.

In spite of a strong game, California dropped a 3-1 decision to Island Trees. P. Magro, I. Zaretsky, A. Greenberg & B. Miller pressured so that S. Hughes could score.

N. Jersey took N. Carolina on goals by M. Lagnese (2) & F. Christiano (1). Defensive assignments were handled capably by S. Geerdtis at goal and backs while J. Baggett led the defense. Line pressure was maintained by F. Bassilino, G. Condron & H. Mertz.

In the Girls Junior Division, the Mississippi Magnolias rolled over Island Trees 2-0 on scores by K. Conway & A. Baggett while goalie T. Frattini, assisted by full back L. Heller, led the Mississippi defense.

The Ohio Carnations fared less well at the hands of the E.M. Arapahoes, losing 4-1. In spite of the excellent play of defense persons L. Finkelman, K. Smyth and goalie L. Humann, the only score was managed by D. Taylor.

The Tennessee Irises suffered a similar fate from the E.M. Seminoles, bowing 2-0 despite the efforts of D. Luongo, S. Stefan & M. Stefan, who handled goal and

also a front line position.

The W. Virginia Rhododendrons brightened the day with a 5-0 victory over the E.M. Sioux. D. Harkins with 3 goals and P. Kenny with 2 accounted for the scoring as B. Condron, A. Horowitz, M. Nelo and K. Cusick at goal helped maintain the shut out from their defensive positions.

In the Girls Senior Division, the Alabama Camellias and the Florida Orange Blossoms lost to their respective E. Meadow opponents by the same 4-0 scores. Florida's goalie, C. Lagnese and backs J. Baggett, & D. Newlands were outstanding as were Alabama's goalie C. Verhagen & defensive teammates.

Midget teams had an exciting weekend. Alabama held Kentucky scoreless as they pushed in 2 scores from M. Meyers & F. Grusso. Noticeable effort by goalie K. Cleary & teammates E. Milacek, C. Rubins, D. Fischer, T. Megg, & D. Wells were responsible for the win. Even the combined energy of Kentucky's M. Lozito, R. Edwins, C. Couteller & R. Spiers could not penetrate the strong Alabama defense.

A "hat trick" (3 goals) by D. Bell, with a single by J. Harkins produced a 4-1 win by R. Island over Virginia. Teamwork by K. Busch, J. Panchookian, R. Mahoney, M. Lancer & J. Slezak dominated the play for R.I. Virginia; C. Nowak scored as a result of driving play by J. Mejia and J. Weber.

In the Boys Division, Vermont & County Sports played to a 2-2 tie that was maintained for Vermont by the goalie J. Holmes. Elsewhere in the Division, the Legionaires blanked Oregon 3-0 and the Cosmos took Montana 1-0.

THE BOUNTIFUL FALL HARVEST at the Old Bethpage village restoration is preserved and dried for the long winter months ahead and also used in the Thanksgiving feast preparations at the 1850 Powell Farm kitchen.

At Old Bethpage Village

Preparation of "Fall Foodstuffs," including an 1850-style Thanksgiving feast, will highlight the weekend of November 22 and 23 at the Old Bethpage village restoration, a working farm community of the 19th century operated by the Nassau County Department of Recreation and Parks.

With the exception of the clams, all the culinary treats of the holiday meal are grown at the community and cooked in the manner of the period. Delectable aromas will emanate from three houses at the village where the cooking chores are spread out over the two-day period.

On Saturday, baked ham will roast in the cast iron stove oven over a wood fire at the Layton House while the ladies, in costumes of the period, make cranberry and apple sauce. On Sunday, the flurry of activity at the Layton kitchen will center on plum pudding, cole slaw and roast chine (pork loin roast).

Over at the Ritch house on Saturday, clam chowder will be assembled the nineteenth century way, in layers more like a pie than a soup, and on Sunday, the vegetables will be cooked.

The beehive brick oven at the Powell Farm will produce rolls, bread, pumpkin and apple pies on Saturday, and the farm's reflector oven is ideal for a magnificent roast goose, which will be the cooking project on Sunday.

Performances by the Old Bethpage Village Brass Band and the Old Bethpage Singers will add to the holiday mood on Sunday. The uniformed Brass Band will play at intervals throughout the afternoon, the choir will sing in the Manetto Hill Church at 2 and 3 p.m. and organ music will again ring out in the Layton House parlor. All music will be of 1850 vintage or earlier.

The Thanksgiving feast, a celebration of the harvest, dates

back to 1619 in America. Prior to 1863, when Lincoln set the holiday for the northern states on the last Thursday in November after the Battle of Gettysburg, the Thanksgiving date was set locally. The feast was always held on Thursday by tradition, as in 1830 in New York State when Lieutenant-Governor

"Throop" set apart Thursday, the ninth day of December next, and recommend its observance throughout the state in religious exercises and Thanksgiving to Almighty God...for having given us fruitful and healthful seasons to the comfort and nourishment of our bodies."

Though the date of celebration was not uniform through the states, the custom of the gathering of the clan (extended family) around a "gleaning board" laden with more than one could eat was typical of the American Thanksgiving. Roast pig or ham and turkey or goose might be the main course with sweet potatoes, creamed onions, stewed beets, cranberry sauce and dressing alongside. Pumpkin pie was a must although the feast would have still another dessert, perhaps mince pie or plum pudding. The essential pumpkin pie was often decorated with "Thanksgiving" spelled out in doughstrips.

Along with the special holiday preparations at Old Bethpage on the Fall Foodstuffs Weekend the routine work of a pre-Civil War rural community on Long Island goes on with the domestic animals being cared for, the blacksmith working at his forge and the cobbler at his bench.

Located on Round Swamp Road, south of exit 48 on the Long Island Expressway, the restoration is open on weekends from 10 a.m. to 4 p.m. Nassau residents pay \$1.75 for adults and \$1.25 for children; non-resident adults, \$2.25; children under 18, \$1.50.

Named To Landmarks Commission

The Oyster Bay Town Board this week re-appointed two members of the Town's Landmarks Preservation Commission, it was announced by Town Councilman Howard T. Hogan, Jr.

Re-appointed were John Collins of Laurel Cove Road, Oyster Bay, and Gustave Rappold, of 28 Beech Road, Massapequa. Both are original members of the Commission, which was established in 1974. Their current terms expire in November, 1978. Councilman Hogan stated that

the Commission was established as part of the Town's Landmarks Preservation Ordinance which provides for the preservation of sites and structures that have historical, architectural or antiquarian significance.

Other members of the Commission, all of whom serve without compensation, are: Robert B. MacKay of Oyster Bay, Chairman; Frederick Bentel, Dorothy Horton McGee and Hon. George B. Pidot, all of Locust Valley; and, John G. Harbour of Massapequa Park.

The Town Board Meeting

by Gerry Kahn

Supervisor Burke led the assemblage in the Pledge of Allegiance, formally opening the Town Board Meeting held Tuesday, November 18th.

Thirty items filled the docket. The first four were Hearings that required 2 hours to complete and the balance resolutions that were successively dispatched within a little less than 30 minutes.

Item No. 1 on the agenda was a Hearing on the Petition of Rangre Amusement Corp. for a special use permit to operate and maintain an amusement arcade to include pin ball machines, a pool table and mechanically operated electric games on the S S Sunrise Highway (Ye Olde Village Shopping Center) in Massapequa. The petitioner, Mr. Anchel Stolzberg, was represented by Council, Mr. Feinbloom, who more than adequately presented the facts of the petition before the board. The purpose of the special use permit was to supplement the mini-mall operation now in existence.

The Board questioned Council and Petitioner on hours of operation, parking facilities, ingress and egress, security guards, number of employees, lease conditional on granting, traffic surveys etc. Phyllis Singer spoke out in opposition to the granting. A letter from Nassau Shores Civic Assoc. indicated opposition to the petition as well.

The 2nd item was a Hearing on the Petition of Two Manetto Hill Corp. for a special use to conduct a restaurant business within a Bus F District at Plainview (W S Plainview Rd. N/O Old

Country Rd.) The Petitioners, a Mr. David Itzkowitz and Warren Haymer were represented by Council, Mr. John M. McCaddin.

The board queried the petitioner on parking, garbage disposal, hours of operation, employees, experience background, requirement in the area etc. The petitioners' mothers, Shirley Itzkowitz and Thelma Haymer spoke on behalf of their boys. They were followed by a Linda Glickman, who voiced an opinion in favor of the petition.

Carol Fishman spoke against the Petition claiming there were too many similar eateries in the neighborhood and that the proximity to the Jr. and Sr. High School would create hazardous problems similar to one that currently exists a block away At junctum the school children dash across Old Country Rd. to get to the fast food location before their buddies.

Thomas Warsel, a Syosset H.S. student, visiting the Board with a class group, commented that there are numerous fast food dispensers in proximity to Syosset H.S. and there have been few if any problems with the school kids dashing off to get their lunch at the bell. In addition, he stated, the entire economy is based on free enterprise and competition is a stimulant to business. His comments met with a well deserved round of applause from the assemblage.

The Hearing on the Petition for requested changes in the existing franchise for Cable T.V. was

withdrawn until a later date.

The final hearing of the day to consider proposed amendments to the Code of Ordinances relative to the Electrical and Plumbing license renewals met no opposition and the Hearing was closed and decision reserved.

The balance of the agenda, composing 25 resolutions, was quickly dealt with and the formal meeting concluded at 1:00 p.m. Included among the several speakers who addressed the board during the informal meeting that followed were Carol Fishman, Shirley Lang, Phyllis Singer and Judy Jacobs.

Mrs. Jacobs requested the Board consider the installation of an indicating sign on the approach route from Sunnyside Blvd. to Woodbury Rd. where it intersects Froehlich Blvd., thus permitting vehicles access to a left hand turn onto Woodbury Rd. at the Froehlich Blvd. Woodbury Rd. intersection. In addition Mrs. Jacobs suggested the possibility of a traffic light at Picquets Lane and Woodbury Rd. a highly congested intersection at peak hours.

She presented the condition of the overgrowth of vegetation at the corner of Picquets and Kristy Lanes, screening out the street entrance to someone unfamiliar with it.

Shirley Lane suggested to the Board that the addition of a left lane turn indicator at Woodbury Rd. and Manetto Hill Rd. might alleviate the traffic congestion at that point.

At The Board Of Supervisors Meeting

by Marcia Yeates

The Nassau Board of Supervisors encountered a pleasant change of pace at their Monday meeting. The meeting room was filled with spectators, usually an indication that problems or grievances will be aired.

Instead, at the conclusion of the Board's regular agenda, Sadie Scott, Chairman of the Board of Directors of the Five Towns Community Center, rose to thank the Board for its assistance and leadership in making the new center a reality.

She called on spokesmen from the various agencies at the center to express their thanks. Leaders from the Youth Center, the Senior Center, Child Development Center and Aid to the Foreign Born expressed their gratitude for the Board's efforts.

County Executive Ralph G. Caso warmly commended the speakers for their plaudits, stating "It is we who must thank you for all your efforts--this is a

real example of partnership government."

About 100 persons had come to the Board meeting as an expression of their feelings toward the newly-dedicated community center.

A group of Franklin Square residents, concerned about hazardous traffic conditions on neighborhood streets used by children going to and from school, urged the Board to expedite the installation of Stop signs in the vicinity of Courthouse Rd. and New Hyde Park Rd.

Spokesmen for the residents, Mr. T. McGuinness and Mrs. Mandell, described the dangers to children and other pedestrians from cars and trucks who use the side streets for a cut-through. No stop signs are in use at present. The County Executive arranged for the group to meet with Traffic Dept. officials to discuss the situation.

Turkey Trot

By popular demand, two more age categories have been added to the annual Cross County Turkey Trot, set for Eisenhower Park on Sunday, Nov. 23, starting at 1 p.m. Men, 40 and over will compete over a three mile course and women, 40 and over, two miles. The event is co-sponsored by the Nassau County Department of Recreation and Parks and Zorn's Poultry Farms.

Dear Friends...

THE HICKSVILLE COMMUNITY COUNCIL which is comprised of representatives of the major organizations in town, is planning a very special program for Thursday, Dec. 4th. Our new Postmaster, Mr. Muriello will be present, with the latest news on Christmas mailing, rate hikes, and other interesting information about our Postal Services, and there will also be a theatrical presentation by the Holy Family Players, in honor of our coming holiday season. More details about this next week. But we'd suggest that you put this meeting down on your agenda...it's one you won't want to miss.

And speaking of our next issue, due to the Thanksgiving holiday, all deadlines must be advanced 24 hours. So, please remember that Tuesday at noon, will be the news copy deadline for the coming week.

A suit has been filed with the State Dept. of Education against School District 17 by a food service operation firm. They state that, while they were the lowest bidder by a large amount, they did not receive this bid. It went to the next lowest bidder. The story from reliable sources states that the amount which this lowest bidder offered to return to the School District, was predicated upon a completely unrealistic amount of business which they expected to do. Therefore the bid was given to the second lowest bidder who is presently servicing the district in the secondary schools cafeterias. Their bid being based on a more realistic amount and was actually considered to be the most responsible. In any case, monies will be returned to the district, not paid out as in the past. The cafeteria was the one proposition voted down by Hicksville school district voters earlier this year.

THAT'S ALL for this week. Stay well, and enjoy this beautiful Fall weather.

HAVE A HAPPY THANKSGIVING!

cellent pair of goalies, R. Markey & G. Skupinski, ably assisted in the backfield by A. Brill & D. Fisher.

Not to be overlooked in final results - Wagner's Pee Wee Blue - scored a 6-2 season record. Their only losses were to their Hicksville Pee Wee counterparts. These beginners in the "Wonderful World of Soccer" illustrated excellent team play and coordinated effort, thanks to the excellent coaching of Joe Neto and John Harris. Keep up the good work.

The Hicksville Kiwanian Juniors lost their seasons opener to Glen Cove 2-1. This high quality game was sparked by Hicksville's All-County star Tom Denien and honors recipient Andy Garger who played against fellow All Stars Heltchick and Krause.

Announcements: The Club is particularly proud of its members who were selected for All

Star honors - P. Gramaglia & T. Denien. Congratulations from the club.

The General Meeting on Dec. 5 will meet at the Mid Island Bowl instead of the Library.

Our GOP sponsored Midget Blue team, under the direction of T. Camara, will be travelling to Bowie, Maryland, to participate in a Tournament, over the Thanksgiving holiday. Good luck boys - We know you will do well.

Be sure to attend the Harris Aluminum Bantam Red Games in Catiague Park and cheer them on to the victory. The games will be held Friday Nov. 21 and Tues., Nov. 25 at 7:30 P.M. These games are vital to their final standings.

To The Editor:

You may have noticed a new type of Town vehicle on the road this past week. The vehicle, a pushcart, is one of four such units obtained for a pilot project for street cleaning in the business districts in the Oyster Bay, Massapequa, Syosset and Hicksville communities.

This is one of the several special programs being undertaken by the Town utilizing temporary employees obtained under the Federal Comprehensive Employment and Training Act (CETA). As of October 24, the Town has provided the placement of an additional 125 unemployed Town residents in various municipal departments through

the CETA program, which is designed to provide gainful employment until the job market stabilizes.

The Town derives an additional benefit in that needed projects, shelved or postponed because of budgetary restrictions, can now be carried out at no additional direct cost to the taxpayer.

The projects are as varied as the talents of the CETA employees. In the Comptroller's office, three CETA computer technicians are exploring new programs for the Town's computer. Other CETA people are involved in research projects for the Department of Planning and Development. A detailed inventory of the many historic

graveyards scattered throughout the Town is being conducted for the Town's Bicentennial Commission.

A Townwide beautification program, which includes the four pushcart operations, is utilizing "flying squads" of laborers for various clean-up projects.

The CETA program is currently funded through June 30, 1976. It is hoped that federal funding will be available to enable us to continue this program that is proving to be beneficial to both the Town and a number of its unemployed residents.

College Calls On Public For Educational Ideas

College, Garden City, N. Y. 11530.

These ideas will be evaluated by the Committee on New Educational Patterns, which is part of the over-all study program encompassing the whole spectrum of community college activity.

Prof. Fernandez, who is coordinating the over-all activity, explained that the study has been undertaken in preparation for a visit by a Middle States re-accreditation team next year.

In addition to ideas on

programs and educational techniques, Prof. Fernandez went on, the Education Patterns Committee wants suggestions on how the college can be more effective in carrying out its present program.

"The entire college is involved in this in-depth study," he said, "and we wish to extend the involvement to county residents because we feel this will surely help the college and in a larger sense the community."

County Winter Specials

Winter "specials" offered by the Nassau County Department of Recreation and Parks will follow right on the heels of Thanksgiving.

Beginning Friday, Nov. 28, Santa's Mailboxes will make their annual appearance at all major County parks, and youngsters from five through 10 can start dropping off their letters daily from 9 a.m. to 5 p.m., right up to Christmas Eve, Wednesday, Dec. 24. What's more, youngsters will receive answers from Santa "himself," courtesy of the Recreation Department, and the only requirement is that their names and addresses be legible.

Sledding at all parks starts Monday, Dec. 1, with the cooperation of Jack Frost. Individual parks should be called regarding snow conditions.

Also, during the first snowfall, Sledding and Snowman-Building Contests are scheduled at Roosevelt and Hempstead Harbor Beach Parks.

At Roosevelt, children will race within two age groups, 9-11 and 12-15, Monday through Sunday, from 9 a.m. to 5 p.m., with registration for each age group to take place in the park office.

Hempstead Harbor sledding winners will be judged on distance travelled. Registration

within age groups from 4-7 and 8-11 is three days prior to the event. Competition will run seven days a week, from 2 to 5 p.m.

For the Snowman Contest at Roosevelt Park, registration is open to children ages 9-15 at the park office during the first snow, and the building will continue from 9 a.m. to 5 p.m.

The Hempstead Harbor Snowman Contest will be held on the first day of snow, from 9 a.m. to 3 p.m., and is open to all age groups. Judging will be in two categories, one for the largest snowman and the other for the most imaginative. No registration is necessary.

CW Post Antique Show

The annual antique show to benefit the Association of Parents and Friends of C.W. Post Center of Long Island University will be held on November 30 in the west wing of the Dome building.

Beginning at 11 a.m. the doors to the seven-room west wing "showroom for antiques" will open on such items as collectable paper paraphernalia, an organ (circa 1810), oak and wicker furniture, antique jewelry,

Americana, porcelain, glass silver, basketry and American Indian pieces.

Admission to the show, which will close at 6 p.m., is \$1.75 for the general public and \$1.00 for C.W. Post Center faculty and students with ID cards.

For further information contact the Association of Parents and Friends Office (516) 299-2206 or Renita Stern (516) 486-6488 and 621-2940.

porting services would include Psychologists, Speech Therapists, Guidance Counselors, Nurse Teachers and Team Chairpersons to assist the team and to work with pupils having special instructional needs. The Learning Center will also be utilized to assist students in reading, writing and arithmetic skills and for enrichment purposes. The nine period day will run from 8:30 AM to 3:20 P.M. the ninth period will be utilized for special activities, Band Chorus, Orchestra, Guidance conferences.

The committees report states, "We have not been unmindful of financial implications and do believe that the program presented will not only provide excellent educational opportunities for the students but will also give the taxpayers full value for every dollar spent by

effectively utilizing the talents of staff and the specialized facilities that are available."

The committee urged approval of the program by January so that the necessary in-service training of staff and orientation of students and parents can be carried out.

CPES For Pension Reform

Citizens Public Expenditure Survey, Inc. (CPES) has fired the opening salvo of a new battle in the war on extravagant and unrealistic public pensions in New York State.

CPES is the statewide taxpayer research organization based in Albany, New York.

At a recent day long seminar sponsored by CPES, key representatives of taxpayer groups from across the state and state legislators were addressed by Otto Kinzel, chairman of the Permanent Commission on Public Employee Pension and Retirement Systems.

Chairman Kinzel gave the audience a history of the fight for public pension reform, which thus far is saving the State approximately \$700 million, and he announced that he will be going to the State Legislature with a new program aimed at bringing public pension costs into line and eliminating fiscal gimmickry.

Following the Kinzel address, CPES staff members and representatives from key tax-

payer organizations statewide met in caucus and created the "CPES Taxpayer Action Council" which will coordinate all taxpayer activity in the State. Initially the Council will have ten individual chairman who will be responsible for specific geographic areas of the State and will vigorously mold taxpayer opinion on critical issues into a force to be reckoned with by State Government.

The first major push by the Council will be to mobilize voter support for public pension reform. The Council wants the 1976 Legislature to integrate social security into present pension benefits and it wants the Legislature to make all public employee pensions contributory. The Council feels that these two specific reforms will help bring public pension costs down to a more realistic level and will be a positive step in bolstering the State's overall fiscal picture.

The Council noted that it would have more to say on pension reforms as the battle heats up.

Dutch Lane Kindergarten Thanks BOCES

The Dutch Lane Kindergarten, as part of their continued study and curriculum of career education, were guests of the BOCES Center on West John Street last week.

Mrs. D'Hondt took the children into the bakery where Mr. Alfred Bromm permitted his students to help Mrs. Wade's class cut the dough into cookies. After they came out of the oven the children enjoyed eating their efforts. We then went in to view the Commercial Foods Program. Mr.

Robert Hollis took the class under his wing and explained the equipment and some of the work of his students.

As a special treat, Mrs. D'Hondt took the Kindergarten children into the Aviation Study Room where each child had an opportunity to work the simulated control unit for piloting a plane.

A gift of a patriotic bicentennial picture, suitable for framing, was presented to each child.

GPCA To Oppose Medical Building Expansion

The Greater Plainview Community Association has announced its opposition to plans by Ommek Realty Company to expand the use of the Medical Building at 1181 Old Country Road (east of the Old Walden Shopping Center).

Ommek has petitioned the Town Board for a modification of current restrictions on the use of the Building. They want to rent space to "medically related facilities" such as pharmacies and additional medical offices in the basement, and their current permit prohibits them from doing so. A Town Board hearing on the Ommek petition is scheduled for Tuesday, November 25 at 10:00 AM.

GPCA is strongly opposed to this petition. Current restrictions on the use of the Building were imposed by the Town Board six years ago, at GPCA's request, in order to avoid the intolerable traffic situation that would have resulted from unrestricted use of the Building. "Lifting those restrictions now," notes GPCA

President Paul Eisenstein, "would create a tremendous traffic problem in an area where the traffic situation is already bad enough."

Eisenstein reported that local residents are united in opposition to the Ommek petition - both in the area north of Old Country Road (Cranford Road, Bradford Road, Ramsey Road, Roundtree Drive) and in the area south of Old Country Road (Palo Alto Drive, Miriam Lane, Vegas Court).

GPCA will speak in opposition to the petition at the November 25 Town Board hearing, and urges individual area residents to speak out as well.

In other actions at its November 12 meeting, GPCA heard a progress report on the Morton Village Shopping Center Beautification effort (Morton Village Realty Co. has agreed to install waste baskets), and a report on traffic safety efforts. A complaint from GPCA members in the Bentley Road South Oyster Bay Road area was also noted. They are disturbed about the back of the Midway (J.C. Penny) Shopping Center being a dumping ground for garbage, and about other litter and noise problems involving this Shopping Center. GPCA Beautification Chairwoman Barbara Goldstein will investigate the matter.

LEGAL NOTICE

NOTICE IS HEREBY GIVEN that pursuant to the resolution of the Board of Education of Plainview-Old Bethpage Central School District, Plainview, New York, adopted October 27, 1975, the (Special) District Election of the qualified voters of this School District will be held on December 17, 1975, between the hours of 10:00 o'clock A.M. (E.S.T.) and 10:00 o'clock P.M. (E.S.T.) in the three Election Districts, stated below, for the purpose of voting upon the following proposition (X):

RESOLUTION CONCERNING THE SALE OF CERTAIN REAL PROPERTY KNOWN AS THE FERN PLACE ELEMENTARY SCHOOL LOCATED WITHIN THE PLAINVIEW-OLD BETHPAGE CENTRAL SCHOOL DISTRICT, PLAINVIEW, NEW YORK

WHEREAS, the Board of Education of the Plainview-Old Bethpage Central School District, Plainview, New York is the owner of that certain real property located in the Town of Oyster Bay, County of Nassau, hereinafter described, and

WHEREAS, by Resolution dated October 27, 1975, the Board of Education has declared the Fern Place Elementary School no longer necessary for school district purposes.

NOW THEREFORE, BE IT

RESOLVED that the Board of Education of the Plainview-Old Bethpage Central School District, as seller, is hereby authorized to sell and convey to the United Jewish Y's of Long Island, Inc. purchaser, all of that certain plot of land and improvements thereon lying in Section 12, Block J, being Lots 377, 394 and 396 on the Nassau County Land & Tax Map, which said premises are more particularly described as follows:

Beginning at the southwest corner of premises herein described adjoining the easterly line of property shown on the Map of Forest Park Gardens, Section 2 and filed in the Nassau County Clerk's Office on March 16, 1953 as Map No. 5739, said point of beginning being where the northeast corner of Fern Place intersects the division line between premises herein described and property shown on Map of Forest Park Gardens, Section 2 and which point of beginning is distant 90 feet easterly from the extreme easterly end of the arc connecting the northerly side of Fern Place with the easterly side of Orchard Street when measured along the northerly side of Fern Place as laid out on the map above referred to;

running thence north 4° 19' 25" east partly along the easterly line of property laid out on Map of Forest Park Gardens Section 2 and partly along the easterly line of land now or formerly of Benmur Holding Inc.; thence south 88° 10' 35" east along said last mentioned land 467.79 feet to the land now or formerly of Richard and Alfred Bergman; thence south 3° 26' 40" west along the lands now or formerly of Richard and Alfred Bergman 753.36 feet to other lands now or formerly of Richard and Alfred Bergman; thence along last mentioned lands north 85° 40' 35" west 350.00 feet to a point; thence still along the last mentioned lands south 4° 19' 25" west 100.00 feet; thence north 85° 40' 35" west 128.90 feet to the point or place of beginning containing 8.368 acres more or less being the same premises as described in Liber 5686 pg. 358 and Liber 5690 pg. 111 of deed filed in the Nassau County Clerk's Office.

Together with an easement for ingress and egress over a strip of land 50 feet in width by 100 feet in length adjoining the premises above described on the south-west, which strip of land would be the prolongation of Fern Place if

same were extended easterly. The purchase price shall be no less than \$750,000, payable as follows:

(a) \$250,000, in cash or good certified check to the order of the seller on delivery of the deed.

(b) \$500,000, by the purchaser executing, acknowledging and delivering to the seller a bond secured by a purchase money mortgage on the above premises in that amount payable in quarterly annual installments of \$25,000, together with interest at the rate of 7 1/2% per annum. The sale was brought about by Rick Kriender Associates whose commission is 6% of the selling price.

NOTICE IS FURTHER GIVEN that Personal Registration and Election Districts have been established in the School District, that no person shall be entitled to vote at the Special District Election whose name does not appear on the register of the School District, unless such person is registered under the provisions of Section 362 of the Election Law as amended by Chapter 629 of the Laws of 1975, and that those qualified to register and vote shall do so in the School Election District in which they reside.

NOTICE IS FURTHER GIVEN that the Board of Registration shall meet in the three (3) election districts described below on: December 10, 1975, from 12 Noon until 10 P.M. (E.S.T.)

Any person shall be entitled to have his name placed upon such register provided that at such meeting of the Board of Registration he proves to the satisfaction of such Board of Registration to be then or thereafter entitled to vote at the school meeting or election for which such register is prepared. Said register will be filed in the Office of the Clerk of the District on December 12, 1975, and will be open for inspection by any qualified voter of the District from 9:00 A.M. to 4:00 P.M. on any week day from December 12, 1975 up to and including December 17, 1975. Residents who voted at an Annual or Special Meeting of the District within two years from the date of the current Special Meeting, or who registered within that time need not register to be eligible to vote at the Special Meeting. Residents otherwise qualified to vote who are registered under the provisions of Section 362 of the Election Law as amended by Chapter 629 of the Laws of 1975 need not register to be eligible to vote at the Special Meeting.

NOTICE IS FURTHER GIVEN that during the voting hours on December 17, 1975, the Board of Registration will meet in the various election districts to receive registration for the ensuing year.

SMALL BEGINNINGS

Everything about Thanksgiving and the Pilgrim Fathers can be listed under the heading, "Small Beginnings." The Mayflower was a small boat just 113 by 26 feet. There was a total passenger list of 102 men, women, and children. Plymouth Rock is a very small stone.

Our great country had a very small beginning. But God has a

special way of handling the little, the small, the insignificant, the minute. He turns them into great things. The Child becomes the Savior of mankind. The mustard seed represents a tremendous faith. The Twelve Disciples multiplied themselves into an endless line of followers.

To say our country is blessed is to repeat a statement that has been said again and again. One can almost see the yawns of boredom beginning. But it is. We had better not become too smug about it. We don't really deserve to have it so good. I can't remember the last time I've read of an American dying from hunger. Our country has been blessed by God even greater than it deserves.

On Thanksgiving Day with the turkey, football games, and parades, take time to count your blessings. It will take you at least a half-hour just to list them all. Take another thirty minutes to thank and praise the God who produced so much for us. From some very small and humble beginnings we have grown into a nation that should find a Thanksgiving Day most appropriate.

The Hicksville Public Library program scheduling is varied and heavy at this time of the year. On Sunday, November 23 at

three o'clock the first Sunday afternoon Musicale will be Blanche Abram, pianist and Ray Kunicki, violinist; Seymour

Benstock, cellist and George Brown, violist, all members of the Hofstra String Quartet. The group will perform works of Mozart and Brahms. This program is made possible to the Hicksville community by a grant from Nassau County Office of Cultural Development. Ralph G. Caso, County executive, John W. Maerhofer, director.

Monday morning, November 24, the final LILCO Consumer Education lecture will be 'Comfort Conditioning'. Glenna Jagger and an engineer from LILCO will be on hand to help us learn the hows and whys of proper home comfort conditioning.

Tickets for "George M", a Theatre Plus production to be presented Friday evening, December 5 at 8:30 p.m. are available in the library and also on the bookmobile. They are given out on a first come basis as the seating in the auditorium is limited. So hurry down and get tickets for your family.

In our exhibit areas at this time are two unusual displays. In the lobby showcase is an exhibit of sculpture and weaving done by a local craftsman, Ethel Drier. Mrs. Drier, a member of the

Sergeant Dominick J. Finocchio, son of Mr. and Mrs. Dominick J. Finocchio Jr. of 75 Cheshire Road, BETHPAGE, is a member of an Air National Guard unit that recently received the U.S. Air Force Outstanding United Ward.

The award, which covered 1973 and 1974, cited the 274th for meritorious service by achieving outstanding results in wartime technical communications training and in its state and local community disaster relief efforts.

The sergeant is a 1965 graduate of Bethpage High School and received his B.S. degree from Adelphi University, Garden City, N.Y. His wife, Barbara, is the daughter of Mr. and Mrs. T. McGrath of 61 Bridle Lane, Hicksville, N.Y.

Marine Corporal Randall H.

Long Island Craftsman Guild, has had exhibits in various parts of the Metropolitan area. In the auditorium exhibit area, we again have the art of Jess Wright, the almost 80 year old youngster from Huntington, who paints the Long Island scene.

Our Armed Forces

Mahler, son of Mrs. Gertrude Mahler of 16 Balsam Lane, HICKSVILLE, has been meritoriously promoted to his present rank while serving at the Marine Corps Air Station, Cherry Point, N.C.

He received the early promotion in recognition of his outstanding performance of duty, dedication and military bearing.

A 1971 graduate of Hicksville Senior High School, he joined the Marine Corps in Jan. 1974.

Tour For Seniors

A group tour to Miami Beach is planned for Nassau residents age 60 and over by the Senior Citizens Unit of the County's Department of Recreation and Parks from November 30 through December 13.

The two-week annual trip at special group rates includes air fare, hotel accommodations, sight-seeing trips, entertainment and more.

Further information may be obtained by calling the Senior Citizens Unit at 292-4247.

St. Monica's group for widowed men and women will hold their monthly fun and frolic dance on Friday night Dec. 5, at the Knights of Columbus Hall, Heitz Place, Hicksville, at 9:00 P.M.

Get Rid Of Gray Hair Some Of It Or All Of It

Time-lapse photographs show how gradual action of Lady Grecian Formula lets you control just how much gray you slowly get rid of—some of it or all of it.

WHITE PLAINS, N.Y. (Special)—Thousands of women all over the country are discovering a remarkable new product specially developed and tested for women's hair. It not only takes the guesswork out of hair coloring but also eliminates the gray roots problem that has for years been a thorn in the side of all women who color their hair. Lady Grecian Formula is not a dark messy dye. It is a colorless liquid as easy to use as water. There is no mess, no complicated instructions, no

strand tests, no clock watching. Simply brush Lady Grecian Formula through your hair every day and you will see the gray slowly 'fade away.' You are in complete control. You can get rid of as much gray as you want—some of it, or all of it. When your hair reaches just the lovely natural-looking color you want, weekly use thereafter is all that's necessary to keep your hair just the way you want it with no gray roots problem ever. Lady Grecian Formula is available now at:

4-H'ers Discover Bread

Authentic American bread recipes are difficult to find. Most of the breads we eat today are based on Old World recipes brought to this country by colonists and handed down from generation to generation.

But after considerable research, and with the assistance of Standard Brands Incorporated, 4-H'ers have managed to come up with two genuine American breads: sourdough and Anadama (see recipe below). They're fun to bake and they're a tribute to the

nation's cuisine during the bicentennial celebration.

Fun and learn-by-doing experiences are what the national 4-H bread program is all about. Boys and girls from 9 to 19 acquire practical skills and gain creative satisfaction from 4-H bread making activities. And they can work for awards donated by Standard Brands and arranged by the National 4-H Service Committee.

Standard Brands offers \$800 college scholarships to six national winners, an expense-paid trip to the 54th National 4-H Congress, Nov. 30-Dec. 4th in Chicago, to one winner from each state, and up to four medals of honor per county. All winners are selected on the basis of their records of accomplishment by the Cooperative Extension Service, which conducts the 4-H youth program.

Bread projects teach 4-H'ers to plan, purchase, prepare and serve breads and cereals. They also stress the nutritional importance of these foods: four daily servings of whole grain or enriched breads and cereals provide some of the carbohydrates, iron and B vitamins necessary for good health and an attractive appearance.

The name Anadama supposedly comes from a New England fisherman whose lazy wife, Anna, refused to bake bread. In exasperation he mixed up a concoction of his own. As he stirred and kneaded his family

heard him muttering "Anna damn her," and the bread became known as Anadama.

ANADAMA BREAD

Makes 2 loaves

- 7 to 8 cups unsifted flour
- 1 1/4 cups yellow cornmeal
- 2 1/2 teaspoons salt
- 2 packages dry yeast
- 1 3 cup softened margarine
- 2 1/4 cups very warm tap water (120°F - 130°F)

2. 3 cup molasses (at room temperature)

In a large bowl thoroughly mix 2 1/4 cups flour, cornmeal, salt and undissolved dry yeast. Add margarine.

Gradually add tap water and molasses to dry ingredients and beat 2 minutes at medium speed of electric mixer, scraping bowl occasionally. Add 1/2 cup flour. Beat at high speed 2 minutes, scraping bowl occasionally. Stir in enough additional flour to make a stiff dough. Turn out onto lightly floured board; knead until smooth and elastic, about 8 to 10 minutes. Place in greased bowl, turning dough to grease top. Cover; let rise in warm place, free from draft, until doubled in bulk, about 1 hour.

Punch dough down; divide in half. Roll each half to a 14 x 9-inch rectangle. Shape into loaves. Place in 2 greased 9 x 5 x 3-inch loaf pans. Cover; let rise in warm place, free from draft, until doubled in bulk, about 45 minutes.

Bake at 375°F about 45 minutes or until done. Remove from pans and cool on wire racks.

MIDGET DIVISION

Saturday November 15th

St. Ignatius 2 St. Aiden "Tornados" 3

On Saturday The St. Ignatius Midgets playing without the services of some of their regulars due to sickness lost their first game of the year. Scoring for the Midgets was B. Cunningham and J. Rogers one goal each. The lost still left the team in first place with one game to play. It was a rainout game against Notre Dame (New Hyde Park). The Game was played on Sunday November 16th.

Sunday November 16th

St. Ignatius 0 Notre Dame 1

For the second day in a row the St. Ignatius Midgets lost a very close game. The loss put the St. Ignatius team in a tie with St. Aiden (Williston Park) with the St. Aiden team having to play one more game. If St. Aiden should either tie or lose the game it will mean the division championship for St. Ignatius. If St. Aiden wins it will mean a playoff game between St. Ignatius and St. Aiden Time and place of game was not known at time of sports report. Keep eye on next CYO sports for final results. The 1 goal scored by Notre Dame team was scored on a penalty shot. Both teams played a great defence game.

JUNIOR DIVISION

Sunday November 16th

St. Ignatius 4 Holy Spirit (New Hyde Park) 4

The score at the end of the first half was 2 to 1 in favor of St. Ignatius. The second half saw the Holy Spirit team come out and score 3 goals and held St. Ignatius to 2 goals making the final score 4 to 4. Scoring the first goal for the St. Ignatius team was L. Carson assisted by R. Pier. The other goals were scored by C. Hoffmann assisted by L. Carson, R. Spier assisted by J. Bergen and the final goal by C. Hoffmann assisted by C. Walsh. The tie gave St. Ignatius a record of 6 wins 1 loss and 1 tie. The team could still be involved in a division playoff

Intermediate Division

Saturday November 15th

St. Ignatius 4 St. Mary's (Roslyn) 3

The St. Ignatius intermediate team scored a stunning win over a tough St. Mary's team by a score of 4 to 3. Scoring for the St. Ignatius team was J. Kerti 2 goals and K. Bungert and M. Conway 1 each. The score at the end of the first half was 3 to 0 St. Ignatius. The second half the St. Mary's team scored 3 goal 2 were scored on penalty shots. The St. Ignatius team scored 1 goal giving them the win. Also helping the St. Ignatius team to victory was a great defence by goalie P. Harkins who had to come out of the game for a while because of an injury. This win gave the St. Ignatius team an 9 and 0 record for the season.

Plan Now For Puppet Shows

The wondrous world of make-believe will once again delight Nassau County youngsters when the Department of Recreation and Parks launches the 1975-76 season of shows at the Puppet Theatre in Eisenhower Park, East Meadow. Showtime is at 1, 2:30 and 4 p.m. on Saturdays, Sundays and holidays, including Christmas and Easter weeks.

"The King of the Golden River", first on the Theatre's schedule, stars the unfortunate "Gluck", whose luck and that of the once-thriving town of Happy Valley, take a surprising turn when he encounters the "King". The show will run through Nov. 30, including holiday performances on Nov. 11 and 28.

Next is the holiday classic, "A Christmas Carol", when once again Tiny Tim, Scrooge and Mr. Cratchet bring their own special magic to the Yuletide season, from Dec. 20 through Dec. 30. In "The Tempest", an adaptation of Shakespeare's famous play, a Royal family, shipwrecked on an enchanted island, encounters the white magic of

Prospero and his fairy-servant Ariel. The show will run from Jan. 24 through Feb. 29, with holiday presentations on Feb. 12 and 16.

Performances of the last show of the series, "Hansel and Gretel", start Mar. 27 and continue through May 2. The familiar tale recounts the adventures of Hansel and Gretel when they are abandoned by their wicked stepmother and left to face the perils of the forest.

Since admission is on a first-come, first-served basis, advance reservations are suggested to assure seating, with tickets available at the Puppet Theatre beginning Oct. 11. Tickets will be held until 15 minutes before show-time, or may be received by sending a stamped, self-addressed envelope.

For reservations, information, or cancellations, call 292-4188. Snow cancellations will be verified by calling 292-4153.

The Puppet Theatre is located near Parking #6A.

Green, leafy vegetables such as collard, kale, and broccoli... have a good calcium content.

Warns On Leaf Hazards

Public Works Commissioner H. John Plock, Jr. has attributed some of the recent local flooding conditions to blockage of catchbasins caused by leaves and again urged homeowners not to rake leaves into County roads.

"In several areas our maintenance people found catchbasins so filled with leaves that no water could get in", Plock said. "Obviously, the water had to go somewhere so it flooded streets, lawns and driveways."

Plock pointed out that it is a violation of Section 12-4.3 of the Nassau County Administrative Code to "cause or permit any accumulation...to be placed, deposited, tracked or flowed upon any County road" as the law phrases it.

"Besides causing floods, leaves are hazardous to drivers, cyclists and pedestrians when wet or frozen," Plock stated. "The thoughtful, law-abiding citizen living on a County road places his leaves in bags or baskets, not in the gutter."

Holiday Hours

Commissioner Richard A. Fitch of the Nassau County Department of Recreation and Parks has announced that all County-operated parks and golf courses at Eisenhower Park in East Meadow, Cantigue Park in Hicksville, Bay Park in East Rockaway and Christopher Morley Park in Roslyn-North Hills will be open to the public on Thanksgiving Day, Thursday, November 27. However, the Department's Museum facilities including the Old Bethpage village restoration, the Garvies Point Museum and the Tackapausha Museum will be closed Thanksgiving Day. Also closed will be the two county-operated indoor ice skating rinks at Cantigue Park and the Nassau County Arena. It will be recreation as usual at all county-operated parks and museums on Friday, November 28.

'Snow Queen' To Open

"The Snow Queen" adapted from the Hans Christian Andersen classic will be presented at the PAF Playhouse, 185 Second Street, Huntington Station, New York, as part of PAF's Theatre for Young People Series. Performances are December 6, 13, 20, 22, 26, 27, 28 (1:30 PM only), January 2, 3 at 10:30 AM and 1:30 PM. General admission is \$2.00. For reservations call (516) 271-8282.

The production adapted by Joseph Brockett and directed by Thomas Sly tells the story of Little Kay who is taken off to the Snow Queen's palace and his friend Gerda's search to find him in a world of magic and wonder. The production is suitable for ages 8 and over. Members of PAF's "Solar Wind" Company will perform the roles.

Diane De Baun is designing the costumes, Leslie A. DeWeerd, Jr. is designing the setting and the lighting. Jimmy Palmer is writing the music and Edmond Felix is creating the special Holiday production of "The Snow Queen."

Wonder Man Movie

Danny Kaye in WONDER MAN and Chapter 2 of the FLASH GORDON series will be shown at the Hicksville Library on Saturday afternoon, November 2nd, at 2 o'clock. Children are welcome to this free program.

How to reduce your current Federal income tax...

...and have more money for your retirement, too.

If you're working and not covered by a pension program, there is now a tax-favored way for you to build your own retirement fund.

You can defer Federal income taxes each year on up to 15% of your income or \$1,500, whichever is less, by putting this income to work to set up your own retirement fund.

Think about that! You can purchase your own retirement plan with money you deduct on your income tax. You won't be subject to tax until years from now after retirement, when your tax bracket probably will be lower.

So if you're not scheduled to get a pension, call me and we'll arrange one.

AT THE JHS: The first of several life science exhibits was held in the Junior High School. All students selected and researched an organism (plant, or animal, living or non-living). The specimens and research cards were all brought in on the same day and the exhibit was on its way. Students had the opportunity to examine over 100 different organisms, some of which included tapeworms, molds, termites, fungi, roosters, pigeons, snakes, octopus. Our next exhibit will be "Marine Life."

On The Campus

Patricia Gahan, daughter of Mr. and Mrs. William Gahan of Primrose Ave., HICKSVILLE, recently participated in the candlelight induction ceremony of Phi Theta Kappa, the national two-year college scholastic honorary at the State University of New York, Agricultural and Technical College at Cobleskill.

Ellen Behan of April Lane, and Lauren Gilchrist of Bobwhite Lane, both of HICKSVILLE, were among 194 Niagara University sophomore nursing students who wore the school uniform and cap for the first time when the university's College of Nursing conducted its annual ceremony of dedication recently.

Reprints Available

Town Clerk Ann R. Ocker has reminded residents that pamphlets detailing the provisions of major sections of Oyster Bay Town's Code of Ordinances may be purchased from her office. She said that the pamphlets are offered for nominal fees which offset the cost of their production.

"These reprints provide the exact language of many Town ordinances", Mrs. Ocker said. "Not all the laws are in this pamphlet form, but those which are likely to be of interest to significant numbers of Oyster Bay residents have been prepared and are available."

Mrs. Ocker noted that the Town Board today (Tuesday, November 18th) added Oyster Bay's Landmarks Preservation Ordinance to the list of those local laws which have been reprinted. The cost for copies of this ordinance is \$1.50.

Other ordinances available from the Town Clerk's office and their costs are: Animals and Fowl (50 cents), Garbage, Litter and Waste (50 cents), Waterways (50 cents), Parks and Recreation (50 cents), Licensing and Permits (50 cents), Amusements (\$1), Marine Life (\$1), Explosives and Firearms (\$1), Hawkers, Peddlers and Solicitors (\$1), Offenses - Miscellaneous (\$1), Streets and Sidewalks (\$1), Vehicles for Hire (\$1) and Environmental Control (\$1.50).

Pack 491 Cub Scout News

The weekend of November 7, 8, and 9, was a busy one for the boys of Cub Scout Pack 491, Hicksville. Friday evening at the regular monthly pack meeting, five boys were initiated into the pack. They were James Stenborg, Brian Caulfield, Brian Bennett, Christopher Hoe and Collin Brazill. Paul Jensen and Joseph Geniti received Denner Cords. Wolf Badges were presented to James Mensching, Billy Brady and Jeffrey Recek, while Gerard Sullivan received his bear badge plus one gold and two silver arrows. Web Billy Hundt earned Craftsman and Citizen. The Arrow of Light, the highest award in Cub Scouting, was awarded to Patrick Devlin, Andrew Smith and John Weber. Cubmaster Denis Sullivan was

pleased to present to Jeffrey Recek a plaque signifying his placing third in the recent poster contest in the Great Bear District.

On Saturday, November 8, the boys attended the Circus at the Nassau Coliseum.

On Sunday, November 9, Patrick Devlin, William Hundt, Paul Jensen, and Gerard Sullivan received pins signifying their completion of requirements for the Parvuli Dei Award. The Award means "The Children of God." It was presented to the boys at the 8 A.M. Mass at St. Ignatius Loyola. The Mass was attended by the other members of the pack and their families—a fitting climax to an active weekend by the very active Cub Scout Pack No. 491.

New Brownies

Congratulations to Christine Casingal, Christine De Cote, Carolyn Durante, Christine Gray, Stephanie Hoe, Kerrin Kelly, Laura Kraus, Frances Mage, Kathleen Mais, and Diane Walsh who were invested as Brownie Girl Scouts on Friday, November 7, 1975. and was warmly welcomed into Troop No. 23. The Troop meets at St. Ignatius, Hicksville.

On November 15, the girls of Troop No. 23 went on a trip to the New York State Fish Hatchery in Cold Spring Harbor. After Thanksgiving, they will decorate a Christmas tree at the Mid-Island Plaza.

The Two "Mollys"

Little Known Facts About The American Revolution

By Gardiner Gregory

Many American women played an important part in The American Revolution. Some have been recognized by historians but most never received the recognition they deserved. Some served at home by bearing and raising children, tending farms, making bullets and uniforms, spying on the enemy, and fighting off Indians. As a whole, the women were hardy lot working from dawn to dusk. Most had little education. Most of them found that, in truth, woman's work was never done. Many suffered untold hardships. A British officer remarked to Lord Cornwallis... "that he believed if he had destroyed all the men in North America, we should have enough to do to conquer the women."

A few intellectuals like Abigail Adams, wife of John Adams, and Mercy Otis Warren, wife of

James Warren helped keep the fires of liberty burning through

their writing and other activities. In fact these two women could be considered founders of the women's lib movement.

Some women were frivolous, and mercenary like Peggy Shippen (Benedict Arnold's wife) and some were Loyalists.

There are two Mollys that won fame during the Revolution. One was Margaret Cochran Corbin who was married to John Corbin, a member of Thomas Proctor's Corps of Artillery at Fort Washington on the Hudson River.

"Moll" or "Molly" as her comrades called her was at her husband's side when General Howe attacked the Fort in November 1776. When her husband fell mortally wounded, Molly took his place helping to load and fire cannon balls that cut through the ranks of the attacking British soldiers. Finally she too felt wounded in the breast and shoulder by grapeshot—she never regained the use of her arm.

Congress, recognizing her courage, made her the first woman pensioner of the United States. She is the only woman from the Revolution buried in the West Point Cemetery.

The other "Molly" is more familiar to readers of history. She is the "Molly Pitcher" who obtained her fame for her actions at the Battle of Monmouth (New Jersey) in June 1778.

Genealogists doubt her identification as Mary Ludwig. Evidence points that "Molly Pitcher" was a worldly buxom Irish girl from Carlisle, Pennsylvania whose given name was Mary. She married a young barber, William Hays.

Curiously, both "Mollys" married a gunner in Proctor's artillery. However, contrary to what certain historians say, there is some doubt that "Molly Pitcher" ever actually served her husband's cannon as "Molly" Corbin had done earlier in the war.

"Molly Pitcher" gained her nickname and fame by carrying water in a bucket from a well where the Battle of Monmouth raged most viciously during that hot June day. Many a fighting and dying man blessed her as the water she brought helped cool their parched throats.

Her cool courage under fire—at one time a cannonball passed between her legs causing her to comment with apparent unconcern, "lucky it did not pass a little higher"—earned her the respect of all those who saw her in action and a \$40-a-year pension from the United States government.

For years there has been confusion about the two "Mollys." It is hoped that this article will help clear up this confusion.

THE UNWRITTEN LAW

TWO KINDS OF LAW GOVERN THE HUNTER. ONE IS THE WRITTEN LAW ENFORCED BY THE GAME WARDEN. THE SECOND IS A CODE OF HONOR THE ETHICAL SPORTSMAN PLACES ON HIMSELF.

THE BIG GAME HUNTER'S CODE DEMANDS THAT HE SHOOT ONLY A FULLY MATURE SPECIMEN. HE KNOWS THAT THE REMOVAL FROM THE HERD OF A MATURE BULL OR BUCK BEYOND BREEDING AGE BENEFITS OTHERS IN THE SPECIES.

THE ETHICAL HUNTER RESPECTS HIS QUARRY AND HUNTS IT ONLY IN A SPORTING WAY. HE BELIEVES IN FAIR CHASE, AND HE NEVER TAKES UNFAIR ADVANTAGE OF THE GAME HE HUNTS. YOU WON'T FIND THE TRUE SPORTSMAN HUNTING FROM A CAR, TRUCK OR AN AIRPLANE.

THE ETHICAL HUNTER NEVER TAKES MORE THAN HIS LIMIT—OR MORE GAME THAN HE CAN USE. REMINGTON ARMS SUPPORTS ALL THE OUTDOORSMEN WHO LIVE BY BOTH THE WRITTEN AND THE UNWRITTEN LAW. THEIR CONSIDERATION ASSURES SPORTSMEN EVERYWHERE OF A WARM WELCOME.

UNEXPECTED JUDGMENT

The status of real estate ownership is an important concern for the home buyer and his mortgage lender before a purchase is completed. That is why public records are searched and the resulting land title evidence is examined in an effort to locate matters that could threaten the security of an investment in real property.

Despite this careful advance work by experts, there are occasions when serious problems arise after purchase—even when all seems in order beforehand. The experience of a buyer in a western state is a case in point.

Shortly after completion of his purchase, this buyer was surprised to learn that a judgment against a former owner of the property—which the public record had shown to be satisfied—was reinstated in court without notice to the former owner or buyer. As a result, the buyer faced an unexpected and expensive claim against his real estate.

Fortunately, the buyer had obtained owner's title insurance before completing the purchase of his property. After nearly five years of legal battles, the state supreme court confirmed the reinstatement of this haunting judgment. Under the owner's title insurance of the buyer, the title company paid the judgment creditor, and also paid attorney fees and other related costs incurred in clearing title to save its insured from financial loss.

Protection against a wide variety of land title problems is available through a title search and owner's title insurance. Remember that lender's title insurance only does not protect you, the buyer.

Off The Snack Tray Into The Oven

Cooking with cheese is not new, but cooking with those specialty cheeses usually found on the tray of appetizers is a whole new world of flavors—and convenience.

Cheese is an excellent source of protein and a very popular food. Each year, the average American eats about 13 pounds of it.

By using cheeses that are already blended with natural

ingredients such as peppers, onions, meats, herbs and spices, you can cut preparation time because a part of the "fixing" is done.

For example, there's a new and easy way to prepare that long-time favorite dish, Quiche Lorraine, with a unique flavor twist. The recipe omits the bacon and Swiss cheese and instead uses Hoffman's Chees 'n Salami to replace both ingredients.

You can get a free recipe brochure of more tempting, easy-to-prepare Hoffman's specialty cheese dish suggestions at the cheese section of your supermarket or by sending your name and address to Ann Clayton, Consumer Information Center, Anderson Clayton Foods, P. O. Box 6165, Dallas, Texas 75222.

It can help you use the good taste of cheese to show what good taste you have when it comes to cooking.

HOW TO REDUCE YOUR HOME FUEL BILLS

Chances are good that your home's annual heating and cooling costs are a lot higher than they need to be. Care to find out how much higher?

Then take an hour to give your home a top-to-bottom energy efficiency check up. You may be surprised at the amount of

Insulating your attic can reduce fuel and energy waste by as much as 30%.

fuel and money you are wasting—fuel and money you could save, simply by installing such readily available home improvements as building insulation, storm doors and windows, and caulking and weatherstripping.

To begin diagnosing your home's saving potential, you'll need the following tools: a flashlight, a ruler, two thermometers, a screwdriver and a candle.

First Stop—The Attic

Since the roof or attic accounts for a major percentage of a home's energy waste, it makes good sense to begin the check up in the attic. Here the first thing you'll want to check is the amount of insulation you have—or don't have.

Simply take your ruler and measure the thickness of the insulation you find. Don't be alarmed if you don't find any. If your house is like 35 million others, built before 1960 when energy was cheap and plentiful, there's a good chance that the attic has little or no insulation, or contains only three to four inches. If your house is newer, say built within the last 10 years, you could find six or more inches.

Insulating your attic is probably the best home-energy-efficiency investment you can make. Even as little as just six inches of Fiberglas insulation can save from \$50 to \$200 a year in home fuel costs.

BEN FRANKLIN AND THE COLONIAL PRINTING INDUSTRY

This article is adapted from an original and unusual historical program of monographs entitled *The Power of Print in American History—1776 to 1976*. The program was created by the St. Regis Paper Company in an effort to rededicate our heritage and renew our pride in our country's achievements.

Although the first printing done in the American Colonies occurred in 1638, it wasn't until nearly 100 years later that, largely due

to the efforts of Benjamin Franklin, the American printing industry really developed.

After an apprenticeship here and in England that began when he was 12, Franklin opened his first printing office in 1728. In the 1730's he became involved in the

Interior Living Spaces

The next step in the energy-efficiency check up is to inspect interior living spaces for fuel waste.

But before you walk away from the attic door, stop. Is the door tightly sealed around all four edges? To find out, light the candle and hold it near where the door meets the frame. If the candle flickers, you're wasting fuel. Even a 1/4-inch crack can cost you as much as \$4.50 a year.

Now, while you have the candle, perform the same test on all other doors and windows between heated and unheated spaces. If the candle flickers, your doors and windows probably need weatherstripping and caulking.

Weatherstripping comes in a variety of forms, ranging from the more permanent interlocking metal variety, to a wide selection of easy-to-install, flexible felt, foam and vinyl materials. Weatherstripping should be applied around the perimeter of all exterior doors and around the inside of all window frames.

Storm windows can reduce heating and cooling energy waste up to 15%.

Caulking should be applied outside around window and door frames, and to all corners or joints where wood and masonry, or metal masonry come together.

By caulking and weatherstripping your home, you'll cut up to 10 percent annually off the fuel you waste.

Storm Windows And Doors

While you're checking the doors and windows, you might want to give some thought to two other important energy-saving improvements—storm windows and doors.

If you already have storm sash all around, take comfort in knowing that you're using about 15 per-

cent less energy than you'd be using without them. If you don't have storm windows and doors, but do have double-glazed or "thermo-pane" type windows, storm windows may still provide a good way to lower fuel bills and cut down on drafts, especially if you live in a severe climate.

Insulating Walls

One of the best ways to avoid drafts—and reduce your fuel waste still further—is to insulate your walls.

Here is a simple way to check the amount of wall insulation you have. On a cold day, tape on a thermometer against an outside wall and the second in the center of the room. Four hours later, if the reading at the outside wall is more than five degrees below the one in the middle of the room, it's a good sign your home needs wall insulation.

Insulating walls is not a do-it-yourself job. It's best done by a professional insulation contractor who has the expertise and special pneumatic equipment to perform the work quickly and efficiently.

Last Stop—The Basement

The last stop on the energy-efficiency check up tour is the basement, an area that wastes more of your home's energy than you think.

Be sure to check your furnace and central air conditioning unit. For maximum operating efficiency,

Caulking and weatherstripping help reduce drafts and eliminate up to 10% of a home's fuel waste.

these should be inspected regularly and maintained in accordance with the manufacturer's instructions. Also, be sure to check the filters. During peak operating seasons, they should be changed at least once a month. Dirty filters cause your furnace and air conditioner to work overtime,

public and political matters.

Of all Franklin's writing and publishing ventures, however, none were so popular, and likely none so profitable, as his *Poor Richard's Almanacs*. Almanacs were the most universally owned and read books in the colonial household except for the Bible. Franklin's almanac played a powerful role in shaping American attitudes, moral precepts and personal goals.

In his later years, he advocated a number of causes,

and published papers supporting the abolition of slavery more than 75 years before Lincoln's Emancipation Proclamation.

Ben Franklin died in 1790, but the power of his mind and thinking still lives in his printed and reprinted words.

Operation VFW

By Lou Palladino

We did a lot of remembering and honoring the past Veterans Day. This is no boast by any means. It is just to let you know that we the living will never let our dead comrades be forgotten.

It all started Sunday Nov. 9th, our Post, our Ladies Aux. and our Jr. Girls Unit attended services at Eisenhower Park, and had the largest delegation present. Our Ladies, bless them, joined us, bringing our Jr. Unit with them.

From there we went to the Levittown Jewish Center for another service. Then on Veterans Day, all three of us went to the Jr. High School Mall for our own Hicksville services. Once again having the largest present, I said three, but did not mean the amount of people, it

just means we each have our own Charter and we are all a part of Post 3211.

We received a late call to participate for services in Oyster Bay, by the Comm. of the BiCentennial, to honor a Revolutionary War Vet Hero, Robert Townsend, for the benefit of those who never heard of him, me included he was number one spy for the Colonist in that era. And last but not least Our Ladies Aux. on the night of their Nov. 13th meeting had their own services honoring the dead.

Vinnie Edwards mentioned, winners will be judged on the Voice of Democracy on Sat. Nov. 15th. Naturally the theme is on the BiCentennial. We understand, they have been picked and we will know who the winners will be at the next meeting. It gives a

Post 3211 Hicksville

nice warm feeling to hear what these youngsters have to say about why they are proud to be Americans.

Our Hawaiian Luau was just great, we had a very nice turn out, the music was good, the food was tasty, and the refreshments great. With a combination like that, who could have gone wrong, especially when the price is right? Then to top it off we had two Hula Dancers. After they performed they asked some of our ladies to do it too. After that some of us men were specifically named to do likewise. All I can say is our Ladies looked a lot better than we did. Boy how they don't snap a sciatica nerve shaking like that is beyond me. Our thanks to Frank Lotti, and Augie Barone for doing such a fine job.

Parents Night

All parents of Holy Trinity High School students will have the opportunity for personal conferences with the staff on Tuesday, Dec. 2, beginning at 7:30 p.m. Parents' night is held annually.

At this time, parents can receive first-hand information concerning their child's progress. Teachers will be available in the

classrooms and administrators in their offices.

Upon arrival at Holy Trinity, parents will receive a list indicating where the staff members are located.

This program represents another opportunity for personal involvement in the education of one's child. Holy Trinity strives to instill that challenge in all of its parents.

Bob Kelly reports the Childrens Christmas Party will be Dec. 21st. You should have received your letter by now. If you have children coming please make it easy as possible for Bob. Let him know the sex and age of each child.

Our New Years Eve. Party should be a winner. Because everything has skyrocketed, the price this year will be \$22.50 per

person. Frank Lotti reports the reservations cut off date is Dec. 15th.

If you haven't paid your dues yet please do so as soon as possible. We are trying to give Joe Normandy his 100 per cent before the year is out. Try not to forget. We are waiting impatiently.

THE FAMILY LAWYER
by Will Bernard

Self-Service Elevators

Tardy for a dental appointment, Alvin rushed up to the automatic elevator just as the outer doors were closing. Quickly he slipped one hand into the gap, expecting the doors to reopen. Instead, they closed upon his hand.

Alvin did manage to yank himself free, but in doing so he injured his fingers. Seeking compensation, he filed a damage suit against the owner of the building.

In a court hearing, the owner insisted that the elevator was in good order even though — for some unknown reason — it may not have worked on this particular occasion.

But the court ruled in Alvin's favor, saying he was entitled to the benefit of the doubt. The court said it was a fair guess that when such an accident occurred, there was indeed something wrong with the mechanism.

Generally speaking, the law imposes a high level of responsibility on the owner of an automatic elevator. He must take into consideration that it will be used by the young and the old, the wise and the simple, the deft and the clumsy.

Still, the owner isn't liable for "normal" mishaps. In another case, as an elderly man was entering an automatic elevator, the closing door bumped his shoulder and knocked him off balance.

But the door had functioned exactly as it was supposed to function. A court said later this was the kind of natural hazard that passengers must deal with on their own.

Nor is the owner responsible for a self-inflicted injury. One temperamental rider, trapped briefly between floors in a department store, vented his frustration by giving the elevator a swift kick in the panelling.

But when he sought damages afterward for his fractured foot, the court tossed out his claim. The court said the injury was caused "not by the stopping of the elevator but by his own kicking."

Traveling Team News

Coach A. Camara and assistant coach G. Conway put together a perfect season for their L.I. Jr. S.L. Championship Sr. Girl Team. They ended their season with a 10-0 romp over Oceanside, their ninth consecutive win. This gave the girls a season record of 9 wins and no losses. This time the scoring was done by C. Eichler (3), P. Decker (3), K. Jung (2) & P. Conway (2). Goalie T. Dolan helped achieve the final victory together with her defensive teammates J. O'Shea, Kathy Dolan, S. Stafford, M. Flynn & Karen. Helping with the attack

was M. Janette, M. Brill, S. Leidle, L. Daly & wings S. Humphreys & K. Kolovich. Congratulations girls.

The K of C sponsored Midget team, under the direction of J. Mitchell & J. McCann, played a magnificent defensive and offensive game against a strong W. Babylon team. The Hicksville team pulled the game long tie out of the fire by a G. Zakian score in the last few minutes. The teams 7-2-1 record brought them into 2nd place in the final standings of their Division. It may have been the intensity of the game that drew the moon up over the horizon in a rapidly darkening sky; but it helped light up the action for the many parents who

have consistently supported the team and helped the boys achieve the spirit and dedication their coaches have been striving for.

After having held Deer Park to a 1-0 margin at half time, and threatening consistently during the 2nd half, the GOP Midget Blue, under Tony Camara, were disappointed by the 5-0 final score. The light of a single goal was quickly extinguished by a referee's call that nullified the boot. The forward line, Cusack, Delenzik, Ench & Morga kept knocking at the door, but were turned away. Goalie D. Burke continued to do his usual outstanding job at goal.

The Harris Aluminum Bantams rolled over Brentwood 7-0 in

a furiously aggressive game. Scoring came from D. Smyth (5), B. Cresham (1) & L. Ziembicki (1) while the mid field play of B. Cheslock, S. Devlin & C. Habersaat was noticeably outstanding, as was M. Sini & D. Bell.

The Mid Island Bowl Bantam Blue split pair over the weekend. By maintaining an eager aggressive style of play, the team held a 1-1 tie against Massapequa until the final minutes. F. Musumeci's single goal didn't suffice as Massapequa dumped in two more to win 3-1. Goalie J. Knuth was completely acrobatic at goal, making outstanding saves. He had the complete support of his backfield, par-

ticularly J. Carroll, R. Bell & J. Morrisroe as R. Newlands maintained pressure on the front line. Now for the good news - Sunday was better as the team trounced North Shore 14-0, in spite of every effort to keep the score reasonable.

The Pee Wee Red, sponsored by Municipal Beef, stretched a 1-0 half time lead into a 4-0 win over Floral Park. This final win gave the team a 7-0 season record and the Championship in their Division. Scoring honors were among C. Bentley, R. Youngs, R. Markey & R. Humann, assisted frequently by L. Mejia & K. McCann. Shut out honors were shared by an ex-

Lent To Hold Local Forum

Congressman Norman F. Lent has scheduled a Community Congressional Forum for Saturday, November 22nd, from 10:00 A.M. to noon at the William M. Gouse, Jr. VFW Hall, in Hicksville. The Forum is for residents of Bethpage, Brookville, Old Brookville, Glen Head, Glenwood Landing, Greenvale, Hicksville, Jericho, Levittown, Old Westbury, Syosset, Muttontown, and Westbury.

"Maintaining an open dialogue with my constituents is a top priority with me," Rep. Lent said. "Open Community Forums, like this one, are part of my continuing effort to keep abreast of what the residents of the 4th Congressional District are thinking about the issues of the day."

Congressman Lent will be on hand to discuss current and pending Federal legislation and to hear comments of the citizens of this area. Members of Lent's staff will also be present to discuss any problems individual constituents may be having with a department or agency of the Federal government.

The Community Congressional Forum will be held at the William M. Gouse, Jr. VFW Hall, 320 South Broadway (2.10 miles south of Old Country Rd.), in Hicksville.

Appoint Three To Advisory Council

The Oyster Bay Town Board appointed three persons to Oyster Bay's Senior Citizens Advisory Council, according to Town Supervisor John W. Burke.

Reappointed to the Council were the Rev. D.K. Cianella of the Holy Trinity Episcopal Church of Hicksville, and Mr. Stanley Eddison, Director of the Plainview-Old Bethpage Public Library.

Joining them and other members of the Council is Mr. George Schlett of 123 Massachusetts Avenue, Massapequa, who is an active member of the Massapequa Senior Men's Club. He replaces Mr. Stanley Drupieski, also of Massapequa.

"The Senior Citizens Advisory Council has been of significant assistance in meeting the needs and concerns of the more than 27,000 older residents living in our Town," Burke stated. "It is a

pleasure to announce the re-appointment of two who have served so well and the appointment of another member who will assist this body in continuing in its important efforts."

The Advisory Council is comprised of residents from throughout the Town who have interest in and familiarity with the needs and problems of the aging. Among other functions it assists Oyster Bay's seniors with matters such as transportation, medical care and consumer information.

Other members of the Council are: Dr. John Dowling and Mrs. Joan Davidson of Syosset, Mrs. Joyce Kaufman of Sea Cliff, Cornelius Ryan, Bernadette Monnier and Rev. John Hinch of Plainview, Rabbi Kenneth Poplack of Bethpage, Walter Ekchler of Hicksville and James McKague of Rockville Centre.

Summer Job Opportunities

"Graduating high school seniors and college students who want to work for the federal government next summer should start thinking about it now," according to Rep. Norman F. Lent.

Each year the United States government hires thousands of students for summer work in varied positions.

"The requirements for obtaining these jobs vary from agency to agency within the federal government," Lent said, "but many are filled by competitive examination and the deadline for applications to take that exam is January 16th."

A U.S. government booklet, "Summer Jobs", outlines opportunities for students, and contains an application for the civil service test necessary to qualify for many of these competitive positions. The exam will be given locally, in Hempstead. Residents of the 4th Congressional District can obtain (Continued on page 13)

Doolittle Announces Drainage Agreement

Oyster Bay Town Councilman Warren M. Doolittle announced that the Town is preparing plans to eliminate a recurring flood condition just south of the Mid Island Shopping Plaza in Hicksville.

The ownership of the land and responsibility for this flooding condition has been disputed for some time and the dispute has not been settled. "But the necessary drainage to eliminate this problem has been delayed far too long by this legal battle that has yet to reach a conclusion," Councilman Doolittle explained.

"Because it may still be some time before the legal questions are ironed out, I felt that a little

cooperation between the Town and the shopping center owner, Stackler and Frank, could help the neighboring residents who have been victims of the flooding condition," Doolittle said.

The Councilman from Hicksville stepped in and gained an agreement that will permit the Town to install drainage in the disputed area without the installation being considered an indication of responsibility.

"At least now while answers are sought for the legal questions concerning this property, the residents near the western end of James Street will not have to suffer with each rainfall," Doolittle said.

"Armed Forces"

Navy Signalman Seaman William R. Samuels, son of Mr. and Mrs. William A. Samuels of 37 Steven St., PLAINVIEW, is embarked on a Mediterranean deployment aboard the guided missile cruiser USS Dale, homeported at Mayport, Fla.

While deployed, he and his shipmates will participate in a variety of training exercises as part of the U.S. Sixth Fleet, and will also visit several European countries.

A former student of Plainview Old Bethpage High School, he

joined the Navy in February, 1973.

Staff Sergeant Henry Arias Jr., son of Mr. and Mrs. Henry Arias Sr. of 14 Power St., HICKSVILLE, is a member of an Air National Guard unit that recently received the U.S. Air Force Outstanding Unit Award.

Sergeant Arias is a communications wiring specialist at Roslyn Air National Guard Station, N.Y.

The sergeant is a 1967 graduate of Hicksville High School. (USAF HOME TOWN NEWS CENTER)
