THE LIONS BLOOD DRIVE held January 11, was very successful, resulting in donations of 93 pints of blood. The Hicksville Lions Club is grateful to everyone who participated in the drive; and to the United Methodist Church for the use of their facilities. Special thanks to the Long Island National Bank, Central Federal Savings and Loan Association, and National Bank of North America for donations to cover the expenses of the Blood Drive.

At Gregory Museum

For the benefit of Teachers, Educators and interested Adults, the Gregory Museum, Heitz Place, Hicksville, has scheduled 3 In-Service Courses to be conducted at the museum, in Geology, Astronomy and Mineralogy, starting February 18th.

Beginning on Wednesday, February 18, Professor John Hemo of Nassau Community College and the Brookville Foundation will teach "Introductory Astronomy"; on Thursday, February 19, Professor Edward Devlin Dept. of Physical Science Nassau Community College, will teach "Minerals and Their Identification"; and on Monday, February 23, Dr. Charles Rockwell Senior Member Geology Dept. Nassau Community College, will teach "Historical Geology for Elementary School Teachers".

All courses will be given during the hours of 4:00 - 6:00 PM; and will continue for 10 weeks. Teachers will be given certificates upon completion of the course.

The charge for each course is \$40. Enrollment limited to 30.

For more detailed information, call the Gregory Museum, 516-822-7505, or stop by at the museum, address above, for a registration form.

Newcomers Club Forming

A warm welcome is extended to all newcomers of Hicksville area to join the Hicksville Newcomers Club.

A coffee klatch is set for Monday Jan. 26 at 9:30 a.m. at 41 West John Street Hicksville. Eve Mayberry will be the hostess.

"Please call for reservations 822-8153 or 433-0125. We hope you will come and get acquainted with some of your new neighbors. After paying the \$6.00 annual dues, you may participate in all the Clubs activities," said a spokesman for the new club.

 and
CARRIE CLARK and BETTY HOCKBRUECKNER
 for collecting money pledged for beautification.

Hicksville Bicentennial Plans

Considerable progress was made this past Thursday evening in planning for the Hicksville American Revolution Bicentennial celebrations this coming year.

At a meeting in the Hicksville Public Library, over forty community group representatives, comprising the Hicksville Bicentennial Committee, set firm dates for a variety of activities to mark the 200th Anniversary of the nation's Declaration of Independence.

Among the scheduled events designed to involve young and older people in considerable numbers are a Bicentennial Ball scheduled for May 21st in the large St. Ignatius Loyola old school hall which has been made available by Father Frederic Harrer, pastor, and the Parish Council. Scheduled for a Friday evening during the weekend marking the Robert Williams Land Purchase Anniversary, the Bicentennial Ball will be chaired by the Gregory Museum. Costume participation will be highly in order although optional, according to the planners.

Hicksville's Grand Bicentennial Parade has been scheduled for Saturday, June 12, Flag Day Weekend. All veterans, youth, school and community groups are urged to begin preparations for this "once in a lifetime" procession in honor of our nation's founders, revolutionary ideals and sacrifices. Chairman for the

Bicentennial Parade is Steven Didier, well-known Boy Scout leader. All band units are particularly urged to reserve June 12 so as to be in the line of march on this grand occasion.

The Hicksville Bicentennial program for this year will culminate in an "Old Fashioned Country Fair and Fourth of July Celebrations" at the Hicksville High School grounds, on July 4th. The school playing fields, grand stands and boys gymnasium have been provided by the highly cooperative action of the Hicksville Board of Education. Taking an active part in the planning for the Fair's school and organizational exhibit booths and stands will be a Bicentennial Committee of the Hicksville Council of Parent Teacher Organizations, chaired by Mrs. Millie Pino and Richard Evers, Chairman of the Hicksville Public Schools Bicentennial Committee.

In deciding to accept July 4th, a Sunday, for the community's major Bicentennial festivity and formal commemoration, the Committee generally agreed that local celebration would probably serve the needs of large numbers of Hicksville residents who will forego travel and inconvenience on a festival weekend which will be jam-packed with visitors at major centers of Bicentennial activity.

Reports of numerous on-going programs were briefly delivered by organizational represent-

atives. The "Broadway Beautification Drive" being promoted by the joint-sponsorship of the Hicksville Chamber of Commerce and Hicksville Kiwanis continues to develop with the cooperation of Scouts, youth and ecology groups and private citizens, but will require increased community financial support.

A fine short slide picture presentation by Gardiner Gregory preceded the meeting, recalling in vivid color the Bicentennial program in Hicksville, last April 19th, at the Gregory Museum, honoring the 200th Anniversaries of the Battles of Lexington and Concord.

The most productive meeting of the Hicksville Bicentennial Committee was closed with a discussion and vote to incorporate in order to facilitate Bicentennial fund raising and handling of monies.

Cochairing the meeting were Richard Evers, Americanism Chairman, Hicksville American Legion; Jack Landress, District Boy Scout Leader and Sigfried Widder, Assistant Director of the Gregory Museum.

Extending "warm greetings and appreciation to the long-active and most enthusiastic people and Bicentennial Committee of Hicksville" was Dorothy H. McGee, Town of Oyster Bay Bicentennial Commission Chairman, who reported on various Federal, State and Town programs underway.

Individualized Instruction Committee

Last Tuesday, January 13, the Hicksville school Board Individualized Instruction Committee held its third meeting of the year. Following its new approach "to investigate all of the innovative practices in the schools", the committee heard two outstanding presentations.

Mrs. Frances Byrne, East Street Reading Teacher, outlined her program, putting special emphasis on the diagnostic approach and the techniques of remediation to meet the needs of each child. Mrs. Byrne also stressed the high degree of cooperation and unified effort on the part of the classroom teacher and reading teacher as an important ingredient in the total program.

Mr. William Granville, mathematics consultant for the Hicksville Schools, grades K-8, led an interesting discussion of a pilot program he is trying at the Woodland Avenue School. He presented the new Fountain Valley diagnostic and Record Keeping System which is being used in the math program at Woodland. Mr. Granville praised the pinpoint accuracy of the program in showing where each youngster needed extra help

or instruction. He cited the extra advantages of the Fountain Valley resource books which allow a teacher to use the system with all children and with about twenty different publishers' textbooks. Based on this experience in field testing of materials, Mr. Granville will decide whether or not to recommend the adoption of Fountain valley for all schools.

Mr. Thomas Nagle, school board member, who chairs the meetings, announced that the next one will be February 24, at 8:30 P.M., in the Administration Building. Mr. Neil McCormack, the teachers, parents and administrators are looking forward to the next meeting when two more schools will make presentations. The meetings are open and everyone is welcome to attend.

School Board To Meet

The Hicksville Board of Education will hold a public meeting on Wednesday, January 28, at 8:15 P.M. in the conference room of the administration building.

The public is invited to attend.

OUTGOING G.O.P. CLUB PRESIDENT receives plaque. Alexander P. Pankoff, outgoing president of the Ernest F. Francke Republican Club of Hicksville, is shown at left receiving a plaque of appreciation from newly elected club president Robert E. Jackson. The plaque was presented at the last club meeting held on January 9th at the V.F.W. Hall in Hicksville. Mr. Pankoff served the club in the office of president for three years, from 1973 thru 1975. Under his leadership the club prospered and has attained a membership of well over 800. Photo by Bob Schmeckel

DEVOTIONS

By Rev. J. H. Krahn

WHY SUFFERING?
How many times haven't we been perplexed by the question, "Why suffering?" Why do we get hit by things that hurt so, not only with broken bodies or cancer's cannibalism but in the hurt of helplessness, of broken dreams, smashed hope, and shattered, smashed potential. Why?

One of the biggest problems with suffering is our own self-righteousness. To ask, "Why me?" sees no purpose in suffering and states that we are so good that we do not deserve to suffer. "Why me?" Better to ask, "Why not me?" The mystery of life is not that God allows us to suffer but that He does not allow us to suffer more. I am not saying that those of you who have had a really tragic experience in life have received such grief as a result of a particular sin or sins.

There is much of suffering that will always remain a mystery. Suffering comes from evil men and the direct forces of Satan. God is never the source of evil. Yet God can even harness suffering and use it for our good. How often when things are going too good don't we forget about God. Suffering puts us in touch with our limitations and reminds us of our need for the Father's help. It also reminds us that the life we currently live is far from complete, and we long for better days ahead in heaven.

Although all suffer, Christians never need to suffer alone. God deals with our suffering in Christ. Jesus was not the Superstar that the contemporary rock opera portrays. He was not the popular "guru" of Jerusalem. He was rather a man of sorrows, acquainted with grief. His pain

was real pain. The Good News of God was not announced from a donkey's back on a palm-strewn Jerusalem road, but on a desolate hill, the place of the skull, between two thieves. Jesus fully identifies and empathizes with us having assumed our nature, confronted our temptations, experienced our hurts, and bore our sins.

When we are crushed by life, He, and perhaps He alone, can say, "I understand." And then He says, "Come unto me all ye who labor and are heavy laden, and I will give you rest." This is His message to those of us who are still hurting from a past tragedy. This is His message to those of us suffering from a current disappointment. This is His message to all of us awaiting a future without guarantees.

Obituaries

JOHN ZAZA

John Zaza of Hicksville died on Jan. 18. He was the husband of Mary; father of Frank Francesco; father-in-law of Sally; brother of Ralph, Frank Festa, Adele Lepore, Katie Guglielmo and Rose Randene.

Dear Friends

LUTHERAN COMMUNITY SERVICES writes to tell us that they are recruiting foster homes in Nassau County. Children in need of homes are: (1) Teenagers (the greatest need); (2) above the age of 8; (3) Sibling groups of all ages and (4) special children with special needs, all ages. Although the majority of these children are of the black race, this group is recruiting homes for children of all races. If you are interested please call their Nassau office, 483-3240.

POLITICAL POTPOURRI: local dems from various communities throughout the county are lining up behind various democratic presidential hopefuls. Ray Simon of Baldwin and Barbara Honig of East Meadow have been appointed co-ordinators for Nassau County by the Jackson for President committee. Ms. Honig is a member of the Nassau County Democratic Executive Committee and has been active with a number of philanthropic and civic organizations. Bernard Chetkof of Plainview has been appointed coordinator for the third Congressional District by the Jackson for President Committee. Chetkof, a Plainview attorney, is a former vice chairman of the Nassau County Dem. Committee and is currently Legislative Counsel to Democratic Assemblyman Lewis Yevoli. The Birch Bayh for President campaign has also moved into high gear in the third Congressional District, with the announcement of a delegate slate for the April 6 Democratic primary. Grumman Aerospace attorney Michael Polansky of Plainview will represent this area on the bi-county slate of delegates committed to Senator Bayh's candidacy. Mr. Polansky, a 1964 graduate of Harvard Law School, is vice president of the Greater Plainview Community Association and a trustee of the Plainview-Old Bethpage Library, Nassau County, which encompasses the third, fourth, fifth and sixth Congressional Districts. Will elect a total of 22 delegates and 9 alternates in the April 6 democratic primaries. These elected delegates and alternates will attend the National Democratic Convention which will convene in New York City in July. **NASSAU COUNTY REPUBLICANS** will send a large delegation (about 100) youths from throughout Nassau, to attend the annual Young Republican Leadership Conference in Washington, D. C. from Jan. 28 to Feb. 1. Republican Leader Joseph Margiotta has been invited to give a seminar at this conference. His topic will be "Targeting and Getting Out The Vote." This conference aims at providing young Republicans with an opportunity to socialize as well as attend various political seminars and meet with party leaders. The get-together in the nation's capital will include a tour and reception at the White House and a Congressional reception on Capitol Hill. Speakers at the conference will include President Ford, Ronald Reagan, Senator James Buckley and the National Republican Chairman Mary Louise Smith. Those attending from our publication areas include: Dan Frisa, Rich Bowler and Richard Reilly of Salisbury Club area, Elliot Garrison of Oyster Bay, Doug Aloise of Bethpage, Caren Biberman, Kevin McDermott, Katherine Murray and Elizabeth Manzo of the Merricks, Nancy Kishanuk and Julia Ann Alamo of Levittown, Sal Muscarella of West Hempstead, Helen Tyska, Rosalie Giannone, Rick DeVivo and Barbara Walsh of Uniondale, William F. Sammon, Jr. of Hempstead, John Logoskiy and Nick Curro of Hicksville, Douglas Robalino of Plainview, Neil Orlins of Jericho, Carol Taddeo of Locust Valley, Michael Thomas of Muttontown, Ed Christ and Patricia Catalani of East Meadow. **STATE SENATOR RALPH J. MARINO** has joined his fellow Republicans in Washington in urging the establishment of a Solar Energy Research Institute on Long Island, as a means to bring thousands of jobs and new industry potential to the island. "The state must organize all its resources to convince the Federal Government that Long Island not only needs a solar institute, but is fully prepared to undertake a project of this magnitude," he writes. **CONGRESSMAN JEROME AMBRO** (Third District, New York) has announced a total of \$856,422 in Federal Revenue Sharing payments to the towns and villages within this district for the second quarterly payment period of Fiscal Year 1976 going from Oct. 1, 1975 to Dec. 31, 1975. Over 50 percent of this payment went to the Town of Oyster Bay. **REPUBLICANS AND DEMOCRATS ALIKE** are fighting against allowing the Concorde SST to land at Kennedy Airport. Congressmen John Wydler, Norman Lent, and Jerome Ambro are all on record as opposing granting permission to land these planes at Kennedy, as has recently been requested by both England and France. **CONGRESSMAN NORMAN LENT** tells us that most businesses responding to a survey he sent out recently, thought their own backyard was the ideal place to locate the soon to be built U. S. Solar Energy Research Institute (SERI), the consensus seemed to be that Long Island was their ideal second choice, he too has written to Gov. Carey, urging his support of Long Island as the Number Uno choice for this important project. **CONGRESSMAN JOHN WYDLER** writes to say that the Federal Office Building scheduled for construction at Mitchell Field is still being held up by the Office of Management and Budget and he is working to convince this Office that they should approve this project. He says, however that progress is being made to build a second federal building at Mitchell Field. The Air Traffic Control facility, located on Stewart Avenue about one mile from the proposed Federal Office building, is well under way. This building will provide approach control services for Kennedy, LaGuardia, Newark, Islip and Westchester Airports. It will employ about 400 people in two buildings and will comply with local zoning ordinances and building restrictions. Advertisements for bids on this approximately \$6 million project will be sent out in April. **SUPERVISOR OF THE TOWN OF HEMPSTEAD Frank Purcell** writes to say that this large Township is already "full to the brim" and is a beautiful suburban community. The latest figures of the Town's building department confirm that. Another sure sign that the Town's building area is practically filled is the attitude of their residents with which Mr. Purcell is in complete agreement. Recently a builder sought permission to rezone a 16.5 acre parcel in Levittown to allow construction of nearly 300 condominium units. Community opposition was vociferous and virtually unanimous. Similarly, in Franklin Square, a landowner sought community support to build condominiums on a site the Federal government wants to use for low income housing. The community not only didn't want the low income housing, but also loudly rejected the condominium plan even though it would generate tax revenue. **ANOTHER POLITICAL PROBLEM** which is recognized by all but is not easy to solve, is the welfare situation throughout our county and our country. In Nassau County public assistance rolls at the end of 1975 carried 1,000 fewer people, but reflected an increase in payment costs of some \$4,400,000. Getting more Federal monies is not a solution to this staggering situation, for it doesn't take a genius to know that we pay the Federal taxes too. However, much needed welfare reform is on the way so that those who are in dire need will receive help and those who can work will receive training which is how it should be not only for the hard-pressed taxpayers but also for those who, through proper training, will regain the self respect which present day welfare standards and regulations, does not give nor encourage. **ASSEMBLYMAN JOSEPH MARGIOTTA** has formed a new Police Advisory Task Force designed to assist Nassau's twelve Republican state legislators in proposing, drafting and passing legislation concerning police officers. Committee members are: James R. Ketcham, Deputy Commissioner of the County Police Dept., Michael Limongelli, President of the Nassau Police Conference; Robert G. Burdewick, President of the Superior Officers Assoc., Edward Lecci, retired police officer and former president of the County PBA and William Pattison, police sergeant assigned to Chief of Headquarters.

SUGGESTION OF THE WEEK: Register so that you can vote in all elections in the future. Nassau County Election Commissioners Isabel R. Dood and Marvin D. Cristenfeld recently announced that forms for Voter Registration by Mail are now available on request in all Libraries, Village, Town and City Halls throughout the County as well as at the Chase Manhattan Bank office at 365 S. Oyster Bay Road in Plainview, the European-American Bank and Trust Co. offices at 651 Newbridge Road in East Meadow and at 670 Franklin Avenue in Franklin Square; at First National City Bank office at 670 Merrick Avenue in East Meadow, at the Bowers Savings Bank office at 947 Old Country Road in Westbury, and at the Hempstead Bank offices at 1029 Oyster Bay Road, East Norwich and at 18 Jackson Avenue in Syosset, the South Shore Federal Savings and Loan Assn at 205 Stewart Avenue in Bethpage and the Lincoln

Savings Bank at 404 Woodbury Road in Plainview. Those who are unable to pick up a form may phone the Board of Elections at 535-2411 and one will be mailed to them. Organizations and individuals needing more than five forms should make their requests in writing, addressed to the Election Commissioners, Nassau County Board of Elections, 400 County Seat Drive, Mineola, NY 11501. As in the past, citizens who prefer, may register in person at the Board of Elections - Monday to Friday - between the hours of 9 and 4:45 as well as at their local polling place at the time of local registration in early October.

YOU HAVE THE OPPORTUNITY to see the one and only performance of the U. S. Olympic Figure Skating Team this Friday, Jan. 23rd at a special exhibition set for 8 to 10 p.m. at Nassau County's Cantiague Park indoor ice rink on West John Street in Hicksville. Tickets in the amount of \$5.00 and \$10. each are available, with proceeds slated to help defray the cost of the trip to the February Olympic Games, Innsbruck, Austria, where the games will be held from Feb. 4 to 15. **THOSE FEDERAL TAX FORM** packages that IRS recently sent out through the mails includes at least one item that all taxpayers should send back - the address label on the cover. It's a peel-off label and it is intended for the address block of the tax form you file. Use the label on your return, writes George S. Alberts, IRS District Director for Brooklyn, Queens, Nassau and Suffolk, and you will help reduce the time it takes to process the return, an important consideration if you are expecting a refund. Its use also eliminates errors that may occur when an address is entered by hand or typewriter, or when it is read during processing. So, whether you plan to fill out your own return or take it to a tax preparer, Mr. Alberts suggests you hold on to your tax package and make sure the peel-off address label goes on the return you file. **MORE THAN 450 CONSUMER COMPLAINTS** have been resolved to the satisfaction of motorists under the terms of the Auto Repair Shop Act which went into effect on Nov. 1, 1975, we were told by Motor Vehicle Commissioner James Melton. There is a growing awareness among motorist-consumers that they can now be protected from improper auto repairs, gross overcharges and deceptive practices, Mr. Melton said. "It indicates that the overwhelming majority of repair shops are both interested and willing to settle complaints that may arise and keep the customer satisfied. The Repair Shop Act mandates that every motor vehicle repair shop register with the State Dept. of Motor Vehicles and that their operations be monitored by teams of inspectors stationed throughout the State. Shops found guilty of cheating the public may be disciplined through a series of fines ranging from \$100 to \$350, to be levied following a hearing. Those found to be chronic abusers of the rules and regulations of the Act, face suspension of their license for up to six months or outright revocation of the license for at least six months before they can reapply for another license. Legal protections of this Act include: the right to a written estimate and its cost; the shop must indicate the hourly labor charge; the condition of all parts used in repair must be indicated in writing; a repair shop can perform only authorized work and must provide the customer with a written copy of the work order; customers must be given a detailed invoice of work done and parts supplied; if a shop guarantees its work, it must list the terms and time limit of such guarantee on the invoice; a repair shop that subcontracts work to another shop is still responsible for that work; and if a dispute cannot be resolved between the shop and customer, the Division of Vehicle Safety of the Dept. of Motor Vehicles will accept complaints and attempt to resolve the matter or determine if there is a violation of the law. **COUNTY CLERK HAROLD W. MCCONNELL** will be honored at a cocktail reception for his 27th year of governmental service this Sun. Jan. 25. The reception will be held at the Sunrise Village Restaurant in Bellmore from 2 to 5 p.m. according to Charles J. Sullivan and Mrs. Clinton G. Martin, Sr., co-chairmen. **CONCERNED PARENTS AND SCHOOL BOARD MEMBERS** throughout the state are worried about Gov. Carey's near silence on the subject of school finances in his annual legislative message, according to John J. Woods president of the New York State School Boards Association. Mr. Woods pointed out that the Governor paid close attention to the milk and wine industries, social health and industrial and business development, promising them expenditure of state funds on new programs, but regarding education he only mentioned that the Ford Foundation is studying the equitable distribution of state assistance, and that he has proposed a new form of property tax - the local option state property tax - to help city school districts. Mr. Woods made the point that one is not going to succeed in improving rural life, or in bettering social health, or in obtaining industrial and business revival in this state without continuing to pay close attention to the means of providing quality education to the children who will become the adults who carry out those governmental goals. **FOR THE SECOND CONSECUTIVE YEAR** fewer people were killed in automobile accidents in our County during 1975 than at any time in more than a decade. According to statistics compiled by the Nassau County Police Dept.'s Accident Prevention Bureau, 144 persons died on County roads during 1975. Police Commissioner Louis Frank attributed the decline in deaths to strict enforcement of the 55 miles-per-hour speed limit on major roads and the department's continuing drive to get drunk drivers off the road.

WE JOIN County Exec. Ralph Caso in wishing all Nassau residents of Ukrainian descent, a happy Ukrainian Independence Day which is celebrated on Jan. 22 in recognition of the rights of all people to determine their own destiny and in hope that Ukrainian independence will soon be re-established. That's all for this week. Stay well and remember that our LETTERS TO THE EDITOR columns are available to any who wish to express their opinions in this newspaper.

Jeanette Sadowski of Jericho was guest of honor at a surprise birthday party given by her family at the home of her sister, Tess Neder of Grove St., HICKSVILLE. Quite a few members of her family and her friends were on hand to help her celebrate.

Get well wishes go to Tess' husband Bob, who has been feeling under the weather and is resting at home.

Danielle Franco, daughter of Dorothy and Anthony Franco, of Westbury celebrated her 11th birthday on Jan. 11. Proud grandparents include Mr. and Mrs. John Truglia, 43 Heitz Pl., HICKSVILLE, and Mr. and Mrs. Mike Franco of Westbury. Also in attendance at the party that was held were great-grandmothers, Mrs. Amanda Wesnofski of HICKSVILLE, and Mrs. Alice Buffalino of Westbury. Happy birthday, Danielle.

Congratulations to William W. Riley of HICKSVILLE, who has been promoted to Vice President of Long Island Trust Company. Mr. Riley joined the Bank of Westbury Trust in 1969 and, subsequent to the merger with

Long Island Trust Company, was elected Assistant Secretary in 1970. He was promoted to Assistant Vice President of the Village Businessmen's Association of Great Neck, Treasurer of the Lions Club of Great Neck, and also a member of the Chamber of Commerce of that community. He is the manager of Long Island Trust Company's Great Neck Office, 675 Middle Neck Rd.

Birthday greetings go to Barbara Sue Gorsl, Brighton Pl., HICKSVILLE, who celebrated her birthday on Jan. 10.

Get well wishes go to Bob Bogart of 21st St., JERICHO, who is currently a patient in Huntington Hospital. Bob's son Gene celebrated his birthday on Jan. 17. Happy birthday, Gene, and feel better soon, Bob.

Happy Birthday to William E. Mayer, 23 Center St., HICKSVILLE. He celebrated on Jan. 22.

Peter Cobb, of 27 Sleepy Lane, HICKSVILLE, celebrated his birthday on Jan. 18. Happy birthday, Peter.

Selects Junior High Music Students

The district music office has been informed by the NMEA that 31 Plainview-Old Bethpage junior high school students have been selected to perform in the 1976 NMEA All County Music Festival to be held at the Westbury High School on Friday and Saturday, Jan. 30 and 31. These students will rehearse under the direction of outstanding conductors Friday afternoon and evening, Jan. 30 and all day Saturday, Jan. 31 before presenting a festival concert Saturday evening at 8:00. The festival band will be conducted by Lenard Howle, former conductor of the Florida A.M. Band. The orchestra will be conducted by David Amram, well known composer, and conductor of the chorus will be Dr. George Mabry of Austin Peay State University. Dr. Bruce Purrington of the Mattlin music staff is the Festival Chairman. Mr. Bernard Shaw also of the Mattlin staff is the orchestra chairman. Students were selected from hundreds of applicants from all junior high schools throughout Nassau County. Students who were selected are as follows: Mattlin

Jr. High choral students are Chris Staucharis, Mona Wechsler, Mary Ting, David Propper, Benn Steil, Estelle Sobel, Rhonda Leowenstien, Ronald Gordon, Leonard Chkipin, Theresa Cleary, Douglas Hershman, Mark Napolitano, David Fischer, Alan Heillich, James Bernhardt and Daniel Lerner all of the chours. Marc Goldberg, band and Suzanne Bakke, orchestra. Plainview-Old Bethpage junior high students selected are Shari Gershenfeld, Lisa Peck, Leslie De Gioia, of the orchestra; Rachel Chagnick, Jennifer De Gioia, Mark Saltzman, Jonathan Green, Lauryn Solomon, Mitchell Karpf and Michael Greene in the chours, and Nicholas Holati, Paul Hallesy and Robert Gardner of the band.

This is another of a number of accomplishments that Plainview-Old Bethpage music students and their teachers have achieved which has brought prestigious recognition to our music department, schools and community.

Letters To The Editor

Dear Editor,
In a recent editorial you lamented the prospective closing of the post office booth in Geriz at Mid Island Plaza. Who can disagree with the terrible conditions you described at our main post office here on West John street in Hicksville. The total lack of parking facilities, the difficult ingress and egress to the post office, just to enumerate some of the abysmal conditions.

On the basis of these conditions, you support the idea of maintaining the sub station at Mid Island. To support this obviously wasteful supplemental postal station a bare few hundred feet from the main post office, begs the question of how we got into this mess to begin with, on a structure built, not too many years ago, on a parcel of land so clearly unsuitable for it's purpose.

I, for one, believe that you could serve our community far better than simply pleading for a continuance of the Geriz postal station, by investigating the following:

1.) Who owned or had a substantial hidden interest in the parcel on which the post office was built?
2.) Who on the town board voted for granting the relief and variances, that allowed the post office to be built on this parcel of land, in case anyone wonders what I am talking about, let them look at the parking spaces for the parcels immediately to the right and left of the post office.

3.) Look into the legally questionable posting of no left turns signs into the postoffice parking lot, and why the traffic department or whatever department is responsible, can not come up with a more imaginative solution then to attempt to inhibit ingress into a driveway. I believe such restriction can only be made into a one way street, which this is not.

4.) Having read in the papers recently that the postal service is planning to build a new building in this general area, I implore you to do a little investigative

reporting that might perhaps prevent the execution of the repitition of a Hicksville post office fully, or the peeling of another political plum, which ever is applicable, and all of course, at the expense of the tax payer.

Herbert Klein
44 Felice Crescent
Hicksville, N.Y.

Dear Mrs. Noeth:

As a homeowner and taxpayer in the Plainview community, it is my earnest hope that the Oyster Bay Town Board will not allow Hippo Enterprises to proceed with the proposed Discotheque in the Plainview Shopping Center on South Oyster Bay Road.

The Plainview Shopping Center is a "neighborhood" Shopping Center in the truest sense of that term. It consists exclusively of local businesses, almost all of which are closed for the night by 9 or 10 P.M. The Shopping Center is surrounded by residential neighborhoods. By 11 or 12 at night the entire area is so quiet that the sound of a car door slamming can be heard several blocks away. It is obvious that the inclusion of the Shopping Center in a "Neighborhood Business" Zone, rather than in a "General Business" Zone, makes good sense indeed.

To downzone part of the Shopping Center to allow the proposed Discotheque would be the beginning of the end for the residential character of surrounding neighborhoods. I refer especially to the Market Drive area in Syosset and the East Gate Knickerbocker Road West Gate area south of Woodbury Road in Plainview. The plans call for the Discotheque to be open seven nights a week until 4 o'clock in the morning. As many as 1000 people a night, in hundreds of cars, will be coming and going from the premises. Most of the patrons will come from far outside the area. Local homeowners are likely to reap a sad harvest of noise, litter and vandalism unless the Hippo application is denied.

Now it is up to the Town Board to protect local homeowners and taxpayers in the quiet enjoyment of their homes. It is up to them to keep the Hippo Discotheque out of Plainview.

Very truly yours,
Michael Polansky

Dear Sirs,

The Hicksville High School Ecology Club holds monthly Aluminum and Paper Drives on the third Saturday of each month. Publicity is most important and it would be greatly appreciated if you could announce in The Mid Island Herald our next Aluminum and Paper Drive on Saturday, February 21st in front of Hicksville High School from 8:00 to 11:00, rain or shine.

Your cooperation would be greatly appreciated.

Thank You
Charles A. DiSalvo
Pres., H.H.S. Ecology Club

To The Editor,

Those who read the recent series of articles on mass transportation in one of the local dailies realize that there are many problems and hurdles to be overcome in developing a viable, integrated public transportation system for Long Island. We are an automobile-oriented culture complete with its attendant problems of traffic congestion, energy waste, air pollution and the isolation of those without cars.

These are the major reasons for my commitment, as chairman of the Transportation committee of the Nassau County Board of Supervisors, to the development of a mass transportation system for the county. The five year plan, developed by the County's Office of Public Transportation and its director, Martin Gach, is a meaningful step in the right direction.

With the support of Federal funds, the plan calls for improvement in scheduling and routing of buses, the establishment of a demand responsive

(Continued on Page 7)

Financial Aid For College

On the evening of January 15 the Hicksville High School Guidance Department sponsored a program on financial aid for college. Approximately 200 parents and students from both the senior and junior classes attended the program.

Mr. Lawrence Seligman, Financial Aid Officer of New

York Institute of Technology, discussed the many ways that a student may apply for financial aid to the college of his choice. In addition, the various Federal and State financial aid programs were discussed.

At the conclusion of his talk Mr. Seligman opened the program to questions from the audience. The

question of financial aid for college is sometimes a most complex and complicated undertaking. The program put on by the guidance department helped to answer and clear up many of the questions for the audience. Mr. Seligman should be congratulated on making a difficult topic very informative.

John Ash: In Memoriam

By Richard Evers

Hicksville's school community and its sporting world are much the less for the death of John Ash of the Junior High School faculty this past Christmas night. As one who knew him as a colleague for twenty years, I mourn his passing. He was a very fine human being, an outstanding coach and dedicated teacher, a thorough gentleman, and a credit to his creed.

John's lifework was the coaching and the physical training of youth. At this he was unusually gifted. A graduate of New York University, with graduate study at Columbia, City College and Hofstra, he came to Hicksville in 1935 after 13 years of coaching in New York City and Mount Vernon schools.

He quickly established himself as a football and baseball coach cut from the superior mold of Hicksville's E. Parker Yutzler and Louis Milleville. Had he not assumed supervision of the Junior High's rapidly expanding sports program in the population "boom" years of the 'Fifties', it is likely that he would have much expanded his excellent win-loss

record. Among the outstanding athletes John Ash helped to develop were Chris Coletta who went on to a professional baseball contract with the Boston Red Sox and Henry Ristow.

A Golden Gloves boxer and coach in his younger years, John Ash was more than a builder of athletes and well conditioned youth. For nine years he was a most able Director of the Hicksville Adult Education Program. His affability and rapport with his faculty and splendid public relations did much to enhance this notable program.

Short in physical stature but grand in his wholesome human qualities and congeniality, John Ash will long be remembered by all of us at the Junior High. It was a joy and honor to teach along side of him, to share his moral points of view, his modesty and his love of good conversation.

May a kind Providence comfort this family with the knowledge that his fellow teachers and the staff and students of the Junior High held John Ash in the highest esteem and affection.

Civic Groups Set Meeting On "Hippo" Discotheque

Civic leaders fighting the proposed "Hippo" Discotheque in the Plainview Shopping Center on South Oyster Bay Road have announced that a PUBLIC MEETING in opposition to the Discotheque will be held on Wednesday evening, February 4. The meeting will take place at the Baylis School on Woodbury Road in Syosset, starting promptly at 8:00 P.M. All members of the public are urged to attend.

The list of organizations opposing the Discotheque continued to grow last week. The Clearview Village Civic Association had already announced its opposition late in December, and has now been formally joined by the Greater Plainview Community Association, the South Woodbury Taxpayers Association, the Birchwood Park Civic Association, the West Birchwood Civic Association, the Syosset

Village Civic Association, and the North Woodbury Civic Association. The Plainview-Old Bethpage PTA Council has also made known its intention to fight the Discotheque, and other school-related groups in Plainview and Syosset are expected to follow suit shortly.

Speaking for all the involved civic groups, GPCA President Paul Eisenstein urged all residents of Plainview, Syosset, Woodbury and Hicksville to make their views on the Discotheque known to the Town Board. "We hope for a large turnout at Baylis on February 4, and for an even

larger turnout at the Town Board Hearing on February 10," Eisenstein stated. "If we are to stop this unwarranted downzoning of our community, it's up to all of us to get the message to Town Hall."

The Town Board will hold its formal hearing on the "Hippo" Discotheque application on Tuesday evening, February 10, at 8 P.M. at the Town Hall annex on Audrey Avenue in Oyster Bay. Want to help fight the "Hippo"? Call GPCA President Paul Eisenstein at 822-4686 or Clearview Village Civic Association President Roy Entin at 822-2930.

Fire Dept. Report

By Ex-Capt. Owen Magee

During the period Dec. 23 thru Jan. 19th the Hicksville Fire Dept. responded to 101 alarms. There were 47 false alarms, 37 rescue calls, 4 fire calls.

During the Holiday Season Hicksville residents were fortunate in that there were no serious fires, while elsewhere serious fires, many resulting in death were common place.

What may be an old fashioned winter is upon us. Now is a good time for a cold weather check up for home fire safety.

1. Is your furnace in good shape? If in doubt have it checked. Automatic controls, ember shut offs etc.

2. Be sure you have proper insulation over the heating unit.

3. Be sure the flue pipes are well supported, free of holes, and clean.

4. Keep combustible material away from the heating system. Don't give fire a place to start.

5. If you must use a portable electric heater don't leave it unattended. Don't use it on an extension cord.

6. Keep heater away from walls, combustibles such as curtains, beds etc.

7. Frozen Pipes? Don't thaw with blow torch or open flame. Use hot water or U. L. labeled device for thawing.

One Last Reminder

If you do have a fire, don't mess with it. Evacuate and call the fire department. Don't be a Fire Victim.

At The POB Library

STORY TIME AT LIBRARY

The Plainview-Old Bethpage Public Library Children's Department welcomes children ages 4, 5 and 6 to Story Time sessions on Fridays at 10 and 11 AM and 2 PM. Each group meets for one-half hour of picture books, finger plays, action songs and "show and tell". Special hour-long session Friday, January 23, 10:30 to 11:30 AM. While their children attend Story Time, mothers are invited to Adult Roundtable. Mrs. Judith Elkin of New York State Co-operative Extension Service will discuss "Sex Education for Preschoolers".

MOVIES AT LIBRARY

On Saturday, January 24, at

1:00 P.M. for ages 6 - 12 the Plainview-Old Bethpage Public Library will show the film FLIGHT OF THE DOVES. No tickets are necessary.

BE OUR VALENTINE

The Plainview-Old Bethpage Public Library Children's Department would like you to recommend a book to a friend. Use a 3" x 5" piece of paper to write your review, include author, title, grade level and 3-5 lines about the book. Write only on one side. Sign your name. Card may be decorated or put on a small heart. Bring to Children's Room for display during February.

To Honor Richard Evers

For the Bicentennial year, the Hicksville Council of PTA Units has appropriately selected Richard E. Evers to be the District Honored guest at the Founders Day Dinner.

Mr. Evers, besides teaching in the Hicksville Jr. High for 23 years, has pioneered and specialized in exposing the community to State, local and U.S. History. Many of us know him as the man in the American

Legion hat who presents Americanism awards, Eagle Scout Honors, School Awards and Oratorical Contest Awards.

The Founders Day Dinner will be held at the Salisbury Restaurant in Eisenhower Park on Thursday, February 26, at 7:30 P.M.

MARK YOUR CALENDARS. Tickets are \$7.00 per person. Tickets may be purchased from your PTA Council Delegate.

Plainview Man Made Chairman

Morton M. Vitriol, director of research for Business Week, and a Plainview resident, is serving as chairman for the annual conference of the industrial marketing division of the American Marketing Association. The conference will be held at the Hotel Roosevelt,

New York, on February 4, with the theme: "The Industrial Marketing Plan."

Mr. Vitriol is immediate past vice president of the AMA's industrial marketing division, and a past president and past director of the AMA's New York Chapter.

Stroke Club

The next meeting will be held on THURSDAY, JANUARY 29, at 7:30 p.m. at Central General Hospital in Plainview. The Club is co-sponsored by the Nassau Heart Association.

The meeting is open to family, friends, and the stroke people themselves.

Family Movie

It's a family movie attraction at the Hicksville Public Library on Saturday afternoon, January 24th at 2 o'clock, when Chapter 5 of the FLASH GORDON series, and KONTIKI are presented.

TWENTY FIFTH ANNIVERSARY: Simon Saretzky (left), president of IMC Magnetics Corp. of Westbury, N.Y., looks over company's 25th anniversary display with Paul Spizey (right), an official of The Bowery Savings Bank. The display is exhibited at The Bowery's New Castle branch at Westbury during the month of January. The exhibit consists of electric motors and fans used in aerospace and electronic equipment. These products are manufactured in Westbury as well as IMC's six other divisions throughout the country. IMC Magnetics Corp., founded in 1951, was a first-come to the New Castle Industrial Park at Westbury where the executive offices and eastern facility are located. The company which is listed on the American Stock Exchange has experienced rapid growth in recent years.

The C.W. Post Weekend College

YOU'VE MADE THE MOST OF OUR GREAT IDEA!

The popularity of our Weekend College is ample proof that you like the idea of being able to attend classes on weekends. But the fact is we've come a long way from offering just classes on weekends.

On Saturdays... or Sundays... or both... you can earn up to 6 college credits in 6 weeks in a wide range of undergraduate and graduate courses. There are also special courses for personal enrichment... and courses developed specifically to assist your professional growth... with the potential goal of an Associate, Baccalaureate or Master's degree.

You'll find that our "personalized education" doesn't end on Fridays, either. You're encouraged to consult with your weekend teachers. We've even set up student/faculty weekend luncheons to stimulate informal contact and discussion. And, at Post, whether or not you're enrolled in a degree program... you are entitled to academic, personal and career counseling.

We offer reduced tuition for husbands and wives who enroll in the same course and we will accept BankAmericard and Master Charge payments.

SPRING SESSION I BEGINS JANUARY 31, FEBRUARY 7, 8

SPRING SESSION II BEGINS APRIL 10, 24, 25

(Other sessions begin in June)

JV Basketball

The Hicksville J.V. Basketball Team now has a 4-1 record. Last week, the young Comets lost to Uniondale 4-38 in a loosely played game. Next the J.V. defeated Jericho 68-31. Scoring leaders were Tony Allen, 15 pts., Dean Tallman, 10 pts. The Comets then

defeated North Shore, 74-42, led by Dean Tallman's 16 pts. Bob Bradley and Tony Allen had 10 each. The Comets fourth win was a 32-27 victory over Great Neck South. Billy Schwartz led the scorers with 12 pts.

Titans In Lutheran Tournament

Holy Trinity High School has been honored by an invitation to the 1976 Lutheran Invitational Basketball Tournament on January 24th and 25th. The Titans will oppose highly rated Mackin High School of Washington, D.C. in the opening game.

This is Holy Trinity's second basketball tournament this season. The Titans succeeded in taking 3rd place in the 15th annual Bishop O'Connell Tournament in Arlington, Virginia during the Christmas holidays.

Newcomers Club

The Welcome Wagon Newcomers Club of Plainview, has social bowling every Friday morning, 9:30 to 12 noon at the Plainview Bowl, Old Bethpage

Rd., Plainview. Free instruction, nursery privileges, and all newcomers are welcome. Mrs. R. Johnston is the Hostess.

Free Throw Contest

A free throw basketball competition for youngsters, eleven thru fourteen, will be held by the Joseph F. Lamb Council No. 5723 Knights of Columbus, Plainview, N.Y. at Our Lady of Mercy Gym, in Hicksville, on Saturday afternoon, January 24th at 3:00 P.M. The contest, which is part of the Knights of Columbus statewide competition, will feature youngsters, both boys and girls, in 4 age groups - eleven, twelve, thirteen and fourteen. Each youngster will be allowed (10) free throws into the basket. The ones with the greatest percentage of accuracy will be the winners.

The Joseph F. Lamb Council will award eight trophies to the winners - one trophy for each girl and boy in each of the four age brackets. Every child entering the contest will also receive a certificate from the council. Already, 32 youths have signed up for the competition - so relatives and friends are urged to "come on down" and cheer their boy or girl on! The Co-chairmen for the event are Arthur J. Granata, Director of youth activities in the council, and brother Knight Frank White.

Winners of the Free Throw competition will go on to the KNIGHTS OF COLUMBUS DISTRICT Contests to be held on February 14 and 15th.

KOFC CLUB NEWS

That genial gentlemen in the Santa Claus outfit at the children's Christmas Party, who was such a big hit with all of the children, was Joseph F. Lamb Council's own Edward J. Boyle, Ed, who is the Chancellor in Lamb Council, did such a fine job, that he better keep his "uniform" in good shape for next year-so, that he can make a repeat appearance by popular demand.

BOCES Board Meeting

The BOCES Board of Education will meet on January 29, at 8:15 p.m.

These meetings are held at Valentines Road and The Plain Road, Westbury. The public is welcome to attend.

Hicksville Wrestling

There are many Hicksville High School wrestling fans. However most of them wrestler parents, brothers, sisters, girl friends, or just friends of the wrestlers. Their support is greatly appreciated by Steve Tomaini, Head Coach, and by Assistant Coach Mike Lendo. But there is one vital element needed for a successful wrestling season - total support of the team as evidenced by a full house at home matches and good Hicksville representation at "away" matches. The team is deserving of support because:

1. Wrestling, unlike football, does not rely on size or weight, and unlike basketball, height has no distinct advantage.
2. Wrestling allows all boys from 90 pounds on up, regardless of height to compete. Each boy in any weight class is a vital part of the team. The 100 pounder can win or lose six points just as the heavyweight, and the six points can win or lose the match for the team.
3. Wrestling is also an individual effort involving strength, endurance, and skill. Strength and endurance comes from hard exercise, weight lifting, and running - most of which is done away from practice sessions in the wrestlers free time. Skills are taught in practice sessions after school hours. Wrestling therefore requires a dedication from the competitor above and beyond that called for in most sports. Twelve such dedicated boys produce a winning varsity team and twelve more produces a winning junior varsity team.
4. Positions on each team are earned. Wrestle-offs are conducted, in which wrestlers in each weight compete against each other, with the winners on the varsity and the runner-ups on the junior varsity. The remainder wait to compete again - the day before the next match.
5. The coaches and wrestlers have worked hard to fashion a product worthy of being called the "Comet Wrestling Team". They have earned the respect of the wrestling fraternity. They have earned and deserve the support of students, faculty, and parents.

As of January 16th, the team has a 3 won and a 1 loss record:

1. The first match was at home against Levittown Division. An unbelievable 33 to 0 win for Hicksville was highlighted by five pins and a superior decision. Pins were by Pat Bennett, Pete Webb, Andy Edell, Robert Sokenis, and Frank Cerone, with Bill Stepkowski gaining the superior decision.
2. The second match against Clarke at Hicksville produced a 43-11 win for Hicksville. Pins were recorded by Haas, Al Auffant, Phil Malasky, Roger Sokenis, and Frank Cerone. Pat Bennett added 5 points with a 16-1 superior decision.
3. Hicksville's first away match was against the even-powered Farmingdale High School team who defeated the Comets 14-30. Nonetheless, many noteworthy performances were highlighted by the extraordinary effort of Marty Byrnes to turn a 10-2 deficit into a 12-10 win at the buzzer. Pat Bennett, John Leo, and Andy Edell contributed wins and Brian Damm tied his opponent to result in Hicksville's scoring.
4. Match number 4 was at Garden City High School and resulted in a 49-6 win. Pins by Pete Harvey, John Pacifico, Andy Edell, Roger Sokenis, and Frank Cerone along with a superior decision by John Leo contributed to the lopsided score. Marty Byrnes came from behind once again to record a 4-point major decision, 18-10. Bill Stepkowski also recorded a major decision.

As of January 16th individual dual match records are as follows:

| Name | Weight | W | L | T | Pins |
|--------------------------------|--------|---|---|---|------|
| Pat Bennett | 98 | 3 | 1 | 1 | 1 |
| John Leo (1975 division champ) | 105 | 2 | 0 | | |
| Haas | 105 | 2 | 0 | | 1 |
| Pete Harvey | 112 | 3 | 1 | | 1 |
| Marty Byrnes | 119 | 3 | 2 | | |

How to reduce your current

Federal income tax...

...and have more money for your retirement, too.

If you're working and not covered by a pension program, there is now a tax-favored way for you to build your own retirement fund.

You can defer Federal Income taxes each year on up to 15% of your income or \$1,500, whichever is less, by putting this income to work to set up your own retirement fund.

Think about that! You can purchase your own retirement plan with money you deduct on your income tax. You won't be subject to tax until years from now after retirement, when your tax bracket probably will be lower.

So if you're not scheduled to get a pension, call me and we'll arrange one.

LEGAL NOTICE

PUBLIC NOTICE

NOTICE IS HEREBY GIVEN, pursuant to law, that a public hearing will be held by the Town Board of the Town of Oyster Bay, Nassau County, New York, on Tuesday, February 10, 1976, at 10 o'clock a.m., prevailing time, in the Hearing Room, Town Hall, East Building, Audrey Avenue, Oyster Bay, New York, for the purpose of considering an application to modify restrictive covenants heretofore imposed upon the premises described below at the time of granting Resolution No. 722-74 which

LEGAL NOTICE

permitted the installation and maintenance of a portable asphalt plant for a period of eighteen (18) months upon said premises by deleting from said resolution the provisions which limited the said special use permit to a period of eighteen (18) months from the date thereof so that said special use permit shall be permanent without any limitation as to the duration thereof.

Permission to modify Resolution No. 722-74 as aforesaid is being sought by the petition of ZARA CONTRACTING CO., INC.

LEGAL NOTICE

herein and the premises affected are described as follows: All that certain plot, piece or parcel of land, situate at Hicksville, Town of Oyster Bay, County of Nassau, State of New York, described as follows:

Premises located at the intersection of the east side of Engel Street and north side of Hicksville Avenue, having a frontage of approximately 195 feet on Engel Street and running to a depth of approximately 200 feet, being known as part of lot 21, 22 through 24 inclusive, part of lot 37, 38 through 40 inclusive, 46 through 48 inclusive and lot 59 in block 187 of section 11 of the Nassau County Land and Tax Map.

The above mentioned petition and map which accompanies it are on file and may be viewed daily (except Saturday, Sunday or Holidays) between the hours of 9 a.m. and 4:45 p.m., prevailing time, at the office of the Town Clerk.

Any person interested in the subject matter of the said hearing will be given an opportunity to be heard with reference thereto at the time and place above designated.

WINN PRIZE

Anthony Neff, a sixth grade student at Burns Avenue School, recently brought honor and recognition to himself, his proud parents, and his school by winning a prize in the VFW New Americanism Essay Contest.

The William M. Gouse, Jr., Post No. 3211 of the Veterans of Foreign Wars invited all sixth grade students in Hicksville Schools to participate in this contest by submitting an essay titled, "What Our Bi-Centennial Heritage Means to Me".

Anthony's effort won a \$25.00 Savings Bond for himself, and his classmates and teachers were nearly as delighted as he was.

GOURMET

On December 15th, ten students from the Junior High French Club accompanied Miss Biasi on a trip to New York City to continue their study of French foods. This trip, taken annually to a French restaurant, gives the students a chance to try the foods about which they have been studying. This year the

lucky restaurant was Larre's.

JUNIOR HIGH MEDIA CENTER

On January 15 and 16, the Junior High Media Center had a display of new books. The faculty was invited to review the collection during those days. On Monday, January 19 the students will be invited to the mini-book fair.

JUNIOR HIGH LEADERS' CLUB

The annual faculty volleyball game, sponsored by the Leaders' Club was held in December. Earlier in the year the group also held a cake sale. All proceeds went to Lorenzo Harry, the American Indian boy adopted by the Leaders' Club, sponsored by Mrs. Barbara Cunningham. The group sends \$15.00 a month toward Lorenzo's support, and purchases birthday and Christmas gifts. Letters have been exchanged and all those involved have felt the project has been a rewarding experience.

On The Campus

Karen Simon, daughter of Mr. and Mrs. Fred W. Simon, of Oak Dr. PLAINVIEW, has been named to the Dean's List in the School of Allied Health Professionals at Ithaca College. A physical therapy major, she is a 1973 graduate of Plainview High School.

Fordham Road, Hicksville has completed her student teaching at Burnt Hill High School at Saratoga Springs, N.Y. Trudy is a Senior at Skidmore College and is a music major. Trudy is on a music tour in Europe, covering Luxembourg, Florence, Rome, Venice, Innsbruck, Munich, Strasburg and France. This tour is in reference to her studies. We wish her a wonderful trip.

Trudy Tartamella formerly of

Now you have the facts. The team and coaches hope you will support their efforts at home on Tuesday, 27 January at 4 PM against MacArthur's tough team, and again on Friday 30 January at 4 PM at Carle Place High School. The price is right. Admission is free. More info next week.

LEGAL NOTICE

PUBLIC NOTICE.
NOTICE IS HEREBY GIVEN, pursuant to law, that a public hearing will be held by the Town Board of the Town of Oyster Bay, Nassau County, New York, on Tuesday, February 10, 1976, at 10 o'clock a.m., prevailing time, in the Hearing Room, Town Hall, East Building, Audrey Avenue, Oyster Bay, New York, for the purpose of considering an application to modify certain terms and conditions heretofore imposed upon and affecting the premises described below at the time of granting Resolution No. 471-75, dated July 15, 1975, which granted a special use permit to operate and maintain an auto and truck body and repair shop on said property by amending paragraph numbered "1" of said resolution so as to permit the erection of a pole sign in accordance with the sign plan made part of the petition herein.

The permission to modify is being sought by petition of NATIONAL AUTO CLINIC, INC. and the premises covered by this notice are as follows:
All that certain plot, piece or parcel of land, situate at Plainview, Town of Oyster Bay, County of Nassau, State of New York, which is bounded and described as follows:
Said premises beginning at a point on the southerly side of

transit (DRT) or "dial-a-ride" system, computerized carpooling services and park-and-ride facilities.

I want to commend the Engineers Hill Transportation Committee, a group comprised of representatives of the firms in this Plainview Industrial Park for its initiative and cooperative effort toward providing a realistic alternative to the private auto for its employees' commuting needs. Working with the Office of Public Transportation, the committee has effected improvements in the scheduling and routing of buses serving the industrial complex for the more than 3400 employees.

Similar efforts by other concerned groups and organizations should be most helpful in bringing more and better public transportation for the benefit of all residents and people who work in the Town of Oyster Bay.

John Burke,
Supvrsr. TOB

List Oyster Bay On Tax Returns

Oyster Bay Town Supervisor John W. Burke has called on all residents of the Town to mark carefully the Place of Residence block which appears on the 1975 U.S. Individual Income Tax Return 1040 and 1040A; in order to insure that Oyster Bay receives its full entitlement of federal revenue sharing funds.

"Writing in 'Oyster Bay' in section D of the Place of Residence block plays a great role in determining the amount of revenue sharing funds we receive," Supervisor Burke said, noting that "1976 population and 1975 per capita income estimates are used by the U.S. Census Bureau for revenue sharing purposes."

Supervisor Burke also urged residents of incorporated villages within the Town of Oyster Bay to clearly mark their village name in Section A, and Yes in section B, as well as clearly marking "Oyster Bay" in Section D to "insure that your incorporated village as well as the Town gets its fair share of federal revenue sharing funds."

LEGAL NOTICE

prevailing time, at the office of the Town Clerk.

Any person interested in the subject matter of the said hearing will be given an opportunity to be heard with reference thereto at the time and place above designated.

Our Armed Forces

Navy Air Controlman Ervin C. Deck, whose wife Ellen is the daughter of Mr. and Mrs. William Jakabek of 28 Gables Road, HICKSVILLE, is participating in Operation "Deep Freeze," an annual deployment responsible for the movement of scientists and supplies from the United States to Antarctica.

While deployed, he will also help provide logistical and communication support for the scientists conducting research projects and experiments in the Antarctica region.

Deck serves with the Antarctic Naval Support Force, homebased at Fort Huene, Calif.

Regents Set School Hours

The Board of Regents, at its regular monthly meeting in New York City, this week adopted a new regulation which prescribes the minimum amount of daily instructional time required for students in the State's elementary and secondary schools for State and purposes.

Under the new regulation, daily sessions for pupils in half-day kindergartens must be a minimum of two and one-half hours; sessions for students in full-day kindergartens, and grades one through six must consist of a minimum of five and one-half hours, exclusive of time allotted for lunch.

The new regulation becomes effective November 21 and stipulates that after September 1, 1976, no school day which falls below these levels may be counted in computing State aid.

Exceptions to the minimum amount of instructional time are permitted because of extraordinarily adverse weather conditions, impairment of heating facilities, insufficiency of water supply, shortage of fuel, or destruction of a school building.

The regulation does not apply to districts which have received prior approval from the Commissioner to operate double or overlapping sessions.

"Stalag 17"

Newlyweds, Mr. and Mrs. Thanos, have formed their own theatrical production company, Thanos C & G Productions, and will present the suspense filled laugh riot "Stalag 17" by Donald Bevan and Edmund Trzcenski, at their Thanos Dinner Theatre at the Holiday Inn in Hempstead, as their first production, beginning Wednesday, January 21, until February 22.

Each of them bring together a rich theatrical background that includes both Mr. and Mrs. Thanos, appearing with Martha Raye for over a year and a half in "Everybody Loves Opal," and Thanos' career wherein he began as a singer, then worked as a manager of such groups as "We The People" and includes

owning a record and song publishing company whose songs were sung by the "Fifth Dimensions" and other top groups.

The Thanos Dinner Theatre is open on Wednesday through Sunday nights, with a special Wednesday luncheon matinee. On Wednesday and Thursday nights, the doors open for dinner at 7 PM with the curtain going up at 8:45. On Friday and Saturday nights the doors open for dinner at 7:30 PM with the curtain going up at 9:45 PM. For the special Wednesday matinees, lunch is served at 1 PM with the curtain at 2:30 PM.

For any further information please contact Bob Gray or Bobbi Jo Thanos at 486-1222.

NCMC Board To Meet

The regular monthly meeting of the Board of Managers of the Nassau County Medical Center will be held in the amphitheater of the Dynamic Care Building at UHAM Monday, January 26.

Garden Club News

Hicksville Garden Club meeting will take place on Monday, January 26th at 8 P.M. at the Gregory Museum, Heitz Place, Hicksville.

This month's topic is "Lawn Care" and the Speaker will be Mr. Hy Cohen of the Suburban Lawn Service.

All are welcome.

Game Night

Holy Trinity Episcopal Church, Hicksville, is having a "GAME NIGHT" on Saturday, January 31, at 8:00 P.M. in the auditorium.

Various types of board games and cards will be provided, or if you have a favorite game bring it with you. Fun for the whole family.

Snacks and coffee and cake are supplied without charge. Admission \$1.50 per person.

The decision is yours

If your Synagogue, Benevolent Society or Organization provides death benefits or cemetery plots, you have the right to select any Funeral Director WITHOUT LOSING ANY OF THESE BENEFITS. Even if a so-called "official" Funeral Director has been appointed by your Organization or Synagogue, you are not obligated to use his services to receive the death benefits. The right to select the Funeral Director of your choice together with the assurance of receiving all your benefits are guaranteed under NEW YORK STATE LAW (Section 365 of the Insurance Law).

Your selection of a Funeral Director should be based on his reputation, convenience of location and his facilities.

Economy Measures Instituted At Old Bethpage Village

The Department of Recreation and Parks is closing the Old Bethpage village restoration on Mondays to comply with economy measures instituted by Nassau County. The village will be open 6 days a week until June 30 and 7 days a week during July and August to accommodate the summer crowds. It will return to the 6 day schedule September 1.

The restoration will remain open on three holiday Mondays - Memorial Day, May 31, Labor Day, September 6, and Columbus Day, October 11.

The village, restored to typify a rural Long Island farm community of the mid-19th century, is comprised of more than two dozen authentically restored historic structures situated in

open, rolling countryside. On a routine day in the rural community, visitors can watch farmhands in the costume of the 1840's go about their chores tending the land, homes and livestock. No cars or trucks are permitted on the narrow village roads, but the visitor may have to move aside as the team of Percheron horses from Powell farm

clips by or the oxen plod stoically along the road bordered by split rail fences.

The blacksmith works daily at his forge repairing old tools, sharpening saws, or making hinges and other forged pieces in the style of the period. The "smitty" will be pleased to explain his craft. The ladies of the

village move briskly to their tasks such as feeding the livestock, milking, baking bread in a hearth oven, and sewing patchwork quilt. Staff members, like the blacksmith, are informed regarding the history of the old buildings and the 1840 way of life and impart the lore of the period to visitors.

At Town Board Meeting

Gerry Kahn

The calendar for the Town Board Meeting on Tuesday, January 20th was composed of twenty items.

Item No. 1 was the Hearing on the Petition of the Capobianco Family for a change of Zone from "C" Residence District and "B" Residence to "E-3" General Residence District in that area adjacent to the W/S Marginal Road of the Seaford Oyster Bay Expressway - 640' North of Jericho Turnpike in Syosset.

The petitioner was represented by council, Mr. Coffee, who briefly described the proposed usage of the property and presented layouts etc. The property, if the petition is granted, will be utilized as the site for 225 residential units (Condominiums) erected at a proportion of 8 to an acre. The Hearing was brief as it was scheduled for continuance at 8 o'clock Tuesday evening.

Mr. Van Reese, a Syosset resident living on Pine Rd., asked questions relative to the proposed construction but was reserved when asked by the Supervisor if he was for or against the petition.

The president of the Syosset Park Civic Assoc., Mr. Kaplan, stated that after several conferences, a most agreeable set of compromises had been worked out with the builders and if they were to be part of the covenants his association was in favor of the granting.

Florence Gardiner, representing Action for the Preservation of No. Shore, spoke relative to recharge basins and natural drainage of the existing property.

The Hearing was closed to be continued at 8 o'clock in the evening. Item No. 7 was of local concern as it pertained to the offer of dedication as a park area on the Map of Woodbury Heights, Woodbury, N.Y. for the Syosset-Woodbury Park District as a nature conservancy (that area that fronts the entrance to "The Gates").

Among those that spoke before the Board was Judy Jacobs who indicated increased concern over any further curb cuts along Woodbury Rd. in the vicinity of

the Froelich Farms Industrial Park. Mrs. Jacobs requested that some attempts be made to obtain an assurance from the Tilles Organization that an internal network of roads be devised to preclude any necessity of future curb cuts on Woodbury Road to facilitate any expansion of the present Industrial Complex.

The 8:00 P.M. Hearing on the Capobianco petition concluded at 10:30 P.M. The speakers representing the petitioner were Mr. Coffee, the attorney, Mr. Capobianco, the builder, Mr. Faulkertes, the design architect.

Speaking in favor of the petition and the proposed construction were members of the various trade unions.

Elliott Remder speaking for the Syosset Park Civic Assoc. stated that the proposed covenants and restrictions were crucial to a guarantee of non-opposition on the part of his group.

Janet Kennedy, a resident of Pine Rd., was not in opposition but asked questions relative to the proposed restrictions.

Dec. 23 - 11:10 A.M. - Cars driven by Glenn C. Trueb, of Northport, Robert O. Russo, 240 Martin Dr., Syosset and John W.
